Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (1) of section 468.4334, Florida
Statutes, is amended to read:

468.4334 Professional practice standards; liability.—
(1) A community association manager or a community
association management firm is deemed to act as agent on behalf
of a community association as principal within the scope of
authority authorized by a written contract or under this
chapter. A community association manager and a community
association management firm shall discharge duties performed on
behalf of the association as authorized by this chapter loyally,
skillfully, and diligently; dealing honestly and fairly; in good
faith; with care and full disclosure to the community
association; accounting for all funds; and not charging unreasonable or excessive fees.

(b) If a community association manager or a community association management firm has a contract with a community association that has a building on the association's property that is subject to s. 553.899, the community association manager or the community association management firm must comply with that section as directed by the board.

Section 2. Section 553.899, Florida Statutes, is created to read:

553.899 Mandatory structural inspections for condominium and cooperative buildings.—

(1) The Legislature finds that maintaining the structural integrity of a building throughout its service life is of paramount importance in order to ensure that buildings are structurally sound so as to not pose a threat to the public health, safety, or welfare. As such, the Legislature finds that the imposition of a statewide structural inspection program for aging condominium and cooperative buildings in this state is necessary to ensure that such buildings are safe for continued use.

(2) As used in this section, the terms:

(a) "Milestone inspection" means a structural inspection of a building, including an inspection of load-bearing walls and the primary structural members and primary structural systems as
those terms are defined in s. 627.706, by a licensed architect
or engineer authorized to practice in this state for the
purposes of attesting to the life safety and adequacy of the
structural components of the building and, to the extent
reasonably possible, determining the general structural
condition of the building as it affects the safety of such
building, including a determination of any necessary
maintenance, repair, or replacement of any structural component
of the building. The purpose of such inspection is not to
determine if the condition of an existing building is in
compliance with the Florida Building Code or the firesafety
code.

(b) "Substantial structural deterioration" means
substantial structural distress that negatively affects a
building's general structural condition and integrity. The term
does not include surface imperfections such as cracks,
distortion, sagging, deflections, misalignment, signs of
leakage, or peeling of finishes unless the licensed engineer or
architect performing the phase one or phase two inspection
determines that such surface imperfections are a sign of
substantial structural deterioration.

(3) A condominium association under chapter 718 and a
cooperative association under chapter 719 must have a milestone
inspection performed for each building that is three stories or
more in height by December 31 of the year in which the building
reaches 30 years of age, based on the date the certificate of
occupancy for the building was issued, and every 10 years
thereafter. If the building is located within 3 miles of a
coastline as defined in s. 376.031, the condominium association
or cooperative association must have a milestone inspection
performed by December 31 of the year in which the building
reaches 25 years of age, based on the date the certificate of
occupancy for the building was issued, and every 10 years
thereafter. The condominium association or cooperative
association must arrange for the milestone inspection to be
performed and is responsible for ensuring compliance with the
requirements of this section. The condominium association or
cooperative association is responsible for all costs associated
with the inspection. This subsection does not apply to a single-
family, two-family, or three-family dwelling with three or fewer
habitable stories above ground.

(4) If a milestone inspection is required under this
section and the building's certificate of occupancy was issued
on or before July 1, 1992, the building's initial milestone
inspection must be performed before December 31, 2024. If the
date of issuance for the certificate of occupancy is not
available, the date of issuance of the building's certificate of
occupancy shall be the date of occupancy evidenced in any record
of the local building official.

(5) Upon determining that a building must have a milestone
inspection...
inspection, the local enforcement agency must provide written notice of such required inspection to the condominium association or cooperative association by certified mail, return receipt requested.

(6) Within 180 days after receiving the written notice under subsection (5), the condominium association or cooperative association must complete phase one of the milestone inspection. For purposes of this section, completion of phase one of the milestone inspection means the licensed engineer or architect who performed the phase one inspection submitted the inspection report by e-mail, United States Postal Service, or commercial delivery service to the local enforcement agency.

(7) A milestone inspection consists of two phases:

(a) For phase one of the milestone inspection, a licensed architect or engineer authorized to practice in this state shall perform a visual examination of habitable and nonhabitable areas of a building, including the major structural components of a building, and provide a qualitative assessment of the structural conditions of the building. If the architect or engineer finds no signs of substantial structural deterioration to any building components under visual examination, phase two of the inspection, as provided in paragraph (b), is not required. An architect or engineer who completes a phase one milestone inspection shall prepare and submit an inspection report pursuant to subsection (8).
(b) A phase two of the milestone inspection must be performed if any substantial structural deterioration is identified during phase one. A phase two inspection may involve destructive or nondestructive testing at the inspector's direction. The inspection may be as extensive or as limited as necessary to fully assess areas of structural distress in order to confirm that the building is structurally sound and safe for its intended use and to recommend a program for fully assessing and repairing distressed and damaged portions of the building. When determining testing locations, the inspector must give preference to locations that are the least disruptive and most easily repairable while still being representative of the structure. An inspector who completes a phase two milestone inspection shall prepare and submit an inspection report pursuant to subsection (8).

(8) Upon completion of a phase one or phase two milestone inspection, the architect or engineer who performed the inspection must submit a sealed copy of the inspection report with a separate summary of, at minimum, the material findings and recommendations in the inspection report to the condominium association or cooperative association, and to the building official of the local government which has jurisdiction. The inspection report must, at a minimum, meet all of the following criteria:

(a) Bear the seal and signature, or the electronic
signature, of the licensed engineer or architect who performed 
the inspection.

(b) Indicate the manner and type of inspection forming the 
basis for the inspection report.

(c) Identify any substantial structural deterioration, 
within a reasonable professional probability based on the scope 
of the inspection, describe the extent of such deterioration, 
and identify any recommended repairs for such deterioration.

(d) State whether unsafe or dangerous conditions, as those 
terms are defined in the Florida Building Code, were observed.

(e) Recommend any remedial or preventive repair for any 
items that are damaged but are not substantial structural 
deterioration.

(f) Identify and describe any items requiring further 
inspection.

(9) The association must distribute a copy of the 
inspector-prepared summary of the inspection report to each 
condominium unit owner or cooperative unit owner, regardless of 
the findings or recommendations in the report, by United States 
mail or personal delivery and by electronic transmission to unit 
owners who previously consented to received notice by electronic 
transmission; must post a copy of the inspector-prepared summary 
in a conspicuous place on the condominium or cooperative 
property; and must publish the full report and inspector-
prepared summary on the association's website, if the
(10) A local enforcement agency may prescribe timelines and penalties with respect to compliance with this section.

(11) A board of county commissioners may adopt an ordinance requiring that a condominium or cooperative association schedule or commence repairs for substantial structural deterioration within a specified timeframe after the local enforcement agency receives a phase two inspection report; however, such repairs must be commenced within 365 days after receiving such report. If an association fails to submit proof to the local enforcement agency that repairs have been scheduled or have commenced for substantial structural deterioration identified in a phase two inspection report within the required timeframe, the local enforcement agency must review and determine if the building is unsafe for human occupancy.

(12) The Florida Building Commission shall review the milestone inspection requirements under this section and make recommendations, if any, to the Legislature to ensure inspections are sufficient to determine the structural integrity of a building. The commission must provide a written report of any recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2022.

(13) The Florida Building Commission shall consult with the State Fire Marshal to provide recommendations to the
Legislature for the adoption of comprehensive structural and life safety standards for maintaining and inspecting all types of buildings and structures in this state that are three stories or more in height. The commission shall provide a written report of its recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2023.

