## HB 453

2024

26	local law enforcement agencies in the processing of DNA samples				
27	as provided for in subsection (4).				
28	(3) The department shall annually award to law enforcement				
29	agencies and medical examiner's offices any funds specially				
30	appropriated for the grant program to cover expenses related to				
31	using forensic genetic genealogy methods to generate				
32	investigative leads for criminal investigations or unidentified				
33	human remains.				
34	(4) Grants may be used for the following:				
35	(a) Carrying out DNA analyses of samples collected under				
36	applicable legal authority using forensic genetic genealogy				
37	methods for violent crimes.				
38	(b) Carrying out DNA analyses of unidentified human				
39	remains.				
40	(5) Each recipient shall provide to the executive director				
41	a report no later than 1 year after receipt of funding. This				
42	report shall include:				
43	(a) The amount of annual funding received.				
44	(b) The number of cases tested using forensic genetic				
45	genealogical DNA analysis.				
46	(c) The type of forensic genetic genealogical DNA testing				
47	used, including the name of the laboratory to which such testing				
48	is outsourced, if any, and the type of equipment used for the				
49	testing.				
50	(d) The result of the testing, such as victim
