## PRAYER

The following prayer was offered by Bishop A.J. Richardson, A.M.E., 11th Episcopal District, comprising the State of Florida and the Commonwealth of the Bahamas:

Awesome God, known to us by many names under many creeds, yet we acknowledge that you are creator of the universe—in all of its vastness, as far as the limitations of our finitude will allow us to imagine—and yet here and now among us on the opening day of the Florida Legislature and in the Senate Chamber. Some of us sense your presence even now—with thoughts of taking off our shoes—knowing that when we leave you out, we leave out too much.

We are grateful for the good fortune to be citizens of a great nation, living and serving in Florida in the richness of its diversity. We value it as a thing to be celebrated.

So, too, we pause to celebrate and reflect upon the sainted memory of Araminta Harriet Ross Tubman. We are grateful that this Senate would honor her memory and her heroic contributions to our beloved state and nation—at great personal sacrifice and not without enormous and deadly opposition. While we reflect upon her dying 100 years ago, it is her exemplary life that continues to inspire us: to act with courage, to serve with humility, and to report for duty with uncommon valor. A century is too short a time to stamp out the memory of a remarkable life. We are grateful for her brilliant example of womanhood and her extraordinary example of a selfless human being who breathed her last breath with her dignity intact.

Holy God, we invoke your presence in this sacred space of representative government that the common good may be sought and that those elected to serve here will aspire to excellence with holiness as the only real standard with the outcomes revealing honor, integrity, and a spirit of good will to all and malice towards none.

Bless our leaders, our nation, and our state as we also pray for the least, the last, and the lost among our neighbors—often existing without an advocate, but citizens all, and still your children. May your name be glorified in all that is achieved here in these days of vigorous deliberations. May your great Shalom be the order of the day.

It is in your revered and awesome name that we pray. Amen.

### ADDRESS BY GOVERNOR RICK SCOTT

Thank you so much for being here today. I especially want to thank President of the Senate, Don Gaetz, and Speaker of the House, Will Weatherford. These are men of faith devoted to helping Florida families. Like everyone in this chamber, they are committed to helping our state and investing in future generations. They are my partners. They are my friends, and they are dedicated public servants.

Lieutenant Governor Jennifer Carroll, thank you for your work on behalf of our state. Thank you also to Supreme Court Chief Justice Ricky Polston and members of the Court. Attorney General Pam Bondi, Chief Financial Officer Jeff Atwater, and Commissioner of Agriculture Adam Putnam, thank you for your service. Thank you, senators and representatives, for your focus on Florida families.

I want to thank the love of my life and beautiful wife of 40 years, Ann, for being here. My daughters, Allison and Jordan, and my son-in-law, Jeremy, are also here. I am proud to say that both of our daughters are expecting new additions to our family. My little grandson, Auguste, is about to be a big brother. I love being a grandpa.

This is now the third time I have addressed you to report on the state of the great State of Florida. After two years of hard work, this update

can be summed up in two words: It's working. Two years ago, we met together facing crippling debt, record-high unemployment, and a downward spiral of job losses.

Today, because of the tireless work of the men and women in this room, our businesses are creating hundreds of thousands of jobs, our unemployment rate is nearly down to the national average, and we aren't stopping there. It's working.

Two years ago, we knew we had been called here to make the difficult choices to help Florida families get back to work. Together we faced these challenges head on. We cut taxes, we eliminated thousands of regulations on job creators, we paid down state debt for two years in a row, and we invested in priorities like education. Now our economy is on the rebound. It's working.

Because we made the hard choices over the last two years, we are able to make the smart choices to keep our economy growing this year. We have a projected budget surplus for the first time in six years. Our challenges are different in this budget, but our goal is absolutely the same. That goal is economic growth and job creation.

This year, we have two priorities to keep our economy growing: first—remove the sales tax on manufacturing equipment, and second—invest in our teachers by providing them a well-deserved pay raise.

Our Florida Families First budget supports these priorities while maintaining substantial reserves. This is responsible stewardship of taxpayer money. Washington, D.C., could learn a few budget lessons from Florida. The contrast between our state and the nation's capital is remarkable. Now is not the time to turn back to the legacy of taxing and borrowing that crippled the economy we inherited two years ago. We must stay the course for economic growth and job creation.

When I ran for Governor, it was the first time I ever ran for any elected office. I spent a career in business, not politics. From my experience, I knew that our primary job was to move Florida's economy out of the red and into the black. We needed to cut spending, pay down debt, and support job creators. What we needed to do then was simple and in many ways remains the same today. Why we need to do it is more clear and personal to me now more than ever.

As many of you know, Ann and I both lost parents in the last year. My mom, Esther, was one of the only constants in my life. Even after I moved away from home and joined the Navy, we communicated every week. We would write letters and talk on the phone if we could, but we never let a week go by without being in touch. I am grateful for the lessons I learned from my parents' sacrifices. They often had trouble making ends meet, so we moved for them to find work. I remember my mom would sometimes take on second jobs, like ironing, just so we could buy groceries.

In spite of my mom's own struggles, including getting a divorce from my birth father at a young age and almost giving me up for adoption after I was born, my mom was an incredible optimist. She was an encourager. She told us to dream big.

My mom never went to college, but for her own children, getting a great education was not an option. Our education was so important to my mom, she didn't just talk about it; she showed up. Mom somehow made it to every one of my graduations even when it meant she had to travel far away. I don't know how she found the money, but she came to freezing Chicago for my boot camp graduation and Dallas for law school graduation.

My mom, the wife of a World War II veteran, had a simple formula for raising kids. We had to go to church a lot, do well in school, and get a job. She taught us that, in America, hard work plus sacrifice means you could make your dreams come true.

The longer I live, the more I am convinced that my mom was right, not just for our family, but for every family. Why are we so focused on creating jobs and improving education? Why do we focus on putting Florida families first in our budget? Because every Florida family wants not just to dream, but to have the opportunity to make those dreams come true.

Like my mom's formula, our formula this session is simple. We must invest in our education system, support our teachers, and cut taxes to help create more jobs.

## EDUCATION INVESTMENT

Our work to cut spending and live within our means over the last two years has allowed us to once again invest in education. The workers of tomorrow are in Florida classrooms today. When I first stood before you in 2011, I said, "The single most important factor in student learning is the quality of teaching." Since that time, we eliminated teacher tenure and we signed performance pay into law, which will take effect in 2014.

Florida's education system is making tremendous progress due in large part to our great teachers and the work begun by Governor Bush and many in this legislature. Our students and teachers were recently ranked sixth for educational quality, and our fourth-graders scored among the highest in the world on a recent reading evaluation. Accountability is working. The best way we can build on this progress is to reward our hard-working teachers with a \$2,500 pay raise.

Some say they are afraid that giving raises to all teachers may mean that a teacher doing a bad job gets rewarded. But, thanks to our work, we are now in a better position than ever before to reward good teachers and move bad teachers out of the classroom. We don't want a war on teachers; we want a war on failure. An investment in Florida teachers is an investment in Florida's future. Teachers change lives.

Greco Middle School teacher, Elizabeth Heli, is here today from Tampa. Will you please stand? Elizabeth began her career as an engineer, but decided she wanted to share her passion for science by teaching it. Please join me in a round of applause to honor her service. Orange County School District Superintendent Barbara Jenkins is also here. Barbara will you please stand so we can honor your commitment to the teachers in your district and your dedication to student achievement? Thank you, Elizabeth and Barbara, for the work you do to help make dreams come true for the next generation of Floridians.

I want to ask all of you to stop and think of your favorite teacher. Like me, you all are probably here today thanks to a great teacher who believed in you. Will you please stand now in honor of that great teacher? Please join me in a round of applause to honor the teachers represented here and every teacher across our state.

In total, our budget increases K-12 education funding by more than \$1.2 billion. This billion-dollar commitment builds on our billion-dollar investment in K-12 education last year. Our total education investment of \$10.7 billion in state funding for K-12 schools this year is the highest state funding level in Florida history. This represents an increase of more than \$400 in per student funding over the current fiscal year. I am asking for your help to make this historic commitment to education funding a reality for Florida families.

## JOB CREATION

Getting a great education helps dreams come true, and those dreams are almost always jobs. That is why our formula for success focuses on education and jobs.

Two years ago, Florida was losing jobs and many families were losing their dreams. In the four years before I took office, Florida lost more than 825,000 jobs. Unemployment more than tripled from 3.5% to 11.1% over those four years. State debt increased over those four years by \$5.2 billion. Our housing market had collapsed. Our economy was off track, and our families were hurting. The shortsighted policies of borrowing on our future had led to disaster. Together, we fought to cut spending, cut taxes, and pay down debt.

Our unemployment rate has now dropped by more than 3 percentage points from two years ago—the second biggest drop in the country. We are now at 7.9 percent unemployment—a 4-year low, and we aren't stopping there. We have cut state debt by \$2 billion. Housing starts are up again, and consumer confidence is rebounding. Our economy has created around 200,000 new private sector jobs in the last two years, meaning that thousands of Florida families now have the opportunity to pursue their dreams. It's working.

We came into office saying we wanted to create an environment that would encourage businesses to add 700,000 jobs over 7 years. When I took office two years ago, the debate was about whether or not this goal was even possible. Now, there is a debate about how to count all the jobs being created, and who should get credit for it. Maybe it is because I am not a politician, but I think this is a great debate to have. It celebrates the fact that our economy is once again creating jobs. And, as Ronald Reagan said, there is no limit to what you can accomplish if you don't care about who gets the credit.

### ELIMINATE MANUFACTURING TAX

As long as even one Florida family needs a job, our work is not done. That is why we are committed to removing the sales tax on manufacturing equipment. Florida is one of only a few states with this tax, and we lag behind the nation in per capita manufacturing jobs. We need to level the playing field to compete for manufacturing jobs.

Some great Florida manufacturing leaders are here with us today. We are honored to have Wes Bush, Chairman and CEO of Northrop Grumman, here. Less than 24 hours ago, his company made a major announcement that they will be adding more than 1,000 new jobs in Florida. Thank you for your great confidence in our state and our workers.

President of Johnson & Johnson Vision Care, Dave Brown, is also here from Jacksonville, and Goya Foods President Frank Unanue is here from Miami. Manufacturing has a major impact on our economy. Every manufacturing job supports two to three other jobs in our state. Companies like Northrop Grumman, Johnson & Johnson, and Goya show how manufacturing businesses, combined with Florida's great location and 15 seaports, mean more jobs.

Bill Johnson, Director of the Port of Miami and Chairman of the Florida Ports Council, is also here. When the Miami port dredge project is completed, along with the Panama Canal expansion, thousands of new jobs will be created. Wes, Dave, Frank, and Bill, will you all please stand? Please join me in honoring these great leaders in job creation here today and all the manufacturing leaders and port directors in Florida.

Not having a job is devastating to a family. I remember when my parents couldn't find work. I remember when my dad had his car repossessed. The most important thing to a family is having a job. Everything we have done together over the last two years has been geared toward job creation and I want to stress again, it's working.

This year, we are also proposing that we continue to roll back the business tax by exempting 2,000 more small businesses from having to pay it. If we are successful this year, we will have removed the business tax from 70 percent of businesses since taking office. I am committed to getting rid of this tax entirely. That means more jobs for Florida families.

### FORMULA FOR FLORIDA FAMILY SUCCESS

Thanks to the hard choices we have made over the last two years, we can afford to cut taxes and also invest in critical areas that have gone without increased funding for several years. Our budget increases operating funds for Florida state colleges by more than \$70 million and increases funding for Florida universities by more than \$390 million. Much of this increase will be tied to performance measures to ensure schools are preparing students to get a job. I want to especially thank University of Florida President Bernie Machen for being so helpful in coming up with performance measurements for success. Dr. Machen worked with his colleagues across the university system to form measurements and continue to make Florida's universities the best in the country. Dr. Machen, please stand so we can thank you and all of our university leaders.

I also want to thank Randy Hanna, Chancellor of Florida State Colleges, for working to make college more affordable. Thank you for your role in enlisting all 23 state colleges offering four-year degree programs in our \$10,000 Degree Challenge to graduate students in high-demand job fields at a low cost. Please join me in thanking Randy and all state college leaders for stepping up to the plate on the \$10,000 Degree Challenge.

For the first time in eight years, our budget also increases funding for persons with disabilities by \$36 million to help more disabled people receive community-based services and \$2.5 million for job training. Betty Kay Clements is here today. She is an advocate for persons with disabilities in the Orlando area. I was honored to meet Betty recently and hear her story about her daughter, Laura Lynne, who has overcome many obstacles with her disability to get a job at Target. Betty Kay, please stand so we can thank you for sharing your victory.

Our Florida Families First budget also invests \$1.5 million to provide safe houses for victims of human trafficking. Ann and I had the privilege of meeting Allison Good in Miami last month. Allison was first trafficked when she was only five years old. She eventually came to Florida where she continued to be a victim of trafficking into her early 20s. Today, Allison is a warrior in the battle to end this horrific crime. Allison could not be here today, but we are grateful for the God-given bravery she has to share her story and give a voice to the millions of victims who suffer in silence. Please join me in a round of applause to thank Allison and all of those working to raise awareness against this evil and stop this crime from claiming even *one* more victim.

We have some other heroes here today. Annette Kirk, will you please stand in honor of your son, Private First Class Paul Cuzzupe? Paul lost his life while fighting for our freedom in Afghanistan. Annette, it was an honor to meet your family in Tampa and to hear about Paul's bravery in combat. Please join me in thanking Annette and every military family for their sacrifice and their service.

To our troops, our firefighters, and police officers—you are the true definition of heroism. St. Lucie County Sheriff's Officer Gary Morales, whose life was taken tragically just last week, was a profile of courage. We are forever grateful to Sergeant Morales and all of our first responders who live for something larger than self. Thank you.

I also want to recognize Representative Cary Pigman from Highlands County who will be deploying to Kuwait with the U.S. Army Reserve right after session ends. Representative Pigman, please stand so we can thank you for your service not only to our state, but to our country.

### CONCLUSION: IT'S WORKING

Two years ago, we began the hard work to get our state's economy back on track. Today, we know it's working. We could have chosen a different course. We could have continued to drive up taxes and borrowed to increase spending. That would have been the easy way out. California raised their top income tax rate to 13.3 percent—the highest in the nation. But, it isn't working in California. People are leaving that state, and it has the second highest unemployment rate in the country.

More taxes and more spending aren't working in New York either. More than 3.4 million New Yorkers fled for other states from 2000 to 2009. Florida was their number-one destination. Taxing and spending aren't working in Illinois either. After raising its personal income tax rate by nearly 70 percent in 2011, it is still running one of the worst budget deficits in the country.

Here in Florida, our work to reduce spending and cut taxes, along with making critical investments in priorities, like education, is working. Top CEOs now rank Florida the second best state in the nation for business. The National Chamber Foundation said Florida has the number one talent pipeline.

Just recently, we made a major announcement with Verizon in the Orlando area which will result in a new facility and hundreds of jobs. Michelle Robinson, Verizon's Region President, is here today. Michelle, will you please stand? Thank you for investing in Florida and helping to create more opportunities for Florida families.

We didn't win every battle over the last two years. After a long fight, we lost in the Supreme Court over the President's healthcare law and we lost a presidential election along with the promise of the law's full repeal.

Now, our options are either having Floridians pay to fund this program in other states while denying healthcare to our citizens or using federal funding to help some of the poorest in our state with the Medicaid program as we explore other healthcare improvements. As I wrestled with this decision, I thought about my mom and her struggles to get my little brother the care he needed with very little money.

I concluded that for the three years the federal government is committed to paying 100 percent of the cost of new people in Medicaid, I cannot, in good conscience, deny the uninsured access to care. Of course, the best way for any family to access great healthcare is to have a great job. Like my mom, I am an optimist. I believe in big dreams.

I believe Florida will be the number one place in the world for job creation, the number one place in the world to get a great education, and the number one place in the world where families can afford to live. I believe that as we all continue to work together, Florida's job growth will outpace the nation and our unemployment rate will drop below the national average.

I hope Texas Governor Rick Perry is listening. As Governor Perry found out when he came here to go fishing and came in second place, Florida won't stop until we are number one. Florida will soon unseat Texas as the top job creator in the nation, and we plan to beat them in how we brag about our state also.

The hard work done over the last two years has set us up with a simple formula for success this year. We must remove the sales tax on manufacturers and invest in future generations of Floridians by investing in Florida teachers.

President Gaetz, Speaker Weatherford, Senators, and Representatives: I look forward to joining with all of you as we put Florida families first and send a message to the world that Florida is serious about job creation. It's working. Thank you.

