Excused: Senator Jones

PRAYER

The following prayer was offered by Pastor Terry Collins, Southpoint Baptist Church, Jacksonville:

Our Heavenly Father, maker of us all. Lord, today I begin by thanking you for allowing our elected leaders and choice servants of the people of the great State of Florida to meet here today. They are tasked today to oversee and assist in the needs and concerns and, in great part, the hopes and dreams of our citizens who live here. Lord, I also know that their job today and other days is not always easy in these times, but what they do is a noble calling and a good endeavor in life. Our state needs these good servants to serve others for a greater good.

Lord, we'll always draw attention and be blessed by you. For that, Lord, I also thank you. They have sought knowledge and counsel and wisdom from many sources that will help us forge ahead into the future; and, no doubt many have sought guidance from you as we do today. Give them what they need, and impress upon their hearts and minds the direction these sessions need to go for this state of over 23 million precious souls. Some in our state need someone fighting for them as they may not have the means and strength others have. May they know when they help the ones unable to help themselves, that they echo the words of our Lord Jesus Christ when he said, "When you have done it unto the least of these my brothers, you have done it unto me."

Also, Father, be with the families of each one here, who too have sacrificed and been there for them along the way. May these families feel your blessings and give them divine protection as they support their family members, and give them encouragement. And Lord, grant them your grace and peace.

Father God, I give this moment in time, and this place in time, and these servants made for this time, to you. Blessed be the name of the Lord. Amen.

PLEDGE

Senate Pages, Aidan Barnett of Tampa; Dane Turnbull of Tallahassee; and Avishai Zieper of Weston, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Michael Swartzon of Plantation, sponsored by Senator Calatayud, as the doctor of the day. Dr. Swartzon specializes in family medicine and sports medicine and was joined by resident physician Maria Bernal.

ADOPTION OF RESOLUTIONS

At the request of Senator Calatayud—

By Senator Calatayud—

SR 1564—A resolution expressing appreciation for the sister state relationship and bilateral economic and cultural ties between the State of Florida and Taiwan and encouraging the Governor or his appointed designee to lead a trade and economic delegation meeting in Taiwan in 2025.

WHEREAS, the Taiwan Relations Act was signed into United States law in 1979, formally establishing the basis for the continued commercial and cultural relations between the people of the United States and Taiwan, and

WHEREAS, the new administration of Taiwan launched its signature Integrated Diplomacy in 2024 as proposed by President Lai Ching-te, demonstrating that Taiwan is a pivotal force for stability and prosperity in the Indo-Pacific, and

WHEREAS, China frequently misrepresents the United Nations General Assembly (UNGA) Resolution 2758, which was never intended to address Taiwan's political status, in the international community by conflating the resolution with China's "one China principle" and falsely claiming that Taiwan is an inseparable part of the People's Republic of China, and

WHEREAS, the United States Department of State, while stating that China was using the UNGA Resolution 2758 as a tool to falsely portray Taiwan's status as illegitimate as a means to suppress Taiwan in September 2024, also reaffirmed the unwavering United States commitment to Taiwan and the long-standing efforts to preserve peace and stability across the Taiwan Strait, and

WHEREAS, Hurricane Helene and Hurricane Milton made landfall in Florida in September and October 2024, respectively, impacting vast areas and causing casualties and damage, and the Government of Taiwan donated \$300,000 through the Taipei Economic and Culture Office in Miami to the Florida Disaster Fund, and

WHEREAS, Taiwan is the United States' seventh-largest trading partner, as well as Florida's fourth-largest bilateral merchandise trading partner in the Asia-Pacific region, and

WHEREAS, the economy of Taiwan has benefited from the rising global demand for high-performance computing and artificial intelligence, reaching a growth rate exceeding 4 percent in 2024, and

WHEREAS, a Florida high-tech delegation led by SelectFlorida visited Taiwan in May 2024 to explore the feasibility of Taiwan-Florida semiconductor industry cooperation, successfully establishing another connection between Taiwan and Florida, and

WHEREAS, Taiwan and Florida signed the Memorandum of Understanding on bilateral economic and trade cooperation on January 8, 2025, embodying the determination of both sides to advance toward a stronger partnership on mutual trade, industry, and investment activities, and

WHEREAS, in November 2024, the Taiwanese Chambers of Commerce of North America for the first time held its annual meeting in Fort Lauderdale with more than 500 global delegates in attendance, an indication of the global recognition of Florida's role as a hub for trade and investment in the Western Hemisphere, and

WHEREAS, since November 1, 2012, Taiwan has been a member of the United States Visa Waiver Program, which enhances the convenience of two-way travel for business and tourism, reflecting the cooperation between the United States and Taiwan, and

WHEREAS, the launch of FORMOSAT-7/COSMIC-2 on June 25, 2019, a joint United States-Taiwan collaborative space mission consisting of a constellation of six satellites designed to enhance the accuracy of atmospheric weather prediction, has demonstrated the mutual benefit born from the relations between Florida and Taiwan, and

