.

Representative Stevenson offered the following:

Amendment (with title amendment)

Remove line 103 and insert:

same zoning district. However, the local government may consider the impact of new and replacement development on the coastal area and current infrastructure in the zoning district when determining the requirements for new and replacement structures in such zoning district in accordance with ss. 163.3177(6)(g) and 163.3178(1). The proposed replacement structure is subject to the density and infrastructure requirements that would be applicable to a proposed new structure on a similarly situated parcel in the same zoning district.
