PRAYER

The following prayer was offered by Pastor Derrick Gray, River of Life Church, Crawfordville:

Heavenly Father, your word instructs us to pray for those in authority over us, so we stand here today in obedience to that command. We thank you for the freedom and the privilege to do that in a public setting.

Those who serve in this chamber have been given a noble and weighty responsibility—to serve the common good of the State of Florida. As they attend to the work before them on this day, I pray that you grant them patience, wisdom, and courage—patience to work with one another, while remembering that every person here is made in the image of God; wisdom to come to the right decisions; and the courage to carry them out. May they be guided by your providence and strengthened by your common grace, in order to fulfill your purposes in the work that they do.

Let us always remember that to you, and you alone, we must all one day stand and give account. God, bless them and bless this great state. It's in Christ's name, I ask these things. Amen.

WHEREAS, after serving in both the Florida House of Representatives and the Florida Senate, Bob Graham was elected as Florida’s 38th Governor in 1978, and his career in state politics enabled him to personally witness Florida’s rise from a rural Southern state to an economic and political juggernaut, and

WHEREAS, in Governor Graham’s first term, Florida became a national leader in providing in-home services to seniors, through efforts led by First Lady Adele Graham, creating a statewide network of services, ensuring access to assistance for needy elders in the metropolitan areas and to those in the most rural of Florida’s counties, and allowing more families to live out their days at home, and

WHEREAS, in 1981, Governor Graham established the Save Our Rivers program, which raised \$320 million over 10 years and enabled the water management districts to acquire 1.7 million acres of land for water conservation; established the Save Our Coast program, which resulted in the purchase of 73 miles of coastline, protecting natural Florida beauty for future generations; and, with singer Jimmy Buffett, founded Save the Manatee, a nonprofit organization dedicated to the conservation and recovery of the manatee species as defined by the federal Endangered Species Act of 1973, and

WHEREAS, in 1984, Governor Graham signed into law the Warren Henderson Wetlands Protection Act, Florida’s first law directed specifically at preservation and protection of wetlands, and

WHEREAS, at the end of his governorship in 1987, Bob Graham was sworn in to the United States Senate, where he was known not only for his grasp of domestic issues, such as Everglades restoration, immigration, and offshore drilling, but also for his expertise in foreign policy and intelligence, serving as chair of the Senate Intelligence Committee and co-chair of the Joint Inquiry into Intelligence Community Activities Before and After the Terrorist Attacks on September 11, 2001, and

WHEREAS, ever mindful of his undergraduate alma mater, where he was president of the Epsilon Zeta chapter of Sigma Nu fraternity, served as chancellor of the student honor court, and was inducted into Blue Key and the University Hall of Fame, Bob Graham established the Bob Graham Center for Public Service at the University of Florida in 2006 to continue his legacy of leadership and public service, as well as to train the next generations of Florida leaders, and

WHEREAS, in 2011, Bob Graham established the Florida Conservation Coalition, composed of concerned Floridians representing various organizations, for the purpose of advocating for positive environmental initiatives and opposing adverse proposals, and

WHEREAS, throughout his 38 consecutive years in public office and nearly 20 years thereafter as an author, a speaker, and an advocate, Bob Graham worked tirelessly to further environmental preservation, economic opportunity, public education, national security, and civil rights, and his outstanding record of service has established Bob Graham as one of the most accomplished public figures in the history of this state, NOW, THEREFORE,

SR 1892—A resolution affirming the importance of the Florida Wildlife Corridor and its significant environmental, cultural, economic, and tourism value as a unique natural resource and recognizing April 22, 2025, as “Florida Wildlife Corridor Day.”

WHEREAS, the campaign to establish the Florida Wildlife Corridor began 15 years ago, and supporters saw their vision become reality with passage of the Florida Wildlife Corridor Act of 2021, and

WHEREAS, the Florida Wildlife Corridor establishes a geographic area of more than 18 million acres of land, of which 10 million acres are public conservation lands that could be permanently disconnected from each other without the additional conservation of nearly 8 million acres of opportunity areas connecting them, and

WHEREAS, Florida’s population has grown from 21.8 million when the Florida Wildlife Corridor Act was signed to more than 23.4 million today, resulting in urban and suburban sprawl consuming rural and natural land within and adjacent to the corridor, and

WHEREAS, the nearly 8 million acres of opportunity areas still needing protection consist largely of working ranches, farms, and forests, the majority of which can be protected through conservation easements with willing landowners, thereby supporting the state’s agricultural economy and contributing to the long-term food security of Florida and the nation, and

WHEREAS, the Legislature has appropriated significant funding for the state’s conservation programs, providing incentive for conservation and sustainable development while preserving the green infrastructure that is the foundation of this state’s economy and quality of life, and