Section 3. Subsections (25) through (30) of section 718.103, Florida Statutes, are renumbered as subsections (26) through (31), respectively, and a new subsection (25) is added to that section to read:

718.103 Definitions.—As used in this chapter, the term:

(25) "Structural integrity reserve study" means a study of the reserve funds required for future major repairs and replacement of the common areas based on a visual inspection of the common areas. A structural integrity reserve study may be performed by any person qualified to perform such study. However, the visual inspection portion of the structural integrity reserve study must be performed by an engineer licensed under chapter 471 or an architect licensed under chapter 481. At a minimum, a structural integrity reserve study must identify the common areas being visually inspected, state the estimated remaining useful life and the estimated replacement cost or deferred maintenance expense of the common areas being visually inspected, and provide a recommended annual
reserve amount that achieves the estimated replacement cost or deferred maintenance expense of each common area being visually inspected by the end of the estimated remaining useful life of each common area.

Section 4. Paragraph (b) of subsection (7) and paragraphs (a), (c), and (g) of subsection (12) of section 718.111, Florida Statutes, are amended to read:

718.111 The association.—
(7) TITLE TO PROPERTY.—
(b) Subject to s. 718.112(2)(o) the provisions of s. 718.112(2)(m), the association, through its board, has the limited power to convey a portion of the common elements to a condemning authority for the purposes of providing utility easements, right-of-way expansion, or other public purposes, whether negotiated or as a result of eminent domain proceedings.

(12) OFFICIAL RECORDS.—
(a) From the inception of the association, the association shall maintain each of the following items, if applicable, which constitutes the official records of the association:

1. A copy of the plans, permits, warranties, and other items provided by the developer under s. 718.301(4).

2. A photocopy of the recorded declaration of condominium of each condominium operated by the association and each amendment to each declaration.

3. A photocopy of the recorded bylaws of the association
and each amendment to the bylaws.

4. A certified copy of the articles of incorporation of the association, or other documents creating the association, and each amendment thereto.

5. A copy of the current rules of the association.

6. A book or books that contain the minutes of all meetings of the association, the board of administration, and the unit owners.

7. A current roster of all unit owners and their mailing addresses, unit identifications, voting certifications, and, if known, telephone numbers. The association shall also maintain the e-mail addresses and facsimile numbers of unit owners consenting to receive notice by electronic transmission. The e-mail addresses and facsimile numbers are not accessible to unit owners if consent to receive notice by electronic transmission is not provided in accordance with sub-subparagraph (c)3.e. However, the association is not liable for an inadvertent disclosure of the e-mail address or facsimile number for receiving electronic transmission of notices.

8. All current insurance policies of the association and condominiums operated by the association.

9. A current copy of any management agreement, lease, or other contract to which the association is a party or under which the association or the unit owners have an obligation or responsibility.
10. Bills of sale or transfer for all property owned by the association.

11. Accounting records for the association and separate accounting records for each condominium that the association operates. Any person who knowingly or intentionally defaces or destroys such records, or who knowingly or intentionally fails to create or maintain such records, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty pursuant to s. 718.501(1)(d). The accounting records must include, but are not limited to:

   a. Accurate, itemized, and detailed records of all receipts and expenditures.

   b. A current account and a monthly, bimonthly, or quarterly statement of the account for each unit designating the name of the unit owner, the due date and amount of each assessment, the amount paid on the account, and the balance due.

   c. All audits, reviews, accounting statements, structural integrity reserve studies, and financial reports of the association or condominium. Structural integrity reserve studies must be maintained for at least 15 years after the study is completed.

   d. All contracts for work to be performed. Bids for work to be performed are also considered official records and must be maintained by the association for at least 1 year after receipt
of the bid.

12. Ballots, sign-in sheets, voting proxies, and all other papers and electronic records relating to voting by unit owners, which must be maintained for 1 year from the date of the election, vote, or meeting to which the document relates, notwithstanding paragraph (b).

13. All rental records if the association is acting as agent for the rental of condominium units.

14. A copy of the current question and answer sheet as described in s. 718.504.

15. A copy of the inspection reports as described in ss. 553.899 and 718.301(4)(p) and any other inspection report relating to a structural or life safety inspection of condominium property. Such record must be maintained by the association for 15 years after receipt of the report s. 718.301(4)(p).

16. Bids for materials, equipment, or services.

17. All affirmative acknowledgments made pursuant to s. 718.121(4)(c).

18. All other written records of the association not specifically included in the foregoing which are related to the operation of the association.

(c)1. The official records of the association are open to inspection by any association member or the authorized representative of such member at all reasonable times. The right
to inspect the records includes the right to make or obtain
copies, at the reasonable expense, if any, of the member or
authorized representative of such member. A renter of a unit has
a right to inspect and copy only the declaration of condominium,
and the association's bylaws and rules, and the inspection
reports described in ss. 553.899 and 718.301(4)(p). The
association may adopt reasonable rules regarding the frequency,
time, location, notice, and manner of record inspections and
copying but may not require a member to demonstrate any purpose
or state any reason for the inspection. The failure of an
association to provide the records within 10 working days after
receipt of a written request creates a rebuttable presumption
that the association willfully failed to comply with this
paragraph. A unit owner who is denied access to official records
is entitled to the actual damages or minimum damages for the
association's willful failure to comply. Minimum damages are $50
per calendar day for up to 10 days, beginning on the 11th
working day after receipt of the written request. The failure to
permit inspection entitles any person prevailing in an
enforcement action to recover reasonable attorney fees from the
person in control of the records who, directly or indirectly,
knowingly denied access to the records.

2. Any person who knowingly or intentionally defaces or
destroyed accounting records that are required by this chapter to
be maintained during the period for which such records are
required to be maintained, or who knowingly or intentionally fails to create or maintain accounting records that are required to be created or maintained, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty pursuant to s. 718.501(1)(d).

3. The association shall maintain an adequate number of copies of the declaration, articles of incorporation, bylaws, and rules, and all amendments to each of the foregoing, as well as the question and answer sheet as described in s. 718.504 and year-end financial information required under this section, on the condominium property to ensure their availability to unit owners and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the documents. An association shall allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association's providing the member or his or her authorized representative with a copy of such records. The association may not charge a member or his or her authorized representative for the use of a portable device. Notwithstanding this paragraph, the following records are not accessible to unit owners:

a. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-
product privilege, including a record prepared by an association
attorney or prepared at the attorney's express direction, which
reflects a mental impression, conclusion, litigation strategy,
or legal theory of the attorney or the association, and which
was prepared exclusively for civil or criminal litigation or for
adversarial administrative proceedings, or which was prepared in
anticipation of such litigation or proceedings until the
conclusion of the litigation or proceedings.

b. Information obtained by an association in connection
with the approval of the lease, sale, or other transfer of a
unit.

c. Personnel records of association or management company
employees, including, but not limited to, disciplinary, payroll,
health, and insurance records. For purposes of this sub-
paragraph, the term "personnel records" does not include
written employment agreements with an association employee or
management company, or budgetary or financial records that
indicate the compensation paid to an association employee.

d. Medical records of unit owners.

e. Social security numbers, driver license numbers, credit
card numbers, e-mail addresses, telephone numbers, facsimile
numbers, emergency contact information, addresses of a unit
owner other than as provided to fulfill the association's notice
requirements, and other personal identifying information of any
person, excluding the person's name, unit designation, mailing
address, property address, and any address, e-mail address, or facsimile number provided to the association to fulfill the association's notice requirements. Notwithstanding the restrictions in this sub-subparagraph, an association may print and distribute to unit owners a directory containing the name, unit address, and all telephone numbers of each unit owner. However, an owner may exclude his or her telephone numbers from the directory by so requesting in writing to the association. An owner may consent in writing to the disclosure of other contact information described in this sub-subparagraph. The association is not liable for the inadvertent disclosure of information that is protected under this sub-subparagraph if the information is included in an official record of the association and is voluntarily provided by an owner and not requested by the association.

f. Electronic security measures that are used by the association to safeguard data, including passwords.

g. The software and operating system used by the association which allow the manipulation of data, even if the owner owns a copy of the same software used by the association. The data is part of the official records of the association.

h. All affirmative acknowledgments made pursuant to s. 718.121(4)(c).

