

Committee on Special Master On Claim Bills

HB 6505 — Relief/Vonshelle Brothers/Department of Health

by Rep. Jenne (SB 42 by Senator Rodriguez)

This bill provides \$1 million for the benefit of Iyonna Hughey. She was diagnosed with herpes meningoencephalitis shortly after her birth. Her condition was attributed to failures of the Brevard County Health Department to diagnose and treat Iyonna's mother for herpes simplex type 2.

If approved by the Governor, these provisions take effect upon becoming law.
