*Hon. John S. Taylor,*  
*President of the Senate.*

*Sir:*

I am directed by the House of Representatives to inform the Senate that the House of Representatives has refused to recede from its amendments to Senate Bill No. 152:

A bill to be entitled an Act to add certain territory to the Everglades Drainage District and to levy a tax upon all property embraced in such added territory.

And respectfully asks for a Conference Committee to adjust the differences.

On the part of the House of Representatives the Speaker has appointed Messrs. Jennings, McElya and Wester on such committee.

The amendments from which the House refuses to recede are:

Amendment No. 1. In the title strike out the words: "to add certain territory to" and insert in lieu thereof the following "to designate a one-mill zone near".

Amendment No. 2. In the title strike out the words: "and to provide for the assessments and collection of such tax" after the words: "added territory".

Amendment No. 3:

Mr. Davis, of Leon, offered the following amendment to Senate Bill No. 152:

Strike out all after the title of the bill, and insert in lieu thereof the following:

Whereas, the State of Florida owns approximately nine hundred twenty-five thousand (925,000) acres of land within said Everglades Drainage District on which the Legislature has imposed drainage taxes, and the trustees

of the Internal Improvement Fund having in charge the said State lands having heretofore been compelled to sell portions of said State lands from time to time in order to pay said drainage taxes, and it being the judgment of this Legislature that the providing of a fund for paying a part of the drainage taxes on the said State lands in the Everglades would be advisable in order to conserve the assets of the said State in said district and to permit the enhancement in value of the same through perfecting the drainage thereof and for other good and proper reasons, therefore:

Be it Enacted by the Legislature of the State of Florida:

Section 1. That all lands embraced within the following metes and bounds be and the same are hereby designated as the one mill zone;

Beginning at a point near Coconut Grove, in Dade County, Florida, where the section line between Sections Twenty-one (21) and Twenty-two (22) in Township Fifty-four (54) South, Range Forty-one (41) East, or this line produced, intersects the shore line of the Atlantic Ocean, the said point being on the eastern boundary of Everglades Drainage District as existing at present, constituted and formed by Chapter 7862, Laws of Florida, Acts of 1919.

Thence in a northerly direction along the shores of the Atlantic Ocean, including all lands to the waters of the Atlantic Ocean, to St. Lucie Inlet in Palm Beach County, Florida.

Thence westerly across said Inlet and continuing westerly through St. Lucie River and the south fork of the same to a point where the said river intersects with the north boundary of Section Eight in Township Thirty-eight (38) South, Range Forty-one (41) East.

Thence west along the north boundary of Sections Eight (8) and Seven (7), said township and range, to the northwest corner of said Section Seven (7) in Township Thirty-eight (38) South, Range Forty-one (41) East.

Thence west along the north boundary of Section Twelve (12), Eleven (11), Ten (10), Nine (9), Eight (8), and Seven (7) in Township Thirty-eight (38) South, Range Forty (40) East, to the northwest corner of said Section Seven (7), same being to the east boundary of said Everglades Drainage District as existing, and as constituted by Chapter 7862, Laws of Florida, Acts of 1919.

Thence in a southerly direction following and conforming to the eastern boundary and limits of Everglades

Drainage District to the point of beginning first above described, including and inclosing all that land lying between the present eastern boundary of Everglades Drainage District and the waters of the Atlantic Ocean.

Sec. 2. That a tax of one (1) mill on the dollar be and the same is hereby levied annually against all property, real, personal and mixed, within the above rescribed territory beginning with and including the year 1925. That such tax is also hereby levied on all lands owned by the trustees of the Internal Improvement Fund within such territory. Provided, however, that the Everglades Drainage District acreage drainage tax shall not apply to the lands annexed to the said District. Provided, however, that no bonds of the Everglades Drainage District, whether said bonds have been issued prior to the passage of this Act or which may hereafter be issued, shall be a lien upon the lands described in Section 1, hereof.

Sec. 3. There is also hereby levied annually against all property, real, personal or mixed, within the State of Florida, save and excepting that within Everglades Drainage District on which a tax of one (1) mill on the dollar already enumerated has been levied, a tax of one-eighth ( $\frac{1}{8}$ ) mill on the dollar beginning with and including the year 1925. The proceeds from the tax levied by this Section shall be turned over to the trustees of the Internal Improvement Fund of the State of Florida to be used by them in paying, insofar as the same will suffice, Everglades Drainage District taxes on the State-owned lands within the said Everglades Drainage District.

Sec. 4. The basis of valuation for the assessment as herein provided shall be the same as the valuation of said property for State and County taxes, and the lands held by the Trustees of the Internal Improvement Fund for the State in said District are hereby assessed at an amount equal to other lands in the same vicinity, which amount the Trustees of the Internal Improvement Fund are required to ascertain and certify the same to the Board of Commissioners of Everglades Drainage District, who, in turn, shall certify the same to the Tax Assessor of Counties in which the lands lie. Such lists shall be certified to the Tax Assessors at the same time, as near as may be, that land lists are now certified under the provisions of Section 1167 of the Revised General Statutes of Florida.

Sec. 5. It shall be the duty of the Tax Assessor of the several counties embraced in whole or in part within said District to receive such certified lists of State lands which they shall enter upon the tax roll of their respective Counties, placing a value thereon equal to the value placed upon other lands in the same vicinity.

Sec. 6. It shall be the duty of the County Tax Collectors to collect the said taxes at the time of collecting State and County taxes, and they shall account for and remit and pay over such taxes in the same manner and time as is required by law for the accounting and paying over of State and County taxes. In all other respects the law governing the assessment, collection and sale of land and personal property for non-payment of State and County taxes shall be and is hereby made applicable to taxes levied by this Act.

Sec. 7. The proceeds arising from the one (1) mill tax levied by this Act upon the property within the area annexed to said Everglades Drainage District shall be placed to the credit of the tax fund of the Everglades Drainage District, and shall, by the Board of Commissioners of Everglades Drainage District, be used in carrying on the work of Drainage and paying any of the obligations of Everglades Drainage District.

Sec. 8. This Act shall take effect immediately upon its becoming a law.