The following certificate was received:

No. SC12-2398

**IN RE: CERTIFICATION OF NEED****FOR ADDITIONAL JUDGES.**

[December 20, 2012]

**PER CURIAM.**

This opinion fulfills our constitutional obligation to determine the State's need for additional judges in Fiscal Year 2013/2014 and to certify our "findings and recommendations concerning such need" to the Legislature.<sup>1</sup> Certification is "the sole mechanism established by our constitution for a systematic and uniform assessment of this need." *In re Certification of Need for Additional Judges*, 889 So. 2d 734, 735 (Fla. 2004).

**TRIAL COURTS**

The Florida Supreme Court continues to use a weighted caseload system as a primary basis for assessing judicial need for the trial courts.<sup>2</sup> Using objective standards, this Court has examined case filing and

disposition data, analyzed various judicial workload indicators, applied a three-year average net need, and considered judgeship requests submitted by the lower courts. Applying this methodology, this Court certifies the need for sixty-three judgeships statewide, sixteen of which are in circuit court and forty-seven in county court as detailed in the attached appendix.

We observe that state revenues, while gradually improving, continue to lag, thereby creating competition between funding new judgeships and attending to other critical state needs. Yet, as we have noted in previous opinions, our judges and court staff continue to work conscientiously to administer justice and resolve disputes promptly. They do so despite a demonstrated need for new judges and with a smaller staffing complement.

Our most recent analysis indicates a slight increase in probate and circuit civil filings. Felony, domestic relations, juvenile delinquency, and juvenile dependency filings, however, have decreased. The reduction in felony filings corresponds to a decline in arrests, as reported by the Florida Department of Law Enforcement.<sup>3</sup> Also, while it may be too soon to indicate a sustained downward trend, recent juvenile justice reforms undertaken by the Florida Department of Juvenile Justice may also be resulting in fewer juvenile delinquency filings.<sup>4</sup>

Notwithstanding the decreases to certain filing categories, our three-year average net need analysis continues to indicate that additional judgeships are necessary in our circuit courts. This three-year average net need reflects sustained workload over a multi-year period.

A number of workload trends are affecting court operations throughout the state. Several of the chief judges cited problems of fewer staff to assist with case processing matters, substantial pending caseloads, high jury trial rates, reduced clearance rates, and statutory requirements requiring additional hearings for certain case types in civil, criminal, and family law as trends contributing to judicial workloads. Other chief judges noted the effect of self-represented litigants on court time and resources and the protracted delays experienced by parties in scheduling hearings. Collectively, these factors contribute to court delay.

Our judges continue to absorb the work previously performed by case managers, law clerks, magistrates, and other supplemental support staff lost in the budget reductions of recent years.<sup>5</sup> Most of these positions provided direct case management, legal research, and adjudicatory support to our judges. The consensus among chief judges is that the loss of support staff translates into slower case processing times, crowded dockets, and long waits to access judicial calendars.

Several of our chief judges note, in particular, the long waits associated with obtaining hearing times. In some jurisdictions, dockets are so full that it takes several weeks to schedule a hearing. Similarly, judges must schedule lengthy jury trials months in advance. These conditions are additional indicators of an under-resourced court system. Moreover, chief judges continue to report concerns expressed by judges that they are less able to devote adequate time to hearings due to significant workload.

Workload associated with the residential mortgage foreclosure crisis continues to impede disposition times and rates in our circuit civil divisions. Due to the severity and protracted nature of the crisis, our trial courts continue to struggle with heavy pending caseloads and the slow resurgence of foreclosure filings. Further, this crisis has had a ripple effect on the workload of other court divisions as chief judges and administrative judges allocate limited court resources to address demand. In recognition of this protracted crisis the Legislature, through the Foreclosure Backlog Reduction Initiative, provided dedicated funding for Fiscal Year 2012/2013 that has enabled the court system to secure the services of additional senior judges and case managers. Resources from the national mortgage settlement agreement have also been made available to assist the courts in addressing the foreclosure case backlog. This Court is grateful for this funding. The case managers and senior judges made available through this funding are in place to make a difference in reducing the foreclosure backlog throughout the state.

County court workload remains high. Unlike circuit court, which has witnessed a slight decrease in judicial need, county court judicial need is significant and holding steady. In select jurisdictions, some chief judges report that credit card debt cases and landlord tenant cases are in-

creasing county court workload. Moreover, the loss of civil traffic infraction hearing officers in county court continues to increase county judge workload as these cases are shifted back to the judicial dockets throughout the state. These factors contribute to a high county court judicial need.

Another sustained trend in both county and circuit court reported by the chief judges is that self-represented litigants continue to have an impact on Florida's court system. All divisions are experiencing an increase in self-represented litigants. Frequently, self-represented litigants are unprepared for the rigors of presenting evidence, following rules of procedure, and generally representing themselves in court. Consequently, they often require enhanced judicial involvement, which entails lengthier hearings, rescheduled hearings, and court delay.

## DISTRICT COURTS OF APPEAL

The Second District Court of Appeal requests two additional judgeships, citing its current averaged weighted judicial workload of 315 cases per judge and Florida Rule of Judicial Administration 2.240(b)(2)(B), which provides that a presumption of need arises "where the relative weight of cases disposed on the merits per judge would have exceeded 280 after application of the proposed additional judge(s)." As with last year's opinion, we have used a three-year average of weighted dispositions per judge which is consistent with our discretion under Florida Rule of Judicial Administration 2.240.

A number of factors contribute to the overall high workload in the Second District, including increases within the civil, criminal post-conviction, other criminal, juvenile, and family case categories. The chief judge of the Second District also cites a backlog of pending cases noting a twenty percent increase in their pending caseload since Fiscal Year 2007/2008.

Clearance rate trends also demonstrate the backlog building in the Second District. In Fiscal Year 2011/2012, there were 6,834 cases filed and 6,018 cases disposed, a clearance rate of eighty-eight percent. For the same period, with respect to criminal judgment and sentence cases, there were 1,720 cases filed and 1,248 cases disposed, reflecting a clearance rate of seventy-three percent.

The Second District also notes that despite high caseloads and a reduction in resources including personnel, the judges and staff have made every effort to properly execute their responsibilities. However, they do so knowing that trying to absorb this increased workload limits the time available for the consideration of each case and the writing of opinions. This Court shares the concerns of the chief judge of the Second District and remains concerned about a diminished quality of justice resulting from high workload and a loss of resources.

While the Second District Court of Appeal has requested that two additional district court judges be certified, our analysis of the three-year weighted dispositions per judge average indicates that they do not meet the threshold of 280 weighted dispositions per judge after a second judge is added. Therefore, we certify the need for one additional district court judge in the Second District for Fiscal Year 2013/2014.<sup>6</sup>

## CONCLUSION

We have conducted both quantitative and qualitative assessments of judicial workload. Using the case weighted methodology and the application of other factors identified in Florida Rule of Judicial Administration 2.240, we certify the need for sixty-three additional trial court judges in Florida, consisting of sixteen in circuit court and forty-seven in county court, as set forth in the appendix to this opinion, and one additional district court judge in the Second District Court of Appeal.

Many of the workload trends we identified in last year's certification opinion remain today. In response, our courts continue to proactively manage their dockets to ensure that the administration of justice is not diminished. Yet despite these measures, we remain concerned that the timeliness and quality of justice are being adversely affected.

We appreciate recent action by the Legislature to stabilize court operations funding, and help the courts to address foreclosure case backlog issues. We recognize that the funding of new judgeships is an expensive proposition, especially during difficult economic times with diminished

state revenues. There are many competing needs within state government and our court system. We have carefully weighed the need for additional judges and for the operational and facilities needs within the trial and appellate courts. We encourage the Legislature to first fund the Judicial Branch Fiscal Year 2013/2014 Legislative Budget Request as there are significant facility and operational issues contained therein which merit funding. To the extent funding is available, we urge the Legislature also to consider our certified need for additional judges.

It is so ordered.

POLSTON, C.J., and PARIENTE, LEWIS, QUINCE, CANADY, LABARGA, and PERRY, JJ., concur.

1. Article V, section 9 of the Florida Constitution provides in pertinent part:

**Determination of number of judges.** The supreme court shall establish by rule uniform criteria for the determination of the need for additional judges except supreme court justices, the necessity for decreasing the number of judges and for increasing, decreasing or redefining appellate districts and judicial circuits. If the supreme court finds that a need exists for increasing or decreasing the number of judges or increasing, decreasing or redefining appellate districts and judicial circuits, it shall, prior to the next regular session of the legislature, certify to the legislature its findings and recommendations concerning such need.

2. Our certification methodology relies primarily on case weights and calculations of available judge time to determine the need for additional trial court judges. See Fla. R. Jud. Admin. 2.240.

3. Felony arrest rates as reported by the Florida Department of Law Enforcement dropped six and one-half percent from 2010 to 2011.

4. See Rick Scott, Governor of Florida, Reform Underway at Florida's Juvenile Justice Agency (January 3, 2012), (available online at <http://www.flagov.com>).

5. When the case weights were originally developed in 1999 and updated in 2007, they incorporated the availability of supplemental resources to assist judges with case processing matters. It is reasonable to conclude that the loss of these supplemental positions (i.e., case managers, law clerks, and magistrates) may increase the case weights if not restored prior to the next case-weight update.

6. One additional judgeship in the second district will place its weighted dispositions per judge at 294. A certification of two judgeships would place its weighted dispositions per judge at 276, four below the threshold.

- (c) Select subcommittees shall be governed by the Rules regulating standing subcommittees, except that a select subcommittee shall exist only for the time necessary to complete its assignment or thirty (30) days, whichever is less, unless extended by the President.
- (d) The advisory report by a select subcommittee whether favorable or unfavorable shall be reviewed by the standing committee and accepted, amended, or rejected by majority vote of those committee members present.

(3) In order to carry out the committee's duties, the chair of each standing committee, standing subcommittee, and select committee may request the President to issue subpoenas, subpoenas duces tecum, and other necessary process to compel the attendance of witnesses and the production of any books, letters, or other documentary evidence required by such committee. The President may issue said process at the request of the committee chair. Any member of a standing committee, standing subcommittee, or select committee may administer all oaths and affirmations, in the manner prescribed by law, to witnesses who appear before such committees to testify in any matter requiring evidence.

### **2.3—Repealed**

### **2.4—Committee staffing**

A committee shall be staffed with personnel, subject to guidelines and criteria authorized by the President. The staff shall also be subject to the pay and classification code of the Senate. No committee shall consider any bill during the first fifty (50) days of a regular session until proper notice has been published in three (3) weekday calendars, including the calendar published on the day of such committee meeting.

(4) If a weekend meeting is scheduled, notice of such meeting shall appear in three (3) daily calendars, including those published on the weekend days on which the meeting is held. However, a calendar published on a weekend shall not be included in the calculation of publication days for meetings taking place on Monday through Friday.

(5) Calendars published on the Friday and Monday immediately preceding the opening day of a regular session may be included in the calculation of the three-day (3) notice requirement for meetings held on the first (1st) and second (2nd) days of a regular session.

(6) After day fifty (50) of a regular session, meetings of standing committees, standing subcommittees, and select committees scheduled in accordance with Rule 2.10 may be held following an announcement by the chair of the committee or subcommittee or, in the chair's absence, the vice chair while the Senate is sitting. Notice shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor rotunda on the fourth (4th) floor of the Capitol four (4) hours in advance of the meeting. A committee meeting announced during a sitting may occur four (4) hours after notice of the meeting has been published on the Senate website and posted on the Senate side of the fourth (4th) floor

rotunda on the fourth (4th) floor of the Capitol. Such notices may be posted in advance of the oral announcement during the sitting.

(7) When the Legislature is not in session, committee meeting notices shall be filed with the Secretary at least seven (7) days prior to the meeting. The Secretary shall make the notice available to the membership and the public.

### **2.7—Bills recommitted for failure to provide proper notice**

(1) A bill reported by a standing committee without proper notice shall be recommitted to the committee reporting the same on the point of order being made within two (2) sittings after such report is printed in the Journal, or the President may recommit such bill at any time. Once recommitted, the bill is available for consideration by the committee as if it had never been reported.

See FLA. CONST. art. III, s. 4(e) Quorum and procedure.

(2) A bill reported by a standing subcommittee to its standing committee without proper notice shall be recommitted to the subcommittee reporting same on the point of order made during the standing committee meeting at which the bill was reported by the subcommittee. Once recommitted, the bill is available for consideration by the subcommittee as if it had never been reported.

### **2.8—Filing and publication of meeting notices**

For publication in the daily calendar, notice of committee meetings shall be delivered to the Secretary's office in writing by 4:30 p.m. on the day preceding its intended publication. If such day is a Friday, delivery shall be by 2:30 p.m.

### **2.9—Committee meetings; committee meetings after fiftieth (50th) day**

(1) Each standing committee, standing subcommittee, and select committee shall consider the public business assigned to it as expeditiously as possible and proper.

### **2.10—Committee meeting schedules; time limits on meetings**

(1) The President shall provide a schedule of days, hours, and places for the meeting of committees for the regular session and during the interim, and deliver a copy of same to each Senator. However, no committee shall meet before 7:00 a.m. or meet or continue to meet after 6:00 p.m.

(2) Each committee or subcommittee, standing or select, shall meet in the place and within the time assigned for its use by the President and notice of such assignment shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor rotunda on the fourth (4th) floor of the Capitol. No committee except the Rules Committee shall meet while the Senate is sitting without the consent of the majority of the Senate present.

### **2.11—Presentation of bills before committees**

The introducer of a bill shall attend the meeting of the committee before which such bill is noticed as provided in these Rules. Such introducer may discharge this duty by sending another legislator or his or her legislative assistant. Senate committee professional staff shall be limited to presenting committee bills at meetings of their assigned committees of reference.

### **2.12—Order of consideration of bills; exception**

(1) Bills shall be considered in the order appearing in the notice required by these Rules, except that the chair may, in the chair's sole discretion, consider a bill out of its order to accommodate the presence of a Senator or Representative who is the introducer thereof.

(2) A bill may be considered out of its order on the committee agenda if agreed to by unanimous consent of those committee members present obtained in the following manner: prior to consideration of the motion, the member moving for unanimous consent of those committee members

present shall orally give the committee not less than fifteen (15) minutes' notice of the member's intention to move and shall specify the number of the bill. On the entertainment of the motion, the moving member shall be allowed one (1) minute to explain his or her purpose, and unanimous consent of those committee members present shall be given or refused without further debate.

### 2.13—Open meetings

Except as otherwise provided in these Rules, all committee meetings shall be open to the public, subject always to the powers and authority of the chair to maintain order and decorum.

See Rule 1.44—Opening meetings.

See FLA. CONST. art. III, s. 4(e) Quorum and procedure.

### 2.15—Standing committee reports; committee substitutes

(1) If reporting a matter referred to it, a standing committee shall report the matter either:

- (a) Favorably,
- (b) Favorably with committee amendment,
- (c) Favorably with committee substitute as defined in these Rules, or
- (d) Unfavorably.

The vote of the members present of a standing committee or subcommittee on final passage of any measure shall be recorded. Upon the request of any two (2) members of a committee or subcommittee, the vote on any other matter or motion properly before the committee shall be recorded. After such report has been received by the Secretary, no matter so reported shall be recommitted to a committee except by a two-thirds (2/3) vote of those Senators present at a sitting or except as provided in Rule 2.7 or Rule 4.7(2).

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

(2) Such reports shall also reflect:

- (a) The date, time, and place of the meeting at which the action was taken, and
- (b) The vote of each member present of the committee on final passage of each bill.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

The Secretary shall enter in the Journal the recommended action of the committee on each bill reported, but shall not include that portion of the report relating to the date, time, and place of the meeting or the vote of each member on final passage of a measure. Reports of committees shall be preserved pursuant to law.

(3) In reporting a Senate measure, a standing committee may draft a new measure embracing the same or related subject matter to be returned to the Senate with the recommendation that the substitute be considered in lieu of the original measure.

- (a) The substitute measure must be accompanied by the original measure referred to the committee and returned to the Secretary in the same manner as a favorable report.
- (b) No other standing committee of reference shall consider the original measure but shall direct its attention to the substitute measure.
- (c) A committee receiving a committee substitute from a prior committee of reference may also report a committee substitute and shall not be precluded from doing so with the substance of the bill as originally introduced.
- (d) When reported, the substitute shall be read a first (1st) time by title, the original proposition shall be automatically tabled, and the substitute considered in lieu thereof without motion. The substitute shall carry the identifying number of the original and shall be returned to the Secretary in the same number of copies required for first (1st) introduction of a similar measure.
- (e) The names of the introducer and each co-introducer of the original measure shall be shown by the committee administrative assistant on the committee substitute unless an introducer or co-introducer requests that it be omitted.