WHEREAS, since July 2021, more than 300,000 acres of land in the Florida Wildlife Corridor have been approved for protection by Governor Ron DeSantis and the Cabinet, including Commissioner of Agriculture Wilton Simpson, who made the corridor a priority during his term as Senate President, with funding appropriated by the Legislature from the Department of Environmental Protection’s Florida Forever Program and the Department of Agriculture and Consumer Services’ Rural and Family Lands Protection Program, and

WHEREAS, a number of federal and local programs have increased their investment in Florida conservation, following the lead of the state in prioritizing the framework of the Florida Wildlife Corridor, and

WHEREAS, these programs share the state’s goal of protecting an additional 600,000 acres in the Florida Wildlife Corridor by 2030, balancing this commitment to urgent conservation with the demand for development to accommodate the more than 2 million new residents projected to move to this state within the next 5 years, and

WHEREAS, public access to the Florida Wildlife Corridor was greatly expanded in 2023 with the Legislature passing, and Governor DeSantis signing, legislation that connects the corridor to the Florida Greenways and Trails System and the Florida Shared-Use Nonmotorized (SUN) Trail Network, as well as additional pathways to heritage small towns throughout this state, and

WHEREAS, with the state's funding commitment in recent years to such projects, the Department of Environmental Protection and the Department of Transportation have coordinated the establishment of multiuse trails, including investment in the planning, design, and construction of the SUN Trail Network and the campaign to recognize various communities as "Trail Towns," in conjunction with Visit Florida's promotion of trail-based tourism, and

WHEREAS, connecting trails with the Florida Wildlife Corridor creates a means to preserve many natural areas and provides expanded access for Floridians and visitors to hike, run, and bike between trail destinations and see firsthand this state's unique natural habitat and picturesque small towns, and

WHEREAS, the Florida Wildlife Corridor provides strong protection of other tourism and recreation destinations, such as spring vents, rivers, estuaries, and wetlands, which are home to fisheries, carbon sequestration, nutrient capture and cycling, groundwater recharge critical to water supply, and water storage, and

WHEREAS, the Florida Wildlife Corridor is a nature-based solution that supports the state's resilience against strengthening storms and provides billions of dollars' worth of flood hazard protection by keeping the 10 million acres of the state's floodplains located within the corridor undeveloped, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate affirms the importance of the Florida Wildlife Corridor and its significant environmental, cultural, economic, and tourism value as a unique natural resource and recognizes April 22, 2025, as "Florida Wildlife Corridor Day."

316.173 School bus infraction detection systems.—

(1)

(a) A copy of one or more recorded images showing the motor vehicle involved in the violation, including an image showing the license plate of the motor vehicle.

(b) The date, time, and location of the violation.

(f) The time when, and the place or website at which, the recorded video and images may be examined and observed.

(g) A warning that failure to pay the civil penalty or to contest liability within 60 ~~30~~ days after the notice is sent will result in the issuance of a uniform traffic citation. ~~A court that has jurisdiction over traffic violations shall determine whether a violation of this section has occurred. If a court finds by a preponderance of the evidence that a violation occurred, the court must uphold the violation. If the notice of violation is upheld, the court must require the petitioner to pay the penalty previously assessed under s. 318.18(5), and may also require the petitioner to pay costs, not to exceed those established in s. 316.0083(5)(e).~~

(6)(a) A local hearing officer appointed by the school district or county shall administer an administrative hearing process for a contested notice of violation. The school district may appoint an attorney who is, and has been for the preceding 5 years, a member in good standing with The Florida Bar to serve as a local hearing officer. The county in which a school district has entered into an interlocal agreement with a law enforcement agency to issue uniform traffic citations may designate by resolution existing staff to serve as the local hearing officer. At the administrative hearing, the local hearing officer shall determine whether a violation of s. 316.172(1)(a) or (b) has occurred. If the local hearing officer finds by a preponderance of the evidence that a violation has occurred, the local hearing officer must uphold the notice of violation and require the petitioner to pay the penalty previously assessed under s. 318.18(5). The local hearing officer shall also require the petitioner to pay costs consistent with this subsection.

(b) Procedures for an administrative hearing conducted under this subsection are as follows:

1. The department shall make available electronically to the school district or its designee or the county a Request for Hearing form to assist each district or county with administering this subsection.

2. A person, referred to in this paragraph as the petitioner, who elects to request a hearing under this subsection shall be scheduled for a hearing. The hearing may be conducted either virtually via live video conferencing or in person.

