Implementing Bill Senate Offer #1: Modified Replacement of FLAIR Language

Section 49. In order to implement Specific Appropriation 2317A of the 2016-2017
General Appropriations Act:

(1) The Department of Financial Services shall replace the four main components of the Florida Accounting Information Resource Subsystem (FLAIR), which include central FLAIR, departmental FLAIR, payroll, and information warehouse, and shall replace the ~~three main management and accounting management~~ components of the Cash Management Subsystem (CMS), ~~which include cash management, accounting management, and investment management,~~ with an integrated enterprise system that allows the state to organize, define, and standardize its financial management business processes and that complies with ss. 215.90-215.96, Florida Statutes. The department shall not include in the replacement of FLAIR and CMS:

(a) Functionality that duplicates any of the other information subsystems of the Florida Financial Management Information System; or

(b) Agency business processes related to any of the functions included in the Personnel Information System, the Purchasing Subsystem, or the Legislative Appropriations System/Planning and Budgeting Subsystem.

(2) For purposes of replacing FLAIR and CMS, the Department of Financial Services shall:

(a) Take into consideration the cost and implementation of data identified for Option 3 as recommended in the March 31, 2014, Florida Department of Financial Services FLAIR Study, version 031.

(b) Ensure that all business requirements and technical specifications have been provided to all state agencies for their review and input and approved by the executive steering committee established in paragraph (c).

(c) Implement a project governance structure that includes an executive steering committee composed of:

1. The Chief Financial Officer or the executive sponsor of the project.

2. A representative of the Division of Treasury of the Department of Financial Services

appointed by the Chief Financial Officer.

3. A representative of the Division of Information Systems of the Department of Financial Services appointed by the Chief Financial Officer.

4. Four employees from the Division of Accounting and Auditing of the Department of Financial Services appointed by the Chief Financial Officer. Each employee must have experience relating to at least one of the four main components that comprise FLAIR.

5. Two employees from the Executive Office of the Governor appointed by the Governor. One employee must have experience relating to the Legislative Appropriations System/Planning and Budgeting Subsystem.

6. One employee from the Department of Revenue appointed by the executive director of the department and has experience relating to the department's SUNTAX system.

7. Two employees from the Department of Management Services appointed by the Secretary of Management Services. One employee must have experience relating to the department's personnel information subsystem and one employee must have experience relating to the department's purchasing subsystem.

8. Three state agency administrative services directors appointed by the Governor. One director must represent a regulatory and licensing state agency and one director must represent a health care-related state agency.

(3) The Chief Financial Officer or the executive sponsor of the project shall serve as chair of the executive steering committee, and the committee shall take action by a vote of at least eight affirmative votes with the Chief Financial Officer or the executive sponsor of the project voting on the prevailing side. A quorum of the executive steering committee consists of not fewer than eleven members.

(4) The executive steering committee has the overall responsibility for ensuring that the project to replace FLAIR and CMS meets its primary business objectives and shall:

(a) Identify and recommend to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives any statutory changes needed to implement the replacement subsystem that will standardize to the fullest extent possible the state's financial management business processes.

(b) Review and approve any changes to the project's scope, schedule, and budget that do not conflict with the requirements of subsection (1).

(c) Ensure that adequate resources are provided throughout all phases of the project.

(d) Approve all major project deliverables.

(e) Approve all solicitation-related documents associated with the replacement of FLAIR and CMS.

(5) This section expires July 1, 2017.
