## PRAYER

The following prayer was offered by Deacon Wallace Brown, Pilgrim Rest Missionary Baptist Church, Havana, a long-time employee of the Office of the Senate Sergeant at Arms:

Our Father, we come thanking you for all your wonderful blessings. Thank you for friends, family, and for the State of Florida as a place to live. Thanks for your Holy Spirit as a guide through this world. We pray for peace around the world. Thank you for keeping us and covering us. Strengthen us so we can keep the faith in you and what you are doing. Keep your loving arms around us and give us knowledge and wisdom.

Bless our state and bless these Senators with the blessing they stand in need of as they make tough choices in this state's government. Keep them humble and true, Lord. We love you because you first loved us, and we thank you for everything. We pray this prayer in our Father's name. Amen.

## PLEDGE

Senator Perry led the Senate in the Pledge of Allegiance to the flag of the United States of America.

—as amended June 8, was read the third time by title.

Senator Simpson moved the following amendment which was adopted by two-thirds vote:

**Amendment 1 (524652)**—Delete lines 1042-1095 and insert:

*b. Comply with department rules when processing marijuana with hydrocarbon solvents or other solvents or gases exhibiting potential toxicity to humans. The department shall determine by rule the requirements for medical marijuana treatment centers to use such solvents or gases exhibiting potential toxicity to humans.*

*c. Comply with federal and state laws and regulations and department rules for solid and liquid wastes. The department shall determine by rule procedures for the storage, handling, transportation, management, and disposal of solid and liquid waste generated during marijuana production and processing. The Department of Environmental Protection shall assist the department in developing such rules.*

*d. Test the processed marijuana using a medical marijuana testing laboratory before it is dispensed. Results must be verified and signed by two medical marijuana treatment center employees. Before dispensing, the medical marijuana treatment center must determine that the test results indicate that low-THC cannabis meets the definition of low-THC cannabis, the concentration of tetrahydrocannabinol meets the potency requirements of this section, the labeling of the concentration of tetrahydrocannabinol and cannabidiol is accurate, and all marijuana is safe for human consumption and free from contaminants that are unsafe for human consumption. The department shall determine by rule which contaminants must be tested for and the maximum levels of each contaminant which are safe for human consumption. The Department of Agriculture and Consumer Services shall assist the department in developing the testing requirements for contaminants that are unsafe for human consumption in edibles. The department shall also determine by rule the procedures for the treatment of marijuana that fails to meet the testing requirements of this section, s. 381.988, or department rule. The department may select a random sample from edibles available for purchase in a dispensing facility which shall be tested by the department to determine that the edible meets the potency requirements of this section, is safe for human consumption, and the labeling of the tetrahydrocannabinol and cannabidiol concentration is accurate. A medical marijuana treatment center may not require payment from the department for the sample. A medical marijuana treatment center must recall edibles, including all edibles made from the same batch of marijuana, which fail to meet the potency requirements of this section, which are unsafe for human consumption, or for which the labeling of the tetra-*

*hydrocannabinol and cannabidiol concentration is inaccurate. The medical marijuana treatment center must retain records of all testing and samples of each homogenous batch of marijuana for at least 9 months. The medical marijuana treatment center must contract with a marijuana testing laboratory to perform audits on the medical marijuana treatment center's standard operating procedures, testing records, and samples and provide the results to the department to confirm that the marijuana or low-THC cannabis meets the requirements of this section and that the marijuana or low-THC cannabis is safe for human consumption. A medical marijuana treatment center shall reserve two processed samples from each batch and retain such samples for at least 9 months for the purpose of such audits. A medical marijuana treatment center may use a laboratory that has not been certified by the department under s. 381.988 until such time as at least one laboratory holds the required certification, but in no event later than July 1, 2018.*

*e. Package the marijuana in compliance with the United States Poison Prevention Packaging Act of 1970, 15 U.S.C. ss. 1471 et seq.*

*f. Package the marijuana in a receptacle that has a firmly*

By direction of the President, the Secretary read the following proclamation:

## PROCLAMATION

STATE OF FLORIDA

EXECUTIVE OFFICE OF THE GOVERNOR

TALLAHASSEE

TO THE HONORABLE MEMBERS OF THE FLORIDA SENATE AND HOUSE OF REPRESENTATIVES

WHEREAS, Lake Okeechobee is Florida's largest lake, supporting valuable commercial and sport fisheries, providing flood control, and acting as a reservoir for much of south Florida; and

WHEREAS, the Herbert Hoover Dike surrounding Lake Okeechobee has numerous water control structures to provide flood protection, navigation, recreation, freshwater for the communities of south Florida, water for agriculture, prevention of saltwater intrusion, and enhancement of environmental resources; and

WHEREAS, for more than thirty years, the U.S. Army Corps of Engineers has documented that areas of the dike are prone to water seepage and stability problems; and

WHEREAS, on many occasions, the dike's stability problems have led the U.S. Army Corps of Engineers to drain lake water west into the Caloosahatchee River and east into the St. Lucie River to ease the strain on the dike, resulting in toxic algae blooms, the killing of coastal fishing grounds, and environmental damage to estuaries; and

WHEREAS, the risk of a dike failure placing in jeopardy the lives and property of Floridians is unacceptable, requiring the U.S. Army Corps of Engineers to continue the release of lake water despite its environmental impacts to ensure the continued safety of the region's residents, underscoring the need for repairs to the dike; and

