RULING ON POINT OF ORDER

On recommendation of Senator Thrasher, Chair of the Committee on Rules, President Haridopolos ruled the point well taken and **Amendment 1 (832626)** out of order.

Senator Dean moved the following amendment:

Amendment 2 (799666) (with title amendment)—Between lines 55 and 56 insert:

Section 5. Section 163.3165, Florida Statutes, is created to read:

163.3165 *Agricultural lands surrounded by a single land use.*—

(1) *Notwithstanding any provision of ss. 163.3162 and 163.3164 to the contrary, the owner of a parcel of land located in an unincorporated area of a county that qualifies under this section may apply for an amendment to the local government comprehensive plan pursuant to s. 163.3184. The amendment is presumed not to be urban sprawl as defined in s. 163.3164 if it proposes land uses and intensities of use that are consistent with the existing uses and intensities of use of, or consistent with the uses and intensities of use authorized for, the industrial, commercial, or residential areas that surround the parcel. If the parcel of land that is the subject of an application for an amendment under this section is abutted on all sides by land having only one land use designation, the same land use designation shall be presumed by the county to be appropriate for the parcel. The county shall, after considering the proposed density and intensity, grant the parcel the same land use designation as the surrounding parcels that abut the parcel unless the county finds by clear and convincing evidence that such grant would be detrimental to the health, safety, and welfare of the public.*

(2) *In order to qualify as an agricultural enclave under this section, the parcel of land must be a parcel that:*

(a) *Is owned by a single person or entity;*

(b) *Has been in continuous use for bona fide agricultural purposes, as defined by s. 193.461, for a period of 5 years before the date of any comprehensive plan amendment application;*

(c) *Is surrounded on at least 95 percent of its perimeter by property that the local government has designated as land that may be developed for industrial, commercial, or residential purposes; and*

(d) *Does not exceed 650 acres but is not smaller than 500 acres.*

In order to qualify for the redesignation as an enclave, the owner of a parcel of land meeting the requirements of paragraphs (a)-(d) must apply for the redesignation by January 1, 2014.

Section 6. (1) *Except as provided in subsection (4), and in recognition of 2012 real estate market conditions, any building permit, and any permit issued by the Department of Environmental Protection or by a water management district pursuant to part IV of chapter 373, Florida Statutes, which has an expiration date from January 1, 2011, through January 1, 2014, is extended and renewed for a period of 2 years after its previously scheduled date of expiration. This extension includes any local government-issued development order or building permit, including certificates of levels of service. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. This extension is in addition to any existing permit extension. Extensions granted pursuant to this section; section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida; section 46 of chapter 2010-147, Laws of Florida; section 74 of chapter 2011-139, Laws of Florida; or section 79 of chapter 2011-139, Laws of Florida, may not exceed 4 years in total. However, this section does not authorize the further extension of a specific development order granted pursuant to s. 380.06(19)(c)2., Florida Statutes.*

(2) *The commencement and completion dates for any required mitigation associated with a phased construction project shall be extended so that mitigation takes place in the same timeframe relative to the phase as originally permitted.*

(3) *The holder of a valid permit or other authorization that is eligible for the 2-year extension must notify the authorizing agency in writing by December 31, 2012, identifying the specific authorization for which the*

holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) *The extension provided for in subsection (1) does not apply to:*

(a) *A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.*

(b) *A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.*

(c) *A permit or other authorization that, if granted an extension, would delay or prevent compliance with a court order.*

(5) *Permits extended under this section shall continue to be governed by the rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This provision applies to any modification of the plans, terms, and conditions of the permit which lessens the environmental impact, except that any such modification may not extend the time limit beyond 2 additional years.*

(6) *This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intent to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.*

And the title is amended as follows:

Delete line 7 and insert: *made by the act; creating s. 163.3165, F.S.; providing for application and approval of an amendment to the local comprehensive plan by the owner of land that meets certain criteria as an agricultural enclave; creating a 2-year permit extension for certain building permits and permits issued by the Department of Environmental Protection or a water management district; providing an effective date.*

SM 1614—A memorial to the Congress of the United States, urging Congress to direct the United States Fish and Wildlife Service to reconsider the proposed rule to designate Kings Bay as a manatee refuge

and in lieu of the rule partner with the state and local governments in seeking joint long-term solutions to manatee protection.