By January 1, 2019, an association managing a condominium with 150 or more units which does not contain
timeshare units shall post digital copies of the documents specified in subparagraph 2. on its website or make such documents available through an application that can be downloaded on a mobile device.

a. The association's website or application must be:
   (I) An independent website, application, or web portal wholly owned and operated by the association; or
   (II) A website, application, or web portal operated by a third-party provider with whom the association owns, leases, rents, or otherwise obtains the right to operate a web page, subpage, web portal, collection of subpages or web portals, or an application which is dedicated to the association's activities and on which required notices, records, and documents may be posted or made available by the association.

b. The association's website or application must be accessible through the Internet and must contain a subpage, web portal, or other protected electronic location that is inaccessible to the general public and accessible only to unit owners and employees of the association.

c. Upon a unit owner's written request, the association must provide the unit owner with a username and password and access to the protected sections of the association's website or application which contain any notices, records, or documents that must be electronically provided.

2. A current copy of the following documents must be
posted in digital format on the association's website or application:

a. The recorded declaration of condominium of each condominium operated by the association and each amendment to each declaration.

b. The recorded bylaws of the association and each amendment to the bylaws.

c. The articles of incorporation of the association, or other documents creating the association, and each amendment to the articles of incorporation or other documents. The copy posted pursuant to this sub-subparagraph must be a copy of the articles of incorporation filed with the Department of State.

d. The rules of the association.

e. A list of all executory contracts or documents to which the association is a party or under which the association or the unit owners have an obligation or responsibility and, after bidding for the related materials, equipment, or services has closed, a list of bids received by the association within the past year. Summaries of bids for materials, equipment, or services which exceed $500 must be maintained on the website or application for 1 year. In lieu of summaries, complete copies of the bids may be posted.

f. The annual budget required by s. 718.112(2)(f) and any proposed budget to be considered at the annual meeting.

g. The financial report required by subsection (13) and
any monthly income or expense statement to be considered at a meeting.

h. The certification of each director required by s. 718.112(2)(d)4.b.

i. All contracts or transactions between the association and any director, officer, corporation, firm, or association that is not an affiliated condominium association or any other entity in which an association director is also a director or officer and financially interested.

j. Any contract or document regarding a conflict of interest or possible conflict of interest as provided in ss. 468.436(2)(b)6. and 718.3027(3).

k. The notice of any unit owner meeting and the agenda for the meeting, as required by s. 718.112(2)(d)3., no later than 14 days before the meeting. The notice must be posted in plain view on the front page of the website or application, or on a separate subpage of the website or application labeled "Notices" which is conspicuously visible and linked from the front page. The association must also post on its website or application any document to be considered and voted on by the owners during the meeting or any document listed on the agenda at least 7 days before the meeting at which the document or the information within the document will be considered.

l. Notice of any board meeting, the agenda, and any other document required for the meeting as required by s.
718.112(2)(c), which must be posted no later than the date
required for notice under s. 718.112(2)(c).

m. The inspection reports described in ss. 553.899 and
718.301(4)(p) and any other inspection report relating to a
structural or life safety inspection of condominium property.

n. The association's most recent structural integrity
reserve study, if applicable.

3. The association shall ensure that the information and
records described in paragraph (c), which are not allowed to be
accessible to unit owners, are not posted on the association's
website or application. If protected information or information
restricted from being accessible to unit owners is included in
documents that are required to be posted on the association's
website or application, the association shall ensure the
information is redacted before posting the documents.
Notwithstanding the foregoing, the association or its agent is
not liable for disclosing information that is protected or
restricted under this paragraph unless such disclosure was made
with a knowing or intentional disregard of the protected or
restricted nature of such information.

4. The failure of the association to post information
required under subparagraph 2. is not in and of itself
sufficient to invalidate any action or decision of the
association's board or its committees.

Section 5. Paragraphs (g) through (o) of subsection (2) of
section 718.112, Florida Statutes, are redesignated as paragraphs (i) through (g), respectively, paragraphs (d) and (f) of that subsection are amended, and new paragraphs (g) and (h) are added to that subsection, to read:

718.112 Bylaws.—

(2) REQUIRED PROVISIONS.—The bylaws shall provide for the following and, if they do not do so, shall be deemed to include the following:

(d) Unit owner meetings.—

1. An annual meeting of the unit owners must be held at the location provided in the association bylaws and, if the bylaws are silent as to the location, the meeting must be held within 45 miles of the condominium property. However, such distance requirement does not apply to an association governing a timeshare condominium.

2. Unless the bylaws provide otherwise, a vacancy on the board caused by the expiration of a director's term must be filled by electing a new board member, and the election must be by secret ballot. An election is not required if the number of vacancies equals or exceeds the number of candidates. For purposes of this paragraph, the term "candidate" means an eligible person who has timely submitted the written notice, as described in sub-subparagraph 4.a., of his or her intention to become a candidate. Except in a timeshare or nonresidential condominium, or if the staggered term of a board member does not
expire until a later annual meeting, or if all members' terms would otherwise expire but there are no candidates, the terms of all board members expire at the annual meeting, and such members may stand for reelection unless prohibited by the bylaws. Board members may serve terms longer than 1 year if permitted by the bylaws or articles of incorporation. A board member may not serve more than 8 consecutive years unless approved by an affirmative vote of unit owners representing two-thirds of all votes cast in the election or unless there are not enough eligible candidates to fill the vacancies on the board at the time of the vacancy. Only board service that occurs on or after July 1, 2018, may be used when calculating a board member's term limit. If the number of board members whose terms expire at the annual meeting equals or exceeds the number of candidates, the candidates become members of the board effective upon the adjournment of the annual meeting. Unless the bylaws provide otherwise, any remaining vacancies shall be filled by the affirmative vote of the majority of the directors making up the newly constituted board even if the directors constitute less than a quorum or there is only one director. In a residential condominium association of more than 10 units or in a residential condominium association that does not include timeshare units or timeshare interests, co-owners of a unit may not serve as members of the board of directors at the same time unless they own more than one unit or unless there are not
enough eligible candidates to fill the vacancies on the board at
the time of the vacancy. A unit owner in a residential
condominium desiring to be a candidate for board membership must
comply with sub-subparagraph 4.a. and must be eligible to be a
candidate to serve on the board of directors at the time of the
deadline for submitting a notice of intent to run in order to
have his or her name listed as a proper candidate on the ballot
or to serve on the board. A person who has been suspended or
removed by the division under this chapter, or who is delinquent
in the payment of any assessment due to the association, is not
eligible to be a candidate for board membership and may not be
listed on the ballot. For purposes of this paragraph, a person
is delinquent if a payment is not made by the due date as
specifically identified in the declaration of condominium,
bylaws, or articles of incorporation. If a due date is not
specifically identified in the declaration of condominium,
bylaws, or articles of incorporation, the due date is the first
day of the assessment period. A person who has been convicted of
any felony in this state or in a United States District or
Territorial Court, or who has been convicted of any offense in
another jurisdiction which would be considered a felony if
committed in this state, is not eligible for board membership
unless such felon's civil rights have been restored for at least
5 years as of the date such person seeks election to the board.
The validity of an action by the board is not affected if it is

later determined that a board member is ineligible for board membership due to having been convicted of a felony. This subparagraph does not limit the term of a member of the board of a nonresidential or timeshare condominium.

