### ANALYSIS

#### EFFECT OF THE BILL:

##### Drones

##### Critical Infrastructure Facilities

The bill increases the penalty for operating a drone over, on, or near a critical infrastructure facility. Specifically, the bill increases the penalty from a second degree misdemeanor<sup>1</sup> to a third degree felony<sup>2</sup> if a person:

- Operates a drone over a critical infrastructure facility, unless the operation is for a commercial purpose and is authorized in compliance with Federal Aviation Administration (FAA) regulations;
- Allows a drone to make contact with a critical infrastructure facility; or
- Allows a drone to come within a distance of a critical infrastructure facility that is close enough to interfere with the operation of, or cause a disturbance to, such a facility. (Section [1](#))

The bill also specifies that a wired communications facility is a critical infrastructure facility. (Section [1](#))

<sup>1</sup> A second degree misdemeanor is punishable by up to 60 days in jail and a \$500 fine. [Ss. 775.082 or 775.083, F.S.](#)

<sup>2</sup> A third degree felony is punishable by up to five years imprisonment and a \$5,000 fine. [Ss. 775.082, 775.083, or 775.084, F.S.](#)

### Modified Unmanned Aircraft Systems

The bill defines the following terms:

- “Unmanned aircraft” has same meaning as the term “drone” in [s. 934.50\(2\), F.S.](#), and means a powered, aerial vehicle that:
  - Does not carry a human operator;
  - Uses aerodynamic forces to provide vehicle lift;
  - Can fly autonomously or be piloted remotely;
  - Can be expendable or recoverable; and
  - Can carry a lethal or nonlethal payload.
- “Unmanned aircraft system” has the same meaning as in [s. 330.41\(2\), F.S.](#), and means a drone and its associated elements, including communication links and the components used to control the drone which are required for the pilot in command to operate the drone safely and efficiently. (Section [2](#))

The bill increases the penalty if a person knowingly or willfully possesses or operates an unmanned aircraft or unmanned aircraft system with an attached weapon, firearm, explosive, destructive device, or ammunition from a second degree misdemeanor to a third degree felony. (Section [2](#))

The bill prohibits a person, for the purposes of operating a drone over or near a critical infrastructure facility in violation of [s. 330.41, F.S.](#), from knowingly or willfully:

- Altering, manipulating, tampering with, or otherwise changing an unmanned aircraft’s or unmanned aircraft system’s hardware or software to purposefully frustrate any tool, system, or technology intended to satisfy the remote identification requirements established by the FAA as they relate to any unmanned aircraft or unmanned aircraft system.
- Possessing or operating an unmanned aircraft or unmanned aircraft system that has been altered, manipulated, tampered with, or otherwise changed to purposefully frustrate any tool, system, or technology intended to satisfy the remote identification requirements established by the FAA as they relate to any unmanned aircraft or unmanned aircraft system.

A violation of either prohibition is punishable as a third degree felony. The prohibitions do not apply if the administrator of the FAA or the Secretary of Defense authorizes an unmanned aircraft or unmanned aircraft system to be altered or manipulated or authorizes a person to possess or operate such an unmanned aircraft or unmanned aircraft system. (Section [2](#))

The bill also prohibits a person from possessing or operating an unmanned aircraft or unmanned aircraft system carrying a weapon of mass destruction<sup>3</sup> or a hoax weapon of mass destruction<sup>4</sup> if he or she does not have the lawful authority to do so. A violation of the prohibition is punishable as a first degree felony.<sup>5</sup> (Section [2](#))

[S. 790.166\(1\)\(b\), F.S.](#)

<sup>5</sup> A first degree felony is punishable by up to 30 years imprisonment and a \$10,000 fine. [Ss. 775.082, 775.083, or 775.084, F.S.](#)

- In violation of such person's reasonable expectation of privacy; and
- Without the person's written consent.

Under the bill, a violation of the prohibition is punishable as a first degree misdemeanor.<sup>6</sup> If a person knowingly or willfully uses a drone to conduct unauthorized surveillance and intentionally distributes such surveillance, he or she commits a third degree felony.