WHEREAS, the United States Fish and Wildlife Service established the Crystal River National Wildlife Refuge in 1983 to provide protection and sanctuary for the endangered West Indian manatee within portions of Kings Bay in Crystal River, and

WHEREAS, the rules currently in effect within the refuge have resulted in a significant increase in manatee population as evidenced by monitoring, sound science, and local data, and

WHEREAS, the United States Fish and Wildlife Service has proposed a rule to designate all of Kings Bay as a manatee refuge, and

WHEREAS, adoption of the proposed rule will have a significant adverse impact on the tourism industry, which is a critical part of the Crystal River economy, at a time when its local economy is already seriously weakened by challenges within the national economy, and

WHEREAS, adoption of the proposed rule will also have a significant adverse impact on the riparian rights of property owners adjacent to Kings Bay and the connecting waterways, and

WHEREAS, prohibiting the use of any portion of Kings Bay for recreational boating activities, such as swimming, kayaking, and water skiing, will force such activities into the channel of Crystal River, subjecting participants to significant risks associated with sharing the channel with commercial fishing boats and other large watercraft, and

WHEREAS, there are viable alternatives to the proposed rule, such as increased enforcement of the rules currently in effect, which would accomplish the desired outcome of a reduced incidence rate of manatee injury or death without unduly restricting public use of Kings Bay, a water body that has historically served as the heart of the Crystal River community, and

WHEREAS, the City Council of the City of Crystal River and the Board of County Commissioners of Citrus County passed unanimous resolutions requesting that the United States Fish and Wildlife Service reconsider the proposed rule, and

WHEREAS, adoption of the proposed rule without a proper review of the impact on the City of Crystal River and the surrounding communities would be arbitrary and capricious, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to direct the United States Fish and Wildlife Service to reconsider the proposed rule to designate Kings Bay as a manatee refuge and in lieu of the rule partner with the state and local governments in seeking joint long-term solutions to manatee protection.

SM 1836—A memorial to the United States Secretary of Health and Human Services, urging the Secretary to approve the requested federal Medicaid waivers in order to expand Florida's Medicaid managed care pilot program statewide.

WHEREAS, the Legislature believes that Medicaid reform should be pro-patient and pro-taxpayer and Florida's Medicaid managed care pilot program has achieved both conditions, and

WHEREAS, in 2011, the Legislature adopted CS/HB 7107, chapter 2011-134, Laws of Florida, which established the Medicaid program as a statewide, integrated managed care program for all covered services, including long-term care services, and

WHEREAS, Medicaid patients in this state are deserving of more control over their health care than the current system allows, and decisions regarding health care should not be made by politicians and bureaucrats, but by Medicaid patients and their doctors based on each patient's unique health care needs, and

WHEREAS, taxpayers are demanding greater accountability over how their tax dollars are spent, and must be assured that these funds are

being used efficiently to support an affordable and sustainable Medicaid safety net that promotes health and wellness, and

WHEREAS, as the cost of maintaining the traditional Medicaid program continues to grow, taxpayers are faced with the threat of tax hikes and service cuts to prop up a failing program, and

WHEREAS, Medicaid patients in counties where the Medicaid managed care pilot program has been implemented are healthier and happier with their health care than patients enrolled in traditional Medicaid managed care and commercial plans from health maintenance organizations, have better health care outcomes, have more plan options to choose from, and have access to health care services that would otherwise not be covered in Florida or any other state, and

WHEREAS, competition within this state's Medicaid managed care pilot program resulted in more customized benefits, expanded coverage, and lower costs for patients, and

WHEREAS, taxpayers in this state have saved up to \$118 million annually since 2006, when Florida's five-county Medicaid reform pilot program took effect, and approval of this state's waiver requests will allow taxpayers to save an estimated \$901 million annually, and

WHEREAS, approval of Florida's waiver requests will allow all state residents to enjoy the benefits of a well-run Medicaid program that is efficient, affordable, and sustainable, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That, on behalf of the residents of this state, the Legislature requests the United States Secretary of Health and Human Services to approve this state's requested Medicaid waivers, which will allow the Medicaid managed care pilot program to be implemented statewide.