(f) A Senate committee may not recommend a Senate committee substitute for a House bill.

(4) All standing committee reports shall be filed with the Secretary's office as soon as practicable, but not later than 4:30 p.m. on the next day that is not a weekend or state holiday, except a committee drafting and recommending a committee substitute shall file such committee report no later than 4:30 p.m. on the second (2nd) such weekday. These reports must be accompanied by the original bill. Each report by a committee must set forth the identifying number of the bill. If amendments are proposed by the committee, the words "with amendments" shall follow the identifying number. Committee amendments shall be identified by barcode in the report. All bills reported unfavorably shall be laid on the table.

### 2.16—Standing subcommittee reports

(1) If reporting a matter referred to it, a standing subcommittee must report the matter directly to the standing committee, which shall promptly certify a copy to the Secretary. The standing subcommittee shall report a matter either:

- (a) Favorably,
- (b) Favorably with committee amendment,
- (c) Favorably with committee substitute as defined in these Rules, or
- (d) Unfavorably.

(2) Such reports shall also reflect:

- (a) The date, time, and place of the meeting at which the action was taken, and
- (b) The vote of each member of the subcommittee on final passage of each bill.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

(3) In reporting a bill to the standing committee, a standing subcommittee may draft a new measure, embracing the same or related subject matter, to be returned to the standing committee with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the standing subcommittee and returned to the standing committee in the same manner as a favorable report.

(4) All standing subcommittee reports shall be promptly transmitted to the full committee. Each report by a standing subcommittee must set forth the identifying number of the measure. If amendments are proposed by the standing subcommittee, the words "with amendments" shall follow the identifying number. Standing subcommittee amendments shall accompany the report.

(5) All bills reported unfavorably shall be laid on the table by roll call vote when the standing committee considers the standing subcommittee's report. On motion by any member of the committee, adopted by a two-thirds (2/3) vote of those standing committee members present, the same may be taken from the table. When a bill is thus removed from the table by a standing committee, it shall receive a hearing de novo and witnesses shall be permitted to testify.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

(6) When a bill with a favorable report by a standing subcommittee is considered by the standing committee, no additional testimony shall be permitted except by a majority vote of those standing committee members present before a vote on final passage; however, debate by members of the standing committee shall be allowed prior to such vote.

### 2.17—Quorum requirement

(1) A standing committee, standing subcommittee, or select committee is assembled only when a quorum constituting a majority of the members of that committee is present in person.

(2) A committee member may question the presence of a quorum at any time.

(3) No committee business of any type shall be conducted in the absence of a quorum. Any matter reported in violation of this Rule shall

be recommitted by the President when it is called to the President's attention by a Senator.

### **2.19—Conference committee in deliberation; reports**

(1) All meetings of Senate conferees with House conferees at which the business of the conference committee is discussed shall be open to the public subject to proper order and decorum. A meeting of the Senate and House conferees is a meeting of the two (2) groups, therefore, the rules governing each respective house apply. Meetings between a majority of the members of a conference committee may be held following a notice being filed with the Secretary by or at the direction of the person calling the meeting, at least one (1) hour in advance of the meeting. The notice shall indicate the names of the conferees and scheduled participants, the date, the time, and the place of the meeting. Conference committees may meet at any time with proper notice.

See FLA. CONST. art. III, s. 4(e) Quorum and procedure.

(2) A conference committee, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(3) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. Such amendments shall accompany the conference committee report. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house. Conference committee reports must be approved and signed by a majority of the managers on the part of each house. All final actions taken in a conference committee shall be by motion.

(4) Each conference committee report shall contain a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(5) When the President appoints a conference committee, a notice of the following meetings to discuss matters relating to the conference, stating the names of the conferees and scheduled participants, and the date, time, and place for the meeting, shall be filed with the Secretary by or at the direction of the person at whose call the meeting is convened, not less than one (1) hour preceding the time for the meeting:

- (a) Meetings between the President (or a Senator designated to represent the President), the Governor, and the Speaker (or a Representative designated to represent the Speaker);
- (b) Meetings between a majority of the members of any subcommittee of the conference committee;
- (c) Meetings between the President or any Senator designated to represent the President and a conferee from the House of Representatives, or any meeting between a conferee from the Senate with the Speaker or any Representative designated to represent the Speaker; and
- (d) Meetings of a majority of the Senate conferees; and when the bill that is the subject of the conference committee deals primarily with the general appropriations act or revenue matters, any meeting of three (3) or more conferees on the part of the Senate.

See FLA. CONST. art. III, s. 4(e) Quorum and procedure.

(6) Notice of meetings, as scheduled, between the chair of the Senate's conferees with the chair of the House's conferees, or between respective Senate and House committee chairs with each other, shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor rotunda on the fourth (4th) floor of the Capitol. In the case of the appropriations conference, said notice shall also be posted outside the door of the offices of the appropriations committees.

(7) All meetings for which notice is required pursuant to this Rule shall be held in the Capitol Complex, but shall not be held in the Chamber of either house while it is sitting.

(8) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on the measure as the Senate may determine.

(9) After Senate conferees have been appointed for seven (7) calendar days and have failed to make a report, it is a motion of the highest privilege to move to discharge said conferees and to appoint new conferees, or to instruct said conferees. This motion shall have precedence over all other questions except motions to adjourn or recess, and questions of privilege. Further, during the last six (6) calendar days allowed under the *State Constitution* for any regular session, it shall be a privileged motion to move to discharge, appoint, or instruct Senate conferees after the Senate conferees have been appointed thirty-six (36) hours without having made a report.

## **PART TWO—COMMITTEES—OFFICERS**

### **2.20—Appointment of chair and vice chair**

A chair and a vice chair of each standing committee shall be appointed by the President and shall continue in office at the pleasure of the President. The President shall also appoint a chair for each standing subcommittee and select committee authorized by these Rules and may designate a vice chair, both of whom shall continue in office at the pleasure of the President.

### **2.21—Call to order**

The chair or, in the chair's absence, the vice chair, shall call the committee to order at the hour provided by these Rules. A quorum being present, the committee shall proceed with consideration of its agenda.

### **2.22—Chair's control**

The chair shall preserve order and decorum and shall have general control of the committee room. If there is a disturbance or disorderly conduct in the committee room, the chair may require participants in the disturbance to clear the room.

### **2.23—Chair's authority; appeals**

(1) The chair shall approve all notices, subpoenas, or reports required or permitted by these Rules.

(2) The chair shall decide all questions of order, subject to an appeal by any Senator, and the appeal shall be certified by the chair to the Senate for a decision by the President during its next sitting following such certification. The ruling shall be entered in the Journal, shall constitute binding precedent on all committees of the Senate, and shall be subject to appeal as any other question.

(3) The proper method of taking exception to a ruling of the chair is by appeal. An appeal from a decision of the chair must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; if the determination of the appeal is dependent on this point, it may be decided by the chair. This second (2nd) decision is also subject to appeal.

(4) An appeal from a decision of the chair on a point of order is debatable even though the question from which it arose was not debatable.

(5) The chair may, or on the vote of a majority of the committee members present shall, certify a question of parliamentary procedure to the President as contemplated by the Rule without a formal appeal. Such certified question shall be disposed of by the President as if it had been on appeal.

(6) Final action on an appeal or the certification of a procedural question pursuant to this Rule shall not constitute an automatic stay to further legislative action on the measure under consideration.

### **2.24—Chair, vice chair; vote**

The chair and vice chair shall vote on all matters before such committee. The name of the chair shall be called last.

See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

### 2.25—Temporary alternate to chair

The chair may name any member of the committee to perform the duties of the chair if such substitution shall not extend beyond such meeting. If for any reason the chair is absent and fails to name a member, the vice chair shall assume the duties of the chair during the chair's absence.

### 2.26—Vice chair's duties

On the death, incapacitation, or resignation of the chair, the vice chair shall perform the duties of the office until the President appoints a successor. In the absence of the chair, the vice chair shall act as chair.

## PART THREE—COMMITTEES—MEMBERS

### 2.27—Members' attendance, voting; proxy and poll votes prohibited

(1) Unless excused or necessarily prevented, every member of a committee shall be in attendance during each of its meetings.

(2) The chair may excuse any member for just cause from attendance at meetings of his or her committee for any stated period, and this excused absence shall be noted on the committee's records.

(3) Failure to attend two (2) consecutive regular meetings, unless excused from attendance in the Senate on those days as provided in these Rules or by the chair of the committee, shall constitute automatic withdrawal from the committee.

(4) No member of any committee shall be allowed to vote by proxy nor shall a vote be conducted by poll.

(5) A majority of all the committee members present shall agree by their votes on the disposition of any matter considered by the committee.

See Rule 11.4—Majority action.

## PART FOUR—COMMITTEES—VOTING

### 2.28—Taking the vote

(1) The chair shall declare all votes and shall cause same to be entered on the records of the committee, but if any member questions a voice vote, then by a show of hands by two (2) members the chair shall count the yeas and nays. When the committee is equally divided, the question shall be lost.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

(2) A member may request to:

- (a) Vote, or
- (b) Change his or her vote

before the results of a roll call are announced.

(3) After the results have been announced, a member with unanimous consent of those committee members present may vote or change his or her vote. If the vote alters the final action of the committee, no vote or change of vote shall be valid unless the matter has been reconsidered by the committee. On request of a member prior to consideration of other business, the chair shall order a verification of a vote.

### 2.29—Pair voting prohibited

No pair voting shall be permitted by the committee.

### 2.30—Casting vote for another

No Senator shall cast a vote for another Senator, nor shall any person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, any Senator who shall vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, any person not a Senator who shall vote in the place of a Senator shall be excluded from the committee for the remainder of the session.

### 2.31—Explanation of vote

No member shall be permitted to defer or explain his or her vote during a roll call, but may submit his or her explanation in writing and file it with the chair. This explanation shall be kept as part of the committee record and a copy filed with the Secretary.

## PART FIVE—COMMITTEES—MOTIONS AND PRECEDENCE

### 2.32—Motions; how made, withdrawn

(1) Every procedural motion may be made orally. On request of the chair, a member shall submit his or her motion in writing.

(2) After a motion has been stated or read by the chair, it shall be deemed to be in possession of the committee without a second, and shall be disposed of by vote of the committee members present.

(3) The mover may withdraw a motion at any time before the same has been amended, or before a vote shall have commenced. The mover of a motion to reconsider may withdraw that motion only with the unanimous consent of those committee members present.

### 2.33—Motions; precedence

(1) When a question is under debate, the chair shall receive no motion except:

- (a) To rise
- (b) To take a recess
- (c) To reconsider instant passage of a main question
- (d) To reconsider
- (e) To limit debate
- (f) To temporarily postpone
- (g) To commit to a select subcommittee
- (h) To amend

which shall have precedence in the descending order given.

(2) The chair shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence or a substitute of equal precedence.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute may be pending and the substitute shall be in the same order of precedence. If a substitute fails, another substitute of equal degree may be offered.

### 2.34—Division of question

A member may move for a division of a question when the sense will admit of it, which shall be decided by a majority vote. A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

See Rule 6.3—Division of question.

### 2.35—Reconsideration generally

(1) When a question has been decided by a committee, any member voting with the prevailing side may move for reconsideration of the question.

(2) If a question has been decided by voice vote, any member, during the meeting at which the vote was taken, may so move.

(3) If the committee shall refuse to reconsider or, upon reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except upon unanimous consent of those committee members present.

(4) A motion to reconsider final passage of a measure or the confirmation of an executive appointment may be made prior to or pending a motion to rise. It shall not be taken up or voted on when made but shall be a special and continuing order of business for the succeeding committee meeting, and, unless considered during such meeting, shall be considered abandoned.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

(5) At the next succeeding meeting, the reconsideration of such motion may be made by any member prior to a motion to rise.

(6) During the last fourteen (14) days of a regular session, a motion to reconsider shall be made and considered during the meeting at which the original vote was taken.

(7) A motion to reconsider instanter may be offered by a member voting on the prevailing side at the original meeting and shall be of a higher precedence than a motion to reconsider.

- (a) If the motion to reconsider instanter is agreed to by a two-thirds (2/3) vote of the members present, it shall supersede a motion to reconsider and place the main question again before the committee for further consideration, amendment, and debate.
- (b) If a motion to reconsider instanter is not agreed to, a motion to reconsider, if offered or pending as provided in subsection four (4) of this Rule, will be a special and continuing item on the committee agenda for the next meeting.

### **2.36—Reconsideration; vote required**

The affirmative votes of a majority of the committee members present shall be required to adopt a motion to reconsider.

### **2.37—Reconsideration; debate allowed**

Debate shall be allowed on a motion to reconsider only when the question proposed for reconsideration is debatable. When debate on a motion to reconsider is in order, no Senator shall speak thereon more than once nor longer than five (5) minutes.

### **2.38—Reconsideration; collateral matters**

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the committee has passed to other business.

## **PART SIX—COMMITTEES—AMENDMENTS**

### **2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, notice, manner of consideration; germanity**

(1) No amendment or proposed committee substitute to any measure, or no proposed committee bill on any committee agenda shall be considered by that committee unless the amendment, proposed committee substitute, or proposed committee bill was prepared in proper form and filed with the committee administrative assistant at least twenty-four (24) hours prior to the noticed meeting time. For the purpose of this rule, office hours are the weekdays of Monday through Friday, 8:00 a.m. - 5:00 p.m. Copies of such amendment, proposed committee substitute, or proposed committee bill shall be made reasonably available by the committee administrative assistant before the meeting to the members of the committee and to the public.

- (a) After distribution of all timely filed amendments, amendments to amendments or substitute amendments may be filed to any measure to which an amendment was timely filed. Such amendments must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.
- (b) After distribution of all timely filed proposed committee substitutes and proposed committee bills, amendments, amendments to amendments, or substitute amendments to any proposed committee substitute or proposed committee bill must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.
- (c) Amendments to late-filed amendments, proposed committee substitutes, or proposed committee bills shall be considered timely filed if filed at least two (2) hours prior to the noticed meeting time.
- (d) After the first fifty (50) days of a regular session, an amendment, proposed committee bill, or proposed committee substitute to any measure prepared prior to a committee meeting at which it is offered shall be filed with the com-

mittee administrative assistant at least two (2) hours prior to the noticed meeting time.

- (e) The consideration of any amendment, proposed committee bill, or proposed committee substitute not timely filed in accordance with this rule, including any filed during a committee meeting in which it is to be offered, requires a two-thirds (2/3) vote of those committee members present, if any member requests that such a vote be taken. These time requirements do not apply to a committee's recommendation during a meeting to make a committee substitute which is merely a combination of the noticed bill and amendment.
- (2) Amendments shall be filed on forms prescribed by the Secretary.
  - (a) An amendment shall be considered only after its sponsor, who is a member of the committee, gains recognition from the chair to move its adoption.
  - (b) An amendment shall be deemed pending only after its sponsor has been recognized by the chair and has moved its adoption. Amendments that have been filed but have not been formally moved for adoption shall not be deemed to be pending.
  - (c) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.

### **2.40—Sequence of amendments to amendments**

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

(Amendment chart, as adopted, is not shown here but is included in the published Senate Rules Manual.)

- (a) Amendments to the amendment are acted on before the substitute is taken up.
- (b) Amendments to the substitute are next voted on.
- (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

- (3) An amendment of the third (3rd) degree is out of order.

### **2.41—Deleting everything after enacting clause**

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same or related subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

### **2.42—Amendment by section**

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The chair, in recognizing members for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

### **2.43—Senate amendments to House bills**

A House bill may be amended in the same manner as a Senate bill.

### **2.44—Amendments by previous committees**

Amendments recommended by all committees of reference shall accompany a bill when filed with the Secretary. No committee shall remove an amendment by another committee but may recommend an amendment to an amendment, or a substitute for an amendment, by another committee. Any accompanying amendment shall be included in a subsequent committee substitute unless altered or negated by committee action. Amendments adopted by a committee to be incorporated in a committee substitute need not be filed with the Secretary as part of the reports required in Rules 2.15 and 2.16.

## PART SEVEN—COMMITTEES—DECORUM AND DEBATE

## RULE THREE

## 2.45—Decorum and debate

When a member desires to speak or present a matter to the committee, the member shall address himself or herself to “Mr. or Madam Chair” and, on being recognized, may address the committee and shall confine any remarks to the question under debate, avoiding personality. A member shall not address or refer to another member by his or her first name. A member shall use the appellation of “Senator” or such appellation and the surname of the member referred to or addressed.

