

1                                   A bill to be entitled  
 2           An act relating to claims for adverse reactions to  
 3           vaccines and drugs under the Medicaid and medically  
 4           needy programs; providing a short title; creating s.  
 5           409.9043, F.S.; requiring the Agency for Health Care  
 6           Administration to expedite the review and payment  
 7           process for claims related to adverse reactions to  
 8           vaccines, immunizing agents, and emergency  
 9           countermeasure drugs under the Medicaid and Florida  
 10          Medicaid medically needy programs; requiring the  
 11          agency to publish certain information on its website;  
 12          requiring the agency to seek federal approval for a  
 13          specified purpose under certain circumstances and to  
 14          adopt rules; providing an effective date.

15  
 16 Be It Enacted by the Legislature of the State of Florida:

17  
 18           **Section 1.** This act may be cited as the "Cody's Law:  
 19 Florida No Vaccine-Injured Patient Left Behind."

20           **Section 2.** **Section 409.9043, Florida Statutes, is created**  
 21 **to read:**

22           409.9043 Claims for adverse reactions to vaccines,  
 23 immunizing agents, and emergency countermeasure drugs under the  
 24 Medicaid and medically needy programs.—

25           (1) The Agency for Health Care Administration shall, under

26 the Medicaid program and the Florida Medicaid medically needy  
27 program, expedite the review and payment process for a claim in  
28 which the physician has diagnosed a severe, debilitating, life-  
29 threatening, or lifelong injury caused by the administration of  
30 a vaccine or other immunizing agent or an adverse reaction to an  
31 emergency countermeasure drug if the vaccine, immunizing agent,  
32 or emergency countermeasure drug is recommended by the United  
33 States Food and Drug Administration or the Department of Health  
34 of this state.

35 (2)(a) The agency shall publish on its website:

36 1. A list of medical conditions related to a vaccine,  
37 immunizing agent, or emergency countermeasure drug for the  
38 expedited claims described in subsection (1).

39 2. A list of potential adverse reactions found in the  
40 manufacturer's product insert of a vaccine, immunizing agent, or  
41 drug which are deemed critical, severe, or temporarily or  
42 permanently disabling by the agency or the physicians who make  
43 the diagnoses in the claims described in subsection (1).

44 3. Any new medical condition related to a vaccine,  
45 immunizing agent, or emergency countermeasure drug which arises.

46 4. Any future vaccine, immunizing agent, or emergency  
47 countermeasure drug or treatment deemed appropriate by the  
48 agency or by the physicians who make the diagnoses in the claims  
49 described in subsection (1).

50 (b) The agency shall also inform its website visitors of

51 the content of this section, including the requirements under  
52 subsection (1), so that physicians or other health care  
53 providers may best serve patients who have urgent medical needs  
54 as a result of an injury caused by the administration of a  
55 vaccine or other immunizing agent or an adverse reaction to an  
56 emergency countermeasure drug.

57 (3) The agency shall seek federal approval, if necessary,  
58 to implement this section and shall adopt rules to administer  
59 this section.

60 **Section 3.** This act shall take effect July 1, 2025.
