

1 A bill to be entitled
2 An act relating to continuous glucose monitors;
3 requiring the Agency for Health Care Administration
4 to, within a specified timeframe, seek federal
5 approval as needed to provide coverage of continuous
6 glucose monitors and related supplies as a durable
7 medical equipment benefit under the Medicaid program;
8 providing for the reimbursement of such equipment;
9 providing construction; requiring the agency to
10 implement these changes upon receiving any necessary
11 federal approval; providing an effective date.

12
13 Be It Enacted by the Legislature of the State of Florida:

14
15 **Section 1.** (1) Within 30 days after this act becomes a
16 law, the Agency for Health Care Administration shall seek
17 federal approval through a Medicaid waiver or state plan
18 amendment as needed to provide coverage of continuous glucose
19 monitors and related supplies as a durable medical equipment
20 benefit for Medicaid recipients. A licensed durable medical
21 equipment provider must be reimbursed for continuous glucose
22 monitors and related supplies, provided the claim is submitted
23 through an active Medicare Healthcare Common Procedure Coding
24 System. The agency may not require such provider to use a
25 National Drug Code number as part of such claim submission.

26 (2) This section does not preclude the agency from
27 providing additional coverage of continuous glucose monitors as
28 a Medicaid pharmacy benefit.

29 (3) The agency shall begin implementation of these changes
30 upon receiving any necessary federal approval.

31 **Section 2.** This act shall take effect upon becoming a law.