WHEREAS, Taiwan actively participates in international organizations, including the World Health Assembly, the United Nations, the International Criminal Police Organization, and the United Nations Framework Convention on Climate Change, while also maintaining its membership status in both the Asia-Pacific Economic Cooperation and the World Trade Organization, as well as participating, observing, and cooperating with more than 50 additional international organizations, and

WHEREAS, the economic bonds between the United States and Taiwan continue to flourish, embodied by the signing of the U.S.-Taiwan Initiative on 21st-Century Trade First Agreement Implementation Act in August 2023; the extension of the Economic Prosperity Partnership Dialogue Memorandum of Understanding for an additional 5 years; Taiwan's inclusion in the Indo-Pacific Economic Framework for Prosperity; and the introduction of the U.S.-Taiwan Expedited Double-Tax Relief Act in Congress in January 2025, and

WHEREAS, since the establishment of the Taipei Economic and Cultural Office in Miami in 1988, Taiwan has developed multiple sister state and sister city relations with Florida, and this state is proud of its 33-year-long sister state relationship with Taiwan, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate expresses its appreciation for the sister state relationship and bilateral economic and cultural ties between the State of Florida and Taiwan.

BE IT FURTHER RESOLVED that, to further fortify the significant friendship between Taiwan and Florida, the Governor of Florida, or a designee of his choosing, is encouraged to lead a trade and economic delegation meeting in Taiwan in 2025, and that a copy of this resolution be transmitted to President Lai Ching-te through the Taipei Economic and Cultural Office in Miami and to the Executive Office of the Governor as a tangible token of the sentiments expressed herein.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Calatayud recognized Director-General Charles Chi-Yu Chou and Deputy Director Jia-xiang You of the Taipei Economic and Cultural Office in Miami who were present in the gallery in support of SR 1564.

At the request of Senator Martin—

By Senator Martin—

SR 1880—A resolution encouraging financial institutions in Florida to commit to fighting human trafficking.

WHEREAS, human trafficking is a serious violation of human rights which impacts individuals in Florida and throughout the United States, exploiting victims through forced labor, sexual exploitation, and other forms of coercion, and

WHEREAS, human trafficking can impact anyone, but certain populations, such as those experiencing abuse, violence, poverty, housing instability, or social isolation, are at greater risk, and

WHEREAS, human trafficking is closely connected to other forms of violence and exploitation, often sharing common risk factors such as limited access to resources and unsafe environments, and

WHEREAS, Florida has taken proactive measures to combat human trafficking through legislation, public awareness campaigns, task forces, and partnerships with organizations dedicated to eradicating human trafficking and supporting survivors, and

WHEREAS, financial institutions, including credit unions, banks, and other financial institutions, by facilitating financial access, enabling growth, and playing a critical role in the detection and prevention of illicit activities, benefit all aspects of society, including economic development, community well-being, and public safety, and

WHEREAS, credit unions and banks in Florida are distinctively qualified to partner with law enforcement, government agencies, and nonprofit organizations to strengthen efforts in identifying, reporting, and preventing human trafficking activities, and

WHEREAS, ongoing education, collaboration, and investment in public and private anti-trafficking measures enhance the ability of financial institutions to contribute meaningfully to combatting human trafficking, and

WHEREAS, financial institutions are uniquely positioned to support survivors of human trafficking in rebuilding their lives and preventing further exploitation by providing access to survivor-centered financial resources, such as financial education, credit repair, and no-fee accounts, which foster stability and independence, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate encourages financial institutions to commit to fighting human trafficking and commends all credit unions, banks, and other financial institutions in Florida that commit to enhancing training, community partnerships, and investments to support law enforcement efforts in combatting human trafficking.

BE IT FURTHER RESOLVED that the Florida Senate encourages Florida's financial institutions to take a proactive stance by dedicating resources and expertise not only to combat human trafficking but also to support survivors in achieving long-term stability and independence.

BE IT FURTHER RESOLVED that the Florida Senate formally recognizes Financial Institutions Against Human Trafficking (F.I.G.H.T.) for its commitment to combatting human trafficking by raising awareness within the financial sector, fostering partnerships with key stakeholders, and implementing strategies that disrupt trafficking networks while supporting survivors in their journey to rebuild their lives.

BE IT FURTHER RESOLVED that the Florida Senate encourages F.I.G.H.T. to act as a liaison between financial institutions and other anti-trafficking organizations, facilitating collaboration, information sharing, and the development of innovative solutions to address human trafficking more effectively.

—was introduced, read, and adopted by publication.

CS for CS for SB 768—A bill to be entitled An act relating to controlling business interests by persons with ties to foreign countries of concern; amending s. 408.810, F.S.; revising minimum health care provider licensure requirements relating to persons or entities possessing a specified controlling interest in the licensee; revising the definition of the terms “business relationship” and “foreign country of concern”; providing an effective date.

—was read the second time by title.

Senator Calatayud moved the following amendment which was adopted:

Amendment 1 (510594) (with title amendment)—Delete lines 21-39 and insert:

that who possesses a controlling interest does not hold, either directly or indirectly, regardless of ownership structure, an interest in an entity that has a business relationship with a foreign country of concern or that is subject to s. 287.135.

