14 voter is ineligible because the voter is deceased, adjudicated a
15 convicted felon without having had his or her voting rights
16 restored, adjudicated mentally incapacitated without having had
17 his or her voting rights restored, does not meet the age
18 requirement pursuant to s. 97.041, is not a United States
19 citizen, is a fictitious person, or has listed an address that
20 is not his or her address of legal residence, the supervisor
21 must adhere to the procedures set forth in subsection (8) (7)
22 before the removal of the name of a registered voter who is
23 determined to be ineligible from the statewide voter
24 registration system.
25   (b) A registered voter may not be identified as ineligible
26 or potentially ineligible based on information derived from or
27 generated by generative artificial intelligence, automated
28 decisionmaking systems, algorithmic processes, or private third-
29 party data sources. This section does not prohibit the use of
30 technology to assist in record maintenance, provided that a
31 voter may not be designated as ineligible or potentially
32 ineligible without independent human review and corroboration
33 from official government sources.