3. The bylaws must provide the method of calling meetings of unit owners, including annual meetings. Written notice of an annual meeting must include an agenda; be mailed, hand delivered, or electronically transmitted to each unit owner at least 14 days before the annual meeting; and be posted in a conspicuous place on the condominium property or association property at least 14 continuous days before the annual meeting. Written notice of a meeting other than an annual meeting must include an agenda; be mailed, hand delivered, or electronically transmitted to each unit owner; and be posted in a conspicuous place on the condominium property or association property within the timeframe specified in the bylaws. If the bylaws do not specify a timeframe for written notice of a meeting other than an annual meeting, notice must be provided at least 14 continuous days before the meeting. Upon notice to the unit owners, the board shall, by duly adopted rule, designate a specific location on the condominium property or association property where all notices of unit owner meetings must be posted. This requirement does not apply if there is no condominium property for posting notices. In lieu of, or in addition to, the physical posting of meeting notices, the
association may, by reasonable rule, adopt a procedure for
conspicuously posting and repeatedly broadcasting the notice and
the agenda on a closed-circuit cable television system serving
the condominium association. However, if broadcast notice is
used in lieu of a notice posted physically on the condominium
property, the notice and agenda must be broadcast at least four
times every broadcast hour of each day that a posted notice is
otherwise required under this section. If broadcast notice is
provided, the notice and agenda must be broadcast in a manner
and for a sufficient continuous length of time so as to allow an
average reader to observe the notice and read and comprehend the
entire content of the notice and the agenda. In addition to any
of the authorized means of providing notice of a meeting of the
board, the association may, by rule, adopt a procedure for
conspicuously posting the meeting notice and the agenda on a
website serving the condominium association for at least the
minimum period of time for which a notice of a meeting is also
required to be physically posted on the condominium property.
Any rule adopted shall, in addition to other matters, include a
requirement that the association send an electronic notice in
the same manner as a notice for a meeting of the members, which
must include a hyperlink to the website where the notice is
posted, to unit owners whose e-mail addresses are included in
the association's official records. Unless a unit owner waives
in writing the right to receive notice of the annual meeting,
such notice must be hand delivered, mailed, or electronically transmitted to each unit owner. Notice for meetings and notice for all other purposes must be mailed to each unit owner at the address last furnished to the association by the unit owner, or hand delivered to each unit owner. However, if a unit is owned by more than one person, the association must provide notice to the address that the developer identifies for that purpose and thereafter as one or more of the owners of the unit advise the association in writing, or if no address is given or the owners of the unit do not agree, to the address provided on the deed of record. An officer of the association, or the manager or other person providing notice of the association meeting, must provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the association affirming that the notice was mailed or hand delivered in accordance with this provision.

4. The members of the board of a residential condominium shall be elected by written ballot or voting machine. Proxies may not be used in electing the board in general elections or elections to fill vacancies caused by recall, resignation, or otherwise, unless otherwise provided in this chapter. This subparagraph does not apply to an association governing a timeshare condominium.

a. At least 60 days before a scheduled election, the association shall mail, deliver, or electronically transmit, by
separate association mailing or included in another association mailing, delivery, or transmission, including regularly published newsletters, to each unit owner entitled to a vote, a first notice of the date of the election. A unit owner or other eligible person desiring to be a candidate for the board must give written notice of his or her intent to be a candidate to the association at least 40 days before a scheduled election. Together with the written notice and agenda as set forth in subparagraph 3., the association shall mail, deliver, or electronically transmit a second notice of the election to all unit owners entitled to vote, together with a ballot that lists all candidates not less than 14 days or more than 34 days before the date of the election. Upon request of a candidate, an information sheet, no larger than 8 1/2 inches by 11 inches, which must be furnished by the candidate at least 35 days before the election, must be included with the mailing, delivery, or transmission of the ballot, with the costs of mailing, delivery, or electronic transmission and copying to be borne by the association. The association is not liable for the contents of the information sheets prepared by the candidates. In order to reduce costs, the association may print or duplicate the information sheets on both sides of the paper. The division shall by rule establish voting procedures consistent with this sub-subparagraph, including rules establishing procedures for giving notice by electronic transmission and rules providing for
the secrecy of ballots. Elections shall be decided by a plurality of ballots cast. There is no quorum requirement; however, at least 20 percent of the eligible voters must cast a ballot in order to have a valid election. A unit owner may not authorize any other person to vote his or her ballot, and any ballots improperly cast are invalid. A unit owner who violates this provision may be fined by the association in accordance with s. 718.303. A unit owner who needs assistance in casting the ballot for the reasons stated in s. 101.051 may obtain such assistance. The regular election must occur on the date of the annual meeting. Notwithstanding this sub-subparagraph, an election is not required unless more candidates file notices of intent to run or are nominated than board vacancies exist.

b. Within 90 days after being elected or appointed to the board of an association of a residential condominium, each newly elected or appointed director shall certify in writing to the secretary of the association that he or she has read the association's declaration of condominium, articles of incorporation, bylaws, and current written policies; that he or she will work to uphold such documents and policies to the best of his or her ability; and that he or she will faithfully discharge his or her fiduciary responsibility to the association's members. In lieu of this written certification, within 90 days after being elected or appointed to the board, the newly elected or appointed director may submit a certificate
of having satisfactorily completed the educational curriculum administered by a division-approved condominium education provider within 1 year before or 90 days after the date of election or appointment. The written certification or educational certificate is valid and does not have to be resubmitted as long as the director serves on the board without interruption. A director of an association of a residential condominium who fails to timely file the written certification or educational certificate is suspended from service on the board until he or she complies with this sub-subparagraph. The board may temporarily fill the vacancy during the period of suspension. The secretary shall cause the association to retain a director's written certification or educational certificate for inspection by the members for 5 years after a director's election or the duration of the director's uninterrupted tenure, whichever is longer. Failure to have such written certification or educational certificate on file does not affect the validity of any board action.

c. Any challenge to the election process must be commenced within 60 days after the election results are announced.

5. Any approval by unit owners called for by this chapter or the applicable declaration or bylaws, including, but not limited to, the approval requirement in s. 718.111(8), must be made at a duly noticed meeting of unit owners and is subject to all requirements of this chapter or the applicable condominium
documents relating to unit owner decisionmaking, except that
unit owners may take action by written agreement, without
meetings, on matters for which action by written agreement
without meetings is expressly allowed by the applicable bylaws
or declaration or any law that provides for such action.