3. Within 120 days after receipt of a timely request for a hearing, the law enforcement agency or its designee shall provide a replica of the notice of violation data to the school district or county by manual or electronic transmission, and thereafter the school district or its designee or the county shall mail a notice of hearing, which shall include a hearing date and may at the discretion of the district or county include virtual and in-person hearing options, to the petitioner by first-class mail. Mailing of the notice of hearing constitutes notification. Upon receipt of the notice of hearing, the petitioner may reschedule the hearing once by submitting a written request to the local hearing officer at least 5 calendar days before the day of the originally scheduled hearing. The petitioner may cancel his or her hearing by paying the penalty assessed in the notice of violation.

4. All testimony at the hearing shall be under oath. The local hearing officer shall take testimony from the law enforcement agency and the petitioner, and may take testimony from others. The local hearing officer shall review the video and images recorded by a school bus infraction detection system. Formal rules of evidence do not apply, but due process shall be observed and govern the proceedings.

5. At the conclusion of the hearing, the local hearing officer shall determine by a preponderance of the evidence whether a violation has occurred and shall uphold or dismiss the violation. The local hearing officer shall issue a final administrative order including the determination and, if the notice of violation is upheld, require the petitioner to pay the civil penalty previously assessed in the notice of violation, and shall also require the petitioner to pay costs, not to exceed those established in s. 316.0083(5)(e), to be used by the county for operational costs relating to the hearing process or by the school district for technology and operational costs relating to the hearing process as well as school transportation safety-related initiatives. The final administrative order shall be mailed to the petitioner by first-class mail.

6. An aggrieved party may appeal a final administrative order consistent with the process provided in s. 162.11.

(c) Any hearing for a contested notice of violation that has not been conducted before July 1, 2025, may be conducted pursuant to the procedures in this subsection within 1 year after such date.

(9)(8) A uniform traffic citation must be issued by mailing the uniform traffic citation by certified mail to the address of the registered owner of the motor vehicle involved in the violation if, *within 60 days after notification under subsection (5)*, payment has not been made, ~~within 30 days after notification under subsection (5) and if~~ the registered owner has not submitted an affidavit in accordance with subsection (11), *or the registered owner has not requested an administrative hearing with the school district or county, as applicable, contesting the notice of violation pursuant to subsection (6) (10).*

(a) Delivery of the uniform traffic citation constitutes notification of a violation under this subsection. If the registered owner or co-owner of the motor vehicle; the person identified as having care, custody, or control of the motor vehicle at the time of the violation; or a duly authorized representative of the owner, co-owner, or identified person initiates a proceeding to challenge the citation, such person waives any challenge or dispute as to the delivery of the uniform traffic citation.

(b) In the case of joint ownership of a motor vehicle, the uniform traffic citation must be mailed to the first name appearing on the motor vehicle registration, unless the first name appearing on the registration is a business organization, in which case the second name appearing on the registration may be used.

(c) The uniform traffic citation mailed to the registered owner of the motor vehicle involved in the violation must be accompanied by information described in paragraphs (5)(a)-(f).

(11)(10) To establish such facts under subsection (10) (9), the registered owner of the motor vehicle must, within ~~60 30~~ days after the date of issuance of the notice of violation or the uniform traffic citation, furnish to the law enforcement agency that issued the notice of violation or uniform traffic citation an affidavit setting forth information supporting an exception under subsection (10) (9).

(a) An affidavit supporting the exception under paragraph (10)(a) ~~(9)(a)~~ must include the name, address, date of birth, and, if known, the driver license number of the person who leased, rented, or otherwise had care, custody, or control of the motor vehicle at the time of the alleged violation. If the motor vehicle was stolen at the time of the alleged violation, the affidavit must include the police report indicating that the motor vehicle was stolen.

(b) If a uniform traffic citation for a violation of s. 316.172(1)(a) or (b) was issued at the location of the violation by a law enforcement officer, the affidavit must include the serial number of the uniform traffic citation.

(c) If the motor vehicle's owner to whom a notice of violation or a uniform traffic citation has been issued is deceased, the affidavit must include a certified copy of the owner's death certificate showing that the date of death occurred on or before the date of the alleged violation and one of the following:

1. A bill of sale or other document showing that the deceased owner's motor vehicle was sold or transferred after his or her death but on or before the date of the alleged violation.

2. Documented proof that the registered license plate belonging to the deceased owner's motor vehicle was returned to the department or any branch office or authorized agent of the department after his or her death but on or before the date of the alleged violation.

3. A copy of the police report showing that the deceased owner's registered license plate or motor vehicle was stolen after his or her death but on or before the date of the alleged violation.

