Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (4) of section 163.3162, Florida  
Statutes, is amended to read:

163.3162 Agricultural lands and practices.—

(4) PUBLIC HEARING PROCESS.—

(a) Notwithstanding any other law or local ordinance,  
resolution, or regulation, the owner of a parcel of land may  
apply to the governing body of the local government for  
certification of the parcel as an agricultural enclave as  
defined in s. 163.3164 if one or more adjacent parcels or an  
adjacent development permits the same density as, or higher  
density than, the proposed development.

(b) Within 30 days after the local government's receipt of  
such an application, the local government shall provide to the  
applicant a written report detailing whether the application  
complies with the requirements of paragraph (a).

(c) Within 30 days after the local government provides the  
report required under paragraph (b), the local government shall  
hold a public hearing to approve or deny certification of the  
parcel as an agricultural enclave. If the local government does  
not approve or deny certification of the parcel as an  
agricultural enclave within 90 days after receipt of the  
application, the parcel must be certified as an agricultural  
enclave.

(d) If the application is denied, the governing body of the

59 local government must issue its decision in writing with  
60 detailed findings of fact and conclusions of law. The applicant  
61 may seek review of the denial by filing a petition for writ of  
62 certiorari in the circuit court within 30 days after the date  
63 the local government renders its decision.

64 (e) If the application is approved, the owner of the parcel  
65 certified as an agricultural enclave may submit development  
66 plans for single-family residential housing which are consistent  
67 with the land use requirements, or future land use designations,  
68 including uses, density, and intensity, of one or more adjacent  
69 parcels or an adjacent development. A development for which  
70 plans are submitted under this paragraph must be treated as a  
71 conforming use, notwithstanding the local government's  
72 comprehensive plan, future land use designation, or zoning.

73 (f) A local government may not enact or enforce a law or  
74 regulation for an agricultural enclave which is more burdensome  
75 than for other types of applications for comparable uses or  
76 densities. A local government shall treat an agricultural  
77 enclave that is adjacent to an urban service district as if such  
78 enclave is within the urban service district.

79 (g) Within 30 business days after the local government's  
80 receipt of development plans under paragraph (e), the local  
81 government and the owner of the parcel certified as an  
82 agricultural enclave must agree in writing to a process and  
83 schedule for information submittal, analysis, and final  
84 approval, which may be administrative in nature, of the  
85 development plans. The local government may not require the  
86 owner to agree to a process that is longer than 180 days in  
87 duration or that includes further review of the plans in a

88 quasi-judicial process or public hearing ~~AMENDMENT TO LOCAL~~  
89 ~~GOVERNMENT COMPREHENSIVE PLAN. The owner of a parcel of land~~  
90 ~~defined as an agricultural enclave under s. 163.3164 may apply~~  
91 ~~for an amendment to the local government comprehensive plan~~  
92 ~~pursuant to s. 163.3184. Such amendment is presumed not to be~~  
93 ~~urban sprawl as defined in s. 163.3164 if it includes land uses~~  
94 ~~and intensities of use that are consistent with the uses and~~  
95 ~~intensities of use of the industrial, commercial, or residential~~  
96 ~~areas that surround the parcel. This presumption may be rebutted~~  
97 ~~by clear and convincing evidence. Each application for a~~  
98 ~~comprehensive plan amendment under this subsection for a parcel~~  
99 ~~larger than 640 acres must include appropriate new urbanism~~  
100 ~~concepts such as clustering, mixed-use development, the creation~~  
101 ~~of rural village and city centers, and the transfer of~~  
102 ~~development rights in order to discourage urban sprawl while~~  
103 ~~protecting landowner rights.~~

104 ~~(a) The local government and the owner of a parcel of land~~  
105 ~~that is the subject of an application for an amendment shall~~  
106 ~~have 180 days following the date that the local government~~  
107 ~~receives a complete application to negotiate in good faith to~~  
108 ~~reach consensus on the land uses and intensities of use that are~~  
109 ~~consistent with the uses and intensities of use of the~~  
110 ~~industrial, commercial, or residential areas that surround the~~  
111 ~~parcel. Within 30 days after the local government's receipt of~~  
112 ~~such an application, the local government and owner must agree~~  
113 ~~in writing to a schedule for information submittal, public~~  
114 ~~hearings, negotiations, and final action on the amendment, which~~  
115 ~~schedule may thereafter be altered only with the written consent~~  
116 ~~of the local government and the owner. Compliance with the~~

~~schedule in the written agreement constitutes good faith negotiations for purposes of paragraph (c).~~

~~(b) Upon conclusion of good faith negotiations under paragraph (a), regardless of whether the local government and owner reach consensus on the land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the parcel, the amendment must be transmitted to the state land planning agency for review pursuant to s. 163.3184. If the local government fails to transmit the amendment within 180 days after receipt of a complete application, the amendment must be immediately transferred to the state land planning agency for such review. A plan amendment transmitted to the state land planning agency submitted under this subsection is presumed not to be urban sprawl as defined in s. 163.3164. This presumption may be rebutted by clear and convincing evidence.~~

~~(c) If the owner fails to negotiate in good faith, a plan amendment submitted under this subsection is not entitled to the rebuttable presumption under this subsection in the negotiation and amendment process.~~

~~(h)~~ (d) Nothing within this subsection relating to agricultural enclaves shall preempt or replace any protection currently existing for any property located within the boundaries of any of the following areas:

1. The Wekiva Study Area, as described in s. 369.316, ~~or~~
2. The Everglades Protection Area, as defined in s. 373.4592(2).
3. A military installation or range identified in s. 163.3175(2).
