COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. HB 1035 (2026)

Amendment No.

16        380.0938 Nature-based methods for improving coastal  
17 resilience.–

18        (1) By January 1, 2027, the department shall develop  
19 design guidelines and standards for optimal combinations of  
20 nature-based methods for using green or hybrid green-gray  
21 infrastructure to address coastal resiliency, including local  
22 mitigation strategies for erosion control, sea level rise, and  
23 storm surge.

24        (2) The department and local governments shall promote  
25
