The Conference Committee Amendment for SB 7022, relating to Retirement, establishes the contribution rates paid by employers that participate in the Florida Retirement System (FRS), beginning July 1, 2025. These rates are intended to fund the full normal cost and the amortization of the unfunded actuarial liability (UAL) of the FRS. With these modifications to employer contribution rates, the FRS Trust Fund will receive roughly \$310.2 million more in revenue on an annual basis beginning July 1, 2025, when compared to the employer contributions generated based on the current statutory contribution rates. The public employers that will incur these additional costs are state agencies, state universities and colleges, school districts, counties, municipalities, and other governmental entities that participate in the FRS.

The amendment takes effect July 1, 2025.
