

ENROLLED

CS/CS/HB 907

2025 Legislature

1
2 An act relating to the Florida Institute for Pediatric
3 Rare Diseases; creating s. 1004.4211, F.S.;
4 establishing the Florida Institute for Pediatric Rare
5 Diseases within the Florida State University College
6 of Medicine; providing the goals of the institute;
7 requiring the institute to establish and administer
8 the Sunshine Genetics Pilot Program for a specified
9 period; providing the purpose of the pilot program;
10 providing institute responsibilities and duties
11 relating to the pilot program; providing requirements
12 for participation in the pilot program and data
13 collection and release in the pilot program; defining
14 the term "health care practitioner"; providing
15 reporting requirements for the pilot program;
16 establishing the Sunshine Genetics Consortium for
17 specified purposes; requiring the consortium to be
18 administered at the institute by an oversight board;
19 providing for the membership and terms of the board;
20 providing meeting and reporting requirements for the
21 consortium; providing that specified provisions will
22 be implemented subject to available funding in the
23 General Appropriations Act; providing an effective
24 date.
25

CS/CS/HB 907

2025 Legislature

26 | Be It Enacted by the Legislature of the State of Florida:

27 |

28 | Section 1. Section 1004.4211, Florida Statutes, is created
29 | to read:

30 | 1004.4211 The Florida Institute for Pediatric Rare
31 | Diseases; the Sunshine Genetics Pilot Program; the Sunshine
32 | Genetics Consortium.—

33 | (1) The Florida Institute for Pediatric Rare Diseases is
34 | established within the Florida State University College of
35 | Medicine as a statewide resource for pediatric rare disease
36 | research and clinical care. The purpose of the institute is to
37 | improve the quality of life and health outcomes for children and
38 | families affected by rare diseases by advancing knowledge,
39 | diagnosis, and treatment of pediatric rare diseases through
40 | research, clinical care, education, and advocacy.

41 | (2) The goals of the institute are to:

42 | (a) Conduct research to better understand the causes,
43 | mechanisms, and potential treatments for pediatric rare
44 | diseases, including leveraging emerging research methods.

45 | (b) Develop advanced diagnostic and genetic screening
46 | tools and techniques to enable health care providers to identify
47 | rare diseases in newborns and children more rapidly, accurately,
48 | and economically.

49 | (c) Provide comprehensive multidisciplinary clinical
50 | services and care for children with rare diseases. Such care may

2025 Legislature

51 include, but is not limited to, patient, family, and caregiver
52 support and resources to help navigate the challenges associated
53 with these conditions, support groups, and patient advocacy.

54 (d) Educate and train health care professionals,
55 including, but not limited to, genetic counselors,
56 pediatricians, scientists, and other specialists in the field of
57 pediatric rare diseases.

58 (e) Establish collaborations with other research
59 institutions, medical centers, patient and family advocacy
60 organizations, and government agencies whenever deemed
61 appropriate by the institute director to share expertise, raise
62 awareness, and promote a collective effort to tackle pediatric
63 rare diseases.

64 (3) (a) The institute shall establish and administer the
65 Sunshine Genetics Pilot Program to be administered for a period
66 of 5 years. The pilot program shall provide newborn genetic
67 screening, including, but not limited to, whole genome
68 sequencing. Genetic screening shall be performed by the
69 institute and institutional members of the oversight board upon
70 approval of the oversight board.

71 (b) The institute may establish partnerships with Florida
72 universities and colleges and health care service providers to
73 promote and assist in the implementation of the pilot program.

74 (c) The pilot program shall be an opt-in program and a
75 parent of a newborn must provide consent to participate in the

2025 Legislature

76 pilot program.