## 2.46—Chair’s power to recognize

When two (2) or more members request to speak at once, the chair shall recognize the member who is to speak first.

## 2.47—Interruptions; when allowed

(1) No member shall be interrupted by another without the consent of the member who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the chair concerning a point of order (provided the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The chair shall strictly enforce this Rule.

## 2.48—Speaking rights

(1) When a member is speaking and another member interrupts to request recognition, the chair may permit the person rising to state why he or she desires the floor. If the question the member desires to raise is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member is then entitled to resume the floor.

(2) The member making a debatable motion or the introducer of a bill, whether or not a member of the committee, shall have five (5) minutes in order to close debate.

## 2.49—Time for debate

No Senator shall speak longer than ten (10) minutes without yielding the floor, except by consent of a majority of those committee members present.

## 2.50—Limitation on debate

When a matter is under debate by the committee, a member may move to limit debate, and the motion shall be decided without debate. The introducer of the pending matter on which debate would be limited shall have five (5) minutes to discuss the motion, and the introducer may divide such time with, or waive it in favor of, another member. If the question is decided in the affirmative by a two-thirds (2/3) vote of those committee members present, the debate shall be limited accordingly. The time allotted by such limitation shall be apportioned by the chair. Once limited, debate may be extended beyond the original debate time limit by a majority vote of the committee members present.

## 2.51—Priority of business; debate thereon

All questions relating to the priority of business shall be acted on and shall be decided without debate.

## 2.53—Repealed

See Rule 2.23—Chair’s authority; appeals.

## 2.54—Repealed

See Rule 2.23—Chair’s authority; appeals.

## BILLS, RESOLUTIONS, AND MEMORIALS

See FLA. CONST. art. III, s. 6 Laws.

(2) The original must be approved by the introducer and backed in a folder-jacket. On these jackets shall be inscribed the name and district number of the introducer and any co-introducers or the introducing committee and its chair, and enough of the title for identification.

(3) Bills that propose to amend existing provisions of the *Florida Statutes* (as described in Article III, Section 6 of the *State Constitution*) or the *Laws of Florida* shall contain the full text of the section, subsection, or paragraph to be amended. Joint resolutions that propose to amend the *State Constitution* shall contain the full text of the section to be amended.

See FLA. CONST. art. III, s. 6 Laws.

(4) In general bills and joint resolutions that propose to create or amend existing provisions of the *Florida Statutes*, *Laws of Florida*, or the *State Constitution*, new words shall be inserted underlined, and words to be deleted shall be lined through with hyphens, except that the text of the General Appropriations Act shall not be underlined.

(5) When the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it shall not be necessary to use the coded indicators of words added or deleted but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the text of the provision being amended: “Substantial rewording of section. See s. [number], F.S., for present text.” When such notation is used, the notation as well as the substantially reworded text shall be underlined.

(6) The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and shall not be considered to constitute a part of the bill under consideration.

(7) Section catchlines of existing text shall not be typed with underlining.

## 3.2—Bills for introduction

A bill may not be introduced until properly filed with the Secretary.

See Rule 1.15—The Secretary examines legal form of bills for introduction.

See Rule 3.7—Bill filing deadline during regular session; bill filing between regular sessions.

See Rule 13.4—Delivery for introduction.

## 3.3—Form of local bills

As required by Article III, Section 10 of the *State Constitution*, all local bills must either embody provision for ratifying referenda (stated in the title as well as in the text of the bill) or be accompanied by an affidavit of proper advertisement. A form of affidavit may be found in section 11.03, *Florida Statutes*. All local bills that require publication shall, when introduced, have proof of publication securely attached to the original copy of the bill and the words “Proof of Publication Attached” clearly typed or stamped on the Senate side of the bill jacket or cover, or the same shall be rejected by the Secretary.

See FLA. CONST. art. III, s. 10 Special laws.

## 3.4—Form of joint resolutions

All joint resolutions shall contain a proper title, as defined in Article III, Section 6 of the *State Constitution*. Standard rules of capitalization

shall apply. They shall contain the resolving clause, "Be It Resolved by the Legislature of the State of Florida:." Each joint resolution shall be prefaced by the words: "A joint resolution."

See FLA. CONST. art. III, s. 6 Laws.

### 3.5—Form of memorials

All memorials shall contain a proper title, as defined in Article III, Section 6 of the *State Constitution*. Standard rules of capitalization shall apply. They shall contain the resolving clause, "Be It Resolved by the Legislature of the State of Florida:."

### 3.6—Form of resolutions; Senate and concurrent

Senate resolutions shall contain the resolving clause: "Be It Resolved by the Senate of the State of Florida:." Concurrent resolutions shall contain the resolving clause: "Be It Resolved by the Senate of the State of Florida, the House of Representatives Concurring:."

(2) Only the Secretary shall prepare copies of Senate resolutions that are to be furnished any person after the resolution's adoption.

### 3.7—Bill filing deadline during regular session; bill filing between regular sessions

(1) All bills shall be filed for introduction with the Secretary no later than 12:00 noon of the first (1st) day of the regular session except:

- (a) general appropriations bills,
- (b) appropriations implementing bills,
- (c) appropriations conforming bills,
- (d) local bills,
- (e) Senate resolutions,
- (f) concurrent resolutions,
- (g) committee bills,
- (h) trust fund bills, and
- (i) public-record exemptions that are linked to timely filed general bills.

(2) A motion to waive this Rule shall be referred to the Rules Committee for a hearing and its advisory recommendation as to the existence of an emergency reasonably compelling consideration of a bill notwithstanding this Rule and a recommendation shall be reported back to the Senate. The Secretary shall number each bill to provide identity and control until a permanent number can be affixed.

(3) Between regular sessions of the Legislature, bills may be filed by delivery to the Secretary.

### 3.8—Filed bills; consideration between regular sessions

(1) A filed bill complying with these Rules shall, in anticipation of the next regular session, be serially numbered in accordance with the permanent system required by these Rules.

(2) The Secretary shall provide each such numbered bill to the President for reference to a committee or committees pursuant to these Rules. The Secretary shall promptly forward each referenced bill to the first (1st) or only committee of reference. The Secretary shall make all filed bills available to each Senator, including the referencing data for each bill, and a calendar of all committee hearings, including the bills noticed for hearing by each.

(3) Each bill considered by a committee and reported to the Secretary during the interim shall be introduced and read on the first (1st) day of the regular session, pursuant to the *State Constitution*, *Laws of Florida*, and these Rules. The Journal shall reflect the committee reference and the report of the committee. All requirements for the referencing of bills to and the consideration of bills by Senate committees shall be deemed to have been met and discharged if the jurisdictional requirements of this Rule have been complied with as to each of such bills.

(4) Notwithstanding these Rules, a Senator may, during the day of introduction of filed bills, but no later than under the Order of Business of "Motions Relating to Committee Reference" on the second (2nd) day on

which the Senate sits, move for reference to a different committee or for removal from a committee. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

(5) Prior to the introduction of a bill on the first (1st) day of the regular session, a Senator may give written notification to the Secretary to withdraw his or her bill from further consideration of the Senate.

### 3.9—Copies of bills

When filed, bills (including committee bills and committee substitute bills) shall be published by the Secretary for the information of the Senate and the public. The absence of a published copy shall not delay the progress of a measure at any stage of the legislative process. Sufficient copies of the general appropriations bill proposed to be introduced by the Appropriations Committee shall be made available to the members and, upon request, to the public, at the Office of the Secretary and at the committee's office, no less than two (2) hours prior to the time the Appropriations Committee meets to consider the proposed committee bill.

### 3.10—Identification of bills

Bills and other measures requiring legislative action shall be introduced in the order they are received by the Secretary. They shall be serially numbered with even numbers as introduced, without differentiation in number as to type. The Secretary shall mark the original copy of each measure to ensure its identification, and each page thereof, as the item introduced in order to prevent unauthorized or improper substitutions. This identification may be made by any device to accomplish the purpose of this Rule. Such device shall be in the custody of the Secretary, and its use by any person not authorized by this Rule is prohibited.

### 3.11—Companion measures

(1) When a Senate bill is reached on the calendar of the Senate for consideration, either on second (2nd) or third (3rd) reading, and there is also pending on the calendar of the Senate a companion measure already passed by the House, it shall be in order to move that the House companion measure be substituted and considered in lieu of the Senate measure. Such motion may be adopted by a majority vote of those Senators present, provided the House measure is on the same reading; otherwise, the motion shall be to waive the Rules by a two-thirds (2/3) vote of those Senators present and read such House measure.

(2) A companion measure shall be substantially the same and identical as to specific intent and purpose as the measure for which it is being substituted. Differences between the Senate bill and the House bill shall be explained by the mover prior to a vote on a substitution motion.

(3) At the moment the Senate passes the House companion measure, the original Senate measure shall be regarded as automatically tabled. Recommitment of a Senate bill shall automatically carry with it any House companion measure then on the calendar.

### 3.12—Introducers of bills; co-introducers; introducers no longer Senators

(1) Bills shall be approved for introduction by a Senator whose name is affixed to the original, or by any committee with the name of the committee and the name of the chair of the committee affixed to the original. A bill may be co-introduced by any Senator whose name is affixed to the original.

(2) A Senator who is not seeking or is ineligible for reelection and, therefore, will not be a Senator at the next regular session of the Legislature may not file a bill for that session. Once a Senator is no longer in office, any bill filed by that Senator for a current or future session of the Legislature shall be deemed withdrawn from further consideration of the Senate unless the bill has a co-introducer who, within seven (7) days, agrees to become the introducer of the bill.

### 3.13—Fiscal notes

(1) Upon being favorably reported by a committee, all general bills or joint resolutions affecting revenues, expenditures, or fiscal liabilities of state or local governments shall be accompanied by a fiscal note. Fiscal

notes shall reflect the estimated increase or decrease in revenues or expenditures. The estimated economic impact, which calculates the present and future fiscal effects of the bill or joint resolution, must be considered. The fiscal note shall not express opinion relative to the merits of the measure, but may identify technical defects.

(2) Fiscal notes on those bills affecting any state retirement system shall be prepared after consultation with an actuary who is a member of the Society of Actuaries, and the cooperation of appropriate state agencies for necessary data shall be solicited.

(3) Fiscal notes shall be regarded as memoranda of factual information and shall be made available to Senators.

(4) If a bill or joint resolution is reported favorably by a committee without a fiscal note or economic impact statement, as defined in this Rule, a Senator may at any time prior to final passage raise a point of order, and the President shall order return of the bill or joint resolution to the committee. A fiscal note prepared for a Senate bill or joint resolution shall be presumed as prepared also for its House companion for the purposes of point of order.

## RULE FOUR

### ORDER OF BUSINESS AND CALENDAR

#### 4.1—Sittings of the Senate

The Senate shall convene pursuant to a schedule provided by the President or at the hour established by the Senate at its last sitting. This schedule shall set forth hours to convene and adjourn and may contain a schedule for the Special Order Calendars submitted by the Rules Chair, Majority Leader, and Minority Leader. During the first fifty (50) days of a regular session, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 8:00 p.m. Otherwise, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 6:00 p.m.

See Rule 1.2—The President calls the Senate to order.

#### 4.2—Quorum

A majority of the Senate shall constitute a quorum, but a smaller number may adjourn from day to day and compel the attendance of absent members, in such manner and under such penalties as it may prescribe. A Senator at any time may question the existence of a quorum.

See FLA. CONST. art. III, s. 4 Quorum and procedure.

#### 4.3—Daily Order of Business

(1) The Daily Order of Business shall be as follows:

- (a) Roll Call
- (b) Prayer
- (c) Pledge of Allegiance to the Flag of the United States of America
- (d) Reports of Committees
- (e) Motions Relating to Committee Reference
- (f) Messages from the Governor and Other Executive Communications
- (g) Messages from the House of Representatives
- (h) Matters on Reconsideration
- (i) Consideration of Bills on Third (3rd) Reading
- (j) Special Order Calendars
- (k) Consideration of Bills on Second (2nd) Reading
- (l) Correction and Approval of Journal
- (m) Unfinished Business

(2) The Secretary shall prepare and distribute, on each session weekday, a calendar corresponding to the Daily Order of Business; and within each order of business, matters shall be considered in the order in which they appear on such daily calendar. Local bills may be omitted from the formal calendar and may be distributed to Senators by the Secretary separately. Weekend calendars may be prepared when necessary to provide notice of meetings on Saturday or Sunday.

See Rule 4.16—Consideration out of regular order.

(3) Certain messages from the House of Representatives may be withheld from the Daily Order of Business pursuant to Rule 1.18 or on order of the President. Notwithstanding Rule 4.3(1), the Senate may, at the direction of the President, take up messages from the House at any time.

See Rule 1.18—The Secretary receives and delivers for reading messages from the House of Representatives; summaries of House amendments to Senate bills.

(4) Unless read during a sitting, first (1st) reading of a bill shall be accomplished by publication of the title thereof in the Journal pursuant to Article III, Section 7 of the *State Constitution*.

See FLA. CONST. art. III, s. 7 Passage of bills.

(5) Except by unanimous consent of those Senators present at a sitting, no bill shall be considered by the Senate if the bill or a companion measure has not been first reported favorably by at least one (1) Senate committee.

#### 4.4—Committee of the Whole

By a majority vote of those Senators present, the Senate may resolve itself into a Committee of the Whole and, when thus constituted, may consider any question whether formally introduced in the Senate or not. The Senate may, however, restrict the subject matter to be considered by the Committee of the Whole, or its jurisdiction, by resolving itself into a Committee of the Whole for a specific and limited purpose. The President shall preside and maintain order and decorum. The Senate Rules relating to standing committees shall govern when applicable. The Committee of the Whole may consider and report, by majority vote of those committee members present, on any bill or question not formally introduced in the Senate and any bill on which all standing committees of reference have rendered a favorable report. A bill on which committee action has been taken by the committee or committees of reference or on which an unfavorable committee report has been filed may be considered only by a two-thirds (2/3) vote of those committee members present. Such vote shall also be required to favorably report any such bill to the Senate. A bill thus originating in a Committee of the Whole shall, when introduced as contemplated by the *State Constitution*, receive no further reference to committee. A favorable report by a Committee of the Whole on a bill having theretofore received an unfavorable report by a standing committee of reference shall not have the effect of withdrawing such bill from the table. Consideration by the Senate of such a bill shall be preceded by the adoption of the appropriate motion during a sitting of the Senate. Bills considered by a Committee of the Whole shall be read once, debated, amended, and acted on as a standing committee function. The body of a bill formally introduced shall not be interlined or defaced, but all amendments denoting the location shall be entered on a separate paper by the Secretary of the Committee of the Whole. The same shall be agreed to by the Committee of the Whole, and the report filed as otherwise provided in these Rules for committee reports. After report, the bill or other matter may be again debated and shall be subject to be again amended by the Senate. The quorum for a Committee of the Whole shall be the same as for the Senate, and when the Committee of the Whole shall rise, the roll shall be called to ascertain the presence of a quorum of the Senate.

#### 4.5—Conference committee report

(1) The report of a conference committee appointed pursuant to Rule 1.5 shall be read to the Senate at two (2) consecutive sittings, and on the completion of the second (2nd) reading the vote shall be:

- (a) on the adoption or rejection of the conference report and, if adopted, the vote shall then be
- (b) on final passage of the measure as amended by the conference report.

During the last five (5) days of a regular session and during any extension thereof, the report shall be read only once. Copies of conference committee reports shall be available to the membership twelve (12) hours prior to the time such report is scheduled to be taken up on the Senate floor.

(2) The report must be acted on as a whole, being adopted or rejected.

(3) Each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(4) Except when the Senate is voting on a proposition, reports of conference committees shall always be in order.

#### 4.6—Reference generally

(1) All bills, including those that are strictly local in nature, shall be referred by the President to appropriate committees and standing subcommittees. General appropriations bills, appropriations implementing bills, and appropriations conforming bills introduced by the Appropriations Committee may be placed on the calendar without reference.

(2) Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to reference such bills within this limitation, they shall be referred to committees as may be recommended by the introducer. In the event of extended absence of the President or the President's disability or incapacity, the President Pro Tempore shall assume the duty of referring bills.

(3) When the Legislature is not in session, the President may change or correct a bill reference by notice to the Secretary and the bill introducer.

(4) The review of a bill that appears to be local in nature shall be performed by the Secretary to determine whether such measure is local in nature for reference purposes and whether it responds to the legal requirements of a local bill.

(5) A bill is local in nature for referencing purposes if it does not substantially alter a law of general application throughout the state and it either affects no more than one (1) county or relates to a special district that is located wholly within no more than two (2) counties.