6. Unit owners may waive notice of specific meetings if
allowed by the applicable bylaws or declaration or any law.
Notice of meetings of the board of administration, unit owner
meetings, except unit owner meetings called to recall board
members under paragraph (1) (j), and committee meetings may be
given by electronic transmission to unit owners who consent to
receive notice by electronic transmission. A unit owner who
consents to receiving notices by electronic transmission is
solely responsible for removing or bypassing filters that block
receipt of mass e-mails sent to members on behalf of the
association in the course of giving electronic notices.

7. Unit owners have the right to participate in meetings
of unit owners with reference to all designated agenda items.
However, the association may adopt reasonable rules governing
the frequency, duration, and manner of unit owner participation.

8. A unit owner may tape record or videotape a meeting of
the unit owners subject to reasonable rules adopted by the
division.

9. Unless otherwise provided in the bylaws, any vacancy
occurring on the board before the expiration of a term may be
filled by the affirmative vote of the majority of the remaining
directors, even if the remaining directors constitute less than
a quorum, or by the sole remaining director. In the alternative,
a board may hold an election to fill the vacancy, in which case
the election procedures must conform to sub-subparagraph 4.a.
unless the association governs 10 units or fewer and has opted
out of the statutory election process, in which case the bylaws
of the association control. Unless otherwise provided in the
bylaws, a board member appointed or elected under this section
shall fill the vacancy for the unexpired term of the seat being
filled. Filling vacancies created by recall is governed by
paragraph (l) and rules adopted by the division.

10. This chapter does not limit the use of general or
limited proxies, require the use of general or limited proxies,
or require the use of a written ballot or voting machine for any
agenda item or election at any meeting of a timeshare
condominium association or nonresidential condominium
association.

Notwithstanding subparagraph (b)2. and sub-subparagraph 4.a., an
association of 10 or fewer units may, by affirmative vote of a
majority of the total voting interests, provide for different
voting and election procedures in its bylaws, which may be by a
proxy specifically delineating the different voting and election
procedures. The different voting and election procedures may
provide for elections to be conducted by limited or general proxy.

(f) Annual budget.—

1. The proposed annual budget of estimated revenues and expenses must be detailed and must show the amounts budgeted by accounts and expense classifications, including, at a minimum, any applicable expenses listed in s. 718.504(21). The board shall adopt the annual budget at least 14 days before prior to the start of the association's fiscal year. In the event that the board fails to timely adopt the annual budget a second time, it is shall be deemed a minor violation and the prior year's budget shall continue in effect until a new budget is adopted. A multicondominium association must shall adopt a separate budget of common expenses for each condominium the association operates and must shall adopt a separate budget of common expenses for the association. In addition, if the association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements as provided for in s. 718.113(1), the budget or a schedule attached to it must show the amount budgeted for this maintenance. If, after turnover of control of the association to the unit owners, any of the expenses listed in s. 718.504(21) are not applicable, they do not need to be listed.

2.a. In addition to annual operating expenses, the budget must include reserve accounts for capital expenditures and
deferred maintenance. These accounts must include, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and any other item that has a deferred maintenance expense or replacement cost that exceeds $10,000. The amount to be reserved for an item is determined by the association's most recent structural integrity reserve study that must be completed by December 31, 2024. If the amount to be reserved for an item is not in the association's initial or most recent structural integrity reserve study or the association has not completed a structural integrity reserve study, the amount must be computed using a formula based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of the each reserve item. The association may adjust replacement reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to an adopted budget in which the members of a unit-owner controlled association may determine have determined, by a majority vote at a duly called meeting of the association, to provide no reserves or less reserves than required by this subsection. Effective December 31, 2024, the members of a unit-owner controlled association may not determine to provide no reserves or less reserves than required by this subsection for items listed in paragraph (g).
b. Before turnover of control of an association by a developer to unit owners other than a developer under pursuant to s. 718.301, the developer-controlled association may not vote the voting interests allocated to its units to waive the reserves or reduce the funding of the reserves through the period expiring at the end of the second fiscal year after the fiscal year in which the certificate of a surveyor and mapper is recorded pursuant to s. 718.104(4)(e) or an instrument that transfers title to a unit in the condominium which is not accompanied by a recorded assignment of developer rights in favor of the grantee of such unit is recorded, whichever occurs first, after which time reserves may be waived or reduced only upon the vote of a majority of all nondeveloper voting interests voting in person or by limited proxy at a duly called meeting of the association. If a meeting of the unit owners has been called to determine whether to waive or reduce the funding of reserves and no such result is achieved or a quorum is not attained, the reserves included in the budget shall go into effect. After the turnover, the developer may vote its voting interest to waive or reduce the funding of reserves.

3. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and may be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority vote at a duly called meeting of the association. Before turnover of control of

CODING: Words stricken are deletions; words underlined are additions.
an association by a developer to unit owners other than the
developer pursuant to s. 718.301, the developer-controlled
association may not vote to use reserves for purposes other than
those for which they were intended. Effective December 31, 2024,
members of a unit-owner controlled association may not vote to
use reserve funds, or any interest accruing thereon, that are
reserved for items listed in paragraph (g) for any other purpose
other than their intended purpose without the approval of a
majority of all nondeveloper voting interests, voting in person
or by limited proxy at a duly called meeting of the association.

4. The only voting interests that are eligible to vote on
questions that involve waiving or reducing the funding of
reserves, or using existing reserve funds for purposes other
than purposes for which the reserves were intended, are the
voting interests of the units subject to assessment to fund the
reserves in question. Proxy questions relating to waiving or
reducing the funding of reserves or using existing reserve funds
for purposes other than purposes for which the reserves were
intended must contain the following statement in capitalized,
bold letters in a font size larger than any other used on the
face of the proxy ballot: WAIVING OF RESERVES, IN WHOLE OR IN
PART, OR ALLOWING ALTERNATIVE USES OF EXISTING RESERVES MAY
RESULT IN UNIT OWNER LIABILITY FOR PAYMENT OF UNANTICIPATED
SPECIAL ASSESSMENTS REGARDING THOSE ITEMS.

(g) Structural integrity reserve study.—
1. An association must have a structural integrity reserve study completed at least every 10 years after the condominium's creation for each building on the condominium property that is three stories or higher in height which includes, at a minimum, a study of the following items as related to the structural integrity and safety of the building:

   a. Roof.
   b. Load-bearing walls or other primary structural members.
   c. Floor.
   d. Foundation.
   e. Fireproofing and fire protection systems.
   f. Plumbing.
   g. Electrical systems.
   h. Waterproofing and exterior painting.
   i. Windows.

   j. Any other item that has a deferred maintenance expense or replacement cost that exceeds $10,000 and the failure to replace or maintain such item negatively affects the items listed in subparagraphs a.-i., as determined by the licensed engineer or architect performing the visual inspection portion of the structural integrity reserve study.

2. Before a developer turns over control of an association to unit owners other than the developer, the developer must have a structural integrity reserve study completed for each building on the condominium property that is three stories or higher in
height.

3. Associations existing on or before July 1, 2022, which are controlled by unit owners other than the developer, must have a structural integrity reserve study completed by December 31, 2024, for each building on the condominium property that is three stories or higher in height.

4. If an association fails to complete a structural integrity reserve study pursuant to this paragraph, such failure is a breach of an officer's and director's fiduciary relationship to the unit owners under s. 718.111(1).

(h) Mandatory milestone inspections.—If an association is required to have a milestone inspection performed pursuant to s. 553.899, the association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of s. 553.899. The association is responsible for all costs associated with the inspection. If the officers or directors of an association willfully and knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers' and directors' fiduciary relationship to the unit owners under s. 718.111(1)(a). Upon completion of a phase one or phase two milestone inspection and receipt of the inspector-prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report.
to each unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery and by electronic transmission to unit owners who previously consented to receive notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the condominium property; and must publish the full report and inspector-prepared summary on the association's website, if the association is required to have a website.

