PRAYER

The following prayer was offered by Rabbi Schneur Z. Oirechman, Chabad Lubavitch of the Panhandle, Tallahassee:

Almighty G-d, as we gather here in the State Senate to bring light to the people, we pray that you bestow your light upon the honorable President of the Senate, Ben Albritton, and our distinguished Senators.

The Senators dedicate their time and make great sacrifices to serve the people of our Sunshine State. Bless them and their families with wisdom, peace of mind, good health, and prosperity. May they be blessed in their collective effort of light overcoming darkness, and may your blessings shine in their lives as we all stand together to defy antisemitism, evil, and darkness with light.

G-d, today let us remember the Noahide Code, your Seven Universal Laws for all Mankind, which guides us to believe and trust in one G-d and respect the sanctity of innocent life.

We just celebrated the Jewish holiday of Purim last Friday, celebrating the survival of the Jews in the face of ancient genocide. Let us see your face behind the mask of life, always directing events and always protecting the good from the lawless Hamans and immoral Amaleks of every day and age.

We pray that today, good will emerge victorious once again, and that we all come away from Purim knowing that you are here now as you were there then.

May we take inspiration from the life and legacy of Rabbi Menachem M. Schneersohn, the Lubavitcher Rebbe, of righteous memory. The Rebbe taught us that our world is ours to change for the better, one good deed at a time in preparation for the redemption. Let our efforts here, today and every day, be blessed with the power and victory needed to finally usher in that era of eternal world peace and goodness, with the coming of Moshiach, speedily in our days. Amen.

PLEDGE

Senate Pages, Harper Branaman of High Springs; David Fine of Melbourne Beach, son of Senator Fine; and Victoria Mitrovic of Largo, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Bruce Rankin of DeLand, sponsored by Senator Wright, as the doctor of the day. Dr. Rankin specializes in family medicine.

WHEREAS, amblyopia can cause permanent vision loss if not detected and treated early in life, and

WHEREAS, the sooner children are identified as having amblyopia or any other vision-threatening disorder, the sooner treatment can commence, and

WHEREAS, millions of children in the United States are left with permanent vision loss due to undetected amblyopia and other childhood vision disorders that, if detected with proper screening, could have been successfully treated, and

WHEREAS, parents should be encouraged to have their children screened for vision problems before admission to preschool, and

Investment in the rural arterial roads of this state is needed to maintain the safety, mobility, reliability, and resiliency of the transportation system in order to support the movement of people, goods, and commodities; to enhance economic prosperity and competitiveness; and to enrich the quality of life of the rural communities and the environment of this state.

(2) The Florida Arterial Road Modernization Program is created within the department to make capacity and safety improvements to two-lane arterial roads located in rural communities. For purposes of this section, the term “rural community” has the same meaning as provided in s. 288.0656.

(g) Whether the road currently has, or is projected to have within the next 5 years, a level of service of D, E, or F.

(h) Any other criteria related to the impact of a project on the public road system or on the state or local economy as determined by the department.

(5) By January 1, 2027, and every 2 years thereafter, the department shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report regarding the use and condition of arterial roads located in rural communities, which report must include the following:

(a) A map of roads located in rural communities which are designated as arterial roads.

(d) An estimate of the local and state economic impact of improving capacity on arterial roads in rural communities.

(e) A listing of the arterial roads and the associated improvements to be included in the program and a schedule or timeline for the inclusion of such projects in the work program.

In addition, before adoption of the work program, the department shall submit a budget amendment pursuant to s. 339.135(7), Florida Statutes, requesting budget authority necessary to implement the program as specified in s. 339.68, Florida Statutes.

(3) Notwithstanding any other law, the increase in revenue to the State Transportation Trust Fund derived from the amendments to ss. 201.15 and 319.32, Florida Statutes, made by this act and deposited into the trust fund pursuant to ss. 201.15 and 339.0801, Florida Statutes, shall be used by the department to fund the programs as specified in this section.