(b) *The failure of a licensee to obtain assurances from a person or entity that indirectly owns a controlling interest in the licensee or indirectly holds an interest in an entity as specified in paragraph (a) does not:*

1. *Affect the license or insurability of the licensee; or*
2. *Subject the licensee to civil or criminal liability, unless the licensee has actual knowledge that an indirect interest holder is:*
 - a. *A foreign principal from a foreign country of concern; and*
 - b. *Not in compliance with the requirements of this section.*
- (c) For purposes of this subsection, the term:
 1. “Business relationship” means engaging in commerce in any form, including, ~~but not limited to,~~ acquiring, developing, maintaining, owning, selling, possessing, leasing, or operating equipment, facilities, personnel, products, services, personal property, real property, or military equipment, ~~or any other apparatus of business or commerce.~~
 2. “Foreign country of concern” means the People’s Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People’s Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolas Maduro, or the Syrian Arab Republic, including any agency of such foreign country of concern ~~has the same meaning as in s. 692.201.~~
 3. “Foreign principal” has the same meaning as in s. 692.201(4).
 4. “Indirect interest holder” means, at the time of initial application or renewal, a person or an entity owning less than 5 percent of the licensee; owning less than 5 percent in the management company or other entity that contracts with the licensee to manage the provider; or owning equities in a publicly traded company that has a controlling interest or noncontrolling interest in the licensee.
 5. “Interest” has the same meaning as in s. 286.101(1).

And the title is amended as follows:

Delete lines 7-9 and insert: interest in the licensee; providing that the failure of the licensee to obtain certain assurances does not affect the license or insurability of the licensee and does not subject the licensee to civil or criminal liability under specified circumstances; defining terms and revising definitions; providing an effective date.

On motion by Senator Calatayud, by two-thirds vote, **CS for CS for SB 768**, as amended, was read the third time by title, passed, ordered engrossed, and then certified to the House. The vote on passage was:

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Calatayud moved the following amendment which was adopted:

Amendment 1 (328892) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Effective upon becoming a law, paragraph (k) of subsection (7) of section 125.01055, Florida Statutes, is amended to read:

125.01055 Affordable housing.—

(7)

(k) This subsection does not apply to:

1. Airport-impacted areas as provided in s. 333.03.
2. Property defined as recreational and commercial working waterfront in s. 342.201(2)(b) in any area zoned as industrial.
3. *The Wekiva Study Area, as described in s. 369.316.*
4. *The Everglades Protection Area, as defined in s. 373.4592(2).*

Section 2. Present paragraphs (k) and (l) of subsection (7) of section 125.01055, Florida Statutes, as amended by this act, are redesignated as paragraphs (l) and (p), respectively, present subsection (8) of that section is redesignated as subsection (9), a new paragraph (k) and paragraphs (m), (n), and (o) are added to subsection (7) of that section, a new subsection (8) and subsection (10) are added to that section, and paragraphs (a) through (f) of subsection (7) of that section are amended, to read:

125.01055 Affordable housing.—

(7)(a) A county must authorize multifamily and mixed-use residential as allowable uses in any area zoned for commercial, industrial, or mixed use, and in portions of any flexibly zoned area such as a planned unit development permitted for commercial, industrial, or mixed use, if at least 40 percent of the residential units in a proposed multifamily development are rental units that, for a period of at least 30 years, are affordable as defined in s. 420.0004. Notwithstanding any other law, local ordinance, or regulation to the contrary, a county may not require a proposed multifamily development to obtain a zoning or land use change, special exception, conditional use approval, variance, transfer of density or development units, amendment to a development of regional impact, or comprehensive plan amendment for the building height, zoning, and densities authorized under this subsection. For mixed-use residential projects, at least 65 percent of the total square footage must be used for residential purposes. *The county may not require that more than 10 percent of the total square footage of such mixed-use residential projects be used for nonresidential purposes.*

(b) A county may not restrict the density of a proposed development authorized under this subsection below the highest currently allowed, or allowed on July 1, 2023, density on any unincorporated land in the county where residential development is allowed under the county's land development regulations. For purposes of this paragraph, the term "highest currently allowed density" does not include the density of any building that met the requirements of this subsection or the density of any building that has received any bonus, variance, or other special exception for density provided in the county's land development regulations as an incentive for development.

(c) A county may not restrict the floor area ratio of a proposed development authorized under this subsection below 150 percent of the highest currently allowed, or allowed on July 1, 2023, floor area ratio on any unincorporated land in the county where development is allowed under the county's land development regulations. For purposes of this paragraph, the term "highest currently allowed floor area ratio" does not include the floor area ratio of any building that met the requirements of this subsection or the floor area ratio of any building that has received any bonus, variance, or other special exception for floor area ratio provided in the county's land development regulations as an incentive for development. For purposes of this subsection, the term "floor area ratio" includes floor lot ratio.

(d)1. A county may not restrict the height of a proposed development authorized under this subsection below the highest currently allowed, or allowed on July 1, 2023, height for a commercial or residential building located in its jurisdiction within 1 mile of the proposed development or 3 stories, whichever is higher. For purposes of this paragraph, the term "highest currently allowed height" does not include the height of any building that met the requirements of this subsection or the height of any building that has received any bonus, variance, or other special exception for height provided in the county's land development regulations as an incentive for development.