Amendment 2 (669766)—Delete lines 75-131 and insert: under sub-paragraph (b)3.c. ~~(b)2.d.~~, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government shall not be pledged for the payment of such bonds.

3.a. The corporation shall adopt one or more programs subject to approval by the office for the reduction of both new and renewal writings in the corporation. Beginning January 1, 2008, any program the corporation adopts for the payment of bonuses to an insurer for each risk the insurer removes from the corporation shall comply with s. 627.3511(2) and may not exceed the amount referenced in s. 627.3511(2) for each risk removed. The corporation may consider any prudent and not unfairly discriminatory approach to reducing corporation writings, and may adopt a credit against assessment liability or other liability that provides an incentive for insurers to take risks out of the corporation and to keep risks out of the corporation by maintaining or increasing voluntary writings in counties or areas in which corporation risks are highly concentrated and a program to provide a formula under which an insurer voluntarily taking risks out of the corporation by maintaining or increasing voluntary writings will be relieved wholly or partially from assessments under ~~sub-paragraph (b)3.a. and b.~~ ~~sub-paragraphs (b)3.a. and b.~~ However, any "take-out bonus" or payment to an insurer must be conditioned on the property being insured for at least 5 years by the insurer, unless canceled or nonrenewed by the policyholder. When the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on such policy, and the insurer shall either:

(I) Pay to the producing agent of record of the policy, for the first year, an amount which is the greater of the insurer's usual and customary commission for the type of policy written or a policy fee equal to the usual and customary commission of the corporation; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the insurer's usual and customary commission for the type of policy written. If the producing agent is unwilling or unable to accept appointment by the new insurer, the new insurer shall pay the agent in accordance with sub-sub-paragraph (I).

b. Any credit or exemption from regular assessments adopted under this subparagraph shall last no longer than the 3 years following the cancellation or expiration of the policy by the corporation. With the approval of the office, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the corporation, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies so removed.

c. There shall be no credit, limitation, exemption, or deferment from emergency assessments to be collected from policyholders pursuant to sub-sub-paragraph (b)3.c. ~~(b)2.d.~~

Section 1. Paragraphs (c), (q), and (x) of subsection (6) of section 627.351, Florida Statutes, are amended to read:

627.351 Insurance risk apportionment plans.—

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(c) The corporation’s plan of operation:

1. Must provide for adoption of residential property and casualty insurance policy forms and commercial residential and nonresidential property insurance forms, which must be approved by the office before use. The corporation shall adopt the following policy forms:

a. Standard personal lines policy forms that are comprehensive multiperil policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.

b. Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the requirements of the secondary mortgage market, but which is more limited than the coverage under a standard policy.

c. Commercial lines residential and nonresidential policy forms that are generally similar to the basic perils of full coverage obtainable for commercial residential structures and commercial nonresidential structures in the admitted voluntary market.

d. Personal lines and commercial lines residential property insurance forms that cover the peril of wind only. The forms are applicable only to residential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

e. Commercial lines nonresidential property insurance forms that cover the peril of wind only. The forms are applicable only to nonresidential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

f. The corporation may adopt variations of the policy forms listed in sub-subparagraphs a.-e. which contain more restrictive coverage.

2. Must provide that the corporation adopt a program in which the corporation and authorized insurers enter into quota share primary insurance agreements for hurricane coverage, as defined in s. 627.4025(2)(a), for eligible risks, and adopt property insurance forms for eligible risks which cover the peril of wind only.

a. As used in this subsection, the term:

(I) “Quota share primary insurance” means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the agreement, may not be altered by the inability of the other party to pay its specified percentage of losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that the authorized insurer and the corporation may not be held responsible beyond their specified percentage of coverage of hurricane losses.

(II) “Eligible risks” means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the corporation may establish additional coverage levels. However, the corporation’s quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under such agreements, the corporation and the authorized insurer must maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that there is no discriminatory application among insurers as to the terms of the agreements, pricing of the agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is voluntary and at the discretion of the authorized insurer.