Section 6. Paragraph (f) of subsection (8) of section 718.116, Florida Statutes, is amended to read:

718.116 Assessments; liability; lien and priority; interest; collection.—

(8) Within 10 business days after receiving a written or electronic request therefor from a unit owner or the unit owner's designee, or a unit mortgagee or the unit mortgagee's designee, the association shall issue the estoppel certificate. Each association shall designate on its website a person or entity with a street or e-mail address for receipt of a request for an estoppel certificate issued pursuant to this section. The estoppel certificate must be provided by hand delivery, regular mail, or e-mail to the requestor on the date of issuance of the estoppel certificate.

(f) Notwithstanding any limitation on transfer fees contained in s. 718.112(2)(k) or s. 718.112(2)(i), an association
or its authorized agent may charge a reasonable fee for the
preparation and delivery of an estoppel certificate, which may
not exceed $250, if, on the date the certificate is issued, no
delinquent amounts are owed to the association for the
applicable unit. If an estoppel certificate is requested on an
expedited basis and delivered within 3 business days after the
request, the association may charge an additional fee of $100.
If a delinquent amount is owed to the association for the
applicable unit, an additional fee for the estoppel certificate
may not exceed $150.

Section 7. Paragraph (b) of subsection (8) of section
718.117, Florida Statutes, is amended to read:

718.117 Termination of condominium.—
(8) REPORTS AND REPLACEMENT OF RECEIVER.—
(b) The unit owners of an association in termination may
recall or remove members of the board of administration with or
without cause at any time as provided in s. 718.112(2)(1) or
718.112(2)(j).

Section 8. Paragraph (p) of subsection (4) of section
718.301, Florida Statutes, is amended and paragraph (r) is added
to that subsection to read:

718.301 Transfer of association control; claims of defect
by association.—
(4) At the time that unit owners other than the developer
elect a majority of the members of the board of administration
of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purposes of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer's expense, all property of the unit owners and of the association which is held or controlled by the developer, including, but not limited to, the following items, if applicable, as to each condominium operated by the association:

(p) Notwithstanding when the certificate of occupancy was issued or the height of the building, a milestone inspection report in compliance with s. 553.899 included in the official records, under seal of an architect or engineer authorized to practice in this state, and attesting to required maintenance, condition, useful life, and replacement costs of the following applicable condominium property common elements comprising a turnover inspection report:

1. Roof.
2. Structure, including load-bearing walls and primary structural members and primary structural systems as those terms are defined in s. 627.706.

3. Fireproofing and fire protection systems.
4. Elevators.
5. Heating and cooling systems.
6. Plumbing.
7. Electrical systems.
8. Swimming pool or spa and equipment.
10. Pavement and parking areas.
11. Drainage systems.
12. Painting.
13. Irrigation systems.

(r) A copy of the association's most recent structural integrity reserve study.

Section 9. Subsection (1) of section 718.501, Florida Statutes, is amended, and subsection (3) is added to that section, to read:

718.501 Authority, responsibility, and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—
(1) The division may enforce and ensure compliance with this chapter and rules relating to the development, construction, sale, lease, ownership, operation, and management of residential condominium units and complaints related to the procedural completion of milestone inspections under s. 553.899. In performing its duties, the division has complete jurisdiction to investigate complaints and enforce compliance with respect to associations that are still under developer control or the control of a bulk assignee or bulk buyer pursuant to part VII of this chapter and complaints against developers, bulk assignees,
or bulk buyers involving improper turnover or failure to
turnover, pursuant to s. 718.301. However, after turnover has
occurred, the division has jurisdiction to investigate
complaints related only to financial issues, elections, and the
maintenance of and unit owner access to association records
under s. 718.111(12), and the procedural completion of
structural integrity reserve studies under s. 718.112(2)(g).

(a) 1. The division may make necessary public or private
investigations within or outside this state to determine whether
any person has violated this chapter or any rule or order
hereunder, to aid in the enforcement of this chapter, or to aid
in the adoption of rules or forms.

2. The division may submit any official written report,
worksheet, or other related paper, or a duly certified copy
thereof, compiled, prepared, drafted, or otherwise made by and
duly authenticated by a financial examiner or analyst to be
admitted as competent evidence in any hearing in which the
financial examiner or analyst is available for cross-examination
and attests under oath that such documents were prepared as a
result of an examination or inspection conducted pursuant to
this chapter.

(b) The division may require or permit any person to file
a statement in writing, under oath or otherwise, as the division
determines, as to the facts and circumstances concerning a
matter to be investigated.
(c) For the purpose of any investigation under this chapter, the division director or any officer or employee designated by the division director may administer oaths or affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of material evidence. Upon the failure by a person to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all affected persons, the division may apply to the circuit court for an order compelling compliance.

(d) Notwithstanding any remedies available to unit owners and associations, if the division has reasonable cause to believe that a violation of any provision of this chapter or related rule has occurred, the division may institute enforcement proceedings in its own name against any developer, bulk assignee, bulk buyer, association, officer, or member of the board of administration, or its assignees or agents, as follows:

1. The division may permit a person whose conduct or actions may be under investigation to waive formal proceedings
and enter into a consent proceeding whereby orders, rules, or
letters of censure or warning, whether formal or informal, may
be entered against the person.

2. The division may issue an order requiring the
developer, bulk assignee, bulk buyer, association, developer-
designated officer, or developer-designated member of the board
of administration, developer-designated assignees or agents,
bulk assignee-designated assignees or agents, bulk buyer-
designated assignees or agents, community association manager,
or community association management firm to cease and desist
from the unlawful practice and take such affirmative action as
in the judgment of the division carry out the purposes of this
chapter. If the division finds that a developer, bulk assignee,
bulk buyer, association, officer, or member of the board of
administration, or its assignees or agents, is violating or is
about to violate any provision of this chapter, any rule adopted
or order issued by the division, or any written agreement
entered into with the division, and presents an immediate danger
to the public requiring an immediate final order, it may issue
an emergency cease and desist order reciting with particularity
the facts underlying such findings. The emergency cease and
desist order is effective for 90 days. If the division begins
nonemergency cease and desist proceedings, the emergency cease
and desist order remains effective until the conclusion of the
proceedings under ss. 120.569 and 120.57.
3. If a developer, bulk assignee, or bulk buyer fails to pay any restitution determined by the division to be owed, plus any accrued interest at the highest rate permitted by law, within 30 days after expiration of any appellate time period of a final order requiring payment of restitution or the conclusion of any appeal thereof, whichever is later, the division must bring an action in circuit or county court on behalf of any association, class of unit owners, lessees, or purchasers for restitution, declaratory relief, injunctive relief, or any other available remedy. The division may also temporarily revoke its acceptance of the filing for the developer to which the restitution relates until payment of restitution is made.

4. The division may petition the court for appointment of a receiver or conservator. If appointed, the receiver or conservator may take action to implement the court order to ensure the performance of the order and to remedy any breach thereof. In addition to all other means provided by law for the enforcement of an injunction or temporary restraining order, the circuit court may impound or sequester the property of a party defendant, including books, papers, documents, and related records, and allow the examination and use of the property by the division and a court-appointed receiver or conservator.

