Section 17. (1) The Florida Transportation Commission shall conduct a study on the complexities of implementing s. 348.0304,			
conduct a study on the complexities of implementing s. 348.0304,		The Florida Tran	sportation Commission shall
all of the following:			

- (a) A complete financial analysis of the Miami-Dade County Expressway Authority which includes the fair market value of the expressway system as of November 30, 2024. (b) A legal analysis of the impacts of a change in the ownership or control of the roads in the Miami-Dade County Expressway Authority system on the existing outstanding bonds and trust indenture.
- (c) An evaluation of Monroe County road conditions; the future costs of any improvements needed to Monroe County roads, including the amount of toll revenues needed to cover such improvements; and the impact of adding a federally owned road into the expressway system.
- (d) A legal and financial analysis on the transfer agreement dated December 10, 1996, entered into by the department and the Miami-Dade County Expressway Authority.
- (e) An analysis of the projected impacts of any change in ownership or control of the roads in the expressway system on current construction projects and on the Department of Transportation's 5-year work program.
- (2) The Florida Transportation Commission shall submit the study to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2024.
