627.6474, Florida Statutes, to read:

627.6474 Provider contracts.—

(4) (a) A contract between a health insurer and a contracted health care practitioner as defined in s. 456.001 must require the health insurer and the contracted health care practitioner to issue a joint written notice to each affected policyholder at least 60 days before the effective date of the cancellation or termination of the contract. The notice must be written in plain language and include all of the following:

1. An explanation of the policyholder's rights regarding continuation of care and coverage.

2. Applicable timelines for transition of care.

3. Contact information for the insurer, the practitioner, and the office for questions or complaints.

(b) The commission may adopt rules to administer paragraph (a). The office may impose an administrative fine of up to \$5,000 for each violation to a health insurer or contracted health care practitioner that fails to comply with paragraph (a).

(5) When a contract between an insurer and a treating health care practitioner as defined in s. 456.001 is terminated for any reason, the insurer and the health care practitioner must allow policyholders for whom treatment was active to continue coverage and care, through completion of treatment of a condition for which the policyholder was receiving care at the time of the termination, until the policyholder selects another treating health care practitioner, or during the next open enrollment period offered by the organization, whichever is longer, but not longer than 6 months after termination of the

contract. The insurer and the health care practitioner shall allow a policyholder who has initiated a course of prenatal care, regardless of the trimester in which care was initiated, to continue care and coverage until completion of postpartum care. For care continued under this subsection, the insurer and the health care practitioner shall continue to be bound by the terms of the terminated contract. Changes made within 30 days before termination of a contract are effective only if agreed to by both the insurer and the practitioner.

Section 2. Paragraph (a) of subsection (2) of section 641.315, Florida Statutes, is amended to read:

641.315 Provider contracts.—

(2)(a) For all provider contracts executed after October 1, 1991, and within 180 days after October 1, 1991, for contracts in existence as of October 1, 1991:

1. ~~The~~ Contracts must require the provider to give 60 days' advance written notice to the health maintenance organization and the office before canceling the contract with the health maintenance organization for any reason.~~;~~ ~~and~~

2. Contracts ~~The contract~~ must also provide that nonpayment for goods or services rendered by the provider to the health maintenance organization is not a valid reason for avoiding the 60-day advance notice of cancellation.

3. Contracts must require the health maintenance organization and the provider to issue a joint written notice to each affected subscriber at least 60 days before the effective date of the cancellation or termination of the provider contract. The notice must be written in plain language and include all of the following:

88 a. An explanation of the subscriber's rights regarding
89 continuation of care and coverage.

90 b. Applicable timelines for transition of care.

91 c. Contact information for the health maintenance
92 organization, the provider, and the Office of Insurance
93 Regulation for questions or complaints.

94 4. The commission may adopt rules to administer
95 subparagraph 3. A health maintenance organization or provider
96 that fails to comply with subparagraph 3. is subject to an
97 administrative fine by the office of up to \$5,000 for each
98 violation.

99 Section 3. Subsection (8) of section 641.51, Florida
100 Statutes, is amended to read:

101 641.51 Quality assurance program; second medical opinion
102 requirement.—

103 (8) When a contract between an organization and a treating
104 provider is terminated for any reason ~~other than for cause~~, each
105 party shall allow subscribers for whom treatment was active to
106 continue coverage and care ~~when medically necessary~~, through
107 completion of treatment of a condition for which the subscriber
108 was receiving care at the time of the termination, until the
109 subscriber selects another treating provider, or during the next
110 open enrollment period offered by the organization, whichever is
111 longer, but not longer than 6 months after termination of the
112 contract. Each party to the terminated contract shall allow a
113 subscriber who has initiated a course of prenatal care,
114 regardless of the trimester in which care was initiated, to
115 continue care and coverage until completion of postpartum care.
116 ~~This does not prevent a provider from refusing to continue to~~