(6) When the Secretary, through staff review, has determined that the bill is not local in nature for referencing purposes, the Secretary shall report such determination to the President, who shall refer such bill to an appropriate standing committee for hearing. Such report shall be made within fifteen (15) days from date of receipt by the Secretary. When the Secretary, through staff review, has determined that a bill is local in nature for referencing purposes and that it responds to the legal requirements of a local bill, the bill shall be available for the calendar on local bills notwithstanding Rule 4.3(5).

#### 4.7—Reference to more than one committee; effect

(1) When a bill receives more than one (1) reference, it shall be considered by each committee separately in the order in which the references are made. However, if any committee to which the bill is referred makes an unfavorable report on said bill, that report shall be filed with the Senate and no further consideration given by other committees except by a two-thirds (2/3) vote of those Senators present while sitting.

(2) If a committee reports a bill favorably with committee substitute or with any amendment which substantially amends the bill, the President may change or correct the reference of the reported bill. Notice shall be given to the Secretary and the introducer of the bill.

#### 4.8—Review and reference of bills affecting appropriations, revenue, retirement, or county or municipal spending

(1) All bills authorizing or substantially affecting appropriations or tax revenue shall be referred to the appropriate revenue or appropriations committee.

(2) All bills substantially affecting a state-funded or state-administered retirement system shall be referred to the Governmental Oversight and Accountability Committee.

(3) A bill containing a local mandate as described in Article VII, Section 18 of the *State Constitution* shall be referred to the Community Affairs Committee.

(4) A bill that is amended to substantially affect appropriations or tax revenue, a state retirement program, or expenditures or revenues as

set forth in Article VII, Section 18 of the *State Constitution* may, before being placed before the Senate for final passage, be referred by the President along with all amendments to the appropriate revenue or appropriations committee.

#### 4.81—Claim bills

(1) Claim bills are of two (2) types: excess judgment claims filed pursuant to section 768.28(5), *Florida Statutes*, and equitable claims filed without an underlying excess judgment.

(2) All claim bills shall be filed with the Secretary on or before August 1 in order to be considered by the Senate during the next regular session, except that Senators elected to the Senate during a general election or a special general election may have sixty-two (62) days from the date of that election to file a claim bill. Senators currently serving who are re-elected during a general election are not subject to the immediately preceding provision relating to sixty-two (62) days. A motion to introduce a claim bill notwithstanding the claim bill filing deadline shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. A House claim bill which does not have a Senate companion claim bill timely filed under this Rule shall not be considered by the Senate. Any motion to consider a House claim bill which does not have a timely filed Senate companion bill shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. The determination by the Rules Committee shall be reported back to the Senate. Upon a determination by the committee that an emergency does exist, the motion may be considered by the Senate and must be adopted by a two-thirds (2/3) vote of those Senators present.

(3) If the President determines that a de novo hearing is necessary to determine liability, proximate cause, and damages, a special master shall conduct such hearing pursuant to reasonable notice. Discovery procedures shall be governed by the *Florida Rules of Civil Procedure* and the *Florida Evidence Code*, as applicable. The special master shall administer an oath to all witnesses, accept relevant documentary and tangible evidence properly offered, record the proceedings, and prepare a final report containing findings of fact, conclusions of law, and recommendations. The report shall be signed by the special master who shall be available, in person, to explain his or her report to the committees and to the Senate.

(4) All claim bills shall be referred by the President to one (1) or more committees for review. On receipt of the special master's report and recommendations, if any, the Secretary shall, upon the President's reference, deliver each claim bill with the report attached to the committee or committees of reference.

(5) Stipulations entered into by the parties are not binding on the special master, the Senate, or its committees.

(6) The hearing and consideration of a claim bill shall be held in abeyance until all available administrative and judicial remedies have been exhausted; except that the hearing and consideration of a claim that is still within the judicial or administrative systems may proceed where the parties have executed a written settlement agreement. This subsection does not apply to a bill which relates to a claim of wrongful incarceration.

(7) All materials provided by litigants and others in connection with claim bills shall be submitted in a digital form prescribed by the Secretary.

#### 4.9—Reference of resolutions

(1) Substantive resolutions shall be referred by the President to a standing committee.

(2) Resolutions that may be considered without reference to a committee include those addressing:

- (a) Senate organization,
- (b) condolence and commemoration that are of a statewide nonpolitical significance, and

- (c) concurrent resolutions recalling a bill from the Governor's office, adopting Joint Rules of the Legislature, extending a session of the Legislature, or setting an effective date for a bill passed over the Governor's veto.

The resolutions listed in subsection (2) may be considered and read twice on the same day on motion and adopted at time of introduction without reference, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal.

(3) A joint resolution setting an effective date for a bill passed over the Governor's veto may be considered on motion and introduced without reference.

#### 4.10—Reference to different committee or removal

After the President has referred a bill, the Rules Chair may move for reference to a different committee or for removal from any committee after the introducer of the bill has filed a request with the Rules Chair signed by the chair of the affected committee, the Rules Chair, and the President. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

#### 4.11—Papers of miscellaneous nature

Papers of a miscellaneous nature addressed to the Senate may, at the discretion of the President, be read, noted in the Journal, or filed with an appropriate committee. When there is a demand to read a paper other than one on which the Senate is called to give a final vote and the same is objected to by any Senator, it shall be determined by a majority vote of those Senators present.

#### 4.12—Reading of bills and joint resolutions

Each bill or joint resolution shall receive three (3) separate readings on three (3) separate days previous to a vote on final passage unless decided otherwise by a two-thirds (2/3) vote of those Senators present as provided in Article III, Section 7 of the *State Constitution*.

See FLA. CONST. art. III, s. 7 Passage of bills.

#### 4.13—Reading of concurrent resolutions and memorials

(1) Each concurrent resolution or memorial shall receive two (2) separate readings by title on two (2) separate days previous to a voice vote on adoption, unless decided otherwise by a two-thirds (2/3) vote of those Senators present.

(2) Concurrent resolutions recalling a bill from the Governor's office, adopting Joint Rules of the Legislature, extending a session of the Legislature, or setting an effective date for a bill passed over the Governor's veto may be read a first (1st) and second (2nd) time, and adopted on the same day.

#### 4.14—Reading of Senate resolutions

Unless referred to a standing committee, on introduction, each Senate resolution shall be read two (2) times on the same day by title only before the question is put on adoption by voice vote.

#### 4.15—Referral or postponement on third (3rd) reading

On the third (3rd) reading of a bill or joint resolution, it shall not be referred or committed (except as provided under Rule 4.8) or amended (except a corrective or title amendment) except by a two-thirds (2/3) vote of those Senators present, nor shall the vote on passage be postponed to a day certain without the consent of a majority of those Senators present.

#### 4.16—Consideration out of regular order

A bill shall be considered out of regular order on the calendar on unanimous consent of those Senators present obtained in the following manner: prior to the consideration of the motion, the Senator moving for unanimous consent of those Senators present shall orally give the membership not fewer than fifteen (15) minutes' notice of his or her intention to move and shall specify the number of the bill and its position on the calendar. On entertainment of the motion, the moving Senator shall be allowed one (1) minute to explain his or her purpose, and

unanimous consent of those Senators present shall be given or refused without further debate.

#### 4.17—Procedure to establish Special Order Calendars and Consent Calendars

(1) Commencing fifteen (15) days prior to a regular session and continuing through any extension thereof, the Rules Chair, Majority Leader, and Minority Leader shall together submit a Special Order Calendar determining the list of bills for consideration by the Senate. The President shall determine the order in which such bills appear on the published Special Order Calendar.

(2) A Special Order Calendar submitted for the first (1st) day, second (2nd) day, or last fourteen (14) days of a regular session shall be published in one (1) daily calendar and may be considered on the day of publication. A Special Order Calendar for any other day during a regular session shall be published in two (2) daily calendars and may be considered on the second (2nd) day of publication.

- (a) Bills that had been scheduled for a Special Order Calendar for a previous sitting may be included in the next Special Order Calendar. No other bills shall be considered until this Special Order Calendar has been completed by the Senate.
- (b) A bill appearing on a Special Order Calendar may be stricken by a two-thirds (2/3) vote of those Senators present.
- (c) A bill appearing on the calendar of bills on second (2nd) reading may be added to the end of the Special Order Calendar by a two-thirds (2/3) vote of Senators present.
- (d) All bills set as Special Orders for consideration at the same hour shall take precedence in the order in which they were given preference.
- (e) A Special Order Calendar may not be submitted by the Rules Chair, Majority Leader, and Minority Leader and considered by the Senate on the same day.

(3) A two-thirds (2/3) vote of those Senators present shall be required to establish a Special Order except as provided in this Rule.

(4) Notice of date, time, and place for the establishment of the Special Order Calendars shall be published in at least one (1) Senate calendar or by announcement from the floor.

(5) The Rules Chair, with the approval of the President, may submit a Consent Calendar, to be held in conjunction with the Special Order Calendars.

- (a) When such a day is designated, all bills appearing on the Consent Calendar shall be considered in their order of appearance.
- (b) Amendments shall be limited to accompanying committee amendments, noncontroversial and technical amendments, and amendments required to conform a House companion bill to the Senate bill.
- (c) When a Senator objects to consideration of a bill on a Consent Calendar, the bill shall be removed from the Consent Calendar but retain its order on the Second (2nd) Reading Calendar.
- (d) All Consent Calendar bills must have appeared in at least one (1) daily calendar.

#### 4.18—Local Bill Calendar

Local bills shall be disposed of according to the calendar of bills of a local nature and shall be considered only at such time as determined by the Rules Chair and approved by the President. Any member of the delegation for the local area affected by a bill on the Local Bill Calendar may request that the bill be removed from such calendar.

#### 4.19—Order after second (2nd) reading

(1) After a Senate bill has been read a second (2nd) time and amended and all questions relative to it have been disposed of, it shall be referred to the engrossing clerk to be immediately engrossed. It shall then be placed on the calendar of bills on third (3rd) reading to be considered during the next Senate sitting.

(2) Amendments filed with the Secretary, but not formally moved, shall not be construed as pending and shall not deter advancement of a bill to third (3rd) reading.

(3) A bill shall be available for its third (3rd) reading when it has been read a second (2nd) time on a previous day and no motion left pending.

(4) Bills calendared for second (2nd) or third (3rd) reading shall not be considered on such reading until reached in the proper order and read by title as directed by the President.

#### 4.20—Enrolling

The Secretary shall be responsible for the enrolling of all Senate bills. After enrollment, all bills shall be signed by the President and the Secretary and the enrolling report shall be published in the Journal.

See FLA. CONST. art. III, s. 7 Passage of bills.

#### 4.21—Veto messages

All veto messages shall be referred to the Rules Committee.

See FLA. CONST. art. III, s. 8 Executive approval and veto.

### RULE FIVE

#### VOTING

##### 5.1—Taking the yeas and nays

The President shall declare all votes, but, if five (5) Senators immediately question a voice vote by a show of hands, the President shall take the vote by yeas and nays or electronic roll call. When taking yeas and nays on any question, the electronic roll call system may be used and shall have the force and effect of a roll call taken as provided in these Rules. This system may also be used to determine the presence of a quorum. When the Senate is ready to vote on a question requiring roll call and the vote is by electronic roll call, the President shall state: "The Secretary will unlock the board and Senators prepare to vote." When sufficient time has elapsed for each Senator to vote, the President shall say: "Have all Senators voted?" And, after a short pause, shall state: "The Secretary shall now lock the board and record the vote." When the vote is completely recorded, the President shall announce the result to the Senate; and the Secretary shall enter in the Journal the result. When the Senate is equally divided, the question shall be lost.

See FLA. CONST. art. III, s. 4(c) Quorum and procedure.

##### 5.2—Change of vote; votes after a roll call; vote verification

(1) After the result of the vote has been announced by the President, a Senator with unanimous consent of those Senators present may change his or her vote or cast a late vote on the matter.

(2) Records of vote change and after the roll call requests shall be available at the Secretary's desk throughout the day's sitting.

(3) The original roll call shall not be altered, but, if no objections are raised before the close of business that day, timely filed changes of votes and votes after the roll call shall be accepted and recorded under the original roll call in the Journal.

(4) No such change of vote or vote after the roll call request shall be accepted if such vote would alter the result of the vote on final passage of the matter until the matter shall first have been returned to the desk and reconsidered.

(5) On request of a Senator before considering other business, the President shall order a verification of a vote.

##### 5.3—Casting vote for another

(1) No Senator shall cast a vote for another Senator unless the Senator is present in the Chamber area and requests the casting of said vote, nor shall a person not a Senator cast a vote for a Senator.

(2) A Senator who shall, without such authorization, vote or attempt to vote for another Senator may be punished as the Senate may deem proper.

(3) A person not a Senator who votes in the place of a Senator shall be excluded from the Chamber for the remainder of the session.

#### 5.4—Repealed

#### 5.5—Explanation of vote

No Senator shall be permitted to explain his or her vote during a roll call but may submit his or her explanation in writing and file it with the Secretary. This explanation shall be entered in the Journal.

#### 5.6—Election by ballot

In all cases of ballot, a majority of the votes cast shall be necessary to an election. If, however, no one is elected on the first three (3) ballots, the names after the top two (2) in number of votes received on the third (3rd) tally shall be dropped, and the Senate shall ballot on the two (2) names remaining.

### RULE SIX

#### MOTIONS AND PRECEDENCE

##### 6.1—Motions; how made, withdrawn

(1) Procedural motions may be made orally. On request of the President, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the President, it shall be deemed to be in possession of the Senate and, without a second, shall be disposed of by vote of the Senate.

(2) The mover may withdraw a motion, except a motion to reconsider, as hereinafter provided, at any time before the same has been amended or before the vote shall have commenced.

##### 6.2—Motions; precedence

(1) When a question is under debate, the President shall receive no motion except:

- (a) To reconsider and leave pending a main question  
See Rule 6.4—Reconsideration generally.
- (b) To adjourn
  - 1. At a time certain
  - 2. Instantan  
See FLA. CONST. art. III, s. 3(e) Sessions of the legislature.
- (c) To recess
- (d) Questions of privilege  
See Rule 8.11—Questions of privilege.
- (e) To proceed to the consideration of executive business
- (f) To reconsider  
See Rule 6.4—Reconsideration generally.
- (g) To limit debate  
See Rule 8.6—Limitation on debate.
- (h) To temporarily postpone  
See Rule 6.11—Temporarily postpone.
- (i) To postpone to a day certain
- (j) To commit to the Committee of the Whole  
See Rule 4.4—Committee of the Whole.
- (k) To commit to a standing committee
- (l) To commit to a select committee
- (m) To amend  
See Rule 7—Amendments.
- (n) To postpone indefinitely  
See Rule 6.9—Motion to indefinitely postpone.

which shall have precedence in the descending order given.

(2) A motion to discharge Senate conferees and to appoint or instruct said conferees as set forth in Rule 2.19 is a motion of the highest privilege and this motion shall have precedence over all other questions except motions to adjourn and questions of privilege.

(3) The President shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence.

(4) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one

(1) substitute shall be considered concurrently and the substitute shall be in the same order of precedence.

(5) Motions for the previous question and to lay on the table shall not be entertained.

### 6.3—Division of question

(1) A Senator may move for a division of a question when the sense will admit of it, which shall be decided by a majority vote.

(2) A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

### 6.4—Reconsideration generally

(1) When a main question (the vote on passage of a measure, including a vote on a veto message, confirmation of executive appointments, removal or suspension from office) has been decided by the Senate, a Senator voting with the prevailing side may move for reconsideration of the question on the day the matter was decided or on the next day on which the Senate sits.

- (a) If the question has been decided by voice vote, any Senator may move for reconsideration thereof.
- (b) When a majority of those Senators present vote in the affirmative on the question but the proposition is lost because it is one in which the concurrence of more than a majority of those Senators present is necessary for adoption or passage, any Senator may move for reconsideration.

(2) Such motion to reconsider may be made prior to or pending a motion to recess or adjourn.

(3) Consideration of a motion to reconsider shall be a special and continuing order of business for the Senate at its next sitting and, unless taken up under the proper order of business on that day by motion of any Senator, shall be deemed abandoned. If the Senate shall refuse to reconsider or, on reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except on unanimous consent of those Senators present.

(4) During the last five (5) days of a regular session, a motion to reconsider shall be made and considered on the same day and time it is offered.

### 6.5—Reconsideration; vote required

The affirmative votes of a majority of those Senators present shall be required to adopt a motion to reconsider.

### 6.6—Reconsideration; debate

Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. When the question is debatable, no Senator shall speak thereon more than once or longer than five (5) minutes.