5. The division may apply to the circuit court for an order of restitution whereby the defendant in an action brought under subparagraph 4. is ordered to make restitution of those
sums shown by the division to have been obtained by the
defendant in violation of this chapter. At the option of the
court, such restitution is payable to the conservator or
receiver appointed under subparagraph 4. or directly to the
persons whose funds or assets were obtained in violation of this
chapter.

6. The division may impose a civil penalty against a
developer, bulk assignee, or bulk buyer, or association, or its
assignee or agent, for any violation of this chapter or related
rule. The division may impose a civil penalty individually
against an officer or board member who willfully and knowingly
violates this chapter, an adopted rule, or a final order of the
division; may order the removal of such individual as an officer
or from the board of administration or as an officer of the
association; and may prohibit such individual from serving as an
officer or on the board of a community association for a period
of time. The term "willfully and knowingly" means that the
division informed the officer or board member that his or her
action or intended action violates this chapter, a rule adopted
under this chapter, or a final order of the division and that
the officer or board member refused to comply with the
requirements of this chapter, a rule adopted under this chapter,
or a final order of the division. The division, before
initiating formal agency action under chapter 120, must afford
the officer or board member an opportunity to voluntarily

CODING: Words 

underlined are additions.
comply, and an officer or board member who complies within 10
days is not subject to a civil penalty. A penalty may be imposed
on the basis of each day of continuing violation, but the
penalty for any offense may not exceed $5,000. The division
shall adopt, by rule, penalty guidelines applicable to possible
violations or to categories of violations of this chapter or
rules adopted by the division. The guidelines must specify a
meaningful range of civil penalties for each such violation of
the statute and rules and must be based upon the harm caused by
the violation, the repetition of the violation, and upon such
other factors deemed relevant by the division. For example, the
division may consider whether the violations were committed by a
developer, bulk assignee, or bulk buyer, or owner-controlled
association, the size of the association, and other factors. The
guidelines must designate the possible mitigating or aggravating
circumstances that justify a departure from the range of
penalties provided by the rules. It is the legislative intent
that minor violations be distinguished from those which endanger
the health, safety, or welfare of the condominium residents or
other persons and that such guidelines provide reasonable and
meaningful notice to the public of likely penalties that may be
imposed for proscribed conduct. This subsection does not limit
the ability of the division to informally dispose of
administrative actions or complaints by stipulation, agreed
settlement, or consent order. All amounts collected shall be
deposited with the Chief Financial Officer to the credit of the
Division of Florida Condominiums, Timeshares, and Mobile Homes
Trust Fund. If a developer, bulk assignee, or bulk buyer fails
to pay the civil penalty and the amount deemed to be owed to the
association, the division shall issue an order directing that
such developer, bulk assignee, or bulk buyer cease and desist
from further operation until such time as the civil penalty is
paid or may pursue enforcement of the penalty in a court of
competent jurisdiction. If an association fails to pay the civil
penalty, the division shall pursue enforcement in a court of
competent jurisdiction, and the order imposing the civil penalty

division shall be brought in the county in which the division
has its executive offices or in the county where the violation
occurred.

7. If a unit owner presents the division with proof that
the unit owner has requested access to official records in
writing by certified mail, and that after 10 days the unit owner
again made the same request for access to official records in
writing by certified mail, and that more than 10 days has
elapsed since the second request and the association has still
failed or refused to provide access to official records as
required by this chapter, the division shall issue a subpoena
requiring production of the requested records where the records
are kept pursuant to s. 718.112.

8. In addition to subparagraph 6., the division may seek
the imposition of a civil penalty through the circuit court for
any violation for which the division may issue a notice to show
cause under paragraph (r). The civil penalty shall be at least

(f) The division may adopt rules to administer and enforce
this chapter.

(g) The division shall establish procedures for providing
notice to an association and the developer, bulk assignee, or
bulk buyer during the period in which the developer, bulk
assignee, or bulk buyer controls the association if the division
is considering the issuance of a declaratory statement with

The division shall conduct its investigation and, within 90 days after receipt of the original complaint or of timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule has occurred. If an investigation is not completed within the time limits established in this paragraph, the division shall, on a

shall allow a member or his or her authorized representative to
use a portable device, including a smartphone, tablet, portable
scanner, or any other technology capable of scanning or taking
photographs, to make an electronic copy of the official records
in lieu of the association providing the member or his or her
authorized representative with a copy of such records. The
association may not charge a member or his or her authorized
representative for the use of a portable device. Notwithstanding
this paragraph, the following records shall not be accessible to
members:

association's notice requirements. Notwithstanding the
restrictions in this subparagraph, an association may print and

address, and all telephone numbers of each unit owner. However,
an owner may exclude his or her telephone numbers from the
directory by so requesting in writing to the association. An
owner may consent in writing to the disclosure of other contact

1. An association must have a structural integrity reserve study completed at least every 10 years for each building on the cooperative property that is three stories or higher in height that includes, at a minimum, a study of the following items as related to the structural integrity and safety of the building:
   a. Roof.
   b. Load-bearing walls or other primary structural members.
   c. Floor.
   d. Foundation.
   e. Fireproofing and fire protection systems.
   f. Plumbing.
   g. Electrical systems.
   h. Waterproofing and exterior painting.
   i. Windows.
   j. Any other item that has a deferred maintenance expense or replacement cost that exceeds $10,000 and the failure to replace or maintain such item negatively affects the items listed in subparagraphs a.–i., as determined by the licensed engineer or architect performing the visual inspection portion of the structural integrity reserve study.

2. Before a developer turns over control of an association to unit owners other than the developer, the developer must have a structural integrity reserve study completed for each building on the cooperative property that is three stories or higher in height.
3. Associations existing on or before July 1, 2022, which are controlled by unit owners other than the developer, must have a structural integrity reserve study completed by December 31, 2024, for each building on the cooperative property that is three stories or higher in height.

4. If an association fails to complete a structural integrity reserve study pursuant to this paragraph, such failure is a breach of an officer's and director's fiduciary relationship to the unit owners under s. 719.104(8).

   (l) Mandatory milestone inspections.—If an association is required to have a milestone inspection performed pursuant to s. 553.899, the association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of s. 553.899. The association is responsible for all costs associated with the inspection. If the officers or directors of an association willfully and knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers' and directors' fiduciary relationship to the unit owners under s. 719.104(8)(a). Upon completion of a phase one or phase two milestone inspection and receipt of the inspector-prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report to each unit owner, regardless of the findings or
recommendations in the report, by United States mail or personal
delivery and by electronic transmission to unit owners who
previously consented to receive notice by electronic
transmission; must post a copy of the inspector-prepared summary
in a conspicuous place on the cooperative property; and must
publish the full report and inspector-prepared summary on the
association's website, if the association is required to have a

Section 16. Subsection (1) of section 719.501, Florida
Statutes, is amended, and subsection (3) is added to that
section, to read:

719.501 Powers and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—

(1) The Division of Florida Condominiums, Timeshares, and Mobile Homes of the Department of Business and Professional Regulation, referred to as the "division" in this part, in addition to other powers and duties prescribed by chapter 718, has the power to enforce and ensure compliance with this chapter and adopted rules relating to the development, construction, sale, lease, ownership, operation, and management of residential cooperative units, complaints related to the procedural completion of the structural integrity reserve studies under s. 719.106(1)(k), and complaints related to the procedural completion of milestone inspections under s. 553.899. In performing its duties, the division shall have the following powers and duties:

(a) The division may make necessary public or private investigations within or outside this state to determine whether any person has violated this chapter or any rule or order hereunder, to aid in the enforcement of this chapter, or to aid in the adoption of rules or forms hereunder.

