II. Present Situation:

Pawnbrokers¹ must apply for and obtain a license from the DACS annually.² To be eligible for the license, each pawnshop must maintain a net worth of at least \$50,000 or file security in the form of a surety bond, letter of credit, or certificate of deposit in the amount of \$10,000 for each license.³ DACS is authorized to impose penalties of up to \$5,000 for noncompliance with the law.⁴

Pawnbroker Transaction Forms

When a pawnbroker enters into any pawn or purchase transaction, the pawnbroker must complete a pawnbroker transaction form, indicating whether the transaction is a pawn or a purchase. The pledgor⁵ or seller must sign the completed form. The DACS must approve the design and format of the pawnbroker transaction form, which must be 8.5 inches x 11 inches in size.⁶ The pawnbroker must record the following identifying information on the front of the form, which must be typed or written indelibly and legibly in English:⁷

- The name and address of the pawnshop.
- A complete and accurate description of the pledged goods or purchased goods including certain identifying information.
- The name, address, home, telephone number, place of employment, date of birth, physical description, and right thumbprint of the pledgor or seller.
- The date and time of the transaction.
- The type of identification accepted from the pledgor or seller, including the issuing agency and the identification number.
- In the case of a pawn:
 - The amount of money advanced, which must be designated as the amount financed.
 - The maturity date of the pawn, which must be 30 days after the date of the pawn.
 - The default date of the pawn and the amount due on the default date.
 - The total pawn service charge payable on the maturity date, which must be designated as the finance charge.
 - The amount financed plus the finance charge that must be paid to redeem the pledged goods on the maturity date, which must be designated as the total of payments.
 - The annual percentage rate.
 - The front or back of the pawnbroker transaction form must include certain information specific to pawns.
- In the case of a purchase, the amount of money paid for the goods or the monetary value assigned to the goods in connection with the transaction.
- A statement that the pledgor or seller of the item represents and warrants that it is not stolen, that it has no liens or encumbrances against it, and that the pledgor or seller is the rightful owner of the goods and has the right to enter into the transaction.

The front or back of the transaction form must include the following statements:

- Any personal property pledged to a pawnbroker in Florida that is not redeemed within 39 days following the maturity date of the pawn is automatically forfeited to the pawnbroker, and absolute right, title, and interest in and to the property vests in and is deemed conveyed to the pawnbroker by operation of law, and no further notice is necessary.
- The pledgor is not obligated to redeem the pledged goods.
- If the pawnbroker transaction form is lost, destroyed, or stolen, the pledgor must immediately advertise the issuing pawnbroker in writing by certified or registered mail, return receipt requested, or in person evidenced by a signed receipt.

⁵ A “pledgor” is the person pledging the goods into the possession of a pawnbroker in connection with a pawn. Section 539.001(2)(p), F.S.

⁶ Section 539.001(8)(a), F.S.

⁷ Section 539.001(8)(b), F.S.

- A pawn can be extended upon mutual agreement of the parties.
- A statement that the pledgor or seller of the item represents and warrants that it is not stolen, that it has no liens or encumbrances against it, and that the pledgor or seller is the rightful owner of the goods and has the right to enter into the transaction. Any person who knowingly gives false verification of ownership or gives a false or altered identification and who receives money from a pawnbroker for goods sold or pledged commits:
 - A third degree felony⁸ if the value of money is less than \$300; or
 - A second degree⁹ felony if the value of the money received is \$300 or more.

Pawnbroker Transaction Form Recordkeeping

A pawnbroker must provide a pledgor or seller with a copy of a pawnbroker transaction form at the time of the pawn or sale. Pawnbroker transaction forms must be kept on the pawnshop's premises for at least one year after the transaction's date.¹⁰

Before the end of each business day, a pawnbroker must deliver the original pawnbroker transaction forms to the appropriate official¹¹ for the local law enforcement agency for all of the transactions during the previous business day unless other arrangements have been agreed upon by the pawnbroker and the appropriate law enforcement agency.¹²

In lieu of physically delivering the original pawnbroker transaction forms, a local law enforcement agency may supply software to a pawnbroker so the pawnbroker may electronically transfer the transaction forms to the law enforcement agency. If a pawnbroker does not have a computer to use such software, the law enforcement agency may provide a computer to the pawnbroker. The law enforcement agency retains ownership of the computer unless otherwise agreed upon. The pawnbroker must maintain the computer in good working order, ordinary wear and tear excepted.¹³

III. Effect of Proposed Changes:

The bill amends s. 539.001, F.S., to authorize pawnbroker transaction forms to be in digital or print format instead of only print format.

The bill takes effect July 1, 2025.

¹¹ The appropriate law enforcement official is the sheriff of the county in which a pawnshop is located or, in case of a pawnshop located within a municipality, the police chief of the municipality in which the pawnshop is located.
