26 (d) The department shall review paragraph (b) annually to

50 for using the airport name provided in paragraph (b).

51 (g) A political subdivision is in compliance with this
52 subsection if it diligently pursues all necessary approvals and
53 agreements to implement an airport name change required under
54 this subsection and timely commences signage and branding
55 changes upon receipt of such approvals. For purposes of this
56 paragraph, the term "timely commences" means to initiate
57 planning, procurement, and implementation within a reasonable
58 period after receiving all necessary approvals, taking into
59 account the availability of budgeted funds and the timeframes
