COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1664 requires that any local discretionary sales surtax or tourist development tax, that is subject to approval in a referendum that is in effect on June 30, 2025, be renewed on or before January 1, 2033, in accordance with existing requirements for a referendum. The bill generally creates a new 8-year duration for those taxes; however, for any tax that is pledged for debt service, the 2033 renewal is delayed until the retirement of the debt. Future levies that will be pledged for debt service are subject to a maximum 30-year duration. The bill also creates a new 8-year duration for the local option food and beverage tax. These changes do not revise which taxes are subject to referendum, and do not apply to the Pension Liability Surtax in s. 212.055(9), F.S.

The Revenue Estimating Conference determined that CS/SB 1664 does not have a revenue impact.

The bill takes effect July 1, 2025.

II. Present Situation:

Local Discretionary Sales Surtaxes

Counties have been granted limited authority to levy a discretionary sales surtaxes for specific purposes on all transactions occurring in the county subject to the state sales tax in ch. 212, F.S.,

and on communications services as defined in ch. 202, F.S.¹ A discretionary sales surtax is based on the rate in the county where the taxable goods or services are sold, or delivered into, and is levied in addition to the state sales and use tax of 6 percent. The surtax does not apply to the sales price above \$5,000 on any item of tangible personal property.

Approved purposes for levying a surtax include:

- Operating a transportation system;²
- Financing local government infrastructure projects;³
- Providing additional revenue for specified small counties;⁴
- Providing medical care for indigent persons;⁵
- Funding trauma centers;⁶
- Operating, maintaining, and administering a county public general hospital;⁷
- Constructing and renovating schools;⁸
- Providing emergency fire rescue services and facilities; and⁹
- Funding pension liability shortfalls.¹⁰

Current rates range from 0.5% to 2.0% in each of the 65 counties currently levying one or more surtaxes.¹¹ Many of the levies have restrictions on what combination of taxes can be levied by a single county at one time.¹²

¹ The tax rates, duration of the surtax, method of imposition, and proceed uses are individually specified in s. 212.055, F.S. General limitations, administration, and collection procedures are set forth in s. 212.054, F.S.

² Section 212.055(1), F.S.

³ Section 212.055(2), F.S.

⁴ Section 212.055(3), F.S. Note that the small county surtax may be levied by extraordinary vote of the county governing board if the proceeds are to be expended only for operating purposes.

⁵ Section 212.055(4)(a), F.S. (for counties with more than 800,000 residents); Section 212.055(7), F.S. (for counties with less than 800,000 residents).

¹² See, e.g., ss. 212.055(4)(a)6., F.S., 212.055(5)(f), F.S., and s. 212.055(9)(g), F.S.

Fiscal Year 2023-24 levies for these taxes were as follows:

Surtax	Florida Statute	Counties Levying/ Can Levy ¹³	2023-24 Statewide Revenue ¹⁴
Charter County Transportation	Section 212.055(1), F.S.	3/23	\$1.07 Billion
Local Gov't Infrastructure	Section 212.055(2), F.S.	26/67	\$2.32 Billion
Small County	Section 212.055(3), F.S.	30/31	\$211 Million
Indigent Care (divided by population)	Sections 212.055(4)(a), F.S. and 212.055(7), F.S.	1/9 (greater than 800k); 5/58 (fewer than 800k)	\$195 Million; \$88 Million
Trauma Center	Section 212.055(4)(b), F.S.	0/58	\$ -
County General Hospital	Section 212.055(5), F.S.	1/1	\$403 Million
School Construction	Section 212.055(6), F.S.	30/67	\$1.56 Billion
Emergency Fire Rescue Services	Section 212.055(8), F.S.	1/65	\$311,042
Pension Liability	Section 212.055(9), F.S.	0/27 ¹⁵	\$-

Most local discretionary sales surtaxes may only be approved by referendum, while some may be approved by a vote of the county commission.¹⁶ Some of the surtaxes have set periods of time that they can be enacted for before requiring reenactment, others have no such specified time limit. For example, the Trauma Center Sales Surtax that may be levied for counties with a population of fewer than 800,000 residents expires four years after the effective date of the surtax, unless reenacted through a referendum.¹⁷ On the other hand, the Charter County and Regional Transportation System Surtax in s. 212.055(1), F.S. is currently limited to 30 years if adopted on or after July 1, 2020.

Tourist Development Taxes

The Local Option Tourist Development Act¹⁸ authorizes counties to levy five separate taxes on transient rental¹⁹ transactions (tourist development taxes or TDTs) for specified purposes, all of which are generally related to the tourism industry.

Depending on a county's eligibility to levy such taxes, the maximum potential tax rate varies:

¹⁵ The Pension Liability Surtax has been approved in a referendum to take effect in Duval County no later than January 1, 2031; but is not currently levied.

