## PRAYER

The following prayer was offered by Pastor Manny Arisso, Share Your Heart, Tallahassee:

Heavenly Father, we come before you this morning. Oh yes, seeking your guidance, Father, that the spirit of the Lord rests upon us—the spirit, wisdom, and understanding; the spirit of counsel and might; the spirit of knowledge and the fear of the Lord which begins the spirit of wisdom. I ask you to bless these men and women on the job they are doing, Lord. Give them guidance. Bless them on their way in and their way out. Bless them in the cities and bless them in the countries, Lord. Bless them all around. Bless their families, Father. I ask you for protection upon their families, Lord. Families are far away right now—wives, husbands, and children. I ask you just to direct them and guide them, Father. We ask for your strength, your shield, and for you to be our strong tower, Father.

Father, we all know the prayer of the Lord: “Our Father who art in heaven, hallowed be thy name. Thy kingdom come and thy will be done on Earth as it is in heaven. Give us this day, our daily bread. Forgive us, Lord. Forgive us who have sinned against you or someone else.” Direct our ways, Father. Yes, direct our ways. Father, pour guidance upon these men and women that are challenged every day. They might ask if God chose me—why these battles? And I say to you this day, the Lord says without battles, there are no wins. He has prepared you for these battles. He gives you wins—victories—but without battles, there are no

victories. May the Lord bless you. May the Lord protect you. May he make his face shine upon you and be gracious to you. May the Lord show you his favor and give you peace. I praise and I worship him, the Lord Jesus Christ. Amen, amen, and amen. God bless you all and may this be the beginning of many more. In the name of Jesus. Amen.

(c) The term of the loan is *up to 24 months 1 year, unless otherwise extended by the department. However, the department may extend loan terms for up to 6 months based on the local government’s financial condition.*

(4) **APPLICATION.**—*The department shall prescribe a loan application and may request any other information determined necessary by the department to review and evaluate the application. The eligible local government must submit a loan application within the 12 months after the date that the federal disaster was declared. Upon receipt of an application, the department shall review the application and may request additional information as necessary to complete the review and evaluation. If the loan application is approved, the department shall determine the amount to be loaned, which may be a lower amount than requested, based on the information provided and the total amount of funds available to be loaned and in relation to demonstrated need from other eligible applicants. If the loan application is denied, reasons for the denial may include, but are not limited to, the loan risk, an incomplete application, failure to demonstrate need, or the fact that receiving a loan may negatively affect the local government’s eligibility for other federal programs.*

(5)(4) **USE OF LOAN FUNDS.**—A local government may use loan funds only to continue local governmental operations or to expand or modify such operations to meet disaster-related needs. The funds may not be used to finance or supplant funding for capital improvements or to repair or restore damaged public facilities or infrastructure.

(a) The local government may make payments against the loan at any time without penalty. Early repayment is encouraged as other funding sources or revenues become available *to the local government.*

(b) Loans become due and payable in accordance with the terms of the agreement.

(7)(6) **ADMINISTRATION.**—

(a) *Upon the issuance of a federal disaster declaration, the department shall provide notice of application requirements and the total amount of funds available and shall make loan information available to eligible local governments. Based upon the amount of funds in the Economic Development Trust Fund available to be loaned and anticipated balances, the department may make funds available in an amount reasonably related to the anticipated need, based upon the impacts of the federal disaster, up to the total amount available. The department may approve loans in the 2022-2023 fiscal year or the 2023-2024 fiscal year up to the total amount appropriated.*

(b) The department must coordinate with the Division of Emergency Management *or other applicable state agencies* to assess whether such loans would affect reimbursement under federal programs for disaster-related expenses.

(c) *All repayments of principal and interest must be returned to the loan fund and made available as provided in this section. Notwithstanding s. 216.301, funds appropriated for this program are not subject to reversion. Upon receipt of any loan payment from a local government, the department shall transfer the funds to the General Revenue Fund.*

(8)(7) **RULES.**—The department may adopt rules to implement this section.

(9)(8) **EXPIRATION.**—This section expires *July 1, 2038 June 30, 2027. A loan may not be awarded after June 30, 2038.* Upon expiration, all unencumbered funds and loan repayments made on or after July 1, 2038, must be transferred ~~revert~~ to the General Revenue Fund.

(5) *Notwithstanding paragraph (1)(b), a registered contractor may engage in contracting only for work covered by the registration within an area for which a state of emergency is declared pursuant to s. 252.36 for a natural emergency. This authorization terminates 24 months after the expiration of the declared state of emergency. The local jurisdiction that licenses the registered contractor may discipline the registered contractor for violations occurring outside the licensing jurisdiction which occur during the period such work is authorized under this subsection.*

Section 12. Section 553.7922, Florida Statutes, is created to read:

553.7922 *Local government-expedited approval of certain permits.—Following a state of emergency declared pursuant to s. 252.36 for a natural emergency, local governments impacted by the emergency shall approve special processing procedures to expedite permit issuance for permits that do not require technical review, including, but not limited to, roof repairs, reroofing, electrical repairs, service changes, or the replacement of one window or one door. Local governments may waive application and inspection fees for permits expedited under this section.*