2. If the proposed development is adjacent to, on two or more sides, a parcel zoned for single-family residential use which is within a single-family residential development with at least 25 contiguous single-family homes, the county may restrict the height of the proposed development to 150 percent of the tallest building on any property adjacent to the proposed development, the highest currently allowed, or allowed on July 1, 2023, height for the property provided in the county's land development regulations, or 3 stories, whichever is higher, *but not to exceed 10 stories*. For the purposes of this paragraph, the term "adjacent to" means those properties sharing more than one point of a property line, but does not include properties separated by a public road.

(e) A proposed development authorized under this subsection must be administratively approved ~~without and no~~ further action by the board of county commissioners or any quasi-judicial or administrative board or reviewing body ~~is required~~ if the development satisfies the county's land development regulations for multifamily developments in areas zoned for such use and is otherwise consistent with the comprehensive plan, with the exception of provisions establishing allowable densities, floor area ratios, height, and land use. Such land development regulations include, but are not limited to, regulations relating to setbacks and parking requirements. A proposed development located within one-quarter mile of a military installation identified in s. 163.3175(2) may not be administratively approved. Each county shall maintain on its website a policy containing procedures and expectations for administrative approval pursuant to this subsection. *For the purposes of this paragraph, the term "allowable density" means the density prescribed for the property without additional requirements to procure and transfer density units or development units from other properties.*

(f)1. A county must, upon request of an applicant, ~~reduce~~ ~~consider~~ ~~reducing~~ parking requirements by 10 percent for a proposed development authorized under this subsection if the development:

a. Is located within one-quarter mile of a transit stop, as defined in the county's land development code, and the transit stop is accessible from the development;—

~~2. A county must reduce parking requirements by at least 20 percent for a proposed development authorized under this subsection if the development:~~

~~b.a.~~ Is located within one-half mile of a major transportation hub that is accessible from the proposed development by safe, pedestrian-friendly means, such as sidewalks, crosswalks, elevated pedestrian or bike paths, or other multimodal design features; or ~~and~~

~~c.b.~~ Has available parking within 600 feet of the proposed development which may consist of options such as on-street parking, parking lots, or parking garages available for use by residents of the proposed development. However, a county may not require that the available parking compensate for the reduction in parking requirements.

~~2.3.~~ A county must eliminate parking requirements for a proposed mixed-use residential development authorized under this subsection within an area recognized by the county as a transit-oriented development or area, as provided in paragraph (h).

~~3.4.~~ For purposes of this paragraph, the term “major transportation hub” means any transit station, whether bus, train, or light rail, which is served by public transit with a mix of other transportation options.

(k) Notwithstanding any other law or local ordinance or regulation to the contrary, a county may allow an adjacent parcel of land to be included within a proposed multifamily development authorized under this subsection.

(m) The court shall give any civil action filed against a county for a violation of this subsection priority over other pending cases and render a preliminary or final decision as expeditiously as possible.

(n) If a civil action is filed against a county for a violation of this subsection, the court must assess and award reasonable attorney fees and costs to the prevailing party. An award of reasonable attorney fees or costs pursuant to this subsection may not exceed \$200,000. In addition, a prevailing party may not recover any attorney fees or costs directly incurred by or associated with litigation to determine an award of reasonable attorney fees or costs.

(o) As used in this subsection, the term:

1. “Commercial use” means activities associated with the sale, rental, or distribution of products or the performance of services related thereto. The term includes, but is not limited to, such uses or activities as retail sales; wholesale sales; rentals of equipment, goods, or products; offices; restaurants; public lodging establishments as described in s. 509.242(1)(a); food service vendors; sports arenas; theaters; tourist attractions; and other for-profit business activities. A parcel zoned to permit such uses by right without the requirement to obtain a variance or waiver is considered commercial use for the purposes of this section, irrespective of the local land development regulation’s listed category or title. The term does not include home-based businesses or cottage food operations undertaken on residential property, public lodging establishments as described in s. 509.242(1)(c), or uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

2. “Industrial use” means activities associated with the manufacture, assembly, processing, or storage of products or the performance of services related thereto. The term includes, but is not limited to, such uses or activities as automobile manufacturing or repair, boat manufacturing or repair, junk yards, meat packing facilities, citrus processing and packing facilities, produce processing and packing facilities, electrical generating plants, water treatment plants, sewage treatment plants, and solid waste disposal sites. A parcel zoned to permit such uses by right without the requirement to obtain a variance or waiver is considered industrial use for the purposes of this section, irrespective of the local land development regulation’s listed category or title. The term does not include uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

3. “Mixed use” means any use that combines multiple types of approved land uses from at least two of the residential use, commercial use, and industrial use categories. The term does not include uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

4. “Planned unit development” has the same meaning as provided in s. 163.3202(5)(b).

(8)(a) A proposed development on a parcel of land primarily developed and maintained as a golf course, a tennis court, or a swimming pool, regardless of the zoning category assigned to such parcel, may use the approval process provided in subsection (7).