### 6.7—Reconsideration; collateral matters and procedural motions

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the Senate has passed to other business. Reconsideration of a procedural motion shall be considered on the same day and at the same time it is made.

### 6.8—Reconsideration; Secretary to hold for period

The Secretary shall hold all bills for the period after passage during which reconsideration may be moved. The adoption of a motion to waive the Rules by a two-thirds (2/3) vote of those Senators present and immediately certify any bill to the House shall be construed as releasing the measure from the Secretary's possession for the period of reconsideration and shall, thereafter, preclude reconsideration. During the last five (5) calendar days of a regular session and during any extensions thereof, or during a special session, the bills shall be immediately transmitted to the House. Messages relating to Senate action on House

amendments or to conference committee reports shall be transmitted by the Secretary forthwith.

See Rule 6.4—Reconsideration generally.

### 6.9—Motion to indefinitely postpone

The adoption of a motion to indefinitely postpone a measure shall dispose of it for the duration of the legislative session and all extensions thereof. A motion to postpone consideration to a time beyond the last day allowed under the *State Constitution* for the current legislative session shall be construed as a motion to indefinitely postpone. Motions to indefinitely postpone shall not be applicable to collateral matters.

### 6.10—Committee substitute; withdrawn

Once a bill has been reported as a committee substitute, it may be withdrawn from further consideration only by motion of the introducer and unanimous consent of the Senators present.

### 6.11—Temporarily Postpone

(1) The motion to temporarily postpone shall be decided without debate and shall cause a measure to be set aside but retained on the desk.

(2) If a main question has been temporarily postponed after having been debated or after motions have been applied and is not brought back up during the same sitting, it shall be placed under the order of unfinished business on the Senate calendar. If a main question is temporarily postponed before debate has commenced or motions have been applied, its reading shall be considered a nullity and the bill shall retain its original position on the order of business during that sitting; otherwise, the bill reverts to the status of bills on second (2nd) or third (3rd) reading, as applicable.

(3) The motion to return to consideration of a temporarily postponed main question shall be made under the proper order of business when no other matter is pending.

(4) If applied to a collateral matter, the motion to temporarily postpone shall not cause the main question to be carried with it. After having been temporarily postponed, if a collateral matter is not brought back before the Senate in the course of consideration of the adhering or main question, it shall be deemed abandoned.

## RULE SEVEN

### AMENDMENTS

#### 7.1—General form; notice; manner of consideration

(1) No amendment to a bill on any Senate calendar shall be considered by the Senate unless the amendment was prepared in proper form and filed with the Secretary no later than 5:00 p.m. the day before it is to be offered at a sitting. Copies of such amendments shall be made reasonably available by the Secretary before the sitting, upon request, to the Senators and to the public. The consideration of all amendments not timely filed in accordance with this rule, requires a two-thirds (2/3) vote of those Senators present, if any member requests that such vote be taken.

(2) Amendments shall be filed with the Secretary on forms prescribed by the Secretary but shall be considered only after sponsors gain recognition from the President to move their adoption, except that the chair of the committee (or, in the chair's absence, the vice chair or any member thereof) reporting the measure under consideration shall have preference for the presentation of committee amendments. An amendment shall be deemed pending only after its sponsor has been recognized by the President and has moved its adoption. Amendments that have been filed with the Secretary but have not been formally moved for adoption shall not be deemed to be pending.

(3) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.

(4) The following bills are out of order and shall not be admitted or considered in the form of an amendment to a bill on the calendar and under consideration by the Senate:

- (a) Bills that have received an unfavorable committee report.
- (b) Bills that have been withdrawn from further consideration by the introducer.
- (c) Bills the substance of which have not been reported favorably by all committees of reference.
- (d) Bills that have not been published in at least one (1) daily calendar under Bills on Second (2nd) Reading.

Amendments covered by this Rule shall be substantially the same and identical as to specific intent and purpose as the measure residing in the committee or committees of reference.

## 7.2—Adoption

(1) On second (2nd) reading, amendments may be adopted by a majority vote of those Senators present.

(2) On third (3rd) reading, amendments and amendments to amendments, including substitute amendments and amendments to the substitute, shall be adopted by a two-thirds (2/3) vote of those Senators present.

(3) Amendments to the title or corrective amendments may be decided, without debate, by a majority vote of those Senators present on third (3rd) reading.

## 7.3—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

(Amendment chart, as adopted, is not shown here but is included in the published Senate Rules Manual.)

- (a) Amendments to the amendment are acted on before the substitute is taken up. Only one (1) amendment to the amendment is in order.
- (b) Amendments to the substitute are next voted on.
- (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(3) Amendments of the third (3rd) degree are out of order.

## 7.4—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same or related subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

## 7.5—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The President, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

## 7.6—Printing in Journal

All amendments taken up by the Senate unless withdrawn shall be printed in the Journal, except that an amendment to the general appropriations bill constituting an entirely new bill shall not be printed until the filing of the conference committee report. All item amendments to the general appropriations bill shall be printed.

## 7.7—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill. If a House bill is amended, the same shall be noted by the Secretary on the jacket before it is transmitted to the House.

## 7.8—House amendments to Senate bills

(1) After the reading of a House amendment to a Senate bill, the Senate may consider the following motions in order of their precedence:

- (a) Amend the House amendment,
- (b) Concur in the House amendment,
- (c) Refuse to concur in the House amendment and ask the House to recede, or
- (d) Request a conference committee.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

## 7.9—House refusal to concur in Senate amendment

(1) If the House shall refuse to concur in a Senate amendment to a House bill, the Senate may consider the following motions in order of their precedence:

- (a) Recede,
- (b) Insist that the House concur and request a conference committee, or
- (c) Insist that the House concur.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

# RULE EIGHT

## DECORUM AND DEBATE

### 8.1—Decorum and debate

(1) When a Senator desires to speak or present a matter to the Senate, the Senator shall rise at his or her seat and address himself or herself to "Mr. or Madam President" and, on being recognized, may address the Senate from his or her desk or from the well of the Senate and shall confine any remarks to the question under debate, avoiding personality.

(2) A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of "Senator" or such appellation and the district number of the Senator being addressed, or a Senator may also use such appellation and the surname of the Senator referred to or addressed.

### 8.2—Presiding officer's power of recognition

When two (2) or more Senators rise at once, the presiding officer shall recognize the Senator who is to speak first.

### 8.3—Interruptions; when allowed

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the presiding officer concerning a point of order (if the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The presiding officer shall strictly enforce this Rule.

### 8.4—Senator speaking, rights

(1) When a Senator is speaking and another Senator interrupts to request recognition, the presiding officer may permit the person rising to state why he or she desires the floor. If the question the Senator desires to raise is entitled to precedence, the Senator originally speaking shall

relinquish the floor until the question having precedence is disposed of. The Senator then is entitled to resume the floor.

(2) The Senator making a debatable motion or the introducer of a bill shall have five (5) minutes in order to close debate.

#### **8.5—Limit on speaking**

No Senator shall speak longer than thirty (30) minutes without yielding the floor, except by consent of a majority of those Senators present.

#### **8.6—Limitation on debate**

When a matter is under debate by the Senate, a Senator may move to limit debate, and such motion shall be decided without debate, except the introducer of the matter on which debate would be limited shall have five (5) minutes to discuss said motion. If, by a two-thirds (2/3) vote of those Senators present, the question is decided in the affirmative, debate shall be limited accordingly. Debate may be further extended by a majority vote.

#### **8.7—Points of order, parliamentary inquiry, definitions**

(1) A “point of order” is the parliamentary device used to require a deliberative body to observe its own rules and to follow established parliamentary practice.

(2) A “parliamentary inquiry” is a request for information from the presiding officer:

- (a) About business pending or soon to be pending before the Senate; or
- (b) A device for obtaining a predetermination of a rule or a clarification thereof which may be presented in hypothetical form.

#### **8.8—Questioning decision not to abstain**

A point of order questioning the decision of a Senator not to abstain from voting on account of a conflict of interest may be raised after the vote has been recorded and before the result is announced.

See Rule 1.20—Attendance, voting, and disclosure of conflicts.

See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

#### **8.9—Appeals**

Taking exception to a ruling of a presiding officer shall be by appeal. An appeal from a decision of the presiding officer must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; and, if the determination of the appeal is dependent on this point, it may be decided by the presiding officer. This second (2nd) decision is also subject to appeal.

#### **8.10—Appeals debatable**

An appeal from a decision of the presiding officer on a point of order is debatable even though the question from which it arose was not debatable.

#### **8.11—Questions of privilege**

(1) Questions of privilege have two (2) forms:

- (a) Privilege of the Senate—Those affecting the rights of the Senate collectively, its safety, dignity, and the integrity of its proceedings; and
- (b) Privilege of a Senator—The rights, reputation, and conduct of Senators individually, in their representative capacity only.

(2) These shall have precedence over all other questions except motions to adjourn or recess. A question of privilege affecting either house collectively takes precedence over a question of privilege affecting an individual Senator.

### **RULE NINE**

#### **LOBBYING**

##### **9.1—Those required to register**

All persons (except those specifically exempted) who seek to encourage the passage, defeat, or modification of legislation in the Senate or before its committees shall, before engaging in such activity, register as prescribed by law and the Joint Rules of the Florida Legislature.

##### **9.2—Obligations of lobbyist**

(1) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view from which he or she openly declares. A lobbyist shall not offer or propose anything to improperly influence the official act, decision, or vote of a legislator.

(2) A lobbyist, by personal example and admonition to colleagues, shall uphold the honor of the legislative process by the integrity of his or her relationship with legislators.

(3) A lobbyist shall not knowingly and willfully falsify a material fact or make any false, fictitious, or fraudulent statement or representation or make or use any writing or document knowing the same contains any false, fictitious, or fraudulent statements or entry.

##### **9.3—Lobbyists’ requirements**

A lobbyist shall adhere to the statutory requirements for lobbyists provided by law and the Joint Rules.

##### **9.35—Contributions during sessions**

During a regular legislative session, and during an extended or special session as further provided for in Rule 1.361(2), a lobbyist may not directly or indirectly contribute to a Senator’s own campaign, or to any organization that is registered, or should have been registered, with the Rules Committee pursuant to Rule 1.361(3).

##### **9.4—Advisory opinions**

(1) A lobbyist, when in doubt about the applicability and interpretation of Rule Nine (9) in a particular context, may submit in writing a statement of the facts involved to the Rules Committee and may appear in person before said committee.

(2) The Rules Committee may render advisory opinions to any lobbyist who seeks advice as to whether or not the facts in a particular case will constitute a violation of these Rules. All opinions shall delete names and be numbered, dated, and published in the Journal.

##### **9.5—Compilation of opinions**

The Secretary shall compile all advisory opinions of the Rules Committee.

##### **9.6—Violations; investigations, penalties**

(1) Any person may file a sworn complaint with the Rules Chair alleging a violation of the Rules regulating the conduct and ethics of lobbyists. The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named lobbyist which form the basis for the complaint, and shall identify the specific Rule alleged by the complainant to have been violated by the lobbyist. Upon a determination by the Rules Chair that the complaint states facts supporting a finding of probable cause, the complaint shall be referred to a special master. Upon a determination by the chair that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed. The special master shall conduct an investigation, shall give reasonable notice to the lobbyist who is alleged to have violated the Rules, and shall grant the lobbyist an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master’s report and recommendation is advisory only and shall be presented to the chair as soon as practicable after the close of the investigation. If the special master’s report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair. If

the complaint is not dismissed, the Rules Committee shall consider the special master's report and recommendation, shall grant the lobbyist an opportunity to be heard, and shall develop its own recommendation. If the Rules Committee votes to dismiss the complaint, the Rules Chair shall dismiss the complaint. Otherwise, the special master's report and recommendation and the recommendation of the Rules Committee shall be presented to the President. The President shall present the committee's recommendation, along with the special master's report and recommendation, to the Senate for final action.

(2) Any person determined to have violated the requirements of Rule Nine (9) shall be censured, reprimanded, placed on probation, or prohibited from lobbying for the duration of the session and from appearing before any Senate committee. Such determination shall be made by a majority vote of the Senate, on recommendation of the Rules Committee.

### 9.7—Committees to be diligent

Committees shall be diligent to ascertain whether those who appear before them, in other than an obviously individual capacity, have conformed to the requirements of Rule Nine (9), the Joint Rules, and any other applicable law, and shall report violations. No committee member shall knowingly permit an unregistered lobbyist to be heard.

### 9.8—Lobbyist expenditures and compensation

Chapter 2005-359, *Laws of Florida*, amends existing provisions of the law relating to legislative lobbying at the state level in Florida and adds new and substantial obligations, prohibitions, and requirements.

This Rule provides assistance to persons seeking to comply with the letter and spirit of the new law as it applies in the legislative context by refining the law and providing Interim Lobbying Guidelines and answers to 25 Frequently Asked Questions. It also is intended to provide guidance to the legislative committees that will participate in enforcing the new law.

Part One of the Guidelines refines and applies the new prohibition, with ten clearly stated exceptions, so that Senators and Senate employees can no longer directly or indirectly take any "expenditure" from a lobbyist or principal in either the public or private sector.

Part Two of the Guidelines refines and applies the underlying core requirement that "lobbying firms" must publicly disclose the compensation they receive for lobbying activities, and does so in a way that is narrowly tailored, furthers the state's compelling governmental interest in regulating legislative lobbying at the state level, and employs the least intrusive means available to do so.

This Rule sets out general principles. Outcomes depend heavily on underlying fact patterns that can vary greatly from case to case. Full disclosure of the operative facts must be provided and considered before a proper and correct answer can be derived.

A Senator may request an informal advisory opinion from the Senate General Counsel regarding the application of the new law and this Rule to a specific situation, on which the legislator may reasonably rely.

The houses of the Legislature are responsible for the administration and enforcement of the legislative lobbying portions of the new law. The legislative lobbying expenditure prohibitions are not part of the Florida Code of Ethics for Public Officers and Employees. Neither the Florida Commission on Ethics nor the Florida courts have jurisdiction to interpret these internal matters of the Legislature.

## Part One—Expenditures

### (1) General Guidelines

#### a) The Expenditure Prohibition

The new law contains a prohibition against lobbyists and principals making direct or *indirect* lobbying expenditures for legislators and legislative employees. It provides:

[N]o lobbyist or principal shall make, directly or indirectly, and no member or employee of the Legislature shall knowingly accept, directly or indirectly, any *expenditure*.... (emphasis added).

The new expenditure prohibition applies only to expenditures made by lobbyists and principals. It applies whether or not the lobbyist, principal, legislator, or legislative employee is in Florida. Florida's gift law, section 112.3148, *Florida Statutes*, continues to apply to gifts to legislators and legislative employees from others.

**Example:** A legislator may accept a subscription to a newspaper or periodical that is neither published by, nor paid for, nor provided by a lobbyist or a principal.

**Example:** A legislator may not accept a free health screening or other personal service provided on behalf of an association that is a principal.

**Example:** A legislator may, as either a member or an invited guest, participate in meetings of, and partake of the food and beverage provided by a civic organization if the organization is not a principal.

The practical effect of this law is to prohibit expenditures for attempting to obtain the goodwill of a member or employee of the Legislature, and it is not designed to prohibit expenditures made in attempting to influence legislative action or non-action through oral or written communication.

#### b) Definitions

"*Expenditure*" is defined, essentially, as anything of value made by a lobbyist or principal *for the purpose of lobbying*.

"*Lobbying*," in turn, means: (1) influencing or attempting to influence legislative action through oral or written communication ("active lobbying"); or, (2) attempting to obtain the *goodwill* of a member or employee of the Legislature ("goodwill").

"*Goodwill expenditure*" is a gift, an entertainment, any food or beverage, lodging, travel, or any other item or service of personal benefit to a legislator or legislative employee.

Goodwill expenditures include contributions or donations from a lobbyist or a principal to a charitable organization that is, directly or indirectly, established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof.

A "*lobbyist*" is a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying, or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity.

"*Personal benefit*" means a profit or gain pertaining to, directed toward, or affecting a person.

A "*principal*" means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; *the individual members of the association are not principals merely because of their membership in the association*.

#### c) Honorarium-related Expenses

It is no longer permissible to accept from a lobbyist or principal, directly or indirectly, payment or reimbursement of expenses for travel, food, lodging, or beverage, related to speaking engagements or other honorarium-type events.

#### d) Indirect Expenditures

An indirect expenditure is an expenditure that is not made directly to a legislator or legislative employee, but is made to another with the purpose that the expenditure be used for the personal benefit of a legislator or legislative employee.

