ARTICLE III LEGISLATURE

585920

SECTION 19. State Budgeting, Planning and Appropriations
Processes.—

14

(a) ANNUAL BUDGETING.

(1) General law shall prescribe the adoption of annual state budgetary and planning processes and require that detail reflecting the annualized costs of the state budget and reflecting the nonrecurring costs of the budget requests shall accompany state department and agency legislative budget requests, the governor's recommended budget, and appropriation bills.

(2) Unless approved by a three-fifths vote of the
membership of each house, appropriations made for recurring
purposes from nonrecurring general revenue funds for any fiscal
year shall not exceed three percent of the total general revenue
funds estimated to be available at the time such appropriation
is made.

(3) As prescribed by general law, each state department and agency shall be required to submit a legislative budget request that is based upon and that reflects the long-range financial outlook adopted by the joint legislative budget commission or that specifically explains any variance from the long-range financial outlook contained in the request.

34 (4) For purposes of this section, the terms department and35 agency shall include the judicial branch.

36 (b) APPROPRIATION BILLS FORMAT. Separate sections within
37 the general appropriation bill shall be used for each major
38 program area of the state budget; major program areas shall
39 include: education enhancement "lottery" trust fund items;
40 education (all other funds); human services; criminal justice

41 and corrections; natural resources, environment, growth 42 management, and transportation; general government; and judicial branch. Each major program area shall include an itemization of 43 44 expenditures for: state operations; state capital outlay; aid to 45 local governments and nonprofit organizations operations; aid to local governments and nonprofit organizations capital outlay; 46 47 federal funds and the associated state matching funds; spending authorizations for operations; and spending authorizations for 48 49 capital outlay. Additionally, appropriation bills passed by the legislature shall include an itemization of specific 50 51 appropriations that exceed one million dollars (\$1,000,000.00) 52 in 1992 dollars. For purposes of this subsection, "specific 53 appropriation," "itemization," and "major program area" shall be 54 defined by law. This itemization threshold shall be adjusted by 55 general law every four years to reflect the rate of inflation or deflation as indicated in the Consumer Price Index for All Urban 56 57 Consumers, U.S. City Average, All Items, or successor reports as 58 reported by the United States Department of Labor, Bureau of Labor Statistics or its successor. Substantive bills containing 59 appropriations shall also be subject to the itemization 60 requirement mandated under this provision and shall be subject 61 62 to the governor's specific appropriation veto power described in 63 Article III, Section 8.

63 64

(c) APPROPRIATIONS PROCESS.

(1) No later than September 15 of each year, the joint
legislative budget commission shall issue a long-range financial
outlook setting out recommended fiscal strategies for the state
and its departments and agencies in order to assist the
legislature in making budget decisions. The long-range financial

585920

70 outlook must include major workload and revenue estimates. In 71 order to implement this paragraph, the joint legislative budget 72 commission shall use current official consensus estimates and 73 may request the development of additional official estimates.

(2) The joint legislative budget commission shall seek input from the public and from the executive and judicial branches when developing and recommending the long-range financial outlook.

(3) The legislature shall prescribe by general law conditions under which limited adjustments to the budget, as recommended by the governor or the chief justice of the supreme court, may be approved without the concurrence of the full legislature.

(d) SEVENTY-TWO HOUR PUBLIC REVIEW PERIOD. All general
appropriation bills shall be furnished to each member of the
legislature, each member of the cabinet, the governor, and the
chief justice of the supreme court at least seventy-two hours
before final passage by either house of the legislature of the
bill in the form that will be presented to the governor.

(e) FINAL BUDGET REPORT. A final budget report shall be prepared as prescribed by general law. The final budget report shall be produced no later than the 120th day after the beginning of the fiscal year, and copies of the report shall be furnished to each member of the legislature, the head of each department and agency of the state, the auditor general, and the chief justice of the supreme court.

128 (1) For purposes of this subsection, the term "revenue 129 collections" means the last completed fiscal year's net revenue 130 collections for the general revenue fund. (2) Subject to the provisions of this subsection, an amount 131 132 equal to at least 5% of the last completed fiscal year's net 133 revenue collections for the general revenue fund shall be 134 retained in the budget stabilization fund. The budget 135 stabilization fund's principal balance shall not exceed an amount equal to 25% 10% of the last completed fiscal year's net 136 137 revenue collections for the general revenue fund. 138 (3) The legislature shall transfer the lesser of \$750 139 million or the amount required to increase the principal balance 140 of the budget stabilization fund to an amount equal to 25% of 141 revenue collections from the general revenue fund to the budget 142 stabilization fund no later than June 30th of each fiscal year. 143 The legislature may suspend this transfer in a fiscal year in 144 which: a. Funds are withdrawn from the budget stabilization fund 145 146 pursuant to paragraph (4); 147 b. Funds are withdrawn from the budget stabilization fund 148 for the purpose of funding a critical state need pursuant to 149 paragraph (5); or 150 c. The legislature determines there is a critical state 151 need that requires the expenditure of general revenue funds in 152 an amount that exceeds the transfer amount required by this 153 paragraph. A suspension for a critical state need must be 154 approved by a two-thirds vote of the membership of each house of 155 the legislature in a separate bill for that purpose only and may 156 not occur more than once every five years.

