Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraphs (a) through (d) of subsection (1) of section 553.7932, Florida Statutes, are redesignated as paragraphs (b) through (e), respectively, present paragraph (c) of subsection (1), subsections (3) and (4), and paragraphs (a) and (b) of subsection (5) are amended, and a new paragraph (a) is added to subsection (1) and subsections (6) and (7) are added to that section, to read:

553.7932 Simplified permitting processes.—

(1) As used in this section, the term:

(a) "Alteration" means to add, install, relocate, replace, or remove.

(d)(e) "Fire alarm system project" means a fire alarm system alteration of a total of 20 or fewer initiating devices and notification devices;~~—or the installation or replacement of~~

51 a fire communicator connected to an existing fire alarm control
52 panel in an existing commercial, residential, apartment,
53 cooperative, or condominium building; or the replacement of an
54 existing fire alarm panel using the same make and model as the
55 existing panel.

56 (3) A local enforcement agency must issue a permit for a
57 fire alarm system project or fire sprinkler system project in
58 person or electronically within 2 business days after submission
59 of a completed application. A contractor may commence work
60 authorized by the permit immediately after submission of a
61 completed application.

62 (4) The ~~a~~ local enforcement agency must provide an
63 inspection within 3 business days after such inspection is
64 requested, ~~require at least one inspection of a fire alarm~~
65 ~~system project or fire sprinkler system project~~ to ensure
66 compliance with applicable codes and standards. If a fire alarm
67 system project or fire sprinkler system project fails an
68 inspection, the contractor must take corrective action as
69 necessary to pass inspection.

70 (5)(a) For a fire alarm system project, a contractor must
71 keep a copy of the plans and specifications at the fire alarm
72 system project worksite and make such plans and specifications
73 available to the inspector for an onsite plans review at each
74 inspection. If the local enforcement agency determines that it
75 needs additional documents for recording purposes, the

76 contractor must provide such documentation in paper or
77 electronic form to the local enforcement agency within 4
78 business days after the inspection or 4 days after the
79 documentation is requested, whichever is later. The local
80 enforcement agency may not require additional plans reviews or
81 documentation of areas or devices outside the scope of permitted
82 work, as needed on permit applications.

83 (b) For a fire sprinkler system project ~~to alter an~~
84 ~~existing fire protection system~~, a contractor must keep a copy
85 of the plans and specifications at the fire sprinkler system
86 project worksite and make such plans and specifications
87 available to the inspector at each inspection. If the local
88 enforcement agency determines that it needs additional documents
89 for recording purposes, the contractor must provide such
90 documentation in paper or electronic form to the local
91 enforcement agency within 4 business days after the inspection
92 or 4 days after the documentation is requested, whichever is
93 later. The local enforcement agency may not require additional
94 plans, reviews, or documentation of areas or devices outside the
95 scope of permitted work, as needed on permit applications.

96 (6) A local government that fails to meet a deadline under
97 subsection (3) or subsection (4) must refund the permit fee by
98 10 percent for each business day after such failure, unless the
99 local government and contractor agree in writing to a reasonable
100 extension of time, the delay is caused by the applicant, or the

101 delay is attributable to a force majeure or other extraordinary
102 circumstances. Each 10-percent refund shall be based on the
103 original amount of the permit fee.

104 (7) By October 1, 2025, a local enforcement agency must
105 establish a simplified permitting process that complies with
106 this section.

107 **Section 2. Subsection (9) of section 633.202, Florida**
108 **Statutes, is amended to read:**

109 633.202 Florida Fire Prevention Code.—

110 (9) (a) The State Fire Marshal shall make rules that
111 implement this section and ss. 633.104 and 633.208 for the
112 purpose of accomplishing the objectives set forth in those
113 sections.

114 (b) A county or municipality may only enforce an ordinance
115 providing for a local amendment to the Florida Fire Prevention
116 Code if such ordinance was transmitted to the Florida Building
117 Commission and the State Fire Marshal pursuant to subsection (8)
118 as of the date that the permit was submitted.

119 **Section 3. Paragraph (b) of subsection (3) of section**
120 **633.312, Florida Statutes, is amended to read:**

121 633.312 Inspection of fire control systems, fire hydrants,
122 and fire protection systems.—

123 (3)

124 (b) The State Fire Marshal shall adopt rules to implement
125 a uniform summary inspection report and submission procedures to

126 be used by all third-party vendors and local authorities having
127 jurisdiction. For purposes of this section, a uniform summary
128 inspection report must record the address at which ~~where~~ the
129 fire protection system or hydrant is located, the company and
130 person conducting the inspection and their license number, the
131 date of the inspection, and the fire protection system or
132 hydrant inspection status, including the total number of
133 deficiencies found, separated into critical and noncritical
134 categories, and a brief description of impairment deficiencies ~~a~~
135 ~~brief summary of each deficiency, critical deficiency,~~
136 ~~noncritical deficiency, or impairment found.~~ A contractor's
137 detailed inspection report must also be provided, but is not
138 required to follow the uniform summary inspection report format.
139 The State Fire Marshal shall establish by rule a submission
140 procedure for each means provided under paragraph (a) by which a
141 local authority having jurisdiction may accept uniform summary
142 inspection reports. Each of the submission procedures must allow
143 a contractor to attach additional documents with the submission
144 of a uniform summary inspection report, including a physical
145 copy of the contractor's detailed inspection report. A
146 submission procedure may not require a contractor to submit
147 information contained within the detailed inspection report
148 ~~unless the information is required to be included in the uniform~~
149 ~~summary inspection report.~~

150 **Section 4.** This act shall take effect July 1, 2025.