(b) If the proposed development is on a parcel that is adjacent to, on two or more sides, a parcel zoned for single-family residential use, the county may restrict the height of the proposed development to 150 percent of the tallest residential building on any property adjacent to the proposed development, the highest currently allowed, or allowed on July 1, 2023, height for the property provided in the county’s land development regulations, or 3 stories, whichever is higher. For the purposes of this paragraph, the term “adjacent to” means those properties sharing more than one point of a property line, but does not include properties separated by a public road or body of water, including manmade lakes or ponds.

(10)(a) Except as provided in paragraphs (b) and (d), a county may not enforce a building moratorium that has the effect of delaying the permitting or construction of a multifamily residential or mixed-use residential development authorized under subsection (7).

(b) A county may, by ordinance, impose or enforce such a building moratorium for no more than 90 days in any 3-year period. Before adoption of such a building moratorium, the county shall prepare or cause to be prepared an assessment of the county’s need for affordable housing at the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, including projections of such need for the next 5 years. This assessment must be posted on the county’s website by the date the notice of proposed enactment is published, and presented at the same public meeting at which the proposed ordinance imposing the building moratorium is adopted by the board of county commissioners. This assessment must be included in the business impact estimate for the ordinance imposing such a moratorium required by s. 125.66(3).

(c) If a civil action is filed against a county for a violation of this subsection, the court must assess and award reasonable attorney fees and costs to the prevailing party. An award of reasonable attorney fees or costs pursuant to this subsection may not exceed \$200,000. In addition, a prevailing party may not recover any attorney fees or costs directly incurred by or associated with litigation to determine an award of reasonable attorney fees or costs.

(d) This subsection does not apply to moratoria imposed or enforced to address stormwater or flood water management, to address the supply of potable water, or due to the necessary repair of sanitary sewer systems, if such moratoria apply equally to all types of multifamily or mixed-use residential development.

Section 3. Effective upon becoming a law, paragraph (k) of subsection (7) of section 166.04151, Florida Statutes, is amended to read:

166.04151 Affordable housing.—

(7)

(k) This subsection does not apply to:

1. Airport-impacted areas as provided in s. 333.03.
2. Property defined as recreational and commercial working waterfront in s. 342.201(2)(b) in any area zoned as industrial.
3. The Wekiva Study Area, as described in s. 369.316.
4. The Everglades Protection Area, as defined in s. 373.4592(2).

Section 4. Present paragraphs (k) and (l) of subsection (7) of section 166.04151, Florida Statutes, as amended by this act, are redesignated as paragraphs (l) and (p), respectively, present subsection (8) of that section is redesignated as subsection (9), a new paragraph (k) and paragraphs (m), (n), and (o) are added to subsection (7) of that section, a new subsection (8) and subsection (10) are added to that section, and paragraphs (a) through (f) of subsection (7) of that section are amended, to read:

166.04151 Affordable housing.—

(7)(a) A municipality must authorize multifamily and mixed-use residential as allowable uses in any area zoned for commercial, industrial, or mixed use, *and in portions of any flexibly zoned area such as a planned unit development permitted for commercial, industrial, or mixed use*, if at least 40 percent of the residential units in a proposed multifamily development are rental units that, for a period of at least 30 years, are affordable as defined in s. 420.0004. Notwithstanding any other law, local ordinance, or regulation to the contrary, a municipality may not require a proposed multifamily development to obtain a zoning or land use change, special exception, conditional use approval, variance, *transfer of density or development units, amendment to a development of regional impact, or comprehensive plan amendment for the building height, zoning, and densities authorized under this subsection.* For mixed-use residential projects, at least 65 percent of the total square footage must be used for residential purposes. *The municipality may not require that more than 10 percent of the total square footage of such mixed-use residential projects be used for nonresidential purposes.*

(b) A municipality may not restrict the density of a proposed development authorized under this subsection below the highest currently allowed, *or allowed on July 1, 2023*, density on any land in the municipality where residential development is allowed under the municipality's land development regulations. For purposes of this paragraph, the term "highest currently allowed density" does not include the density of any building that met the requirements of this subsection or the density of any building that has received any bonus, variance, or other special exception for density provided in the municipality's land development regulations as an incentive for development.

(c) A municipality may not restrict the floor area ratio of a proposed development authorized under this subsection below 150 percent of the highest currently allowed, *or allowed on July 1, 2023*, floor area ratio on any land in the municipality where development is allowed under the municipality's land development regulations. For purposes of this paragraph, the term "highest currently allowed floor area ratio" does not include the floor area ratio of any building that met the requirements of this subsection or the floor area ratio of any building that has received any bonus, variance, or other special exception for floor area ratio provided in the municipality's land development regulations as an incentive for development. For purposes of this subsection, the term "floor area ratio" includes floor lot ratio.

(d)1. A municipality may not restrict the height of a proposed development authorized under this subsection below the highest currently allowed, *or allowed on July 1, 2023*, height for a commercial or residential building located in its jurisdiction within 1 mile of the proposed development or 3 stories, whichever is higher. For purposes of this paragraph, the term "highest currently allowed height" does not include the height of any building that met the requirements of this subsection or the height of any building that has received any bonus, variance, or other special exception for height provided in the municipality's land development regulations as an incentive for development.