¹⁶ See generally s. 212.055, F.S.; but see s. 212.055(3), F.S. (small county surtax may be approved by extraordinary vote of the county governing authority as long as surtax revenues are not used for servicing bond indebtedness), and s. 212.055(5), F.S. (county public hospital surtax may be approved by extraordinary vote of the county commission).

¹⁷ Section 212.055(4)(b)4., F.S.

¹⁸ Section 125.0104, F.S.

¹⁹ Section 125.0104(3)(a)1., F.S. considers "transient rental" to be the rental or lease of any accommodation for a term of six months or less.

- The original TDT may be levied at the rate of 1 or 2 percent.²⁰
- An additional 1 percent tax may be levied by counties who have previously levied the original TDT at the 1 or 2 percent rate for at least 3 years.²¹
- A high tourism impact tax may be levied at an additional 1 percent.²²
- A professional sports franchise facility tax may be levied up to an additional 1 percent.²³
- An additional professional sports franchise facility tax no greater than 1 percent may be imposed by a county that has already levied the professional sports franchise facility tax.²⁴

TDTs are levied in 62 of 67 counties, and total rates range from 2% to 6%.²⁵

Fiscal Year 2023-24 levies for these taxes were as follows:

Tax	Florida Statute	Counties Levying/ Can Levy ²⁶	2023-24 Statewide Revenues ²⁷
Original TDT	Section 125.0104(3)(c), F.S.	62/67 (all at 2%)	\$709 Million
Additional TDT	Section 125.0104(3)(d), F.S.	56/59	\$291 Million
High Tourism Impact TDT	Section 125.0104(3)(m), F.S.	10/14	\$201 Million
Pro Sports TDT	Section 125.0104(3)(l), F.S.	46/67	\$330 Million
Additional Pro Sports TDT	Section 125.0104(3)(n), F.S.	36/65	\$252 Million

Prior to the authorization of a new TDT, the levy must be approved by a countywide referendum held at a general election and approved by a majority of the electors voting in the county.²⁸ TDTs have no maximum period for which they may be levied, and no currently adopted TDT has a scheduled expiration date.²⁹

Each county proposing to levy the original one or two percent tax must adopt an ordinance for the levy and imposition of the tax, which must include a plan for tourist development prepared by the tourist development council.³⁰ The plan for tourist development must include the anticipated net tax revenue to be derived by the county for the two years following the tax levy,

as well as a list of the proposed uses of the tax and the approximate cost for each project or use.³¹ The plan for tourist development may not be substantially amended except by ordinance enacted by an affirmative vote of a majority plus one additional member of the governing board.³²

Currently, once a county has obtained approval to levy a TDT tax through a referendum, that county is not required to seek electorate approval through a referendum to continue levying such TDT.

Local Option Food & Beverage Tax (Miami-Dade)

In 1967, Florida authorized the municipal resort tax.³³ The law authorized cities and towns meeting certain population requirements located within counties also meeting certain population requirements to levy the tax.³⁴ Currently, the tax may be levied at a rate of up to 4 percent on rentals of hotel rooms and similar accommodations, and it could also be levied on sales of food and certain beverages consumed in restaurants and bars at a rate of up to 2 percent.³⁵ The municipal resort tax is currently levied in the cities of Bal Harbour, Surfside, and Miami Beach, all of which are located within Miami-Dade County.³⁶

Florida has since authorized Miami Dade County to levy the local option food and beverage tax.³⁷ The local option food and beverage tax consists of two taxes: a 2 percent tax on the sale of food, beverages, and alcoholic beverages sold in hotels and motels, and a 1 percent tax on the sale of food, beverages, and alcoholic beverages sold at an establishment licensed by the state to sell alcoholic beverages on site.³⁸ Sales in cities levying the municipal resort tax were required to be exempt from the local option food and beverage tax through July 1, 2023.³⁹

In 2023, the Legislature, authorized the imposition of the 1 percent local option food and beverage tax in a city or town that levies the municipal resort tax if the levy is approved by referendum in the city or town at a general election.⁴⁰ In 2024, the Legislature clarified that the approval of the tax in a referendum as authorized in 2023 must be by a majority of the voters voting in the election (not a majority of registered voters).⁴¹

³¹ Section 125.0104(4)(c), F.S.

³² Section 125.0104(4)(d), F.S. The provisions found in s. 125.0104(4)(a)-(d), F.S., do not apply to the additional 1% tax, high tourism impact tax, the professional sports franchise facility tax, or the additional professional sports franchise facility tax.

