19B			SECTION XX. <u>The unexpended balance of funds provided to the Department of Management Services in Specific Appropriation 3013A of chapter 2023-239, Laws of Florida, shall revert and is appropriated to the department in Fiscal Year 2024-2025, in the Grants and Aids Cybersecurity Grants appropriation category, to provide nonrecurring assistance to local governments for the development and enhancement of cybersecurity risk management programs.</u> <u>The department shall include language in the local government agreements that releases the state from all liability related to cybersecurity incidents impacting the local government recipient. The funding shall be placed in reserve and the department is authorized to submit budget amendments requesting the release of these funds pursuant to chapter 216, Florida Statutes. Release of these funds is contingent upon submission of a detailed spend plan, which shall include the vendors, services provided, and local government recipients. No funds shall be distributed to contracts not competitively procured.</u>		Senate New	19B