The new expenditure prohibition *expressly* prohibits any lobbyist or principal from directing prohibited lobbying expenditures through a surrogate or through any person who by his or her actions or activities is obligated to register as a lobbyist but has failed to do so. Third-party intermediaries, such as employees, members of associations and others, cannot be used to make prohibited expenditures.

Where an item or service (anything of value) is provided to a person *other* than a legislator or legislative employee by a lobbyist or principal and the item or service or the benefit attributable to the item or service ultimately is received by the legislator or employee, and where the item or service is provided with the intent to benefit the legislator or employee, such item or service constitutes a prohibited indirect expenditure to the legislator or employee.

Factors to be considered in determining whether a prohibited indirect expenditure has been made are set out on the following page in the joint functionality test:

#### TEST FOR DETERMINING LEGALITY OF AN INDIRECT EXPENDITURE

(1) The existence or nonexistence of communications by the lobbyist or principal indicating the lobbyist's or principal's intent to make or convey the item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the intervening third person;

(2) The existence or nonexistence of communications by the intervening third person indicating the intent to make or convey the lobbyist's or principal's item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the third person;

(3) The existence or nonexistence of any relationship between the lobbyist or principal and the third person, independent of the relationship between the lobbyist or principal and a legislator or employee, that would motivate the transfer to the third person;

(4) The existence or nonexistence of any relationship between the third person and a legislator or employee that would motivate the transfer;

(5) Whether the same or similar items or services have been or are being provided to other persons having the same relationship to the lobbyist or principal as the third person;

(6) Whether, under the circumstances, the third person had full and independent decision-making authority to determine whether a legislator or employee, or another, would receive the items or services, or a personal benefit attributable to the items or services;

(7) Whether the third person was acting with the knowledge or consent of, or under the direction of, the lobbyist or principal;

(8) Whether there were payments or the intention for any payments or bookkeeping transactions between the third person and the lobbyist or principal, reimbursing the third person for the items or services;

(9) The degree of ownership or control the lobbyist or principal had over the third person; and

(10) Whether a lobbyist or principal knew, or should have known, that an item or service provided to a third party would be used to provide a personal benefit to a legislator or employee, such as for the funding of a legislative reception or an event to be attended by legislators or employees.

The following examples illustrate some of the applications of the foregoing indirect expenditure criteria:

**Example 1:** A law firm which lobbies the Legislature invites all of its attorneys to attend a weekend retreat. The attorneys are encouraged to bring their spouses or significant others at the firm's expense. Legislator C is married to an attorney in the firm and has been asked by her spouse to attend the retreat. The lodging provided to Legislator C for the retreat, food and drink, firm t-shirts, and the like would be considered a gift to her from her spouse and thus not a prohibited indirect expenditure, because the firm's invitation was extended to Legislator C's spouse by virtue of his employment with the firm.

**Example 2:** Legislator D hosts a fox hunt attended by legislators and lobbyists. Lobbyists give money to a third person, who is not a legislator or a legislative employee, to pay for the food and beverages which will be served at the fox hunt. The third party orders and prepares the food and beverages. The money provided to the third person by the lobbyists

would be a prohibited indirect expenditure to Legislator D because it was given with the intent of benefiting him and his guests at the fox hunt.

**Example 3:** Legislator N and spouse have arranged to take a vacation trip together. A legislative lobbyist meets with Legislator N's spouse and offers to pay for the spouse's travel expenses. The lobbyist and Legislator N's spouse know each other only through the lobbyist's involvement with the legislator. This would constitute a prohibited indirect expenditure to Legislator N under the new law.

#### e) Equal or Greater Compensation

An expenditure is not prohibited when equal or greater value is given contemporaneously by the recipient to the donor.

Therefore, it is not an expenditure if:

1. The fair market value of the event, meeting, or other activity, including any food, beverage, transportation, lodging, or any other thing of value, can readily be determined, and

2. The legislator or legislative employee pays his or her pro rata share of the total fair market value to the person or organization hosting the event contemporaneously with the time of attending or participating in the event.

Thus, if a lobbyist or principal provides \$35 worth of goods or services to a legislator or legislative employee but the legislator or legislative employee *contemporaneously* provides *equal or greater consideration*, the lobbyist or principal has not provided *anything of value*, thus, there is no "expenditure."

#### f) Valuation

The law is silent as to the *valuation* of goods and services. *Fair market value* is the proper and applicable standard of valuation.

The retail price of an item or service is presumed to be its fair market value so long as it is reasonable in relation to the value of the item or service and the amount is not subsidized by a lobbyist or principal.

In valuing an expenditure, you may exclude the amount of additional expenses that are regularly required as a condition precedent to the donor's eligibility to make the expenditure if the amount expended for the condition precedent is primarily intended to be for a purpose other than lobbying, and is either primarily for the benefit of the donor or is paid to a charitable organization. Initiation fees and membership fees are examples of additional expenses that are regularly required as conditions precedent for eligibility to make an expenditure. Transportation expenses incurred to bring a member to an out-of-town event are not.

Entrance fees, admission fees, or tickets are normally valued on the face value or on a daily or per event basis. The portion of a ticket attributable to a charitable contribution is not included in the value. Conversely, if the ticket is subsidized by contributions of lobbyists or principals, the pro rata subsidized amount must be attributed to the face value.

A person providing transportation in a private automobile shall be considered to be making an expenditure at the then-current statutory reimbursement rate, which is currently 29 cents per mile. The value of transportation provided in other private conveyances must be calculated on its fair market value.

#### g) Exceptions

##### 1. Relatives

A relative is an individual who is related to the member or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, or step great grandchild; any person who is engaged to be married to the member or employee or who otherwise holds himself or herself out as or is generally known as the person whom the member or employee intends to marry or

with whom the member or employee intends to form a household; or any other natural person having the same legal residence as the member or employee.

This definition of “relative” is taken from former Joint Rule 1.4(4)(b), and has operated historically as an exception to the presumption that things of value given to a legislator or employee by a lobbyist or principal are intended for the purpose of engendering goodwill.

**Example:** A legislator is permitted to accept a Christmas gift from an aunt, even if she is a lobbyist. The gift is not deemed an expenditure made for the purpose of lobbying because of the family relationship between the donor and the donee.

## 2. Employment-related Compensation and Benefits

Salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with the recipient’s employment, business, or service as an officer or director of a corporation or organization are not prohibited expenditures so long as they are given in an amount commensurate with other similarly situated employees, officers, or directors.

These sorts of expenditures are currently also excepted from the definition of a gift in section 112.312(12)(b), *Florida Statutes*, and are a necessary exception in order for many legislators to continue their employment or continue their service on boards and continue to serve in Florida’s citizen Legislature.

**Example:** A legislator who is on the board of directors of an organization that has a lobbyist is nevertheless permitted to partake of food and beverage provided to the board members by the organization at its board meetings.

## 3. Political Organizations and Entities

An expenditure does not include contributions or expenditures reported pursuant to chapter 106, *Florida Statutes*, or its federal law counterpart; campaign-related personal services provided without compensation by individuals volunteering their time; any other contribution or expenditure made by a chapter 106 entity such as a candidate campaign, political committee, organization making electioneering communications, political party, or committee of continuous existence; or an entity qualified under section 501(c)(4) or section 527 of the Internal Revenue Code.

Members are cautioned that these organizations or entities may not be used as a vehicle for skirting the new lobbying expenditure law. To the extent that funds come from lobbyists or principals, one should exercise great care that the expenditures are legal and appropriate for that particular organization or entity.

## 4. Communications Expenses

The expenditure prohibitions in the new law do not reach expenditures made by a lobbyist or principal for items such as “media advertising,” “publications,” “communications,” and “research.”

Expenditures for researching, gathering, collating, organizing, providing, or disseminating information for the *exclusive* purpose of “active lobbying” (influencing or attempting to influence legislative action through oral or written communication) are necessary for Floridians to be able to “instruct their representatives.”

## 5. Office and Personal Expenses of Lobbyists and Principals

“Office expenses” and personal expenses of the lobbyist or principal for “travel,” “lodging,” and “food and beverages” as those items were defined in former Joint Rule 1.4(4)(c) are exempt from the prohibition on lobbying expenditures. This category does not include any expenses for legislators, legislative employees, or persons whose expenses would be attributed to them.

## 6. Government to Government Expenditures

Real property or a facility owned or operated by a state or local public agency or entity that is a lobbying principal and transportation to, from, and at the location provided by that agency or entity may, with the prior approval of the respective state legislative presiding officer or his or her designee, be used without payment, by a member, committee, or staff of

the Legislature for a public legislative purpose. Such purposes include publicly noticed legislative committee meetings and site visits to operations conducted by the public agency or entity. Allowable free uses also specifically include legislative district offices and sub-offices and the normally attendant utilities, parking, janitorial services, building maintenance, and telecommunications equipment and services common to a government building in which the office is located. Allowable free use does not extend to sports or entertainment venues; does not include food, beverages, or entertainment; and does not include free parking privileges at any location other than a district office or sub-office.

## 7. Free and Open Public Events

Expenditures directly associated with events that are held within the Capitol complex, out-of-doors or under temporary shelter, open to the general public, widely and publicly noticed, free to all, not ticketed, and for which equal and totally unobstructed access to the general public is provided, are not prohibited expenditures made by lobbyists or principals, or when accepted by legislators or legislative employees.

**Example:** Atlas County, Florida, is holding Atlas Day in the plaza between the Capitol and the Historic Capitol. Lunch is served to all comers. The event was widely publicized and access to the event and the food and beverage is totally unobstructed. Legislators may partake as well.

## 8. Regional and National Legislative Organizations

The prohibition does not apply to expenditures made directly or indirectly by a state, regional, or national organization that promotes the exchange of ideas between, or the professional development of, governmental officials or employees, and whose membership is primarily composed of elected or appointed public officials or staff to members of that organization or to officials or staff of the Legislature. This exception does not include extracurricular activities, entertainments, or items or services provided at conferences that are paid for or provided by a lobbyist or principal.

## 9. Monetary Value Impossible to Ascertain

The value of some items is *truly impossible* to quantify at the time of the expenditure. Expenditures for which a monetary value is not ascertainable at the time of the expenditure are not prohibited. Examples are: appearing on a news show or having a feature article about a legislator in a trade magazine or other medium, applause received by a legislator at an event, obtaining priority seating in a crowded restaurant or priority for obtaining services where there is an established queue, or the pro rata portion of a host’s monthly or annual membership in an exclusive supper club.

## 10. Plaques and Certificates

The prohibition does not apply to personalized wall plaques, personalized photographs, or personalized certificates that have no substantial inherent value other than recognizing the donee’s public, civic, charitable, or professional service.

## h) Effect of Other Laws and Rules

To the extent that an expenditure is excluded or exempt from the new lobbying prohibition in section 11.045, *Florida Statutes*, it is still subject to the restrictions and requirements in other statutes: most notably, the gift law (section 112.3148, *Florida Statutes*) and the campaign finance law (chapter 106, *Florida Statutes*).

## (2) Frequently Asked Questions

### LEGISLATIVE EVENTS/RECEPTIONS

1. *Question:* Can a county legislative delegation or delegation office sponsor an annual event in Tallahassee on public grounds or in quarters belonging to either the Senate or the House of Representatives (i.e., “Flavors of Hillsborough”)?

**ANSWER:** A county legislative delegation may host an annual event in Tallahassee provided that no free food, beverages, or other personal benefits to a legislator or legislative employee are paid for or provided by a lobbyist or principal, either directly or indirectly.

Legislators and legislative staff may pay an amount established and published by the delegation as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the delegation may make the event a free, open public event as described in Paragraph 1.g)7. above.

2. *Question: Can a legislator or legislative employee go up to the 22nd floor of the Capitol and partake of free food and drink provided by an organization hosting a luncheon or event at the Capitol?*

**ANSWER:** It depends. Yes, provided the organization hosting the event is not a principal and none of the food and beverages are paid for or provided by a lobbyist or principal. Otherwise, the legislator or legislative employee could attend the event but could not partake of the free food or beverages or they can pay the fair market value of what they consume.

3. *Question: Can “legislative days” that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees during the session and are hosted by counties, cities, universities, and others that employ a lobbyist continue?*

**ANSWER:** “Legislative days” and other legislative events funded by lobbyist or principal dollars may continue *provided* no free food, drink, entertainment, or other personal benefit is provided to a legislator or legislative employee, either directly or indirectly. Any such benefit would be a prohibited goodwill expenditure.

Legislators and legislative staff may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.

4. *Question: Can a not-for-profit organization host receptions and events for legislators that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees through contributions solicited from lobbyists or principals who sponsor the reception or event?*

**ANSWER:** The charity may host a reception or event for legislators and legislative employees *provided* that no free food, beverages, entertainment, or other personal benefit is provided to a legislator or legislative employee from the funds of lobbyists or principals.

Legislators and legislative employees may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.

5. *Question: Can a lobbyist or principal host an event with food, beverages, entertainment, or other personal benefit for legislators or legislative employees and collect from each legislator or legislative employee, a flat, per-person entrance fee based on the total cost to plan, produce, stage, and clean up after the event, divided by the number of persons reasonably expected to attend?*

**ANSWER:** Yes.

6. *Question: Each year, a few associations host legislative receptions/BBQs and invite their members as well as legislators. They usually pass out campaign funds at these events to those who support their industry. Would it now be legal to host this event if it were called a “fundraiser”? Could legislators then accept free food and beverages at the event?*

**ANSWER:** Senate Rule 1.361 precludes a senator, and House Rule 15.3 precludes a representative, from accepting a campaign contribution during a regular or special session, in addition to prohibiting them from accepting contributions on behalf of a section 527 or section 501(c)(4) organization, a political committee, a committee of continuous existence, a political party, or the campaign of any other senatorial candidate or candidate for representative, respectively. Thus, any fundraiser held during a regular or special session would violate the rules of each house.

Fundraisers not held during a regular or special session are outside the purview of the expenditure prohibitions in the new law. A goodwill lobbying expenditure does not include contributions or expenditures reported pursuant to chapter 106, *Florida Statutes*. However, if the facts

and circumstances demonstrate that calling the event a “fundraiser” is merely an artifice for lobbyists or principals to provide free gifts, food, beverages, and other items or services of personal benefit to a legislator, not associated with influencing the results of an election, then the fundraiser would violate the expenditure prohibition of the new law. Note, also, that fundraisers remain subject to the contribution restrictions and requirements of Florida’s campaign finance law (chapter 106, *Florida Statutes*).

#### HONORARIA EXPENSES

7. *Question: Can a lobbyist or principal continue to pay or reimburse a legislator’s or legislative employee’s expenses for such items as food and beverages, travel, and lodging associated with an honorarium event?*

**ANSWER:** No.

#### GIFTS TO LEGISLATORS

8. *Question: Can a school child give a legislator a painting that he or she has made?*

**ANSWER:** Yes. The prohibition against lobbying expenditures only applies to lobbyists and principals, and those acting on their behalf.

9. *Question: Can a school student whose parent is a lobbyist or principal give a scarf that was purchased by the child’s parent to a legislator as a gift?*

**ANSWER:** It depends. The lobbying expenditure prohibition applies to all gifts from lobbyists or principals to legislators, directly or *indirectly*. A lobbyist or principal cannot use a third-party intermediary to circumvent the lobbying expenditure prohibition. Thus, if the facts and circumstances demonstrate that the scarf is an indirect gift from the lobbyist or principal to the legislator, it would be prohibited.

10. *Question: Can a legislator accept rent-free office space and associated building services from a city, county, or community college in his or her district that employs or retains a lobbyist?*

**ANSWER:** Yes. See Paragraph 1.g)6. above for explanation and limitations.

11. *Question: Can a legislator or legislative staff accept transportation services from another governmental entity?*

**ANSWER:** Yes. See Paragraph 1.g)6. above for explanation and limitations.

12. *Question: Are there any value limitations on the exceptions in the new law for “floral arrangements or other celebratory items given to legislators and displayed in chambers on the opening day of a regular session”?*

**ANSWER:** Yes. All opening day flowers and floral arrangements are subject to the limitations and requirements of the gift law (section 112.3148, *Florida Statutes*). No other celebratory items will be allowed in either chamber on opening day of the regular session.

#### FOOD AND BEVERAGES/GIFTS

13. *Question: Can a legislator or legislative employee and his or her spouse have dinner with a lobbyist friend the legislator or legislative employee has known for 30 years at the lobbyist’s home, whether or not active lobbying occurs?*

**ANSWER:** Yes, *provided* the legislator or legislative employee contemporaneously provides the lobbyist with the pro rata share of the total fair market value of the cost of the food and beverages provided to the legislator or legislative employee and his or her spouse, either in cash or barter (i.e., bottle of wine, flowers). Otherwise, the expenditure for food and beverages would constitute a prohibited goodwill expenditure, irrespective of the extent of the legislator’s and lobbyist’s friendship.