77 (d) The institute and institutional members of the
78 oversight board shall release clinical findings of a newborn's
79 screening to the newborn's health care practitioner and the
80 newborn's parent. As used in this paragraph, the term "health
81 care practitioner" means a physician or physician assistant
82 licensed under chapter 458; an osteopathic physician or
83 physician assistant licensed under chapter 459; an advanced
84 practice registered nurse, registered nurse, or licensed
85 practical nurse licensed under part I of chapter 464; a midwife
86 licensed under chapter 467; a speech-language pathologist or
87 audiologist licensed under part I of chapter 468; a dietitian or
88 nutritionist licensed under part X of chapter 468; or a genetic
89 counselor licensed under part III of chapter 483.

90 (e) The institute shall:

91 1. Maintain a secure database to collect and store all
92 pilot program data, including, but not limited to, newborn
93 genomics sequence data and deidentified newborn data.

94 2. Provide deidentified newborn data to members of the
95 consortium pursuant to a data sharing agreement to support
96 ongoing and future research.

97 (f) By December 1, 2030, the institute shall provide a
98 report on the Sunshine Genetics Pilot Program to the Governor,
99 the President of the Senate, and the Speaker of the House of
100 Representatives. The report must include, at a minimum:

CS/CS/HB 907

2025 Legislature

- 101 1. Study population and enrollment metrics.
- 102 2. Whole genome sequencing metrics.
- 103 3. Clinical and public health impact.
- 104 4. Cost effectiveness and economic benefits.
- 105 (4) (a) The Sunshine Genetics Consortium is established to
 106 create a network of clinical and academic research
 107 professionals, geneticists, and physicians from state
 108 universities and the state's children's hospitals to collaborate
 109 with leaders in the genetic industry and build and support a
 110 culture of collaborative research and the development of cutting
 111 edge genetic and precision medicine in the state. The consortium
 112 shall:
- 113 1. Integrate state-of-the-art genomic sequencing
 114 technologies.
- 115 2. Advance research and the development of cutting edge
 116 genetic and precision medicine.
- 117 3. Leverage advancements in artificial intelligence
 118 utilization in genomics.
- 119 4. Develop educational opportunities for clinicians on
 120 genomic tools.
- 121 5. Support the growth and education of geneticists to meet
 122 demand.
- 123 6. Solicit and leverage funds from nonprofits, private
 124 industry, and others for the purpose of expanding the Sunshine
 125 Genetics Pilot Program and to support genetic screenings by

126 institutional members of the oversight board.

127 7. Promote patient care that supports families with
128 children diagnosed with genetic disorders.

129 8. Report on the use of deidentified newborn data by
130 members of the consortium.

131 (b)1. The consortium shall be administered at the
132 institute by an oversight board. The board shall convene at
133 least once every 6 months.

134 2. The oversight board for the consortium shall consist of
135 the director of the institute who shall serve as chair and the
136 following voting members who shall serve 2-year terms:

137 a. One member nominated by the dean of the University of
138 Florida's College of Medicine and approved by the university's
139 president.

140 b. One member nominated by the dean of the University of
141 South Florida's College of Medicine and approved by the
142 university's president.

143 c. One member nominated by the dean of the University of
144 Miami's School of Medicine and approved by the university's
145 president.

146 d. One member nominated by the dean of Florida
147 International University's College of Medicine and approved by
148 the university's president.

149 e. One member nominated by Nicklaus Children's Hospital
150 and approved by the hospital's president and chief executive

151 officer.

152 f. One member appointed by the Governor.

153 g. One member appointed by the President of the Senate.

154 h. One member appointed by the Speaker of the House of
 155 Representatives.

156 3. The board shall be responsible for the promotion and
 157 oversight of the consortium, including, but not limited to, the
 158 nomination and appointment of members of the consortium.

159 (c) Beginning October 15, 2026, and annually thereafter,
 160 the consortium shall provide a report to the Governor, the
 161 President of the Senate, and the Speaker of the House of
 162 Representatives on research projects, research findings,
 163 community outreach initiatives, and future plans for the
 164 consortium.

165 (5) The provisions of this section shall be implemented to
 166 the extent of available appropriations contained in the annual
 167 General Appropriations Act for such purpose.

168 Section 2. This act shall take effect July 1, 2025.