Upon receipt of the affidavit and documentation required under paragraphs (b) and (c), or ~~60 30~~ days after the date of issuance of a notice of violation sent to a person identified as having care, custody, or control of the motor vehicle at the time of the violation under paragraph (a), the law enforcement agency must dismiss the notice or citation and provide proof of such dismissal to the person who submitted the affidavit. If, within ~~60 30~~ days after the date of a notice of violation sent to a person under subsection (12) ~~(11)~~, the law enforcement agency receives an af-

fidavit under subsection (13) ~~(12)~~ from the person who was sent a notice of violation affirming that the person did not have care, custody, or control of the motor vehicle at the time of the violation, the law enforcement agency must notify the registered owner that the notice or citation will not be dismissed due to failure to establish that another person had care, custody, or control of the motor vehicle at the time of the violation.

(12)(11) Upon receipt of an affidavit under paragraph (10)(a) ~~(9)(a)~~, the law enforcement agency may issue the person identified as having care, custody, or control of the motor vehicle at the time of the violation a notice of violation pursuant to subsection (5) for a violation of s. 316.172(1)(a) or (b). The affidavit is admissible in a proceeding pursuant to this section for the purpose of providing evidence that the person identified in the affidavit was in actual care, custody, or control of the motor vehicle. The owner of a leased motor vehicle for which a uniform traffic citation is issued for a violation of s. 316.172(1)(a) or (b) is not responsible for paying the uniform traffic citation and is not required to submit an affidavit as specified in subsection (11) ~~(10)~~ if the motor vehicle involved in the violation is registered in the name of the lessee of such motor vehicle.

(13)(12) If a law enforcement agency receives an affidavit under paragraph (10)(a) ~~(9)(a)~~, the notice of violation required under subsection (5) must be sent to the person identified in the affidavit within 30 days after receipt of the affidavit. The person identified in an affidavit and sent a notice of violation may ~~also~~ affirm he or she did not have care, custody, or control of the motor vehicle at the time of the violation by furnishing to the appropriate law enforcement agency within ~~60 30~~ days after the date of the notice of violation an affidavit stating such.

(h) *For purposes of determining adjacency under this subsection:*

1. *A parcel is adjacent to another parcel if it shares a continuous boundary of at least 100 feet, including where such parcels are separated by a public street or other public right-of-way.*

2. *A retention pond, stormwater area, park, or other designated common area of a community counts toward the 100-foot boundary requirement provided in subparagraph 1. if the parcel has the same or substantially similar zoning classification as the parcel being used by the agricultural enclave for density purposes. This applies to a parcel, regardless of whether such parcel contains residential lots, provided the parcel has the same or similar zoning as the parcels containing residential lots and was part of the development review of the adjoining subdivision.*

3. *Multiple parcels aggregated within a single unified application concerning an enclave parcel or development site satisfy the adjacency requirements of this subsection if, in the aggregate, the combined parcels meet the 100-foot boundary requirement provided in subparagraph 1*
~~**AMENDMENT TO LOCAL GOVERNMENT COMPREHENSIVE PLAN.** The owner of a parcel of land defined as an agricultural enclave under s. 163.3164 may apply for an amendment to the local government comprehensive plan pursuant to s. 163.3184. Such amendment is presumed not to be urban sprawl as defined in s. 163.3164 if it includes land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the parcel. This presumption may be rebutted by clear and convincing evidence. Each application for a comprehensive plan amendment under this subsection for a parcel larger than 640 acres must include appropriate new urbanism concepts such as clustering, mixed use development, the creation of rural village and city centers, and the transfer of development rights in order to discourage urban sprawl while protecting landowner rights.~~

(a) ~~The local government and the owner of a parcel of land that is the subject of an application for an amendment shall have 180 days following the date that the local government receives a complete application to negotiate in good faith to reach consensus on the land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the parcel. Within 30 days after the local government's receipt of such an application, the local government and owner must agree in writing to a schedule for information submittal, public hearings, negotiations, and final action on the amendment, which schedule may thereafter be altered only with the written consent of the local government and the owner. Compliance with the schedule in the written agreement constitutes good faith negotiations for purposes of paragraph (c).~~

(b) ~~Upon conclusion of good faith negotiations under paragraph (a), regardless of whether the local government and owner reach consensus on the land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the parcel, the amendment must be transmitted to the state land planning agency for review pursuant to s. 163.3184. If the local government fails to transmit the amendment within 180 days after receipt of a complete application, the amendment must be immediately transferred to the state land planning agency for such review. A plan amendment transmitted to the state land planning agency submitted under this subsection is presumed not to be urban sprawl as defined in s. 163.3164. This presumption may be rebutted by clear and convincing evidence.~~

(c) ~~If the owner fails to negotiate in good faith, a plan amendment submitted under this subsection is not entitled to the rebuttable presumption under this subsection in the negotiation and amendment process.~~
