30	126	Funds In Specific Appropriation 126 are provided to colleges for students who earn industry certifications during the 2021-2022 academic year. Funding shall be based on students who earn industry certifications in the following occupational areas: public safety, health sciences, automotive service technology, auto collision repair and refinishing, <b>marine engine repair</b> , cyber security, cloud virtualization, network support services, computer programming, advanced manufacturing, electrician, welding, Federal Aviation Administration airframe mechanics, power plant mechanics, unmanned aircraft systems, pharmacy technicians, and heating, ventilation and air conditioning technicians. The Department of Education shall distribute the awards by June 1, 2022, and establish procedures and timelines for colleges to report earned certifications for funding. The Department of Education may allocate any funds not obligated by June 1, 2022, to schools who have earned awards, based on the percentage of earned certifications. By October 31, 2021, the Chancellor of the Florida College System shall identify the associated industry certifications and shall prepare a report for each certification to include cost, percent employed, and average salary of graduates. These performance funds shall not be awarded for certifications earned through continuing workforce education programs.  Industry certifications earned by students enrolled in the 2020-2021 academic year which were eligible to be included in the funding allocation for the 2020-2021 fiscal year and were not included in the final disbursement due to the early data reporting deadline may be reported by colleges and included in the allocation of funds for the 2021-2022 fiscal year. Colleges shall maintain documentation for student attainment of industry certifications that are eligible for performance funding. The Auditor General shall verify compliance with this requirement during scheduled operational audits of the colleges. If a college is unable to comply, the college shall refund the performance funding to the state.	NOT INCLUDED	Maintain House Position	Maintain House Position

The Board of Governors shall allocate all appropriated funds for State University System Performance Based Incentives based on the requirements in section 1001.92, Florida Statutes. These funds shall be placed in reserve. The board shall review the Performance Funding Model allocation methodology for the distribution of the state's investment in performance funding and develop an alternative allocation methodology that more fully considers the points earned by a university under the performance funding model. Upon the completion of an alternative allocation plan, the board is authorized to submit budget amendments for the funds being held in reserve pursuant to the provisions of chapter 216 Florida Statutes.
