Senator Harrell moved the following:

Senate Amendment to Amendment (620726) (with title amendment)

Delete line 102
and insert:
vaccination status. Notwithstanding this subparagraph, a health care provider or a health care facility may provide educational materials and information to a patient regarding the importance of particular vaccinations and may not be held liable in any civil or administrative proceeding for any adverse outcome the patient may incur due to his or her refusal to accept a

205368

recommended vaccine.

===== T I T L E A M E N D M E N T =====

And the title is amended as follows:

Delete line 2178

and insert:

a patient's vaccination status; authorizing health
care providers and health care facilities to provide
specified educational materials and information to
patients; providing that such providers and facilities
may not be found civilly or administratively liable in
specified circumstances; amending s. 381.986,