funds from the budget stabilization fund in a separate bill for

(4) The legislature shall provide criteria for withdrawing

that purpose only and only for the purpose of covering revenue 159 160 shortfalls of the general revenue fund or for the purpose of 161 providing funding for an emergency, as defined by general law. 162 (5) If the principal balance of the budget stabilization fund exceeds an amount equal to 15% of revenue collections, the 163 164 legislature may withdraw funds for the purpose of funding on a 165 nonrecurring basis a critical state need. Such withdrawal must 166 be approved by a two-thirds vote of the membership of each house 167 of the legislature in a separate bill for that purpose only. The 168 withdrawal may not cause the principal balance of the budget 169 stabilization fund to equal an amount that is less than 10% of 170 revenue collections. 171 (6) General law shall provide for the restoration of this 172 fund. The budget stabilization fund shall be comprised of funds 173 not otherwise obligated or committed for any purpose. (h) LONG-RANGE STATE PLANNING DOCUMENT AND DEPARTMENT AND 174 AGENCY PLANNING DOCUMENT PROCESSES. General law shall provide 175 176 for a long-range state planning document. The governor shall 177 recommend to the legislature biennially any revisions to the long-range state planning document, as defined by law. General 178 179 law shall require a biennial review and revision of the longrange state planning document and shall require all departments 180 181 and agencies of state government to develop planning documents 182 that identify statewide strategic goals and objectives, 183 consistent with the long-range state planning document. The 184 long-range state planning document and department and agency planning documents shall remain subject to review and revision 185

by the legislature. The long-range state planning document must include projections of future needs and resources of the state which are consistent with the long-range financial outlook. The department and agency planning documents shall include a prioritized listing of planned expenditures for review and possible reduction in the event of revenue shortfalls, as defined by general law.

(i) GOVERNMENT EFFICIENCY TASK FORCE. No later than 193 January of 2007, and each fourth year thereafter, the president 194 195 of the senate, the speaker of the house of representatives, and the governor shall appoint a government efficiency task force, 196 197 the membership of which shall be established by general law. The 198 task force shall be composed of members of the legislature and 199 representatives from the private and public sectors who shall 200 develop recommendations for improving governmental operations 201 and reducing costs. Staff to assist the task force in performing 202 its duties shall be assigned by general law, and the task force 203 may obtain assistance from the private sector. The task force 204 shall complete its work within one year and shall submit its 205 recommendations to the joint legislative budget commission, the 206 governor, and the chief justice of the supreme court.

207 (i) JOINT LEGISLATIVE BUDGET COMMISSION. There is created 208 within the legislature the joint legislative budget commission 209 composed of equal numbers of senate members appointed by the 210 president of the senate and house members appointed by the 211 speaker of the house of representatives. Each member shall serve 212 at the pleasure of the officer who appointed the member. A 213 vacancy on the commission shall be filled in the same manner as the original appointment. From November of each odd-numbered 214

Page 8 of 10

215 year through October of each even-numbered year, the chairperson 216 of the joint legislative budget commission shall be appointed by 217 the president of the senate and the vice chairperson of the 218 commission shall be appointed by the speaker of the house of 219 representatives. From November of each even-numbered year 220 through October of each odd-numbered year, the chairperson of 221 the joint legislative budget commission shall be appointed by 222 the speaker of the house of representatives and the vice 223 chairperson of the commission shall be appointed by the 224 president of the senate. The joint legislative budget commission 225 shall be governed by the joint rules of the senate and the house 226 of representatives, which shall remain in effect until repealed 227 or amended by concurrent resolution. The commission shall 228 convene at least quarterly and shall convene at the call of the 229 president of the senate and the speaker of the house of 230 representatives. A majority of the commission members of each 231 house plus one additional member from either house constitutes a 232 quorum. Action by the commission requires a majority vote of the 233 commission members present of each house. The commission may 234 conduct its meetings through teleconferences or similar means. 235 In addition to the powers and duties specified in this 236 subsection, the joint legislative budget commission shall 237 exercise all other powers and perform any other duties not in 238 conflict with paragraph (c)(3) and as prescribed by general law 239 or joint rule.
