I. Amendments Contained in Message:

House Amendment – 733821 to Senate Amendment - 663514

II. Summary of Amendments Contained in Message:

House Amendment - The amendment removes language from the Senate Amendment Barcode 663514 that specifically allows grant projects to include "wind-driven rain mitigation devices for sliding glass doors." Instead, the amendment provides that "Grant funds may only be used for water intrusion mitigation devices or mitigation improvements that will result in a mitigation credit, discount, or other rate differential for the building or structure to which such device or improvement is applied or made."
