

## CERTIFICATE

I hereby certify that this Journal is a true and correct history of the proceedings of the Florida State Senate in Extraordinary Session from November 17th to the 25th (both inclusive) of said month, A. D. 1925, and that under Concurrent Resolutions, I have corrected all daily Journals entrusted to me as Secretary of the Senate to correct, coming to my attention after a painstaking verification with the Secretary's original notes, and have prepared an errata sheet for this Journal as a correction of all clerical and typographical errors, which errata sheet has been delivered to the State Printer to be attached to the complete or bound Journal of the Senate proceedings, which errata sheet becomes a part of said history of the proceedings of the body.

Under Concurrent Resolution, I have also carefully audited, and officially approved to be paid by the Comptroller, all claims against the Senate found to be justly due. I thank the President, President Pro tem, and each member of the Senate for the uniform consideration and courtesy extended to myself and co-laborer's in all departments of the Senate service.

CHARLES A. FINLEY,  
Secretary, Florida State Senate.
