60	ON-CALL FEES			60
61				61
62		Funds in Specific Appropriations 597C, 652A, 686A, and 696A are provided for the sole purpose of paying authorized on-call expenditures approved in accordance with departmental policy. The department shall submit a monthly report detailing actual on-call expenditures for each individual employee each pay period. Each status report must reconcile to the State of Florida's People First personnel system and expenditure ledger by fund source. The report shall include the number of on-call hours for each pay period for each employee and shall include the justification, on-call expenditures disbursed by position, and the projected amount of on-call hours and expenditures for the following month. The reconciliation report shall compare the actual hours of on-call worked to the State of Florida's People First system. For any variance identified, the department shall submit a written corrective action plan to address each variance. The monthly report shall be submitted to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than the 15th day of each month.	Senate	62
63				63
64		Any on-call expenditures by the department must be paid from the on-call category. Payments shall only be authorized for the actual number of on-call hours worked for each pay period. In the event appropriations in this category are not sufficient to cover expenditures, the department is authorized to submit budget amendments in accordance with chapter 216, Florida Statutes, requesting realignment of funds. Any such budget amendments shall include a detailed explanation for the cost increase as well as a written corrective action plan addressing the steps the department shall take to avoid any future excessive spending in the on-call category. 586	Beginning July 1, 2025, the Department of Financial Services shall release 25 percent of the funds to each state attorney's office. Prior to subsequent quarterly fund releases, each state attorney's office must submit the following caseload data to the Department of Financial Services: the percentage of cases prosecuted of the total number of cases referred by the department; the number of cases not prosecuted, and the reasons prosecution was not pursued; the staff assigned to each case; expenditures made; and the current status of each case. The Department of Financial Services shall determine if case activity warrants the continued release of funds. 1011	From the funds in Specific Appropriations 1051 through 1124A, the Department of Juvenile Justice shall conduct a comprehensive statewide review of county-level data, including a gap analysis of services and programs available across all counties in the state, to evaluate the implementation of juvenile justice policies at the county level. As a result of such review, the department shall prepare a report that includes benchmarking of counties' performance on factors that demonstrate how a county is supporting the department's strategic goals of preventing and diverting more youth from entering the juvenile justice system; providing appropriate, less restrictive, community-based sanctions and services; reserving serious sanctions for youth who pose the greatest risk to public safety; and focusing on rehabilitation. The report shall also include recommendations and strategies that can be implemented by the department or counties to address any identified deficiencies and to assist in developing a statewide, coordinated response across all of Florida's communities to support the department's strategic goals. A copy of the report shall be submitted to the Governor, President of the Senate, and the Speaker of the House of Representatives by January 9, 2026. The department shall contract with an independent verification and validation (IV&V) provider to provide IV&V services for all agency staff and vendor work needed to implement this project. The monthly reports shall include an analysis of whether: (1) the project is being built and implemented in accordance with defined technical architecture, specifications, and requirements; (2) the project is adhering to established project management processes; (3) the procurement of products, tools, and services and resulting contracts align with current statutory and regulatory requirements; (4) the value of services delivered is commensurate with project costs; and (5) if the completed project will meet the actual needs of the intended users. The IV&V contract shall require that all deliverables be simultaneously provided to the department, the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Budget Committee. From the funds in Specific Appropriation 1246, \$5,075,651 in nonrecurring funds from the General Revenue Fund is provided to the Department of Legal Affairs for the Modernization Program. Of these funds, 75 percent shall be held in reserve. All general revenue funds not held in reserve shall be fully released. The department is authorized to submit quarterly budget amendments to request release of funds pursuant to chapter 216, Florida Statutes. The amount requested to be released in each budget amendment may not exceed the sum of the department's planned project expenditures for the subsequent three-month period.	From the funds in Specific Appropriation 1246, \$6,183,840 in funds from the General Revenue Fund, of which \$4,232,400 is nonrecurring, is provided to the Department of Legal Affairs for the Modernization Program. Of these funds, \$4,637,880 shall be held in reserve. The department shall contract with an independent verification and validation (IV&V) provider to provide IV&V services for all agency staff and vendor work needed to implement this project. The IV&V contract shall require that all deliverables be simultaneously provided to the department, the Executive Office of the Governor's Office of Policy and Budget, the chair of the House of Representatives Budget Committee, and the chair of the Senate Committee on Appropriations. The department is authorized to submit budget amendments requesting release of funds pursuant to the provisions of chapter 216, Florida Statutes. The amount requested to be released in each budget amendment may not exceed the sum of the department's planned project expenditures for the subsequent six-month period. Release is contingent upon submission of an updated detailed operational work plan, a monthly spend plan that identifies all project work and costs budgeted for Fiscal Year 2025-2026 that directly align with the project work and costs specified in the current project schedule, and the project status report from the most recently completed quarter at the time of submission.