3.a. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may borrow funds by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2. in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may take all actions needed to facilitate tax-free status for such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may pledge assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, market equalization and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

b. To ensure that the corporation is operating in an efficient and economic manner while providing quality service to policyholders, applicants, and agents, the board shall commission an independent third-party consultant having expertise in insurance company management or insurance company management consulting to prepare a report and make recommendations on the relative costs and benefits of outsourcing various policy issuance and service functions to private servicing carriers or entities performing similar functions in the private market for a fee, rather than performing such functions in-house. In making such re-

commendations, the consultant shall consider how other residual markets, both in this state and around the country, outsource appropriate functions or use servicing carriers to better match expenses with revenues that fluctuate based on a widely varying policy count. The report must be completed by July 1, 2012. Upon receiving the report, the board shall develop a plan to implement the report and submit the plan for review, modification, and approval to the Financial Services Commission. Upon the commission's approval of the plan, the board shall begin implementing the plan by January 1, 2013.

4. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of eight individuals who are residents of this state, from different geographical areas of this state.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance and is deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair. All board members serve at the pleasure of the appointing officer. All members of the board are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. A board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to s. 627.3517, with respect to personal lines residential risks, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain such

offer, the risk is eligible for a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. However, a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the end of the assumption period remains eligible for coverage from the corporation regardless of any offer of coverage from an authorized insurer or surplus lines insurer. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-sub-paragraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-sub-paragraph (A).

b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. However, a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the end of the assumption period remains eligible for coverage from the corporation regardless of an offer of coverage from an authorized insurer or surplus lines insurer.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-sub-paragraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-sub-paragraph (A).

c. For purposes of determining comparable coverage under sub-sub-paragraphs a. and b., the comparison must be based on those forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. A comparison may be made solely of the premium with respect to the main building or structure only on the following basis: the same coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage in the coastal account, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates.

7. Must provide that if premium and investment income for an account attributable to a particular calendar year are in excess of projected losses and expenses for the account attributable to that year, such excess shall be held in surplus in the account. Such surplus must be available to defray deficits in that account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year.

8. Must provide objective criteria and procedures to be uniformly applied to all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

9. Must provide that the corporation make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors.

10. ~~The policies issued by the corporation~~ Must provide that if the corporation or the market assistance plan obtains an offer from an authorized insurer to cover the risk at its approved rates, *the policies issued by the corporation must provide that the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.*

11. *Must provide that* corporation policies and applications ~~must~~ include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which does not provide coverage identical to the coverage provided by the corporation. The notice must also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. May establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods continue to have access to coverage from the corporation. If coverage is sought in connection with a real property transfer, the requirements and procedures may not provide an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. Must provide that, with respect to the coastal account, any assessable insurer with a surplus as to policyholders of \$25 million or less writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal account may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds pursuant to s. 627.3512, but the regular assessment must be paid in full within 12 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.c. ~~(b)3.d.~~ The plan must provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, an emergency assessment to be collected from policyholders under sub-subparagraph (b) 3.c. ~~(b)3.d.~~ may not be limited or deferred.

14. Must provide that the corporation appoint as its licensed agents only those agents who also hold an appointment as defined in s. 626.015~~(3)~~ with an insurer who at the time of the agent's initial appointment by the corporation is authorized to write and is actually writing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.

15. Must provide a premium payment plan option to its policyholders which, at a minimum, allows for quarterly and semiannual payment of premiums. A monthly payment plan may, but is not required to, be offered.

16. Must limit coverage on mobile homes or manufactured homes built before 1994 to actual cash value of the dwelling rather than replacement costs of the dwelling. *The corporation shall issue policies for mobile homes or manufactured homes built before 1994 regardless of the cash value of the dwelling.*

17. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

18. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

19. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

20. As of January 1, 2012, must require that the agent obtain from an applicant for coverage from the corporation an acknowledgement signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGEMENT OF POTENTIAL SURCHARGE AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES ~~THAT, WHICH~~ WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I ALSO UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

3. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

a. The corporation shall maintain, in electronic format or otherwise, a copy of the applicant's signed acknowledgement and provide a copy of the statement to the policyholder as part of the first renewal after the effective date of this subparagraph.

b. The signed acknowledgement form creates a conclusive presumption that the policyholder understood and accepted his or her potential surcharge and assessment liability as a policyholder of the corporation.

And the title is amended as follows:

Between lines 3 and 4 insert: requiring the corporation to issue policies for mobile homes or manufactured homes built before a certain date;
