76 recipients of the report upon request.

77 (a) A state entity that submits a report pursuant to this

90           ~~(4)(2) With respect to reports statutorily required of~~

96 ~~to:~~

97           (a) By November 1, 2023, with assistance from the state  
98 entities, compile a list of statutorily required reports and  
99 their submission dates. The division shall update this list by  
100 each November 1 thereafter. The division shall publish the list

117 Representatives.

118 (5) The Legislature finds that statutory reporting  
119 requirements for state entities is of great value to the public  
120 for accountability and transparency in government. A single,  
121 modern, Internet-based repository is necessary to compile  
122 reports on government activities as well as to ensure that  
123 statutorily required reports are easily accessible and available  
124 to the public. The ability to search for a statutorily required  
125 report by specific information will save time for the requestor  
126 and reduce the workload of state entities that are required to  
127 respond to requests for reports. Therefore, the Legislature  
128 intends that the division receive statutorily required reports,  
129 and by January 1, 2024, the division shall implement and  
130 maintain a publicly available, Internet-based system that  
131 includes, but is not limited to, the following features and  
132 functions:

133 (a) A section or subsection that is dedicated to the  
134 cataloging of statutorily required reports;

135 (b) The ability for state entities to electronically file  
136 statutorily required reports and to receive electronic  
137 confirmation of those filings;

138 (c) The ability to search for and retrieve electronic  
139 versions of statutorily required reports by using the report's  
140 designated recipient, the state entity that submitted the  
141 report, the date of the report's submission, the law requiring  
142 the state entity to submit the report, the title or topic of the  
143 report, and identifiable keywords; and

144 (d) The ability for users to receive automated  
145 notifications of the filing of statutorily required reports

146 based on user-defined criteria ~~Provide for at least quarterly~~  
147 ~~distribution of bibliographic information on reports to:~~

148 ~~1. Agencies and officers within the executive, legislative,~~  
149 ~~and judicial branches of state government, the State Board of~~  
150 ~~Education, the Board of Governors of the State University~~

151 ~~System, and the Public Service Commission, free of charge; and~~

152 ~~2. Other interested parties upon request properly made and~~  
153 ~~upon payment of the actual cost of duplication pursuant to s.~~  
154 ~~119.07(1).~~

155 ~~(3) As soon as practicable, the administrative head of each~~  
156 ~~executive, legislative, or judicial agency and each agency of~~  
157 ~~the State Board of Education, the Board of Governors of the~~  
158 ~~State University System, and the Public Service Commission~~  
159 ~~required by law to make reports periodically shall ensure that~~  
160 ~~those reports are created, stored, managed, updated, retrieved,~~  
161 ~~and disseminated through electronic means.~~

162 ~~(4) This section may not be construed to waive or modify~~  
163 ~~the requirement in s. 257.05(2) pertaining to the provision of~~  
164 ~~copies of state publications to the division.~~

165 Section 2. For the 2023-2024 fiscal year, the sum of \$1  
166 million in nonrecurring funds from the General Revenue Fund is  
167 appropriated to the Department of State for the purpose of  
168 implementing and maintaining the searchable, publicly available,  
169 Internet-based system for statutorily required reports as  
170 required by this act.

171 Section 3. This act shall take effect July 1, 2023.
