A bill to be entitled An Act to amend Chapter 7311 of the Laws of Florida, and the title thereto, the same being An Act to amend Chapter 6944 of the Laws of Florida, 1915, and the title thereto, the same being An Act entitled "An Act to provide for the examination, licensing and registration of persons engaged in the business or work of installing plumbing or house drainage, and the supervision and inspection of plumbing and house drainage in cities or towns of this State, having a population of 10,000 inhabitants or more, according to the Federal census of 1910, or any subsequent Federal census, and parts of counties in this State, and imposing penalties for the violation of this Act.

And particularly the amendment offered by Senator Etheredge, reading as follows: "At end of Section 6 add: 'Provided however that any person receiving a license as provided in this Act, shall be permitted to operate in all cities and towns of the State without further examination, or additional license.'"

"In Section 12 strike out the word "fifty" wherever it appears and insert in lieu thereof the following: "Ten."

"In Section 13 strike out the word "fifty" wherever it appears and insert in lieu thereof the word "twenty-five," which was unanimously adopted by the House and Senate conferees."

Inasmuch as there seems to be some confusion or misunderstanding as to whether amendment offered by Senator Gillis to said bill and adopted by the Senate was concurred in by the House, your conference committee has considered said amendment and recommends that it be adopted, as follows: "In proviso to Section 13 strike out the figures 5,000 and insert in lieu thereof 7,500.

Your Conference Committee, to whom was referred--

House Bill No. 168:

A bill to be entitled An Act to amend Chapter 7311 of the Laws of Florida, and the title thereto, the same being an Act to amend Chapter 6944 of the Laws of Florida, 1915, and the title thereto, the same being an Act entitled 'An Act to provide for the examination, licensing and registration of persons engaged in the business or work of installing plumbing or house drainage, and the supervision and inspection of plumbing and house drainage in cities or towns of this State, having a population of 10,000 inhabitants or more, according to the Federal census of 1910, or any subsequent Federal census, and parts of counties in this State, and imposing penalties for the violation of this Act.' "

And particularly amendment offered by Senator Etheredge, reading as follows: "At end of Section 6 add: Provided, however, that any person receiving a license as provided in this Act, shall be permitted to operate in all cities and towns of the State without further examination, or additional license.

Your committee recommends that the House and Senate do recede from the adoption of the foregoing amendment and adopt in lieu thereof the following amendment:

Provided, however, that any person receiving a license to engage in the plumbing business as provided in this Act may engage in such business in any and all cities and towns in this State without the payment of any additional license fee except in such towns as such person or persons maintain an office.

Your Committee also took up for consideration amendment offered to said bill by Senator Etheredge, which reads as follows:

In Section 12, strike out the word "fifty" wherever it appears and insert in lieu thereof the following: "ten".

In Section 12 strike out the word "fifty" wherever it appears and insert in lieu thereof the word: "twenty-five", which was unanimously adopted by the House and Senate conferees.

Inasmuch as there seems to be some confusion or misunderstanding as to whether amendment offered by Senator Gillis to said bill and adopted by the Senate was concurred in by the House, your conference committee has

considered said amendment and recommends that it be adopted as follows: In Proviso to Section 12 strike out the figures 5,000 and insert in lieu thereof 7,500.
