91	(a) "Debate" means an event at which two or more

If the office is unable to readily find an advocate from 122 within the state university community who is well-versed in a 123 perspective, the office must invite a speaker who is able to 124 represent such perspective. The office shall, when necessary, 125 provide such speakers who are not from within the state university community with per diem and reimburse them for travel 126 127 expenses. 128 (b) Maintain a permanent, publicly accessible, searchable, 129 and up-to-date calendar in print, on the office's website, and 130 on the state university's website listing all of the events 131 sponsored by the office and all other debates, group forums, and 132 individual lectures open to the entire campus community at the 133 state university which address public policy issues.
