13	From the funds in Specific Appropriation 2023, \$4,000,000 shall be used by the Commission for the Transportation Disadvantaged to continue the innovative grant program. Funds shall be used to provide competitive grants to community transportation coordinators for innovative service delivery that is more cost efficient for the program and time efficient for the users. Grants may be for projects in which a community transportation coordinator works with a non-traditional service provider, such as a transportation network company or other entity that provides door-to-door, on-demand, or scheduled transportation services. A county may submit one project that encompasses multiple goals or a single goal, such as providing cross-county mobility or reducing service gaps between existing routes and the user's final destination. A county may not receive more than one award and may receive a maximum award of \$750,000. Multiple counties may partner for a grant of up to \$1,500,000 provided that the project includes a goal of providing regional mobility in addition to any other goals. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients.
