	ENVIRONMENTAL PROTECTION, DEPARTMENT OF			
	PROGRAM: RECREATION AND PARKS			
	STATE PARK OPERATIONS			
	1688 SPECIAL CATEGORIES - GREENWAYS CARL MANAGEMENT FUNDING			
1			Senate New Language	<p>From the funds in Specific Appropriation 1688, the Department of Environmental Protection shall conduct a study on the feasibility and benefits of creating the Office of Outdoor Recreation within the Department of Environmental Protection to coordinate outdoor recreation policy, management, and promotion among state agencies and local government entities in the state. By December 31, 2021, the Department of Environmental Protection shall submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the findings of the study that: identifies and assesses similar programs in other states; identifies the economic development benefit of coordinated outdoor recreation policy, management, and promotion; identifies initiatives to enhance recreational amenities and experiences in the state, including their interconnection, and helps implement those policies and initiatives; recommends necessary staffing and resource levels; identifies data needed to assess the economic impacts of outdoor recreation in the state; assesses the feasibility and benefit of continuous wildlife corridors; and assesses the method to promote the interconnection of outdoor recreation amenities.</p>
