70	From the funds in Specific Appropriation 81, \$30,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to expand the provision of services to low income families at or below 70 percent of the state median income as long as the income does not exceed 85 percent of the state median income. Local matching funds can be derived from local governments, employers, charitable foundations, and other sources so that Florida communities can create local partnerships focused on using the state and local funds for direct services and expanding the number of school readiness slots. To be eligible for funding, an early learning coalition must match its portion of the state funds with a dollar-for-dollar match of local funds. The Division of Early Learning shall establish procedures for the match program which shall include giving priority to early learning coalitions whose local match complies with federal Child Care and Development Block Grant matching requirements. 454	Maintain House Position	Modified Senate Position: Funds in Specific Appropriation 113C are provided for the School Hardening Grant program to improve the physical security of school buildings based on the security risk assessment required by section 1006.1493, Florida Statutes. By September 30, 2025, school districts and charter schools receiving School Hardening Grant program funds shall report to the Department of Education, in a format prescribed by the department, the total estimated costs of their unmet school campus hardening needs as identified by the Florida Safe Schools Assessment Tool (FSSAT) conducted pursuant to section 1006.1493, Florida Statutes. The report should include a prioritized list of school hardening project needs by each school district or charter school and an expected timeframe for implementing those projects. In accordance with section 119.071(3) (a), Florida Statutes, data and information related to security risk assessments administered pursuant to section 1006.1493, Florida Statutes, are confidential and exempt from public records requirements. Funds may only be used for capital improvements and other eligible safety measures, including physical or technological enhancements, provided they align with the security risk assessment recommendations. Funds shall be allocated initially based on each district's capital outlay FTE and charter school FTE and an additional allocation based on district proposals. No district shall be allocated less than \$100,000. Funds shall be provided based on district application, which must be submitted to the Department of Education by December 15, 2025. The Department of Education shall have the ability to reallocate funds between school districts if a school district fails to fully utilize their awarded allocation.	Maintain House Position	454

		<u>The Department of Education, in consultation with school safety stakeholders, shall review the current methodology for allocating School Hardening Grant funds. The department shall develop and submit to the President of the Senate and the Speaker of the House of Representatives, by December 1, 2025, recommendations for an alternative funding methodology that prioritizes project need and readiness and ensures that all districts, including small and rural districts, receive sufficient funds to complete critical school hardening projects identified through the Florida Safe Schools Assessment Tool. The recommendations may include tiered funding approaches, application-based awards, and mechanisms for prioritizing projects based on urgency or impact.</u>
