BILL: SB 606

INTRODUCER: Senator Leek

SUBJECT: Public Lodging and Food Service Establishments

DATE: April 30, 2025

I. Amendments Contained in Message:

House Amendment – 355889 (body and title)

II. Summary of Amendments Contained in Message:

House Amendment – 355889

- Requires a written notice, which may be by text, email, or printed paper, when a public lodging establishment notifies a guest to leave because they failed to checkout or pay for their unit by the check-out time.
- Prohibits public food service establishments from including automatic gratuity or service charges as part of the price for food or beverages for certain parties. The amendment requires public food service establishments to provide specified notices with specified requirements when including automatic gratuity or service charges.
