As required by Rule 12.7, the committees caused to be conducted an inquiry into the qualifications, experience, and general suitability of the above-named appointees for appointment to the office indicated. In aid of such inquiry, the committees held public hearings at which members of the public were invited to attend and offer evidence concerning the qualifications, experience, and general suitability of the appointees. After due consideration of the findings of such inquiry and the evidence adduced at the public hearings, the Committee on Ethics and Elections and other referenced committees respectfully advise and recommend that in accordance with s. 114.05(1)(c), Florida Statutes:

- (1) the executive appointments of the above-named appointees, to the office and for the term indicated, be confirmed by the Senate;
- (2) Senate action on said appointments be taken prior to the adjournment of the 2018 Regular Session; and
- (3) there is no necessity known to the committees for the deliberations on said appointments to be held in executive session.

Respectfully submitted,