Miami-Dade County reports collections for food and beverage taxes were \$53.6 million in County Fiscal Year 2022-2023 and estimates collections of \$56 million in County Fiscal Year 2023-2024 and \$55.0 million in County Fiscal Year 2024-2025.⁴²

Referendum Procedures

The Florida Election Code provides the general requirements for a referendum.⁴³ The question presented to voters must contain a ballot summary with clear and unambiguous language, such that a “yes” or “no” vote on the measure indicates approval or rejection, respectively.⁴⁴ The ballot summary should explain the chief purpose of the measure and may not exceed 75 words.⁴⁵ The ballot summary and title must be included in the resolution or ordinance calling for the referendum.⁴⁶ For some discretionary sales surtaxes, the form of the ballot question is specified by statute.⁴⁷

Five types of elections exist under the Florida Election Code: primary elections, special primary elections, special elections, general elections, and presidential preference primary elections.⁴⁸ Historically, voter turnout during a general election is higher than during other elections.⁴⁹ A referendum to adopt, amend, or reenact a local government discretionary sales surtax must be held at a general election. A referendum to reenact an expiring surtax must be held at a general election occurring within the 48-month period immediately preceding the effective date of the reenacted surtax. Such a referendum may appear on the ballot only once within the 48-month period.⁵⁰

III. Effect of Proposed Changes:

CS/SB 1664 requires that for any local discretionary sales surtax or tourist development tax that currently must be enacted pursuant to a referendum and that is in effect on June 30, 2025, the local government must renew such tax on or before January 1, 2033. If a referendum is not held on or before that date, the surtax will no longer be in effect beginning January 1, 2033, unless such levies are pledged for debt service. Any levy pledged for debt service may continue until the debt is retired, and the levy will be subject to renewal the following January 1st.

The bill also establishes an eight-year maximum time limit for all new levies of discretionary sales and tourist development taxes that are subject to approval by referendum, except for the 0.25 percent trauma center discretionary sales surtax that may be levied for counties with a population of fewer than 800,000 residents.⁵¹ The bill retains the existing four-year limitation for that surtax.

⁵⁰ Section 212.055(10), F.S.

⁵¹ Section 212.055(4)(b)4., F.S.

The bill provides an exception to the eight-year limitation for levies used to service bond indebtedness, and instead of an eight-year limitation, allows for a levy for no more than 30 years if:

- The ordinance or resolution levying the tax specifies that the proceeds will be used for the purpose of servicing bond indebtedness, specifies the maximum duration of the bond indebtedness, not to exceed 30 years, and provides specific information on what the debt will be used for, and
- The ballot voted on in the referendum specifies that the proceeds will be used to service bond indebtedness and includes a brief and general description of what the debt will be used for and the maximum length of time the surtax may be imposed.

The bill also provides a similar eight-year limitation for the imposition of the local option food and beverage tax under s. 212.0306, F.S., in those cities in Miami-Dade County which currently levy the municipal resort tax pursuant to ch. 67-930, L.O.F.

None of these changes affect the pension liability discretionary sales surtax found in s. 212.055(9), F.S.

The bill takes effect July 1, 2025.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Article VII, s. 18(b) of the State Constitution provides that except upon the approval of each house of the Legislature by a two-thirds vote of the membership, the Legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenue in the aggregate, as such authority existed on February 1, 1989. The mandate requirement does not apply to laws having an insignificant impact,⁵² which for Fiscal Year 2025-2026 is forecast at approximately \$2.4 million. The Revenue Estimating Conference has not adopted an impact estimate for this bill.

The bill requires that certain local taxes expire after 8 years unless renewed by referendum. Reduction of a local government's authority to raise revenues generally refers to limiting its power to levy a tax, raising the vote of the governing body required to levy a tax, lowering the rate of a tax, or reducing the base against which a tax is levied. In the case of these local taxes, a local government's authority extends only to the ability to submit taxes for referendum approval, which remains unchanged under the bill.

⁵² FLA. CONST. art. VII, s. 18(d). An insignificant fiscal impact is the amount not greater than the average statewide population for the applicable fiscal year multiplied by \$0.10. *See* Fla. S. Comm. on Cnty. Affairs, *Interim Report 2012-115: Insignificant Impact*, (Sept. 2011), available at <http://www.flsenate.gov/PublishedContent/Session/2012/InterimReports/2012-115ca.pdf> (last visited April 11, 2025).

If the anticipated effect of the imposition of a time limit on these local taxes is considered a not-insignificant reduction of local authority to raise taxes, the bill must be approved by a two-thirds' vote of each house of the legislature to be validly enacted.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

The Revenue Estimating Conference determined that CS/SB 1664 does not have a revenue impact.

B. Private Sector Impact:

None.

C. Government Sector Impact:

Local governments may incur additional expenses due to the potential increased frequency of referendums.

Because the bill does not remove the authority of local government to levy local discretionary sales surtaxes, tourist development taxes, or local option food and beverage taxes, staff does not anticipate that the bill will have an impact on local government revenues. However, revenues would be impacted if a referendum to renew an existing levy were not to pass.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 125.0104, 212.0306, 212.055.

IX. Additional Information:

- A. Committee Substitute – Statement of Substantial Changes:
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Community Affairs on March 25, 2025:

The committee substitute:

- Applies the new referendum requirement for a surtax to remain in effect to only those discretionary sales surtaxes required under existing law to be approved by referendum;
- Corrects cross-references and dates; and
- Specifies additional content to be included in ordinances and referendum ballot questions.

- B. Amendments:

None.