2. If the proposed development is adjacent to, on two or more sides, a parcel zoned for single-family residential use that is within a single-family residential development with at least 25 contiguous single-family homes, the municipality may restrict the height of the proposed development to 150 percent of the tallest building on any property adjacent to the proposed development, the highest currently allowed, *or allowed on July 1, 2023*, height for the property provided in the municipality's land development regulations, or 3 stories, whichever is higher, *not to exceed 10 stories*. For the purposes of this paragraph, the term "adjacent to" means those properties sharing more than one point of a property line, but does not include properties separated by a public road or body of water, *including manmade lakes or ponds*. *For a proposed development located within a municipality within an area of critical state concern as designated by s. 380.0552 or chapter 28-36, Florida Administrative Code, the term "story" includes only the habitable space above the base flood elevation as designated by the Federal Emergency Management Agency in the most current Flood Insurance Rate Map. A story may not exceed 10 feet in height measured from finished floor to finished floor, including space for mechanical equipment. The highest story may not exceed 10 feet from finished floor to the top plate.*

(e) A proposed development authorized under this subsection must be administratively approved *without and no* further action by the

governing body of the municipality *or any quasi-judicial or administrative board or reviewing body is required* if the development satisfies the municipality's land development regulations for multifamily developments in areas zoned for such use and is otherwise consistent with the comprehensive plan, with the exception of provisions establishing allowable densities, floor area ratios, height, and land use. Such land development regulations include, but are not limited to, regulations relating to setbacks and parking requirements. A proposed development located within one-quarter mile of a military installation identified in s. 163.3175(2) may not be administratively approved. Each municipality shall maintain on its website a policy containing procedures and expectations for administrative approval pursuant to this subsection. *For the purposes of this paragraph, the term "allowable density" means the density prescribed for the property without additional requirements to procure and transfer density units or development units from other properties.*

(f)1. A municipality must, *upon request of an applicant, reduce* ~~consider reducing~~ parking requirements for a proposed development authorized under this subsection *by 10 percent* if the development:

a. Is located within one-quarter mile of a transit stop, as defined in the municipality's land development code, and the transit stop is accessible from the development;

~~2. A municipality must reduce parking requirements by at least 20 percent for a proposed development authorized under this subsection if the development:~~

~~b. a.~~ Is located within one-half mile of a major transportation hub that is accessible from the proposed development by safe, pedestrian-friendly means, such as sidewalks, crosswalks, elevated pedestrian or bike paths, or other multimodal design features; *or*

~~c. b.~~ Has available parking within 600 feet of the proposed development which may consist of options such as on-street parking, parking lots, or parking garages available for use by residents of the proposed development. However, a municipality may not require that the available parking compensate for the reduction in parking requirements.

~~2.3.~~ A municipality must eliminate parking requirements for a proposed mixed-use residential development authorized under this subsection within an area recognized by the municipality as a transit-oriented development or area, as provided in paragraph (h).

3.4. For purposes of this paragraph, the term "major transportation hub" means any transit station, whether bus, train, or light rail, which is served by public transit with a mix of other transportation options.

(k) *Notwithstanding any other law or local ordinance or regulation to the contrary, a municipality may allow an adjacent parcel of land to be included within a proposed multifamily development authorized under this subsection.*

(m) *The court shall give any civil action filed against a municipality for a violation of this subsection priority over other pending cases and render a preliminary or final decision as expeditiously as possible.*

(n) *If a civil action is filed against a municipality for a violation of this subsection, the court must assess and award reasonable attorney fees and costs to the prevailing party. An award of reasonable attorney fees or costs pursuant to this subsection may not exceed \$200,000. In addition, a prevailing party may not recover any attorney fees or costs directly incurred by or associated with litigation to determine an award of reasonable attorney fees or costs.*

(o) *As used in this subsection, the term:*

1. "Commercial use" means activities associated with the sale, rental, or distribution of products or the performance of services related thereto. The term includes, but is not limited to, such uses or activities as retail sales; wholesale sales; rentals of equipment, goods, or products; offices; restaurants; public lodging establishments as described in s. 509.242(1)(a); food service vendors; sports arenas; theaters; tourist attractions; and other for-profit business activities. A parcel zoned to permit such uses by right without the requirement to obtain a variance or waiver is considered commercial use for the purposes of this section, irrespective of the local land development regulation's listed category or title. The term does not include home-based businesses or cottage food

operations undertaken on residential property, public lodging establishments as described in s. 509.242(1)(c), or uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

2. “Industrial use” means activities associated with the manufacture, assembly, processing, or storage of products or the performance of services related thereto. The term includes, but is not limited to, such uses or activities as automobile manufacturing or repair, boat manufacturing or repair, junk yards, meat packing facilities, citrus processing and packing facilities, produce processing and packing facilities, electrical generating plants, water treatment plants, sewage treatment plants, and solid waste disposal sites. A parcel zoned to permit such uses by right without the requirement to obtain a variance or waiver is considered industrial use for the purposes of this section, irrespective of the local land development regulation’s listed category or title. The term does not include uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

3. “Mixed-use” means any use that combines multiple types of approved land uses from at least two of the residential use, commercial use, and industrial use categories. The term does not include uses that are accessory, ancillary, incidental to the allowable uses, or allowed only on a temporary basis.