WHEREAS, in partnership with the federal government, the State of Florida has a critical interest in upgrading and fortifying the Herbert Hoover Dike surrounding Lake Okeechobee by 2022; and

WHEREAS, earlier this year, I called on the Legislature to provide additional state funding for repairs to the Herbert Hoover Dike; and

WHEREAS, Florida's postsecondary institutions also provide value to Florida students and families; and

WHEREAS, I have called a Special Session commencing at 9:00 a.m. on June 7, 2017, and extending through 6:00 p.m. on June 9, 2017; and

WHEREAS, I have expanded the call of this Special Session to include legislation relating to the medical use of marijuana; and

WHEREAS, it is prudent to further expand the call for this Special Session;

NOW, THEREFORE, I, Rick Scott, Governor of the State of Florida, by virtue of the power and authority vested in me by Article III, Section 3(c)(1), Florida Constitution, do hereby proclaim as follows:

The call to the Legislature of the State of Florida is expanded for the sole purpose of considering the following:

- A. Legislation relating to Lake Okeechobee's Herbert Hoover Dike
- B. Legislation relating to higher education funding

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed to this Proclamation expanding the call to the Legislature in Special Session at the Capitol, this 9th day of June, 2017.

*Rick Scott*  
GOVERNOR

Senator Latvala moved the following amendments which were adopted:

**Amendment 2 (268268) (with title amendment)**—Delete lines 510-553 and insert:

Section 15. Section 288.101, Florida Statutes, is created to read:

**288.101 Florida Job Growth Grant Fund.**—

(1) *The Florida Job Growth Grant Fund is created within the department to promote economic opportunity by improving public infrastructure and enhancing workforce training. The Florida Job Growth Grant Fund may not be used for the exclusive benefit of any single company, corporation, or business entity.*

(2) *The department and Enterprise Florida, Inc., may identify projects, solicit proposals, and make funding recommendations to the Governor, who is authorized to approve:*

(a) *State or local public infrastructure projects to promote economic recovery in specific regions of the state, economic diversification, or economic enhancement in a targeted industry.*

(b) *Workforce training grants to support programs at state colleges and state technical centers that provide participants with transferable, sustainable workforce skills applicable to more than a single employer, and for equipment associated with these programs. The department shall work with CareerSource Florida to ensure programs are offered to the public based on criteria established by the state college or state technical center and do not exclude applicants who are unemployed or underemployed.*

(3) *For purposes of this section:*

(a) *“Infrastructure” means any fixed capital expenditure or fixed capital costs associated with the construction, reconstruction, or improvement of facilities that have a life expectancy of 5 or more years and any land acquisition, land improvement, design, and engineering costs related thereto. Facilities in this category include technical structures such as roads, bridges, tunnels, water supply, sewers, electrical grids, and telecommunications facilities.*

(b) *“Public infrastructure” means infrastructure that is owned by the public, and is for public use or predominately benefits the public. If public infrastructure is leased or sold, it must be leased or sold at fair market rates or value.*

(c) *“Targeted industry” means any industry identified in the most recent list provided to the Governor, the President of the Senate, and the Speaker of the House of Representatives in accordance with s. 288.106(q).*

(4) *The department shall administer contracts for projects approved by the Governor and funded pursuant to this section.*

And the title is amended as follows:

Delete lines 19-27 and insert: Fund; creating s. 288.101, F.S.; creating the Florida Job Growth Grant Fund within the Department of Economic Opportunity; authorizing the department and Enterprise Florida, Inc., to identify projects, solicit proposals, and make certain recommendations; authorizing the Governor to approve certain public infrastructure projects and workforce training grants; providing definitions; requiring the department to administer contracts for certain projects approved by the Governor; amending s. 288.1168,

**Amendment 3 (196286)**—Delete lines 793-832 and insert: all state appropriations to the corporation and exclude taxes derived pursuant to s. 125.0104.

(b) *For purposes of calculating the required one-to-one match, the corporation shall receive matching private contributions in one of four private match categories. The corporation shall maintain documentation of such categorized contributions on file and make such documentation available for inspection upon reasonable notice during its regular business hours. Contribution details shall be included in the quarterly reports required under subsection (8). The private match categories are:*

1. *Direct cash contributions from private sources, which include, but are not limited to, cash derived from strategic alliances, contributions of stocks and bonds, and partnership contributions.*

2. *Fees for services, which include, but are not limited to, event participation, research, and brochure placement and transparencies.*

3. *Cooperative advertising, which is limited to partner expenditures for paid media placement, partner expenditures for collateral material distribution, and the actual market value of contributed productions, air time, and print space.*

4. *In-kind contributions, which is limited to the actual market value of promotional contributions of partner-supplied benefits to target audiences and the actual market value of nonpartner-supplied air time or print space contributed for the broadcasting or printing of such promotions, which would otherwise require tourist promotion expenditures by the corporation for advertising, air travel, rental car fees, hotel rooms, RV or campsite space rental, on-site guest services, and admission tickets. The net value of air time or print space, if any, shall be deemed to*

be the actual market value of the air time or print space, based on an average of actual unit prices paid contemporaneously for comparable times or spaces, less the value of increased ratings or other benefits realized by the media outlet as a result of the promotion.

Contributions from a government entity or from an entity that received more than 50 percent of its revenue in the previous fiscal year from public sources, including revenue derived from taxes, other than taxes collected pursuant to s. 125.0104, from fees, or from other government revenues, are not considered