14. *Question: Can a lobbyist or principal and legislator or legislative employee have dinner at a public restaurant?*

**ANSWER:** Yes, *provided* the dinner is “Dutch treat.”

15. *Question: Can a lobbyist or principal and a legislator or legislative employee have dinner “Dutch treat” at the Governor’s Club?*

**ANSWER:** Yes, *provided* the legislator or legislative employee pays the total cost of all food and beverage that he or she was served or consumed, or that was served to or consumed by a person whose expenditures are attributed to the legislator or legislative employee.

16. *Question: Can a lobbyist’s business partner, employee, spouse, or child, who is not a registered lobbyist, accompany the lobbyist and legislator or legislative employee to dinner and pay for all the food and beverages if the partner, employee, spouse, or child does not actively lobby?*

**ANSWER:** No. The lobbying expenditure prohibition applies to all food and beverages provided by lobbyists or principals to legislators or legislative employees, directly or *indirectly*. A lobbyist or principal cannot utilize a third-party intermediary to channel gifts to legislators to circumvent the lobbying expenditure prohibition.

17. *Question: If someone offers a legislator or legislative employee a drink at a bar, or any other gift or personal benefit, does the legislator or legislative employee have a duty to inquire if the donor is a lobbyist or principal?*

**ANSWER:** Yes. A legislator or legislative employee is liable for *knowingly* accepting an expenditure from a lobbyist or principal, or someone acting on behalf of a lobbyist or principal. “Knowingly” has many statutory definitions, including that a person: (1) has *actual knowledge* of the information; (2) acts in *deliberate ignorance* of the truth or falsity of the information; or, (3) acts in *reckless disregard* of the truth or falsity of the information. Therefore, prudence dictates that the legislator or legislative employee, at a minimum, make *reasonable inquiry* as to the source of the proposed expenditure to determine whether it is prohibited. *Reasonableness* will turn on the facts and circumstances of each individual situation.

For example, a legislator receiving an invitation to an event to be held the next week, from an organization he or she is not familiar with would likely require that the legislator, *at a minimum*, consult the online directory of legislative principals and lobbyists, and perhaps make further inquiry if facts or circumstances come to light indicating that the organization might be making the expenditure on behalf of a lobbyist or principal. Similarly, a legislator offered a drink from someone he or she doesn’t know in a Tallahassee bar or restaurant generally known to be frequented by lobbyists would probably be required, *at a minimum*, to ask whether the person is a lobbyist or principal or affiliated with a lobbyist or principal. On the other hand, a Miami legislator on personal holiday with his or her spouse at Busch Gardens in Tampa, who strikes up a friendship with a couple they don’t know visiting from Colorado and who subsequently offers to pay for the legislator’s and spouse’s dinner probably has less of a duty to inquire whether either member of the couple is a Florida lobbyist or principal.

#### CHARITIES

18. *Question: Can a legislator or legislative employee raise funds from lobbyists or principals for charitable causes?*

**ANSWER:** Yes, *provided* the charity for which funds are sought is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof. Otherwise, such a contribution or donation would constitute a prohibited goodwill expenditure.

19. *Question: Can a legislator or legislative employee establish or operate a charitable foundation that relies on lobbyist or principal support?*

**ANSWER:** No. A legislator or legislative employee may establish or operate a charitable organization but none of the money contributed or donated to the charity may be from lobbyists or principals. Such a contribution or donation would constitute a prohibited goodwill expenditure.

20. *Question: Can a legislator or legislative employee sit on the board of a charitable organization that is not established by, organized by, op-*

*erated primarily by, or controlled by a legislator or legislative employee, or any combination thereof? Can he or she accept free food and beverages provided by the charity and be reimbursed by the charity for expenses associated with the work of the charity (i.e., travel, lodging)?*

**ANSWER:** Yes. A legislator or legislative employee may sit on the board of a charitable organization that receives donations and contributions from lobbyists, and may partake of free food, beverages, and other personal benefits provided by the charity to board members in connection with their service, including reimbursement of personal expenses incurred by board members in furtherance of the charity’s work. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with a legislator’s or legislative employee’s employment, business, or service as an officer or director of a corporation or organization. *However*, any such salary, benefit, services, fees, commissions, gifts, or expenses cannot be from funds earmarked by lobbyists or principals to the charity for such purpose and must be received only for the legislator’s or legislative employee’s service as a member of the board.

21. *Question: Can a legislative caucus that is established as a non-profit group raise funds from lobbyists for its charitable causes?*

**ANSWER:** It depends. If the legislative caucus or the nonprofit group is directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is no.

If the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, or operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is yes.

22. *Question: Can a legislative caucus that is established as a non-profit group host its own charity golf tournament funded by lobbyist or principal “sponsors” at a private club, where the cost of sponsorship buys an opportunity to play golf with a member of the caucus, and to make a presentation to the caucus before and after the event?*

**ANSWER:** Yes, *provided* the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, and the legislators and legislative employees pay their own golf fees and the per-person cost for food and beverage.

#### OTHER

23. *Question: What happens when a legislator is married to, related to, or living with a lobbyist? Can the lobbyist pay for meals, lodging, etc.?*

**ANSWER:** Yes, *provided* the lobbyist does not use the expenditure to actively lobby the legislator. Expenditures by “relatives” of a legislator for food, lodging, travel, and the like are specifically exempt from the definition of a goodwill expenditure.

24. *Question: Can a legislator be employed by a lobbyist or principal? Can a legislator go to the employer’s retreat and partake of food and beverages?*

**ANSWER:** Yes. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses *associated primarily with a legislator’s or legislative employee’s employment*, business, or service as an officer or director of a corporation or organization.

25. *Question: Where a lobbyist or principal leaves a gift, such as a box of chocolates, in a legislator’s office, what should the legislator do with the item?*

**ANSWER:** When a legislator or legislative employee receives an item that they believe violates the prohibition against accepting an expenditure from a lobbyist or principal, the item must either be sent back to the donor or delivered to the Sergeant at Arms for disposal.

#### Part Two—Compensation

##### (1) General Guidelines

Chapter 2005-359, *Laws of Florida*, for the first time, requires the reporting of *compensation* received by *lobbying firms* for each calendar quarter, both in the aggregate and for each individual principal. Much of the reporting is done in dollar categories; however, if compensation from a single principal is \$50,000 or more in a calendar quarter, the lobbying firm must report the specific dollar amount of the compensation, rounded to the nearest \$1,000.

A “lobbying firm” is any business entity with a lobbyist, or an individual contract lobbyist, who gets paid to lobby for a principal. It is the lobbying firm that must report, *not the individual lobbyists in the firm* (except in the case of an individual contract lobbyist, where the lobbyist also comprises the entire lobbying firm).

Reports are due no later than 45 days after the end of each calendar quarter. Compensation reports must be filed electronically using the online filing system of the Office of Legislative Services.

The new law requires the senior partner, officer, or owner of the lobbying firm to certify to the veracity and completeness of each compensation report. This requirement is designed to discourage the mischaracterization and thus omission of reportable compensation through designations such as “media fees,” “consulting services,” “professional services,” “governmental services,” and other such artifices.

For example, if a law firm were paid a lump sum for rendering multiple types of services to a client, only one of which is lobbying, then the person certifying the report is responsible for properly and reasonably allocating the portion of the total fee received for lobbying activities and for activities other than lobbying. Only the compensation received for *lobbying* activities is to be reported on the compensation form.

The Legislature will use random audits supplemented by the lobbyist disciplinary process to hold the person certifying the compensation report and the lobbying firm accountable for making a true, complete, properly-allocated report as required by law. In addition, the certification brings every compensation report filer within the scope of potential criminal penalties in section 837.06, *Florida Statutes*, for culpable violations.

## (2) Frequently Asked Questions

1. *Question: Is an in-house, salaried lobbyist for an association, a governmental entity, or a corporation that does not derive income from principals for lobbying required to report compensation?*

**ANSWER:** No. An association, a governmental entity, a corporation or other business entity that does not derive income from principals for lobbying, and its employee lobbyists, are not a “lobbying firm” as defined in section 11.045(1)(g), *Florida Statutes*. Only “lobbying firms” must report compensation as provided in section 11.045(3)(a), *Florida Statutes*.

2. *Question: Does the prohibition against providing compensation to an individual or business entity that is not a lobbying firm mean that in-house lobbyists must either become a lobbying firm or cease lobbying?*

**ANSWER:** No. The provision in question merely clarifies that reportable “compensation” under the law must be provided to a “lobbying firm,” and not contracted or subcontracted through some “straw man” to circumvent compensation reporting requirements. The provision in question clarifies and emphasizes the statutory definition of “compensation” in section 11.045(1)(b), *Florida Statutes*, as “anything of value provided or owed to a *lobbying firm*.”

#### 11.7—Sources of procedural authority

The latest edition of *Mason’s Manual of Legislative Procedure*, *Jefferson’s Manual*, or other manuals of comparable legislative application may be consulted, but shall not be binding, when a question of parliamentary procedure is not addressed by the *State Constitution*, these Rules, Joint Rules, or prior rulings of the presidents.

### RULE TWELVE

#### EXECUTIVE SESSIONS, APPOINTMENTS, SUSPENSIONS, AND REMOVALS

#### PART ONE—EXECUTIVE SESSIONS

##### 12.1—Executive session; authority

The business of the Senate shall be transacted openly and not in executive session except under conditions pursuant to Article III, Section 4(b) of the *State Constitution*.

##### 12.2—Executive session; purpose

Pursuant to Article III, Section 4(b) of the *State Constitution*, the Senate may resolve itself into executive session for the sole purpose of considering appointment, removal, or suspension. No one shall be in attendance except Senators, the Secretary, and staff as approved by the President, who shall be sworn not to disclose any executive business without consent of the Senate.

##### 12.3—Executive session; vote required

When the Senate agrees, by a majority of those Senators present, that specified appointments, removals, or suspensions shall be considered in executive session, such shall be calendared for formal consideration by the Senate.

##### 12.4—Executive session; work product confidentiality

All information and remarks including committee work product concerning the character and qualification, together with the vote on each appointment, removal, or suspension considered in executive session shall be kept confidential except information on which the bans of confidentiality were lifted by the Senate while in executive session.

##### 12.5—Executive session; separate Journal

A separate Journal shall be kept of executive proceedings of the Senate, and no information regarding same shall be made public except by order of the Senate or by order of a court of competent jurisdiction.

##### 12.6—Violation of Rule

Violation of the above Rules as to the confidentiality of the proceedings of executive sessions shall be considered by the Senate as sufficient grounds for unseating the offending Senator.

#### PART TWO—APPOINTMENTS, SUSPENSIONS, AND REMOVALS

##### 12.7—Procedure; generally

Except as otherwise herein provided, on receipt by the Senate of appointments or suspensions on which action by the Senate is required, the President shall refer each to the Ethics and Elections Committee, other appropriate committee or committees, or a special master appointed by the President. Any such committee, subcommittee, or special master shall make inquiry or investigation and hold hearings, as appropriate, and advise the President and the Senate with a recommendation and the necessity for deliberating the subject in executive session. Reports and findings of the committee, subcommittee, or special master appointed pursuant hereto are advisory only and shall be made to the President. The report of the committee, subcommittee, or special master may be privileged and confidential. The President may order the report presented to the Senate in either open or executive session, or the President may refer it to the Rules Committee for its consideration and report. When the report is presented to the Senate during an open sitting or received by the Rules Committee, the report shall lose its privileged and confidential character.

##### 12.8—Procedure on executive appointments

(1) Upon receipt of a request from the Governor or other appointing official or authority for the return of the documentation of an appointment, which appointment has not been acted upon by the Senate, the Secretary, upon consultation with the President, shall return the appointment documentation and the return shall be noted in the Journal. The appointee whose appointment was returned continues in office until the end of the next ensuing regular session of the Legislature or until the Senate confirms a successor, whichever occurs first.

(2) If the appointment returned was made by the Governor, official or authority’s predecessor, the appointee shall not be subject to the provisions of section 114.05(1)(e) or (f), *Florida Statutes*, during the period of withdrawal.

(3) If the appointment returned was made by the Governor, official or authority requesting the return, for purposes of section 114.05(1)(e) and (f), *Florida Statutes*, the returned appointment shall be treated as if the Senate failed to consider the appointment.

##### 12.9—Procedure upon receipt of an executive suspension

(1) Unless suspension proceedings are held in abeyance, the committee, subcommittee, or special master shall institute action by transmitting a notice of hearing for a prehearing conference or a hearing on the merits within three (3) months after the effective date of the suspension order. The Governor and the suspended official shall be given reasonable notice in writing of any hearing or prehearing conference before the committee, subcommittee, or special master. If the Governor files an amended suspension order, the attention of the Senate, committee, subcommittee, or special master shall be directed at the amended suspension order.

(2) An executive suspension of a public official who has pending against him or her criminal charges, or an executive suspension of a public official that is challenged in a court shall be referred to the Ethics and Elections Committee, other appropriate committee, or special master; however, all inquiry or investigation or hearings thereon shall be held in abeyance and the matter shall not be considered by the Senate, committee, subcommittee, or special master until the pending charges have been dismissed, or until final determination of the criminal charges at the trial court level, or until the final determination of a court challenge, if any, and the exhaustion of all appellate remedies for any of the above. The committee, subcommittee, or special master shall institute action within three (3) months after the conclusion of any pending proceedings. In a suspension case in which the criminal charge is a misdemeanor, the committee, subcommittee, or special master and the Senate may proceed if the written consent of counsel for the Governor and of the suspended official is obtained.

(3) The committee, subcommittee, or special master may provide for a prehearing conference with counsel for the Governor and the suspended official to narrow the issues involved in the suspension. At such conference, both the Governor and the suspended official shall set forth

the names and addresses of all the witnesses they intend to call, the nature of their testimony, photocopies of all documentary evidence, and a description of all physical evidence that will be relied on by the parties at the hearing. Each shall state briefly what each expects to prove by such testimony and evidence. The suspended official may file with the Secretary, no later than ten (10) days prior to the first (1st) prehearing conference, or no later than the date set by the committee, subcommittee, or special master if no prehearing conference is held, all written defenses or matters in avoidance of the charges contained in the suspension order.

(4) When it is advisable, the committee, subcommittee, or special master may request that the Governor file a bill of particulars containing a statement of further facts and circumstances supporting the suspension order. Within twenty (20) days after receipt of the Governor's bill of particulars, the suspended officer shall file a response with the committee, subcommittee, or special master. Such response shall specifically admit or deny the facts or circumstances set forth in the Governor's bill of particulars, and may further make such representation of fact and circumstances or assert such further defenses as are responsive to the bill of particulars or as may bear on the matter of the suspension.

(5) The Senate may act on the recommendations of the committee, subcommittee, or special master at any time it is sitting but shall do so no later than the end of the next regular session of the Legislature.

(6) Within sixty (60) days after the Senate has completed final action on the recommendation of the committee, subcommittee, or special master, any party to the suspension matter may request the return, at that party's expense, of any exhibit, document, or other evidence introduced by that party. After the expiration of sixty (60) days from the date the Senate has completed final action, the committee, subcommittee, or special master may dispose of such exhibits or other evidence.

See FLA. CONST. art. IV, s. 7(b) Suspensions; filling office during suspensions.

#### **12.10—Adjudication of guilt not required to remove suspended officer**

For the purposes of Article IV, Section 7(b) of the *State Constitution*, the Senate may find that the suspended official has committed a felony notwithstanding that a court may have withheld adjudication of guilt upon which the suspension order is based in whole or in part.

#### **12.11—Special master; appointment**

The President may appoint and contract for the services of a special master to perform such duties and make such reports in relation to suspensions and removals as he or she shall prescribe.

#### **12.12—Special master; floor privilege**

With consent of the President, the special master may have the privilege of the Senate floor to present and explain the report and answer questions as to the law and facts involved.

#### **12.13—Issuance of subpoenas and process**

The committee, subcommittee, and special master shall each have the authority to request the issuance of subpoenas, subpoenas duces tecum, and other necessary process under Rule 2.2. The committee chair, subcommittee chair, and special master may each administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear to testify on matters pending before the committee, subcommittee, or special master.

#### **12.14—Rule takes precedence**

In any situation where there is a direct conflict between the provisions of Rule Twelve (12) and part V of chapter 112, *Florida Statutes*, Rule Twelve (12), derived from Article III, Section 4(a) of the *State Constitution*, shall take precedence.

everything after the enacting clause of any such bill referred to the committee. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house.

(5) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on said measure as the Senate may determine.