(b) The division may require or permit any person to file a statement in writing, under oath or otherwise, as the division determines, as to the facts and circumstances concerning a matter to be investigated.
(c) For the purpose of any investigation under this chapter, the division director or any officer or employee designated by the division director may administer oaths or affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of material evidence. Upon failure by a person to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all persons affected thereby, the division may apply to the circuit court for an order compelling compliance.

(d) Notwithstanding any remedies available to unit owners and associations, if the division has reasonable cause to believe that a violation of any provision of this chapter or related rule has occurred, the division may institute enforcement proceedings in its own name against a developer, association, officer, or member of the board, or its assignees or agents, as follows:

1. The division may permit a person whose conduct or actions may be under investigation to waive formal proceedings and enter into a consent proceeding whereby orders, rules, or
letters of censure or warning, whether formal or informal, may be entered against the person.

2. The division may issue an order requiring the developer, association, officer, or member of the board, or its assignees or agents, to cease and desist from the unlawful practice and take such affirmative action as in the judgment of the division will carry out the purposes of this chapter. Such affirmative action may include, but is not limited to, an order requiring a developer to pay moneys determined to be owed to a condominium association.

3. The division may bring an action in circuit court on behalf of a class of unit owners, lessees, or purchasers for declaratory relief, injunctive relief, or restitution.

4. The division may impose a civil penalty against a developer or association, or its assignees or agents, for any violation of this chapter or related rule. The division may impose a civil penalty individually against any officer or board member who willfully and knowingly violates a provision of this chapter, a rule adopted pursuant to this chapter, or a final order of the division. The term "willfully and knowingly" means that the division informed the officer or board member that his or her action or intended action violates this chapter, a rule adopted under this chapter, or a final order of the division, and that the officer or board member refused to comply with the requirements of this chapter, a rule adopted under this chapter,
or a final order of the division. The division, prior to
initiating formal agency action under chapter 120, shall afford
the officer or board member an opportunity to voluntarily comply
with this chapter, a rule adopted under this chapter, or a final
order of the division. An officer or board member who complies
within 10 days is not subject to a civil penalty. A penalty may
be imposed on the basis of each day of continuing violation, but
in no event shall the penalty for any offense exceed $5,000. By
January 1, 1998, the division shall adopt, by rule, penalty
guidelines applicable to possible violations or to categories of
violations of this chapter or rules adopted by the division. The
guidelines must specify a meaningful range of civil penalties
for each such violation of the statute and rules and must be
based upon the harm caused by the violation, the repetition of
the violation, and upon such other factors deemed relevant by
the division. For example, the division may consider whether the
violations were committed by a developer or owner-controlled
association, the size of the association, and other factors. The
guidelines must designate the possible mitigating or aggravating
circumstances that justify a departure from the range of
penalties provided by the rules. It is the legislative intent
that minor violations be distinguished from those which endanger
the health, safety, or welfare of the cooperative residents or
other persons and that such guidelines provide reasonable and
meaningful notice to the public of likely penalties that may be
imposed for proscribed conduct. This subsection does not limit the ability of the division to informally dispose of administrative actions or complaints by stipulation, agreed settlement, or consent order. All amounts collected shall be deposited with the Chief Financial Officer to the credit of the Division of Florida Condominiums, Timeshares, and Mobile Homes Trust Fund. If a developer fails to pay the civil penalty, the division shall thereupon issue an order directing that such developer cease and desist from further operation until such time as the civil penalty is paid or may pursue enforcement of the penalty in a court of competent jurisdiction. If an association fails to pay the civil penalty, the division shall thereupon pursue enforcement in a court of competent jurisdiction, and the order imposing the civil penalty or the cease and desist order shall not become effective until 20 days after the date of such order. Any action commenced by the division shall be brought in the county in which the division has its executive offices or in the county where the violation occurred.

(e) The division may prepare and disseminate a prospectus and other information to assist prospective owners, purchasers, lessees, and developers of residential cooperatives in assessing the rights, privileges, and duties pertaining thereto.

(f) The division has authority to adopt rules pursuant to ss. 120.536(1) and 120.54 to implement and enforce the
provisions of this chapter.

(g) The division shall establish procedures for providing notice to an association when the division is considering the issuance of a declaratory statement with respect to the cooperative documents governing such cooperative community.

(h) The division shall furnish each association which pays the fees required by paragraph (2)(a) a copy of this act, subsequent changes to this act on an annual basis, an amended version of this act as it becomes available from the Secretary of State's office on a biennial basis, and the rules adopted thereto on an annual basis.

(i) The division shall annually provide each association with a summary of declaratory statements and formal legal opinions relating to the operations of cooperatives which were rendered by the division during the previous year.

(j) The division shall adopt uniform accounting principles, policies, and standards to be used by all associations in the preparation and presentation of all financial statements required by this chapter. The principles, policies, and standards shall take into consideration the size of the association and the total revenue collected by the association.

(k) The division shall provide training and educational programs for cooperative association board members and unit owners. The training may, in the division's discretion, include
web-based electronic media, and live training and seminars in various locations throughout the state. The division may review and approve education and training programs for board members and unit owners offered by providers and shall maintain a current list of approved programs and providers and make such list available to board members and unit owners in a reasonable and cost-effective manner.

(l) The division shall maintain a toll-free telephone number accessible to cooperative unit owners.

(m) When a complaint is made to the division, the division shall conduct its inquiry with reasonable dispatch and with due regard to the interests of the affected parties. Within 30 days after receipt of a complaint, the division shall acknowledge the complaint in writing and notify the complainant whether the complaint is within the jurisdiction of the division and whether additional information is needed by the division from the complainant. The division shall conduct its investigation and shall, within 90 days after receipt of the original complaint or timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule of the division has occurred. If an
investigation is not completed within the time limits established in this paragraph, the division shall, on a monthly basis, notify the complainant in writing of the status of the investigation. When reporting its action to the complainant, the division shall inform the complainant of any right to a hearing pursuant to ss. 120.569 and 120.57.

(n) The division shall develop a program to certify both volunteer and paid mediators to provide mediation of cooperative disputes. The division shall provide, upon request, a list of such mediators to any association, unit owner, or other participant in arbitration proceedings under s. 718.125 requesting a copy of the list. The division shall include on the list of voluntary mediators only persons who have received at least 20 hours of training in mediation techniques or have mediated at least 20 disputes. In order to become initially certified by the division, paid mediators must be certified by the Supreme Court to mediate court cases in county or circuit courts. However, the division may adopt, by rule, additional factors for the certification of paid mediators, which factors must be related to experience, education, or background. Any person initially certified as a paid mediator by the division must, in order to continue to be certified, comply with the factors or requirements imposed by rules adopted by the division.

(3)(a) On or before January 1, 2023, cooperative
associations existing on or before July 1, 2022, must provide
the following information to the division in writing, by e-mail,
United States Postal Service, commercial delivery service, or
hand delivery, at a physical address or e-mail address provided

that are three stories or higher in height.

2. The total number of units in all such buildings.

3. The addresses of all such buildings.

4. The counties in which all such buildings are located.

(b) The division must compile a list of the number of

of the following information:

1. The name of each association with buildings on the
cooperative property that are three stories or higher in height.