4. “Planned unit development” has the same meaning as provided in s. 163.3202(5)(b).

(8)(a) A proposed development on a parcel of land primarily developed and maintained as a golf course, a tennis court, or a swimming pool, regardless of the zoning category assigned to such parcel, may use the approval process provided in subsection (7).

(b) If the proposed development is on a parcel that is adjacent to, on two or more sides, a parcel zoned for single-family residential use, the municipality may restrict the height of the proposed development to 150 percent of the tallest residential building on any property adjacent to the proposed development, the highest currently allowed, or allowed on July 1, 2023, height for the property provided in the municipality’s land development regulations, or 3 stories, whichever is higher. For the purposes of this paragraph, the term “adjacent to” means those properties sharing more than one point of a property line, but does not include properties separated by a public road or body of water, including manmade lakes or ponds.

(10)(a) Except as provided in paragraphs (b) and (d), a municipality may not enforce a building moratorium that has the effect of delaying the permitting or construction of a multifamily residential or mixed-use residential development authorized under subsection (7).

(b) A municipality may, by ordinance, impose or enforce such a building moratorium for no more than 90 days in any 3-year period. Before adoption of such a building moratorium, the municipality shall prepare or cause to be prepared an assessment of the municipality’s need for affordable housing at the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, including projections of such need for the next 5 years. This assessment must be posted on the municipality’s website by the date the notice of proposed enactment is published and must be presented at the same public meeting at which the proposed ordinance imposing the building moratorium is adopted by the governing body of the municipality. This assessment must be included in the business impact estimate for the ordinance imposing such a moratorium required by s. 166.041(4).

(c) If a civil action is filed against a municipality for a violation of this subsection, the court must assess and award reasonable attorney fees and costs to the prevailing party. An award of reasonable attorney fees or costs pursuant to this subsection may not exceed \$200,000. In addition, a prevailing party may not recover any attorney fees or costs directly incurred by or associated with litigation to determine an award of reasonable attorney fees or costs.

(d) This subsection does not apply to moratoria imposed or enforced to address stormwater or flood water management, to address the supply of potable water, or due to the necessary repair of sanitary sewer systems, if such moratoria apply equally to all types of multifamily or mixed-use residential development.

Section 5. An applicant for a proposed development authorized under s. 125.01055(7), Florida Statutes, or s. 166.04151(7), Florida Statutes, who submitted an application, a written request, or a notice of intent to use such provisions to the county or municipality and which application, written request, or notice of intent has been received by the county or municipality, as applicable, before July 1, 2025, may notify the county or municipality by July 1, 2025, of its intent to proceed under the provisions of s. 125.01055(7), Florida Statutes, or s. 166.04151(7), Florida Statutes, as they existed at the time of submittal. A county or municipality, as applicable, shall allow an applicant who submitted such application, written request, or notice of intent before July 1, 2025, the opportunity to submit a revised application, written request, or notice of intent to account for the changes made by this act.

Section 6. Paragraph (a) of subsection (9) of section 380.0552, Florida Statutes, is amended to read:

380.0552 Florida Keys Area; protection and designation as area of critical state concern.—

(9) MODIFICATION TO PLANS AND REGULATIONS.—

(a) Any land development regulation or element of a local comprehensive plan in the Florida Keys Area may be enacted, amended, or rescinded by a local government, but the enactment, amendment, or rescission becomes effective only upon approval by the state land planning agency. The state land planning agency shall review the proposed change to determine if it is in compliance with the principles for guiding development specified in chapter 27F-8, Florida Administrative Code, as amended effective August 23, 1984, and must approve or reject the requested changes within 60 days after receipt. Amendments to local comprehensive plans in the Florida Keys Area must also be reviewed for compliance with the following:

1. Construction schedules and detailed capital financing plans for wastewater management improvements in the annually adopted capital improvements element, and standards for the construction of wastewater treatment and disposal facilities or collection systems that meet or exceed the criteria in s. 403.086(11) for wastewater treatment and disposal facilities or s. 381.0065(4)(l) for onsite sewage treatment and disposal systems.

2. Goals, objectives, and policies to protect public safety and welfare in the event of a natural disaster by maintaining a hurricane evacuation clearance time for permanent residents of no more than 26 24 hours. The hurricane evacuation clearance time shall be determined by a hurricane evacuation study conducted in accordance with a professionally accepted methodology and approved by the state land planning agency. For purposes of hurricane evacuation clearance time:

a. Mobile home residents are not considered permanent residents.

b. The City of Key West Area of Critical State Concern established by chapter 28-36, Florida Administrative Code, shall be included in the hurricane evacuation study and is subject to the evacuation requirements of this subsection.

