32 1008.213 Children of military families residing outside
33 this state; flexible assessment administration.-

34 (1) A Florida Virtual School full-time student of a
35 military family residing outside this state who is prevented by
36 his or her parent's or guardian's out-of-state military duty
37 station's location from participating in a Florida-based Florida
38 Virtual School secure and proctored exam shall be offered
39 flexibility with respect to assessment administration in order
40 to demonstrate the grade-level mastery of skills that have been
41 acquired and are measured by the statewide, standardized
42 comprehensive assessment under s. 1008.22(3)(a), the statewide,
43 standardized end-of-course assessment under s. 1008.22(3)(b), or
44 an alternate assessment under s. 1008.22(3)(d).

45 (2)(a) The flexibility in assessment administration must
46 allow a Florida Virtual School full-time student from a military
47 family currently stationed outside this state to participate in
48 statewide, standardized assessments administered securely by a
49 licensed, certified instructor or an education services officer
50 test administrator at his or her parent's or guardian's current

51 military duty station.

53 services officer test administrator must meet the criteria
54 specified in s. 1008.24(3)(a).

55 (3) The student's parent or guardian may submit to the
56 Florida Virtual School a written request for flexibility in
57 assessment administration at any time during the school year,
58 but not later than 90 days before the current school year's
59 assessment administration for which the request is made. A
60 request must include written, official documentation of the
61 family's current out-of-state military duty stationing.

62 (4) Based on such documentation provided by the family
63 pursuant to subsection (3), the Florida Virtual School shall
64 submit a recommendation to the Department of Education as soon
65 as practicable as to whether flexibility in assessment
66 administration for a given statewide assessment should be
67 granted or denied. Upon receipt of the request, documentation,
68 and recommendation, the department shall verify the information
69 documented as soon as practicable, make a determination, and
70 notify the Florida Virtual School within 14 days. After the
71 receipt of the department's determination, the Florida Virtual
72 School shall notify the parent or guardian whether the
73 flexibility in assessment administration has been granted or
74 denied. If the department grants the request, the student's

 78 School a report containing the number of requests for
 79 flexibility in assessment administration made under this