Section 7. It is the intent of the Legislature that the amendment made by this act to s. 380.0552, Florida Statutes, will accommodate the building of additional developments within the Florida Keys to ameliorate the acute affordable housing and building permit allocation shortage. The Legislature also intends that local governments subject to the hurricane evacuation clearance time restrictions on residential buildings manage growth with a heightened focus on long-term stability and affordable housing for the local workforce.

Section 8. Section 420.5098, Florida Statutes, is created to read:

420.5098 Public sector and hospital employer-sponsored housing policy.—

(1) The Legislature finds that it is in the best interests of the state and the state’s economy to provide affordable housing to state residents employed by hospitals, health care facilities, and governmental entities in order to attract and maintain the highest quality labor by incentivizing such employers to sponsor affordable housing opportunities. Section 42(g)(9)(B) of the Internal Revenue Code provides that a qualified low-income housing project does not fail to meet the general public use requirement solely because of occupancy restrictions or preferences

that favor tenants who are members of a specified group under a state program or policy that supports housing for such specified group. Therefore, it is the intent of the Legislature to establish a policy that supports the development of affordable workforce housing for employees of hospitals, health care facilities, and governmental entities.

(2) For purposes of this section, the term:

(a) “Governmental entity” means any state, regional, county, local, or municipal governmental entity of this state, whether executive, judicial, or legislative; any department, division, bureau, commission, authority, or political subdivision of the state; any public school, state university, or Florida College System institution; or any special district as defined in s. 189.012.

(b) “Health care facility” has the same meaning as provided in s. 159.27(16).

(c) “Hospital” means a hospital under chapter 155, a hospital district created pursuant to chapter 189, or a hospital licensed pursuant to chapter 395, including corporations not for profit that are qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and for-profit entities.

(3) It is the policy of the state to support housing for employees of hospitals, health care facilities, and governmental entities and to allow developers in receipt of federal low-income housing tax credits allocated pursuant to s. 420.5099, local or state funds, or other sources of funding available to finance the development of affordable housing to create a preference for housing for such employees. Such preference must conform to the requirements of s. 42(g)(9) of the Internal Revenue Code.

Section 9. Section 760.26, Florida Statutes, is amended to read:

760.26 Prohibited discrimination in land use decisions and in permitting of development.—It is unlawful to discriminate in land use decisions or in the permitting of development based on race, color, national origin, sex, disability, familial status, religion, or, except as otherwise provided by law, the source of financing of a development or proposed development or the nature of a development or proposed development as affordable housing.

Section 10. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon becoming a law, this act shall take effect July 1, 2025.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to affordable housing; amending ss. 125.01055 and 166.04151, F.S.; revising applicability; requiring counties and municipalities, respectively, to authorize multifamily and mixed-use residential as allowable uses in portions of flexibly zoned areas under certain circumstances; prohibiting counties and municipalities from imposing certain requirements on proposed multifamily developments; prohibiting counties and municipalities from requiring that more than a specified percentage of a mixed-use residential project be used for certain purposes; revising the density, floor area ratio, or height below which counties and municipalities may not restrict certain developments; defining the term “story” for a proposed development located within a municipality within a certain area of critical state concern; requiring the administrative approval of certain proposed developments without further action by a quasi-judicial or administrative board or reviewing body under certain circumstances; requiring counties and municipalities to reduce parking requirements by a specified percentage for certain proposed developments under certain circumstances; requiring counties and municipalities to allow adjacent parcels of land to be included within certain proposed developments; requiring a court to give priority to and render expeditious decisions in certain civil actions; requiring a court to award reasonable attorney fees and costs to a prevailing party in certain civil actions; providing that such attorney fees or costs may not exceed a specified dollar amount; prohibiting the prevailing party from recovering certain other fees or costs; defining terms; authorizing the use of a specified approval process for a proposed development on a parcel of land primarily developed and maintained for specified facilities; authorizing counties and municipalities to restrict the height of such proposed developments under certain circumstances; prohibiting counties and municipalities from imposing certain building moratoriums; providing an exception, subject to certain requirements; providing applicability; authorizing applicants for certain proposed de-

velopments to notify the county or municipality, as applicable, by a specified date of its intent to proceed under certain provisions; requiring counties and municipalities to allow certain applicants to submit revised applications, written requests, and notices of intent to account for changes made by the act; amending s. 380.0552, F.S.; revising the maximum hurricane evacuation clearance time for permanent residents, which time is an element for which amendments to local comprehensive plans in the Florida Keys Area must be reviewed for compliance; providing legislative intent; creating s. 420.5098, F.S.; providing legislative findings and intent; defining terms; providing that it is the policy of the state to support housing for certain employees and to permit developers in receipt of certain tax credits and funds to create a specified preference for housing certain employees; requiring that such preference conform to certain requirements; amending s. 760.26, F.S.; providing that it is unlawful to discriminate in land use decisions or in the permitting of development based on the specified nature of a development or proposed development; providing effective dates.

On motion by Senator Calatayud, by two-thirds vote, **CS for CS for SB 1730**, as amended, was read the third time by title, passed, ordered engrossed, and then certified to the House. The vote on passage was:
