(d) Interlocal agreements between local governments and district school boards adopted pursuant to s. 163.3177 before the effective date of subsections *(2)-(7)* ~~(2)-(9)~~ must be updated and executed pursuant to the requirements of subsections *(2)-(7)* ~~(2)-(9)~~, if necessary. Amendments to interlocal agreements adopted pursuant to subsections *(2)-(7)* ~~(2)-(9)~~ must be submitted to the state land planning agency within 30 days after execution by the parties for review consistent with subsections (3)

and (4). Local governments and the district school board in each school district are encouraged to adopt a single interlocal agreement in which all join as parties. The state land planning agency shall assemble and make available model interlocal agreements meeting the requirements of subsections *(2)-(7)* ~~(2)-(9)~~ and shall notify local governments and, jointly with the Department of Education, the district school boards of the requirements of subsections *(2)-(7)* ~~(2)-(9)~~, the dates for compliance, and the sanctions for noncompliance. The state land planning agency shall be available to informally review proposed interlocal agreements. If the state land planning agency has not received a proposed interlocal agreement for informal review, the state land planning agency shall, at least 60 days before the deadline for submission of the executed agreement, renotify the local government and the district school board of the upcoming deadline and the potential for sanctions.

(3) At a minimum, the interlocal agreement must address interlocal agreement requirements in s. *163.31777 and, if applicable, s.* 163.3180*(6)*~~(13)(g), except for exempt local governments as provided in s. 163.3177(12)~~, and must address the following issues:

(a) A process by which each local government and the district school board agree and base their plans on consistent projections of the amount, type, and distribution of population growth and student enrollment. The geographic distribution of jurisdiction-wide growth forecasts is a major objective of the process.

(b) A process to coordinate and share information relating to existing and planned public school facilities, including school renovations and closures, and local government plans for development and redevelopment.

(c) Participation by affected local governments with the district school board in the process of evaluating potential school closures, significant renovations to existing schools, and new school site selection before land acquisition. Local governments shall advise the district school board as to the consistency of the proposed closure, renovation, or new site with the local comprehensive plan, including appropriate circumstances and criteria under which a district school board may request an amendment to the comprehensive plan for school siting.

(d) A process for determining the need for and timing of onsite and offsite improvements to support new construction, proposed expansion, or redevelopment of existing schools. The process shall address identification of the party or parties responsible for the improvements.

(e) A process for the school board to inform the local government regarding the effect of comprehensive plan amendments on school capacity. The capacity reporting must be consistent with laws and rules regarding measurement of school facility capacity and must also identify how the district school board will meet the public school demand based on the facilities work program adopted pursuant to s. 1013.35.

(f) Participation of the local governments in the preparation of the annual update to the school board's 5-year district facilities work program and educational plant survey prepared pursuant to s. 1013.35.

(g) A process for determining where and how joint use of either school board or local government facilities can be shared for mutual benefit and efficiency.

(h) A procedure for the resolution of disputes between the district school board and local governments, which may include the dispute resolution processes contained in chapters 164 and 186.

(i) An oversight process, including an opportunity for public participation, for the implementation of the interlocal agreement.

(4)(a) The Office of Educational Facilities shall submit any comments or concerns regarding the executed interlocal agreement to the state land planning agency within 30 days after receipt of the executed interlocal agreement. The state land planning agency shall review the executed interlocal agreement to determine whether it is consistent with the requirements of subsection (3), the adopted local government comprehensive plan, and other requirements of law. Within 60 days after receipt of an executed interlocal agreement, the state land planning agency shall publish a notice of intent in the Florida Administrative Weekly and shall post a copy of the notice on the agency's Internet site. The notice of intent must state that the interlocal agreement is consistent or inconsistent with the requirements of subsection (3) and this subsection as appropriate.

(b) The state land planning agency's notice is subject to challenge under chapter 120; however, an affected person, as defined in s. 163.3184(1)(a), has standing to initiate the administrative proceeding, and this proceeding is the sole means available to challenge the consistency of an interlocal agreement required by this section with the criteria contained in subsection (3) and this subsection. In order to have standing, each person must have submitted oral or written comments, recommendations, or objections to the local government or the school board before the adoption of the interlocal agreement by the district school board and local government. The district school board and local governments are parties to any such proceeding. In this proceeding, when the state land planning agency finds the interlocal agreement to be consistent with the criteria in subsection (3) and this subsection, the interlocal agreement must be determined to be consistent with subsection (3) and this subsection if the local government's and school board's determination of consistency is fairly debatable. When the state land planning agency finds the interlocal agreement to be inconsistent with the requirements of subsection (3) and this subsection, the local government's and school board's determination of consistency shall be sustained unless it is shown by a preponderance of the evidence that the interlocal agreement is inconsistent.

(c) If the state land planning agency enters a final order that finds that the interlocal agreement is inconsistent with the requirements of subsection (3) or this subsection, the state land planning agency shall forward it to the Administration Commission, which may impose sanctions against the local government pursuant to s. 163.3184(11) and may impose sanctions against the district school board by directing the Department of Education to withhold an equivalent amount of funds for school construction available pursuant to ss. 1013.65, 1013.68, 1013.70, and 1013.72.

(5) If an executed interlocal agreement is not timely submitted to the state land planning agency for review, the state land planning agency shall, within 15 working days after the deadline for submittal, issue to the local government and the district school board a notice to show cause why sanctions should not be imposed for failure to submit an executed interlocal agreement by the deadline established by the agency. The agency shall forward the notice and the responses to the Administration Commission, which may enter a final order citing the failure to comply and imposing sanctions against the local government and district school board by directing the appropriate agencies to withhold at least 5 percent of state funds pursuant to s. 163.3184(11) and by directing the Department of Education to withhold from the district school board at least 5 percent of funds for school construction available pursuant to ss. 1013.65, 1013.68, 1013.70, and 1013.72.

(6) Any local government transmitting a public school element to implement school concurrency pursuant to the requirements of s. 163.3180 before the effective date of this section is not required to amend the element or any interlocal agreement to conform with the provisions of subsections *(2)-(6)* ~~(2)-(8)~~ if the element is adopted prior to or within 1 year after the effective date of subsections *(2)-(6)* ~~(2)-(8)~~ and remains in effect.

~~(7) Except as provided in subsection (8), municipalities meeting the exemption criteria in s. 163.3177(12) are exempt from the requirements of subsections (2), (3), and (4).~~

~~(8) At the time of the evaluation and appraisal report, each exempt municipality shall assess the extent to which it continues to meet the criteria for exemption under s. 163.3177(12). If the municipality continues to meet these criteria, the municipality shall continue to be exempt from the interlocal agreement requirement. Each municipality exempt under s. 163.3177(12) must comply with the provisions of subsections (2)-(8) within 1 year after the district school board proposes, in its 5-year district facilities work program, a new school within the municipality's jurisdiction.~~

(7)~~(9)~~ A board and the local governing body must share and coordinate information related to existing and planned school facilities; proposals for development, redevelopment, or additional development; and infrastructure required to support the school facilities, concurrent with proposed development. A school board shall use information produced by the demographic, revenue, and education estimating con-

ferences pursuant to s. 216.136 when preparing the district educational facilities plan pursuant to s. 1013.35, as modified and agreed to by the local governments, when provided by interlocal agreement, and the Office of Educational Facilities, in consideration of local governments' population projections, to ensure that the district educational facilities plan not only reflects enrollment projections but also considers applicable municipal and county growth and development projections. The projections must be apportioned geographically with assistance from the local governments using local government trend data and the school district student enrollment data. A school board is precluded from siting a new school in a jurisdiction where the school board has failed to provide the annual educational facilities plan for the prior year required pursuant to s. 1013.35 unless the failure is corrected.

(8)~~(10)~~ The location of educational facilities shall be consistent with the comprehensive plan of the appropriate local governing body developed under part II of chapter 163 and consistent with the plan's implementing land development regulations.

(9)~~(11)~~ To improve coordination relative to potential educational facility sites, a board shall provide written notice to the local government that has regulatory authority over the use of the land consistent with an interlocal agreement entered pursuant to subsections *(2)-(6)* ~~(2)-(8)~~ at least 60 days prior to acquiring or leasing property that may be used for a new public educational facility. The local government, upon receipt of this notice, shall notify the board within 45 days if the site proposed for acquisition or lease is consistent with the land use categories and policies of the local government's comprehensive plan. This preliminary notice does not constitute the local government's determination of consistency pursuant to subsection *(10)* ~~(12)~~.

(10)~~(12)~~ As early in the design phase as feasible and consistent with an interlocal agreement entered pursuant to subsections *(2)-(6)* ~~(2)-(8)~~, but no later than 90 days before commencing construction, the district school board shall in writing request a determination of consistency with the local government's comprehensive plan. The local governing body that regulates the use of land shall determine, in writing within 45 days after receiving the necessary information and a school board's request for a determination, whether a proposed educational facility is consistent with the local comprehensive plan and consistent with local land development regulations. If the determination is affirmative, school construction may commence and further local government approvals are not required, except as provided in this section. Failure of the local governing body to make a determination in writing within 90 days after a district school board's request for a determination of consistency shall be considered an approval of the district school board's application. Campus master plans and development agreements must comply with the provisions of ss. 1013.30 and 1013.63.

(11)~~(13)~~ A local governing body may not deny the site applicant based on adequacy of the site plan as it relates solely to the needs of the school. If the site is consistent with the comprehensive plan's land use policies and categories in which public schools are identified as allowable uses, the local government may not deny the application but it may impose reasonable development standards and conditions in accordance with s. 1013.51(1) and consider the site plan and its adequacy as it relates to environmental concerns, health, safety and welfare, and effects on adjacent property. Standards and conditions may not be imposed which conflict with those established in this chapter or the Florida Building Code, unless mutually agreed and consistent with the interlocal agreement required by subsections *(2)-(6)* ~~(2)-(8)~~.

(12)~~(14)~~ This section does not prohibit a local governing body and district school board from agreeing and establishing an alternative process for reviewing a proposed educational facility and site plan, and offsite impacts, pursuant to an interlocal agreement adopted in accordance with subsections *(2)-(6)* ~~(2)-(8)~~.

(13)~~(15)~~ Existing schools shall be considered consistent with the applicable local government comprehensive plan adopted under part II of chapter 163. If a board submits an application to expand an existing school site, the local governing body may impose reasonable development standards and conditions on the expansion only, and in a manner consistent with s. 1013.51(1). Standards and conditions may not be imposed which conflict with those established in this chapter or the Florida Building Code, unless mutually agreed. Local government review or approval is not required for:

(a) The placement of temporary or portable classroom facilities; or

(b) Proposed renovation or construction on existing school sites, with the exception of construction that changes the primary use of a facility, includes stadiums, or results in a greater than 5 percent increase in student capacity, or as mutually agreed upon, pursuant to an interlocal agreement adopted in accordance with subsections (2)-*(6)*~~(8)~~.

Section 72. Paragraph (b) of subsection (2) of section 1013.35, Florida Statutes, is amended to read:

1013.35 School district educational facilities plan; definitions; preparation, adoption, and amendment; long-term work programs.—

(2) PREPARATION OF TENTATIVE DISTRICT EDUCATIONAL FACILITIES PLAN.—

(b) The plan must also include a financially feasible district facilities work program for a 5-year period. The work program must include:

1. A schedule of major repair and renovation projects necessary to maintain the educational facilities and ancillary facilities of the district.

2. A schedule of capital outlay projects necessary to ensure the availability of satisfactory student stations for the projected student enrollment in K-12 programs. This schedule shall consider:

a. The locations, capacities, and planned utilization rates of current educational facilities of the district. The capacity of existing satisfactory facilities, as reported in the Florida Inventory of School Houses must be compared to the capital outlay full-time-equivalent student enrollment as determined by the department, including all enrollment used in the calculation of the distribution formula in s. 1013.64.

b. The proposed locations of planned facilities, whether those locations are consistent with the comprehensive plans of all affected local governments, and recommendations for infrastructure and other improvements to land adjacent to existing facilities. The provisions of ss. 1013.33*(10), (11), and* (12)~~, (13), and (14)~~ and 1013.36 must be addressed for new facilities planned within the first 3 years of the work plan, as appropriate.

c. Plans for the use and location of relocatable facilities, leased facilities, and charter school facilities.

d. Plans for multitrack scheduling, grade level organization, block scheduling, or other alternatives that reduce the need for additional permanent student stations.

e. Information concerning average class size and utilization rate by grade level within the district which will result if the tentative district facilities work program is fully implemented.

f. The number and percentage of district students planned to be educated in relocatable facilities during each year of the tentative district facilities work program. For determining future needs, student capacity may not be assigned to any relocatable classroom that is scheduled for elimination or replacement with a permanent educational facility in the current year of the adopted district educational facilities plan and in the district facilities work program adopted under this section. Those relocatable classrooms clearly identified and scheduled for replacement in a school-board-adopted, financially feasible, 5-year district facilities work program shall be counted at zero capacity at the time the work program is adopted and approved by the school board. However, if the district facilities work program is changed and the relocatable classrooms are not replaced as scheduled in the work program, the classrooms must be reentered into the system and be counted at actual capacity. Relocatable classrooms may not be perpetually added to the work program or continually extended for purposes of circumventing this section. All relocatable classrooms not identified and scheduled for replacement, including those owned, lease-purchased, or leased by the school district, must be counted at actual student capacity. The district educational facilities plan must identify the number of relocatable student stations scheduled for replacement during the 5-year survey period and the total dollar amount needed for that replacement.

g. Plans for the closure of any school, including plans for disposition of the facility or usage of facility space, and anticipated revenues.

h. Projects for which capital outlay and debt service funds accruing under s. 9(d), Art. XII of the State Constitution are to be used shall be identified separately in priority order on a project priority list within the district facilities work program.

3. The projected cost for each project identified in the district facilities work program. For proposed projects for new student stations, a schedule shall be prepared comparing the planned cost and square footage for each new student station, by elementary, middle, and high school levels, to the low, average, and high cost of facilities constructed throughout the state during the most recent fiscal year for which data is available from the Department of Education.

4. A schedule of estimated capital outlay revenues from each currently approved source which is estimated to be available for expenditure on the projects included in the district facilities work program.

5. A schedule indicating which projects included in the district facilities work program will be funded from current revenues projected in subparagraph 4.

6. A schedule of options for the generation of additional revenues by the district for expenditure on projects identified in the district facilities work program which are not funded under subparagraph 5. Additional anticipated revenues may include effort index grants, SIT Program awards, and Classrooms First funds.

Section 73. *Rules 9J-5 and 9J-11.023, Florida Administrative Code, are repealed, and the Department of State is directed to remove those rules from the Florida Administrative Code.*

Section 74. *(1) Any permit or any other authorization that was extended, under section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida, is extended and renewed for an additional period of 2 years after its previously scheduled expiration date. This extension is in addition to the 2-year permit extension provided under section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. Permits that were extended by a total of 4 years, pursuant to section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida, and by section 46 of chapter 2010-147, Laws of Florida, cannot be further extended under this provision.*

(2) The commencement and completion dates for any required mitigation associated with a phased construction project shall be extended such that mitigation takes place in the same timeframe relative to the phase as originally permitted.

(3) The holder of a valid permit or other authorization that is eligible for the 2-year extension shall notify the authorizing agency in writing by December 31, 2011, identifying the specific authorization for which the holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) The extension provided for in subsection (1) does not apply to:

(a) A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.

(b) A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.

(c) A permit or other authorization, if granted an extension, that would delay or prevent compliance with a court order.

(5) Permits extended under this section shall continue to be governed by rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This subsection applies to any modification of the plans, terms, and conditions of the permit that lessens the environmental impact, except that any such modification may not extend the time limit beyond 2 additional years.

(6) This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intention to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.

Section 75. *(1) The state land planning agency, within 60 days after the effective date of this act, shall review any administrative or judicial proceeding filed by the agency and pending on the effective date of this act to determine whether the issues raised by the state land planning agency are consistent with the revised provisions of part II of chapter 163, Florida Statutes. For each proceeding, if the agency determines that issues have been raised that are not consistent with the revised provisions of part II of chapter 163, Florida Statutes, the agency shall dismiss the proceeding. If the state land planning agency determines that one or more issues have been raised that are consistent with the revised provisions of part II of chapter 163, Florida Statutes, the agency shall amend its petition within 30 days after the determination to plead with particularity as to the manner in which the plan or plan amendment fails to meet the revised provisions of part II of chapter 163, Florida Statutes. If the agency fails to timely file such amended petition, the proceeding shall be dismissed.*

(2) In all proceedings that were initiated by the state land planning agency before the effective date of this act, and continue after that date, the local government's determination that the comprehensive plan or plan amendment is in compliance is presumed to be correct, and the local government's determination shall be sustained unless it is shown by a preponderance of the evidence that the comprehensive plan or plan amendment is not in compliance.

Section 76. *All local governments shall be governed by the revised provisions of s. 163.3191, Florida Statutes, notwithstanding a local government's previous failure to timely adopt its evaluation and appraisal report or evaluation and appraisal report-based amendments by the due dates previously established by the state land planning agency.*

Section 77. *A comprehensive plan amendment adopted pursuant to s. 163.32465, subject to voter referendum by local charter, and found in compliance prior to the effective date of this act, may be readopted by ordinance, and shall become effective upon approval by the local government and is not subject to review or challenge pursuant to the provisions of s.163.32465 or s. 163.3184.*

Section 78. *The Department of Transportation shall develop and submit to the President of the Senate and the Speaker of the House of Representatives, no later than December 15, 2011, a report on recommended changes to or alternatives to the calculation of the proportionate share contribution in 163.3180(5)(h)3. The department's recommendations, if any, shall be designed to ensure development contributions to mitigate impacts on the transportation system are assessed in predictable, equitable and fair manner and shall be developed in consultation with developers and representatives of local governments.*

Section 79. *If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.*

Section 80. *(1) Except as provided in subsection (4), and in recognition of 2011 real estate market conditions, any building permit, and any permit issued by the Department of Environmental Protection or by a water management district pursuant to part IV of chapter 373, Florida Statutes, which has an expiration date from January 1, 2012, through January 1, 2014, is extended and renewed for a period of 2 years after its previously scheduled date of expiration. This extension includes any local government-issued development order or building permit including certificates of levels of service. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. This extension is in addition to any existing permit extension. Extensions granted pursuant to this section, section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida, section 46 of chapter 2010-147, Laws of Florida, or section 74 of this act shall not exceed 4 years in total. Further, specific development order extensions granted pursuant to s. 380.06(19)(c)2., cannot be further extended by this section.*

(2) The commencement and completion dates for any required mitigation associated with a phased construction project are extended so that mitigation takes place in the same timeframe relative to the phase as originally permitted.

(3) The holder of a valid permit or other authorization that is eligible for the 2-year extension must notify the authorizing agency in writing by December 31, 2011, identifying the specific authorization for which the holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) The extension provided for in subsection (1) does not apply to:

(a) A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.

(b) A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.

(c) A permit or other authorization, if granted an extension that would delay or prevent compliance with a court order.

(5) Permits extended under this section shall continue to be governed by the rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This provision applies to any modification of the plans, terms, and conditions of the permit which lessens the environmental impact, except that any such modification does not extend the time limit beyond 2 additional years.

(6) This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intent to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.

Section 81. *The Division of Statutory Revision is directed to replace the phrase "the effective date of this act" wherever it occurs in this act with the date this act becomes a law.*

Section 82. This act shall take effect upon becoming a law.

And the title is amended as follows:

—a companion measure, was substituted for **CS for CS for SB 818** as amended and read the second time by title.

MOTION

On motion by Senator Fasano, by the required two-thirds vote, consideration of the following amendment was allowed:

Senator Fasano moved the following amendment which was adopted:

Amendment 1 (486424) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (mm) is added to subsection (1) of section 456.072, Florida Statutes, subsection (7) is redesignated as subsection (8), and a new subsection (7) is added to that section, to read:

456.072 Grounds for discipline; penalties; enforcement.—

(1) The following acts shall constitute grounds for which the disciplinary actions specified in subsection (2) may be taken:

(mm) Failure to comply with controlled substance prescribing requirements of s. 456.44.

(7) Notwithstanding subsection (2), upon a finding that a physician has prescribed or dispensed a controlled substance, or caused a controlled substance to be prescribed or dispensed, in a manner that violates the standard of practice set forth in s. 458.331(1)(q) or (t), s. 459.015(1)(t) or (x), s. 461.013(1)(o) or (s), or s. 466.028(1)(p) or (x), the physician shall be suspended for a period of not less than 6 months and pay a fine of not less than $10,000 per count. Repeated violations shall result in increased penalties.

Section 2. Section 456.42, Florida Statutes, is amended to read:

456.42 Written prescriptions for medicinal drugs.—

(1) A written prescription for a medicinal drug issued by a health care practitioner licensed by law to prescribe such drug must be legibly printed or typed so as to be capable of being understood by the pharmacist filling the prescription; must contain the name of the prescribing practitioner, the name and strength of the drug prescribed, the quantity of the drug prescribed, and the directions for use of the drug; must be dated; and must be signed by the prescribing practitioner on the day when issued. ~~A written prescription for a controlled substance listed in chapter 893 must have the quantity of the drug prescribed in both textual and numerical formats and must be dated with the abbreviated month written out on the face of the prescription.~~ However, a prescription that is electronically generated and transmitted must contain the name of the prescribing practitioner, the name and strength of the drug prescribed, the quantity of the drug prescribed in numerical format, and the directions for use of the drug and must be dated and signed by the prescribing practitioner only on the day issued, which signature may be in an electronic format as defined in s. 668.003(4).

(2) A written prescription for a controlled substance listed in chapter 893 must have the quantity of the drug prescribed in both textual and numerical formats, must be dated with the abbreviated month written out on the face of the prescription, and must be either written on a standardized counterfeit-proof prescription pad produced by a vendor approved by the department or electronically prescribed as that term is used in s. 408.0611. As a condition of being an approved vendor, a prescription pad vendor must submit a monthly report to the department which, at a minimum, documents the number of prescription pads sold and identifies the purchasers. The department may, by rule, require the reporting of additional information.

Section 3. Section 456.44, Florida Statutes, is created to read:

456.44 Controlled substance prescribing.—

(1) DEFINITIONS.—

(a) "Addiction medicine specialist" means a board-certified physiatrist with a subspecialty certification in addiction medicine or who is eligible for such subspecialty certification in addiction medicine, an addiction medicine physician certified or eligible for certification by the American Society of Addiction Medicine, or an osteopathic physician who holds a certificate of added qualification in Addiction Medicine through the American Osteopathic Association.

(b) "Adverse incident" means any incident set forth in s. 458.351(4)(a)-(e) or s. 459.026(4)(a)-(e).

(c) "Board–certified pain management physician" means a physician who possesses board certification in pain medicine by the American Board of Pain Medicine, board certification by the American Board of Interventional Pain Physicians, or board certification or subcertification in pain management by a specialty board recognized by the American Association of Physician Specialists or an osteopathic physician who holds a certificate in Pain Management by the American Osteopathic Association.

(d) "Chronic nonmalignant pain" means pain unrelated to cancer or rheumatoid arthritis which persists beyond the usual course of disease or the injury that is the cause of the pain or more than 90 days after surgery.

(e) "Mental health addiction facility" means a facility licensed under chapter 394 or chapter 397.

(2) REGISTRATION.—Effective January 1, 2012, a physician licensed under chapter 458, chapter 459, chapter 461, or chapter 466 who prescribes any controlled substance, as defined in s. 893.03, for the treatment of chronic nonmalignant pain, must:

(a) Designate himself or herself as a controlled substance prescribing practitioner on the physician's practitioner profile.

(b) Comply with the requirements of this section and applicable board rules.

(3) STANDARDS OF PRACTICE.—The standards of practice in this section do not supersede the level of care, skill, and treatment recognized in general law related to healthcare licensure.

(a) A complete medical history and a physical examination must be conducted before beginning any treatment and must be documented in the medical record. The exact components of the physical examination shall be left to the judgment of the clinician who is expected to perform a physical examination proportionate to the diagnosis that justifies a treatment. The medical record must, at a minimum, document the nature and intensity of the pain, current and past treatments for pain, underlying or coexisting diseases or conditions, the effect of the pain on physical and psychological function, a review of previous medical records, previous diagnostic studies, and history of alcohol and substance abuse. The medical record shall also document the presence of one or more recognized medical indications for the use of a controlled substance. Each registrant must develop a written plan for assessing each patient's risk of aberrant drug-related behavior, which may include patient drug testing. Registrants must assess each patient's risk for aberrant drug-related behavior and monitor that risk on an ongoing basis in accordance with the plan.

(b) Each registrant must develop a written individualized treatment plan for each patient. The treatment plan shall state objectives that will be used to determine treatment success, such as pain relief and improved physical and psychosocial function, and shall indicate if any further diagnostic evaluations or other treatments are planned. After treatment begins, the physician shall adjust drug therapy to the individual medical needs of each patient. Other treatment modalities, including a rehabilitation program, shall be considered depending on the etiology of the

pain and the extent to which the pain is associated with physical and psychosocial impairment. The interdisciplinary nature of the treatment plan shall be documented.

(c) The physician shall discuss the risks and benefits of the use of controlled substances, including the risks of abuse and addiction, as well as physical dependence and its consequences, with the patient, persons designated by the patient, or the patient's surrogate or guardian if the patient is incompetent. The physician shall use a written controlled substance agreement between the physician and the patient outlining the patient's responsibilities, including, but not limited to:

1. Number and frequency of controlled substance prescriptions and refills.

2. Patient compliance and reasons for which drug therapy may be discontinued, such as a violation of the agreement.

3. An agreement that controlled substances for the treatment of chronic nonmalignant pain shall be prescribed by a single treating physician unless otherwise authorized by the treating physician and documented in the medical record.

(d) The patient shall be seen by the physician at regular intervals, not to exceed 3 months, to assess the efficacy of treatment, ensure that controlled substance therapy remains indicated, evaluate the patient's progress toward treatment objectives, consider adverse drug effects, and review the etiology of the pain. Continuation or modification of therapy shall depend on the physician's evaluation of the patient's progress. If treatment goals are not being achieved, despite medication adjustments, the physician shall reevaluate the appropriateness of continued treatment. The physician shall monitor patient compliance in medication usage, related treatment plans, controlled substance agreements, and indications of substance abuse or diversion at a minimum of 3-month intervals.

(e) The physician shall refer the patient as necessary for additional evaluation and treatment in order to achieve treatment objectives. Special attention shall be given to those patients who are at risk for misusing their medications and those whose living arrangements pose a risk for medication misuse or diversion. The management of pain in patients with a history of substance abuse or with a comorbid psychiatric disorder requires extra care, monitoring, and documentation and requires consultation with or referral to an addictionologist or physiatrist.

(f) A physician registered under this section must maintain accurate, current, and complete records that are accessible and readily available for review and comply with the requirements of this section, the applicable practice act, and applicable board rules. The medical records must include, but are not limited to:

1. The complete medical history and a physical examination, including history of drug abuse or dependence.

2. Diagnostic, therapeutic, and laboratory results.

3. Evaluations and consultations.

4. Treatment objectives.

5. Discussion of risks and benefits.

6. Treatments.

7. Medications, including date, type, dosage, and quantity prescribed.

8. Instructions and agreements.

9. Periodic reviews.

10. Results of any drug testing.

11. A photocopy of the patient's government-issued photo identification.

12. If a written prescription for a controlled substance is given to the patient, a duplicate of the prescription.

13. The physician's full name presented in a legible manner.

(g) Patients with signs or symptoms of substance abuse

shall be immediately referred to a board-certified pain management physician, an addiction medicine specialist, or a mental health addiction facility as it pertains to drug abuse or addiction unless the physician is board-certified or board-eligible in pain management. Throughout the period of time before receiving the consultant's report, a prescribing physician shall clearly and completely document medical justification for continued treatment with controlled substances and those steps taken to ensure medically appropriate use of controlled substances by the patient. Upon receipt of the consultant's written report, the prescribing physician shall incorporate the consultant's recommendations for continuing, modifying, or discontinuing controlled substance therapy. The resulting changes in treatment shall be specifically documented in the patient's medical record. Evidence or behavioral indications of diversion shall be followed by discontinuation of controlled substance therapy and the patient shall be discharged and all results of testing and actions taken by the physician shall be documented in the patient's medical record.

This subsection does not apply to a board-certified anesthesiologist, physiatrist, or neurologist, or to a board-certified physician who has surgical privileges at a hospital or ambulatory surgery center and primarily provides surgical services. This subsection does not apply to a board-certified medical specialist who has also completed a fellowship in pain medicine approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who is board certified in pain medicine by a board approved by the American Board of Medical Specialties or the American Osteopathic Association and performs interventional pain procedures of the type routinely billed using surgical codes.

Section 4. Section 458.3265, Florida Statutes, is amended to read:

458.3265 Pain-management clinics.—

(1) REGISTRATION.—

(a)*1. As used in this section, the term:*

a. "Chronic nonmalignant pain" means pain unrelated to cancer or rheumatoid arthritis which persists beyond the usual course of disease or the injury that is the cause of the pain or more than 90 days after surgery.

b. "Pain-management clinic" or "clinic" means any publicly or privately owned facility:

(I) That advertises in any medium for any type of pain-management services; or

(II) Where in any month a majority of patients are prescribed opioids, benzodiazepines, barbiturates, or carisoprodol for the treatment of chronic nonmalignant pain. ~~All privately owned pain management clinics, facilities, or offices, hereinafter referred to as "clinics," which advertise in any medium for any type of pain management services, or employ a physician who is primarily engaged in the treatment of pain by prescribing or dispensing controlled substance medications,~~

2. Each pain-management clinic must register with the department unless:

a.~~1.~~ That clinic is licensed as a facility pursuant to chapter 395;

b.~~2.~~ The majority of the physicians who provide services in the clinic primarily provide surgical services;

c.~~3.~~ The clinic is owned by a publicly held corporation whose shares are traded on a national exchange or on the over-the-counter market and whose total assets at the end of the corporation's most recent fiscal quarter exceeded $50 million;

d.~~4.~~ The clinic is affiliated with an accredited medical school at which training is provided for medical students, residents, or fellows;

e.~~5.~~ The clinic does not prescribe ~~or dispense~~ controlled substances for the treatment of pain; ~~or~~

f.~~6.~~ The clinic is owned by a corporate entity exempt from federal taxation under 26 U.S.C. s. 501(c)(3);~~.~~

g. The clinic is wholly owned and operated by one or more board-certified anesthesiologists, physiatrists, or neurologists; or

h. The clinic is wholly owned and operated by one or more board-certified medical specialists who have also completed fellowships in pain medicine approved by the Accreditation Council for Graduate Medical Education, or who are also board-certified in pain medicine by a board approved by the American Board of Medical Specialties and perform interventional pain procedures of the type routinely billed using surgical codes.

(b) Each clinic location shall be registered separately regardless of whether the clinic is operated under the same business name or management as another clinic.

(c) As a part of registration, a clinic must designate a physician who is responsible for complying with all requirements related to registration and operation of the clinic in compliance with this section. Within 10 days after termination of a designated physician, the clinic must notify the department of the identity of another designated physician for that clinic. The designated physician shall have a full, active, and unencumbered license under this chapter or chapter 459 and shall practice at the clinic location for which the physician has assumed responsibility. Failing to have a licensed designated physician practicing at the location of the registered clinic may be the basis for a summary suspension of the clinic registration certificate as described in s. 456.073(8) for a license or s. 120.60(6).

(d) The department shall deny registration to any clinic that is not fully owned by a physician licensed under this chapter or chapter 459 or a group of physicians, each of whom is licensed under this chapter or chapter 459; or that is not a health care clinic licensed under part X of chapter 400.

(e) The department shall deny registration to any pain-management clinic owned by or with any contractual or employment relationship with a physician:

1. Whose Drug Enforcement Administration number has ever been revoked.

2. Whose application for a license to prescribe, dispense, or administer a controlled substance has been denied by any jurisdiction.

3. Who has been convicted of or pleaded guilty or nolo contendere to, regardless of adjudication, an offense that constitutes a felony for receipt of illicit and diverted drugs, including a controlled substance listed in Schedule I, Schedule II, Schedule III, Schedule IV, or Schedule V of s. 893.03, in this state, any other state, or the United States.

(f) If the department finds that a pain-management clinic does not meet the requirement of paragraph (d) or is owned, directly or indirectly, by a person meeting any criteria listed in paragraph (e), the department shall revoke the certificate of registration previously issued by the department. As determined by rule, the department may grant an exemption to denying a registration or revoking a previously issued registration if more than 10 years have elapsed since adjudication. As used in this subsection, the term "convicted" includes an adjudication of guilt following a plea of guilty or nolo contendere or the forfeiture of a bond when charged with a crime.

(g) The department may revoke the clinic's certificate of registration and prohibit all physicians associated with that pain-management clinic from practicing at that clinic location based upon an annual inspection and evaluation of the factors described in subsection (3).

(h) If the registration of a pain-management clinic is revoked or suspended, the designated physician of the pain-management clinic, the owner or lessor of the pain-management clinic property, the manager, and the proprietor shall cease to operate the facility as a pain-management clinic as of the effective date of the suspension or revocation.

(i) If a pain-management clinic registration is revoked or suspended, the designated physician of the pain-management clinic, the owner or lessor of the clinic property, the manager, or the proprietor is responsible for removing all signs and symbols identifying the premises as a pain-management clinic.

(j) Upon the effective date of the suspension or revocation, the designated physician of the pain-management clinic shall advise the department of the disposition of the medicinal drugs located on the premises. The disposition is subject to the supervision and approval of the department. Medicinal drugs that are purchased or held by a pain-management clinic that is not registered may be deemed adulterated pursuant to s. 499.006.

(k) If the clinic's registration is revoked, any person named in the registration documents of the pain-management clinic, including persons owning or operating the pain-management clinic, may not, as an individual or as a part of a group, apply to operate a pain-management clinic for 5 years after the date the registration is revoked.

(l) The period of suspension for the registration of a pain-management clinic shall be prescribed by the department, but may not exceed 1 year.

(m) A change of ownership of a registered pain-management clinic requires submission of a new registration application.

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(a) A physician may not practice medicine in a pain-management clinic, as described in subsection (4), if~~:~~

~~1.~~ The pain-management clinic is not registered with the department as required by this section.~~; or~~

~~2. Effective July 1, 2012, the physician has not successfully completed a pain medicine fellowship that is accredited by the Accreditation Council for Graduate Medical Education or a pain medicine residency that is accredited by the Accreditation Council for Graduate Medical Education or, prior to July 1, 2012, does not comply with rules adopted by the board.~~

Any physician who qualifies to practice medicine in a pain-management clinic pursuant to rules adopted by the Board of Medicine as of July 1, 2012, may continue to practice medicine in a pain-management clinic as long as the physician continues to meet the qualifications set forth in the board rules. A physician who violates this paragraph is subject to disciplinary action by his or her appropriate medical regulatory board.

(b) A person may not dispense any medication~~, including a controlled substance,~~ on the premises of a registered pain-management clinic unless he or she is a physician licensed under this chapter or chapter 459.

(c) A physician*, a physician assistant, or an advanced registered nurse practitioner* must perform a physical examination of a patient on the same day that *the physician* ~~he or she dispenses or~~ prescribes a controlled substance to a patient at a pain-management clinic. If the physician prescribes ~~or dispenses~~ more than a 72-hour dose of controlled substances for the treatment of chronic nonmalignant pain, the physician must document in the patient's record the reason for prescribing ~~or dispensing~~ that quantity.

(d) A physician authorized to prescribe controlled substances who practices at a pain-management clinic is responsible for maintaining the control and security of his or her prescription blanks and any other method used for prescribing controlled substance pain medication. The physician shall comply with the requirements for counterfeit-resistant prescription blanks in s. 893.065 and the rules adopted pursuant to that section. The physician shall notify, in writing, the department within 24 hours following any theft or loss of a prescription blank or breach of any other method for prescribing pain medication.

(e) The designated physician of a pain-management clinic shall notify the applicable board in writing of the date of termination of employment within 10 days after terminating his or her employment with a pain-management clinic that is required to be registered under subsection (1). *Each physician practicing in a pain-management clinic shall advise the Board of Medicine, in writing, within 10 calendar days after beginning or ending his or her practice at a pain-management clinic.*

(f) Each physician practicing in a pain-management clinic is responsible for ensuring compliance with the following facility and physical operations requirements:

1. A pain-management clinic shall be located and operated at a publicly accessible fixed location and must:

a. Display a sign that can be viewed by the public that contains the clinic name, hours of operations, and a street address.

b. Have a publicly listed telephone number and a dedicated phone number to send and receive faxes with a fax machine that shall be operational 24 hours per day.

c. Have emergency lighting and communications.

d. Have a reception and waiting area.

e. Provide a restroom.

f. Have an administrative area, including room for storage of medical records, supplies, and equipment.

g. Have private patient examination rooms.

h. Have treatment rooms, if treatment is being provided to the patients.

i. Display a printed sign located in a conspicuous place in the waiting room viewable by the public with the name and contact information of the clinic's designated physician and the names of all physicians practicing in the clinic.

j. If the clinic stores and dispenses prescription drugs, comply with ss. 499.0121 and 893.07.

2. This section does not excuse a physician from providing any treatment or performing any medical duty without the proper equipment and materials as required by the standard of care. This section does not supersede the level of care, skill, and treatment recognized in general law related to healthcare licensure.

(g) Each physician practicing in a pain-management clinic is responsible for ensuring compliance with the following infection control requirements.

1. The clinic shall maintain equipment and supplies to support infection prevention and control activities.

2. The clinic shall identify infection risks based on the following:

a. Geographic location, community, and population served.

b. The care, treatment, and services it provides.

c. An analysis of its infection surveillance and control data.

3. The clinic shall maintain written infection prevention policies and procedures that address the following:

a. Prioritized risks.

b. Limiting unprotected exposure to pathogens.

c. Limiting the transmission of infections associated with procedures performed in the clinic.

d. Limiting the transmission of infections associated with the clinic's use of medical equipment, devices, and supplies.

(h) Each physician practicing in a pain-management clinic is responsible for ensuring compliance with the following health and safety requirements:

1. The clinic, including its grounds, buildings, furniture, appliances, and equipment shall be structurally sound, in good repair, clean, and free from health and safety hazards.

2. The clinic shall have evacuation procedures in the event of an emergency, which shall include provisions for the evacuation of disabled patients and employees.

3. The clinic shall have a written facility-specific disaster plan setting forth actions that will be taken in the event of clinic closure due to unforeseen disasters and shall include provisions for the protection of medical records and any controlled substances.

4. Each clinic shall have at least one employee on the premises during patient care hours who is certified in Basic Life Support and is trained in reacting to accidents and medical emergencies until emergency medical personnel arrive.

(i) The designated physician is responsible for ensuring compliance with the following quality assurance requirements. Each pain-management clinic shall have an ongoing quality assurance program that objectively and systematically monitors and evaluates the quality and appropriateness of patient care, evaluates methods to improve patient care, identifies and corrects deficiencies within the facility, alerts the designated physician to identify and resolve recurring problems, and provides for opportunities to improve the facility's performance and to enhance and improve the quality of care provided to the public. The designated physician shall establish a quality assurance program that includes the following components:

1. The identification, investigation, and analysis of the frequency and causes of adverse incidents to patients.

2. The identification of trends or patterns of incidents.

3. The development of measures to correct, reduce, minimize, or eliminate the risk of adverse incidents to patients.

4. The documentation of these functions and periodic review no less than quarterly of such information by the designated physician.

(j) The designated physician is responsible for ensuring compliance with the following data collection and reporting requirements:

1. The designated physician for each pain-management clinic shall report all adverse incidents to the department as set forth in s. 458.351.

2. The designated physician shall also report to the Board of Medicine, in writing, on a quarterly basis the following data:

a. Number of new and repeat patients seen and treated at the clinic who are prescribed controlled substance medications for the treatment of chronic, nonmalignant pain.

b. The number of patients discharged due to drug abuse.

c. The number of patients discharged due to drug diversion.

d. The number of patients treated at the pain clinic whose domicile is located somewhere other than in this state. A patient's domicile is the patient's fixed or permanent home to which he or she intends to return even though he or she may temporarily reside elsewhere.

(3) INSPECTION.—

(a) The department shall inspect the pain-management clinic annually, including a review of the patient records, to ensure that it complies with this section and the rules of the Board of Medicine adopted pursuant to subsection (4) unless the clinic is accredited by a nationally recognized accrediting agency approved by the Board of Medicine.

(b) During an onsite inspection, the department shall make a reasonable attempt to discuss each violation with the owner or designated physician of the pain-management clinic before issuing a formal written notification.

(c) Any action taken to correct a violation shall be documented in writing by the owner or designated physician of the pain-management clinic and verified by followup visits by departmental personnel.

(4) RULEMAKING.—

(a) The department shall adopt rules necessary to administer the registration and inspection of pain-management clinics which establish the specific requirements, procedures, forms, and fees.

~~(b) The department shall adopt a rule defining what constitutes practice by a designated physician at the clinic location for which the physician has assumed responsibility, as set forth in subsection (1).~~

~~When adopting the rule, the department shall consider the number of clinic employees, the location of the pain management clinic, the clinic's hours of operation, and the amount of controlled substances being prescribed, dispensed, or administered at the pain management clinic.~~

~~(c) The Board of Medicine shall adopt a rule establishing the maximum number of prescriptions for Schedule II or Schedule III controlled substances or the controlled substance Alprazolam which may be written at any one registered pain management clinic during any 24 hour period.~~

(b)~~(d)~~ The Board of Medicine shall adopt rules setting forth ~~standards of practice for physicians practicing in privately owned pain management clinics that primarily engage in the treatment of pain by prescribing or dispensing controlled substance medications. Such rules shall address, but need not be limited to:~~

~~1. Facility operations;~~

~~2. Physical operations;~~

~~3. Infection control requirements;~~

~~4. Health and safety requirements;~~

~~5. Quality assurance requirements;~~

~~6. Patient records;~~

~~7.~~ training requirements for all facility health care practitioners who are not regulated by another board.~~;~~

~~8. Inspections; and~~

~~9. Data collection and reporting requirements.~~

~~A physician is primarily engaged in the treatment of pain by prescribing or dispensing controlled substance medications when the majority of the patients seen are prescribed or dispensed controlled substance medications for the treatment of chronic nonmalignant pain. Chronic nonmalignant pain is pain unrelated to cancer which persists beyond the usual course of the disease or the injury that is the cause of the pain or more than 90 days after surgery.~~

(5) PENALTIES; ENFORCEMENT.—

(a) The department may impose an administrative fine on the clinic of up to $5,000 per violation for violating the requirements of this section; chapter 499, the Florida Drug and Cosmetic Act; 21 U.S.C. ss. 301-392, the Federal Food, Drug, and Cosmetic Act; 21 U.S.C. ss. 821 et seq., the Comprehensive Drug Abuse Prevention and Control Act; chapter 893, the Florida Comprehensive Drug Abuse Prevention and Control Act; or the rules of the department. In determining whether a penalty is to be imposed, and in fixing the amount of the fine, the department shall consider the following factors:

1. The gravity of the violation, including the probability that death or serious physical or emotional harm to a patient has resulted, or could have resulted, from the pain-management clinic's actions or the actions of the physician, the severity of the action or potential harm, and the extent to which the provisions of the applicable laws or rules were violated.

2. What actions, if any, the owner or designated physician took to correct the violations.

3. Whether there were any previous violations at the pain-management clinic.

4. The financial benefits that the pain-management clinic derived from committing or continuing to commit the violation.

(b) Each day a violation continues after the date fixed for termination of the violation as ordered by the department constitutes an additional, separate, and distinct violation.

(c) The department may impose a fine and, in the case of an owner-operated pain-management clinic, revoke or deny a pain-management clinic's registration, if the clinic's designated physician knowingly and intentionally misrepresents actions taken to correct a violation.

(d) An owner or designated physician of a pain-management clinic who concurrently operates an unregistered pain-management clinic is subject to an administrative fine of $5,000 per day.

(e) If the owner of a pain-management clinic that requires registration fails to apply to register the clinic upon a change of ownership and operates the clinic under the new ownership, the owner is subject to a fine of $5,000.

(6) EXPIRATION.—This section expires January 1, 2016.

Section 5. Paragraph (f) is added to subsection (1) of section 458.327, Florida Statutes, to read:

458.327 Penalty for violations.—

(1) Each of the following acts constitutes a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084:

(f) Dispensing a controlled substance listed in Schedule II or Schedule III in violation of s. 465.0276.

Section 6. Paragraph (rr) is added to subsection (1) of section 458.331, Florida Statutes, to read:

458.331 Grounds for disciplinary action; action by the board and department.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(rr) Dispensing a controlled substance listed in Schedule II or Schedule III in violation of s. 465.0276.

Section 7. Section 459.0137, Florida Statutes, is amended to read:

459.0137 Pain-management clinics.—

(1) REGISTRATION.—

(a)*1. As used in this section, the term:*

a. "Chronic nonmalignant pain" means pain unrelated to cancer or rheumatoid arthritis which persists beyond the usual course of disease or the injury that is the cause of the pain or more than 90 days after surgery.

b. "Pain-management clinic" or "clinic" means any publicly or privately owned facility:

(I) That advertises in any medium for any type of pain-management services; or

(II) Where in any month a majority of patients are prescribed opioids, benzodiazepines, barbiturates, or carisoprodol for the treatment of chronic nonmalignant pain. ~~All privately owned pain management clinics, facilities, or offices, hereinafter referred to as "clinics," which advertise in any medium for any type of pain-management services, or employ an osteopathic physician who is primarily engaged in the treatment of pain by prescribing or dispensing controlled substance medications,~~

2. Each pain-management clinic must register with the department unless:

a.~~1.~~ That clinic is licensed as a facility pursuant to chapter 395;

b.~~2.~~ The majority of the physicians who provide services in the clinic primarily provide surgical services;

c.~~3.~~ The clinic is owned by a publicly held corporation whose shares are traded on a national exchange or on the over-the-counter market and whose total assets at the end of the corporation's most recent fiscal quarter exceeded $50 million;

d.~~4.~~ The clinic is affiliated with an accredited medical school at which training is provided for medical students, residents, or fellows;

e.~~5.~~ The clinic does not prescribe ~~or dispense~~ controlled substances for the treatment of pain; ~~or~~

f.~~6.~~ The clinic is owned by a corporate entity exempt from federal taxation under 26 U.S.C. s. 501(c)(3)~~;~~.

g. The clinic is wholly owned and operated by one or more board-certified anesthesiologists, physiatrists, or neurologists; or

h. The clinic is wholly owned and operated by one or more board-certified medical specialists who have also completed fellowships in pain medicine approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who are also board-certified in pain medicine by a board approved by the American Board of Medical Specialties or the American Osteopathic Association and perform interventional pain procedures of the type routinely billed using surgical codes.

(b) Each clinic location shall be registered separately regardless of whether the clinic is operated under the same business name or management as another clinic.

(c) As a part of registration, a clinic must designate an osteopathic physician who is responsible for complying with all requirements related to registration and operation of the clinic in compliance with this section. Within 10 days after termination of a designated osteopathic physician, the clinic must notify the department of the identity of another designated physician for that clinic. The designated physician shall have a full, active, and unencumbered license under chapter 458 or this chapter and shall practice at the clinic location for which the physician has assumed responsibility. Failing to have a licensed designated osteopathic physician practicing at the location of the registered clinic may be the basis for a summary suspension of the clinic registration certificate as described in s. 456.073(8) for a license or s. 120.60(6).

(d) The department shall deny registration to any clinic that is not fully owned by a physician licensed under chapter 458 or this chapter or a group of physicians, each of whom is licensed under chapter 458 or this chapter; or that is not a health care clinic licensed under part X of chapter 400.

(e) The department shall deny registration to any pain-management clinic owned by or with any contractual or employment relationship with a physician:

1. Whose Drug Enforcement Administration number has ever been revoked.

2. Whose application for a license to prescribe, dispense, or administer a controlled substance has been denied by any jurisdiction.

3. Who has been convicted of or pleaded guilty or nolo contendere to, regardless of adjudication, an offense that constitutes a felony for receipt of illicit and diverted drugs, including a controlled substance listed in Schedule I, Schedule II, Schedule III, Schedule IV, or Schedule V of s. 893.03, in this state, any other state, or the United States.

(f) If the department finds that a pain-management clinic does not meet the requirement of paragraph (d) or is owned, directly or indirectly, by a person meeting any criteria listed in paragraph (e), the department shall revoke the certificate of registration previously issued by the department. As determined by rule, the department may grant an exemption to denying a registration or revoking a previously issued registration if more than 10 years have elapsed since adjudication. As used in this subsection, the term "convicted" includes an adjudication of guilt following a plea of guilty or nolo contendere or the forfeiture of a bond when charged with a crime.

(g) The department may revoke the clinic's certificate of registration and prohibit all physicians associated with that pain-management clinic from practicing at that clinic location based upon an annual inspection and evaluation of the factors described in subsection (3).

(h) If the registration of a pain-management clinic is revoked or suspended, the designated physician of the pain-management clinic, the owner or lessor of the pain-management clinic property, the manager, and the proprietor shall cease to operate the facility as a pain-management clinic as of the effective date of the suspension or revocation.

(i) If a pain-management clinic registration is revoked or suspended, the designated physician of the pain-management clinic, the owner or lessor of the clinic property, the manager, or the proprietor is responsible for removing all signs and symbols identifying the premises as a pain-management clinic.

(j) Upon the effective date of the suspension or revocation, the designated physician of the pain-management clinic shall advise the department of the disposition of the medicinal drugs located on the premises. The disposition is subject to the supervision and approval of the department. Medicinal drugs that are purchased or held by a pain-management clinic that is not registered may be deemed adulterated pursuant to s. 499.006.

(k) If the clinic's registration is revoked, any person named in the registration documents of the pain-management clinic, including persons owning or operating the pain-management clinic, may not, as an individual or as a part of a group, make application for a permit to operate a pain-management clinic for 5 years after the date the registration is revoked.

(l) The period of suspension for the registration of a pain-management clinic shall be prescribed by the department, but may not exceed 1 year.

(m) A change of ownership of a registered pain-management clinic requires submission of a new registration application.

(2) PHYSICIAN RESPONSIBILITIES.—These responsibilities apply to any osteopathic physician who provides professional services in a pain-management clinic that is required to be registered in subsection (1).

(a) An osteopathic physician may not practice medicine in a pain-management clinic, as described in subsection (4), if~~:~~

~~1.~~ the pain-management clinic is not registered with the department as required by this section.~~; or~~

~~2. Effective July 1, 2012, the physician has not successfully completed a pain medicine fellowship that is accredited by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association or a pain medicine residency that is accredited by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association or, prior to July 1, 2012, does not comply with rules adopted by the board.~~

Any physician who qualifies to practice medicine in a pain-management clinic pursuant to rules adopted by the Board of Osteopathic Medicine as of July 1, 2012, may continue to practice medicine in a pain-management clinic as long as the physician continues to meet the qualifications set forth in the board rules. An osteopathic physician who violates this paragraph is subject to disciplinary action by his or her appropriate medical regulatory board.

(b) A person may not dispense any medication~~, including a controlled substance,~~ on the premises of a registered pain-management clinic unless he or she is a physician licensed under this chapter or chapter 458.

(c) An osteopathic physician*, a physician assistant, or an advanced registered nurse practitioner* must perform a physical examination of a patient on the same day that *the physician* ~~he or she dispenses or~~ prescribes a controlled substance to a patient at a pain-management clinic. If the osteopathic physician prescribes ~~or dispenses~~ more than a 72-hour dose of controlled substances for the treatment of chronic nonmalignant pain, the osteopathic physician must document in the patient's record the reason for prescribing ~~or dispensing~~ that quantity.

(d) An osteopathic physician authorized to prescribe controlled substances who practices at a pain-management clinic is responsible for maintaining the control and security of his or her prescription blanks and any other method used for prescribing controlled substance pain medication. The osteopathic physician shall comply with the requirements for counterfeit-resistant prescription blanks in s. 893.065 and the rules adopted pursuant to that section. The osteopathic physician shall notify, in writing, the department within 24 hours following any theft or loss of a prescription blank or breach of any other method for prescribing pain medication.

(e) The designated osteopathic physician of a pain-management clinic shall notify the applicable board in writing of the date of termination of employment within 10 days after terminating his or her employment with a pain-management clinic that is required to be registered under subsection (1). *Each osteopathic physician practicing in a pain-management clinic shall advise the Board of Osteopathic Medicine in writing within 10 calendar days after beginning or ending his or her practice at a pain-management clinic.*

(f) Each osteopathic physician practicing in a pain-management clinic is responsible for ensuring compliance with the following facility and physical operations requirements:

1. A pain-management clinic shall be located and operated at a publicly accessible fixed location and must:

a. Display a sign that can be viewed by the public that contains the clinic name, hours of operations, and a street address.

b. Have a publicly listed telephone number and a dedicated phone number to send and receive faxes with a fax machine that shall be operational 24 hours per day.

c. Have emergency lighting and communications.

d. Have a reception and waiting area.

e. Provide a restroom.

f. Have an administrative area including room for storage of medical records, supplies and equipment.

g. Have private patient examination rooms.

h. Have treatment rooms, if treatment is being provided to the patient.

i. Display a printed sign located in a conspicuous place in the waiting room viewable by the public with the name and contact information of the clinic-designated physician and the names of all physicians practicing in the clinic.

j. If the clinic stores and dispenses prescription drug, comply with ss. 499.0121 and 893.07.

2. This section does not excuse an osteopathic physician from providing any treatment or performing any medical duty without the proper equipment and materials as required by the standard of care. This section does not supersede the level of care, skill, and treatment recognized in general law related to healthcare licensure.

(g) Each osteopathic physician practicing in a pain-management clinic is responsible for ensuring compliance with the following infection control requirements.

1. The clinic shall maintain equipment and supplies to support infection prevention and control activities.

2. The clinic shall identify infection risks based on the following:

a. Geographic location, community, and population served.

b. The care, treatment and services it provides.

c. An analysis of its infection surveillance and control data.

3. The clinic shall maintain written infection prevention policies and procedures that address the following:

a. Prioritized risks.

b. Limiting unprotected exposure to pathogen.

c. Limiting the transmission of infections associated with procedures performed in the clinic.

d. Limiting the transmission of infections associated with the clinic's use of medical equipment, devices, and supplies.

(h) Each osteopathic physician practicing in a pain-management clinic is responsible for ensuring compliance with the following health and safety requirements.

1. The clinic, including its grounds, buildings, furniture, appliances, and equipment shall be structurally sound, in good repair, clean, and free from health and safety hazards.

2. The clinic shall have evacuation procedures in the event of an emergency which shall include provisions for the evacuation of disabled patients and employees.

3. The clinic shall have a written facility-specific disaster plan which sets forth actions that will be taken in the event of clinic closure due to unforeseen disasters and shall include provisions for the protection of medical records and any controlled substances.

4. Each clinic shall have at least one employee on the premises during patient care hours who is certified in Basic Life Support and is trained in reacting to accidents and medical emergencies until emergency medical personnel arrive.

(i) The designated physician is responsible for ensuring compliance with the following quality assurance requirements. Each pain-management clinic shall have an ongoing quality assurance program that objectively and systematically monitors and evaluates the quality and appropriateness of patient care, evaluates methods to improve patient care, identifies and corrects deficiencies within the facility, alerts the designated physician to identify and resolve recurring problems, and provides for opportunities to improve the facility's performance and to enhance and improve the quality of care provided to the public. The designated physician shall establish a quality assurance program that includes the following components:

1. The identification, investigation, and analysis of the frequency and causes of adverse incidents to patients.

2. The identification of trends or patterns of incidents.

3. The development of measures to correct, reduce, minimize, or eliminate the risk of adverse incidents to patients.

4. The documentation of these functions and periodic review no less than quarterly of such information by the designated physician.

(j) The designated physician is responsible for ensuring compliance with the following data collection and reporting requirements:

1. The designated physician for each pain-management clinic shall report all adverse incidents to the department as set forth in s. 459.026.

2. The designated physician shall also report to the Board of Osteopathic Medicine, in writing, on a quarterly basis, the following data:

a. Number of new and repeat patients seen and treated at the clinic who are prescribed controlled substance medications for the treatment of chronic, nonmalignant pain.

b. The number of patients discharged due to drug abuse.

c. The number of patients discharged due to drug diversion.

d. The number of patients treated at the pain clinic whose domicile is located somewhere other than in this state. A patient's domicile is the patient's fixed or permanent home to which he or she intends to return even though he or she may temporarily reside elsewhere.

(3) INSPECTION.—

(a) The department shall inspect the pain-management clinic annually, including a review of the patient records, to ensure that it complies with this section and the rules of the Board of Osteopathic Medicine adopted pursuant to subsection (4) unless the clinic is accredited by a nationally recognized accrediting agency approved by the Board of Osteopathic Medicine.

(b) During an onsite inspection, the department shall make a reasonable attempt to discuss each violation with the owner or designated

physician of the pain-management clinic before issuing a formal written notification.

(c) Any action taken to correct a violation shall be documented in writing by the owner or designated physician of the pain-management clinic and verified by followup visits by departmental personnel.

(4) RULEMAKING.—

(a) The department shall adopt rules necessary to administer the registration and inspection of pain-management clinics which establish the specific requirements, procedures, forms, and fees.

~~(b) The department shall adopt a rule defining what constitutes practice by a designated osteopathic physician at the clinic location for which the physician has assumed responsibility, as set forth in subsection (1). When adopting the rule, the department shall consider the number of clinic employees, the location of the pain management clinic, the clinic's hours of operation, and the amount of controlled substances being prescribed, dispensed, or administered at the pain management clinic.~~

~~(c) The Board of Osteopathic Medicine shall adopt a rule establishing the maximum number of prescriptions for Schedule II or Schedule III controlled substances or the controlled substance Alprazolam which may be written at any one registered pain-management clinic during any 24-hour period.~~

(b)~~(d)~~ The Board of Osteopathic Medicine shall adopt rules setting forth ~~standards of practice for osteopathic physicians practicing in privately owned pain management clinics that primarily engage in the treatment of pain by prescribing or dispensing controlled substance medications. Such rules shall address, but need not be limited to:~~

~~1. Facility operations;~~

~~2. Physical operations;~~

~~3. Infection control requirements;~~

~~4. Health and safety requirements;~~

~~5. Quality assurance requirements;~~

~~6. Patient records;~~

~~7.~~ training requirements for all facility health care practitioners who are not regulated by another board.~~;~~

~~8. Inspections; and~~

~~9. Data collection and reporting requirements.~~

~~An osteopathic physician is primarily engaged in the treatment of pain by prescribing or dispensing controlled substance medications when the majority of the patients seen are prescribed or dispensed controlled substance medications for the treatment of chronic nonmalignant pain. Chronic nonmalignant pain is pain unrelated to cancer which persists beyond the usual course of the disease or the injury that is the cause of the pain or more than 90 days after surgery.~~

(5) PENALTIES; ENFORCEMENT.—

(a) The department may impose an administrative fine on the clinic of up to $5,000 per violation for violating the requirements of this section; chapter 499, the Florida Drug and Cosmetic Act; 21 U.S.C. ss. 301-392, the Federal Food, Drug, and Cosmetic Act; 21 U.S.C. ss. 821 et seq., the Comprehensive Drug Abuse Prevention and Control Act; chapter 893, the Florida Comprehensive Drug Abuse Prevention and Control Act; or the rules of the department. In determining whether a penalty is to be imposed, and in fixing the amount of the fine, the department shall consider the following factors:

1. The gravity of the violation, including the probability that death or serious physical or emotional harm to a patient has resulted, or could have resulted, from the pain-management clinic's actions or the actions of the osteopathic physician, the severity of the action or potential harm, and the extent to which the provisions of the applicable laws or rules were violated.

2. What actions, if any, the owner or designated osteopathic physician took to correct the violations.

3. Whether there were any previous violations at the pain-management clinic.

4. The financial benefits that the pain-management clinic derived from committing or continuing to commit the violation.

(b) Each day a violation continues after the date fixed for termination of the violation as ordered by the department constitutes an additional, separate, and distinct violation.

(c) The department may impose a fine and, in the case of an owner-operated pain-management clinic, revoke or deny a pain-management clinic's registration, if the clinic's designated osteopathic physician knowingly and intentionally misrepresents actions taken to correct a violation.

(d) An owner or designated osteopathic physician of a pain-management clinic who concurrently operates an unregistered pain-management clinic is subject to an administrative fine of $5,000 per day.

(e) If the owner of a pain-management clinic that requires registration fails to apply to register the clinic upon a change of ownership and operates the clinic under the new ownership, the owner is subject to a fine of $5,000.

(6) EXPIRATION.—This section expires January 1, 2016.

Section 8. Paragraph (f) is added to subsection (1) of section 459.013, Florida Statutes, to read:

459.013 Penalty for violations.—

(1) Each of the following acts constitutes a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084:

(f) Dispensing a controlled substance listed in Schedule II or Schedule III in violation of s. 465.0276.

Section 9. Paragraph (tt) is added to subsection (1) of section 459.015, Florida Statutes, to read:

459.015 Grounds for disciplinary action; action by the board and department.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(tt) Dispensing a controlled substance listed in Schedule II or Schedule III in violation of s. 465.0276.

Section 10. Subsections (3) and (4) of section 465.015, Florida Statutes, are renumbered as subsections (4) and (5), respectively, a new subsection (3) is added to that section, and present subsection (4) of that section is amended, to read:

465.015 Violations and penalties.—

(3) It is unlawful for any pharmacist to knowingly fail to report to the sheriff or other chief law enforcement agency of the county where the pharmacy is located within 24 hours after learning of any instance in which a person obtained or attempted to obtain a controlled substance, as defined in s. 893.02, or at the close of business on the next business day, whichever is later, that the pharmacist knew or believed was obtained or attempted to be obtained through fraudulent methods or representations from the pharmacy at which the pharmacist practiced pharmacy. Any pharmacist who knowingly fails to make such a report within 24 hours after learning of the fraud or attempted fraud or at the close of business on the next business day, whichever is later, commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A sufficient report of the fraudulent obtaining of controlled substances under this subsection must contain, at a minimum, a copy of the prescription used or presented and a narrative, including all information available to the pharmacist concerning the transaction, such as the name and telephone number of the prescribing physician; the name, description, and any personal identification information pertaining to the person who

presented the prescription; and all other material information, such as photographic or video surveillance of the transaction.

(5)~~(4)~~ Any person who violates any provision of subsection (1) or subsection *(4)* ~~(3)~~ commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Any person who violates any provision of subsection (2) commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. In any warrant, information, or indictment, it shall not be necessary to negative any exceptions, and the burden of any exception shall be upon the defendant.

Section 11. Paragraph (t) is added to subsection (1) of section 465.016, Florida Statutes, to read:

465.016 Disciplinary actions.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(t) Committing an error or omission during the performance of a specific function of prescription drug processing, which includes, for purposes of this paragraph:

1. Receiving, interpreting, or clarifying a prescription.

2. Entering prescription data into the pharmacy's record.

3. Verifying or validating a prescription.

4. Performing pharmaceutical calculations.

5. Performing prospective drug review as defined by the board.

6. Obtaining refill and substitution authorizations.

7. Interpreting or acting on clinical data.

8. Performing therapeutic interventions.

9. Providing drug information concerning a patient's prescription.

10. Providing patient counseling.

Section 12. Section 465.018, Florida Statutes, is amended to read:

465.018 Community pharmacies; permits.—

(1) Any person desiring a permit to operate a community pharmacy shall apply to the department.

(2) If the board office certifies that the application complies with the laws of the state and the rules of the board governing pharmacies, the department shall issue the permit. No permit shall be issued unless a licensed pharmacist is designated as the prescription department manager ~~responsible for maintaining all drug records, providing for the security of the prescription department, and following such other rules as relate to the practice of the profession of pharmacy~~. ~~The permittee and the newly designated prescription department manager shall notify the department within 10 days of any change in prescription department manager.~~

(3) The board may suspend or revoke the permit of, or may refuse to issue a permit to:

(a) Any person who has been disciplined or who has abandoned a permit or allowed a permit to become void after written notice that disciplinary proceedings had been or would be brought against the permit;

(b) Any person who is an officer, director, or person interested directly or indirectly in a person or business entity that has had a permit disciplined or abandoned or become void after written notice that disciplinary proceedings had been or would be brought against the permit; or

(c) Any person who is or has been an officer of a business entity, or who was interested directly or indirectly in a business entity, the permit of which has been disciplined or abandoned or become null and void after written notice that disciplinary proceedings had been or would be brought against the permit.

(4) In addition to any other remedies provided by law, the board may deny the application or suspend or revoke the license, registration, or certificate of any entity regulated or licensed by it if the applicant, licensee, registrant, or licenseholder, or, in the case of a corporation, partnership, or other business entity, if any officer, director, agent, or managing employee of that business entity or any affiliated person, partner, or shareholder having an ownership interest equal to 5 percent or greater in that business entity, has failed to pay all outstanding fines, liens, or overpayments assessed by final order of the department, unless a repayment plan is approved by the department, or has failed to comply with any repayment plan.

(5) In reviewing any application requesting a change of ownership or a change of licensee or registrant, the transferor shall, before board approval of the change, repay or make arrangements to repay any amounts owed to the department. If the transferor fails to repay or make arrangements to repay the amounts owed to the department, the license or registration may not be issued to the transferee until repayment or until arrangements for repayment are made.

(6) Passing an onsite inspection is a prerequisite to the issuance of an initial permit or a permit for a change of location. The department must make the inspection within 90 days before issuance of the permit.

(7) Community pharmacies that dispense controlled substances must maintain a record of all controlled substance dispensing consistent with the requirements of s. 893.07 and must make the record available to the department and law enforcement agencies upon request.

Section 13. *In order to dispense controlled substances listed in Schedule II or Schedule III, as provided in s. 893.03, Florida Statutes, on or after July 1, 2012, a community pharmacy permittee must be permitted pursuant to chapter 465, Florida Statutes, as amended by this act and any rules adopted thereunder.*

Section 14. Section 465.022, Florida Statutes, is amended to read:

465.022 Pharmacies; general requirements; fees.—

(1) The board shall adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this chapter. Such rules shall include, but shall not be limited to, rules relating to:

(a) General drug safety measures.

(b) Minimum standards for the physical facilities of pharmacies.

(c) Safe storage of floor-stock drugs.

(d) Functions of a pharmacist in an institutional pharmacy, consistent with the size and scope of the pharmacy.

(e) Procedures for the safe storage and handling of radioactive drugs.

(f) Procedures for the distribution and disposition of medicinal drugs distributed pursuant to s. 499.028.

(g) Procedures for transfer of prescription files and medicinal drugs upon the change of ownership or closing of a pharmacy.

(h) Minimum equipment which a pharmacy shall at all times possess to fill prescriptions properly.

(i) Procedures for the dispensing of controlled substances to minimize dispensing based on fraudulent representations or invalid practitioner-patient relationships.

(2) A pharmacy permit *may* ~~shall~~ be issued only to a *natural* person who is at least 18 years of age, *to* a partnership *comprised of at least one natural person and all of* whose partners are ~~all~~ at least 18 years of age, *to a governmental agency,* or to a *business entity that is properly registered with the Secretary of State, if required by law, and has been issued a federal employer tax identification number* ~~corporation that is registered pursuant to chapter 607 or chapter 617 whose officers, directors, and shareholders are at least 18 years of age~~. *Permits issued to business entities may be issued only to entities whose affiliated persons, members, partners, officers, directors, and agents, including persons required to be fingerprinted under subsection (3), are not less than 18 years of age.*

(3) Any person *or business entity*, ~~partnership, or corporation~~ before engaging in the operation of a pharmacy, shall file with the board a sworn application on forms provided by the department. *For purposes of this section, any person required to provide fingerprints under this subsection is an affiliated person within the meaning of s. 465.023(1).*

(a) An application for a pharmacy permit must include a set of fingerprints from each person having an ownership interest of 5 percent or greater and from any person who, directly or indirectly, manages, oversees, or controls the operation of the applicant, including officers and members of the board of directors of an applicant that is a corporation. The applicant must provide payment in the application for the cost of state and national criminal history records checks.

1. For corporations having more than $100 million of business taxable assets in this state, in lieu of these fingerprint requirements, the department shall require the prescription department manager *or consultant pharmacist of record* who will be directly involved in the management and operation of the pharmacy to submit a set of fingerprints.

2. A representative of a corporation described in subparagraph 1. satisfies the requirement to submit a set of his or her fingerprints if the fingerprints are on file with the department or the Agency for Health Care Administration, meet the fingerprint specifications for submission by the Department of Law Enforcement, and are available to the department.

(b) The department shall *annually* submit the fingerprints provided by the applicant to the Department of Law Enforcement for a state criminal history records check. The Department of Law Enforcement shall *annually* forward the fingerprints to the Federal Bureau of Investigation for a national criminal history records check. *The department shall report the results of annual criminal history records checks to wholesale distributors permitted under chapter 499 for the purposes of s. 499.0121(15).*

(c) In addition to those documents required by the department or board, each applicant having any financial or ownership interest greater than 5 percent in the subject of the application must submit a signed affidavit disclosing any financial or ownership interest greater than 5 percent in any pharmacy permitted in the past 5 years, which pharmacy has closed voluntarily or involuntarily, has filed a voluntary relinquishment of its permit, has had its permit suspended or revoked, or has had an injunction issued against it by a regulatory agency. The affidavit must disclose the reason such entity was closed, whether voluntary or involuntary.

(4) An application for a pharmacy permit must include the applicant's written policies and procedures for preventing controlled substance dispensing based on fraudulent representations or invalid practitioner-patient relationships. The board must review the policies and procedures and may deny a permit if the policies and procedures are insufficient to reasonably prevent such dispensing. The department may phase in the submission and review of policies and procedures over one 18-month period beginning July 1, 2011.

(5)~~(4)~~ The department or board shall deny an application for a pharmacy permit if the applicant or an affiliated person, partner, officer, director, or prescription department manager *or consultant pharmacist of record* of the applicant ~~has~~:

(a) *Has* obtained a permit by misrepresentation or fraud.~~;~~

(b) *Has* attempted to procure, or has procured, a permit for any other person by making, or causing to be made, any false representation.~~;~~

(c) *Has* been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a crime in any jurisdiction which relates to the practice of, or the ability to practice, the profession of pharmacy.~~;~~

(d) *Has* been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a crime in any jurisdiction which relates to health care fraud.~~;~~

(e) *Has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under chapter 409, chapter 817, or chapter 893, or a similar felony offense committed in another state or jurisdiction, since July 1, 2009.* ~~Been terminated for cause, pursuant to the appeals procedures established by the state or Federal Government, from any state Medicaid program or the federal Medicare program, unless the applicant has been in good standing with a state Medicaid program or the federal Medicare program for the most recent 5 years and the termination occurred at least 20 years ago; or~~

(f) Has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under 21 U.S.C. ss. 801-970 or 42 U.S.C. ss. 1395-1396 since July 1, 2009.

(g) Has been terminated for cause from the Florida Medicaid program pursuant to s. 409.913, unless the applicant has been in good standing with the Florida Medicaid program for the most recent 5-year period.

(h) Has been terminated for cause, pursuant to the appeals procedures established by the state, from any other state Medicaid program, unless the applicant has been in good standing with a state Medicaid program for the most recent 5-year period and the termination occurred at least 20 years before the date of the application.

(i) Is currently listed on the United States Department of Health and Human Services Office of Inspector General's List of Excluded Individuals and Entities.

(j)~~(f)~~ *Has* dispensed any medicinal drug based upon a communication that purports to be a prescription as defined by s. 465.003(14) or s. 893.02 when the pharmacist knows or has reason to believe that the purported prescription is not based upon a valid practitioner-patient relationship that includes a documented patient evaluation, including history and a physical examination adequate to establish the diagnosis for which any drug is prescribed and any other requirement established by board rule under chapter 458, chapter 459, chapter 461, chapter 463, chapter 464, or chapter 466.

For felonies in which the defendant entered a plea of guilty or nolo contendere in an agreement with the court to enter a pretrial intervention or drug diversion program, the department shall deny the application if upon final resolution of the case the licensee has failed to successfully complete the program.

(6) The department or board may deny an application for a pharmacy permit if the applicant or an affiliated person, partner, officer, director, or prescription department manager or consultant pharmacist of record of the applicant has violated or failed to comply with any provision of this chapter; chapter 499, the Florida Drug and Cosmetic Act; chapter 893; 21 U.S.C. ss. 301-392, the Federal Food, Drug, and Cosmetic Act; 21 U.S.C. ss. 821 et seq., the Comprehensive Drug Abuse Prevention and Control Act; or any rules or regulations promulgated thereunder unless the violation or noncompliance is technical.

(7)~~(5)~~ After the application has been filed with the board and the permit fee provided in this section has been received, the board shall cause the application to be fully investigated, both as to the qualifications of the applicant and the prescription department manager or consultant pharmacist designated to be in charge and as to the premises and location described in the application.

(8)~~(6)~~ The Board of Pharmacy shall have the authority to determine whether a bona fide transfer of ownership is present and that the sale of a pharmacy is not being accomplished for the purpose of avoiding an administrative prosecution.

(9)~~(7)~~ Upon the completion of the investigation of an application, the board shall approve or *deny* ~~disapprove~~ the application. If approved, the permit shall be issued by the department.

(10)~~(8)~~ *A permittee must notify the department, on a form approved by the board, within 10 days after any change in prescription department manager or consultant pharmacist of record.* ~~Permits issued by the department are not transferable.~~

(11) A permittee must notify the department of the identity of the prescription department manager within 10 days after employment. The prescription department manager must comply with the following requirements:

(a) The prescription department manager of a permittee must obtain and maintain all drug records required by any state or federal law to be obtained by a pharmacy, including, but not limited to, records required by

or under this chapter, chapter 499, or chapter 893. The prescription department manager must ensure the permittee's compliance with all rules adopted under those chapters as they relate to the practice of the profession of pharmacy and the sale of prescription drugs.

(b) The prescription department manager must ensure the security of the prescription department. The prescription department manager must notify the board of any theft or significant loss of any controlled substances within 1 business day after discovery of the theft or loss.

(c) A registered pharmacist may not serve as the prescription department manager in more than one location unless approved by the board.

(12) The board shall adopt rules that require the keeping of such records of prescription drugs as are necessary for the protection of public health, safety, and welfare.

(a) All required records documenting prescription drug distributions shall be readily available or immediately retrievable during an inspection by the department.

(b) The records must be maintained for 4 years after the creation or receipt of the record, whichever is later.

(13) Permits issued by the department are not transferable.

(14)~~(9)~~ The board shall set the fees for the following:

(a) Initial permit fee not to exceed $250.

(b) Biennial permit renewal not to exceed $250.

(c) Delinquent fee not to exceed $100.

(d) Change of location fee not to exceed *$250* ~~$100~~.

Section 15. Paragraph (b) of subsection (1) of section 465.0276, Florida Statutes, is amended to read:

465.0276 Dispensing practitioner.—

(1)

(b)*1.* A practitioner registered under this section may not dispense ~~more than a 72-hour supply of~~ a controlled substance listed in Schedule II *or*~~,~~ Schedule III *as provided in*~~, Schedule IV, or Schedule V of~~ s. 893.03 ~~for any patient who pays for the medication by cash, check, or credit card in a clinic registered under s. 458.3265 or s. 459.0137~~. ~~A practitioner who violates this paragraph commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.~~ This paragraph does not apply to:

~~1. A practitioner who dispenses medication to a workers' compensation patient pursuant to chapter 440.~~

~~2. A practitioner who dispenses medication to an insured patient who pays by cash, check, or credit card to cover any applicable copayment or deductible.~~

1.~~3.~~ The dispensing of complimentary packages of medicinal drugs *which are labeled as a drug sample or complimentary drug as defined in s. 499.028* to the practitioner's own patients in the regular course of her or his practice without the payment of a fee or remuneration of any kind, whether direct or indirect, as provided in subsection (5).

2. The dispensing of controlled substances in the health care system of the Department of Corrections.

3. The dispensing of a controlled substance listed in Schedule II or Schedule III in connection with the performance of a surgical procedure. The amount dispensed pursuant to the subparagraph may not exceed a 14-day supply. This exception does not allow for the dispensing of a controlled substance listed in Schedule II or Schedule III more than 14 days after the performance of the surgical procedure. For purposes of this subparagraph, the term "surgical procedure" means any procedure in any setting which involves, or reasonably should involve:

a. Perioperative medication and sedation that allows the patient to tolerate unpleasant procedures while maintaining adequate cardiorespiratory function and the ability to respond purposefully to verbal or tactile stimulation and makes intra- and post-operative monitoring necessary; or

b. The use of general anesthesia or major conduction anesthesia and preoperative sedation.

4. The dispensing of a controlled substance listed in Schedule II or Schedule III pursuant to an approved clinical trial. For purposes of this subparagraph, the term "approved clinical trial" means a clinical research study or clinical investigation that, in whole or in part, is state or federally funded or is conducted under an investigational new drug application that is reviewed by the United States Food and Drug Administration.

5. The dispensing of methadone in a facility licensed under s. 397.427 where medication-assisted treatment for opiate addiction is provided.

6. The dispensing of a controlled substance listed in Schedule II or Schedule III to a patient of a facility licensed under part IV of chapter 400.

Section 16. Subsections (16) and (17) are added to section 499.0051, Florida Statutes, to read:

499.0051 Criminal acts.—

(16) FALSE REPORT.—Any person who submits a report required by s. 499.0121(14) knowing that such report contains a false statement commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(17) CONTROLLED SUBSTANCE DISTRIBUTION.—Any person who engages in the wholesale distribution of prescription drugs and who knowingly distributes controlled substances in violation of s. 499.0121(14) commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. In addition to any other fine that may be imposed, a person convicted of such a violation may be sentenced to pay a fine that does not exceed three times the gross monetary value gained from such violation, plus court costs and the reasonable costs of investigation and prosecution.

Section 17. Paragraph (o) is added to subsection (8) of section 499.012, Florida Statutes, to read:

499.012 Permit application requirements.—

(8) An application for a permit or to renew a permit for a prescription drug wholesale distributor or an out-of-state prescription drug wholesale distributor submitted to the department must include:

(o) Documentation of the credentialing policies and procedures required by s. 499.0121(14).

Section 18. Subsections (14) and (15) are added to section 499.0121, Florida Statutes, to read:

499.0121 Storage and handling of prescription drugs; recordkeeping.—The department shall adopt rules to implement this section as necessary to protect the public health, safety, and welfare. Such rules shall include, but not be limited to, requirements for the storage and handling of prescription drugs and for the establishment and maintenance of prescription drug distribution records.

(14) DISTRIBUTION REPORTING.—Each prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, retail pharmacy drug wholesale distributor, manufacturer, or repackager that engages in the wholesale distribution of controlled substances as defined in s. 893.02 shall submit a report to the department of its receipts and distributions of controlled substances listed in Schedule II, Schedule III, Schedule IV, or Schedule V as provided in s. 893.03. Wholesale distributor facilities located within this state shall report all transactions involving controlled substances, and wholesale distributor facilities located outside this state shall report all distributions to entities located in this state. If the prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, retail pharmacy drug wholesale distributor, manufacturer, or repackager does not have any controlled substance distributions for the month, a report shall be sent indicating that no distributions occurred in the period. The report shall be

submitted monthly by the 20th of the next month, in the electronic format used for controlled substance reporting to the Automation of Reports and Consolidated Orders System division of the federal Drug Enforcement Administration. Submission of electronic data must be made in a secured Internet environment that allows for manual or automated transmission. Upon successful transmission, an acknowledgement page must be displayed to confirm receipt. The report must contain the following information:

(a) The federal Drug Enforcement Administration registration number of the wholesale distributing location.

(b) The federal Drug Enforcement Administration registration number of the entity to which the drugs are distributed or from which the drugs are received.

(c) The transaction code that indicates the type of transaction.

(d) The National Drug Code identifier of the product and the quantity distributed or received.

(e) The Drug Enforcement Administration Form 222 number or Controlled Substance Ordering System Identifier on all schedule II transactions.

(f) The date of the transaction.

The department must share the reported data with the Department of Law Enforcement and local law enforcement agencies upon request and must monitor purchasing to identify purchasing levels that are inconsistent with the purchasing entity's clinical needs. The Department of Law Enforcement shall investigate purchases at levels that are inconsistent with the purchasing entity's clinical needs to determine whether violations of chapter 893 have occurred.

(15) DUE DILIGENCE OF PURCHASERS.—

(a) Each prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, and retail pharmacy drug wholesale distributor must establish and maintain policies and procedures to credential physicians licensed under chapter 458, chapter 459, chapter 461, or chapter 466 and pharmacies that purchase or otherwise receive from the wholesale distributor controlled substances listed in Schedule II or Schedule III as provided in s. 893.03. The prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, or retail pharmacy drug wholesale distributor shall maintain records of such credentialing and make the records available to the department upon request. Such credentialing must, at a minimum, include:

1. A determination of the clinical nature of the receiving entity, including any specialty practice area.

2. A review of the receiving entity's history of Schedule II and Schedule III controlled substance purchasing from the wholesale distributor.

3. A determination that the receiving entity's Schedule II and Schedule III controlled substance purchasing history, if any, is consistent with and reasonable for that entity's clinical business needs.

(b) A wholesale distributor must take reasonable measures to identify its customers, understand the normal and expected transactions conducted by those customers, and identify those transactions that are suspicious in nature. A wholesale distributor must establish internal policies and procedures for identifying suspicious orders and preventing suspicious transactions. A wholesale distributor must assess orders for greater than 5,000 unit doses of any one controlled substance in any one month to determine whether the purchase is reasonable. In making such assessments, a wholesale distributor may consider the purchasing entity's clinical business needs, location, and population served, in addition to other factors established in the distributor's policies and procedures. A wholesale distributor must report to the department any regulated transaction involving an extraordinary quantity of a listed chemical, an uncommon method of payment or delivery, or any other circumstance that the regulated person believes may indicate that the listed chemical will be used in violation of the law. The wholesale distributor shall maintain records that document the report submitted to the department in compliance with this paragraph.

(c) A wholesale distributor may not distribute controlled substances to an entity if any criminal history record check for any person associated with that entity shows that the person has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a crime in any jurisdiction related to controlled substances, the practice of pharmacy, or the dispensing of medicinal drugs.

(d) The department shall assess national data from the Automation of Reports and Consolidated Orders System of the federal Drug Enforcement Administration, excluding Florida data, and identify the national average of grams of hydrocodone, morphine, oxycodone, and methadone distributed per pharmacy registrant per month in the most recent year for which data is available. The department shall report the average for each of these drugs to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1, 2011. The department shall assess the data reported pursuant to subsection (14) and identify the statewide average of grams of each benzodiazapine distributed per community pharmacy per month. The department shall report the average for each benzodiazapine to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1, 2011.

Section 19. Paragraphs (o) and (p) are added to subsection (1) of section 499.05, Florida Statutes, to read:

499.05 Rules.—

(1) The department shall adopt rules to implement and enforce this part with respect to:

(o) Wholesale distributor reporting requirements of s. 499.0121(14).

(p) Wholesale distributor credentialing and distribution requirements of s. 499.0121(15).

Section 20. Subsections (8) and (9) are added to section 499.067, Florida Statutes, to read:

499.067 Denial, suspension, or revocation of permit, certification, or registration.—

(8) The department may deny, suspend, or revoke a permit if it finds the permittee has not complied with the credentialing requirements of s. 499.0121(15).

(9) The department may deny, suspend, or revoke a permit if it finds the permittee has not complied with the reporting requirements of, or knowingly made a false statement in a report required by, s. 499.0121(14).

Section 21. Paragraph (f) is added to subsection (3) of section 810.02, Florida Statutes, to read:

810.02 Burglary.—

(3) Burglary is a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if, in the course of committing the offense, the offender does not make an assault or battery and is not and does not become armed with a dangerous weapon or explosive, and the offender enters or remains in a:

(f) Structure or conveyance when the offense intended to be committed therein is theft of a controlled substance as defined in s. 893.02. Notwithstanding any other law, separate judgments and sentences for burglary with the intent to commit theft of a controlled substance under this paragraph and for any applicable possession of controlled substance offense under s. 893.13 or trafficking in controlled substance offense under s. 893.135 may be imposed when all such offenses involve the same amount or amounts of a controlled substance.

However, if the burglary is committed within a county that is subject to a state of emergency declared by the Governor under chapter 252 after the declaration of emergency is made and the perpetration of the burglary is facilitated by conditions arising from the emergency, the burglary is a felony of the first degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. As used in this subsection, the term "conditions arising from the emergency" means civil unrest, power outages, curfews, voluntary or mandatory evacuations, or a reduction in the presence of or response time for first responders or homeland security personnel. A person arrested for committing a burglary within a county that is subject

to such a state of emergency may not be released until the person appears before a committing magistrate at a first appearance hearing. For purposes of sentencing under chapter 921, a felony offense that is reclassified under this subsection is ranked one level above the ranking under s. 921.0022 or s. 921.0023 of the offense committed.

Section 22. Paragraph (c) of subsection (2) of section 812.014, Florida Statutes, is amended to read:

812.014 Theft.—

(2)

(c) It is grand theft of the third degree and a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property stolen is:

1. Valued at $300 or more, but less than $5,000.

2. Valued at $5,000 or more, but less than $10,000.

3. Valued at $10,000 or more, but less than $20,000.

4. A will, codicil, or other testamentary instrument.

5. A firearm.

6. A motor vehicle, except as provided in paragraph (a).

7. Any commercially farmed animal, including any animal of the equine, bovine, or swine class, or other grazing animal, and including aquaculture species raised at a certified aquaculture facility. If the property stolen is aquaculture species raised at a certified aquaculture facility, then a $10,000 fine shall be imposed.

8. Any fire extinguisher.

9. Any amount of citrus fruit consisting of 2,000 or more individual pieces of fruit.

10. Taken from a designated construction site identified by the posting of a sign as provided for in s. 810.09(2)(d).

11. Any stop sign.

12. Anhydrous ammonia.

13. Any amount of a controlled substance as defined in s. 893.02. Notwithstanding any other law, separate judgments and sentences for theft of a controlled substance under this subparagraph and for any applicable possession of controlled substance offense under s. 893.13 or trafficking in controlled substance offense under s. 893.135 may be imposed when all such offenses involve the same amount or amounts of a controlled substance.

However, if the property is stolen within a county that is subject to a state of emergency declared by the Governor under chapter 252, the property is stolen after the declaration of emergency is made, and the perpetration of the theft is facilitated by conditions arising from the emergency, the offender commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property is valued at $5,000 or more, but less than $10,000, as provided under subparagraph 2., or if the property is valued at $10,000 or more, but less than $20,000, as provided under subparagraph 3. As used in this paragraph, the term "conditions arising from the emergency" means civil unrest, power outages, curfews, voluntary or mandatory evacuations, or a reduction in the presence of or the response time for first responders or homeland security personnel. For purposes of sentencing under chapter 921, a felony offense that is reclassified under this paragraph is ranked one level above the ranking under s. 921.0022 or s. 921.0023 of the offense committed.

Section 23. Section 893.055, Florida Statutes, is amended to read:

893.055 Prescription drug monitoring program.—

(1) As used in this section, the term:

(a) "Patient advisory report" or "advisory report" means information provided by the department in writing, or as determined by the department, to a prescriber, dispenser, pharmacy, or patient concerning the dispensing of controlled substances. All advisory reports are for informational purposes only and impose no obligations of any nature or any legal duty on a prescriber, dispenser, pharmacy, or patient. The patient advisory report shall be provided in accordance with s. 893.13(7)(a)8. The advisory reports issued by the department are not subject to discovery or introduction into evidence in any civil or administrative action against a prescriber, dispenser, pharmacy, or patient arising out of matters that are the subject of the report; and a person who participates in preparing, reviewing, issuing, or any other activity related to an advisory report may not be permitted or required to testify in any such civil action as to any findings, recommendations, evaluations, opinions, or other actions taken in connection with preparing, reviewing, or issuing such a report.

(b) "Controlled substance" means a controlled substance listed in Schedule II, Schedule III, or Schedule IV in s. 893.03.

(c) "Dispenser" means a pharmacy, dispensing pharmacist, or dispensing health care practitioner.

(d) "Health care practitioner" or "practitioner" means any practitioner who is subject to licensure or regulation by the department under chapter 458, chapter 459, chapter 461, chapter 462, chapter 464, chapter 465, or chapter 466.

(e) "Health care regulatory board" means any board for a practitioner or health care practitioner who is licensed or regulated by the department.

(f) "Pharmacy" means any pharmacy that is subject to licensure or regulation by the department under chapter 465 and that dispenses or delivers a controlled substance to an individual or address in this state.

(g) "Prescriber" means a prescribing physician, prescribing practitioner, or other prescribing health care practitioner.

(h) "Active investigation" means an investigation that is being conducted with a reasonable, good faith belief that it could lead to the filing of administrative, civil, or criminal proceedings, or that is ongoing and continuing and for which there is a reasonable, good faith anticipation of securing an arrest or prosecution in the foreseeable future.

(i) "Law enforcement agency" means the Department of Law Enforcement, a Florida sheriff's department, a Florida police department, or a law enforcement agency of the Federal Government which enforces the laws of this state or the United States relating to controlled substances, and which its agents and officers are empowered by law to conduct criminal investigations and make arrests.

(j) "Program manager" means an employee of or a person contracted by the Department of Health who is designated to ensure the integrity of the prescription drug monitoring program in accordance with the requirements established in paragraphs (2)(a) and (b).

(2)(a) ~~By December 1, 2010,~~ The department shall design and establish a comprehensive electronic database system that has controlled substance prescriptions provided to it and that provides prescription information to a patient's health care practitioner and pharmacist who inform the department that they wish the patient advisory report provided to them. Otherwise, the patient advisory report will not be sent to the practitioner, pharmacy, or pharmacist. The system shall be designed to provide information regarding dispensed prescriptions of controlled substances and shall not infringe upon the legitimate prescribing or dispensing of a controlled substance by a prescriber or dispenser acting in good faith and in the course of professional practice. The system shall be consistent with standards of the American Society for Automation in Pharmacy (ASAP). The electronic system shall also comply with the Health Insurance Portability and Accountability Act (HIPAA) as it pertains to protected health information (PHI), electronic protected health information (EPHI), and all other relevant state and federal privacy and security laws and regulations. The department shall establish policies and procedures as appropriate regarding the reporting, accessing the database, evaluation, management, development, implementation, operation, storage, and security of information within the system. The reporting of prescribed controlled substances shall include a dispensing transaction with a dispenser pursuant to chapter 465 or through a dispensing transaction to an individual or address in this state

with a pharmacy that is not located in this state but that is otherwise subject to the jurisdiction of this state as to that dispensing transaction. The reporting of patient advisory reports refers only to reports to patients, pharmacies, and practitioners. Separate reports that contain patient prescription history information and that are not patient advisory reports are provided to persons and entities as authorized in paragraphs (7)(b) and (c) and s. 893.0551.

(b) The department, when the direct support organization receives at least $20,000 in nonstate moneys or the state receives at least $20,000 in federal grants for the prescription drug monitoring program, ~~and in consultation with the Office of Drug Control,~~ shall adopt rules as necessary concerning the reporting, accessing the database, evaluation, management, development, implementation, operation, security, and storage of information within the system, including rules for when patient advisory reports are provided to pharmacies and prescribers. The patient advisory report shall be provided in accordance with s. 893.13(7)(a)8. The department shall work with the professional health care licensure boards, such as the Board of Medicine, the Board of Osteopathic Medicine, and the Board of Pharmacy; other appropriate organizations, such as the Florida Pharmacy Association, ~~the Office of Drug Control,~~ the Florida Medical Association, the Florida Retail Federation, and the Florida Osteopathic Medical Association, including those relating to pain management; and the Attorney General, the Department of Law Enforcement, and the Agency for Health Care Administration to develop rules appropriate for the prescription drug monitoring program.

(c) All dispensers and prescribers subject to these reporting requirements shall be notified by the department of the implementation date for such reporting requirements.

(d) The program manager shall work with professional health care licensure boards and the stakeholders listed in paragraph (b) to develop rules appropriate for identifying indicators of controlled substance abuse.

(3) The pharmacy dispensing the controlled substance and each prescriber who directly dispenses a controlled substance shall submit to the electronic system, by a procedure and in a format established by the department and consistent with an ASAP-approved format, the following information for inclusion in the database:

(a) The name of the prescribing practitioner, the practitioner's federal Drug Enforcement Administration registration number, the practitioner's National Provider Identification (NPI) or other appropriate identifier, and the date of the prescription.

(b) The date the prescription was filled and the method of payment, such as cash by an individual, insurance coverage through a third party, or Medicaid payment. This paragraph does not authorize the department to include individual credit card numbers or other account numbers in the database.

(c) The full name, address, and date of birth of the person for whom the prescription was written.

(d) The name, national drug code, quantity, and strength of the controlled substance dispensed.

(e) The full name, federal Drug Enforcement Administration registration number, and address of the pharmacy or other location from which the controlled substance was dispensed. If the controlled substance was dispensed by a practitioner other than a pharmacist, the practitioner's full name, federal Drug Enforcement Administration registration number, and address.

(f) The name of the pharmacy or practitioner, other than a pharmacist, dispensing the controlled substance and the practitioner's National Provider Identification (NPI).

(g) Other appropriate identifying information as determined by department rule.

(4) Each time a controlled substance is dispensed to an individual, the controlled substance shall be reported to the department through the system as soon thereafter as possible, but not more than 7 ~~15~~ days after the date the controlled substance is dispensed unless an extension is approved by the department for cause as determined by rule. A dispenser must meet the reporting requirements of this section by providing the required information concerning each controlled substance that it dispensed in a department-approved, secure methodology and format. Such approved formats may include, but are not limited to, submission via the Internet, on a disc, or by use of regular mail.

(5) When the following acts of dispensing or administering occur, the following are exempt from reporting under this section for that specific act of dispensing or administration:

(a) A health care practitioner when administering a controlled substance directly to a patient if the amount of the controlled substance is adequate to treat the patient during that particular treatment session.

(b) A pharmacist or health care practitioner when administering a controlled substance to a patient or resident receiving care as a patient at a hospital, nursing home, ambulatory surgical center, hospice, or intermediate care facility for the developmentally disabled which is licensed in this state.

(c) A practitioner when administering or dispensing a controlled substance in the health care system of the Department of Corrections.

(d) A practitioner when administering a controlled substance in the emergency room of a licensed hospital.

(e) A health care practitioner when administering or dispensing a controlled substance to a person under the age of 16.

(f) A pharmacist or a dispensing practitioner when dispensing a one-time, 72-hour emergency resupply of a controlled substance to a patient.

(6) The department may establish when to suspend and when to resume reporting information during a state-declared or nationally declared disaster.

(7)(a) A practitioner or pharmacist who dispenses a controlled substance must submit the information required by this section in an electronic or other method in an ASAP format approved by rule of the department unless otherwise provided in this section. The cost to the dispenser in submitting the information required by this section may not be material or extraordinary. Costs not considered to be material or extraordinary include, but are not limited to, regular postage, electronic media, regular electronic mail, and facsimile charges.

(b) A pharmacy, prescriber, or dispenser shall have access to information in the prescription drug monitoring program's database which relates to a patient of that pharmacy, prescriber, or dispenser in a manner established by the department as needed for the purpose of reviewing the patient's controlled substance prescription history. Other access to the program's database shall be limited to the program's manager and to the designated program and support staff, who may act only at the direction of the program manager or, in the absence of the program manager, as authorized. Access by the program manager or such designated staff is for prescription drug program management only or for management of the program's database and its system in support of the requirements of this section and in furtherance of the prescription drug monitoring program. Confidential and exempt information in the database shall be released only as provided in paragraph (c) and s. 893.0551. *The program manager, designated program and support staff who act at the direction of or in the absence of the program manager, and any individual who has similar access regarding the management of the database from the prescription drug monitoring program shall submit fingerprints to the department for background screening. The department shall follow the procedure established by the Department of Law Enforcement to request a statewide criminal history record check and to request that the Department of Law Enforcement forward the fingerprints to the Federal Bureau of Investigation for a national criminal history record check.*

(c) The following entities shall not be allowed direct access to information in the prescription drug monitoring program database but may request from the program manager and, when authorized by the program manager, the program manager's program and support staff, information that is confidential and exempt under s. 893.0551. Prior to release, the request shall be verified as authentic and authorized with the requesting organization by the program manager, the program manager's program and support staff, or as determined in rules by the

department as being authentic and as having been authorized by the requesting entity:

1. The department or its relevant health care regulatory boards responsible for the licensure, regulation, or discipline of practitioners, pharmacists, or other persons who are authorized to prescribe, administer, or dispense controlled substances and who are involved in a specific controlled substance investigation involving a designated person for one or more prescribed controlled substances.

2. The Attorney General for Medicaid fraud cases involving prescribed controlled substances.

3. A law enforcement agency during active investigations regarding potential criminal activity, fraud, or theft regarding prescribed controlled substances.

4. A patient or the legal guardian or designated health care surrogate of an incapacitated patient as described in s. 893.0551 who, for the purpose of verifying the accuracy of the database information, submits a written and notarized request that includes the patient's full name, address, and date of birth, and includes the same information if the legal guardian or health care surrogate submits the request. The request shall be validated by the department to verify the identity of the patient and the legal guardian or health care surrogate, if the patient's legal guardian or health care surrogate is the requestor. Such verification is also required for any request to change a patient's prescription history or other information related to his or her information in the electronic database.

Information in the database for the electronic prescription drug monitoring system is not discoverable or admissible in any civil or administrative action, except in an investigation and disciplinary proceeding by the department or the appropriate regulatory board.

(d) The following entities shall not be allowed direct access to information in the prescription drug monitoring program database but may request from the program manager and, when authorized by the program manager, the program manager's program and support staff, information that contains no identifying information of any patient, physician, health care practitioner, prescriber, or dispenser and that is not confidential and exempt:

1. Department staff for the purpose of calculating performance measures pursuant to subsection (8).

2. The Program Implementation and Oversight Task Force for its reporting to the Governor, the President of the Senate, and the Speaker of the House of Representatives regarding the prescription drug monitoring program. This subparagraph expires July 1, 2012.

(e) All transmissions of data required by this section must comply with relevant state and federal privacy and security laws and regulations. However, any authorized agency or person under s. 893.0551 receiving such information as allowed by s. 893.0551 may maintain the information received for up to 24 months before purging it from his or her records or maintain it for longer than 24 months if the information is pertinent to ongoing health care or an active law enforcement investigation or prosecution.

(f) The program manager, upon determining a pattern consistent with the rules established under paragraph (2)(d) and having cause to believe a violation of s. 893.13(7)(a)8., (8)(a), or (8)(b) has occurred, may provide relevant information to the applicable law enforcement agency.

(8) To assist in fulfilling program responsibilities, performance measures shall be reported annually to the Governor, the President of the Senate, and the Speaker of the House of Representatives by the department each December 1, beginning in 2011. Data that does not contain patient, physician, health care practitioner, prescriber, or dispenser identifying information may be requested during the year by department employees so that the department may undertake public health care and safety initiatives that take advantage of observed trends. Performance measures may include, but are not limited to, efforts to achieve the following outcomes:

(a) Reduction of the rate of inappropriate use of prescription drugs through department education and safety efforts.

(b) Reduction of the quantity of pharmaceutical controlled substances obtained by individuals attempting to engage in fraud and deceit.

(c) Increased coordination among partners participating in the prescription drug monitoring program.

(d) Involvement of stakeholders in achieving improved patient health care and safety and reduction of prescription drug abuse and prescription drug diversion.

(9) Any person who willfully and knowingly fails to report the dispensing of a controlled substance as required by this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(10) All costs incurred by the department in administering the prescription drug monitoring program shall be funded through federal grants or private funding applied for or received by the state. The department may not commit funds for the monitoring program without ensuring funding is available. The prescription drug monitoring program and the implementation thereof are contingent upon receipt of the nonstate funding. The department and state government shall cooperate with the direct-support organization established pursuant to subsection (11) in seeking federal grant funds, other nonstate grant funds, gifts, donations, or other private moneys for the department so long as the costs of doing so are not considered material. Nonmaterial costs for this purpose include, but are not limited to, the costs of mailing and personnel assigned to research or apply for a grant. Notwithstanding the exemptions to competitive-solicitation requirements under s. 287.057(3)(f), the department shall comply with the competitive-solicitation requirements under s. 287.057 for the procurement of any goods or services required by this section. *Funds provided, directly or indirectly, by prescription drug manufacturers may not be used to implement the program.*

(11) The ~~Office of Drug Control, in coordination with the~~ department~~,~~ may establish a direct-support organization that has a board consisting of at least five members to provide assistance, funding, and promotional support for the activities authorized for the prescription drug monitoring program.

(a) As used in this subsection, the term "direct-support organization" means an organization that is:

1. A Florida corporation not for profit incorporated under chapter 617, exempted from filing fees, and approved by the Department of State.

2. Organized and operated to conduct programs and activities; raise funds; request and receive grants, gifts, and bequests of money; acquire, receive, hold, and invest, in its own name, securities, funds, objects of value, or other property, either real or personal; and make expenditures or provide funding to or for the direct or indirect benefit of the department in the furtherance of the prescription drug monitoring program.

(b) The direct-support organization is not considered a lobbying firm within the meaning of s. 11.045.

(c) The *State Surgeon General* ~~director of the Office of Drug Control~~ shall appoint a board of directors for the direct-support organization. ~~The director may designate employees of the Office of Drug Control, state employees other than state employees from the department, and any other nonstate employees as appropriate, to serve on the board.~~ Members of the board shall serve at the pleasure of ~~the director of~~ the *State Surgeon General* ~~Office of Drug Control~~. The *State Surgeon General* ~~director~~ shall provide guidance to members of the board to ensure that moneys received by the direct-support organization are not received from inappropriate sources. Inappropriate sources include, but are not limited to, donors, grantors, persons, or organizations that may monetarily or substantively benefit from the purchase of goods or services by the department in furtherance of the prescription drug monitoring program.

(d) The direct-support organization shall operate under written contract with the *department* ~~Office of Drug Control~~. The contract must, at a minimum, provide for:

1. Approval of the articles of incorporation and bylaws of the direct-support organization by the *department* ~~Office of Drug Control~~.

2. Submission of an annual budget for the approval of the *department* ~~Office of Drug Control~~.

3. Certification by the *department* ~~Office of Drug Control~~ in consultation with the department that the direct-support organization is complying with the terms of the contract in a manner consistent with and in furtherance of the goals and purposes of the prescription drug monitoring program and in the best interests of the state. Such certification must be made annually and reported in the official minutes of a meeting of the direct-support organization.

4. The reversion, without penalty, to ~~the Office of Drug Control, or to~~ the state ~~if the Office of Drug Control ceases to exist,~~ of all moneys and property held in trust by the direct-support organization for the benefit of the prescription drug monitoring program if the direct-support organization ceases to exist or if the contract is terminated.

5. The fiscal year of the direct-support organization, which must begin July 1 of each year and end June 30 of the following year.

6. The disclosure of the material provisions of the contract to donors of gifts, contributions, or bequests, including such disclosure on all promotional and fundraising publications, and an explanation to such donors of the distinction between the *department* ~~Office of Drug Control~~ and the direct-support organization.

7. The direct-support organization's collecting, expending, and providing of funds to the department for the development, implementation, and operation of the prescription drug monitoring program as described in this section and s. 2, chapter 2009-198, Laws of Florida, as long as the task force is authorized. The direct-support organization may collect and expend funds to be used for the functions of the direct-support organization's board of directors, as necessary and approved by the *department* ~~director of the Office of Drug Control~~. In addition, the direct-support organization may collect and provide funding to the department in furtherance of the prescription drug monitoring program by:

a. Establishing and administering the prescription drug monitoring program's electronic database, including hardware and software.

b. Conducting studies on the efficiency and effectiveness of the program to include feasibility studies as described in subsection (13).

c. Providing funds for future enhancements of the program within the intent of this section.

d. Providing user training of the prescription drug monitoring program, including distribution of materials to promote public awareness and education and conducting workshops or other meetings, for health care practitioners, pharmacists, and others as appropriate.

e. Providing funds for travel expenses.

f. Providing funds for administrative costs, including personnel, audits, facilities, and equipment.

g. Fulfilling all other requirements necessary to implement and operate the program as outlined in this section.

(e) The activities of the direct-support organization must be consistent with the goals and mission of the *department* ~~Office of Drug Control~~, as determined by the ~~office in consultation with the~~ department, and in the best interests of the state. The direct-support organization must obtain a written approval from the *department* ~~director of the Office of Drug Control~~ for any activities in support of the prescription drug monitoring program before undertaking those activities.

(f) The ~~Office of Drug Control, in consultation with the~~ department~~,~~ may permit, without charge, appropriate use of administrative services, property, and facilities of ~~the Office of Drug Control and~~ the department by the direct-support organization, subject to this section. The use must be directly in keeping with the approved purposes of the direct-support organization and may not be made at times or places that would unreasonably interfere with opportunities for the public to use such facilities for established purposes. Any moneys received from rentals of facilities and properties managed by the ~~Office of Drug Control and the~~ department may be held ~~by the Office of Drug Control or~~ in a separate depository account in the name of the direct-support organization and subject to the provisions of the letter of agreement with the *department* ~~Office of Drug Control~~. The letter of agreement must provide that any funds held in the separate depository account in the name of the direct-support organization must revert to the *department* ~~Office of Drug Control~~ if the direct-support organization is no longer approved by the *department* ~~Office of Drug Control~~ to operate in the best interests of the state.

(g) The ~~Office of Drug Control, in consultation with the~~ department~~,~~ may adopt rules under s. 120.54 to govern the use of administrative services, property, or facilities of the department or office by the direct-support organization.

(h) The *department* ~~Office of Drug Control~~ may not permit the use of any administrative services, property, or facilities of the state by a direct-support organization if that organization does not provide equal membership and employment opportunities to all persons regardless of race, color, religion, gender, age, or national origin.

(i) The direct-support organization shall provide for an independent annual financial audit in accordance with s. 215.981. Copies of the audit shall be provided to the *department* ~~Office of Drug Control~~ and the Office of Policy and Budget in the Executive Office of the Governor.

(j) The direct-support organization may not exercise any power under s. 617.0302(12) or (16).

(12) A prescriber or dispenser may have access to the information under this section which relates to a patient of that prescriber or dispenser as needed for the purpose of reviewing the patient's controlled drug prescription history. A prescriber or dispenser acting in good faith is immune from any civil, criminal, or administrative liability that might otherwise be incurred or imposed for receiving or using information from the prescription drug monitoring program. This subsection does not create a private cause of action, and a person may not recover damages against a prescriber or dispenser authorized to access information under this subsection for accessing or failing to access such information.

(13) To the extent that funding is provided for such purpose through federal or private grants or gifts and other types of available moneys, the department~~, in collaboration with the Office of Drug Control,~~ shall study the feasibility of enhancing the prescription drug monitoring program for the purposes of public health initiatives and statistical reporting that respects the privacy of the patient, the prescriber, and the dispenser. Such a study shall be conducted in order to further improve the quality of health care services and safety by improving the prescribing and dispensing practices for prescription drugs, taking advantage of advances in technology, reducing duplicative prescriptions and the overprescribing of prescription drugs, and reducing drug abuse. The requirements of the National All Schedules Prescription Electronic Reporting (NASPER) Act are authorized in order to apply for federal NASPER funding. In addition, the direct-support organization shall provide funding for the department~~, in collaboration with the Office of Drug Control,~~ to conduct training for health care practitioners and other appropriate persons in using the monitoring program to support the program enhancements.

(14) A pharmacist, pharmacy, or dispensing health care practitioner or his or her agent, before releasing a controlled substance to any person not known to such dispenser, shall require the person purchasing, receiving, or otherwise acquiring the controlled substance to present valid photographic identification or other verification of his or her identity to the dispenser. If the person does not have proper identification, the dispenser may verify the validity of the prescription and the identity of the patient with the prescriber or his or her authorized agent. Verification of health plan eligibility through a real-time inquiry or adjudication system will be considered to be proper identification. This subsection does not apply in an institutional setting or to a long-term care facility, including, but not limited to, an assisted living facility or a hospital to which patients are admitted. As used in this subsection, the term "proper identification" means an identification that is issued by a state or the Federal Government containing the person's photograph, printed name, and signature or a document considered acceptable under 8 C.F.R. s. 274a.2(b)(1)(v)(A) and (B).

(15) The Agency for Health Care Administration shall continue the promotion of electronic prescribing by health care practitioners, health care facilities, and pharmacies under s. 408.0611.

(16) ~~By October 1, 2010,~~ The department shall adopt rules pursuant to ss. 120.536(1) and 120.54 to administer the provisions of this section, which shall include as necessary the reporting, accessing, evaluation, management, development, implementation, operation, and storage of information within the monitoring program's system.

Section 24. Section 893.065, Florida Statutes, is amended to read:

893.065 Counterfeit-resistant prescription blanks for controlled substances listed in Schedule II, Schedule III, or Schedule IV.—The Department of Health shall develop and adopt by rule the form and content for a counterfeit-resistant prescription blank which *must* ~~may~~ be used by practitioners for the purpose of prescribing a controlled substance listed in Schedule II, Schedule III, ~~or~~ Schedule IV*, or Schedule V pursuant to s. 456.42*. The Department of Health may require the prescription blanks to be printed on distinctive, watermarked paper and to bear the preprinted name, address, and category of professional licensure of the practitioner and that practitioner's federal registry number for controlled substances. The prescription blanks may not be transferred.

Section 25. Subsections (4) and (5) of section 893.07, Florida Statutes, are amended to read:

893.07 Records.—

(4) Every inventory or record required by this chapter, including prescription records, shall be maintained:

(a) Separately from all other records of the registrant, or

(b) Alternatively, in the case of Schedule III, IV, or V controlled substances, in such form that information required by this chapter is readily retrievable from the ordinary business records of the registrant.

In either case, *the* records *described in this subsection* shall be kept and made available for a period of at least 2 years for inspection and copying by law enforcement officers whose duty it is to enforce the laws of this state relating to controlled substances. *Law enforcement officers are not required to obtain a subpoena, court order, or search warrant in order to obtain access to or copies of such records.*

(5) Each person *described in subsection (1)* shall*:*

(a) Maintain a record which shall contain a detailed list of controlled substances lost, destroyed, or stolen, if any; the kind and quantity of such controlled substances; and the date of the discovering of such loss, destruction, or theft.

(b) In the event of the discovery of the theft or significant loss of controlled substances, report such theft or significant loss to the sheriff of that county within 24 hours after discovery. A person who fails to report a theft or significant loss of a substance listed in s. 893.03(3), (4), or (5) within 24 hours after discovery as required in this paragraph commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. A person who fails to report a theft or significant loss of a substance listed in s. 893.03(2) within 24 hours after discovery as required in this paragraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 26. Subsection (7) of section 893.13, Florida Statutes, is amended to read:

893.13 Prohibited acts; penalties.—

(7)(a) *A* ~~It is unlawful for any~~ person *may not*:

1. ~~To~~ Distribute or dispense a controlled substance in violation of this chapter.

2. ~~To~~ Refuse or fail to make, keep, or furnish any record, notification, order form, statement, invoice, or information required under this chapter.

3. ~~To~~ Refuse ~~an~~ entry into any premises for any inspection or ~~to~~ refuse to allow any inspection authorized by this chapter.

4. ~~To~~ Distribute a controlled substance named or described in s. 893.03(1) or (2) except pursuant to an order form as required by s. 893.06.

5. ~~To~~ Keep or maintain any store, shop, warehouse, dwelling, building, vehicle, boat, aircraft, or other structure or place which is resorted to by persons using controlled substances in violation of this chapter for the purpose of using these substances, or which is used for keeping or selling them in violation of this chapter.

6. ~~To~~ Use to his or her own personal advantage, or ~~to~~ reveal, any information obtained in enforcement of this chapter except in a prosecution or administrative hearing for a violation of this chapter.

7. ~~To~~ Possess a prescription form which has not been completed and signed by the practitioner whose name appears printed thereon, unless the person is that practitioner, is an agent or employee of that practitioner, is a pharmacist, or is a supplier of prescription forms who is authorized by that practitioner to possess those forms.

8. ~~To~~ Withhold information from a practitioner from whom the person seeks to obtain a controlled substance or a prescription for a controlled substance that the person making the request has received a controlled substance or a prescription for a controlled substance of like therapeutic use from another practitioner within the previous 30 days.

9. ~~To~~ Acquire or obtain, or attempt to acquire or obtain, possession of a controlled substance by misrepresentation, fraud, forgery, deception, or subterfuge.

10. ~~To~~ Affix any false or forged label to a package or receptacle containing a controlled substance.

11. ~~To~~ Furnish false or fraudulent material information in, or omit any material information from, any report or other document required to be kept or filed under this chapter or any record required to be kept by this chapter.

12. ~~To~~ Store anhydrous ammonia in a container that is not approved by the United States Department of Transportation to hold anhydrous ammonia or is not constructed in accordance with sound engineering, agricultural, or commercial practices.

13. With the intent to obtain a controlled substance or combination of controlled substances that are not medically necessary for the person or an amount of a controlled substance or substances that are not medically necessary for the person, obtain or attempt to obtain from a practitioner a controlled substance or a prescription for a controlled substance by misrepresentation, fraud, forgery, deception, subterfuge, or concealment of a material fact. For purposes of this subparagraph, a material fact includes whether the person has an existing prescription for a controlled substance issued for the same period of time by another practitioner or as described in subparagraph 8.

(b) A health care practitioner, with the intent to provide a controlled substance or combination of controlled substances that are not medically necessary to his or her patient or an amount of controlled substances that are not medically necessary for his or her patient, may not provide a controlled substance or a prescription for a controlled substance by misrepresentation, fraud, forgery, deception, subterfuge, or concealment of a material fact. For purposes of this paragraph, a material fact includes whether the patient has an existing prescription for a controlled substance issued for the same period of time by another practitioner or as described in subparagraph (a)8.

(c)~~(b)~~ Any person who violates the provisions of subparagraphs (a)1.-7. commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083; except that, upon a second or subsequent violation, the person commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(d)~~(c)~~ Any person who violates the provisions of subparagraphs (a)8.-12. commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(e) A person or health care practitioner who violates the provisions of paragraph (b) or subparagraph (a)13. commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if any controlled substance that is the subject of the offense is listed in Schedule II, Schedule III, or Schedule IV.

Section 27. Present subsections (3) through (10) of section 893.138, Florida Statutes, are redesignated as subsections (4) through (11), respectively, and a new subsection (3) is added to that section, to read:

893.138 Local administrative action to abate drug-related, prostitution-related, or stolen-property-related public nuisances and criminal gang activity.—

(3) Any pain-management clinic, as described in s. 458.3265 or s. 459.0137, which has been used on more than two occasions within a 6-month period as the site of a violation of:

(a) Section 784.011, s. 784.021, s. 784.03, or s. 784.045, relating to assault and battery;

(b) Section 810.02, relating to burglary;

(c) Section 812.014, relating to dealing in theft;

(d) Section 812.131, relating to robbery by sudden snatching; or

(e) Section 893.13, relating to the unlawful distribution of controlled substances,

may be declared to be a public nuisance, and such nuisance may be abated pursuant to the procedures provided in this section.

Section 28. *(1) DISPOSITION OF CONTROLLED SUBSTANCES.—*

(a) Within 10 days after the effective date of this act, each physician licensed under chapter 458, chapter 459, chapter 461, or chapter 466, Florida Statutes, unless he or she meets one of the exceptions for physician who dispenses under s. 465.0276, Florida Statutes, shall ensure that the undispensed inventory of controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, purchased under the physician's Drug Enforcement Administration number for dispensing is:

1. Returned in compliance with the laws and rules adopted under chapter 499, Florida Statutes, to the wholesale distributor, as defined in s. 499.003, Florida Statutes, which distributed the controlled substances to the physician; or

2. Turned in to local law enforcement agencies and abandoned.

(b) Wholesale distributors shall buy back the undispensed inventory of controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, which are in the manufacturer's original packing, unopened, and in date, in accordance with the established policies of the wholesale distributor or the contractual terms between the wholesale distributor and the physician concerning returns.

(2) PUBLIC HEALTH EMERGENCY.—

(a) The Legislature finds that:

1. Prescription drug overdose has been declared a public health epidemic by the United States Centers for Disease Control and Prevention.

2. Prescription drug abuse results in an average of seven deaths in this state each day.

3. Physicians in this state purchased more than 85 percent of the oxycodone purchased by all practitioners in the United States in 2006.

4. Physicians in this state purchased more than 93 percent of the methadone purchased by all practitioners in the United States in 2006.

5. Some physicians in this state dispense medically unjustifiable amounts of controlled substances to addicts and to people who intend to illegally sell the drugs.

6. Physicians in this state who have purchased large quantities of controlled substances may have significant inventory 30 days after the effective date of this act.

7. Thirty days after the effective date of this act, the only legal method for a dispensing practitioner to sell or otherwise transfer controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, purchased for dispensing, is through the abandonment procedures of subsection (1) or as authorized under s. 465.0276, Florida Statutes.

8. It is likely that the same physicians who purchase and dispense medically unjustifiable amounts of drugs will not legally dispose of the remaining inventory.

9. The actions of such dispensing practitioners may result in substantial injury to the public health.

(b) Immediately upon the effective date of this act, the State Health Officer shall declare a public health emergency pursuant to s. 381.00315, Florida Statutes. Pursuant to that declaration, the Department of Health, the Attorney General, the Department of Law Enforcement, and local law enforcement agencies shall take the following actions:

1. Within 2 days after the effective date of this act, in consultation with wholesale distributors as defined in s. 499.003, Florida Statutes, the Department of Health shall identify dispensing practitioners who purchased more than an average of 2,000 unit doses of controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, per month in the previous 6 months, and shall identify the dispensing practitioners in that group who pose the greatest threat to the public health based on an assessment of:

a. The risk of noncompliance with subsection (1).

b. The purchase amounts.

c. The manner of medical practice.

d. Any other factor set by the State Health Officer.

The Attorney General shall consult and coordinate with federal law enforcement agencies. The Department of Law Enforcement shall coordinate the efforts of local law enforcement agencies.

2. On the 3rd day after the effective date of this act, the Department of Law Enforcement or local law enforcement agencies shall enter the business premises of the dispensing practitioners identified as posing the greatest threat to public health and quarantine any inventory of controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, of such dispensing practitioners on site.

3. The Department of Law Enforcement or local law enforcement agencies shall ensure the security of such inventory 24 hours a day until the inventory is seized as contraband or deemed to be lawfully possessed for dispensing by the physician in accordance with s. 465.0276, Florida Statutes.

4. On the 31st day after the effective date of this act, any remaining inventory of controlled substances listed in Schedule II or Schedule III as provided in s. 893.03, Florida Statutes, purchased for dispensing by practitioners is deemed contraband under s. 893.12, Florida Statutes. The Department of Law Enforcement or local law enforcement agencies shall seize the inventory and comply with the provisions of s. 893.12, Florida Statutes, to destroy it.

(c) In order to implement this subsection, the sum of $3 million of nonrecurring funds from the General Revenue Fund is appropriated to the Department of Law Enforcement for the 2010-2011 fiscal year. The Department of Law Enforcement shall expend the appropriation by reimbursing local law enforcement agencies for the overtime-hour costs associated with securing the quarantined controlled substance inventory as provided in paragraph (b) and activities related to investigation and prosecution of crimes related to prescribed controlled substances. If requests for reimbursement exceed the amount appropriated, the reimbursements shall be prorated by the hours of overtime per requesting agency at a maximum of one law enforcement officer per quarantine site.

(3) REPEAL.—This section expires January 1, 2013.

Section 29. *The Department of Health shall establish a practitioner profile for dentists licensed under chapter 466, Florida Statutes, for a practitioner's designation as a controlled substance prescribing practitioner as provided in s. 456.44, Florida Statutes.*

Section 30. *If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.*

Section 31. This act shall take effect July 1, 2011.

And the title is amended as follows:

On motion by Senator Fasano—

HB 501—A bill to be entitled An act relating to Choose Life license plates; amending s. 320.08058, F.S.; providing for the annual use fees to be distributed to Choose Life, Inc., rather than the counties; providing for Choose Life, Inc., to redistribute a portion of such funds to nongovernmental, not-for-profit agencies that assist certain pregnant women; authorizing Choose Life, Inc., to use a portion of the funds to administer and promote the Choose Life license plate program; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 196** and read the second time by title.

Senator Fasano moved the following amendment which was adopted:

Amendment 1 (106676) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (29) of section 320.08058, Florida Statutes, is amended to read:

320.08058 Specialty license plates.—

(29) CHOOSE LIFE LICENSE PLATES.—

(a) The department shall develop a Choose Life license plate as provided in this section. The word "Florida" must appear at the bottom of the plate, and the words "Choose Life" must appear at the top of the plate.

(b) The annual use fees shall be distributed annually to *Choose Life, Inc., along with a report that specifies* ~~each county in~~ the ratio that the annual use fees collected by each county *bear* ~~bears~~ to the total fees collected for the plates within the state. *Choose Life, Inc.,* ~~Each county~~ shall distribute *each county's share of* the funds to nongovernmental, not-for-profit agencies *within each Florida county which assist* ~~within the county, which agencies' services are limited to counseling and meeting the physical needs of~~ pregnant women who are *making an adoption plan for their children* ~~committed to placing their children for adoption~~. Funds may not be distributed to any agency that is involved or associated with abortion activities, including counseling for or referrals to abortion clinics, providing medical abortion-related procedures, or proabortion advertising, and funds may not be distributed to any agency that charges women for services received.

1. Agencies that receive the funds must use ~~at least 70 percent of~~ the funds to provide for the material needs of pregnant women who are *making an adoption plan for their children* ~~committed to placing their children for adoption~~, including*, but not limited to,* clothing, housing, medical care, food, utilities, and transportation. Such funds may also be expended on *birth mothers for 60 days after delivery and on* infants awaiting placement with adoptive parents.

2. ~~The remaining~~ Funds may *also* be used for *adoption-related* ~~adoption,~~ counseling, training, or advertising~~,~~ but may not be used for administrative expenses, legal expenses, or capital expenditures. *However, a maximum of 15 percent of the total funds received annually may be used by Choose Life, Inc., for the administration and promotion of the Choose Life license plate program.*

3. If no qualified agency applies to receive funds in a county in any year, that county's Choose Life funds shall be distributed pro rata to any qualified agencies that apply and maintain a place of business within a 100-mile radius of the county seat of such county. If no qualified agencies apply, the funds shall be held by Choose Life, Inc., until a qualified agency under this section applies for the funds.

4. ~~3.~~ Each agency that receives such funds must submit an annual attestation to *Choose Life, Inc.* ~~the county.~~ Any unused funds that exceed 10 percent of the funds received by an agency *each* ~~during its fiscal~~ year must be returned to *Choose Life, Inc.* ~~the county~~, which shall distribute *the funds* ~~them~~ to other qualified agencies *within the State of Florida*.

(c) By October 1, 2011, the department and each county shall transfer all of its Choose Life license plate funds to Choose Life, Inc.

Section 2. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to Choose Life license plates; amending s. 320.08058, F.S.; providing for the annual use fees to be distributed to Choose Life, Inc., rather than the counties; providing for Choose Life, Inc., to redistribute a portion of such funds to nongovernmental, not-for-profit agencies that assist certain pregnant women; authorizing Choose Life, Inc., to use a portion of the funds to administer and promote the Choose Life license plate program; providing an effective date.

Managers on the part of the House

The Conference Committee Amendment for SB 2114, relating to juvenile justice, provides for the following:

The bill amends s. 985.441, 985.0301, 985.033, and 985.46, F.S., to provide that a juvenile judge may not commit an adjudicated delinquent youth whose underlying offense is a misdemeanor to a restrictiveness level other than minimum-risk nonresidential if the youth is adjudicated with a misdemeanor or probation violation for a misdemeanor, other than a new law violation constituting a felony.

Conference Committee Amendment (153282)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 985.441, Florida Statutes, is amended to read:

985.441 Commitment.—

(1) The court that has jurisdiction of an adjudicated delinquent child may, by an order stating the facts upon which a determination of a sanction and rehabilitative program was made at the disposition hearing:

(a) Commit the child to a licensed child-caring agency willing to receive the child; however, the court may not commit the child to a jail or to a facility used primarily as a detention center or facility or shelter.

(b) Commit the child to the department at a restrictiveness level defined in s. 985.03. Such commitment must be for the purpose of exercising active control over the child, including, but not limited to, custody, care, training, ~~urine~~ monitoring *for substance abuse, electronic monitoring*, and treatment of the child and release of the child from residential commitment into the community in a postcommitment nonresidential conditional release program. If the child is not successful in the conditional release program, the department may use the transfer procedure under subsection *(4)* ~~(3)~~.

(c) Commit the child to the department for placement in a program or facility for serious or habitual juvenile offenders in accordance with s. 985.47.

1. Following a delinquency adjudicatory hearing under s. 985.35 and a delinquency disposition hearing under s. 985.433 that results in a commitment determination, the court shall, on its own or upon request by the state or the department, determine whether the protection of the public requires that the child be placed in a program for serious or habitual juvenile offenders and whether the particular needs of the child would be best served by a program for serious or habitual juvenile offenders as provided in s. 985.47. The determination shall be made under ss. 985.47(1) and 985.433(7).

2. Any commitment of a child to a program or facility for serious or habitual juvenile offenders must be for an indeterminate period of time, but the time may not exceed the maximum term of imprisonment that an adult may serve for the same offense.

(d) Commit the child to the department for placement in a program or facility for juvenile sexual offenders in accordance with s. 985.48, subject to specific appropriation for such a program or facility.

1. The child may only be committed for such placement pursuant to determination that the child is a juvenile sexual offender under the criteria specified in s. 985.475.

2. Any commitment of a juvenile sexual offender to a program or facility for juvenile sexual offenders must be for an indeterminate period of time, but the time may not exceed the maximum term of imprisonment that an adult may serve for the same offense.

(2) Notwithstanding subsection (1), the court having jurisdiction over an adjudicated delinquent child whose underlying offense was a mis-

demeanor may not commit the child for any misdemeanor offense or any probation violation at a restrictiveness level other than minimum-risk nonresidential unless the probation violation is a new violation of law constituting a felony. However, the court may commit such child to a low-risk or moderate-risk residential placement if:

1. The child has previously been adjudicated for a felony offense;

2. The child has been adjudicated or had adjudication withheld for three or more misdemeanor offenses;

3. The child is before the court for disposition for a violation of s. 800.03, s. 806.031, or s. 828.12; or

4. The court finds by a preponderance of the evidence that the protection of the public requires such placement or that the particular needs of the child would be best served by such placement. Such finding must be in writing.

(3)~~(2)~~ The nonconsent of the child to commitment or treatment in a substance abuse treatment program in no way precludes the court from ordering such commitment or treatment.

(4)~~(3)~~ The department may transfer a child, when necessary to appropriately administer the child's commitment, from one facility or program to another facility or program operated, contracted, subcontracted, or designated by the department, including a postcommitment nonresidential conditional release program*, except that the department may not transfer any child adjudicated solely for a misdemeanor to a residential program except as provided in subsection (2)*. The department shall notify the court that committed the child to the department and any attorney of record for the child, in writing, of its intent to transfer the child from a commitment facility or program to another facility or program of a higher or lower restrictiveness level. The court that committed the child may agree to the transfer or may set a hearing to review the transfer. If the court does not respond within 10 days after receipt of the notice, the transfer of the child shall be deemed granted.

Section 2. Paragraph (d) of subsection (5) of section 985.0301, Florida Statutes, is amended to read:

985.0301 Jurisdiction.—

(5)

(d) The court may retain jurisdiction over a child committed to the department for placement in a juvenile prison or in a high-risk or maximum-risk residential commitment program to allow the child to participate in a juvenile conditional release program pursuant to s. 985.46. ~~In no case shall~~ The jurisdiction of the court *may not* be retained *after* beyond the child's 22nd birthday. However, if the child is not successful in the conditional release program, the department may use the transfer procedure under *s. 985.441(4)* ~~s. 985.441(3)~~.

Section 3. Subsection (2) of section 985.033, Florida Statutes, is amended to read:

985.033 Right to counsel.—

(2) This section does not apply to transfer proceedings under *s. 985.441(4)* ~~s. 985.441(3)~~, unless the court sets a hearing to review the transfer.

Section 4. Subsection (4) of section 985.46, Florida Statutes, is amended to read:

985.46 Conditional release.—

(4) A juvenile under nonresidential commitment placement *continues* ~~will continue to be~~ on commitment status and *is* subject to ~~the~~ transfer ~~provision~~ under *s. 985.441(4)* ~~s. 985.441(3)~~.

Section 5. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to juvenile justice; amending s. 985.441, F.S.; revising provisions concerning active control over a child committed to the Department of Juvenile Justice; prohibiting a court from committing certain youth at a restrictiveness level other than minimum-risk nonresidential; authorizing a court to commit certain youth to a low-risk or moderate-risk residential placement; limiting transfers of certain youth; amending ss. 985.0301, 985.033, and 985.46, F.S.; conforming cross-references; providing an effective date.

WHEREAS, 94 percent of Florida youth grow up to be productive citizens, but the 6 percent of Florida youth who become delinquent cost the state of Florida an average of $5,200 per child annually according to 2008 statistics, and

WHEREAS, according to national studies, 27 percent of abused or neglected children become delinquent, and

WHEREAS, one of the most effective ways to reduce delinquency is to prevent child abuse, abandonment, and neglect, and

WHEREAS, Florida's juvenile commitment programs have a 39 percent recidivism rate within 1 year, and

WHEREAS, the Department of Juvenile Justice shows that 59 percent of the juveniles being rearrested offend within 120 days after being released, revealing a critical transition period currently not being addressed, and

WHEREAS, the State of Washington undertook a study that demonstrated that a significant level of future prison construction can be avoided, taxpayer dollars can be saved, and crime rates can be reduced by a portfolio of evidence-based youth service options, and

WHEREAS, it has been proven that at-risk youth benefit from a comprehensive approach through coordination of intensive prevention, diversion, and family services, and

WHEREAS, local management fosters all these approaches, ensures stronger relationships between providers and the family, and allows providers to assist in strengthening relationships between the child and the family, and

WHEREAS, instead of competing for funding, prevention, diversion, and juvenile justice services should cooperate with the goal of keeping youth out of juvenile detention, NOW, THEREFORE,

On motion by Senator Alexander, the Conference Committee Report on **SB 2114** was adopted. **SB 2114** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

The Conference Committee Amendment for SB 2122, relating to state government operations, provides for the following:

- Within the Department of Agriculture and Consumer Services (DACS), consolidates the Division of Dairy Industry within the Division of Food Safety.
- Transfers authority for the regulation and enforcement of the state Lemon Law and the price gouging program entirely to the Department of Legal Affairs.
- Renames the Division of Forestry within the DACS as the Florida Forest Service.
- Reduces the membership of the Citrus Commission from twelve members to nine, reduces the number of citrus districts from four to three, and reassigns counties to those three districts.
- Provides that the Executive Director of the Department of Citrus be appointed by a majority vote of the commission and serve a four-year term, except for the initial term, which expires on June 30, 2011, and shall be subject to confirmation by the Senate in the legislative session following appointment.
- Imposes limits on the tax per box of grapefruit, oranges, and tangerines. The tax on grapefruit, tangerines, and fresh oranges is capped at the rate in effect on May 1, 2011, and the tax rate on oranges in processed form cannot exceed 25 cents per box.
- Requires employees of the Department of Citrus to work a five-day, 40-hour work week, except when on approved leave.

Conference Committee Amendment (608254)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (2) of section 20.14, Florida Statutes, is amended to read:

20.14 Department of Agriculture and Consumer Services.—There is created a Department of Agriculture and Consumer Services.

(2) The following divisions of the Department of Agriculture and Consumer Services are established:

(a) Administration.

(b) Agricultural Environmental Services.

(c) Animal Industry.

(d) Aquaculture.

(e) Consumer Services.

~~(f) Dairy Industry.~~

(f)~~(g)~~ Food Safety.

(g)~~(h)~~ *Florida Forest Service* ~~Forestry~~.

(h)~~(i)~~ Fruit and Vegetables.

(i)~~(j)~~ Licensing.

(j)~~(k)~~ Marketing and Development.

(k)~~(l)~~ Plant Industry.

(l)~~(m)~~ Standards.

Section 2. Section 320.90, Florida Statutes, is amended to read:

320.90 Notification of consumer's rights.—The department shall develop a motor vehicle consumer's rights pamphlet which shall be distributed free of charge by the Department of *Legal Affairs* ~~Agriculture and Consumer Services~~ to the motor vehicle owner upon request. Such pamphlet must contain information relating to odometer fraud and provide a summary of the rights and remedies available to all purchasers of motor vehicles.

Section 3. Subsection (8) of section 501.160, Florida Statutes, is amended to read:

501.160 Rental or sale of essential commodities during a declared state of emergency; prohibition against unconscionable prices.—

(8) Any violation of this section may be enforced by ~~the Department of Agriculture and Consumer Services,~~ the office of the state attorney~~,~~ or the Department of Legal Affairs.

Section 4. For the purpose of incorporating the amendment made by this act to section 570.29, Florida Statutes, in a reference thereto, section 570.18, Florida Statutes, is reenacted to read:

570.18 Organization of departmental work.—In the assignment of functions to the 12 divisions of the department created in s. 570.29, the department shall retain within the Division of Administration, in addition to executive functions, those powers and duties enumerated in s. 570.30. The department shall organize the work of the other 11 divisions in such a way as to secure maximum efficiency in the conduct of the department. The divisions created in s. 570.29 are solely to make possible the definite placing of responsibility. The department shall be conducted as a unit in which every employee, including each division director, is assigned a definite workload, and there shall exist between division directors a spirit of cooperative effort to accomplish the work of the department.

Section 5. Subsection (2) of section 570.20, Florida Statutes, is amended to read:

570.20 General Inspection Trust Fund.—

(2) ~~For the 2010-2011 fiscal year only and~~ Notwithstanding any other provision of law to the contrary, ~~in addition to the spending authorized in subsection (1),~~ moneys in the General Inspection Trust Fund may be appropriated for programs operated by the department which are related to the programs authorized by this chapter *in addition to the spending authorized in subsection (1)*. ~~This subsection expires July 1, 2011.~~

Section 6. Section 570.29, Florida Statutes, is amended to read:

570.29 Departmental divisions.—The department shall include the following divisions:

(1) Administration.

(2) Agricultural Environmental Services.

(3) Animal Industry.

(4) Aquaculture.

(5) Consumer Services.

~~(6) Dairy Industry.~~

(6)~~(7)~~ Food Safety.

(7)~~(8)~~ *Florida Forest Service* ~~Forestry~~.

(8)~~(9)~~ Fruit and Vegetables.

(9) Licensing.

(10) Marketing and Development.

(11) Plant Industry.

(12) Standards.

Section 7. *Sections 570.40 and 570.41, Florida Statutes, are repealed.*

Section 8. Subsections (6) and (7) are added to section 570.50, Florida Statutes, to read:

570.50 Division of Food Safety; powers and duties.—The duties of the Division of Food Safety include, but are not limited to:

(6) Inspecting dairy farms of the state and enforcing those provisions of chapter 502 as are authorized by the department relating to the supervision of milking operations and the rules adopted pursuant to such law.

(7) Inspecting milk plants, milk product plants, and plants engaged in the manufacture and distribution of frozen desserts and frozen dessert mixes; analyzing and testing samples of milk, milk products, frozen desserts, and frozen dessert mixes which are collected by the division; and enforcing those provisions of chapter 502 or chapter 503 as are authorized by the department.

Section 9. Section 570.548, Florida Statutes, is amended to read:

570.548 *Florida Forest Service* ~~Division of Forestry~~; powers and duties.—The duties of the *Florida Forest Service* ~~Division of Forestry~~ include, but are not limited to, administering and enforcing those powers and responsibilities of the *Florida Forest Service* ~~division~~ prescribed in chapters 589, 590, and 591 and the rules adopted pursuant thereto and in other forest fire, forest protection, and forest management laws of this state.

Section 10. Section 570.549, Florida Statutes, is amended to read:

570.549 Director; duties.—

(1) The director of the *Florida Forest Service* ~~Division of Forestry~~ shall be appointed by the commissioner and shall serve at the commissioner's pleasure.

(2) It shall be the duty of the director of *the Florida Forest Service* ~~this division~~ to direct and supervise the overall operation of the *Florida Forest Service* ~~division~~ and to exercise such other powers and duties as authorized by the department.

Section 11. Subsection (1) of section 570.903, Florida Statutes, is amended to read:

570.903 Direct-support organization.—

(1) When the Legislature authorizes the establishment of a direct-support organization to provide assistance for the museums, the Florida Agriculture in the Classroom Program, the Florida State Collection of Arthropods, the Friends of the Florida State Forests Program of the *Florida Forest Service* ~~Division of Forestry~~, and the Forestry Arson Alert Program, and other programs of the department, the following provisions shall govern the creation, use, powers, and duties of the direct-support organization.

(a) The department shall enter into a memorandum or letter of agreement with the direct-support organization, which shall specify the approval of the department, the powers and duties of the direct-support organization, and rules with which the direct-support organization shall comply.

(b) The department may permit, without charge, appropriate use of property, facilities, and personnel of the department by a direct-support organization, subject to the provisions of ss. 570.902 and 570.903. The use shall be directly in keeping with the approved purposes of the direct-support organization and shall not be made at times or places that would unreasonably interfere with opportunities for the general public to use department facilities for established purposes.

(c) The department shall prescribe by contract or by rule conditions with which a direct-support organization shall comply in order to use property, facilities, or personnel of the department or museum. Such rules shall provide for budget and audit review and oversight by the department.

(d) The department shall not permit the use of property, facilities, or personnel of the museum, department, or designated program by a direct-support organization which does not provide equal employment opportunities to all persons regardless of race, color, religion, sex, age, or national origin.

Section 12. *The Division of Statutory Revision is requested to prepare a reviser's bill for introduction at a subsequent session of the Legislature which replaces all statutory references to the Division of Forestry with the term "Florida Forest Service."*

Section 13. Subsection (1), paragraph (a) of subsection (2), and subsection (4) of section 601.04, Florida Statutes, are amended to read:

601.04 Florida Citrus Commission; creation and membership.—

(1)(a) There is ~~hereby~~ created and established within the Department of Citrus a board to be known and designated as the "Florida Citrus Commission" to be composed of *nine* ~~12~~ practical citrus fruit persons who are resident citizens of the state, each of whom is and has been actively engaged in growing, growing and shipping, or growing and processing of citrus fruit in the state for a period of at least 5 years immediately prior to appointment to the said commission and has, during said period, derived a major portion of her or his income there-

from or, during said time, has been the owner of, member of, officer of, or paid employee of a corporation, firm, or partnership which has, during said time, derived the major portion of its income from the growing, growing and shipping, or growing and processing of citrus fruit.

(b) *Six* ~~Seven~~ members of the commission shall be designated as grower members and shall be primarily engaged in the growing of citrus fruit as an individual owner; as the owner of, or as stockholder of, a corporation; or as a member of a firm or partnership primarily engaged in citrus growing. None of such members shall receive any compensation from any licensed citrus fruit dealer or handler, as defined in s. 601.03, other than gift fruit shippers, but any of the grower members shall not be disqualified as a member if, individually, or as the owner of, a member of, an officer of, or a stockholder of a corporation, firm, or partnership primarily engaged in citrus growing which processes, packs, and markets its own fruit and whose business is primarily not purchasing and handling fruit grown by others. *Three* ~~Five~~ members of the commission shall be designated as grower-handler members and shall be engaged as owners, or as paid officers or employees, of a corporation, firm, partnership, or other business unit engaged in handling citrus fruit. *One* ~~Two~~ of such *three* ~~five~~ grower-handler members shall be primarily engaged in the fresh fruit business and *two* ~~three~~ of such *three* ~~five~~ grower-handler members shall be primarily engaged in the processing of citrus fruits.

(c) There shall be three members of the commission from each of the *three* ~~four~~ citrus districts. Each member must reside in the district from which she or he was appointed. For the purposes of this section, the residence of a member shall be the actual physical and permanent residence of the member.

(2)(a) The members of such commission shall possess the qualifications herein provided and shall be appointed by the Governor for terms of 3 years each. Appointments shall be made by February 1 preceding the commencement of the term and shall be subject to confirmation by the Senate in the following legislative session. Four members shall be appointed each year. Such members shall serve until their respective successors are appointed and qualified. The regular terms shall begin on June 1 and shall end on May 31 of the third year after such appointment. *Effective July 1, 2011, the terms of all members of the commission appointed on or before May 1, 2011, are terminated and the Governor shall appoint the members of the commission in accordance with the provisions of this act.*

(4) It is the intent of the Legislature that the commission be redistricted every 5 years. Redistricting shall be based on the total boxes produced from each of the *three* ~~four~~ districts during that 5-year period.

Section 14. Section 601.09, Florida Statutes, is amended to read:

601.09 Citrus districts.—For purposes of this chapter, the state is divided into *three* ~~four~~ districts composed of ~~the following counties~~:

(1) Citrus District One: Levy, Alachua, *Brevard,* Putnam, St. Johns, *St. Lucie,* Flagler, *Indian River,* Marion, ~~Citrus, Sumter, Lake,~~ Seminole, Orange, *Okeechobee,* ~~Hernando, Pasco, Pinellas, Hillsborough,~~ Polk, *Volusia,* and Osceola Counties.

(2) Citrus District Two: ~~Manatee,~~ Hardee, DeSoto, *Highlands,* ~~Sarasota, Charlotte, Lee, Collier,~~ and *Glades* ~~Monroe~~ Counties.

(3) Citrus District Three: *Charlotte, Citrus, Collier, Hernando, Hendry, Hillsborough, Lake, Lee, Manatee, Monroe,* ~~Volusia, Brevard, Indian River, St. Lucie,~~ Martin, *Pasco,* Palm Beach, *Pinellas, Sarasota, Sumter,* Broward, and Miami-Dade Counties.

~~(4) Citrus District Four: Highlands, Okeechobee, Glades, and Hendry Counties.~~

Section 15. Subsection (3) of section 601.10, Florida Statutes, is amended to read:

601.10 Powers of the Department of Citrus.—The Department of Citrus shall have and shall exercise such general and specific powers as are delegated to it by this chapter and other statutes of the state, which powers shall include, but shall not be confined to, the following:

(3) To employ and, at its pleasure, discharge an executive director~~, a secretary, and such attorneys, clerks, and employees~~ as it deems necessary and to outline *his or her* ~~their~~ powers and duties and fix *his or her* ~~their~~ compensation.

(a) The executive director of the department shall be appointed by a majority vote of the commission for a term of 4 years, except for the initial term, and the executive director shall be subject to confirmation by the Senate in the legislative session following appointment.

1. The initial term of the executive director ends June 30, 2011, and each subsequent 4-year term begins July 1, and shall be filled in the same manner as the original appointment.

2. A vacancy for the executive director shall be filled for the unexpired portion of the term in the same manner as the original appointment.

(b) The Department of Citrus may pay, or participate in the payment of, premiums for health, accident, and life insurance for its full-time employees, pursuant to such rules or regulations as it may adopt; and such payments shall be in addition to the regular salaries of such full-time employees. The payment of such or similar benefits to its employees in foreign countries, including, but not limited to, social security, retirement, and other similar fringe benefit costs, may be in accordance with laws in effect in the country of employment, except that no benefits will be payable to employees not authorized for other state employees, as provided in the Career Service System.

(c) Employees of the department shall work a 5-day, 40-hour week. Unless an employee is on approved leave, an employee's salary shall be decreased by 20 percent for each day not worked during the 5-day work week if the employee chooses to regularly work less than a 5-day work week.

Section 16. Paragraph (a) of subsection (3) of section 601.15, Florida Statutes, is amended to read:

601.15 Advertising campaign; methods of conducting; excise tax; emergency reserve fund; citrus research.—

(3)(a) There is hereby levied and imposed upon each standard-packed box of citrus fruit grown and placed into the primary channel of trade in this state an excise tax at maximum annual rates for each citrus season as determined from the tables in this paragraph and based upon the previous season's actual statewide production as reported in the United States Department of Agriculture Citrus Crop Production Forecast as of June 1. The rates may be set at any lower rate in any year pursuant to paragraph (e).

1. The following maximum tax rates, expressed in cents per box, shall apply to grapefruit which enters the primary channel of trade for use in fresh form:

Previous season crop size (millions of boxes)	1995-1996	1996-1997	1997-1998	1998-1999	1999-2000 and thereafter

However, effective July 1, 2011, the tax rate per box on oranges that enter the primary channel of trade for use in processed form may not exceed 25 cents per box.

5. The actual tax rate levied each year upon oranges which enter the primary channel of trade for use in processed form, pursuant to this paragraph, paragraph (e), and subsection (4), shall also apply in that year to tangerines and citrus hybrids regulated by the Department of Citrus which enter the primary channel of trade for use in processed form.

6. The following maximum tax rates, expressed in cents per box, shall apply to tangerines and citrus hybrids regulated by the Department of Citrus which enter the primary channel of trade for use in fresh form:

Previous season crop size (millions of boxes)	1995-1996	1996-1997	1997-1998	1998-1999	1999-2000 and thereafter
13 and greater	24	24	25	26	27
12 - 12.99	26	26	27	28	29
11 - 11.99	28	29	30	30	31
10 - 10.99	31	31	32	33	34
9 - 9.99	34	35	36	37	38
8 - 8.99	38	39	40	41	42
7 - 7.99	43	44	45	47	48
Less than 7	49	51	52	54	56

However, effective July 1, 2011, the tax rate per box on tangerines and citrus hybrids regulated by the Department of Citrus which enter the primary channel of trade for use in fresh form may not exceed the tax rate per box in effect on May 1, 2011.

Section 17. *Subsection (7) of section 681.102, Florida Statutes, is repealed.*

Section 18. Subsections (2) and (3) of section 681.103, Florida Statutes, are amended to read:

681.103 Duty of manufacturer to conform a motor vehicle to the warranty.—

(2) Each manufacturer shall provide to its consumers conspicuous notice of the address and phone number for its zone, district, or regional office for this state in the written warranty or owner's manual. By January 1 of each year, each manufacturer shall forward to the department ~~of Legal Affairs~~ a copy of the owner's manual and any written warranty for each make and model of motor vehicle that it sells in this state.

(3) At the time of acquisition, the manufacturer shall inform the consumer clearly and conspicuously in writing how and where to file a claim with a certified procedure if such procedure has been established by the manufacturer pursuant to s. 681.108. The nameplate manufacturer of a recreational vehicle shall, at the time of vehicle acquisition, inform the consumer clearly and conspicuously in writing how and where to file a claim with a program pursuant to s. 681.1096. The manufacturer shall provide to the dealer and, at the time of acquisition, the dealer shall provide to the consumer a written statement that explains the consumer's rights under this chapter. The written statement shall be prepared by the department ~~of Legal Affairs~~ and shall contain a toll-free number for the *department which* ~~division that~~ the consumer can contact to obtain information regarding the consumer's rights and obligations under this chapter or to commence arbitration. If the manufacturer obtains a signed receipt for timely delivery of sufficient quantities of this written statement to meet the dealer's vehicle sales requirements, it shall constitute prima facie evidence of compliance with this subsection by the manufacturer. The consumer's signed acknowledgment of receipt of materials required under this subsection shall constitute prima facie evidence of compliance by the manufacturer and dealer. The form of the acknowledgments shall be approved by the department ~~of Legal Affairs~~, and the dealer shall maintain the consumer's signed acknowledgment for 3 years.

Section 19. Subsections (1), (2), (3), (4), (5), and (8) of section 681.108, Florida Statutes, are amended to read:

681.108 Dispute-settlement procedures.—

(1) If a manufacturer has established a procedure, which the *department* ~~division~~ has certified as substantially complying with the provisions of 16 C.F.R. part 703, in effect October 1, 1983, and with the provisions of this chapter and the rules adopted under this chapter, and has informed the consumer how and where to file a claim with such procedure pursuant to s. 681.103(3), the provisions of s. 681.104(2) apply to the consumer only if the consumer has first resorted to such procedure. The decisionmakers for a certified procedure shall, in rendering decisions, take into account all legal and equitable factors germane to a fair and just decision, including, but not limited to, the warranty; the rights and remedies conferred under 16 C.F.R. part 703, in effect October 1, 1983; the provisions of this chapter; and any other equitable considerations appropriate under the circumstances. Decisionmakers and staff of a procedure shall be trained in the provisions of this chapter and in 16 C.F.R. part 703, in effect October 1, 1983. In an action brought by a consumer concerning an alleged nonconformity, the decision that results from a certified procedure is admissible in evidence.

(2) A manufacturer may apply to the *department* ~~division~~ for certification of its procedure. After receipt and evaluation of the application, the *department* ~~division~~ shall certify the procedure or notify the manufacturer of any deficiencies in the application or the procedure.

(3) A certified procedure or a procedure of an applicant seeking certification shall submit to the *department* ~~division~~ a copy of each settlement approved by the procedure or decision made by a decisionmaker within 30 days after the settlement is reached or the decision is rendered. The decision or settlement must contain at a minimum the:

(a) Name and address of the consumer;

(b) Name of the manufacturer and address of the dealership from which the motor vehicle was purchased;

(c) Date the claim was received and the location of the procedure office that handled the claim;

(d) Relief requested by the consumer;

(e) Name of each decisionmaker rendering the decision or person approving the settlement;

(f) Statement of the terms of the settlement or decision;

(g) Date of the settlement or decision; and

(h) Statement of whether the decision was accepted or rejected by the consumer.

(4) Any manufacturer establishing or applying to establish a certified procedure must file with the *department* ~~division~~ a copy of the annual audit required under the provisions of 16 C.F.R. part 703, in effect October 1, 1983, together with any additional information required for purposes of certification, including the number of refunds and replacements made in this state pursuant to the provisions of this chapter by the manufacturer during the period audited.

(5) The *department* ~~division~~ shall review each certified procedure at least annually, prepare an annual report evaluating the operation of certified procedures established by motor vehicle manufacturers and procedures of applicants seeking certification, and, for a period not to exceed 1 year, shall grant certification to, or renew certification for, those manufacturers whose procedures substantially comply with the provisions of 16 C.F.R. part 703, in effect October 1, 1983, and with the provisions of this chapter and rules adopted under this chapter. If certification is revoked or denied, the *department* ~~division~~ shall state the reasons for such action. The reports and records of actions taken with respect to certification shall be public records.

(8) The *department* ~~division~~ shall adopt rules to implement this section.

Section 20. Subsections (1), (2), (3), (5), (6), and (7) of section 681.109, Florida Statutes, are amended to read:

681.109 Florida New Motor Vehicle Arbitration Board; dispute eligibility.—

(1) If a manufacturer has a certified procedure, a consumer claim arising during the Lemon Law rights period must be filed with the certified procedure no later than 60 days after the expiration of the Lemon Law rights period. If a decision is not rendered by the certified procedure within 40 days *after* ~~of~~ filing, the consumer may apply to the *department* ~~division~~ to have the dispute removed to the board for arbitration.

(2) If a manufacturer has a certified procedure, a consumer claim arising during the Lemon Law rights period must be filed with the certified procedure no later than 60 days after the expiration of the Lemon Law rights period. If a consumer is not satisfied with the decision or the manufacturer's compliance therewith, the consumer may apply to the *department* ~~division~~ to have the dispute submitted to the board for arbitration. A manufacturer may not seek review of a decision made under its procedure.

(3) If a manufacturer has no certified procedure or if a certified procedure does not have jurisdiction to resolve the dispute, a consumer may apply directly to the *department* ~~division~~ to have the dispute submitted to the board for arbitration.

(5) The *department* ~~division~~ shall screen all requests for arbitration before the board to determine eligibility. The consumer's request for arbitration before the board shall be made on a form prescribed by the department. The *department* ~~division~~ shall forward to the board all disputes that the *department* ~~division~~ determines are potentially entitled to relief under this chapter.

(6) The *department* ~~division~~ may reject a dispute that it determines to be fraudulent or outside the scope of the board's authority. Any dispute deemed by the *department* ~~division~~ to be ineligible for arbitration by the board due to insufficient evidence may be reconsidered upon the submission of new information regarding the dispute. Following a second review, the *department* ~~division~~ may reject a dispute if the evidence is clearly insufficient to qualify for relief. *If a* ~~Any~~ dispute *is* rejected by the *department, the department shall send* ~~division shall be forwarded to the department and a copy shall be sent~~ by registered mail to the consumer and the manufacturer~~, containing~~ a brief explanation as to the reason for rejection.

(7) If the *department* ~~division~~ rejects a dispute, the consumer may file a lawsuit to enforce the remedies provided under this chapter. In any

civil action arising under this chapter and relating to a matter considered by the *department* ~~division~~, any determination made to reject a dispute is admissible in evidence.

Section 21. Subsections (1) through (6) and subsection (11) of section 681.1095, Florida Statutes, are amended to read:

681.1095 Florida New Motor Vehicle Arbitration Board; creation and function.—

(1) There is established within the department ~~of Legal Affairs~~, the Florida New Motor Vehicle Arbitration Board, consisting of members appointed by the Attorney General for an initial term of 1 year. Board members may be reappointed for additional terms of 2 years. Each board member is accountable to the Attorney General for the performance of the member's duties and is exempt from civil liability for any act or omission *that* ~~which~~ occurs while acting in the member's official capacity. The department ~~of Legal Affairs~~ shall defend a member in any action against the member or the board which arises from any such act or omission. The Attorney General may establish as many regions of the board as necessary to carry out the provisions of this chapter.

(2) The boards shall hear cases in various locations throughout the state so any consumer whose dispute is approved for arbitration by the *department* ~~division~~ may attend an arbitration hearing at a reasonably convenient location and present a dispute orally. Hearings shall be conducted by panels of three board members assigned by the department. A majority vote of the three-member board panel shall be required to render a decision. Arbitration proceedings under this section shall be open to the public on reasonable and nondiscriminatory terms.

(3) Each region of the board shall consist of up to eight members. The members of the board shall construe and apply the provisions of this chapter, and rules adopted thereunder, in making their decisions. An administrator and a secretary shall be assigned to each board by the department ~~of Legal Affairs~~. At least one member of each board must be a person with expertise in motor vehicle mechanics. A member must not be employed by a manufacturer or a franchised motor vehicle dealer or be a staff member, a decisionmaker, or a consultant for a procedure. Board members shall be trained in the application of this chapter and any rules adopted under this chapter, shall be reimbursed for travel expenses pursuant to s. 112.061, and shall be compensated at a rate or wage prescribed by the Attorney General.

(4) Before filing a civil action on a matter subject to s. 681.104, the consumer must first submit the dispute to the *department* ~~division~~, and to the board if such dispute is deemed eligible for arbitration.

(5) Manufacturers shall submit to arbitration conducted by the board if such arbitration is requested by a consumer and the dispute is deemed eligible for arbitration by the *department* ~~division~~ pursuant to s. 681.109.

(6) The board shall hear the dispute within 40 days and render a decision within 60 days after the date the request for arbitration is approved. The board may continue the hearing on its own motion or upon the request of a party for good cause shown. A request for continuance by the consumer constitutes waiver of the time periods set forth in this subsection. The department ~~of Legal Affairs~~, at the board's request, may investigate disputes, and may issue subpoenas for the attendance of witnesses and for the production of records, documents, and other evidence before the board. The failure of the board to hear a dispute or render a decision within the prescribed periods does not invalidate the decision.

(11) All provisions in this section and s. 681.109 pertaining to compulsory arbitration before the board, the dispute eligibility screening by the *department* ~~division~~, the proceedings and decisions of the board, and any appeals thereof, are exempt from the provisions of chapter 120.

Section 22. Subsections (2) and (4) of section 681.1096, Florida Statutes, are amended to read:

681.1096 RV Mediation and Arbitration Program; creation and qualifications.—

(2) Each manufacturer of a recreational vehicle involved in a dispute that is determined eligible under this chapter, including chassis and component manufacturers which separately warrant the chassis and components and which otherwise meet the definition of manufacturer set forth in s. *681.102(13)* ~~681.102(14)~~, shall participate in a mediation and arbitration program that is deemed qualified by the department.

(4) The department shall monitor the program for compliance with this chapter. If the program is determined not qualified or if qualification is revoked, then disputes shall be subject to the provisions of ss. 681.109 and 681.1095. If the program is determined not qualified or if qualification is revoked as to a manufacturer, all those manufacturers potentially involved in the eligible consumer dispute shall be required to submit to arbitration conducted by the board if such arbitration is requested by a consumer and the dispute is deemed eligible for arbitration by the *department* ~~division~~ pursuant to s. 681.109. A consumer having a dispute involving one or more manufacturers for which the program has been determined not qualified, or for which qualification has been revoked, is not required to submit the dispute to the program irrespective of whether the program may be qualified as to some of the manufacturers potentially involved in the dispute.

Section 23. Section 681.110, Florida Statutes, is amended to read:

681.110 Compliance and disciplinary actions.—The department ~~of Legal Affairs~~ may enforce and ensure compliance with the provisions of this chapter and rules adopted thereunder, may issue subpoenas requiring the attendance of witnesses and production of evidence, and may seek relief in the circuit court to compel compliance with such subpoenas. The department ~~of Legal Affairs~~ may impose a civil penalty against a manufacturer not to exceed $1,000 for each count or separate offense. The proceeds from the fine imposed herein shall be placed in the Motor Vehicle Warranty Trust Fund in the *department* ~~Department of Legal Affairs~~ for implementation and enforcement of this chapter.

Section 24. Subsection (2) of section 681.112, Florida Statutes, is amended to read:

681.112 Consumer remedies.—

(2) An action brought under this chapter must be commenced within 1 year after the expiration of the Lemon Law rights period, or, if a consumer resorts to an informal dispute-settlement procedure or submits a dispute to the *department* ~~division~~ or board, within 1 year after the final action of the procedure, *department* ~~division~~, or board.

Section 25. Subsection (2) of section 681.114, Florida Statutes, is amended to read:

681.114 Resale of returned vehicles.—

(2) A person shall not knowingly lease, sell at wholesale or retail, or transfer a title to a motor vehicle returned by reason of a settlement, determination, or decision pursuant to this chapter or similar statute of another state unless the nature of the nonconformity is clearly and conspicuously disclosed to the prospective transferee, lessee, or buyer, and the manufacturer warrants to correct such nonconformity for a term of 1 year or 12,000 miles, whichever occurs first. The department ~~of Legal Affairs~~ shall prescribe by rule the form, content, and procedure pertaining to such disclosure statement.

Section 26. Subsection (1) of section 681.117, Florida Statutes, is amended to read:

681.117 Fee.—

(1) A $2 fee shall be collected by a motor vehicle dealer, or by a person engaged in the business of leasing motor vehicles, from the consumer at the consummation of the sale of a motor vehicle or at the time of entry into a lease agreement for a motor vehicle. Such fees shall be remitted to the county tax collector or private tag agency acting as agent for the Department of Revenue. If the purchaser or lessee removes the motor vehicle from the state for titling and registration outside this state, the fee shall be remitted to the Department of Revenue. All fees, less the cost of administration, shall be transferred monthly to the department ~~of Legal Affairs~~ for deposit into the Motor Vehicle Warranty Trust Fund. ~~The Department of Legal Affairs shall distribute monthly an amount not exceeding one-fourth of the fees received to the Division of Consumer Services of the Department of Agriculture and Consumer Services to carry out the provisions of ss. 681.108 and 681.109. The Department of Legal Affairs shall contract with the Division of Consumer Services for payment of services performed by the division pursuant to ss. 681.108 and 681.109.~~

Section 27. Section 681.118, Florida Statutes, is amended to read:

681.118 Rulemaking authority.—The department ~~of Legal Affairs~~ shall adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this chapter.

Section 28. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to state government operations; amending s. 20.14, F.S.; removing the Division of Dairy Industry within the department; changing the name of the Division of Forestry to the Florida Forest Service; amending s. 320.90, F.S.; requiring the Department of Legal Affairs, rather than the Department of Agriculture and Consumer Services, to distribute free of charge a motor vehicle consumer's rights pamphlet; amending s. 501.160, F.S.; providing for the state attorneys and the Department of Legal Affairs, rather than the Department of Agriculture and Consumer Services, to enforce the law prohibiting price gouging; reenacting s. 570.18, F.S., relating to the organization of the Department of Agriculture and Consumer Services, to incorporate the amendment made to s. 570.29, F.S., in a reference thereto; amending s. 570.20, F.S.; removing the time limitations on provisions authorizing moneys in the General Inspection Trust Fund to be used for programs operated by the Department of Agriculture and Consumer Services; amending s. 570.29, F.S.; removing the Division of Dairy Industry within the department, to conform to changes made by the act; changing the name of the Division of Forestry to the Florida Forest Service; adding the Division of Licensing as a division within the department; repealing ss. 570.40 and 570.41, F.S., relating to the powers and duties of the Division of Dairy Industry; amending s. 570.50, F.S.; adding the inspection of dairy farms, milk plants, and milk product plants and other specified functions to the duties of the Division of Food Safety within the department; amending ss. 570.548, 570.549, and 570.903, F.S.; conforming references to changes made by the act; requesting the Division of Statutory Revision to prepare a reviser's bill making conforming statutory changes; amending s. 601.04, F.S.; revising the number of members on the Florida Citrus Commission; providing for the termination of the terms of members appointed before a specified date and for appointment of members by the Governor; amending s. 601.09, F.S.; revising the composition of the citrus districts; amending s. 601.10, F.S.; providing for the appointment of an executive director of the Department of Citrus and for confirmation by the Senate; providing a term of office; specifying the work week for employees of the Department of Citrus; providing for a reduction in salary for an employee who chooses to work less than the required weekly period; amending s. 601.15, F.S., relating to an excise tax levied and imposed upon each standard-packed box of citrus fruit grown and placed into the primary channel of trade; providing for certain tax rates to be levied; repealing s. 681.102(7), F.S., relating to the definition of the term "division"; amending ss. 681.103, 681.108, 681.109, 681.1095, 681.1096, 681.110, 681.112, 681.114, 681.117, and 681.118, F.S.; providing for the Department of Legal Affairs, rather than the Division of Consumer Services of the Department of Agriculture and Consumer Services, to enforce the state Lemon Law; consolidating enforcement duties under the Motor Vehicle Warranty Enforcement Act within the Department of Legal Affairs; conforming provisions to changes made by the act; providing an effective date.

The Conference Committee Amendment for SB 2128, relating to the Public Employees Relations Commission, provides for the following:

- Requires the Public Employees' Relations Commission to be comprised of a chair and two part-time commissioners.

- The part-time members are prohibited from engaging in any other business, vocation, or employment that conflicts with their duties while serving as a commissioner.

- The provisions in this amendment provide an annual cost savings of $125,652.

Conference Committee Amendment (129766)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (1) of section 447.205, Florida Statutes, is amended to read:

447.205 Public Employees Relations Commission.—

(1) The Public Employees Relations Commission, hereinafter referred to as the "commission," shall be composed of a chair and two *part-time* ~~full-time~~ members to be appointed by the Governor, subject to confirmation by the Senate, from persons representative of the public and known for their objective and independent judgment, who shall not be employed by, or hold any commission with, any governmental unit in the state or any employee organization, as defined in this part, while in such office. In no event shall more than one appointee be a person who, on account of previous vocation, employment, or affiliation, is, or has been, classified as a representative of employers; and in no event shall more than one such appointee be a person who, on account of previous vocation, employment, or affiliation, is, or has been, classified as a representative of employees or employee organizations. The *chair of the commission* ~~commissioners~~ shall devote full time to commission duties and shall not engage in any other business, vocation, or employment while in such office. *The part-time members shall not engage in any business, vocation, or employment that conflicts with their duties while in such office.* Beginning January 1, 1980, the chair shall be appointed for a term of 4 years, one commissioner for a term of 1 year, and one commissioner for a term of 2 years. Thereafter, every term of office shall be for 4 years; and each term of the office of chair shall commence on January 1 of the second year following each regularly scheduled general election at which a Governor is elected to a full term of office. In the event of a vacancy prior to the expiration of a term of office, an appointment shall be made for the unexpired term of that office. The chair shall be responsible for the administrative functions of the commission and shall have the authority to employ such personnel as may be necessary to carry out the provisions of this part. Once appointed to the office of chair, the chair shall serve as chair for the duration of the term of office of chair. Nothing contained herein prohibits a chair or commissioner from serving multiple terms.

Section 2. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Public Employees Relations Commission; amending s. 447.205, F.S.; requiring the commission to be comprised of a chair and two part-time members; requiring the chair of the commission to devote full time to commission duties and not engage in any other business, vocation, or employment while in such office; prohibiting the part-time members from engaging in any business, vocation, or employment that conflicts with their duties while in such office; providing an effective date.

The Conference Committee Amendment for SB A bill to be entitled An act, relating to pollution control, provides for the following:

- Revises requirements for the deposit of funds used in providing financial assistance for water pollution control.

- Requires that such funds be deposited into the Federal Grants Trust Fund within the Department of Environmental Protection (department) rather than the Grants and Donations Trust Fund within the department.

- Authorizes the use of existing service fees authorized by the Federal Water Pollution Control Act for water quality activities performed by the department in administering the Water Pollution Control Financial Assistance Program.

Conference Committee Amendment (671186)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (b) of subsection (9) of section 403.1835, Florida Statutes, is amended to read:

403.1835 Water pollution control financial assistance.—

(9) Funds for the loans and grants authorized under this section must be managed as follows:

(b) Revenues from the loan grant allocations authorized under subsection (4), federal appropriations *used for the purpose of administering this section*, ~~state matching funds for grants authorized by federal statute or other federal action,~~ and service fees, and all earnings thereon, shall be deposited into the department's *Federal* Grants ~~and Donations~~ Trust Fund. Service fees and all earnings thereon must be used solely for program administration *and other water quality activities specifically authorized pursuant to the Federal Water Pollution Control Act (Clean Water Act), Pub. L. No. 92-500, as amended, and set forth in 40 C.F.R. part 35, Guidance on Fees Charged by States to Recipients of Clean Water State Revolving Fund Program Assistance*. The loan grant allocation revenues and earnings thereon must be used solely for the purpose of making grants to financially disadvantaged small communities. Federal appropriations and state matching funds for grants authorized by federal statute or other federal action, and earnings thereon, must be used solely for the purposes authorized. All deposits into the department's *Federal* Grants ~~and Donations~~ Trust Fund under this section, and earnings thereon, must be accounted for separately from all other moneys deposited into the fund.

Section 2. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to pollution control; amending s. 403.1835, F.S.; revising requirements for the deposit of funds used in providing financial assistance for water pollution control; requiring that such funds be deposited into the department's Federal Grants Trust Fund rather than the department's Grants and Donations Trust Fund; specifying additional uses of moneys deposited into the Federal Grants Trust Fund; providing an effective date.

Managers on the part of the House

The Conference Committee Amendment for SB 2132, relating to the Department of Financial Services, provides for the following:

- Requires that the Department of Financial Services (department) and all state agencies with more than 3,000 full-time employees that are provided insurance coverage from the Division of Risk Management, within the department, establish and maintain return-to-work programs for injured state workers. This provision is anticipated to result in an estimated annual cost savings of $1 million to the Division of Risk Management's self-insurance program.

- Requires the Division of Risk Management to utilize agency loss prevention results in addition to claims history as criteria for calculating state agency risk management premiums.

- Requires the Division of Risk Management to evaluate each agency's risk management programs at least once every five years and to produce reports recommending improvements. In addition, the amendment outlines a process for each agency's response to the division's evaluation and recommendations.

- Eliminates the Chief Financial Officer's authority to operate a check cashing service at the state capitol, which will eliminate three full-time positions and provide a savings of $129,022.

- Requires that unencumbered and undisbursed funds that are transferred from the Workers' Compensation Administration Trust Fund within the department revert back to the fund each year.

- Revises the responsibilities of the Division of Consumer Services within the department to reflect organizational changes related to the Office of Insurance Regulation and the Office of Financial Regulation.

- Authorizes the department to accept donations, grants of property or moneys from any governmental unit, public agency, institution, person, firm, or corporation for its anti-fraud efforts in the Division of Insurance Fraud within the department. The amendment authorizes the department to request annual appropriations from these funds.

- Provides for the vesting of certain rights in the Division of Insurance Fraud upon donation.

- Requires that all donations or grants of monies to the Division of Insurance Fraud be deposited immediately into the Insurance Regulatory Trust Fund within the department, to be separately accounted for. The amendment authorizes the use of these funds by the Division of Insurance Fraud to carry out its duties and responsibilities or for the sub-granting of funds to the state attorneys for funding or defraying the cost of dedicated fraud prosecutors.

Conference Committee Amendment (102844)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *Section 17.53, Florida Statutes, is repealed.*

Section 2. *Section 17.556, Florida Statutes, is repealed.*

Section 3. Paragraph (h) of subsection (2) of section 20.121, Florida Statutes, is amended to read:

20.121 Department of Financial Services.—There is created a Department of Financial Services.

(2) DIVISIONS.—The Department of Financial Services shall consist of the following divisions:

(h) The Division of Consumer Services.

1. The Division of Consumer Services shall perform the following functions concerning products or services regulated by the department ~~of Financial Services~~ or by ~~either office of~~ the *Office of Insurance Regulation* ~~Financial Services Commission~~:

a. Receive inquiries and complaints from consumers.

b. Prepare and disseminate such information as the department deems appropriate to inform or assist consumers.

c. Provide direct assistance and advocacy for consumers who request such assistance or advocacy.

d. With respect to apparent or potential violations of law or applicable rules by a person or entity licensed by the department or ~~by either~~ office ~~of the commission~~, report ~~such~~ apparent or potential *violations* ~~violation~~ to the *office or the* appropriate division of the department ~~or office of the commission~~, which may take such further action as it deems appropriate.

e. Designate an employee of the division as primary contact for consumers on issues relating to sinkholes.

2. Any person licensed or issued a certificate of authority by the department or by the Office of Insurance Regulation shall respond, in writing, to the Division of Consumer Services within 20 days after receipt of a written request for information from the division concerning a consumer complaint. The response must address the issues and allegations raised in *the* ~~this~~ complaint. The division may~~, in its discretion,~~ impose an administrative penalty for failure to comply with this subparagraph *of* ~~in an amount~~ up to $2,500 per violation upon any entity licensed by the department or the office ~~of Insurance Regulation~~ and $250 for the first violation, $500 for the second violation, and up to $1,000 per violation thereafter upon any individual licensed by the department or the office ~~of Insurance Regulation~~.

3. The department may adopt rules to *administer* ~~implement the provisions of~~ this paragraph.

4. The powers, duties, and responsibilities expressed or granted in this paragraph *do* ~~shall~~ not limit the powers, duties, and responsibilities of the Department of Financial Services, the Financial Services Commission, the Office of Insurance Regulation, or the Office of Financial Regulation set forth elsewhere in the Florida Statutes.

Section 4. Subsection (5) of section 284.01, Florida Statutes, is amended to read:

284.01 State Risk Management Trust Fund; coverages to be provided.—

(5) Premiums charged to agencies for coverage shall be *adopted* ~~promulgated~~ on a retrospective rating arrangement based upon actual losses accruing to the fund *and loss prevention results*, taking into account reasonable expectations, maintenance, and stability of the fund and cost of reinsurance.

Section 5. Section 284.36, Florida Statutes, is amended to read:

284.36 Appropriation deposits; premium payment.—Premiums for coverage by the State Risk Management Trust Fund as calculated on all coverages shall be billed and charged to each state agency according to coverages obtained by the fund for their benefit, and such obligations shall be paid promptly by each agency from its operating budget upon presentation of a bill therefor. After the first year of operation, premiums to be charged to all departments of the state are to be computed on a retrospective rating arrangement based upon actual losses accruing to the fund *and loss prevention results*, taking into account reasonable expectations, the maintenance and stability of the fund, and the cost of insurance.

Section 6. Subsection (1) of section 284.42, Florida Statutes, is amended to read:

284.42 Reports on state insurance program.—

(1)*(a)* The Department of Financial Services, with the Department of Management Services, shall *conduct* ~~make~~ an analysis of the state insurance program *each year and submit the results on or before January 1 in a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives* ~~annually~~, which shall include:

1.~~(a)~~ Complete underwriting information as to the nature of the risks accepted for self-insurance and those risks that are transferred to the insurance market.

2.~~(b)~~ The funds allocated to the Florida Casualty Risk Management Trust Fund and premiums paid for insurance through the market.

3.~~(c)~~ The method of handling legal matters and the cost allocated.

4.~~(d)~~ The method and cost of handling inspection and engineering of risks.

5.~~(e)~~ The cost of risk management service purchased.

6.~~(f)~~ The cost of managing the State Insurance Program by the Department of Financial Services and the Department of Management Services.

(b) Beginning January 1, 2013, the Division of Risk Management shall include in its annual report an analysis of agency return-to-work efforts, including, but not limited to, agency return-to-work program performance metrics and a status report on participating return-to-work programs. The report shall specify benchmarks, including, but not limited to, the average lost-time claims per year, per agency; the total number of lost claims; and specific agency measurable outcomes indicating the change in performance from year to year.

Section 7. Subsections (3) and (4) are added to section 284.50, Florida Statutes, to read:

284.50 Loss prevention program; safety coordinators; Interagency Advisory Council on Loss Prevention; employee recognition program.—

(3) The Department of Financial Services and all agencies that are provided workers' compensation insurance coverage by the State Risk Management Trust Fund and employ more than 3,000 full-time employees shall establish and maintain return-to-work programs for employees who are receiving workers' compensation benefits. The programs shall have the primary goal of enabling injured workers to remain at work or return to work to perform job duties within the physical or mental functional limitations and restrictions established by the workers' treating physicians. If no limitation or restriction is established in writing by a worker's treating physician, the worker shall be deemed to be able to fully perform the same work duties he or she performed before the injury.

(4) The Division of Risk Management shall evaluate each agency's risk management programs, including, but not limited to, return-to-work, safety, and loss prevention programs, at least once every 5 years. Reports, including, but not limited to, any recommended corrective action, resulting from such evaluations shall be provided to the head of the agency being evaluated, the Chief Financial Officer, and the director of the Division of Risk Management. The agency head must provide to the Division of Risk Management a response to all report recommendations within 45 days and a plan to implement any corrective action to be taken as part of the response. If the agency disagrees with any final report recommendations, including, but not limited to, any recommended corrective action, or if the agency fails to implement any recommended corrective action within a reasonable time, the division shall submit the evaluation report to the legislative appropriations committees.

Section 8. Subsection (5) is added to section 440.50, Florida Statutes, to read:

440.50 Workers' Compensation Administration Trust Fund.—

(5) Funds appropriated by an operating appropriation or a nonoperating transfer from the Workers' Compensation Administration Trust Fund to the Department of Education, the Agency for Health Care Administration, the Department of Business and Professional Regulation, the Department of Management Services, the First District Court of Appeal, and the Justice Administrative Commission remaining unencumbered as of June 30 or undisbursed as of September 30 each year shall revert to the Workers' Compensation Administration Trust Fund.

Section 9. Section 626.9894, Florida Statutes, is created to read:

626.9894 Gifts and grants.—

(1) The department may accept, for purposes of anti-fraud efforts, any donation or grant of property or moneys from any governmental unit, public agency, institution, person, firm, or corporation.

(2) All rights to, interest in, and title to such donated or granted property shall immediately vest in the Division of Insurance Fraud upon donation. The division may hold such property in coownership, sell its interest in the property, liquidate its interest in the property, or dispose of its interest in the property in any other reasonable manner.

(3) All donations or grants of moneys to the division shall be deposited into the Insurance Regulatory Trust Fund and shall be separately accounted for and may be used by the division to carry out its duties and responsibilities, or for the subgranting of such funds to state attorneys for the purpose of funding or defraying the costs of dedicated fraud prosecutors.

(4) Moneys deposited into the Insurance Regulatory Trust Fund pursuant to this section may be appropriated by the Legislature, pursuant to the provisons of chapter 216, for the purpose of enabling the division to carry out its duties and responsibilities, or for the purpose of funding or defraying the costs of dedicated fraud prosecutors.

(5) Notwithstanding the provisions of s. 216.301 and pursuant to s. 216.351, any balance of moneys deposited into the Insurance Regulatory Trust Fund pursuant to this section remaining at the end of any fiscal year shall be available for carrying out the duties and responsibilities of the division. The department may request annual appropriations from the grants and donations received pursuant to this section and cash balances in the Insurance Regulatory Trust Fund for the purpose of carrying out its duties and responsibilities related to the division's antifraud efforts, including the funding of dedicated prosecutors and related personnel.

Section 10. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Department of Financial Services; repealing ss. 17.53 and 17.556, F.S., relating to the Chief Financial Officer's authorization to operate a personal check-cashing service or a remote financial service unit at the capitol and to employ additional persons to assist in performing such services; abolishing appropriations from the General Revenue Fund to pay the salaries of the additional employees; amending s. 20.121, F.S.; revising the duties of the Division of Consumer Services; amending ss. 284.01 and 284.36, F.S.; revising the criteria for premiums charged to agencies and departments for purposes of the State Risk Management Trust Fund; amending s. 284.42, F.S.; revising requirements for reports concerning the state insurance program; requiring the Division of Risk Management to analyze and report

on certain agency return-to-work programs and activities; amending s. 284.50, F.S.; requiring certain agencies to establish and maintain return-to-work programs for certain employees; providing program goals; requiring the Division of Risk Management to evaluate agency risk management programs; requiring reports; requiring agencies to respond to the division's evaluation and recommendations; requiring the division to submit certain evaluation reports to the legislative appropriations committees; amending s. 440.50, F.S.; providing for reversion of certain unencumbered and undisbursed funds to the Workers' Compensation Administration Trust Fund; creating s. 626.9894, F.S.; authorizing the department to accept any donation or grant of property or moneys from certain entities for purposes of anti-fraud efforts; providing for the vesting of certain rights in the Division of Insurance Fraud upon donation; providing for deposit of donations and grants to the division into the Insurance Regulatory Trust Fund; authorizing the department to request annual appropriations from such donations and grants; providing an effective date.

The Conference Committee Amendment for SB 2134, relating to the Citizens Property Insurance Corporation, provides for the following:

- Creates a process within the statutes, establishing standards for the competitive procurement of goods and services by Citizens.
- Requires competitive solicitation for goods and services valued at or above $35,000, except office space, which is currently subject to the public property and publicly owned building statutes.
- Requires that purchases of goods and services over $10 million include a business case review before review and approval by the Citizens Board of Governors (board).
- Prohibits the division of goods and services to circumvent the provisions of the amendment.
- Specifies under which circumstances a competitive solicitation shall use each of the following methods: Invitation to Bid (ITB); request for proposal (RFP); invitation to negotiate (ITN); or reverse auction. The amendment outlines the criteria that must be used for evaluating ITBs, RFPs, and ITNs.
- Requires that all contracts executed on or after January 1, 2012, be posted electronically on Citizens' website for public access.
- Requires that all qualified sole source purchases be posted to the website for 10 business days prior to execution.
- Requires that Citizens' purchasing policy include procedures for protecting against any conflicts of interest by Citizens board members, employees, any public official, other expert consultants who are acting as evaluators in the purchasing process, or employees of the executive or legislative branch, concerning any aspect of the solicitation.
- Provides that Citizens shall strive to increase business with minority business enterprises and Florida small business enterprises.

- Requires the board to annually review and adopt the purchasing policy of the corporation to ensure compliance and to submit a copy of the policy to the Office of Insurance Regulation.

- Provides the Auditor General with access to any Citizens procurement documents and related material.

Conference Committee Amendment (554608)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *Paragraphs (e) and (f) of subsection (6) of section 627.351, Florida Statutes, are repealed.*

Section 2. Section 627.3514, Florida Statutes, is created to read:

627.3514 Standards for procurement by Citizens Property Insurance Corporation.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature that Citizens Property Insurance Corporation, hereinafter "Citizens," maintain a transparent, accountable, and competitive procurement process to ensure public confidence in the process by which goods and services are procured.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Bid" means an offer submitted by a vendor in response to a competitive solicitation.

(b) "Board" means the Citizens' board of governors appointed pursuant to s. 627.351(6).

(c) "Competitive solicitation" means an invitation to bid, a request for proposal, an invitation to negotiate, or a reverse auction.

(d) "Competitive solicitation response" means a bid or proposal submitted by a vendor in response to a competitive solicitation.

(e) "Contract" means a written agreement between Citizens and a vendor for the provision of goods or services.

(f) "Contract manager" means the individual employed by Citizens who is responsible for overseeing performance of the contract terms and conditions, reviewing and validating all vendor invoices, tracking all expenditures and payments, and serving as a liaison with the vendor.

(g) "Contract renewal" means an agreement to renew a contract.

(h) "Florida business enterprise" means a business that has or maintains its primary corporate office or home office within this state.

(i) "Florida small business enterprise" means a business that meets all of the following criteria:

1. Has or maintains its primary corporate office or home office within this state;

2. Is engaged in commercial transactions;

3. Has annual gross sales or receipts of less than $6 million averaged over the past 3 years of the business's actual existence;

4. Has a primary owner who owns 51 percent or more of the business or its common stock and who has a personal net worth less than $750,000, excluding primary personal residence and stock value of the Florida small business enterprise; and

5. Maintains the required licenses and necessary industry expertise to perform.

If the business is a wholly or partially owned subsidiary, the parent business must also meet the criteria of subparagraphs 1.-5.

(j) "Goods" mean all tangible or movable property or things, including software, which are purchased or leased. The term does not include investment securities, insurance, loans, credit, trust indentures, or financial service providers or underwriters provided for in s. 627.3513, whether or not evidenced by a physical certificate or contract.

(k) "Informal bid" or "informal solicitation" means a written or oral quotation of cost which is documented and maintained by Citizens.

(l) "Invitation to bid" means a written or electronically posted solicitation for competitive sealed bids.

(m) "Invitation to negotiate" means a written or electronically posted solicitation for competitive sealed replies to select one or more vendors with which to commence negotiations for the procurement of commodities or contractual services.

(n) "Minority business enterprise" means a business that meets all of the following criteria:

1. Engages in commercial transactions.

2. Is at least 51 percent owned by a minority person, as defined in s. 288.703, who is a citizen of the United States.

3. Is managed and controlled by a minority person, as defined in s. 288.703, who is a citizen of the United States.

(o) "Proposal" means the documents submitted by the vendor in response to a competitive solicitation to be used as the basis for entering into a contract.

(p) "Request for proposal" means a written or electronically posted solicitation for competitive sealed proposals.

(q) "Reverse auction" means an online auction process in which bidders simultaneously submit bids to a company without knowledge of the amount bid by other participants and, unlike a typical auction, prices decrease as the bidding process continues.

(r) "Service" means the rendering by a vendor of time and effort other than the furnishing of specific goods. Services include, but are not limited to, insurance brokerage services, evaluations, consultations, maintenance, accounting, security, management systems, management consulting, educational training programs, research and development studies or reports, and professional, technical, and social services. Services do not include the services provided by insurance agents appointed by Citizens.

(s) "Vendor" means a person or entity that has a contract with Citizens or that is under consideration for a contract, including, but not limited to, insurance companies, take-out companies, insurance agents, adjusting firms, consultants, independent adjusters, contractors, law firms, and other service providers. The term also includes any employee, agent, corporate officer, owner, or person acting on behalf of the vendor, or any parent or subsidiary corporation of the vendor.

(3) GENERAL RULES.—

(a) This section applies to the purchase of all goods or services by Citizens, except:

1. Procurements of Citizens' office space, which are governed by the provisions of chapter 255, except that the appeal process of subsection (6) applies; and

2. Claims payments made directly to an insured, or to a vendor selected by an insured.

(b) Purchases that equal or exceed $2,500, but that are less than $35,000, shall be made by receipt of written quotes, written record of telephone quotes, or informal bids, whenever practical. The procurement of goods or services valued at or over $35,000 shall be subject to competitive solicitation, except in situations in which the goods or services are provided by a sole source or are deemed an emergency purchase, the services are exempt from competitive solicitation requirements under s. 287.057(3)(f), the procurement of services is subject to s. 627.3513, or the procurement is a government contract as provided in paragraph (7)(e).

(c) Purchases of goods or services that have an aggregate value of at least $10 million or a duration exceeding 8 years must be accompanied by a business case analysis before review and approval by the Citizens' board.

(d) Purchases of goods or services valued at or over $100,000 are subject to approval by the Citizens' board.

(e) Procurement of office space is subject to the provisions of chapter 255, including provisions governing the authority to hold title to real property. A public bid opening of all responding bids is required pursuant to chapter 255.

(f) Procurements of goods or services may not be divided or allocated in order to circumvent the provisions of this section. The life of the contract, including renewals, must be included when determining the dollar amount for the procurement method.

(g) In addition to any contractual renewal periods, a contract may be extended for a period not to exceed 6 months under the same terms and conditions set forth in the initial contract. There may be only one extension of a contract unless the failure to meet the criteria set forth in the contract for completion of the contract is due to events beyond the control of the vendor.

(h) A contract in excess of $35,000 must have an employee from the business unit appointed as contract manager.

(i) Citizens may:

1. Amend an existing contract on terms and costs more beneficial to Citizens if the terms and costs of the contract are not extended or increased; or

2. Renew a contract under the renewal terms provided by the contract.

(j) Goods or services must not be received before the issuance of a purchase order or execution of a contract.

(k) A Citizens' board member, officer, or employee may not procure, purchase, or acquire any goods or services or make any contract in any manner that is not in compliance with this section.

(4) CONTRACT REVIEW.—Citizens' legal department and purchasing department must jointly prepare any contract for the procurement of goods or services. The legal department must review and approve a contract before it is executed.

(5) COMPETITIVE SOLICITATION.—

(a)1. The procurement of goods or services valued at or over $35,000 is subject to competitive solicitation, except in situations in which the goods or services are exempt from competitive solicitation requirements as specified in s. 287.057(3)(f). A public bid opening is not required except as provided in paragraph (3)(e). A competitive solicitation must include a contract term.

2. The Citizens' purchasing department shall coordinate and manage the competitive solicitation process. The requirements of paragraphs (b) and (c) must be addressed in the development of a competitive solicitation.

(b) The competitive solicitation process shall use one of the following methods: an invitation to bid, a request for proposal, an invitation to negotiate, or a reverse auction.

1.a. An invitation to bid shall be used if Citizens has the ability to establish precise specifications defining the actual goods required or defining the scope of work for which a service is required.

b. An invitation to bid must include a detailed description of the goods or services sought and a statement indicating whether Citizens contemplates renewal of the contract.

c. A bid submitted in response to an invitation to bid which contemplates renewal of the contract must include the price for each year that the contract may be renewed. An evaluation-of-responsive bid is limited to the total cost for each year of the contract, including renewal years.

2. A request for proposal shall be used if Citizens' requirements can be specifically defined.

a. Before issuing a request for proposal, Citizens shall determine and specify in writing the reasons that procurement by invitation to bid is not practicable. A request for proposal must include a detailed statement describing the business unit requirements and needs for which goods or services are being sought, the relative importance of price and other evaluation criteria, and a statement indicating whether Citizens contemplates renewal of the contract.

b. Criteria that must be used for an evaluation of a proposal include, but are not limited to:

(I) Price, which must be specified in the proposal;

(II) If Citizens contemplates renewal of the contract, the price for each year that the contract may be renewed;

(III) Consideration of the total cost for each year of the contract, including renewal years; and

(IV) How well the proposed goods or services meet Citizens' requirements.

c. The contract shall be awarded by written notice to the vendor whose proposal is determined in writing to be the most advantageous to Citizens, taking into consideration the price and other criteria set forth in the request for proposal.

3.a. An invitation to negotiate may be used if an invitation to bid or request for proposal is not practicable. Before issuing an invitation to negotiate, the executive director of Citizens must determine and specify in writing the reasons that procurement by invitation to bid or request for proposal is not applicable. The invitation to negotiate must describe the questions being explored, the facts being sought, the specific goals or problems that are the subject of the solicitation, and the criteria that shall be used to determine the acceptability of the reply and guide the selection of the vendor with which Citizens will negotiate.

b. Citizens shall evaluate replies against the established evaluation criteria identified in the invitation-to-negotiate document. Citizens may select one or more vendors with which to commence negotiations. After negotiations are conducted, Citizens shall award the contract to the vendor determined to provide the best value to Citizens.

4. In order for the purchasing department to initiate the competitive solicitation process, the following information must be provided by the business unit if practicable:

a. Business and technical requirements and scope of work. This information must avoid use of brand names, unless used only as an indication of desired functionality or quality and the brand names are qualified with the phrase "or equivalent";

b. Performance criteria;

c. Evaluation criteria;

d. Specific deliverables;

e. Service-level requirements; and

f. Any information necessary to explain the business need or intended purpose.

5. Citizens shall create a process for the evaluation of vendor proposals appropriate for the goods or services being procured and coordinate the receipt and evaluation of responses to the competitive solicitation. The process shall include the criteria to be evaluated and the method of evaluation and must include pricing as separately scored criteria. A competitive solicitation is subject to the requirements of chapter 286.

6. Citizens shall give public notice of a competitive solicitation by electronically posting the competitive solicitation on its website and the state's procurement website. Citizens shall post the notice at least 10 business days before the date set for receipt of bids, proposals, or replies unless Citizens determines in writing that a shorter period is necessary to avoid harming the interests of the state.

7. A respondent to a solicitation under this section or any person acting on behalf of the respondent may not communicate with any member of the board, any employee of Citizens, or any public official, officer, or employee of the executive or legislative branch of government concerning any aspect of the solicitation, except a written or electronic communication to the procurement officer or such communication as provided for in the solicitation documents. The period of such prohibited

communication begins when the solicitation is issued and ends 72 hours after notice is given of a recommended award, a rejection of all proposals, or any other decision. A violation of this subparagraph may be grounds for rejecting a response.

8. If a tie occurs in score or in price and if price is the only criterion during a competitive solicitation, Citizens shall determine the recommended vendor for the award based upon the following criteria, listed in order of priority:

a. All goods and services of the vendor are manufactured or performed in the state.

b. Certain foreign manufacturers of the vendor have employees in the state, as designated in s. 287.092.

c. All goods and services of the vendor are manufactured or performed in the United States.

d. The vendor is a Florida small business enterprise.

e. The vendor has implemented a drug-free workplace program that meets the requirements of s. 287.087.

If none of the criteria of this subparagraph resolves the tie, Citizens shall conduct a coin toss to determine the recommended vendor for award. Citizens shall notify the tied vendors of the tie and provide them with reasonable notice of the time and location of the coin toss, which they may attend.

(c) If a vendor asserts that its bid contains information that is confidential and exempt from the public-records requirements of chapter 119, the vendor must submit with its bid response a version of all bid documents which redacts such information.

(d) For contracts executed on or after January 1, 2012, Citizens shall post a copy of each contract executed, with necessary redactions, on its website for public access no later than 30 days after the date of execution.

(6) APPEAL PROCESS.—

(a) A respondent to a competitive solicitation may appeal the award of a contract by the board, including those contracts awarded under chapter 255, if the value of the contract is $100,000 or more. The appeal must be heard by the board at a publicly noticed meeting and conducted according to appeal procedures established by the board. Any further legal remedy shall be to the Circuit Court of Leon County, Florida.

(b) A respondent to a competitive solicitation may appeal the award of a contract having a value at or above $35,000 and less than $100,000 according to appeal procedures established by the board. Such appeals are not required to be heard by the board. Any further legal remedy shall be to the Circuit Court of Leon County, Florida.

(c) If the original award is overturned, the contract executed pursuant to the award shall be terminated.

(7) EXEMPTIONS FROM COMPETITIVE SOLICITATION.—The following exemptions from competitive solicitation are authorized:

(a)1. An emergency purchase is permitted only if the president of Citizens, in consultation with the chair or vice chair of the board, determines in writing that an immediate danger to the public health, safety, or welfare, or other immediate and substantial loss to Citizens or its policyholders requires emergency action, in which case Citizens may proceed with the procurement of goods or services necessitated by the immediate danger without receiving competitive bids or proposals. Citizens shall provide a report of any emergency purchase of goods or services to the board and the state's Chief Financial Officer.

2. In any emergency purchase of goods or services in excess of $35,000, each individual taking part in the development or selection of criteria for evaluation, the evaluation process, or the award process shall provide a completed and signed purchasing conflict-of-interest disclosure form by which each individual attests in writing that the individual does not have any conflict of interest in the entities evaluated or selected.

(b)1. A sole source purchase is permitted only if the following steps have been completed:

a. Citizens conducts an analysis of the marketplace for the goods or services; and

b. Citizens determines in writing that the required goods or services are:

(I) Available from only one supplier; or

(II) Necessary or unique, for example, if the deliverable is copyrighted, patented, or proprietary, such as technology, or if there is an absence of competition or providers in the marketplace.

2. If Citizens reasonably determines that goods or services qualify as a sole source purchase, it shall post on Citizens' website a description of the goods or services sought for at least 10 business days. If it is determined in writing by Citizens after reviewing any information received from prospective vendors that the goods or services qualify as a sole source purchase, Citizens shall notify each vendor and proceed with the purchase. A copy of the written determination shall be promptly furnished to the state's Chief Financial Officer and the board. A sole source procurement must be discontinued and a competitive solicitation instituted when written information is timely received which demonstrates that the sole source process is not applicable.

3. In any sole source purchase of goods or services in excess of $35,000, the individuals taking part in the development or selection of criteria for evaluation, the evaluation process, or the award process must provide a completed and signed purchasing conflict-of-interest disclosure form by which the individuals attest in writing that they do not have any conflict of interest in the entities evaluated or selected.

(c) A purchase that is exempt from competitive solicitation as listed under s. 287.057(3)(f).

(d) A contract with a financial service provider or underwriter of bonds which is subject to s. 627.3513.

(e) A governmental contract if the contract was previously procured by a competitive solicitation process, and the contract is:

1. An approved state term contract that complies with the requirements of ss. 287.056 and 287.057;

2. Approved by the Department of Management Services;

3. Procured by a state agency, political subdivision of the state, a state university or a Florida College System institution as defined in section 21 of chapter 2010-70, Laws of Florida; or

4. An approved contract from the United States General Services Administration.

(8) CONFLICT OF INTEREST.—Citizens' purchasing policy must include procedures for protecting against any conflict of interest by Citizens' board members, employees, and other expert consultants who are acting as evaluators in the purchasing process. Additionally, Citizens' purchasing policy must address other procurement issues regarding conflicts of interest.

(9) MINORITY BUSINESS ENTERPRISES.—

(a) Citizens shall strive to increase business with minority business enterprises by providing education and outreach to minority businesses regarding business opportunities within Citizens, educating Citizens' staff and vendors regarding opportunities for minority business enterprises, and tracking and monitoring purchases by minority business enterprises.

(b) The director of Citizens' purchasing department shall certify a business as a minority business enterprise upon review and evaluation of evidence provided by the business which demonstrates that it meets the definition of a minority business enterprise. Additionally, Citizens may accept minority business certifications from a federal, state, or other governmental agency or political subdivision.

(10) FLORIDA SMALL BUSINESS ENTERPRISES.—

(a) Citizens shall strive to increase business with Florida small business enterprises by providing education and outreach to Florida

small business enterprises regarding business opportunities with Citizens, educating Citizens' staff and vendors regarding opportunities for Florida small business enterprises, and tracking and monitoring purchases by Florida small business enterprises. Citizens may use a business's status as a Florida small business enterprise as a vendor evaluation criterion in the procurement of goods or services if the use of such status may be beneficial for Citizens, its policyholders, or the state. A five-point preference may be awarded to vendors who meet the requirements for status as Florida small business enterprises for purposes of bid tabulation and comparison.

(b) The director of Citizens' purchasing department shall certify a business as a Florida small business enterprise upon review and evaluation of evidence provided by the entity which demonstrates that it meets the definition of a Florida small business enterprise. Additionally, Citizens may accept small business certifications from a federal, state, or other governmental agency or political subdivision.

(11) FLORIDA BUSINESS ENTERPRISES.—

(a) Citizens may use the Florida business enterprise status as a vendor-evaluation criterion in the procurement of goods or services if it determines that the use of a business based in this state may be beneficial for Citizens, its policyholders, or the state.

(b) Citizens shall verify the status as a Florida business enterprise by a review of its corporate documentation.

(12) ANNUAL REVIEW.—The Citizens' board shall annually review and adopt the purchasing policy for the corporation to ensure compliance with this section. After adopting the purchasing policy, the board shall submit a copy of the policy to the Office of Insurance Regulation.

(13) AUDITOR GENERAL REVIEW.—The Auditor General shall have access to any Citizens' procurement documents and related materials. Such documents and materials held by the Auditor General must remain confidential as provided in s. 627.351(6) or other state law.

Section 3. Subsection (6) of section 838.014, Florida Statutes, is amended to read:

838.014 Definitions.—As used in this chapter, the term:

(6) "Public servant" means:

(a) Any officer or employee of a state, county, municipal, or special district agency or entity;

(b) Any legislative or judicial officer or employee;

(c) Any person, except a witness, who acts as a general or special magistrate, receiver, auditor, arbitrator, umpire, referee, consultant, or hearing officer while performing a governmental function; ~~or~~

(d) A candidate for election or appointment to any of the positions listed in this subsection, or an individual who has been elected to, but has yet to officially assume the responsibilities of, public office*; or*.

(e) Any member of the board of governors or employee of Citizens Property Insurance Corporation.

Section 4. This act shall take effect January 1, 2012.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Citizens Property Insurance Corporation; repealing s. 627.351(6)(e) and (f), F.S., relating to the procurement of goods and services by the corporation; creating s. 627.3514, F.S.; providing standards for procurements by Citizens Property Insurance Corporation; providing legislative intent; providing definitions; providing general purchasing rules for the procurement of goods or services by the Citizens Property Insurance Corporation; requiring the corporation's legal department and purchasing department to jointly prepare a contract for the procurement of goods or services; requiring the legal department to review and approve a contract before it is executed; providing that certain procurements of goods or services are subject to competitive solicitation; providing that a public bid opening is not required except under certain circumstances; requiring a competitive solicitation to include a contract term; requiring the corporation's purchasing department to coordinate and manage the competitive solicitation process; providing for the use of four methods for the competitive solicitation process; requiring the business unit to provide certain information in order for the purchasing department to initiate the competitive solicitation process; requiring the corporation to create a process for the evaluation of vendor proposals appropriate for the goods or services being procured and to coordinate the receipt and evaluation of responses to the competitive solicitation; requiring the corporation to give public notice of a competitive solicitation by electronically posting the competitive solicitation on its website and the state's procurement website; prohibiting certain persons from communicating with any member of the board or employee of Citizens Property Insurance Corporation, or with any public official, officer, or employee of the executive or legislative branch of government, concerning any aspect of the solicitation; providing a procedure for breaking a tie between two vendors in the competitive solicitation process; requiring the redaction of certain confidential and exempt information in a vendor's bid; requiring the corporation to post a copy of each contract executed on its website for certain contracts executed on or after a specified date; authorizing a respondent to a competitive solicitation to appeal the award of certain contracts of more than a specified amount by the corporation's board; requiring the corporation's board to hear an appeal at a publicly noticed meeting conducted according to appeal procedures established by the board; authorizing a respondent to a competitive solicitation to appeal the award of a contract having a value at or above a specified amount and less than a specified amount according to appeal procedures established by the board; providing that such appeals are not required to be heard by the board; authorizing certain exemptions from the competitive solicitation process; requiring the corporation's purchasing policy to address procurement issues regarding conflicts of interest and to include procedures for protecting against any conflict of interest by Citizens' board members and employees and other expert consultants who are acting as an evaluator in the purchasing process; requiring the corporation to strive to increase business with minority business enterprises; requiring the director of purchasing to certify a business as a minority business enterprise upon review and evaluation of evidence provided by the business; requiring the corporation to strive to increase business with Florida small business enterprises by providing education and outreach to Florida small business enterprises regarding business opportunities with the corporation; authorizing the corporation to use the status of a business as a Florida small business enterprise as a vendor-evaluation criterion in the procurement of goods or services; requiring the director of the corporation's purchasing department to certify a business as a Florida small business enterprise upon review and evaluation of evidence provided by the entity; authorizing the corporation to use the status of a business as a Florida business enterprise as a vendor-evaluation criterion in the procurement of goods or services; requiring the corporation to verify the status of a Florida business enterprise; requiring the corporation's board to annually review and adopt the purchasing policy for the corporation; requiring the corporation's board to submit a copy of the purchasing policy to the Office of Insurance Regulation; requiring the Auditor General to have access to the corporation's procurement documents and related materials; requiring the documents and materials held by the Auditor General to remain confidential; amending s. 838.014, F.S.; including a board member or an employee of the corporation within the definition of the term "public servant" as it relates to the crime of bribery and the misuse of public office; providing an effective date.

The Conference Committee Amendment for SB 2136, relating to trust funds within the Department of Business and Professional Regulation, provides for the following:

- Creates a Federal Grants Trust Fund within the Department of Business and Professional Regulation, effective July 1, 2011.
- Serves as a depository for funds for allowable grant activities funded by restricted program revenues.
- Funds credited to the Federal Grants Trust Fund will consist of grants and funding from the federal government, interest earnings, and cash advances from other trust funds, pursuant to s. 215.32 (2) (b), F.S.

Conference Committee Amendment (384484)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 455.1165, Florida Statutes, is created to read:

455.1165 Federal Grants Trust Fund.—

(1) The Federal Grants Trust Fund is created within the Department of Business and Professional Regulation.

(2) The trust fund is established for use as a depository for funds to be used for allowable grant activities funded by restricted program revenues from federal sources. Moneys to be credited to the trust fund shall consist of grants and funding from the Federal Government, interest earnings, and cash advances from other trust funds. Funds shall be expended only pursuant to legislative appropriation or an approved amendment to the department's operating budget pursuant to the provisions of chapter 216.

(3) In accordance with s. 19(f)(2), Art. III of the State Constitution, the Federal Grants Trust Fund shall, unless terminated sooner, be terminated on July 1, 2015. Before its scheduled termination, the trust fund shall be reviewed as provided in s. 215.3206(1) and (2).

Section 2. This act shall take effect July 1, 2011, except that this act shall not take effect unless it is enacted by a three-fifths vote of the membership of each house of the Legislature.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to trust funds; creating s. 455.1165, F.S.; creating the Federal Grants Trust Fund within the Department of Business and Professional Regulation; providing for the purpose of the trust fund and sources of funds; providing for future review and termination or re-creation of the trust fund; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2136** was adopted. **SB 2136** passed by the required constitutional three-fifths vote of the membership as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The Conference Committee Amendment for SB 2142, 1st Eng., relating to the water management districts, provides for the following:

- Requires the Legislature to annually review the preliminary budget for each water management district and set the maximum amount of revenue a district may raise through its ad valorem tax.

- Provides that, if the annual maximum amount of property tax revenue is not set by the Legislature on or before July 1 of each year, the maximum property tax revenue that may be raised reverts to the amount authorized in the prior year.

- Requires each water management district to provide a monthly financial statement to its governing board and make such information available to the public through the district's website.

- Revises provisions relating to the review of district budgets to allow the Executive Office of the Governor and the Legislative Budget Commission to disapprove, in whole or in part, the budget of each water management district.

Conference Committee Amendment (924370)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsections (3), (4), and (5) of section 373.503, Florida Statutes, are amended to read:

373.503 Manner of taxation.—

(3)~~(a)~~ The districts may levy ad valorem taxes on property within the district solely for the purposes of this chapter and of chapter 25270, 1949, Laws of Florida, as amended, and chapter 61-691, Laws of Florida, as amended. ~~The authority to levy ad valorem taxes as provided in this act shall commence with the year 1977. However, the taxes levied for 1977 by the governing boards pursuant to this section shall be prorated to ensure that no such taxes will be levied for the first 4 days of the tax year, which days will fall prior to the effective date of the amendment to s. 9(b), Art. VII of the State Constitution, which was approved March 9, 1976.~~ *If* ~~When~~ appropriate, taxes levied by each governing board may be separated by the governing board into a millage necessary for the purposes of the district and a millage necessary for financing basin functions specified in s. 373.0695. ~~Beginning with the taxing year 1977, and~~

(a) Notwithstanding ~~the provisions of~~ any other general or special law ~~to the contrary~~, *and subject to subsection (4),* the maximum total millage rate for district and basin purposes shall be:

1. Northwest Florida Water Management District: 0.05 mill.

2. Suwannee River Water Management District: 0.75 mill.

3. St. Johns River Water Management District: 0.6 mill.

4. Southwest Florida Water Management District: 1.0 mill.

5. South Florida Water Management District: 0.80 mill.

(b) The apportionment in the South Florida Water Management District shall be a maximum of 40 percent for district purposes and a maximum of 60 percent for basin purposes, respectively.

(c) Within the Southwest Florida Water Management District, the maximum millage assessed for district purposes *may* ~~shall~~ not exceed 50 percent of the total authorized millage *if* ~~when~~ there are one or more basins in the district, and the maximum millage assessed for basin purposes *may* ~~shall~~ not exceed 50 percent of the total authorized millage.

(4)(a) To ensure that taxes authorized by this chapter continue to be in proportion to the benefits derived by the parcels of real estate within the districts, the Legislature shall annually review the preliminary budget for the next fiscal year and the authorized millage rate for each district. Based upon this review, the Legislature shall set the maximum amount of revenue to be raised by each district in the next fiscal year from the taxes levied. Except as provided in paragraph (b), if the annual maximum amount of property tax revenue is not set by the Legislature on or before July 1 of each year, the maximum property tax revenue that may be raised reverts to the amount authorized in the prior year.

(b) For the 2011-2012 fiscal year, the total ad valorem taxes levied may not exceed $3,946,969 for the Northwest Florida Water Management District, $5,412,674 for the Suwannee River Water Management District, $85,335,619 for the St. Johns Water Management District, $107,766,957 for the Southwest Florida Water Management District, and $284,901,967 for the South Florida Water Management District.

(5)~~(4)~~ It is hereby determined that the taxes authorized by this chapter are in proportion to the benefits to be derived by the several parcels of real estate within the districts to which territories are annexed and transferred. It is further determined that the cost of conducting elections within the respective districts or within the transferred or annexed territories, including costs incidental thereto in preparing for such election and in informing the electors of the issues therein, is a proper expenditure of the department, of the respective districts, and of the district to which such territory is or has been annexed or transferred.

(6)~~(5)~~ Each water management district created under this chapter which does not receive state shared revenues under part II of chapter 218 shall, before January 1 of each year, certify compliance or noncompliance with s. 200.065 to the Department of Financial Services. Specific grounds for noncompliance *must* ~~shall~~ be stated in the certification. In its annual report required by s. 218.32(2), the Department of Financial Services shall report to the Governor and the Legislature those water management districts certifying noncompliance or not reporting.

Section 2. Subsections (4) and (5) of section 373.536, Florida Statutes, are amended to read:

373.536 District budget and hearing thereon.—

(4) BUDGET CONTROLS*; FINANCIAL INFORMATION*.—

(a) The final adopted budget for the district will thereupon be the operating and fiscal guide for the district for the ensuing year; however, transfers of funds may be made within the budget by action of the governing board at a public meeting of the governing board.

(b) The district shall control its budget, at a minimum, by funds and shall provide to the Executive Office of the Governor a description of its budget control mechanisms.

(c) Should the district receive unanticipated funds after the adoption of the final budget, the final budget may be amended by including such funds, so long as notice of intention to amend is published in the notice of the governing board meeting at which the amendment will be considered, pursuant to s. 120.525. The notice shall set forth a summary of the proposed amendment. However, in the event of a disaster or of an emergency arising to prevent or avert the same, the governing board shall not be limited by the budget but shall have authority to apply such funds as may be available therefor or as may be procured for such purpose.

(d) By September 1, 2011, each water management district shall provide a monthly financial statement to its governing board and make such monthly financial statement available for public access on its website.

(5) TENTATIVE BUDGET CONTENTS AND SUBMISSION; REVIEW AND APPROVAL.—

(a) The Executive Office of the Governor *and the Legislative Budget Commission are* ~~is~~ authorized to ~~approve or~~ disapprove, in whole or in part, the budget of each water management district*. The Executive Office of the Governor* ~~and~~ shall analyze each budget as to the adequacy of fiscal resources available to the district and the adequacy of district expenditures related to water supply, including water resource development projects identified in the district's regional water supply plans; water quality; flood protection and floodplain management; and natural systems. This analysis shall be based on the particular needs within each water management district in those four areas of responsibility *and shall be provided to the Legislative Budget Commission*.

(b) The Executive Office of the Governor*, the Legislative Budget Commission,* and the water management districts shall develop a process to facilitate review and communication regarding water management district budgets, as necessary. Written disapproval of any provision in the tentative budget must be received by the district at least 5 business days prior to the final district budget adoption hearing conducted under s. 200.065(2)(d). If written disapproval of any portion of the budget is not received at least 5 business days prior to the final budget adoption hearing, the governing board may proceed with final adoption. Any provision rejected by the Governor *or the Legislative Budget Commission* shall not be included in a district's final budget.

(c) Each water management district shall, by August 1 of each year, submit for review a tentative budget to the Governor, the President of the Senate, the Speaker of the House of Representatives, *the Legislative Budget Commission,* ~~the chairs of all legislative committees and subcommittees with substantive or fiscal jurisdiction over water management districts, as determined by the President of the Senate or the Speaker of the House of Representatives as applicable,~~ the secretary of the department, and the governing body of each county in which the district has jurisdiction or derives any funds for the operations of the district.

(d) The tentative budget must set forth the proposed expenditures of the district, to which may be added an amount to be held as reserve. The tentative budget must include, but is not limited to, the following information for the preceding fiscal year and the current fiscal year, and the proposed amounts for the upcoming fiscal year, in a standard format prescribed by the Executive Office of the Governor:

1. The estimated amount of funds remaining at the beginning of the fiscal year which have been obligated for the payment of outstanding commitments not yet completed.

2. The estimated amount of unobligated funds or net cash balance on hand at the beginning of the fiscal year, and the estimated amount of funds to be raised by district taxes or received from other sources to meet the requirements of the district.

3. The millage rates and the percentage increase above the rolled-back rate, together with a summary of the reasons the increase is required, and the percentage increase in taxable value resulting from new construction within the district.

4. The salaries and benefits, expenses, operating capital outlay, number of authorized positions, and other personal services for the following program areas of the district:

a. Water resource planning and monitoring;

b. Land acquisition, restoration, and public works;

c. Operation and maintenance of works and lands;

d. Regulation;

e. Outreach for which the information provided must contain a full description and accounting of expenditures for water resources education; public information and public relations, including public service announcements and advertising in any media; and lobbying activities related to local, regional, state and federal governmental affairs, whether incurred by district staff or through contractual services; and

f. Management and administration.

In addition to the program areas reported by all water management districts, the South Florida Water Management District shall include in its budget document separate sections on all costs associated with the Everglades Construction Project and the Comprehensive Everglades Restoration Plan.

5. The total estimated amount in the district budget for each area of responsibility listed in subparagraph 4. and for water resource development projects identified in the district's regional water supply plans.

6. A description of each new, expanded, reduced, or eliminated program.

7. The funding sources, including, but not limited to, ad valorem taxes, Surface Water Improvement and Management Program funds, other state funds, federal funds, and user fees and permit fees for each program area.

~~(e) By September 5 of the year in which the budget is submitted, the House and Senate appropriations and appropriate substantive committee chairs may transmit to each district comments and objections to the proposed budgets. Each district governing board shall include a response to such comments and objections in the record of the governing board meeting where final adoption of the budget takes place, and the record of this meeting shall be transmitted to the Executive Office of the Gover-~~

~~nor, the department, and the chairs of the House and Senate appropriations committees.~~

(e)~~(f)~~ The Executive Office of the Governor shall annually, on or before December 15, file with the Legislature a report that summarizes its review of the water management districts' tentative budgets and displays the adopted budget allocations by program area. The report must identify the districts that are not in compliance with the reporting requirements of this section. State funds shall be withheld from a water management district that fails to comply with these reporting requirements.

Section 3. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to water management districts; amending s. 373.503, F.S.; removing obsolete provisions; requiring the Legislature to annually review the preliminary budget and authorized millage rate for each water management district and set the amount of revenue a district may raise through its ad valorem tax authority; providing for the maximum amount of property tax raised by a district to revert to the amount authorized in the prior year if the Legislature fails to set the amount; providing a limit on total ad valorem taxes levied for the 2011-2012 fiscal year for each water management district; amending s. 373.536, F.S.; requiring each water management district to provide a monthly financial statement to its governing board; requiring that each district make budget information available to the public through the district's website; revising provisions relating to the development of district budgets and review by the Executive Office of the Governor and Legislative Budget Commission; providing an effective date.

4. Positions in the Department of Environmental Protection that are assigned the duty of an Environmental Administrator or program administrator.

5. Positions in the Department of Health that are assigned the duties of Environmental Administrator, Assistant County Health Department Director, and County Health Department Financial Administrator.

Unless otherwise fixed by law, the department shall set the salary and benefits of the positions listed in this paragraph in accordance with the rules established for the Selected Exempt Service.

Section 4. Paragraph (e) of subsection (2) of section 288.816, Florida Statutes, is amended to read:

288.816 Intergovernmental relations.—

(2) The Office of Tourism, Trade, and Economic Development shall be responsible for all consular relations between the state and all foreign governments doing business in Florida. The office shall monitor United States laws and directives to ensure that all federal treaties regarding foreign privileges and immunities are properly observed. The office shall promulgate rules which shall:

(e) Verify entitlement to issuance of special motor vehicle license plates by ~~the Division of Motor Vehicles of~~ the Department of Highway Safety and Motor Vehicles to honorary consuls or such other officials representing foreign governments who are not entitled to issuance of special Consul Corps license plates by the United States Government.

Section 5. Paragraph (f) of subsection (1) of section 311.115, Florida Statutes, is amended to read:

311.115 Seaport Security Standards Advisory Council.—The Seaport Security Standards Advisory Council is created under the Office of Drug Control. The council shall serve as an advisory council as provided in s. 20.03(7).

(1) The members of the council shall be appointed by the Governor and consist of the following:

(f) One member from the Office of Motor Carrier Compliance of the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~.

311.121 Qualifications, training, and certification of licensed security officers at Florida seaports.—

(3) The Seaport Security Officer Qualification, Training, and Standards Coordinating Council is created under the Department of Law Enforcement.

(a) The executive director of the Department of Law Enforcement shall appoint 11 members to the council, to include:

1. The seaport administrator of the Department of Law Enforcement.

2. The Commissioner of Education or his or her designee.

3. The director of the Division of Licensing of the Department of Agriculture and Consumer Services.

4. The administrator of the Florida Seaport Transportation and Economic Development Council.

5. Two seaport security directors from seaports designated under s. 311.09.

6. One director of a state law enforcement academy.

7. One representative of a local law enforcement agency.

8. Two representatives of contract security services.

9. One representative of ~~the Division of Driver Licenses of~~ the Department of Highway Safety and Motor Vehicles.

Section 7. Subsections (1), (2), (4), and (5) of section 316.066, Florida Statutes, are amended, and present subsections (3), (4), (5), and (6) of that section are renumbered as subsections (2), (3), (4), and (5), respectively, to read:

316.066 Written reports of crashes.—

(1)(a) A Florida Traffic Crash Report, Long Form is required to be completed and submitted to the department within 10 days after completing an investigation by every law enforcement officer who in the regular course of duty investigates a motor vehicle crash *that*:

1. ~~That~~ Resulted in death or personal injury.

2. ~~That~~ Involved a violation of s. 316.061(1) or s. 316.193.

~~3. In which a vehicle was rendered inoperative to a degree that required a wrecker to remove it from traffic, if such action is appropriate, in the officer's discretion.~~

(b) In every crash for which a Florida Traffic Crash Report, Long Form is not required by this section, the law enforcement officer may complete a short-form crash report or provide a *driver exchange-of-information form* ~~short-form crash report~~ to be completed by each party involved in the crash. The short-form report must include:

1. The date, time, and location of the crash.

2. A description of the vehicles involved.

3. The names and addresses of the parties involved*, including all drivers and passengers*.

4. The names and addresses of witnesses.

5. The name, badge number, and law enforcement agency of the officer investigating the crash.

6. The names of the insurance companies for the respective parties involved in the crash.

(c) Each party to the crash *must* ~~shall~~ provide the law enforcement officer with proof of insurance*, which must be documented* ~~to be included~~ in the crash report. If a law enforcement officer submits a report on the *crash* ~~accident~~, proof of insurance must be provided to the officer by each party involved in the crash. Any party who fails to provide the required information commits a noncriminal traffic infraction, punishable as a nonmoving violation as provided in chapter 318, unless the officer determines that due to injuries or other special circumstances such insurance information cannot be provided immediately. If the person provides the law enforcement agency, within 24 hours after the crash, proof of insurance that was valid at the time of the crash, the law enforcement agency may void the citation.

(d) The driver of a vehicle that was in any manner involved in a crash resulting in damage to any vehicle or other property in an amount of $500 or more~~,~~ which ~~crash~~ was not investigated by a law enforcement agency, shall, within 10 days after the crash, submit a written report of the crash to the department ~~or traffic records center~~. The entity receiving the report may require witnesses of *the crash* ~~crashes~~ to render reports and may require any driver of a vehicle involved in a crash of which a written report must be made ~~as provided in this section~~ to file supplemental written reports *if* ~~whenever~~ the original report is deemed insufficient by the receiving entity.

(e) Short-form crash reports prepared by law enforcement shall be maintained by the law enforcement officer's agency.

~~(2)(a) One or more counties may enter into an agreement with the appropriate state agency to be certified by the agency to have a traffic records center for the purpose of tabulating and analyzing countywide traffic crash reports. The agreement must include: certification by the agency that the center has adequate auditing and monitoring mechanisms in place to ensure the quality and accuracy of the data; the time period in which the traffic records center must report crash data to the agency; and the medium in which the traffic records must be submitted to the agency.~~

~~(b) In the case of a county or multicounty area that has a certified central traffic records center, a law enforcement agency or driver must submit to the center within the time limit prescribed in this section a written report of the crash. A driver who is required to file a crash report must be notified of the proper place to submit the completed report.~~

~~(c) Fees for copies of public records provided by a certified traffic records center shall be charged and collected as follows:~~

~~For a crash report . . . . . $10 per copy.~~

~~For a homicide report . . . . . $25 per copy.~~

~~For a uniform traffic citation. . . . . $0.50 per copy.~~

~~The fees collected for copies of the public records provided by a certified traffic records center shall be used to fund the center or otherwise as designated by the county or counties participating in the center.~~

(3)~~(4)~~(a) Any driver failing to file the written report required under subsection (1) ~~or subsection (2)~~ commits a noncriminal traffic infraction, punishable as a nonmoving violation as provided in chapter 318.

(b) Any employee of a state or local agency in possession of information made confidential and exempt by this section who knowingly discloses such confidential and exempt information to a person not entitled to access such information under this section *commits* ~~is guilty of~~ a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(c) Any person, knowing that he or she is not entitled to obtain information made confidential and exempt by this section, who obtains or attempts to obtain such information commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(d) Any person who knowingly uses confidential and exempt information in violation of a filed written sworn statement or contractual agreement required by this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(4)~~(5)~~ Except as specified in this subsection, each crash report made by a person involved in a crash and any statement made by such person to a law enforcement officer for the purpose of completing a crash report required by this section shall be without prejudice to the individual so reporting. ~~No~~ Such report or statement *may not* ~~shall~~ be used as evidence in any trial, civil or criminal. However, subject to the applicable rules of evidence, a law enforcement officer at a criminal trial may testify as to any statement made to the officer by the person involved in the crash if that person's privilege against self-incrimination is not violated. The results of breath, urine, and blood tests administered as provided in s. 316.1932 or s. 316.1933 are not confidential and *are* ~~shall be~~ admissible into evidence in accordance with the provisions of s. 316.1934(2). ~~Crash reports made by persons involved in crashes shall not be used for commercial solicitation purposes; however, the use of a crash report for purposes of publication in a newspaper or other news periodical or a radio or television broadcast shall not be construed as "commercial purpose."~~

Section 8. Section 316.1957, Florida Statutes, is amended to read:

316.1957 Parking violations; designated parking spaces for persons who have disabilities.—When evidence is presented in any court of the fact that any motor vehicle was parked in a properly designated parking space for persons who have disabilities in violation of s. 316.1955, it is prima facie evidence that the vehicle was parked and left in the space by the person, firm, or corporation in whose name the vehicle is registered and licensed according to the records of the *department* ~~Division of Motor Vehicles~~.

Section 9. Subsections (4), (5), (6), (7), and (8) of section 316.302, Florida Statutes, are amended to read:

316.302 Commercial motor vehicles; safety regulations; transporters and shippers of hazardous materials; enforcement.—

(4)(a) Except as provided in this subsection, all commercial motor vehicles transporting any hazardous material on any road, street, or highway open to the public, whether engaged in interstate or intrastate commerce, and any person who offers hazardous materials for such transportation, are subject to the regulations contained in 49 C.F.R. part 107, subpart G, and 49 C.F.R. parts 171, 172, 173, 177, 178, and 180. Effective July 1, 1997, the exceptions for intrastate motor carriers provided in 49 C.F.R. 173.5 and 173.8 are hereby adopted.

(b) In addition to the penalties provided in s. 316.3025(3)(b), (c), (d), and (e), any motor carrier or any of its officers, drivers, agents, representatives, employees, or shippers of hazardous materials that do not comply with this subsection or any rule adopted by a state agency that is consistent with the federal rules and regulations regarding hazardous materials commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. To ensure compliance with this subsection, ~~enforcement officers of the Motor Carrier Compliance Office within the Department of Transportation and~~ state highway patrol officers may inspect shipping documents and cargo of any vehicle known or suspected to be a transporter of hazardous materials.

(5) The Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ may adopt and revise rules to assure the safe operation of commercial motor vehicles. The Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ may enter into cooperative agreements as provided in 49 C.F.R. part 388. Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ personnel may conduct motor carrier and shipper compliance reviews for the purpose of determining compliance with this section and s. 627.7415.

(6) The state Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ shall perform the duties that are assigned to the Field Administrator, Federal Motor Carrier Safety Administration under the federal rules, and an agent of that department~~, as described in s. 316.545(9),~~ may enforce those rules.

(7) A person who operates a commercial motor vehicle solely in intrastate commerce shall direct to the state Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ any communication that the federal rules require persons subject to the jurisdiction of the United States Department of Transportation to direct to that department.

(8) For the purpose of enforcing this section, any law enforcement officer of the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ or duly appointed agent who holds a current safety inspector certification from the Commercial Vehicle Safety Alliance may require the driver of any commercial vehicle operated on the highways of this state to stop and submit to an inspection of the vehicle or the driver's records. If the vehicle or driver is found to be operating in an unsafe condition, or if any required part or equipment is not present or is not in proper repair or adjustment, and the continued operation would present an unduly hazardous operating condition, the officer may require the vehicle or the driver to be removed from service pursuant to the North American Standard Out-of-Service Criteria, until corrected. However, if continuous operation would not present an unduly hazardous operating condition, the officer may give written notice requiring correction of the condition within 14 days.

(a) Any member of the Florida Highway Patrol or any law enforcement officer employed by a sheriff's office or municipal police department authorized to enforce the traffic laws of this state pursuant to s. 316.640 who has reason to believe that a vehicle or driver is operating in an unsafe condition may, as provided in subsection (10), enforce the provisions of this section.

(b) Any person who fails to comply with an officer's request to submit to an inspection under this subsection commits a violation of s. 843.02 if the person resists the officer without violence or a violation of s. 843.01 if the person resists the officer with violence.

Section 10. Paragraph (a) of subsection (6) of section 316.3025, Florida Statutes, is amended to read:

316.3025 Penalties.—

(6)(a) Only an officer or agent of the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ is authorized to collect the penalty provided by this section. Such officer or agent shall cooperate with the owner or driver of the motor vehicle so as not to unduly delay the vehicle.

Section 11. Subsections (1), (2), and (3) of section 316.3026, Florida Statutes, are amended to read:

316.3026 Unlawful operation of motor carriers.—

(1) The Office of Motor Carrier Compliance ~~of the Department of Transportation~~ may issue out-of-service orders to motor carriers, as defined in s. 320.01(33), who*,* ~~have~~ after proper notice*, have* failed to pay any penalty or fine assessed by the department, or its agent, against any owner or motor carrier for violations of state law, refused to submit to a compliance review and provide records pursuant to s. 316.302(5) or s. 316.70, or violated safety regulations pursuant to s. 316.302 or insurance requirements ~~found~~ in s. 627.7415. Such out-of-service orders ~~shall~~ have the effect of prohibiting the operations of any motor vehicles owned, leased, or otherwise operated by the motor carrier upon the roadways of this state, until ~~such time as~~ the violations have been corrected or penalties have been paid. Out-of-service orders ~~issued under this section~~ must be approved by the *director of the Division of the Florida Highway Patrol* ~~Secretary of Transportation~~ or his or her designee. An administrative hearing pursuant to s. 120.569 shall be afforded to motor carriers subject to such orders.

(2) Any motor carrier enjoined or prohibited from operating by an out-of-service order by this state, any other state, or the Federal Motor Carrier Safety Administration may not operate on the roadways of this state until the motor carrier has been authorized to resume operations by the originating enforcement jurisdiction. Commercial motor vehicles owned or operated by any motor carrier prohibited from operation found on the roadways of this state shall be placed out of service by law enforcement officers of the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~, and the motor carrier assessed a $10,000 civil penalty pursuant to 49 C.F.R. s. 383.53, in addition to any other penalties imposed on the driver or other responsible person. Any person who knowingly drives, operates, or causes to be operated any commercial motor vehicle in violation of an out-of-service order issued by the department in accordance with this section commits a felony of the third degree, punishable as provided in s. 775.082(3)(d). Any costs associated with the impoundment or storage of such vehicles are the responsibility of the motor carrier. Vehicle out-of-service orders may be rescinded when the department receives proof of authorization for the motor carrier to resume operation.

(3) In addition to the sanctions found in subsections (1) and (2), the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ may petition the circuit courts of this state to enjoin any motor carrier from operating when it fails to comply with out-of-service orders issued by a competent authority within or outside this state.

Section 12. Subsection (1) of section 316.516, Florida Statutes, is amended to read:

316.516 Width, height, and length; inspection; penalties.—

(1) Any law enforcement officer, as prescribed in s. 316.640, or any weight *inspector* ~~and safety officer~~ of the Department of Transportation, as prescribed in s. 316.545(1), who has reason to believe that the width, height, or length of a vehicle or combination of vehicles and the load thereon is not in conformance with s. 316.515 is authorized to require the driver to stop and submit such vehicle and load to measurement of its width, height, or length.

Section 13. Subsection (1), paragraphs (a) and (b) of subsection (2), paragraph (b) of subsection (4), and subsections (5), (9), and (10) of section 316.545, Florida Statutes, are amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(1) Any *officer of the Florida Highway Patrol* ~~weight and safety officer of the Department of Transportation~~ having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same by means of either portable or fixed scales and may require that such vehicle be driven to the nearest weigh station or public scales, provided such a facility is within 5 highway miles. Upon a request by the vehicle driver, the officer shall weigh the vehicle at fixed scales rather than by portable scales if such a facility is available within 5 highway miles. Anyone who refuses to submit to such weighing obstructs an officer pursuant to s. 843.02 and is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Anyone who knowingly and willfully resists, obstructs, or opposes a weight and safety officer while refusing to submit to such weighing by resisting the officer with violence to the officer's person pursuant to s. 843.01 is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(2)(a) Whenever an officer *of the Florida Highway Patrol or a weight inspector of the Department of Transportation*, upon weighing a vehicle or combination of vehicles with load, determines that the axle weight or gross weight is unlawful, the officer may require the driver to stop the vehicle in a suitable place and remain standing until a determination can be made as to the amount of weight thereon and, if overloaded, the amount of penalty to be assessed as provided herein. However, any gross weight over and beyond 6,000 pounds beyond the maximum herein set shall be unloaded and all material so unloaded shall be cared for by the owner or operator of the vehicle at the risk of such owner or operator. Except as otherwise provided in this chapter, to facilitate compliance with and enforcement of the weight limits established in s. 316.535, weight tables published pursuant to s. 316.535(7) shall include a 10-percent scale tolerance and shall thereby reflect the maximum scaled weights allowed any vehicle or combination of vehicles. As used in this section, scale tolerance means the allowable deviation from legal weights established in s. 316.535. Notwithstanding any other provision of the weight law, if a vehicle or combination of vehicles does not exceed the gross, external bridge, or internal bridge weight limits imposed in s. 316.535 and the driver of such vehicle or combination of vehicles can comply with the requirements of this chapter by shifting or equalizing the load on all wheels or axles and does so when requested by the proper authority, the driver shall not be held to be operating in violation of said weight limits.

(b) The officer *or inspector* shall inspect the license plate or registration certificate of the commercial vehicle, as defined in s. 316.003(66), to determine if its gross weight is in compliance with the declared gross vehicle weight. If its gross weight exceeds the declared weight, the penalty shall be 5 cents per pound on the difference between such weights. In those cases when the commercial vehicle, as defined in s. 316.003(66), is being operated over the highways of the state with an expired registration or with no registration from this or any other jurisdiction or is not registered under the applicable provisions of chapter 320, the penalty herein shall apply on the basis of 5 cents per pound on that scaled weight which exceeds 35,000 pounds on laden truck tractor-semitrailer combinations or tandem trailer truck combinations, 10,000 pounds on laden straight trucks or straight truck-trailer combinations, or 10,000 pounds on any unladen commercial motor vehicle. If the license plate or registration has not been expired for more than 90 days, the penalty imposed under this paragraph may not exceed $1,000. In the case of special mobile equipment as defined in s. 316.003(48), which qualifies for the license tax provided for in s. 320.08(5)(b), being operated on the highways of the state with an expired registration or otherwise not properly registered under the applicable provisions of chapter 320, a penalty of $75 shall apply in addition to any other penalty which may apply in accordance with this chapter. A vehicle found in violation of this section may be detained until the owner or operator produces evidence that the vehicle has been properly registered. Any costs incurred by the retention of the vehicle shall be the sole responsibility of the owner. A person who has been assessed a penalty pursuant to this paragraph for failure to have a valid vehicle registration certificate pursuant to the provisions of chapter 320 is not subject to the delinquent fee authorized in s. 320.07 if such person obtains a valid registration certificate within 10 working days after such penalty was assessed.

(4)

(b) In addition to the penalty provided for in paragraph (a), the vehicle may be detained until the owner or operator of the vehicle furnishes evidence that the vehicle has been properly registered pursuant to s. 207.004. Any officer *of the Florida Highway Patrol* or agent of the Department of Transportation may issue a temporary fuel use permit and collect the appropriate fee as provided for in s. 207.004(4). Notwithstanding the provisions of subsection (6), all permit fees collected pursuant to this paragraph shall be transferred to the Department of Highway Safety and Motor Vehicles to be allocated pursuant to s. 207.026.

(5) Whenever any person violates the provisions of this chapter and becomes indebted to the state because of such violation in the amounts aforesaid and refuses to pay said penalty, in addition to the provisions of s. 316.3026, such penalty shall become a lien upon the motor vehicle, and the same may be foreclosed by the state in a court of equity. It shall be presumed that the owner of the motor vehicle is liable for the sum. Any person, firm, or corporation claiming an interest in the seized motor vehicle may, at any time after the lien of the state attaches to the motor vehicle, obtain possession of the seized vehicle by filing a good and sufficient forthcoming bond with the officer having possession of the vehicle, payable to the Governor of the state in twice the amount of the state's lien, with a corporate surety duly authorized to transact business in this state as surety, conditioned to have the motor vehicle or combination of vehicles forthcoming to abide the result of any suit for the foreclosure of such lien. It shall be presumed that the owner of the motor vehicle is liable for the penalty imposed under this section. Upon the posting of such bond with the officer making the seizure, the vehicle shall be released and the bond shall be forwarded to the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~ for safekeeping. The lien of the state against the motor vehicle aforesaid shall be foreclosed in equity, and the ordinary rules of court relative to proceedings in equity shall control. If it appears that the seized vehicle has been released to the defendant upon his or her forthcoming bond, the state shall take judgment of foreclosure against the property itself, and judgment against the defendant and the sureties on the bond for the amount of the lien, including cost of proceedings. After the rendition of the decree, the state may, at its option, proceed to sue out execution against the defendant and his or her sureties for the amount recovered as aforesaid or direct the sale of the vehicle under foreclosure.

~~(9) Any agent of the Department of Transportation who is employed for the purpose of being a weight and safety officer and who meets the qualifications established by law for law enforcement officers shall have the same arrest powers as are granted any law enforcement officer for the purpose of enforcing the provisions of weight, load, safety, commercial motor vehicle registration, and fuel tax compliance laws.~~

(9)~~(10)~~ The Department of Transportation may employ weight inspectors to operate its fixed-scale facilities. Weight inspectors on duty at a fixed-scale facility are authorized to enforce the laws governing commercial motor vehicle weight, registration, size, and load and to assess and collect civil penalties for violations of said laws. A weight inspector may detain a commercial motor vehicle that has an obvious safety defect critical to the continued safe operation of the vehicle or that is operating in violation of an out-of-service order as reported on the federal Safety and Fitness Electronic Records database. The weight inspector may immediately summon a law enforcement officer of the Department of *Highway Safety and Motor Vehicles* ~~Transportation~~, or other law enforcement officer authorized by s. 316.640 to enforce the traffic laws of this state, to take appropriate enforcement action. The vehicle shall be released if the defect is repaired prior to the arrival of a law enforcement officer. Weight inspectors shall not be classified as law enforcement officers subject to certification requirements of chapter 943, and are not authorized to carry weapons or make arrests. Any person who obstructs, opposes, or resists a weight inspector in the performance of the duties herein prescribed shall be guilty of an offense as described in subsection (1) for obstructing, opposing, or resisting a law enforcement officer.

Section 14. Paragraph (b) of subsection (1) of section 316.613, Florida Statutes, is amended to read:

316.613 Child restraint requirements.—

(1)

(b) The *department* ~~Division of Motor Vehicles~~ shall provide notice of the requirement for child restraint devices, which notice shall accompany the delivery of each motor vehicle license tag.

Section 15. Paragraph (a) of subsection (1) of section 316.640, Florida Statutes, is amended to read:

316.640 Enforcement.—The enforcement of the traffic laws of this state is vested as follows:

(1) STATE.—

(a)1.a. The Division of Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles; the Division of Law Enforcement of the Fish and Wildlife Conservation Commission; the Division of Law Enforcement of the Department of Environmental Protection; ~~law enforcement officers of the Department of Transportation;~~ and the agents, inspectors, and officers of the Department of Law Enforcement each have authority to enforce all of the traffic laws of this state on all the streets and highways thereof and elsewhere throughout the state wherever the public has a right to travel by motor vehicle.

b. University police officers shall have authority to enforce all of the traffic laws of this state when violations occur on or within 1,000 feet of any property or facilities that are under the guidance, supervision, regulation, or control of a state university, a direct-support organization of such state university, or any other organization controlled by the state university or a direct-support organization of the state university, or when such violations occur within a specified jurisdictional area as agreed upon in a mutual aid agreement entered into with a law enforcement agency pursuant to s. 23.1225(1). Traffic laws may also be enforced off-campus when hot pursuit originates on or within 1,000 feet of any such property or facilities, or as agreed upon in accordance with the mutual aid agreement.

c. Community college police officers shall have the authority to enforce all the traffic laws of this state only when such violations occur on any property or facilities that are under the guidance, supervision, regulation, or control of the community college system.

d. Police officers employed by an airport authority shall have the authority to enforce all of the traffic laws of this state only when such violations occur on any property or facilities that are owned or operated by an airport authority.

(I) An airport authority may employ as a parking enforcement specialist any individual who successfully completes a training program established and approved by the Criminal Justice Standards and Training Commission for parking enforcement specialists but who does not otherwise meet the uniform minimum standards established by the commission for law enforcement officers or auxiliary or part-time officers under s. 943.12. Nothing in this sub-sub-subparagraph shall be construed to permit the carrying of firearms or other weapons, nor shall such parking enforcement specialist have arrest authority.

(II) A parking enforcement specialist employed by an airport authority is authorized to enforce all state, county, and municipal laws and ordinances governing parking only when such violations are on property or facilities owned or operated by the airport authority employing the specialist, by appropriate state, county, or municipal traffic citation.

e. The Office of Agricultural Law Enforcement of the Department of Agriculture and Consumer Services shall have the authority to enforce traffic laws of this state.

f. School safety officers shall have the authority to enforce all of the traffic laws of this state when such violations occur on or about any property or facilities which are under the guidance, supervision, regulation, or control of the district school board.

2. An agency of the state as described in subparagraph 1. is prohibited from establishing a traffic citation quota. A violation of this subparagraph is not subject to the penalties provided in chapter 318.

3. Any disciplinary action taken or performance evaluation conducted by an agency of the state as described in subparagraph 1. of a law enforcement officer's traffic enforcement activity must be in accordance with written work-performance standards. Such standards must be approved by the agency and any collective bargaining unit representing such law enforcement officer. A violation of this subparagraph is not subject to the penalties provided in chapter 318.

4. The Division of the Florida Highway Patrol may employ as a traffic accident investigation officer any individual who successfully completes instruction in traffic accident investigation and court presentation through the Selective Traffic Enforcement Program as approved by the Criminal Justice Standards and Training Commission and funded through the National Highway Traffic Safety Administration or a similar program approved by the commission, but who does not necessarily meet the uniform minimum standards established by the commission for law enforcement officers or auxiliary law enforcement officers under chapter 943. Any such traffic accident investigation officer who makes an investigation at the scene of a traffic accident may issue traffic citations, based upon personal investigation, when he or she has reasonable and probable grounds to believe that a person who was involved in the accident committed an offense under this chapter, chapter 319, chapter 320, or chapter 322 in connection with the accident. This subparagraph does not permit the officer to carry firearms or other weapons, and such an officer does not have authority to make arrests.

Section 16. Paragraph (a) of subsection (1) of section 318.15, Florida Statutes, is amended to read:

318.15 Failure to comply with civil penalty or to appear; penalty.—

(1)(a) If a person fails to comply with the civil penalties provided in s. 318.18 within the time period specified in s. 318.14(4), fails to enter into or comply with the terms of a penalty payment plan with the clerk of the court in accordance with ss. 318.14 and 28.246, fails to attend driver improvement school, or fails to appear at a scheduled hearing, the clerk of the court shall notify ~~the Division of Driver Licenses of~~ the Department of Highway Safety and Motor Vehicles of such failure within 10 days after such failure. Upon receipt of such notice, the department shall immediately issue an order suspending the driver's license and privilege to drive of such person effective 20 days after the date the order of suspension is mailed in accordance with s. 322.251(1), (2), and (6). Any such suspension of the driving privilege which has not been reinstated, including a similar suspension imposed outside Florida, shall remain on the records of the department for a period of 7 years from the date imposed and shall be removed from the records after the expiration of 7 years from the date it is imposed.

Section 17. Paragraph (b) of subsection (3) and subsection (5) of section 320.05, Florida Statutes, are amended to read:

320.05 Records of the department; inspection procedure; lists and searches; fees.—

(3)

(b) Fees therefor shall be charged and collected as follows:

1. For providing lists of motor vehicle or vessel records for the entire state, or any part or parts thereof, divided according to counties, a sum computed at a rate of not less than 1 cent nor more than 5 cents per item.

2. For providing noncertified photographic copies of motor vehicle or vessel documents, $1 per page.

3. For providing noncertified photographic copies of micrographic records, $1 per page.

4. For providing certified copies of motor vehicle or vessel records, $3 per record.

5. For providing noncertified computer-generated printouts of motor vehicle or vessel records, 50 cents per record.

6. For providing certified computer-generated printouts of motor vehicle or vessel records, $3 per record.

7. For providing electronic access to motor vehicle, vessel, and mobile home registration data requested by tag, vehicle identification number, title number, or decal number, 50 cents per item.

8. For providing electronic access to driver's license status report by name, sex, and date of birth or by driver license number, 50 cents per item.

9. For providing lists of licensed mobile home dealers and manufacturers and recreational vehicle dealers and manufacturers, $15 per list.

10. For providing lists of licensed motor vehicle dealers, $25 per list.

11. For each copy of a videotape record, $15 per tape.

12. For each copy of the Division of *Motorist Services* ~~Motor Vehicles~~ Procedures Manual, $25.

(5) The creation and maintenance of records by ~~the department and~~ the Division of *Motorist Services* ~~Motor Vehicles~~ pursuant to this chapter shall not be regarded as law enforcement functions of agency recordkeeping.

Section 18. Subsection (1) of section 320.18, Florida Statutes, is amended to read:

320.18 Withholding registration.—

(1) The department may withhold the registration of any motor vehicle or mobile home the owner of which has failed to register it under the provisions of law for any previous period or periods for which it appears registration should have been made in this state, until the tax for such period or periods is paid. The department may cancel any vehicle or vessel registration, driver's license, identification card, or fuel-use tax decal if the owner pays for the vehicle or vessel registration, driver's license, identification card, or fuel-use tax decal; pays any administrative, delinquency, or reinstatement fee; or pays any tax liability, penalty, or interest specified in chapter 207 by a dishonored check, or if the vehicle owner or motor carrier has failed to pay a penalty for a weight or safety violation issued by the Department of Transportation *or the Department of Highway Safety and Motor Vehicles* ~~Motor Carrier Compliance Office~~. The Department of Transportation and the Department of Highway Safety and Motor Vehicles may impound any commercial motor vehicle that has a canceled license plate or fuel-use tax decal until the tax liability, penalty, and interest specified in chapter 207, the license tax, or the fuel-use decal fee, and applicable administrative fees have been paid for by certified funds.

Section 19. Paragraphs (a) and (b) of subsection (2) of section 320.275, Florida Statutes, are amended to read:

320.275 Automobile Dealers Industry Advisory Board.—

(2) MEMBERSHIP, TERMS, MEETINGS.—

(a) The board shall be composed of 12 members. The executive director of the Department of Highway Safety and Motor Vehicles shall appoint the members from names submitted by the entities for the designated categories the member will represent. The executive director shall appoint one representative of the Department of Highway Safety and Motor Vehicles~~, who must represent the Division of Motor Vehicles~~; two representatives of the independent motor vehicle industry as recommended by the Florida Independent Automobile Dealers Association; two representatives of the franchise motor vehicle industry as recommended by the Florida Automobile Dealers Association; one representative of the auction motor vehicle industry who is from an auction chain and is recommended by a group affiliated with the National Auto Auction Association; one representative of the auction motor vehicle industry who is from an independent auction and is recommended by a group affiliated with the National Auto Auction Association; one representative from the Department of Revenue; a Florida tax collector representative recommended by the Florida Tax Collectors Association; one representative from the Better Business Bureau; one representative from the Department of Agriculture and Consumer Services, who must represent the Division of Consumer Services; and one representative of the insurance industry who writes motor vehicle dealer surety bonds.

(b)1. The executive director shall appoint the following initial members to 1-year terms: one representative from the motor vehicle auction industry who represents an auction chain, one representative from the independent motor vehicle industry, one representative from the franchise motor vehicle industry, one representative from the Department of Revenue, one Florida tax collector, and one representative from the Better Business Bureau.

2. The executive director shall appoint the following initial members to 2-year terms: one representative from the motor vehicle auction industry who represents an independent auction, one representative from the independent motor vehicle industry, one representative from the franchise motor vehicle industry, one representative from the Division of Consumer Services, one representative from the insurance industry, and one representative from the *department* ~~Division of Motor Vehicles~~.

3. As the initial terms expire, the executive director shall appoint successors from the same designated category for terms of 2 years. If renominated, a member may succeed himself or herself.

4. The board shall appoint a chair and vice chair at its initial meeting and every 2 years thereafter.

Section 20. Subsection (1) of section 321.05, Florida Statutes, is amended to read:

321.05 Duties, functions, and powers of patrol officers.—The members of the Florida Highway Patrol are hereby declared to be conservators of the peace and law enforcement officers of the state, with the common-law right to arrest a person who, in the presence of the arresting officer, commits a felony or commits an affray or breach of the peace constituting a misdemeanor, with full power to bear arms; and they shall apprehend, without warrant, any person in the unlawful commission of any of the acts over which the members of the Florida Highway Patrol are given jurisdiction as hereinafter set out and deliver him or her to the sheriff of the county that further proceedings may be had against him or her according to law. In the performance of any of the powers, duties, and functions authorized by law, members of the Florida Highway Patrol have the same protections and immunities afforded other peace officers, which shall be recognized by all courts having jurisdiction over offenses against the laws of this state, and have authority to apply for, serve, and execute search warrants, arrest warrants, capias, and other process of the court. The patrol officers under the direction and supervision of the Department of Highway Safety and Motor Vehicles shall perform and exercise throughout the state the following duties, functions, and powers:

(1) To patrol the state highways and regulate, control, and direct the movement of traffic thereon; to maintain the public peace by preventing violence on highways; to apprehend fugitives from justice; to enforce all laws ~~now in effect~~ regulating and governing traffic, travel, and public safety upon the public highways and providing for the protection of the public highways and public property thereon*, including the security and safety of this state's transportation infrastructure*; to make arrests without warrant for the violation of any state law committed in their presence in accordance with ~~the laws of this~~ state *law*; providing that no search *may* ~~shall~~ be made unless it is incident to a lawful arrest, to regulate and direct traffic concentrations and congestions; to enforce laws governing the operation, licensing, and taxing and limiting the size, weight, width, length, and speed of vehicles and licensing and controlling the operations of drivers and operators of vehicles*, including the safety, size, and weight of commercial motor vehicles*; ~~to cooperate with officials designated by law~~ to collect all state fees and revenues levied as an incident to the use or right to use the highways for any purpose*, including the taxing and registration of commercial motor vehicles*; to require the drivers of vehicles to stop and exhibit their driver's licenses, registration cards, or documents required by law to be carried by such vehicles; to investigate traffic accidents, secure testimony of witnesses and of persons involved, and make report thereof with copy, *if* ~~when~~ requested in writing, to any person in interest or his or her attorney; to investigate reported thefts of vehicles*;* and to seize contraband or stolen property on or being transported on the highways. Each patrol officer of the Florida Highway Patrol is subject to and has the same arrest and other authority provided for law enforcement officers generally in chapter 901 and has statewide jurisdiction. Each officer also has arrest authority as provided for state law enforcement officers in s. 901.15. This section *does* ~~shall~~ not ~~be construed as being in~~ conflict with, but is supplemental to, chapter 933.

Section 21. Subsections (2), (3), (4), and (5) of section 321.23, Florida Statutes, are amended to read:

321.23 Public records; fees for copies; destruction of obsolete records; photographing records; effect as evidence.—

(2) Fees for copies of public records shall be charged and collected as follows:

(a) For a crash report, a copy $10

(b) For a homicide report, a copy. $25

(c) For a uniform traffic citation, a copy $0.50

(d)~~(c)~~ Photographs (accidents, etc.):

Enlargement Proof	Color	Black & White
1. 5″ x 7″	$1.00	$0.75
2. 8″ x 10″	$1.50	$1.00
3. 11″ x 14″	Not Available	$1.75
4. 16″ x 20″	Not Available	$2.75
5. 20″ x 24″	Not Available	$3.75

~~(d)~~ The department shall furnish such information without charge to any local, state, or federal law enforcement agency upon proof satisfactory to the department as to the purpose of the investigation.

(3) Fees collected under this section shall be deposited in the Highway Safety Operating Trust Fund*, unless the department provides the crash report online, in which case the department may distribute up to $5 of the amount collected per copy to the investigating agency*.

(4) The department *may* ~~is authorized to~~ destroy reports, records, documents, papers, and correspondence which are considered obsolete.

(5) The department *may scan,* ~~is authorized to~~ photograph, microphotograph, or reproduce on film such documents, records, and reports as it may select. The photographs or microphotographs in the form of film or print of any records made in compliance with the provisions of this section shall have the same force and effect as the originals ~~thereof would have~~ and shall be treated as originals for the purpose of their admissibility in evidence. Duly certified or authenticated reproductions of such photographs or microphotographs shall be admitted in evidence equally with the original photographs or microphotographs.

Section 22. Subsection (3) of section 322.02, Florida Statutes, is amended to read:

322.02 Legislative intent; administration.—

(3) The department shall employ a director, who is charged with the duty of serving as the executive officer of the Division of *Motorist Services* ~~Driver Licenses~~ of the department insofar as the administration of this chapter is concerned. He or she shall be subject to the supervision and direction of the department, and his or her official actions and decisions as executive officer shall be conclusive unless the same are superseded or reversed by the department or by a court of competent jurisdiction.

Section 23. Subsections (1) and (5) of section 322.135, Florida Statutes, are amended, and subsection (7) is added to that section, to read:

322.135 Driver's license agents.—

(1) The department shall, upon application, authorize *by interagency agreement* any or all of the tax collectors *who are constitutional officers under s. 1(d), Art. VIII of the State Constitution* in the several counties of the state, subject to the requirements of law, in accordance with rules of the department, to serve as its agent for the provision of specified driver's license services.

(a) These services shall be limited to the issuance of driver's licenses and identification cards as authorized by this chapter.

(b) Each tax collector who is authorized by the department to provide driver's license services shall bear all costs associated with providing those services.

(c) A service fee of $6.25 shall be charged, in addition to the fees set forth in this chapter, for providing all services pursuant to this chapter. The service fee may not be charged:

1. More than once per customer during a single visit to a tax collector's office.

2. For a reexamination requested by the Medical Advisory Board or required pursuant to s. 322.221.

3. For a voter registration transaction.

4. In violation of any federal or state law.

(5) *All driver's license issuance services shall be assumed by the tax collectors who are constitutional officers under s. 1(d), Art. VIII of the State Constitution by June 30, 2015. The implementation shall follow the schedule outlined in the transition report of February 1, 2011, which was required pursuant to chapter 2010-163, Laws of Florida.* ~~The department, in conjunction with the Florida Tax Collectors Association and the Florida Association of Counties, shall develop a plan to transition all driver's license issuance services to the county tax collectors who are constitutional officers under s. 1(d), Art. VIII of the State Constitution. The transition plan must be submitted to the President of the Senate and the Speaker of the House of Representatives on or before February 1, 2011. The transition plan must include a timeline to complete the full transition of all driver's license issuance services no later than June 30, 2015, and may include, but is not limited to, recommendations on the use of regional service centers, interlocal agreements, and equipment.~~

(7) The department may create exceptions by rule for tax collectors who cannot provide full driver's license services due to the small population in the tax collectors' county.

Section 24. Subsections (9), (10), (13), (14), and (16) of section 322.20, Florida Statutes, are amended to read:

322.20 Records of the department; fees; destruction of records.—

(9) The department may, upon application, furnish to any person, from *its* ~~the~~ records ~~of the Division of Driver Licenses~~, a list of the names, addresses, and birth dates of the licensed drivers of the entire state or any portion thereof by age group. In addition, the department may furnish to the courts, for the purpose of establishing jury selection lists, the names, addresses, and birth dates of the persons of the entire state or any portion thereof by age group having identification cards issued by the department. Each person who requests such information shall pay a fee, set by the department, of 1 cent per name listed, except that the department shall furnish such information without charge to the courts for the purpose of jury selection or to any state agency or to any state attorney, sheriff, or chief of police. Such court, state agency, state attorney, or law enforcement agency may not sell, give away, or allow the copying of such information. Noncompliance with this prohibition shall authorize the department to charge the noncomplying court, state agency, state attorney, or law enforcement agency the appropriate fee for any subsequent lists requested. The department may adopt rules necessary to implement this subsection.

(10) The *department* ~~Division of Driver Licenses~~ is authorized, upon application of any person and payment of the proper fees, to search and to assist such person in the search of the records of the department and make reports thereof and to make photographic copies of the departmental records and attestations thereof.

(13) The *department* ~~Division of Driver Licenses~~ shall implement a system that allows either parent of a minor, or a guardian, or other responsible adult who signed a minor's application for a driver's license to have Internet access through a secure website to inspect the minor's driver history record. Internet access to driver history records granted to a minor's parents, guardian, or other responsible adult shall be furnished by the department at no fee and shall terminate when the minor attains 18 years of age.

(14) The department is authorized in accordance with chapter 257 to destroy reports, records, documents, papers, and correspondence ~~in the Division of Driver Licenses~~ which are considered obsolete.

(16) The creation and maintenance of records by *the Division of Motorist Services within* the department ~~and the Division of Driver Licenses~~ pursuant to this chapter shall not be regarded as law enforcement functions of agency recordkeeping.

Section 25. Section 322.202, Florida Statutes, is amended to read:

322.202 Admission of evidence obtained from the Division of *Motorist Services* ~~Driver Licenses and the Division of Motor Vehicles~~.—

(1) The Legislature finds that the Division of *Motorist Services* ~~Driver Licenses and the Division of Motor Vehicles~~ of the Department of Highway Safety and Motor Vehicles *is* ~~are~~ not *a* law enforcement *agency* ~~agencies~~. The Legislature also finds that the *division is not an adjunct* ~~divisions are not adjuncts~~ of any law enforcement agency in that employees have no stake in particular prosecutions. The Legislature further finds that errors in records maintained by the division~~s~~ are not within the collective knowledge of any law enforcement agency. The Legislature also finds that the missions of the division ~~of Driver Licenses, the Division of Motor Vehicles,~~ and the Department of Highway Safety and Motor Vehicles provide a sufficient incentive to maintain records in a current and correct fashion.

(2) The Legislature finds that the purpose of the exclusionary rule is to deter misconduct on the part of law enforcement officers and law enforcement agencies.

(3) The Legislature finds that the application of the exclusionary rule to cases where a law enforcement officer effects an arrest based on objectively reasonable reliance on information obtained from the divisions is repugnant to the purposes of the exclusionary rule and contrary to the decisions of the United States Supreme Court in *Arizona v. Evans,* 514 U.S. 1 (1995) and *United States v. Leon,* 468 U.S. 897 (1984).

(4) In any case where a law enforcement officer effects an arrest based on objectively reasonable reliance on information obtained from the divisions, evidence found pursuant to such an arrest shall not be suppressed by application of the exclusionary rule on the grounds that the arrest is subsequently determined to be unlawful due to erroneous information obtained from the divisions.

Section 26. Paragraphs (e) and (f) of subsection (1) and subsection (2) of section 322.21, Florida Statutes, are amended to read:

322.21 License fees; procedure for handling and collecting fees.—

(1) Except as otherwise provided herein, the fee for:

(e) A replacement driver's license issued pursuant to s. 322.17 is $25. Of this amount $7 shall be deposited into the Highway Safety Operating Trust Fund and $18 shall be deposited into the General Revenue Fund. *Beginning July 1, 2015, or upon completion of the transition of driver's license issuance services, if the replacement driver's license is issued by the tax collector, the tax collector shall retain the $7 that would otherwise be deposited into the Highway Safety Operating Trust Fund and the remaining revenues shall be deposited into the General Revenue Fund.*

(f) An original, renewal, or replacement identification card issued pursuant to s. 322.051 is $25. Funds collected from these fees shall be distributed as follows:

1. For an original identification card issued pursuant to s. 322.051 the fee is $25. This amount shall be deposited into the General Revenue Fund.

2. For a renewal identification card issued pursuant to s. 322.051 the fee is $25. Of this amount, $6 shall be deposited into the Highway Safety Operating Trust Fund and $19 shall be deposited into the General Revenue Fund.

3. For a replacement identification card issued pursuant to s. 322.051 the fee is $25. Of this amount, $9 shall be deposited into the Highway Safety Operating Trust Fund and $16 shall be deposited into the General Revenue Fund. *Beginning July 1, 2015, or upon completion of the transition of the driver's license issuance services, if the replacement identification card is issued by the tax collector, the tax collector shall retain the $9 that would otherwise be deposited into the Highway Safety Operating Trust Fund and the remaining revenues shall be deposited into the General Revenue Fund.*

(2) It is the duty of the director of the Division of *Motorist Services* ~~Driver Licenses~~ to set up a division in the department with the necessary personnel to perform the necessary clerical and routine work for the department in issuing and recording applications, licenses, and certificates of eligibility, including the receiving and accounting of all license funds and their payment into the State Treasury, and other incidental clerical work connected with the administration of this chapter. The department may use such electronic, mechanical, or other devices as necessary to accomplish the purposes of this chapter.

Section 27. Subsection (8) is added to section 322.56, Florida Statutes, to read:

322.56 Contracts for administration of driver's license examination.—

(8) The department shall contract with providers of approved online traffic law and substance abuse education courses to serve as third-party providers to conduct online, on behalf of the department, examinations required pursuant to ss. 322.12 and 322.1615 to applicants for Class E learner's driver's licenses.

(a) The online testing program shall:

1. Use personal questions before the examination, which the applicant is required to answer during the examination, to strengthen test security to deter fraud;

2. Require, before the start of the examination, the applicant's parent, guardian, or other responsible adult who meets the requirements of s. 322.09 to provide the third-party administrator with his or her driver's license number and to certify that the parent, guardian, or responsible adult will monitor the applicant during the examination; and

3. Require, before issuance by the department of a learner's driver's license to an applicant who has passed an online examination, the applicant's parent, guardian, or other responsible adult who meets the requirements of s. 322.09 to certify to the department that he or she monitored the applicant during the online examination. This certification shall be similar to the certification required by s. 322.05(3). This subsection does not preclude the department from continuing to provide written examinations at driver's license facilities.

(b) All data regarding an applicant's completion of the examinations required in ss. 322.12 and 322.1615 must be submitted to the department electronically in a format specified by the department. This shall be the official documentation for the completion of the examination. A third-party provider that is found to be in violation of this paragraph is automatically ineligible to provide online testing on behalf of the department for a minimum of 1 year.

(c) The department may adopt rules to administer this subsection.

Section 28. *Subsection (32) of section 334.044, Florida Statutes, is repealed.*

Section 29. Subsection (2) of section 413.012, Florida Statutes, is amended to read:

413.012 Confidential records disclosure prohibited; exemptions.—

(2) It is unlawful for any person to disclose, authorize the disclosure, solicit, receive, or make use of any list of names and addresses or any record containing any information set forth in subsection (1) and maintained in the division. The prohibition provided for in this subsection shall not apply to the use of such information for purposes directly connected with the administration of the vocational rehabilitation program or with the monthly dispatch to the Division of *Motorist Services* ~~Driver Licenses~~ of the Department of Highway Safety and Motor Vehicles of the name in full, place and date of birth, sex, social security number, and resident address of individuals with central visual acuity 20/200 or less in the better eye with correcting glasses, or a disqualifying field defect in which the peripheral field has contracted to such an extent that the widest diameter or visual field subtends an angular distance no

greater than 20 degrees. When requested in writing by an applicant or client, or her or his representative, the Division of Blind Services shall release confidential information to the applicant or client or her or his representative.

Section 30. Paragraph (c) of subsection (3) of section 921.0022, Florida Statutes, is amended to read:

921.0022 Criminal Punishment Code; offense severity ranking chart.—

Section 31. *Effective July 1, 2011, a Law Enforcement Consolidation Task Force is created.*

(1) Members of the task force shall consist of the executive director of the Department of Highway Safety and Motor Vehicles, the executive director of the Department of Law Enforcement, a representative from the Office of the Attorney General, a representative from the Department of Agriculture and Consumer Services, the Colonel of the Florida Highway Patrol, the Colonel of the Division of Law Enforcement of the Fish and Wildlife Conservation Commission, a representative from the Florida Sheriffs Association, and a representative from the Florida Police Chiefs Association.

(2) The Department of Highway Safety and Motor Vehicles shall provide administrative assistance to the task force. However, this does not include travel expenses incurred by members of the task force, which shall be borne by the agency that the member represents.

(3) The task force shall evaluate any duplication of law enforcement functions throughout state government and identify any functions that are appropriate for possible consolidation. The task force shall also evaluate administrative functions, including, but not limited to, accreditation, training, legal representation, vehicle fleets, aircraft, civilian-support staffing, information technology, and geographic regions, districts, or troops currently in use. The task force shall also evaluate whether the Florida Highway Patrol should limit its jurisdiction, except while in fresh pursuit, to the State Highway System or the Florida Intrastate Highway System. If the task force concludes that any state law enforcement consolidation is appropriate, the task force shall make recommendations and submit a plan to consolidate those state law enforcement responsibilities. Any plan submitted must include recommendations on the methodology to be used to achieve any state law enforcement consolidation recommended by the task force by June 30, 2013. The task force shall submit to the President of the Senate and the Speaker of the House of Representatives a report which includes any recommendations and plan developed by the task force by December 31, 2011. The task force expires June 30, 2012.

Section 32. *(1) The Office of Motor Carrier Compliance of the Department of Transportation is transferred to the Division of the Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles as provided in Senate Bill 2000 of the General Appropriations Act for the 2011-2012 fiscal year.*

(2) Notwithstanding ss. 216.192 and 216.351, Florida Statutes, upon approval by the Legislative Budget Commission, the Executive Office of the Governor may transfer funds and positions between agencies to implement this section.

Section 33. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Department of Highway Safety and Motor Vehicles; amending s. 20.23, F.S.; creating motor carrier weight inspection as an area of program responsibility within the Department of Transportation, which replaces motor carrier compliance; amending s. 20.24, F.S.; revising the divisions within the Department of Highway Safety and Motor Vehicles; creating the Office of Motor Carrier Compliance of the Division of the Florida Highway Patrol within the Department of Highway Safety and Motor Vehicles; amending ss. 110.205, 311.115, 316.302, 316.3025, 316.3026, 316.516, 316.545, 316.640, 320.18, and 321.05, F.S.; conforming provisions to changes made by the act; amending s. 288.816, F.S.; requiring the department rather than the Division of Motor Vehicles to issue special motor vehicle license plates; amending s. 311.121, F.S.; providing for a representative of the department rather than the Division of Driver Licenses to be appointed to the Seaport Security Officer Qualification, Training, and Standards Coordinating Council; amending s. 316.066, F.S.; revising circumstances under which a law enforcement officer is required to submit to the department a Florida Traffic Crash Report, Long Form; providing for the use of driver exchange-of-information forms under certain circumstances; eliminating provisions authorizing counties to establish certified central traffic records centers, including provisions authorizing the funding of such centers; deleting restrictions on the commercial use of crash reports; amending s. 316.1957, F.S.; requiring that motor vehicle records be maintained by the department; amending s. 316.613, F.S.; requiring the department rather than the Division of Motor Vehicles to provide notice of the requirements for child restraint devices; amending s. 318.15, F.S.; providing for the department rather than the Division of Driver Licenses to administer certain provisions governing the suspension of a person's driver's license and privilege to drive; amending s. 320.05, F.S.; providing for a Division of Motorist Services Procedures Manual; clarifying that the creation and maintenance of records by the division is not a law enforcement function; amending s. 320.275, F.S.; providing for a representative of the department rather than the Divi-

sion of Motor Vehicles to be appointed to the Automobile Dealers Industry Advisory Board; amending s. 321.23, F.S.; specifying the fee to be charged for a copy of a uniform traffic citation; providing for a portion of the fees for crash reports to be distributed to the investigating agency under certain circumstances; authorizing the Department of Highway Safety and Motor Vehicles to scan the records of crash reports, which shall be considered original copies; amending s. 322.02, F.S.; providing for the Division of Motorist Services to administer ch. 322, F.S., relating to driver's licenses; amending s. 322.135, F.S.; providing duties of the tax collectors with respect to driver's license services; directing the tax collectors who are constitutional officers to assume all driver's license issuance services by a certain date and according to a specified schedule; deleting obsolete provisions; authorizing the department to create exceptions by rule for tax collectors in counties having small populations; amending s. 322.20, F.S.; providing for the department and the Division of Motorist Services to maintain certain records; amending s. 322.202, F.S.; clarifying that the Division of Motorist Services is not a law enforcement agency and is not an adjunct of any law enforcement agency; amending s. 322.21, F.S.; requiring that, beginning on a specified date, certain fees be retained by the tax collectors who issue driver's licenses following the transition of the driver's license issuance services; providing for the Division of Motorist Services to collect fees and issue driver's licenses and identification cards and account for all license funds in the administration of ch. 322, F.S.; amending s. 322.56, F.S.; authorizing the Department of Highway Safety and Motor Vehicles to contract with third-party providers to conduct online examinations for applicants of learner's driver's licenses; providing for requirements for the online testing program; prohibiting a third-party provider from providing testing services on behalf of the department for a certain period if the provider fails to comply with certain requirements; authorizing the department to adopt rules; repealing s. 334.044(32), F.S., relating to the authorization of the Office of Motor Carrier Compliance within the Department of Transportation to employ sworn law enforcement officers to enforce traffic and criminal laws in this state; amending s. 413.012, F.S., relating to certain confidential records; conforming a reference to changes made by the act; amending s. 921.0022, F.S.; conforming a cross-reference; creating the Law Enforcement Consolidation Task Force; providing for membership; requiring the Department of Highway Safety and Motor Vehicles to provide administrative assistance to the task force; requiring the agency that is represented by a member of the task force to bear the travel expenses incurred by the member; requiring the task force to evaluate the duplication of law enforcement functions and to identify possible consolidation; requiring the task force to evaluate administrative functions; requiring the task force to make recommendations and submit a report to the Legislature by a certain date; providing for future expiration; transferring the Office of Motor Carrier Compliance of the Department of Transportation to the Division of the Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles; authorizing the Executive Office of the Governor to transfer funds and positions between agencies; providing an effective date.

The Conference Committee Amendment for SB 2162, relating to trust funds, provides for the following:

This bill creates the Welfare Transition Trust Fund within the Department of Education. This trust fund is needed in order to implement the transfer of programs to the Department of Education as proposed in legislation before the 2011 Legislature. Specifically, the School Readiness Program, proposed for transfer from the Agency for Workforce Innovation to the Department of Education as part of the creation of the Department of Economic Opportunity, is currently partially funded with federal funds derived from the Temporary Assistance for Needy Families (TANF) Block Grant.

The trust fund is established for use as a depository for receiving federal funds under the Temporary Assistance for Needy Families Program. Trust fund moneys shall be used exclusively for the purpose of providing services to individuals eligible for Temporary Assistance for Needy Families pursuant to the requirements and limitations of part A of Title IV of the Social Security Act, as amended, or any other applicable federal requirement or limitation. Funds credited to the trust fund consist of those funds collected from the Temporary Assistance for Needy Families Block Grant.

All funds transferred to and retained in the trust fund shall be invested pursuant to s. 17.61, Florida Statutes. Notwithstanding s. 216.301, Florida Statutes, and pursuant to s. 216.351, Florida Statutes, any undisbursed balance remaining in the trust fund and interest accruing to the trust fund not distributed at the end of the fiscal year shall remain in the trust fund and shall increase the total funds available for appropriation from the trust fund.

In accordance with s. 19(f)(2), Article III of the State Constitution, the Welfare Transition Trust Fund shall, unless terminated sooner, be terminated on July 1, 2015. Before its scheduled termination, the trust fund shall be reviewed as provided in s. 215.3206(1) and (2), Florida Statutes.

The effective date of the bill is July 1, 2011.

Conference Committee Amendment (171528)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *Welfare Transition Trust Fund.—*

(1) The Welfare Transition Trust Fund is created within the Department of Education.

(2) The trust fund is established for use as a depository for receiving federal funds under the Temporary Assistance for Needy Families Program. Trust fund moneys shall be used exclusively for the purpose of providing services to individuals eligible for Temporary Assistance for Needy Families pursuant to the requirements and limitations of part A of Title IV of the Social Security Act, as amended, or any other applicable federal requirement or limitation. Funds credited to the trust fund consist of those funds collected from the Temporary Assistance for Needy Families Block Grant.

(3) In accordance with s. 19(f)(2), Article III of the State Constitution, the Welfare Transition Trust Fund shall, unless terminated sooner, be terminated on July 1, 2015. Before its scheduled termination, the trust fund shall be reviewed as provided in s. 215.3206(1) and (2), Florida Statutes.

Section 2. This act shall take effect July 1, 2011, except that this act shall not take effect unless it is enacted by a three-fifths vote of the membership of each house of the Legislature.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to trust funds; creating the Welfare Transition Trust Fund within the Department of Education; providing for sources of funds and purposes; providing for future review and termination or recreation of the trust fund; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2162** was adopted. **SB 2162** passed by the required constitutional three-fifths vote of the membership as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The Conference Committee Amendment for SB 2154, creating the Federal Grants Trust Fund within the Executive Office of the Governor, provides for the following:

This bill creates the Federal Grants Trust Fund within the Executive Office of the Governor for use as a depository for funds to be used for allowable grant activities funded by restricted program revenues from federal sources.

This trust fund is needed in order to implement the transfer of the Division of Emergency Management from the Department of Community Affairs to the Executive Office of the Governor as proposed in legislation before the 2011 Legislature.

Notwithstanding s. 216.301, Florida Statutes, and pursuant to s. 216.351, Florida Statutes, any undisbursed balance remaining in the trust fund and interest accruing to the trust fund not distributed at the end of the fiscal year shall remain in the trust fund and be available for carrying out the purposes of the trust fund.

In accordance with s. 19(f)(2), Article III of the State Constitution, the trust fund shall, unless terminated sooner, be terminated on July 1, 2015. Before its scheduled termination, the trust fund shall be reviewed as provided in s. 215.3206(1) and (2), Florida Statutes.

The effective date of the bill is July 1, 2011.

Conference Committee Amendment (407470)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 14.235, Florida Statutes, is created to read:

14.235 Federal Grants Trust Fund; Executive Office of the Governor.—

(1) The Federal Grants Trust Fund is created within the Executive Office of the Governor.

(2) The trust fund is established for use as a depository for funds to be used for allowable grant activities funded by restricted program revenues from federal sources. Moneys to be credited to the trust fund shall consist of grants and funding from the Federal Government, interest earnings, and cash advances from other trust funds. Funds shall be expended only pursuant to legislative appropriation or an approved amendment to the office's operating budget pursuant to the provisions of chapter 216.

(3) Notwithstanding s. 216.301 and pursuant to s. 216.351, any balance in the trust fund at the end of any fiscal year shall remain in the trust fund at the end of the year and shall be available for carrying out the purposes of the trust fund.

(4) In accordance with s. 19(f)(2), Art. III of the State Constitution, the trust fund shall, unless terminated sooner, be terminated on July 1, 2015. Before its scheduled termination, the trust fund shall be reviewed as provided in s. 215.3206(1) and (2).

Section 2. This act shall take effect July 1, 2011, except that this act shall not take effect unless it is enacted by a three-fifths vote of the membership of each house of the Legislature.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to trust funds; creating s. 14.235, F.S.; creating the Federal Grants Trust Fund within the Executive Office of the Governor; providing for sources of funds and purposes; providing for annual carryforward of trust fund balances; providing for future review and termination or re-creation of the trust fund; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2154** was adopted. **SB 2154** passed by the required constitutional three-fifths vote of the membership as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The Conference Committee Amendment for CS for SB 1738, relating to state financial information, provides for the following:

- Creates the Agency for Enterprise Business Services, which is administratively housed in the Department of Management Services, with the Governor and Cabinet as the agency head.
- Establishes an executive director appointed by Governor and Cabinet with at least three affirmative votes and who must be confirmed by the Senate.
- Provides duties to the new agency including:
  - Developing the Enterprise Financial Business Services Strategic Plan;
  - Providing assistance to the Chief Financial Officer in developing recommendations for the uniform chart of accounts;
  - Serving as a clearinghouse for enterprise information relating to the planning, development, implementation, and evaluation of improvements to enterprise financial business services;
  - Making recommendations to the Legislature for additional substantive changes required to implement the Enterprise Financial Business Services Strategic Plan including the associated governance structure.

Conference Committee Amendment (842824)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 215.922, Florida Statutes, is created to read:

215.922 Agency for Enterprise Business Services.—The Agency for Enterprise Business Services is created within the Department of Management Services.

(1) The head of the agency shall be the Governor and Cabinet.

(2) The agency is a separate budget entity and is not subject to control, supervision, or direction by the Department of Management Services, including, but not limited to, purchasing, transitions involving real or personal property, personnel, or budgetary matters.

(3) The agency shall have an executive director who is the Enterprise Financial Business Operations Officer. The officer shall be appointed by the Governor with at least three affirmative votes of the Governor and Cabinet, subject to confirmation by the Senate. The officer serves at the pleasure of the Governor and Cabinet. The Governor may appoint an interim director until an executive director is appointed by the Governor and confirmed by the Cabinet.

(4) The agency shall have the following duties and responsibilities:

(a) Develop and submit an Enterprise Financial Business Strategic Plan to the Governor and Cabinet, the President of the Senate, and the Speaker of the House of Representatives by December 1, 2012. The plan must include, but not be limited to, the following:

1. An inventory of all agency financial business systems that are maintained by executive branch agencies. At a minimum the inventory must include the following:

a. The name of each system, the number of end users who must use the system to perform their job functions, and the associated financial business processes and a description of the system functionality that supports these processes.

b. The total cost of operating and maintaining each agency financial business system on a fiscal-year basis. The total cost calculation must, at a minimum, include staffing requirements, hardware and software costs, and contracted services and external service provider costs.

c. A description of any projects and enhancements planned or underway for each agency financial business system for the 2011-2012 and 2012-2013 fiscal years.

d. Any state or federal laws that require the implementation and use of the agency financial business system.

2. Identification of and recommendations relating to the financial business functions that should be standardized and proposed as enterprise financial business functions. For purposes of this identification, an enterprise financial business function is a function that is currently common or should be common among multiple state agencies.

3. An assessment of whether any agency financial business systems should be considered for inclusion in the Florida Financial Management Information System. For purposes of this assessment, in order for an agency financial business system to be considered for inclusion in the system it must:

a. Provide financial and administrative data and information or functionality that is essential to a statewide financial operation.

b. Provide a financial business service that the agency recommends should be an enterprise financial business service.

c. Provide financial data, information, or functionality that is not partially or completely duplicated by a subsystem identified in s. 215.94.

d. Demonstrate that the agency financial business system's financial data, information, or functionality can be provided in a cost-effective manner.

4. The status of projects currently underway that affect agency financial business systems and the subsystems of the Florida Financial Management Information System.

5. The total cost of operating and maintaining each subsystem of the Florida Financial Management Information System pursuant to s. 215.94 on a fiscal-year basis, the staff required for operation and main-

tenance of each subsystem, the number of end users who must use the subsystem to perform their job functions, and federal law specifically requiring the implementation of the subsystem.

6. Recommendations for modifications and enhancements to the Florida Financial Management Information System which should include projects proposed to replace or enhance its subsystems and the decommissioning of any agency financial business systems. Recommendations must include, but not be limited to:

a. A description of the enterprise financial business services that should be provided by the Florida Financial Management Information System. The description must be sufficient to determine the functionality that will be provided by the system and to identify which agency financial business system services should be incorporated as enterprise financial business services;

b. A proposal of the agency financial business systems that should be considered for inclusion in the Florida Financial Management Information System;

c. Major initiatives and implementation strategies necessary to achieve the recommendations;

d. The proposed standardization of state financial data elements and codes and recommended changes to ensure the use of common data codes by the subsystems;

e. Proposals to eliminate specific impediments to achieving the standardized enterprise financial business services;

f. Proposed substantive and fiscal changes necessary to implement the recommended changes to the Florida Financial Information Management System; and

g. Proposed governance structure changes to the Florida Financial Management Board and its coordinating council.

(b) Provide assistance to the Chief Financial Officer in the recommendation of a uniform chart of accounts.

(c) Serve as a clearinghouse for enterprise information relating to the planning, development, implementation, and evaluation of improvements to enterprise financial business services.

(d) Develop and submit to the Governor and Cabinet, the President of the Senate, and the Speaker of the House of Representatives by December 1, 2012, recommendations for revisions to the Florida Financial Management Information Systems Act.

Section 2. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to state financial information; creating s. 215.922, F.S.; establishing the Agency for Enterprise Business Services within the Department of Management Services; providing that the office is a separate budget entity not subject to the department; providing an executive director appointed by the Governor, confirmed by the Cabinet, and subject to confirmation by the Senate; providing for an executive director; providing the duties of the agency; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **CS for SB 1738** was adopted. **CS for SB 1738** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

The Conference Committee Amendment for SB 2096, relating to state financial information, provides for the following:

- Requires charter schools and charter technical career centers to post their financial information on the Transparency Florida website.

- Requires the Auditor General to annually submit to the Legislature a list of any school districts, charter schools, charter technical career centers, colleges, state universities, and water management districts that have failed to comply with the transparency requirements.

- Changes the exemption criteria for municipalities or special districts from a population threshold (fewer than 10,000) to a revenue threshold (less than $10 million in total annual revenues).

- Requires water management districts to post their financial statements on their websites by 9/1/11.

- Requires the Chief Financial Officer to make a state contract management system publically available that includes information and documentation relating to contracts procured by state governmental entities.

- Requires agency procurement staff to update information within 30 days of any major change to a contract or the execution of a new contract. A major change includes a contract renewal, extension, termination or amendment.

Conference Committee Amendment (360508)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (i) is added to subsection (7) of section 11.45, Florida Statutes, to read:

11.45 Definitions; duties; authorities; reports; rules.—

(7) AUDITOR GENERAL REPORTING REQUIREMENTS.—

(i) Beginning in 2012, the Auditor General shall annually transmit by July 15, to the President of the Senate, the Speaker of the House of Representatives, and the Department of Financial Services, a list of all school districts, charter schools, charter technical career centers, Florida College System institutions, state universities, and water management districts that have failed to comply with the transparency requirements as identified in the audit reports reviewed pursuant to paragraph (b) and those conducted pursuant to (2).

Section 2. Subsections (2), (5), (6), and (11) through (14) of section 215.985, Florida Statutes, are amended, and subsections (15) and (16) are added to that section, to read:

215.985 Transparency in government spending.—

(2) As used in this section, the term:

(a) "Governmental entity" means any state, regional, county, municipal, special district, or other political subdivision whether executive, judicial, or legislative, including, but not limited to, any department, division, bureau, commission, authority, district, or agency thereof, or any public school ~~district~~, *Florida College System institution* ~~community college~~, state university, or associated board.

(b) "Website" means a site on the Internet which is easily accessible to the public at no cost and does not require the user to provide any information.

(c) "Committee" means the Legislative Auditing Committee created in s. 11.40.

(5) The committee shall recommend a format for collecting and displaying information from state universities, ~~public schools~~, *Florida College System institutions* ~~community colleges~~, *school districts, charter schools, charter technical career centers,* local governmental units, and other governmental entities ~~receiving state appropriations~~.

(6) By *November 1, 2012, and annually thereafter* ~~March 1, 2010~~, the committee shall develop a schedule for adding *additional* ~~other~~ information to the website by type of information and governmental entity, including timeframes and development entity. The schedule *for adding additional information* shall be submitted to the President of the Senate and the Speaker of the House of Representatives. Additional information may include:

(a) Disbursements by the governmental entity from funds established within the treasury of the governmental entity, including, for all branches of state government, allotment balances in the Florida Accounting Information Resource Subsystem.

(b) Revenues received by each governmental entity, including receipts or deposits by the governmental entity into funds established within the treasury of the governmental entity.

(c) Information relating to a governmental entity's bonded indebtedness, including, but not limited to, the total amount of obligation stated in terms of principal and interest, an itemization of each obligation, the term of each obligation, the source of funding for repayment of each obligation, the amounts of principal and interest previously paid to reduce each obligation, the balance remaining of each obligation, any refinancing of any obligation, and the cited statutory authority to issue such bonds.

(d) Links to available governmental entity websites.

(11) *A* ~~Any~~ municipality or special district *that has total annual revenues of less than $10 million* ~~having a population of 10,000 or fewer~~ is exempt from this section. ~~Population determinations must be based on the most recent population estimates prepared pursuant to s. 186.901.~~

(12) By September 1, 2011, each water management district shall provide a monthly financial statement to its governing board and make such statement available for public access on its website.

(13)~~(12)~~ This section does not require or permit the disclosure of information that is considered confidential by state or federal law.

(14)~~(13)~~ The Office of Policy and Budget in the Executive Office of the Governor shall ensure that all data added to the website remains accessible to the public for 10 years.

(15)~~(14)~~ The committee shall prepare an annual report detailing progress in establishing the single website and providing recommendations for enhancement of the content and format of the website and related policies and procedures. The first report shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1, 2011, and annually by November 1 thereafter.

(16) The Chief Financial Officer shall provide public access to a state contract management system that provides information and documentation relating to contracts procured by governmental entities.

(a) The data collected in the system must include, but need not be limited to, the contracting agency; the procurement method; the contract beginning and ending dates; the type of commodity or service; the purpose of the commodity or service; the compensation to be paid; compliance information, such as performance metrics for the service or commodity; contract violations; the number of extensions or renewals; and the statutory authority for providing the service.

(b) Within 30 days after a major change to an existing contract or the execution of a new contract, agency procurement staff of the affected state governmental entity shall update the necessary information in the state contract management system. A major change to a contract includes, but is not limited to, a renewal, termination, or extension of the contract or an amendment to the contract.

Section 3. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to state financial information; amending s. 11.45, F.S.; requiring that the Auditor General annually provide to the Legislature and the Department of Financial Services a list of specified entities that have failed to comply with certain financial transparency requirements; amending s. 215.985, F.S., relating to the Transparency Florida Act; revising the definition of the term "governmental entity"; adding additional governmental entities to those for which the Legislative Auditing Committee recommends a format for collecting and displaying financial information; revising the schedule for adding information to the state's official website; revising provisions exempting certain municipalities and special districts from the Transparency Florida Act; requiring each water management district to submit monthly detailed financial statements to its governing board and post such statement on its website; requiring the Chief Financial Officer to provide public access to a state contract management system; providing the information that must be available on the system; requiring agency procurement staff to update data in the system; providing an effective date.

- The Conference Committee Amendment for SB 2098, 1st Eng., relating to the consolidation of state information technology services, provides for the following:

- Clarifies the required components of the Agency for Enterprise Information Technology's annual work plan.

- Clarifies the duties of the Agency for Enterprise Information Technology pertaining to the state data center system, to include developing rules relating to its operation.

- Establishes in statute the agency schedule for data center consolidations, providing requirements for the development and submission of appropriate transition plans, providing requirements for the execution of new or updated service level agreements, and establishing agency limitations pertaining to their agency data centers and email services.

- Provides that approval to transition to a statewide email system is contingent on approval by the Legislative Budget Commission.

- Eliminates the Agency Chief Information Officers Council.

- Eliminates the requirement that agencies hire a Chief Information Officer.

Conference Committee Amendment (490478)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsections (4), (5), and (6) of section 14.204, Florida Statutes, are amended to read:

14.204 Agency for Enterprise Information Technology.—The Agency for Enterprise Information Technology is created within the Executive Office of the Governor.

(4) The agency shall have the following duties and responsibilities:

(a) Develop strategies for the design, *planning, project management,* delivery, and management of ~~the~~ enterprise information technology services established in law*, including the state data center system service established in s. 282.201, the information technology security service established in s. 282.318, and the statewide e-mail service established in s. 282.34*.

(b) Monitor the *implementation,* delivery, and management of the enterprise information technology services as established in law.

(c) Make recommendations to the agency head and the Legislature concerning other information technology services that should be designed, delivered, and managed as enterprise information technology services as defined in s. 282.0041.

(d) Plan and establish policies for managing proposed statutorily authorized enterprise information technology services, which includes:

1. Developing business cases that, when applicable, include the components identified in s. 287.0571;

2. Establishing and coordinating project-management teams;

3. Establishing formal risk-assessment and mitigation processes; and

4. Providing for independent monitoring of projects for recommended corrective actions.

(e) ~~Beginning October 1, 2010,~~ Develop, publish, and biennially update a long-term strategic enterprise information technology plan that identifies and recommends strategies and opportunities to improve the delivery of cost-effective and efficient enterprise information technology services to be proposed for establishment pursuant to s. 282.0056.

(f) Perform duties related to *enterprise information technology services, including* the state data center system *established in* ~~as provided in~~ s. 282.201*, the information technology security service established in s. 282.318, and the statewide e-mail service established in s. 282.34*.

(g) Coordinate *technology resource* acquisition planning*, and assist the Department of Management Service's Division of Purchasing with using aggregate buying methodologies whenever possible* and *with* procurement negotiations for hardware and software products and services in order to improve the efficiency and reduce the cost of enterprise information technology services.

(h) In consultation with the Division of Purchasing in the Department of Management Services, coordinate procurement negotiations for information technology products as defined in s. 282.0041 which will be used by multiple agencies.

(i) In coordination with, and through the services of, the Division of Purchasing in the Department of Management Services, establish best practices for the procurement of information technology products as defined in s. 282.0041 in order to achieve savings for the state.

(j) Develop information technology standards for *the efficient design, planning, project management, implementation, and delivery of* enterprise information technology services. *All state agencies must make the transition to the new standards.*

(k) Provide annually, by December 31, recommendations to the Legislature relating to techniques for consolidating the purchase of information technology commodities and services~~,~~ which result in savings for the state, and for establishing a process to achieve savings through consolidated purchases.

(5) ~~The Office of Information Security shall be created within the agency.~~ The agency shall designate a state Chief Information Security Officer who shall ~~oversee the office and~~ report directly to the executive director.

(6) The agency shall operate in a manner that ensures the participation and representation of state agencies ~~and the Agency Chief Information Officers Council established in s. 282.315~~.

Section 2. Subsection (10) of section 20.315, Florida Statutes, is amended to read:

20.315 Department of Corrections.—There is created a Department of Corrections.

(10) SINGLE INFORMATION AND RECORDS SYSTEM.—~~There shall be~~ Only one offender-based information and records computer system *shall be* maintained by the Department of Corrections for the joint use of the department and the Parole Commission. *The* ~~This~~ data system shall be managed through the department's *office of information technology* ~~Justice Data Center~~. The department shall develop and maintain, in consultation with the Criminal and Juvenile Justice Information Systems Council under s. 943.08, such offender-based information, including clemency administration information and other computer services to serve the needs of both the department and the Parole Commission. The department shall notify the commission of all violations of parole and the circumstances thereof.

Section 3. Present subsections (4) through (30) of section 282.0041, Florida Statutes, are redesignated as subsections (2) through (28), respectively, and present subsections (2), (3), (14), and (19) of that section are amended, to read:

282.0041 Definitions.—As used in this chapter, the term:

~~(2) "Agency chief information officer" means the person employed by the agency head to coordinate and manage the information technology functions and responsibilities applicable to that agency, to participate and represent the agency in developing strategies for implementing enterprise information technology services established pursuant to this part, and to develop recommendations for enterprise information technology policy.~~

~~(3) "Agency Chief Information Officers Council" means the council created in s. 282.315.~~

(12)~~(14)~~ "E-mail, messaging, and calendaring service" means the enterprise information technology service that enables users to send, receive, file, store, manage, and retrieve electronic messages, attachments, appointments, and addresses. *The e-mail, messaging, and calendaring service must include e-mail account management; help desk; technical support and user provisioning services; disaster recovery and backup and restore capabilities; antispam and antivirus capabilities; archiving and e-discovery; and remote access and mobile messaging capabilities.*

(17)~~(19)~~ "Primary data center" means a ~~state or nonstate agency~~ data center that is a recipient entity for consolidation of nonprimary data centers and computing facilities *and that is established by*~~. A primary data center may be authorized in~~ law ~~or designated by the Agency for Enterprise Information Technology pursuant to s. 282.201~~.

Section 4. Subsection (1) of section 282.0056, Florida Statutes, is amended to read:

282.0056 Development of work plan; development of implementation plans; and policy recommendations.—

(1) For the purposes of carrying out its responsibilities under s. 282.0055, the Agency for Enterprise Information Technology shall develop an annual work plan within 60 days after the beginning of the fiscal year describing the activities that the agency intends to undertake for that year, including proposed outcomes and completion timeframes *for the planning and implementation of all enterprise information technology services*. The work plan must be presented at a public hearing *and* ~~that includes the Agency Chief Information Officers Council, which may review and comment on the plan. The work plan must thereafter be~~ approved by the Governor and Cabinet*,* and *thereafter* submitted to the President of the Senate and the Speaker of the House of Representatives. The work plan may be amended as needed, subject to approval by the Governor and Cabinet.

Section 5. Subsections (2) and (3) of section 282.201, Florida Statutes, are amended, present subsections (4) and (5) of that section are amended and renumbered as subsections (5) and (6), respectively, and a new subsection (4) is added to that section, to read:

282.201 State data center system; agency duties and limitations.—A state data center system that includes all primary data centers, other nonprimary data centers, and computing facilities, and that provides an enterprise information technology service as defined in s. 282.0041, is established.

(2) AGENCY FOR ENTERPRISE INFORMATION TECHNOLOGY DUTIES.—The Agency for Enterprise Information Technology shall:

(a) Collect and maintain information necessary for developing policies relating to the data center system, including, but not limited to, an inventory of facilities.

(b) Annually approve cost-recovery mechanisms and rate structures for primary data centers which recover costs through charges to customer entities.

(c) By *September 30* ~~December 31~~ of each year, submit to the *Legislature, the Executive Office of the Governor, and the primary data centers* ~~Legislature~~ recommendations to improve the efficiency and *cost-effectiveness* ~~effectiveness~~ of computing services provided by state data center system facilities. Such recommendations *must* ~~may~~ include, but need not be limited to:

1. Policies for improving the cost-effectiveness and efficiency of the state data center system*, which includes the primary data centers being transferred to a shared, virtualized server environment, and the associated cost savings resulting from the implementation of such policies*.

2. Infrastructure improvements supporting the consolidation of facilities or preempting the need to create additional data centers or computing facilities.

~~3. Standards for an objective, credible energy performance rating system that data center boards of trustees can use to measure state data center energy consumption and efficiency on a biannual basis.~~

3.~~4.~~ Uniform disaster recovery standards.

4.~~5.~~ Standards for primary data centers *which provide cost-effective services and* ~~providing~~ transparent financial data to user agencies.

5.~~6.~~ Consolidation of contract practices or coordination of software, hardware, or other technology-related procurements *and the associated cost savings*.

6.~~7.~~ Improvements to data center governance structures.

(d) By October 1 of each year beginning in *2011, provide recommendations* ~~2009, recommend~~ to the Governor and Legislature *relating to changes to the schedule for the consolidations of state agency data centers as provided in subsection (4)* ~~at least two nonprimary data centers for consolidation into a primary data center or nonprimary data center facility~~.

~~1. The consolidation proposal must provide a transition plan that includes:~~

~~a. Estimated transition costs for each data center or computing facility recommended for consolidation;~~

~~b. Detailed timeframes for the complete transition of each data center or computing facility recommended for consolidation;~~

~~c. Proposed recurring and nonrecurring fiscal impacts, including increased or decreased costs and associated budget impacts for affected budget entities;~~

~~d. Substantive legislative changes necessary to implement the transition; and~~

~~e. Identification of computing resources to be transferred and those that will remain in the agency. The transfer of resources must include all hardware, software, staff, contracted services, and facility resources performing data center management and operations, security, backup and recovery, disaster recovery, system administration, database administration, system programming, job control, production control, print, storage, technical support, help desk, and managed services but excluding application development.~~

1.~~2.~~ *The* recommendations *must* ~~shall~~ be based on the goal of maximizing current and future cost savings *by*~~. The agency shall consider the following criteria in selecting consolidations that maximize efficiencies by providing the ability to~~:

a. *Consolidating* ~~Consolidate~~ purchase decisions;

b. *Leveraging* ~~Leverage~~ expertise and other resources to gain economies of scale;

c. *Implementing* ~~Implement~~ state information technology policies more effectively; *and*

d. *Maintaining or improving* ~~Maintain or improve~~ the level of service provision to customer entities~~; and~~

~~e. Make progress towards the state's goal of consolidating data centers and computing facilities into primary data centers~~.

2.~~3.~~ The agency shall establish workgroups as necessary to ensure participation by affected agencies in the development of recommendations related to consolidations.

~~(e) By December 31, 2010, the agency shall develop and submit to the Legislature an overall consolidation plan for state data centers. The plan shall indicate a timeframe for the consolidation of all remaining non-~~

~~primary data centers into primary data centers, including existing and proposed primary data centers, by 2019.~~

(e)~~(f)~~ Develop and establish rules relating to the operation of the state data center system which comply with applicable federal regulations, including 2 C.F.R. part 225 and 45 C.F.R. *The agency shall publish notice of rule development in the Florida Administrative Weekly by October 1, 2011.* The rules *must* ~~may~~ address:

1. Ensuring that financial information is captured and reported consistently and accurately.

2. Identifying standards for hardware, including standards for a shared, virtualized server environment, and operations system software and other operational software, including security and network infrastructure, for the primary data centers; requiring compliance with such standards in order to enable the efficient consolidation of the agency data centers or computing facilities; and providing an exemption process from compliance with such standards, which must be consistent with paragraph (5)(b).

~~2. Requiring the establishment of service level agreements executed between a data center and its customer entities for services provided.~~

3. Requiring annual full cost recovery on an equitable rational basis. The cost-recovery methodology must ensure that no service is subsidizing another service and may include adjusting the subsequent year's rates as a means to recover deficits or refund surpluses from a prior year.

4. Requiring that any special assessment imposed to fund expansion is based on a methodology that apportions the assessment according to the proportional benefit to each customer entity.

5. Requiring that rebates be given when revenues have exceeded costs, that rebates be applied to offset charges to those customer entities that have subsidized the costs of other customer entities, and that such rebates may be in the form of credits against future billings.

6. Requiring that all service-level agreements have a contract term of up to 3 years, but may include an option to renew for up to 3 additional years contingent on approval by the board, and require at least a 180-day notice of termination.

~~7. Designating any nonstate data center as a primary data center if the center:~~

~~a. Has an established governance structure that represents customer entities proportionally.~~

~~b. Maintains an appropriate cost allocation methodology that accurately bills a customer entity based on the actual direct and indirect costs to the customer entity, and prohibits the subsidization of one customer entity's costs by another entity.~~

~~c. Has sufficient raised floor space, cooling, and redundant power capacity, including uninterruptible power supply and backup power generation, to accommodate the computer processing platforms and support necessary to host the computing requirements of additional customer entities.~~

~~8. Removing a nonstate data center from primary data center designation if the nonstate data center fails to meet standards necessary to ensure that the state's data is maintained pursuant to subparagraph 7.~~

(3) STATE AGENCY DUTIES.—

(a) For the purpose of completing its work activities as described in subsection (1), each state agency shall provide to the Agency for Enterprise Information Technology all requested information and any other information relevant to the agency's ability to effectively transition its computer services into a primary data center. The agency shall also participate as required in workgroups relating to specific consolidation planning and implementation tasks as assigned by the Agency for Enterprise Information Technology and determined necessary to accomplish consolidation goals.

(b) Each state agency shall submit to the Agency for Enterprise Information Technology information relating to its data centers and computing facilities as required in instructions issued by July 1 of each year by the Agency for Enterprise Information Technology. The information required may include:

1. Amount of floor space used and available.

2. Numbers and capacities of mainframes and servers.

3. Storage and network capacity.

4. Amount of power used and the available capacity.

5. Estimated expenditures by service area, including hardware and software, numbers of full-time equivalent positions, personnel turnover, and position reclassifications.

6. A list of contracts in effect for the fiscal year, including, but not limited to, contracts for hardware, software and maintenance, including the expiration date, the contract parties, and the cost of the contract.

7. Service-level agreements by customer entity.

~~(c) The chief information officer of each state agency shall assist the Agency for Enterprise Information Technology at the request of the Agency for Enterprise Information Technology.~~

(c)~~(d)~~ Each state agency customer of a primary data center shall notify the data center, by May 31 and November 30 of each year, of any significant changes in anticipated utilization of data center services pursuant to requirements established by the boards of trustees of each primary data center.

(4) SCHEDULE FOR CONSOLIDATIONS OF AGENCY DATA CENTERS.—

(a) Consolidations of agency data centers shall be made by the date and to the specified primary data center as provided in this section and in accordance with budget adjustments contained in the General Appropriations Act.

(b) By December 31, 2011, the following shall be consolidated into the Northwest Regional Data Center:

1. The Department of Education's Knott Data Center in the Turlington Building.

2. The Department of Education's Division of Vocational Rehabilitation.

3. The Department of Education's Division of Blind Services, except for the division's disaster recovery site in Daytona Beach.

4. The FCAT Explorer.

5. FACTS.org.

(c) During the 2011-2012 fiscal year, the following shall be consolidated into the Southwood Shared Resource Center:

1. By September 30, 2011, the Department of Corrections.

2. By March 31, 2012, the Department of Transportation's Burns Building.

3. By March 31, 2012, the Department of Transportation's Survey & Mapping Office.

(d) During the 2011-2012 fiscal year, the following shall be consolidated into the Northwood Shared Resource Center:

1. By July 1, 2011, the Department of Transportation's Office of Motor Carrier Compliance.

2. By March 31, 2012, the Department of Highway Safety and Motor Vehicles.

(e) During the 2012-2013 fiscal year, the following shall be consolidated into the Southwood Shared Resource Center:

1. By September 30, 2012, the Division of Emergency Management and the Department of Community Affairs, except for the Emergency

Operation Center's management system in Tallahassee and the Camp Blanding Emergency Operations Center in Starke.

2. By September 30, 2012, the Department of Revenue's Carlton Building and Imaging Center locations.

3. By December 31, 2012, the Department of Health's Test and Development Lab and all remaining data center resources located at the Capital Circle Office Complex.

(f) During the 2012-2013 fiscal year, the following shall be consolidated into the Northwood Shared Resource Center:

1. By July 1, 2012, the Agency for Health Care Administration.

2. By December 31, 2012, the Department of Environmental Protection's Palmetto Commons.

3. By March 30, 2013, the Department of Law Enforcement's headquarters location.

(g) During the 2013-2014 fiscal year, the following agencies shall work with the Agency for Enterprise Information Technology to begin preliminary planning for consolidation into a primary data center:

1. The Department of the Lottery's headquarters location.

2. The Department of Legal Affairs.

3. The Fish and Wildlife Conservation Commission, except for the commission's Fish and Wildlife Research Institute in St. Petersburg.

4. The Executive Office of the Governor.

5. The Department of Veterans' Affairs.

6. The Department of Elderly Affairs.

7. The Department of Financial Services' Hartman, Larson, and Fletcher Building Data Centers.

8. The Department of Agriculture and Consumer Services' Agriculture Management Information Center in the Mayo Building and Division of Licensing.

(h) During the 2014-2015 fiscal year, the following agencies shall work with the Agency for Enterprise Information Technology to begin preliminary planning for consolidation into a primary data center:

1. The Department of Health's Jacksonville Lab Data Center.

2. The Department of Transportation's district offices, toll offices, and the District Materials Office.

3. The Department of Military Affairs' Camp Blanding Joint Training Center in Starke.

4. The Department of Community Affairs' Camp Blanding Emergency Operations Center in Starke.

5. The Department of Education's Division of Blind Services disaster recovery site in Daytona Beach.

6. The Department of Education's disaster recovery site at Santa Fe College.

7. The Department of the Lottery's Disaster Recovery Backup Data Center in Orlando.

8. The Fish and Wildlife Conservation Commission's Fish and Wildlife Research Institute in St. Petersburg.

9. The Department of Children and Family Services' Suncoast Data Center in Tampa.

10. The Department of Children and Family Services' Florida State Hospital in Chattahoochee.

(i) During the 2015-2016 fiscal year, all computing resources remaining within an agency nonprimary data center or computing facility shall be transferred to a primary data center for consolidation unless otherwise required to remain in the agency for specified financial, technical, or business reasons that must be justified in writing and approved by the Agency for Enterprise Information Technology. Such data centers, computing facilities, and resources must be identified by the Agency for Enterprise Information Technology by October 1, 2014.

(j) Any agency that is consolidating agency data centers into a primary data center must execute a new or update an existing service-level agreement within 60 days after the specified consolidation date, as required by s. 282.203, in order to specify the services and levels of service it is to receive from the primary data center as a result of the consolidation. If an agency is unable to execute a service-level agreement by that date, the agency shall submit a report to the Executive Office of the Governor and to the chairs of the legislative appropriations committees within 5 working days after that date which explains the specific issues preventing execution and describing its plan and schedule for resolving those issues.

(k) Beginning September 1, 2011, and every 6 months thereafter until data center consolidations are complete, the Agency for Enterprise Information Technology shall provide a status report on the implementation of the consolidations that must be completed during the fiscal year. The report shall be submitted to the Executive Office of the Governor and the chairs of the legislative appropriations committees. The report must, at a minimum, describe:

1. Whether the consolidation is on schedule, including progress on achieving the milestones necessary for successful and timely consolidation of scheduled agency data centers and computing facilities; and

2. The risks that may affect the progress or outcome of the consolidation and how these risks are being addressed, mitigated, or managed.

(l) Each agency identified in this subsection for consolidation into a primary data center shall submit a transition plan to the Agency for Enterprise Information Technology by September 1 of the fiscal year before the fiscal year in which the scheduled consolidation will occur. Transition plans shall be developed in consultation with the appropriate primary data centers and the Agency for Enterprise Information Technology, and must include:

1. An inventory of the agency data center's resources being consolidated, including all hardware, software, staff, and contracted services, and the facility resources performing data center management and operations, security, backup and recovery, disaster recovery, system administration, database administration, system programming, job control, production control, print, storage, technical support, help desk, and managed services, but excluding application development;

2. A description of the level of services needed to meet the technical and operational requirements of the platforms being consolidated and an estimate of the primary data center's cost for the provision of such services;

3. A description of resources for computing services proposed to remain in the department;

4. A timetable with significant milestones for the completion of the consolidation; and

5. The specific recurring and nonrecurring budget adjustments of budget resources by appropriation category into the appropriate data-processing category pursuant to the legislative budget instructions in s. 216.023 necessary to support agency costs for the transfer.

(m) Each primary data center shall develop a transition plan for absorbing the transfer of agency data center resources based upon the timetables for transition as provided in this subsection. The plan shall be submitted to the Agency for Enterprise Information Technology, the Executive Office of the Governor, and the chairs of the legislative appropriations committees by September 30 of the fiscal year before the fiscal year in which the scheduled consolidations will occur. Each plan must include:

1. An estimate of the cost to provide data center services for each agency scheduled for consolidation;

2. A staffing plan that identifies the projected staffing needs and requirements based on the estimated workload identified in the agency transition plan;

3. The fiscal year adjustments to budget categories in order to absorb the transfer of agency data center resources pursuant to the legislative budget request instructions provided in s. 216.023;

4. An analysis of the cost effects resulting from the planned consolidations on existing agency customers; and

5. A description of any issues that must be resolved in order to accomplish as efficiently and effectively as possible all consolidations required during the fiscal year.

(n) The Agency for Enterprise Information Technology shall develop a comprehensive transition plan, which shall be submitted by October 15th of the fiscal year before the fiscal year in which the scheduled consolidations will occur to each primary data center, to the Executive Office of the Governor, and the chairs of the legislative appropriations committees. The transition plan shall be developed in consultation with agencies submitting agency transition plans and with the affected primary data centers. The comprehensive transition plan must include:

1. Recommendations for accomplishing the proposed transitions as efficiently and effectively as possible with minimal disruption to customer agency business processes;

2. Strategies to minimize risks associated with any of the proposed consolidations;

3. A compilation of the agency transition plans submitted by agencies scheduled for consolidation for the following fiscal year; and

4. Revisions to any budget adjustments provided in the agency or primary data center transition plans.

(o) Any agency data center scheduled for consolidation after the 2011-2012 fiscal year may consolidate into a primary data center before its scheduled date contingent upon the approval of the Agency for Enterprise Information Technology.

(5)~~(4)~~ AGENCY LIMITATIONS.—

(a) Unless authorized by the Legislature or as provided in paragraphs (b) and (c), a state agency may not:

1. Create a new computing facility or data center, or expand the capability to support additional computer equipment in an existing computing facility or nonprimary data center;

2. Spend funds before the agency's scheduled consolidation into a primary data center to purchase or modify hardware or operations software that does not comply with hardware and software standards established by the Agency for Enterprise Information Technology pursuant to paragraph (2)(e) for the efficient consolidation of the agency data centers or computing facilities;

3.~~2.~~ Transfer existing computer services to *any data center other than* a *primary* ~~nonprimary~~ data center ~~or computing facility~~;

4.~~3.~~ Terminate services with a primary data center or transfer services between primary data centers without giving written notice of intent to terminate or transfer services 180 days before such termination or transfer; or

5.~~4.~~ Initiate a new computer service if it does not currently have an internal data center except with a primary data center.

(b) Exceptions to the limitations in subparagraphs (a)1., 2., *3.,* and *5.* ~~4.~~ may be granted by the Agency for Enterprise Information Technology if there is insufficient capacity in a primary data center to absorb the workload associated with agency computing services*, if expenditures are compatible with the scheduled consolidation and the standards established pursuant to paragraph (2)(e), or if the equipment or resources are needed to meet a critical agency business need that cannot be satisfied from surplus equipment or resources of the primary data center until the agency data center is consolidated*.

1. A request for an exception must be submitted in writing to the Agency for Enterprise Information Technology. The agency must accept, accept with conditions, or deny the request within 60 days after receipt of the written request. The agency's decision is not subject to chapter 120.

2. At a minimum, the agency may not approve a request unless it includes:

a. Documentation approved by the primary data center's board of trustees which confirms that the center cannot meet the capacity requirements of the agency requesting the exception within the current fiscal year.

b. A description of the capacity requirements of the agency requesting the exception.

c. Documentation from the agency demonstrating why it is critical to the agency's mission that the expansion or transfer must be completed within the fiscal year rather than when capacity is established at a primary data center.

(c) Exceptions to subparagraph *(a)4.* ~~(a)3.~~ may be granted by the board of trustees of the primary data center if the termination or transfer of services can be absorbed within the current cost-allocation plan.

(d) Upon the termination of or transfer of agency computing services from the primary data center, the primary data center shall require information sufficient to determine compliance with this section. If a primary data center determines that an agency is in violation of this section, it shall report the violation to the Agency for Enterprise Information Technology.

(6)~~(5)~~ RULES.—The Agency for Enterprise Information Technology *may* ~~is authorized to~~ adopt rules ~~pursuant to ss. 120.536(1) and 120.54~~ to administer ~~the provisions of~~ this part relating to the state data center system including the primary data centers.

Section 6. Paragraphs (f) through (l) of subsection (1), paragraph (a) of subsection (2), and paragraph (j) of subsection (3) of section 282.203, Florida Statutes, are amended to read:

282.203 Primary data centers.—

(1) DATA CENTER DUTIES.—Each primary data center shall:

~~(f) By December 31, 2010, submit organizational plans that minimize the annual recurring cost of center operations and eliminate the need for state agency customers to maintain data center skills and staff within their agency. The plans shall:~~

~~1. Establish an efficient organizational structure describing the roles and responsibilities of all positions and business units in the centers;~~

~~2. Define a human resources planning and management process that shall be used to make required center staffing decisions; and~~

~~3. Develop a process for projecting staffing requirements based on estimated workload identified in customer agency service level agreements.~~

(f)~~(g)~~ Maintain the performance of the facility, which includes ensuring proper data backup, data backup recovery, an effective disaster recovery plan, and appropriate security, power, cooling and fire suppression, and capacity.

(g)~~(h)~~ Develop a business continuity plan and conduct a live exercise of the plan at least annually. The plan must be approved by the board and the Agency for Enterprise Information Technology.

(h)~~(i)~~ Enter into a service-level agreement with each customer entity to provide services as defined and approved by the board ~~in compliance with rules of the Agency for Enterprise Information Technology~~. A service-level agreement may not have a term exceeding 3 years but may include an option to renew for up to 3 years contingent on approval by the board.

1. A service-level agreement, at a minimum, must:

a. Identify the parties and their roles, duties, and responsibilities under the agreement;

b. Identify the legal authority under which the service-level agreement was negotiated and entered into by the parties;

c. State the duration of the contractual term and specify the conditions for contract renewal;

d. Prohibit the transfer of computing services between primary data center facilities without at least 180 days' notice of service cancellation;

e. Identify the scope of work;

f. Identify the products or services to be delivered with sufficient specificity to permit an external financial or performance audit;

g. Establish the services to be provided, the business standards that must be met for each service, the cost of each service, and the process by which the business standards for each service are to be objectively measured and reported;

h. Identify applicable funds and funding streams for the services or products under contract;

i. Provide a timely billing methodology for recovering the cost of services provided to the customer entity;

j. Provide a procedure for modifying the service-level agreement to address changes in projected costs of service;

k. Provide that a service-level agreement may be terminated by either party for cause only after giving the other party and the Agency for Enterprise Information Technology notice in writing of the cause for termination and an opportunity for the other party to resolve the identified cause within a reasonable period; and

l. Provide for mediation of disputes by the Division of Administrative Hearings pursuant to s. 120.573.

2. A service-level agreement may include:

a. A dispute resolution mechanism, including alternatives to administrative or judicial proceedings;

b. The setting of a surety or performance bond for service-level agreements entered into with ~~nonstate~~ agency primary data centers *established by law*~~, which may be designated by the Agency for Enterprise Information Technology~~; or

c. Additional terms and conditions as determined advisable by the parties if such additional terms and conditions do not conflict with the requirements of this section or rules adopted by the Agency for Enterprise Information Technology.

3. The failure to execute a service-level agreement within 60 days after service commencement shall, in the case of an existing customer entity, result in a continuation of the terms of the service-level agreement from the prior fiscal year, including any amendments that were formally proposed to the customer entity by the primary data center within the 3 months before service commencement, and a revised cost-of-service estimate. If a new customer entity fails to execute an agreement within 60 days after service commencement, the data center may cease services.

(i)~~(j)~~ Plan, design, establish pilot projects for, and conduct experiments with information technology resources, and implement enhancements in services if such implementation is cost-effective and approved by the board.

(j)~~(k)~~ Enter into a memorandum of understanding with the agency where the data center is administratively located *if the data center requires the agency to provide any administrative* ~~which establishes the~~ services ~~to be provided by that agency~~ to the data center and the cost of such services.

(k)~~(l)~~ Be the custodian of resources and equipment that are located, operated, supported, and managed by the center for the purposes of chapter 273.

(l) Assume administrative access rights to the resources and equipment, such as servers, network components, and other devices that are consolidated into the primary data center.

1. Upon the date of each consolidation specified in s. 282.201, the General Appropriations Act, or the Laws of Florida, each agency shall relinquish all administrative access rights to such resources and equipment.

2. Each primary data center shall provide its customer agencies with the appropriate level of access to applications, servers, network components, and other devices necessary for agencies to perform their core business activities and functions.

(2) BOARD OF TRUSTEES.—Each primary data center shall be headed by a board of trustees as defined in s. 20.03.

(a) The members of the board shall be appointed by the agency head or chief executive officer of the representative customer entities of the primary data center and ~~shall~~ serve at the pleasure of the appointing customer entity. *Each agency head or chief executive officer may appoint an alternate member for each board member appointed pursuant to this subsection.*

1. *During the first fiscal year that a state agency is to consolidate its data center operations to a primary data center and for the following full fiscal year, the agency shall have a single trustee having one vote on the board of the state primary data center where it is to consolidate, unless it is entitled in the second year to a greater number of votes as provided in subparagraph 3.* ~~For each of the first 2 fiscal years that a center is in operation, membership shall be as provided in subparagraph 3. based on projected customer entity usage rates for the fiscal operating year of the primary data center. However, at a minimum:~~

~~a. During the Southwood Shared Resource Center's first 2 operating years, the Department of Transportation, the Department of Highway Safety and Motor Vehicles, the Department of Health, and the Department of Revenue must each have at least one trustee.~~

~~b. During the Northwood Shared Resource Center's first operating year, the Department of State and the Department of Education must each have at least one trustee.~~

2. *Board* ~~After the second full year of operation,~~ membership shall be as provided in subparagraph 3. based on the most recent estimate of customer entity usage rates for the prior year and a projection of usage rates for the first 9 months of the next fiscal year. Such calculation must be completed before the annual budget meeting held before the beginning of the next fiscal year so that any decision to add or remove board members can be voted on at the budget meeting and become effective on July 1 of the subsequent fiscal year.

3. Each customer entity that has a projected usage rate of 4 percent or greater during the fiscal operating year of the primary data center shall have one trustee on the board.

4. The total number of votes for each trustee shall be apportioned as follows:

a. Customer entities of a primary data center whose usage rate represents 4 but less than 15 percent of total usage shall have one vote.

b. Customer entities of a primary data center whose usage rate represents 15 but less than 30 percent of total usage shall have two votes.

c. Customer entities of a primary data center whose usage rate represents 30 but less than 50 percent of total usage shall have three votes.

d. A customer entity of a primary data center whose usage rate represents 50 percent or more of total usage shall have four votes.

e. A single trustee having one vote shall represent those customer entities that represent less than 4 percent of the total usage. The trustee shall be selected by a process determined by the board.

(3) BOARD DUTIES.—Each board of trustees of a primary data center shall:

(j) Maintain the capabilities of the primary data center's facilities. Maintenance responsibilities include, but are not limited to, ensuring that adequate conditioned floor space, fire suppression, cooling, and power is in place; replacing aging equipment when necessary; and making decisions related to data center expansion and renovation, periodic upgrades, and improvements that are required to ensure the ongoing suitability of the facility as an enterprise data center consolidation site in the state data center system. To the extent possible, the board shall ensure that its approved annual cost-allocation plan recovers sufficient funds from its customers to provide for these needs ~~pursuant to s. 282.201(2)(e)~~.

Section 7. Section 282.204, Florida Statutes, is amended to read:

282.204 Northwood Shared Resource Center.—The Northwood Shared Resource Center is an agency established within the Department of *Management Services* ~~Children and Family Services~~ for administrative purposes only.

(1) The center is a primary data center and *is* ~~shall be~~ a separate budget entity that is not subject to control, supervision, or direction of the department in any manner, including, but not limited to, purchasing, transactions involving real or personal property, personnel, or budgetary matters.

(2) The center shall be headed by a board of trustees as provided in s. 282.203, who shall comply with all requirements of that section related to the operation of the center and with the rules of the Agency for Enterprise Information Technology related to the design and delivery of enterprise information technology services.

Section 8. *Sections 282.3055 and 282.315, Florida Statutes, are repealed.*

Section 9. Subsections (3) through (7) of section 282.318, Florida Statutes, are amended to read:

282.318 Enterprise security of data and information technology.—

(3) The ~~Office of Information Security within the~~ Agency for Enterprise Information Technology is responsible for establishing rules and publishing guidelines for ensuring an appropriate level of security for all data and information technology resources for executive branch agencies. The *agency* ~~office~~ shall also perform the following duties and responsibilities:

(a) Develop, and annually update by February 1, an enterprise information security strategic plan that includes security goals and objectives for the strategic issues of information security policy, risk management, training, incident management, and survivability planning.

(b) Develop enterprise security rules and published guidelines for:

1. Comprehensive risk analyses and information security audits conducted by state agencies.

2. Responding to suspected or confirmed information security incidents, including suspected or confirmed breaches of personal information or exempt data.

3. Agency security plans, including strategic security plans and security program plans.

4. The recovery of information technology and data following a disaster.

5. The managerial, operational, and technical safeguards for protecting state government data and information technology resources.

(c) Assist agencies in complying with the provisions of this section.

(d) Pursue appropriate funding for the purpose of enhancing domestic security.

(e) Provide training for agency information security managers.

(f) Annually review the strategic and operational information security plans of executive branch agencies.

(4) To assist the *Agency for Enterprise Information Technology* ~~Office of Information Security~~ in carrying out its responsibilities, each agency head shall, at a minimum:

(a) Designate an information security manager to administer the security program of the agency for its data and information technology resources. This designation must be provided annually in writing to the *Agency for Enterprise Information Technology* ~~office~~ by January 1.

(b) Submit to the *Agency for Enterprise Information Technology* ~~office~~ annually by July 31, the agency's strategic and operational information security plans developed pursuant to the rules and guidelines established by the *Agency for Enterprise Information Technology* ~~office~~.

1. The agency strategic information security plan must cover a 3-year period and define security goals, intermediate objectives, and projected agency costs for the strategic issues of agency information security policy, risk management, security training, security incident response, and survivability. The plan must be based on the enterprise strategic information security plan created by the *Agency for Enterprise Information Technology* ~~office~~. Additional issues may be included.

2. The agency operational information security plan must include a progress report for the prior operational information security plan and a project plan that includes activities, timelines, and deliverables for security objectives that, subject to current resources, the agency will implement during the current fiscal year. The cost of implementing the portions of the plan which cannot be funded from current resources must be identified in the plan.

(c) Conduct, and update every 3 years, a comprehensive risk analysis to determine the security threats to the data, information, and information technology resources of the agency. The risk analysis information is confidential and exempt from the provisions of s. 119.07(1), except that such information shall be available to the Auditor General and the Agency for Enterprise Information Technology for performing postauditing duties.

(d) Develop, and periodically update, written internal policies and procedures, which include procedures for notifying the *Agency for Enterprise Information Technology* ~~office~~ when a suspected or confirmed breach, or an information security incident, occurs. Such policies and procedures must be consistent with the rules and guidelines established by the *Agency for Enterprise Information Technology* ~~office~~ to ensure the security of the data, information, and information technology resources of the agency. The internal policies and procedures that, if disclosed, could facilitate the unauthorized modification, disclosure, or destruction of data or information technology resources are confidential information and exempt from s. 119.07(1), except that such information shall be available to the Auditor General and the Agency for Enterprise Information Technology for performing postauditing duties.

(e) Implement appropriate cost-effective safeguards to address identified risks to the data, information, and information technology resources of the agency.

(f) Ensure that periodic internal audits and evaluations of the agency's security program for the data, information, and information technology resources of the agency are conducted. The results of such audits and evaluations are confidential information and exempt from s. 119.07(1), except that such information shall be available to the Auditor General and the Agency for Enterprise Information Technology for performing postauditing duties.

(g) Include appropriate security requirements in the written specifications for the solicitation of information technology and information technology resources and services, which are consistent with the rules and guidelines established by the *Agency for Enterprise Information Technology* ~~office~~.

(h) Provide security awareness training to employees and users of the agency's communication and information resources concerning information security risks and the responsibility of employees and users to comply with policies, standards, guidelines, and operating procedures adopted by the agency to reduce those risks.

(i) Develop a process for detecting, reporting, and responding to suspected or confirmed security incidents, including suspected or con-

firmed breaches consistent with the security rules and guidelines established by the *Agency for Enterprise Information Technology* ~~office~~.

1. Suspected or confirmed information security incidents and breaches must be immediately reported to the *Agency for Enterprise Information Technology* ~~office~~.

2. For incidents involving breaches, agencies shall provide notice in accordance with s. 817.5681 and to the *Agency for Enterprise Information Technology* ~~office~~ in accordance with this subsection.

(5) Each state agency shall include appropriate security requirements in the specifications for the solicitation of contracts for procuring information technology or information technology resources or services which are consistent with the rules and guidelines established by the *Agency for Enterprise Information Technology* ~~Office of Information Security~~.

(6) The Agency for Enterprise Information Technology may adopt rules relating to information security and to administer the provisions of this section.

~~(7) By December 31, 2010, the Agency for Enterprise Information Technology shall develop, and submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a proposed implementation plan for information technology security. The agency shall describe the scope of operation, conduct costs and requirements analyses, conduct an inventory of all existing security information technology resources, and develop strategies, timeframes, and resources necessary for statewide migration.~~

Section 10. Subsections (2), (3), and (4) of section 282.33, Florida Statutes, are amended to read:

282.33 Objective standards for data center energy efficiency.—

(2) State shared resource data centers and other data centers that the Agency for Enterprise Information Technology has determined will be recipients for consolidating data centers, which are designated by the Agency for Enterprise Information Technology, shall evaluate their data center facilities for energy efficiency using the standards established in this section.

(a) Results of these evaluations shall be reported to the Agency for Enterprise Information Technology, the President of the Senate, and the Speaker of the House of Representatives. Reports shall enable the tracking of energy performance over time and comparisons between facilities.

(b) *Beginning* ~~By~~ December 31, 2010, and *every 3 years* ~~biennially~~ thereafter, the Agency for Enterprise Information Technology shall submit to the Legislature recommendations for reducing energy consumption and improving the energy efficiency of state primary data centers.

~~(3) The primary means of achieving maximum energy savings across all state data centers and computing facilities shall be the consolidation of data centers and computing facilities as determined by the Agency for Enterprise Information Technology. State data centers and computing facilities in the state data center system shall be established as an enterprise information technology service as defined in s. 282.0041. The Agency for Enterprise Information Technology shall make recommendations on consolidating state data centers and computing facilities, pursuant to s. 282.0056, by December 31, 2009.~~

(3)~~(4)~~ *If* ~~When~~ the total cost of ownership of an energy-efficient product is less than or equal to the cost of the existing data center facility or infrastructure, technical specifications for energy-efficient products should be incorporated in the plans and processes for replacing, upgrading, or expanding data center facilities or infrastructure, including, but not limited to, network, storage, or computer equipment and software.

Section 11. Section 282.34, Florida Statutes, is amended to read:

282.34 Statewide e-mail service.—A *statewide* ~~state~~ e-mail *service* ~~system~~ that includes the delivery and support of e-mail, messaging, and calendaring capabilities is established as an enterprise information technology service as defined in s. 282.0041. The service shall be designed to meet the needs of all executive branch agencies*, and may also be used by nonstate agency entities*. The primary goals of the service are to minimize the state investment required to establish, operate, and support the statewide service; reduce the cost of current e-mail operations and the number of duplicative e-mail systems; and eliminate the need for each state agency to maintain its own e-mail staff.

(1) The Southwood Shared Resource Center, a primary data center, shall be the provider of the statewide e-mail service for all state agencies. The center shall centrally host, manage, operate, and support the service, or outsource the hosting, management, operational, or support components of the service in order to achieve the primary goals identified in this section.

(2) The Agency for Enterprise Information Technology, in cooperation and consultation with all state agencies, shall prepare and submit for approval by the Legislative Budget Commission at a meeting scheduled before June 30, 2011, a proposed plan for the migration of all state agencies to the statewide e-mail service. The plan for migration must include:

(a) A cost-benefit analysis that compares the total recurring and nonrecurring operating costs of the current agency e-mail systems, including monthly mailbox costs, staffing, licensing and maintenance costs, hardware, and other related e-mail product and service costs to the costs associated with the proposed statewide e-mail service. The analysis must also include:

1. A comparison of the estimated total 7-year life-cycle cost of the current agency e-mail systems versus the feasibility of funding the migration and operation of the statewide e-mail service.

2. An estimate of recurring costs associated with the energy consumption of current agency e-mail equipment, and the basis for the estimate.

3. An identification of the overall cost savings resulting from state agencies migrating to the statewide e-mail service and decommissioning their agency e-mail systems.

(b) A proposed migration date for all state agencies to be migrated to the statewide e-mail service. The Agency for Enterprise Information Technology shall work with the Executive Office of the Governor to develop the schedule for migrating all state agencies to the statewide e-mail service except for the Department of Legal Affairs. The Department of Legal Affairs shall provide to the Agency for Enterprise Information Technology by June 1, 2011, a proposed migration date based upon its decision to participate in the statewide e-mail service and the identification of any issues that require resolution in order to migrate to the statewide e-mail service.

(c) A budget amendment, submitted pursuant to chapter 216, for adjustments to each agency's approved operating budget necessary to transfer sufficient budget resources into the appropriate data processing category to support its statewide e-mail service costs.

(d) A budget amendment, submitted pursuant to chapter 216, for adjustments to the Southwood Shared Resource Center approved operating budget to include adjustments in the number of authorized positions, salary budget and associated rate, necessary to implement the statewide e-mail service.

(3) Contingent upon approval by the Legislative Budget Commission, the Southwood Shared Resource Center may contract for the provision of a statewide e-mail service. Executive branch agencies must be completely migrated to the statewide e-mail service based upon the migration date included in the proposed plan approved by the Legislative Budget Commission.

(4) Notwithstanding chapter 216, General Revenue funds may be increased or decreased for each agency provided the net change to General Revenue in total for all agencies is zero or less.

(5) Subsequent to the approval of the consolidated budget amendment to reflect budget adjustments necessary to migrate to the statewide e-mail service, an agency may make adjustments subject to s. 216.177, notwithstanding provisions in chapter 216 which may require such adjustments to be approved by the Legislative Budget Commission.

(6) No agency may initiate a new e-mail service or execute a new e-mail contract or amend a current e-mail contract, other than with the Southwood Shared Resource Center, for nonessential products or services unless the Legislative Budget Commission denies approval for the Southwood Shared Resource Center to enter into a contract for the statewide e-mail service.

(7) The Agency for Enterprise Information Technology shall work with the Southwood Shared Resource Center to develop an implementation plan that identifies and describes the detailed processes and timelines for an agency's migration to the statewide e-mail service based on the migration date approved by the Legislative Budget Commission. The agency may establish and coordinate workgroups consisting of agency e-mail management, information technology, budget, and administrative staff to assist the agency in the development of the plan.

(8) Each executive branch agency shall provide all information necessary to develop the implementation plan, including, but not limited to, required mailbox features and the number of mailboxes that will require migration services. Each agency must also identify any known business, operational, or technical plans, limitations, or constraints that should be considered when developing the plan.

~~(2) The Agency for Enterprise Information Technology, in consultation with the Southwood Shared Resource Center, shall establish and coordinate a multiagency project team to develop a competitive solicitation for establishing the statewide e-mail service.~~

~~(a) The Southwood Shared Resource Center shall issue the competitive solicitation by August 31, 2010, with vendor responses required by October 15, 2010. Issuance of the competitive solicitation does not obligate the agency and the center to conduct further negotiations or to execute a contract. The decision to conduct or conclude negotiations, or execute a contract, must be made solely at the discretion of the agency.~~

~~(b) The competitive solicitation must include detailed specifications describing:~~

~~1. The current e-mail approach for state agencies and the specific business objectives met by the present system.~~

~~2. The minimum functional requirements necessary for successful statewide implementation and the responsibilities of the prospective service provider and the agency.~~

~~3. The form and required content for submitted proposals, including, but not limited to, a description of the proposed system and its internal and external sourcing options, a 5-year life-cycle based pricing based on cost per mailbox per month, and a decommissioning approach for current e-mail systems; an implementation schedule and implementation services; a description of e-mail account management, help desk, technical support, and user provisioning services; disaster recovery and backup and restore capabilities; antispam and antivirus capabilities; remote access and mobile messaging capabilities; and staffing requirements.~~

~~(c) Other optional requirements specifications may be included in the competitive solicitation if not in conflict with the primary goals of the statewide e-mail service.~~

~~(d) The competitive solicitation must permit alternative financial and operational models to be proposed, including, but not limited to:~~

~~1. Leasing or usage-based subscription fees;~~

~~2. Installing and operating the e-mail service within the Southwood Shared Resource Center or in a data center operated by an external service provider; or~~

~~3. Provisioning the e-mail service as an Internet-based offering provided to state agencies. Specifications for proposed models must be optimized to meet the primary goals of the e-mail service.~~

~~(3) By December 31, 2010, or within 1 month after negotiations are complete, whichever is later, the multiagency project team and the Agency for Enterprise Information Technology shall prepare a business case analysis containing its recommendations for procuring the statewide e-mail service for submission to the Governor and Cabinet, the President of the Senate, and the Speaker of the House of Representatives. The business case is not subject to challenge or protest pursuant to chapter 120. The business case must include, at a minimum:~~

~~(a) An assessment of the major risks that must be managed for each proposal compared to the risks for the current state agency e-mail system and the major benefits that are associated with each.~~

~~(b) A cost-benefit analysis that estimates all major cost elements associated with each sourcing option, focusing on the nonrecurring and recurring life-cycle costs of each option. The analysis must include a comparison of the estimated total 5-year life-cycle cost of the current agency e-mail systems versus each enterprise e-mail sourcing option in order to determine the feasibility of funding the migration and operation of the statewide e-mail service and the overall level of savings that can be expected. The 5-year life-cycle costs for each state agency must include, but are not limited to:~~

~~1. The total recurring operating costs of the current agency e-mail systems, including monthly mailbox costs, staffing, licensing and maintenance costs, hardware, and other related e-mail product and service costs.~~

~~2. An estimate of nonrecurring hardware and software refresh, upgrade, or replacement costs based on the expected 5-year obsolescence of current e-mail software products and equipment through the 2014 fiscal year, and the basis for the estimate.~~

~~3. An estimate of recurring costs associated with the energy consumption of current agency e-mail equipment, and the basis for the estimate.~~

~~4. Any other critical costs associated with the current agency e-mail systems which can reasonably be estimated and included in the business case analysis.~~

~~(c) A comparison of the migrating schedules of each sourcing option to the statewide e-mail service, including the approach and schedule for the decommissioning of all current state agency e-mail systems beginning with phase 1 and phase 2 as provided in subsection (4).~~

~~(4) All agencies must be completely migrated to the statewide e-mail service as soon as financially and operationally feasible, but no later than June 30, 2015.~~

~~(a) The following statewide e-mail service implementation schedule is established for state agencies:~~

~~1. Phase 1. The following agencies must be completely migrated to the statewide e-mail system by June 30, 2012: the Agency for Enterprise Information Technology; the Department of Community Affairs, including the Division of Emergency Management; the Department of Corrections; the Department of Health; the Department of Highway Safety and Motor Vehicles; the Department of Management Services, including the Division of Administrative Hearings, the Division of Retirement, the Commission on Human Relations, and the Public Employees Relations Commission; the Southwood Shared Resource Center; and the Department of Revenue.~~

~~2. Phase 2. The following agencies must be completely migrated to the statewide e-mail system by June 30, 2013: the Department of Business and Professional Regulation; the Department of Education, including the Board of Governors; the Department of Environmental Protection; the Department of Juvenile Justice; the Department of the Lottery; the Department of State; the Department of Law Enforcement; the Department of Veterans' Affairs; the Judicial Administration Commission; the Public Service Commission; and the Statewide Guardian Ad Litem Office.~~

~~3. Phase 3. The following agencies must be completely migrated to the statewide e-mail system by June 30, 2014: the Agency for Health Care Administration; the Agency for Workforce Innovation; the Department of Financial Services, including the Office of Financial Regulation and the Office of Insurance Regulation; the Department of Agriculture and Consumer Services; the Executive Office of the Governor; the Department of Transportation; the Fish and Wildlife Conservation Commission; the Agency for Persons With Disabilities; the Northwood Shared Resource Center; and the State Board of Administration.~~

~~4. Phase 4.—The following agencies must be completely migrated to the statewide e-mail system by June 30, 2015: the Department of Children and Family Services; the Department of Citrus; the Department of Elderly Affairs; and the Department of Legal Affairs.~~

~~(b) Agency requests to modify their scheduled implementing date must be submitted in writing to the Agency for Enterprise Information Technology. Any exceptions or modifications to the schedule must be approved by the Agency for Enterprise Information Technology based only on the following criteria:~~

~~1. Avoiding nonessential investment in agency e-mail hardware or software refresh, upgrade, or replacement.~~

~~2. Avoiding nonessential investment in new software or hardware licensing agreements, maintenance or support agreements, or e-mail staffing for current e-mail systems.~~

~~3. Resolving known agency e-mail problems through migration to the statewide e-mail service.~~

~~4. Accommodating unique agency circumstances that require an acceleration or delay of the implementation date.~~

~~(5) In order to develop the implementation plan for the statewide e-mail service, the Agency for Enterprise Information Technology shall establish and coordinate a statewide e-mail project team. The agency shall also consult with and, as necessary, form workgroups consisting of agency e-mail management staff, agency chief information officers, agency budget directors, and other administrative staff. The statewide e-mail implementation plan must be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives by July 1, 2011.~~

~~(6) Unless authorized by the Legislature or as provided in subsection (7), a state agency may not:~~

~~(a) Initiate a new e-mail service or execute a new e-mail contract or new e-mail contract amendment for nonessential products or services with any entity other than the provider of the statewide e-mail service;~~

~~(b) Terminate a statewide e-mail service without giving written notice of termination 180 days in advance; or~~

~~(c) Transfer e-mail system services from the provider of the statewide e-mail service.~~

~~(7) Exceptions to paragraphs (6)(a), (b), and (c) may be granted by the Agency for Enterprise Information Technology only if the Southwood Shared Resource Center is unable to meet agency business requirements for the e-mail service, and if such requirements are essential to maintain agency operations. Requests for exceptions must be submitted in writing to the Agency for Enterprise Information Technology and include documented confirmation by the Southwood Shared Resource Center board of trustees that it cannot meet the requesting agency's e-mail service requirements.~~

~~(8) Each agency shall include the budget issues necessary for migrating to the statewide e-mail service in its legislative budget request before the first full year it is scheduled to migrate to the statewide service in accordance with budget instructions developed pursuant to s. 216.023.~~

~~(9) The Agency for Enterprise Information Technology shall adopt rules to standardize the format for state agency e-mail addresses.~~

~~(10) State agencies must fully cooperate with the Agency for Enterprise Information Technology in the performance of its responsibilities established in this section.~~

~~(11) The Agency for Enterprise Information Technology shall recommend changes to an agency's scheduled date for migration to the statewide e-mail service pursuant to this section, annually by December 31, until migration to the statewide service is complete.~~

Section 12. Paragraph (h) of subsection (3) and paragraph (b) of subsection (4) of section 287.042, Florida Statutes, are amended to read:

287.042 Powers, duties, and functions.—The department shall have the following powers, duties, and functions:

(3) To establish a system of coordinated, uniform procurement policies, procedures, and practices to be used by agencies in acquiring commodities and contractual services, which shall include, but not be limited to:

(h) Development~~, in consultation with the Agency Chief Information Officers Council,~~ of procedures to be used by state agencies when procuring information technology commodities and contractual services ~~to~~ ensure compliance with public records requirements and records retention and archiving requirements.

(4)

(b) To prescribe~~, in consultation with the Agency Chief Information Officers Council,~~ procedures for procuring information technology and information technology consultant services ~~which~~ provide for public announcement and qualification, competitive solicitations, contract award, and prohibition against contingent fees. Such procedures *are* ~~shall be~~ limited to information technology consultant contracts for which the total project costs, or planning or study activities, are estimated to exceed the threshold amount provided ~~for~~ in s. 287.017, for CATEGORY TWO.

Section 13. *The Northwood Shared Resource Center is transferred by a type one transfer, as defined in s. 20.06(1), Florida Statutes, from the Department of Children and Family Services to the Department of Management Services.*

Section 14. *The Agency for Enterprise Information Technology, in coordination with the Southwood Shared Resource Center, shall provide a written status report to the Executive Office of the Governor and to the chairs of the legislative appropriations committees detailing the progress made by the agencies required to migrate to the statewide e-mail service by the required migration date. The status report must be provided every 6 months, beginning September 1, 2011, until implementation is complete.*

Section 15. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the consolidation of state information technology services; amending s. 14.204, F.S.; revising the duties of the Agency for Enterprise Information Technology; deleting references to the Office of Information Security and the Agency Chief Information Officers Council; amending s. 20.315, F.S.; requiring that the Department of Corrections' Office of Information Technology manage the department's data system; amending s. 282.0041, F.S.; revising definitions; amending s. 282.0056, F.S.; revising provisions relating to the agency's annual work plan; amending s. 282.201, F.S.; revising the duties of the agency; requiring the agency to submit certain recommendations to the Legislature, the Executive Office of the Governor, and the primary data centers; deleting obsolete provisions; conforming provisions to changes made by the act; providing a schedule for the consolidations of state agency data centers; requiring agencies to update their service-level agreements and to develop consolidation plans; requiring the Agency for Enterprise Information Technology to submit a status report to the Governor and Legislature and to develop a comprehensive transition plan; requiring primary data centers to develop transition plans; revising agency limitations relating to technology services; amending s. 282.203, F.S.; deleting obsolete provisions; revising duties of primary data centers relating to state agency resources and equipment relinquished to the centers; requiring state agencies to relinquish all administrative access rights to certain resources and equipment upon consolidation; providing for the appointment of alternate board members; revising provisions relating to state agency representation on data center boards; conforming a cross-reference; amending s. 282.204, F.S.; establishing the Northwood Shared Resource Center in the Department of Management Services rather than the Department of Children and Family Services; repealing s. 282.3055, F.S., requiring each agency to appoint an agency chief information officer; repealing s. 282.315, F.S., relating to the Agency Chief Information Officers Council; amending s. 282.318, F.S.; deleting references to the Office of Information Security with respect to responsibility for enterprise security; deleting obsolete provisions; amending s. 282.33, F.S.; deleting an obsolete provision; re-

vising the schedule for the Agency for Enterprise Information Technology to submit certain recommendations to the Legislature; amending s. 282.34, F.S.; revising provisions relating to the statewide e-mail service; deleting the schedule and requiring the agency to develop and submit a plan to the Legislative Budget Commission for the migration of state agencies to the service; specifying what the plan must include; prohibiting state agencies from executing contracts for certain e-mail services; requiring the development of an implementation plan; requiring state agencies to provide all information necessary for the implementation plan; amending ss. 287.042, F.S.; conforming provisions to changes made by the act; transferring the Northwood Shared Resource Center to the Department of Management Services; requiring the agency to coordinate with the Southwood Shared Resource Center to provide a status report to the Executive Office of the Governor and to the Legislature; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2098** was adopted. **SB 2098** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

Managers on the part of the House

The Conference Committee Amendment for CS for CS for SB 1292, relating to the Chief Financial Officer, provides for the following:

- Beginning October 1, 2011, the CFO will begin conducting workshops with state agencies, local governments, educational entities and entities of higher education to gather information for the development of a uniform chart of accounts.

- The CFO will provide to the state agencies, local governments, educational entities and entities of higher education a draft chart of accounts by July 1, 2013.

- The CFO shall accept comments and input from state agencies, local governments, educational entities and entities of higher education regarding the draft chart of accounts through November 1, 2013.

- By January 15, 2014, the CFO will present a report to the Governor, President of the Senate and the Speaker of the House of Representatives recommending a uniform chart of accounts which requires specific enterprise-wide information related to revenues and expenditures of state agencies, local governments, educational entities and entities of higher education. The report will include the estimated cost of adopting and implementing a uniform enterprise-wide chart of accounts.

Conference Committee Amendment (830612)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 215.89, Florida Statutes, is created to read:

215.89 Charts of account.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature that a mechanism be provided for obtaining detailed, uniform reporting of government financial information to enable citizens to view compatible information on the use of public funds by governmental entities. The Legislature intends that uniform reporting requirements be developed specifically to promote accountability and transparency in the use of public funds. In order to accommodate the different financial management systems currently in use, separate charts of account may be used as long as the financial information is captured and reported consistently and is compatible with any reporting entity.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Charts of account" means a compilation of uniform data codes that are to be used for reporting governmental assets, liabilities, equities, revenues, and expenditures to the Chief Financial Officer. Uniform data codes shall capture specific details of the assets, liabilities, equities, revenues, and expenditures that are of interest to the public.

(b) "State agency" means an official, officer, commission, board, authority, council, committee, or department of the executive branch; a state attorney, public defender, criminal conflict and civil regional counsel, or capital collateral regional counsel; the Florida Clerks of Court Operations Corporation; the Justice Administrative Commission; the Florida Housing Finance Corporation; the Florida Public Service Commission; the State Board of Administration; the Supreme Court or a district court of appeal, circuit court, or county court; or the Judicial Qualifications Commission.

(c) "Local government" means a municipality, county, water management district, special district, or any other entity created by a local government.

(d) "Educational entity" means a school district or an entity created by a school district.

(e) "Entity of higher education" means a state university, a state or Florida College System institution, or an entity created by a state university or state or Florida College System institution.

(f) "State and local government financial information" means the assets, liabilities, equities, revenues, and expenditure information that is recorded in financial management systems of state agencies, local governments, educational entities, and entities of higher education.

(3) REPORTING STRUCTURE.—

(a) Beginning October 1, 2011, the Chief Financial Officer shall conduct workshops with state agencies, local governments, educational entities, and entities of higher education to gather information pertaining to uniform statewide reporting requirements to be used to develop charts of account by the Chief Financial Officer. A draft proposed charts of account shall be provided by July 1, 2013, to the state agencies, local governments, educational entities, and entities of higher education.

(b) The Chief Financial Officer shall accept comments from state agencies, local governments, educational entities, entities of higher education, and other interested parties regarding the proposed charts of account until November 1, 2013.

(c) By January 15, 2014, the Chief Financial Officer, after consultation with affected state agencies, local governments, educational entities, entities of higher education, and the Auditor General, shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report recommending a uniform charts of account which requires specific enterprise-wide information related to revenues and expenditures of state agencies, local governments, educational entities, and entities of higher education. The report must include the estimated cost of adopting and implementing a uniform enterprise-wide charts of account.

Section 2. *The Legislature finds that this act fulfills an important state interest.*

Section 3. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Chief Financial Officer; creating s. 215.89, F.S.; providing legislative intent; providing definitions; requiring the Chief Financial Officer to conduct workshops with state agencies, local governments, educational entities, and entities of higher education to gather information pertaining to uniform reporting requirements; requiring the Chief Financial Officer to accept comments from state agencies, local governments, educational entities, entities of higher education, and interested parties regarding proposed charts of account by a certain date; requiring the Chief Financial Officer to submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report recommending a uniform charts of account which meet certain requirements by a certain date; requiring the report to include the estimated cost of adopting and implementing a uniform enterprise-wide charts of account; providing a declaration of important state interest; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **CS for CS for SB 1292** was adopted. **CS for CS for SB 1292** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

The Conference Committee Amendment for SB 2104, 1st Eng., relating to governmental reorganization, provides for the following:

- Moves the Statewide Office for Suicide Prevention from Executive Office of Governor to Department of Children and Family Services.

- Repeals statute creating Seaport Security Standards Advisory Council.

- Removes Office of Drug Control from involvement in approving waivers to seaport security standards and maritime domain security awareness training.

- Repeals section of statute relating to Office of Drug Control; modifies intent language; moves Statewide Drug Policy Advisory Council from Office of Drug Control to the Department of Health.

- Removes the director of the Office of Drug Control from the Suicide Prevention Coordinating Council and replaces with staff from the Governor's Office of Planning and Budgeting.

- Amends section 1006.07, F.S. to eliminate language requiring the approval role of the Office of Drug Control for materials provided to school districts relating to suicide prevention educational resources.

Conference Committee Amendment (341472)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsections (1), (3), (4), and (5) of section 14.2019, Florida Statutes, are amended to read:

14.2019 Statewide Office for Suicide Prevention.—

(1) The Statewide Office for Suicide Prevention is created ~~as a unit of the Office of Drug Control~~ within the *Department of Children and Family Services* ~~Executive Office of the Governor~~.

~~(3) Contingent upon a specific appropriation, the director of the Office of Drug Control shall employ a coordinator for the Statewide office for Suicide Prevention who shall work under the direction of the director to achieve the goals and objectives set forth in this section.~~

(3)~~(4)~~ The Statewide Office for Suicide Prevention may seek and accept grants or funds from any federal, state, or local source to support the operation and defray the authorized expenses of the office and the Suicide Prevention Coordinating Council. Revenues from grants shall be deposited in the Grants and Donations Trust Fund within the *Department of Children and Family Services* ~~Executive Office of the Governor~~. In accordance with s. 216.181(11), the Executive Office of the Governor may request changes to the approved operating budget to allow the expenditure of any additional grant funds collected pursuant to this subsection.

(4)~~(5)~~ Agencies under the control of the Governor or the Governor and Cabinet are directed, and all others are encouraged, to provide information and support to the Statewide Office for Suicide Prevention as requested.

Section 2. Subsection (2) of section 14.20195, Florida Statutes, is amended to read:

14.20195 Suicide Prevention Coordinating Council; creation; membership; duties.—There is created within the Statewide Office for Suicide Prevention a Suicide Prevention Coordinating Council. The council shall develop strategies for preventing suicide.

(2) MEMBERSHIP.—The Suicide Prevention Coordinating Council shall consist of *27* ~~28~~ voting members *and one nonvoting member*.

(a) Thirteen members shall be appointed by the director of the *Statewide* Office *for Suicide Prevention* ~~of Drug Control~~ and shall represent the following organizations:

1. The Florida Association of School Psychologists.

2. The Florida Sheriffs Association.

3. The Suicide Prevention Action Network USA.

4. The Florida Initiative of Suicide Prevention.

5. The Florida Suicide Prevention Coalition.

6. The American Foundation of Suicide Prevention.

7. The Florida School Board Association.

8. The National Council for Suicide Prevention.

9. The state chapter of AARP.

10. The Florida Alcohol and Drug Abuse Association.

11. The Florida Council for Community Mental Health.

12. The Florida Counseling Association.

13. NAMI Florida.

(b) The following state officials or their designees shall serve on the coordinating council:

1. The Secretary of Elderly Affairs.

2. The State Surgeon General.

3. The Commissioner of Education.

4. The Secretary of Health Care Administration.

5. The Secretary of Juvenile Justice.

6. The Secretary of Corrections.

7. The executive director of the Department of Law Enforcement.

8. The executive director of the Department of Veterans' Affairs.

9. The Secretary of Children and Family Services.

10. The director of the Agency for Workforce Innovation.

(c) The Governor shall appoint four additional members to the coordinating council. The appointees must have expertise that is critical to the prevention of suicide or represent an organization that is not already represented on the coordinating council.

(d) For the members appointed by the director of the *Statewide* Office *for Suicide Prevention* ~~of Drug Control~~, seven members shall be appointed to initial terms of 3 years, and seven members shall be appointed to initial terms of 4 years. For the members appointed by the Governor, two members shall be appointed to initial terms of 4 years, and two members shall be appointed to initial terms of 3 years. Thereafter, such members shall be appointed to terms of 4 years. Any vacancy on the coordinating council shall be filled in the same manner as the original appointment, and any member who is appointed to fill a vacancy occurring because of death, resignation, or ineligibility for membership shall serve only for the unexpired term of the member's predecessor. A member is eligible for reappointment.

(e) The director of the *Statewide* Office *for Suicide Prevention* ~~of Drug Control~~ shall be a nonvoting member of the coordinating council and shall act as chair.

(f) Members of the coordinating council shall serve without compensation. Any member of the coordinating council who is a public employee is entitled to reimbursement for per diem and travel expenses as provided in s. 112.061.

Section 3. *Section 311.115, Florida Statutes, is repealed.*

Section 4. Subsections (1), (3), (8), (10), and (11) of section 311.12, Florida Statutes, are amended to read:

311.12 Seaport security.—

(1) SECURITY STANDARDS.—

(a) The statewide minimum standards for seaport security applicable to seaports listed in s. 311.09 shall be those based on the Florida Seaport Security Assessment 2000 and set forth in the Port Security Standards Compliance Plan delivered to the Speaker of the House of Representatives and the President of the Senate on December 11, 2000. ~~The Office of Drug Control within the Executive Office of the Governor shall maintain a sufficient number of copies of the standards at its offices for distribution to the public and provide copies to each affected seaport upon request.~~

(b) A seaport may implement security measures that are more stringent, more extensive, or supplemental to the minimum security standards established by this subsection.

(c) The provisions of s. 790.251 are not superseded, preempted, or otherwise modified in any way by the provisions of this section.

(3) SECURITY PLAN.—Each seaport listed in s. 311.09 shall adopt and maintain a security plan specific to that seaport which provides for a secure seaport infrastructure that promotes the safety and security of state residents and visitors and the flow of legitimate trade and travel.

(a) Every 5 years after January 1, 2007, each seaport director, with the assistance of the Regional Domestic Security Task Force and in conjunction with the United States Coast Guard, shall revise the seaport's security plan based on the director's ongoing assessment of security risks, the risks of terrorist activities, and the specific and identifiable needs of the seaport for ensuring that the seaport is in substantial compliance with the minimum security standards established under subsection (1).

(b) Each adopted or revised security plan must be reviewed and approved by the ~~Office of Drug Control and the~~ Department of Law Enforcement for compliance with federal facility security assessment requirements under 33 C.F.R. s. 105.305 and the minimum security standards established under subsection (1). Within 30 days after completion, a copy of the written review shall be delivered to the United States Coast Guard, the Regional Domestic Security Task Force, and the Domestic Security Oversight Council.

(8) WAIVER FROM SECURITY REQUIREMENTS.—The ~~Office of Drug Control and the~~ Department of Law Enforcement may modify or waive any physical facility requirement or other requirement contained in the minimum security standards upon a determination that the purposes of the standards have been reasonably met or exceeded by the seaport requesting the modification or waiver. An alternate means of compliance must not diminish the safety or security of the seaport and must be verified through an extensive risk analysis conducted by the seaport director.

(a) Waiver requests shall be submitted in writing, along with supporting documentation, to the ~~Office of Drug Control and the~~ Department of Law Enforcement. The ~~office and the~~ department *has* ~~have~~ 90 days to jointly grant or reject the waiver, in whole or in part.

(b) The seaport may submit any waivers that are not granted or are ~~jointly~~ rejected to the Domestic Security Oversight Council for review within 90 days. The council shall recommend that ~~the Office of Drug Control and~~ the Department of Law Enforcement grant the waiver or reject the waiver, in whole or in part. The ~~office and the~~ department shall give great weight to the council's recommendations.

(c) A request seeking a waiver from the seaport law enforcement personnel standards established under s. 311.122(3) may not be granted for percentages below 10 percent.

(d) Any modifications or waivers granted under this subsection shall be noted in the annual report submitted by the Department of Law Enforcement pursuant to subsection (10).

(10) REPORTS.—The Department of Law Enforcement~~, in consultation with the Office of Drug Control,~~ shall annually complete a report indicating the observations and findings of all reviews, inspections, or other operations relating to the seaports conducted during the year and any recommendations resulting from such reviews, inspections, and operations. A copy of the report shall be provided to the Governor, the President of the Senate, the Speaker of the House of Representatives, the governing body of each seaport or seaport authority, and each seaport director. The report must include each director's response indicating what actions, if any, have been taken or are planned to be taken pursuant to the observations, findings, and recommendations reported by the department.

(11) FUNDING.—

(a) In making decisions regarding security projects or other funding applicable to each seaport listed in s. 311.09, the Legislature may consider the Department of Law Enforcement's annual report under subsection (10) as authoritative, especially regarding each seaport's degree of substantial compliance with the minimum security standards established in subsection (1).

(b) The Legislature shall regularly review the ongoing costs of operational security on seaports, the impacts of this section on those costs, mitigating factors that may reduce costs without reducing security, and the methods by which seaports may implement operational security using a combination of sworn law enforcement officers and private security services.

(c) Subject to the provisions of this chapter and appropriations made for seaport security, state funds may not be expended for security costs without certification of need for such expenditures by the Office of Ports Administrator within the Department of Law Enforcement.

(d) If funds are appropriated for seaport security, ~~the Office of Drug Control,~~ the Department of Law Enforcement~~,~~ and the Florida Seaport Transportation and Economic Development Council shall mutually determine the allocation of such funds for security project needs identified in the approved seaport security plans. Any seaport that receives state funds for security projects must enter into a joint participation agreement with the appropriate state entity and use the seaport security plan as the basis for the agreement.

1. If funds are made available over more than 1 fiscal year, the agreement must reflect the entire scope of the project approved in the security plan and, as practicable, allow for reimbursement for authorized projects over more than 1 year.

2. The agreement may include specific timeframes for completion of a security project and the applicable funding reimbursement dates. The agreement may also require a contractual penalty of up to $1,000 per day to be imposed for failure to meet project completion dates if state funding is available. Any such penalty shall be deposited into the State Transportation Trust Fund and used for seaport security operations and capital improvements.

Section 5. Subsection (1) of section 311.123, Florida Statutes, is amended to read:

311.123 Maritime domain security awareness training program.—

(1) The Florida Seaport Transportation and Economic Development Council, in conjunction with the Department of Law Enforcement ~~and the Office of Drug Control within the Executive Office of the Governor~~, shall create a maritime domain security awareness training program to instruct all personnel employed within a seaport's boundaries about the security procedures required of them for implementation of the seaport security plan required under s. 311.12(3).

Section 6. Subsection (2) of section 397.331, Florida Statutes, is amended to read:

397.331 Definitions; legislative intent.—

(2) It is the intent of the Legislature to establish and institutionalize a rational process for long-range planning, information gathering, strategic decisionmaking, and funding for the purpose of limiting substance abuse. The Legislature finds that the creation of a ~~state Office of Drug Control and a~~ Statewide Drug Policy Advisory Council affords the best means of establishing and institutionalizing such a process.

Section 7. *Section 397.332, Florida Statutes, is repealed.*

Section 8. Paragraphs (a), (b), and (c) of subsection (1) of section 397.333, Florida Statutes, are amended to read:

397.333 Statewide Drug Policy Advisory Council.—

(1)(a) The Statewide Drug Policy Advisory Council *shall be located in the Department of Health* ~~is created within the Executive Office of the Governor~~. The *Surgeon General or his or her designee* ~~director of the Office of Drug Control~~ shall be a nonvoting, ex officio member of the advisory council and shall act as chairperson. The director of the Office of Planning and Budgeting *or his or her designee* shall be a nonvoting, ex officio member of the advisory council. The *Department of Health or its successor agency* ~~Office of Drug Control and the Office of Planning and Budgeting~~ shall provide staff support for the advisory council.

(b) The following state officials shall be appointed to serve on the advisory council:

1. The Attorney General, or his or her designee.

2. The executive director of the Department of Law Enforcement, or his or her designee.

3. The Secretary of Children and Family Services, or his or her designee.

4. The *director of the Office of Planning and Budgeting in the Executive Office of the Governor* ~~State Surgeon General~~, or his or her designee.

5. The Secretary of Corrections, or his or her designee.

6. The Secretary of Juvenile Justice, or his or her designee.

7. The Commissioner of Education, or his or her designee.

8. The executive director of the Department of Highway Safety and Motor Vehicles, or his or her designee.

9. The Adjutant General of the state as the Chief of the Department of Military Affairs, or his or her designee.

(c) In addition, the Governor shall appoint *7* ~~11~~ members of the public to serve on the advisory council. Of the *7* ~~11~~ appointed members, one member must have professional or occupational expertise in drug enforcement, one member must have professional or occupational expertise in substance abuse prevention, one member must have professional or occupational expertise in substance abuse treatment, and two members must have professional or occupational expertise in faith-based substance abuse treatment services. The remainder of the members appointed should have professional or occupational expertise in, or be generally knowledgeable about, issues that relate to drug enforcement and substance abuse programs and services. The members appointed by the Governor must, to the extent possible, equitably represent all geographic areas of the state.

Section 9. Subsections (2) and (5) and paragraph (a) of subsection (6) of section 943.031, Florida Statutes, are amended to read:

943.031 Florida Violent Crime and Drug Control Council.—

(2) MEMBERSHIP.—The council shall consist of 14 members, as follows:

(a) The Attorney General or a designate.

(b) A designate of the executive director of the Department of Law Enforcement.

(c) The secretary of the Department of Corrections or a designate.

(d) The Secretary of Juvenile Justice or a designate.

(e) The Commissioner of Education or a designate.

(f) The president of the Florida Network of Victim/Witness Services, Inc., or a designate.

(g) The *policy coordinator in the Public Safety Unit of the Governor's Office of Planning and Budgeting* ~~director of the Office of Drug Control within the Executive Office of the Governor~~, or a designate.

(h) The Chief Financial Officer, or a designate.

(i) Six members appointed by the Governor, consisting of two sheriffs, two chiefs of police, one medical examiner, and one state attorney or their designates.

The Governor, when making appointments under this subsection, must take into consideration representation by geography, population, ethnicity, and other relevant factors to ensure that the membership of the council is representative of the state at large. Designates appearing on behalf of a council member who is unable to attend a meeting of the council are empowered to vote on issues before the council to the same extent the designating council member is so empowered.

(5) DUTIES OF COUNCIL.—The council shall provide advice and make recommendations, as necessary, to the executive director of the department.

(a) The council may advise the executive director on the feasibility of undertaking initiatives which include, but are not limited to, the following:

1. Establishing a program *that* ~~which~~ provides grants to criminal justice agencies that develop and implement effective violent crime prevention and investigative programs and which provides grants to law enforcement agencies for the purpose of drug control, criminal gang, and illicit money laundering investigative efforts or task force efforts that are determined by the council to significantly contribute to achieving the state's goal of reducing drug-related crime ~~as articulated by the Office of Drug Control~~, that represent significant criminal gang investigative efforts, that represent a significant illicit money laundering investigative effort, or that otherwise significantly support statewide strategies developed by the Statewide Drug Policy Advisory Council established under s. 397.333, subject to the limitations provided in this section. The grant program may include an innovations grant program to provide startup funding for new initiatives by local and state law enforcement agencies to combat violent crime or to implement drug control, criminal gang, or illicit money laundering investigative efforts or task force efforts by law enforcement agencies, including, but not limited to, initiatives such as:

a. Providing enhanced community-oriented policing.

b. Providing additional undercover officers and other investigative officers to assist with violent crime investigations in emergency situations.

c. Providing funding for multiagency or statewide drug control, criminal gang, or illicit money laundering investigative efforts or task force efforts that cannot be reasonably funded completely by alternative sources and that significantly contribute to achieving the state's goal of reducing drug-related crime ~~as articulated by the Office of Drug Control~~, that represent significant criminal gang investigative efforts, that represent a significant illicit money laundering investigative effort, or that otherwise significantly support statewide strategies developed by the Statewide Drug Policy Advisory Council established under s. 397.333.

2. Expanding the use of automated fingerprint identification systems at the state and local level.

3. Identifying methods to prevent violent crime.

4. Identifying methods to enhance multiagency or statewide drug control, criminal gang, or illicit money laundering investigative efforts or task force efforts that significantly contribute to achieving the state's goal of reducing drug-related crime ~~as articulated by the Office of Drug Control~~, that represent significant criminal gang investigative efforts, that represent a significant illicit money laundering investigative effort, or that otherwise significantly support statewide strategies developed by the Statewide Drug Policy Advisory Council established under s. 397.333.

5. Enhancing criminal justice training programs *that* ~~which~~ address violent crime, drug control, illicit money laundering investigative techniques, or efforts to control and eliminate criminal gangs.

6. Developing and promoting crime prevention services and educational programs that serve the public, including, but not limited to:

a. Enhanced victim and witness counseling services that also provide crisis intervention, information referral, transportation, and emergency financial assistance.

b. A well-publicized rewards program for the apprehension and conviction of criminals who perpetrate violent crimes.

7. Enhancing information sharing and assistance in the criminal justice community by expanding the use of community partnerships and community policing programs. Such expansion may include the use of civilian employees or volunteers to relieve law enforcement officers of clerical work in order to enable the officers to concentrate on street visibility within the community.

(b) The full council shall:

1. Receive periodic reports from regional violent crime investigation and statewide drug control strategy implementation coordinating teams which relate to violent crime trends or the investigative needs or successes in the regions, including discussions regarding the activity of significant criminal gangs in the region, factors, and trends relevant to the implementation of the statewide drug strategy, and the results of drug control and illicit money laundering investigative efforts funded in part by the council.

2. Maintain and use criteria for the disbursement of funds from the Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account or any other account from which the council may disburse proactive investigative funds as may be established within the Department of Law Enforcement Operating Trust Fund or other appropriations provided to the Department of Law Enforcement by the Legislature in the General Appropriations Act. The criteria shall allow for the advancement of funds to reimburse agencies regarding violent crime investigations as approved by the full council and the advancement of funds to implement proactive drug control strategies or significant criminal gang investigative efforts as authorized by the Drug Control Strategy and Criminal Gang Committee or the Victim and Witness Protection Review Committee. Regarding violent crime investigation reimbursement, an expedited approval procedure shall be established for rapid disbursement of funds in violent crime emergency situations.

(c) As used in this section, "significant criminal gang investigative efforts" eligible for proactive funding must involve at a minimum an effort against a known criminal gang that:

1. Involves multiple law enforcement agencies.

2. Reflects a dedicated significant investigative effort on the part of each participating agency in personnel, time devoted to the investigation, and agency resources dedicated to the effort.

3. Reflects a dedicated commitment by a prosecuting authority to ensure that cases developed by the investigation will be timely and effectively prosecuted.

4. Demonstrates a strategy and commitment to dismantling the criminal gang via seizures of assets, significant money laundering and organized crime investigations and prosecutions, or similar efforts.

The council may require satisfaction of additional elements, to include reporting criminal investigative and criminal intelligence information related to criminal gang activity and members in a manner required by the department, as a prerequisite for receiving proactive criminal gang funding.

(6) DRUG CONTROL STRATEGY AND CRIMINAL GANG COMMITTEE.—

(a) The Drug Control Strategy and Criminal Gang Committee is created within the Florida Violent Crime and Drug Control Council, consisting of the following council members:

1. The Attorney General or a designate.

2. The designate of the executive director of the Department of Law Enforcement.

3. The secretary of the Department of Corrections or a designate.

4. The director of the Office of *Planning and Budgeting in the Executive Office of the Governor* ~~Drug Control within the Executive Office of the Governor~~ or a designate.

5. The state attorney, the two sheriffs, and the two chiefs of police, or their designates.

Section 10. Subsection (1) of section 943.042, Florida Statutes, is amended to read:

943.042 Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account.—

(1) There is created a Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account within the Department of Law Enforcement Operating Trust Fund. The account shall be used to provide emergency supplemental funds to:

(a) State and local law enforcement agencies *that* ~~which~~ are involved in complex and lengthy violent crime investigations, or matching funding to multiagency or statewide drug control or illicit money laundering investigative efforts or task force efforts that significantly contribute to achieving the state's goal of reducing drug-related crime ~~as articulated by the Office of Drug Control~~, that represent a significant illicit money laundering investigative effort, or that otherwise significantly support statewide strategies developed by the Statewide Drug Policy Advisory Council established under s. 397.333;

(b) State and local law enforcement agencies *that* ~~which~~ are involved in violent crime investigations which constitute a significant emergency within the state; or

(c) Counties *that* ~~which~~ demonstrate a significant hardship or an inability to cover extraordinary expenses associated with a violent crime trial.

Section 11. *Subsection (7) of section 1006.07, Florida Statutes, is repealed.*

Section 12. *In accordance with s. 11.242, Florida Statutes, the Division of Statutory Revision of the Office of Legislative Services is requested to prepare a reviser's bill for consideration by the 2012 Regular Session of the Legislature to conform the Florida Statutes to the changes made by this act.*

Section 13. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Office of Drug Control; amending s. 14.2019, F.S.; relocating the Statewide Office for Suicide Prevention into the Department of Children and Family Services; requiring the director of the Statewide Office for Suicide Prevention to employ a coordinator for the office; requiring revenues from grants accepted by the Statewide Office for Suicide Prevention to be deposited into the Grants and Donations Trust Fund within the Department of Children and Family Services rather than the Executive Office of the Governor; amending s. 14.20195, F.S.; requiring the director of the Statewide Office for Suicide Prevention, rather than the director of the Office of Drug Control, to appoint members to the Suicide Prevention Coordinating Council; providing that the director of the Statewide Office for Suicide Prevention is a nonvoting member of the coordinating council; repealing s. 311.115, F.S., relating to Seaport Security Standards Advisory Council within the Office of Drug Control; amending s. 311.12, F.S.; deleting the provision that requires the Office of Drug Control within the Executive Office of the Governor to maintain a sufficient number of copies of the standards for seaport security at its offices for distribution to the public and provide copies to each affected seaport upon request; conforming provisions to changes made by the act; amending s. 311.123, F.S.; deleting the provision that requires the Office of Drug Control within the Executive Office of the Governor to create a maritime domain security awareness training program; amending s. 397.331, F.S.; conforming provisions to changes made by the act; repealing s. 397.332, F.S., relating to the creation of the Office of Drug Control; amending s. 397.333, F.S.; relocating the Statewide Drug Policy Advisory Council into the Department of Health; requiring the Surgeon General or his or her designee, rather than the director of the Office of Drug Control, to be a nonvoting, ex officio member of the advisory council; requiring the department to provide staff support for the advisory council; revising the state officials that are appointed to serve on the advisory council; amending s. 943.031, F.S.; revising the membership of the Florida Violent Crime and Drug Control Council; conforming provisions to changes made by the act; revising the membership of the Drug Control Strategy and Criminal Gang Committee; amending s. 943.042, F.S.; conforming provisions relating to the Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account to changes made by the act; repealing s. 1006.07(7), F.S., relating to suicide prevention education; requesting the Division of Statutory Revision of the Office of Legislative Services to prepare a reviser's bill to conform the Florida Statutes to the changes made by the act; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2104** was adopted. **SB 2104** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

Managers on the part of the House

The Conference Committee Amendment for SB 2106, relating to the Florida Energy and Climate Commission, provides for the following:

- Provides for a type two transfer of the Florida Energy and Climate Commission within the Governor's Office to the Department of Agriculture and Consumer Services;

- Abolishes the Commission and transfers the majority of the Commission's duties to the Department of Agriculture and Consumer Services;

- Transfers the duties of petroleum allocation from the Commission to the Division of Emergency Management;

- Transfers energy emergency contingency plans to the Division of Emergency Management;

- Requires the Department of Management Services to coordinate the energy conservation programs of all state agencies; and

- Transfers administration of the Coastal Energy Impact Program to the Department of Environmental Protection.

Conference Committee Amendment (947936)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *The powers, duties, functions, records, personnel, property, pending issues and existing contracts, administrative authority, administrative rules, and unexpended balances of appropriations, allocations, and other funds of the Florida Energy and Climate Commission within the Executive Office of the Governor are transferred by a type two transfer, as defined in s. 20.06(2), Florida Statutes, to the Department of Agriculture and Consumer Services.*

Section 2. Paragraph (y) of subsection (8) of section 213.053, Florida Statutes, is amended to read:

213.053 Confidentiality and information sharing.—

(8) Notwithstanding any other provision of this section, the department may provide:

(y) Information relative to ss. 212.08(7)(ccc) and 220.192 to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ for use in the conduct of its official business.

Disclosure of information under this subsection shall be pursuant to a written agreement between the executive director and the agency. Such agencies, governmental or nongovernmental, shall be bound by the same requirements of confidentiality as the Department of Revenue. Breach of confidentiality is a misdemeanor of the first degree, punishable as provided by s. 775.082 or s. 775.083.

Section 3. Subsections (3), (4), (5), and (8) and paragraph (b) of subsection (6) of section 220.192, Florida Statutes, are amended to read:

220.192 Renewable energy technologies investment tax credit.—

(3) CORPORATE APPLICATION PROCESS.—Any corporation wishing to obtain tax credits available under this section must submit to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ an application for tax credit that includes a complete description of all eligible costs for which the corporation is seeking a credit and a description of the total amount of credits sought. The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall make a determination on the eligibility of the applicant for the credits sought and certify the determination to the applicant and the Department of Revenue. The corporation must attach the *Department of Agriculture and Consumer Services'* ~~Florida Energy and Climate Commission's~~ certification to the tax return on which the credit is claimed. The *Department of Agriculture and Consumer Services is* ~~Florida Energy and Climate Commission shall be~~ responsible for ensuring that the corporate income tax credits granted in each fiscal year do not exceed the limits provided for in this section. The *Department of Agriculture and Consumer Services may* ~~Florida Energy and Climate Commission is authorized to~~ adopt the necessary rules~~, guidelines,~~ and *forms* ~~application materials~~ for the application process.

(4) TAXPAYER APPLICATION PROCESS.—To claim a credit under this section, each taxpayer must apply to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ for an allocation of each type of annual credit by the date es-

tablished by the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~. The application form *adopted* ~~may be established~~ by the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission. The form~~ must include an affidavit from each taxpayer certifying that all information contained in the application, including all records of eligible costs claimed as the basis for the tax credit, are true and correct. Approval of the credits under this section *is* ~~shall be accomplished~~ on a first-come, first-served basis, based upon the date complete applications are received by the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~. A taxpayer *must* ~~shall~~ submit only one complete application based upon eligible costs incurred within a particular state fiscal year. Incomplete placeholder applications will not be accepted and will not secure a place in the first-come, first-served application line. If a taxpayer does not receive a tax credit allocation due to the exhaustion of the annual tax credit authorizations, then such taxpayer may reapply in the following year for those eligible costs and will have priority over other applicants for the allocation of credits.

(5) ADMINISTRATION; AUDIT AUTHORITY; RECAPTURE OF CREDITS.—

(a) In addition to its existing audit and investigation authority, the Department of Revenue may perform any additional financial and technical audits and investigations, including examining the accounts, books, and records of the tax credit applicant, which are necessary to verify the eligible costs included in the tax credit return and to ensure compliance with this section. The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall provide technical assistance when requested by the Department of Revenue on any technical audits or examinations performed pursuant to this section.

(b) It is grounds for forfeiture of previously claimed and received tax credits if the Department of Revenue determines, as a result of an audit or examination or from information received from the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~, that a taxpayer received tax credits pursuant to this section to which the taxpayer was not entitled. The taxpayer is responsible for returning forfeited tax credits to the Department of Revenue, and such funds shall be paid into the General Revenue Fund of the state.

(c) The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ may revoke or modify any written decision granting eligibility for tax credits under this section if it is discovered that the tax credit applicant submitted any false statement, representation, or certification in any application, record, report, plan, or other document filed in an attempt to receive tax credits under this section. The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall immediately notify the Department of Revenue of any revoked or modified orders affecting previously granted tax credits. Additionally, the taxpayer must notify the Department of Revenue of any change in its tax credit claimed.

(d) The taxpayer shall file with the Department of Revenue an amended return or such other report as the Department of Revenue prescribes by rule and shall pay any required tax and interest within 60 days after the taxpayer receives notification from the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ that previously approved tax credits have been revoked or modified. If the revocation or modification order is contested, the taxpayer shall file an amended return or other report as provided in this paragraph within 60 days after a final order is issued after proceedings.

(e) A notice of deficiency may be issued by the Department of Revenue at any time within 3 years after the taxpayer receives formal notification from the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ that previously approved tax credits have been revoked or modified. If a taxpayer fails to notify the Department of Revenue of any changes to its tax credit claimed, a notice of deficiency may be issued at any time.

(6) TRANSFERABILITY OF CREDIT.—

(b) To perfect the transfer, the transferor shall provide the Department *of Revenue* with a written transfer statement notifying the Department *of Revenue* of the transferor's intent to transfer the tax credits to the transferee; the date the transfer is effective; the transferee's name, address, and federal taxpayer identification number; the tax period; and the amount of tax credits to be transferred. The Department *of Revenue* shall, upon receipt of a transfer statement conforming to the requirements of this section, provide the transferee with a certificate reflecting the tax credit amounts transferred. A copy of the certificate must be attached to each tax return for which the transferee seeks to apply such tax credits.

(8) PUBLICATION.—The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall determine and publish on a regular basis the amount of available tax credits remaining in each fiscal year.

Section 4. Paragraphs (d) and (e) of subsection (2) and subsection (5) of section 288.1089, Florida Statutes, are amended to read:

288.1089 Innovation Incentive Program.—

(2) As used in this section, the term:

~~(d) "Commission" means the Florida Energy and Climate Commission.~~

(d)~~(e)~~ "Cumulative investment" means cumulative capital investment and all eligible capital costs, as defined in s. 220.191.

(e) "Department" means the Department of Agriculture and Consumer Services.

(5) Enterprise Florida, Inc., shall evaluate proposals for all three categories of innovation incentive awards and transmit recommendations for awards to the office. Before making its recommendations on alternative and renewable energy projects, Enterprise Florida, Inc., shall solicit comments and recommendations from the *department* ~~Florida Energy and Climate Commission~~. For each project, the evaluation and recommendation to the office must include, but need not be limited to:

(a) A description of the project, its required facilities, and the associated product, service, or research and development associated with the project.

(b) The percentage of match provided for the project.

(c) The number of full-time equivalent jobs that will be created by the project, the total estimated average annual wages of such jobs, and the types of business activities and jobs likely to be stimulated by the project.

(d) The cumulative investment to be dedicated to the project within 5 years and the total investment expected in the project if more than 5 years.

(e) The projected economic and fiscal impacts on the local and state economies relative to investment.

(f) A statement of any special impacts the project is expected to stimulate in a particular business sector in the state or regional economy or in the state's universities and community colleges.

(g) A statement of any anticipated or proposed relationships with state universities.

(h) A statement of the role the incentive is expected to play in the decision of the applicant to locate or expand in this state.

(i) A recommendation and explanation of the amount of the award needed to cause the applicant to expand or locate in this state.

(j) A discussion of the efforts and commitments made by the local community in which the project is to be located to induce the applicant's location or expansion, taking into consideration local resources and abilities.

(k) A recommendation for specific performance criteria the applicant would be expected to achieve in order to receive payments from the fund and penalties or sanctions for failure to meet or maintain performance conditions.

(l) Additional evaluative criteria for a research and development facility project, including:

1. A description of the extent to which the project has the potential to serve as catalyst for an emerging or evolving cluster.

2. A description of the extent to which the project has or could have a long-term collaborative research and development relationship with one or more universities or community colleges in this state.

3. A description of the existing or projected impact of the project on established clusters or targeted industry sectors.

4. A description of the project's contribution to the diversity and resiliency of the innovation economy of this state.

5. A description of the project's impact on special needs communities, including, but not limited to, rural areas, distressed urban areas, and enterprise zones.

(m) Additional evaluative criteria for alternative and renewable energy proposals, including:

1. The availability of matching funds or other in-kind contributions applied to the total project from an applicant. The *department* ~~commission~~ shall give greater preference to projects that provide such matching funds or other in-kind contributions.

2. The degree to which the project stimulates in-state capital investment and economic development in metropolitan and rural areas, including the creation of jobs and the future development of a commercial market for renewable energy technologies.

3. The extent to which the proposed project has been demonstrated to be technically feasible based on pilot project demonstrations, laboratory testing, scientific modeling, or engineering or chemical theory that supports the proposal.

4. The degree to which the project incorporates an innovative new technology or an innovative application of an existing technology.

5. The degree to which a project generates thermal, mechanical, or electrical energy by means of a renewable energy resource that has substantial long-term production potential.

6. The degree to which a project demonstrates efficient use of energy and material resources.

7. The degree to which the project fosters overall understanding and appreciation of renewable energy technologies.

8. The ability to administer a complete project.

9. Project duration and timeline for expenditures.

10. The geographic area in which the project is to be conducted in relation to other projects.

11. The degree of public visibility and interaction.

Section 5. Subsection (9) of section 288.9607, Florida Statutes, is amended to read:

288.9607 Guaranty of bond issues.—

(9) The membership of the corporation is authorized and directed to conduct such investigation as it may deem necessary for promulgation of regulations to govern the operation of the guaranty program authorized by this section. The regulations may include such other additional provisions, restrictions, and conditions as the corporation, after its investigation referred to in this subsection, shall determine to be proper to achieve the most effective utilization of the guaranty program. This may include, without limitation, a detailing of the remedies that must be exhausted by bondholders, a trustee acting on their behalf, or other credit provided before calling upon the corporation to perform under its guaranty agreement and the subrogation of other rights of the corporation with reference to the capital project and its operation or the financing in the event the corporation makes payment pursuant to the applicable guaranty agreement. The regulations promulgated by the corporation to govern the operation of the guaranty program may contain specific provisions with respect to the rights of the corporation to enter, take over, and manage all financed properties upon default. These regulations shall be submitted by the corporation to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ for approval.

Section 6. Subsection (5) of section 366.82, Florida Statutes, is amended to read:

366.82 Definition; goals; plans; programs; annual reports; energy audits.—

(5) The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall be a party in the proceedings to adopt goals and shall file with the commission comments on the proposed goals, including, but not limited to:

(a) An evaluation of utility load forecasts, including an assessment of alternative supply-side and demand-side resource options.

(b) An analysis of various policy options that can be implemented to achieve a least-cost strategy, including nonutility programs targeted at reducing and controlling the per capita use of electricity in the state.

(c) An analysis of the impact of state and local building codes and appliance efficiency standards on the need for utility-sponsored conservation and energy efficiency measures and programs.

Section 7. Subsection (3) of section 366.92, Florida Statutes, is amended to read:

366.92 Florida renewable energy policy.—

(3) The commission shall adopt rules for a renewable portfolio standard requiring each provider to supply renewable energy to its customers directly, by procuring, or through renewable energy credits. In developing the RPS rule, the commission shall consult the Department of Environmental Protection and the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~. The rule shall not be implemented until ratified by the Legislature. The commission shall present a draft rule for legislative consideration by February 1, 2009.

(a) In developing the rule, the commission shall evaluate the current and forecasted levelized cost in cents per kilowatt hour through 2020 and current and forecasted installed capacity in kilowatts for each renewable energy generation method through 2020.

(b) The commission's rule:

1. Shall include methods of managing the cost of compliance with the renewable portfolio standard, whether through direct supply or procurement of renewable power or through the purchase of renewable energy credits. The commission shall have rulemaking authority for providing annual cost recovery and incentive-based adjustments to authorized rates of return on common equity to providers to incentivize renewable energy. Notwithstanding s. 366.91(3) and (4), upon the ratification of the rules developed pursuant to this subsection, the commission may approve projects and power sales agreements with renewable power producers and the sale of renewable energy credits needed to comply with the renewable portfolio standard. In the event of any conflict, this subparagraph shall supersede s. 366.91(3) and (4). However, nothing in this section shall alter the obligation of each public utility to continuously offer a purchase contract to producers of renewable energy.

2. Shall provide for appropriate compliance measures and the conditions under which noncompliance shall be excused due to a determination by the commission that the supply of renewable energy or renewable energy credits was not adequate to satisfy the demand for such energy or that the cost of securing renewable energy or renewable energy credits was cost prohibitive.

3. May provide added weight to energy provided by wind and solar photovoltaic over other forms of renewable energy, whether directly supplied or procured or indirectly obtained through the purchase of renewable energy credits.

4. Shall determine an appropriate period of time for which renewable energy credits may be used for purposes of compliance with the renewable portfolio standard.

5. Shall provide for monitoring of compliance with and enforcement of the requirements of this section.

6. Shall ensure that energy credited toward compliance with the requirements of this section is not credited toward any other purpose.

7. Shall include procedures to track and account for renewable energy credits, including ownership of renewable energy credits that are derived from a customer-owned renewable energy facility as a result of any action by a customer of an electric power supplier that is independent of a program sponsored by the electric power supplier.

8. Shall provide for the conditions and options for the repeal or alteration of the rule in the event that new provisions of federal law supplant or conflict with the rule.

(c) Beginning on April 1 of the year following final adoption of the commission's renewable portfolio standard rule, each provider shall submit a report to the commission describing the steps that have been taken in the previous year and the steps that will be taken in the future to add renewable energy to the provider's energy supply portfolio. The report shall state whether the provider was in compliance with the renewable portfolio standard during the previous year and how it will comply with the renewable portfolio standard in the upcoming year.

Section 8. Section 377.6015, Florida Statutes, is amended to read:

377.6015 *Department of Agriculture and Consumer Services; powers and duties* ~~Florida Energy and Climate Commission.—~~

~~(1) The Florida Energy and Climate Commission is created within the Executive Office of the Governor. The commission shall be comprised of nine members appointed by the Governor, the Commissioner of Agriculture, and the Chief Financial Officer.~~

~~(a) The Governor shall appoint one member from three persons nominated by the Florida Public Service Commission Nominating Council, created in s. 350.031, to each of seven seats on the commission. The Commissioner of Agriculture shall appoint one member from three persons nominated by the council to one seat on the commission. The Chief Financial Officer shall appoint one member from three persons nominated by the council to one seat on the commission.~~

~~1. The council shall submit the recommendations to the Governor, the Commissioner of Agriculture, and the Chief Financial Officer by September 1 of those years in which the terms are to begin the following October or within 60 days after a vacancy occurs for any reason other than the expiration of the term. The Governor, the Commissioner of Agriculture, and the Chief Financial Officer may proffer names of persons to be considered for nomination by the council.~~

~~2. The Governor, the Commissioner of Agriculture, and the Chief Financial Officer shall fill a vacancy occurring on the commission by appointment of one of the applicants nominated by the council only after a background investigation of such applicant has been conducted by the Department of Law Enforcement.~~

~~3. Members shall be appointed to 3-year terms; however, in order to establish staggered terms, for the initial appointments, the Governor shall appoint four members to 3-year terms, two members to 2-year terms, and one member to a 1-year term, and the Commissioner of Agriculture and the Chief Financial Officer shall each appoint one member to a 3-year term and shall appoint a successor when that appointee's term expires in the same manner as the original appointment.~~

~~4. The Governor shall select from the membership of the commission one person to serve as chair.~~

~~5. A vacancy on the commission shall be filled for the unexpired portion of the term in the same manner as the original appointment.~~

~~6. If the Governor, the Commissioner of Agriculture, or the Chief Financial Officer has not made an appointment within 30 consecutive calendar days after the receipt of the recommendations, the council shall initiate, in accordance with this section, the nominating process within 30 days.~~

~~7. Each appointment to the commission shall be subject to confirmation by the Senate during the next regular session after the vacancy occurs. If the Senate refuses to confirm or fails to consider the appointment of the Governor, the Commissioner of Agriculture, or the Chief Financial Officer, the council shall initiate, in accordance with this section, the nominating process within 30 days.~~

~~8. The Governor or the Governor's successor may recall an appointee.~~

~~9. Notwithstanding subparagraph 7. and for the initial appointments to the commission only, each initial appointment to the commission is subject to confirmation by the Senate by the 2010 Regular Session. If the Senate refuses to confirm or fails to consider an appointment made by the Governor, the Commissioner of Agriculture, or the Chief Financial Officer, the council shall initiate, in accordance with this section, the nominating process within 30 days after the Senate's refusal to confirm or failure to consider such appointment. This subparagraph expires July 1, 2010.~~

~~(b) Members must meet the following qualifications and restrictions:~~

~~1. A member must be an expert in one or more of the following fields: energy, natural resource conservation, economics, engineering, finance, law, transportation and land use, consumer protection, state energy policy, or another field substantially related to the duties and functions of the commission. The commission shall fairly represent the fields specified in this subparagraph.~~

~~2. Each member shall, at the time of appointment and at each commission meeting during his or her term of office, disclose:~~

~~a. Whether he or she has any financial interest, other than ownership of shares in a mutual fund, in any business entity that, directly or indirectly, owns or controls, or is an affiliate or subsidiary of, any business entity that may be affected by the policy recommendations developed by the commission.~~

~~b. Whether he or she is employed by or is engaged in any business activity with any business entity that, directly or indirectly, owns or controls, or is an affiliate or subsidiary of, any business entity that may be affected by the policy recommendations developed by the commission.~~

~~(c) The chair may designate the following ex officio, nonvoting members to provide information and advice to the commission at the request of the chair:~~

~~1. The chair of the Florida Public Service Commission, or his or her designee.~~

~~2. The Public Counsel, or his or her designee.~~

~~3. A representative of the Department of Agriculture and Consumer Services.~~

~~4. A representative of the Department of Financial Services.~~

~~5. A representative of the Department of Environmental Protection.~~

~~6. A representative of the Department of Community Affairs.~~

~~7. A representative of the Board of Governors of the State University System.~~

~~8. A representative of the Department of Transportation.~~

~~(2) Members shall serve without compensation but are entitled to reimbursement for per diem and travel expenses as provided in s. 112.061.~~

~~(3) Meetings of the commission may be held in various locations around the state and at the call of the chair; however, the commission must meet at least six times each year.~~

(1)~~(4)~~ The *department* ~~commission~~ may:

(a) Employ staff and counsel as needed in the performance of its duties.

(b) Prosecute and defend legal actions in its own name.

(c) Form advisory groups consisting of members of the public to provide information on specific issues.

(2)~~(5)~~ The *department* ~~commission~~ shall:

(a) Administer the Florida Renewable Energy and Energy-Efficient Technologies Grants Program pursuant to s. 377.804 to assure a robust grant portfolio.

(b) Develop policy for requiring grantees to provide royalty-sharing or licensing agreements with state government for commercialized products developed under a state grant.

(c) Administer the Florida Green Government Grants Act pursuant to s. 377.808 and set annual priorities for grants.

(d) Administer the information gathering and reporting functions pursuant to ss. 377.601-377.608.

~~(e) Administer petroleum planning and emergency contingency planning pursuant to ss. 377.701, 377.703, and 377.704.~~

(e)~~(f)~~ Represent Florida in the Southern States Energy Compact pursuant to ss. 377.71-377.712.

~~(g) Complete the annual assessment of the efficacy of Florida's Energy and Climate Change Action Plan, upon completion by the Governor's Action Team on Energy and Climate Change pursuant to the Governor's Executive Order 2007-128, and provide specific recommendations to the Governor and the Legislature each year to improve results.~~

(f)~~(h)~~ Administer the provisions of the Florida Energy and Climate Protection Act pursuant to ss. *377.801-377.807* ~~377.801-377.806~~.

(g)~~(i)~~ Advocate for energy and climate change issues and provide educational outreach and technical assistance in cooperation with the state's academic institutions.

(h)~~(j)~~ Be a party in the proceedings to adopt goals and submit comments to the Public Service Commission pursuant to s. 366.82.

(i)~~(k)~~ Adopt rules pursuant to chapter 120 in order to implement all powers and duties described in this section.

Section 9. Subsection (1) and paragraphs (a) and (b) of subsection (2) of section 377.602, Florida Statutes, are amended to read:

377.602 Definitions.—As used in ss. 377.601-377.608:

(1) *"Department"* ~~"Commission"~~ means the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~.

(2) "Energy resources" includes, but shall not be limited to:

(a) Energy converted from solar radiation, wind, hydraulic potential, tidal movements, biomass, geothermal sources, and other energy resources the *department* ~~commission~~ determines to be important to the production or supply of energy.

(b) Propane, butane, motor gasoline, kerosene, home heating oil, diesel fuel, other middle distillates, aviation gasoline, kerosene-type jet fuel, naphtha-type jet fuel, residual fuels, crude oil, and other petroleum products and hydrocarbons as may be determined by the *department* ~~commission~~ to be of importance.

Section 10. Section 377.603, Florida Statutes, is amended to read:

377.603 Energy data collection; powers and duties of the *department* ~~commission~~.—

(1) The *department* ~~commission~~ may collect data on the extraction, production, importation, exportation, refinement, transportation, transmission, conversion, storage, sale, or reserves of energy resources in this state in an efficient and expeditious manner.

(2) The *department* ~~commission~~ may prepare periodic reports of energy data it collects.

(3) The *department* ~~commission~~ may adopt and promulgate such rules and regulations as are necessary to carry out the provisions of ss. 377.601-377.608. Such rules shall be pursuant to chapter 120.

(4) The *department* ~~commission~~ shall maintain internal validation procedures to assure the accuracy of information received.

Section 11. Section 377.604, Florida Statutes, is amended to read:

377.604 Required reports.—Every person who produces, imports, exports, refines, transports, transmits, converts, stores, sells, or holds known reserves of any form of energy resources used as fuel shall report to the *department* ~~commission~~, at the request of and in a manner prescribed by the *department* ~~commission~~, on forms provided by the *department* ~~commission~~. Such forms shall be designed in such a manner as to indicate:

(1) The identity of the person or persons making the report.

(2) The quantity of energy resources extracted, produced, imported, exported, refined, transported, transmitted, converted, stored, or sold except at retail.

(3) The quantity of energy resources known to be held in reserve in the state.

(4) The identity of each refinery from which petroleum products have normally been obtained and the type and quantity of products secured from that refinery for sale or resale in this state.

(5) Any other information which the *department* ~~commission~~ deems proper pursuant to the intent of ss. 377.601-377.608.

Section 12. Section 377.605, Florida Statutes, is amended to read:

377.605 Use of existing information.—The *department* ~~commission~~ may utilize to the fullest extent possible any existing energy information already prepared for state or federal agencies. Every state, county, and municipal agency shall cooperate with the *department* ~~commission~~ and shall submit any information on energy to the *department* ~~commission~~ upon request.

Section 13. Section 377.606, Florida Statutes, is amended to read:

377.606 Records of the *department* ~~commission~~; limits of confidentiality.—The information or records of individual persons, as defined in this section, obtained by the *department* ~~commission~~ as a result of a report, investigation, or verification required by the *department* ~~commission~~ shall be open to the public, except such information the disclosure of which would be likely to cause substantial harm to the competitive position of the person providing such information and which is requested to be held confidential by the person providing such information. Such proprietary information is confidential and exempt from the provisions of s. 119.07(1). Information reported by entities other than the *department* ~~commission~~ in documents or reports open to public inspection shall under no circumstances be classified as confidential by the *department* ~~commission~~. Divulgence of proprietary information as is requested to be held confidential, except upon order of a court of competent jurisdiction or except to an officer of the state entitled to receive the same in his or her official capacity, shall be a misdemeanor of the second degree, punishable as provided in ss. 775.082 and 775.083. ~~Nothing in~~ This section *does not* ~~shall be construed to~~ prohibit the publication or divulgence by other means of data so classified as to prevent identification of particular accounts or reports made to the *department* ~~commission~~ in compliance with s. 377.603 or to prohibit the disclosure of such information to properly qualified legislative committees. The *department* ~~commission~~ shall establish a system which permits reasonable access to information developed.

Section 14. Section 377.608, Florida Statutes, is amended to read:

377.608 Prosecution of cases by state attorney.—The state attorney shall prosecute all cases certified to him or her for prosecution by the *department* ~~commission~~ immediately upon receipt of the evidence transmitted by the *department* ~~commission~~, or as soon thereafter as practicable.

Section 15. Subsections (1), (2), and (3) of section 377.701, Florida Statutes, are amended to read:

377.701 Petroleum allocation.—

(1) The *Division of Emergency Management* ~~Florida Energy and Climate Commission~~ shall assume the state's role in petroleum allocation and conservation, including the development of a fair and equitable petroleum plan. The *Division of Emergency Management* ~~commission~~ shall constitute the responsible state agency for performing the functions of any federal program delegated to the state, which relates to petroleum supply, demand, and allocation.

(2) The *Division of Emergency Management* ~~commission~~ shall, in addition to assuming the duties and responsibilities provided by subsection (1), perform the following:

(a) In projecting available supplies of petroleum, coordinate with the Department of Revenue to secure information necessary to assure the sufficiency and accuracy of data submitted by persons affected by any federal fuel allocation program.

(b) Require such periodic reports from public and private sources as may be necessary to the fulfillment of its responsibilities under this act. Such reports may include: petroleum use; all sales, including end-user sales, except retail gasoline and retail fuel oil sales; inventories; expected supplies and allocations; and petroleum conservation measures.

(c) In cooperation with the Department of Revenue and other relevant state agencies, provide for long-range studies regarding the usage of petroleum in the state in order to:

1. Comprehend the consumption of petroleum resources.

2. Predict future petroleum demands in relation to available resources.

3. Report the results of such studies to the Legislature.

(3) For the purpose of determining accuracy of data, all state agencies shall timely provide the *Division of Emergency Management* ~~commission~~ with petroleum-use information in a format suitable to the needs of the allocation program.

Section 16. Section 377.703, Florida Statutes, is amended to read:

377.703 Additional functions of the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~.—

(1) LEGISLATIVE INTENT.—Recognizing that energy supply and demand questions have become a major area of concern to the state which must be dealt with by effective and well-coordinated state action, it is the intent of the Legislature to promote the efficient, effective, and economical management of energy problems, centralize energy coordination responsibilities, pinpoint responsibility for conducting energy programs, and ensure the accountability of state agencies for the implementation of s. 377.601(2), the state energy policy. It is the specific intent of the Legislature that nothing in this act shall in any way change the powers, duties, and responsibilities assigned by the Florida Electrical Power Plant Siting Act, part II of chapter 403, or the powers, duties, and responsibilities of the Florida Public Service Commission.

(2) ~~FLORIDA ENERGY AND CLIMATE COMMISSION~~; DUTIES.—The *department* ~~commission~~ shall perform the following functions*, unless as otherwise provided,* consistent with the development of a state energy policy:

(a) The *Division of Emergency Management is responsible for the* ~~commission shall assume the responsibility for~~ development of an energy emergency contingency plan to respond to serious shortages of primary and secondary energy sources. Upon a finding by the Governor, implementation of any emergency program shall be upon order of the Governor that a particular kind or type of fuel is, or that the occurrence of an event which is reasonably expected within 30 days will make the fuel, in short supply. The *Division of Emergency Management* ~~commission~~ shall then respond by instituting the appropriate measures of the contingency plan to meet the given emergency or energy shortage. The Governor may utilize the provisions of s. 252.36(5) to carry out any emergency actions required by a serious shortage of energy sources.

(b) The *department is* ~~commission shall be~~ responsible for performing or coordinating the functions of any federal energy programs delegated to the state, including energy supply, demand, conservation, or allocation.

(c) The *department* ~~commission~~ shall analyze present and proposed federal energy programs and make recommendations regarding those programs to the Governor and the Legislature.

(d) The *department* ~~commission~~ shall coordinate efforts to seek federal support or other support for state energy activities, including energy conservation, research, or development, and *is* ~~shall be~~ responsible for the coordination of multiagency energy conservation programs and plans.

(e) The *department* ~~commission~~ shall analyze energy data collected and prepare long-range forecasts of energy supply and demand in coordination with the Florida Public Service Commission, which *is responsible* ~~shall have responsibility~~ for electricity and natural gas forecasts. To this end, the forecasts shall contain:

1. An analysis of the relationship of state economic growth and development to energy supply and demand, including the constraints to economic growth resulting from energy supply constraints.

2. Plans for the development of renewable energy resources and reduction in dependence on depletable energy resources, particularly oil and natural gas, and an analysis of the extent to which renewable energy sources are being utilized in the state.

3. Consideration of alternative scenarios of statewide energy supply and demand for 5, 10, and 20 years to identify strategies for long-range action, including identification of potential social, economic, and environmental effects.

4. An assessment of the state's energy resources, including examination of the availability of commercially developable and imported fuels, and an analysis of anticipated effects on the state's environment and social services resulting from energy resource development activities or from energy supply constraints, or both.

(f) The *department* ~~commission~~ shall submit an annual report to the Governor and the Legislature reflecting its activities and making recommendations of policies for improvement of the state's response to energy supply and demand and its effect on the health, safety, and welfare of the people of Florida. The report shall include a report from the Florida Public Service Commission on electricity and natural gas and information on energy conservation programs conducted and underway in the past year and shall include recommendations for energy conservation programs for the state, including, but not limited to, the following factors:

1. Formulation of specific recommendations for improvement in the efficiency of energy utilization in governmental, residential, commercial, industrial, and transportation sectors.

2. Collection and dissemination of information relating to energy conservation.

3. Development and conduct of educational and training programs relating to energy conservation.

4. An analysis of the ways in which state agencies are seeking to implement s. 377.601(2), the state energy policy, and recommendations for better fulfilling this policy.

(g) The *department may* ~~commission has authority to~~ adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this act.

(h) The *department* ~~commission~~ shall promote the development and use of renewable energy resources, in conformance with the provisions of chapter 187 and s. 377.601, by:

1. Establishing goals and strategies for increasing the use of solar energy in this state.

2. Aiding and promoting the commercialization of solar energy technology, in cooperation with the Florida Solar Energy Center, Enterprise Florida, Inc., and any other federal, state, or local governmental

agency which may seek to promote research, development, and demonstration of solar energy equipment and technology.

3. Identifying barriers to greater use of solar energy systems in this state, and developing specific recommendations for overcoming identified barriers, with findings and recommendations to be submitted annually in the report to the Governor and Legislature required under paragraph (f).

4. In cooperation with the Department of Environmental Protection, the Department of Transportation, the Department of Community Affairs, Enterprise Florida, Inc., the Florida Solar Energy Center, and the Florida Solar Energy Industries Association, investigating opportunities, pursuant to the National Energy Policy Act of 1992, the Housing and Community Development Act of 1992, and any subsequent federal legislation, for solar electric vehicles and other solar energy manufacturing, distribution, installation, and financing efforts which will enhance this state's position as the leader in solar energy research, development, and use.

5. Undertaking other initiatives to advance the development and use of renewable energy resources in this state.

In the exercise of its responsibilities under this paragraph, the *department* ~~commission~~ shall seek the assistance of the solar energy industry in this state and other interested parties and is authorized to enter into contracts, retain professional consulting services, and expend funds appropriated by the Legislature for such purposes.

(i) The *department* ~~commission~~ shall promote energy conservation in all energy use sectors throughout the state and shall constitute the state agency primarily responsible for this function. ~~To this end,~~ The *Department of Management Services, in consultation with the department,* ~~commission~~ shall coordinate the energy conservation programs of all state agencies and review and comment on the energy conservation programs of all state agencies.

(j) The *department* ~~commission~~ shall serve as the state clearinghouse for indexing and gathering all information related to energy programs in state universities, in private universities, in federal, state, and local government agencies, and in private industry and shall prepare and distribute such information in any manner necessary to inform and advise the citizens of the state of such programs and activities. This shall include developing and maintaining a current index and profile of all research activities, which shall be identified by energy area and may include a summary of the project, the amount and sources of funding, anticipated completion dates, or, in case of completed research, conclusions, recommendations, and applicability to state government and private sector functions. The *department* ~~commission~~ shall coordinate, promote, and respond to efforts by all sectors of the economy to seek financial support for energy activities. The *department* ~~commission~~ shall provide information to consumers regarding the anticipated energy-use and energy-saving characteristics of products and services in coordination with any federal, state, or local governmental agencies as may provide such information to consumers.

(k) The *department* ~~commission~~ shall coordinate energy-related programs of state government, including, but not limited to, the programs provided in this section. To this end, the *department* ~~commission~~ shall:

1. Provide assistance to other state agencies, counties, municipalities, and regional planning agencies to further and promote their energy planning activities.

2. Require, in cooperation with the Department of Management Services, all state agencies to operate state-owned and state-leased buildings in accordance with energy conservation standards as adopted by the Department of Management Services. Every 3 months, the Department of Management Services shall furnish the *department* ~~commission~~ data on agencies' energy consumption and emissions of greenhouse gases in a format prescribed by the *department* ~~commission~~.

3. Promote the development and use of renewable energy resources, energy efficiency technologies, and conservation measures.

4. Promote the recovery of energy from wastes, including, but not limited to, the use of waste heat, the use of agricultural products as a source of energy, and recycling of manufactured products. Such promotion shall be conducted in conjunction with, and after consultation with, the Department of Environmental Protection and the Florida Public Service Commission where electrical generation or natural gas is involved, and any other relevant federal, state, or local governmental agency having responsibility for resource recovery programs.

(l) The *department* ~~commission~~ shall develop, coordinate, and promote a comprehensive research plan for state programs. Such plan shall be consistent with state energy policy and shall be updated on a biennial basis.

(m) In recognition of the devastation to the economy of this state and the dangers to the health and welfare of residents of this state caused by severe hurricanes, and the potential for such impacts caused by other natural disasters, the *Division of Emergency Management* ~~commission~~ shall include in its energy emergency contingency plan and provide to the Florida Building Commission for inclusion in the Florida Energy Efficiency Code for Building Construction specific provisions to facilitate the use of cost-effective solar energy technologies as emergency remedial and preventive measures for providing electric power, street lighting, and water heating service in the event of electric power outages.

(3) The *Department of Environmental Protection is* ~~commission shall be~~ responsible for the administration of the Coastal Energy Impact Program provided for and described in Pub. L. No. 94-370, 16 U.S.C. s. 1456a.

Section 17. Paragraph (h) of subsection (5) of section 377.711, Florida Statutes, is amended to read:

377.711 Florida party to Southern States Energy Compact.—The Southern States Energy Compact is enacted into law and entered into by the state as a party, and is of full force and effect between the state and any other states joining therein in accordance with the terms of the compact, which compact is substantially as follows:

(5) POWERS.—The board shall have the power to:

(h) Recommend such changes in, or amendments or additions to, the laws, codes, rules, regulations, administrative procedures and practices, or ordinances of the party states in any of the fields of its interest and competence as in its judgment may be appropriate. Any such recommendation shall be made, in the case of Florida, through the Department of *Agriculture and Consumer Services* ~~Commerce~~.

Section 18. Section 377.801, Florida Statutes, is amended to read:

377.801 Short title.—Sections *377.801-377.807* ~~377.801-377.806~~ may be cited as the "Florida Energy and Climate Protection Act."

Section 19. Section 377.803, Florida Statutes, is amended to read:

377.803 Definitions.—As used in ss. *377.801-377.807* ~~377.801-377.806~~, the term:

(1) "Act" means the Florida Energy and Climate Protection Act.

(2) *"Department"* ~~"Commission"~~ means the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~.

(3) "Person" means an individual, partnership, joint venture, private or public corporation, association, firm, public service company, or any other public or private entity.

(4) "Renewable energy" means electrical, mechanical, or thermal energy produced from a method that uses one or more of the following fuels or energy sources: hydrogen, biomass, as defined in s. 366.91, solar energy, geothermal energy, wind energy, ocean energy, waste heat, or hydroelectric power.

(5) "Renewable energy technology" means any technology that generates or utilizes a renewable energy resource.

(6) "Solar energy system" means equipment that provides for the collection and use of incident solar energy for water heating, space heating or cooling, or other applications that would normally require a conventional source of energy such as petroleum products, natural gas, or electricity that performs primarily with solar energy. In other systems

in which solar energy is used in a supplemental way, only those components that collect and transfer solar energy shall be included in this definition.

(7) "Solar photovoltaic system" means a device that converts incident sunlight into electrical current.

(8) "Solar thermal system" means a device that traps heat from incident sunlight in order to heat water.

Section 20. Subsection (1), paragraph (f) of subsection (2), and subsections (3) through (6) of section 377.804, Florida Statutes, are amended to read:

377.804 Renewable Energy and Energy-Efficient Technologies Grants Program.—

(1) The Renewable Energy and Energy-Efficient Technologies Grants Program is established within the *department* ~~commission~~ to provide renewable energy matching grants for demonstration, commercialization, research, and development projects relating to renewable energy technologies and innovative technologies that significantly increase energy efficiency for vehicles and commercial buildings.

(2) Matching grants for projects described in subsection (1) may be made to any of the following:

(f) Other qualified persons, as determined by the *department* ~~commission~~.

(3) The *department* ~~commission~~ may adopt rules pursuant to ss. 120.536(1) and 120.54 to provide for application requirements, provide for ranking of applications, and administer the awarding of grants under this program.

(4) Factors the *department* ~~commission~~ shall consider in awarding grants include, but are not limited to:

(a) The availability of matching funds or other in-kind contributions applied to the total project from an applicant. The *department* ~~commission~~ shall give greater preference to projects that provide such matching funds or other in-kind contributions.

(b) The degree to which the project stimulates in-state capital investment and economic development in metropolitan and rural areas, including the creation of jobs and the future development of a commercial market for renewable energy technologies.

(c) The extent to which the proposed project has been demonstrated to be technically feasible based on pilot project demonstrations, laboratory testing, scientific modeling, or engineering or chemical theory that supports the proposal.

(d) The degree to which the project incorporates an innovative new technology or an innovative application of an existing technology.

(e) The degree to which a project generates thermal, mechanical, or electrical energy by means of a renewable energy resource that has substantial long-term production potential.

(f) The degree to which a project demonstrates efficient use of energy and material resources.

(g) The degree to which the project fosters overall understanding and appreciation of renewable energy technologies.

(h) The ability to administer a complete project.

(i) Project duration and timeline for expenditures.

(j) The geographic area in which the project is to be conducted in relation to other projects.

(k) The degree of public visibility and interaction.

(5) The *department* ~~commission~~ shall solicit the expertise of state agencies, Enterprise Florida, Inc., and state universities, and may solicit the expertise of other public and private entities it deems appropriate, in evaluating project proposals. State agencies shall cooperate with the *department* ~~commission~~ and provide such assistance as requested.

(6) ~~The commission shall coordinate and actively consult with the Department of Agriculture and Consumer Services during the review and approval process of grants relating to bioenergy projects for renewable energy technology.~~ Factors for consideration in awarding grants *relating to bioenergy projects* may include, but are not limited to, the degree to which:

(a) The project stimulates in-state capital investment and economic development in metropolitan and rural areas, including the creation of jobs and the future development of a commercial market for bioenergy.

(b) The project produces bioenergy from Florida-grown crops or biomass.

(c) The project demonstrates efficient use of energy and material resources.

(d) The project fosters overall understanding and appreciation of bioenergy technologies.

(e) Matching funds and in-kind contributions from an applicant are available.

(f) The project duration and the timeline for expenditures are acceptable.

(g) The project has a reasonable assurance of enhancing the value of agricultural products or will expand agribusiness in the state.

(h) Preliminary market and feasibility research has been conducted by the applicant or others and shows there is a reasonable assurance of a potential market.

Section 21. Subsections (1), (6), and (7) of section 377.806, Florida Statutes, are amended to read:

377.806 Solar Energy System Incentives Program.—

(1) PURPOSE.—The Solar Energy System Incentives Program is established within the *Department of Agriculture and Consumer Services* ~~commission~~ to provide financial incentives for the purchase and installation of solar energy systems. Any resident of the state who purchases and installs a new solar energy system of 2 kilowatts or larger for a solar photovoltaic system, a solar energy system that provides at least 50 percent of a building's hot water consumption for a solar thermal system, or a solar thermal pool heater, from July 1, 2006, through June 30, 2010, is eligible for a rebate on a portion of the purchase price of that solar energy system.

(6) REBATE AVAILABILITY.—The *department* ~~commission~~ shall determine and publish on a regular basis the amount of rebate funds remaining in each fiscal year. The total dollar amount of all rebates issued is subject to the total amount of appropriations in any fiscal year for this program. If funds are insufficient during the current fiscal year, any requests for rebates received during that fiscal year may be processed during the following fiscal year. Requests for rebates received in a fiscal year that are processed during the following fiscal year shall be given priority over requests for rebates received during the following fiscal year.

(7) RULES.—The *department* ~~commission~~ shall adopt rules pursuant to ss. 120.536(1) and 120.54 to develop rebate applications and administer the issuance of rebates.

Section 22. Section 377.807, Florida Statutes, is amended to read:

377.807 Energy-efficient appliance rebate program.—

(1) The *department may* ~~Florida Energy and Climate Commission is authorized to~~ develop and administer a consumer rebate program for residential energy-efficient appliances, consistent with 42 U.S.C. s. 15821 and any federal agency guidance or regulations issued in furtherance of federal law.

(2) The *department* ~~commission~~ may adopt rules pursuant to ss. 120.536(1) and 120.54 designating eligible appliances, rebate amounts, and the administration of the issuance of rebates. The rules shall be consistent with 42 U.S.C. s. 15821 and any subsequent implementing federal regulations or guidance.

(3) The *department may* ~~commission is authorized to~~ enter into contracts or memoranda of agreement with other agencies of the state, public-private partnerships, or other arrangements such that the most efficient means of administering consumer rebates can be achieved.

Section 23. Subsections (2) through (5) of section 377.808, Florida Statutes, are amended to read:

377.808 Florida Green Government Grants Act.—

(2) The *department* ~~Florida Energy and Climate Commission~~ shall use funds specifically appropriated to award grants under this section to assist local governments, including municipalities, counties, and school districts, in the development and implementation of programs that achieve green standards. Green standards shall be determined by the *department* ~~commission~~ and shall provide for cost-efficient solutions, reducing greenhouse gas emissions, improving quality of life, and strengthening the state's economy.

(3) The *department* ~~commission~~ shall adopt rules pursuant to chapter 120 to administer the grants provided for in this section. In accordance with the rules adopted by the *department* ~~commission~~ under this section, the *department* ~~commission~~ may provide grants from funds specifically appropriated for this purpose to local governments for the costs of achieving green standards, including necessary administrative expenses. The rules of the *department* ~~commission~~ shall:

(a) Designate one or more suitable green government standards frameworks from which local governments may develop a greening government initiative and from which projects may be eligible for funding pursuant to this section.

(b) Require that projects that plan, design, construct, upgrade, or replace facilities reduce greenhouse gas emissions and be cost-effective, environmentally sound, permittable, and implementable.

(c) Require local governments to match state funds with direct project cost sharing or in-kind services.

(d) Provide for a scale of matching requirements for local governments on the basis of population in order to assist rural and undeveloped areas of the state with any financial burden of addressing climate change impacts.

(e) Require grant applications to be submitted on appropriate forms developed and adopted by the *department* ~~commission~~ with appropriate supporting documentation and require records to be maintained.

(f) Establish a system to determine the relative priority of grant applications. The system shall consider greenhouse gas reductions, energy savings and efficiencies, and proven technologies.

(g) Establish requirements for competitive procurement of engineering and construction services, materials, and equipment.

(h) Provide for termination of grants when program requirements are not met.

(4) Each local government is limited to not more than two grant applications during each application period announced by the *department* ~~commission~~. However, a local government may not have more than three active projects expending grant funds during any state fiscal year.

(5) The *department* ~~commission~~ shall perform an adequate overview of each grant, which may include technical review, site inspections, disbursement approvals, and auditing to successfully implement this section.

Section 24. Subsection (1) of section 377.809, Florida Statutes, is amended to read:

377.809 Energy Economic Zone Pilot Program.—

(1) The Department of Community Affairs, in consultation with the Department of Transportation, shall implement an Energy Economic Zone Pilot Program for the purpose of developing a model to help communities cultivate green economic development, encourage renewable electric energy generation, manufacture products that contribute to energy conservation and green jobs, and further implement chapter 2008-191, Laws of Florida, relative to discouraging sprawl and developing energy-efficient land use patterns and greenhouse gas reduction strategies. The Office of Tourism, Trade, and Economic Development and the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall provide technical assistance to the departments in developing and administering the program.

Section 25. Subsections (3) and (6) of section 403.44, Florida Statutes, are amended to read:

403.44 Florida Climate Protection Act.—

(3) The department may adopt rules for a cap-and-trade regulatory program to reduce greenhouse gas emissions from major emitters. When developing the rules, the department shall consult with the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ and the Florida Public Service Commission and may consult with the Governor's Action Team for Energy and Climate Change. The department shall not adopt rules until after January 1, 2010. The rules shall not become effective until ratified by the Legislature.

(6) Recognizing that the international, national, and neighboring state policies and the science of climate change will evolve, prior to submitting the proposed rules to the Legislature for consideration, the department shall submit the proposed rules to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~, which shall review the proposed rules and submit a report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the department. The report shall address:

(a) The overall cost-effectiveness of the proposed cap-and-trade system in combination with other policies and measures in meeting statewide targets.

(b) The administrative burden to the state of implementing, monitoring, and enforcing the program.

(c) The administrative burden on entities covered under the cap.

(d) The impacts on electricity prices for consumers.

(e) The specific benefits to the state's economy for early adoption of a cap-and-trade system for greenhouse gases in the context of federal climate change legislation and the development of new international compacts.

(f) The specific benefits to the state's economy associated with the creation and sale of emissions offsets from economic sectors outside of the emissions cap.

(g) The potential effects on leakage if economic activity relocates out of the state.

(h) The effectiveness of the combination of measures in meeting identified targets.

(i) The economic implications for near-term periods of short-term and long-term targets specified in the overall policy.

(j) The overall costs and benefits of a cap-and-trade system to the economy of the state.

(k) The impacts on low-income consumers that result from energy price increases.

(l) The consistency of the program with other state and possible federal efforts.

(m) The evaluation of the conditions under which the state should consider linking its trading system to the systems of other states or other countries and how that might be affected by the potential inclusion in the rule of a safety valve.

(n) The timing and changes in the external environment, such as proposals by other states or implementation of a federal program that would spur reevaluation of the Florida program.

(o) The conditions and options for eliminating the Florida program if a federal program were to supplant it.

(p) The need for a regular reevaluation of the progress of other emitting regions of the country and of the world, and whether other regions are abating emissions in a commensurate manner.

(q) The desirability of and possibilities of broadening the scope of the state's cap-and-trade system at a later date to include more emitting activities as well as sinks in Florida, the conditions that would need to be met to do so, and how the program would encourage these conditions to be met, including developing monitoring and measuring techniques for land use emissions and sinks, regulating sources upstream, and other considerations.

Section 26. Section 526.207, Florida Statutes, is amended to read:

526.207 Studies and reports.—

(1) The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall conduct a study to evaluate and recommend the life-cycle greenhouse gas emissions associated with all renewable fuels, including, but not limited to, biodiesel, renewable diesel, biobutanol, and ethanol derived from any source. In addition, the *department* ~~commission~~ shall evaluate and recommend a requirement that all renewable fuels introduced into commerce in the state, as a result of the renewable fuel standard, shall reduce the life-cycle greenhouse gas emissions by an average percentage. The *department* ~~commission~~ may also evaluate and recommend any benefits associated with the creation, banking, transfer, and sale of credits among fuel refiners, blenders, and importers.

(2) The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall submit a report containing specific recommendations to the President of the Senate and the Speaker of the House of Representatives no later than December 31, 2010.

Section 27. Section 570.074, Florida Statutes, is amended to read:

570.074 Department of Agriculture and Consumer Services; *energy and* water policy ~~coordination~~.—The commissioner may create an Office of *Energy and* Water ~~Coordination~~ under the supervision of a senior manager exempt under s. 110.205 in the Senior Management Service. The commissioner may designate the bureaus and positions in the various organizational divisions of the department that report to this office relating to any matter over which the department has jurisdiction in matters relating to *energy and* water policy affecting agriculture, application of such policies, and coordination of such matters with state and federal agencies.

Section 28. Subsection (3) of section 570.954, Florida Statutes, is amended to read:

570.954 Farm-to-fuel initiative.—

~~(3) The department shall coordinate with and solicit the expertise of the state energy office within the Department of Environmental Protection when developing and implementing this initiative.~~

Section 29. Subsections (5), (11), (12), and (13) of section 1004.648, Florida Statutes, are amended to read:

1004.648 Florida Energy Systems Consortium.—

(5) The director, whose office *is* ~~shall be~~ located at the University of Florida, shall report to the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission created pursuant to s. 377.6015~~.

(11) The oversight board, in consultation with the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~, shall ensure that the consortium:

(a) Maintains accurate records of any funds received by the consortium.

(b) Meets financial and technical performance expectations, which may include external technical reviews as required.

(12) The steering committee shall consist of the university representatives included in the Centers of Excellence proposals for the Florida Energy Systems Consortium and the Center of Excellence in Ocean Energy Technology-Phase II which were reviewed during the 2007-2008 fiscal year by the Florida Technology, Research, and Scholarship Board created in s. 1004.226(4); a university representative appointed by the President of Florida International University; and *a representative of* the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~. The steering committee *is* ~~shall be~~ responsible for establishing and ensuring the success of the consortium's mission under subsection (9).

(13) By November 1 of each year, the consortium shall submit an annual report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ regarding its activities, including, but not limited to, education and research related to, and the development and deployment of, alternative energy technologies.

Section 30. Sections 1 and 2 of chapter 2010-282, Laws of Florida, are amended to read:

Section 1. (1) As provided in this section and section 2, a portion of the total amount appropriated in this act shall be *used* ~~utilized~~ by the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ to pay rebates to eligible applicants who submit an application pursuant to the Florida ENERGY STAR Residential HVAC Rebate Program administered by the *department* ~~commission~~, as approved by the United States Department of Energy. An applicant is eligible for a rebate under this section if:

(a) A complete application is submitted to the *department* ~~commission~~ on or before November 30, 2010.

(b) The central air conditioner, air source heat pump, or geothermal heat pump system replacement for which the applicant is seeking a rebate was purchased from or contracted for purchase with a Florida-licensed contractor after August 29, 2010, but before September 15, 2010, and fully installed prior to submission of the application for a rebate.

(c) The *department* ~~commission~~ determines that the application complies with this section and any existing agreement with the United States Department of Energy governing the Florida ENERGY STAR Residential HVAC Rebate Program.

(d) The applicant provides the following information to the *department* ~~commission~~ on or before November 30, 2010:

1.a. A copy of the sales receipt indicating a date of purchase after August 29, 2010, but before September 15, 2010, with the make and model number identified and circled along with the name and address of the Florida-licensed contractor who installed the system; or

b. A copy of the contract for the purchase and installation of the system indicating a contract date after August 29, 2010, but before September 15, 2010, and a copy of the sales receipt indicating a date of purchase after August 29, 2010, but on or before November 30, 2010, with the make and model number identified and circled along with the name and address of the Florida-licensed contractor who installed the system.

2. A copy of the mechanical building permit issued by the county or municipality and pulled by the Florida-licensed contractor who installed the system for the residence.

3. A copy of the Air Distribution System Test Report results from a Florida-certified Class 1 energy gauge rater, a Florida-licensed mechanical contractor, or a recognized test and balance agent. The results from the test must indicate the home has no more than 15 percent leakage to the outside as measured by 0.10 Qn.out or less.

4. A copy of the summary of the Manual J program completed for the residence to indicate that the proper methodology for sizing the new system was completed.

(2) The *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall pay a $1,500 rebate to each consumer who submits an application pursuant to the Florida ENERGY STAR Residential HVAC Rebate Program if the application is approved by the *department* ~~commission~~ in accordance with this act. The *depart-*

ment ~~commission~~ shall pay all rebates authorized in this section prior to paying any rebates authorized in section 2.

Section 2. Notwithstanding s. 377.806(6), Florida Statutes, the *Department of Agriculture and Consumer Services* ~~Florida Energy and Climate Commission~~ shall utilize up to $28,902,623, less any amount in excess of $2,467,244 used to pay rebates pursuant to section 1, to pay a percentage of each unpaid and approved rebate application submitted pursuant to the Solar Energy System Incentives Program established in s. 377.806, Florida Statutes. An applicant is eligible for a rebate under this section if the application submitted complies with s. 377.806, Florida Statutes. The percentage of each approved rebate to be paid shall be derived by dividing the remaining appropriation by the total dollar value of the backlog of final approved solar rebates, pursuant to the authorized limits provided in s. 377.806, Florida Statutes.

Section 31. *For the 2011-2012 fiscal year only, notwithstanding s. 216.181(2)(b), Florida Statutes, the Department of Agriculture may submit an amendment to the Legislative Budget Commission for increased budget authority for a fixed capital outlay appropriation for federal energy grants. Any such amendment is subject to the review and notice procedures provided in s. 216.177, Florida Statutes.*

Section 32. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Florida Energy and Climate Commission; transferring the duties of the Florida Energy and Climate Commission with respect to planning and developing the state's energy policy and its duties under the Florida Energy and Climate Protection Act to the Department of Agriculture and Consumer Services; providing for the transfer of the commission's duties and records, personnel, property, unexpended balances of appropriations, allocations, and other funds, administrative authority, administrative rules, pending issues, and existing contracts to the Department of Agriculture and Consumer Services; amending ss. 213.053, 220.192, 288.1089, 288.9607, 366.82, 366.92, 377.6015, 377.602, 377.603, 377.604, 377.605, 377.606, and 377.608, F.S.; eliminating the Florida Energy and Climate Commission and transferring its duties to the Department of Agriculture and Consumer Services; conforming provisions to changes made by the act; amending s. 377.701, F.S.; transferring the duties of petroleum allocation from the Florida Energy and Climate Commission to the Division of Emergency Management; amending s. 377.703, F.S.; conforming provisions to changes made by the act; transferring energy emergency contingency plans to the Division of Emergency Management; providing for the Department of Management Services to coordinate the energy conservation programs of all state agencies; transferring administration of the Coastal Energy Impact Program to the Department of Environmental Protection; amending ss. 377.711, 377.801, 377.803, 377.804, 377.806, 377.807, 377.808, 377.809, 403.44, 526.207, 570.954, and 1004.648, F.S.; conforming provisions to changes made by the act; amending s. 570.074, F.S.; providing for the creation of the Office of Energy and Water within the Department of Agriculture and Consumer Services; amending ss. 1 and 2 of chapter 2010-282, Laws of Florida; conforming cross references in the chapter to changes made in the act; authorizing the Department of Agriculture to submit a request to the Legislative Budget Commission for a fixed capital outlay appropriation for federal energy grants; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2106** was adopted. **SB 2106** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

Managers on the part of the House

The Conference Committee Amendment for SB 2110, relating to the Auditor General, provides for the following:

- Modifies statutory requirements relating to the frequency of certain operational and financial audits conducted by the Auditor General.

- Requires the Auditor General to submit an annual report which includes a projected two-year work plan.

- Authorizes the Auditor General to audit virtual education providers receiving state funds or funds from local ad valorem taxes.

- Authorizes the Auditor General audit water management district

Conference Committee Amendment (377130)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 11.45, Florida Statutes, is amended to read:

11.45 Definitions; duties; authorities; reports; rules.—

(1) DEFINITIONS.—As used in ss. 11.40-11.513, the term:

(a) "Audit" means a financial audit, operational audit, or performance audit.

(b) "County agency" means a board of county commissioners or other legislative and governing body of a county, however styled, including that of a consolidated or metropolitan government, a clerk of the circuit court, a separate or ex officio clerk of the county court, a sheriff, a property appraiser, a tax collector, a supervisor of elections, or any other officer in whom any portion of the fiscal duties of the above are under law separately placed.

(c) "Financial audit" means an examination of financial statements in order to express an opinion on the fairness with which they are presented in conformity with generally accepted accounting principles and an examination to determine whether operations are properly conducted in accordance with legal and regulatory requirements. Financial audits must be conducted in accordance with *auditing standards* generally accepted *in the United States* ~~auditing standards~~ and government auditing standards as adopted by the Board of Accountancy. *When applicable, the scope of financial audits shall encompass the additional activities necessary to establish compliance with the Single Audit Act Amendments of 1996, 31 U.S.C. ss. 7501-7507 and other applicable federal law.*

(d) "Governmental entity" means a state agency, a county agency, or any other entity, however styled, that independently exercises any type of state or local governmental function.

(e) "Local governmental entity" means a county agency, municipality, or special district as defined in s. 189.403, but does not include any housing authority established under chapter 421.

(f) "Management letter" means a statement of the auditor's comments and recommendations.

(g) "Operational audit" means *an* ~~a financial related~~ audit whose purpose is to evaluate management's performance in *establishing and maintaining internal controls, including controls designed to prevent and detect fraud, waste, and abuse, and in* administering assigned responsibilities in accordance with applicable laws, administrative rules, *contracts, grant agreements* and other guidelines*. Operational audits must be conducted in accordance with government auditing standards. Such audits examine* ~~and to determine the extent to which the~~ internal *controls that are* ~~control, as~~ designed and placed in operation *to promote*~~,~~ ~~promotes~~ and *encourage* ~~encourages~~ the achievement of management's control objectives in the categories of compliance, economic and efficient operations, reliability of financial records and reports, and safeguarding of assets*, and identify weaknesses in those internal controls*.

(h) "Performance audit" means an examination of a program, activity, or function of a governmental entity, conducted in accordance with applicable government auditing standards or auditing and evaluation standards of other appropriate authoritative bodies. The term includes an examination of issues related to:

1. Economy, efficiency, or effectiveness of the program.

2. Structure or design of the program to accomplish its goals and objectives.

3. Adequacy of the program to meet the needs identified by the Legislature or governing body.

4. Alternative methods of providing program services or products.

5. Goals, objectives, and performance measures used by the agency to monitor and report program accomplishments.

6. The accuracy or adequacy of public documents, reports, or requests prepared under the program by state agencies.

7. Compliance of the program with appropriate policies, rules, or laws.

8. Any other issues related to governmental entities as directed by the Legislative Auditing Committee.

(i) "Political subdivision" means a separate agency or unit of local government created or established by law and includes, but is not limited to, the following and the officers thereof: authority, board, branch, bureau, city, commission, consolidated government, county, department, district, institution, metropolitan government, municipality, office, officer, public corporation, town, or village.

(j) "State agency" means a separate agency or unit of state government created or established by law and includes, but is not limited to, the following and the officers thereof: authority, board, branch, bureau, commission, department, division, institution, office, officer, or public corporation, as the case may be, except any such agency or unit within the legislative branch of state government other than the Florida Public Service Commission.

(2) DUTIES.—The Auditor General shall:

(a) Conduct audits of records and perform related duties as prescribed by law, concurrent resolution of the Legislature, or as directed by the Legislative Auditing Committee.

(b) Annually conduct a financial audit of state government.

(c) Annually conduct financial audits of all *state* universities and *state* ~~district boards of trustees of community~~ colleges.

(d) Annually conduct financial audits of the accounts and records of all district school boards in counties with populations of fewer than 150,000, according to the most recent federal decennial statewide census.

(e) *Once every 3 years, conduct financial audits of the accounts and records of all district school boards in counties that have populations of 150,000 or more, according to the most recent federal decennial statewide census.* ~~Through fiscal year 2008-2009, annually conduct an audit of the Wireless Emergency Telephone System Fund as described in s. 365.173.~~

~~(f) Annually conduct audits of the accounts and records of the Florida School for the Deaf and the Blind.~~

(f)~~(g)~~ At least every *3* ~~2~~ years, conduct operational audits of the accounts and records of state agencies*, state* ~~and~~ universities*, state colleges, district school boards, the Florida Clerks of Court Operations Corporation, water management districts, and the Florida School for the Deaf and the Blind*. ~~In connection with these audits, the Auditor General shall give appropriate consideration to reports issued by state agencies' inspectors general or universities' inspectors general and the resolution of findings therein.~~

(g)~~(h)~~ At least every *3* ~~2~~ years, conduct a performance audit of the local government financial reporting system, which, for the purpose of this chapter, means any statutory *provision* ~~provisions~~ related to local government financial reporting. The purpose of such an audit is to determine the accuracy, efficiency, and effectiveness of the reporting system in achieving its goals and to make recommendations to the local governments, the Governor, and the Legislature as to how the reporting system can be improved and how program costs can be reduced. The Auditor General shall determine the scope of *the* ~~such~~ audits. The local government financial reporting system should provide for the timely, accurate, uniform, and cost-effective accumulation of financial and other information that can be used by the members of the Legislature and other appropriate officials to accomplish the following goals:

1. Enhance citizen participation in local government;

2. Improve the financial condition of local governments;

3. Provide essential government services in an efficient and effective manner; and

4. Improve decisionmaking on the part of the Legislature, state agencies, and local government officials on matters relating to local government.

(h)~~(i)~~ *At least* ~~Once~~ every 3 years, conduct *a* performance *audit* ~~audits~~ of the Department of Revenue's administration of the ad valorem tax laws as described in s. 195.096. *The audit report shall report on the activities of the ad valorem tax program of the Department of Revenue related to the ad valorem tax rolls. The Auditor General shall include, for at least four counties reviewed, findings as to the accuracy of assessment procedures, projections, and computations made by the department, using the same generally accepted appraisal standards and procedures to which the department and the property appraisers are required to adhere. However, the report may not include any findings or statistics related to any ad valorem tax roll that is in litigation between the state and county officials at the time the report is issued.*

~~(j) Once every 3 years, conduct financial audits of the accounts and records of all district school boards in counties with populations of 125,000 or more, according to the most recent federal decennial statewide census.~~

(i)~~(k)~~ Once every 3 years, review a sample of ~~each state agency's~~ internal audit reports *at each state agency, as defined in s. 20.055(1),* to determine compliance with current Standards for the Professional Practice of Internal Auditing or, if appropriate, government auditing standards.

(j)~~(l)~~ Conduct audits of local governmental entities when determined to be necessary by the Auditor General, when directed by the Legislative Auditing Committee, or when otherwise required by law. No later than 18 months after the release of the audit report, the Auditor General shall perform such appropriate followup procedures as he or she deems necessary to determine the audited entity's progress in addressing the findings and recommendations contained within the Auditor General's previous report. The Auditor General shall *notify* ~~provide a copy of his or her determination to~~ each member of the audited entity's governing body and ~~to~~ the Legislative Auditing Committee *of the results of his or her determination*.

The Auditor General shall perform his or her duties independently but under the general policies established by the Legislative Auditing Committee. This subsection does not limit the Auditor General's discretionary authority to conduct other audits or engagements of governmental entities as authorized in subsection (3).

(3) AUTHORITY FOR AUDITS AND OTHER ENGAGEMENTS.—The Auditor General may, pursuant to his or her own authority, or at the direction of the Legislative Auditing Committee, conduct audits or other engagements as determined appropriate by the Auditor General of:

(a) The accounts and records of any governmental entity created or established by law.

(b) The information technology programs, activities, functions, or systems of any governmental entity created or established by law.

(c) The accounts and records of any charter school created or established by law.

(d) The accounts and records of any direct-support organization or citizen support organization created or established by law. The Auditor General is authorized to require and receive any records from the direct-support organization or citizen support organization, or from its independent auditor.

(e) The public records associated with any appropriation made by the Legislature to a nongovernmental agency, corporation, or person. All records of a nongovernmental agency, corporation, or person with respect to the receipt and expenditure of such an appropriation shall be public records and shall be treated in the same manner as other public records are under general law.

(f) State financial assistance provided to any nonstate entity as defined by s. 215.97.

(g) The Tobacco Settlement Financing Corporation created pursuant to s. 215.56005.

(h) Any purchases of federal surplus lands for use as sites for correctional facilities as described in s. 253.037.

(i) Enterprise Florida, Inc., including any of its boards, advisory committees, or similar groups created by Enterprise Florida, Inc., and programs. The audit report may not reveal the identity of any person who has anonymously made a donation to Enterprise Florida, Inc., pursuant to this paragraph. The identity of a donor or prospective donor to Enterprise Florida, Inc., who desires to remain anonymous and all information identifying such donor or prospective donor are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution. Such anonymity shall be maintained in the auditor's report.

(j) The Florida Development Finance Corporation or the capital development board or the programs or entities created by the board. The audit or report may not reveal the identity of any person who has anonymously made a donation to the board pursuant to this paragraph. The identity of a donor or prospective donor to the board who desires to remain anonymous and all information identifying such donor or prospective donor are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution. Such anonymity shall be maintained in the auditor's report.

(k) The records pertaining to the use of funds from voluntary contributions on a motor vehicle registration application or on a driver's license application authorized pursuant to ss. 320.023 and 322.081.

(l) The records pertaining to the use of funds from the sale of specialty license plates described in chapter 320.

(m) The transportation corporations under contract with the Department of Transportation that are acting on behalf of the state to secure and obtain rights-of-way for urgently needed transportation systems and to assist in the planning and design of such systems pursuant to ss. 339.401-339.421.

(n) The acquisitions and divestitures related to the Florida Communities Trust Program created pursuant to chapter 380.

(o) The Florida Water Pollution Control Financing Corporation created pursuant to s. 403.1837.

(p) The school readiness system, including the early learning coalitions, created under s. 411.01.

(q) The Florida Special Disability Trust Fund Financing Corporation created pursuant to s. 440.49.

(r) Workforce Florida, Inc., or the programs or entities created by Workforce Florida, Inc., created pursuant to s. 445.004.

(s) The corporation defined in s. 455.32 that is under contract with the Department of Business and Professional Regulation to provide administrative, investigative, examination, licensing, and prosecutorial support services in accordance with the provisions of s. 455.32 and the practice act of the relevant profession.

(w)~~(x)~~ The Florida Virtual School pursuant to s. 1002.37.

(x) Virtual education providers receiving state funds or funds from local ad valorem taxes.

(4) SCHEDULING AND STAFFING OF AUDITS.—

(a) Each financial audit required or authorized by this section, when practicable, shall be made and completed within not more than 9 months following the end of each audited fiscal year of the state agency or political subdivision, or at such lesser time which may be provided by law or concurrent resolution or directed by the Legislative Auditing Committee. When the Auditor General determines that conducting any audit or engagement otherwise required by law would not be possible due to workload or would not be an efficient or effective use of his or her resources based on an assessment of risk, then, in his or her discretion, the Auditor General may temporarily or indefinitely postpone such audits or other engagements for such period or any portion thereof, unless otherwise directed by the committee.

(b) The Auditor General may, when in his or her judgment it is necessary, designate and direct any auditor employed by the Auditor General to audit any accounts or records within the authority of the Auditor General to audit. The auditor shall report his or her findings for review by the Auditor General, who shall prepare the audit report.

(c) The audit report when final shall be a public record. The audit workpapers and notes are not a public record; however, those workpapers necessary to support the computations in the final audit report may be made available by a majority vote of the Legislative Auditing Committee after a public hearing showing proper cause. The audit workpapers and notes shall be retained by the Auditor General until no longer useful in his or her proper functions, after which time they may be destroyed.

(d) At the conclusion of the audit, the Auditor General or the Auditor General's designated representative shall discuss the audit with the official whose office is subject to audit and submit to that official a list of the Auditor General's findings which may be included in the audit report. If the official is not available for receipt of the list of audit findings, then delivery is presumed to be made when it is delivered to his or her office. The official shall submit to the Auditor General or the designated representative, within 30 days after the receipt of the list of findings, his or her written statement of explanation or rebuttal concerning all of the findings, including corrective action to be taken to preclude a recurrence of all findings.

(e) The Auditor General shall provide the successor independent certified public accountant of a district school board with access to the prior year's working papers in accordance with the Statements on Auditing Standards, including documentation of planning, internal control, audit results, and other matters of continuing accounting and auditing significance, such as the working paper analysis of balance sheet accounts and those relating to contingencies.

(5) PETITION FOR AN AUDIT BY THE AUDITOR GENERAL.—

(a) The Legislative Auditing Committee shall direct the Auditor General to make an audit of any municipality whenever petitioned to do so by at least 20 percent of the registered electors in the last general election of that municipality pursuant to this subsection. The supervisor of elections of the county in which the municipality is located shall certify whether or not the petition contains the signatures of at least 20 percent of the registered electors of the municipality. After the completion of the audit, the Auditor General shall determine whether the municipality has the fiscal resources necessary to pay the cost of the audit. The municipality shall pay the cost of the audit within 90 days after the Auditor General's determination that the municipality has the available resources. If the municipality fails to pay the cost of the audit, the Department of Revenue shall, upon certification of the Auditor General, withhold from that portion of the distribution pursuant to s. 212.20(6)(d)5. which is distributable to such municipality, a sum sufficient to pay the cost of the audit and shall deposit that sum into the General Revenue Fund of the state.

(b) At least one registered elector in the most recent general election must file a letter of intent with the municipal clerk prior to any petition of the electors of that municipality for the purpose of an audit. Each petition must be submitted to the supervisor of elections and contain, at a minimum:

1. The elector's printed name;

2. The signature of the elector;

3. The elector's residence address;

4. The elector's date of birth; and

5. The date signed.

All petitions must be submitted for verification within 1 calendar year after the audit petition origination by the municipal electors.

(6) REQUEST BY A LOCAL GOVERNMENTAL ENTITY FOR AN AUDIT BY THE AUDITOR GENERAL.—Whenever a local governmental entity requests the Auditor General to conduct an audit of all or part of its operations and the Auditor General conducts the audit under his or her own authority or at the direction of the Legislative Auditing Committee, the expenses of the audit shall be paid by the local governmental entity. The Auditor General shall estimate the cost of the audit. Fifty percent of the cost estimate shall be paid by the local governmental entity before the initiation of the audit and deposited into the General Revenue Fund of the state. After the completion of the audit, the Auditor General shall notify the local governmental entity of the actual cost of the audit. The local governmental entity shall remit the remainder of the cost of the audit to the Auditor General for deposit into the General Revenue Fund of the state. If the local governmental entity fails to comply with paying the remaining cost of the audit, the Auditor General shall notify the Legislative Auditing Committee. The committee shall proceed in accordance with s. 11.40(5).

(7) AUDITOR GENERAL REPORTING REQUIREMENTS.—

(a) The Auditor General shall notify the Legislative Auditing Committee of any local governmental entity, district school board, charter school, or charter technical career center that does not comply with the

reporting requirements of s. 218.39. The committee shall proceed in accordance with s. 11.40(5).

(b) The Auditor General, in consultation with the Board of Accountancy, shall review all audit reports submitted pursuant to s. 218.39. The Auditor General shall request any significant items that were omitted in violation of a rule adopted by the Auditor General. The items must be provided within 45 days after the date of the request. If the governmental entity does not comply with the Auditor General's request, the Auditor General shall notify the Legislative Auditing Committee. The committee shall proceed in accordance with s. 11.40(5).

(c) The Auditor General shall provide annually a list of those special districts which are not in compliance with s. 218.39 to the Special District Information Program of the Department of Community Affairs.

(d) During the Auditor General's review of audit reports, he or she shall contact those units of local government, as defined in s. 218.403, that are not in compliance with s. 218.415 and request evidence of corrective action. The unit of local government shall provide the Auditor General with evidence of corrective action within 45 days after the date it is requested by the Auditor General. If the unit of local government fails to comply with the Auditor General's request, the Auditor General shall notify the Legislative Auditing Committee. The committee shall proceed in accordance with s. 11.40(5).

(e) The Auditor General shall notify the Governor or the Commissioner of Education, as appropriate, and the Legislative Auditing Committee of any audit report reviewed by the Auditor General pursuant to paragraph (b) which contains a statement that a local governmental entity, charter school, charter technical career center, or district school board has met one or more of the conditions specified in s. 218.503. If the Auditor General requests a clarification regarding information included in an audit report to determine whether a local governmental entity, charter school, charter technical career center, or district school board has met one or more of the conditions specified in s. 218.503, the requested clarification must be provided within 45 days after the date of the request. If the local governmental entity, charter school, charter technical career center, or district school board does not comply with the Auditor General's request, the Auditor General shall notify the Legislative Auditing Committee. If, after obtaining the requested clarification, the Auditor General determines that the local governmental entity, charter school, charter technical career center, or district school board has met one or more of the conditions specified in s. 218.503, he or she shall notify the Governor or the Commissioner of Education, as appropriate, and the Legislative Auditing Committee.

(f) The Auditor General shall annually compile and transmit to the President of the Senate, the Speaker of the House of Representatives, and the Legislative Auditing Committee a summary of significant findings and financial trends identified in audit reports reviewed in paragraph (b) or otherwise identified by the Auditor General's review of such audit reports and financial information, and identified in audits of district school boards conducted by the Auditor General. The Auditor General shall include financial information provided pursuant to s. 218.32(1)(e) for entities with fiscal years ending on or after June 30, 2003, within his or her reports submitted pursuant to this paragraph.

(g) If the Auditor General discovers significant errors, improper practices, or other significant discrepancies in connection with his or her audits of a state agency or state officer, the Auditor General shall notify the President of the Senate, the Speaker of the House of Representatives, and the Legislative Auditing Committee. The President of the Senate and the Speaker of the House of Representatives shall promptly forward a copy of the notification to the chairs of the respective legislative committees, which in the judgment of the President of the Senate and the Speaker of the House of Representatives are substantially concerned with the functions of the state agency or state officer involved. Thereafter, and in no event later than the 10th day of the next succeeding legislative session, the person in charge of the state agency involved, or the state officer involved, as the case may be, shall explain in writing to the President of the Senate, the Speaker of the House of Representatives, and to the Legislative Auditing Committee the reasons or justifications for such errors, improper practices, or other significant discrepancies and the corrective measures, if any, taken by the agency.

(h) The Auditor General shall *annually compile and* transmit to the President of the Senate, the Speaker of the House of Representatives, and the Legislative Auditing Committee by December 1 of each year *a report that includes a projected 2-year work plan identifying the audit and other accountability activities to be undertaken and* a list of statutory and fiscal changes recommended by the Auditor General. The Auditor General may also transmit recommendations at other times of the year when the information would be timely and useful for the Legislature.

(8) RULES OF THE AUDITOR GENERAL.—The Auditor General, in consultation with the Board of Accountancy, shall adopt rules for the form and conduct of all financial audits performed by independent certified public accountants pursuant to ss. 215.981, 218.39, 1001.453, 1004.28, and 1004.70. The rules for audits of local governmental entities, charter schools, charter technical career centers, and district school boards must include, but are not limited to, requirements for the reporting of information necessary to carry out the purposes of the Local Governmental Entity, Charter School, Charter Technical Career Center, and District School Board Financial Emergencies Act as stated in s. 218.501.

(9) TECHNICAL ADVICE PROVIDED BY THE AUDITOR GENERAL.—The Auditor General may provide technical advice to:

(a) The Department of Education in the development of a compliance supplement for the financial audit of a district school board conducted by an independent certified public accountant.

(b) Governmental entities on their financial and accounting systems, procedures, and related matters.

(c) Governmental entities on promoting the building of competent and efficient accounting and internal audit organizations in their offices.

Section 2. Section 25.075, Florida Statutes, is amended to read:

25.075 Uniform case reporting system.—

(1) The Supreme Court shall develop a uniform case reporting system, including a uniform means of reporting categories of cases, time required in the disposition of cases, and manner of disposition of cases.

(2) If any clerk ~~shall~~ willfully *fails* ~~fail~~ to report to the Supreme Court as directed by the court, the clerk shall be guilty of misfeasance in office.

~~(3) The Auditor General shall audit the reports made to the Supreme Court in accordance with the uniform system established by the Supreme Court.~~

Section 3. Subsection (5) of section 28.35, Florida Statutes, is amended to read:

28.35 Florida Clerks of Court Operations Corporation.—

(5)~~(a) The corporation shall submit an annual audited financial statement to the Auditor General in a form and manner prescribed by the Auditor General. The Auditor General shall conduct an annual audit of the operations of the corporation, including the use of funds and compliance with the provisions of this section and ss. 28.36 and 28.37.~~

~~(b)~~ Certified public accountants conducting audits of counties pursuant to s. 218.39 shall report, as part of the audit, whether or not the clerks of the courts have complied with the requirements of this section and s. 28.36. In addition, each clerk of court shall forward a copy of the portion of the financial audit relating to the court-related duties of the clerk of court to the Supreme Court. The Auditor General shall develop a compliance supplement for the audit of compliance with the budgets and applicable performance standards certified by the corporation.

Section 4. *Subsection (7) of section 195.096, Florida Statutes, is repealed.*

Section 5. Subsection (17) of section 218.31, Florida Statutes, is amended to read:

218.31 Definitions.—As used in this part, except where the context clearly indicates a different meaning:

(17) "Financial audit" means an examination of financial statements in order to express an opinion on the fairness with which they are presented in conformity with generally accepted accounting principles and an examination to determine whether operations are properly conducted in accordance with legal and regulatory requirements. Financial audits must be conducted in accordance with *auditing standards* generally accepted *in the United States* ~~auditing standards~~ and government auditing standards as adopted by the Board of Accountancy and as prescribed by rules promulgated by the Auditor General. *When applicable, the scope of financial audits shall encompass the additional activities necessary to establish compliance with the Single Audit Act Amendments of 1996, 31 U.S.C. ss. 7501-7507 and other applicable federal law.*

Section 6. Subsection (5) of section 273.05, Florida Statutes, is amended to read:

273.05 Surplus property.—

(5) The custodian shall maintain records of property that is certified as surplus with information indicating the value and condition of the property. Agency records for property certified as surplus shall comply with rules issued by the *Chief Financial Officer* ~~Auditor General~~.

Section 7. *Subsection (3) of section 365.173, Florida Statutes, is repealed.*

Section 8. *Subsection (3) of section 943.25, Florida Statutes, is repealed.*

Section 9. Subsection (3) of section 1002.36, Florida Statutes, is amended to read:

1002.36 Florida School for the Deaf and the Blind.—

(3) AUDITS.—The Auditor General shall conduct ~~annual~~ audits of the accounts and records of the Florida School for the Deaf and the Blind *as provided in s. 11.45*. The Department of Education's Inspector General is authorized to conduct investigations at the school as provided in s. 1001.20(4)(e).

Section 10. Subsection (5) of section 1009.53, Florida Statutes, is amended to read:

1009.53 Florida Bright Futures Scholarship Program.—

(5) The department shall issue awards from the scholarship program annually. Annual awards may be for up to 45 semester credit hours or the equivalent. Before the registration period each semester, the department shall transmit payment for each award to the president or director of the postsecondary education institution, or his or her representative, except that the department may withhold payment if the receiving institution fails to report or to make refunds to the department as required in this section.

(a) Within 30 days after the end of regular registration each semester, the educational institution shall certify to the department the eligibility status of each student who receives an award. After the end of the drop and add period, an institution is not required to reevaluate or revise a student's eligibility status; however, an institution must make a refund to the department within 30 days after the end of the semester of any funds received for courses dropped by a student or courses from which a student has withdrawn after the end of the drop and add period, unless the student has been granted an exception by the department pursuant to subsection (11).

(b) An institution that receives funds from the program shall certify to the department the amount of funds disbursed to each student and shall remit to the department any undisbursed advances within 60 days after the end of regular registration.

(c) Each institution that receives moneys through this program shall *provide for a* ~~prepare an annual report that includes an annual~~ financial audit, *as defined in s. 11.45,* conducted by an independent certified public accountant or the Auditor General *for each fiscal year in which the institution expends program moneys in excess of $100,000. At least every 2 years,* the *audit* ~~report~~ shall include an *examination* ~~audit~~ of the institution's administration of the program and *the institution's* ~~a complete~~ accounting of the moneys for the program *since the last examination of the institution's administration of the program. The* ~~This~~ report *on the audit* must be submitted to the department *within 9 months after the end of the fiscal year* ~~annually by March 1~~. The department may conduct its own annual audit of an institution's administration of the program. The department may request a refund of any moneys overpaid to the institution for the program. The department may suspend or revoke an institution's eligibility to receive future moneys for the program if the department finds that an institution has not complied with this section. The institution must remit within 60 days any refund requested in accordance with this subsection.

(d) Any institution that is not subject to an audit pursuant to this subsection shall attest, under penalty of perjury, that the moneys were used in compliance with law. The attestation shall be made annually in a form and format determined by the department.

Section 11. For the purpose of incorporating the amendment made by this act to section 11.45, Florida Statutes, in a reference thereto, subsection (3) of section 11.40, Florida Statutes, is reenacted to read:

11.40 Legislative Auditing Committee.—

(3) The Legislative Auditing Committee may direct the Auditor General or the Office of Program Policy Analysis and Government Accountability to conduct an audit, review, or examination of any entity or record described in s. 11.45(2) or (3).

Section 12. Paragraph (b) of subsection (1) of section 938.01, Florida Statutes, is amended to read:

938.01 Additional Court Cost Clearing Trust Fund.—

(1) All courts created by Art. V of the State Constitution shall, in addition to any fine or other penalty, require every person convicted for violation of a state penal or criminal statute or convicted for violation of a municipal or county ordinance to pay $3 as a court cost. Any person whose adjudication is withheld pursuant to the provisions of s. 318.14(9) or (10) shall also be liable for payment of such cost. In addition, $3 from every bond estreature or forfeited bail bond related to such penal statutes or penal ordinances shall be remitted to the Department of Revenue as described in this subsection. However, no such assessment may be made against any person convicted for violation of any state statute, municipal ordinance, or county ordinance relating to the parking of vehicles.

(b) All funds in the Department of Law Enforcement Criminal Justice Standards and Training Trust Fund shall be disbursed only in compliance with s. 943.25*(8)*~~(9)~~.

Section 13. Paragraph (c) of subsection (1) of section 943.17, Florida Statutes, is amended to read:

943.17 Basic recruit, advanced, and career development training programs; participation; cost; evaluation.—The commission shall, by rule, design, implement, maintain, evaluate, and revise entry requirements and job-related curricula and performance standards for basic recruit, advanced, and career development training programs and courses. The rules shall include, but are not limited to, a methodology to assess relevance of the subject matter to the job, student performance, and instructor competency.

(1) The commission shall:

(c) Design, implement, maintain, evaluate, revise, or adopt a career development training program which is limited to those courses related to promotion to a higher rank or position. Career development courses will not be eligible for funding as provided in s. 943.25*(8)*~~(9)~~.

Section 14. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Auditor General; amending s. 11.45, F.S.; redefining the term "financial audit" to conform with applicable auditing standards; defining the term "operational audit" to provide the objectives of such audits; clarifying the requirement for the Auditor General to conduct financial audits of the accounts and records of all district school boards in counties of a specified size once every 3 years; revising duties and responsibilities of the Auditor General; requiring that the Auditor

General conduct operational audits at least every 3 years of certain additional state entities and district school boards and report on the activities of the ad valorem tax program of the Department of Revenue; amending ss. 25.075 and 28.35, F.S.; revising the duties of the Auditor General with respect to responsibilities for auditing certain reports made to the State Supreme Court and the operations of the Florida Clerks of Court Operations Corporation, respectively; repealing s. 195.096(7), F.S., relating to the Auditor General's responsibility for conducting a performance audit of the Department of Revenue's administration of ad valorem tax laws; amending s. 218.31, F.S.; redefining the term "financial audit" to conform with applicable auditing standards; amending s. 273.05, F.S.; revising requirements to issue rules for surplus property; repealing ss. 365.173(3) and 943.25(3), F.S., relating to the Auditor General's responsibilities for auditing the Emergency Communications Number E911 System Fund and criminal justice trust funds, respectively; amending s. 1002.36, F.S.; conforming provisions to changes made by the act; amending s. 1009.53, F.S.; requiring colleges and universities that receive Florida Bright Futures Scholarship Program moneys to submit to the Department of Education a financial audit prepared by an independent certified public accountant or the Auditor General if the college or university expended more than a specified amount of program money; requiring that the audit include an examination of the institute's administration of the program; providing that the audit be submitted to the department within a certain time; requiring any institution that is not subject to the audit to attest, under penalty of perjury, that the moneys were used in compliance with the law; providing for the attestation be made annually in a form and format determined by the Department of Education; reenacting s. 11.40(3), F.S., relating to the Legislative Auditing Committee, to incorporate the amendments made to s. 11.45, F.S., in a reference thereto; amending ss. 938.01 and 943.17, F.S.; conforming cross-references to changes made by the act; providing an effective date.

On motion by Senator Alexander, the Conference Committee Report on **SB 2110** was adopted. **SB 2110** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

Managers on the part of the House

The Conference Committee Amendment for CS for CS for SB 1314, relating to state financial matters, provides for the following:

- This bill makes agencies more accountable in their contracting practices, and the Legislature more informed about the agencies' actions. Specifically, the bill:

- Defines a new budget category "Lease or lease/purchase of equipment." in s. 216.011, Florida Statutes for the Legislature to better track expenditures.

- Requires each state agency to provide certain contract information in its Legislative Budget Request when granting a concession contract.

- Requires state agencies to identify the specific appropriation in the contract that will be used to make payment for the first year of the contract with a $5 million threshold, unless the Legislature specifically authorizes otherwise.

- The Act applies to contracts, contract amendments, contract extensions, or contract renewals which are executed on or after July 1, 2011.

Conference Committee Amendment (615258)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Present paragraph (vv) of subsection (1) of section 216.011, Florida Statutes, is redesignated as paragraph (ww), and a new paragraph (vv) is added to that subsection, to read:

216.011 Definitions.—

(1) For the purpose of fiscal affairs of the state, appropriations acts, legislative budgets, and approved budgets, each of the following terms has the meaning indicated:

(vv) "Lease or lease-purchase of equipment" means the appropriations category used to fund the lease or lease-purchase of equipment, fixtures, and other tangible personal property.

Section 2. Present subsections (6) through (9) of section 216.023, Florida Statutes, are renumbered as subsections (7) through (10), respectively, and a new subsection (6) is added to that section, to read:

216.023 Legislative budget requests to be furnished to Legislature by agencies.—

(6) As part of the legislative budget request, each state agency must include the following information for each contract in which the consideration to be paid to the agency is a percentage of the vendor revenue and in excess of $10 million under the contract period:

(a) The name of the vendor.

(b) A brief description of the services provided by the vendor.

(c) The term of the contract and the years remaining on the contract.

(d) The amount of revenue generated or expected to be generated by the vendor under the contract for the prior fiscal year, the current fiscal year, and the next fiscal year.

(e) The amount of revenue remitted or expected to be remitted to the state agency by the vendor for the prior fiscal year, the current fiscal year, and the next fiscal year.

(f) The value of capital improvements, if any, on state property which have been funded by the vendor over the term of the contract.

(g) The remaining amount of capital improvements, if any, on state property which have not been fully amortized by June 30 of the prior fiscal year.

(h) The amount, if any, of state appropriations made to the state agency to pay for services provided by the vendor.

Section 3. Section 216.313, Florida Statutes, is created to read:

216.313 Contract appropriation; requirements.—An executive or judicial branch public officer or employee may not enter into any contract or agreement on behalf of the state or judicial branch which binds the state or its executive agencies or the judicial branch for the purchase of services or tangible personal property in excess of $5 million unless the contract identifies the specific appropriation of state funds from which the state will make payment under the contract in the first year of the contract, unless the Legislature expressly authorizes the agency or the judicial branch to enter into such contract absent a specific appropriation of funds.

Section 4. Subsections (2) and (3) of section 287.056, Florida Statutes, are amended to read:

287.056 Purchases from purchasing agreements and state term contracts.—

~~(2) Agencies may have the option to purchase commodities or contractual services from state term contracts procured, pursuant to s. 287.057, by the department.~~

(2)~~(3)~~ Agencies and eligible users may use a request for quote to obtain written pricing or services information from a state term contract vendor for commodities or contractual services available on state term contract from that vendor. The purpose of a request for quote is to determine whether a price, term, or condition more favorable to the agency or eligible user than that provided in the state term contract is available. Use of a request for quote does not constitute a decision or intended decision that is subject to protest under s. 120.57(3).

Section 5. Section 45 of chapter 2010-151, Laws of Florida, is amended to read:

Section 45. Contracts for academic program reviews, auditing services, health services, or Medicaid services are subject to the transaction or user fees imposed under ss. 287.042(1)(h) and 287.057(22), Florida Statutes, only to the extent that such contracts were ~~not~~ subject to such transaction or user fees before July 1, 2010.

Section 6. This act shall take effect July 1, 2011, and applies to initial contracts and agreements, amendments to a contract or agreement, and extensions or renewals of a contract or agreement which are executed on or after that date.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to state financial matters; amending s. 216.011, F.S.; defining the term "lease or lease-purchase of equipment"; amending s. 216.023, F.S.; requiring that specified information relating to certain contracts be included in an agency's legislative budget request; creating s. 216.313, F.S.; requiring certain state contracts to identify the appropriation that funds a contract; amending s. 287.056, F.S.; deleting a provision relating to an option to purchase commodities or contractual services from state term contracts; amending s. 45, chapter 2010-151, Laws of Florida; providing that certain contracts are subject to transaction fees; providing for application of the act to certain contracts and agreements; providing an effective date.

The Conference Committee Amendment for SB 2100, 2nd Eng., relating to retirement, provides for the following:

- Effective July 1, 2011, requires 3% employee contribution for all FRS members. DROP participants are not required to pay employee contributions.

- For employees initially enrolled on or after July 1, 2011, the definition of "average final compensation" means the average of the 8 highest fiscal years of compensation for creditable service prior to retirement, for purposes of calculation of retirement benefits. For employees initially enrolled prior to July 1, 2011, the definition of "average final compensation" continues to be the average of the 5 highest fiscal years of compensation.

- For employees initially enrolled in the pension plan on or after July 1, 2011, such members will vest in 100% of employer contributions upon completion of 8 years of creditable service. For existing employees, vesting will remain at 6 years of creditable service.

- For employees, initially enrolled on or after July 1, 2011, increases the normal retirement age and years of service requirements, as follows:

  - For Special Risk Class: Increases the age from 55 to 60 years of age; and increases the years of creditable service from 25 to 30.

  - For all other classes: Increases the age from 62 to 65 years of age; and increases the years of creditable service from 30 to 33 years.

- Maintains DROP; however, employees entering DROP on or after July 1, 2011 will earn interest at a reduced accrual rate of 1.3%. For employees currently in DROP or entering before July 1, 2011, the interest rate remains 6.5%.

- Eliminates the cost-of-living adjustment (COLA) for service earned on or after July 1, 2011. Subject to the availability of funding and the Legislature enacting sufficient employer contributions specifically for the purpose of funding the reinstatement of the COLA, the new COLA formula will expire effective June 30, 2016, and the current 3% cost-of-living adjustment will be reinstated.

- To implement the bill for the 2011-12 fiscal year, funds the Division of Retirement with four positions and $207,070 in recurring funds and 31,184 in non-recurring funds.

Conference Committee Amendment (328098)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (g) of subsection (2) of section 110.123, Florida Statutes, is amended to read:

110.123 State group insurance program.—

(2) DEFINITIONS.—As used in this section, the term:

(g) "Retired state officer or employee" or "retiree" means any state or state university officer or employee who retires under a state retirement system or a state optional annuity or retirement program or is placed on disability retirement, and who was insured under the state group insurance program at the time of retirement, and who begins receiving retirement benefits immediately after retirement from state or state university office or employment. *The term also includes* ~~In addition to these requirements,~~ any state officer or state employee who retires under the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ established under part II of chapter 121 ~~shall be considered a "retired state officer or employee" or "retiree" as used in this section~~ if he or she:

1. Meets the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29); or

2. Has attained the age specified by s. 72(t)(2)(A)(i) of the Internal Revenue Code and has 6 years of creditable service.

Section 2. Section 112.0801, Florida Statutes, is amended to read:

112.0801 Group insurance; participation by retired employees.—

(1) Any state agency, county, municipality, special district, community college, or district school board *that* ~~which~~ provides life, health, accident, hospitalization, or annuity insurance, or all of any kinds of such insurance, for its officers and employees and their dependents upon a group insurance plan or self-insurance plan shall allow all former personnel who ~~have~~ retired *before* ~~prior to~~ October 1, 1987, as well as those who retire on or after such date, and their eligible dependents, the option of continuing to participate in *the* ~~such~~ group insurance plan or self-insurance plan. Retirees and their eligible dependents shall be offered the same health and hospitalization insurance coverage as is offered to active employees at a premium cost of no more than the premium cost applicable to active employees. For ~~the~~ retired employees and their eligible dependents, the cost of ~~any such~~ continued participation ~~in any type of plan or any of the cost thereof~~ may be paid by the employer or by the retired employees. To determine health and hospitalization plan costs, the employer shall commingle the claims experience of the retiree group with the claims experience of the active employees; and, for other types of coverage, the employer may commingle the claims experience of the retiree group with the claims experience of active employees. Retirees covered under Medicare may be experience-rated separately from the retirees not covered by Medicare and from active employees *if*~~, provided that~~ the total premium does not exceed that of the active group and coverage is basically the same as for the active group.

(2) For purposes of this section, "retiree" means any officer or employee who retires under a state retirement system or a state optional annuity or retirement program or is placed on disability retirement and who begins receiving retirement benefits immediately after retirement from employment. In addition to these requirements, any officer or employee who retires under the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ established under part II of chapter 121 *is* ~~shall be~~ considered a "retired officer or employee" or "retiree" as used in this section if he or she:

(a) Meets the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29); or

(b) Has attained the age specified by s. 72(t)(2)(A)(i) of the Internal Revenue Code and has *the years of service required for vesting as set forth in s. 121.021(45)* ~~6 years of creditable service~~.

Section 3. Paragraphs (b) and (c) of subsection (2) and paragraph (e) of subsection (3) of section 112.363, Florida Statutes, are amended to read:

112.363 Retiree health insurance subsidy.—

(2) ELIGIBILITY FOR RETIREE HEALTH INSURANCE SUBSIDY.—

(b) For purposes of this section, a person is deemed retired from a state-administered retirement system when he or she terminates employment with all employers participating in the Florida Retirement System as described in s. 121.021(39) and:

1. For a *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~ established under part II of chapter 121, the participant meets the age or service requirements to qualify for normal retirement as set forth in s. 121.021(29) *and meets the definition of retiree in s. 121.4501(2).*

2. For a member of the Florida Retirement System *Pension Plan* ~~defined benefit program~~, or any employee who maintains creditable service under ~~both~~ the *pension plan* ~~defined benefit program~~ and the *investment plan* ~~Public Employee Optional Retirement Program~~, the member begins drawing retirement benefits from the *pension plan* ~~defined benefit program of the Florida Retirement System~~.

(c)~~1.~~ Effective July 1, 2001, any person retiring on or after *that* ~~such~~ date as a member of the Florida Retirement System, including *a member* ~~any participant~~ of the *investment plan* ~~defined contribution program~~ administered pursuant to part II of chapter 121, must have satisfied the

vesting requirements for his or her membership class under the *pension plan* ~~Florida Retirement System defined benefit program~~ as administered under part I of chapter 121. *However,*

~~2. Notwithstanding the provisions of subparagraph 1.,~~ a person retiring due to disability must ~~either~~ qualify for a regular or in-line-of-duty disability benefit as provided in s. 121.091(4) or qualify for a disability benefit under a disability plan established under part II of chapter 121, as appropriate.

(3) RETIREE HEALTH INSURANCE SUBSIDY AMOUNT.—

(e)1. Beginning July 1, 2001, each eligible retiree of the *pension plan* ~~defined benefit program~~ of the Florida Retirement System, or, if the retiree is deceased, his or her beneficiary who is receiving a monthly benefit from such retiree's account and who is a spouse, or a person who meets the definition of joint annuitant in s. 121.021~~(28)~~, shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021~~(17)~~, completed at the time of retirement multiplied by $5; however, no eligible retiree or beneficiary may receive a subsidy payment of more than $150 or less than $30. If there are multiple beneficiaries, the total payment *may* ~~must~~ not be greater than the payment to which the retiree was entitled. The health insurance subsidy amount payable to any person receiving the retiree health insurance subsidy payment on July 1, 2001, *may* ~~shall~~ not be reduced solely by operation of this subparagraph.

2. Beginning July 1, 2002, each eligible *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~ of the Florida Retirement System who has met the requirements of this section, or, if the *member* ~~participant~~ is deceased, his or her spouse who is the *member's* ~~participant's~~ designated beneficiary, shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as provided in this subparagraph, completed at the time of retirement, multiplied by $5; however, *an* ~~no~~ eligible retiree or beneficiary may *not* receive a subsidy payment of more than $150 or less than $30. For purposes of determining a *member's* ~~participant's~~ creditable service used to calculate the health insurance subsidy, a *member's* ~~participant's~~ years of service credit or fraction thereof shall be based on the *member's* ~~participant's~~ work year as defined in s. 121.021(54). Credit *must* ~~shall~~ be awarded for a full work year *if* ~~whenever~~ health insurance subsidy contributions have been made ~~as required by law~~ for each month in the *member's* ~~participant's~~ work year. In addition, all years of creditable service retained under the Florida Retirement System *Pension Plan must* ~~defined benefit program shall~~ be included as creditable service for purposes of this section. Notwithstanding any other provision in this section ~~to the contrary~~, the spouse at the time of death *is* ~~shall be~~ the *member's* ~~participant's~~ beneficiary unless such *member* ~~participant~~ has designated a different beneficiary subsequent to the *member's* ~~participant's~~ most recent marriage.

Section 4. Subsection (1) of section 112.65, Florida Statutes, is amended to read:

112.65 Limitation of benefits.—

(1) ESTABLISHMENT OF PROGRAM.—The normal retirement benefit or pension payable to a retiree who becomes a member of any retirement system or plan and who has not previously participated in such plan, on or after January 1, 1980, *may* ~~shall~~ not exceed 100 percent of his or her average final compensation. However, ~~nothing contained in~~ this section *does not* ~~shall~~ apply to supplemental retirement benefits or to pension increases attributable to cost-of-living increases or adjustments. For the purposes of this section, benefits accruing in individual *member* ~~participant~~ accounts established under the *investment plan* ~~Public Employee Optional Retirement Program~~ established in part II of chapter 121 are considered supplemental benefits. As used in this section, the term "average final compensation" means the average of the member's earnings over a period of time which the governmental entity has established by statute, charter, or ordinance.

Section 5. Paragraph (g) of subsection (3) of section 121.011, Florida Statutes, is amended, and paragraph (h) is added to that subsection, to read:

121.011 Florida Retirement System.—

(3) PRESERVATION OF RIGHTS.—

(g) Any member of the Florida Retirement System or any member of an existing system under this chapter who is not retired and who is, has been, or shall be dismissed from employment shall be considered terminated from active membership in such system.

1. If such dismissal is rescinded by proper authority or through legal proceedings, the member is eligible to receive retirement service credit for such period of dismissal *if* ~~provided~~:

a. The dismissal action taken against the member is determined to be incorrect and is negated, the employee is made whole for the period of the dismissal or any portion thereof, and employment is reinstated; and

b. The employer pays into the Retirement System Trust Fund the total required employer contributions for the period for which the employee is made whole, plus interest at 6.5 percent compounded annually until full payment is made. The employee shall pay the total employee contributions~~, plus interest,~~ if applicable. *The employer shall pay the interest on employee contributions, if applicable.*

2. If the dismissal action is subsequently changed to a suspension by proper authority or through legal proceedings, the member is eligible to receive retirement service credit, provided the member's employment is reinstated, restoring the employee-employer relationship, and the employee pays the total required employer and employee contributions and complies with all requirements in paragraph (e).

(h) Effective July 1, 2011, the retirement system shall require employer and employee contributions as provided in s. 121.071 and part III of this chapter.

Section 6. Subsections (3), (7), and (15), paragraph (a) of subsection (19), paragraph (b) of subsection (22), and subsections (24), (29), (38), (39), (45), (55), and (59) of section 121.021, Florida Statutes, are amended to read:

121.021 Definitions.—The following words and phrases as used in this chapter have the respective meanings set forth unless a different meaning is plainly required by the context:

(3) *"Florida Retirement System" or* "system" means the general retirement system established by this chapter*,* ~~to be known and cited as the "Florida Retirement System,"~~ including, but not limited to, the defined benefit ~~retirement~~ program administered under ~~the provisions of part I of~~ this *part, referred to as the "Florida Retirement System Pension Plan" or "pension plan,"* ~~chapter~~ and the defined contribution ~~retirement~~ program ~~known as the Public Employee Optional Retirement Program and~~ administered under ~~the provisions of~~ part II of this chapter*, referred to as the "Florida Retirement System Investment Plan" or "investment plan"*.

(7) *"Division" means the Division of Retirement in the department.* ~~"City" means any municipality duly incorporated under the laws of the state.~~

(15) *"Special risk member" or "Special Risk Class member" means a member of the Florida Retirement System who meets the eligibility and criteria required under s. 121.0515 for participation in the Special Risk Class.*

~~(a) Until October 1, 1978, "special risk member" means any officer or employee whose application is approved by the administrator and who receives salary payments for work performed as a peace officer; law enforcement officer; police officer; highway patrol officer; custodial employee at a correctional or detention facility; correctional agency employee whose duties and responsibilities involve direct contact with inmates, but excluding secretarial and clerical employees; firefighter; or an employee in any other job in the field of law enforcement or fire protection if the duties of such person are certified as hazardous by his or her employer.~~

~~(b) Effective October 1, 1978, "special risk member" means a member of the Florida Retirement System who is designated as a special risk member by the division in accordance with s. 121.0515. Such member must be employed as a law enforcement officer, a firefighter, or a correctional officer and must meet certain other special criteria as set forth in s. 121.0515.~~

~~(c) Effective October 1, 1999, "special risk member" means a member of the Florida Retirement System who is designated as a special risk member by the division in accordance with s. 121.0515. Such member must be employed as a law enforcement officer, a firefighter, a correctional officer, an emergency medical technician, or a paramedic and must meet certain other special criteria as set forth in s. 121.0515.~~

~~(d)1. Effective January 1, 2001, "special risk member" includes any member who is employed as a community-based correctional probation officer and meets the special criteria set forth in s. 121.0515(2)(e).~~

~~2. Effective January 1, 2001, "special risk member" includes any professional health care bargaining unit or non-unit member who is employed by the Department of Corrections or the Department of Children and Family Services and meets the special criteria set forth in s. 121.0515(2)(f).~~

~~(e) Effective July 1, 2001, the term "special risk member" includes any member who is employed as a youth custody officer by the Department of Juvenile Justice and meets the special criteria set forth in s. 121.0515(2)(g).~~

~~(f) Effective August 1, 2008, "special risk member" includes any member who meets the special criteria for continued membership set forth in s. 121.0515(2)(k).~~

(19) "Prior service" under *part I of* this chapter means:

(a) Service for which the member had credit under one of the existing systems and received a refund of his or her contributions upon termination of employment. Prior service ~~shall~~ also *includes* ~~include that~~ service ~~between December 1, 1970, and the date the system becomes noncontributory~~ for which the member had credit under the Florida Retirement System and received a refund of his or her contributions upon termination of employment.

(22) "Compensation" means the monthly salary paid a member by his or her employer for work performed arising from that employment.

(b) ~~Under no circumstances shall~~ Compensation for a member participating in the *pension plan* ~~defined benefit retirement program~~ or the *investment plan* ~~Public Employee Optional Retirement Program~~ of the Florida Retirement System *may not* include:

1. Fees paid professional persons for special or particular services or ~~include~~ salary payments made from a faculty practice plan authorized by the Board of Governors of the State University System for eligible clinical faculty at a college in a state university that has a faculty practice plan; or

2. Any bonuses or other payments prohibited from inclusion in the member's average final compensation ~~and defined in subsection (47)~~.

(24)*(a)* "Average final compensation" means*:*

1. For members initially enrolled before July 1, 2011, the average of the 5 highest fiscal years of compensation for creditable service *before* ~~prior to~~ retirement, termination, or death. For in-line-of-duty disability benefits, if less than 5 years of creditable service have been completed, the term ~~"average final compensation"~~ means the average annual compensation of the total number of years of creditable service. Each year used *to calculate the* ~~in the calculation of~~ average final compensation *commences* ~~shall commence~~ on July 1.

2. For members initially enrolled on or after July 1, 2011, the average of the 8 highest fiscal years of compensation for creditable service before retirement, termination, or death. For in-line-of-duty disability benefits, if less than 8 years of creditable service have been completed, the term means the average annual compensation of the total number of years of creditable service. Each year used to calculate average final compensation commences on July 1.

(b)~~(a)~~ The average final compensation *includes* ~~shall include~~:

1. Accumulated annual leave payments, not to exceed 500 hours; and

2. All payments defined as compensation in subsection (22).

(c)~~(b)~~ The average final compensation *does* ~~shall~~ not include:

1. Compensation paid to professional persons for special or particular services;

2. Payments for accumulated sick leave made due to retirement or termination;

3. Payments for accumulated annual leave in excess of 500 hours;

4. Bonuses as defined in subsection (47);

5. Third party payments made on and after July 1, 1990; or

6. Fringe benefits (for example, automobile allowances or housing allowances).

(29) "Normal retirement date" means the date a member attains normal retirement age and is vested, which is determined as follows:

(a)*1.* If a Regular Class member, a Senior Management Service Class member, or an Elected Officers' Class member *initially enrolled before July 1, 2011*:

a.~~1.~~ The first day of the month the member ~~completes 6 or more years of creditable service and~~ attains age 62; or

b.~~2.~~ The first day of the month following the date the member completes 30 years of creditable service, regardless of age.

2. If a Regular Class member, a Senior Management Service Class member, or an Elected Officers' Class member initially enrolled on or after July 1, 2011:

a. The first day of the month the member attains age 65; or

b. The first day of the month following the date the member completes 33 years of creditable service, regardless of age.

(b)*1.* If a Special Risk Class member *initially enrolled before July 1, 2011*:

a.~~1.~~ The first day of the month the member ~~completes 6 or more years of creditable service in the Special Risk Class and~~ attains age 55 *and completes the years of creditable service in the Special Risk Class equal to or greater than the years of service required for vesting*;

b.~~2.~~ The first day of the month following the date the member completes 25 years of creditable service in the Special Risk Class, regardless of age; or

c.~~3.~~ The first day of the month following the date the member completes 25 years of creditable service and attains age 52, which service may include a maximum of 4 years of military service credit *if* ~~as long as~~ such credit is not claimed under any other system and the remaining years are in the Special Risk Class.

2. If a Special Risk Class member initially enrolled on or after July 1, 2011:

a. The first day of the month the member attains age 60 and completes the years of creditable service in the Special Risk Class equal to or greater than the years of service required for vesting;

b. The first day of the month following the date the member completes 30 years of creditable service in the Special Risk Class, regardless of age; or

c. The first day of the month following the date the member completes 30 years of creditable service and attains age 57, which service may include a maximum of 4 years of military service credit if such credit is not claimed under any other system and the remaining years are in the Special Risk Class.

"Normal retirement age" is attained on the "normal retirement date."

(38) "Continuous service" means creditable service as a member, beginning with the first day of employment with an employer covered under a state-administered retirement system consolidated herein and continuing for as long as the member remains in an employer-employee relationship with an employer covered under this chapter. An absence of 1 calendar month or more from an employer's payroll shall be considered

a break in continuous service, except for periods of absence during which an employer-employee relationship continues to exist and such period of absence is creditable under this chapter or under one of the existing systems consolidated herein. However, a law enforcement officer as defined in s. 121.0515*(3)*~~(2)~~(a) who was a member of a state-administered retirement system under chapter 122 or chapter 321 and who resigned and was subsequently reemployed in a law enforcement position within 12 calendar months of such resignation by an employer under such state-administered retirement system shall be deemed to have not experienced a break in service. Further, with respect to a state-employed law enforcement officer who meets the criteria specified in s. 121.0515*(3)*~~(2)~~(a), if the absence from the employer's payroll is the result of a "layoff" as defined in s. 110.107 or a resignation to run for an elected office that meets the criteria specified in s. 121.0515*(3)*~~(2)~~(a), no break in continuous service shall be deemed to have occurred if the member is reemployed as a state law enforcement officer or is elected to an office which meets the criteria specified in s. 121.0515*(3)*~~(2)~~(a) within 12 calendar months after the date of the layoff or resignation, notwithstanding the fact that such period of layoff or resignation is not creditable service under this chapter. A withdrawal of contributions will constitute a break in service. Continuous service also includes past service purchased under this chapter, provided such service is continuous within this definition and the rules established by the administrator. The administrator may establish administrative rules and procedures for applying this definition to creditable service authorized under this chapter. Any correctional officer, as defined in s. 943.10, whose participation in the state-administered retirement system is terminated due to the transfer of a county detention facility through a contractual agreement with a private entity pursuant to s. 951.062, shall be deemed an employee with continuous service in the Special Risk Class, provided return to employment with the former employer takes place within 3 years due to contract termination or the officer is employed by a covered employer in a special risk position within 1 year after his or her initial termination of employment by such transfer of its detention facilities to the private entity.

(39)(a) "Termination" occurs, except as provided in paragraph (b), when a member ceases all employment relationships with *participating employers* ~~an employer~~, however:

1. For retirements effective before July 1, 2010, if a member is employed by any such employer within the next calendar month, termination shall be deemed not to have occurred. A leave of absence constitutes a continuation of the employment relationship, except that a leave of absence without pay due to disability may constitute termination if such member makes application for and is approved for disability retirement in accordance with s. 121.091(4). The department or state board may require other evidence of termination as it deems necessary.

2. For retirements effective on or after July 1, 2010, if a member is employed by any such employer within the next 6 calendar months, termination shall be deemed not to have occurred. A leave of absence constitutes a continuation of the employment relationship, except that a leave of absence without pay due to disability may constitute termination if such member makes application for and is approved for disability retirement in accordance with s. 121.091(4). The department or state board may require other evidence of termination as it deems necessary.

(b) "Termination" for a member electing to participate in the Deferred Retirement Option Program occurs when the program participant ceases all employment relationships with *participating employers* ~~an employer~~ in accordance with s. 121.091(13), however:

1. For termination dates occurring before July 1, 2010, if the *member* ~~participant~~ is employed by any such employer within the next calendar month, termination will be deemed not to have occurred, except as provided in s. 121.091(13)(b)4.c. A leave of absence shall constitute a continuation of the employment relationship.

2. For termination dates occurring on or after July 1, 2010, if the *member* ~~participant~~ becomes employed by any such employer within the next 6 calendar months, termination will be deemed not to have occurred, except as provided in s. 121.091(13)(b)4.c. A leave of absence constitutes a continuation of the employment relationship.

(c) Effective July 1, 2011, "termination" for a member receiving a refund of employee contributions occurs when a member ceases all employment relationships with participating employers for 3 calendar months. A leave of absence constitutes a continuation of the employment relationship.

(45)~~(a)~~ "Vested" or "vesting" means the guarantee that a member is eligible to receive a future retirement benefit upon completion of the required years of creditable service for the employee's class of membership, even though the member may have terminated covered employment before reaching normal or early retirement date. Being vested does not entitle a member to a disability benefit. Provisions governing entitlement to disability benefits are set forth under s. 121.091(4).

(a)~~(b)~~ Effective July 1, 2001, *through June 30, 2011,* a 6-year vesting requirement shall be implemented for the ~~defined benefit program of the~~ Florida Retirement *System Pension Plan* ~~System. Pursuant thereto~~:

1. Any member employed in a regularly established position on July 1, 2001, who completes or has completed a total of 6 years of creditable service *is* ~~shall be~~ considered vested ~~as described in paragraph (a)~~.

2. Any member not employed in a regularly established position on July 1, 2001, shall be deemed vested upon completion of 6 years of creditable service *if*~~, provided that~~ such member is employed in a covered position for at least 1 work year after July 1, 2001. However, *a* ~~no~~ member *is not* ~~shall be~~ required to complete more years of creditable service than would have been required for that member to vest under retirement laws in effect before July 1, 2001.

3. Any member initially enrolled in the Florida Retirement System on July 1, 2001, through June 30, 2011, shall be deemed vested upon completion of 6 years of creditable service.

(b) Any member initially enrolled in the Florida Retirement System on or after July 1, 2011, shall be vested upon completion of 8 years of creditable service.

(55) "Benefit" means any *pension* payment, lump-sum or periodic, to a member, retiree, or beneficiary, based partially or entirely on employer contributions *or employee contributions, if applicable*.

(59) "Payee" means a retiree or beneficiary of a retiree who *has received or* is receiving a retirement benefit payment.

Section 7. Paragraphs (b) and (c) of subsection (2) and subsection (3) of section 121.051, Florida Statutes, are amended to read:

121.051 Participation in the system.—

(2) OPTIONAL PARTICIPATION.—

(b)1. The governing body of any municipality, metropolitan planning organization, or special district in the state may elect to participate in the *Florida Retirement* System upon proper application to the administrator and may cover all ~~or any~~ of its units as approved by the Secretary of Health and Human Services and the administrator. The department shall adopt rules establishing *procedures* ~~provisions~~ for the submission of documents necessary for such application. *Before* ~~Prior to~~ being approved for participation in the ~~Florida Retirement~~ system, the governing body of *a* ~~any such~~ municipality, metropolitan planning organization, or special district that has a local retirement system *must* ~~shall~~ submit to the administrator a certified financial statement showing the condition of the local retirement system ~~as of a date~~ within 3 months *before* ~~prior to~~ the proposed effective date of membership in the Florida Retirement System. The statement must be certified by a recognized accounting firm that is independent of the local retirement system. All required documents necessary for extending Florida Retirement System coverage must be received by the department for consideration at least 15 days *before* ~~prior to~~ the proposed effective date of coverage. If the municipality, metropolitan planning organization, or special district does not comply with this requirement, the department may require that the effective date of coverage be changed.

2. *A municipality* ~~Any city~~, metropolitan planning organization, or special district that has an existing retirement system covering the employees in the units that are to be brought under the Florida Retirement System may participate only after holding a referendum in which all employees in the affected units have the right to participate. Only those employees electing coverage under the Florida Retirement System by affirmative vote in *the* ~~said~~ referendum *are* ~~shall be~~ eligible for coverage under this chapter, and those not participating or electing

not to be covered by the Florida Retirement System shall remain in their present systems and *are* ~~shall~~ not ~~be~~ eligible for coverage under this chapter. After the referendum is held, all future employees *are* ~~shall be~~ compulsory members of the Florida Retirement System.

3. *At the time of joining the Florida Retirement System,* the governing body of *a municipality* ~~any city~~, metropolitan planning organization, or special district complying with subparagraph 1. may elect to provide, or not provide, benefits based on past service of officers and employees as described in s. 121.081(1). However, if such employer elects to provide past service benefits, such benefits must be provided for all officers and employees of its covered group.

4. Once this election is made and approved it may not be revoked, except pursuant to subparagraphs 5. and 6., and all present officers and employees electing coverage ~~under this chapter~~ and all future officers and employees *are* ~~shall be~~ compulsory members of the Florida Retirement System.

5. Subject to ~~the conditions set forth in~~ subparagraph 6., the governing body of *a* ~~any~~ hospital licensed under chapter 395 which is governed by the board of a special district as defined in s. 189.403~~(1)~~ or by the board of trustees of a public health trust created under s. 154.07, hereinafter referred to as "hospital district," and which participates in the *Florida Retirement* System, may elect to cease participation in the system with regard to future employees in accordance with the following ~~procedure~~:

a. No more than 30 days and at least 7 days before adopting a resolution to partially withdraw from the ~~Florida Retirement~~ system and establish an alternative retirement plan for future employees, a public hearing must be held on the proposed withdrawal and proposed alternative plan.

b. From 7 to 15 days before such hearing, notice of intent to withdraw, specifying the time and place of the hearing, must be provided in writing to employees of the hospital district proposing partial withdrawal and must be published in a newspaper of general circulation in the area affected, as provided by ss. 50.011-50.031. Proof of publication *must* ~~of such notice shall~~ be submitted to the Department of Management Services.

c. The governing body of *a* ~~any~~ hospital district seeking to partially withdraw from the system must, before such hearing, have an actuarial report prepared and certified by an enrolled actuary, as defined in s. 112.625~~(3)~~, illustrating the cost to the hospital district of providing, through the retirement plan that the hospital district is to adopt, benefits for new employees comparable to those provided under the ~~Florida Retirement~~ system.

d. Upon meeting all applicable requirements of this subparagraph, and subject to ~~the conditions set forth in~~ subparagraph 6., partial withdrawal from the system and adoption of the alternative retirement plan may be accomplished by resolution duly adopted by the hospital district board. The hospital district board must provide written notice of such withdrawal to the division by mailing a copy of the resolution to the division, postmarked *by* ~~no later than~~ December 15, 1995. The withdrawal shall take effect January 1, 1996.

6. Following the adoption of a resolution under sub-subparagraph 5.d., all employees of the withdrawing hospital district who were *members of* ~~participants in~~ the ~~Florida Retirement~~ system *before* ~~prior to~~ January 1, 1996, shall remain as *members of* ~~participants in~~ the system for as long as they are employees of the hospital district, and all rights, duties, and obligations between the hospital district, the system, and the employees ~~shall~~ remain in full force and effect. Any employee who is hired or appointed on or after January 1, 1996, may not participate in the ~~Florida Retirement~~ system, and the withdrawing hospital district *has* ~~shall have~~ no obligation to the system with respect to such employees.

(c) Employees of public community colleges or charter technical career centers sponsored by public community colleges, designated in s. 1000.21(3), who are members of the Regular Class of the Florida Retirement System and who comply with the criteria set forth in this paragraph and s. 1012.875 may, in lieu of participating in the Florida Retirement System, elect to withdraw from the system altogether and participate in the State Community College System Optional Retirement Program provided by the employing agency under s. 1012.875.

1.*a.* Through June 30, 2001, the cost to the employer for *benefits under the optional retirement program* ~~such annuity~~ equals the normal cost portion of the employer retirement contribution which would be required if the employee were a member of the *pension plan's* Regular Class ~~defined benefit program~~, plus the portion of the contribution rate required by s. 112.363(8) which would otherwise be assigned to the Retiree Health Insurance Subsidy Trust Fund.

b. Effective July 1, 2001, *through June 30, 2011,* each employer shall contribute on behalf of each *member of* ~~participant in~~ the optional program an amount equal to 10.43 percent of the *employee's* ~~participant's~~ gross monthly compensation. The employer shall deduct an amount for the administration of the program.

c. Effective July 1, 2011, each member shall contribute an amount equal to the employee contribution required under s. 121.71(3). The employer shall contribute on behalf of each program member an amount equal to the difference between 10.43 percent of the employee's gross monthly compensation and the employee's required contribution based on the employee's gross monthly compensation.

d. The employer shall contribute an additional amount to the Florida Retirement System Trust Fund equal to the unfunded actuarial accrued liability portion of the Regular Class contribution rate.

2. The decision to participate in *the* ~~an~~ optional retirement program is irrevocable as long as the employee holds a position eligible for participation, except as provided in subparagraph 3. Any service creditable under the Florida Retirement System is retained after the member withdraws from the system; however, additional service credit in the system may not be earned while a member of the optional retirement program.

3. An employee who has elected to participate in the optional retirement program shall have one opportunity, at the employee's discretion, to transfer from the optional retirement program to the *pension plan* ~~defined benefit program~~ of the Florida Retirement System or to the *investment plan established under part II of this chapter* ~~Public Employee Optional Retirement Program~~, subject to the terms of the applicable optional retirement program contracts.

a. If the employee chooses to move to the *investment plan* ~~Public Employee Optional Retirement Program~~, any contributions, interest, and earnings creditable to the employee under the ~~State Community College System~~ optional retirement program are retained by the employee in the ~~State Community College System~~ optional retirement program, and the applicable provisions of s. 121.4501(4) govern the election.

b. If the employee chooses to move to the *pension plan* ~~defined benefit program~~ of the Florida Retirement System, the employee shall receive service credit equal to his or her years of service under the ~~State Community College System~~ optional retirement program.

(I) The cost for such credit is the amount representing the present value of the employee's accumulated benefit obligation for the affected period of service. The cost shall be calculated as if the benefit commencement occurs on the first date the employee becomes eligible for unreduced benefits, using the discount rate and other relevant actuarial assumptions that were used to value the Florida Retirement System *Pension* ~~defined benefit~~ Plan liabilities in the most recent actuarial valuation. The calculation must include any service already maintained under the *pension* ~~defined benefit~~ plan in addition to the years under the ~~State Community College System~~ optional retirement program. The present value of any service already maintained must be applied as a credit to total cost resulting from the calculation. The division shall ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary.

(II) The employee must transfer from his or her ~~State Community College System~~ optional retirement program account and from other employee moneys as necessary, a sum representing the present value of the employee's accumulated benefit obligation immediately following the time of such movement, determined assuming that attained service equals the sum of service in the *pension plan* ~~defined benefit program~~

and service in the ~~State Community College System~~ optional retirement program.

4. Participation in the optional retirement program is limited to employees who satisfy the following eligibility criteria:

a. The employee *is* ~~must be~~ otherwise eligible for membership or renewed membership in the Regular Class of the Florida Retirement System, as provided in s. 121.021(11) and (12) or s. 121.122.

b. The employee *is* ~~must be~~ employed in a full-time position classified in the Accounting Manual for Florida's Public Community Colleges as:

(I) Instructional; or

(II) Executive Management, Instructional Management, or Institutional Management *and the*~~, if a~~ community college determines that recruiting to fill a vacancy in the position is to be conducted in the national or regional market, and the duties and responsibilities of the position include the formulation, interpretation, or implementation of policies, or the performance of functions that are unique or specialized within higher education and that frequently support the mission of the community college.

c. The employee *is* ~~must be~~ employed in a position not included in the Senior Management Service Class of the Florida Retirement System~~,~~ as described in s. 121.055.

5. *Members of* ~~Participants in~~ the program are subject to the same reemployment limitations, renewed membership provisions, and forfeiture provisions ~~as are~~ applicable to regular members of the Florida Retirement System under ss. 121.091(9), 121.122, and 121.091(5), respectively. A *member* ~~participant~~ who receives a program distribution funded by employer *and required employee* contributions *is* ~~shall be~~ deemed to be retired from a state-administered retirement system if the *member* ~~participant~~ is subsequently employed with an employer that participates in the Florida Retirement System.

6. Eligible community college employees are compulsory members of the Florida Retirement System until, pursuant to s. 1012.875, a written election to withdraw from the system and participate in the ~~State Community College System~~ optional retirement program is filed with the program administrator and received by the division.

a. A community college employee whose program eligibility results from initial employment *shall* ~~must~~ be enrolled in the ~~State Community College System~~ optional retirement program retroactive to the first day of eligible employment. The employer *and employee* retirement contributions paid through the month of the employee plan change shall be transferred to the community college to the employee's optional program account, and, effective the first day of the next month, the employer shall pay the applicable contributions based upon subparagraph 1.

b. A community college employee whose program eligibility is due to the subsequent designation of the employee's position as one of those specified in subparagraph 4., or due to the employee's appointment, promotion, transfer, or reclassification to a position specified in subparagraph 4., must be enrolled in the program on the first day of the first full calendar month that such change in status becomes effective. The employer *and employee* retirement contributions paid from the effective date through the month of the employee plan change must be transferred to the community college to the employee's optional program account, and, effective the first day of the next month, the employer shall pay the applicable contributions based upon subparagraph 1.

7. Effective July 1, 2003, through December 31, 2008, any *member* ~~participant~~ of the ~~State Community College System~~ optional retirement program who has service credit in the *pension* ~~defined benefit~~ plan of the Florida Retirement System for the period between his or her first eligibility to transfer from the *pension* ~~defined benefit~~ plan to the optional retirement program and the actual date of transfer may, during employment, transfer to the optional retirement program a sum representing the present value of the accumulated benefit obligation under the defined benefit retirement program for the period of service credit. Upon transfer, all service credit previously earned under the *pension plan* ~~defined benefit program of the Florida Retirement System~~ during this period is nullified for purposes of entitlement to a future benefit under the *pension plan* ~~defined benefit program of the Florida Retirement System~~.

(3) SOCIAL SECURITY COVERAGE.—Social security coverage shall be provided for all officers and employees who become members under ~~the provisions of~~ subsection (1) or subsection (2). Any modification of the present agreement with the Social Security Administration, or referendum required under the Social Security Act, for the purpose of providing social security coverage for any member shall be requested by the state agency in compliance with the applicable provisions of the Social Security Act governing such coverage. However, retroactive social security coverage for service *before* ~~prior to~~ December 1, 1970, with the employer *may* ~~shall~~ not be provided for *a* ~~any~~ member who was not covered under the agreement as of November 30, 1970. *The employer-paid employee contributions specified in s. 121.71(3) are subject to taxes imposed under the Federal Insurance Contributions Act, 26 U.S.C. ss. 3101-3128.*

Section 8. Section 121.0515, Florida Statutes, is amended to read:

121.0515 Special Risk *Class* ~~membership~~.—

(1) *ESTABLISHMENT OF CLASS* ~~LEGISLATIVE INTENT~~.—*A separate* ~~In creating the Special Risk~~ class of membership within the Florida Retirement System, *to be known as the "Special Risk Class," is established* ~~it is the intent and purpose of the Legislature~~ to recognize that persons employed in certain categories of law enforcement, firefighting, criminal detention, and emergency medical care positions are required as one of the essential functions of their positions to perform work that is physically demanding or arduous, or work that requires extraordinary agility and mental acuity, and that such persons, because of diminishing physical and mental faculties, may find that they are not able, without risk to the health and safety of themselves, the public, or their coworkers, to continue performing such duties and thus enjoy the full career and retirement benefits enjoyed by persons employed in other *membership classes* ~~positions~~ and that, if they find it necessary, due to the physical and mental limitations of their age, to retire at an earlier age and usually with less service, they will suffer an economic deprivation therefrom. *To address* ~~Therefore, as a means of recognizing~~ the peculiar and special problems of this class of employees, ~~it is the intent and purpose of the Legislature to establish~~ a class of retirement membership *is established* that awards more retirement credit per year of service than that awarded to other employees; however, nothing contained herein shall require ineligibility for Special Risk *Class* membership upon reaching age 55.

(2) MEMBERSHIP.—

(a) Until October 1, 1978, "special risk member" means any officer or employee whose application is approved by the administrator and who receives salary payments for work performed as a peace officer; law enforcement officer; police officer; highway patrol officer; custodial employee at a correctional or detention facility; correctional agency employee whose duties and responsibilities involve direct contact with inmates, but excluding secretarial and clerical employees; firefighter; or an employee in any other job in the field of law enforcement or fire protection if the duties of such person are certified as hazardous by his or her employer.

(b) Effective October 1, 1978, through September 30, 1999, "special risk member" means a member of the Florida Retirement System who is designated as a special risk member by the division in accordance with this section. Such member must be employed as a law enforcement officer, a firefighter, or a correctional officer and must meet certain other special criteria as set forth in this section.

(c) Effective October 1, 1999, "special risk member" means a member of the Florida Retirement System who is designated as a special risk member by the division in accordance with this section. Such member must be employed as a law enforcement officer, a firefighter, a correctional officer, an emergency medical technician, or a paramedic and must meet certain other special criteria as set forth in this section.

(d) Effective January 1, 2001, "special risk member" includes:

1. Any member who is employed as a community-based correctional probation officer and meets the special criteria set forth in paragraph (3)(e).

2. Any professional health care bargaining unit or non-unit member who is employed by the Department of Corrections or the Department of Children and Family Services and meets the special criteria set forth in paragraph (3)(f).

(e) Effective July 1, 2001, "special risk member" includes any member who is employed as a youth custody officer by the Department of Juvenile Justice and meets the special criteria set forth in paragraph (3)(g).

(f) Effective October 1, 2005, through June 30, 2008, the member must be employed by a law enforcement agency or medical examiner's office in a forensic discipline and meet the special criteria set forth in paragraph (3)(h).

(g) Effective July 1, 2008, the member must be employed by the Department of Law Enforcement in the crime laboratory or by the Division of State Fire Marshal in the forensic laboratory and meet the special criteria set forth in paragraph (3)(i).

(h) Effective July 1, 2008, the member must be employed by a local government law enforcement agency or medical examiner's office and meet the special criteria set forth in paragraph (3)(j).

(i) Effective August 1, 2008, "special risk member" includes any member who meets the special criteria for continued membership set forth in paragraph (3)(k).

(3)~~(2)~~ CRITERIA.—A member, to be designated as a special risk member, must meet the following criteria:

(a) *Effective October 1, 1978,* the member must be employed as a law enforcement officer and be certified, or required to be certified, in compliance with s. 943.1395; however, sheriffs and elected police chiefs *are* ~~shall be~~ excluded from meeting the certification requirements of this paragraph. In addition, the member's duties and responsibilities must include the pursuit, apprehension, and arrest of law violators or suspected law violators; or *as of July 1, 1982,* the member must be an active member of a bomb disposal unit whose primary responsibility is the location, handling, and disposal of explosive devices; or the member must be the supervisor or command officer of a member or members who have such responsibilities.~~; provided, however,~~ Administrative support personnel, including, but not limited to, those whose primary duties and responsibilities are in accounting, purchasing, legal, and personnel, *are* ~~shall~~ not ~~be~~ included;

(b) *Effective October 1, 1978,* the member must be employed as a firefighter and be certified, or required to be certified, in compliance with s. 633.35 and be employed solely within the fire department of a local government employer or an agency of state government with firefighting responsibilities. In addition, the member's duties and responsibilities must include on-the-scene fighting of fires*; as of October 1, 2001*, fire prevention~~,~~ or firefighter training; *as of October 1, 2001,* direct supervision of firefighting units, fire prevention, or firefighter training; or *as of July 1, 2001,* aerial firefighting surveillance performed by fixed-wing aircraft pilots employed by the Division of Forestry of the Department of Agriculture and Consumer Services; or the member must be the supervisor or command officer of a member or members who have such responsibilities.~~; provided, however,~~ Administrative support personnel, including, but not limited to, those whose primary duties and responsibilities are in accounting, purchasing, legal, and personnel, *are* ~~shall~~ not ~~be~~ included. ~~and further provided that~~ All periods of creditable service in fire prevention or firefighter training, or as the supervisor or command officer of a member or members who have such responsibilities, and for which the employer paid the special risk contribution rate, *are* ~~shall be~~ included;

(c) *Effective October 1, 1978,* the member must be employed as a correctional officer and be certified, or required to be certified, in compliance with s. 943.1395. (g) *Effective July 1, 2001,* the member must be employed as a youth custody officer and be certified, or required to be certified, in compliance with s. 943.1395. In addition, the member's primary duties and responsibilities must be the supervised custody, surveillance, control, investigation, apprehension, arrest, and counseling of assigned juveniles within the community;

(h) Effective October 1, 2005, through June 30, 2008, the member must be employed by a law enforcement agency or medical examiner's office in a forensic discipline recognized by the International Association for Identification and must qualify for active membership in the International Association for Identification. The member's primary duties and responsibilities must include the collection, examination, preservation, documentation, preparation, or analysis of physical evidence or testimony, or both, or the member must be the direct supervisor, quality management supervisor, or command officer of one or more individuals with such responsibility. Administrative support personnel, including, but not limited to, those whose primary responsibilities are clerical or in accounting, purchasing, legal, and personnel, *are* ~~shall~~ not ~~be~~ included;

(i) Effective July 1, 2008, the member must be employed by the Department of Law Enforcement in the crime laboratory or by the Division of State Fire Marshal in the forensic laboratory in one of the following classes:

1. Forensic technologist (class code 8459);

2. Crime laboratory technician (class code 8461);

3. Crime laboratory analyst (class code 8463);

4. Senior crime laboratory analyst (class code 8464);

5. Crime laboratory analyst supervisor (class code 8466);

6. Forensic chief (class code 9602); or

7. Forensic services quality manager (class code 9603);

(j) Effective July 1, 2008, the member must be employed by a local government law enforcement agency or medical examiner's office and must spend at least 65 percent of his or her time performing duties that involve the collection, examination, preservation, documentation, preparation, or analysis of human tissues or fluids or physical evidence having potential biological, chemical, or radiological hazard or contamination, or use chemicals, processes, or materials that may have carcinogenic or health-damaging properties in the analysis of such evidence, or the member must be the direct supervisor of one or more individuals having such responsibility. If a special risk member changes to another position within the same agency, he or she must submit a complete application as provided in paragraph *(4)*~~(3)~~(a); or

(k) The member must have already qualified for and be actively participating in special risk membership under paragraph (a), paragraph (b), or paragraph (c), must have suffered a qualifying injury as defined in this paragraph, must not be receiving disability retirement benefits as provided in s. 121.091(4), and must satisfy the requirements of this paragraph.

1. The ability to qualify for the class of membership defined in *paragraph (2)(f) occurs* ~~s. 121.021(15)(f) shall occur~~ when two licensed medical physicians, one of whom is a primary treating physician of the member, certify the existence of the physical injury and medical condition that constitute a qualifying injury as defined in this paragraph and that the member has reached maximum medical improvement after August 1, 2008. The certifications from the licensed medical physicians must include, at a minimum, that the injury to the special risk member has resulted in a physical loss, or loss of use, of at least two of the following: left arm, right arm, left leg, or right leg; and:

a. That this physical loss or loss of use is total and permanent, except in the event that the loss of use is due to a physical injury to the member's brain, in which event the loss of use is permanent with at least 75-percent loss of motor function with respect to each arm or leg affected.

b. That this physical loss or loss of use renders the member physically unable to perform the essential job functions of his or her special risk position.

c. That, notwithstanding this physical loss or loss of use, the individual is able to perform the essential job functions required by the member's new position, as provided in subparagraph 3.

d. That use of artificial limbs is either not possible or does not alter the member's ability to perform the essential job functions of the member's position.

e. That the physical loss or loss of use is a direct result of a physical injury and not a result of any mental, psychological, or emotional injury.

2. For the purposes of this paragraph, "qualifying injury" means an injury sustained in the line of duty, as certified by the member's employing agency, by a special risk member that does not result in total and permanent disability as defined in s. 121.091(4)(b). An injury is a qualifying injury *if* ~~when~~ the injury is a physical injury to the member's physical body resulting in a physical loss, or loss of use, of at least two of the following: left arm, right arm, left leg, or right leg. Notwithstanding *any other provision of* ~~anything in~~ this section ~~to the contrary~~, an injury that would otherwise qualify as a qualifying injury *is* ~~shall~~ not ~~be~~ considered a qualifying injury if and when the member ceases employment with the employer for whom he or she was providing special risk services on the date the injury occurred.

3. The new position, as described in sub-subparagraph 1.c., that is required for qualification as a special risk member under this paragraph is not required to be a position with essential job functions that entitle an individual to special risk membership. Whether a new position as described in sub-subparagraph 1.c. exists and is available to the special risk member is a decision to be made solely by the employer in accordance with its hiring practices and applicable law.

4. This paragraph does not grant or create additional rights for any individual to continued employment or to be hired or rehired by his or her employer that are not already provided within the Florida Statutes, the State Constitution, the Americans with Disabilities Act, if applicable, or any other applicable state or federal law.

(4)~~(3)~~ PROCEDURE FOR DESIGNATING.—

(a) Any member of the Florida Retirement System employed by a county, *municipality* ~~city~~, or special district who feels that *his or her position* ~~he or she~~ meets the criteria set forth in this section for membership in the Special Risk Class may request that his or her employer submit an application to the department requesting that the department designate him or her as a Special Risk member. If the employer agrees that the member meets the requirements for Special Risk *Class* membership, the employer shall submit an application to the department *on* ~~in~~ behalf of the employee containing a certification that the member meets the criteria for Special Risk *Class* membership set forth in this section and such other supporting documentation as may be required by administrative rule. The department shall, within 90 days, ~~either~~ designate or refuse to designate the member as a special risk member. If the employer declines to submit the member's application to the department or if the department does not designate the member as a special risk member, the member or the employer may appeal to the State Retirement Commission, as provided in s. 121.23, for designation as a special risk member. A member who receives a final affirmative ruling pursuant to such appeal ~~for Special Risk membership~~ shall have Special Risk *Class* membership retroactive to the date such member would have had Special Risk *Class* membership had such membership been approved by the employer and the department, as determined by the department, and the employer contributions shall be paid in full within 1 year after such final ruling.

(b)~~1.~~ Applying the criteria set forth in this section, the department ~~of Management Services~~ shall specify which current and newly created classes of positions under the uniform classification plan established pursuant to chapter 110 entitle the incumbents of positions in those classes to membership in the Special Risk Class. Only employees employed in the classes so specified shall be special risk members.

~~2.~~ *If* ~~When~~ a class is not specified by the department ~~as provided in subparagraph 1.~~, the employing agency may petition the State Retirement Commission for approval in accordance with s. 121.23.

(5)~~(4)~~ REMOVAL OF SPECIAL RISK *CLASS* MEMBERSHIP.—

(a) Any member who is a special risk member on October 1, 1978, and who fails to meet the criteria for Special Risk *Class* membership established by this section shall have his or her special risk designation removed and thereafter shall be a regular member and ~~shall~~ earn only regular membership credit. The department *may* ~~shall have the authority to~~ review the special risk designation of members to determine whether or not those members continue to meet the criteria for Special Risk *Class* membership.

(b) Any member who is a special risk member on July 1, 2008, and who became eligible to participate under paragraph *(3)*~~(2)~~(h) but fails to meet the criteria for Special Risk *Class* membership established by paragraph *(3)*~~(2)~~(i) or paragraph *(3)*~~(2)~~(j) shall have his or her special risk designation removed and thereafter shall be a Regular Class member and earn only Regular Class membership credit. The department may review the special risk designation of members to determine whether or not those members continue to meet the criteria for Special Risk *Class* membership.

(6)~~(5)~~ CREDIT FOR PAST SERVICE.—A special risk member may purchase retirement credit in the Special Risk Class based upon past service, and may upgrade retirement credit for such past service, to the extent of 2 percent of the member's average monthly compensation as specified in s. 121.091(1)(a) for such service as follows:

(a) The member may purchase special risk credit for past service with a *municipality* ~~city~~ or special district which has elected to join the Florida Retirement System, or with a participating agency to which a member's governmental unit was transferred, merged, or consolidated as provided in s. 121.081(1)(f), if the member was employed with the *municipality* ~~city~~ or special district at the time it commenced participating in the Florida Retirement System or with the governmental unit at the time of its transfer, merger, or consolidation with the participating agency. The service must satisfy the criteria set forth in subsection *(3)* ~~(2)~~ for Special Risk *Class* membership as a law enforcement officer, firefighter, or correctional officer; however, *a* ~~no~~ certificate or waiver of certificate of compliance with s. 943.1395 or s. 633.35 *is not* ~~shall be~~ required for such service.

(b) Contributions for upgrading the additional special risk credit *must* ~~pursuant to this subsection shall~~ be equal to the difference in the *employer and, if applicable, employee* contributions paid and the special risk percentage rate of gross salary in effect at the time of purchase for the period being claimed, plus interest thereon at the rate of 4 percent a year compounded annually from the date of such service until July 1, 1975, and 6.5 percent a year thereafter until the date of payment. This past service may be purchased by the member or by the employer on behalf of the member.

(7)~~(6)~~ CREDIT FOR PRIOR SERVICE.—A special risk member who has creditable service with an employer under chapter 122 or chapter 321, or was employed as a correctional counselor with the Department of Corrections between December 1, 1970, and September 30, 1979, in a position *that* ~~which~~ satisfies the criteria provided ~~for~~ in subsection *(3)* ~~(2)~~ for Special Risk *Class* membership except the requirement for a certificate or waiver of certificate, shall have those years of service counted towards the attainment of the normal retirement date as a special risk member under this chapter. The percentage value of each such year of creditable service under chapter 122, chapter 321, or as a correctional counselor *may* ~~shall~~ not change as a result of the application of this subsection. A special risk member who has taken a refund of contributions for such creditable service under chapter 122 or chapter 321 and has reclaimed it as prior service credit under this chapter shall be permitted to have such creditable service counted towards the attainment of the normal retirement date for the Special Risk Class of membership under this chapter.

(8)~~(7)~~ *SPECIAL RISK ADMINISTRATIVE SUPPORT CLASS* ~~RETENTION OF SPECIAL RISK NORMAL RETIREMENT DATE~~.—

(a) A special risk member who is moved or reassigned to a nonspecial risk law enforcement, firefighting, correctional, or emergency medical care administrative support position with the same agency, or who is subsequently employed in such a position *within* ~~with~~ any law enforcement, firefighting, correctional, or emergency medical care agency under the Florida Retirement System, shall participate in the Special Risk Administrative Support Class and ~~shall~~ earn credit for such service at the same percentage rate as that earned by a regular member. Notwithstanding ~~the provisions of~~ subsection *(5)* ~~(4)~~, service in ~~such~~ an administrative support position ~~shall~~, for purposes of s. 121.091, *applies* ~~apply~~ toward satisfaction of the special risk normal retirement date, as defined in s. 121.021~~(29)(b)~~ *if*, ~~provided that,~~ while in such position, the member remains certified as a law enforcement officer, firefighter, correctional officer, emergency medical technician, or paramedic; remains subject to reassignment at any time to a position qualifying for special risk membership; and completes an aggregate of *the* ~~6 or more~~ years of service as a designated special risk member *before* ~~prior to~~ retirement *which is equal to or greater than the years of service required to be vested*.

(b) Upon application by a member, the provisions of this subsection ~~shall~~ apply, with respect to such member, retroactively to October 1, 1978, *if* ~~provided that~~ the member was removed from the Special Risk Class effective October 1, 1978, due to a change in special risk criteria as a result of the enactment of chapter 78-308, Laws of Florida, or was reassigned or employed for training or career development or to fill a critical agency need.

(c) The department shall adopt ~~such~~ rules as ~~are~~ required to administer this subsection.

(d) Notwithstanding any *other* provision of this subsection ~~to the contrary~~, this subsection does not apply to any special risk member who qualifies for continued membership pursuant to ~~the provisions of~~ paragraph *(3)*~~(2)~~(k).

(9)~~(8)~~ RESTORATION OF SPECIAL RISK CREDIT FOR SPECIFIED PERIOD OF EMPLOYMENT.—A special risk member who was removed from the Special Risk Class effective October 1978, for the sole reason that he or she did not possess the required certificate or temporary waiver of certificate, and who obtained certification and was approved for Special Risk *Class* membership on or before June 30, 1982, *may* ~~shall be permitted to~~ have special risk credit restored for that period upon:

(a) Certification by his or her employer that all requirements for Special Risk *Class* membership except the requirement for certification or temporary waiver of certification were met; and

(b) Payment of contributions equal to the difference in the contributions that were paid during the period and the contributions required for special risk members during that period, plus 6.5 percent interest thereon, compounded each June 30 from date of service until date of payment.

This credit may be purchased by the member or by the employer on behalf of the member.

(10)~~(9)~~ CREDIT FOR UPGRADED SERVICE.—

(a) Any member of the Special Risk Class who has earned creditable service *through September 30, 1999,* in another membership class of the Florida Retirement System as an emergency medical technician or paramedic, which service is within the purview of the Special Risk Class, may purchase additional retirement credit to upgrade such service to Special Risk Class service, to the extent of the percentages of the member's average final compensation provided in s. 121.091(1)(a)2. Contributions for upgrading such service to Special Risk Class credit *must* ~~under this subsection shall~~ be equal to the difference in the contributions paid and the Special Risk Class contribution rate as a percentage of gross salary in effect for the period being claimed, plus interest thereon at the rate of 6.5 percent a year, compounded annually until the date of payment. This service credit may be purchased by the employer on behalf of the member.

(b) Any member of the Special Risk Class who has earned creditable service *through September 30, 2001,* in another membership class of the Florida Retirement System whose responsibilities included fire prevention or firefighter training, which service is within the purview of the Special Risk Class, may purchase additional retirement credit to upgrade such service to Special Risk Class service, to the extent of the

percentages of the member's average final compensation provided in s. 121.091(1)(a)2. Contributions for upgrading such service to Special Risk Class credit *must* ~~under this subsection shall~~ be equal to the difference in the contributions paid and the Special Risk Class contribution rate as a percentage of gross salary in effect for the period being claimed, plus interest thereon at the rate of 6.5 percent a year, compounded annually until the date of payment. This service credit may be purchased by the employer on behalf of the member.

(c) Any member of the Special Risk Class who has earned creditable service *through June 30, 2008,* in another membership class of the Florida Retirement System in a position with the Department of Law Enforcement or the Division of State Fire Marshal and became covered by the Special Risk Class as described in paragraph *(3)*~~(2)~~(i), or with a local government law enforcement agency or medical examiner's office and became covered by the Special Risk Class as described in paragraph *(3)*~~(2)~~(j), which service is within the purview of the Special Risk Class, and is employed in such position on or after July 1, 2008, may purchase additional retirement credit to upgrade such service to Special Risk Class service, to the extent of the percentages of the member's average final compensation provided in s. 121.091(1)(a)2. The cost for such credit *must* ~~shall~~ be an amount representing the actuarial accrued liability for the difference in accrual value during the affected period of service. The cost shall be calculated using the discount rate and other relevant actuarial assumptions that were used to value the Florida Retirement System *Pension* ~~defined benefit~~ Plan liabilities in the most recent actuarial valuation. The division shall ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary. The cost must be paid immediately upon notification by the division. The local government employer may purchase the upgraded service credit on behalf of the member if the member has been employed by that employer for at least 3 years.

Section 9. Paragraphs (a) and (d) of subsection (4), paragraph (b) of subsection (7), and subsections (8) and (10) of section 121.052, Florida Statutes, are amended, present paragraph (c) of subsection (7) of that section is redesignated as paragraph (d), and a new paragraph (c) is added to that subsection, to read:

121.052 Membership class of elected officers.—

(4) PARTICIPATION BY ELECTED OFFICERS SERVING A SHORTENED TERM DUE TO APPORTIONMENT, FEDERAL INTERVENTION, ETC.—

(a) *A* ~~Any~~ duly elected officer whose term of office was shortened by legislative or judicial apportionment pursuant to ~~the provisions of~~ s. 16, Art. III of the State Constitution may, after the term of office to which he or she was elected is completed, pay into the *Florida Retirement* System Trust Fund the amount of contributions that would have been made by *the officer or* the officer's employer on his or her behalf, plus 4 percent interest compounded annually from the date he or she left office until July 1, 1975, and 6.5 percent interest compounded annually thereafter, and may receive service credit for the length of time the officer would have served if such term had not been shortened by apportionment.

(d)1. Any justice or judge, or any retired justice or judge who retired before July 1, 1993, who has attained the age of 70 years and who is prevented under s. 8, Art. V of the State Constitution from completing his or her term of office because of age may elect to purchase credit for all or a portion of the months he or she would have served during the remainder of the term of office*; however*, ~~but~~ he or she may claim those months only after the date the service would have occurred. The justice or judge must pay into the *Florida Retirement* System Trust Fund the amount of contributions that would have been made by the employer on his or her behalf for the period of time being claimed, plus 6.5 percent interest thereon compounded each June 30 from the date he or she left office, in order to receive service credit in this class for the period of time being claimed. After the date the service would have occurred, and upon payment of the required contributions, the retirement benefit of a retired justice or judge *shall* ~~will~~ be adjusted prospectively to include *the* ~~this~~ additional creditable service; however, such adjustment may be made only once.

2. Any justice or judge who does not seek election to a subsequent term of office because he or she would be prevented under s. 8, Art. V of the State Constitution from completing such term of office upon attaining the age of 70 years may elect to purchase service credit for service as a temporary judge as assigned by the court if the temporary assignment ~~follows~~ immediately *follows* the last full term of office served and the purchase is limited to the number of months of service needed to vest retirement benefits. To receive retirement credit for such temporary service beyond termination, the justice or judge must pay into the *Florida Retirement* System Trust Fund the amount of contributions that would have been made by the *justice or judge and the* employer on his or her behalf had he or she continued in office for the period of time being claimed, plus 6.5 percent interest thereon compounded each June 30 from the date he or she left office.

(7) CONTRIBUTIONS.—

(b) The employer paying the salary of a member of the Elected Officers' Class shall contribute an amount as specified in this subsection or s. 121.71, as appropriate, which shall constitute the ~~entire~~ employer retirement contribution with respect to such member. The employer shall also withhold one-half of the entire contribution of the member required for social security coverage. *Effective July 1, 2011, each member of the Elected Officers' Class shall pay employee contributions as specified in s. 121.71.*

(c) If a member of the Elected Officers' Class ceases to fill an office covered by this class for 3 calendar months for any reason other than retirement and has not been employed in any capacity with any participating employer for 3 calendar months, the member may receive a refund of all contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. Partial refunds are not permitted. The refund shall not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against the member's retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy provided under s. 112.363 to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).

(8) NORMAL RETIREMENT DATE; VESTING REQUIREMENT.—A member of the Elected Officers' Class shall have the same normal retirement date *and vesting requirement,* as *those terms are* defined in s. 121.021(29) *and (45),* for a member of the regular class of the Florida Retirement System. Any public service commissioner who was removed from the Elected State Officers' Class on July 1, 1979, after attaining at least 8 years of creditable service in that class *is* ~~shall be~~ considered to have reached the normal retirement date upon attaining age 62 as required in s. 121.021(29)(a).

(10) ACCRUED SERVICE VALUE.—A member of the Elected Officers' Class who is a Supreme Court justice, district court of appeal judge, circuit judge, or county court judge shall receive judicial retirement credit of 3 $^{1}/_{3}$ percent of average final compensation, and all other members shall receive elected officer *accrual value* ~~retirement credit~~ of 3 percent of average final compensation, for each year of creditable service in such class.

Section 10. Paragraph (a) of subsection (7) of section 121.053, Florida Statutes, is amended to read:

121.053 Participation in the Elected Officers' Class for retired members.—

(7) A member who is elected or appointed to an elective office and who is participating in the Deferred Retirement Option Program is not subject to termination as defined in s. 121.021, or reemployment limitations as provided in s. 121.091(9), until the end of his or her current term of office or, if the officer is consecutively elected or reelected to an elective office eligible for coverage under the Florida Retirement System, until he or she no longer holds an elective office, as follows:

(a) At the end of the 60-month DROP period:

1. The officer's DROP account may not accrue additional monthly benefits, but does continue to earn interest as provided in s. 121.091(13). However, an officer whose DROP participation begins on or after July 1, 2010, may not continue to earn such interest.

2. Retirement contributions*, except for unfunded actuarial liability and health insurance subsidy contributions required in ss. 121.71(5) and 121.76,* are not required of the employer of the elected officer and additional retirement credit may not be earned under the Florida Retirement System.

Section 11. Paragraphs (b) and (j) of subsection (1), paragraph (b) of subsection (3), paragraph (b) of subsection (4), and paragraphs (c), (d), and (e) of subsection (6) of section 121.055, Florida Statutes, are amended, present paragraph (c) of subsection (3) of that section is redesignated as paragraph (d), and a new paragraph (c) is added to that subsection, to read:

121.055 Senior Management Service Class.—There is hereby established a separate class of membership within the Florida Retirement System to be known as the "Senior Management Service Class," which shall become effective February 1, 1987.

(1)

(b)1. Except as provided in subparagraph 2., effective January 1, 1990, participation in the Senior Management Service Class *is* ~~shall be~~ compulsory for the president of each community college, the manager of each participating *municipality* ~~city~~ or county, and all appointed district school superintendents. Effective January 1, 1994, additional positions may be designated for inclusion in the Senior Management Service Class *if* ~~of the Florida Retirement System, provided that~~:

a. Positions to be included in the class *are* ~~shall be~~ designated by the local agency employer. Notice of intent to designate positions for inclusion in the class *must* ~~shall~~ be published once a week for 2 consecutive weeks in a newspaper of general circulation published in the county or counties affected, as provided in chapter 50.

b. Up to 10 nonelective full-time positions may be designated for each local agency employer reporting to the department ~~of Management Services~~; for local agencies with 100 or more regularly established positions, additional nonelective full-time positions may be designated, not to exceed 1 percent of the regularly established positions within the agency.

c. Each position added to the class must be a managerial or policymaking position filled by an employee who is not subject to continuing contract and serves at the pleasure of the local agency employer without civil service protection, and who:

(I) Heads an organizational unit; or

(II) Has responsibility to effect or recommend personnel, budget, expenditure, or policy decisions in his or her areas of responsibility.

2. In lieu of participation in the Senior Management Service Class, members of the Senior Management Service Class*,* pursuant to ~~the provisions of~~ subparagraph 1.*,* may withdraw from the Florida Retirement System altogether. The decision to withdraw from the ~~Florida Retirement~~ system *is* ~~shall be~~ irrevocable ~~for~~ as long as the employee holds *the* ~~such a~~ position. Any service creditable under the Senior Management Service Class shall be retained after the member withdraws from the ~~Florida Retirement~~ system; however, additional service credit in the Senior Management Service Class *may* ~~shall~~ not be earned after such withdrawal. Such members *are* ~~shall~~ not ~~be~~ eligible to participate in the Senior Management Service Optional Annuity Program.

3. Effective January 1, 2006, through June 30, 2006, an employee who has withdrawn from the Florida Retirement System under subparagraph 2. has one opportunity to elect to participate in ~~either~~ the *pension plan* ~~defined benefit program~~ or the *investment plan* ~~Public Employee Optional Retirement Program of the Florida Retirement System~~.

a. If the employee elects to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~, membership shall be prospective, and the applicable provisions of s. 121.4501(4) ~~shall~~ govern the election.

b. If the employee elects to participate in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, the employee shall, upon payment to the system trust fund of the amount calculated under sub-sub-subparagraph (I), receive service credit for prior service based upon the time during which the employee had withdrawn from the system.

(I) The cost for such credit shall be an amount representing the actuarial accrued liability for the affected period of service. The cost shall be calculated using the discount rate and other relevant actuarial assumptions that were used to value the *pension* ~~Florida Retirement System defined benefit~~ plan liabilities in the most recent actuarial valuation. The calculation *must* ~~shall~~ include any service already maintained under the *pension* ~~defined benefit~~ plan in addition to the period of withdrawal. The actuarial accrued liability attributable to any service already maintained under the *pension* ~~defined benefit~~ plan shall be applied as a credit to the total cost resulting from the calculation. The division *must* ~~shall~~ ensure that the transfer sum is prepared using a formula and methodology certified by an actuary.

(II) The employee must transfer a sum representing the net cost owed for the actuarial accrued liability in sub-sub-subparagraph (I) immediately following the time of such movement, determined assuming that attained service equals the sum of service in the *pension plan* ~~defined benefit program~~ and the period of withdrawal.

(j) Except as may otherwise be provided, *a* ~~any~~ member of the Senior Management Service Class may purchase additional retirement credit in such class for creditable service within the purview of the Senior Management Service Class retroactive to February 1, 1987, and may upgrade retirement credit for such service, to the extent of 2 percent of the member's average monthly compensation as specified in paragraph (4)(d) for such service. Contributions for upgrading the additional Senior Management Service credit *must* ~~pursuant to this paragraph shall~~ be equal to the difference in the *employer and, if applicable, employee* contributions paid and the Senior Management Service Class contribution rate as a percentage of gross salary in effect for the period being claimed, plus interest thereon at the rate of 6.5 percent a year, compounded annually until the date of payment. This service credit may be purchased by the employer on behalf of the member.

(3)

(b) The employer paying the salary of a member of the Senior Management Service Class shall contribute an amount as specified in this section or s. 121.71, as appropriate, which shall constitute the entire employer retirement contribution with respect to such member. The employer shall also withhold one-half of the entire contribution of the member required for social security coverage. *Effective July 1, 2011, each member shall pay employee contributions as specified in s. 121.71.*

(c) Upon termination of employment from all participating employers for 3 calendar months for any reason other than retirement pursuant to s. 121.021(39)(c), a member may receive a refund of all contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. Partial refunds are not permitted. The refund shall not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against the member's retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy provided under s. 112.363 to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).

(4)

(b) Service in an eligible position *before* ~~prior to~~ February 1, 1987, or after January 31, 1987, shall satisfy the requirement of attaining the normal retirement date as defined in s. 121.021(29) for a Senior Management Service Class member, *if* ~~provided~~ the employee is a member of the Senior Management Service Class after January 31, 1987. A member of this class who fails to complete *the* ~~6~~ years of creditable service *required for vesting* in an eligible position *must* ~~shall be required to~~ satisfy the requirements for the normal retirement date for a regular member as provided in s. 121.021(29) *and vesting as provided in s. 121.021(45).*

(6)

(c) *Participation.*—

1. An eligible employee who is employed on or before February 1, 1987, may elect to participate in the optional annuity program in lieu of *participating* ~~participation~~ in the Senior Management Service Class. Such election must be made in writing and filed with the department and the personnel officer of the employer on or before May 1, 1987. An eligible employee who is employed on or before February 1, 1987, and who fails to make an election to participate in the optional annuity program by May 1, 1987, shall be deemed to have elected membership in the Senior Management Service Class.

2. Except as provided in subparagraph 6., an employee who becomes eligible to participate in the optional annuity program by reason of initial employment commencing after February 1, 1987, may, within 90 days after the date of commencing employment, elect to participate in the optional annuity program. Such election must be made in writing and filed with the personnel officer of the employer. An eligible employee who does not within 90 days after commencing employment elect to participate in the optional annuity program shall be deemed to have elected membership in the Senior Management Service Class.

3. A person who is appointed to a position in the Senior Management Service Class and who is a member of an existing retirement system or the Special Risk or Special Risk Administrative Support Classes of the Florida Retirement System may elect to remain in such system or class in lieu of *participating* ~~participation~~ in the Senior Management Service Class or optional annuity program. Such election must be made in writing and filed with the department and the personnel officer of the employer within 90 days *after* ~~of~~ such appointment. *An* ~~Any~~ eligible employee who fails to make an election to participate in the existing system, the Special Risk Class of the Florida Retirement System, the Special Risk Administrative Support Class of the Florida Retirement System, or the optional annuity program shall be deemed to have elected membership in the Senior Management Service Class.

4. Except as provided in subparagraph 5., an employee's election to participate in the optional annuity program is irrevocable if the employee continues to be employed in an eligible position and continues to meet the eligibility requirements set forth in this paragraph.

5. Effective from July 1, 2002, through September 30, 2002, *an* ~~any~~ active employee in a regularly established position who has elected to participate in the Senior Management Service Optional Annuity Program has one opportunity to choose to move from the Senior Management Service Optional Annuity Program to the Florida Retirement *System Pension Plan* ~~System defined benefit program~~.

a. The election must be made in writing and must be filed with the department and the personnel officer of the employer before October 1, 2002, or, in the case of an active employee who is on a leave of absence on July 1, 2002, within 90 days after the conclusion of the leave of absence. This election is irrevocable.

b. The employee shall receive service credit under the *pension plan* ~~defined benefit program of the Florida Retirement System~~ equal to his or her years of service under the Senior Management Service Optional Annuity Program. The cost for such credit is the amount representing the present value of that employee's accumulated benefit obligation for the affected period of service.

c. The employee must transfer the total accumulated employer contributions and earnings on deposit in his or her Senior Management Service Optional Annuity Program account. If the transferred amount is not sufficient to pay the amount due, the employee must pay a sum representing the remainder of the amount due. The employee may not retain any employer contributions or earnings ~~thereon~~ from the Senior Management Service Optional Annuity Program account.

6. A retiree of a state-administered retirement system who is initially reemployed on or after July 1, 2010, may not renew membership in the Senior Management Service Optional Annuity Program.

(d) *Contributions.*—

1.*a.* Through June 30, 2001, each employer shall contribute on behalf of each *member of* ~~participant in~~ the Senior Management Service Optional Annuity Program an amount equal to the normal cost portion of the employer retirement contribution which would be required if the *member* ~~participant~~ were a Senior Management Service Class member of the Florida Retirement System *Pension Plan* ~~defined benefit program~~, plus the portion of the contribution rate required in s. 112.363(8) that would otherwise be assigned to the Retiree Health Insurance Subsidy Trust Fund.

b. Effective July 1, 2001, *through June 30, 2011,* each employer shall contribute on behalf of each *member of* ~~participant in~~ the optional program an amount equal to 12.49 percent of the *employee's* ~~participant's~~ gross monthly compensation.

c. Effective July 1, 2011, each member of the optional annuity program shall contribute an amount equal to the employee contribution required under s. 121.71(3). The employer shall contribute on behalf of such employee an amount equal to the difference between 12.49 percent of the employee's gross monthly compensation and the amount equal to the employee's required contribution based on the employee's gross monthly compensation.

d. The department shall deduct an amount approved by the Legislature to provide for the administration of this program. ~~The~~ Payment of the contributions*, including contributions made by the employee,* ~~to the optional program which is required by this subparagraph for each participant~~ shall be made by the employer to the department, which shall forward the contributions to the designated company or companies contracting for payment of benefits for the *member* ~~participant~~ under the program.

2. Each employer shall contribute on behalf of each *member of* ~~participant in~~ the Senior Management Service Optional Annuity Program an amount equal to the unfunded actuarial accrued liability portion of the employer contribution which would be required for members of the Senior Management Service Class in the Florida Retirement System. This contribution shall be paid to the department for transfer to the Florida Retirement System Trust Fund.

3. An Optional Annuity Program Trust Fund shall be established in the State Treasury and administered by the department to make payments to provider companies on behalf of the optional annuity program *members* ~~participants~~, and to transfer the unfunded liability portion of the state optional annuity program contributions to the Florida Retirement System Trust Fund.

4. Contributions required for social security by each employer and *employee* ~~each participant~~, in the amount required for social security coverage as now or hereafter may be provided by the federal Social Security Act shall be maintained for each *member of* ~~participant in~~ the Senior Management Service retirement program and *are* ~~shall be~~ in addition to the retirement contributions specified in this paragraph.

5. Each *member of* ~~participant in~~ the Senior Management Service Optional Annuity Program may contribute by way of salary reduction or deduction a percentage amount of the *employee's* ~~participant's~~ gross compensation not to exceed the percentage amount contributed by the employer to the optional annuity program. Payment of the *employee's* ~~participant's~~ contributions shall be made by the employer to the department, which shall forward the contributions to the designated company or companies contracting for payment of benefits for the *member* ~~participant~~ under the program.

(e) *Benefits.*—

1. Benefits under the Senior Management Service Optional Annuity Program are payable only to *members of* ~~participants in~~ the program, or their beneficiaries as designated by the *member* ~~participant~~ in the contract with the provider company, and must be paid by the designated company in accordance with the terms of the annuity contract applicable to the *member* ~~participant~~. A *member* ~~participant~~ must be terminated from all employment relationships with Florida Retirement System employers *for 3 calendar months* ~~as provided in s. 121.021(39)~~ to begin receiving the employer-funded *and employee-funded* benefit. *The member must meet the definition of termination in s. 121.021(39) beginning the month after receiving a benefit, including a distribution.* Benefits funded by employer *and employee* contributions are payable under the terms of the contract to the *member* ~~participant~~, his or her beneficiary, or his or her estate, in addition to:

a. A lump-sum payment to the beneficiary upon the death of the *member* ~~participant~~;

b. A cash-out of a de minimis account upon the request of a former *member* ~~participant~~ who has been terminated for a minimum of 6 calendar months from the employment that entitled him or her to optional annuity program participation. Such cash-out must be a complete liquidation of the account balance with that company and is subject to the Internal Revenue Code;

c. A mandatory distribution of a de minimis account of a former *member* ~~participant~~ who has been terminated for a minimum of 6 calendar months from the employment that entitled him or her to optional annuity program participation as authorized by the department; or

d. A lump-sum direct rollover distribution whereby all accrued benefits, plus interest and investment earnings, are paid from the *member's* ~~participant's~~ account directly to the custodian of an eligible retirement plan, as defined in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the *member* ~~participant~~.

2. Under the Senior Management Service Optional Annuity Program, benefits, including employee contributions, are not payable for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason before termination from all employment relationships with participating employers for 3 calendar months.

3.~~2.~~ The benefits payable to any person under the Senior Management Service Optional Annuity Program, and any contribution accumulated under such program, are not subject to assignment, execution, or attachment or to any legal process whatsoever.

4.~~3.~~ Except as provided in subparagraph *5.* ~~4.~~, a *member* ~~participant~~ who terminates employment and receives a distribution, including a rollover or trustee-to-trustee transfer, funded by employer *and required employee* contributions *is* ~~shall be~~ deemed to be retired from a state-administered retirement system if the *member* ~~participant~~ is subsequently employed with an employer that participates in the Florida Retirement System.

5.~~4.~~ A *member* ~~participant~~ who receives optional annuity program benefits funded by employer *and employee* contributions as a mandatory distribution of a de minimis account authorized by the department is not considered a retiree.

As used in this paragraph, a "de minimis account" means an account with a provider company containing employer *and employee* contributions and accumulated earnings of not more than $5,000 made under this chapter.

Section 12. Subsection (2) of section 121.061, Florida Statutes, is amended to read:

121.061 Funding.—

(2)(a) Should any employer other than a state employer fail to make the retirement and social security contributions, both member and employer contributions, required by this chapter, then, upon request by the administrator, the Department of Revenue or the Department of Financial Services, as the case may be, shall deduct the amount owed by the employer from any funds to be distributed by it to the county, *municipality* ~~city~~, metropolitan planning organization, special district, or consolidated form of government. The amounts so deducted shall be transferred to the administrator for further distribution to the trust funds in accordance with this chapter.

(b) Should any employer for whom the *municipality* ~~city~~ or county tax collector collects taxes, fail to make the retirement and social security contributions required by this chapter, the tax collector, at the request of the administrator and upon receipt of a certificate from the administrator showing the amount owed by the employer, shall deduct the amount so certified from any taxes collected for the employer and remit the amount to the administrator for further distribution to the trust funds in accordance with this chapter.

(c) The governing body of each county, *municipality* ~~city~~, metropolitan planning organization, special district, or consolidated form of government participating under this chapter or the administrator, acting individually or jointly, is hereby authorized to file and maintain an action in the courts of the state to require any employer to remit any retirement or social security member contributions or employer matching payments due the retirement or social security trust funds under the provisions of this chapter.

(d) Should the income of any constitutional fee officer, in any year, be insufficient to make the matching payments required by this chapter, the board of county commissioners shall provide such fee officer sufficient funds to make these required payments when due.

Section 13. Subsections (2) and (5) and paragraph (c) of subsection (6) of section 121.071, Florida Statutes, are amended, present paragraph (d) of subsection (6) of that section is redesignated as paragraph (e), a new paragraph (d) is added to that subsection, and subsection (7) is added to that section, to read:

121.071 Contributions.—Contributions to the system shall be made as follows:

(2)(a) Effective January 1, 1975, or October 1, 1975, as applicable, *and through June 30, 2011,* each employer shall *make* ~~accomplish~~ the contribution required by subsection (1) by a procedure in which no employee's gross salary *is* ~~shall be~~ reduced. *Effective July 1, 2011, each employer and employee shall pay retirement contributions as specified in s. 121.71.*

(b) Upon termination of employment *from all participating employers* for *3 calendar months for* any reason other than retirement *pursuant to s. 121.021(39)(c)*, a member *may receive* ~~shall be entitled to~~ a ~~full~~ refund of *all* ~~the~~ contributions he or she has made *to the pension* ~~prior or subsequent to participation in the noncontributory~~ plan, subject to the restrictions otherwise provided in this chapter. *Partial refunds are not permitted. The refund may not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against his or her retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).*

(5) Contributions made in accordance with subsections (1), (2), (3), and (4)~~,~~ and s. 121.71 shall be paid ~~by the employer~~ into the system trust funds in accordance with rules adopted by the administrator pursuant to chapter 120, except as may be otherwise specified herein. Effective July 1, 2002, contributions paid under subsections (1) and (4) and accompanying payroll data are due and payable no later than the 5th working day of the month immediately following the month during which the payroll period ended.

(6)

(c) By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System *and the health insurance subsidy as provided in s. 112.363* to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).

(d) If a member or former member of the pension plan receives an invalid refund from the Florida Retirement System Trust Fund, such person must repay the full amount of the invalid refund, plus interest at 6.5 percent compounded annually on each June 30 from the date of refund until full payment is made to the trust fund. The invalid refund must be repaid before the member retires or, if applicable, transfers to the investment plan.

(7) Before termination of employment, benefits, including employee contributions, are not payable under the pension plan for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason before termination from all employment relationships with participating employers.

Section 14. Paragraphs (b) and (c) of subsection (1) and subsection (2) of section 121.081, Florida Statutes, are amended to read:

121.081 Past service; prior service; contributions.—Conditions under which past service or prior service may be claimed and credited are:

(1)

(b) Past service earned after January 1, 1975, may be claimed by officers or employees of a municipality, metropolitan planning organization, charter school, charter technical career center, or special district who become a covered group under this system. The governing body of a covered group may elect to provide benefits for past service earned after January 1, 1975, in accordance with this chapter. ~~, and~~ The cost for such past service is established by applying the following formula: The employer shall contribute an amount equal to the *employer* contribution rate in effect at the time the service was earned *and, if applicable, the employee contribution rate*, multiplied by the employee's gross salary for each year of past service claimed, plus *6.5 percent* ~~6.5 percent~~ interest thereon, compounded annually, *for* ~~figured on~~ each year of past service, with interest compounded from date of annual salary earned until date of payment.

(c) *If an employer joins the Florida Retirement System and does* ~~Should the employer~~ not elect to provide past service for the member *at the time of joining*, ~~then~~ the member may claim and pay *for the service as provided in* ~~same, based on~~ paragraphs (a) and (b).

(2) Prior service, as defined in s. 121.021~~(19)~~, may be claimed as creditable service under the Florida Retirement System after a member has been reemployed for 1 complete year of creditable service ~~within a period of 12 consecutive months~~, except as provided in paragraph (c). Service performed as a *member* ~~participant~~ of the optional retirement program for the State University System under s. 121.35 or the Senior Management Service Optional Annuity Program under s. 121.055 may be used to satisfy the reemployment requirement of 1 complete year of creditable service. The member shall not be permitted to make any contributions for prior service until after completion of the 1 year of creditable service. If a member does not wish to claim credit for all of his or her prior service, the service the member claims must be the most recent period of service. The required contributions for claiming the various types of prior service are:

(a) For prior service performed *before* ~~prior to~~ the date the system becomes noncontributory for the member and for which the member had credit under one of the existing retirement systems and received a refund of contributions upon termination of employment, the member shall contribute 4 percent of all salary received during the period being claimed, plus *4 percent* ~~4 percent~~ interest compounded annually from date of refund until July 1, 1975, and *6.5 percent* ~~6.5 percent~~ interest compounded annually thereafter, until full payment is made to the *Florida* Retirement *System* Trust Fund, and ~~shall~~ receive credit in the Regular Class. A member who elected to transfer to the Florida Retirement System from an existing system may receive credit for prior service under the existing system if he or she was eligible under the existing system to claim the prior service at the time of the transfer. Contributions for such prior service shall be determined by the applicable provisions of the system under which the prior service is claimed and shall be paid by the member, with matching contributions paid by the employer at the time the service was performed. Effective July 1, 1978, the account of a person who terminated under s. 238.05(3) may not be charged interest for contributions that remained on deposit in the Annuity Savings Trust Fund established under chapter 238, upon retirement under this chapter or chapter 238.

(b) For prior service performed *before* ~~prior to~~ the date the system becomes noncontributory for the member and for which the member had credit under the Florida Retirement System and received a refund of contributions upon termination of employment, the member shall contribute at the rate that was required of him or her during the period of service being claimed, on all salary received during such period, plus *4 percent* ~~4 percent~~ interest compounded annually from date of refund until July 1, 1975, and *6.5 percent* ~~6.5 percent~~ interest compounded annually thereafter, until the full payment is made to the *Florida* Retirement *System* Trust Fund, and ~~shall~~ receive credit in the membership class in which the member participated during the period claimed.

(c) For prior service as defined in s. 121.021(19)(b) and (c) during which no contributions were made because the member did not participate in a retirement system, the member shall contribute 14.38 percent of all salary received during such period or 14.38 percent of $100 per month during such period, whichever is greater, plus *4 percent* ~~4 percent~~ interest compounded annually from the first year of service claimed until July 1, 1975, and *6.5 percent* ~~6.5 percent~~ interest compounded annually thereafter, until full payment is made to the Retirement Trust Fund, and shall receive credit in the Regular Class.

(d) In order to claim credit for prior service as defined in s. 121.021(19)(d) for which no retirement contributions were paid during the period of such service, the member shall contribute the total employee and employer contributions which were required to be made to the Highway Patrol Pension Trust Fund, as provided in chapter 321, during the period claimed, plus *4 percent* ~~4 percent~~ interest compounded annually from the first year of service until July 1, 1975, and *6.5 percent* ~~6.5 percent~~ interest compounded annually thereafter, until full payment is made to the Retirement Trust Fund. However, any governmental entity *that* ~~which~~ employed such member may elect to pay up to 50 percent of the contributions and interest required to purchase *the* ~~this~~ prior service credit. The service shall be credited in accordance with ~~the provisions of~~ the Highway Patrol Pension Plan in effect during the period claimed unless the member terminated and withdrew his or her retirement contributions and was thereafter enrolled in the State and County Officers and Employees' Retirement System or the Florida Retirement System, in which case the service shall be credited as Regular Class service.

(e) For service performed under the Florida Retirement System after December 1, 1970, *which* ~~that~~ was never reported to the division or the department due to error, retirement credit may be claimed by a member of the Florida Retirement System. The department shall adopt rules establishing criteria for claiming such credit and detailing the documentation required to substantiate the error.

(f) For prior service performed on or after July 1, 2011, for which the member had credit under the Florida Retirement System and received a refund of contributions 3 calendar months after termination of employment, the member shall contribute at the rate that was required during the period of service being claimed, plus 6.5 percent interest, compounded annually on each June 30 from date of refund until the full payment is made to the Florida Retirement System Trust Fund, and receive credit in the membership class in which the member participated during the period claimed.

(g)~~(f)~~ The employer may not be required to make contributions for prior service credit for any member, except that the employer shall pay the employer portion of contributions for any legislator who elects to withdraw from the Florida Retirement System and later rejoins the system and pays any employee contributions required in accordance with s. 121.052(3)(d).

Section 15. Paragraphs (a) and (b) of subsection (3), paragraphs (a) and (j) of subsection (4), paragraphs (a) and (c) of subsection (5), paragraph (d) of subsection (9), paragraphs (a) and (c) of subsection (13), and paragraph (d) of subsection (14) of section 121.091, Florida Statutes, are amended to read:

121.091 Benefits payable under the system.—Benefits may not be paid under this section unless the member has terminated employment as provided in s. 121.021(39)(a) or begun participation in the Deferred Retirement Option Program as provided in subsection (13), and a proper application has been filed in the manner prescribed by the department. The department may cancel an application for retirement benefits when the member or beneficiary fails to timely provide the information and documents required by this chapter and the department's rules. The department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application when the required information or documents are not received.

(3) EARLY RETIREMENT BENEFIT.—Upon retirement on his or her early retirement date, the member shall receive an immediate monthly benefit that shall begin to accrue on the first day of the month of the retirement date and be payable on the last day of that month and each month thereafter during his or her lifetime. Such benefit shall be calculated as follows:

(a) *For a member initially enrolled:*

1. Before July 1, 2011, the amount of each monthly payment shall be computed in the same manner as for a normal retirement benefit, in

accordance with subsection (1), but shall be based on the member's average monthly compensation and creditable service as of the member's early retirement date. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which the early retirement date precedes the normal retirement date of age 62 for a member of the Regular Class, Senior Management Service Class, or the Elected Officers' Class, and age 55 for a member of the Special Risk Class, or age 52 if a Special Risk member has completed 25 years of creditable service in accordance with s. *121.021(29)(b)1.c.* ~~121.021(29)(b) 2.~~

2. On or after July 1, 2011, the amount of each monthly payment shall be computed in the same manner as for a normal retirement benefit, in accordance with subsection (1), but shall be based on the member's average monthly compensation and creditable service as of the member's early retirement date. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which the early retirement date precedes the normal retirement date of age 65 for a member of the Regular Class, Senior Management Service Class, or the Elected Officers' Class, and age 60 for a member of the Special Risk Class, or age 57 if a special risk member has completed 30 years of creditable service in accordance with s. 121.021(29)(b)2.c.

(b) If the employment of a member is terminated by reason of death *within 10 years before normal retirement as described in s. 121.021(29)(a) 1.b. or s. 121.021(29)(a)2.b.* ~~subsequent to the completion of 20 years of creditable service~~, the monthly benefit payable to the member's beneficiary shall be calculated in accordance with subsection (1), but *must* ~~shall~~ be based on average monthly compensation and creditable service as of the date of death. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which death precedes the normal retirement date specified above or the date on which the member would have attained *the normal retirement date* ~~30 years of creditable service~~ had he or she survived and continued his or her employment, whichever provides a higher benefit.

(4) DISABILITY RETIREMENT BENEFIT.—

(a) *Disability retirement; entitlement and effective date.—*

1.a. A member who becomes totally and permanently disabled, as defined in paragraph (b), after completing 5 years of creditable service, or a member who becomes totally and permanently disabled in the line of duty regardless of service, *is* ~~shall be~~ entitled to a monthly disability benefit; except that any member with less than 5 years of creditable service on July 1, 1980, or any person who becomes a member of the Florida Retirement System on or after such date must have completed 10 years of creditable service *before* ~~prior to~~ becoming totally and permanently disabled in order to receive disability retirement benefits for any disability which occurs other than in the line of duty. However, if a member employed on July 1, 1980, *who has* ~~with~~ less than 5 years of creditable service as of that date~~,~~ becomes totally and permanently disabled after completing 5 years of creditable service and is found not to have attained fully insured status for benefits under the federal Social Security Act, such member *is* ~~shall be~~ entitled to a monthly disability benefit.

b. Effective July 1, 2001, a member of the *pension plan* ~~defined benefit retirement program~~ who becomes totally and permanently disabled, as defined in paragraph (b), after completing 8 years of creditable service, or a member who becomes totally and permanently disabled in the line of duty regardless of service, *is* ~~shall be~~ entitled to a monthly disability benefit.

2. If the division has received from the employer the required documentation of the member's termination of employment, the effective retirement date for a member who applies and is approved for disability retirement shall be established by rule of the division.

3. For a member who is receiving Workers' Compensation payments, the effective disability retirement date may not precede the date the member reaches Maximum Medical Improvement (MMI), unless the member terminates employment *before* ~~prior to~~ reaching MMI.

(j) *Disability retirement of justice or judge by order of Supreme Court.—*

1. If a member is a justice of the Supreme Court, judge of a district court of appeal, circuit judge, or judge of a county court who has served for *the number of years equal to, or greater than, the vesting requirement in s. 121.021(45)* ~~6 years or more~~ as an elected constitutional judicial officer, including service as a judicial officer*,* in any court abolished pursuant to Art. V of the State Constitution, and who is retired for disability by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission pursuant to ~~the provisions of~~ Art. V of the State Constitution, the member's Option 1 monthly benefit as provided in subparagraph (6)(a)1. *may* ~~shall~~ not be less than two-thirds of his or her monthly compensation as of the member's disability retirement date. Such ~~a~~ member may alternatively elect to receive a disability retirement benefit under any other option as provided in paragraph (6)(a).

2. Should any justice or judge who is a member of the Florida Retirement System be retired for disability by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission pursuant to ~~the provisions of~~ Art. V of the State Constitution, then all contributions to his or her account and all contributions made on his or her behalf by the employer shall be transferred to and deposited in the General Revenue Fund of the state, and there is hereby appropriated annually out of the General Revenue Fund, to be paid into the Florida Retirement System Fund, an amount necessary to pay the benefits of all justices and judges retired from the Florida Retirement System pursuant to Art. V of the State Constitution.

(5) TERMINATION BENEFITS.—A member whose employment is terminated prior to retirement retains membership rights to previously earned member-noncontributory service credit, and to member-contributory service credit, if the member leaves the member contributions on deposit in his or her retirement account. If a terminated member receives a refund of member contributions, such member may reinstate membership rights to the previously earned service credit represented by the refund by completing 1 year of creditable service and repaying the refunded member contributions, plus interest.

(a) A member whose employment is terminated for any reason other than death or retirement *before* ~~prior to~~ becoming vested is entitled to the return of his or her accumulated contributions as of the date of termination. *Effective July 1, 2011, upon termination of employment from all participating employers for 3 calendar months as defined in s. 121.021(39)(c) for any reason other than retirement, a member may receive a refund of all contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. The refund may be received as a lump-sum payment, a rollover to a qualified plan, or a combination of these methods. Partial refunds are not permitted. The refund may not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against his or her retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).*

(c) In lieu of the deferred monthly benefit provided in paragraph (b), the terminated member may elect to receive a lump-sum amount equal to his or her accumulated contributions as of the date of termination. *Effective July 1, 2011, upon termination of employment from all participating employers for 3 calendar months as defined in s. 121.021(39)(c) for any reason other than retirement, a member may receive a refund of all contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. Partial refunds are not permitted. The refund may not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against his or her retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).*

(9) EMPLOYMENT AFTER RETIREMENT; LIMITATION.—

(d) ~~The provisions of~~ This subsection *applies* ~~apply~~ to retirees, as defined in s. 121.4501(2), of the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~, subject to the following conditions:

1. *A retiree* ~~The retirees~~ may not be reemployed with an employer participating in the Florida Retirement System until such person has been retired for 6 calendar months.

2. A retiree employed in violation of this subsection and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any benefits paid to the retirement trust fund from which the benefits were paid~~, including the Retirement System Trust Fund and the Public Employee Optional Retirement Program Trust Fund, as appropriate~~. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system.

(13) DEFERRED RETIREMENT OPTION PROGRAM.—In general, and subject to this section, the Deferred Retirement Option Program, hereinafter referred to as DROP, is a program under which an eligible member of the Florida Retirement System may elect to participate, deferring receipt of retirement benefits while continuing employment with his or her Florida Retirement System employer. The deferred monthly benefits shall accrue in the Florida Retirement System on behalf of the *member* ~~participant~~, plus interest compounded monthly, for the specified period of the DROP participation, as provided in paragraph (c). Upon termination of employment, the *member* ~~participant~~ shall receive the total DROP benefits and begin to receive the previously determined normal retirement benefits. Participation in the DROP does not guarantee employment for the specified period of DROP. Participation in DROP by an eligible member beyond the initial 60-month period as authorized in this subsection shall be on an annual contractual basis for all participants.

(a) *Eligibility of member to participate in DROP.*—All active Florida Retirement System members in a regularly established position, and all active members of the Teachers' Retirement System established in chapter 238 or the State and County Officers' and Employees' Retirement System established in chapter 122, which are consolidated within the Florida Retirement System under s. 121.011, are eligible to elect participation in DROP if:

1. The member is not a renewed member under s. 121.122 or a member of the State Community College System Optional Retirement Program under s. 121.051, the Senior Management Service Optional Annuity Program under s. 121.055, or the optional retirement program for the State University System under s. 121.35.

2. Except as provided in subparagraph 6., election to participate is made within 12 months immediately following the date on which the member first reaches normal retirement date, or, for a member who reaches normal retirement date based on service before he or she reaches age 62, or age 55 for Special Risk Class members, election to participate may be deferred to the 12 months immediately following the date the member attains age 57, or age 52 for Special Risk Class members. A member who delays DROP participation during the 12-month period immediately following his or her maximum DROP deferral date, except as provided in subparagraph 6., loses a month of DROP participation for each month delayed. A member who fails to make an election within the 12-month limitation period forfeits all rights to participate in DROP. The member shall advise his or her employer and the division in writing of the date DROP begins. The beginning date may be subsequent to the 12-month election period but must be within the original 60-month participation period provided in subparagraph (b)1. When establishing eligibility ~~of the member~~ to participate in DROP, the member may elect to include or exclude any optional service credit purchased by the member from the total service used to establish the normal retirement date. A member who has dual normal retirement dates is eligible to elect to participate in DROP after attaining normal retirement date in either class.

3. The employer of a member electing to participate in DROP, or employers if dually employed, shall acknowledge in writing to the division the date the member's participation in DROP begins and the date the member's employment and DROP participation *terminates* ~~will terminate~~.

4. Simultaneous employment of a *member* ~~participant~~ by additional Florida Retirement System employers subsequent to the commencement of *a member's* participation in DROP is permissible if such employers acknowledge in writing a DROP termination date no later than the *member's* ~~participant's~~ existing termination date or the maximum participation period provided in subparagraph (b)1.

5. A *member* ~~DROP participant~~ may change employers while participating in DROP, subject to the following:

a. A change of employment *takes* ~~must take~~ place without a break in service so that the member receives salary for each month of continuous DROP participation. If a member receives no salary during a month, DROP participation *ceases* ~~shall cease~~ unless the employer verifies a continuation of the employment relationship for such *member* ~~participant~~ pursuant to s. 121.021(39)(b).

b. *The member* ~~Such participant~~ and new employer ~~shall~~ notify the division of the identity of the new employer on forms required by the division.

c. The new employer *acknowledges* ~~shall acknowledge~~, in writing, the *member's* ~~participant's~~ DROP termination date, which may be extended but not beyond the maximum participation period provided in subparagraph (b)1., *acknowledges* ~~shall acknowledge~~ liability for any additional retirement contributions and interest required if the *member* ~~participant~~ fails to timely terminate employment, and is subject to the adjustment required in sub-subparagraph (c)5.d.

6. Effective July 1, 2001, for instructional personnel as defined in s. 1012.01(2), election to participate in DROP may be made at any time following the date on which the member first reaches normal retirement date. The member shall advise his or her employer and the division in writing of the date on which DROP begins. When establishing eligibility of the member to participate in DROP for the 60-month participation period provided in subparagraph (b)1., the member may elect to include or exclude any optional service credit purchased by the member from the total service used to establish the normal retirement date. A member who has dual normal retirement dates is eligible to elect to participate in either class.

(c) *Benefits payable under DROP.*—

1. Effective on the date of DROP participation, the member's initial normal monthly benefit, including creditable service, optional form of payment, and average final compensation, and the effective date of retirement are fixed. The beneficiary established under the Florida Retirement System is the beneficiary eligible to receive any DROP benefits payable if the DROP participant dies before completing the period of DROP participation. If a joint annuitant predeceases the member, the member may name a beneficiary to receive accumulated DROP benefits payable. The retirement benefit, the annual cost of living adjustments provided in s. 121.101, and interest accrue monthly in the Florida Retirement System Trust Fund. *For members whose DROP participation begins:*

a. Before July 1, 2011, the interest accrues at an effective annual rate of 6.5 percent compounded monthly, on the prior month's accumulated ending balance, up to the month of termination or death, except as provided in s. 121.053(7).

b. On or after July 1, 2011, the interest accrues at an effective annual rate of 1.3 percent, compounded monthly, on the prior month's accumulated ending balance, up to the month of termination or death, except as provided in s. 121.053(7).

2. Each employee who elects to participate in DROP may elect to receive a lump-sum payment for accrued annual leave earned in accordance with agency policy upon beginning participation in DROP. The accumulated leave payment certified to the division upon commencement of DROP shall be included in the calculation of the member's average final compensation. The employee electing the lump-sum payment is not eligible to receive a second lump-sum payment upon termination, except to the extent the employee has earned additional annual leave which, combined with the original payment, does not exceed the maximum lump-sum payment allowed by the employing agency's policy or rules. An early lump-sum payment shall be based on the hourly wage of the employee at the time he or she begins participation in DROP.

If the member elects to wait and receive a lump-sum payment upon termination of DROP and termination of employment with the employer, any accumulated leave payment made at that time may not be included in the member's retirement benefit, which was determined and fixed by law when the employee elected to participate in DROP.

3. The effective date of DROP participation and the effective date of retirement of a DROP participant shall be the first day of the month selected by the member to begin participation in DROP, provided such date is properly established, with the written confirmation of the employer, and the approval of the division, on forms required by the division.

4. Normal retirement benefits and any interest ~~shall~~ continue to accrue in DROP until the established termination date of DROP or until the *member* ~~participant~~ terminates employment or dies *before* ~~prior to~~ such date, except as provided in s. 121.053(7). Although individual DROP accounts *may* ~~shall~~ not be established, a separate accounting of each *member's* ~~participant's~~ accrued benefits under DROP shall be calculated and provided to *the member* ~~participants~~.

5. At the conclusion of *the member's participation in* ~~the participant's~~ DROP, the division shall distribute the *member's* ~~participant's~~ total accumulated DROP benefits, subject to the following:

a. The division shall receive verification by the *member's* ~~participant's~~ employer or employers that the *member* ~~participant~~ has terminated all employment relationships as provided in s. 121.021(39).

b. The terminated DROP participant or, if deceased, the *member's* ~~participant's~~ named beneficiary, shall elect on forms provided by the division to receive payment of the DROP benefits in accordance with one of the options listed below. If a *member* ~~participant~~ or beneficiary fails to elect a method of payment within 60 days after termination of DROP, the division shall pay a lump sum as provided in sub-sub-subparagraph (I).

(I) Lump sum.—All accrued DROP benefits, plus interest, less withholding taxes remitted to the Internal Revenue Service, shall be paid to the DROP participant or surviving beneficiary.

(II) Direct rollover.—All accrued DROP benefits, plus interest, shall be paid from DROP directly to the custodian of an eligible retirement plan as defined in s. 402(c)(8)(B) of the Internal Revenue Code. However, in the case of an eligible rollover distribution to the surviving spouse of a deceased *member* ~~participant~~, an eligible retirement plan is an individual retirement account or an individual retirement annuity as described in s. 402(c)(9) of the Internal Revenue Code.

(III) Partial lump sum.—A portion of the accrued DROP benefits shall be paid to DROP participant or surviving spouse, less withholding taxes remitted to the Internal Revenue Service, and the remaining DROP benefits must be transferred directly to the custodian of an eligible retirement plan as defined in s. 402(c)(8)(B) of the Internal Revenue Code. However, in the case of an eligible rollover distribution to the surviving spouse of a deceased *member* ~~participant~~, an eligible retirement plan is an individual retirement account or an individual retirement annuity as described in s. 402(c)(9) of the Internal Revenue Code. The proportions must be specified by the DROP participant or surviving beneficiary.

c. The form of payment selected by the DROP participant or surviving beneficiary must comply with the minimum distribution requirements of the Internal Revenue Code.

d. A DROP participant who fails to terminate all employment relationships as provided in s. 121.021(39) shall be deemed as not retired, and the DROP election is null and void. Florida Retirement System membership shall be reestablished retroactively to the date of the commencement of DROP, and each employer with whom the *member* ~~participant~~ continues employment must pay to the Florida Retirement System Trust Fund the difference between the DROP contributions paid in paragraph (i) and the contributions required for the applicable Florida Retirement System class of membership during the period the member participated in DROP, plus 6.5 percent interest compounded annually.

6. The retirement benefits of any DROP participant who terminates all employment relationships as provided in s. 121.021(39) but is reemployed in violation of the reemployment provisions of subsection (9) *are* ~~shall be~~ suspended during those months in which the retiree is in violation. Any retiree in violation of this subparagraph and any employer that employs or appoints such person without notifying the division ~~of Retirement~~ to suspend retirement benefits are jointly and severally liable for any benefits paid during the reemployment limitation period. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Any retirement benefits received by a retiree while employed in violation of the reemployment limitations must be repaid to the Florida Retirement System Trust Fund, and his or her retirement benefits shall remain suspended until payment is made. Benefits suspended beyond the end of the reemployment limitation period apply toward repayment of benefits received in violation of the reemployment limitation.

7. The accrued benefits of any DROP participant, and any contributions accumulated under the program, are not subject to assignment, execution, attachment, or any legal process ~~whatsoever,~~ except for qualified domestic relations *court* orders ~~by a court of competent jurisdiction~~, income deduction orders as provided in s. 61.1301, and federal income tax levies.

8. DROP participants are not eligible for disability retirement benefits as provided in subsection (4).

(14) PAYMENT OF BENEFITS.—This subsection applies to the payment of benefits to a payee (retiree or beneficiary) under the Florida Retirement System:

(d) A payee whose retirement benefits are reduced by the application of maximum benefit limits under s. 415(b) of the Internal Revenue Code, as specified in s. 121.30(5), shall have the portion of his or her calculated benefit in the Florida Retirement *System Pension* ~~System defined benefit~~ Plan which exceeds such federal limitation paid through the Florida Retirement System Preservation of Benefits Plan, as provided in s. 121.1001.

Section 16. Subsection (1) and paragraph (a) of subsection (2) of section 121.1001, Florida Statutes, are amended to read:

121.1001 Florida Retirement System Preservation of Benefits Plan.—Effective July 1, 1999, the Florida Retirement System Preservation of Benefits Plan is established as a qualified governmental excess benefit arrangement pursuant to s. 415(m) of the Internal Revenue Code. The Preservation of Benefits Plan is created as a separate portion of the Florida Retirement System, for the purpose of providing benefits to a payee (retiree or beneficiary) of the Florida Retirement System whose benefits would otherwise be limited by s. 415(b) of the Internal Revenue Code.

(1) ELIGIBILITY TO PARTICIPATE IN THE PRESERVATION OF BENEFITS PLAN.—A payee of the Florida Retirement System shall participate in the Preservation of Benefits Plan *if* ~~whenever~~ his or her earned benefit under the Florida Retirement *System Pension* ~~System defined benefit~~ Plan exceeds the benefit maximum established under s. 415(b) of the Internal Revenue Code. Participation in the Preservation of Benefits Plan shall continue for as long as the payee's earned benefit under the *pension* ~~Florida Retirement System defined benefit~~ plan is reduced by the application of the maximum benefit limit under s. 415(b) of the Internal Revenue Code.

(2) BENEFITS PAYABLE UNDER THE PRESERVATION OF BENEFITS PLAN.—

(a) On and after July 1, 1999, the division ~~of Retirement~~ shall pay to each eligible payee of the Florida Retirement System who retires before, on, or after *that* ~~such~~ date, a supplemental retirement benefit equal to the difference between the amount of the payee's monthly retirement benefit which would have been payable under the Florida Retirement *System Pension* ~~System defined benefit~~ Plan if not for a reduction due to the application of s. 415(b) of the Internal Revenue Code and the reduced monthly retirement benefit as paid to the payee. The Preservation of Benefits Plan benefit shall be computed and payable under the same terms and conditions and to the same person as would have applied under the *pension* ~~Florida Retirement System defined benefit~~ plan were it not for the federal limitation.

Section 17. Subsections (1) and (3) of section 121.101, Florida Statutes, are amended, present subsections (4) through (7) of that section are redesignated as subsections (6) through (9), respectively, and new subsections (4) and (5) are added to that section, to read:

121.101 Cost-of-living adjustment of benefits.—

(1) The purpose of this section is to provide cost-of-living adjustments to the monthly benefits payable to ~~all~~ retired members of state-supported retirement systems.

(3) Commencing July 1, 1987, the benefit of each retiree and annuitant *whose effective retirement date is before July 1, 2011,* shall be adjusted *annually* on ~~each~~ July 1 ~~thereafter,~~ as follows:

(a) For those retirees and annuitants who have never received a cost-of-living adjustment under this section, the amount of the monthly benefit payable for the 12-month period commencing on the adjustment date shall be the amount of the member's initial benefit plus an amount equal to a percentage of the member's initial benefit; this percentage is derived by dividing the number of months the member has received an initial benefit by 12, and multiplying the result by 3.

(b) For those retirees and annuitants who have received a cost-of-living adjustment under this *subsection* ~~section~~, the adjusted monthly benefit shall be the amount of the monthly benefit being received on June 30 immediately preceding the adjustment date plus an amount equal to 3 percent of this benefit.

(4) For members whose effective retirement date is on or after July 1, 2011, the benefit of each retiree and annuitant shall be adjusted annually on July 1 as follows:

(a) For those retirees and annuitants who have never received a cost-of-living adjustment under this subsection, the amount of the monthly benefit payable for the 12-month period commencing on the adjustment date shall be the amount of the member's initial benefit plus an amount equal to a percentage of the member's initial benefit. This percentage is derived by dividing the number of months the member has received an initial benefit by 12, and multiplying the result by the factor calculated pursuant to paragraph (c).

(b) For those retirees and annuitants who have received a cost-of-living adjustment under this subsection, the adjusted monthly benefit shall be the amount of the monthly benefit being received on June 30 immediately preceding the adjustment date plus an amount determined by multiplying the benefit by the factor calculated pursuant to paragraph (c).

(c) The department shall calculate a cost-of-living factor for each retiree and beneficiary retiring on or after July 1, 2011. This factor shall equal the product of 3 percent multiplied by the quotient of the sum of the member's service credit earned for service before July 1, 2011, divided by the sum of the member's total service credit earned.

(5) Subject to the availability of funding and the Legislature enacting sufficient employer contributions specifically for the purpose of funding the expiration of the cost-of-living adjustment specified in subsection (4), in accordance with s. 14, Art. X of the State Constitution, the cost-of-living adjustment formula provided for in subsection (4) shall expire effective June 30, 2016, and the benefit of each retiree and annuitant shall be adjusted on each July 1 thereafter, as provided in subsection (3).

Section 18. Paragraph (b) of subsection (1) of section 121.1115, Florida Statutes, is amended to read:

121.1115 Purchase of retirement credit for out-of-state or federal service.—Effective January 1, 1995, a member may purchase creditable service for periods of public employment in another state and receive creditable service for such periods of employment. Service with the Federal Government, including any active military service, may be claimed. Upon completion of each year of service earned under the Florida Retirement System, a member may purchase up to 1 year of retirement credit for his or her out-of-state service, subject to the following provisions:

(1) LIMITATIONS AND CONDITIONS.—To receive credit for the out-of-state service:

(b) The member must have completed *the* ~~a minimum of 6~~ years of creditable service *required for vesting* under the Florida Retirement System, excluding out-of-state service and in-state service claimed and purchased under s. 121.1122.

Section 19. Paragraph (a) of subsection (2) of section 121.1122, Florida Statutes, is amended to read:

121.1122 Purchase of retirement credit for in-state public service and in-state service in accredited nonpublic schools and colleges, including charter schools and charter technical career centers.—Effective January 1, 1998, a member of the Florida Retirement System may purchase creditable service for periods of certain public or nonpublic employment performed in this state, as provided in this section.

(2) LIMITATIONS AND CONDITIONS.—

(a) A member is not eligible to receive credit for in-state service under this section until he or she has completed *the* ~~6~~ years of creditable service *required for vesting* under the Florida Retirement System, excluding service purchased under this section and out-of-state service claimed and purchased under s. 121.1115.

Section 20. Subsection (1) of section 121.121, Florida Statutes, is amended to read:

121.121 Authorized leaves of absence.—

(1) A member may purchase creditable service for up to 2 work years of authorized leaves of absence, including any leaves of absence covered under the Family Medical Leave Act, if:

(a) The member has completed *the* ~~a minimum of 6~~ years of creditable service *required for vesting*, excluding periods for which a leave of absence was authorized;

(b) The leave of absence is authorized in writing by the employer of the member and approved by the administrator;

(c) The member returns to active employment performing service with a Florida Retirement System employer in a regularly established position immediately upon termination of the leave of absence and remains on the employer's payroll for 1 calendar month, except that a member who retires on disability while on a medical leave of absence *may* ~~shall~~ not be required to return to employment. A member whose work year is less than 12 months and whose leave of absence terminates between school years is eligible to receive credit for the leave of absence *if* ~~as long as~~ he or she returns to the employment ~~of his or her employer~~ at the beginning of the next school year and remains on the employer's payroll for 1 calendar month; and

(d) The member makes the required contributions for service credit during the leave of absence, which shall be 8 percent until January 1, 1975, and 9 percent thereafter of his or her rate of monthly compensation in effect immediately *before* ~~prior to~~ the commencement of such leave for each month of such period, plus 4 percent interest until July 1, 1975, and 6.5 percent interest thereafter on such contributions, compounded annually each June 30 from the due date of the contribution to date of payment.

1. Effective July 1, 1980, any leave of absence purchased pursuant to this section *is* ~~shall be~~ at the contribution rates specified in s. 121.071 *or s. 121.71* in effect at the time the leave is granted for the class of membership from which the leave of absence was granted; however, any member who purchased leave-of-absence credit *before* ~~prior to~~ July 1, 1980, for a leave of absence from a position in a class other than the regular membership class, may pay the appropriate additional contributions plus compound interest thereon and receive creditable service for such leave of absence in the membership class from which the member was granted the leave of absence.

2. Effective July 1, 2011, any leave of absence purchased by the member pursuant to this section shall be at the employer and employee contribution rates specified in s. 121.71 in effect during the leave for the class of membership from which the leave of absence was granted.

Section 21. Section 121.125, Florida Statutes, is amended to read:

121.125 Credit for workers' compensation payment periods.—A member of the retirement system created by this chapter who has been eligible or becomes eligible to receive workers' compensation payments for an injury or illness occurring during his or her employment while a member of any state retirement system shall, upon return to active employment with a covered employer for 1 calendar month or upon approval for disability retirement in accordance with s. 121.091(4), receive full retirement credit for the period prior to such return to active employment or disability retirement for which the workers' compensation payments were received. However, *a* ~~no~~ member may *not* receive retirement credit for any such period occurring after the earlier of the date of maximum medical improvement as defined in s. 440.02 or the date termination has occurred as defined in s. 121.021(39). The employer of record at the time of the worker's compensation injury or illness shall make the required *employer and employee* retirement contributions based on the member's rate of monthly compensation immediately prior to his or her receiving workers' compensation payments for retirement credit received by the member. *The employer of record at the time of the workers' compensation injury or illness shall be assessed by the division a penalty of 1 percent of the contributions on all contributions not paid on the first payroll report after the member becomes eligible to receive credit. This delinquent assessment may not be waived.*

Section 22. Section 121.161, Florida Statutes, is reenacted to read:

121.161 References to other laws include amendments.—References in this chapter to state or federal laws or agreements are intended to include such laws as they now exist or may hereafter be amended.

Section 23. Section 121.182, Florida Statutes, is amended to read:

121.182 Retirement annuities authorized for city and county personnel.—*Municipalities* ~~Cities~~ and counties are authorized to purchase annuities for all *municipal* ~~city~~ and county personnel with 25 or more years of creditable service who have reached age 50 and have applied for retirement under the Florida Retirement System. No such annuity shall provide for more than the total difference in retirement income between the retirement benefit based on average monthly compensation and creditable service as of the member's early retirement date and the early retirement benefit. *Municipalities* ~~Cities~~ and counties may also purchase annuities for members of the Florida Retirement System who have out-of-state service in another state or country which is documented as valid by the appropriate city or county. Such annuities may be based on no more than 5 years of out-of-state service and may equal, but not exceed, the benefits that would be payable under the Florida Retirement System if credit for out-of-state service was authorized under that system. *Municipalities* ~~Cities~~ and counties are authorized to invest funds, purchase annuities, or provide local supplemental retirement programs for purposes of providing annuities for city or county personnel. All retirement annuities shall comply with s. 14, Art. X of the State Constitution.

Section 24. Paragraphs (g) and (i) of subsection (3), subsection (4), and subsection (5) of section 121.35, Florida Statutes, are amended to read:

121.35 Optional retirement program for the State University System.—

(3) ELECTION OF OPTIONAL PROGRAM.—

(g) An eligible employee who is a member of the Florida Retirement System at the time of election to participate in the optional retirement program shall retain all retirement service credit earned under the Florida Retirement System~~,~~ at the rate earned. ~~No~~ Additional service credit in the Florida Retirement System *may not* ~~shall~~ be earned while the employee participates in the optional program, *and* ~~nor shall~~ the employee *is not* ~~be~~ eligible for disability retirement under the Florida Retirement System. An eligible employee may transfer from the Florida Retirement System to his or her accounts under the State University System Optional Retirement Program a sum representing the present value of the employee's accumulated benefit obligation under ~~the defined benefit program of~~ the *pension plan* ~~Florida Retirement System~~ for any service credit accrued from the employee's first eligible transfer date to the optional retirement program through the actual date of such transfer, if such service credit was earned ~~in the period~~ from July 1, 1984, through December 31, 1992. The present value of the employee's accumulated benefit obligation shall be calculated as described in s. 121.4501(3)~~(c)~~*2*. Upon ~~such~~ transfer, all ~~such~~ service credit ~~previously~~ earned under the ~~defined benefit program of the~~ *pension plan* ~~Florida Retirement System~~ during this period *is* ~~shall be~~ nullified for purposes of entitlement to a future benefit under the *pension plan* ~~defined benefit program of the Florida Retirement System~~.

(i) Effective January 1, 2008, through December 31, 2008, except for an employee who is a mandatory participant of the State University System Optional Retirement Program, an employee who has elected to participate in the State University System Optional Retirement Program shall have one opportunity, at the employee's discretion, ~~to choose~~ to transfer from this program to the ~~defined benefit program of the~~ Florida Retirement System *Pension Plan* or to the *investment plan* ~~Public Employee Optional Retirement Program~~, subject to the terms of the applicable contracts of the State University System Optional Retirement Program.

1. If the employee chooses to move to the *investment plan* ~~Public Employee Optional Retirement Program~~, any contributions, interest, and earnings creditable to the employee under the State University System Optional Retirement Program *must* ~~shall~~ be retained by the employee in the State University System Optional Retirement Program, and the applicable provisions of s. 121.4501(4) shall govern the election.

2. If the employee chooses to move to the *pension plan* ~~defined benefit program~~ of the Florida Retirement System, the employee shall receive service credit equal to his or her years of service under the State University System Optional Retirement Program.

a. The cost for such credit *must be in* ~~shall be~~ an amount representing the actuarial accrued liability for the affected period of service. The cost *must* ~~shall~~ be calculated using the discount rate and other relevant actuarial assumptions that were used to value the Florida Retirement System *Pension* ~~defined benefit~~ Plan liabilities in the most recent actuarial valuation. The calculation *must* ~~shall~~ include any service already maintained under the *pension* ~~defined benefit~~ plan in addition to the years under the State University System Optional Retirement Program. The actuarial accrued liability of any service already maintained under the *pension* ~~defined benefit~~ plan *must* ~~shall~~ be applied as a credit to total cost resulting from the calculation. The division *must* ~~shall~~ ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary.

b. The employee must transfer from his or her State University System Optional Retirement Program account, and from other employee moneys as necessary, a sum representing the actuarial accrued liability immediately following the time of such movement, determined assuming that attained service equals the sum of service in the *pension plan* ~~defined benefit program~~ and service in the State University System Optional Retirement Program.

(4) CONTRIBUTIONS.—

(a)*1.* Through June 30, 2001, each employer shall contribute on behalf of each *member of* ~~participant in~~ the optional retirement program an amount equal to the normal cost portion of the employer retirement contribution which would be required if the *employee* ~~participant~~ were a regular member of the Florida Retirement *System Pension Plan* ~~System defined benefit program~~, plus the portion of the contribution rate required in s. 112.363(8) that would otherwise be assigned to the Retiree Health Insurance Subsidy Trust Fund.

2. Effective July 1, 2001, *through June 30, 2011,* each employer shall contribute on behalf of each *member of* ~~participant in~~ the optional *retirement* program an amount equal to 10.43 percent of the *employee's* ~~participant's~~ gross monthly compensation.

3. Effective July 1, 2011, each member of the optional retirement program shall contribute an amount equal to the employee contribution required in s. 121.71(3). The employer shall contribute on behalf of each such member an amount equal to the difference between 10.43 percent of the employee's gross monthly compensation and the amount equal to the employee's required contribution based on the employee's gross monthly compensation.

4. ~~The department shall deduct an amount approved by the Legislature to provide for the administration of this program.~~ The payment of the contributions*, including contributions by the employee,* ~~to the optional program which is required by this paragraph for each participant~~

shall be made by the employer to the department, which shall forward the contributions to the designated company or companies contracting for payment of benefits for *members of* ~~the participant under~~ the program. However, such contributions paid on behalf of an employee described in paragraph (3)(c) *may* ~~shall~~ not be forwarded to a company and *do* ~~shall~~ not begin to accrue interest until the employee has executed a contract and notified the department. *The department shall deduct an amount from the contributions to provide for the administration of this program.*

(b) Each employer shall contribute on behalf of each *member of* ~~participant in~~ the optional retirement program an amount equal to the unfunded actuarial accrued liability portion of the employer contribution which would be required for members of the Florida Retirement System. This contribution shall be paid to the department for transfer to the Florida Retirement System Trust Fund.

(c) An Optional Retirement Program Trust Fund shall be established in the State Treasury and administered by the department to make payments to the provider companies on behalf of ~~the~~ optional retirement program *members* ~~participants~~, and to transfer the unfunded liability portion of the state optional retirement program contributions to the Florida Retirement System Trust Fund.

(d) Contributions required for social security by each employer and each *employee* ~~participant~~, in the amount required for social security coverage as now or hereafter may be provided by the federal Social Security Act, shall be maintained for each *member of* ~~participant in~~ the optional retirement program and *are* ~~shall be~~ in addition to the retirement contributions specified in this subsection.

(e) Each *member of* ~~participant in~~ the optional retirement program who has executed a contract may contribute by way of salary reduction or deduction a percentage amount of the *employee's* ~~participant's~~ gross compensation not to exceed the percentage amount contributed by the employer to the optional program, but ~~in no case may~~ such contribution *may not* exceed federal limitations. Payment of the *employee's* ~~participant's~~ contributions shall be made by the financial officer of the employer to the division which shall forward the contributions to the designated company or companies contracting for payment of benefits for *members of* ~~the participant under~~ the program. A *member* ~~participant~~ may not make, through salary reduction, any voluntary employee contributions to any other plan under s. 403(b) of the Internal Revenue Code, with the exception of a custodial account under s. 403(b)(7) of the Internal Revenue Code, until he or she has made an employee contribution to his or her optional program equal to the employer contribution. *An employee* ~~A participant~~ is responsible for monitoring his or her individual tax-deferred income to ensure he or she does not exceed the maximum deferral amounts permitted under the Internal Revenue Code.

(f) The Optional Retirement Trust Fund may accept for deposit into *member* ~~participant~~ contracts contributions in the form of rollovers or direct trustee-to-trustee transfers by or on behalf of *members* ~~participants~~ who are reasonably determined by the department to be eligible for rollover or transfer to the optional retirement program pursuant to the Internal Revenue Code~~,~~ if such contributions are made in accordance with rules adopted by the department. Such contributions shall be accounted for in accordance with any applicable requirements of the Internal Revenue Code and *department* rules ~~of the department~~.

(g) Effective July 1, 2008, for purposes of paragraph (a) and notwithstanding s. 121.021(22)(b)1., the term "*employee's* ~~participant's~~ gross monthly compensation" includes salary payments made to eligible clinical faculty from a state university using funds provided by a faculty practice plan authorized by the Board of Governors of the State University System if:

1. There is *no* ~~not any~~ employer contribution from the state university to any other retirement program with respect to such salary payments; and

2. The employer contribution on behalf of *a member of* ~~the participant in~~ the optional retirement program with respect to such salary payments is made using funds provided by the faculty practice plan.

(5) BENEFITS.—

(a) Benefits are payable under the optional retirement program only to vested *members participating* ~~participants~~ in the program, or their beneficiaries as designated by the *member* ~~participant~~ in the contract with a provider company, and such benefits shall be paid only by the designated company in accordance with s. 403(b) of the Internal Revenue Code and the terms of the annuity contract or contracts applicable to the *member* ~~participant~~. Benefits accrue in individual accounts that are *member-directed* ~~participant-directed~~, portable, and funded by employer *and employee* contributions and the earnings thereon. The *member* ~~participant~~ must be terminated *for 3 calendar months* from all employment relationships with all Florida Retirement System employers~~, as provided in s. 121.021(39),~~ to begin receiving the ~~employer funded~~ benefit. Benefits funded by employer *and employee* contributions are payable in accordance with the following terms and conditions:

1. Benefits shall be paid only to a *participating member* ~~participant~~, to his or her beneficiaries, or to his or her estate, as designated by the *member* ~~participant~~.

2. Benefits shall be paid by the provider company or companies in accordance with the law, the provisions of the contract, and any applicable department rule or policy.

3. In the event of a *member's* ~~participant's~~ death, moneys accumulated by, or on behalf of, the *member* ~~participant~~, less withholding taxes remitted to the Internal Revenue Service, if any, shall be distributed to the *member's* ~~participant's~~ designated beneficiary or beneficiaries, or to the *member's* ~~participant's~~ estate, as if the *member* ~~participant~~ retired on the date of death, as provided in paragraph *(d)* ~~(c)~~. No other death benefits are available to survivors of *members* ~~participants~~ under the optional retirement program except for such benefits, or coverage for such benefits, as are separately afforded by the employer, at the employer's discretion.

(b) Benefits, including employee contributions, are not payable for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason before termination from all employment relationships with participating employers for 3 calendar months.

(c)~~(b)~~ Upon receipt by the provider company of a properly executed application for distribution of benefits, the total accumulated benefit *is* ~~shall be~~ payable to the *participating member* ~~participant~~, as:

1. A lump-sum distribution to the *member* ~~participant~~;

2. A lump-sum direct rollover distribution whereby all accrued benefits, plus interest and investment earnings, are paid from the *member's* ~~participant's~~ account directly to an eligible retirement plan, as defined in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the *member* ~~participant~~;

3. Periodic distributions;

4. A partial lump-sum payment whereby a portion of the accrued benefit is paid to the *member* ~~participant~~ and the remaining amount is transferred to an eligible retirement plan, as defined in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the *member* ~~participant~~; or

5. Such other distribution options as are provided ~~for~~ in the *member's* ~~participant's~~ optional retirement program contract.

(d)~~(c)~~ Survivor benefits *are* ~~shall be~~ payable as:

1. A lump-sum distribution payable to the beneficiaries or to the deceased *member's* ~~participant's~~ estate;

2. An eligible rollover distribution on behalf of the surviving spouse of a deceased *member* ~~participant~~, whereby all accrued benefits, plus interest and investment earnings, are paid from the deceased *member's* ~~participant's~~ account directly to an eligible retirement plan, as described in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the surviving spouse;

3. Such other distribution options as are provided ~~for~~ in the *member's* ~~participant's~~ optional retirement program contract; or

4. A partial lump-sum payment whereby a portion of the accrued benefit is paid to the deceased *member's* ~~participant's~~ surviving spouse or other designated beneficiaries, less withholding taxes remitted to the Internal Revenue Service, if any, and the remaining amount is transferred directly to an eligible retirement plan, as described in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the surviving spouse. The proportions must be specified by the *member* ~~participant~~ or the surviving beneficiary.

This paragraph does not abrogate other applicable provisions of state or federal law providing payment of death benefits.

(e)~~(d)~~ The benefits payable to any person under the optional retirement program, and any contribution accumulated under such program, *are* ~~shall~~ not ~~be~~ subject to assignment, execution, or attachment or to any legal process ~~whatsoever~~.

(f)~~(e)~~ A *participating member* ~~participant~~ who chooses to receive his or her benefits *must be terminated for 3 calendar months to be eligible to receive benefits funded by employer and employee contributions. The member* ~~upon termination as defined in s. 121.021~~ must notify the provider company of the date he or she wishes benefits funded by *required* employer *and employee* contributions to begin *and must be terminated as defined in s. 121.021 after the initial benefit payment or distribution is received*. Benefits may be deferred until the *member* ~~participant~~ chooses to make such application.

(g)~~(f)~~ Benefits funded by the *participating member's voluntary* ~~participant's~~ personal contributions may be paid out at any time and in any form within the limits provided in the contract between the *member* ~~participant~~ and *the* ~~his or her~~ provider company. The *member* ~~participant~~ shall notify the provider company regarding the date and provisions under which he or she wants to receive the employee-funded portion of the plan.

(h)~~(g)~~ For purposes of this section, "retiree" means a former *participating member* ~~participant~~ of the optional retirement program who has terminated employment and has taken a distribution as provided in this subsection, except for a mandatory distribution of a de minimis account authorized by the department.

Section 25. Section 121.355, Florida Statutes, is amended to read:

121.355 Community College Optional Retirement Program and State University System Optional Retirement Program member transfer.—Effective January 1, 2009, through December 31, 2009, an employee who is a former *member of* ~~participant in~~ the Community College Optional Retirement Program or the State University System Optional Retirement Program and present mandatory *member of* ~~participant in~~ the Florida Retirement *System Pension* ~~System defined benefit~~ Plan may receive service credit equal to his or her years of service under the Community College Optional Retirement Program or the State University System Optional Retirement Program under the following conditions:

(1) The cost for such credit *must represent* ~~shall be an amount representing~~ the actuarial accrued liability for the affected period of service. The cost shall be calculated using the discount rate and other relevant actuarial assumptions that were used to value the Florida Retirement *System Pension* ~~System defined benefit~~ Plan liabilities in the most recent actuarial valuation. The calculation *must* ~~shall~~ include any service already maintained under the *pension* ~~defined benefit~~ plan in addition to the years under the Community College Optional Retirement Program or the State University System Optional Retirement Program. The actuarial accrued liability of any service already maintained under the *pension* ~~defined benefit~~ plan shall be applied as a credit to total cost resulting from the calculation. The division shall ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary.

(2) The employee must transfer from his or her Community College Optional Retirement Program account or State University System Optional Retirement Program account, subject to the terms of the applicable optional retirement program contract, and from other employee moneys as necessary, a sum representing the actuarial accrued liability immediately following the time of such movement, determined assuming that attained service equals the sum of service in the *pension plan* ~~defined benefit program~~ and service in the Community College Optional Retirement Program or State University System Optional Retirement Program.

(3) The employee may not receive service credit for a period of mandatory participation in the State University Optional Retirement Program or for a period for which a distribution was received from the Community College Optional Retirement Program or State University System Optional Retirement Program.

Section 26. Section 121.4501, Florida Statutes, is amended to read:

121.4501 *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~.—

(1) The Trustees of the State Board of Administration shall establish *a* ~~an optional~~ defined contribution ~~retirement~~ program *called the "Florida Retirement System Investment Plan" or "investment plan"* for members of the Florida Retirement System under which retirement benefits will be provided for eligible employees who elect to participate in the program. The *retirement* benefits ~~to be provided for or on behalf of participants in such optional retirement program~~ shall be provided through *member-directed* ~~employee-directed~~ investments, in accordance with s. 401(a) of the Internal Revenue Code and ~~its~~ related regulations. The *employer and employee* ~~employers~~ shall *make contributions* ~~contribute~~, as provided in this section *and*~~,~~ ss. 121.571~~,~~ and 121.71*,* to the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund toward the funding of ~~such optional~~ benefits.

(2) DEFINITIONS.—As used in this part, the term:

(a) "Approved provider" or "provider" means a private sector company that is selected and approved by the state board to offer one or more investment products or services to the *investment plan* ~~optional retirement program~~. The term includes a bundled provider that offers *members* ~~participants~~ a range of individually allocated or unallocated investment products and may offer a range of administrative and customer services, which may include accounting and administration of individual *member* ~~participant~~ benefits and contributions; individual *member* ~~participant~~ recordkeeping; asset purchase, control, and safekeeping; direct execution of the *member's* ~~participant's~~ instructions as to asset and contribution allocation; calculation of daily net asset values; direct access to *member* ~~participant~~ account information; periodic reporting to *members* ~~participants~~, at least quarterly, on account balances and transactions; guidance, advice, and allocation services directly relating to the provider's own investment options or products, but only if the bundled provider complies with the standard of care of s. 404(a)(1)(A-B) of the Employee Retirement Income Security Act of 1974 (ERISA)*,* and if providing such guidance, advice, or allocation services does not constitute a prohibited transaction under s. 4975(c)(1) of the Internal Revenue Code or s. 406 of ERISA, notwithstanding that such prohibited transaction provisions do not apply to the ~~optional~~ retirement program; a broad array of distribution options; asset allocation; and retirement counseling and education. Private sector companies include investment management companies, insurance companies, depositories, and mutual fund companies.

(b) "Average monthly compensation" means one-twelfth of average final compensation as defined in s. 121.021.

(c) "Covered employment" means employment in a regularly established position as defined in s. 121.021.

~~(d) "Defined benefit program" means the defined benefit program of the Florida Retirement System administered under part I of this chapter.~~

~~(e) "Division" means the Division of Retirement within the department.~~

(d)~~(f)~~ "Electronic means" means by telephone, if the required information is received on a recorded line, or through Internet access, if the required information is captured online.

(e)~~(g)~~ "Eligible employee" means an officer or employee, as defined in s. 121.021, who:

1. Is a member of, or is eligible for membership in, the Florida Retirement System, including any renewed member of the Florida Retirement System initially enrolled before July 1, 2010; or

2. Participates in, or is eligible to participate in, the Senior Management Service Optional Annuity Program as established under s. 121.055(6), the State Community College System Optional Retirement Program as established under s. 121.051(2)(c), or the State University System Optional Retirement Program established under s. 121.35.

The term does not include any member participating in the Deferred Retirement Option Program established under s. 121.091(13), a retiree of a state-administered retirement system initially reemployed on or after July 1, 2010, or a mandatory participant of the State University System Optional Retirement Program established under s. 121.35.

(f)~~(h)~~ "Employer" means an employer, as defined in s. 121.021, of an eligible employee.

(g)~~(i)~~ *"Florida Retirement System Investment Plan" or "investment plan"* ~~"Optional retirement program" or "optional program"~~ means the *defined contribution program* ~~Public Employee Optional Retirement Program~~ established under this part.

(h) "Florida Retirement System Pension Plan" or "pension plan" means the defined benefit program of the Florida Retirement System administered under part I of this chapter.

(i)~~(j)~~ *"Member" or "employee"* ~~"Participant"~~ means an eligible employee who enrolls in the *investment plan* ~~optional program~~ as provided in subsection (4)*,* ~~or~~ a terminated Deferred Retirement Option Program *member* ~~participant~~ as described in subsection (21)*, or a beneficiary or alternate payee of a member or employee*.

(j) "Member contributions" or "employee contributions" means the sum of all amounts deducted from the salary of a member by his or her employer in accordance with s. 121.71(3) and credited to his or her individual account in the investment plan, plus any earnings on such amounts and any contributions specified in paragraph (5)(e).

(k) "Retiree" means a former *member* ~~participant~~ of the *investment plan* ~~optional retirement program~~ who has terminated employment and ~~has~~ taken a distribution *of vested employee or employer contributions* as provided in s. 121.591, except for a mandatory distribution of a de minimis account authorized by the state board *or a minimum required distribution provided by s. 401(a)(9) of the Internal Revenue Code*.

(l) "Vested" or "vesting" means the guarantee that a *member* ~~participant~~ is eligible to receive a retirement benefit upon completion of the required years of service under the *investment plan* ~~optional retirement program~~.

(3) ~~ELIGIBILITY;~~ RETIREMENT SERVICE CREDIT*; TRANSFER OF BENEFITS*.—

~~(a) Participation in the Public Employee Optional Retirement Program is limited to eligible employees. Participation in the optional retirement program is in lieu of participation in the defined benefit program of the Florida Retirement System.~~

(a)~~(b)~~ An eligible employee who is *employed in a regularly established position by a state employer on June 1, 2002; by a district school board employer on September 1, 2002; or by a local employer on December 1, 2002, and who is* a member of the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ at the time of his or her election to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ shall retain all retirement service credit earned under the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ as credited under the system and *is* ~~shall be~~ entitled to a deferred benefit upon termination~~, if eligible under the system~~. However, election to *enroll* ~~participate~~ in the *investment plan* ~~Public Employee Optional Retirement Program~~ terminates the active membership of the employee in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the service of a *member* ~~participant~~ in the *investment plan is* ~~Public Employee Optional Retirement Program shall~~ not ~~be~~ creditable under the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ for purposes of benefit accrual but *is creditable* ~~shall be credited~~ for purposes of vesting.

(b)~~(c)1.~~ Notwithstanding paragraph *(a), an* ~~(b), each~~ eligible employee who elects to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ and establishes one or more individual *member* ~~participant~~ accounts ~~under the optional program~~ may elect to transfer to the *investment plan* ~~optional program~~ a sum representing the present value of the employee's accumulated benefit obligation under the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~. Upon ~~such~~ transfer, all service credit ~~previously~~ earned under the *pension plan is* ~~defined benefit program of the Florida Retirement System shall be~~ nullified for purposes of entitlement to a future benefit under the *pension plan* ~~defined benefit program of the Florida Retirement System~~. A *member may not transfer* ~~participant is precluded from transferring~~ the accumulated benefit obligation balance from the *pension plan after the time* ~~defined benefit program upon the expiration of the~~ period *for enrolling* ~~afforded to enroll~~ in the *investment plan has expired* ~~optional program~~.

1.~~2.~~ For purposes of this subsection, the present value of the member's accumulated benefit obligation is based upon the member's estimated creditable service and estimated average final compensation under the *pension plan* ~~defined benefit program~~, subject to recomputation under subparagraph *2.* ~~3.~~ For state employees ~~enrolling under subparagraph (4)(a)1.~~, initial estimates *shall* ~~will~~ be based upon creditable service and average final compensation as of midnight on June 30, 2002; for district school board employees ~~enrolling under subparagraph (4)(b)1.~~, initial estimates *shall* ~~will~~ be based upon creditable service and average final compensation as of midnight on September 30, 2002; and for local government employees ~~enrolling under subparagraph (4)(c)1.~~, initial estimates *shall* ~~will~~ be based upon creditable service and average final compensation as of midnight on December 31, 2002. The dates ~~respectively~~ specified *are* ~~above shall be construed as~~ the "estimate date" for these employees. The actuarial present value of the employee's accumulated benefit obligation shall be based on the following:

a. The discount rate and other relevant actuarial assumptions used to value the Florida Retirement System Trust Fund at the time the amount to be transferred is determined, consistent with the factors provided in sub-subparagraphs b. and c.

b. A benefit commencement age, based on the member's estimated creditable service as of the estimate date.

c. Except as provided under sub-subparagraph d., for a member initially enrolled:

(I) Before July 1, 2011, the benefit commencement age *is* ~~shall be~~ the younger of the following, but *may* ~~shall~~ not be younger than the member's age as of the estimate date:

(A)~~(I)~~ Age 62; or

(B)~~(II)~~ The age the member would attain if the member completed 30 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the *pension plan* ~~defined benefit program of the Florida Retirement System~~.

(II) On or after July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 65; or

(B) The age the member would attain if the member completed 33 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

d.~~e.~~ For members of the Special Risk Class and for members of the Special Risk Administrative Support Class entitled to retain *the* special risk normal retirement date*:*

(I) Initially enrolled before July 1, 2011, the benefit commencement age *is* ~~shall be~~ the younger of the following, but *may* ~~shall~~ not be younger than the member's age as of the estimate date:

(A)~~(I)~~ Age 55; or

(B)~~(II)~~ The age the member would attain if the member completed 25 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the *pension plan* ~~defined benefit program of the Florida Retirement System~~.

(II) Initially enrolled on or after July 1, 2011, the benefit commencement age is the younger of the following, but may not be younger than the member's age as of the estimate date:

(A) Age 60; or

(B) The age the member would attain if the member completed 30 years of service with an employer, assuming the member worked continuously from the estimate date, and disregarding any vesting requirement that would otherwise apply under the pension plan.

e.~~d.~~ The calculation *must* ~~shall~~ disregard vesting requirements and early retirement reduction factors that would otherwise apply under the *pension plan* ~~defined benefit retirement program~~.

2.~~3.~~ For each *member* ~~participant~~ who elects to transfer moneys from the *pension plan* ~~defined benefit program~~ to his or her account in the *investment plan* ~~optional program~~, the division shall recompute the amount transferred under subparagraph *1. within* ~~2. not later than~~ 60 days after the actual transfer of funds based upon the *member's* ~~participant's~~ actual creditable service and actual final average compensation as of the initial date of participation in the *investment plan* ~~optional program~~. If the recomputed amount differs from the amount transferred ~~under subparagraph 2.~~ by $10 or more, the division shall:

a. Transfer, or cause to be transferred, from the Florida Retirement System Trust Fund to the *member's* ~~participant's~~ account ~~in the optional program~~ the excess, if any, of the recomputed amount over the previously transferred amount together with interest from the initial date of transfer to the date of transfer under this subparagraph, based upon *the* effective annual interest equal to the assumed return on the actuarial investment which was used in the most recent actuarial valuation of the system, compounded annually.

b. Transfer, or cause to be transferred, from the *member's* ~~participant's~~ account to the Florida Retirement System Trust Fund the excess, if any, of the previously transferred amount over the recomputed amount, together with interest from the initial date of transfer to the date of transfer under this subparagraph, based upon 6 percent effective annual interest, compounded annually, pro rata based on the *member's* ~~participant's~~ allocation plan.

3. If contribution adjustments are made as a result of employer errors or corrections, including plan corrections, following recomputation of the amount transferred under subparagraph 1., the member is entitled to the additional contributions or is responsible for returning any excess contributions resulting from the correction. However, any return of such erroneous excess pretax contribution by the plan must be made within the period allowed by the Internal Revenue Service. The present value of the member's accumulated benefit obligation shall not be recalculated.

4. As directed by the *member* ~~participant~~, the *state* board shall transfer or cause to be transferred the appropriate amounts to the designated accounts *within*~~. The board shall establish transfer procedures by rule, but the actual transfer shall not be later than~~ 30 days after the effective date of the member's participation in the *investment plan* ~~optional program~~ unless the major financial markets for securities available for a transfer are seriously disrupted by an unforeseen event *that* ~~which also~~ causes the suspension of trading on any national securities exchange in the country where the securities were issued. In that event, *the* ~~such~~ 30-day period ~~of time~~ may be extended by a resolution of the *state board* ~~trustees~~. Transfers are not commissionable or subject to other fees and may be in the form of securities or cash, as determined by the state board. Such securities *are* ~~shall be~~ valued as of the date of receipt in the *member's* ~~participant's~~ account.

5. If the *state* board or the division receives notification from the United States Internal Revenue Service that this paragraph or any portion of this paragraph will cause the retirement system, or a portion thereof, to be disqualified for tax purposes under the Internal Revenue Code, ~~then~~ the portion that will cause the disqualification does not apply. Upon such notice, the state board and the division shall notify the presiding officers of the Legislature.

(4) PARTICIPATION; ENROLLMENT.—

(a)1. With respect to an eligible employee who is employed in a regularly established position on June 1, 2002, by a state employer:

a. Any such employee may elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ in lieu of retaining his or her membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~. The election must be made in writing or by electronic means and must be filed with the third-party administrator by August 31, 2002, or, in the case of an active employee who is on a leave of absence on April 1, 2002, by the last business day of the 5th month following the month the leave of absence concludes. This election is irrevocable, except as provided in paragraph *(g)* ~~(c)~~. Upon making such election, the employee shall be enrolled as a *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~, the employee's membership in the Florida Retirement System *is* ~~shall be~~ governed by the provisions of this part, and the employee's membership in the *pension plan terminates* ~~defined benefit program of the Florida Retirement System shall terminate~~. The employee's enrollment in the *investment plan is* ~~Public Employee Optional Retirement Program shall be~~ effective the first day of the month for which a full month's employer contribution is made to the *investment plan* ~~optional program~~.

b. Any such employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

2. With respect to employees who become eligible to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ by reason of employment in a regularly established position with a state employer commencing after April 1, 2002:

a. Any such employee shall, by default, be enrolled in the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ at the commencement of employment, and may, by the last business day of the 5th month following the employee's month of hire, elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~. The employee's election must be made in writing or by electronic means and must be filed with the third-party administrator. The election to participate in the *investment plan* ~~optional program~~ is irrevocable, except as provided in paragraph *(g)* ~~(c)~~.

b. If the employee files such election within the prescribed time period, enrollment in the *investment plan is* ~~optional program shall be~~ effective on the first day of employment. The ~~employer~~ retirement contributions paid through the month of the employee plan change shall be transferred to the *investment* ~~optional~~ program, and, effective the first day of the next month, the employer *and employee must* ~~shall~~ pay the applicable contributions based on the employee membership class in the ~~optional~~ program.

c. *An* ~~Any such~~ employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

3. With respect to employees who become eligible to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ pursuant to s. 121.051(2)(c)3. or s. 121.35(3)(i), *the* ~~any such~~ employee may elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ in lieu of retaining his or her *membership* ~~participation~~ in the State Community College System Optional Retirement Program or the State University System Optional Retirement Program. The election must be made in writing or by electronic means and must be filed with the third-party administrator. This election is irrevocable, except as provided in paragraph *(g)* ~~(c)~~. Upon making such election, the employee shall be enrolled as a *member in* ~~participant of~~ the *investment plan* ~~Public Employee Optional Retirement Program~~, the employee's membership in the Florida Retirement System *is* ~~shall be~~ governed by the provisions of this part, and the employee's participation in the State Community College System Optional Retirement Program or the State University System Optional Retirement Program *terminates* ~~shall terminate~~. The employee's enrollment in the *investment plan is* ~~Public Employee Optional Retirement Program shall be~~ effective *on* the first day of the month for which a full month's employer *and employee* contribution is made to the *investment plan* ~~optional program~~.

4. For purposes of this paragraph, "state employer" means any agency, board, branch, commission, community college, department, institution, institution of higher education, or water management district of the state, which participates in the Florida Retirement System for the benefit of certain employees.

(b)1. With respect to an eligible employee who is employed in a regularly established position on September 1, 2002, by a district school board employer:

a. Any such employee may elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ in lieu of retaining his or her membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~. The election must be made in writing or by electronic means and must be filed with the third-party administrator by November 30, or, in the case of an active employee who is on a leave of absence on July 1, 2002, by the last business day of the 5th month following the month the leave of absence concludes. This election is irrevocable, except as provided in paragraph *(g)* ~~(e)~~. Upon making such election, the employee shall be enrolled as a *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~, the employee's membership in the Florida Retirement System *is* ~~shall be~~ governed by the provisions of this part, and the employee's membership in the *pension plan terminates* ~~defined benefit program of the Florida Retirement System shall terminate~~. The employee's enrollment in the *investment plan is* ~~Public Employee Optional Retirement Program shall be~~ effective the first day of the month for which a full month's employer contribution is made to the *investment* ~~optional~~ program.

b. Any such employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

2. With respect to employees who become eligible to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ by reason of employment in a regularly established position with a district school board employer commencing after July 1, 2002:

a. Any such employee shall, by default, be enrolled in the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ at the commencement of employment, and may, by the last business day of the 5th month following the employee's month of hire, elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~. The employee's election must be made in writing or by electronic means and must be filed with the third-party administrator. The election to participate in the *investment plan* ~~optional program~~ is irrevocable, except as provided in paragraph *(g)* ~~(e)~~.

b. If the employee files such election within the prescribed time period, enrollment in the *investment plan is* ~~optional program shall be~~ effective on the first day of employment. The employer retirement contributions paid through the month of the employee plan change shall be transferred to the *investment plan* ~~optional program~~, and, effective the first day of the next month, the employer shall pay the applicable contributions based on the employee membership class in the *investment plan* ~~optional program~~.

c. Any such employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

3. For purposes of this paragraph, "district school board employer" means any district school board that participates in the Florida Retirement System for the benefit of certain employees, or a charter school or charter technical career center that participates in the Florida Retirement System as provided in s. 121.051(2)(d).

(c)1. With respect to an eligible employee who is employed in a regularly established position on December 1, 2002, by a local employer:

a. Any such employee may elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ in lieu of retaining his or her membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~. The election must be made in writing or by electronic means and must be filed with the third-party administrator by February 28, 2003, or, in the case of an active employee who is on a leave of absence on October 1, 2002, by the last business day of the 5th month following the month the leave of absence concludes. This election is irrevocable, except as provided in paragraph *(g)* ~~(e)~~. Upon making such election, the employee shall be enrolled as a participant of the *investment plan* ~~Public Employee Optional Retirement Program~~, the employee's membership in the Florida Retirement System *is* ~~shall be~~ governed by the provisions of this part, and the employee's membership in the *pension plan terminates* ~~defined benefit program of the Florida Retirement System shall terminate~~. The employee's enrollment in the *investment plan is* ~~Public Employee Optional Retirement Program shall be~~ effective the first day of the month for which a full month's employer contribution is made to the *investment plan* ~~optional program~~.

b. Any such employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

2. With respect to employees who become eligible to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ by reason of employment in a regularly established position with a local employer commencing after October 1, 2002:

a. Any such employee shall, by default, be enrolled in the *pension plan* ~~defined benefit retirement program of the Florida Retirement System~~ at the commencement of employment, and may, by the last business day of the 5th month following the employee's month of hire, elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~. The employee's election must be made in writing or by electronic means and must be filed with the third-party administrator. The election to participate in the *investment plan* ~~optional program~~ is irrevocable, except as provided in paragraph *(g)* ~~(e)~~.

b. If the employee files such election within the prescribed time period, enrollment in the *investment plan is* ~~optional program shall be~~ effective on the first day of employment. The employer retirement contributions paid through the month of the employee plan change shall be transferred to the *investment plan* ~~optional program~~, and, effective the first day of the next month, the employer shall pay the applicable contributions based on the employee membership class in the *investment plan* ~~optional program~~.

c. Any such employee who fails to elect to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ within the prescribed time period is deemed to have elected to retain membership in the *pension plan* ~~defined benefit program of the Florida Retirement System~~, and the employee's option to elect to participate in the *investment plan* ~~optional program~~ is forfeited.

3. For purposes of this paragraph, "local employer" means any employer not included in paragraph (a) or paragraph (b).

(d) Contributions available for self-direction by a *member* ~~participant~~ who has not selected one or more specific investment products shall be allocated as prescribed by the *state* board. The third-party administrator shall notify *the member* ~~any such participant~~ at least quarterly that the *member* ~~participant~~ should take an affirmative action to make an asset allocation among the *investment* ~~optional program~~ products.

(e) On or after July 1, 2011, a member of the pension plan who obtains a refund of employee contributions retains his or her prior plan choice upon return to employment in a regularly established position with a participating employer.

(f) A member of the investment plan who takes a distribution of any contributions from his or her investment plan account is considered a retiree. A retiree who is initially reemployed on or after July 1, 2010, is not eligible for renewed membership.

(g)~~(e)~~ After the period during which an eligible employee had the choice to elect the *pension plan* ~~defined benefit program~~ or the *investment plan* ~~optional retirement program~~, or the month following the re-

ceipt of the eligible employee's plan election, if sooner, the employee shall have one opportunity, at the employee's discretion, to choose to move from the *pension plan* ~~defined benefit program~~ to the *investment plan* ~~optional retirement program~~ or from the *investment plan* ~~optional retirement program~~ to the *pension plan* ~~defined benefit program~~. Eligible employees may elect to move between *plans* ~~Florida Retirement System programs~~ only if they are earning service credit in an employer-employee relationship consistent with s. 121.021(17)(b), excluding leaves of absence without pay. Effective July 1, 2005, such elections are effective on the first day of the month following the receipt of the election by the third-party administrator and are not subject to the requirements regarding an employer-employee relationship or receipt of contributions for the eligible employee in the effective month, except when the election is received by the third-party administrator. This paragraph is contingent upon approval *by* ~~from~~ the Internal Revenue Service ~~for including the choice described herein within the programs offered by the Florida Retirement System~~.

1. If the employee chooses to move to the *investment plan* ~~optional retirement program~~, the ~~applicable~~ provisions of *subsection (3)* ~~this section shall~~ govern the transfer.

2. If the employee chooses to move to the *pension plan* ~~defined benefit program~~, the employee must transfer from his or her *investment plan* ~~optional retirement program~~ account, and from other employee moneys as necessary, a sum representing the present value of that employee's accumulated benefit obligation immediately following the time of such movement, determined assuming that attained service equals the sum of service in the *pension plan* ~~defined benefit program~~ and service in the *investment plan* ~~optional retirement program~~. Benefit commencement occurs on the first date the employee is eligible for unreduced benefits, using the discount rate and other relevant actuarial assumptions that were used to value the *pension* ~~defined benefit~~ plan liabilities in the most recent actuarial valuation. For any employee who, at the time of the second election, already maintains an accrued benefit amount in the *pension plan* ~~defined benefit program~~, the then-present value of the accrued benefit *is* ~~shall be~~ deemed part of the required transfer amount. The division *must* ~~shall~~ ensure that the transfer sum is prepared using a formula and methodology certified by an enrolled actuary. *A refund of any employee contributions or additional member payments made which exceed the employee contributions that would have accrued had the member remained in the pension plan and not transferred to the investment plan is not permitted.*

3. Notwithstanding subparagraph 2., an employee who chooses to move to the *pension plan* ~~defined benefit program~~ and who became eligible to participate in the *investment plan* ~~optional retirement program~~ by reason of employment in a regularly established position with a state employer after June 1, 2002; a district school board employer after September 1, 2002; or a local employer after December 1, 2002, must transfer from his or her *investment plan* ~~optional retirement program~~ account, and from other employee moneys as necessary, a sum representing the employee's actuarial accrued liability. *A refund of any employee contributions or additional participant payments made which exceed the employee contributions that would have accrued had the member remained in the pension plan and not transferred to the investment plan is not permitted.*

4. An employee's ability to transfer from the *pension plan* ~~defined benefit program~~ to the *investment plan* ~~optional retirement program~~ pursuant to paragraphs (a)-(d), and the ability of a current employee to have an option to later transfer back into the *pension plan* ~~defined benefit program~~ under subparagraph 2., shall be deemed a significant system amendment. Pursuant to s. 121.031(4), any resulting unfunded liability arising from actual original transfers from the *pension plan* ~~defined benefit program~~ to the *investment plan* ~~optional program~~ must be amortized within 30 plan years as a separate unfunded actuarial base independent of the reserve stabilization mechanism defined in s. 121.031(3)(f). For the first 25 years, a direct amortization payment may not be calculated for this base. During this 25-year period, the separate base shall be used to offset the impact of employees exercising their second program election under this paragraph. ~~It is the intent of the Legislature that~~ The actuarial funded status of the *pension plan will* ~~defined benefit program~~ not be affected by such second program elections in any significant manner, after due recognition of the separate unfunded actuarial base. Following the initial 25-year period, any remaining balance of the original separate base shall be amortized over the remaining 5 years of the required 30-year amortization period.

5. If the employee chooses to transfer from the *investment plan* ~~optional retirement program~~ to the *pension plan* ~~defined benefit program~~ and retains an excess account balance in the *investment plan* ~~optional program~~ after satisfying the buy-in requirements under this paragraph, the excess may not be distributed until the member retires from the *pension plan* ~~defined benefit program~~. The excess account balance may be rolled over to the *pension plan* ~~defined benefit program~~ and used to purchase service credit or upgrade creditable service in *the pension plan* ~~that program~~.

(5) CONTRIBUTIONS.—

(a) *The employee and* ~~Each~~ employer shall *make the required contributions to* ~~contribute on behalf of each participant in~~ the *investment plan based on a percentage of the employee's gross monthly compensation* ~~Public Employee Optional Retirement Program~~, as provided in part III of this chapter.

(b) Employee contributions shall be paid as provided in s. 121.71.

(c) The state board, acting as plan fiduciary, *must* ~~shall~~ ensure that all plan assets are held in a trust, pursuant to s. 401 of the Internal Revenue Code. The fiduciary *must* ~~shall~~ ensure that *such* ~~said~~ contributions are allocated as follows:

1. The *employer and employee contribution* portion earmarked for *member* ~~participant~~ accounts shall be used to purchase interests in the appropriate investment vehicles ~~for the accounts of each participant~~ as specified by the *member* ~~participant~~, or in accordance with paragraph (4)(d).

2. The *employer contribution* portion earmarked for administrative and educational expenses shall be transferred to the *Florida Retirement System Investment Plan Trust Fund* ~~board~~.

3. The *employer contribution* portion earmarked for disability benefits shall be transferred to the *Florida Retirement System Trust Fund* ~~department~~.

(d)~~(b)~~ *The third-party administrator is* ~~Employers are~~ responsible for *monitoring and* notifying *employers of the* ~~participants regarding~~ maximum contribution levels *allowed for members* ~~permitted~~ under the Internal Revenue Code. If a *member* ~~participant~~ contributes to any other tax-deferred plan, *the member* ~~he or she~~ is responsible for ensuring that total contributions made to the *investment plan* ~~optional program~~ and to any other such plan do not exceed federally permitted maximums.

(e)~~(c)~~ The *investment plan* ~~Public Employee Optional Retirement Program~~ may accept for deposit into *member* ~~participant~~ accounts contributions in the form of rollovers or direct trustee-to-trustee transfers by or on behalf of *members* ~~participants~~, reasonably determined by the *state* board to be eligible for rollover or transfer to the *investment plan* ~~optional retirement program~~ pursuant to the Internal Revenue Code, if such contributions are made in accordance with rules ~~as may be~~ adopted by the board. Such contributions *must* ~~shall~~ be accounted for in accordance with ~~any~~ applicable Internal Revenue Code requirements and rules of the *state* board.

(6) VESTING REQUIREMENTS.—

(a) A member is fully and immediately vested in all employee contributions paid to the investment plan as provided in s. 121.71, plus interest and earnings thereon and less investment fees and administrative charges.

(b)~~(a)~~1. With respect to employer contributions paid on behalf of the *member* ~~participant~~ to the *investment plan* ~~optional retirement program~~, plus interest and earnings thereon and less investment fees and administrative charges, a *member* ~~participant~~ is vested after completing 1 work year with an employer, including any service while the *member* ~~participant~~ was a member of the *pension plan* ~~defined benefit program~~ or an optional retirement program authorized under s. 121.051(2)(c) or s. 121.055(6).

2. If the *member* ~~participant~~ terminates employment before satisfying the vesting requirements, the nonvested accumulation must be transferred from the *member's* ~~participant's~~ accounts to the state board for deposit and investment by the state board in *its* ~~the~~ suspense account created within the *Florida Retirement System Investment Plan* ~~Public~~

~~Employee Optional Retirement Program~~ Trust Fund. If the terminated *member* ~~participant~~ is reemployed as an eligible employee within 5 years, the state board shall transfer to the *member's* ~~participant's~~ account any amount previously transferred from the *member's* ~~participant's~~ accounts to the suspense account, plus actual earnings on such amount while in the suspense account.

(c)~~(b)~~1. With respect to amounts *contributed by an employer and* transferred from the *pension plan* ~~defined benefit program~~ to the investment *plan* ~~program~~, plus interest and earnings, and less investment fees and administrative charges, a *member* ~~participant~~ shall be vested in the amount transferred upon meeting the *vesting* ~~service~~ requirements for the *member's* ~~participant's~~ membership class as set forth in s. *121.021(45)* ~~121.021(29)~~. The third-party administrator shall account for such amounts for each *member* ~~participant~~. The division shall notify the *member* ~~participant~~ and the third-party administrator when the *member* ~~participant~~ has satisfied the vesting period for Florida Retirement System purposes.

2. If the *member* ~~participant~~ terminates employment before satisfying the vesting requirements, the nonvested accumulation must be transferred from the *member's* ~~participant's~~ accounts to the state board for deposit and investment by the state board in the suspense account created within the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund. If the terminated *member* ~~participant~~ is reemployed as an eligible employee within 5 years, the state board shall transfer to the *member's accounts* ~~participant's account~~ any amount previously transferred from the *member's* ~~participant's~~ accounts to the suspense account, plus the actual earnings on such amount while in the suspense account.

(d)~~(c)~~ Any nonvested accumulations transferred from a *member's* ~~participant's~~ account to the *state board's* suspense account shall be forfeited*, including accompanying service credit,* by the *member* ~~participant~~ if the *member* ~~participant~~ is not reemployed as an eligible employee within 5 years after termination.

(e) If the member elects to receive any of his or her vested employee or employer contributions upon termination of employment as provided in s. 121.021(39)(a), except for a mandatory distribution of a de minimis account authorized by the state board or a minimum required distribution provided by s. 401(a)(9) of the Internal Revenue Code, the member shall forfeit all nonvested employer contributions, and accompanying service credit, paid on behalf of the member to the investment plan.

(7) BENEFITS.—Under the *investment plan, benefits must* ~~Public Employee Optional Retirement Program~~:

(a) ~~Benefits shall~~ Be provided in accordance with s. 401(a) of the Internal Revenue Code.

(b) ~~Benefits shall~~ Accrue in individual accounts that are *member-directed* ~~participant directed~~, portable, and funded by employer *and employee* contributions and earnings thereon.

(c) ~~Benefits shall~~ Be payable in accordance with ~~the provisions of~~ s. 121.591.

(8) *INVESTMENT PLAN* ADMINISTRATION ~~OF PROGRAM~~.—

~~(a)~~ The *investment plan* ~~optional retirement program~~ shall be administered by the state board and affected employers. The *state* board may require oaths, by affidavit or otherwise, and acknowledgments from persons in connection with the administration of its statutory duties and responsibilities for *the investment plan* ~~this program~~. An oath, by affidavit or otherwise, may not be required of *a member* ~~an employee participant~~ at the time of enrollment. Acknowledgment of an employee's election to participate in the program shall be no greater than necessary to confirm the employee's election. The state board shall adopt rules to carry out its statutory duties with respect to administering the *investment plan* ~~optional retirement program~~, including establishing the roles and responsibilities of affected state, local government, and education-related employers, the state board, the department, and third-party contractors. The department shall adopt rules necessary to administer the *investment plan* ~~optional program~~ in coordination with the *pension plan* ~~defined benefit program~~ and the disability benefits available under the *investment plan* ~~optional program~~.

(a)~~(b)~~1. The state board shall select and contract with *a* ~~one~~ third-party administrator to provide administrative services if those services cannot be competitively and contractually provided by the division ~~of Retirement within the Department of Management Services~~. With the approval of the state board, the third-party administrator may subcontract ~~with other organizations or individuals~~ to provide components of the administrative services. As a cost of administration, the *state* board may compensate any such contractor for its services, in accordance with the terms of the contract, as is deemed necessary or proper by the board. The third-party administrator may not be an approved provider or be affiliated with an approved provider.

2. These administrative services may include, but are not limited to, enrollment of eligible employees, collection of employer *and employee* contributions, disbursement of ~~such~~ contributions to approved providers in accordance with the allocation directions of *members* ~~participants~~; services relating to consolidated billing; individual and collective recordkeeping and accounting; asset purchase, control, and safekeeping; and direct disbursement of funds to and from the third-party administrator, the division, the *state* board, employers, *members* ~~participants~~, approved providers, and beneficiaries. This section does not prevent or prohibit a bundled provider from providing any administrative or customer service, including accounting and administration of individual *member* ~~participant~~ benefits and contributions; individual *member* ~~participant~~ recordkeeping; asset purchase, control, and safekeeping; direct execution of the *member's* ~~participant's~~ instructions as to asset and contribution allocation; calculation of daily net asset values; direct access to *member* ~~participant~~ account information; or periodic reporting to *members* ~~participants~~, at least quarterly, on account balances and transactions, if these services are authorized by the *state* board as part of the contract.

(b)1.~~3.~~ The state board shall select and contract with one or more organizations to provide educational services. With approval of the *state* board, the organizations may subcontract ~~with other organizations or individuals~~ to provide components of the educational services. As a cost of administration, the *state* board may compensate any such contractor for its services in accordance with the terms of the contract, as is deemed necessary or proper by the board. The education organization may not be an approved provider or be affiliated with an approved provider.

2.~~4.~~ Educational services shall be designed by the *state* board and department to assist employers, eligible employees, *members* ~~participants~~, and beneficiaries in order to maintain compliance with United States Department of Labor regulations under s. 404(c) of the Employee Retirement Income Security Act of 1974 and to assist employees in their choice of *pension plan* ~~defined benefit~~ or *investment plan* ~~defined contribution~~ retirement alternatives. Educational services include, but are not limited to, disseminating educational materials; providing retirement planning education; explaining the *pension* ~~differences between the defined benefit retirement~~ plan and the *investment* ~~defined contribution retirement~~ plan; and offering financial planning guidance on matters such as investment diversification, investment risks, investment costs, and asset allocation. An approved provider may also provide educational information, including retirement planning and investment allocation information concerning its products and services.

(c)1. In evaluating and selecting a third-party administrator, the *state* board shall establish criteria *for evaluating* ~~under which it shall consider~~ the relative capabilities and qualifications of each proposed administrator. In developing such criteria, the *state* board shall consider:

a. The administrator's demonstrated experience in providing administrative services to public or private sector retirement systems.

b. The administrator's demonstrated experience in providing daily valued recordkeeping to defined contribution *programs* ~~plans~~.

c. The administrator's ability and willingness to coordinate its activities with ~~the Florida Retirement System~~ employers, the *state* board, and the division, and to supply to such employers, the board, and the division the information and data they require, including, but not limited to, monthly management reports, quarterly *member* ~~participant~~ reports, and ad hoc reports requested by the department or *state* board.

d. The cost-effectiveness and levels of the administrative services provided.

e. The administrator's ability to interact with the *members* ~~participants~~, the employers, the *state* board, the division, and the providers; the means by which *members* ~~participants~~ may access account information, direct investment of contributions, make changes to their accounts, transfer moneys between available investment vehicles, and transfer moneys between investment products; and any fees that apply to such activities.

f. Any other factor deemed necessary by the ~~Trustees of the~~ state board ~~of Administration~~.

2. In evaluating and selecting an educational provider, the *state* board shall establish criteria under which it shall consider the relative capabilities and qualifications of each proposed educational provider. In developing such criteria, the *state* board shall consider:

a. Demonstrated experience in providing educational services to public or private sector retirement systems.

b. Ability and willingness to coordinate its activities with the ~~Florida Retirement System~~ employers, the *state* board, and the division, and to supply to such employers, the board, and the division the information and data they require, including, but not limited to, reports on educational contacts.

c. The cost-effectiveness and levels of the educational services provided.

d. Ability to provide educational services via different media, including, but not limited to, the Internet, personal contact, seminars, brochures, and newsletters.

e. Any other factor deemed necessary by the ~~Trustees of the~~ state board ~~of Administration~~.

3. The establishment of the criteria shall be solely within the discretion of the *state* board.

(d) The *state* board shall develop the form and content of any contracts to be offered under the *investment plan* ~~Public Employee Optional Retirement Program~~. In developing *the* ~~its~~ contracts, the board *shall* ~~must~~ consider:

1. The nature and extent of the rights and benefits to be afforded in relation to the ~~required~~ contributions *required* under the *plan* ~~program~~.

2. The suitability of the rights and benefits *provided* ~~to be afforded~~ and the interests of employers in the recruitment and retention of eligible employees.

(e)1. The *state* board may contract ~~with any consultant~~ for professional services, including legal, consulting, accounting, and actuarial services, deemed necessary to implement and administer the *investment plan* ~~optional program by the Trustees of the State Board of Administration~~. The *state* board may enter into a contract with one or more vendors to provide low-cost investment advice to *members* ~~participants~~, supplemental to education provided by the third-party administrator. All fees under any such contract shall be paid by those *members* ~~participants~~ who choose to use the services of the vendor.

2. The department may contract ~~with consultants~~ for professional services, including legal, consulting, accounting, and actuarial services, deemed necessary to implement and administer the *investment plan* ~~optional program~~ in coordination with the *pension plan* ~~defined benefit program of the Florida Retirement System~~. The department, in coordination with the *state* board, may enter into a contract with the third-party administrator in order to coordinate services common to the various programs within the Florida Retirement System.

(f) The third-party administrator *may* ~~shall~~ not receive direct or indirect compensation from an approved provider, except as specifically provided for in the contract with the *state* board.

(g) The state board shall receive and resolve *member* ~~participant~~ complaints against the program, the third-party administrator, or any program vendor or provider; shall resolve any conflict between the third-party administrator and an approved provider if such conflict threatens the implementation or administration of the program or the quality of services to employees; and may resolve any other conflicts. The third-party administrator shall retain all *member* ~~participant~~ records for at least 5 years for use in resolving any *member* ~~participant~~ conflicts. The state board, the third-party administrator, or a provider is not required to produce documentation or an audio recording to justify action taken with regard to a *member* ~~participant~~ if the action occurred 5 or more years before the complaint is submitted to the state board. It is presumed that all action taken 5 or more years before the complaint is submitted was taken at the request of the *member* ~~participant~~ and with the *member's* ~~participant's~~ full knowledge and consent. To overcome this presumption, the *member* ~~participant~~ must present documentary evidence or an audio recording demonstrating otherwise.

(9) INVESTMENT OPTIONS OR PRODUCTS; PERFORMANCE REVIEW.—

(a) The *state* board shall develop policy and procedures for selecting, evaluating, and monitoring the performance of approved providers and investment products ~~to which employees may direct retirement contributions~~ under the *investment plan* ~~program~~. In accordance with such policy and procedures, the *state* board shall designate and contract for a number of investment products as determined by the board. The board shall also select one or more bundled providers*,* each of *which* ~~whom~~ may offer multiple investment options and related services*, if* ~~when~~ such ~~an~~ approach is determined by the board to *provide* ~~afford~~ value to the *members* ~~participants~~ otherwise not available through individual investment products. Each approved bundled provider may offer investment options that provide *members* ~~participants~~ with the opportunity to invest in each of the following asset classes, to be composed of individual options that represent ~~either~~ a single asset class or a combination thereof: money markets, United States fixed income, United States equities, and foreign stock. The *state* board shall review and manage all educational materials, contract terms, fee schedules, and other aspects of the approved provider relationships to ensure that no provider is unduly favored or penalized by virtue of its status within the *investment* plan.

(b) The *state* board shall consider investment options or products it considers appropriate to give *members* ~~participants~~ the opportunity to accumulate retirement benefits, subject to the following:

1. The *investment plan* ~~Public Employee Optional Retirement Program~~ must offer a diversified mix of low-cost investment products that span the risk-return spectrum and may include a guaranteed account as well as investment products, such as individually allocated guaranteed and variable annuities, which meet the requirements of this subsection and combine the ability to accumulate investment returns with the option of receiving lifetime income consistent with the long-term retirement security of a pension plan and similar to the lifetime-income benefit provided by the Florida Retirement System.

2. Investment options or products offered by ~~the group of~~ approved providers may include mutual funds, group annuity contracts, individual retirement annuities, interests in trusts, collective trusts, separate accounts, and other such financial instruments, and ~~may include~~ products that give *members* ~~participants~~ the option of committing their contributions for an extended time period in an effort to obtain returns higher than those that could be obtained from investment products offering full liquidity.

3. The *state* board *may* ~~shall~~ not contract with *a* ~~any~~ provider that imposes a front-end, back-end, contingent, or deferred sales charge, or any other fee that limits or restricts the ability of *members* ~~participants~~ to select any investment product available in the *investment plan* ~~optional program~~. This prohibition does not apply to fees or charges that are imposed on withdrawals from products that give *members* ~~participants~~ the option of committing ~~their~~ contributions for an extended time period in an effort to obtain returns higher than those that could be obtained from investment products offering full liquidity, *if* ~~provided that~~ the product ~~in question~~, net of all fees and charges, produces material benefits relative to other comparable products in the *investment plan* ~~program~~ offering full liquidity.

4. Fees or charges for insurance features, such as mortality and expense-risk charges, must be reasonable relative to the benefits provided.

(c) In evaluating and selecting approved providers and products, the *state* board shall establish criteria *for evaluating* ~~under which it shall consider~~ the relative capabilities and qualifications of each proposed

provider company and product. In developing such criteria, the board shall consider the following to the extent such factors may be applied in connection with investment products, services, or providers:

1. Experience in the United States providing retirement products and related financial services under defined contribution retirement *programs* ~~plans~~.

2. Financial strength and stability *as* ~~which shall be~~ evidenced by the highest ratings assigned by nationally recognized rating services when comparing proposed providers that are so rated.

3. Intrastate and interstate portability of the product offered, including early withdrawal options.

4. Compliance with the Internal Revenue Code.

5. The cost-effectiveness of the product provided and the levels of service supporting the product relative to its benefits and its characteristics, including~~, without limitation,~~ the level of risk borne by the provider.

6. The provider company's ability and willingness to coordinate its activities with Florida Retirement System employers, the department, and the *state* board, and to supply *the* ~~to such~~ employers, the department, and the board *with* the information and data they require.

7. The methods available to *members* ~~participants~~ to interact with the provider company; the means by which *members* ~~participants~~ may access account information, direct investment of contributions, make changes to their accounts, transfer moneys between available investment vehicles, and transfer moneys between provider companies; and any fees that apply to such activities.

8. The provider company's policies with respect to the transfer of individual account balances, contributions, and earnings thereon, both internally among investment products offered by the provider company and externally between approved providers, as well as any fees, charges, reductions, or penalties that may be applied.

9. An evaluation of specific investment products, taking into account each product's experience in meeting its investment return objectives net of all related fees, expenses, and charges, including, but not limited to, investment management fees, loads, distribution and marketing fees, custody fees, recordkeeping fees, education fees, annuity expenses, and consulting fees.

10. Organizational factors, including, but not limited to, financial solvency, organizational depth, and experience in providing institutional and retail investment services.

(d) By March 1, 2010, the *state* board shall identify and offer at least one terror-free investment product that allocates its funds among securities not subject to divestiture as provided in s. 215.473 if the investment product is deemed by the *state* board to be consistent with prudent investor standards. *A* ~~No~~ person may *not* bring a civil, criminal, or administrative action against an approved provider; the state board; or any employee, officer, director, or trustee of such provider based upon the divestiture of any security or the offering of a terror-free investment product as specified in this paragraph.

(e) As a condition of offering *an* ~~any~~ investment option or product in the *investment plan* ~~optional retirement program~~, the approved provider must agree to make the investment product or service available under the most beneficial terms offered to any other customer, subject to approval by the ~~Trustees of the~~ state board ~~of Administration~~.

(f) The *state* board shall regularly review the performance of each approved provider and product and related organizational factors to ensure continued compliance with established selection criteria and with board policy and procedures. Providers and products may be terminated subject to contract provisions. The *state* board shall adopt procedures to transfer account balances from terminated products or providers to other products or providers in the *investment plan* ~~optional program~~.

(g)1. An approved provider shall comply with all *applicable* federal and state securities and insurance laws and regulations ~~applicable to the provider~~, as well as *with* the applicable rules and guidelines of the National Association of Securities Dealers which govern the ethical marketing of investment products. In furtherance of this mandate, an approved provider must agree in its contract with the *state* board to establish and maintain a compliance education and monitoring system to supervise the activities of all personnel who directly communicate with individual *members* ~~participants~~ and recommend investment products, which system is consistent with rules of the National Association of Securities Dealers.

2. Approved provider personnel who directly communicate with individual *members* ~~participants~~ and who recommend investment products shall make an independent and unbiased determination as to whether an investment product is suitable for a particular *member* ~~participant~~.

3. The *state* board shall develop procedures to receive and resolve *member* ~~participant~~ complaints against a provider or approved provider personnel, and, *if* ~~when~~ appropriate, refer such complaints to the appropriate agency.

4. Approved providers may not sell or in any way distribute any customer list or *member* ~~participant~~ identification information generated through their offering of products or services through the *investment plan* ~~optional retirement program~~.

(10) EDUCATION COMPONENT.—

(a) The *state* board, in coordination with the department, shall provide for an education component for system members in a manner consistent with the provisions of this section. The education component must be available to eligible employees at least 90 days prior to the beginning date of the election period for the employees of the respective types of employers.

(b) The education component must provide system members with impartial and balanced information about plan choices. The education component must involve multimedia formats. Program comparisons must, to the greatest extent possible, be based upon the retirement income that different retirement programs may provide to the *member* ~~participant~~. The *state* board shall monitor the performance of the contract to ensure that the program is conducted in accordance with the contract, applicable law, and the rules of the *state* board.

(c) The *state* board, in coordination with the department, shall provide for an initial and ongoing transfer education component to provide system members with information necessary to make informed plan choice decisions. The transfer education component must include, but is not limited to, information on:

1. The amount of money available to a member to transfer to the defined contribution program.

2. The features of and differences between the *pension plan* ~~defined benefit program~~ and the defined contribution program, both generally and specifically, as those differences may affect the member.

3. The expected benefit available if the member were to retire under each of the retirement programs, based on appropriate alternative sets of assumptions.

4. The rate of return from investments in the defined contribution program and the period of time over which such rate of return must be achieved to equal or exceed the expected monthly benefit payable to the member under the *pension plan* ~~defined benefit program~~.

5. The historical rates of return for the investment alternatives available in the defined contribution programs.

6. The benefits and historical rates of return on investments available in a typical deferred compensation plan or a typical plan under s. 403(b) of the Internal Revenue Code for which the employee may be eligible.

7. The program choices available to employees of the State University System and the comparative benefits of each available program, if applicable.

8. Payout options available in each of the retirement programs.

(d) An ongoing education and communication component must provide *eligible employees* ~~system members~~ with information necessary to make informed decisions about choices within their *retirement system* ~~program of membership~~ and in preparation for retirement. The component must include, but is not limited to, information concerning:

1. Rights and conditions of membership.

2. Benefit features within the program, options, and effects of certain decisions.

3. Coordination of contributions and benefits with a deferred compensation plan under s. 457 or a plan under s. 403(b) of the Internal Revenue Code.

4. Significant program changes.

5. Contribution rates and program funding status.

6. Planning for retirement.

(e) Descriptive materials must be prepared under the assumption that the employee is an unsophisticated investor, and all materials used in the education component must be approved by the state board prior to dissemination.

(f) The *state* board and the department shall also establish a communication component to provide program information to participating employers and the employers' personnel and payroll officers and to explain their respective responsibilities in conjunction with the retirement programs.

(g) Funding for education of new employees may reflect administrative costs to the *investment plan* ~~optional program~~ and the *pension plan* ~~defined benefit program~~.

(h) Pursuant to *subsection* ~~paragraph~~ (8)~~(a)~~, all Florida Retirement System employers have an obligation to regularly communicate the existence of the two Florida Retirement System plans and the plan choice in the natural course of administering their personnel functions, using the educational materials supplied by the state board and the Department of Management Services.

(11) *MEMBER* ~~PARTICIPANT~~ INFORMATION REQUIREMENTS.—The *state* board shall ensure that each *member* ~~participant~~ is provided a quarterly statement that accounts for the contributions made on behalf of *the member* ~~such participant~~; the interest and investment earnings thereon; and any fees, penalties, or other deductions that apply ~~thereto~~. At a minimum, such statements must:

(a) Indicate the *member's* ~~participant's~~ investment options.

(b) State the market value of the account at the close of the current quarter and previous quarter.

(c) Show account gains and losses ~~for the period~~ and changes in account accumulation unit values for the *quarter* ~~period~~.

(d) Itemize account contributions for the quarter.

(e) Indicate any account changes due to adjustment of contribution levels, reallocation of contributions, balance transfers, or withdrawals.

(f) Set forth any fees, charges, penalties, and deductions that apply to the account.

(g) Indicate the amount of the account in which the *member* ~~participant~~ is fully vested and the amount of the account in which the *member* ~~participant~~ is not vested.

(h) Indicate each investment product's performance relative to an appropriate market benchmark.

The third-party administrator shall provide quarterly and annual summary reports to the *state* board and any other reports requested by the department or the *state* board. In any solicitation or offer of coverage under *the investment plan* ~~an optional retirement program~~, a provider company shall be governed by the contract readability provisions of s. 627.4145, notwithstanding s. 627.4145(6)(c). In addition, all descriptive materials must be prepared under the assumption that the *member* ~~participant~~ is an unsophisticated investor. Provider companies must maintain an internal system of quality assurance, have proven functional systems that are date-calculation compliant, and be subject to a due-diligence inquiry that proves their capacity and fitness to undertake service responsibilities.

(12) ADVISORY COUNCIL TO PROVIDE ADVICE AND ASSISTANCE.—The Investment Advisory Council*, created pursuant to s. 215.444,* shall assist the *state* board in implementing and administering the *investment plan* ~~Public Employee Optional Retirement Program~~. The ~~Investment Advisory~~ council~~, created pursuant to s. 215.444,~~ shall review the *state* board's initial recommendations regarding the criteria to be used in selecting and evaluating approved providers and investment products. The council may provide comments on the recommendations to the *state* board within 45 days after receiving the initial recommendations. The *state* board shall make the final determination as to whether any investment provider or product, any contractor, or any and all contract provisions *are* ~~shall be~~ approved for the *investment plan* ~~program~~.

(13) FEDERAL REQUIREMENTS.—

(a) ~~Provisions of~~ This section shall be construed, and the *investment plan* ~~Public Employee Optional Retirement Program~~ shall be administered, so as to comply with the Internal Revenue Code, 26 U.S.C., and specifically with plan qualification requirements imposed on governmental plans under s. 401(a) of the Internal Revenue Code. The *state* board *may* ~~shall have the power and authority to~~ adopt rules reasonably necessary to establish or maintain the qualified status of the *investment plan* ~~Optional Retirement Program~~ under the Internal Revenue Code and to implement and administer the *investment plan* ~~Optional Retirement Program~~ in compliance with the Internal Revenue Code and *as designated under* this part; provided however, that the board shall not have the authority to adopt any rule which makes a substantive change to the *investment plan* ~~Optional Retirement Program~~ as designed by this part.

(b) Any section or provision of this chapter which is susceptible to more than one construction *shall* ~~must~~ be interpreted in favor of the construction most likely to satisfy requirements imposed by s. 401(a) of the Internal Revenue Code.

(c) Contributions payable under this section for any limitation year may not exceed the maximum amount allowable for qualified defined contribution pension plans under applicable provisions of the Internal Revenue Code. If an employee who *is enrolled* ~~has elected to participate~~ in the *investment plan* ~~Public Employee Optional Retirement Program~~ participates in any other plan that is maintained by the participating employer, benefits that accrue under the *investment plan* ~~Public Employee Optional Retirement Program~~ shall be considered primary for any aggregate limitation applicable under s. 415 of the Internal Revenue Code.

(14) INVESTMENT POLICY STATEMENT.—

(a) Investment products and approved providers selected for the *investment plan must* ~~Public Employee Optional Retirement Program shall~~ conform with the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Investment Policy Statement, herein referred to as the "statement," as developed and approved by the trustees of the state board ~~of Administration~~. The statement must include, among other items, the investment objectives of the *investment plan* ~~Public Employee Optional Retirement Program~~, manager selection and monitoring guidelines, and performance measurement criteria. As required from time to time, the executive director of the state board may present recommended changes in the statement to the board for approval.

(b) Prior to presenting the statement~~,~~ or any recommended changes ~~thereto,~~ to the state board, the executive director of the board shall present such statement or changes to the Investment Advisory Council for review. The council shall present the results of its review to the board prior to the board's final approval of the statement or changes in the statement.

(15) STATEMENT OF FIDUCIARY STANDARDS AND RESPONSIBILITIES.—

(a) Investment of ~~optional~~ defined contribution ~~retirement~~ plan assets shall be made for the sole interest and exclusive purpose of providing benefits to *members* ~~plan participants~~ and beneficiaries and defraying reasonable expenses of administering the plan. The program's assets *shall* ~~are to~~ be invested~~,~~ on behalf of the program *members* ~~participants,~~ with the care, skill, and diligence that a prudent person acting in a like manner would undertake. The performance of the investment duties set forth in this paragraph shall comply with the fiduciary standards set forth in the Employee Retirement Income Security Act of 1974 at 29 U.S.C. s. 1104(a)(1)(A)-(C). In case of conflict with other provisions of law authorizing investments, the investment and fiduciary standards set forth in this subsection shall prevail.

(b) If a *member* ~~participant~~ or beneficiary of the *investment plan* ~~Public Employee Optional Retirement Program~~ exercises control over the assets in his or her account, as determined by reference to regulations of the United States Department of Labor under s. 404(c) of the Employee Retirement Income Security Act of 1974 and all applicable laws governing the operation of the program, *a* ~~no~~ program fiduciary *is not* ~~shall be~~ liable for any loss to a *member's* ~~participant's~~ or beneficiary's account which results from *the member's* ~~such participant's~~ or beneficiary's exercise of control.

(c) Subparagraph (8)(b)*2.*~~4.~~ and paragraph ~~(15)~~(b) incorporate the federal law concept of participant control, established by regulations of the United States Department of Labor under s. 404(c) of the Employee Retirement Income Security Act of 1974 (ERISA). The purpose of this paragraph is to assist employers and the state board ~~of Administration~~ in maintaining compliance with s. 404(c), while avoiding unnecessary costs and eroding *member* ~~participant~~ benefits under the *investment plan* ~~Public Employee Optional Retirement Program~~. Pursuant to 29 C.F.R. s. 2550.404c-1(b)(2)(i)(B)(1)(viii), the state board ~~of Administration~~ or its designated agents shall deliver to *members* ~~participants~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~ a copy of the prospectus most recently provided to the plan, and, pursuant to 29 C.F.R. s. 2550.404c-1(b)(2)(i)(B)(2)(ii), shall provide such *members* ~~participants~~ an opportunity to obtain this information, except that:

1. The requirement to deliver a prospectus shall be ~~deemed to be~~ satisfied by delivery of a fund profile *or summary profile* that contains the information that would be included in a summary prospectus as described by Rule 498 under the Securities Act of 1933, 17 C.F.R. s. 230.498. *If* ~~When~~ the transaction fees, expense information or other information provided by a mutual fund in the prospectus does not reflect terms negotiated by the state board ~~of Administration~~ or its designated agents, the ~~aforementioned~~ requirement is ~~deemed to be~~ satisfied by delivery of a separate document described by Rule 498 substituting accurate information; and

2. Delivery shall be ~~deemed to have been~~ effected if delivery is through electronic means and the following standards are satisfied:

a. Electronically-delivered documents are prepared and provided consistent with style, format, and content requirements applicable to printed documents;

b. Each *member* ~~participant~~ is provided timely and adequate notice of the documents that are to be delivered, and their significance thereof, and of the *member's* ~~participant's~~ right to obtain a paper copy of such documents free of charge;

c.~~(I)~~ *Members* ~~Participants~~ have adequate access to the electronic documents, at locations such as their worksites or public facilities, and have the ability to convert the documents to paper free of charge by the state board ~~of Administration~~, and the board or its designated agents take appropriate and reasonable measures to ensure that the system for furnishing electronic documents results in actual receipt.~~, or~~

~~(II)~~ *Members* ~~Participants~~ have provided consent to receive information in electronic format, which consent may be revoked; and

d. The state board ~~of Administration~~, or its designated agent, actually provides paper copies of the documents free of charge, upon request.

(16) DISABILITY BENEFITS.—For any *member* ~~participant~~ of the *investment plan* ~~optional retirement program~~ who becomes totally and permanently disabled, benefits *must* ~~shall~~ be paid in accordance with the provisions of s. 121.591.

(17) SOCIAL SECURITY COVERAGE.—Social security coverage shall be provided for all officers and employees who become *members* ~~participants~~ of the *investment plan* ~~optional program~~. Any modification of the present agreement with the Social Security Administration, or referendum required under the Social Security Act, for the purpose of providing social security coverage for any member shall be requested by the state agency in compliance with the applicable provisions of the Social Security Act governing such coverage. However, retroactive social security coverage for service prior to December 1, 1970, with the employer *may* ~~shall~~ not be provided for any member who was not covered under the agreement as of November 30, 1970.

(18) RETIREE HEALTH INSURANCE SUBSIDY.—All officers and employees who are *members* ~~participants~~ of the *investment plan are* ~~optional program shall be~~ eligible to receive the retiree health insurance subsidy, subject to the provisions of s. 112.363.

(19) *MEMBER* ~~PARTICIPANT~~ RECORDS.—Personal identifying information of a *member* ~~participant~~ in the *investment plan* ~~Public Employee Optional Retirement Program~~ contained in Florida Retirement System records held by the state board ~~of Administration~~ or the department ~~of Management Services~~ is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

(20) DESIGNATION OF BENEFICIARIES.—

(a) Each *member* ~~participant~~ may, *by electronic means or* on a form provided for that purpose, signed and filed with the third-party administrator, designate a choice of one or more persons, named sequentially or jointly, as his or her beneficiary *for receiving* ~~who shall receive~~ the benefits, if any, which may be payable pursuant to this chapter in the event of the *member's* ~~participant's~~ death. If no beneficiary is named in this manner, or if no beneficiary designated by the *member* ~~participant~~ survives the *member* ~~participant~~, the beneficiary shall be the spouse of the deceased, if living. If the *member's* ~~participant's~~ spouse is not alive at *the time of the member's* ~~his or her~~ death, the beneficiary shall be the living children of the *member* ~~participant~~. If no children survive, the beneficiary shall be the *member's* ~~participant's~~ father or mother, if living; otherwise, the beneficiary shall be the *member's* ~~participant's~~ estate. The beneficiary most recently designated by a *member* ~~participant on a form or letter filed with the third-party administrator~~ shall be the beneficiary entitled to any benefits payable at the time of the *member's* ~~participant's~~ death. *However* ~~Notwithstanding any other provision in this subsection to the contrary~~, for a *member* ~~participant~~ who dies prior to his or her effective date of retirement, the spouse at the time of death shall be the *member's* ~~participant's~~ beneficiary unless *the member* ~~such participant~~ designates a different beneficiary ~~as provided in this subsection~~ subsequent to the *member's* ~~participant's~~ most recent marriage.

(b) If a *member* ~~participant~~ designates a primary beneficiary other than the *member's* ~~participant's~~ spouse, the *member's* ~~participant's~~ spouse must sign the beneficiary designation form to acknowledge the designation. This requirement does not apply to the designation of one or more contingent beneficiaries to receive benefits remaining upon the death of the primary beneficiary or beneficiaries.

(c) Notwithstanding the *member's* ~~participant's~~ designation of benefits to be paid through a trust to a beneficiary that is a natural person~~,~~ and ~~notwithstanding~~ the provisions of the trust, benefits *must* ~~shall~~ be paid directly to the beneficiary if the person is no longer a minor or an incapacitated person as defined in s. 744.102.

(21) PARTICIPATION BY TERMINATED DEFERRED RETIREMENT OPTION PROGRAM *MEMBERS* ~~PARTICIPANTS~~.—Notwithstanding any *other* provision of law ~~to the contrary~~, *members* ~~participants~~ in the Deferred Retirement Option Program offered under part I may, after conclusion of their participation in the program, elect to roll over or authorize a direct trustee-to-trustee transfer to an account under the *investment plan* ~~Public Employee Optional Retirement Program~~ of their Deferred Retirement Option Program proceeds distributed as provided under s. 121.091(13)(c)5. The transaction must constitute an "eligible rollover distribution" within the meaning of s. 402(c)(4) of the Internal Revenue Code.

(a) The *investment plan* ~~Public Employee Optional Retirement Program~~ may accept such amounts for deposit into *member* ~~participant~~ accounts as provided in paragraph (5)*(e)*~~(e)~~.

(b) The affected *member* ~~participant~~ shall direct the investment of his or her investment account; however, unless he or she becomes a renewed member of the Florida Retirement System under s. 121.122 and elects to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~, *no* ~~employer~~ contributions may ~~not~~ be made to the *member's* ~~participant's~~ account as provided under paragraph (5)(a).

(c) The state board or the department is not responsible for locating those persons who may be eligible to participate in the *investment plan* ~~Public Employee Optional Retirement Program~~ under this subsection.

(22) CREDIT FOR MILITARY SERVICE.—Creditable service of any member of the *investment plan includes* ~~Public Employee Optional Retirement Program shall include~~ military service in the Armed Forces of the United States as provided in ~~the conditions outlined in~~ s. 121.111(1).

Section 27. Section 121.4502, Florida Statutes, is amended to read:

121.4502 *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund.—

(1) The *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund is created to hold the assets of the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ in trust for the exclusive benefit of *the plan's members* ~~such program's participants~~ and beneficiaries, and for the payment of reasonable administrative expenses of the *plan* ~~program~~, in accordance with s. 401 of the Internal Revenue Code, and shall be administered by the state board ~~of Administration~~ as trustee. Funds shall be credited to the trust fund as provided in this part, to be used for the purposes of this part. The trust fund is exempt from the service charges imposed by s. 215.20.

(2) The *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund is a retirement trust fund of the Florida Retirement System that accounts for retirement plan assets held by the state in a trustee capacity as a fiduciary for individual participants in the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ and, pursuant to s. 19(f), Art. III of the State Constitution, is not subject to termination.

(3) A forfeiture account shall be created within the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund to hold the assets derived from the forfeiture of benefits by participants. Pursuant to a private letter ruling from the Internal Revenue Service, the forfeiture account may be used only for paying expenses of the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ and reducing future employer contributions to the program. Consistent with Rulings 80-155 and 74-340 of the Internal Revenue Service, unallocated reserves within the forfeiture account must be used as quickly and as prudently as possible considering the state board's fiduciary duty. Expected withdrawals from the account must endeavor to reduce the account to zero each fiscal year.

Section 28. Subsections (1) and (3) of section 121.4503, Florida Statutes, are amended to read:

121.4503 Florida Retirement System Contributions Clearing Trust Fund.—

(1) The Florida Retirement System Contributions Clearing Trust Fund is created as a clearing fund for disbursing employer *and employee* contributions to the component plans of the Florida Retirement System and shall be administered by the Department of Management Services. Funds shall be credited to the trust fund as provided in this chapter and ~~shall be~~ held in trust for the contributing *employees and* employers until such time as the assets are transferred by the department to the Florida Retirement System Trust Fund, the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund, or other trust funds as authorized by law, to be used for the purposes of this chapter. The trust fund is exempt from the service charges imposed by s. 215.20.

(3) The Department of Management Services may adopt rules governing the receipt and disbursement of amounts received by the Florida Retirement System Contributions Clearing Trust Fund from employers *and employees* contributing to the component plans of the Florida Retirement System.

Section 29. Section 121.571, Florida Statutes, is amended to read:

121.571 Contributions.—Contributions to the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ shall be made as follows:

(1) *CONTRIBUTORY* ~~NONCONTRIBUTORY~~ PLAN.—Each employer *and employee* shall *submit* ~~accomplish the~~ contributions *as* required by s. 121.71 ~~by a procedure in which no employee's gross salary shall be reduced~~.

(2) CONTRIBUTION RATES GENERALLY.—Contributions to fund the retirement and disability benefits provided under this part *must* ~~shall~~ be based on the uniform contribution rates established by s. 121.71 and on the membership class or subclass of the *member* ~~participant~~. Such contributions *must* ~~shall~~ be allocated as provided in ss. 121.72 and 121.73.

(3) CONTRIBUTIONS FOR SOCIAL SECURITY COVERAGE AND FOR RETIREE HEALTH INSURANCE SUBSIDY.—Contributions required under *s. 121.71 are* ~~this section shall be~~ in addition to employer and member contributions ~~required~~ for social security and the Retiree Health Insurance Subsidy Trust Fund as *required under* ~~provided in~~ ss. 112.363, 121.052, 121.055, and 121.071, as appropriate.

Section 30. Section 121.591, Florida Statutes, is amended to read:

121.591 *Payment of* benefits ~~payable under the Public Employee Optional Retirement Program of the Florida Retirement System~~.—Benefits may not be paid under *the Florida Retirement System Investment Plan* ~~this section~~ unless the member has terminated employment as provided in s. 121.021(39)(a) or is deceased and a proper application has been filed *as* ~~in the manner~~ prescribed by the state board or the department. *Before termination of employment, benefits, including employee contributions, are not payable under the investment plan for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason prior to termination from all employment relationships with participating employers.* The state board or department, as appropriate, may cancel an application for retirement benefits *if* ~~when~~ the member or beneficiary fails to timely provide the information and documents required by this chapter and the rules of the state board and department. In accordance with their respective responsibilities ~~as provided herein~~, the state board ~~of Administration~~ and the department ~~of Management Services~~ shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application *if* ~~when~~ the required information or documents are not received. The state board ~~of Administration~~ and the department ~~of Management Services~~, as appropriate, are authorized to cash out a de minimis account of a *member* ~~participant~~ who has been terminated from Florida Retirement System covered employment for a minimum of 6 calendar months. A de minimis account is an account containing employer *and employee* contributions and accumulated earnings of not more than $5,000 made under the provisions of this chapter. Such cash-out must ~~either~~ be a complete lump-sum liquidation of the account balance, subject to the provisions of the Internal Revenue Code, or a lump-sum direct rollover distribution paid directly to the custodian of an eligible retirement plan, as defined by the Internal Revenue Code, on behalf of the *member* ~~participant~~. *Any nonvested accumulations and associated service credit, including amounts transferred to the suspense account of the Florida Retirement System Investment Plan Trust Fund authorized under s. 121.4501(6), shall be forfeited upon payment of any vested benefit to a member or beneficiary, except for de minimis distributions or minimum required distributions as provided under this section.* If any financial instrument issued for the payment of retirement benefits under this section is not presented for payment within 180 days after the last day of the month in which it was originally issued, the third-party administrator or other duly authorized agent of the state board ~~of Administration~~ shall cancel the instrument and credit the amount of the instrument to the suspense account of the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund authorized under s. 121.4501(6). Any ~~such~~ amounts transferred to the suspense account are payable upon a proper application, not to include earnings thereon, as provided in this section,

within 10 years after the last day of the month in which the instrument was originally issued, after which time such amounts and any earnings *attributable to employer contributions* ~~thereon~~ shall be forfeited. Any ~~such~~ forfeited amounts are assets of the ~~Public Employee Optional Retirement Program~~ trust fund and are not subject to ~~the provisions of~~ chapter 717.

(1) NORMAL BENEFITS.—Under the *investment plan* ~~Public Employee Optional Retirement Program~~:

(a) Benefits in the form of vested accumulations as described in s. 121.4501(6) are payable under this subsection in accordance with the following terms and conditions:

1. ~~To the extent vested,~~ Benefits are payable only to a *member, an alternate payee of a qualified domestic relations order, or a beneficiary* ~~participant~~.

2. Benefits shall be paid by the third-party administrator or designated approved providers in accordance with the law, the contracts, and any applicable board rule or policy.

3. ~~To receive benefits,~~ The *member* ~~participant~~ must be terminated from all employment with all Florida Retirement System employers, as provided in s. 121.021(39).

4. Benefit payments may not be made until the *member* ~~participant~~ has been terminated for 3 calendar months, except that the *state* board may authorize by rule for the distribution of up to 10 percent of the *member's* ~~participant's~~ account after being terminated for 1 calendar month if the *member* ~~participant~~ has reached the normal retirement date as defined in s. 121.021 ~~of the defined benefit plan~~.

5. If a member or former member of the Florida Retirement System receives an invalid distribution ~~from the Public Employee Optional Retirement Program Trust Fund~~, such person must *either* repay the full *amount* ~~invalid distribution to the trust fund~~ within 90 days after receipt of final notification by the state board or the third-party administrator that the distribution was invalid*, or, in lieu of repayment, the member must terminate employment from all participating employers*. If such person fails to repay the full invalid distribution within 90 days after receipt of final notification, the person may be deemed retired from the *investment plan* ~~optional retirement program~~ by the state board~~, as provided pursuant to s. 121.4501(2)(k),~~ and is subject to s. 121.122. If such person is deemed retired ~~by the state board~~, any joint and several liability set out in s. 121.091(9)(d)2. *is* ~~becomes null and~~ void, and the state board, the department, or the employing agency is not liable for gains on payroll contributions that have not been deposited to the person's account in the *investment plan* ~~retirement program~~, pending resolution of the invalid distribution. The member or former member who has been deemed retired or who has been determined by the *state* board to have taken an invalid distribution may appeal the agency decision through the complaint process as provided under s. 121.4501(9)(g)3. As used in this subparagraph, the term "invalid distribution" means any distribution from an account in the *investment plan* ~~optional retirement program~~ which is taken in violation of this section, s. 121.091(9), or s. 121.4501.

(b) If a *member* ~~participant~~ elects to receive his or her benefits upon termination of employment as defined in s. 121.021, the *member* ~~participant~~ must submit a written application or an application by electronic means to the third-party administrator indicating his or her preferred distribution date and selecting an authorized method of distribution as provided in paragraph (c). The *member* ~~participant~~ may defer receipt of benefits until he or she chooses to make such application, subject to federal requirements.

(c) Upon receipt by the third-party administrator of a properly executed application for distribution of benefits, the total accumulated benefit *is* ~~shall be~~ payable to the *member pro rata across all Florida Retirement System benefit sources* ~~participant~~, as:

1. A lump-sum *or partial* distribution to the *member* ~~participant~~;

2. A lump-sum direct rollover distribution whereby all accrued benefits, plus interest and investment earnings, are paid from the *member's* ~~participant's~~ account directly to the custodian of an eligible retirement plan, as defined in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the *member* ~~participant~~; or

3. Periodic distributions, as authorized by the state board.

(d) The distribution payment method selected by the member or beneficiary, and the retirement of the member or beneficiary, is final and irrevocable at the time a benefit distribution payment is cashed, deposited, or transferred to another financial institution. Any additional service that remains unclaimed at retirement may not be claimed or purchased, and the type of retirement may not be changed, except that if a member recovers from a disability, the member may subsequently request benefits under subsection (2).

(e) A member may not receive a distribution of employee contributions if a pending qualified domestic relations order is filed against the member's investment plan account.

(2) DISABILITY RETIREMENT BENEFITS.—Benefits provided under this subsection are payable in lieu of the benefits *that* ~~which~~ would otherwise be payable under the provisions of subsection (1). Such benefits *must* ~~shall~~ be funded ~~entirely~~ from employer contributions made under s. 121.571, transferred *employee contributions and* ~~participant~~ funds accumulated pursuant to paragraph (a), and interest and earnings thereon. ~~Pursuant thereto:~~

(a) *Transfer of funds.*—To qualify to receive monthly disability benefits under this subsection:

1. All moneys accumulated in the *member's account* ~~participant's Public Employee Optional Retirement Program accounts~~, including vested and nonvested accumulations as described in s. 121.4501(6), *must* ~~shall~~ be transferred from such individual accounts to the division ~~of Retirement~~ for deposit in the disability account of the Florida Retirement System Trust Fund. Such moneys *must* ~~shall~~ be ~~separately~~ accounted for *separately*. Earnings *must* ~~shall~~ be credited on an annual basis for amounts held in the disability accounts of the Florida Retirement System Trust Fund based on actual earnings of the ~~Florida Retirement System~~ trust fund.

2. If the *member* ~~participant~~ has retained retirement credit ~~he or she had~~ earned under the *pension plan* ~~defined benefit program of the Florida Retirement System~~ as provided in s. 121.4501(3)~~(b)~~, a sum representing the actuarial present value of such credit within the Florida Retirement System Trust Fund shall be reassigned by the division ~~of Retirement~~ from the *pension plan* ~~defined benefit program~~ to the disability program as implemented under this subsection and shall be deposited in the disability account of the ~~Florida Retirement System~~ trust fund. Such moneys *must* ~~shall~~ be ~~separately~~ accounted for *separately*.

(b) *Disability retirement; entitlement.*—

1. A *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program~~ who becomes totally and permanently disabled, as defined in *paragraph (d)* ~~s. 121.091(4)(b)~~, after completing 8 years of creditable service, or a *member* ~~participant~~ who becomes totally and permanently disabled in the line of duty regardless of ~~his or her~~ length of service, *is* ~~shall be~~ entitled to a monthly disability benefit ~~as provided herein~~.

2. In order for service to apply toward the 8 years of *creditable* service required ~~to vest~~ for regular disability benefits, or toward the creditable service used in calculating a service-based benefit as provided ~~for~~ under paragraph (g), the service must be creditable service as described below:

a. The *member's* ~~participant's~~ period of service under the *investment plan shall* ~~Public Employee Optional Retirement Program will~~ be considered creditable service, except as provided in subparagraph d.

b. If the *member* ~~participant~~ has elected to retain credit for ~~his or her~~ service under the *pension plan* ~~defined benefit program of the Florida Retirement System~~ as provided under s. 121.4501(3)~~(b)~~, all such service *shall* ~~will~~ be considered creditable service.

c. If the *member elects* ~~participant has elected~~ to transfer to his or her *member* ~~participant~~ accounts a sum representing the present value of his or her retirement credit under the *pension plan* ~~defined benefit program~~ as provided under s. 121.4501(3)~~(c)~~, the period of service under the

pension plan ~~defined benefit program~~ represented in the present value amounts transferred *shall* ~~will~~ be considered creditable service ~~for purposes of vesting for disability benefits~~, except as provided in subparagraph d.

d. *If a member* ~~Whenever a participant~~ has terminated employment and has taken distribution of his or her funds as provided in subsection (1), all creditable service represented by such distributed funds is forfeited for purposes of this subsection.

(c) *Disability retirement effective date.*—The effective retirement date for a *member* ~~participant~~ who applies and is approved for disability retirement shall be established as provided under s. 121.091(4)(a)2. and 3.

(d) *Total and permanent disability.*—A *member* ~~participant~~ shall be considered totally and permanently disabled if, in the opinion of the division, he or she is prevented, by reason of a medically determinable physical or mental impairment, from rendering useful and efficient service as an officer or employee.

(e) *Proof of disability.*—~~The division,~~ Before approving payment of any disability retirement benefit, *the division* shall require proof that the *member* ~~participant~~ is totally and permanently disabled ~~in the same manner~~ as provided ~~for members of the defined benefit program of the Florida Retirement System~~ under s. 121.091(4)(c).

(f) *Disability retirement benefit.*—Upon the disability retirement of a *member* ~~participant~~ under this subsection, the *member* ~~participant~~ shall receive a monthly benefit that *begins accruing* ~~shall begin to accrue~~ on the first day of the month of disability retirement, as approved by the division, and *is* ~~shall be~~ payable on the last day of that month and each month thereafter during his or her lifetime and continued disability. All disability benefits *must* ~~payable to such member shall~~ be paid out of the disability account of the Florida Retirement System Trust Fund established under this subsection.

(g) *Computation of disability retirement benefit.*—The amount of each monthly payment *must* ~~shall~~ be calculated ~~in the same manner~~ as provided ~~for members of the defined benefit program of the Florida Retirement System~~ under s. 121.091(4)(f). ~~For such purpose,~~ Creditable service under both the *pension plan* ~~defined benefit program~~ and the *investment plan* ~~Public Employee Optional Retirement Program of the Florida Retirement System~~ shall be applicable as provided under paragraph (b).

(h) *Reapplication.*—A *member* ~~participant~~ whose initial application for disability retirement *is* ~~has been~~ denied may reapply for disability benefits ~~in the same manner, and under the same conditions,~~ as provided *in* ~~for members of the defined benefit program of the Florida Retirement System under~~ s. 121.091(4)(g).

(i) *Membership.*—Upon approval of *a member's* ~~an~~ application for disability benefits ~~under this subsection~~, the *member* ~~applicant~~ shall be transferred to the *pension plan* ~~defined benefit program of the Florida Retirement System~~, effective upon his or her disability retirement effective date.

(j) *Option to cancel.—A member* ~~Any participant~~ whose application for disability benefits is approved may cancel *the* ~~his or her~~ application *if* ~~for disability benefits, provided that~~ the cancellation request is received by the division before a disability retirement warrant has been deposited, cashed, or received by direct deposit. Upon ~~such~~ cancellation:

1. The *member's* ~~participant's~~ transfer to the *pension plan* ~~defined benefit program~~ under paragraph (i) shall be nullified;

2. The *member* ~~participant~~ shall be retroactively reinstated in the *investment plan* ~~Public Employee Optional Retirement Program~~ without hiatus;

3. All funds transferred to the Florida Retirement System Trust Fund under paragraph (a) *must* ~~shall~~ be returned to the *member* ~~participant~~ accounts from which *the* ~~such~~ funds were drawn; and

4. The *member* ~~participant~~ may elect to receive the benefit payable under ~~the provisions of~~ subsection (1) in lieu of disability benefits ~~as provided under this subsection~~.

(k) *Recovery from disability.*—

1. The division may require periodic reexaminations at the expense of the disability program account of the Florida Retirement System Trust Fund. Except as ~~otherwise~~ provided in subparagraph 2., ~~the requirements, procedures, and restrictions relating to the conduct and review of such reexaminations, discontinuation or termination of benefits, reentry into employment, disability retirement after reentry into covered employment, and~~ all other matters relating to recovery from disability shall be ~~the same~~ as *provided* ~~are set forth~~ under s. 121.091(4)(h).

2. Upon recovery from disability, *the* ~~any~~ recipient of disability retirement benefits under this subsection shall be a compulsory member of the *investment plan* ~~Public Employee Optional Retirement Program of the Florida Retirement System~~. The net difference between the recipient's original account balance transferred to the Florida Retirement System Trust Fund, including earnings~~, under paragraph (a)~~ and total disability benefits paid to such recipient, if any, shall be determined as provided in sub-subparagraph a.

a. An amount equal to the total benefits paid shall be subtracted from that portion of the transferred account balance consisting of vested accumulations as described under s. 121.4501(6), if any, and an amount equal to the remainder of benefit amounts paid, if any, shall ~~then~~ be subtracted from any remaining ~~portion consisting of~~ nonvested accumulations ~~as described under s. 121.4501(6)~~.

b. Amounts subtracted under sub-subparagraph a. *must* ~~shall~~ be retained within the disability account of the Florida Retirement System Trust Fund. Any remaining account balance shall be transferred to the third-party administrator for disposition as provided under sub-subparagraph c. or sub-subparagraph d., as appropriate.

c. If the recipient returns to covered employment, transferred amounts *must* ~~shall~~ be deposited in individual accounts under the *investment plan* ~~Public Employee Optional Retirement Program~~, as directed by the *member* ~~participant~~. Vested and nonvested amounts shall be ~~separately~~ accounted for *separately* as provided in s. 121.4501(6).

d. If the recipient fails to return to covered employment upon recovery from disability:

(I) Any remaining vested amount *must* ~~shall~~ be deposited in individual accounts under the *investment plan* ~~Public Employee Optional Retirement Program~~, as directed by the *member* ~~participant~~, and *is* ~~shall be~~ payable as provided in subsection (1).

(II) Any remaining nonvested amount *must* ~~shall~~ be held in a suspense account and *is* ~~shall be~~ forfeitable after 5 years as provided in s. 121.4501(6).

3. If present value was reassigned from the *pension plan* ~~defined benefit program~~ to the disability program ~~of the Florida Retirement System~~ as provided under subparagraph (a)2., the full present value amount *must* ~~shall~~ be returned to the defined benefit account within the Florida Retirement System Trust Fund and the *member's* ~~affected individual's~~ associated retirement credit under the *pension plan must* ~~defined benefit program shall~~ be reinstated in full. Any benefit based upon such credit *must* ~~shall~~ be calculated as provided in s. 121.091(4)(h) 1.

(l) *Nonadmissible causes of disability.*—A *member is* ~~participant shall~~ not ~~be~~ entitled to ~~receive~~ a disability retirement benefit if the disability results from any injury or disease ~~sustained or inflicted~~ as described in s. 121.091(4)(i).

(m) *Disability retirement of justice or judge by order of Supreme Court.*—

1. If a *member* ~~participant~~ is a justice of the Supreme Court, judge of a district court of appeal, circuit judge, or judge of a county court who has served for *the years equal to, or greater than, the vesting requirement in s. 121.021(45)* ~~6 years or more~~ as an elected constitutional judicial officer, including service as a judicial officer in any court abolished pursuant to Art. V of the State Constitution, and who is retired for disability ~~by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission~~ pursuant to *s. 12,* ~~the provisions of~~ Art. V of the State Constitution, the *member's* ~~participant's~~ Option 1 monthly disability benefit amount as provided in s. 121.091(6)(a)1. shall be two-thirds of his

or her monthly compensation as of the *member's* ~~participant's~~ disability retirement date. *The member* ~~Such a participant~~ may alternatively elect to receive an actuarially adjusted disability retirement benefit under any other option as provided in s. 121.091(6)(a), or to receive the normal benefit payable under ~~the Public Employee Optional Retirement Program as set forth in~~ subsection (1).

2. If any justice or judge who is a *member* ~~participant~~ of the *investment plan* ~~Public Employee Optional Retirement Program of the Florida Retirement System~~ is retired for disability ~~by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission~~ pursuant to *s. 12,* ~~the provisions of~~ Art. V of the State Constitution and elects to receive a monthly disability benefit under the provisions of this paragraph:

a. Any present value amount that was transferred to his or her *investment plan* ~~program~~ account and all employer *and employee* contributions made to such account on his or her behalf, plus interest and earnings thereon, *must* ~~shall~~ be transferred to and deposited in the disability account of the Florida Retirement System Trust Fund; and

b. The monthly *disability* benefits payable under this paragraph ~~for any affected justice or judge retired from the Florida Retirement System pursuant to Art. V of the State Constitution~~ shall be paid from the disability account of the Florida Retirement System Trust Fund.

(n) *Death of retiree or beneficiary.*—Upon the death of a disabled retiree or beneficiary *of the retiree* ~~thereof~~ who is receiving monthly *disability* benefits under this subsection, the monthly benefits shall be paid through the last day of the month of death and shall terminate, or be adjusted, if applicable, as of that date in accordance with the optional form of benefit selected at the time of retirement. The department ~~of Management Services~~ may adopt rules necessary to administer this paragraph.

(3) DEATH BENEFITS.—Under the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~:

(a) Survivor benefits *are* ~~shall be~~ payable in accordance with the following terms and conditions:

1. To the extent vested, benefits *are* ~~shall be~~ payable only to a *member's* ~~participant's~~ beneficiary or beneficiaries as designated by the *member* ~~participant~~ as provided in s. 121.4501(20).

2. Benefits shall be paid by the third-party administrator or designated approved providers in accordance with the law, the contracts, and any applicable *state* board rule or policy.

3. To receive benefits ~~under this subsection~~, the *member* ~~participant~~ must be deceased.

(b) In the event of a *member's* ~~participant's~~ death, all vested accumulations as described in s. 121.4501(6), less withholding taxes remitted to the Internal Revenue Service, shall be distributed, as provided in paragraph (c) or as described in s. 121.4501(20), as if the *member* ~~participant~~ retired on the date of death. No other death benefits *are* ~~shall be~~ available for survivors of *members* ~~participants under the Public Employee Optional Retirement Program~~, except for ~~such~~ benefits, or coverage for ~~such~~ benefits, as are otherwise provided by law or ~~are~~ separately *provided* ~~afforded~~ by the employer, at the employer's discretion.

(c) Upon receipt by the third-party administrator of a properly executed application for distribution of benefits, the total accumulated benefit *is* ~~shall be~~ payable by the third-party administrator to the *member's* ~~participant's~~ surviving beneficiary or beneficiaries, as:

1. A lump-sum distribution payable to the beneficiary or beneficiaries, or to the deceased *member's* ~~participant's~~ estate;

2. An eligible rollover distribution*, if permitted,* on behalf of the surviving spouse of a deceased *member* ~~participant~~, whereby all accrued benefits, plus interest and investment earnings, are paid from the deceased *member's* ~~participant's~~ account directly to the custodian of an eligible retirement plan, as described in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the surviving spouse; or

3. A partial lump-sum payment whereby a portion of the accrued benefit is paid to the deceased *member's* ~~participant's~~ surviving spouse or other designated beneficiaries, less withholding taxes remitted to the Internal Revenue Service, and the remaining amount is transferred directly to the custodian of an eligible retirement plan, *if permitted,* as described in s. 402(c)(8)(B) of the Internal Revenue Code, on behalf of the surviving spouse. The proportions must be specified by the *member* ~~participant~~ or the surviving beneficiary.

This paragraph does not abrogate other applicable provisions of state or federal law providing for payment of death benefits.

(4) LIMITATION ON LEGAL PROCESS.—The benefits payable to any person under the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~, and any contributions accumulated under *the plan* ~~such program~~, are not subject to assignment, execution, attachment, or any legal process, except for qualified domestic relations orders by a court of competent jurisdiction, income deduction orders as provided in s. 61.1301, and federal income tax levies.

Section 31. Section 121.5911, Florida Statutes, is amended to read:

121.5911 Disability retirement program; qualified status; rulemaking authority.—It is the intent of the Legislature that the disability retirement program for *members* ~~participants~~ of the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program as created in this act must~~ meet all applicable requirements of federal law for a qualified plan. The department ~~of Management Services~~ shall seek a private letter ruling from the Internal Revenue Service on the disability retirement program ~~for participants of the Public Employee Optional Retirement Program~~. Consistent with the private letter ruling, the department ~~of Management Services~~ shall adopt ~~any necessary~~ rules *necessary* ~~required~~ to maintain the qualified status of the disability retirement program and the Florida Retirement System *Pension* ~~defined benefit~~ Plan.

Section 32. Section 121.70, Florida Statutes, is amended to read:

121.70 Legislative purpose and intent.—

(1) This part provides for a uniform system for funding benefits provided under the Florida Retirement System *Pension Plan* ~~defined benefit program~~ established under part I of this chapter (referred to in this part as the *pension plan* ~~defined benefit program~~) and under the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ established under part II of this chapter (referred to in this part as the *investment plan* ~~optional retirement program~~). The Legislature recognizes and declares that the Florida Retirement System is a single retirement system, consisting of two retirement plans and other nonintegrated programs. *Employees and* employers participating in the Florida Retirement System collectively shall be responsible for making contributions to support the benefits *provided* ~~afforded~~ under both plans. *The employees and* ~~As provided in this part,~~ employers ~~participating in the Florida Retirement System~~ shall make contributions based upon uniform contribution rates determined as a percentage of the *employee's gross monthly compensation* ~~total payroll~~ for *the employee's* ~~each~~ class or subclass of Florida Retirement System membership, irrespective of *the* ~~which~~ retirement plan *in which the* individual *employee is enrolled* ~~employees may elect~~. This shall be known as a uniform or blended contribution rate system.

(2) In establishing a uniform contribution rate system, it is the intent of the Legislature to:

(a) Provide greater stability and certainty in financial planning and budgeting for Florida Retirement System employers by eliminating the fiscal instability that would be caused by dual rates coupled with employee-selected plan participation;

(b) Provide greater fiscal equity and uniformity for system employers by effectively distributing the financial burden and benefit of short-term system deficits and surpluses, respectively, in proportion to total system payroll; and

(c) Allow employees to make their retirement plan selection decisions free of circumstances that may cause employers to favor one plan choice over another.

Section 33. Section 121.71, Florida Statutes, is amended to read:

121.71 Uniform rates; process; calculations; levy.—

(1) In conducting the system actuarial study required under s. 121.031, the actuary shall follow all requirements specified ~~thereunder~~ to determine, by Florida Retirement System employee membership class, the dollar contribution amounts necessary for the *next* ~~forthcoming~~ fiscal year for the *pension plan* ~~defined benefit program~~. In addition, the actuary shall determine, by Florida Retirement System membership class, based on an estimate for the *next* ~~forthcoming~~ fiscal year of the gross compensation of employees participating in the *investment plan* ~~optional retirement program~~, the dollar contribution amounts necessary to make the allocations required under ss. 121.72 and 121.73. For each employee membership class and subclass, the actuarial study *must* ~~shall~~ establish a uniform rate necessary to fund the benefit obligations under both Florida Retirement System retirement plans by dividing the sum of total dollars required by the estimated gross compensation of members in both plans.

(2) Based on the uniform rates set forth in *subsections* ~~subsection~~ (3), *(4), and (5), employees and* employers shall make monthly contributions to the Division of Retirement *as required in s. 121.061(1)*, which shall initially deposit the funds into the Florida Retirement System Contributions Clearing Trust Fund. A change in a contribution rate is effective the first day of the month for which a full month's employer *and employee* contribution may be made on or after the beginning date of the change. *Beginning July 1, 2011, each employee shall contribute the contributions required in subsection (3). The employer shall deduct the contribution from the employee's monthly salary, and the contribution shall be submitted to the division. These contributions shall be reported as employer-paid employee contributions, and credited to the account of the employee. The contributions shall be deducted from the employee's salary before the computation of applicable federal taxes and treated as employer contributions under 26 U.S.C. s. 414(h)(2). The employer specifies that the contributions, although designated as employee contributions, are being paid by the employer in lieu of contributions by the employee. The employee does not have the option of choosing to receive the contributed amounts directly instead of having them paid by the employer to the plan. Such contributions are mandatory and each employee is considered to have consented to payroll deductions. Payment of an employee's salary or wages, less the contribution, is a full and complete discharge and satisfaction of all claims and demands for the service rendered by employees during the period covered by the payment, except their claims to the benefits to which they may be entitled under this chapter.*

(3) Required employee retirement contribution rates for each membership class and subclass of the Florida Retirement System for both retirement plans are as follows:

Membership Class	*Percentage of Gross Compensation, Effective July 1, 2011*
Regular Class	*3.00%*
Special Risk Class	*3.00%*
Special Risk Administrative Support Class	*3.00%*

DROP	*3.31%* ~~9.80%~~	*3.31%* ~~11.14%~~

(5) In order to address unfunded actuarial liabilities of the system, the required employer retirement contribution rates for each membership class and subclass of the Florida Retirement System for both retirement plans are as follows:

Membership Class	*Percentage of Gross Compensation, Effective July 1, 2011*	*Percentage of Gross Compensation, Effective July 1, 2012*
Regular Class	*0.49%*	*2.16%*
Special Risk Class	*2.75%*	*8.21%*
Special Risk Administrative Support Class	*0.83%*	*21.40%*

Elected Officers' Class—Justices, Judges	*0.77%*	*12.86%*
Elected Officers' Class—County Elected Officers	*0.73%*	*22.05%*
Senior Management Service Class	*0.32%*	*10.51%*
DROP	*0.00%*	*6.36%*

(6) If a member is reported under an incorrect membership class and the amount of contributions reported and remitted are less than the amount required, the employer shall owe the difference, plus the delinquent fee, of 1 percent for each calendar month or part thereof that the contributions should have been paid. The delinquent assessment may not be waived. If the contributions reported and remitted are more than the amount required, the employer shall receive a credit to be applied against future contributions owed.

(7)~~(4)~~ The state actuary shall recognize and use an appropriate level of available excess assets of the Florida Retirement System Trust Fund to offset the difference between the normal costs of the Florida Retirement System and the statutorily prescribed contribution rates.

Section 34. Section 121.72, Florida Statutes, is amended to read:

121.72 Allocations to *investment plan member* ~~optional retirement program participant~~ accounts; percentage amounts.—

(1) The allocations established in subsection (4) shall fund retirement benefits under the *investment plan* ~~optional retirement program~~

and shall be transferred monthly by the Division of Retirement from the Florida Retirement System Contributions Clearing Trust Fund to the third-party administrator for deposit in each participating employee's individual account based on the membership class of the participant.

(2) The allocations are stated as a percentage of each *investment plan member's* ~~optional retirement program participant's~~ gross compensation for the calendar month. A change in a contribution percentage is effective the first day of the month for which *retirement contributions* ~~a full month's employer contribution~~ may be made on or after the beginning date of the change. Contribution percentages may be modified by general law.

(3) Employer and *employee* ~~participant~~ contributions to *member* ~~participant~~ accounts shall be accounted for separately. ~~Participant contributions may be made only if expressly authorized by law.~~ Interest and investment earnings on contributions shall accrue on a tax-deferred basis until proceeds are distributed.

(4) Effective July 1, 2002, allocations from the Florida Retirement System Contributions Clearing Trust Fund to *investment plan member* ~~optional retirement program participant~~ accounts *are* ~~shall be~~ as follows:

Membership Class	Percentage of Gross Compensation
Regular Class	9.00%
Special Risk Class	20.00%
Special Risk Administrative Support Class	11.35%
Elected Officers' Class—Legislators, Governor, Lt. Governor, Cabinet Officers, State Attorneys, Public Defenders	13.40%
Elected Officers' Class—Justices, Judges	18.90%
Elected Officers' Class—County Elected Officers	16.20%
Senior Management Service Class	10.95%

Section 35. Section 121.73, Florida Statutes, is amended to read:

121.73 Allocations for *member* ~~optional retirement program participant~~ disability coverage; percentage amounts.—

(1) The allocations established in subsection (3) shall be used to provide disability coverage for *members* ~~participants~~ in the *investment plan* ~~optional retirement program~~ and shall be transferred monthly by the Division of Retirement from the Florida Retirement System Contributions Clearing Trust Fund to the disability account of the Florida Retirement System Trust Fund.

(2) The allocations are stated as a percentage of each *investment plan member's* ~~optional retirement program participant's~~ gross compensation for the calendar month. A change in a contribution percentage is effective the first day of the month for which *retirement contributions* ~~a full month's employer contribution~~ may be made on or after the beginning date of the change. Contribution percentages may be modified by general law.

(3) Effective July 1, 2002, allocations from the *Florida Retirement System Contributions* ~~FRS Contribution~~ Clearing *Trust* Fund to provide disability coverage for *members* ~~participants~~ in the *investment plan* ~~optional retirement program~~, and to offset the costs of administering said coverage, *are* ~~shall be~~ as follows:

Membership Class	Percentage of Gross Compensation
Regular Class	0.25%

Section 36. Section 121.74, Florida Statutes, is amended to read:

121.74 Administrative and educational expenses.—In addition to contributions required under *ss.* ~~s.~~ 121.71 *and 121.73*, effective July 1, 2010, through June 30, 2014, employers participating in the Florida Retirement System shall contribute an amount equal to 0.03 percent of the payroll reported for each class or subclass of Florida Retirement System membership.~~;~~ Effective July 1, 2014, the contribution rate shall be 0.04 percent of the payroll reported for each class or subclass of membership. The amount contributed shall be transferred by the Division of Retirement from the Florida Retirement System Contributions Clearing Trust Fund to the State Board of Administration's Administrative Trust Fund to offset the costs of administering the *investment plan* ~~optional retirement program~~ and the costs of providing educational services to *members of the Florida Retirement System* ~~participants in the defined benefit program and the optional retirement program~~. Approval of the trustees is required before the expenditure of these funds. Payments for third-party administrative or educational expenses shall be made only pursuant to the terms of the approved contracts for such services.

Section 37. Section 121.75, Florida Statutes, is amended to read:

121.75 Allocation for *pension plan* ~~defined benefit program~~.—After making the transfers required pursuant to ss. 121.71, 121.72, 121.73, and 121.74, the monthly balance of funds in the Florida Retirement System Contributions Clearing Trust Fund shall be transferred to the Florida Retirement System Trust Fund to pay the costs of providing *pension plan* ~~defined benefit program~~ benefits and plan administrative costs under the *pension plan* ~~defined benefit program~~.

Section 38. Section 121.77, Florida Statutes, is amended to read:

121.77 Deductions from *member* ~~participant~~ accounts.—The State Board of Administration may authorize the third-party administrator to deduct reasonable fees and apply appropriate charges to *investment plan member* ~~optional retirement program participant~~ accounts. In no event *may* ~~shall~~ administrative and educational expenses exceed the portion of employer contributions earmarked for such expenses under this part, except for reasonable administrative charges assessed against *member* ~~participant~~ accounts of persons for whom no employer contributions are made during the calendar quarter. Investment management fees shall be deducted from *member* ~~participant~~ accounts, pursuant to the terms of the contract between the provider and the board.

Section 39. Section 121.78, Florida Statutes, is amended to read:

121.78 Payment and distribution of contributions.—

(1) Contributions made pursuant to this part shall be paid by the employer*, including the employee contribution,* to the Division of Retirement by electronic funds transfer no later than the 5th working day of the month immediately following the month during which the payroll period ended. Accompanying payroll data must be transmitted to the division concurrent with the contributions.

(2) The division, the State Board of Administration, and the third-party administrator, as applicable, shall ensure that the contributions are distributed to the appropriate trust funds or participant accounts in a timely manner.

(3)(a) *Employee and* employer contributions and accompanying payroll data received after the 5th working day of the month are considered late. The employer shall be assessed by the Division of Retirement a penalty of 1 percent of the contributions due for each calendar month or part thereof that the contributions or accompanying payroll data are late. Proceeds from the *1 percent* ~~1 percent~~ assessment against con-

tributions made on behalf of *members* ~~participants~~ of the *pension plan must* ~~defined benefit program shall~~ be deposited in the Florida Retirement System Trust Fund, and proceeds from the 1-percent assessment against contributions made on behalf of *members* ~~participants~~ of the *investment plan* ~~optional retirement program~~ shall be transferred to the third-party administrator for deposit into *member* ~~participant~~ accounts, as provided in paragraph *(c)* ~~(b)~~.

(b) Retirement contributions paid for a prior period shall be charged a delinquent fee of 1 percent for each calendar month or part thereof that the contributions should have been paid. This includes prior period contributions due to incorrect wages and contributions from an earlier report or wages and contributions that should have been reported but were not. The delinquent assessments may not be waived.

(c)~~(b)~~ If *employee contributions or* contributions made by an employer on behalf of *members* ~~participants~~ of the *investment plan* ~~optional retirement program~~ or accompanying payroll data are not received within the calendar month they are due, including, but not limited to, contribution adjustments as a result of employer errors or corrections, and if that delinquency results in market losses to *members* ~~participants~~, the employer shall reimburse each *member's* ~~participant's~~ account for market losses resulting from the late contributions. If a *member* ~~participant~~ has terminated employment and taken a distribution, the *member* ~~participant~~ is responsible for returning any excess contributions erroneously provided by employers, adjusted for any investment gain or loss incurred during the period such excess contributions were in the *member's* ~~participant's~~ account. The state board or its designated agent shall communicate to terminated *members* ~~participants~~ any obligation to repay such excess contribution amounts. However, the state board, its designated agents, the *Florida Retirement System Investment Plan* ~~Public Employee Optional Retirement Program~~ Trust Fund, the department, or the Florida Retirement System Trust Fund may not incur any loss or gain as a result of an employer's correction of such excess contributions. The third-party administrator, hired by the state board pursuant to s. 121.4501(8), shall calculate the market losses for each affected *member* ~~participant~~. If contributions made on behalf of *members* ~~participants~~ of the *investment plan* ~~optional retirement program~~ or accompanying payroll data are not received within the calendar month due, the employer shall also pay the cost of the third-party administrator's calculation and reconciliation adjustments resulting from the late contributions. The third-party administrator shall notify the employer of the results of the calculations and the total amount due from the employer for such losses and the costs of calculation and reconciliation. The employer shall remit to the Division of Retirement the amount due within 30 working days after the date of the penalty notice sent by the division. The division shall transfer that amount to the third-party administrator, which shall deposit proceeds from the 1-percent assessment and from individual market losses into *member* ~~participant~~ accounts, as appropriate. The state board may adopt rules to administer the provisions regarding late contributions, late submission of payroll data, the process for reimbursing *member* ~~participant~~ accounts for resultant market losses, and the penalties charged to the employers.

(d) If employee contributions reported by an employer on behalf of members are reduced as a result of employer errors or corrections, and the member has terminated employment and taken a refund or distribution, the employer shall be billed and is responsible for recovering from the member any excess contributions erroneously provided by the employer.

(e)~~(c)~~ Delinquency fees *specified in paragraph (a)* may be waived by the division ~~of Retirement~~, with regard to *pension plan* ~~defined benefit program~~ contributions, and by the state board, with regard to *investment plan* ~~optional retirement program~~ contributions, only if, in the opinion of the division or the board, as appropriate, exceptional circumstances beyond the employer's control prevented remittance by the prescribed due date notwithstanding the employer's good faith efforts to effect delivery. Such a waiver of delinquency may be granted an employer only once each *plan* ~~state fiscal~~ year.

(f) If the employer submits excess employer or employee contributions, the employer shall receive a credit to be applied against future contributions owed. The employer is responsible for reimbursing the member for any excess contributions submitted if any return of such an erroneous excess pretax contribution by the program is made within 1 year after making erroneous contributions or such other period allowed under applicable Internal Revenue guidance.

(g)~~(d)~~ If contributions made by an employer on behalf of *members* ~~participants~~ in the *investment plan* ~~optional retirement program~~ are delayed in posting to *member* ~~participant~~ accounts due to acts of God beyond the control of the Division of Retirement, the state board, or the third-party administrator, as applicable, market losses resulting from the late contributions are not payable to the *members* ~~participants~~.

Section 40. Paragraph (a) of subsection (4) and paragraph (b) of subsection (5) of section 1012.875, Florida Statutes, are amended, and subsection (7) is added to that section, to read:

1012.875 State Community College System Optional Retirement Program.—Each community college may implement an optional retirement program, if such program is established therefor pursuant to s. 1001.64(20), under which annuity or other contracts providing retirement and death benefits may be purchased by, and on behalf of, eligible employees who participate in the program, in accordance with s. 403(b) of the Internal Revenue Code. Except as otherwise provided herein, this retirement program, which shall be known as the State Community College System Optional Retirement Program, may be implemented and administered only by an individual community college or by a consortium of community colleges.

(4)(a)*1. Through June 30, 2011,* each college must contribute on behalf of each program *member* ~~participant~~ an amount equal to 10.43 percent of the *employee's* ~~participant's~~ gross monthly compensation.

2. Effective July 1, 2011, each member shall contribute an amount equal to the employee contribution required under s. 121.71(3). The employer shall contribute on behalf of each program member an amount equal to the difference between 10.43 percent of the employee's gross monthly compensation and the employee's required contribution based on the employee's gross monthly compensation.

3. The college shall deduct an amount approved by the district board of trustees of the college to provide for the administration of the optional retirement program. Payment of this contribution must be made ~~either~~ directly by the college or through the program administrator to the designated company contracting for payment of benefits to the program *member* ~~participant~~.

(5)

(b) Benefits are payable under the optional retirement program to program participants or their beneficiaries, and ~~the benefits must be~~ paid only by the designated company in accordance with the terms of the contracts applicable to the program participant. Benefits shall accrue in individual accounts that are participant-directed, portable, and funded by employer *and employee* contributions and the earnings thereon. Benefits funded by employer *and employee* contributions are payable in accordance with the following terms and conditions:

1. Benefits shall be payable only to a participant, to his or her beneficiaries, or to his or her estate, as designated by the participant.

2. Benefits shall be paid by the provider company or companies in accordance with the law, the provisions of the contract, and any applicable employer rule or policy.

3. In the event of a participant's death, moneys accumulated by, or on behalf of, the participant, less withholding taxes remitted to the Internal Revenue Service, if any, shall be distributed to the participant's designated beneficiary or beneficiaries, or to the participant's estate, as if the participant retired on the date of death as provided in paragraph (d). No other death benefits *are* ~~shall be~~ available for survivors of participants under the optional retirement program except for such benefits, or coverage for such benefits, as are separately afforded by the employer at the employer's discretion.

(7) Benefits, including employee contributions, are not payable for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason before termination from all employment relationships with participating employers for 3 calendar months.

Section 41. *(1) Effective upon this act becoming a law, the State Board of Administration and the Department of Management Services shall request, as soon as practicable, a determination letter and private letter ruling from the United States Internal Revenue Service. If the United States Internal Revenue Service refuses to act upon a request for a*

private letter ruling, then a legal opinion from a qualified tax attorney or firm may be substituted for such private letter ruling.

(2) If the board or the department receives notification from the United States Internal Revenue Service that this act or any portion of this act will cause the Florida Retirement System, or a portion thereof, to be disqualified for tax purposes under the Internal Revenue Code, then the portion that will cause the disqualification does not apply. Upon receipt of such notice, the state board and the department shall notify the presiding officers of the Legislature.

Section 42. *The Legislature finds that a proper and legitimate state purpose is served when employees and retirees of the state and its political subdivisions, and the dependents, survivors, and beneficiaries of such employees and retirees, are extended the basic protections afforded by governmental retirement systems. These persons must be provided benefits that are fair and adequate and that are managed, administered, and funded in an actuarially sound manner, as required by s. 14, Article X of the State Constitution and part VII of chapter 112, Florida Statutes. Therefore, the Legislature determines and declares that this act fulfills an important state interest.*

Section 43. *For the 2011-2012 fiscal year, the sums of $207,070 of recurring funds and $31,184 of nonrecurring funds from the Florida Retirement System Operating Trust Fund are appropriated to, and four full-time equivalent positions are authorized for, the Division of Retirement within the Department of Management Services for the purpose of implementing this act.*

Section 44. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2011.

The Conference Committee Amendment for SB 2146, relating to the Department of Children and Family Services, provides for the following:

- Creates Section 409.16713, Florida Statutes.
  - Requires the Department of Children and Family Services to allocate funds for community-based lead agencies according to an equity allocation model;
  - Specifies the funding included and excluded from the equity model;
  - Specifies the factors used in the equity model;
  - Specifies the weighting for these factors to calculate the equity allocation;
  - Requires that 75 percent of recurring core services funding for each lead agency be based on the prior year recurring base, and 25 percent be based on the equity allocation model; and
  - Specifies that any new funds for Fiscal Year 2011-2012 be allocated based on the equity allocation model and only to those lead agencies where the current funding proportion is less than the proportion of funding based on the model.

Conference Committee Amendment (528204)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 409.16713, Florida Statutes, is created to read:

409.16713 Allocation of funds for community-based care lead agencies.—

(1) As used in this section, the term:

(a) "Core services funding" means all funds allocated to community-based care lead agencies operating under contract with the department pursuant to s. 409.1671, with the following exceptions:

1. Funds appropriated for independent living;

2. Funds appropriated for maintenance adoption subsidies;

3. Funds allocated by the department for protective investigations training;

4. Nonrecurring funds;

5. Designated mental health wrap-around services funds; and

6. Funds for special projects for a designated community-based care lead agency.

(b) "Equity allocation model" means an allocation model that uses the following factors:

1. Proportion of children in poverty;

2. Proportion of child abuse hotline workload;

3. Proportion of children in care; and

4. Proportion of contribution in the reduction of out-of-home care.

(c) "Proportion of children in poverty" means the average of the proportion of children in the geographic area served by the community-based care lead agency based on the following subcomponents:

1. Children up to 18 years of age who are below the poverty level as determined by the latest available Small Area Income and Poverty Estimates (SAIPE) from the United States Census Bureau;

2. Children eligible for free or reduced-price meals as determined by the latest available survey published by the Department of Education; and

3. The number of children in families receiving benefits from the federal Supplemental Nutrition Assistance Program (SNAP) in the most recent month as determined by the department.

(d) "Proportion of child abuse hotline workload" means the weighted average of the following subcomponents:

1. The average number of initial and additional child abuse reports received during the month for the most recent 12 months based on child protective investigations trend reports as determined by the department. This subcomponent shall be weighted as 20 percent of the factor.

2. The average count of children in investigations in the most recent 12 months based on child protective investigations trend reports as determined by the department. This subcomponent shall be weighted as 40 percent of the factor.

3. The average count of children in investigations with a most serious finding of verified abuse in the most recent 12 months based on child protective investigations trend reports as determined by the department. This subcomponent shall be weighted as 40 percent of the factor.

(e) "Proportion of children in care" means the proportion of the sum of the number of children in care receiving in-home services and the number of children in out-of-home care at the end of the most recent month as reported in the child welfare services trend reports as determined by the department.

(f) "Proportion of contribution in the reduction of out-of-home care" means the proportion of the number of children in out-of-home care on December 31, 2006, minus the number of children in out-of-home care as of the end of the most recent month as reported in the child welfare services trend reports as determined by the department.

(2) The equity allocation of core services funds shall be calculated based on the following weights:

(a) Proportion of children in poverty shall be weighted as 30 percent of the total;

(b) Proportion of child abuse hotline workload shall be weighted as 30 percent of the total;

(c) Proportion of children in care shall be weighted as 30 percent of the total; and

(d) Proportion of contribution to the reduction in out-of-home care shall be weighted as 10 percent of the total.

(3) Beginning in the 2011-2012 state fiscal year, 75 percent of the recurring core services funding for each community-based care lead agency shall be based on the prior year recurring base of core services funds and 25 percent shall be based on the equity allocation model.

(4) For the 2011-2012 state fiscal year, any new core services funds shall be allocated based on the equity allocation model. Such allocations shall be proportional to the proportion of funding based on the equity model and allocated only to the community-based care lead agency contracts where the current funding proportion is less than the proportion of funding based on the equity model.

Section 2. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Department of Children and Family Services; creating s. 409.16713, F.S.; defining terms; providing for the allocation of funding for community-based care lead agencies; providing an effective date.

—a companion measure, was substituted for **CS for SB 1736** and by two-thirds vote read the second time by title.

Senator Latvala moved the following amendment:

Amendment 1 (258560) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (1) of section 83.42, Florida Statutes, is amended to read:

83.42 Exclusions from application of part.—This part does not apply to:

(1) Residency or detention in a facility, whether public or private, when residence or detention is incidental to the provision of medical, geriatric, educational, counseling, religious, or similar servFices. *For residents of a facility licensed under part II of chapter 400, the provisions of s. 400.0255 are the exclusive procedures for all transfers and discharges.*

Section 2. Paragraphs (f) through (k) of subsection (10) of section 112.0455, Florida Statutes, are redesignated as paragraphs (e) through (j), respectively, paragraph (e) of subsection (12) is redesignated as paragraph (d), and present paragraph (e) of subsection (10), present paragraph (d) of subsection (12), and paragraph (e) of subsection (14) of that section are amended to read:

112.0455 Drug-Free Workplace Act.—

(10) EMPLOYER PROTECTION.—

~~(e) Nothing in this section shall be construed to operate retroactively, and nothing in this section shall abrogate the right of an employer under state law to conduct drug tests prior to January 1, 1990. A drug test conducted by an employer prior to January 1, 1990, is not subject to this section.~~

(12) DRUG-TESTING STANDARDS; LABORATORIES.—

~~(d) The laboratory shall submit to the Agency for Health Care Administration a monthly report with statistical information regarding the testing of employees and job applicants. The reports shall include information on the methods of analyses conducted, the drugs tested for, the number of positive and negative results for both initial and confirmation tests, and any other information deemed appropriate by the Agency for Health Care Administration. No monthly report shall identify specific employees or job applicants.~~

(14) DISCIPLINE REMEDIES.—

(e) Upon resolving an appeal filed pursuant to paragraph (c), and finding a violation of this section, the commission may order the following relief:

1. Rescind the disciplinary action, expunge related records from the personnel file of the employee or job applicant and reinstate the employee.

2. Order compliance with paragraph (10)*(f)*~~(g)~~.

3. Award back pay and benefits.

4. Award the prevailing employee or job applicant the necessary costs of the appeal, reasonable attorney's fees, and expert witness fees.

Section 3. Paragraph (n) of subsection (1) of section 154.11, Florida Statutes, is amended to read:

154.11 Powers of board of trustees.—

(1) The board of trustees of each public health trust shall be deemed to exercise a public and essential governmental function of both the state and the county and in furtherance thereof it shall, subject to limitation by the governing body of the county in which such board is located, have all of the powers necessary or convenient to carry out the operation and governance of designated health care facilities, including, but without limiting the generality of, the foregoing:

(n) To appoint originally the staff of physicians to practice in any designated facility owned or operated by the board and to approve the bylaws and rules to be adopted by the medical staff of any designated facility owned and operated by the board, such governing regulations to be in accordance with the standards of the Joint Commission ~~on the Accreditation of Hospitals~~ which provide, among other things, for the method of appointing additional staff members and for the removal of staff members.

Section 4. Subsection (15) of section 318.21, Florida Statutes, is amended to read:

318.21 Disposition of civil penalties by county courts.—All civil penalties received by a county court pursuant to the provisions of this chapter shall be distributed and paid monthly as follows:

(15) Of the additional fine assessed under s. 318.18(3)(e) for a violation of s. 316.1893, 50 percent of the moneys received from the fines *shall be remitted to the Department of Revenue and deposited into the Brain and Spinal Cord Injury Trust Fund of Department of Health and* shall be appropriated to the *Department of Health* ~~Agency for Health Care Administration~~ as general revenue to ~~provide an enhanced Medicaid payment to nursing homes that~~ serve Medicaid recipients with brain and spinal cord injuries *that are medically complex and who are technologically and respiratory dependent*. The remaining 50 percent of the moneys received from the enhanced fine imposed under s. 318.18(3)(e) shall be remitted to the Department of Revenue and deposited into the Department of Health Emergency Medical Services Trust Fund to provide financial support to certified trauma centers in the counties where enhanced penalty zones are established to ensure the availability and accessibility of trauma services. Funds deposited into the Emergency Medical Services Trust Fund under this subsection shall be allocated as follows:

(a) Fifty percent shall be allocated equally among all Level I, Level II, and pediatric trauma centers in recognition of readiness costs for maintaining trauma services.

(b) Fifty percent shall be allocated among Level I, Level II, and pediatric trauma centers based on each center's relative volume of trauma cases as reported in the Department of Health Trauma Registry.

Section 5. *Section 383.325, Florida Statutes, is repealed.*

Section 6. Subsection (7) of section 394.4787, Florida Statutes, is amended to read:

394.4787 Definitions; ss. 394.4786, 394.4787, 394.4788, and 394.4789.—As used in this section and ss. 394.4786, 394.4788, and 394.4789:

(7) "Specialty psychiatric hospital" means a hospital licensed by the agency pursuant to s. 395.002*(26)*~~(28)~~ and part II of chapter 408 as a specialty psychiatric hospital.

Section 7. Subsection (2) of section 394.741, Florida Statutes, is amended to read:

394.741 Accreditation requirements for providers of behavioral health care services.—

(2) Notwithstanding any provision of law to the contrary, accreditation shall be accepted by the agency and department in lieu of the agency's and department's facility licensure onsite review requirements and shall be accepted as a substitute for the department's administrative and program monitoring requirements, except as required by subsections (3) and (4), for:

(a) Any organization from which the department purchases behavioral health care services that is accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~ or the Council on Accreditation ~~for Children and Family Services~~, or has those services that are being purchased by the department accredited by *the Commission on Accreditation of Rehabilitation Facilities* ~~CARF—the Rehabilitation Accreditation Commission~~.

(b) Any mental health facility licensed by the agency or any substance abuse component licensed by the department that is accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~, *the Commission on Accreditation of Rehabilitation Facilities* ~~CARF—the Rehabilitation Accreditation Commission~~, or the Council on Accreditation ~~of Children and Family Services~~.

(c) Any network of providers from which the department or the agency purchases behavioral health care services accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~, *the Commission on Accreditation of Rehabilitation Facilities* ~~CARF—the Rehabilitation Accreditation Commission~~, the Council on Accreditation ~~of Children and Family Services~~, or the National Committee for Quality Assurance. A provider organization, which is part of an accredited network, is afforded the same rights under this part.

Section 8. Present subsections (15) through (32) of section 395.002, Florida Statutes, are renumbered as subsections (14) through (28), respectively, and present subsections (1), (14), (24), (30), and (31) and paragraph (c) of present subsection (28) of that section are amended to read:

395.002 Definitions.—As used in this chapter:

(1) "Accrediting organizations" means *nationally recognized or approved accrediting organizations whose standards incorporate comparable licensure requirements as determined by the agency* ~~the Joint Commission on Accreditation of Healthcare Organizations, the American Osteopathic Association, the Commission on Accreditation of Rehabilitation Facilities, and the Accreditation Association for Ambulatory Health Care, Inc~~.

~~(14) "Initial denial determination" means a determination by a private review agent that the health care services furnished or proposed to be furnished to a patient are inappropriate, not medically necessary, or not reasonable.~~

~~(24) "Private review agent" means any person or entity which performs utilization review services for third-party payors on a contractual basis for outpatient or inpatient services. However, the term shall not include full-time employees, personnel, or staff of health insurers, health maintenance organizations, or hospitals, or wholly owned subsidiaries thereof or affiliates under common ownership, when performing utilization review for their respective hospitals, health maintenance organizations, or insureds of the same insurance group. For this purpose, health insurers, health maintenance organizations, and hospitals, or wholly owned subsidiaries thereof or affiliates under common ownership, include such entities engaged as administrators of self-insurance as defined in s. 624.031.~~

(26)~~(28)~~ "Specialty hospital" means any facility which meets the provisions of subsection (12), and which regularly makes available either:

(c) Intensive residential treatment programs for children and adolescents as defined in subsection *(14)* ~~(15)~~.

~~(30) "Utilization review" means a system for reviewing the medical necessity or appropriateness in the allocation of health care resources of hospital services given or proposed to be given to a patient or group of patients.~~

~~(31) "Utilization review plan" means a description of the policies and procedures governing utilization review activities performed by a private review agent.~~

Section 9. Paragraph (c) of subsection (1) and paragraph (b) of subsection (2) of section 395.003, Florida Statutes, are amended to read:

395.003 Licensure; denial, suspension, and revocation.—

(1)

~~(c) Until July 1, 2006, additional emergency departments located off the premises of licensed hospitals may not be authorized by the agency.~~

(2)

(b) The agency shall, at the request of a licensee that is a teaching hospital as defined in s. 408.07(45), issue a single license to a licensee for facilities that have been previously licensed as separate premises, provided such separately licensed facilities, taken together, constitute the same premises as defined in s. 395.002*(22)*~~(23)~~. Such license for the single premises shall include all of the beds, services, and programs that were previously included on the licenses for the separate premises. The granting of a single license under this paragraph shall not in any manner reduce the number of beds, services, or programs operated by the licensee.

Section 10. Subsection (3) of section 395.0161, Florida Statutes, is amended to read:

395.0161 Licensure inspection.—

(3) In accordance with s. 408.805, an applicant or licensee shall pay a fee for each license application submitted under this part, part II of chapter 408, and applicable rules. With the exception of state-operated licensed facilities, each facility licensed under this part shall pay to the agency~~, at the time of inspection,~~ the following fees:

(a) *Inspection for licensure.*—A fee shall be paid which is not less than $8 per hospital bed, nor more than $12 per hospital bed, except that the minimum fee shall be $400 per facility.

(b) *Inspection for lifesafety only.*—A fee shall be paid which is not less than 75 cents per hospital bed, nor more than $1.50 per hospital bed, except that the minimum fee shall be $40 per facility.

Section 11. Paragraph (e) of subsection (2) and subsection (4) of section 395.0193, Florida Statutes, are amended to read:

395.0193 Licensed facilities; peer review; disciplinary powers; agency or partnership with physicians.—

(2) Each licensed facility, as a condition of licensure, shall provide for peer review of physicians who deliver health care services at the facility. Each licensed facility shall develop written, binding procedures by which such peer review shall be conducted. Such procedures shall include:

(e) Recording of agendas and minutes which do not contain confidential material, for review by the Division of *Medical Quality Assurance of the department* ~~Health Quality Assurance of the agency~~.

(4) Pursuant to ss. 458.337 and 459.016, any disciplinary actions taken under subsection (3) shall be reported in writing to the Division of *Medical Quality Assurance of the department* ~~Health Quality Assurance of the agency~~ within 30 working days after its initial occurrence, regardless of the pendency of appeals to the governing board of the hospital. The notification shall identify the disciplined practitioner, the action taken, and the reason for such action. All final disciplinary actions taken under subsection (3), if different from those which were reported to the *department* ~~agency~~ within 30 days after the initial occurrence, shall be reported within 10 working days to the Division of *Medical Quality Assurance of the department* ~~Health Quality Assurance of the agency~~ in writing and shall specify the disciplinary action taken and the specific grounds therefor. The division shall review each report and determine whether it potentially involved conduct by the licensee that is subject to disciplinary action, in which case s. 456.073 shall apply. The reports are not subject to inspection under s. 119.07(1) even if the division's investigation results in a finding of probable cause.

Section 12. Section 395.1023, Florida Statutes, is amended to read:

395.1023 Child abuse and neglect cases; duties.—Each licensed facility shall adopt a protocol that, at a minimum, requires the facility to:

(1) Incorporate a facility policy that every staff member has an affirmative duty to report, pursuant to chapter 39, any actual or suspected case of child abuse, abandonment, or neglect; and

(2) In any case involving suspected child abuse, abandonment, or neglect, designate, at the request of the Department *of Children and Family Services*, a staff physician to act as a liaison between the hospital and the Department of Children and Family Services office which is investigating the suspected abuse, abandonment, or neglect, and the child protection team, as defined in s. 39.01, when the case is referred to such a team.

Each general hospital and appropriate specialty hospital shall comply with the provisions of this section and shall notify the agency and the Department *of Children and Family Services* of its compliance by sending a copy of its policy to the agency and the Department *of Children and Family Services* as required by rule. The failure by a general hospital or appropriate specialty hospital to comply shall be punished by a fine not exceeding $1,000, to be fixed, imposed, and collected by the agency. Each day in violation is considered a separate offense.

Section 13. Subsection (2) and paragraph (d) of subsection (3) of section 395.1041, Florida Statutes, are amended to read:

395.1041 Access to emergency services and care.—

(2) INVENTORY OF HOSPITAL EMERGENCY SERVICES.—The agency shall establish and maintain an inventory of hospitals with emergency services. The inventory shall list all services within the service capability of the hospital, and such services shall appear on the face of the hospital license. Each hospital having emergency services shall notify the agency of its service capability in the manner and form prescribed by the agency. The agency shall use the inventory to assist emergency medical services providers and others in locating appropriate emergency medical care. The inventory shall also be made available to the general public. ~~On or before August 1, 1992, the agency shall request that each hospital identify the services which are within its service capability. On or before November 1, 1992, the agency shall notify each hospital of the service capability to be included in the inventory. The hospital has 15 days from the date of receipt to respond to the notice. By December 1, 1992, the agency shall publish a final inventory.~~ Each hospital shall reaffirm its service capability when its license is renewed and shall notify the agency of the addition of a new service or the termination of a service prior to a change in its service capability.

(3) EMERGENCY SERVICES; DISCRIMINATION; LIABILITY OF FACILITY OR HEALTH CARE PERSONNEL.—

(d)1. Every hospital shall ensure the provision of services within the service capability of the hospital, at all times, either directly or indirectly through an arrangement with another hospital, through an arrangement with one or more physicians, or as otherwise made through prior arrangements. A hospital may enter into an agreement with another hospital for purposes of meeting its service capability requirement, and appropriate compensation or other reasonable conditions may be negotiated for these backup services.

2. If any arrangement requires the provision of emergency medical transportation, such arrangement must be made in consultation with the applicable provider and may not require the emergency medical service provider to provide transportation that is outside the routine service area of that provider or in a manner that impairs the ability of the emergency medical service provider to timely respond to prehospital emergency calls.

3. A hospital shall not be required to ensure service capability at all times as required in subparagraph 1. if, prior to the receiving of any patient needing such service capability, such hospital has demonstrated to the agency that it lacks the ability to ensure such capability and it has exhausted all reasonable efforts to ensure such capability through backup arrangements. In reviewing a hospital's demonstration of lack of ability to ensure service capability, the agency shall consider factors relevant to the particular case, including the following:

a. Number and proximity of hospitals with the same service capability.

b. Number, type, credentials, and privileges of specialists.

c. Frequency of procedures.

d. Size of hospital.

4. The agency shall publish ~~proposed~~ rules implementing a reasonable exemption procedure ~~by November 1, 1992~~. ~~Subparagraph 1. shall become effective upon the effective date of said rules or January 31, 1993, whichever is earlier. For a period not to exceed 1 year from the effective date of subparagraph 1., a hospital requesting an exemption shall be deemed to be exempt from offering the service until the agency initially acts to deny or grant the original request.~~ The agency has 45 days *after* ~~from~~ the date of receipt of the request to approve or deny the request. ~~After the first year from the effective date of subparagraph 1.,~~ If the agency fails to initially act within *that* ~~the~~ time period, the hospital is deemed to be exempt from offering the service until the agency initially acts to deny the request.

Section 14. *Section 395.1046, Florida Statutes, is repealed.*

Section 15. Paragraphs (b) and (e) of subsection (1) of section 395.1055, Florida Statutes, are amended to read:

395.1055 Rules and enforcement.—

(1) The agency shall adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this part, which shall include reasonable and fair minimum standards for ensuring that:

(b) Infection control, housekeeping, sanitary conditions, and medical record procedures that will adequately protect patient care and safety are established and implemented. *These procedures shall require housekeeping and sanitation staff to wear masks and gloves when cleaning patient rooms and disinfecting environmental surfaces in patient rooms in accordance with the time instructions on the label of the disinfectant used by the hospital. The agency may impose an administrative fine for each day that a violation of this paragraph occurs.*

(e) Licensed facility beds conform to minimum space, equipment, and furnishings standards as specified by the *agency, the Florida Building Code, and the Florida Fire Prevention Code* ~~department~~.

Section 16. Subsection (1) of section 395.10972, Florida Statutes, is amended to read:

395.10972 Health Care Risk Manager Advisory Council.—The Secretary of Health Care Administration may appoint a seven-member advisory council to advise the agency on matters pertaining to health care risk managers. The members of the council shall serve at the pleasure of the secretary. The council shall designate a chair. The council shall meet at the call of the secretary or at those times as may be required by rule of the agency. The members of the advisory council shall

receive no compensation for their services, but shall be reimbursed for travel expenses as provided in s. 112.061. The council shall consist of individuals representing the following areas:

(1) Two shall be active health care risk managers, including one risk manager who is recommended by and a member of the Florida Society *for* ~~of~~ Healthcare Risk Management *and Patient Safety*.

Section 17. Subsection (3) of section 395.2050, Florida Statutes, is amended to read:

395.2050 Routine inquiry for organ and tissue donation; certification for procurement activities; death records review.—

(3) Each organ procurement organization designated by the federal *Centers for Medicare and Medicaid Services* ~~Health Care Financing Administration~~ and licensed by the state shall conduct an annual death records review in the organ procurement organization's affiliated donor hospitals. The organ procurement organization shall enlist the services of every Florida licensed tissue bank and eye bank affiliated with or providing service to the donor hospital and operating in the same service area to participate in the death records review.

Section 18. Subsection (2) of section 395.3036, Florida Statutes, is amended to read:

395.3036 Confidentiality of records and meetings of corporations that lease public hospitals or other public health care facilities.—The records of a private corporation that leases a public hospital or other public health care facility are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution, and the meetings of the governing board of a private corporation are exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution when the public lessor complies with the public finance accountability provisions of s. 155.40(5) with respect to the transfer of any public funds to the private lessee and when the private lessee meets at least three of the five following criteria:

(2) The public lessor and the private lessee do not commingle any of their funds in any account maintained by either of them, other than the payment of the rent and administrative fees or the transfer of funds pursuant to *s. 155.40* ~~subsection (2)~~.

Section 19. *Section 395.3037, Florida Statutes, is repealed.*

Section 20. Subsections (1), (4), and (5) of section 395.3038, Florida Statutes, are amended to read:

395.3038 State-listed primary stroke centers and comprehensive stroke centers; notification of hospitals.—

(1) The agency shall make available on its website and to the department a list of the name and address of each hospital that meets the criteria for a primary stroke center and the name and address of each hospital that meets the criteria for a comprehensive stroke center. The list of primary and comprehensive stroke centers shall include only those hospitals that attest in an affidavit submitted to the agency that the hospital meets the named criteria, or those hospitals that attest in an affidavit submitted to the agency that the hospital is certified as a primary or a comprehensive stroke center by the Joint Commission ~~on Accreditation of Healthcare Organizations~~.

(4) The agency shall adopt by rule criteria for a primary stroke center which are substantially similar to the certification standards for primary stroke centers of the Joint Commission ~~on Accreditation of Healthcare Organizations~~.

(5) The agency shall adopt by rule criteria for a comprehensive stroke center. However, if the Joint Commission ~~on Accreditation of Healthcare Organizations~~ establishes criteria for a comprehensive stroke center, the agency shall establish criteria for a comprehensive stroke center which are substantially similar to those criteria established by the Joint Commission ~~on Accreditation of Healthcare Organizations~~.

Section 21. Paragraph (d) of subsection (2) of section 395.4025, Florida Statutes, is amended to read:

395.4025 Trauma centers; selection; quality assurance; records.—

(2)

(d)1. Notwithstanding other provisions in this section, the department may grant up to an additional 18 months to a hospital applicant that is unable to meet all requirements as provided in paragraph (c) at the time of application if the number of applicants in the service area in which the applicant is located is equal to or less than the service area allocation, as provided by rule of the department. An applicant that is granted additional time pursuant to this paragraph shall submit a plan for departmental approval which includes timelines and activities that the applicant proposes to complete in order to meet application requirements. Any applicant that demonstrates an ongoing effort to complete the activities within the timelines outlined in the plan shall be included in the number of trauma centers at such time that the department has conducted a provisional review of the application and has determined that the application is complete and that the hospital has the critical elements required for a trauma center. *An applicant that has received an additional 18 months pursuant to this paragraph shall be granted up to two additional 6-month extensions to meet all requirements as provided in paragraph (c), if construction related to a critical element is delayed as a result of governmental action or inaction with respect to regulations or permitting, and the applicant has made a good faith effort to comply with the applicable regulations or obtain the required permits.*

2. Timeframes provided in subsections (1)-(8) shall be stayed until the department determines that the application is complete and that the hospital has the critical elements required for a trauma center.

Section 22. Paragraph (e) of subsection (2) of section 395.602, Florida Statutes, is amended to read:

395.602 Rural hospitals.—

(2) DEFINITIONS.—As used in this part:

(e) "Rural hospital" means an acute care hospital licensed under this chapter, having 100 or fewer licensed beds and an emergency room, which is:

1. The sole provider within a county with a population density of no greater than 100 persons per square mile;

2. An acute care hospital, in a county with a population density of no greater than 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from any other acute care hospital within the same county;

3. A hospital supported by a tax district or subdistrict whose boundaries encompass a population of 100 persons or fewer per square mile;

~~4. A hospital in a constitutional charter county with a population of over 1 million persons that has imposed a local option health service tax pursuant to law and in an area that was directly impacted by a catastrophic event on August 24, 1992, for which the Governor of Florida declared a state of emergency pursuant to chapter 125, and has 120 beds or less that serves an agricultural community with an emergency room utilization of no less than 20,000 visits and a Medicaid inpatient utilization rate greater than 15 percent;~~

4.~~5.~~ A hospital with a service area that has a population of 100 persons or fewer per square mile. As used in this subparagraph, the term "service area" means the fewest number of zip codes that account for 75 percent of the hospital's discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the Florida Center for Health Information and Policy Analysis at the Agency for Health Care Administration; or

5.~~6.~~ A hospital designated as a critical access hospital, as defined in s. 408.07(15).

Population densities used in this paragraph must be based upon the most recently completed United States census. A hospital that received funds under s. 409.9116 for a quarter beginning no later than July 1, 2002, is deemed to have been and shall continue to be a rural hospital from that date through June 30, 2015, if the hospital continues to have 100 or fewer licensed beds and an emergency room~~, or meets the criteria of subparagraph 4~~. An acute care hospital that has not previously been designated as a rural hospital and that meets the criteria of this para-

graph shall be granted such designation upon application, including supporting documentation to the Agency for Health Care Administration.

Section 23. Subsections (8) and (16) of section 400.021, Florida Statutes, are amended to read:

400.021 Definitions.—When used in this part, unless the context otherwise requires, the term:

(8) "Geriatric outpatient clinic" means a site for providing outpatient health care to persons 60 years of age or older, which is staffed by a registered nurse or a physician assistant*, or a licensed practical nurse under the direct supervision of a registered nurse, advanced registered nurse practitioner, physician assistant, or physician*.

(16) "Resident care plan" means a written plan developed, maintained, and reviewed not less than quarterly by a registered nurse, with participation from other facility staff and the resident or his or her designee or legal representative, which includes a comprehensive assessment of the needs of an individual resident; the type and frequency of services required to provide the necessary care for the resident to attain or maintain the highest practicable physical, mental, and psychosocial well-being; a listing of services provided within or outside the facility to meet those needs; and an explanation of service goals. ~~The resident care plan must be signed by the director of nursing or another registered nurse employed by the facility to whom institutional responsibilities have been delegated and by the resident, the resident's designee, or the resident's legal representative. The facility may not use an agency or temporary registered nurse to satisfy the foregoing requirement and must document the institutional responsibilities that have been delegated to the registered nurse.~~

Section 24. Paragraph (g) of subsection (2) of section 400.0239, Florida Statutes, is amended to read:

400.0239 Quality of Long-Term Care Facility Improvement Trust Fund.—

(2) Expenditures from the trust fund shall be allowable for direct support of the following:

(g) Other initiatives authorized by the Centers for Medicare and Medicaid Services for the use of federal civil monetary penalties~~, including projects recommended through the Medicaid "Up or Out" Quality of Care Contract Management Program pursuant to s. 400.148~~.

Section 25. Subsection (15) of section 400.0255, Florida Statutes, is amended to read:

400.0255 Resident transfer or discharge; requirements and procedures; hearings.—

(15)(a) The department's Office of Appeals Hearings shall conduct hearings under this section. The office shall notify the facility of a resident's request for a hearing.

(b) The department shall, by rule, establish procedures to be used for fair hearings requested by residents. These procedures shall be equivalent to the procedures used for fair hearings for other Medicaid cases *appearing in s. 409.285 and applicable rules*~~, chapter 10-2, part VI, Florida Administrative Code~~. The burden of proof must be clear and convincing evidence. A hearing decision must be rendered within 90 days after receipt of the request for hearing.

(c) If the hearing decision is favorable to the resident who has been transferred or discharged, the resident must be readmitted to the facility's first available bed.

(d) The decision of the hearing officer shall be final. Any aggrieved party may appeal the decision to the district court of appeal in the appellate district where the facility is located. Review procedures shall be conducted in accordance with the Florida Rules of Appellate Procedure.

Section 26. Subsection (2) of section 400.063, Florida Statutes, is amended to read:

400.063 Resident protection.—

(2) The agency is authorized to establish for each facility, subject to intervention by the agency, a separate bank account for the deposit to the credit of the agency of any moneys received from the Health Care Trust Fund or any other moneys received for the maintenance and care of residents in the facility, and the agency is authorized to disburse moneys from such account to pay obligations incurred for the purposes of this section. The agency is authorized to requisition moneys from the Health Care Trust Fund in advance of an actual need for cash on the basis of an estimate by the agency of moneys to be spent under the authority of this section. Any bank account established under this section need not be approved in advance of its creation as required by s. 17.58, but shall be secured by depository insurance equal to or greater than the balance of such account or by the pledge of collateral security ~~in conformance with criteria established in s. 18.11~~. The agency shall notify the Chief Financial Officer of any such account so established and shall make a quarterly accounting to the Chief Financial Officer for all moneys deposited in such account.

Section 27. Subsections (1) and (5) of section 400.071, Florida Statutes, are amended to read:

400.071 Application for license.—

(1) In addition to the requirements of part II of chapter 408, the application for a license shall be under oath and must contain the following:

(a) The location of the facility for which a license is sought and an indication, as in the original application, that such location conforms to the local zoning ordinances.

~~(b) A signed affidavit disclosing any financial or ownership interest that a controlling interest as defined in part II of chapter 408 has held in the last 5 years in any entity licensed by this state or any other state to provide health or residential care which has closed voluntarily or involuntarily; has filed for bankruptcy; has had a receiver appointed; has had a license denied, suspended, or revoked; or has had an injunction issued against it which was initiated by a regulatory agency. The affidavit must disclose the reason any such entity was closed, whether voluntarily or involuntarily.~~

~~(c) The total number of beds and the total number of Medicare and Medicaid certified beds.~~

(b)~~(d)~~ Information relating to the applicant and employees which the agency requires by rule. The applicant must demonstrate that sufficient numbers of qualified staff, by training or experience, will be employed to properly care for the type and number of residents who will reside in the facility.

~~(e) Copies of any civil verdict or judgment involving the applicant rendered within the 10 years preceding the application, relating to medical negligence, violation of residents' rights, or wrongful death. As a condition of licensure, the licensee agrees to provide to the agency copies of any new verdict or judgment involving the applicant, relating to such matters, within 30 days after filing with the clerk of the court. The information required in this paragraph shall be maintained in the facility's licensure file and in an agency database which is available as a public record.~~

(5) As a condition of licensure, each facility must establish ~~and submit with its application~~ a plan for quality assurance and for conducting risk management.

Section 28. Section 400.0712, Florida Statutes, is amended to read:

400.0712 Application for inactive license.—

~~(1) As specified in this section, the agency may issue an inactive license to a nursing home facility for all or a portion of its beds. Any request by a licensee that a nursing home or portion of a nursing home become inactive must be submitted to the agency in the approved format. The facility may not initiate any suspension of services, notify residents, or initiate inactivity before receiving approval from the agency; and a licensee that violates this provision may not be issued an inactive license.~~

(1)~~(2)~~ *In addition to the powers granted under part II of chapter 408,* the agency may issue an inactive license *for a portion of the total beds* to

a nursing home that chooses to use an unoccupied contiguous portion of the facility for an alternative use to meet the needs of elderly persons through the use of less restrictive, less institutional services.

(a) An inactive license issued under this subsection may be granted for a period not to exceed the current licensure expiration date but may be renewed by the agency at the time of licensure renewal.

(b) A request to extend the inactive license must be submitted to the agency in the approved format and approved by the agency in writing.

(c) Nursing homes that receive an inactive license to provide alternative services shall not receive preference for participation in the Assisted Living for the Elderly Medicaid waiver.

(2)~~(3)~~ The agency shall adopt rules pursuant to ss. 120.536(1) and 120.54 necessary to implement this section.

Section 29. Section 400.111, Florida Statutes, is amended to read:

400.111 Disclosure of controlling interest.—In addition to the requirements of part II of chapter 408, *when requested by the agency,* the licensee shall submit a signed affidavit disclosing any financial or ownership interest that a controlling interest has held within the last 5 years in any entity licensed by the state or any other state to provide health or residential care which entity has closed voluntarily or involuntarily; has filed for bankruptcy; has had a receiver appointed; has had a license denied, suspended, or revoked; or has had an injunction issued against it which was initiated by a regulatory agency. The affidavit must disclose the reason such entity was closed, whether voluntarily or involuntarily.

Section 30. Subsection (2) of section 400.1183, Florida Statutes, is amended to read:

400.1183 Resident grievance procedures.—

(2) Each facility shall maintain records of all grievances and shall *retain a log for agency inspection of* ~~report to the agency at the time of relicensure~~ the total number of grievances handled ~~during the prior licensure period~~, a categorization of the cases underlying the grievances, and the final disposition of the grievances.

Section 31. Section 400.141, Florida Statutes, is amended to read:

400.141 Administration and management of nursing home facilities.—

(1) Every licensed facility shall comply with all applicable standards and rules of the agency and shall:

(a) Be under the administrative direction and charge of a licensed administrator.

(b) Appoint a medical director licensed pursuant to chapter 458 or chapter 459. The agency may establish by rule more specific criteria for the appointment of a medical director.

(c) Have available the regular, consultative, and emergency services of physicians licensed by the state.

(d) Provide for resident use of a community pharmacy as specified in s. 400.022(1)(q). Any other law to the contrary notwithstanding, a registered pharmacist licensed in Florida, that is under contract with a facility licensed under this chapter or chapter 429, shall repackage a nursing facility resident's bulk prescription medication which has been packaged by another pharmacist licensed in any state in the United States into a unit dose system compatible with the system used by the nursing facility, if the pharmacist is requested to offer such service. In order to be eligible for the repackaging, a resident or the resident's spouse must receive prescription medication benefits provided through a former employer as part of his or her retirement benefits, a qualified pension plan as specified in s. 4972 of the Internal Revenue Code, a federal retirement program as specified under 5 C.F.R. s. 831, or a long-term care policy as defined in s. 627.9404(1). A pharmacist who correctly repackages and relabels the medication and the nursing facility which correctly administers such repackaged medication under this paragraph may not be held liable in any civil or administrative action arising from the repackaging. In order to be eligible for the repackaging, a nursing facility resident for whom the medication is to be repackaged shall sign an informed consent form provided by the facility which includes an explanation of the repackaging process and which notifies the resident of the immunities from liability provided in this paragraph. A pharmacist who repackages and relabels prescription medications, as authorized under this paragraph, may charge a reasonable fee for costs resulting from the implementation of this provision.

(e) Provide for the access of the facility residents to dental and other health-related services, recreational services, rehabilitative services, and social work services appropriate to their needs and conditions and not directly furnished by the licensee. When a geriatric outpatient nurse clinic is conducted in accordance with rules adopted by the agency, outpatients attending such clinic shall not be counted as part of the general resident population of the nursing home facility, nor shall the nursing staff of the geriatric outpatient clinic be counted as part of the nursing staff of the facility, until the outpatient clinic load exceeds 15 a day.

(f) Be allowed and encouraged by the agency to provide other needed services under certain conditions. If the facility has a standard licensure status, ~~and has had no class I or class II deficiencies during the past 2 years or has been awarded a Gold Seal under the program established in s. 400.235,~~ it may ~~be encouraged by the agency to~~ provide services, including, but not limited to, respite and adult day services, which enable individuals to move in and out of the facility. A facility is not subject to any additional licensure requirements for providing these services*, under the following conditions:*~~.~~

1. Respite care may be offered to persons in need of short-term or temporary nursing home services. *For each person admitted under the respite care program, the facility licensee must:*

a. Have a written abbreviated plan of care that, at a minimum, includes nutritional requirements, medication orders, physician orders, nursing assessments, and dietary preferences. The nursing or physician assessments may take the place of all other assessments required for full-time residents.

b. Have a contract that, at a minimum, specifies the services to be provided to the respite resident, including charges for services, activities, equipment, emergency medical services, and the administration of medications. If multiple respite admissions for a single person are anticipated, the original contract is valid for 1 year after the date of execution.

c. Ensure that each resident is released to his or her caregiver or an individual designated in writing by the caregiver.

2. A person admitted under the respite care program is:

a. Exempt from requirements in rule related to discharge planning.

b. Covered by the residents' rights set forth in s. 400.022(1)(a)-(o) and (r)-(t). Funds or property of the resident shall not be considered trust funds subject to the requirements of s. 400.022(1)(h) until the resident has been in the facility for more than 14 consecutive days.

c. Allowed to use his or her personal medications for the respite stay if permitted by facility policy. The facility must obtain a physician's order for the medications. The caregiver may provide information regarding the medications as part of the nursing assessment and that information must agree with the physician's order. Medications shall be released with the resident upon discharge in accordance with current physician's orders.

3. A person receiving respite care is entitled to reside in the facility for a total of 60 days within a contract year or within a calendar year if the contract is for less than 12 months. However, each single stay may not exceed 14 days. If a stay exceeds 14 consecutive days, the facility must comply with all assessment and care planning requirements applicable to nursing home residents.

4. A person receiving respite care must reside in a licensed nursing home bed.

5. A prospective respite resident must provide medical information from a physician, physician assistant, or nurse practitioner and other information from the primary caregiver as may be required by the facility before or at the time of admission to receive respite care. The medical information must include a physician's order for respite care and proof of a physical examination by a licensed physician, physician assistant, or

nurse practitioner. The physician's order and physical examination may be used to provide intermittent respite care for up to 12 months after the date the order is written.

6. The facility must assume the duties of the primary caregiver. To ensure continuity of care and services, the resident is entitled to retain his or her personal physician and must have access to medically necessary services such as physical therapy, occupational therapy, or speech therapy, as needed. The facility must arrange for transportation to these services if necessary. ~~Respite care must be provided in accordance with this part and rules adopted by the agency. However, the agency shall, by rule, adopt modified requirements for resident assessment, resident care plans, resident contracts, physician orders, and other provisions, as appropriate, for short-term or temporary nursing home services.~~

7. The agency shall allow for shared programming and staff in a facility which meets minimum standards and offers services pursuant to this paragraph, but, if the facility is cited for deficiencies in patient care, may require additional staff and programs appropriate to the needs of service recipients. A person who receives respite care may not be counted as a resident of the facility for purposes of the facility's licensed capacity unless that person receives 24-hour respite care. A person receiving either respite care for 24 hours or longer or adult day services must be included when calculating minimum staffing for the facility. Any costs and revenues generated by a nursing home facility from nonresidential programs or services shall be excluded from the calculations of Medicaid per diems for nursing home institutional care reimbursement.

(g) If the facility has a standard license ~~or is a Gold Seal facility~~, exceeds the minimum required hours of licensed nursing and certified nursing assistant direct care per resident per day, and is part of a continuing care facility licensed under chapter 651 or a retirement community that offers other services pursuant to part III of this chapter or part I or part III of chapter 429 on a single campus, be allowed to share programming and staff. At the time of inspection ~~and in the semiannual report required pursuant to paragraph (o)~~, a continuing care facility or retirement community that uses this option must demonstrate through staffing records that minimum staffing requirements for the facility were met. Licensed nurses and certified nursing assistants who work in the nursing home facility may be used to provide services elsewhere on campus if the facility exceeds the minimum number of direct care hours required per resident per day and the total number of residents receiving direct care services from a licensed nurse or a certified nursing assistant does not cause the facility to violate the staffing ratios required under s. 400.23(3)(a). Compliance with the minimum staffing ratios shall be based on total number of residents receiving direct care services, regardless of where they reside on campus. If the facility receives a conditional license, it may not share staff until the conditional license status ends. This paragraph does not restrict the agency's authority under federal or state law to require additional staff if a facility is cited for deficiencies in care which are caused by an insufficient number of certified nursing assistants or licensed nurses. The agency may adopt rules for the documentation necessary to determine compliance with this provision.

(h) Maintain the facility premises and equipment and conduct its operations in a safe and sanitary manner.

(i) If the licensee furnishes food service, provide a wholesome and nourishing diet sufficient to meet generally accepted standards of proper nutrition for its residents and provide such therapeutic diets as may be prescribed by attending physicians. In making rules to implement this paragraph, the agency shall be guided by standards recommended by nationally recognized professional groups and associations with knowledge of dietetics.

(j) Keep full records of resident admissions and discharges; medical and general health status, including medical records, personal and social history, and identity and address of next of kin or other persons who may have responsibility for the affairs of the residents; and individual resident care plans including, but not limited to, prescribed services, service frequency and duration, and service goals. The records shall be open to inspection by the agency. *The facility must maintain clinical records on each resident in accordance with accepted professional standards and practices that are complete, accurately documented, readily accessible, and systematically organized.*

(k) Keep such fiscal records of its operations and conditions as may be necessary to provide information pursuant to this part.

(l) Furnish copies of personnel records for employees affiliated with such facility, to any other facility licensed by this state requesting this information pursuant to this part. Such information contained in the records may include, but is not limited to, disciplinary matters and any reason for termination. Any facility releasing such records pursuant to this part shall be considered to be acting in good faith and may not be held liable for information contained in such records, absent a showing that the facility maliciously falsified such records.

(m) Publicly display a poster provided by the agency containing the names, addresses, and telephone numbers for the state's abuse hotline, the State Long-Term Care Ombudsman, the Agency for Health Care Administration consumer hotline, the Advocacy Center for Persons with Disabilities, the Florida Statewide Advocacy Council, and the Medicaid Fraud Control Unit, with a clear description of the assistance to be expected from each.

~~(n) Submit to the agency the information specified in s. 400.071(1)(b) for a management company within 30 days after the effective date of the management agreement.~~

(n)~~(o)~~1. ~~Submit semiannually to the agency, or more frequently if requested by the agency, information regarding facility staff-to-resident ratios, staff turnover, and staff stability, including information regarding certified nursing assistants, licensed nurses, the director of nursing, and the facility administrator. For purposes of this reporting:~~

~~a. Staff-to-resident ratios must be reported in the categories specified in s. 400.23(3)(a) and applicable rules. The ratio must be reported as an average for the most recent calendar quarter.~~

~~b. Staff turnover must be reported for the most recent 12-month period ending on the last workday of the most recent calendar quarter prior to the date the information is submitted. The turnover rate must be computed quarterly, with the annual rate being the cumulative sum of the quarterly rates. The turnover rate is the total number of terminations or separations experienced during the quarter, excluding any employee terminated during a probationary period of 3 months or less, divided by the total number of staff employed at the end of the period for which the rate is computed, and expressed as a percentage.~~

~~c. The formula for determining staff stability is the total number of employees that have been employed for more than 12 months, divided by the total number of employees employed at the end of the most recent calendar quarter, and expressed as a percentage.~~

~~d.~~ A nursing facility that has failed to comply with state minimum-staffing requirements for 2 consecutive days is prohibited from accepting new admissions until the facility has achieved the minimum-staffing requirements for a period of 6 consecutive days. For the purposes of this sub-subparagraph, any person who was a resident of the facility and was absent from the facility for the purpose of receiving medical care at a separate location or was on a leave of absence is not considered a new admission. Failure to impose such an admissions moratorium *is subject to a $1,000 fine* ~~constitutes a class II deficiency~~.

2.~~e.~~ A nursing facility which does not have a conditional license may be cited for failure to comply with the standards in s. 400.23(3)(a)1.b. and c. only if it has failed to meet those standards on 2 consecutive days or if it has failed to meet at least 97 percent of those standards on any one day.

3.~~f.~~ A facility which has a conditional license must be in compliance with the standards in s. 400.23(3)(a) at all times.

~~2. This paragraph does not limit the agency's ability to impose a deficiency or take other actions if a facility does not have enough staff to meet the residents' needs.~~

(o)~~(p)~~ Notify a licensed physician when a resident exhibits signs of dementia or cognitive impairment or has a change of condition in order to rule out the presence of an underlying physiological condition that may be contributing to such dementia or impairment. The notification must occur within 30 days after the acknowledgment of such signs by facility staff. If an underlying condition is determined to exist, the fa-

cility shall arrange, with the appropriate health care provider, the necessary care and services to treat the condition.

(p)~~(q)~~ If the facility implements a dining and hospitality attendant program, ensure that the program is developed and implemented under the supervision of the facility director of nursing. A licensed nurse, licensed speech or occupational therapist, or a registered dietitian must conduct training of dining and hospitality attendants. A person employed by a facility as a dining and hospitality attendant must perform tasks under the direct supervision of a licensed nurse.

~~(r) Report to the agency any filing for bankruptcy protection by the facility or its parent corporation, divestiture or spin-off of its assets, or corporate reorganization within 30 days after the completion of such activity.~~

(q)~~(s)~~ Maintain general and professional liability insurance coverage that is in force at all times. In lieu of general and professional liability insurance coverage, a state-designated teaching nursing home and its affiliated assisted living facilities created under s. 430.80 may demonstrate proof of financial responsibility as provided in s. 430.80(3)(g).

(r)~~(t)~~ Maintain in the medical record for each resident a daily chart of certified nursing assistant services provided to the resident. The certified nursing assistant who is caring for the resident must complete this record by the end of his or her shift. This record must indicate assistance with activities of daily living, assistance with eating, and assistance with drinking, and must record each offering of nutrition and hydration for those residents whose plan of care or assessment indicates a risk for malnutrition or dehydration.

(s)~~(u)~~ Before November 30 of each year, subject to the availability of an adequate supply of the necessary vaccine, provide for immunizations against influenza viruses to all its consenting residents in accordance with the recommendations of the United States Centers for Disease Control and Prevention, subject to exemptions for medical contraindications and religious or personal beliefs. Subject to these exemptions, any consenting person who becomes a resident of the facility after November 30 but before March 31 of the following year must be immunized within 5 working days after becoming a resident. Immunization shall not be provided to any resident who provides documentation that he or she has been immunized as required by this paragraph. This paragraph does not prohibit a resident from receiving the immunization from his or her personal physician if he or she so chooses. A resident who chooses to receive the immunization from his or her personal physician shall provide proof of immunization to the facility. The agency may adopt and enforce any rules necessary to comply with or implement this paragraph.

(t)~~(v)~~ Assess all residents for eligibility for pneumococcal polysaccharide vaccination (PPV) and vaccinate residents when indicated within 60 days after the effective date of this act in accordance with the recommendations of the United States Centers for Disease Control and Prevention, subject to exemptions for medical contraindications and religious or personal beliefs. Residents admitted after the effective date of this act shall be assessed within 5 working days of admission and, when indicated, vaccinated within 60 days in accordance with the recommendations of the United States Centers for Disease Control and Prevention, subject to exemptions for medical contraindications and religious or personal beliefs. Immunization shall not be provided to any resident who provides documentation that he or she has been immunized as required by this paragraph. This paragraph does not prohibit a resident from receiving the immunization from his or her personal physician if he or she so chooses. A resident who chooses to receive the immunization from his or her personal physician shall provide proof of immunization to the facility. The agency may adopt and enforce any rules necessary to comply with or implement this paragraph.

(u)~~(w)~~ Annually encourage and promote to its employees the benefits associated with immunizations against influenza viruses in accordance with the recommendations of the United States Centers for Disease Control and Prevention. The agency may adopt and enforce any rules necessary to comply with or implement this paragraph.

This subsection does not limit the agency's ability to impose a deficiency or take other actions if a facility does not have enough staff to meet the residents' needs.

(2) Facilities that have been awarded a Gold Seal under the program established in s. 400.235 may develop a plan to provide certified nursing assistant training as prescribed by federal regulations and state rules and may apply to the agency for approval of their program.

(3) A facility may charge a reasonable fee for the copying of resident records. The fee may not exceed $1 per page for the first 25 pages and 25 cents per page for each page in excess of 25 pages.

Section 32. Subsection (3) of section 400.142, Florida Statutes, is amended to read:

400.142 Emergency medication kits; orders not to resuscitate.—

(3) Facility staff may withhold or withdraw cardiopulmonary resuscitation if presented with an order not to resuscitate executed pursuant to s. 401.45. ~~The agency shall adopt rules providing for the implementation of such orders.~~ Facility staff and facilities shall not be subject to criminal prosecution or civil liability, nor be considered to have engaged in negligent or unprofessional conduct, for withholding or withdrawing cardiopulmonary resuscitation pursuant to such an order and rules adopted by the agency. The absence of an order not to resuscitate executed pursuant to s. 401.45 does not preclude a physician from withholding or withdrawing cardiopulmonary resuscitation as otherwise permitted by law.

Section 33. *Sections 400.0234, 400.145, and 429.294, Florida Statutes, are repealed.*

Section 34. Subsection (9) and subsections (11) through (15) of section 400.147, Florida Statutes, are renumbered as subsections (8) through (13), respectively, and present subsections (7), (8), and (10) of that section are amended to read:

400.147 Internal risk management and quality assurance program.—

(7) The facility shall initiate an investigation ~~and shall notify the agency~~ within 1 business day after the risk manager or his or her designee has received a report pursuant to paragraph (1)(d). *Each facility shall complete the investigation and submit a report to the agency within 15 calendar days after an incident is determined to be an adverse incident.* ~~The notification must be made in writing and be provided electronically, by facsimile device or overnight mail delivery.~~ The *agency shall develop a form for reporting this information and the* notification must include *the name of the risk manager of the facility,* information regarding the identity of the affected resident, the type of adverse incident, the initiation of an investigation by the facility, and whether the events causing or resulting in the adverse incident represent a potential risk to any other resident. The notification is confidential as provided by law and is not discoverable or admissible in any civil or administrative action, except in disciplinary proceedings by the agency or the appropriate regulatory board. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each *report* ~~incident~~ and determine whether it potentially involved conduct by the health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 shall apply.

~~(8)(a) Each facility shall complete the investigation and submit an adverse incident report to the agency for each adverse incident within 15 calendar days after its occurrence. If, after a complete investigation, the risk manager determines that the incident was not an adverse incident as defined in subsection (5), the facility shall include this information in the report. The agency shall develop a form for reporting this information.~~

~~(b) The information reported to the agency pursuant to paragraph (a) which relates to persons licensed under chapter 458, chapter 459, chapter 461, or chapter 466 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 shall apply.~~

~~(c) The report submitted to the agency must also contain the name of the risk manager of the facility.~~

~~(d) The adverse incident report is confidential as provided by law and is not discoverable or admissible in any civil or administrative action,~~

~~except in disciplinary proceedings by the agency or the appropriate regulatory board.~~

~~(10) By the 10th of each month, each facility subject to this section shall report any notice received pursuant to s. 400.0233(2) and each initial complaint that was filed with the clerk of the court and served on the facility during the previous month by a resident or a resident's family member, guardian, conservator, or personal legal representative. The report must include the name of the resident, the resident's date of birth and social security number, the Medicaid identification number for Medicaid eligible persons, the date or dates of the incident leading to the claim or dates of residency, if applicable, and the type of injury or violation of rights alleged to have occurred. Each facility shall also submit a copy of the notices received pursuant to s. 400.0233(2) and complaints filed with the clerk of the court. This report is confidential as provided by law and is not discoverable or admissible in any civil or administrative action, except in such actions brought by the agency to enforce the provisions of this part.~~

Section 35. *Section 400.148, Florida Statutes, is repealed.*

Section 36. Paragraph (e) of subsection (2) of section 400.179, Florida Statutes, is amended to read:

400.179 Liability for Medicaid underpayments and overpayments.—

(2) Because any transfer of a nursing facility may expose the fact that Medicaid may have underpaid or overpaid the transferor, and because in most instances, any such underpayment or overpayment can only be determined following a formal field audit, the liabilities for any such underpayments or overpayments shall be as follows:

~~(e) For the 2009-2010 fiscal year only, the provisions of paragraph (d) shall not apply. This paragraph expires July 1, 2010.~~

Section 37. Subsection (3) of section 400.19, Florida Statutes, is amended to read:

400.19 Right of entry and inspection.—

(3) The agency shall every 15 months conduct at least one unannounced inspection to determine compliance by the licensee with statutes, and with rules promulgated under the provisions of those statutes, governing minimum standards of construction, quality and adequacy of care, and rights of residents. The survey shall be conducted every 6 months for the next 2-year period if the facility has been cited for a class I deficiency, has been cited for two or more class II deficiencies arising from separate surveys or investigations within a 60-day period, or has had three or more substantiated complaints within a 6-month period, each resulting in at least one class I or class II deficiency. In addition to any other fees or fines in this part, the agency shall assess a fine for each facility that is subject to the 6-month survey cycle. The fine for the 2-year period shall be $6,000, one-half to be paid at the completion of each survey. The agency may adjust this fine by the change in the Consumer Price Index, based on the 12 months immediately preceding the increase, to cover the cost of the additional surveys. The agency shall verify through subsequent inspection that any deficiency identified during inspection is corrected. However, the agency may verify the correction of a class III or class IV deficiency ~~unrelated to resident rights or resident care~~ without reinspecting the facility if adequate written documentation has been received from the facility, which provides assurance that the deficiency has been corrected. The giving or causing to be given of advance notice of such unannounced inspections by an employee of the agency to any unauthorized person shall constitute cause for suspension of not fewer than 5 working days according to the provisions of chapter 110.

Section 38. Subsection (5) of section 400.23, Florida Statutes, is amended to read:

400.23 Rules; evaluation and deficiencies; licensure status.—

(5)*(a)* The agency, in collaboration with the Division of Children's Medical Services *Network* of the Department of Health, must~~, no later than December 31, 1993,~~ adopt rules for minimum standards of care for persons under 21 years of age who reside in nursing home facilities. ~~The rules must include a methodology for reviewing a nursing home facility under ss. 408.031 408.045 which serves only persons under 21 years of age.~~ A facility may be exempt from these standards for specific persons between 18 and 21 years of age, if the person's physician agrees that minimum standards of care based on age are not necessary.

(b) The agency, in collaboration with the Division of Children's Medical Services Network, shall adopt rules for minimum staffing requirements for nursing home facilities that serve persons under 21 years of age, which shall apply in lieu of the standards contained in subsection (3).

1. For persons under 21 years of age who require skilled care, the requirements shall include a minimum combined average of licensed nurses, respiratory therapists, respiratory care practitioners, and certified nursing assistants of 3.9 hours of direct care per resident per day for each nursing home facility.

2. For persons under 21 years of age who are fragile, the requirements shall include a minimum combined average of licensed nurses, respiratory therapists, respiratory care practitioners, and certified nursing assistants of 5 hours of direct care per resident per day for each nursing home facility.

Section 39. Subsection (1) of section 400.275, Florida Statutes, is amended to read:

400.275 Agency duties.—

(1) ~~The agency shall ensure that each newly hired nursing home surveyor, as a part of basic training, is assigned full time to a licensed nursing home for at least 2 days within a 7-day period to observe facility operations outside of the survey process before the surveyor begins survey responsibilities. Such observations may not be the sole basis of a deficiency citation against the facility.~~ The agency may not assign an individual to be a member of a survey team for purposes of a survey, evaluation, or consultation visit at a nursing home facility in which the surveyor was an employee within the preceding *2* ~~5~~ years.

Section 40. Subsection (27) of section 400.462, Florida Statutes, is amended to read:

400.462 Definitions.—As used in this part, the term:

(27) "Remuneration" means any payment or other benefit made directly or indirectly, overtly or covertly, in cash or in kind. *However, when the term is used in any provision of law relating to a health care provider, such term does not mean an item with an individual value of up to $15, including, but not limited to, plaques, certificates, trophies, or novelties that are intended solely for presentation or are customarily given away solely for promotional, recognition, or advertising purposes.*

Section 41. Subsection (2) of section 400.484, Florida Statutes, is amended to read:

400.484 Right of inspection; *violations* ~~deficiencies~~; fines.—

(2) The agency shall impose fines for various classes of *violations* ~~deficiencies~~ in accordance with the following schedule:

(a) *Class I violations are defined in s. 408.813.* ~~A class I deficiency is any act, omission, or practice that results in a patient's death, disablement, or permanent injury, or places a patient at imminent risk of death, disablement, or permanent injury.~~ Upon finding a class I *violation* ~~deficiency~~, the agency shall impose an administrative fine in the amount of $15,000 for each occurrence and each day that the *violation* ~~deficiency~~ exists.

(b) *Class II violations are defined in s. 408.813.* ~~A class II deficiency is any act, omission, or practice that has a direct adverse effect on the health, safety, or security of a patient.~~ Upon finding a class II *violation* ~~deficiency~~, the agency shall impose an administrative fine in the amount of $5,000 for each occurrence and each day that the *violation* ~~deficiency~~ exists.

(c) *Class III violations are defined in s. 408.813.* ~~A class III deficiency is any act, omission, or practice that has an indirect, adverse effect on the health, safety, or security of a patient.~~ Upon finding an uncorrected or repeated class III *violation* ~~deficiency~~, the agency shall impose an administrative fine not to exceed $1,000 for each occurrence and each day that the uncorrected or repeated *violation* ~~deficiency~~ exists.

(d) *Class IV violations are defined in s. 408.813.* ~~A class IV deficiency is any act, omission, or practice related to required reports, forms, or documents which does not have the potential of negatively affecting patients. These violations are of a type that the agency determines do not threaten the health, safety, or security of patients.~~ Upon finding an uncorrected or repeated class IV *violation* ~~deficiency~~, the agency shall impose an administrative fine not to exceed $500 for each occurrence and each day that the uncorrected or repeated *violation* ~~deficiency~~ exists.

Section 42. Subsections (16) and (17) of section 400.506, Florida Statutes, are renumbered as subsections (17) and (18), respectively, paragraph (a) of subsection (15) is amended, and a new subsection (16) is added to that section, to read:

400.506 Licensure of nurse registries; requirements; penalties.—

(15)(a) The agency may deny, suspend, or revoke the license of a nurse registry and shall impose a fine of $5,000 against a nurse registry that:

1. Provides services to residents in an assisted living facility for which the nurse registry does not receive fair market value remuneration.

2. Provides staffing to an assisted living facility for which the nurse registry does not receive fair market value remuneration.

3. Fails to provide the agency, upon request, with copies of all contracts with assisted living facilities which were executed within the last 5 years.

4. Gives remuneration to a case manager, discharge planner, facility-based staff member, or third-party vendor who is involved in the discharge planning process of a facility licensed under chapter 395 or this chapter and from whom the nurse registry receives referrals. A nurse registry is exempt from this subparagraph if it does not bill the ~~Florida Medicaid program or the~~ Medicare program or share a controlling interest with any entity licensed, registered, or certified under part II of chapter 408 that bills the ~~Florida Medicaid program or the~~ Medicare program.

5. Gives remuneration to a physician, a member of the physician's office staff, or an immediate family member of the physician, and the nurse registry received a patient referral in the last 12 months from that physician or the physician's office staff. A nurse registry is exempt from this subparagraph if it does not bill the ~~Florida Medicaid program or the~~ Medicare program or share a controlling interest with any entity licensed, registered, or certified under part II of chapter 408 that bills the ~~Florida Medicaid program or the~~ Medicare program.

(16) An administrator may manage only one nurse registry, except that an administrator may manage up to five registries if all five registries have identical controlling interests as defined in s. 408.803 and are located within one agency geographic service area or within an immediately contiguous county. An administrator shall designate, in writing, for each licensed entity, a qualified alternate administrator to serve during the administrator's absence.

Section 43. Subsection (1) of section 400.509, Florida Statutes, is amended to read:

400.509 Registration of particular service providers exempt from licensure; certificate of registration; regulation of registrants.—

(1) Any organization that provides companion services or homemaker services and does not provide a home health service to a person is exempt from licensure under this part. However, any organization that provides companion services or homemaker services must register with the agency. *An organization under contract with the Agency for Persons with Disabilities that provides companion services only for persons with a developmental disability, as defined in s. 393.063, is exempt from registration.*

Section 44. Paragraph (i) of subsection (1) and subsection (4) of section 400.606, Florida Statutes, are amended to read:

400.606 License; application; renewal; conditional license or permit; certificate of need.—

(1) In addition to the requirements of part II of chapter 408, the initial application and change of ownership application must be accompanied by a plan for the delivery of home, residential, and homelike inpatient hospice services to terminally ill persons and their families. Such plan must contain, but need not be limited to:

~~(i) The projected annual operating cost of the hospice.~~

If the applicant is an existing licensed health care provider, the application must be accompanied by a copy of the most recent profit-loss statement and, if applicable, the most recent licensure inspection report.

(4) A freestanding hospice facility that is ~~primarily~~ engaged in providing inpatient and related services and that is not otherwise licensed as a health care facility shall be required to obtain a certificate of need. However, a freestanding hospice facility with six or fewer beds shall not be required to comply with institutional standards such as, but not limited to, standards requiring sprinkler systems, emergency electrical systems, or special lavatory devices.

Section 45. Subsection (2) of section 400.607, Florida Statutes, is amended to read:

400.607 Denial, suspension, revocation of license; emergency actions; imposition of administrative fine; grounds.—

(2) *A violation of this part, part II of chapter 408, or applicable rules* ~~Any of the following actions~~ by a licensed hospice or any of its employees shall be grounds for *administrative* action by the agency against a hospice.~~:~~

~~(a) A violation of the provisions of this part, part II of chapter 408, or applicable rules.~~

~~(b) An intentional or negligent act materially affecting the health or safety of a patient.~~

Section 46. Section 400.915, Florida Statutes, is amended to read:

400.915 Construction and renovation; requirements.—The requirements for the construction or renovation of a PPEC center shall comply with:

(1) The provisions of chapter 553, which pertain to building construction standards, including plumbing, electrical code, glass, manufactured buildings, accessibility for the physically disabled;

(2) The *provisions of s. 633.022 and applicable rules pertaining to physical* ~~minimum~~ standards for *nonresidential child care* ~~physical~~ facilities ~~in rule 10M-12.003, Florida Administrative Code, Child Care Standards~~; and

(3) The standards or rules adopted pursuant to this part and part II of chapter 408.

Section 47. Subsection (1) of section 400.925, Florida Statutes, is amended to read:

400.925 Definitions.—As used in this part, the term:

(1) "Accrediting organizations" means the Joint Commission ~~on Accreditation of Healthcare Organizations~~ or other national accreditation agencies whose standards for accreditation are comparable to those required by this part for licensure.

Section 48. Subsection (2) of section 400.931, Florida Statutes, is amended to read:

400.931 Application for license; fee~~; provisional license; temporary permit~~.—

(2) *An applicant for initial licensure, change of ownership, or renewal to operate a licensed home medical equipment provider at a location outside the state must submit documentation of accreditation or an application for accreditation from an accrediting organization that is recognized by the agency. An applicant that has applied for accreditation must provide proof of accreditation that is not conditional or provisional within 120 days after the date the agency receives the application for licensure or the application shall be withdrawn from further considera-*

tion. Such accreditation must be maintained by the home medical equipment provider to maintain licensure. ~~As an alternative to submitting proof of financial ability to operate as required in s. 408.810(8), the applicant may submit a $50,000 surety bond to the agency.~~

Section 49. Subsection (2) of section 400.932, Florida Statutes, is amended to read:

400.932 Administrative penalties.—

(2) *A violation of this part, part II of chapter 408, or applicable rules* ~~Any of the following actions~~ by an employee of a home medical equipment provider *shall be* ~~are~~ grounds for administrative action or penalties by the agency.~~:~~

~~(a) Violation of this part, part II of chapter 408, or applicable rules.~~

~~(b) An intentional, reckless, or negligent act that materially affects the health or safety of a patient.~~

Section 50. Subsection (3) of section 400.967, Florida Statutes, is amended to read:

400.967 Rules and classification of *violations* ~~deficiencies~~.—

(3) The agency shall adopt rules to provide that, when the criteria established under this part and part II of chapter 408 are not met, such *violations* ~~deficiencies~~ shall be classified according to the nature of the *violation* ~~deficiency~~. The agency shall indicate the classification on the face of the notice of deficiencies as follows:

(a) Class I *violations* ~~deficiencies~~ are *defined in s. 408.813* ~~those which the agency determines present an imminent danger to the residents or guests of the facility or a substantial probability that death or serious physical harm would result therefrom~~. ~~The condition or practice constituting a class I violation must be abated or eliminated immediately, unless a fixed period of time, as determined by the agency, is required for correction.~~ A class I *violation* ~~deficiency~~ is subject to a civil penalty in an amount not less than $5,000 and not exceeding $10,000 for each *violation* ~~deficiency~~. A fine may be levied notwithstanding the correction of the *violation* ~~deficiency~~.

(b) Class II *violations* ~~deficiencies~~ are *defined in s. 408.813* ~~those which the agency determines have a direct or immediate relationship to the health, safety, or security of the facility residents, other than class I deficiencies~~. A class II *violation* ~~deficiency~~ is subject to a civil penalty in an amount not less than $1,000 and not exceeding $5,000 for each *violation* ~~deficiency~~. A citation for a class II *violation* ~~deficiency~~ shall specify the time within which the *violation* ~~deficiency~~ must be corrected. If a class II *violation* ~~deficiency~~ is corrected within the time specified, no civil penalty shall be imposed, unless it is a repeated offense.

(c) Class III *violations* ~~deficiencies~~ are *defined in s. 408.813* ~~those which the agency determines to have an indirect or potential relationship to the health, safety, or security of the facility residents, other than class I or class II deficiencies~~. A class III *violation* ~~deficiency~~ is subject to a civil penalty of not less than $500 and not exceeding $1,000 for each deficiency. A citation for a class III *violation* ~~deficiency~~ shall specify the time within which the *violation* ~~deficiency~~ must be corrected. If a class III *violation* ~~deficiency~~ is corrected within the time specified, no civil penalty shall be imposed, unless it is a repeated offense.

(d) Class IV violations are defined in s. 408.813. Upon finding an uncorrected or repeated class IV violation, the agency shall impose an administrative fine not to exceed $500 for each occurrence and each day that the uncorrected or repeated violation exists.

Section 51. Subsections (4) and (7) of section 400.9905, Florida Statutes, are amended to read:

400.9905 Definitions.—

(4) "Clinic" means an entity at which health care services are provided to individuals and which tenders charges for reimbursement for such services, including a mobile clinic and a portable *health service or* equipment provider. For purposes of this part, the term does not include and the licensure requirements of this part do not apply to:

(a) Entities licensed or registered by the state under chapter 395; or entities licensed or registered by the state and providing only health care services within the scope of services authorized under their respective licenses granted under ss. 383.30-383.335, chapter 390, chapter 394, chapter 397, this chapter except part X, chapter 429, chapter 463, chapter 465, chapter 466, chapter 478, part I of chapter 483, chapter 484, or chapter 651; end-stage renal disease providers authorized under 42 C.F.R. part 405, subpart U; or providers certified under 42 C.F.R. part 485, subpart B or subpart H; or any entity that provides neonatal or pediatric hospital-based health care services or other health care services by licensed practitioners solely within a hospital licensed under chapter 395.

(b) Entities that own, directly or indirectly, entities licensed or registered by the state pursuant to chapter 395; or entities that own, directly or indirectly, entities licensed or registered by the state and providing only health care services within the scope of services authorized pursuant to their respective licenses granted under ss. 383.30-383.335, chapter 390, chapter 394, chapter 397, this chapter except part X, chapter 429, chapter 463, chapter 465, chapter 466, chapter 478, part I of chapter 483, chapter 484, chapter 651; end-stage renal disease providers authorized under 42 C.F.R. part 405, subpart U; or providers certified under 42 C.F.R. part 485, subpart B or subpart H; or any entity that provides neonatal or pediatric hospital-based health care services by licensed practitioners solely within a hospital licensed under chapter 395.

(c) Entities that are owned, directly or indirectly, by an entity licensed or registered by the state pursuant to chapter 395; or entities that are owned, directly or indirectly, by an entity licensed or registered by the state and providing only health care services within the scope of services authorized pursuant to their respective licenses granted under ss. 383.30-383.335, chapter 390, chapter 394, chapter 397, this chapter except part X, chapter 429, chapter 463, chapter 465, chapter 466, chapter 478, part I of chapter 483, chapter 484, chapter 651; end-stage renal disease providers authorized under 42 C.F.R. part 405, subpart U; or providers certified under 42 C.F.R. part 485, subpart B or subpart H; or any entity that provides neonatal or pediatric hospital-based health care services by licensed practitioners solely within a hospital under chapter 395.

(d) Entities that are under common ownership, directly or indirectly, with an entity licensed or registered by the state pursuant to chapter 395; or entities that are under common ownership, directly or indirectly, with an entity licensed or registered by the state and providing only health care services within the scope of services authorized pursuant to their respective licenses granted under ss. 383.30-383.335, chapter 390, chapter 394, chapter 397, this chapter except part X, chapter 429, chapter 463, chapter 465, chapter 466, chapter 478, part I of chapter 483, chapter 484, or chapter 651; end-stage renal disease providers authorized under 42 C.F.R. part 405, subpart U; or providers certified under 42 C.F.R. part 485, subpart B or subpart H; or any entity that provides neonatal or pediatric hospital-based health care services by licensed practitioners solely within a hospital licensed under chapter 395.

(e) An entity that is exempt from federal taxation under 26 U.S.C. s. 501(c)(3) or (4), an employee stock ownership plan under 26 U.S.C. s. 409 that has a board of trustees not less than two-thirds of which are Florida-licensed health care practitioners and provides only physical therapy services under physician orders, any community college or university clinic, and any entity owned or operated by the federal or state government, including agencies, subdivisions, or municipalities thereof.

(f) A sole proprietorship, group practice, partnership, or corporation that provides health care services by physicians covered by s. 627.419, that is directly supervised by one or more of such physicians, and that is wholly owned by one or more of those physicians or by a physician and the spouse, parent, child, or sibling of that physician.

(g) A sole proprietorship, group practice, partnership, or corporation that provides health care services by licensed health care practitioners under chapter 457, chapter 458, chapter 459, chapter 460, chapter 461, chapter 462, chapter 463, chapter 466, chapter 467, chapter 480, chapter 484, chapter 486, chapter 490, chapter 491, or part I, part III, part X, part XIII, or part XIV of chapter 468, or s. 464.012, which are wholly owned by one or more licensed health care practitioners, or the licensed health care practitioners set forth in this paragraph and the spouse, parent, child, or sibling of a licensed health care practitioner, so long as

one of the owners who is a licensed health care practitioner is supervising the business activities and is legally responsible for the entity's compliance with all federal and state laws. However, a health care practitioner may not supervise services beyond the scope of the practitioner's license, except that, for the purposes of this part, a clinic owned by a licensee in s. 456.053(3)(b) that provides only services authorized pursuant to s. 456.053(3)(b) may be supervised by a licensee specified in s. 456.053(3)(b).

(h) Clinical facilities affiliated with an accredited medical school at which training is provided for medical students, residents, or fellows.

(i) Entities that provide only oncology or radiation therapy services by physicians licensed under chapter 458 or chapter 459 or entities that provide oncology or radiation therapy services by physicians licensed under chapter 458 or chapter 459 which are owned by a corporation whose shares are publicly traded on a recognized stock exchange.

(j) Clinical facilities affiliated with a college of chiropractic accredited by the Council on Chiropractic Education at which training is provided for chiropractic students.

(k) Entities that provide licensed practitioners to staff emergency departments or to deliver anesthesia services in facilities licensed under chapter 395 and that derive at least 90 percent of their gross annual revenues from the provision of such services. Entities claiming an exemption from licensure under this paragraph must provide documentation demonstrating compliance.

(l) Orthotic*,* ~~or~~ prosthetic*, pediatric cardiology, or perinatology* clinical facilities that are a publicly traded corporation or that are wholly owned, directly or indirectly, by a publicly traded corporation. As used in this paragraph, a publicly traded corporation is a corporation that issues securities traded on an exchange registered with the United States Securities and Exchange Commission as a national securities exchange.

(m) Entities that are owned by a corporation that has $250 million or more in total annual sales of health care services provided by licensed health care practitioners if one or more of the owners of the entity is a health care practitioner who is licensed in this state, is responsible for supervising the business activities of the entity, and is legally responsible for the entity's compliance with state law for purposes of this section.

(n) Entities that are owned or controlled, directly or indirectly, by a publicly traded entity with $100 million or more, in the aggregate, in total annual revenues derived from providing health care services by licensed health care practitioners that are employed or contracted by an entity described in this paragraph.

(o) Entities that employ 50 or more health care practitioners licensed under chapter 458 or chapter 459 when the billing for medical services is under a single tax identification number. The application for exemption under this paragraph shall contain information that includes the name, residence address, business address, and phone number of the entity that owns the practice; a complete list of the names and contact information of all the officers and directors of the entity; the name, residence address, business address, and medical license number of each licensed Florida health care practitioner employed by the entity; the corporate tax identification number of the entity seeking an exemption; a listing of health care services to be provided by the entity at the health care clinics owned or operated by the entity and a certified statement prepared by an independent certified public accountant which states that the entity and the health care clinics owned or operated by the entity have not received payment for health care services under personal injury protection insurance coverage for the previous year. If the agency determines that an entity that is exempt under this paragraph has received payments for medical services under personal injury protection insurance coverage the agency may deny or revoke the exemption from licensure under this paragraph.

(7) "Portable *health service or* equipment provider" means an entity that contracts with or employs persons to provide portable *health services or* equipment to multiple locations ~~performing treatment or diagnostic testing of individuals~~, that bills third-party payors for those services, and that otherwise meets the definition of a clinic in subsection (4).

Section 52. Paragraph (b) of subsection (1) and paragraph (c) of subsection (4) of section 400.991, Florida Statutes, are amended to read:

400.991 License requirements; background screenings; prohibitions.—

(1)

(b) Each mobile clinic must obtain a separate health care clinic license and must provide to the agency, at least quarterly, its projected street location to enable the agency to locate and inspect such clinic. A portable *health service or* equipment provider must obtain a health care clinic license for a single administrative office and is not required to submit quarterly projected street locations.

(4) In addition to the requirements of part II of chapter 408, the applicant must file with the application satisfactory proof that the clinic is in compliance with this part and applicable rules, including:

(c) Proof of financial ability to operate as required under *ss.* ~~s.~~ 408.810(8) *and 408.8065*. ~~As an alternative to submitting proof of financial ability to operate as required under s. 408.810(8), the applicant may file a surety bond of at least $500,000 which guarantees that the clinic will act in full conformity with all legal requirements for operating a clinic, payable to the agency. The agency may adopt rules to specify related requirements for such surety bond.~~

Section 53. Paragraph (g) of subsection (1) and paragraph (a) of subsection (7) of section 400.9935, Florida Statutes, are amended to read:

400.9935 Clinic responsibilities.—

(1) Each clinic shall appoint a medical director or clinic director who shall agree in writing to accept legal responsibility for the following activities on behalf of the clinic. The medical director or the clinic director shall:

(g) Conduct systematic reviews of clinic billings to ensure that the billings are not fraudulent or unlawful. Upon discovery of an unlawful charge, the medical director or clinic director shall take immediate corrective action. If the clinic performs only the technical component of magnetic resonance imaging, static radiographs, computed tomography, or positron emission tomography, and provides the professional interpretation of such services, in a fixed facility that is accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~ or the Accreditation Association for Ambulatory Health Care, and the American College of Radiology; and if, in the preceding quarter, the percentage of scans performed by that clinic which was billed to all personal injury protection insurance carriers was less than 15 percent, the chief financial officer of the clinic may, in a written acknowledgment provided to the agency, assume the responsibility for the conduct of the systematic reviews of clinic billings to ensure that the billings are not fraudulent or unlawful.

(7)(a) Each clinic engaged in magnetic resonance imaging services must be accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~, the American College of Radiology, or the Accreditation Association for Ambulatory Health Care, within 1 year after licensure. A clinic that is accredited by the American College of Radiology or is within the original 1-year period after licensure and replaces its core magnetic resonance imaging equipment shall be given 1 year after the date on which the equipment is replaced to attain accreditation. However, a clinic may request a single, 6-month extension if it provides evidence to the agency establishing that, for good cause shown, such clinic cannot be accredited within 1 year after licensure, and that such accreditation will be completed within the 6-month extension. After obtaining accreditation as required by this subsection, each such clinic must maintain accreditation as a condition of renewal of its license. A clinic that files a change of ownership application must comply with the original accreditation timeframe requirements of the transferor. The agency shall deny a change of ownership application if the clinic is not in compliance with the accreditation requirements. When a clinic adds, replaces, or modifies magnetic resonance imaging equipment and the accreditation agency requires new accreditation, the clinic must be accredited within 1 year after the date of the addition, replacement, or modification but may request a single, 6-month extension if the clinic provides evidence of good cause to the agency.

Section 54. Paragraph (a) of subsection (2) of section 408.033, Florida Statutes, is amended to read:

408.033 Local and state health planning.—

(2) FUNDING.—

(a) The Legislature intends that the cost of local health councils be borne by assessments on selected health care facilities subject to facility licensure by the Agency for Health Care Administration, including abortion clinics, assisted living facilities, ambulatory surgical centers, birthing centers, clinical laboratories except community nonprofit blood banks and clinical laboratories operated by practitioners for exclusive use regulated under s. 483.035, home health agencies, hospices, hospitals, intermediate care facilities for the developmentally disabled, nursing homes, health care clinics, and multiphasic testing centers and by assessments on organizations subject to certification by the agency pursuant to chapter 641, part III, including health maintenance organizations and prepaid health clinics. *Fees assessed may be collected prospectively at the time of licensure renewal and prorated for the licensure period.*

Section 55. Subsection (2) of section 408.034, Florida Statutes, is amended to read:

408.034 Duties and responsibilities of agency; rules.—

(2) In the exercise of its authority to issue licenses to health care facilities and health service providers, as provided under chapters 393 and 395 and parts II, ~~and~~ IV, *and VIII* of chapter 400, the agency may not issue a license to any health care facility or health service provider that fails to receive a certificate of need or an exemption for the licensed facility or service.

Section 56. Paragraph (d) of subsection (1) and paragraph (m) of subsection (3) of section 408.036, Florida Statutes, are amended to read:

408.036 Projects subject to review; exemptions.—

(1) APPLICABILITY.—Unless exempt under subsection (3), all health-care-related projects, as described in paragraphs (a)-(g), are subject to review and must file an application for a certificate of need with the agency. The agency is exclusively responsible for determining whether a health-care-related project is subject to review under ss. 408.031-408.045.

(d) The establishment of a hospice or hospice inpatient facility~~, except as provided in s. 408.043~~.

(3) EXEMPTIONS.—Upon request, the following projects are subject to exemption from the provisions of subsection (1):

(m)1. For the provision of adult open-heart services in a hospital located within the boundaries of a health service planning district, as defined in s. 408.032(5), which has experienced an annual net out-migration of at least 600 open-heart-surgery cases for 3 consecutive years according to the most recent data reported to the agency, and the district's population per licensed and operational open-heart programs exceeds the state average of population per licensed and operational open-heart programs by at least 25 percent. All hospitals within a health service planning district which meet the criteria reference in sub-subparagraphs 2.a.-h. shall be eligible for this exemption on July 1, 2004, and shall receive the exemption upon filing for it and subject to the following:

a. A hospital that has received a notice of intent to grant a certificate of need or a final order of the agency granting a certificate of need for the establishment of an open-heart-surgery program is entitled to receive a letter of exemption for the establishment of an adult open-heart-surgery program upon filing a request for exemption and complying with the criteria enumerated in sub-subparagraphs 2.a.-h., and is entitled to immediately commence operation of the program.

b. An otherwise eligible hospital that has not received a notice of intent to grant a certificate of need or a final order of the agency granting a certificate of need for the establishment of an open-heart-surgery program is entitled to immediately receive a letter of exemption for the establishment of an adult open-heart-surgery program upon filing a request for exemption and complying with the criteria enumerated in sub-subparagraphs 2.a.-h., but is not entitled to commence operation of its program until December 31, 2006.

2. A hospital shall be exempt from the certificate-of-need review for the establishment of an open-heart-surgery program when the application for exemption submitted under this paragraph complies with the following criteria:

a. The applicant must certify that it will meet and continuously maintain the minimum licensure requirements adopted by the agency governing adult open-heart programs, including the most current guidelines of the American College of Cardiology and American Heart Association Guidelines for Adult Open Heart Programs.

b. The applicant must certify that it will maintain sufficient appropriate equipment and health personnel to ensure quality and safety.

c. The applicant must certify that it will maintain appropriate times of operation and protocols to ensure availability and appropriate referrals in the event of emergencies.

d. The applicant can demonstrate that it has discharged at least 300 inpatients with a principal diagnosis of ischemic heart disease for the most recent 12-month period as reported to the agency.

e. The applicant is a general acute care hospital that is in operation for 3 years or more.

f. The applicant is performing more than 300 diagnostic cardiac catheterization procedures per year, combined inpatient and outpatient.

g. The applicant's payor mix at a minimum reflects the community average for Medicaid, charity care, and self-pay patients or the applicant must certify that it will provide a minimum of 5 percent of Medicaid, charity care, and self-pay to open-heart-surgery patients.

h. If the applicant fails to meet the established criteria for open-heart programs or fails to reach 300 surgeries per year by the end of its third year of operation, it must show cause why its exemption should not be revoked.

~~3. By December 31, 2004, and annually thereafter, the agency shall submit a report to the Legislature providing information concerning the number of requests for exemption it has received under this paragraph during the calendar year and the number of exemptions it has granted or denied during the calendar year.~~

Section 57. Paragraph (c) of subsection (1) of section 408.037, Florida Statutes, is amended to read:

408.037 Application content.—

(1) Except as provided in subsection (2) for a general hospital, an application for a certificate of need must contain:

(c) An audited financial statement of the applicant *or the applicant's parent corporation if audited financial statements of the applicant do not exist*. In an application submitted by an existing health care facility, health maintenance organization, or hospice, financial condition documentation must include, but need not be limited to, a balance sheet and a profit-and-loss statement of the 2 previous fiscal years' operation.

Section 58. Subsection (2) of section 408.043, Florida Statutes, is amended to read:

408.043 Special provisions.—

(2) HOSPICES.—When an application is made for a certificate of need to establish or to expand a hospice, the need for such hospice shall be determined on the basis of the need for and availability of hospice services in the community. The formula on which the certificate of need is based shall discourage regional monopolies and promote competition. The inpatient hospice care component of a hospice which is a free-standing facility, or a part of a facility, ~~which is primarily engaged in providing inpatient care and related services~~ and is not licensed as a health care facility shall also be required to obtain a certificate of need. Provision of hospice care by any current provider of health care is a significant change in service and therefore requires a certificate of need for such services.

Section 59. Paragraph (k) of subsection (3) of section 408.05, Florida Statutes, is amended to read:

408.05 Florida Center for Health Information and Policy Analysis.—

(3) COMPREHENSIVE HEALTH INFORMATION SYSTEM.—In order to produce comparable and uniform health information and statistics for the development of policy recommendations, the agency shall perform the following functions:

(k) Develop, in conjunction with the State Consumer Health Information and Policy Advisory Council, and implement a long-range plan for making available health care quality measures and financial data that will allow consumers to compare health care services. The health care quality measures and financial data the agency must make available shall include, but is not limited to, pharmaceuticals, physicians, health care facilities, and health plans and managed care entities. The agency shall update the plan and report on the status of its implementation annually. The agency shall also make the plan and status report available to the public on its Internet website. As part of the plan, the agency shall identify the process and timeframes for implementation, any barriers to implementation, and recommendations of changes in the law that may be enacted by the Legislature to eliminate the barriers. As preliminary elements of the plan, the agency shall:

1. Make available patient-safety indicators, inpatient quality indicators, and performance outcome and patient charge data collected from health care facilities pursuant to s. 408.061(1)(a) and (2). The terms "patient-safety indicators" and "inpatient quality indicators" shall be as defined by the Centers for Medicare and Medicaid Services, the National Quality Forum, the Joint Commission ~~on Accreditation of Healthcare Organizations~~, the Agency for Healthcare Research and Quality, the Centers for Disease Control and Prevention, or a similar national entity that establishes standards to measure the performance of health care providers, or by other states. The agency shall determine which conditions, procedures, health care quality measures, and patient charge data to disclose based upon input from the council. When determining which conditions and procedures are to be disclosed, the council and the agency shall consider variation in costs, variation in outcomes, and magnitude of variations and other relevant information. When determining which health care quality measures to disclose, the agency:

a. Shall consider such factors as volume of cases; average patient charges; average length of stay; complication rates; mortality rates; and infection rates, among others, which shall be adjusted for case mix and severity, if applicable.

b. May consider such additional measures that are adopted by the Centers for Medicare and Medicaid Studies, National Quality Forum, the Joint Commission ~~on Accreditation of Healthcare Organizations~~, the Agency for Healthcare Research and Quality, Centers for Disease Control and Prevention, or a similar national entity that establishes standards to measure the performance of health care providers, or by other states.

When determining which patient charge data to disclose, the agency shall include such measures as the average of undiscounted charges on frequently performed procedures and preventive diagnostic procedures, the range of procedure charges from highest to lowest, average net revenue per adjusted patient day, average cost per adjusted patient day, and average cost per admission, among others.

2. Make available performance measures, benefit design, and premium cost data from health plans licensed pursuant to chapter 627 or chapter 641. The agency shall determine which health care quality measures and member and subscriber cost data to disclose, based upon input from the council. When determining which data to disclose, the agency shall consider information that may be required by either individual or group purchasers to assess the value of the product, which may include membership satisfaction, quality of care, current enrollment or membership, coverage areas, accreditation status, premium costs, plan costs, premium increases, range of benefits, copayments and deductibles, accuracy and speed of claims payment, credentials of physicians, number of providers, names of network providers, and hospitals in the network. Health plans shall make available to the agency any such data or information that is not currently reported to the agency or the office.

3. Determine the method and format for public disclosure of data reported pursuant to this paragraph. The agency shall make its determination based upon input from the State Consumer Health Information and Policy Advisory Council. At a minimum, the data shall be made available on the agency's Internet website in a manner that allows consumers to conduct an interactive search that allows them to view and compare the information for specific providers. The website must include such additional information as is determined necessary to ensure that the website enhances informed decisionmaking among consumers and health care purchasers, which shall include, at a minimum, appropriate guidance on how to use the data and an explanation of why the data may vary from provider to provider.

4. Publish on its website undiscounted charges for no fewer than 150 of the most commonly performed adult and pediatric procedures, including outpatient, inpatient, diagnostic, and preventative procedures.

Section 60. Paragraph (a) of subsection (1) of section 408.061, Florida Statutes, is amended to read:

408.061 Data collection; uniform systems of financial reporting; information relating to physician charges; confidential information; immunity.—

(1) The agency shall require the submission by health care facilities, health care providers, and health insurers of data necessary to carry out the agency's duties. Specifications for data to be collected under this section shall be developed by the agency with the assistance of technical advisory panels including representatives of affected entities, consumers, purchasers, and such other interested parties as may be determined by the agency.

(a) Data submitted by health care facilities, including the facilities as defined in chapter 395, shall include, but are not limited to: case-mix data, patient admission and discharge data, hospital emergency department data which shall include the number of patients treated in the emergency department of a licensed hospital reported by patient acuity level, data on hospital-acquired infections as specified by rule, data on complications as specified by rule, data on readmissions as specified by rule, with patient and provider-specific identifiers included, actual charge data by diagnostic groups, financial data, accounting data, operating expenses, expenses incurred for rendering services to patients who cannot or do not pay, interest charges, depreciation expenses based on the expected useful life of the property and equipment involved, and demographic data. The agency shall adopt nationally recognized risk adjustment methodologies or software consistent with the standards of the Agency for Healthcare Research and Quality and as selected by the agency for all data submitted as required by this section. Data may be obtained from documents such as, but not limited to: leases, contracts, debt instruments, itemized patient bills, medical record abstracts, and related diagnostic information. Reported data elements shall be reported electronically *and* ~~in accordance with rule 59E-7.012, Florida Administrative Code. Data submitted shall be~~ certified by the chief executive officer or an appropriate and duly authorized representative or employee of the licensed facility that the information submitted is true and accurate.

Section 61. Subsection (43) of section 408.07, Florida Statutes, is amended to read:

408.07 Definitions.—As used in this chapter, with the exception of ss. 408.031-408.045, the term:

(43) "Rural hospital" means an acute care hospital licensed under chapter 395, having 100 or fewer licensed beds and an emergency room, and which is:

(a) The sole provider within a county with a population density of no greater than 100 persons per square mile;

(b) An acute care hospital, in a county with a population density of no greater than 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from another acute care hospital within the same county;

(c) A hospital supported by a tax district or subdistrict whose boundaries encompass a population of 100 persons or fewer per square mile;

(d) A hospital with a service area that has a population of 100 persons or fewer per square mile. As used in this paragraph, the term "service area" means the fewest number of zip codes that account for 75

percent of the hospital's discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the Florida Center for Health Information and Policy Analysis at the Agency for Health Care Administration; or

(e) A critical access hospital.

Population densities used in this subsection must be based upon the most recently completed United States census. A hospital that received funds under s. 409.9116 for a quarter beginning no later than July 1, 2002, is deemed to have been and shall continue to be a rural hospital from that date through June 30, 2015, if the hospital continues to have 100 or fewer licensed beds and an emergency room~~, or meets the criteria of s. 395.602(2)(e)4~~. An acute care hospital that has not previously been designated as a rural hospital and that meets the criteria of this subsection shall be granted such designation upon application, including supporting documentation, to the Agency for Health Care Administration.

Section 62. Section 408.10, Florida Statutes, is amended to read:

408.10 Consumer complaints.—The agency shall~~:~~

~~(1)~~ publish and make available to the public a toll-free telephone number for the purpose of handling consumer complaints and shall serve as a liaison between consumer entities and other private entities and governmental entities for the disposition of problems identified by consumers of health care.

~~(2) Be empowered to investigate consumer complaints relating to problems with health care facilities' billing practices and issue reports to be made public in any cases where the agency determines the health care facility has engaged in billing practices which are unreasonable and unfair to the consumer.~~

Section 63. Subsections (12) through (30) of section 408.802, Florida Statutes, are renumbered as subsections (11) through (29), respectively, and present subsection (11) of that section is amended to read:

408.802 Applicability.—The provisions of this part apply to the provision of services that require licensure as defined in this part and to the following entities licensed, registered, or certified by the agency, as described in chapters 112, 383, 390, 394, 395, 400, 429, 440, 483, and 765:

~~(11) Private review agents, as provided under part I of chapter 395.~~

Section 64. Subsection (3) is added to section 408.804, Florida Statutes, to read:

408.804 License required; display.—

(3) Any person who knowingly alters, defaces, or falsifies a license certificate issued by the agency, or causes or procures any person to commit such an offense, commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s 775.083. Any licensee or provider who displays an altered, defaced, or falsified license certificate is subject to the penalties set forth in s. 408.815 and an administrative fine of $1,000 for each day of illegal display.

Section 65. Paragraph (d) of subsection (2) of section 408.806, Florida Statutes, is amended, and paragraph (e) is added to that subsection, to read:

408.806 License application process.—

(2)

(d) ~~The agency shall notify the licensee by mail or electronically at least 90 days before the expiration of a license that a renewal license is necessary to continue operation.~~ The *licensee's* failure to timely *file* ~~submit~~ a renewal application and license *application* fee *with the agency* shall result in a $50 per day late fee charged to the licensee by the agency; however, the aggregate amount of the late fee may not exceed 50 percent of the licensure fee or $500, whichever is less. *The agency shall provide a courtesy notice to the licensee by United States mail, electronically, or by any other manner at its address of record or mailing address, if provided, at least 90 days prior to the expiration of a license informing the licensee of the expiration of the license. If the licensee does not receive the courtesy notice, the licensee continues to be legally obligated to timely file the renewal application and license application fee with the agency and is not excused from the payment of a late fee.* If an application is received after the required filing date and exhibits a hand-canceled postmark obtained from a United States post office dated on or before the required filing date, no fine will be levied.

(e) The applicant must pay the late fee before a late application is considered complete and failure to pay the late fee is considered an omission from the application for licensure pursuant to paragraph (3)(b).

Section 66. Paragraph (b) of subsection (1) of section 408.8065, Florida Statutes, is amended to read:

408.8065 Additional licensure requirements for home health agencies, home medical equipment providers, and health care clinics.—

(1) An applicant for initial licensure, or initial licensure due to a change of ownership, as a home health agency, home medical equipment provider, or health care clinic shall:

(b) Submit *projected* ~~pro forma~~ financial statements, including a balance sheet, income and expense statement, and a statement of cash flows for the first 2 years of operation which provide evidence that the applicant has sufficient assets, credit, and projected revenues to cover liabilities and expenses.

All documents required under this subsection must be prepared in accordance with generally accepted accounting principles and may be in a compilation form. The financial statements must be signed by a certified public accountant.

Section 67. Subsections (5) through (8) of section 408.809, Florida Statutes are renumbered as subsections (6) through (9), respectively, and subsection (4) of that section is amended to read:

408.809 Background screening; prohibited offenses.—

(4) In addition to the offenses listed in s. 435.04, all persons required to undergo background screening pursuant to this part or authorizing statutes must not have an arrest awaiting final disposition for, must not have been found guilty of, regardless of adjudication, or entered a plea of nolo contendere or guilty to, and must not have been adjudicated delinquent and the record not have been sealed or expunged for any of the following offenses or any similar offense of another jurisdiction:

(a) Any authorizing statutes, if the offense was a felony.

(b) This chapter, if the offense was a felony.

(c) Section 409.920, relating to Medicaid provider fraud.

(d) Section 409.9201, relating to Medicaid fraud.

(e) Section 741.28, relating to domestic violence.

(f) Section 817.034, relating to fraudulent acts through mail, wire, radio, electromagnetic, photoelectronic, or photooptical systems.

(g) Section 817.234, relating to false and fraudulent insurance claims.

(h) Section 817.505, relating to patient brokering.

(i) Section 817.568, relating to criminal use of personal identification information.

(j) Section 817.60, relating to obtaining a credit card through fraudulent means.

(k) Section 817.61, relating to fraudulent use of credit cards, if the offense was a felony.

(l) Section 831.01, relating to forgery.

(m) Section 831.02, relating to uttering forged instruments.

(n) Section 831.07, relating to forging bank bills, checks, drafts, or promissory notes.

(o) Section 831.09, relating to uttering forged bank bills, checks, drafts, or promissory notes.

(p) Section 831.30, relating to fraud in obtaining medicinal drugs.

(q) Section 831.31, relating to the sale, manufacture, delivery, or possession with the intent to sell, manufacture, or deliver any counterfeit controlled substance, if the offense was a felony.

(5) A person who serves as a controlling interest of, is employed by, or contracts with a licensee on July 31, 2010, who has been screened and qualified according to standards specified in s. 435.03 or s. 435.04 must be rescreened by July 31, 2015*, in accordance with the schedule provided in paragraphs (a)-(c)*. ~~The agency may adopt rules to establish a schedule to stagger the implementation of the required rescreening over the 5-year period, beginning July 31, 2010, through July 31, 2015.~~ If, upon rescreening, such person has a disqualifying offense that was not a disqualifying offense at the time of the last screening, but is a current disqualifying offense and was committed before the last screening, he or she may apply for an exemption from the appropriate licensing agency and, if agreed to by the employer, may continue to perform his or her duties until the licensing agency renders a decision on the application for exemption if the person is eligible to apply for an exemption and the exemption request is received by the agency within 30 days after receipt of the rescreening results by the person. *The rescreening schedule shall be:*

(a) Individuals whose last screening was conducted before December 31, 2003, must be rescreened by July 31, 2013.

(b) Individuals whose last screening was conducted between January 1, 2004, through December 31, 2007, must be rescreened by July 31, 2014.

(c) Individuals whose last screening was conducted between January 1, 2008, through July 31, 2010, must be rescreened by July 31, 2015.

Section 68. Subsection (9) of section 408.810, Florida Statutes, is amended to read:

408.810 Minimum licensure requirements.—In addition to the licensure requirements specified in this part, authorizing statutes, and applicable rules, each applicant and licensee must comply with the requirements of this section in order to obtain and maintain a license.

(9) A controlling interest may not withhold from the agency any evidence of financial instability, including, but not limited to, checks returned due to insufficient funds, delinquent accounts, nonpayment of withholding taxes, unpaid utility expenses, nonpayment for essential services, or adverse court action concerning the financial viability of the provider or any other provider licensed under this part that is under the control of the controlling interest. *A controlling interest shall notify the agency within 10 days after a court action to initiate bankruptcy, foreclosure, or eviction proceedings concerning the provider in which the controlling interest is a petitioner or defendant.* Any person who violates this subsection commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. Each day of continuing violation is a separate offense.

Section 69. Subsection (3) is added to section 408.813, Florida Statutes, to read:

408.813 Administrative fines; violations.—As a penalty for any violation of this part, authorizing statutes, or applicable rules, the agency may impose an administrative fine.

(3) The agency may impose an administrative fine for a violation that is not designated as a class I, class II, class III, or class IV violation. Unless otherwise specified by law, the amount of the fine shall not exceed $500 for each violation. Unclassified violations may include:

(a) Violating any term or condition of a license.

(b) Violating any provision of this part, authorizing statutes, or applicable rules.

(c) Exceeding licensed capacity.

(d) Providing services beyond the scope of the license.

(e) Violating a moratorium imposed pursuant to s. 408.814.

Section 70. Subsection (4) of section 408.815, Florida Statutes, is amended, and subsections (5) and (6) are added to that section, to read:

408.815 License or application denial; revocation.—

(4) *Unless an applicant is determined by the agency to satisfy the provisions of subsection (5) for the action in question, the agency shall deny an application for a license or license renewal based upon any of the following actions of an applicant, a controlling interest of the applicant, or any entity in which a controlling interest of the applicant was an owner or officer when the following actions occurred* ~~In addition to the grounds provided in authorizing statutes, the agency shall deny an application for a license or license renewal if the applicant or a person having a controlling interest in an applicant has been~~:

(a) *Conviction* ~~Convicted~~ of~~,~~ or ~~enters~~ a plea of guilty or nolo contendere to, regardless of adjudication, a felony under chapter 409, chapter 817, chapter 893, 21 U.S.C. ss. 801-970, or 42 U.S.C. ss. 1395-1396, *Medicare fraud, Medicaid fraud, or insurance fraud,* unless the sentence and any subsequent period of probation for such convictions or plea ended more than 15 years prior to the date of the application;

(b) *Termination* ~~Terminated~~ for cause from the *Medicare program or a state* ~~Florida~~ Medicaid program ~~pursuant to s. 409.913~~, unless the applicant has been in good standing with the *Medicare program or a state* ~~Florida~~ Medicaid program for the most recent 5 years *and the termination occurred at least 20 years before the date of the application.*~~;~~ ~~or~~

~~(c) Terminated for cause, pursuant to the appeals procedures established by the state or Federal Government, from the federal Medicare program or from any other state Medicaid program, unless the applicant has been in good standing with a state Medicaid program or the federal Medicare program for the most recent 5 years and the termination occurred at least 20 years prior to the date of the application.~~

(5) For any application subject to denial under subsection (4), the agency may consider mitigating circumstances, as applicable, including, but not limited to:

(a) Completion or lawful release from confinement, supervision, or sanction, including any terms of probation, and full restitution;

(b) Execution of a compliance plan with the agency;

(c) Compliance with any integrity agreement or compliance plan with any other government agency;

(d) Determination by the Medicare program or a state Medicaid program that the controlling interest or entity in which the controlling interest was an owner or officer is currently allowed to participate in the Medicare program or a state Medicaid program, either directly as a provider or indirectly as an owner or officer of a provider entity;

(e) Continuation of licensure by the controlling interest or entity in which the controlling interest was an owner or officer, either directly as a licensee or indirectly as an owner or officer of a licensed entity in the state where the action occurred;

(f) Overall impact upon the public health, safety, or welfare; or

(g) Determination that license denial is not commensurate with the prior action taken by the Medicare program or a state Medicaid program.

After considering the circumstances set forth in this subsection, the agency shall grant the license, with or without conditions, grant a provisional license for a period of no more than the licensure cycle, with or without conditions, or deny the license.

(6) In order to ensure the health, safety, and welfare of clients when a license has been denied, revoked, or is set to terminate, the agency may extend the license expiration date for a period of up to 30 days for the sole purpose of allowing the safe and orderly discharge of clients. The agency may impose conditions on the extension, including, but not limited to, prohibiting or limiting admissions, expedited discharge planning, required status reports, and mandatory monitoring by the agency or third parties. When imposing these conditions, the agency shall take into con-

sideration the nature and number of clients, the availability and location of acceptable alternative placements, and the ability of the licensee to continue providing care to the clients. The agency may terminate the extension or modify the conditions at any time. This authority is in addition to any other authority granted to the agency under chapter 120, this part, and authorizing statutes but creates no right or entitlement to an extension of a license expiration date.

Section 71. Paragraph (c) of subsection (4) of section 409.212, Florida Statutes, is amended to read:

409.212 Optional supplementation.—

(4) In addition to the amount of optional supplementation provided by the state, a person may receive additional supplementation from third parties to contribute to his or her cost of care. Additional supplementation may be provided under the following conditions:

(c) The additional supplementation shall not exceed *three* ~~two~~ times the provider rate recognized under the optional state supplementation program.

Section 72. Subsection (1) of section 409.91196, Florida Statutes, is amended to read:

409.91196 Supplemental rebate agreements; public records and public meetings exemption.—

(1) The rebate amount, percent of rebate, manufacturer's pricing, and supplemental rebate, and other trade secrets as defined in s. 688.002 that the agency has identified for use in negotiations, held by the Agency for Health Care Administration under s. 409.912(39)(a)*8.* ~~7.~~ are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

Section 73. Paragraph (b) of subsection (4), paragraph (a) of subsection (39), and subsection (41) of section 409.912, Florida Statutes, are amended to read:

409.912 Cost-effective purchasing of health care.—The agency shall purchase goods and services for Medicaid recipients in the most cost-effective manner consistent with the delivery of quality medical care. To ensure that medical services are effectively utilized, the agency may, in any case, require a confirmation or second physician's opinion of the correct diagnosis for purposes of authorizing future services under the Medicaid program. This section does not restrict access to emergency services or poststabilization care services as defined in 42 C.F.R. part 438.114. Such confirmation or second opinion shall be rendered in a manner approved by the agency. The agency shall maximize the use of prepaid per capita and prepaid aggregate fixed-sum basis services when appropriate and other alternative service delivery and reimbursement methodologies, including competitive bidding pursuant to s. 287.057, designed to facilitate the cost-effective purchase of a case-managed continuum of care. The agency shall also require providers to minimize the exposure of recipients to the need for acute inpatient, custodial, and other institutional care and the inappropriate or unnecessary use of high-cost services. The agency shall contract with a vendor to monitor and evaluate the clinical practice patterns of providers in order to identify trends that are outside the normal practice patterns of a provider's professional peers or the national guidelines of a provider's professional association. The vendor must be able to provide information and counseling to a provider whose practice patterns are outside the norms, in consultation with the agency, to improve patient care and reduce inappropriate utilization. The agency may mandate prior authorization, drug therapy management, or disease management participation for certain populations of Medicaid beneficiaries, certain drug classes, or particular drugs to prevent fraud, abuse, overuse, and possible dangerous drug interactions. The Pharmaceutical and Therapeutics Committee shall make recommendations to the agency on drugs for which prior authorization is required. The agency shall inform the Pharmaceutical and Therapeutics Committee of its decisions regarding drugs subject to prior authorization. The agency is authorized to limit the entities it contracts with or enrolls as Medicaid providers by developing a provider network through provider credentialing. The agency may competitively bid single-source-provider contracts if procurement of goods or services results in demonstrated cost savings to the state without limiting access to care. The agency may limit its network based on the assessment of beneficiary access to care, provider availability, provider quality standards, time and distance standards for access to care, the cultural competence of the provider network, demographic characteristics of Medicaid beneficiaries, practice and provider-to-beneficiary standards, appointment wait times, beneficiary use of services, provider turnover, provider profiling, provider licensure history, previous program integrity investigations and findings, peer review, provider Medicaid policy and billing compliance records, clinical and medical record audits, and other factors. Providers shall not be entitled to enrollment in the Medicaid provider network. The agency shall determine instances in which allowing Medicaid beneficiaries to purchase durable medical equipment and other goods is less expensive to the Medicaid program than long-term rental of the equipment or goods. The agency may establish rules to facilitate purchases in lieu of long-term rentals in order to protect against fraud and abuse in the Medicaid program as defined in s. 409.913. The agency may seek federal waivers necessary to administer these policies.

(4) The agency may contract with:

(b) An entity that is providing comprehensive behavioral health care services to certain Medicaid recipients through a capitated, prepaid arrangement pursuant to the federal waiver provided for by s. 409.905(5). Such entity must be licensed under chapter 624, chapter 636, or chapter 641, or authorized under paragraph (c) or paragraph (d), and must possess the clinical systems and operational competence to manage risk and provide comprehensive behavioral health care to Medicaid recipients. As used in this paragraph, the term "comprehensive behavioral health care services" means covered mental health and substance abuse treatment services that are available to Medicaid recipients. The secretary of the Department of Children and Family Services shall approve provisions of procurements related to children in the department's care or custody before enrolling such children in a prepaid behavioral health plan. Any contract awarded under this paragraph must be competitively procured. In developing the behavioral health care prepaid plan procurement document, the agency shall ensure that the procurement document requires the contractor to develop and implement a plan to ensure compliance with s. 394.4574 related to services provided to residents of licensed assisted living facilities that hold a limited mental health license. Except as provided in subparagraph 8., and except in counties where the Medicaid managed care pilot program is authorized pursuant to s. 409.91211, the agency shall seek federal approval to contract with a single entity meeting these requirements to provide comprehensive behavioral health care services to all Medicaid recipients not enrolled in a Medicaid managed care plan authorized under s. 409.91211, a provider service network authorized under paragraph (d), or a Medicaid health maintenance organization in an AHCA area. In an AHCA area where the Medicaid managed care pilot program is authorized pursuant to s. 409.91211 in one or more counties, the agency may procure a contract with a single entity to serve the remaining counties as an AHCA area or the remaining counties may be included with an adjacent AHCA area and are subject to this paragraph. Each entity must offer a sufficient choice of providers in its network to ensure recipient access to care and the opportunity to select a provider with whom they are satisfied. The network shall include all public mental health hospitals. To ensure unimpaired access to behavioral health care services by Medicaid recipients, all contracts issued pursuant to this paragraph must require 80 percent of the capitation paid to the managed care plan, including health maintenance organizations and capitated provider service networks, to be expended for the provision of behavioral health care services. If the managed care plan expends less than 80 percent of the capitation paid for the provision of behavioral health care services, the difference shall be returned to the agency. The agency shall provide the plan with a certification letter indicating the amount of capitation paid during each calendar year for behavioral health care services pursuant to this section. The agency may reimburse for substance abuse treatment services on a fee-for-service basis until the agency finds that adequate funds are available for capitated, prepaid arrangements.

1. By January 1, 2001, the agency shall modify the contracts with the entities providing comprehensive inpatient and outpatient mental health care services to Medicaid recipients in Hillsborough, Highlands, Hardee, Manatee, and Polk Counties, to include substance abuse treatment services.

2. By July 1, 2003, the agency and the Department of Children and Family Services shall execute a written agreement that requires collaboration and joint development of all policy, budgets, procurement documents, contracts, and monitoring plans that have an impact on the

state and Medicaid community mental health and targeted case management programs.

3. Except as provided in subparagraph 8., by July 1, 2006, the agency and the Department of Children and Family Services shall contract with managed care entities in each AHCA area except area 6 or arrange to provide comprehensive inpatient and outpatient mental health and substance abuse services through capitated prepaid arrangements to all Medicaid recipients who are eligible to participate in such plans under federal law and regulation. In AHCA areas where eligible individuals number less than 150,000, the agency shall contract with a single managed care plan to provide comprehensive behavioral health services to all recipients who are not enrolled in a Medicaid health maintenance organization, a provider service network authorized under paragraph (d), or a Medicaid capitated managed care plan authorized under s. 409.91211. The agency may contract with more than one comprehensive behavioral health provider to provide care to recipients who are not enrolled in a Medicaid capitated managed care plan authorized under s. 409.91211, a provider service network authorized under paragraph (d), or a Medicaid health maintenance organization in AHCA areas where the eligible population exceeds 150,000. In an AHCA area where the Medicaid managed care pilot program is authorized pursuant to s. 409.91211 in one or more counties, the agency may procure a contract with a single entity to serve the remaining counties as an AHCA area or the remaining counties may be included with an adjacent AHCA area and shall be subject to this paragraph. Contracts for comprehensive behavioral health providers awarded pursuant to this section shall be competitively procured. Both for-profit and not-for-profit corporations are eligible to compete. Managed care plans contracting with the agency under subsection (3) or paragraph (d), shall provide and receive payment for the same comprehensive behavioral health benefits as provided in AHCA rules, including handbooks incorporated by reference. In AHCA area 11, the agency shall contract with at least two comprehensive behavioral health care providers to provide behavioral health care to recipients in that area who are enrolled in, or assigned to, the MediPass program. One of the behavioral health care contracts must be with the existing provider service network pilot project, as described in paragraph (d), for the purpose of demonstrating the cost-effectiveness of the provision of quality mental health services through a public hospital-operated managed care model. Payment shall be at an agreed-upon capitated rate to ensure cost savings. Of the recipients in area 11 who are assigned to MediPass under s. 409.9122(2)(k), a minimum of 50,000 of those MediPass-enrolled recipients shall be assigned to the existing provider service network in area 11 for their behavioral care.

4. By October 1, 2003, the agency and the department shall submit a plan to the Governor, the President of the Senate, and the Speaker of the House of Representatives which provides for the full implementation of capitated prepaid behavioral health care in all areas of the state.

a. Implementation shall begin in 2003 in those AHCA areas of the state where the agency is able to establish sufficient capitation rates.

b. If the agency determines that the proposed capitation rate in any area is insufficient to provide appropriate services, the agency may adjust the capitation rate to ensure that care will be available. The agency and the department may use existing general revenue to address any additional required match but may not over-obligate existing funds on an annualized basis.

c. Subject to any limitations provided in the General Appropriations Act, the agency, in compliance with appropriate federal authorization, shall develop policies and procedures that allow for certification of local and state funds.

5. Children residing in a statewide inpatient psychiatric program, or in a Department of Juvenile Justice or a Department of Children and Family Services residential program approved as a Medicaid behavioral health overlay services provider may not be included in a behavioral health care prepaid health plan or any other Medicaid managed care plan pursuant to this paragraph.

6. In converting to a prepaid system of delivery, the agency shall in its procurement document require an entity providing only comprehensive behavioral health care services to prevent the displacement of indigent care patients by enrollees in the Medicaid prepaid health plan providing behavioral health care services from facilities receiving state funding to provide indigent behavioral health care, to facilities licensed under chapter 395 which do not receive state funding for indigent behavioral health care, or reimburse the unsubsidized facility for the cost of behavioral health care provided to the displaced indigent care patient.

7. Traditional community mental health providers under contract with the Department of Children and Family Services pursuant to part IV of chapter 394, child welfare providers under contract with the Department of Children and Family Services in areas 1 and 6, and inpatient mental health providers licensed pursuant to chapter 395 must be offered an opportunity to accept or decline a contract to participate in any provider network for prepaid behavioral health services.

8. All Medicaid-eligible children, except children in area 1 and children in Highlands County, Hardee County, Polk County, or Manatee County of area 6, that are open for child welfare services in the HomeSafeNet system, shall receive their behavioral health care services through a specialty prepaid plan operated by community-based lead agencies through a single agency or formal agreements among several agencies. *The agency shall work with the specialty plan to develop clinically effective, evidence-based alternatives as a downward substitution for the statewide inpatient psychiatric program and similar residential care and institutional services.* The specialty prepaid plan must result in savings to the state comparable to savings achieved in other Medicaid managed care and prepaid programs. Such plan must provide mechanisms to maximize state and local revenues. The specialty prepaid plan shall be developed by the agency and the Department of Children and Family Services. The agency may seek federal waivers to implement this initiative. Medicaid-eligible children whose cases are open for child welfare services in the HomeSafeNet system and who reside in AHCA area 10 are exempt from the specialty prepaid plan upon the development of a service delivery mechanism for children who reside in area 10 as specified in s. 409.91211(3)(dd).

(39)(a) The agency shall implement a Medicaid prescribed-drug spending-control program that includes the following components:

1. A Medicaid preferred drug list, which shall be a listing of cost-effective therapeutic options recommended by the Medicaid Pharmacy and Therapeutics Committee established pursuant to s. 409.91195 and adopted by the agency for each therapeutic class on the preferred drug list. At the discretion of the committee, and when feasible, the preferred drug list should include at least two products in a therapeutic class. The agency may post the preferred drug list and updates to the preferred drug list on an Internet website without following the rulemaking procedures of chapter 120. Antiretroviral agents are excluded from the preferred drug list. The agency shall also limit the amount of a prescribed drug dispensed to no more than a 34-day supply unless the drug products' smallest marketed package is greater than a 34-day supply, or the drug is determined by the agency to be a maintenance drug in which case a 100-day maximum supply may be authorized. The agency is authorized to seek any federal waivers necessary to implement these cost-control programs and to continue participation in the federal Medicaid rebate program, or alternatively to negotiate state-only manufacturer rebates. The agency may adopt rules to implement this subparagraph. The agency shall continue to provide unlimited contraceptive drugs and items. The agency must establish procedures to ensure that:

a. There is a response to a request for prior consultation by telephone or other telecommunication device within 24 hours after receipt of a request for prior consultation; and

b. A 72-hour supply of the drug prescribed is provided in an emergency or when the agency does not provide a response within 24 hours as required by sub-subparagraph a.

2. Reimbursement to pharmacies for Medicaid prescribed drugs shall be set at the lesser of: the average wholesale price (AWP) minus 16.4 percent, the wholesaler acquisition cost (WAC) plus 4.75 percent, the federal upper limit (FUL), the state maximum allowable cost (SMAC), or the usual and customary (UAC) charge billed by the provider.

3. For a prescribed drug billed as a 340B prescribed medication, the claim must meet the requirements of the Deficit Reduction Act of 2005 and the federal 340B program, contain a national drug code, and be billed at the actual acquisition cost or payment shall be denied.

4.~~3.~~ The agency shall develop and implement a process for managing the drug therapies of Medicaid recipients who are using significant

numbers of prescribed drugs each month. The management process may include, but is not limited to, comprehensive, physician-directed medical-record reviews, claims analyses, and case evaluations to determine the medical necessity and appropriateness of a patient's treatment plan and drug therapies. The agency may contract with a private organization to provide drug-program-management services. The Medicaid drug benefit management program shall include initiatives to manage drug therapies for HIV/AIDS patients, patients using 20 or more unique prescriptions in a 180-day period, and the top 1,000 patients in annual spending. The agency shall enroll any Medicaid recipient in the drug benefit management program if he or she meets the specifications of this provision and is not enrolled in a Medicaid health maintenance organization.

5.~~4.~~ The agency may limit the size of its pharmacy network based on need, competitive bidding, price negotiations, credentialing, or similar criteria. The agency shall give special consideration to rural areas in determining the size and location of pharmacies included in the Medicaid pharmacy network. A pharmacy credentialing process may include criteria such as a pharmacy's full-service status, location, size, patient educational programs, patient consultation, disease management services, and other characteristics. The agency may impose a moratorium on Medicaid pharmacy enrollment when it is determined that it has a sufficient number of Medicaid-participating providers. The agency must allow dispensing practitioners to participate as a part of the Medicaid pharmacy network regardless of the practitioner's proximity to any other entity that is dispensing prescription drugs under the Medicaid program. A dispensing practitioner must meet all credentialing requirements applicable to his or her practice, as determined by the agency.

6.~~5.~~ The agency shall develop and implement a program that requires Medicaid practitioners who prescribe drugs to use a counterfeit-proof prescription pad for Medicaid prescriptions. The agency shall require the use of standardized counterfeit-proof prescription pads by Medicaid-participating prescribers or prescribers who write prescriptions for Medicaid recipients. The agency may implement the program in targeted geographic areas or statewide.

7.~~6.~~ The agency may enter into arrangements that require manufacturers of generic drugs prescribed to Medicaid recipients to provide rebates of at least 15.1 percent of the average manufacturer price for the manufacturer's generic products. These arrangements shall require that if a generic-drug manufacturer pays federal rebates for Medicaid-reimbursed drugs at a level below 15.1 percent, the manufacturer must provide a supplemental rebate to the state in an amount necessary to achieve a 15.1-percent rebate level.

8.~~7.~~ The agency may establish a preferred drug list as described in this subsection, and, pursuant to the establishment of such preferred drug list, it is authorized to negotiate supplemental rebates from manufacturers that are in addition to those required by Title XIX of the Social Security Act and at no less than 14 percent of the average manufacturer price as defined in 42 U.S.C. s. 1936 on the last day of a quarter unless the federal or supplemental rebate, or both, equals or exceeds 29 percent. There is no upper limit on the supplemental rebates the agency may negotiate. The agency may determine that specific products, brand-name or generic, are competitive at lower rebate percentages. Agreement to pay the minimum supplemental rebate percentage will guarantee a manufacturer that the Medicaid Pharmaceutical and Therapeutics Committee will consider a product for inclusion on the preferred drug list. However, a pharmaceutical manufacturer is not guaranteed placement on the preferred drug list by simply paying the minimum supplemental rebate. Agency decisions will be made on the clinical efficacy of a drug and recommendations of the Medicaid Pharmaceutical and Therapeutics Committee, as well as the price of competing products minus federal and state rebates. The agency is authorized to contract with an outside agency or contractor to conduct negotiations for supplemental rebates. For the purposes of this section, the term "supplemental rebates" means cash rebates. Effective July 1, 2004, value-added programs as a substitution for supplemental rebates are prohibited. The agency is authorized to seek any federal waivers to implement this initiative.

9.~~8.~~ The Agency for Health Care Administration shall expand home delivery of pharmacy products. To assist Medicaid patients in securing their prescriptions and reduce program costs, the agency shall expand its current mail-order-pharmacy diabetes-supply program to include all generic and brand-name drugs used by Medicaid patients with diabetes. Medicaid recipients in the current program may obtain nondiabetes drugs on a voluntary basis. This initiative is limited to the geographic area covered by the current contract. The agency may seek and implement any federal waivers necessary to implement this subparagraph.

10.~~9.~~ The agency shall limit to one dose per month any drug prescribed to treat erectile dysfunction.

11.~~10.~~a. The agency may implement a Medicaid behavioral drug management system. The agency may contract with a vendor that has experience in operating behavioral drug management systems to implement this program. The agency is authorized to seek federal waivers to implement this program.

b. The agency, in conjunction with the Department of Children and Family Services, may implement the Medicaid behavioral drug management system that is designed to improve the quality of care and behavioral health prescribing practices based on best practice guidelines, improve patient adherence to medication plans, reduce clinical risk, and lower prescribed drug costs and the rate of inappropriate spending on Medicaid behavioral drugs. The program may include the following elements:

(I) Provide for the development and adoption of best practice guidelines for behavioral health-related drugs such as antipsychotics, antidepressants, and medications for treating bipolar disorders and other behavioral conditions; translate them into practice; review behavioral health prescribers and compare their prescribing patterns to a number of indicators that are based on national standards; and determine deviations from best practice guidelines.

(II) Implement processes for providing feedback to and educating prescribers using best practice educational materials and peer-to-peer consultation.

(III) Assess Medicaid beneficiaries who are outliers in their use of behavioral health drugs with regard to the numbers and types of drugs taken, drug dosages, combination drug therapies, and other indicators of improper use of behavioral health drugs.

(IV) Alert prescribers to patients who fail to refill prescriptions in a timely fashion, are prescribed multiple same-class behavioral health drugs, and may have other potential medication problems.

(V) Track spending trends for behavioral health drugs and deviation from best practice guidelines.

(VI) Use educational and technological approaches to promote best practices, educate consumers, and train prescribers in the use of practice guidelines.

(VII) Disseminate electronic and published materials.

(VIII) Hold statewide and regional conferences.

(IX) Implement a disease management program with a model quality-based medication component for severely mentally ill individuals and emotionally disturbed children who are high users of care.

12.~~11.~~a. The agency shall implement a Medicaid prescription drug management system. The agency may contract with a vendor that has experience in operating prescription drug management systems in order to implement this system. Any management system that is implemented in accordance with this subparagraph must rely on cooperation between physicians and pharmacists to determine appropriate practice patterns and clinical guidelines to improve the prescribing, dispensing, and use of drugs in the Medicaid program. The agency may seek federal waivers to implement this program.

b. The drug management system must be designed to improve the quality of care and prescribing practices based on best practice guidelines, improve patient adherence to medication plans, reduce clinical risk, and lower prescribed drug costs and the rate of inappropriate spending on Medicaid prescription drugs. The program must:

(I) Provide for the development and adoption of best practice guidelines for the prescribing and use of drugs in the Medicaid program, including translating best practice guidelines into practice; reviewing prescriber patterns and comparing them to indicators that are based on

national standards and practice patterns of clinical peers in their community, statewide, and nationally; and determine deviations from best practice guidelines.

(II) Implement processes for providing feedback to and educating prescribers using best practice educational materials and peer-to-peer consultation.

(III) Assess Medicaid recipients who are outliers in their use of a single or multiple prescription drugs with regard to the numbers and types of drugs taken, drug dosages, combination drug therapies, and other indicators of improper use of prescription drugs.

(IV) Alert prescribers to patients who fail to refill prescriptions in a timely fashion, are prescribed multiple drugs that may be redundant or contraindicated, or may have other potential medication problems.

(V) Track spending trends for prescription drugs and deviation from best practice guidelines.

(VI) Use educational and technological approaches to promote best practices, educate consumers, and train prescribers in the use of practice guidelines.

(VII) Disseminate electronic and published materials.

(VIII) Hold statewide and regional conferences.

(IX) Implement disease management programs in cooperation with physicians and pharmacists, along with a model quality-based medication component for individuals having chronic medical conditions.

13.~~12.~~ The agency is authorized to contract for drug rebate administration, including, but not limited to, calculating rebate amounts, invoicing manufacturers, negotiating disputes with manufacturers, and maintaining a database of rebate collections.

14.~~13.~~ The agency may specify the preferred daily dosing form or strength for the purpose of promoting best practices with regard to the prescribing of certain drugs as specified in the General Appropriations Act and ensuring cost-effective prescribing practices.

15.~~14.~~ The agency may require prior authorization for Medicaid-covered prescribed drugs. The agency may, but is not required to, prior-authorize the use of a product:

a. For an indication not approved in labeling;

b. To comply with certain clinical guidelines; or

c. If the product has the potential for overuse, misuse, or abuse.

The agency may require the prescribing professional to provide information about the rationale and supporting medical evidence for the use of a drug. The agency *shall accept electronic prior authorization requests from prescribers or pharmacists for any drug requiring prior authorization and* ~~may~~ post prior authorization criteria and protocol and updates to the list of drugs that are subject to prior authorization on an Internet website without amending its rule or engaging in additional rulemaking.

16.~~15.~~ The agency, in conjunction with the Pharmaceutical and Therapeutics Committee, may require age-related prior authorizations for certain prescribed drugs. The agency may preauthorize the use of a drug for a recipient who may not meet the age requirement or may exceed the length of therapy for use of this product as recommended by the manufacturer and approved by the Food and Drug Administration. Prior authorization may require the prescribing professional to provide information about the rationale and supporting medical evidence for the use of a drug.

17.~~16.~~ The agency shall implement a step-therapy prior authorization approval process for medications excluded from the preferred drug list. Medications listed on the preferred drug list must be used within the previous 12 months prior to the alternative medications that are not listed. The step-therapy prior authorization may require the prescriber to use the medications of a similar drug class or for a similar medical indication unless contraindicated in the Food and Drug Administration labeling. The trial period between the specified steps may vary according to the medical indication. The step-therapy approval process shall be developed in accordance with the committee as stated in s. 409.91195(7) and (8). A drug product may be approved without meeting the step-therapy prior authorization criteria if the prescribing physician provides the agency with additional written medical or clinical documentation that the product is medically necessary because:

a. There is not a drug on the preferred drug list to treat the disease or medical condition which is an acceptable clinical alternative;

b. The alternatives have been ineffective in the treatment of the beneficiary's disease; or

c. Based on historic evidence and known characteristics of the patient and the drug, the drug is likely to be ineffective, or the number of doses have been ineffective.

The agency shall work with the physician to determine the best alternative for the patient. The agency may adopt rules waiving the requirements for written clinical documentation for specific drugs in limited clinical situations.

18.~~17.~~ The agency shall implement a return and reuse program for drugs dispensed by pharmacies to institutional recipients, which includes payment of a $5 restocking fee for the implementation and operation of the program. The return and reuse program shall be implemented electronically and in a manner that promotes efficiency. The program must permit a pharmacy to exclude drugs from the program if it is not practical or cost-effective for the drug to be included and must provide for the return to inventory of drugs that cannot be credited or returned in a cost-effective manner. The agency shall determine if the program has reduced the amount of Medicaid prescription drugs which are destroyed on an annual basis and if there are additional ways to ensure more prescription drugs are not destroyed which could safely be reused. The agency's conclusion and recommendations shall be reported to the Legislature by December 1, 2005.

(41) The agency shall *establish* ~~provide for the development of~~ a demonstration project ~~by establishment~~ in Miami-Dade County of a long-term-care facility licensed *and a psychiatric facility* pursuant to chapter 395 to improve access to health care for a predominantly minority, medically underserved, and medically complex population and to evaluate alternatives to nursing home care and general acute care for such population. Such project is to be located in a health care condominium and *collocated* ~~colocated~~ with licensed facilities providing a continuum of care. *These projects are* ~~The establishment of this project is~~ not subject to the provisions of s. 408.036 or s. 408.039.

Section 74. Subsection (3) and paragraph (c) of subsection (4) of section 429.07, Florida Statutes, are amended, and subsections (6) and (7) are added to that section, to read:

429.07 License required; fee*; inspections*.—

(3) In addition to the requirements of s. 408.806, each license granted by the agency must state the type of care for which the license is granted. Licenses shall be issued for one or more of the following categories of care: standard, extended congregate care, ~~limited nursing services,~~ or limited mental health.

(a) A standard license shall be issued to *a facility* ~~facilities~~ providing one or more of the personal services identified in s. 429.02. Such *licensee* ~~facilities~~ may also employ or contract with a person ~~licensed under part I of chapter 464~~ to ~~administer medications and~~ perform other tasks as specified in s. 429.255.

(b) An extended congregate care license shall be issued to *a licensee* ~~facilities~~ providing, directly or through contract, services beyond those authorized in paragraph (a), including services performed by persons licensed under part I of chapter 464 and supportive services, as defined by rule, to persons who would otherwise be disqualified from continued residence in a facility licensed under this part.

1. In order for extended congregate care services to be provided, the agency must first determine that all requirements established in law and rule are met and must specifically designate, on the ~~facility's~~ license, that such services may be provided and whether the designation applies to all or part of the facility. Such designation may be made at the time of initial licensure or relicensure, or upon request in writing by a licensee

under this part and part II of chapter 408. The notification of approval or the denial of the request shall be made in accordance with part II of chapter 408. *An* existing *licensee* ~~facilities~~ qualifying to provide extended congregate care services must have maintained a standard license and ~~may~~ not ~~have~~ been subject to administrative sanctions during the previous 2 years, or since initial licensure if ~~the facility has been~~ licensed for less than 2 years, for any of the following reasons:

a. A class I or class II violation;

b. Three or more repeat or recurring class III violations of identical or similar resident care standards from which a pattern of noncompliance is found by the agency;

c. Three or more class III violations that were not corrected in accordance with the corrective action plan approved by the agency;

d. Violation of resident care standards which results in requiring the facility to employ the services of a consultant pharmacist or consultant dietitian;

e. Denial, suspension, or revocation of a license for another facility licensed under this part in which the applicant for an extended congregate care license has at least 25 percent ownership interest; or

f. Imposition of a moratorium pursuant to this part or part II of chapter 408 or initiation of injunctive proceedings.

2. A facility that is licensed to provide extended congregate care services shall maintain a written progress report *for* ~~on~~ each person who receives services which describes the type, amount, duration, scope, and outcome of services that are rendered and the general status of the resident's health. ~~A registered nurse, or appropriate designee, representing the agency shall visit the facility at least quarterly to monitor residents who are receiving extended congregate care services and to determine if the facility is in compliance with this part, part II of chapter 408, and relevant rules. One of the visits may be in conjunction with the regular survey. The monitoring visits may be provided through contractual arrangements with appropriate community agencies. A registered nurse shall serve as part of the team that inspects the facility. The agency may waive one of the required yearly monitoring visits for a facility that has been licensed for at least 24 months to provide extended congregate care services, if, during the inspection, the registered nurse determines that extended congregate care services are being provided appropriately, and if the facility has no class I or class II violations and no uncorrected class III violations. The agency must first consult with the long-term care ombudsman council for the area in which the facility is located to determine if any complaints have been made and substantiated about the quality of services or care. The agency may not waive one of the required yearly monitoring visits if complaints have been made and substantiated.~~

3. A facility that is licensed to provide extended congregate care services must:

a. Demonstrate the capability to meet unanticipated resident service needs.

b. Offer a physical environment that promotes a homelike setting, provides for resident privacy, promotes resident independence, and allows sufficient congregate space as defined by rule.

c. Have sufficient staff available, taking into account the physical plant and firesafety features of the building, to assist with the evacuation of residents in an emergency.

d. Adopt and follow policies and procedures that maximize resident independence, dignity, choice, and decisionmaking to permit residents to age in place, so that moves due to changes in functional status are minimized or avoided.

e. Allow residents or, if applicable, a resident's representative, designee, surrogate, guardian, or attorney in fact to make a variety of personal choices, participate in developing service plans, and share responsibility in decisionmaking.

f. Implement the concept of managed risk.

g. Provide, directly or through contract, the services of a person licensed under part I of chapter 464.

h. In addition to the training mandated in s. 429.52, provide specialized training as defined by rule for facility staff.

4. A facility that is licensed to provide extended congregate care services is exempt from the criteria for continued residency set forth in rules adopted under s. 429.41. A licensed facility must adopt its own requirements within guidelines for continued residency set forth by rule. However, the facility may not serve residents who require 24-hour nursing supervision. A licensed facility that provides extended congregate care services must also provide each resident with a written copy of facility policies governing admission and retention.

5. The primary purpose of extended congregate care services is to allow residents, as they become more impaired, the option of remaining in a familiar setting from which they would otherwise be disqualified for continued residency. A facility licensed to provide extended congregate care services may also admit an individual who exceeds the admission criteria for a facility with a standard license, if the individual is determined appropriate for admission to the extended congregate care facility.

6. Before the admission of an individual to a facility licensed to provide extended congregate care services, the individual must undergo a medical examination as provided in s. 429.26(4) and the facility must develop a preliminary service plan for the individual.

7. When a *licensee* ~~facility~~ can no longer provide or arrange for services in accordance with the resident's service plan and needs and the *licensee's* ~~facility's~~ policy, the *licensee* ~~facility~~ shall make arrangements for relocating the person in accordance with s. 429.28(1)(k).

8. Failure to provide extended congregate care services may result in denial of extended congregate care license renewal.

~~(c) A limited nursing services license shall be issued to a facility that provides services beyond those authorized in paragraph (a) and as specified in this paragraph.~~

~~1. In order for limited nursing services to be provided in a facility licensed under this part, the agency must first determine that all requirements established in law and rule are met and must specifically designate, on the facility's license, that such services may be provided. Such designation may be made at the time of initial licensure or relicensure, or upon request in writing by a licensee under this part and part II of chapter 408. Notification of approval or denial of such request shall be made in accordance with part II of chapter 408. Existing facilities qualifying to provide limited nursing services shall have maintained a standard license and may not have been subject to administrative sanctions that affect the health, safety, and welfare of residents for the previous 2 years or since initial licensure if the facility has been licensed for less than 2 years.~~

~~2. Facilities that are licensed to provide limited nursing services shall maintain a written progress report on each person who receives such nursing services, which report describes the type, amount, duration, scope, and outcome of services that are rendered and the general status of the resident's health. A registered nurse representing the agency shall visit such facilities at least twice a year to monitor residents who are receiving limited nursing services and to determine if the facility is in compliance with applicable provisions of this part, part II of chapter 408, and related rules. The monitoring visits may be provided through contractual arrangements with appropriate community agencies. A registered nurse shall also serve as part of the team that inspects such facility.~~

~~3. A person who receives limited nursing services under this part must meet the admission criteria established by the agency for assisted living facilities. When a resident no longer meets the admission criteria for a facility licensed under this part, arrangements for relocating the person shall be made in accordance with s. 429.28(1)(k), unless the facility is licensed to provide extended congregate care services.~~

(4) In accordance with s. 408.805, an applicant or licensee shall pay a fee for each license application submitted under this part, part II of

chapter 408, and applicable rules. The amount of the fee shall be established by rule.

~~(c) In addition to the total fee assessed under paragraph (a), the agency shall require facilities that are licensed to provide limited nursing services under this part to pay an additional fee per licensed facility. The amount of the biennial fee shall be $250 per license, with an additional fee of $10 per resident based on the total licensed resident capacity of the facility.~~

(6) In order to determine whether the facility is adequately protecting residents' rights as provided in s. 429.28, the agency's standard licensure survey shall include private informal conversations with a sample of residents and consultation with the ombudsman council in the planning and service area in which the facility is located to discuss residents' experiences within the facility.

(7) An assisted living facility that has been cited within the previous 24-month period for a class I or class II violation, regardless of the status of any enforcement or disciplinary action, is subject to periodic unannounced monitoring to determine if the facility is in compliance with this part, part II of chapter 408, and applicable rules. Monitoring may occur through a desk review or an onsite assessment. If the class I or class II violation relates to providing or failing to provide nursing care, a registered nurse must participate in monitoring activities during the 12-month period following the violation.

Section 75. Subsection (2) of section 429.075, Florida Statutes, is amended to read:

429.075 Limited mental health license.—An assisted living facility that serves three or more mental health residents must obtain a limited mental health license.

(2) Facilities licensed to provide services to mental health residents shall provide appropriate supervision and staffing to provide for the health, safety, and welfare of such residents. *In a municipality having a population of more than 300,000 residents, an assisted living facility or a community residential home located within an area zoned as a residential area must maintain 24-hour security services if the assisted living facility or a community residential home has:*

(a) Residents who are identified as being part of a priority population; and

(b) Adult residents and adolescent residents who have severe and persistent mental illnesses or substance abuse disorders as described in s. 394.674.

Section 76. Subsection (7) of section 429.11, Florida Statutes, is renumbered as subsection (6), and present subsection (6) of that section is amended to read:

429.11 Initial application for license~~; provisional license~~.—

~~(6) In addition to the license categories available in s. 408.808, a provisional license may be issued to an applicant making initial application for licensure or making application for a change of ownership. A provisional license shall be limited in duration to a specific period of time not to exceed 6 months, as determined by the agency.~~

Section 77. Section 429.12, Florida Statutes, is amended to read:

429.12 Sale or transfer of ownership of a facility.—It is the intent of the Legislature to protect the rights of the residents of an assisted living facility when the facility is sold or the ownership thereof is transferred. Therefore, in addition to the requirements of part II of chapter 408, whenever a facility is sold or the ownership thereof is transferred, including leasing,~~:~~

~~(1)~~ the transferee shall notify the residents, in writing, of the change of ownership within 7 days after receipt of the new license.

~~(2) The transferor of a facility the license of which is denied pending an administrative hearing shall, as a part of the written change of ownership contract, advise the transferee that a plan of correction must be submitted by the transferee and approved by the agency at least 7 days before the change of ownership and that failure to correct the condition which resulted in the moratorium pursuant to part II of chapter 408 or denial of licensure is grounds for denial of the transferee's license.~~

Section 78. Subsection (5) of section 429.14, Florida Statutes, is amended to read:

429.14 Administrative penalties.—

(5) An action taken by the agency to suspend, deny, or revoke a facility's license under this part or part II of chapter 408, in which the agency claims that the facility owner or an employee of the facility has threatened the health, safety, or welfare of a resident of the facility*, shall* be heard by the Division of Administrative Hearings of the Department of Management Services within 120 days after receipt of the facility's request for a hearing, unless that time limitation is waived by both parties. The administrative law judge must render a decision within 30 days after receipt of a proposed recommended order.

Section 79. Subsections (1), (4), and (5) of section 429.17, Florida Statutes, are amended to read:

429.17 Expiration of license; renewal; conditional license.—

(1) ~~Limited nursing,~~ Extended congregate care~~,~~ and limited mental health licenses shall expire at the same time as the facility's standard license, regardless of when issued.

(4) In addition to the license categories available in s. 408.808, a conditional license may be issued to an applicant for license renewal if the applicant fails to meet all standards and requirements for licensure. A conditional license issued under this subsection shall be limited in duration to a specific period of time not to exceed 6 months, as determined by the agency~~, and shall be accompanied by an agency approved plan of correction~~.

(5) When an extended *congregate* care ~~or limited nursing license~~ is requested during a facility's biennial license period, the fee shall be prorated in order to permit the additional license to expire at the end of the biennial license period. The fee shall be calculated as of the date the additional license application is received by the agency.

Section 80. Section 429.195, Florida Statutes, is amended to read:

429.195 Rebates prohibited; penalties.—

(1) It is unlawful for any assisted living facility licensed under this part to contract or promise to pay or receive any commission, bonus, kickback, or rebate or engage in any split-fee arrangement in any form whatsoever with any *health care provider or health care facility pursuant to s. 817.505* ~~physician, surgeon, organization, agency, or person, either directly or indirectly, for residents referred to an assisted living facility licensed under this part~~. ~~A facility may employ or contract with persons to market the facility, provided the employee or contract provider clearly indicates that he or she represents the facility. A person or agency independent of the facility may provide placement or referral services for a fee to individuals seeking assistance in finding a suitable facility; however, any fee paid for placement or referral services must be paid by the individual looking for a facility, not by the facility.~~

(2) A violation of this section shall be considered patient brokering and is punishable as provided in s. 817.505.

(3) This section does not apply to:

(a) An individual employed by the facility, or with whom the facility contracts to market the facility, if the employee or contract provider clearly indicates that he or she works with or for the facility.

(b) A referral service that provides information, consultation, or referrals to consumers to assist them in finding appropriate care or housing options for seniors or disabled adults, provided that such referred consumers are not Medicaid recipients.

(c) Residents of an assisted living facility who refer friends, family members, or other individuals with whom they have a personal relationship to the assisted living facility, and does not prohibit the assisted living facility from providing a monetary reward to the resident for making such a referral.

Section 81. Subsections (6) through (10) of section 429.23, Florida Statutes, are renumbered as subsections (5) through (9), respectively, and present subsection (5) of that section is amended to read:

429.23 Internal risk management and quality assurance program; adverse incidents and reporting requirements.—

~~(5) Each facility shall report monthly to the agency any liability claim filed against it. The report must include the name of the resident, the dates of the incident leading to the claim, if applicable, and the type of injury or violation of rights alleged to have occurred. This report is not discoverable in any civil or administrative action, except in such actions brought by the agency to enforce the provisions of this part.~~

Section 82. Paragraph (a) of subsection (1) and subsection (2) of section 429.255, Florida Statutes, are amended to read:

429.255 Use of personnel; emergency care.—

(1)(a) Persons under contract to the facility *or*~~,~~ facility staff~~, or volunteers,~~ who are licensed according to part I of chapter 464, or those persons exempt under s. 464.022(1), and others as defined by rule, may administer medications to residents, take residents' vital signs, manage individual weekly pill organizers for residents who self-administer medication, give prepackaged enemas ordered by a physician, observe residents, document observations on the appropriate resident's record, report observations to the resident's physician, and contract or allow residents or a resident's representative, designee, surrogate, guardian, or attorney in fact to contract with a third party, provided residents meet the criteria for appropriate placement as defined in s. 429.26. *Persons under contract to the facility or facility staff who are licensed according to part I of chapter 464 may provide limited nursing services.* Nursing assistants certified pursuant to part II of chapter 464 may take residents' vital signs as directed by a licensed nurse or physician. *The facility is responsible for maintaining documentation of services provided under this paragraph and as required by rule and for ensuring that staff are adequately trained to monitor residents receiving these services.*

(2) In facilities licensed to provide extended congregate care, persons under contract to the facility *or*~~,~~ facility staff~~, or volunteers,~~ who are licensed according to part I of chapter 464, or those persons exempt under s. 464.022(1), or those persons certified as nursing assistants pursuant to part II of chapter 464, may also perform all duties within the scope of their license or certification, as approved by the facility administrator and pursuant to this part.

Section 83. Subsections (4), (5), (6), and (7) of section 429.28, Florida Statutes, are renumbered as subsections (3), (4), (5), and (6), respectively, and present subsections (3) and (6) of that section are amended to read:

429.28 Resident bill of rights.—

~~(3)(a) The agency shall conduct a survey to determine general compliance with facility standards and compliance with residents' rights as a prerequisite to initial licensure or licensure renewal.~~

~~(b) In order to determine whether the facility is adequately protecting residents' rights, the biennial survey shall include private informal conversations with a sample of residents and consultation with the ombudsman council in the planning and service area in which the facility is located to discuss residents' experiences within the facility.~~

~~(c) During any calendar year in which no survey is conducted, the agency shall conduct at least one monitoring visit of each facility cited in the previous year for a class I or class II violation, or more than three uncorrected class III violations.~~

~~(d) The agency may conduct periodic followup inspections as necessary to monitor the compliance of facilities with a history of any class I, class II, or class III violations that threaten the health, safety, or security of residents.~~

~~(e) The agency may conduct complaint investigations as warranted to investigate any allegations of noncompliance with requirements required under this part or rules adopted under this part.~~

(5)~~(6)~~ Any facility which terminates the residency of an individual who participated in activities specified in subsection *(4)*~~(5)~~ shall show good cause in a court of competent jurisdiction.

Section 84. Subsections (4) and (5) of section 429.41, Florida Statutes, are renumbered as subsections (3) and (4), respectively, and paragraphs (i) and (j) of subsection (1) and present subsection (3) of that section are amended to read:

429.41 Rules establishing standards.—

(1) It is the intent of the Legislature that rules published and enforced pursuant to this section shall include criteria by which a reasonable and consistent quality of resident care and quality of life may be ensured and the results of such resident care may be demonstrated. Such rules shall also ensure a safe and sanitary environment that is residential and noninstitutional in design or nature. It is further intended that reasonable efforts be made to accommodate the needs and preferences of residents to enhance the quality of life in a facility. The agency, in consultation with the department, may adopt rules to administer the requirements of part II of chapter 408. In order to provide safe and sanitary facilities and the highest quality of resident care accommodating the needs and preferences of residents, the department, in consultation with the agency, the Department of Children and Family Services, and the Department of Health, shall adopt rules, policies, and procedures to administer this part, which must include reasonable and fair minimum standards in relation to:

(i) Facilities holding *an* ~~a limited nursing,~~ extended congregate care~~,~~ or limited mental health license.

(j) The establishment of specific criteria to define appropriateness of resident admission and continued residency in a facility holding a standard, ~~limited nursing,~~ extended congregate care, and limited mental health license.

~~(3) The department shall submit a copy of proposed rules to the Speaker of the House of Representatives, the President of the Senate, and appropriate committees of substance for review and comment prior to the promulgation thereof. Rules promulgated by the department shall encourage the development of homelike facilities which promote the dignity, individuality, personal strengths, and decisionmaking ability of residents.~~

Section 85. Subsections (1) and (2) of section 429.53, Florida Statutes, are amended to read:

429.53 Consultation by the agency.—

(1) The ~~area offices of licensure and certification of the~~ agency shall provide consultation to the following upon request:

(a) A licensee of a facility.

(b) A person interested in obtaining a license to operate a facility under this part.

(2) As used in this section, "consultation" includes:

(a) An explanation of the requirements of this part and rules adopted pursuant thereto;

(b) An explanation of the license application and renewal procedures; *and*

~~(c) The provision of a checklist of general local and state approvals required prior to constructing or developing a facility and a listing of the types of agencies responsible for such approvals;~~

~~(d) An explanation of benefits and financial assistance available to a recipient of supplemental security income residing in a facility;~~

(c)~~(e)~~ Any other information which the agency deems necessary to promote compliance with the requirements of this part~~; and~~

~~(f) A preconstruction review of a facility to ensure compliance with agency rules and this part~~.

Section 86. Subsections (1) and (2) of section 429.54, Florida Statutes, are renumbered as subsections (2) and (3), respectively, and subsection (1) is added to that section, to read:

429.54 Collection of information; local subsidy.—

(1) A facility that is licensed under this part must report electronically to the agency semiannually data related to the facility, including, but not limited to, the total number of residents, the number of residents who are receiving limited mental health services, the number of residents who are receiving extended congregate care services, the number of residents who are receiving limited nursing services, and professional staffing employed by or under contract with the licensee to provide resident services. The department, in consultation with the agency, shall adopt rules to administer this subsection.

Section 87. Subsection (6) of section 429.71, Florida Statutes, is renumbered as subsection (5), and subsection (1) and present subsection (5) of that section are amended to read:

429.71 Classification of *violations* ~~deficiencies~~; administrative fines.—

(1) In addition to the requirements of part II of chapter 408 and in addition to any other liability or penalty provided by law, the agency may impose an administrative fine on a provider according to the following classification:

(a) Class I violations are *defined in s. 408.813* ~~those conditions or practices related to the operation and maintenance of an adult family-care home or to the care of residents which the agency determines present an imminent danger to the residents or guests of the facility or a substantial probability that death or serious physical or emotional harm would result therefrom. The condition or practice that constitutes a class I violation must be abated or eliminated within 24 hours, unless a fixed period, as determined by the agency, is required for correction~~. A class I *violation* ~~deficiency~~ is subject to an administrative fine in an amount not less than $500 and not exceeding $1,000 for each violation. ~~A fine may be levied notwithstanding the correction of the deficiency.~~

(b) Class II violations are *defined in s. 408.813* ~~those conditions or practices related to the operation and maintenance of an adult family-care home or to the care of residents which the agency determines directly threaten the physical or emotional health, safety, or security of the residents, other than class I violations~~. A class II violation is subject to an administrative fine in an amount not less than $250 and not exceeding $500 for each violation. ~~A citation for a class II violation must specify the time within which the violation is required to be corrected. If a class II violation is corrected within the time specified, no civil penalty shall be imposed, unless it is a repeated offense.~~

(c) Class III violations are *defined in s. 408.813* ~~those conditions or practices related to the operation and maintenance of an adult family-care home or to the care of residents which the agency determines indirectly or potentially threaten the physical or emotional health, safety, or security of residents, other than class I or class II violations~~. A class III violation is subject to an administrative fine in an amount not less than $100 and not exceeding $250 for each violation. ~~A citation for a class III violation shall specify the time within which the violation is required to be corrected.~~ If a class III violation is corrected within the time specified, no civil penalty shall be imposed, unless it is a repeated *violation* ~~offense~~.

(d) Class IV violations are *defined in s. 408.813* ~~those conditions or occurrences related to the operation and maintenance of an adult family-care home, or related to the required reports, forms, or documents, which do not have the potential of negatively affecting the residents. A provider that does not correct~~ A class IV violation ~~within the time limit specified by the agency~~ is subject to an administrative fine in an amount not less than $50 and not exceeding $100 for each violation. Any class IV violation that is corrected during the time the agency survey is conducted will be identified as an agency finding and not as a violation*, unless it is a repeat violation*.

~~(5) As an alternative to or in conjunction with an administrative action against a provider, the agency may request a plan of corrective action that demonstrates a good faith effort to remedy each violation by a specific date, subject to the approval of the agency.~~

Section 88. Section 429.915, Florida Statutes, is amended to read:

429.915 Conditional license.—In addition to the license categories available in part II of chapter 408, the agency may issue a conditional license to an applicant for license renewal or change of ownership if the applicant fails to meet all standards and requirements for licensure. A conditional license issued under this subsection must be limited to a specific period not exceeding 6 months, as determined by the agency~~, and must be accompanied by an approved plan of correction~~.

Section 89. Paragraphs (b) and (g) of subsection (3) of section 430.80, Florida Statutes, are amended to read:

430.80 Implementation of a teaching nursing home pilot project.—

(3) To be designated as a teaching nursing home, a nursing home licensee must, at a minimum:

(b) Participate in a nationally recognized accreditation program and hold a valid accreditation, such as the accreditation awarded by the Joint Commission ~~on Accreditation of Healthcare Organizations~~, or, at the time of initial designation, possess a Gold Seal Award as conferred by the state on its licensed nursing home;

(g) Maintain insurance coverage pursuant to s. 400.141(1)*(q)*~~(s)~~ or proof of financial responsibility in a minimum amount of $750,000. Such proof of financial responsibility may include:

1. Maintaining an escrow account consisting of cash or assets eligible for deposit in accordance with s. 625.52; or

2. Obtaining and maintaining pursuant to chapter 675 an unexpired, irrevocable, nontransferable and nonassignable letter of credit issued by any bank or savings association organized and existing under the laws of this state or any bank or savings association organized under the laws of the United States that has its principal place of business in this state or has a branch office which is authorized to receive deposits in this state. The letter of credit shall be used to satisfy the obligation of the facility to the claimant upon presentment of a final judgment indicating liability and awarding damages to be paid by the facility or upon presentment of a settlement agreement signed by all parties to the agreement when such final judgment or settlement is a result of a liability claim against the facility.

Section 90. Paragraph (d) of subsection (9) of section 440.102, Florida Statutes, is amended to read:

440.102 Drug-free workplace program requirements.—The following provisions apply to a drug-free workplace program implemented pursuant to law or to rules adopted by the Agency for Health Care Administration:

(9) DRUG-TESTING STANDARDS FOR LABORATORIES.—

~~(d) The laboratory shall submit to the Agency for Health Care Administration a monthly report with statistical information regarding the testing of employees and job applicants. The report must include information on the methods of analysis conducted, the drugs tested for, the number of positive and negative results for both initial tests and confirmation tests, and any other information deemed appropriate by the Agency for Health Care Administration. A monthly report must not identify specific employees or job applicants.~~

Section 91. Paragraph (a) of subsection (2) of section 440.13, Florida Statutes, is amended to read:

440.13 Medical services and supplies; penalty for violations; limitations.—

(2) MEDICAL TREATMENT; DUTY OF EMPLOYER TO FURNISH.—

(a) Subject to the limitations specified elsewhere in this chapter, the employer shall furnish to the employee such medically necessary remedial treatment, care, and attendance for such period as the nature of the injury or the process of recovery may require, which is in accordance with established practice parameters and protocols of treatment as provided for in this chapter, including medicines, medical supplies, durable medical equipment, orthoses, prostheses, and other medically

necessary apparatus. Remedial treatment, care, and attendance, including work-hardening programs or pain-management programs accredited by the Commission on Accreditation of Rehabilitation Facilities or *the* Joint Commission ~~on the Accreditation of Health Organizations~~ or pain-management programs affiliated with medical schools, shall be considered as covered treatment only when such care is given based on a referral by a physician as defined in this chapter. Medically necessary treatment, care, and attendance does not include chiropractic services in excess of 24 treatments or rendered 12 weeks beyond the date of the initial chiropractic treatment, whichever comes first, unless the carrier authorizes additional treatment or the employee is catastrophically injured.

Failure of the carrier to timely comply with this subsection shall be a violation of this chapter and the carrier shall be subject to penalties as provided for in s. 440.525.

Section 92. Paragraph (h) of subsection (3) of section 456.053, Florida Statutes, is amended to read:

456.053 Financial arrangements between referring health care providers and providers of health care services.—

(3) DEFINITIONS.—For the purpose of this section, the word, phrase, or term:

(h) "Group practice" means a group of two or more health care providers legally organized as a partnership, professional corporation, or similar association:

1.*a.* In which each health care provider who is a member of the group provides substantially the full range of services which the health care provider routinely provides, including medical care, consultation, diagnosis, or treatment, through the joint use of shared office space, facilities, equipment, and personnel;

b.~~2.~~ For which substantially all of the services of the health care providers who are members of the group are provided through the group and are billed in the name of the group and amounts so received are treated as receipts of the group; and

c.~~3.~~ In which the overhead expenses of and the income from the practice are distributed in accordance with methods previously determined by members of the group.

2. If the group provides radiation therapy services:

a. The group accepts and treats cancer patients under provider contracts for medical services under s. 409.912 for Medicaid;

b. The group provides the full range of radiation therapy services such that no single type of cancer, either as a primary or secondary diagnosis and as described by the International Statistical Classification of Diseases, shall constitute 40 percent or more of the group's cases for professional and technical services for radiation therapy services, where a case is defined as an individual patient's radiation treatment course; and

c. The health care providers other than physicians specializing in the provision of radiation therapy services or medical oncology services shall not own 50 percent or more of the group practice.

Section 93. Subsection (1) of section 483.035, Florida Statutes, is amended to read:

483.035 Clinical laboratories operated by practitioners for exclusive use; licensure and regulation.—

(1) A clinical laboratory operated by one or more practitioners licensed under chapter 458, chapter 459, chapter 460, chapter 461, chapter 462, *chapter 463, part I of chapter 464,* or chapter 466, exclusively in connection with the diagnosis and treatment of their own patients, must be licensed under this part and must comply with the provisions of this part, except that the agency shall adopt rules for staffing, for personnel, including education and training of personnel, for proficiency testing, and for construction standards relating to the licensure and operation of the laboratory based upon and not exceeding the same standards contained in the federal Clinical Laboratory Improvement Amendments of 1988 and the federal regulations adopted thereunder.

Section 94. Subsections (1) and (9) of section 483.051, Florida Statutes, are amended to read:

483.051 Powers and duties of the agency.—The agency shall adopt rules to implement this part, which rules must include, but are not limited to, the following:

(1) LICENSING; QUALIFICATIONS.—The agency shall provide for biennial licensure of all *nonwaived* clinical laboratories meeting the requirements of this part and shall prescribe the qualifications necessary for such licensure*, including, but not limited to, application for or proof of a federal Clinical Laboratory Improvement Amendment (CLIA) certificate. For purposes of this section, the term "nonwaived clinical laboratories" means laboratories that perform any test that the Centers for Medicare and Medicaid Services has determined does not qualify for a certificate of waiver under the Clinical Laboratory Improvement Amendments of 1988 and the federal rules adopted thereunder.*

(9) ALTERNATE-SITE TESTING.—The agency, in consultation with the Board of Clinical Laboratory Personnel, shall adopt, by rule, the criteria for alternate-site testing to be performed under the supervision of a clinical laboratory director. The elements to be addressed in the rule include, but are not limited to: a hospital internal needs assessment; a protocol of implementation including tests to be performed and who will perform the tests; criteria to be used in selecting the method of testing to be used for alternate-site testing; minimum training and education requirements for those who will perform alternate-site testing, such as documented training, licensure, certification, or other medical professional background not limited to laboratory professionals; documented inservice training as well as initial and ongoing competency validation; an appropriate internal and external quality control protocol; an internal mechanism for identifying and tracking alternate-site testing by the central laboratory; and recordkeeping requirements. ~~Alternate site testing locations must register when the clinical laboratory applies to renew its license.~~ For purposes of this subsection, the term "alternate-site testing" means any laboratory testing done under the administrative control of a hospital, but performed out of the physical or administrative confines of the central laboratory.

Section 95. Section 483.294, Florida Statutes, is amended to read:

483.294 Inspection of centers.—In accordance with s. 408.811, the agency shall *biennially*~~, at least once annually,~~ inspect the premises and operations of all centers subject to licensure under this part.

Section 96. Paragraph (a) of subsection (54) of section 499.003, Florida Statutes, is amended to read:

499.003 Definitions of terms used in this part.—As used in this part, the term:

(54) "Wholesale distribution" means distribution of prescription drugs to persons other than a consumer or patient, but does not include:

(a) Any of the following activities, which is not a violation of s. 499.005(21) if such activity is conducted in accordance with s. 499.01(2)(g):

1. The purchase or other acquisition by a hospital or other health care entity that is a member of a group purchasing organization of a prescription drug for its own use from the group purchasing organization or from other hospitals or health care entities that are members of that organization.

2. The sale, purchase, or trade of a prescription drug or an offer to sell, purchase, or trade a prescription drug by a charitable organization described in s. 501(c)(3) of the Internal Revenue Code of 1986, as amended and revised, to a nonprofit affiliate of the organization to the extent otherwise permitted by law.

3. The sale, purchase, or trade of a prescription drug or an offer to sell, purchase, or trade a prescription drug among hospitals or other health care entities that are under common control. For purposes of this subparagraph, "common control" means the power to direct or cause the direction of the management and policies of a person or an organization, whether by ownership of stock, by voting rights, by contract, or otherwise.

4. The sale, purchase, trade, or other transfer of a prescription drug from or for any federal, state, or local government agency or any entity eligible to purchase prescription drugs at public health services prices pursuant to Pub. L. No. 102-585, s. 602 to a contract provider or its subcontractor for eligible patients of the agency or entity under the following conditions:

a. The agency or entity must obtain written authorization for the sale, purchase, trade, or other transfer of a prescription drug under this subparagraph from the State Surgeon General or his or her designee.

b. The contract provider or subcontractor must be authorized by law to administer or dispense prescription drugs.

c. In the case of a subcontractor, the agency or entity must be a party to and execute the subcontract.

~~d. A contract provider or subcontractor must maintain separate and apart from other prescription drug inventory any prescription drugs of the agency or entity in its possession.~~

d.~~e.~~ The contract provider and subcontractor must maintain and produce immediately for inspection all records of movement or transfer of all the prescription drugs belonging to the agency or entity, including, but not limited to, the records of receipt and disposition of prescription drugs. Each contractor and subcontractor dispensing or administering these drugs must maintain and produce records documenting the dispensing or administration. Records that are required to be maintained include, but are not limited to, a perpetual inventory itemizing drugs received and drugs dispensed by prescription number or administered by patient identifier, which must be submitted to the agency or entity quarterly.

e.~~f.~~ The contract provider or subcontractor may administer or dispense the prescription drugs only to the eligible patients of the agency or entity or must return the prescription drugs for or to the agency or entity. The contract provider or subcontractor must require proof from each person seeking to fill a prescription or obtain treatment that the person is an eligible patient of the agency or entity and must, at a minimum, maintain a copy of this proof as part of the records of the contractor or subcontractor required under sub-subparagraph e.

f.~~g.~~ In addition to the departmental inspection authority set forth in s. 499.051, the establishment of the contract provider and subcontractor and all records pertaining to prescription drugs subject to this subparagraph shall be subject to inspection by the agency or entity. All records relating to prescription drugs of a manufacturer under this subparagraph shall be subject to audit by the manufacturer of those drugs, without identifying individual patient information.

Section 97. Subsection (1) of section 627.645, Florida Statutes, is amended to read:

627.645 Denial of health insurance claims restricted.—

(1) No claim for payment under a health insurance policy or self-insured program of health benefits for treatment, care, or services in a licensed hospital which is accredited by the Joint Commission ~~on the Accreditation of Hospitals~~, the American Osteopathic Association, or the Commission on the Accreditation of Rehabilitative Facilities shall be denied because such hospital lacks major surgical facilities and is primarily of a rehabilitative nature, if such rehabilitation is specifically for treatment of physical disability.

Section 98. Paragraph (c) of subsection (2) of section 627.668, Florida Statutes, is amended to read:

627.668 Optional coverage for mental and nervous disorders required; exception.—

(2) Under group policies or contracts, inpatient hospital benefits, partial hospitalization benefits, and outpatient benefits consisting of durational limits, dollar amounts, deductibles, and coinsurance factors shall not be less favorable than for physical illness generally, except that:

(c) Partial hospitalization benefits shall be provided under the direction of a licensed physician. For purposes of this part, the term "partial hospitalization services" is defined as those services offered by a program accredited by the Joint Commission ~~on Accreditation of Hospitals (JCAH)~~ or in compliance with equivalent standards. Alcohol rehabilitation programs accredited by the Joint Commission ~~on Accreditation of Hospitals~~ or approved by the state and licensed drug abuse rehabilitation programs shall also be qualified providers under this section. In any benefit year, if partial hospitalization services or a combination of inpatient and partial hospitalization are utilized, the total benefits paid for all such services shall not exceed the cost of 30 days of inpatient hospitalization for psychiatric services, including physician fees, which prevail in the community in which the partial hospitalization services are rendered. If partial hospitalization services benefits are provided beyond the limits set forth in this paragraph, the durational limits, dollar amounts, and coinsurance factors thereof need not be the same as those applicable to physical illness generally.

Section 99. Subsection (3) of section 627.669, Florida Statutes, is amended to read:

627.669 Optional coverage required for substance abuse impaired persons; exception.—

(3) The benefits provided under this section shall be applicable only if treatment is provided by, or under the supervision of, or is prescribed by, a licensed physician or licensed psychologist and if services are provided in a program accredited by the Joint Commission ~~on Accreditation of Hospitals~~ or approved by the state.

Section 100. Paragraph (a) of subsection (1) of section 627.736, Florida Statutes, is amended to read:

627.736 Required personal injury protection benefits; exclusions; priority; claims.—

(1) REQUIRED BENEFITS.—Every insurance policy complying with the security requirements of s. 627.733 shall provide personal injury protection to the named insured, relatives residing in the same household, persons operating the insured motor vehicle, passengers in such motor vehicle, and other persons struck by such motor vehicle and suffering bodily injury while not an occupant of a self-propelled vehicle, subject to the provisions of subsection (2) and paragraph (4)(e), to a limit of $10,000 for loss sustained by any such person as a result of bodily injury, sickness, disease, or death arising out of the ownership, maintenance, or use of a motor vehicle as follows:

(a) *Medical benefits.*—Eighty percent of all reasonable expenses for medically necessary medical, surgical, X-ray, dental, and rehabilitative services, including prosthetic devices, and medically necessary ambulance, hospital, and nursing services. However, the medical benefits shall provide reimbursement only for such services and care that are lawfully provided, supervised, ordered, or prescribed by a physician licensed under chapter 458 or chapter 459, a dentist licensed under chapter 466, or a chiropractic physician licensed under chapter 460 or that are provided by any of the following persons or entities:

1. A hospital or ambulatory surgical center licensed under chapter 395.

2. A person or entity licensed under ss. 401.2101-401.45 that provides emergency transportation and treatment.

3. An entity wholly owned by one or more physicians licensed under chapter 458 or chapter 459, chiropractic physicians licensed under chapter 460, or dentists licensed under chapter 466 or by such practitioner or practitioners and the spouse, parent, child, or sibling of that practitioner or those practitioners.

4. An entity wholly owned, directly or indirectly, by a hospital or hospitals.

5. A health care clinic licensed under ss. 400.990-400.995 that is:

a. Accredited by the Joint Commission ~~on Accreditation of Healthcare Organizations~~, the American Osteopathic Association, the Commission on Accreditation of Rehabilitation Facilities, or the Accreditation Association for Ambulatory Health Care, Inc.; or

b. A health care clinic that:

(I) Has a medical director licensed under chapter 458, chapter 459, or chapter 460;

(II) Has been continuously licensed for more than 3 years or is a publicly traded corporation that issues securities traded on an exchange registered with the United States Securities and Exchange Commission as a national securities exchange; and

(III) Provides at least four of the following medical specialties:

(A) General medicine.

(B) Radiography.

(C) Orthopedic medicine.

(D) Physical medicine.

(E) Physical therapy.

(F) Physical rehabilitation.

(G) Prescribing or dispensing outpatient prescription medication.

(H) Laboratory services.

The Financial Services Commission shall adopt by rule the form that must be used by an insurer and a health care provider specified in subparagraph 3., subparagraph 4., or subparagraph 5. to document that the health care provider meets the criteria of this paragraph, which rule must include a requirement for a sworn statement or affidavit.

Only insurers writing motor vehicle liability insurance in this state may provide the required benefits of this section, and no such insurer shall require the purchase of any other motor vehicle coverage other than the purchase of property damage liability coverage as required by s. 627.7275 as a condition for providing such required benefits. Insurers may not require that property damage liability insurance in an amount greater than $10,000 be purchased in conjunction with personal injury protection. Such insurers shall make benefits and required property damage liability insurance coverage available through normal marketing channels. Any insurer writing motor vehicle liability insurance in this state who fails to comply with such availability requirement as a general business practice shall be deemed to have violated part IX of chapter 626, and such violation shall constitute an unfair method of competition or an unfair or deceptive act or practice involving the business of insurance; and any such insurer committing such violation shall be subject to the penalties afforded in such part, as well as those which may be afforded elsewhere in the insurance code.

Section 101. Section 633.081, Florida Statutes, is amended to read:

633.081 Inspection of buildings and equipment; orders; firesafety inspection training requirements; certification; disciplinary action.—The State Fire Marshal and her or his agents shall, at any reasonable hour, when the State Fire Marshal has reasonable cause to believe that a violation of this chapter or s. 509.215, or a rule promulgated thereunder, or a minimum firesafety code adopted by a local authority, may exist, inspect any and all buildings and structures which are subject to the requirements of this chapter or s. 509.215 and rules promulgated thereunder. The authority to inspect shall extend to all equipment, vehicles, and chemicals which are located within the premises of any such building or structure. *The State Fire Marshal and her or his agents shall inspect nursing homes licensed under part II of chapter 400 only once every calendar year and upon receiving a complaint forming the basis of a reasonable cause to believe that a violation of this chapter or s. 509.215, or a rule promulgated thereunder, or a minimum firesafety code adopted by a local authority may exist and upon identifying such a violation in the course of conducting orientation or training activities within a nursing home.*

(1) Each county, municipality, and special district that has firesafety enforcement responsibilities shall employ or contract with a firesafety inspector. Except as provided in s. 633.082(2), the firesafety inspector must conduct all firesafety inspections that are required by law. The governing body of a county, municipality, or special district that has firesafety enforcement responsibilities may provide a schedule of fees to pay only the costs of inspections conducted pursuant to this subsection and related administrative expenses. Two or more counties, municipalities, or special districts that have firesafety enforcement responsibilities may jointly employ or contract with a firesafety inspector.

(2) Except as provided in s. 633.082(2), every firesafety inspection conducted pursuant to state or local firesafety requirements shall be by a person certified as having met the inspection training requirements set by the State Fire Marshal. Such person shall:

(a) Be a high school graduate or the equivalent as determined by the department;

(b) Not have been found guilty of, or having pleaded guilty or nolo contendere to, a felony or a crime punishable by imprisonment of 1 year or more under the law of the United States, or of any state thereof, which involves moral turpitude, without regard to whether a judgment of conviction has been entered by the court having jurisdiction of such cases;

(c) Have her or his fingerprints on file with the department or with an agency designated by the department;

(d) Have good moral character as determined by the department;

(e) Be at least 18 years of age;

(f) Have satisfactorily completed the firesafety inspector certification examination as prescribed by the department; and

(g)1. Have satisfactorily completed, as determined by the department, a firesafety inspector training program of not less than 200 hours established by the department and administered by agencies and institutions approved by the department for the purpose of providing basic certification training for firesafety inspectors; or

2. Have received in another state training which is determined by the department to be at least equivalent to that required by the department for approved firesafety inspector education and training programs in this state.

(3) Each special state firesafety inspection which is required by law and is conducted by or on behalf of an agency of the state must be performed by an individual who has met the provision of subsection (2), except that the duration of the training program shall not exceed 120 hours of specific training for the type of property that such special state firesafety inspectors are assigned to inspect.

(4) A firefighter certified pursuant to s. 633.35 may conduct firesafety inspections, under the supervision of a certified firesafety inspector, while on duty as a member of a fire department company conducting inservice firesafety inspections without being certified as a firesafety inspector, if such firefighter has satisfactorily completed an inservice fire department company inspector training program of at least 24 hours' duration as provided by rule of the department.

(5) Every firesafety inspector or special state firesafety inspector certificate is valid for a period of 3 years from the date of issuance. Renewal of certification shall be subject to the affected person's completing proper application for renewal and meeting all of the requirements for renewal as established under this chapter or by rule promulgated thereunder, which shall include completion of at least 40 hours during the preceding 3-year period of continuing education as required by the rule of the department or, in lieu thereof, successful passage of an examination as established by the department.

(6) The State Fire Marshal may deny, refuse to renew, suspend, or revoke the certificate of a firesafety inspector or special state firesafety inspector if it finds that any of the following grounds exist:

(a) Any cause for which issuance of a certificate could have been refused had it then existed and been known to the State Fire Marshal.

(b) Violation of this chapter or any rule or order of the State Fire Marshal.

(c) Falsification of records relating to the certificate.

(d) Having been found guilty of or having pleaded guilty or nolo contendere to a felony, whether or not a judgment of conviction has been entered.

(e) Failure to meet any of the renewal requirements.

(f) Having been convicted of a crime in any jurisdiction which directly relates to the practice of fire code inspection, plan review, or administration.

(g) Making or filing a report or record that the certificateholder knows to be false, or knowingly inducing another to file a false report or record, or knowingly failing to file a report or record required by state or local law, or knowingly impeding or obstructing such filing, or knowingly inducing another person to impede or obstruct such filing.

(h) Failing to properly enforce applicable fire codes or permit requirements within this state which the certificateholder knows are applicable by committing willful misconduct, gross negligence, gross misconduct, repeated negligence, or negligence resulting in a significant danger to life or property.

(i) Accepting labor, services, or materials at no charge or at a noncompetitive rate from any person who performs work that is under the enforcement authority of the certificateholder and who is not an immediate family member of the certificateholder. For the purpose of this paragraph, the term "immediate family member" means a spouse, child, parent, sibling, grandparent, aunt, uncle, or first cousin of the person or the person's spouse or any person who resides in the primary residence of the certificateholder.

(7) The Division of State Fire Marshal and the Florida Building Code Administrators and Inspectors Board, established pursuant to s. 468.605, shall enter into a reciprocity agreement to facilitate joint recognition of continuing education recertification hours for certificateholders licensed under s. 468.609 and firesafety inspectors certified under subsection (2).

(8) The State Fire Marshal shall develop by rule an advanced training and certification program for firesafety inspectors having fire code management responsibilities. The program must be consistent with the appropriate provisions of NFPA 1037, or similar standards adopted by the division, and establish minimum training, education, and experience levels for firesafety inspectors having fire code management responsibilities.

(9) The department shall provide by rule for the certification of firesafety inspectors.

Section 102. Subsection (12) of section 641.495, Florida Statutes, is amended to read:

641.495 Requirements for issuance and maintenance of certificate.—

(12) The provisions of part I of chapter 395 do not apply to a health maintenance organization that, on or before January 1, 1991, provides not more than 10 outpatient holding beds for short-term and hospice-type patients in an ambulatory care facility for its members, provided that such health maintenance organization maintains current accreditation by the Joint Commission ~~on Accreditation of Health Care Organizations~~, the Accreditation Association for Ambulatory Health Care, or the National Committee for Quality Assurance.

Section 103. Subsection (13) of section 651.118, Florida Statutes, is amended to read:

651.118 Agency for Health Care Administration; certificates of need; sheltered beds; community beds.—

(13) Residents, as defined in this chapter, are not considered new admissions for the purpose of s. 400.141(1)*(n)*~~(o)~~1.~~d.~~

Section 104. Subsection (2) of section 766.1015, Florida Statutes, is amended to read:

766.1015 Civil immunity for members of or consultants to certain boards, committees, or other entities.—

(2) Such committee, board, group, commission, or other entity must be established in accordance with state law or in accordance with requirements of the Joint Commission ~~on Accreditation of Healthcare Organizations~~, established and duly constituted by one or more public or licensed private hospitals or behavioral health agencies, or established by a governmental agency. To be protected by this section, the act, decision, omission, or utterance may not be made or done in bad faith or with malicious intent.

Section 105. Subsection (4) of section 766.202, Florida Statutes, is amended to read:

766.202 Definitions; ss. 766.201-766.212.—As used in ss. 766.201-766.212, the term:

(4) "Health care provider" means any hospital, ambulatory surgical center, or mobile surgical facility as defined and licensed under chapter 395; a birth center licensed under chapter 383; any person licensed under chapter 458, chapter 459, chapter 460, chapter 461, chapter 462, chapter 463, part I of chapter 464, chapter 466, chapter 467, *part XIV of chapter 468,* or chapter 486; a clinical lab licensed under chapter 483; a health maintenance organization certificated under part I of chapter 641; a blood bank; a plasma center; an industrial clinic; a renal dialysis facility; or a professional association partnership, corporation, joint venture, or other association for professional activity by health care providers.

Section 106. Paragraph (j) is added to subsection (3) of section 817.505, Florida Statutes, to read:

817.505 Patient brokering prohibited; exceptions; penalties.—

(3) This section shall not apply to:

(j) Any payments by an assisted living facility, as defined in s. 429.02, or any agreement for or solicitation, offer, or receipt of such payment by a referral service, which is permitted under s. 429.195(3).

Section 107. *The per-bed standard assisted living facility licensure fees, including the total fee, have been adjusted by the Consumer Price Index annually since 1998 and are not intended to be reset by this act. In addition to the Consumer Price Index adjustment, the per-bed fee is increased by $9 to neutralize the elimination of the limited nursing services specialty license fee.*

Section 108. Section 381.06014, Florida Statutes, is amended to read:

381.06014 Blood establishments.—

(1) As used in this section, the term*:*

(a) "Blood establishment" means any person, entity, or organization, operating within the state, which examines an individual for the purpose of blood donation or which collects, processes, stores, tests, or distributes blood or blood components collected from the human body for the purpose of transfusion, for any other medical purpose, or for the production of any biological product. *A person, entity, or organization that uses a mobile unit to conduct such activities within the state is also a blood establishment.*

(b) "Volunteer donor" means a person who does not receive remuneration, other than an incentive, for a blood donation intended for transfusion, and the product container of the donation from the person qualifies for labeling with the statement "volunteer donor" under 21 C.F.R. s. 606.121.

(2) Any blood establishment operating in the state may not conduct any activity defined in *paragraph (1)(a)* ~~subsection (1)~~ unless that blood establishment is operated in a manner consistent with the provisions of Title 21 *C.F.R.* parts 211 and 600-640~~, Code of Federal Regulations~~.

(3) Any blood establishment determined to be operating in the state in a manner not consistent with the provisions of Title 21 *C.F.R.* parts 211 and 600-640~~, Code of Federal Regulations,~~ and in a manner that constitutes a danger to the health or well-being of donors or recipients as evidenced by the federal Food and Drug Administration's inspection reports and the revocation of the blood establishment's license or registration *is* ~~shall be~~ in violation of this chapter and *must* ~~shall~~ immediately cease all operations in the state.

(4) The operation of a blood establishment in a manner not consistent with the provisions of Title 21 *C.F.R.* parts 211 and 600-640~~, Code of Federal Regulations,~~ and in a manner that constitutes a danger

to the health or well-being of blood donors or recipients as evidenced by the federal Food and Drug Administration's inspection process is declared a nuisance and inimical to the public health, welfare, and safety. The Agency for Health Care Administration or any state attorney may bring an action for an injunction to restrain such operations or enjoin the future operation of the blood establishment.

(5) A local government may not restrict the access to or use of any public facility or infrastructure for the collection of blood or blood components from volunteer donors based on whether the blood establishment is operating as a for-profit organization or not-for-profit organization.

(6) In determining the service fee of blood or blood components received from volunteer donors and sold to hospitals or other health care providers, a blood establishment may not base the service fee of the blood or blood component solely on whether the purchasing entity is a for-profit organization or not-for-profit organization.

(7) A blood establishment that collects blood or blood components from volunteer donors must disclose on the Internet the information required under this subsection to educate and inform donors and the public about the blood establishment's activities. A hospital that collects blood or blood components to be used only by that hospital's licensed facilities or by a health care provider that is a part of the hospital's business entity is exempt from the disclosure requirements in this subsection. The information required to be disclosed under this subsection may be cumulative for all blood establishments within a business entity. A blood establishment must disclose on its website all of the following information:

(a) A description of the steps involved in collecting, processing, and distributing volunteer donations.

(b) By March 1 of each year, the number of units of blood components which were:

1. Produced by the blood establishment during the preceding calendar year;

2. Obtained from other sources during the preceding calendar year;

3. Distributed during the preceding calendar year to health care providers located outside this state. However, if the blood establishment collects donations in a county outside this state, distributions to health care providers in that county shall be excluded. Such information shall be reported in the aggregate for health care providers located within the United States and its territories or outside the United States and its territories; and

4. Distributed during the preceding calendar year to entities that are not health care providers. Such information shall be reported in the aggregate for purchasers located within the United States and its territories or outside the United States and its territories.

(c) The blood establishment's conflict-of-interest policy, policy concerning related-party transactions, whistleblower policy, and policy for determining executive compensation. If a change occurs to any of these documents, the revised document must be available on the blood establishment's website by the following March 1.

(d) Except for a hospital that collects blood or blood components from volunteer donors:

1. The most recent 3 years of the Return of Organization Exempt from Income Tax, Internal Revenue Service Form 990, if the business entity for the blood establishment is eligible to file such return. The Form 990 must be available on the blood establishment's website within 60 calendar days after it is filed with the Internal Revenue Service; or

2. If the business entity for the blood establishment is not eligible to file the Form 990 return, a balance sheet, income statement, and statement of changes in cash flow, along with the expression of an opinion thereon by an independent certified public accountant who audited or reviewed such financial statements. Such documents must be available on the blood establishment's website within 120 days after the end of the blood establishment's fiscal year and must remain on the blood establishment's website for at least 36 months.

(8) A blood establishment is liable for a civil penalty for failing to make the disclosures required under subsection (7). The Department of Legal Affairs may assess the civil penalty against the blood establishment for each day that it fails to make such required disclosures, but the penalty may not exceed $10,000 per year. If multiple blood establishments operated by a single business entity fail to meet such disclosure requirements, the civil penalty may be assessed against only one of the business entity's blood establishments. The Department of Legal Affairs may terminate an action if the blood establishment agrees to pay a stipulated civil penalty. A civil penalty so collected accrues to the state and shall be deposited as received into the General Revenue Fund unallocated. The Department of Legal Affairs may terminate the action and waive the civil penalty upon a showing of good cause by the blood establishment as to why the required disclosures were not made.

Section 109. Subsection (23) of section 499.003, Florida Statutes, is amended to read:

499.003 Definitions of terms used in this part.—As used in this part, the term:

(23) "Health care entity" means a closed pharmacy or any person, organization, or business entity that provides diagnostic, medical, surgical, or dental treatment or care, or chronic or rehabilitative care, but does not include any wholesale distributor or retail pharmacy licensed under state law to deal in prescription drugs. *However, a blood establishment is a health care entity that may engage in the wholesale distribution of prescription drugs under s. 499.01(2)(g)1.c.*

Section 110. Subsection (21) of section 499.005, Florida Statutes, is amended to read:

499.005 Prohibited acts.—It is unlawful for a person to perform or cause the performance of any of the following acts in this state:

(21) The wholesale distribution of any prescription drug that was:

(a) Purchased by a public or private hospital or other health care entity; or

(b) Donated or supplied at a reduced price to a charitable organization*, unless the wholesale distribution of the prescription drug is authorized in s. 499.01(2)(g)1.c*.

Section 111. Paragraphs (a), (g), and (t) of subsection (2) of section 499.01, Florida Statutes, are amended to read:

499.01 Permits.—

(2) The following permits are established:

(a) *Prescription drug manufacturer permit.*—A prescription drug manufacturer permit is required for any person that is a manufacturer of a prescription drug and that manufactures or distributes such prescription drugs in this state.

1. A person that operates an establishment permitted as a prescription drug manufacturer may engage in wholesale distribution of prescription drugs manufactured at that establishment and must comply with all of the provisions of this part, except s. 499.01212, and the rules adopted under this part, except s. 499.01212, *which* ~~that~~ apply to a wholesale distributor.

2. A prescription drug manufacturer must comply with all appropriate state and federal good manufacturing practices.

3. A blood establishment, as defined in s. 381.06014, operating in a manner consistent with the provisions of Title 21 C.F.R. parts 211 and 600-640, and manufacturing only the prescription drugs described in s. 499.003(54)(d) is not required to be permitted as a prescription drug manufacturer under this paragraph or to register products under s. 499.015.

(g) *Restricted prescription drug distributor permit.*—

1. A restricted prescription drug distributor permit is required for*:*

a. Any person *located in this state* that engages in the distribution of a prescription drug, which distribution is not considered "wholesale distribution" under s. 499.003(54)(a).

b.~~1.~~ *Any* ~~A~~ person *located in this state* who engages in the receipt or distribution of a prescription drug in this state for the purpose of processing its return or its destruction ~~must obtain a permit as a restricted prescription drug distributor~~ if such person is not the person initiating the return, the prescription drug wholesale supplier of the person initiating the return, or the manufacturer of the drug.

c. A blood establishment located in this state which collects blood and blood components only from volunteer donors as defined in s. 381.06014 or pursuant to an authorized practitioner's order for medical treatment or therapy and engages in the wholesale distribution of a prescription drug not described in s. 499.003(54)(d) to a health care entity. The health care entity receiving a prescription drug distributed under this sub-sub-paragraph must be licensed as a closed pharmacy or provide health care services at that establishment. The blood establishment must operate in accordance with s. 381.06014 and may distribute only:

(I) Prescription drugs indicated for a bleeding or clotting disorder or anemia;

(II) Blood-collection containers approved under s. 505 of the federal act;

(III) Drugs that are blood derivatives, or a recombinant or synthetic form of a blood derivative;

(IV) Prescription drugs that are identified in rules adopted by the department and that are essential to services performed or provided by blood establishments and authorized for distribution by blood establishments under federal law; or

(V) To the extent authorized by federal law, drugs necessary to collect blood or blood components from volunteer blood donors; for blood establishment personnel to perform therapeutic procedures under the direction and supervision of a licensed physician; and to diagnose, treat, manage, and prevent any reaction of either a volunteer blood donor or a patient undergoing a therapeutic procedure performed under the direction and supervision of a licensed physician,

as long as all of the health care services provided by the blood establishment are related to its activities as a registered blood establishment or the health care services consist of collecting, processing, storing, or administering human hematopoietic stem cells or progenitor cells or performing diagnostic testing of specimens if such specimens are tested together with specimens undergoing routine donor testing.

2. Storage, handling, and recordkeeping of these distributions *by a person required to be permitted as a restricted prescription drug distributor* must comply with the requirements for wholesale distributors under s. 499.0121, but not those set forth in s. 499.01212 *if the distribution occurs pursuant to sub-subparagraph 1.a. or sub-subparagraph 1.b*.

3. A person who applies for a permit as a restricted prescription drug distributor, or for the renewal of such a permit, must provide to the department the information required under s. 499.012.

4. The department may adopt rules regarding the distribution of prescription drugs by hospitals, health care entities, charitable organizations, ~~or~~ other persons not involved in wholesale distribution, *and blood establishments,* which rules are necessary for the protection of the public health, safety, and welfare.

(t) *Health care clinic establishment permit.*—Effective January 1, 2009, a health care clinic establishment permit is required for the purchase of a prescription drug by a place of business at one general physical location that provides health care or veterinary services, which is owned and operated by a business entity that has been issued a federal employer tax identification number. For the purpose of this paragraph, the term "qualifying practitioner" means a licensed health care practitioner defined in s. 456.001, or a veterinarian licensed under chapter 474, who is authorized under the appropriate practice act to prescribe and administer a prescription drug.

1. An establishment must provide, as part of the application required under s. 499.012, designation of a qualifying practitioner who will be responsible for complying with all legal and regulatory requirements related to the purchase, recordkeeping, storage, and handling of the prescription drugs. In addition, the designated qualifying practitioner shall be the practitioner whose name, establishment address, and license number is used on all distribution documents for prescription drugs purchased or returned by the health care clinic establishment. Upon initial appointment of a qualifying practitioner, the qualifying practitioner and the health care clinic establishment shall notify the department on a form furnished by the department within 10 days after such employment. In addition, the qualifying practitioner and health care clinic establishment shall notify the department within 10 days after any subsequent change.

2. The health care clinic establishment must employ a qualifying practitioner at each establishment.

3. In addition to the remedies and penalties provided in this part, a violation of this chapter by the health care clinic establishment or qualifying practitioner constitutes grounds for discipline of the qualifying practitioner by the appropriate regulatory board.

4. The purchase of prescription drugs by the health care clinic establishment is prohibited during any period of time when the establishment does not comply with this paragraph.

5. A health care clinic establishment permit is not a pharmacy permit or otherwise subject to chapter 465. A health care clinic establishment that meets the criteria of a modified Class II institutional pharmacy under s. 465.019 is not eligible to be permitted under this paragraph.

6. This paragraph does not apply to the purchase of a prescription drug by a licensed practitioner under his or her license. *A professional corporation or limited liability company composed of dentists and operating as authorized in s. 466.0285 may pay for prescription drugs obtained by a practitioner licensed under chapter 466, and the licensed practitioner is deemed the purchaser and owner of the prescription drugs.*

Section 112. Subsection (6) of section 474.202, Florida Statutes, is amended to read:

474.202 Definitions.—As used in this chapter:

(6) "Limited-service veterinary *vaccination clinic* ~~medical practice~~" means *a veterinary practice at which a veterinarian performs vaccinations or immunizations on multiple animals at a temporary location and operates for a limited time* ~~offering or providing veterinary services at any location that has a primary purpose other than that of providing veterinary medical service at a permanent or mobile establishment permitted by the board; provides veterinary medical services for privately owned animals that do not reside at that location; operates for a limited time; and provides limited types of veterinary medical services~~.

Section 113. Subsection (7) of section 474.215, Florida Statutes, is amended to read:

474.215 Premises permits.—

(7) The board by rule shall establish minimum standards for the operation of limited service veterinary *vaccination clinics* ~~medical practices~~. Such rules shall ~~not restrict limited service veterinary medical practices and shall~~ be consistent with the type of limited veterinary *vaccination and immunization services* ~~medical service~~ provided.

(a) Any person that offers or provides limited service veterinary *vaccination clinics* ~~medical practice~~ shall obtain a biennial permit from the board the cost of which shall not exceed $250. The limited service permittee shall register each location where a limited service *veterinary vaccination* clinic is held and shall pay a fee set by rule not to exceed $25 to register each such location.

(b) All permits issued under this subsection are subject to the provisions of ss. 474.213 and 474.214.

(c) Notwithstanding any provision of this subsection to the contrary, any temporary rabies vaccination effort operated by a county health department in response to a public health threat, as declared by the State Health Officer in consultation with the State Veterinarian, is not subject to any preregistration, time limitation, or fee requirements, but must adhere to all other requirements for limited service veterinary *vaccination clinics* ~~medical practice~~ as prescribed by rule. The fee charged to the public for a rabies vaccination administered during such

temporary rabies vaccination effort may not exceed the actual cost of administering the rabies vaccine. Such rabies vaccination efforts may not be used for any purpose other than to address the public health consequences of the rabies outbreak. The board shall be immediately notified in writing of any temporary rabies vaccination effort operated under this paragraph.

Section 114. Section 455.2185, Florida Statutes, is amended to read:

455.2185 Exemption for certain out-of-state or foreign professionals; limited practice permitted.—

(1) A professional of any other state or of any territory or other jurisdiction of the United States or of any other nation or foreign jurisdiction is exempt from the requirements of licensure under this chapter and the applicable professional practice act under the agency with regulatory jurisdiction over the profession if that profession is regulated in this state under the agency with regulatory jurisdiction over the profession and if that person:

(a) Holds, if so required in the jurisdiction in which that person practices, an active license to practice that profession.

(b) Engages in the active practice of that profession outside the state.

(c) Is employed or designated in that professional capacity by a sports entity visiting the state for a specific sporting event.

(2) A professional's practice under this section is limited to the members, coaches, and staff of the team for which that professional is employed or designated ~~and to any animals used if the sporting event for which that professional is employed or designated involves animals~~. ~~A professional practicing under authority of this section shall not have practice privileges in any licensed veterinary facility without the approval of that facility.~~

Section 115. Section 456.023, Florida Statutes, is amended to read:

456.023 Exemption for certain out-of-state or foreign professionals; limited practice permitted.—

(1) A professional of any other state or of any territory or other jurisdiction of the United States or of any other nation or foreign jurisdiction is exempt from the requirements of licensure under this chapter and the applicable professional practice act under the agency with regulatory jurisdiction over the profession if that profession is regulated in this state under the agency with regulatory jurisdiction over the profession and if that person:

(a) Holds, if so required in the jurisdiction in which that person practices, an active license to practice that profession.

(b) Engages in the active practice of that profession outside the state.

(c) Is employed or designated in that professional capacity by a sports entity visiting the state for a specific sporting event.

(2) A professional's practice under this section is limited to the members, coaches, and staff of the team for which that professional is employed or designated ~~and to any animals used if the sporting event for which that professional is employed or designated involves animals~~. A professional practicing under authority of this section shall not have practice privileges in any licensed health care facility ~~or veterinary facility without the approval of that facility~~.

Section 116. Section 456.0635, Florida Statutes, is amended to read:

456.0635 *Health care* ~~Medicaid~~ fraud; disqualification for license, certificate, or registration.—

(1) ~~Medicaid~~ Fraud in the practice of a health care profession is prohibited.

(2) Each board within the jurisdiction of the department, or the department if there is no board, shall refuse to admit a candidate to any examination and refuse to issue ~~or renew~~ a license, certificate, or registration to any applicant if the candidate or applicant or any principal, officer, agent, managing employee, or affiliated person of the applicant~~, has been~~:

(a) *Has been* convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under chapter 409, chapter 817, *or* chapter 893, *or a similar felony offense committed in another state or jurisdiction* ~~21 U.S.C. ss. 801-970, or 42 U.S.C. ss. 1395-1396~~, unless the sentence and any subsequent period of probation for such conviction or *plea* ~~pleas~~ ended*:* ~~more than 15 years prior to the date of the application;~~

1. For felonies of the first or second degree, more than 15 years before the date of application.

2. For felonies of the third degree, more than 10 years before the date of application, except for felonies of the third degree under s. 893.13(6)(a).

3. For felonies of the third degree under s. 893.13(6)(a), more than 5 years before the date of application.

Notwithstanding s. 120.60, for felonies in which the defendant entered a plea of guilty or nolo contendere in an agreement with the court to enter a pretrial intervention or drug diversion program, the board, or the department if there is no board, may not approve or deny the application for a license, certificate, or registration until the final resolution of the case;

(b) Has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under 21 U.S.C. ss. 801-970, or 42 U.S.C. ss. 1395-1396, unless the sentence and any subsequent period of probation for such conviction or plea ended more than 15 years before the date of the application;

(c)~~(b)~~ *Has been* terminated for cause from the Florida Medicaid program pursuant to s. 409.913, unless the applicant has been in good standing with the Florida Medicaid program for the most recent 5 years;

(d)~~(c)~~ *Has been* terminated for cause, pursuant to the appeals procedures established by the state ~~or Federal Government~~, from any other state Medicaid program ~~or the federal Medicare program~~, unless the applicant has been in good standing with a state Medicaid program ~~or the federal Medicare program~~ for the most recent 5 years and the termination occurred at least 20 years *before* ~~prior to~~ the date of the application*; or*~~.~~

(e) Is currently listed on the United States Department of Health and Human Services Office of Inspector General's List of Excluded Individuals and Entities.

This subsection does not apply to applicants for initial licensure or certification who were enrolled in an educational or training program on or before July 1, 2010, which was recognized by a board or, if there is no board, recognized by the department, and who applied for licensure after July 1, 2010.

(3) The department shall refuse to renew a license, certificate, or registration of any applicant if the candidate or applicant or any principal, officer, agent, managing employee, or affiliated person of the applicant:

(a) Has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under: chapter 409, chapter 817, or chapter 893, or a similar felony offense committed in another state or jurisdiction since July 1, 2010.

(b) Has been convicted of, or entered a plea of guilty or nolo contendere to, regardless of adjudication, a felony under 21 U.S.C. ss. 801-970, or 42 U.S.C. ss. 1395-1396 since July 1, 2010.

(c) Has been terminated for cause from the Florida Medicaid program pursuant to s. 409.913, unless the applicant has been in good standing with the Florida Medicaid program for the most recent 5 years.

(d) Has been terminated for cause, pursuant to the appeals procedures established by the state, from any other state Medicaid program, unless the applicant has been in good standing with a state Medicaid program for the most recent 5 years and the termination occurred at least 20 years before the date of the application.

(e) Is currently listed on the United States Department of Health and Human Services Office of Inspector General's List of Excluded Individuals and Entities.

For felonies in which the defendant entered a plea of guilty or nolo contendere in an agreement with the court to enter a pretrial intervention or drug diversion program, the department may not approve or deny the application for a renewal of a license, certificate, or registration until the final resolution of the case.

(4)~~(3)~~ Licensed health care practitioners shall report allegations of *health care* ~~Medicaid~~ fraud to the department, regardless of the practice setting in which the alleged Medicaid fraud occurred.

(5)~~(4)~~ The acceptance by a licensing authority of a candidate's relinquishment of a license which is offered in response to or anticipation of the filing of administrative charges alleging *health care* ~~Medicaid~~ fraud or similar charges constitutes the permanent revocation of the license.

Section 117. Subsection (6) of section 456.036, Florida Statutes, is amended to read:

456.036 Licenses; active and inactive status; delinquency.—

(6)*(a) Except as provided in paragraph (b),* a delinquent licensee must affirmatively apply with a complete application, as defined by rule of the board, or the department if there is no board, for active or inactive status during the licensure cycle in which a licensee becomes delinquent. Failure by a delinquent licensee to become active or inactive before the expiration of the current licensure cycle renders the license null without any further action by the board or the department. Any subsequent licensure shall be as a result of applying for and meeting all requirements imposed on an applicant for new licensure.

(b) A delinquent licensee whose license becomes delinquent before the final resolution of a case under s. 456.0635(3) must affirmatively apply by submitting a complete application, as defined by rule of the board, or the department if there is no board, for active or inactive status during the licensure cycle in which the case achieves final resolution by order of the court. Failure by a delinquent licensee to become active or inactive before the expiration of that licensure cycle renders the license null without any further action by the board or the department. Any subsequent licensure shall be as a result of applying for and meeting all requirements imposed on an applicant for new licensure.

Section 118. Subsection (9) is added to section 465.014, Florida Statutes, to read:

465.014 Pharmacy technician.—

(9) This section does not apply to a practitioner authorized to dispense drugs under s. 465.0276 or a medical assistant or licensed health care professional under the direct supervision of such practitioner if the practitioner is treating a patient who provides proof of insurance through a public-payer or private-payer source. The exemption provided by this subsection applies only to medical personnel under the direct supervision of the dispensing practitioner while dispensing in the practitioner's office.

Section 119. Section 627.6011, Florida Statutes, is created to read:

627.6011 Mandated coverages.—Mandatory health benefits regulated by this chapter which must be covered by an insurer are intended to apply only to the types of health benefit plans defined in s. 627.6699(3)(k), issued in any market, unless specifically designated. As used in this section, the term "mandatory health benefits" means benefits provided in ss. 627.6401-627.64193 and any cross-references to such sections, or any other mandatory treatments, health coverages, or benefits enacted after the effective date of this act.

Section 120. Subsection (3) is added to section 766.110, Florida Statutes, to read:

766.110 Liability of health care facilities.—

(3) To ensure comprehensive risk management for diagnosis of disease, a health care facility, including a hospital or ambulatory surgical center, as defined in chapter 395, may use scientific diagnostic disease methodologies that use information regarding specific diseases in health care facilities and that are adopted by the facility's medical review committee.

Section 121. This act shall take effect July 1, 2011.

And the title is amended as follows:

Amendment 1J (256010) (with title amendment)—Between lines 2937 and 2938 insert:

Section 74. Section 409.981, Florida Statutes, is created to read:

409.981 Eligible long-term care plans.—

(1) ELIGIBLE PLANS.—Provider service networks must be long-term care provider service networks. Other eligible plans may be long-term care plans or comprehensive long-term care plans.

(2) ELIGIBLE PLAN SELECTION.—The agency shall select eligible plans through the procurement process described in s. 409.966. The agency shall provide notice of invitations to negotiate by July 1, 2012. The agency shall procure:

(a) Two plans for Region 1. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(b) Two plans for Region 2. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(c) At least three plans and up to five plans for Region 3. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(d) At least three plans and up to five plans for Region 4. At least one plan must be a provider service network if any provider service network submits a responsive bid.

(e) At least two plans and up to 4 plans for Region 5. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(f) At least four plans and up to seven plans for Region 6. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(g) At least three plans and up to 6 plans for Region 7. At least one plan must be a provider service networks if any provider service networks submit a responsive bid.

(h) At least two plans and up to four plans for Region 8. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(i) At least two plans and up to four plans for Region 9. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(j) At least two plans and up to four plans for Region 10. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

(k) At least five plans and up to ten plans for Region 11. At least one plan must be a provider service network if any provider service networks submit a responsive bid.

If no provider service network submits a responsive bid in a region other than Region 1 or Region 2, the agency shall procure no more than one less than the maximum number of eligible plans permitted in that region. Within 12 months after the initial invitation to negotiate, the agency shall attempt to procure a provider service network. The agency shall notice another invitation to negotiate only with provider service networks in regions where no provider service network has been selected.

(3) QUALITY SELECTION CRITERIA.—In addition to the criteria established in s. 409.966, the agency shall consider the following factors in the selection of eligible plans:

(a) Evidence of the employment of executive managers with expertise and experience in serving aged and disabled persons who require long-term care.

(b) Whether a plan has established a network of service providers dispersed throughout the region and in sufficient numbers to meet specific service standards established by the agency for specialty services for persons receiving home and community-based care.

(c) Whether a plan is proposing to establish a comprehensive long-term care plan and whether the eligible plan has a contract to provide managed medical assistance services in the same region.

(d) Whether a plan offers consumer-directed care services to enrollees pursuant to s. 409.221.

(e) Whether a plan is proposing to provide home and community-based services in addition to the minimum benefits required by s. 409.98.

(4) PROGRAM OF ALL-INCLUSIVE CARE FOR THE ELDERLY.—Participation by the Program of All-Inclusive Care for the Elderly (PACE) shall be pursuant to a contract with the agency and not subject to the procurement requirements or regional plan number limits of this section. PACE plans may continue to provide services to individuals at such levels and enrollment caps as authorized by the General Appropriations Act.

(5) MEDICARE PLANS.—Participation by a Medicare Advantage Preferred Provider Organization, Medicare Advantage Provider-sponsored Organization, Medicare Advantage Special Needs Plan, Medicare Advantage health maintenance organizations, or Medicare Advantage coordinated care plans shall be pursuant to a contract with the agency and not subject to the procurement requirements if the plan's Medicaid enrollees consist exclusively of recipients who are deemed dually eligible for Medicaid and Medicare services. Otherwise, Medicare Advantage Preferred Provider Organizations, Medicare Advantage Provider-Sponsored Organizations, Medicare Advantage Special Needs Plans, Medicare Advantage health maintenance organizations, and Medicare Advantage coordinated care plans are subject to all procurement requirements.

Section 75. Section 409.984, Florida Statutes, is created to read:

409.984 Enrollment in a long-term care managed care plan.—

(1) The agency shall automatically enroll into a long-term care managed care plan those Medicaid recipients who do not voluntarily choose a plan pursuant to s. 409.969. The agency shall automatically enroll recipients in plans that meet or exceed the performance or quality standards established pursuant to s. 409.967 and may not automatically enroll recipients in a plan that is deficient in those performance or quality standards. If a recipient is deemed dually eligible for Medicaid and Medicare services and is currently receiving Medicare services from an entity qualified under 42 C.F.R. part 422 as a Medicare Advantage Preferred Provider Organization, Medicare Advantage Provider-sponsored Organization, Medicare Advantage Special Needs Plan, Medicare Advantage health maintenance organization, or Medicare Advantage coordinated care plan, the agency shall automatically enroll the recipient in such plan for Medicaid services if the plan is currently participating in the long-term care managed care program. Except as otherwise provided in this part, the agency may not engage in practices that are designed to favor one managed care plan over another.

(1) When automatically enrolling recipients in plans, the agency shall take into account the following criteria:

(a) Whether the plan has sufficient network capacity to meet the needs of the recipients.

(b) Whether the recipient has previously received services from one of the plan's home and community-based service providers.

(c) Whether the home and community-based providers in one plan are more geographically accessible to the recipient's residence than those in other plans.

(3) Notwithstanding s. 409.969(3)(c), if a recipient is referred for hospice services, the recipient has 30 days during which the recipient may select to enroll in another managed care plan to access the hospice provider of the recipient's choice.

(4) If a recipient is referred for placement in a nursing home or assisted living facility, the plan must inform the recipient of any facilities within the plan that have specific cultural or religious affiliations and, if requested by the recipient, make a reasonable effort to place the recipient in the facility of the recipient's choice.

And the title is amended as follows:

Delete line 4902 and insert: psychiatric facility; creating s. 409.981, F.S.; providing criteria for eligible plans; designating regions for plan implementation throughout the state; providing criteria for the selection of plans to participate in the long-term care managed care program; providing that participation by the Program of All-Inclusive Care for the Elderly and certain Medicare plans is pursuant to an agency contract and not subject to procurement; creating s. 409.984, F.S.; providing criteria for automatic assignments of plan enrollees who fail to choose a plan; providing for hospice selection within a specified timeframe; providing for a choice of residential setting under certain circumstances; amending s. 429.07, F.S.;

MOTION

On motion by Senator Latvala, by the required two-thirds vote, consideration of the following amendment was allowed:

Senator Latvala moved the following amendment to **Amendment 1**:

Amendment 1K (511982) (with title amendment)—Between lines 3609 and 3610 insert:

Section 93. Section 456.44, Florida Statutes, is created to read:

456.44 Controlled substance prescribing.—

(1) DEFINITIONS.—

(a) "Addiction medicine specialist" means a board-certified physiatrist with a subspecialty certification in addiction medicine or who is eligible for such subspecialty certification in addiction medicine, an addiction medicine physician certified or eligible for certification by the American Society of Addiction Medicine, or an osteopathic physician who holds a certificate of added qualification in Addiction Medicine through the American Osteopathic Association.

(b) "Adverse incident" means any incident set forth in s. 458.351(4)(a)-(e) or s. 459.026(4)(a)-(e).

(c) "Board–certified pain management physician" means a physician who possesses board certification in pain medicine by the American Board of Pain Medicine, board certification by the American Board of Interventional Pain Physicians, or board certification or subcertification in pain management by a specialty board recognized by the American Association of Physician Specialists or an osteopathic physician who holds a certificate in Pain Management by the American Osteopathic Association.

(d) "Chronic nonmalignant pain" means pain unrelated to cancer or rheumatoid arthritis which persists beyond the usual course of disease or the injury that is the cause of the pain or more than 90 days after surgery.

(e) "Mental health addiction facility" means a facility licensed under chapter 394 or chapter 397.

(2) REGISTRATION.—Effective January 1, 2012, a physician licensed under chapter 458, chapter 459, chapter 461, or chapter 466 who prescribes more than a 30-day supply of any controlled substance, as defined in s. 893.03, over a 6-month period to any one patient for the treatment of chronic nonmalignant pain, must:

(a) Designate himself or herself as a controlled substance prescribing practitioner on the physician's practitioner profile.

(b) Comply with the requirements of this section and applicable board rules.

(3) STANDARDS OF PRACTICE.—The standards of practice in this section do not supersede the level of care, skill, and treatment recognized in general law related to healthcare licensure.

(a) A complete medical history and a physical examination must be conducted before beginning any treatment and must be documented in the medical record. The exact components of the physical examination shall be left to the judgment of the clinician who is expected to perform a physical examination proportionate to the diagnosis that justifies a treatment. The medical record must, at a minimum, document the nature and intensity of the pain, current and past treatments for pain, underlying or coexisting diseases or conditions, the effect of the pain on physical and psychological function, a review of previous medical records, previous diagnostic studies, and history of alcohol and substance abuse. The medical record shall also document the presence of one or more recognized medical indications for the use of a controlled substance. Each registrant must develop a written plan for assessing each patient's risk of aberrant drug-related behavior, which may include patient drug testing. Registrants must assess each patient's risk for aberrant drug-related behavior and monitor that risk on an ongoing basis in accordance with the plan.

(b) Each registrant must develop a written individualized treatment plan for each patient. The treatment plan shall state objectives that will be used to determine treatment success, such as pain relief and improved physical and psychosocial function, and shall indicate if any further diagnostic evaluations or other treatments are planned. After treatment begins, the physician shall adjust drug therapy to the individual medical needs of each patient. Other treatment modalities, including a rehabilitation program, shall be considered depending on the etiology of the pain and the extent to which the pain is associated with physical and psychosocial impairment. The interdisciplinary nature of the treatment plan shall be documented.

(c) The physician shall discuss the risks and benefits of the use of controlled substances, including the risks of abuse and addiction, as well as physical dependence and its consequences, with the patient, persons designated by the patient, or the patient's surrogate or guardian if the patient is incompetent. The physician shall use a written controlled substance agreement between the physician and the patient outlining the patient's responsibilities, including, but not limited to:

1. Number and frequency of controlled substance prescriptions and refills.

2. Patient compliance and reasons for which drug therapy may be discontinued, such as a violation of the agreement.

3. An agreement that controlled substances for the treatment of chronic nonmalignant pain shall be prescribed by a single treating physician unless otherwise authorized by the treating physician and documented in the medical record.

(d) The patient shall be seen by the physician at regular intervals, not to exceed 3 months, to assess the efficacy of treatment, ensure that controlled substance therapy remains indicated, evaluate the patient's progress toward treatment objectives, consider adverse drug effects, and review the etiology of the pain. Continuation or modification of therapy shall depend on the physician's evaluation of the patient's progress. If treatment goals are not being achieved, despite medication adjustments, the physician shall reevaluate the appropriateness of continued treatment. The physician shall monitor patient compliance in medication usage, related treatment plans, controlled substance agreements, and indications of substance abuse or diversion at a minimum of 3-month intervals.

(e) The physician shall refer the patient as necessary for additional evaluation and treatment in order to achieve treatment objectives. Special attention shall be given to those patients who are at risk for misusing their medications and those whose living arrangements pose a risk for medication misuse or diversion. The management of pain in patients with a history of substance abuse or with a comorbid psychiatric disorder requires extra care, monitoring, and documentation and requires consultation with or referral to an addictionologist or physiatrist.

(f) A physician registered under this section must maintain accurate, current, and complete records that are accessible and readily available for review and comply with the requirements of this section, the applicable practice act, and applicable board rules. The medical records must include, but are not limited to:

1. The complete medical history and a physical examination, including history of drug abuse or dependence.

2. Diagnostic, therapeutic, and laboratory results.

3. Evaluations and consultations.

4. Treatment objectives.

5. Discussion of risks and benefits.

6. Treatments.

7. Medications, including date, type, dosage, and quantity prescribed.

8. Instructions and agreements.

9. Periodic reviews.

10. Results of any drug testing.

11. A photocopy of the patient's government-issued photo identification.

12. If a written prescription for a controlled substance is given to the patient, a duplicate of the prescription.

13. The physician's full name presented in a legible manner.

(g) Patients with signs or symptoms of substance abuse shall be immediately referred to a board-certified pain management physician, an addiction medicine specialist, or a mental health addiction facility as it pertains to drug abuse or addiction unless the physician is board-certified or board-eligible in pain management. Throughout the period of time before receiving the consultant's report, a prescribing physician shall clearly and completely document medical justification for continued treatment with controlled substances and those steps taken to ensure medically appropriate use of controlled substances by the patient. Upon receipt of the consultant's written report, the prescribing physician shall incorporate the consultant's recommendations for continuing, modifying, or discontinuing controlled substance therapy. The resulting changes in treatment shall be specifically documented in the patient's medical record. Evidence or behavioral indications of diversion shall be followed by discontinuation of controlled substance therapy and the patient shall be discharged and all results of testing and actions taken by the physician shall be documented in the patient's medical record.

This subsection does not apply to a board-certified anesthesiologist, physiatrist, or neurologist, or to a board-certified physician who has surgical privileges at a hospital or ambulatory surgery center and primarily provides surgical services. This subsection does not apply to a board-certified medical specialist who has also completed a fellowship in pain medicine approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who is also board certified in pain medicine by a board approved by the American Board of Medical Specialties or the American Osteopathic Association and performs interventional pain procedures of the type routinely billed using surgical codes. This subsection does not apply to any physician licensed under chapter 458 or chapter 459 who writes fewer than 50 prescriptions for a controlled substance for all of his or her patients combined in any 1 calendar year.

And the title is amended as follows:

Delete line 4981 and insert: under certain circumstances; creating s. 456.44, F.S.; providing definitions; requiring certain physicians to designate themselves as controlled substance prescribing practitioners on their practitioner profiles; providing an effective date; requiring registered physicians to meet certain standards of practice; requiring a physical examination; requiring a written protocol; requiring an assessment of risk for aberrant behavior; requiring a treatment plan; requiring specified informed consent; requiring consultation and referral in certain circumstances; requiring medical records meeting certain criteria; providing an exemption for physicians meeting certain criteria; providing for nonapplication; amending s. 483.035,

On motion by Senator Latvala, further consideration of **CS for CS for HB 119** with pending **Amendment 1 (258560)** and **Amendment 1K (511982)** was deferred.

transition-to-adulthood services; providing that certain services require voluntary participation by affected youth and do not create an involuntary court-sanctioned residential commitment; providing an effective date.

—which was previously considered this day with pending point of order by Senator Lynn.

POINT OF ORDER DISPOSITION

The point of order by Senator Lynn was withdrawn.

The Committee on Criminal Justice recommended the following amendment which was moved by Senator Wise:

Amendment 1 (585488) (with title amendment)—Between lines 159 and 160 insert:

Section 4. *College-Preparatory Boarding Academy Pilot Program for at-risk students.—*

(1) PROGRAM CREATION.—The College-Preparatory Boarding Academy Pilot Program is created for the purpose of providing unique educational opportunities to dependent or at-risk children who are academic underperformers but who have the potential to progress from at-risk to college-bound. The State Board of Education shall implement this program.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Board" means the board of trustees of a college-preparatory boarding academy for at-risk students.

(b) "Eligible student" means a student who is a resident of the state and entitled to attend school in a participating school district, is at risk of academic failure, is currently enrolled in grade 5 or 6, is from a family whose income is below 200 percent of the federal poverty guidelines, and who meets at least two of the following additional risk factors:

1. The student has a record of suspensions, office referrals, or chronic truancy.

2. The student has been referred for academic intervention or has not attained at least a proficient score on the state achievement assessment in English and language arts, reading, or mathematics.

3. The student's parent is a single parent.

4. The student does not live with the student's custodial parent.

5. The student resides in a household that receives a housing voucher or has been determined as eligible for public housing assistance.

6. A member of the student's immediate family has been incarcerated.

7. The student has been declared an adjudicated dependent by a court of competent jurisdiction.

8. The student has received a referral from a school, teacher, counselor, dependency circuit court judge, or community-based care organization.

9. The student meets any additional criteria prescribed by an agreement between the State Board of Education and the operator of a college-preparatory boarding academy.

(c) "Operator" means a private, nonprofit corporation that is selected by the state under subsection (3) to operate the program.

(d) "Program" means a college-preparatory boarding academy for at-risk students which includes:

1. A remedial curriculum for middle school grades;

2. The college-preparatory curriculum for high school grades;

3. Extracurricular activities, including athletics and cultural events;

4. College admissions counseling;

5. Health and mental health services;

6. Tutoring;

7. Community service and service learning opportunities;

8. A residential student life program;

9. Extended school days and supplemental programs; and

10. Professional services focused on the language arts and reading standards, mathematics standards, science standards, technology standards, and developmental or life skill standards using innovative and best practices for all students.

(e) "Sponsor" means a public school district that acts as sponsor pursuant to s. 1002.33, Florida Statutes.

(3) PROPOSALS.—

(a) The State Board of Education shall select a private, nonprofit corporation to operate the program which must meet all of the following qualifications:

1. The nonprofit corporation has, or will receive as a condition of the contract, a public charter school authorized under s. 1002.33, Florida Statutes, to offer grades 6 through 12, or has a partnership with a sponsor to operate a school.

2. The nonprofit corporation has experience operating a school or program similar to the program authorized under this section.

3. The nonprofit corporation has demonstrated success with a school or program similar to the program authorized under this section.

4. The nonprofit corporation has the capacity to finance and secure private funds for the development of a campus for the program.

(b) Within 60 days after July 1, 2011, the State Board of Education shall issue a request for proposals from private, nonprofit corporations interested in operating the program. The state board shall select operators from among the qualified responders within 120 days after the issuance of the requests for proposal.

(c) Each proposal must contain the following information:

1. The proposed location of the college-preparatory boarding academy;

2. A plan for offering grade 6 in the program's initial year of operation and a plan for expanding the grade levels offered by the school in subsequent years; and

3. Any other information about the proposed educational program, facilities, or operations of the school as determined necessary by the state board.

(4) CONTRACT.—The State Board of Education shall contract with the operator of a college-preparatory boarding academy. The contract must stipulate that:

(a) The academy may operate only if, and to the extent that, it holds a valid charter authorized under s. 1002.33, Florida Statutes, or is authorized by a local school district defined as a sponsor pursuant to s. 1002.33, Florida Statutes.

(b) The operator shall finance and oversee the acquisition of a facility for the academy.

(c) The operator shall operate the academy in accordance with the terms of the proposal accepted by the state board.

(d) The operator shall comply with this section.

(e) The operator shall comply with any other provisions of law specified in the contract, the charter granted by the local school district or the operating agreement with the sponsor, and the rules adopted by the state board for schools operating in this state.

(f) The operator shall comply with the bylaws that it adopts.

(g) The operator shall comply with standards for admission of students to the academy and standards for dismissal of students from the academy which are included in the contract and may be reevaluated and revised by mutual agreement between the operator and the state board.

(h) The operator shall meet the academic goals and other performance standards established by the contract.

(i) The state board or the operator may terminate the contract in accordance with the procedures specified in the contract, which must at least require that the party seeking termination give prior written notice of the intent to terminate the contract and that the party receiving the termination notice be granted an opportunity to redress any grievances cited therein.

(j) If the school closes for any reason, the academy's board of trustees shall execute the closing in a manner specified in the contract.

(5) OPERATOR BYLAWS.—The operator of the program shall adopt bylaws for the oversight and operation of the academy which are in accordance with this section, state law, and the contract between the operator and the State Board of Education. The bylaws must include procedures for the appointment of board members to the academy's board of trustees, which may not exceed 25 members, 5 members of whom shall be appointed by the Governor with the advice and consent of the Senate. The bylaws are subject to approval of the state board.

(6) OUTREACH.—The program operator shall adopt an outreach program with the local education agency or school district and community. The outreach program must give special attention to the recruitment of children in the state's foster care program as a dependent child or as a child in a program to prevent dependency who are academic underperformers who, if given the unique educational opportunity found in the program, have the potential to progress from at-risk children to college-bound children.

(7) FUNDING.—The college-preparatory boarding academy must be a public school and part of the state's program of education. If the program receives state funding from noneducation sources, the State Board of Education shall coordinate, streamline, and simplify any requirements to eliminate duplicate, redundant, or conflicting requirements and oversight by various governmental programs or agencies. The applicable regulating entities shall, to the maximum extent possible, use independent reports and financial audits provided by the program and coordinated by the state board to eliminate or reduce contract and administrative reviews. Additional items may be suggested, if reasonable, to the state board to be included in independent reports and financial audits for the purpose of implementing this section. Reporting paperwork that is prepared for the state and local education agency shall also be shared with and accepted by other state and local regulatory entities, to the maximum extent possible.

(8) PROGRAM CAPACITY.—Beginning August 2012, the program shall admit 80 students. In each subsequent fiscal year, the program shall grow by an additional number of students, as specified in the contract, until the program reaches a capacity of 400 students.

(9) STUDENT SERVICES.—Students enrolled in the program who have been adjudicated dependent must remain under the case management services and supervision of the lead agency and its respective providers. The operator may contract with its own providers as necessary to provide services to children in the program and to ensure continuity of the full range of services required by children in foster care who attend the academy.

(10) MEDICAID BILLING.—This section does not prohibit an operator from appropriately billing Medicaid for services rendered to eligible students through the program or from earning federal or local funding for services provided.

(11) ADMISSION.—An eligible student may apply for admission to the program. If more eligible students apply for admission than the number of students permitted by the capacity established by the board of trustees, admission shall be determined by lottery.

(12) STUDENT HOUSING.—Notwithstanding ss. 409.1677(3)(d) and 409.176, Florida Statutes, or any other provision of law, an operator may house and educate dependent, at-risk youth in its residential school for the purpose of facilitating the mission of the program and encouraging innovative practices.

(13) ANNUAL REPORT.—

(a) The State Board of Education shall issue an annual report for each college-preparatory boarding academy which includes all information applicable to schools.

(b) Each college-preparatory boarding academy shall report to the Department of Education, in the form and manner prescribed in the contract, the following information:

1. The total number of students enrolled in the academy;

2. The number of students enrolled in the academy who are receiving special education services pursuant to an individual education plan; and

3. Any additional information specified in the contract.

(c) The operator shall comply with s. 1002.33, Florida Statutes, and shall annually assess reading and mathematics skills. The operator shall provide the student's legal guardians with sufficient information on whether the student is reading at grade level and whether the student gains at least a year's worth of learning for every year spent in the program.

(14) RULES.—The State Board of Education shall adopt rules to administer this section. These rules must identify any existing rules that are applicable to the program and preempt any other rules that are not specified for the purpose of clarifying the rules that may be conflicting, redundant, or that result in an unnecessary burden on the program or the operator.

And the title is amended as follows:

Delete line 25 and insert: creating the College-Preparatory Boarding Academy Pilot Program for dependent or at-risk students; providing a purpose for the program; requiring that the State Board of Education implement the program; providing definitions; requiring the state board to select a private nonprofit corporation to operate the program if certain qualifications are met; requiring that the state board request proposals from private nonprofit corporations; providing requirements for such proposals; requiring that the state board enter into a contract with the operator of the academy; requiring that the contract contain specified requirements; requiring that the operator adopt bylaws, subject to approval by the state board; requiring that the operator adopt an outreach program with the local education agency or school district and community; providing that the academy is a public school and part of the state's education program; providing program funding guidelines; limiting the capacity of eligible students attending the academy; requiring that enrolled students remain under case management services and the supervision of the lead agency; authorizing the operator to appropriately bill Medicaid for services rendered to eligible students or earn federal or local funding for services provided; providing for eligible students to be admitted by lottery if the number of applicants exceeds the allowed capacity; authorizing the operator to board dependent, at-risk students; requiring that the state board issue an annual report and adopt rules; providing an effective date.

Senator Lynn moved the following amendment to **Amendment 1** which failed:

Amendment 1A (213546) (with title amendment)—Delete lines 3-218.

And the title is amended as follows:

Delete lines 221-254.

Senator Wise moved the following substitute amendment which was adopted:

Amendment 2 (462252) (with title amendment)—Between lines 159 and 160 insert:

Section 4. *College-Preparatory Boarding Academy Pilot Program for at-risk students.—*

(1) PROGRAM CREATION.—The College-Preparatory Boarding Academy Pilot Program is created for the purpose of providing unique educational opportunities to dependent or at-risk children who are academic underperformers but who have the potential to progress from at-risk to college-bound. The State Board of Education shall implement this program.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Board" means the board of trustees of a college-preparatory boarding academy for at-risk students.

(b) "Eligible student" means a student who is a resident of the state and entitled to attend school in a participating school district, is at risk of academic failure, is currently enrolled in grade 5 or 6, is from a family whose income is below 200 percent of the federal poverty guidelines, and who meets at least one of the following additional risk factors:

1. The child is in foster care or has been declared an adjudicated dependent by a court.

2. The student's head of household is not the student's custodial parent.

3. The student resides in a household that receives a housing voucher or has been determined eligible for public housing assistance.

4. A member of the student's immediate family has been incarcerated.

(c) "Operator" means a private, nonprofit corporation that is selected by the state under subsection (3) to operate the program.

(d) "Program" means a college-preparatory boarding academy for at-risk students which includes:

1. A remedial curriculum for middle school grades;

2. The college-preparatory curriculum for high school grades;

3. Extracurricular activities, including athletics and cultural events;

4. College admissions counseling;

5. Health and mental health services;

6. Tutoring;

7. Community service and service learning opportunities;

8. A residential student life program;

9. Extended school days and supplemental programs; and

10. Professional services focused on the language arts and reading standards, mathematics standards, science standards, technology standards, and developmental or life skill standards using innovative and best practices for all students.

(e) "Sponsor" means a public school district that acts as a sponsor pursuant to s. 1002.33, Florida Statutes.

(3) PROPOSALS.—

(a) The State Board of Education shall select a private, nonprofit corporation to operate the program which must meet all of the following qualifications:

1. The nonprofit corporation has, or will receive as a condition of the contract, a public charter school authorized under s. 1002.33, Florida Statutes, to offer grades 6 through 12, or has a partnership with a sponsor to operate a school.

2. The nonprofit corporation has experience operating a school or program similar to the program authorized under this section.

3. The nonprofit corporation has demonstrated success with a school or program similar to the program authorized under this section.

4. The nonprofit corporation has the capacity to finance and secure private funds for the development of a campus for the program.

(b) Within 60 days after July 1, 2011, the State Board of Education shall issue a request for proposals from private, nonprofit corporations interested in operating the program. The state board shall select operators from among the qualified responders within 120 days after the issuance of the requests for proposal.

(c) Each proposal must contain the following information:

1. The proposed location of the college-preparatory boarding academy;

2. A plan for offering grade 6 in the program's initial year of operation and a plan for expanding the grade levels offered by the school in subsequent years; and

3. Any other information about the proposed educational program, facilities, or operations of the school determined necessary by the state board.

(4) CONTRACT.—The State Board of Education shall contract with the operator of a college-preparatory boarding academy. The contract must stipulate that:

(a) The academy operates only if, and to the extent that, it holds a valid charter authorized under s. 1002.33, Florida Statutes, or is authorized by a local school district defined as a sponsor pursuant to s. 1002.33, Florida Statutes.

(b) The operator finances and oversees the acquisition of a facility for the academy.

(c) The operator operates the academy in accordance with the terms of the proposal accepted by the state board.

(d) The operator complies with this section.

(e) The operator complies with any other provisions of law specified in the contract, the charter granted by the local school district or the operating agreement with the sponsor, and the rules adopted by the state board for schools operating in this state.

(f) The operator complies with the bylaws adopted pursuant to subsection (5).

(g) The operator complies with the standards for admission of students to the academy and for dismissal of students from the academy which are included in the contract and may be reevaluated and revised by mutual agreement between the operator and the state board.

(h) The operator meets the academic goals and other performance standards established by the contract.

(i) The state board or the operator may terminate the contract in accordance with the procedures specified in the contract, which must at least require that the party seeking termination give prior written notice of the intent to terminate and that the party receiving the termination notice is granted an opportunity to redress any grievances cited therein.

(j) If the school closes for any reason, the academy's board of trustees execute the closing in a manner specified in the contract.

(5) OPERATOR BYLAWS.—The operator of the program shall adopt bylaws for the oversight and operation of the academy which are in accordance with this section, state law, and the contract between the operator and the State Board of Education. The bylaws must include procedures for the appointment of board members to the academy's board of trustees, which may not exceed 25 members, 5 members of whom shall be appointed by the Governor with the advice and consent of the Senate. The bylaws are subject to approval of the state board.

(6) OUTREACH.—The program operator shall adopt an outreach program with the local education agency or school district and community. The outreach program must give special attention to the recruitment of eligible children in the state who are academic underperformers and who, if given the unique educational opportunity provided in the program, have the potential to progress from at-risk children to college-bound children.

(7) FUNDING.—The college-preparatory boarding academy must be a public school and part of the state's program of education. If the program receives state funding from noneducation sources, the State Board of Education shall coordinate, streamline, and simplify any requirements to eliminate duplicate, redundant, or conflicting requirements and oversight by various governmental programs or agencies. Funding for the operation of the boarding academy is contingent on the development of a plan by the Department of Education, the Department of Juvenile Justice and the Department of Children and Family Services which details how educational and noneducational funds that would otherwise be committed to the students in the school and their families can be repurposed to provide for the operation of the school and related services. Such plans must be based on federal and state funding streams for children and families meeting the eligibility criteria for eligible students as specified in paragraph (2)(b) and include recommendations for modifications to the criteria for eligible students which furthers the program's goals or improves the feasibility of using existing funding sources. The plan shall be submitted, together with relevant budget requests, through the legislative budget request process under s. 216.023, Florida Statutes, or through requests for budget amendments to the Legislative Budget Commission in accordance with s. 216.181, Florida Statutes.

(8) STUDENT SERVICES.—Students enrolled in the program who have been adjudicated dependent must remain under the case management services and supervision of the lead agency and its respective providers. The operator may contract with its own providers as necessary to provide services to children in the program and to ensure continuity of the full range of services required by children in foster care who attend the academy. The decision of a foster parent to withdraw a child from the program who is in foster care and has been admitted to the program is subject to the review and approval of the state agency.

(9) MEDICAID BILLING.—This section does not prohibit an operator from appropriately billing Medicaid for services rendered to eligible students through the program or from earning federal or local funding for services provided.

(10) ADMISSION.—An eligible student may apply for admission to the program. If more eligible students apply for admission than the number of students permitted by the capacity established by the board of trustees, admission shall be determined by lottery.

(11) STUDENT HOUSING.—Notwithstanding ss. 409.1677(3)(d) and 409.176, Florida Statutes, or any other provision of law, an operator may house and educate dependent, at-risk youth in its residential school for the purpose of facilitating the mission of the program and encouraging innovative practices.

(12) ANNUAL REPORT.—

(a) The State Board of Education shall issue an annual report for each college-preparatory boarding academy which includes all information applicable to schools.

(b) The college-preparatory boarding academy shall report to the Department of Education, in the form and manner prescribed in the contract, all information applicable to public schools and any additional information as specified by the contract.

(c) The operator shall comply with all provisions applicable to public schools. The operator shall provide the student's legal guardians with sufficient information on whether the student is reading at grade level and whether the student gains at least a year's worth of learning for every year spent in the program.

And the title is amended as follows:

Delete line 25 and insert: creating the College-Preparatory Boarding Academy Pilot Program for dependent or at-risk students; providing a program purpose; requiring that the State Board of Education implement the program; providing definitions; requiring the state board to select a private nonprofit corporation that meets certain qualifications to operate the program; requiring the state board to issue a request for proposals; providing requirements for the proposals; requiring that the state board enter into a contract with the operator of the selected academy; requiring that the contract contain specified requirements; requiring that the operator of the academy adopt bylaws, subject to approval by the state board; requiring that the operator adopt an outreach program with the local education agency or school district and community; providing program funding requirements; requiring the school to be a public school; requiring the State Board of Education and certain state agencies to develop a plan relating to funding for the academy; requiring that enrolled students remain under case management services and the supervision of the lead agency; authorizing the operator to appropriately bill Medicaid for services rendered to eligible students or earn federal or local funding for services provided; providing for eligible students to be admitted by lottery if the number of applicants exceeds the allowed capacity; authorizing the operator to board dependent, at-risk students; requiring that the state board issue an annual report; providing an effective date.

On motion by Senator Wise, by two-thirds vote **SB 404** as amended was read the third time by title, passed, ordered engrossed and then certified to the House. The vote on passage was:

The Conference Committee Amendment for SB 2112, relating to juvenile detention facilities, provides for the following:

This bill amends the following sections 985.686 and 985.688, F. S., allowing counties to operate their own detention facility if they cover the financial cost of detention care for pre-adjudicated juveniles and providing that a county is exempt from the provisions of these sections of Florida Statutes if they are in compliance with specific provisions. They consist of the following:

1) Counties must fund the entire cost for pre-adjudication detention for juveniles;

2) Counties must authorize the county sheriff, any other county jail operator, or contract provider that is located inside or outside of the county to operate the facility;

3) County sheriffs or other county jail operators must be accredited by the Florida Corrections Accreditation Commission or the American Correctional Association;

4) Detention facilities must be inspected annually and meet the Florida Model Jail Standards;

5) Counties or county sheriffs may form regional detention facilities through interlocal agreements in order to meet the requirements of this section;

6) County sheriffs or other county jail operators must follow the federal regulations requiring sight and sound separation of juvenile inmates from adult inmates;

7) If counties or county sheriffs comply with the provisions of this new subsection, they will not be subject to any additional training, procedures, or inspections required in Chapter 985, Florida Statutes.

Conference Committee Amendment (543710)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Present subsection (10) of section 985.686, Florida Statutes, is renumbered as subsection (11), and a new subsection (10) is added to that section, to read:

985.686 Shared county and state responsibility for juvenile detention.—

(10) This section does not apply to any county that provides detention care for preadjudicated juveniles or that contracts with another county to provide detention care for preadjudicated juveniles.

Section 2. Subsection (11) is added to section 985.688, Florida Statutes, to read:

985.688 Administering county and municipal delinquency programs and facilities.—

(11)(a) Notwithstanding the provisions of this section, a county is in compliance with this section if:

1. The county provides the full cost for preadjudication detention for juveniles;

2. The county authorizes the county sheriff, any other county jail operator, or a contracted provider located inside or outside the county to provide preadjudication detention care for juveniles;

3. The county sheriff or other county jail operator is accredited by the Florida Corrections Accreditation Commission or American Correctional Association; and

4. The facility is inspected annually and meets the Florida Model Jail Standards.

(b) A county or county sheriff may form regional detention facilities through an interlocal agreement in order to meet the requirements of this section.

(c) Each county sheriff or other county jail operator must follow the federal regulations that require sight and sound separation of juvenile inmates from adult inmates.

(d) A county or county sheriff that complies with this subsection is not subject to any additional training, procedures, or inspections required by this chapter.

Section 3. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to juvenile detention facilities; amending s. 985.686, F.S.; exempting a county that provides detention care for preadjudicated juveniles, or that contracts with another county to provide such care, from certain requirements for sharing the costs for juvenile detention; amending s. 985.688, F.S.; providing that a county or county sheriff that meets certain prerequisites with respect to the operation of its juvenile detention facility is exempt from certain requirements of law governing the administration of such facilities; authorizing a county or county sheriff to form regional detention facilities through an interlocal agreement; requiring that the facility comply with federal requirements to separate juvenile inmates from adult inmates; providing an effective date.

On motion by Senator Fasano, the Conference Committee Report on **SB 2112** was adopted. **SB 2112** passed as amended by the Conference Committee Report and was certified to the House together with the Conference Committee Report. The vote on passage was:

The Conference Committee Amendment for SB 2116, relating to the state judicial system, provides for the following:

- Authorizes the regional conflict counsels to establish a Direct Support Organization to benefit the offices and further their mission.
- Makes property title and vehicle searches for indigency determination optional by the clerk of court.
- Requires that payments for attorney fees in criminal conflict cases ordered by the court to be first paid from funds appropriated to the Justice Administrative Commission. After those funds are exhausted, additional payments ordered by the court shall come from funds appropriated to the state court system.
- Requires an agreement between counties and the Statewide Guardian Ad Litem Office when counties provide staff to local Guardian Ad Litem programs.
- Requires the Clerks of Court Operations Corporation to collect and summarize reports to the Legislature on a local surcharge on traffic tickets used to fund court facilities.

Conference Committee Amendment (746456)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (10) is added to section 27.511, Florida Statutes, to read:

27.511 Offices of criminal conflict and civil regional counsel; legislative intent; qualifications; appointment; duties.—

(10) Each office of criminal conflict and civil regional counsel may create a direct-support organization.

(a) The direct-support organization must be registered in this state as a nonprofit corporation under chapter 617. The direct-support organization shall be exempt from the filing fees under s. 617.0122.

(b) The direct-support organization shall be organized and operated to conduct programs and activities; raise funds; request and receive grants, gifts, and bequests of moneys; acquire, receive, hold, invest, and administer, in its own name, securities, funds, objects of value, or other property, real or personal; and make expenditures to or for the direct or indirect benefit of the office of criminal conflict and civil regional counsel.

(c) The direct-support organization shall operate under a written contract with the regional counsel. The written contract must, at a minimum, provide for:

1. Approval of the articles of incorporation and bylaws of the organization by the regional counsel.

2. Submission of an annual budget for the approval by the regional counsel.

3. The reversion without penalty to the office of criminal conflict and civil regional counsel, or to the state if the office ceases to exist, of all moneys and property held in trust by the organization for the office if the organization ceases to exist or if the contract is terminated.

4. The fiscal year of the organization, which must begin July 1 of each year and end June 30 of the following year.

5. The disclosure of material provisions of the contract and the distinction between the regional counsel and the organization to donors of gifts, contributions, or bequests, as well as on all promotional and fundraising publications.

(d) If the regional counsel determines that the direct-support organization is operating in a manner that is inconsistent with the goals and purposes of the office of criminal conflict and civil regional counsel or is not acting in the best interest of the state, the regional counsel may terminate the contract, and thereafter the organization may not use the name of the office.

(e) The regional counsel shall appoint a board of directors for the direct-support organization. The regional counsel may designate employees of the office of criminal conflict and civil regional counsel to serve on the board of directors. Members of the board shall serve at the pleasure of the regional counsel.

(f) The regional counsel:

1. May authorize the use of facilities and property other than money which are owned by the office of criminal conflict and civil regional counsel to be used by the direct-support organization.

2. May authorize the use of personnel services provided by employees of the office.

3. May prescribe the conditions by which the direct-support organization may use property, facilities, or personnel services of the office.

4. May not authorize the use of property, facilities, or personnel services of the direct-support organization if the organization does not provide equal employment opportunities to all persons, regardless of race, color, religion, sex, age, or national origin.

For the purposes of this paragraph, the term "personnel services" includes full-time personnel and part-time personnel as well as payroll processing.

(g) Moneys of the direct-support organization may be held in a depository account in the name of the organization which is separate from the accounts of the office, but which is subject to the provisions of the contract with the regional counsel.

(h) The direct-support organization shall provide for an annual financial audit in accordance with s. 215.981.

(i) The direct-support organization may not exercise any power under s. 617.0302(12) or (16). A state employee may not receive compensation from the organization for service on the board of directors or for services rendered to the organization.

Section 2. Paragraph (a) of subsection (2) of section 27.52, Florida Statutes, is amended to read:

27.52 Determination of indigent status.—

(2) DETERMINATION BY THE CLERK.—The clerk of the court shall determine whether an applicant seeking appointment of a public defender is indigent based upon the information provided in the application and the criteria prescribed in this subsection.

(a)~~1.~~ An applicant, including an applicant who is a minor or an adult tax-dependent person, is indigent if the applicant's income is equal to or below 200 percent of the then-current federal poverty guidelines prescribed for the size of the household of the applicant by the United States Department of Health and Human Services or if the person is receiving Temporary Assistance for Needy Families-Cash Assistance, poverty-related veterans' benefits, or Supplemental Security Income (SSI).

1.~~2.a.~~ There is a presumption that the applicant is not indigent if the applicant owns, or has equity in, any intangible or tangible personal property or real property or the expectancy of an interest in any such property having a net equity value of $2,500 or more, excluding the value of the person's homestead and one vehicle having a net value not exceeding $5,000.

2.~~b.~~ Notwithstanding the information that the applicant provides, the clerk *may* ~~shall~~ conduct a review of the property records for the county in which the applicant resides and the motor vehicle title records of the state to identify any property interests of the applicant under this *paragraph* ~~subparagraph~~. The clerk *may* ~~shall~~ evaluate and consider the results of the review in making a determination under this subsection. *If the review is conducted,* the clerk shall maintain the results of the review in a file with the application and provide the file to the court if the applicant seeks review under subsection (4) of the clerk's determination of indigent status.

Section 3. Subsection (12) of section 27.5304, Florida Statutes, is amended to read:

27.5304 Private court-appointed counsel; compensation.—

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed *by law* ~~under this section and the General Appropriations Act~~, he or she must file a motion with the chief judge for an order approving payment of attorney's fees in excess of these limits.

1. *Before* ~~Prior to~~ filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting affidavits and all other necessary documentation, to the Justice Administrative Commission.

2. The Justice Administrative Commission shall review the billings, affidavit, and documentation for completeness and compliance with contractual and statutory requirements. If the Justice Administrative Commission objects to any portion of the proposed billing, the objection and reasons therefor shall be communicated in writing to the private court-appointed counsel. The counsel may thereafter file his or her motion, which must specify whether the commission objects to any portion of the billing or the sufficiency of documentation, and ~~shall~~ attach the commission's letter stating its objection.

(b) Following receipt of the motion to exceed the fee limits, the chief judge or a *single* designee *for all such cases,* shall hold an evidentiary hearing.

1. At the hearing, the attorney seeking compensation must prove by competent and substantial evidence that the case required extraordinary and unusual efforts. The chief judge or designee shall consider criteria such as the number of witnesses, the complexity of the factual and legal issues, and the length of trial. The fact that a trial was conducted in a case does not, by itself, constitute competent substantial evidence of an extraordinary and unusual effort. In a criminal case, relief under this section may not be granted if the number of work hours does not exceed 75 or the number of the state's witnesses deposed does not exceed 20.

2. The chief judge or designee shall enter a written order detailing his or her findings and identifying the extraordinary nature of the time and efforts of the attorney in the case which warrant exceeding the flat fee established by this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served on the Justice Administrative Commission at least 5 business days *before* ~~prior to~~ the date of a hearing. The Justice Administrative Commission shall have standing to appear before the court, including at the hearing under paragraph (b), to contest any motion for an order approving payment of attorney's fees, costs, or related expenses and may participate in a hearing on the motion by use of telephonic or other communication equipment ~~unless ordered otherwise~~. The Justice Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney's fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or *a single* designee finds that counsel has proved by competent and substantial evidence that the case required extraordinary and unusual efforts, the chief judge or designee shall order the compensation to be paid to the attorney at a percentage above the flat fee rate, depending on the extent of the unusual and extraordinary effort required. The percentage *must* ~~shall~~ be only the rate necessary to ensure that the fees paid are not confiscatory under common law. The percentage may not exceed 200 percent of the established flat fee, absent a specific finding that 200 percent of the flat fee in the case would be confiscatory. If the chief judge or designee determines that 200 percent of the flat fee would be confiscatory, he or she shall order the amount of compensation using an hourly rate not to exceed $75 per hour for a noncapital case and $100 per hour for a capital case. However, the compensation calculated by using the hourly rate shall be only that amount necessary to ensure that the total fees paid are not confiscatory.

(e) Any order granting relief under this subsection must be attached to the final request for a payment submitted to the Justice Administrative Commission.

(f) For criminal cases only, the payment of fees when the court orders payment in excess of the flat fee established by law, shall be paid as follows:

1. The flat fee shall be paid from funds appropriated to the Justice Administrative Commission in the General Appropriations Act.

2. The amount ordered by the court in excess of the flat fee shall be paid by the Justice Administrative Commission in a special category designated for that purpose in the General Appropriations Act.

3. If, during the fiscal year, all funds designated for payment of the amount ordered by the court in excess of the flat fee are spent, the amount of payments in excess of the flat fee shall be made from the due process funds, or other funds as necessary, appropriated to the state court system in the General Appropriations Act. Funds from the state court system must be used in a manner approved by the Chief Justice and administered by the Trial Court Budget Commission.

(g)~~(f)~~ The Justice Administrative Commission shall provide to the Office of the State Courts Administrator data concerning the number of cases approved for compensation in excess of the limitation and the amount of these awards by circuit and by judge. The office ~~of the State Courts Administrator~~ shall report the data quarterly *in an electronic format* to the *chairs* ~~President~~ of the Senate *and*~~, the Speaker of the~~ House of Representatives *appropriations committees*, the Chief Justice of the Supreme Court, and the chief judge of each circuit.

Section 4. Section 39.8297, Florida Statutes, is created to read:

39.8297 County funding for guardian ad litem personnel.—

(1) A county and the executive director of the Statewide Guardian Ad Litem Office may enter into an agreement under which the county agrees to fund personnel positions to assist in the operation of the guardian ad litem program.

(2) The agreement, at a minimum, must provide that:

(a) Funding for the positions is provided on at least a fiscal-year basis.

(b) The personnel whose employment is funded under the agreement are hired, supervised, managed, and fired by personnel of the Statewide Guardian Ad Litem Office. The office shall supervise the personnel whose employment is funded under the agreement; be responsible for compliance with all requirements of federal and state employment laws, including, but not limited to, Title VII of the Civil Rights Act of 1964, Title I of the Americans with Disabilities Act, 42 U.S.C. s. 1983, the Family Medical Leave Act, the Fair Labor Standards Act, chapters 447 and 760, and ss. 112.3187, 440.105, and 440.205; and fully indemnify the county from any liability under such laws, as authorized by s. 768.28(19), to the extent such liability is the result of the acts or omissions of the guardian ad litem program or its agents or employees.

(c) The county is the employer for the purposes of s. 440.10 and chapter 443.

(d) Employees funded by the county under this section and other county employees may be aggregated for purposes of a flexible benefits plan pursuant to s. 125 of the Internal Revenue Code of 1986.

(e) The positions terminate upon the expiration of, or substantial breach of, the agreement or upon the expiration of county funding for the positions.

(3) Positions funded under this section do not count against any formula or similar process used by the Statewide Guardian Ad Litem Office to determine personnel needs or levels of a judicial circuit's guardian ad litem program.

(4) This section does not obligate the state to fund any personnel positions.

Section 5. Paragraph (b) of subsection (13) of section 318.18, Florida Statutes, is amended to read:

318.18 Amount of penalties.—The penalties required for a noncriminal disposition pursuant to s. 318.14 or a criminal offense listed in s. 318.17 are as follows:

(13)

(b) A county may impose a surcharge under subparagraph (a)1., subparagraph(a)2., or subparagraph(a)3., but may not impose more than one surcharge under this subsection. A county may elect to impose a different authorized surcharge but may not impose more than one surcharge at a time. The clerk of court shall report, no later than 30 days after the end of the quarter, the amount of funds collected under this subsection during each quarter of the fiscal year. The clerk shall submit the report, in *an electronic* ~~a~~ format developed by the *Florida Clerks of Court Operations Corporation* ~~Office of State Courts Administrator~~, to the chief judge of the circuit *and the Florida Clerks of Court Operations Corporation. The corporation shall submit the report in an electronic format to*~~,~~ the Governor, the President of the Senate, the Speaker of the House of Representatives, and the board of county commissioners.

Section 6. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the state judicial system; amending s. 27.511, F.S.; authorizing each office of criminal conflict and civil regional counsel to create a direct-support organization; prescribing requirements related to the creation and operation of the direct-support organization; amending s. 27.52, F.S.; providing the clerk with the discretion to conduct a review of the county's property records to confirm indigency; amending s. 27.5304, F.S.; providing for the payment of attorney's fees that exceed the limits prescribed by law; creating s. 39.8297, F.S.; providing for county funding of additional guardian ad litem personnel; requiring an agreement between the county and the Statewide Guardian Ad Litem Office; specifying responsibility for such positions; amending s. 318.18, F.S.; requiring the clerk of court and the Florida Clerks of Court Operations Corporation to submit reports on local traffic assessments in an electronic format; providing an effective date.

The Conference Committee Amendment for SB 2118, relating to criminal justice, provides for the following:

- Removes permissive language making it a requirement for a judge to assess the defendant convicted of a crime the current $100 crime lab services fee if state or county crime lab services were performed in the investigation of the crime.

- Eliminates the Department of Correction's authority to operate the Basic Training Program for youthful offenders ("boot camps").

- Transfers all powers, duties and responsibilities relating to the operation of private correctional facilities (Private Prison Monitoring Bureau) from the Department of Management Services to the Department of Corrections.

- This amendment has an effective date of July 1, 2011.

Conference Committee Amendment (580086)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 938.25, Florida Statutes, is transferred, renumbered as section 938.055, Florida Statutes, and amended to read:

938.055 ~~938.25~~ Operating Trust Fund of the Department of Law Enforcement.—Notwithstanding any provision to the contrary of the laws of this state, the court *shall* ~~may~~ assess any defendant who pleads guilty or nolo contendere to, or is convicted of, a violation of any provision of *chapters 775-896* ~~s. 893.13~~, without regard to whether adjudication was withheld, in addition to any fine and other penalty provided or authorized by law, an amount of $100, to be paid to the clerk of the court, who shall forward it to the Department of Revenue for deposit in the Operating Trust Fund of the Department of Law Enforcement to be used by the statewide criminal analysis laboratory system for the purposes specified in s. 943.361. *This amount shall be assessed when the services of any criminal analysis laboratory, as designated in s. 943.32, is used in connection with the investigation or prosecution of a violation of any provision of chapters 775-896.* The court *may not waive this assessment* ~~is authorized to order a defendant to pay an additional assessment if it finds that the defendant has the ability to pay the fine and the additional assessment and will not be prevented thereby from being rehabilitated or from making restitution~~.

Section 2. Paragraph (l) of subsection (1) of section 921.187, Florida Statutes, is amended to read:

921.187 Disposition and sentencing; alternatives; restitution.—

(1) The alternatives provided in this section for the disposition of criminal cases shall be used in a manner that will best serve the needs of society, punish criminal offenders, and provide the opportunity for rehabilitation. If the offender does not receive a state prison sentence, the court may:

(l)1. Require the offender who violates any criminal provision of chapter 893 to pay an additional assessment in an amount up to the amount of any fine imposed, pursuant to ss. 938.21 and 938.23.

2. Require the offender who violates any provision of s. 893.13 to pay an additional assessment in an amount of $100, pursuant to ss. *938.055* ~~938.25~~ and 943.361.

Section 3. Section 943.361, Florida Statutes, is amended to read:

943.361 Statewide criminal analysis laboratory system; funding through fine surcharges.—

(1) Funds deposited pursuant to ss. 938.07 and *938.055* ~~938.25~~ for the statewide criminal analysis laboratory system shall be used for state reimbursements to local county-operated crime laboratories enumerated in s. 943.35(1), and for the equipment, health, safety, and training of member crime laboratories of the statewide criminal analysis laboratory system.

(2) Moneys deposited pursuant to ss. 938.07 and *938.055* ~~938.25~~ for the statewide criminal analysis laboratory system shall be appropriated by the Legislature in accordance with the provisions of chapter 216 and with the purposes stated in subsection (1).

Section 4. Paragraph (c) of subsection (1) of section 945.0311, Florida Statutes, is amended to read:

945.0311 Employment of relatives.—

(1) For the purposes of this section, the term:

(c) "Organizational unit" includes:

1. A unit of a state correctional institution such as security, medical, dental, classification, maintenance, personnel, or business. A work camp~~, boot camp,~~ or other annex of a state correctional institution is considered part of the institution and not a separate unit.

2. An area of a regional office such as personnel, medical, administrative services, probation and parole, or community facilities.

3. A correctional work center, road prison, or work release center.

4. A probation and parole circuit office or a suboffice within a circuit.

5. A bureau of the Office of the Secretary or of any of the assistant secretaries.

Section 5. Subsection (1) of section 951.231, Florida Statutes, is amended to read:

951.231 County residential probation program.—

(1) Any prisoner who has been sentenced under s. 921.18 to serve a sentence in a county residential probation center as described in s. 951.23 shall:

(a) Reside at the center at all times other than during employment hours and reasonable travel time to and from his or her place of employment, except that supervisory personnel at a county residential probation center may extend the limits of confinement to include, but not be limited to, probation, community control, or other appropriate supervisory techniques.

(b) Seek and obtain employment on an 8-hours-a-day basis and retain employment throughout the period of time he or she is housed at the center.

~~(c) Participate in and complete the program required by s. 958.045, if required by the supervisor of the center.~~

(c)~~(d)~~ Participate in the education program provided at the center, if required by the supervisor of the center.

(d)~~(e)~~ Participate in the drug treatment program provided at the center, if required by the supervisor of the center.

Section 6. Subsections (4) and (5) of section 958.04, Florida Statutes, are amended to read:

958.04 Judicial disposition of youthful offenders.—

~~(4) Due to severe prison overcrowding, the Legislature declares the construction of a basic training program facility is necessary to aid in alleviating an emergency situation.~~

~~(5) The department shall provide a special training program for staff selected for the basic training program.~~

Section 7. *Section 958.045, Florida Statutes, is repealed.*

Section 8. Subsection (4) of section 944.02, Florida Statutes, is amended to read:

944.02 Definitions.—The following words and phrases used in this chapter shall, unless the context clearly indicates otherwise, have the following meanings:

(4) "Elderly offender" means a prisoner age 50 or older in a state correctional institution or *a private correctional* facility ~~operated by the Department of Corrections or the Department of Management Services~~.

Section 9. Paragraph (b) of subsection (2) of section 944.115, Florida Statutes, is amended to read:

944.115 Smoking prohibited inside state correctional facilities.—

(2) As used in this section, the term:

(b) "Employee" means an employee of the department or a private vendor in a contractual relationship with *the department* ~~either the Department of Corrections or the Department of Management Services~~, and includes persons such as contractors, volunteers, or law enforcement officers who are within a state correctional facility to perform a professional service.

Section 10. Subsection (1) of section 944.72, Florida Statutes, is amended to read:

944.72 Privately Operated Institutions Inmate Welfare Trust Fund.—

(1) There is hereby created in the Department of Corrections the Privately Operated Institutions Inmate Welfare Trust Fund. The purpose of the trust fund shall be the benefit and welfare of inmates incarcerated in private correctional facilities under contract with the department pursuant to this chapter or ~~the Department of Management Services pursuant to~~ chapter 957. Moneys shall be deposited in the trust fund and expenditures made from the trust fund as provided in s. 945.215.

Section 11. Section 944.8041, Florida Statutes, is amended to read:

944.8041 Elderly offenders; annual review.—For the purpose of providing information to the Legislature on elderly offenders within the correctional system, the department and the Correctional Medical Authority shall each submit annually a report on the status and treatment of elderly offenders in the state-administered and private state correctional systems and the department's geriatric facilities and dorms. In order to adequately prepare the reports, the department ~~and the Department of Management Services~~ shall grant access to the Correctional Medical Authority that includes access to the facilities, offenders, and any information the agencies require to complete their reports. The review shall also include an examination of promising geriatric policies, practices, and programs currently implemented in other correctional systems within the United States. The reports, with specific findings and recommendations for implementation, shall be submitted to the President of the Senate and the Speaker of the House of Representatives on or before December 31 of each year.

Section 12. Paragraphs (a) and (c) of subsection (2) of section 945.215, Florida Statutes, are amended to read:

945.215 Inmate welfare and employee benefit trust funds.—

(2) PRIVATELY OPERATED INSTITUTIONS INMATE WELFARE TRUST FUND; PRIVATE CORRECTIONAL FACILITIES.—

(a) For purposes of this subsection, privately operated institutions or private correctional facilities are those correctional facilities under contract with the department pursuant to chapter 944 or ~~the Department of Management Services pursuant to~~ chapter 957.

(c) The department ~~of Management Services~~ shall annually compile a report that documents Privately Operated Institutions Inmate Welfare Trust Fund receipts and expenditures at each private correctional facility. This report must specifically identify receipt sources and expenditures. The department ~~of Management Services~~ shall compile this report for the prior fiscal year and shall submit the report by September 1 of each year to the chairs of the appropriate substantive and fiscal committees of the Senate and House of Representatives and to the Executive Office of the Governor.

Section 13. *Effective July 1, 2011, the statutory powers, duties, and functions, and the records, personnel, property, and unexpended balances of appropriations, allocations, or other funds related to the requirements of chapter 957, Florida Statutes, which are currently under the Department of Management Services are transferred to the Department of Corrections by a type two transfer, pursuant to s. 20.06, Florida Statutes. The Secretary of Corrections is authorized to establish units or subunits and to assign administrative authority for the responsibilities and functions transferred pursuant to this section.*

Section 14. Paragraphs (a), (b), (e), and (g) of subsection (1), paragraph (c) of subsection (2), and subsections (5), (6), and (7) of section 957.04, Florida Statutes, are amended to read:

957.04 Contract requirements.—

(1) A contract entered into under this chapter for the operation of private correctional facilities shall maximize the cost savings of such facilities and shall:

(a) Be negotiated with the firm found most qualified. However, a contract for private correctional services may not be entered into by the department ~~of Management Services~~ unless the department ~~of Management Services~~ determines that the contractor has demonstrated that it has:

1. The qualifications, experience, and management personnel necessary to carry out the terms of the contract.

2. The ability to expedite the siting, design, and construction of correctional facilities.

3. The ability to comply with applicable laws, court orders, and national correctional standards.

(b) Indemnify the state and the department, including their officials and agents, against any and all liability, including, but not limited to, civil rights liability. Proof of satisfactory insurance is required in an amount to be determined by the department ~~of Management Services~~.

(e) Establish operations standards for correctional facilities subject to the contract. However, if the department and the contractor disagree with an operations standard, the contractor may propose to waive any rule, policy, or procedure of the department related to the operations standards of correctional facilities which is inconsistent with the mission of the contractor to establish cost-effective, privately operated correctional facilities. The department ~~of Management Services~~ shall be responsible for considering all proposals from the contractor to waive any rule, policy, or procedure and shall render a final decision granting or denying such request.

(g) Require the selection and appointment of a full-time contract monitor. The contract monitor shall be appointed and supervised by the department ~~of Management Services~~. The contractor is required to reimburse the department ~~of Management Services~~ for the salary and expenses of the contract monitor. It is the obligation of the contractor to provide suitable office space for the contract monitor at the correctional facility. The contract monitor shall have unlimited access to the correctional facility.

(2) Each contract entered into for the design and construction of a private correctional facility or juvenile commitment facility must include:

(c) A specific provision requiring the contractor, and not the department ~~of Management Services~~, to obtain the financing required to design and construct the private correctional facility or juvenile commitment facility built under this chapter.

(5) Each contract entered into by the department ~~of Management Services~~ must include substantial minority participation unless demonstrated by evidence, after a good faith effort, as impractical and must also include any other requirements the department ~~of Management Services~~ considers necessary and appropriate for carrying out the purposes of this chapter.

(6) Notwithstanding s. 253.025(7), the Board of Trustees of the Internal Improvement Trust Fund need not approve a lease-purchase agreement negotiated by the department ~~of Management Services~~ if the department ~~of Management Services~~ finds that there is a need to expedite the lease-purchase.

(7)(a) Notwithstanding s. 253.025 or s. 287.057, whenever the department ~~of Management Services~~ finds it to be in the best interest of timely site acquisition, it may contract without the need for competitive selection with one or more appraisers whose names are contained on the list of approved appraisers maintained by the Division of State Lands of the Department of Environmental Protection in accordance with s. 253.025(6)(b). In those instances when the department ~~of Management Services~~ directly contracts for appraisal services, it shall also contract with an approved appraiser who is not employed by the same appraisal firm for review services.

(b) Notwithstanding s. 253.025(6), the department ~~of Management Services~~ may negotiate and enter into lease-purchase agreements before an appraisal is obtained. Any such agreement must state that the final purchase price cannot exceed the maximum value allowed by law.

Section 15. Subsection (2) of section 957.06, Florida Statutes, is amended to read:

957.06 Powers and duties not delegable to contractor.—A contract entered into under this chapter does not authorize, allow, or imply a delegation of authority to the contractor to:

(2) Choose the facility to which an inmate is initially assigned or subsequently transferred. The contractor may request, in writing, that an inmate be transferred to a facility operated by the department. The ~~Department of Management Services, the~~ contractor~~,~~ and the department shall develop and implement a cooperative agreement for transferring inmates between a correctional facility operated by the department and a private correctional facility. The department~~, the Department of Management Services,~~ and the contractor must comply with the cooperative agreement.

Section 16. Subsections (1) and (4) and paragraph (d) of subsection (5) of section 957.07, Florida Statutes, are amended to read:

957.07 Cost-saving requirements.—

(1) The department ~~of Management Services~~ may not enter into a contract or series of contracts unless the department determines that the contract or series of contracts in total for the facility will result in a cost savings to the state of at least 7 percent over the public provision of a similar facility. Such cost savings as determined by the department ~~of Management Services~~ must be based upon the actual costs associated with the construction and operation of similar facilities or services as determined by the department ~~of Corrections~~ and certified by the Auditor General. The department ~~of Corrections~~ shall calculate all of the cost components that determine the inmate per diem in correctional facilities of a substantially similar size, type, and location that are operated by the department ~~of Corrections~~, including administrative costs associated with central administration. Services that are provided to the department ~~of Corrections~~ by other governmental agencies at no direct cost to the department shall be assigned an equivalent cost and included in the per diem.

(4) The department ~~of Corrections~~ shall provide a report detailing the state cost to design, finance, acquire, lease, construct, and operate a facility similar to the private correctional facility on a per diem basis. ~~This report shall be provided to the Auditor General in sufficient time that it may be certified to the Department of Management Services to be included in the request for proposals.~~

(5)

(d) If a private vendor chooses not to renew the contract at the appropriated level, the department ~~of Management Services~~ shall terminate the contract as provided in s. 957.14.

Section 17. Section 957.08, Florida Statutes, is amended to read:

957.08 Capacity requirements.—The department ~~of Corrections~~ shall transfer and assign prisoners to each private correctional facility opened pursuant to this chapter in an amount not less than 90 percent or more than 100 percent of the capacity of the facility pursuant to the contract with the department ~~of Management Services~~. The prisoners transferred by the department ~~of Corrections~~ shall represent a cross-section of the general inmate population, based on the grade of custody or the offense of conviction, at the most comparable facility operated by the department.

Section 18. Section 957.14, Florida Statutes, is amended to read:

957.14 Contract termination and control of a correctional facility by the department.—A detailed plan shall be provided by a private vendor under which the department shall assume temporary control of a private correctional facility upon termination of the contract. The department ~~of Management Services~~ may terminate the contract with cause after written notice of material deficiencies and after 60 workdays in order to correct the material deficiencies. If any event occurs that involves the noncompliance with or violation of contract terms and that presents a serious threat to the safety, health, or security of the inmates, employees, or the public, the department may temporarily assume control of the private correctional facility~~, with the approval of the Department of Management Services~~. A plan shall also be provided by a private vendor for the purchase and temporary assumption of operations of a correctional facility by the department in the event of bankruptcy or the financial insolvency of the private vendor. The private vendor shall provide an emergency plan to address inmate disturbances, employee work stoppages, strikes, or other serious events in accordance with standards of the American Correctional Association.

Section 19. Section 957.15, Florida Statutes, is amended to read:

957.15 Funding of contracts for operation, maintenance, and lease-purchase of private correctional facilities.—The request for appropriation of funds to make payments pursuant to contracts entered into by the department ~~of Management Services~~ for the operation, maintenance, and lease-purchase of the private correctional facilities authorized by this chapter shall be made by the ~~Department of Management Services in a request to the~~ department. The department shall include such request in its budget request to the Legislature as a separately identified item ~~and shall forward the request of the Department of Management Services without change~~. ~~After an appropriation has been made by the Legislature to the department for the private correctional facilities, the department shall have no authority over such funds other than to pay~~

~~from such appropriation to the appropriate private vendor such amounts as are certified for payment by the Department of Management Services.~~

Section 20. Section 957.16, Florida Statutes, is amended to read:

957.16 Expanding capacity.—The department ~~of Management Services~~ is authorized to modify and execute agreements with contractors to expand up to the total capacity of contracted correctional facilities. Total capacity means the design capacity of all contracted correctional facilities increased by one-half as described under s. 944.023(1)(b). Any additional beds authorized under this section must comply with the cost-saving requirements set forth in s. 957.07. Any additional beds authorized as a result of expanded capacity under this section are contingent upon specified appropriations.

Section 21. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to criminal justice; transferring, renumbering, and amending s. 938.25, F.S.; requiring a court to assess an additional amount against a defendant who pleads guilty or nolo contendere to, or who is convicted of, violating certain specified offenses, and the services of a criminal analysis laboratory are used in the investigation of the offense; providing for the proceeds of the assessment to be deposited into the Operating Trust Fund of the Department of Law Enforcement and used by the statewide criminal analysis laboratory system; prohibiting the court from waiving the assessment; amending ss. 921.187 and 943.361, F.S.; conforming cross-references; amending s. 945.0311, F.S.; deleting a reference to the youthful offender basic training program; amending s. 951.231, F.S.; removing a reference to the youthful offender basic training program; amending s. 958.04, F.S.; deleting references to the youthful offender basic training program; repealing s. 958.045, F.S., relating to the youthful offender basic training program; amending s. 944.02, F.S.; redefining the term "elderly offender" to remove a reference to the Department of Management Services; amending s. 944.115, F.S.; removing a reference to the Department of Management Services in the definition of the term "employee"; amending ss. 944.72, 944.8041, and 945.215, F.S.; conforming provisions to changes made by the act; providing for a transfer of specified duties, functions, property, and funds from the Department of Management Services to the Department of Corrections; amending ss. 957.04, 957.06, 957.07, 957.08, 957.14, 957.15, and 957.16, F.S.; conforming provisions to changes made by the act; providing an effective date.

Managers on the part of the House

The Conference Committee Amendment for SB 2120, 1st Eng., relating to K-12 education funding, provides for the following:

- Authorizes DOR to provide certain information regarding the gross receipts tax to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research. In making the determination of the amount of bonds that can be serviced by the gross receipts tax, the State Board of Education is to disregard the effects of a 2010 nonrecurring refund.

• Expands the class size reduction lottery bond program to include other educational facilities.

• Authorizes a regional educational consortium service organization to generate revenue to support its activities. A consortium may establish ownership of patents, copyrights, trademarks and licenses. Revenues generated must be used to support each organization's marketing and research and development activities in order to increase services to its member school districts.

• Provides that the allocation of state funds for a regional education consortium shall be determined based on funds provided in the General Appropriations Act.

• Adjusts the charter school enrollment process such that students living in a development that provides the facility and related property with an appraised value of at least $10 million for a charter school in the development shall be entitled to 50 percent of the enrollment in the charter school.

• Provides that charter school systems may be designated as local education agencies for the purpose of receiving federal funds.

• Limits the administrative fee that school districts withhold from high performing charter schools, as defined by SB 1546, to 2 percent for up to 250 students and to 2 percent for up to 500 students for high performing charter school systems as defined in s. 1002.33(20)(a)3.

• Clarifies prior legislation and authorizes the expenditure of PECO funds by a charter-school-in-the-workplace prior to July 1, 2010.

• Increases the number of students assigned to an instructor in the school year prekindergarten program from 11 to 12, and from 18 to 20 for an instructor plus an assistant. Reduces the administrative allowance for early learning coalitions from 4.5 to 4.0 percent.

• Redefines the term "core curricula courses" for the purpose of designating classes subject to the maximum class size requirements and requires the Department of Education (DOE) to maintain a list of such courses.

• Provides flexibility for school districts to implement class size requirements when additional students enroll in a school after the October survey and for grades 4 to 8 students who take high school courses. Clarifies the use of class size reduction funds.

• Authorizes school districts to establish pilot digital instructional materials schools. Participating districts will be required to have a local instructional improvement system and rely heavily on electronic instructional materials. Pilot schools will not have to purchase the required instructional materials adoption within the first two years and will not have to purchase materials from the depository. Districts will provide a plan and report on the outcomes.

• Revises statutes related to instructional materials for public schools, including revising naming conventions, using "instructional materials" as the generic rather than "textbooks"; modifying and expanding the description and requirements for local instructional improvement systems; revising the instructional materials review process by replacing committees with three national expert reviewers; clarifying and expanding bid advertisement specifications for electronic and digital content; revising the term for instructional materials adoption from 6 to 5 years; requiring that by 2015-2016, all adopted instructional materials for K-12 students are to be in electronic or digital format and districts are to use at least 50 percent of the annual allocation for the purchase of digital or electronic instructional materials on the state adopted list.

• Provides recurring flexibility, after March 1 of each year, for instructional materials funds to be used to purchase hardware for student instruction after required instructional materials purchases have been made.

• Revises the definition of adult education and provisions relating to the coenrollment of high school students in adult education courses.

• Adjusts industry certified bonus weights based on rigor and the employment value of the certification with revised weights remaining within existing funding levels, and provides for middle school student eligibility for industry certification and bonus weights;

• Requires school districts to provide to the DOE by October 1, copies of contracts and amounts paid to providers of virtual instruction. Also requires districts to spend the difference between funds received for the virtual instruction program and amounts paid to providers of virtual instruction on local instructional improvement systems and electronic and digital instructional materials.

• Removes the additional FTE provision for the Florida Virtual School.

• Creates a virtual education contribution categorical in the FEFP.

• Authorizes an interdistrict transfer of FEFP funds when students in Department of Juvenile Justice facilities are transferred between student membership surveys.

• Allows 16 districts that passed a referendum in the 2010 general election to levy 0.25 mills for the authorized two years and eligible districts to receive state compression adjustment funds for two more years. Provides for the expiration of the authorization for school boards to levy by supermajority vote, following referendum, an additional 0.25 mills for critical operations or capital outlay on June 30, 2011.

• Defines casualty insurance for educational and ancillary facilities for purposes of school district expenditure of capital improvement millage revenues.

• Waives the equal dollar reduction penalty in the FEFP for school district audit findings for property and casualty insurance expenditures for the 2009-2010 fiscal year and the 2010-2011 fiscal year prior to January 1, 2011.

• Provides that state funding for the Merit Award Program will be discontinued after 2011-2012 payment of the 2010-2011 awards.

• Provides the DOE with flexibility to provide Florida Knowledge Network materials and other educational services online or by other electronic media, instead of primarily through television broadcast.

• Updates and clarifies DOE responsibilities for the Florida Information Resource Network.

• Extends an exemption from state educational facilities requirements for the demolition and replacement of school buildings for certain school districts.

• Adopts by reference, the alternative compliance calculation amounts to the class size reduction operating categorical allocation for the 2010-2011 fiscal year.

This bill substantially amends sections 213.053, 215.61, 1001.10, 1001.25, 1001.271, 1001.28, 1001.451, 1002.33, 1002.34, 1002.45, 1002.55, 1002.63, 1002.71, 1003.01, 1003.03, 1004.02, 1006.28, 1006.281, 1006.29, 1006.30, 1006.31, 1006.32,1006.33, 1006.34, 1006.35, 1006.36, 1006.38, 1006.39, 1006.40, 1006.43, 1011.62, 1011.685, 1011.71, 1012.225, 1013.737, creates sections 1003.4935, 1006.282, and 1011.621, and repeals section 1006.43 of the Florida Statutes.

Conference Committee Amendment (451960)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (dd) is added to subsection (8) of section 213.053, Florida Statutes, as amended by chapter 2010-280, Laws of Florida, to read:

213.053 Confidentiality and information sharing.—

(8) Notwithstanding any other provision of this section, the department may provide:

(dd) Information relative to s. 215.61(6) to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research.

Disclosure of information under this subsection shall be pursuant to a written agreement between the executive director and the agency. Such agencies, governmental or nongovernmental, shall be bound by the same requirements of confidentiality as the Department of Revenue. Breach of confidentiality is a misdemeanor of the first degree, punishable as provided by s. 775.082 or s. 775.083.

Section 2. Subsection (6) is added to section 215.61, Florida Statutes, to read:

215.61 State system of public education capital outlay bonds.—

(6) In making the determination as required by subsection (3) of the amount that can be serviced by the gross receipts tax, the State Board of Education shall disregard the effects on the reported gross receipts tax revenues collected during a tax period of any refund paid by the Department of Revenue as a direct result of a refund request made pursuant to the settlement reached in In re: AT&T Mobility Wireless Data Services Sales Litigation, 270 F.R.D. 330, (Aug. 11, 2010). The Department of Revenue shall provide to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research the amount of any such refund and the tax period in which the refund is included.

Section 3. Paragraph (o) of subsection (6) of section 1001.10, Florida Statutes, is amended to read:

1001.10 Commissioner of Education; general powers and duties.—

(6) Additionally, the commissioner has the following general powers and duties:

(o) To develop criteria for use by state instructional materials *reviewers* ~~committees~~ in evaluating materials submitted for adoption consideration. The criteria shall, as appropriate, be based on instructional expectations reflected in curriculum frameworks and student performance standards. The criteria for each subject or course shall be made available to publishers of instructional materials pursuant to the requirements of chapter 1006.

Section 4. Paragraph (b) of subsection (2) of section 1001.25, Florida Statutes, is amended to read:

1001.25 Educational television.—

(2) POWERS OF DEPARTMENT.—

(b) The department shall provide through educational television *or* ~~and~~ other electronic media a means of extending educational services to all the state system of public education, except the state universities, which provision by the department is limited by paragraph (c) and by s. 1001.26(1). The department shall recommend to the State Board of Education rules necessary to provide such services.

Section 5. Section 1001.271, Florida Statutes, is amended to read:

1001.271 Florida Information Resource Network.—*The Commissioner of Education shall facilitate and coordinate the use of the Florida Information Resource Network by school districts, educational institutions in the Florida College System, universities, and other eligible users.* ~~Upon requisition by school districts, community colleges, universities, or other eligible users of the Florida Information Resource Network, the Commissioner of Education shall purchase the nondiscounted portion of Internet access services, including, but not limited to, circuits, encryption, content filtering, support, and any other services needed for the effective and efficient operation of the network. For the 2009-2010 fiscal year, each school district, the Florida School for the Deaf and the Blind, and the regional educational consortia eligible for the e-rate must submit a requisition to the Commissioner of Education for at least the same level of Internet access services used through the Florida Information Resource Network contract in the 2008-2009 fiscal year. Each user shall identify in its requisition the source of funds from which the commissioner is to make payments.~~

Section 6. Subsection (2) of section 1001.28, Florida Statutes, is amended to read:

1001.28 Distance learning duties.—The duties of the Department of Education concerning distance learning include, but are not limited to, the duty to:

(2) Coordinate the use of existing resources, including, but not limited to, the state's satellite transponders, the Florida Information Resource Network (FIRN), ~~the Florida Knowledge Network,~~ and distance learning initiatives.

Nothing in this section shall be construed to abrogate, supersede, alter, or amend the powers and duties of any state agency, district school board, community college board of trustees, university board of trustees, the Board of Governors, or the State Board of Education.

Section 7. Paragraph (a) of subsection (2) of section 1001.451, Florida Statutes, is amended, and subsection (5) is added to that section, to read:

1001.451 Regional consortium service organizations.—In order to provide a full range of programs to larger numbers of students, minimize duplication of services, and encourage the development of new programs and services:

(2)(a) Each regional consortium service organization that consists of four or more school districts is eligible to receive, through the Department of Education, *subject to the funds provided in the General Appropriations Act,* an incentive grant of $50,000 per school district and eligible member to be used for the delivery of services within the participating school districts. The determination of services and use of such funds shall be established by the board of directors of the regional consortium service organization. The funds shall be distributed to each regional consortium service organization no later than 30 days following the release of the funds to the department.

(5) The board of directors of a regional consortium service organization may use various means to generate revenue in support of its activities. The board of directors may acquire, enjoy, use, and dispose of patents, copyrights, and trademarks and any licenses and other rights or interests thereunder or therein. Ownership of all such patents, copyrights, trademarks, licenses, and rights or interests thereunder or therein shall vest in the state, with the board of directors having full right of use and full right to retain the revenues derived therefrom. Any funds realized from patents, copyrights, trademarks, or licenses shall be considered internal funds as provided in s. 1011.07. Such funds shall be used to support the organization's marketing and research and development activities in order to improve and increase services to its member districts.

Section 8. Paragraph (e) of subsection (10), subsection (19), and paragraph (a) of subsection (20) of section 1002.33, Florida Statutes, are amended, present subsections (25) and (26) of that section are redesignated as subsections (26) and (27), respectively, and a new subsection (25) is added to that section, to read:

1002.33 Charter schools.—

(10) ELIGIBLE STUDENTS.—

(e) A charter school may limit the enrollment process only to target the following student populations:

1. Students within specific age groups or grade levels.

2. Students considered at risk of dropping out of school or academic failure. Such students shall include exceptional education students.

3. Students enrolling in a charter school-in-the-workplace or charter school-in-a-municipality established pursuant to subsection (15).

4. Students residing within a reasonable distance of the charter school, as described in paragraph (20)(c). Such students shall be subject to a random lottery and to the racial/ethnic balance provisions described in subparagraph (7)(a)8. or any federal provisions that require a school to achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other public schools in the same school district.

5. Students who meet reasonable academic, artistic, or other eligibility standards established by the charter school and included in the charter school application and charter or, in the case of existing charter schools, standards that are consistent with the school's mission and purpose. Such standards shall be in accordance with current state law and practice in public schools and may not discriminate against otherwise qualified individuals.

6. Students articulating from one charter school to another pursuant to an articulation agreement between the charter schools that has been approved by the sponsor.

7. Students living in a development in which a business entity provides the school facility and related property having an appraised value of at least $10 million to be used as a charter school for the development. Students living in the development shall be entitled to 50 percent of the student stations in the charter school. The students who are eligible for enrollment are subject to a random lottery, the racial/ethnic balance provisions, or any federal provisions, as described in subparagraph 4. The remainder of the student stations shall be filled in accordance with subparagraph 4.

(19) CAPITAL OUTLAY FUNDING.—Charter schools are eligible for capital outlay funds pursuant to s. 1013.62. Capital outlay funds authorized in *ss.* ~~s.~~ 1011.71(2) *and 1013.62 which* ~~that~~ have been shared with a charter school-in-the-workplace prior to July 1, 2010, are deemed to have met the authorized expenditure requirements for such funds.

(20) SERVICES.—

(a)1. A sponsor shall provide certain administrative and educational services to charter schools. These services shall include contract management services; full-time equivalent and data reporting services; exceptional student education administration services; services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the charter school, are provided by the school district at the request of the charter school, that any funds due to the charter school under the federal lunch program be paid to the charter school as soon as the charter school begins serving food under the federal lunch program, and that the charter school is paid at the same time and in the same manner under the federal lunch program as other public schools serviced by the sponsor or the school district; test administration services, including payment of the costs of state-required or district-required student assessments; processing of teacher certificate data services; and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located. Student performance data for each student in a charter school, including, but not limited to, FCAT scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the sponsor to a charter school in the same manner provided to other public schools in the district.

2. A total administrative fee for the provision of such services shall be calculated based upon up to 5 percent of the available funds defined in paragraph (17)(b) for all students. However, a sponsor may only withhold up to a 5-percent administrative fee for enrollment for up to and including 250 students. For charter schools with a population of 251 or more students, the difference between the total administrative fee calculation and the amount of the administrative fee withheld may only be used for capital outlay purposes specified in s. 1013.62(2).

3. For high performing charter schools, as defined in Senate Bill 1546, a sponsor may withhold a total administrative fee of up to 2 percent for enrollment up to and including 250 students per school.

4.~~3.~~ In addition, a sponsor may withhold only up to a 5-percent administrative fee for enrollment for up to and including 500 students within a system of charter schools which meets all of the following:

a. Includes both conversion charter schools and nonconversion charter schools;

b. Has all schools located in the same county;

c. Has a total enrollment exceeding the total enrollment of at least one school district in the state;

d. Has the same governing board; and

e. Does not contract with a for-profit service provider for management of school operations.

5.~~4.~~ The difference between the total administrative fee calculation and the amount of the administrative fee withheld pursuant to subparagraph *4.* ~~3.~~ may be used for instructional and administrative purposes as well as for capital outlay purposes specified in s. 1013.62(2).

6. For a high performing charter school system that also meets the requirements in subparagraph 4., a sponsor may withhold a 2 percent administrative fee for enrollments up to and including 500 students per system.

7.~~5.~~ Each charter school shall receive 100 percent of the funds awarded to that school pursuant to s. 1012.225. Sponsors shall not charge charter schools any additional fees or surcharges for administrative and educational services in addition to the maximum 5-percent administrative fee withheld pursuant to this paragraph.

(25) LOCAL EDUCATIONAL AGENCY STATUS FOR CERTAIN CHARTER SCHOOL SYSTEMS.—A charter school system shall be designated a local educational agency for the purpose of receiving federal funds, the same as though the charter school system were a school district, if the governing board of the charter school system has adopted and filed a resolution with its sponsoring district school board and the Department of Education in which the governing board of the charter school system accepts the full responsibility for all local education agency requirements and the charter school system meets all of the following:

(a) Includes both conversion charter schools and nonconversion charter schools;

(b) Has all schools located in the same county;

(c) Has a total enrollment exceeding the total enrollment of at least one school district in the state;

(d) Has the same governing board; and

(e) Does not contract with a for-profit service provider for management of school operations.

Such designation does not apply to other provisions unless specifically provided in law.

Section 9. Subsection (13) of section 1002.34, Florida Statutes, is amended to read:

1002.34 Charter technical career centers.—

(13) BOARD OF DIRECTORS AUTHORITY.—The board of directors of a center may decide matters relating to the operation of the school, including budgeting, curriculum, and operating procedures, subject to the center's charter. The board of directors is responsible for performing the duties provided in s. 1002.345, including monitoring the corrective action plan. The board of directors must comply with *s. 1002.33(26)* ~~s. 1002.33(25)~~.

Section 10. Paragraph (e) is added to subsection (1) of section 1002.45, Florida Statutes, to read:

1002.45 School district virtual instruction programs.—

(1) PROGRAM.—

(e)1. Each school district shall provide to the department by October 1, 2011, and by each October 1 thereafter, a copy of each contract and the amounts paid per unweighted full-time equivalent student for services procured pursuant to paragraph (c).

2. Each school district shall expend the difference in funds provided for a student participating in the school district virtual instruction program pursuant to subsection (7) and the price paid for contracted services procured pursuant to paragraph (c) for the district's local instructional improvement system pursuant to s. 1006.281 or other technological tools that are required to access electronic and digital instructional materials.

Section 11. Paragraphs (c) and (f) of subsection (3) of section 1002.55, Florida Statutes, are amended to read:

1002.55 School-year prekindergarten program delivered by private prekindergarten providers.—

(3) To be eligible to deliver the prekindergarten program, a private prekindergarten provider must meet each of the following requirements:

(c) The private prekindergarten provider must have, for each prekindergarten class *of 11 children or fewer*, at least one prekindergarten instructor who meets each of the following requirements:

1. The prekindergarten instructor must hold, at a minimum, one of the following credentials:

a. A child development associate credential issued by the National Credentialing Program of the Council for Professional Recognition; or

b. A credential approved by the Department of Children and Family Services as being equivalent to or greater than the credential described in sub-subparagraph a.

The Department of Children and Family Services may adopt rules under ss. 120.536(1) and 120.54 which provide criteria and procedures for approving equivalent credentials under sub-subparagraph b.

2. The prekindergarten instructor must successfully complete an emergent literacy training course approved by the department as meeting or exceeding the minimum standards adopted under s. 1002.59. This subparagraph does not apply to a prekindergarten instructor who successfully completes approved training in early literacy and language development under s. 402.305(2)(d)5., s. 402.313(6), or s. 402.3131(5) before the establishment of one or more emergent literacy training courses under s. 1002.59 or April 1, 2005, whichever occurs later.

(f) Each of the private prekindergarten provider's prekindergarten classes must be composed of at least 4 students but may not exceed *20* ~~18~~ students. In order to protect the health and safety of students, each private prekindergarten provider must also provide appropriate adult supervision for students at all times and, for each prekindergarten class composed of *12* ~~11~~ or more students, must have, in addition to a prekindergarten instructor who meets the requirements of paragraph (c), at least one adult prekindergarten instructor who is not required to meet those requirements but who must meet each requirement of paragraph (d). This paragraph does not supersede any requirement imposed on a provider under ss. 402.301-402.319.

Section 12. Subsection (7) of section 1002.63, Florida Statutes, is amended to read:

1002.63 School-year prekindergarten program delivered by public schools.—

(7) Each prekindergarten class in a public school delivering the school-year prekindergarten program must be composed of at least 4 students but may not exceed *20* ~~18~~ students. In order to protect the health and safety of students, each school must also provide appropriate adult supervision for students at all times and, for each prekindergarten class composed of *12* ~~11~~ or more students, must have, in addition to a prekindergarten instructor who meets the requirements of s. 1002.55(3)(c), at least one adult prekindergarten instructor who is not required to meet those requirements but who must meet each requirement of subsection (5).

Section 13. Subsection (7) of section 1002.71, Florida Statutes, is amended to read:

1002.71 Funding; financial and attendance reporting.—

(7) The Agency for Workforce Innovation shall require that administrative expenditures be kept to the minimum necessary for efficient and effective administration of the Voluntary Prekindergarten Education Program. Administrative policies and procedures shall be revised, to the maximum extent practicable, to incorporate the use of automation and electronic submission of forms, including those required for child eligibility and enrollment, provider and class registration, and monthly certification of attendance for payment. A school district may use its automated daily attendance reporting system for the purpose of transmitting attendance records to the early learning coalition in a mutually agreed-upon format. In addition, actions shall be taken to reduce paperwork, eliminate the duplication of reports, and eliminate other duplicative activities. Beginning with the *2011-2012* ~~2010-2011~~ fiscal year, each early learning coalition may retain and expend no more than *4.0* ~~4.5~~ percent of the funds paid by the coalition to private prekindergarten providers and public schools under paragraph (5)(b). Funds retained by an early learning coalition under this subsection may be used only for administering the Voluntary Prekindergarten Education Program and may not be used for the school readiness program or other programs.

Section 14. Subsections (14) and (15) of section 1003.01, Florida Statutes, are amended to read:

1003.01 Definitions.—As used in this chapter, the term:

(14) "Core-curricula courses" means*:*

(a) Courses in language arts/reading, mathematics, social studies, and science in prekindergarten through grade 3, excluding any extracurricular courses pursuant to subsection (15);

(b) Courses in grades 4 through 8 in subjects that are measured by state assessment at any grade level and courses required for middle school promotion, excluding any extracurricular courses pursuant to subsection (15);

(c) Courses in grades 9 through 12 in subjects that are measured by state assessment at any grade level and courses that are specifically identified by name in statute as required for high school graduation and that are not measured by state assessment, excluding any extracurricular courses pursuant to subsection (15);

(d) Exceptional student education courses; and

(e) English for Speakers of Other Languages courses. ~~courses defined by the Department of Education as mathematics, language arts/reading, science, social studies, foreign language, English for Speakers of Other Languages, exceptional student education, and courses taught in traditional self-contained elementary school classrooms.~~

The term is limited in meaning and used for the sole purpose of designating classes that are subject to the maximum class size requirements established in s. 1, Art. IX of the State Constitution. This term does not include courses offered under ss. 1002.37, 1002.415, and 1002.45.

(15) "Extracurricular courses" means all courses that are not defined as "core-curricula courses," which may include, but are not limited to, physical education, fine arts, performing fine arts, ~~and~~ career education*, and courses that may result in college credit*. The term is limited in meaning and used for the sole purpose of designating classes that are not subject to the maximum class size requirements established in s. 1, Art. IX of the State Constitution.

Section 15. Subsections (1) and (2) of section 1003.03, Florida Statutes, are amended, and subsection (6) is added to that section, to read:

1003.03 Maximum class size.—

(1) ~~CONSTITUTIONAL~~ CLASS SIZE MAXIMUMS.—*Each year, on or before the October student membership survey, the following class size maximums shall be satisfied* ~~Pursuant to s. 1, Art. IX of the State Constitution, beginning in the 2010-2011 school year~~:

(a) The maximum number of students assigned to each teacher who is teaching core-curricula courses in public school classrooms for prekindergarten through grade 3 may not exceed 18 students.

(b) The maximum number of students assigned to each teacher who is teaching core-curricula courses in public school classrooms for grades 4 through 8 may not exceed 22 students. *The maximum number of students assigned to a core-curricula high school course in which a student in grades 4 through 8 is enrolled shall be governed by the requirements in paragraph (c).*

(c) The maximum number of students assigned to each teacher who is teaching core-curricula courses in public school classrooms for grades 9 through 12 may not exceed 25 students.

These maximums shall be maintained after the October student membership survey, except as provided in paragraph (2)(b) or due to an extreme emergency beyond the control of the district school board.

(2) IMPLEMENTATION.—

(a) The Department of Education shall annually calculate class size measures described in subsection (1) based upon the October student membership survey.

(b) A student who enrolls in a school after the October student membership survey may be assigned to an existing class that temporarily exceeds the maximum number of students in subsection (1) if the district school board determines it to be impractical, educationally unsound, or disruptive to student learning to not assign the student to the class. If the district school board makes this determination:

1. Up to three students may be assigned to a teacher in kindergarten through grade 3 above the maximum as provided in paragraph (1)(a);

2. Up to five students may be assigned to a teacher in grades 4 through 12 above the maximum as provided in paragraphs (1)(b) and (c), respectively; and

3. The district school board shall develop a plan that provides that the school will be in full compliance with the maximum class size in subsection (1) by the next October student membership survey.

~~(b) Prior to the adoption of the district school budget for 2010-2011, each district school board shall hold public hearings and provide information to parents on the district's website, and through any other means by which the district provides information to parents and the public, on the district's strategies to meet the requirements in subsection (1).~~

(6) COURSES FOR COMPLIANCE.—Consistent with the provisions in ss. 1003.01(14) and 1003.428, the Department of Education shall identify from the Course Code Directory the core-curricula courses for the purpose of satisfying the maximum class size requirement in this section. The department may adopt rules to implement this subsection, if necessary.

Section 16. Section 1003.4935, Florida Statutes, is created to read:

1003.4935 Middle school career and professional academy courses.—

(1) Beginning with the 2011-2012 school year, each district school board, in collaboration with regional workforce boards, economic development agencies, and state-approved postsecondary institutions, shall include plans to implement a career and professional academy in at least one middle school in the district as part of the strategic 5-year plan pursuant to s. 1003.491(2). The middle school career and professional academy component of the strategic plan must ensure the transition of middle school career and professional academy students to a high school career and professional academy currently operating within the school district. Students who complete a middle school career and professional academy must have the opportunity to earn an industry certificate and high school credit and participate in career planning, job shadowing, and business leadership development activities.

(2) Each middle school career and professional academy must be aligned with at least one high school career and professional academy offered in the district and maintain partnerships with local business and industry and economic development boards. Middle school career and professional academies must:

(a) Provide instruction in courses leading to careers in occupations designated as high growth, high demand, and high pay in the Industry Certification Funding List approved under rules adopted by the State Board of Education;

(b) Offer career and professional academy courses that integrate content from core subject areas;

(c) Offer courses that integrate career and professional academy content with intensive reading and mathematics pursuant to s. 1003.428;

(d) Coordinate with high schools to maximize opportunities for middle school career and professional academy students to earn high school credit;

(e) Provide access to virtual instruction courses provided by virtual education providers legislatively authorized to provide part-time instruction to middle school students. The virtual instruction courses must be aligned to state curriculum standards for middle school career and professional academy students, with priority given to students who have required course deficits;

(f) Provide instruction from highly skilled professionals who hold industry certificates in the career area in which they teach;

(g) Offer externships; and

(h) Provide personalized student advisement that includes a parent-participation component.

(3) Beginning with the 2012-2013 school year, if a school district implements a middle school career and professional academy, the Department of Education shall collect and report student achievement data pursuant to performance factors identified under s. 1003.492(3) for academy students.

Section 17. Subsection (6) of section 1004.02, Florida Statutes, is amended to read:

1004.02 Definitions.—As used in this chapter:

(6) "Adult student" is a student who is beyond the compulsory school age and who has legally left elementary or secondary school~~, or a high school student who is taking an adult course required for high school graduation~~.

Section 18. Subsection (1), paragraph (a) of subsection (2), and paragraphs (b) and (e) of subsection (3) of section 1006.28, Florida Statutes, are amended to read:

1006.28 Duties of district school board, district school superintendent; and school principal regarding K-12 instructional materials.—

(1) DISTRICT SCHOOL BOARD.—The district school board has the duty to provide adequate instructional materials for all students in accordance with the requirements of this part. The term "adequate instructional materials" means a sufficient number of *student or site licenses* ~~textbooks~~ or sets of materials that are available in bound, unbound, kit, or package form and may consist of hard-backed or soft-backed textbooks, electronic content, consumables, learning laboratories, manipulatives, electronic media, and computer courseware or software that serve as the basis for instruction for each student in the core courses of mathematics, language arts, social studies, science, reading, and literature~~, except for instruction for which the school advisory council approves the use of a program that does not include a textbook as a major tool of instruction~~. The district school board has the following specific duties:

(a) *Courses of study; adoption.*—Adopt courses of study for use in the schools of the district.

(b) *Instructional materials* ~~*Textbooks*~~.—Provide for proper requisitioning, distribution, accounting, storage, care, and use of all instructional materials ~~furnished by the state~~ and furnish such other instructional materials as may be needed. The district school board shall *ensure* ~~assure~~ that instructional materials used in the district are consistent with the district goals and objectives and the curriculum frameworks adopted by rule of the State Board of Education, as well as with the state and district performance standards provided for in s. 1001.03(1).

(c) *Other instructional materials.*—Provide such other teaching accessories and aids as are needed for the school district's educational program.

(d) *School library media services; establishment and maintenance.*—Establish and maintain a program of school library media services for all public schools in the district, including school library media centers, or school library media centers open to the public, and, in addition such traveling or circulating libraries as may be needed for the proper operation of the district school system.

(2) DISTRICT SCHOOL SUPERINTENDENT.—

(a) The district school superintendent has the duty to recommend such plans for improving, providing, distributing, accounting for, and caring for *instructional materials* ~~textbooks~~ and other instructional aids as will result in general improvement of the district school system, as prescribed in this part, in accordance with adopted district school board rules prescribing the duties and responsibilities of the district school superintendent regarding the requisition, purchase, receipt, storage, distribution, use, conservation, records, and reports of, and management practices and property accountability concerning, instructional materials, and providing for an evaluation of any instructional materials to be requisitioned that have not been used previously in the district's schools. The district school superintendent must keep adequate records and accounts for all financial transactions for funds collected pursuant to subsection (3), as a component of the educational service delivery scope in a school district best financial management practices review under s. 1008.35.

(3) SCHOOL PRINCIPAL.—The school principal has the following duties for the management and care of instructional materials at the school:

(b) *Money collected for lost or damaged instructional materials* ~~*books*~~*; enforcement.*—The school principal shall collect from each student or the student's parent the purchase price of any instructional material the student has lost, destroyed, or unnecessarily damaged and to report and transmit the money collected to the district school superintendent. The failure to collect such sum upon reasonable effort by the school principal may result in the suspension of the student from participation in extracurricular activities or satisfaction of the debt by the student through community service activities at the school site as determined by the school principal, pursuant to policies adopted by district school board rule.

(e) *Accounting for instructional materials* ~~*textbooks*~~*.*—Principals shall see that all *instructional materials* ~~books~~ are fully and properly accounted for as prescribed by adopted rules of the district school board.

Section 19. Section 1006.281, Florida Statutes, is amended to read:

1006.281 Learning management systems.—

(1) The term "local instructional improvement system" means a system that uses electronic and digital tools that provide teachers, administrators, students, and parents with data and resources to systematically manage continuous instructional improvement. The system supports relevant activities such as instructional planning, information gathering and analysis, rapid-time reporting, decisionmaking on appropriate instructional sequence, and evaluating the effectiveness of instruction. The system shall integrate instructional information with student-level data to provide predictions of future student achievement.

(2) ~~(1)~~ *Each school district shall provide teachers, administrators, students, and parents* ~~To ensure that all school districts have equitable~~ access to *a local instructional improvement system. The system must provide access to electronic and digital* ~~digitally rich~~ instructional materials~~, districts are encouraged to provide access to an electronic learning management system that allows teachers, students, and parents to access, organize, and use electronically available instructional materials~~ and teaching and learning tools and resources, *including the ability for* ~~and that enables~~ teachers *and administrators* to manage, assess, and track student learning.

(3) ~~(2)~~ *By June 30, 2014, a school district's local instructional improvement system shall comply with minimum standards published by the Department of Education. The system must* ~~To the extent fiscally and technologically feasible, a school district's electronic learning management system should~~ allow for a single, authenticated sign-on and include the following functionality:

(a) Vertically searches for, gathers, and organizes specific standards-based instructional materials.

(b) Enables teachers to prepare lessons, individualize student instruction, and use best practices in providing instruction*, including the ability to connect student assessment data with electronic and digital instructional materials*.

(c) Provides communication, including access to up-to-date student performance data, in order to help teachers and parents better serve the needs of students.

(d) Provides access for administrators to ensure quality of instruction within every classroom.

(e) Enables district staff to plan, create, and manage professional development and to connect professional development with staff information and student performance data.

(f) ~~(e)~~ Provides access to multiple content providers *and provides the ability to seamlessly connect the local instructional improvement system to electronic and digital content*.

(4) ~~(3)~~ The Department of Education shall provide *advisory* assistance as requested by school districts in their deployment of a *local instructional improvement* ~~district electronic learning management~~ system.

(5) The State Board of Education shall adopt rules pursuant to ss. 120.536(1) and 120.54 to administer this section, including rules that establish minimum standards for a local instructional improvement system.

Section 20. Section 1006.282, Florida Statutes, is created to read:

1006.282 Pilot program for the transition to electronic and digital instructional materials.—

(1) A district school board may designate pilot program schools to implement the transition to instructional materials that are in an electronic or a digital format as defined in s. 1006.29(3).

(2) A district school board may designate pilot program schools if the school district:

(a) Implements a local instructional improvement system pursuant to s. 1006.281 which enables district staff to plan, create, and manage professional development and to connect professional development with staff information and student performance, provides the ability to seamlessly connect the system to electronic and digital instructional materials and the instructional materials to student assessment data, and includes the minimum standards published by the Department of Education.

(b) Requests only the electronic or digital format of the sample copies of instructional materials submitted pursuant to s. 1006.33.

(c) Uses at least 50 percent of the pilot program school's annual allocation from the district for the purchase of electronic or digital instructional materials included on the state-adopted list.

(3) A school designated as a pilot program school by the school board is exempt from:

(a) Section 1006.40(2)(a), if the school provides comprehensive electronic or digital instructional materials to all students; and

(b) Section 1006.37.

(4) By August 1 of each year, beginning in 2011, the school board must report to the Department of Education the school or schools in its district which have been designated as pilot program schools. The department shall publish the list of pilot program schools on the department's Internet website. The report must include:

(a) The name of the pilot program school, the contact person and contact person information, and the grade or grades and associated course or courses included in the pilot program school.

(b) A description of the type of technological tool or tools that will be used to access the electronic or digital instructional materials included in the pilot program school, whether district-owned or student-owned.

(c) The projected costs and funding sources, which must include cost savings or cost avoidances, associated with the pilot program.

(5) By September 1 of each year, beginning in 2012, each school board that has a designated pilot program school shall provide to the Department of Education, the Executive Office of the Governor, and the chairs of the appropriations committees of the Senate and the House of Representatives a review of the pilot program schools which must include, but need not be limited to:

(a) Successful practices;

(b) The average amount of online Internet time needed by a student to access and use the school's electronic or digital instructional materials;

(c) Lessons learned;

(d) The level of investment and cost-effectiveness; and

(e) Impacts on student performance.

Section 21. Section 1006.29, Florida Statutes, is amended to read:

1006.29 State instructional materials *reviewers* ~~committees~~.—

~~(1) Each school year, not later than April 15, the commissioner shall appoint state instructional materials committees composed of persons actively engaged in teaching or in the supervision of teaching in the public elementary, middle, or high schools and representing the major fields and levels in which instructional materials are used in the public schools and, in addition, lay citizens not professionally connected with education. Committee members shall receive training pursuant to subsection (5) in competencies related to the evaluation and selection of instructional materials.~~

~~(a) There shall be 10 or more members on each committee. At least 50 percent of the members shall be classroom teachers who are certified in an area directly related to the academic area or level being considered for adoption, 2 shall be laypersons, 1 shall be a district school board member, and 2 shall be supervisors of teachers. The committee must have the capacity or expertise to address the broad racial, ethnic, socioeconomic, and cultural diversity of the state's student population. Personnel selected as teachers of the year at the school, district, regional, or state level are encouraged to serve on instructional materials committees.~~

~~(b) The membership of each committee must reflect the broad racial, ethnic, socioeconomic, and cultural diversity of the state, including a balanced representation from the state's geographic regions.~~

(1)(a)~~(c)~~ The commissioner shall determine annually the areas in which instructional materials shall be submitted for adoption, taking into consideration the desires of the district school boards. The commissioner shall also determine the number of titles to be adopted in each area.

(b) By April 15 of each school year, the commissioner shall appoint three state or national experts in the content areas submitted for adoption to review the instructional materials and evaluate the content for alignment with the applicable Next Generation Sunshine State Standards. These reviewers shall be designated as state instructional materials reviewers and shall review the materials for the level of instructional support and the accuracy and appropriateness of progression of introduced content. Instructional materials shall be made electronically available to the reviewers. The initial review of the materials shall be made by only two of the three reviewers. If the two reviewers reach different results, the third reviewer shall break the tie. The reviewers shall independently make recommendations to the commissioner regarding materials that should be placed on the list of adopted materials through an electronic feedback review system.

(c) The commissioner shall request each district school superintendent to nominate one classroom teacher or district-level content supervisor to review two or three of the submissions recommended by the state instructional materials reviewers. School districts shall ensure that these district reviewers are provided with the support and time necessary to accomplish a thorough review of the instructional materials. District reviewers shall independently rate the recommended submissions on the instructional usability of the resources.

~~(2)(a) All appointments shall be as prescribed in this section. No member shall serve more than two consecutive terms on any committee. All appointments shall be for 18-month terms. All vacancies shall be filled in the manner of the original appointment for only the time remaining in the unexpired term. At no time may a district school board have more than one representative on a committee. The commissioner and a member of the department whom he or she shall designate shall be additional and ex officio members of each committee.~~

~~(b) The names and mailing addresses of the members of the state instructional materials committees shall be made public when appointments are made.~~

~~(c) The district school board shall be reimbursed for the actual cost of substitute teachers for each workday that a member of its instructional staff is absent from his or her assigned duties for the purpose of rendering service to the state instructional materials committee. In addition, committee members shall be reimbursed for travel expenses and per diem in accordance with s. 112.061 for actual service in meetings of committees called by the commissioner. Payment of such travel expenses shall be made from the appropriation for the administration of the instructional materials program, on warrants to be drawn by the Chief Financial Officer upon requisition approved by the commissioner.~~

~~(d) Any member of a committee may be removed by the commissioner for cause.~~

~~(3) All references in the law to the state instructional materials committee shall apply to each committee created by this section.~~

(2)~~(4)~~ For purposes of state adoption, *the term* "instructional materials" means items having intellectual content that by design serve as a major tool for assisting in the instruction of a subject or course. These items may be available in bound, unbound, kit, or package form and may consist of hardbacked or softbacked textbooks, electronic content, consumables, learning laboratories, manipulatives, electronic media, and computer courseware or software. A publisher or manufacturer providing instructional materials as a single bundle shall also make the instructional materials available as separate and unbundled items, each priced individually. *A publisher may also offer sections of state-adopted instructional materials in digital or electronic versions at reduced rates to districts, schools, and teachers.*

(3) Beginning in the 2015-2016 academic year, all adopted ~~Any~~ instructional materials ~~adopted after 2012-2013~~ for students in *kindergarten* ~~grades 9~~ through *grade* 12 *must* ~~shall also~~ be provided in an electronic *or digital* format. *For purposes of this section, the term:*

(a) "Electronic format" means text-based or image-based content in a form that is produced on, published by, and readable on computers or other digital devices and is an electronic version of a printed book, whether or not any printed equivalent exists.

(b) "Digital format" means text-based or image-based content in a form that provides the student with various interactive functions; that can be searched, tagged, distributed, and used for individualized and group learning; that includes multimedia content such as video clips, animations, and virtual reality; and that has the ability to be accessed at any time and anywhere.

The *terms do* ~~term does~~ not include electronic or computer hardware even if such hardware is bundled with software or other electronic media, nor does it include equipment or supplies.

(4)~~(5)~~ The department shall develop a training program for persons selected *as state instructional materials reviewers and school district reviewers* ~~to serve on state instructional materials committees~~. The program shall be structured to assist *reviewers* ~~committee members~~ in developing the skills necessary to make valid, culturally sensitive, and objective decisions regarding the content and rigor of instructional materials. All persons serving *as* ~~on~~ instructional materials *reviewers* ~~committees~~ must complete the training program prior to beginning the review and selection process.

Section 22. Section 1006.30, Florida Statutes, is amended to read:

1006.30 Affidavit of state instructional materials *reviewers* ~~committee members~~.—Before transacting any business, each *state instructional materials reviewer* ~~member of a state committee~~ shall make an affidavit, to be filed with the *department* ~~commissioner~~, that:

(1) The *reviewer* ~~member~~ will faithfully discharge the duties imposed upon him or her ~~as a member of the committee~~.

(2) The *reviewer* ~~member~~ has no interest~~, and while a member of the committee he or she will assume no interest,~~ in any publishing or manufacturing organization *that* ~~which~~ produces or sells instructional materials.

(3) The *reviewer* ~~member~~ is in no way connected~~, and while a member of the committee he or she will assume no connection,~~ with the distribution of the instructional materials.

(4) The *reviewer does not have any direct or indirect pecuniary interest* ~~member is not pecuniarily interested, and while a member of the committee he or she will assume no pecuniary interest, directly or indirectly,~~ in the business or profits of any person engaged in manufacturing, publishing, or selling instructional materials designed for use in the public schools.

(5) The *reviewer* ~~member~~ will not accept any emolument or promise of future reward of any kind from any publisher or manufacturer of instructional materials or his or her agent or anyone interested in, or intending to bias his or her judgment in any way in, the selection of any materials to be adopted.

(6) *The reviewer understands that* it is unlawful ~~for any member of a state instructional materials committee~~ to discuss matters relating to instructional materials submitted for adoption with any agent of a publisher or manufacturer of instructional materials, either directly or indirectly, except during the period when the *publisher or manufacturer is providing a presentation for the reviewer during his or her review of the* ~~committee has been called into session for the purpose of evaluating~~ instructional materials submitted for adoption. ~~Such discussions shall be limited to official meetings of the committee and in accordance with procedures prescribed by the commissioner for that purpose.~~

Section 23. Section 1006.31, Florida Statutes, is amended to read:

1006.31 Duties of each state instructional materials *reviewer* ~~committee~~.—The duties of each state instructional materials *reviewer* ~~committee~~ are:

~~(1) PLACE AND TIME OF MEETING.—To meet at the call of the commissioner, at a place in the state designated by him or her, for the purpose of evaluating and recommending instructional materials for adoption by the state. All meetings of state instructional materials committees shall be announced publicly in the Florida Administrative Weekly at least 2 weeks prior to the date of convening. All meetings of the committees shall be open to the public.~~

~~(2) ORGANIZATION.—To elect a chair and vice chair for each adoption. An employee of the department shall serve as secretary to the committee and keep an accurate record of its proceedings. All records of committee motions and votes, and summaries of committee debate shall be incorporated into a publishable document and shall be available for public inspection and duplication.~~

(1)~~(3)~~ PROCEDURES.—To adhere to procedures prescribed by the *department* ~~commissioner~~ for evaluating instructional materials submitted by publishers and manufacturers in each adoption.

(2)~~(4)~~ EVALUATION OF INSTRUCTIONAL MATERIALS.—To evaluate carefully all instructional materials submitted, *in order* to ascertain which instructional materials, if any, submitted for consideration ~~best~~ implement the selection criteria developed by the *department* ~~commissioner~~ and those curricular objectives included within applicable performance standards provided for in s. 1001.03(1).

(a) When recommending instructional materials for use in the schools, each *reviewer* ~~committee~~ shall include only instructional materials that accurately portray the ethnic, socioeconomic, cultural, and racial diversity of our society, including men and women in professional, career, and executive roles, and the role and contributions of the entrepreneur and labor in the total development of this state and the United States.

(b) When recommending instructional materials for use in the schools, each *reviewer* ~~committee~~ shall include only materials *that* ~~which~~ accurately portray, whenever appropriate, humankind's place in ecological systems, including the necessity for the protection of our environment and conservation of our natural resources and the effects on the human system of the use of tobacco, alcohol, controlled substances, and other dangerous substances.

(c) When recommending instructional materials for use in the schools, each *reviewer* ~~committee~~ shall require such materials as *he or she* ~~it~~ deems necessary and proper to encourage thrift, fire prevention, and humane treatment of people and animals.

(d) When recommending instructional materials for use in the schools, each *reviewer* ~~committee~~ shall require, when appropriate to the comprehension of students, that materials for social science, history, or civics classes contain the Declaration of Independence and the Constitution of the United States. *A reviewer may not recommend any* ~~No~~ instructional materials ~~shall be recommended by any committee~~ for use in the schools which contain any matter reflecting unfairly upon persons because of their race, color, creed, national origin, ancestry, gender, or occupation.

(e) *Any* ~~All~~ instructional *material* ~~materials~~ recommended by each *reviewer* ~~committee~~ for use in the schools shall be, to the satisfaction of each *reviewer* ~~committee~~, accurate, objective, and current and suited to the needs and comprehension of students at their respective grade levels. *Reviewers* ~~Instructional materials committees~~ shall consider for adoption materials developed for academically talented students such as those enrolled in advanced placement courses.

(3)~~(5)~~ REPORT OF *REVIEWERS* ~~COMMITTEE~~.—~~Each committee,~~ After a thorough study of all data submitted on each instructional material, *to submit an electronic* ~~and after each member has carefully evaluated each instructional material, shall present a written~~ report to the *department* ~~commissioner~~. *The* ~~Such~~ report shall be made public~~,~~ and *must* ~~shall~~ include *responses to each section of the report format prescribed by the department.*~~:~~

~~(a) A description of the procedures used in determining the instructional materials to be recommended to the commissioner.~~

~~(b) Recommendations of instructional materials for each grade and subject field in the curriculum of public elementary, middle, and high schools in which adoptions are to be made. If deemed advisable, the committee may include such other information, expression of opinion, or recommendation as would be helpful to the commissioner. If there is a difference of opinion among the members of the committee as to the merits of any instructional materials, any member may file an expression of his or her individual opinion.~~

~~The findings of the committees, including the evaluation of instructional materials, shall be in sessions open to the public. All decisions leading to determinations of the committees shall be by roll call vote, and at no time will a secret ballot be permitted.~~

Section 24. Section 1006.32, Florida Statutes, is amended to read:

1006.32 Prohibited acts.—

(1) *A* ~~No~~ publisher or manufacturer of instructional material, or any representative thereof, *may not* ~~shall~~ offer to give any emolument, money, or other valuable thing, or any inducement, to any district school board official or *state* ~~member of a state level~~ instructional materials *reviewer* ~~committee~~ to directly or indirectly introduce, recommend, vote for, or otherwise influence the adoption or purchase of any instructional materials.

(2) *A* ~~No~~ district school board official or ~~member of~~ a state instructional materials *reviewer may not* ~~committee shall~~ solicit or accept any emolument, money, or other valuable thing, or any inducement, to directly or indirectly introduce, recommend, vote for, or otherwise influence the adoption or purchase of any instructional material.

(3) *A* ~~No~~ district school board or publisher may *not* participate in a pilot program of materials being considered for adoption during the 18-month period before the official adoption of the materials by the commissioner. Any pilot program during the first 2 years of the adoption period must have the prior approval of the commissioner.

(4) Any publisher or manufacturer of instructional materials or representative thereof or any district school board official or state in-

structional materials *reviewer* ~~committee member,~~ who violates any provision of this section commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. Any representative of a publisher or manufacturer who violates any provision of this section, in addition to any other penalty, shall be banned from practicing business in the state for a period of 1 calendar year. ~~Any district school board official or state instructional materials committee member who violates any provision of this section, in addition to any other penalty, shall be removed from his or her official position.~~

(5) *This section does not prohibit* ~~Nothing in this section shall be construed to prevent~~ any publisher, manufacturer, or agent from supplying, for purposes of examination, necessary sample copies of instructional materials to any district school board official or *state* instructional materials *reviewer* ~~committee member~~.

(6) *This section does not prohibit* ~~Nothing in this section shall be construed to prevent~~ a district school board official or *state* instructional materials *reviewer* ~~committee member~~ from receiving sample copies of instructional materials.

(7) *This section does not* ~~Nothing contained in this section shall be construed to~~ prohibit or restrict a district school board official from receiving royalties or other compensation, other than compensation paid to him or her as commission for negotiating sales to district school boards, from the publisher or manufacturer of instructional materials written, designed, or prepared by such district school board official, and adopted by the commissioner or purchased by any district school board. No district school board official shall be allowed to receive royalties on any materials not on the state-adopted list purchased for use by his or her district school board.

(8) *A* ~~No~~ district school superintendent, district school board member, teacher, or other person officially connected with the government or direction of public schools *may not* ~~shall~~ receive during the months actually engaged in performing duties under his or her contract any private fee, gratuity, donation, or compensation, in any manner whatsoever, for promoting the sale or exchange of any *instructional material* ~~school book~~, map, or chart in any public school, or be an agent for the sale or the publisher of any *instructional material* ~~school textbook~~ or reference work, or *have a direct or indirect pecuniary interest* ~~be directly or indirectly pecuniarily interested~~ in the introduction of any such *instructional material* ~~textbook~~, and any such agency or interest shall disqualify any person so acting or interested from holding any district school board employment whatsoever, and the person commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083; *however,* ~~provided that~~ this subsection *does* ~~shall~~ not *prevent* ~~be construed as preventing~~ the adoption of any *instructional material* ~~book~~ written in whole or in part by a Florida author.

Section 25. Paragraphs (b) and (e) of subsection (1) and subsections (2) and (4) of section 1006.33, Florida Statutes, are amended to read:

1006.33 Bids or proposals; advertisement and its contents.—

(1)

(b) The advertisement shall state that, beginning in 2010-2011, each bidder shall furnish electronic *sample* ~~specimen~~ copies of all instructional materials submitted, at a time designated by the department, which ~~specimen~~ copies shall be identical with the copies approved and accepted by ~~the members of the~~ state instructional materials *reviewers* ~~committee~~, as prescribed in this section, and with the copies furnished to the department and district school superintendents, as provided in this part. *A school district may not request* ~~Any district school superintendent who requires~~ samples in addition to the electronic *sample copies* ~~format must request those samples through the department~~.

(e) The advertisement shall give information *regarding digital* ~~as to how~~ specifications *that* ~~which~~ have been adopted by the department*, including minimum format requirements that will enable electronic and digital content to be accessed through the district's local instructional improvement system and a variety of mobile, electronic, and digital devices. Beginning with specifications released in 2014, the digital specifications shall include requiring the capability for searching by state standards and site and student-level licensing. Such digital format specifications shall be appropriate for the interoperability of the content. The department may not adopt specifications that require the instructional materials to include specific references to FCAT and Next Generation Sunshine State Standards and benchmarks at the point of student use* ~~in regard to paper, binding, cover boards, and mechanical makeup can be secured~~. ~~In adopting specifications, the department shall make an exception for instructional materials that are college level texts and that do not meet department physical specifications for secondary materials, if the publisher guarantees replacement during the term of the contract.~~

(2) The bids submitted shall be for furnishing the designated materials in accordance with specifications of the department. The bid shall state the lowest wholesale price at which the materials will be furnished, at the time the adoption period provided in the contract begins~~, delivered f.o.b. to the Florida depository of the publisher, manufacturer, or bidder~~.

(4) *Sample* ~~Specimen~~ copies of all instructional materials that have been made the bases of contracts under this part shall, upon request for the purpose of public inspection, be made available by the publisher to the department and the district school superintendent of each district school board that adopts the instructional materials from the state list upon request for the purpose of public inspection. ~~All contracts and bonds executed under this part shall be signed in triplicate. One copy of each contract and an original of each bid, whether accepted or rejected, shall be preserved with the department for at least 3 years after termination of the contract.~~

Section 26. Subsections (1), (2), (3), and (7) of section 1006.34, Florida Statutes, are amended to read:

1006.34 Powers and duties of the commissioner and the department in selecting and adopting instructional materials.—

(1) PROCEDURES FOR EVALUATING INSTRUCTIONAL MATERIALS.—The *State Board of Education shall adopt rules prescribing* ~~commissioner shall prescribe~~ the procedures by which the department shall evaluate instructional materials submitted by publishers and manufacturers in each adoption. Included in these procedures shall be provisions *affording* ~~which afford~~ each publisher or manufacturer or his or her representative an opportunity to *provide a virtual presentation to* ~~present to members of the~~ state instructional materials *reviewers on* ~~committees~~ the merits of each instructional material submitted in each adoption.

(2) SELECTION AND ADOPTION OF INSTRUCTIONAL MATERIALS.—

(a) The department shall notify all publishers and manufacturers of instructional materials who have submitted bids that within 3 weeks after the deadline for receiving bids, at a designated time and place, it will open the bids submitted and deposited with it. At the time and place designated, the bids shall be opened, read, and tabulated in the presence of the bidders or their representatives. No one may revise his or her bid after the bids have been filed. When all bids have been carefully considered, the commissioner shall, from the list of suitable, usable, and desirable instructional materials reported by the state instructional materials *reviewers* ~~committee~~, select and adopt instructional materials for each grade and subject field in the curriculum of public elementary, middle, and high schools in which adoptions are made and in the subject areas designated in the advertisement. The adoption shall continue for the period specified in the advertisement, beginning on the ensuing April 1. The adoption shall not prevent the extension of a contract as provided in subsection (3). The commissioner shall always reserve the right to reject any and all bids. The commissioner may ask for new sealed bids from publishers or manufacturers whose instructional materials were recommended by the state instructional materials *reviewers* ~~committee~~ as suitable, usable, and desirable; specify the dates for filing such bids and the date on which they shall be opened; and proceed in all matters regarding the opening of bids and the awarding of contracts as required by this part. In all cases, bids shall be accompanied by a cash deposit or certified check of from $500 to $2,500, as the *department* ~~commissioner~~ may direct. The department, in adopting instructional materials, shall give due consideration both to the prices bid for furnishing instructional materials and to the report and recommendations of the state instructional materials *reviewers* ~~committee~~. When the commissioner has finished with the report of the state instructional materials *reviewers* ~~committee~~, the report shall be filed and preserved with the department and shall be available at all times for public inspection.

(b) In the selection of instructional materials, library *media* ~~books~~, and other reading material used in the public school system, the standards used to determine the propriety of the material shall include:

1. The age of the students who normally could be expected to have access to the material.

2. The educational purpose to be served by the material. In considering instructional materials for classroom use, priority shall be given to the selection of materials which encompass the state and district school board performance standards provided for in s. 1001.03(1) and which include the instructional objectives contained within the curriculum frameworks approved by rule of the State Board of Education.

3. The degree to which the material would be supplemented and explained by mature classroom instruction as part of a normal classroom instructional program.

4. The consideration of the broad racial, ethnic, socioeconomic, and cultural diversity of the students of this state.

Any instructional ~~No book or other~~ material containing ~~hard core~~ pornography or otherwise prohibited by s. 847.012 *may not* ~~shall~~ be used or *made* available within any public school ~~district~~.

(3) CONTRACT WITH PUBLISHERS OR MANUFACTURERS; BOND.—As soon as practicable after the commissioner has adopted any instructional materials and all bidders that have secured the adoption of any instructional materials have been notified thereof by registered letter, the department ~~of Legal Affairs~~ shall prepare a contract in proper form with every bidder awarded the adoption of any instructional materials. Each contract shall be executed by the *commissioner* ~~Governor and Secretary of State under the seal of the state~~, one copy to be kept by the contractor~~, one copy to be filed with the Department of State,~~ and one copy to be filed with the department. After giving due consideration to comments by the district school boards, the commissioner, with the agreement of the publisher, may extend or shorten a contract period for a period not to exceed 2 years; and the terms of any such contract shall remain the same as in the original contract. Any publisher or manufacturer to whom any contract is let under this part must give bond in such amount as the *department* ~~commissioner~~ requires, payable to the state, conditioned for the faithful, honest, and exact performance of the contract. The bond must provide for the payment of reasonable attorney's fees in case of recovery in any suit thereon. The surety on the bond must be a guaranty or surety company lawfully authorized to do business in the state; however, the bond shall not be exhausted by a single recovery but may be sued upon from time to time until the full amount thereof is recovered, and the department may at any time, after giving 30 days' notice, require additional security or additional bond. The form of any bond or bonds or contract or contracts under this part shall be prepared and approved by the department ~~of Legal Affairs~~. At the discretion of the *department* ~~commissioner~~, a publisher or manufacturer to whom any contract is let under this part may be allowed a cash deposit in lieu of a bond, conditioned for the faithful, honest, and exact performance of the contract. The cash deposit, payable to the department, shall be placed in the Textbook Bid Trust Fund. The department may recover damages on the cash deposit given by the contractor for failure to furnish instructional materials, the sum recovered to inure to the General Revenue Fund.

(7) FORFEITURE OF CONTRACT AND BOND.—If any publisher or manufacturer of instructional materials fails or refuses to furnish ~~a book, or books, or other~~ instructional materials as provided in the contract, *the publisher's or manufacturer's* ~~his or her~~ bond is forfeited and the *commissioner must* ~~department shall~~ make another contract ~~on such terms as it may find desirable, after giving due consideration to the recommendations of the commissioner~~.

Section 27. Subsection (2) of section 1006.35, Florida Statutes, is amended to read:

1006.35 Accuracy of instructional materials.—

(2) When errors in state-adopted materials are confirmed, the publisher of the materials shall provide to each district school board that has purchased the materials the corrections in a format approved by the *department* ~~commissioner~~.

Section 28. Section 1006.36, Florida Statutes, is amended to read:

1006.36 Term of adoption for instructional materials.—

(1) The term of adoption of any instructional materials must be a *5-year* ~~6 year~~ period beginning on April 1 following the adoption, except that the commissioner may approve terms of adoption of less than *5* ~~6~~ years for materials in content areas which require more frequent revision. Any contract for instructional materials may be extended as prescribed in s. 1006.34(3).

(2) The department shall publish annually an official schedule of subject areas to be called for adoption for each of the succeeding 2 years, and a tentative schedule for years 3, 4, *and* 5~~, and 6~~. If extenuating circumstances warrant, the commissioner may ~~order the department to~~ add one or more subject areas to the official schedule, in which event the commissioner shall develop criteria for such additional subject area or areas and make them available to publishers as soon as practicable before the date on which bids are due. The schedule shall be developed so as to promote balance among the subject areas so that the required expenditure for new instructional materials is approximately the same each year in order to maintain curricular consistency.

Section 29. Subsections (2), (3), (5), and (14) through (17) of section 1006.38, Florida Statutes, are amended to read:

1006.38 Duties, responsibilities, and requirements of instructional materials publishers and manufacturers.—Publishers and manufacturers of instructional materials, or their representatives, shall:

(2) *Electronically* deliver fully developed *sample* ~~specimen~~ copies of all instructional materials upon which bids are based to *the department pursuant to procedures adopted by the State Board of Education* ~~each member of a state instructional materials committee~~. ~~At the conclusion of the review process, manufacturers submitting samples of instructional materials are entitled to the return thereof, at the expense of the manufacturers; or, in the alternative, the manufacturers are entitled to reimbursement by the individual committee members for the retail value of the samples.~~

(3) Submit, at a time designated in s. 1006.33, the following information:

(a) Detailed specifications of the physical characteristics of the instructional materials*, including any software or technological tools required for use by the district, school, teachers, or students*. The publisher or manufacturer shall comply with these specifications if the instructional materials are adopted and purchased in completed form.

(b) *Evidence* ~~Written proof~~ that the publisher has provided *materials that address the* ~~written correlations to appropriate curricular objectives included within applicable~~ performance standards provided for in s. 1001.03(1) *and that can be accessed through the district's local instructional improvement system and a variety of electronic, digital, and mobile devices*.

(5) Furnish the instructional materials offered by them at a price in the state which, including all costs of *electronic transmission* ~~transportation to their depositories~~, *may* ~~shall~~ not exceed the lowest price at which they offer such instructional materials for adoption or sale to any state or school district in the United States.

~~(14) For all other subject areas, maintain in the depository an inventory of instructional materials sufficient to receive and fill orders.~~

(14)~~(15)~~ Accurately and fully disclose only the names of those persons who actually authored the instructional materials. In addition to the penalties provided in subsection *(16)* ~~(17)~~, the commissioner may remove from the list of state-adopted instructional materials those instructional materials whose publisher or manufacturer misleads the purchaser by falsely representing genuine authorship.

(15)~~(16)~~ Grant, without prior written request, for any copyright held by the publisher or its agencies automatic permission to the department or its agencies for the reproduction of *instructional materials* ~~textbooks~~ and supplementary materials in braille*,* ~~or~~ large print*,* or *other appropriate format* ~~in the form of sound recordings,~~ for use by visually impaired students or other students with disabilities that would benefit from use of the materials.

(16)~~(17)~~ Upon the willful failure of the publisher or manufacturer to comply with the requirements of this section, be liable to the department in the amount of *three* ~~3~~ times the total sum which the publisher or manufacturer was paid in excess of the price required under subsections (5) and (6) and in the amount of *three* ~~3~~ times the total value of the instructional materials and services which the district school board is entitled to receive free of charge under subsection (7).

Section 30. Subsection (5) of section 1006.39, Florida Statutes, is amended to read:

1006.39 Production and dissemination of educational materials and products by department.—

(5) The department shall not enter into the business of producing or publishing *instructional materials* ~~textbooks, or the contents therein,~~ for general use in classrooms.

Section 31. Subsection (2), paragraph (a) of subsection (3), and subsection (4) of section 1006.40, Florida Statutes, are amended to read:

1006.40 Use of instructional materials allocation; instructional materials, library books, and reference books; repair of books.—

(2)~~(a)~~ Each district school board must purchase current instructional materials to provide each student with ~~a textbook or other instructional materials as~~ a major tool of instruction in core courses of the ~~appropriate~~ subject areas of mathematics, language arts, science, social studies, reading, and literature for kindergarten through grade 12. Such purchase must be made within the first 2 years after the effective date of the adoption cycle~~; however, this requirement is waived for the adoption cycle occurring in the 2008-2009 academic year for schools within the district which are identified in the top four categories of schools pursuant to s. 1008.33, as amended by chapter 2009-144, Laws of Florida. The Commissioner of Education may provide a waiver of this requirement for the adoption cycle occurring in the 2008-2009 academic year if the district demonstrates that it has intervention and support strategies to address the particular needs of schools in the lowest two categories. Unless specifically provided for in the General Appropriations Act, the cost of instructional materials purchases required by this paragraph shall not exceed the amount of the district's allocation for instructional materials, pursuant to s. 1011.67, for the previous 2 years.~~

~~(b) The requirement in paragraph (a) does not apply to contracts in existence before April 1, 2000, or to a purchase related to growth of student membership in the district or for instructional materials maintenance needs.~~

(3)(a) *By the 2015-2016 fiscal year,* each district school board shall use *at least 50 percent of* the annual allocation for the purchase of *digital or electronic* instructional materials included on the state-adopted list, except as otherwise authorized in paragraphs (b) and (c). ~~No less than 50 percent of the annual allocation shall be used to purchase items which will be used to provide instruction to students at the level or levels for which the materials are designed.~~

(4) The funds described in subsection (3) which district school boards may use to purchase materials not on the state-adopted list shall be used for the purchase of instructional materials or other items having intellectual content which assist in the instruction of a subject or course. These items may be available in bound, unbound, kit, or package form and may consist of hardbacked or softbacked textbooks, electronic content, replacements for items which were part of previously purchased instructional materials, consumables, learning laboratories, manipulatives, electronic media, computer courseware or software, and other commonly accepted instructional tools as prescribed by district school board rule. ~~The funds available to district school boards for the purchase of materials not on the state adopted list may not be used to purchase electronic or computer hardware even if such hardware is bundled with software or other electronic media unless the district school board has complied with the requirements in s. 1011.62(6)(b)5., nor may such funds be used to purchase equipment or supplies. However, when authorized to do so in the General Appropriations Act, a school or district school board may use a portion of the funds available to it for the purchase of materials not on the state adopted list to purchase science laboratory materials and supplies.~~

Section 32. *Section 1006.43, Florida Statutes, is repealed.*

Section 33. Paragraphs (j) through (u) of subsection (1), paragraph (a) of subsection (4), paragraph (b) of subsection (6), and subsection (11) of section 1011.62, Florida Statutes, are amended, present subsections (11) through (13) of that section are redesignated as subsections (12) through (14), respectively, and a new subsection (11) is added to that section, to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR OPERATION.—The following procedure shall be followed in determining the annual allocation to each district for operation:

~~(j) *Coenrollment.* If a high school student wishes to earn high school credits from a community college and enrolls in one or more adult secondary education courses at the community college, the community college shall be reimbursed for the costs incurred because of the high school student's coenrollment as provided in the General Appropriations Act.~~

(j)~~(k)~~ *Instruction in exploratory career education.*—Students in grades 7 through 12 who are enrolled for more than four semesters in exploratory career education may not be counted as full-time equivalent students for this instruction.

(k)~~(l)~~ *Study hall.*—A student who is enrolled in study hall may not be included in the calculation of full-time equivalent student membership for funding under this section.

(l)~~(m)~~ *Calculation of additional full-time equivalent membership based on International Baccalaureate examination scores of students.*—A value of 0.16 full-time equivalent student membership shall be calculated for each student enrolled in an International Baccalaureate course who receives a score of 4 or higher on a subject examination. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives an International Baccalaureate diploma. Such value shall be added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. Each school district shall allocate 80 percent of the funds received from International Baccalaureate bonus FTE funding to the school program whose students generate the funds and to school programs that prepare prospective students to enroll in International Baccalaureate courses. Funds shall be expended solely for the payment of allowable costs associated with the International Baccalaureate program. Allowable costs include International Baccalaureate annual school fees; International Baccalaureate examination fees; salary, benefits, and bonuses for teachers and program coordinators for the International Baccalaureate program and teachers and coordinators who prepare prospective students for the International Baccalaureate program; supplemental books; instructional supplies; instructional equipment or instructional materials for International Baccalaureate courses; other activities that identify prospective International Baccalaureate students or prepare prospective students to enroll in International Baccalaureate courses; and training or professional development for International Baccalaureate teachers. School districts shall allocate the remaining 20 percent of the funds received from International Baccalaureate bonus FTE funding for programs that assist academically disadvantaged students to prepare for more rigorous courses. The school district shall distribute to each classroom teacher who provided International Baccalaureate instruction:

1. A bonus in the amount of $50 for each student taught by the International Baccalaureate teacher in each International Baccalaureate course who receives a score of 4 or higher on the International Baccalaureate examination.

2. An additional bonus of $500 to each International Baccalaureate teacher in a school designated with a grade of "D" or "F" who has at least one student scoring 4 or higher on the International Baccalaureate examination, regardless of the number of classes taught or of the number of students scoring a 4 or higher on the International Baccalaureate examination.

Bonuses awarded to a teacher according to this paragraph shall not exceed $2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.

(m)~~(n)~~ *Calculation of additional full-time equivalent membership based on Advanced International Certificate of Education examination scores of students.*—A value of 0.16 full-time equivalent student membership shall be calculated for each student enrolled in a full-credit Advanced International Certificate of Education course who receives a score of E or higher on a subject examination. A value of 0.08 full-time equivalent student membership shall be calculated for each student enrolled in a half-credit Advanced International Certificate of Education course who receives a score of E or higher on a subject examination. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives an Advanced International Certificate of Education diploma. Such value shall be added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. The school district shall distribute to each classroom teacher who provided Advanced International Certificate of Education instruction:

1. A bonus in the amount of $50 for each student taught by the Advanced International Certificate of Education teacher in each full-credit Advanced International Certificate of Education course who receives a score of E or higher on the Advanced International Certificate of Education examination. A bonus in the amount of $25 for each student taught by the Advanced International Certificate of Education teacher in each half-credit Advanced International Certificate of Education course who receives a score of E or higher on the Advanced International Certificate of Education examination.

2. An additional bonus of $500 to each Advanced International Certificate of Education teacher in a school designated with a grade of "D" or "F" who has at least one student scoring E or higher on the full-credit Advanced International Certificate of Education examination, regardless of the number of classes taught or of the number of students scoring an E or higher on the full-credit Advanced International Certificate of Education examination.

3. Additional bonuses of $250 each to teachers of half-credit Advanced International Certificate of Education classes in a school designated with a grade of "D" or "F" which has at least one student scoring an E or higher on the half-credit Advanced International Certificate of Education examination in that class. The maximum additional bonus for a teacher awarded in accordance with this subparagraph shall not exceed $500 in any given school year. Teachers receiving an award under subparagraph 2. are not eligible for a bonus under this subparagraph.

Bonuses awarded to a teacher according to this paragraph shall not exceed $2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.

(n)~~(o)~~ *Calculation of additional full-time equivalent membership based on college board advanced placement scores of students.*—A value of 0.16 full-time equivalent student membership shall be calculated for each student in each advanced placement course who receives a score of 3 or higher on the College Board Advanced Placement Examination for the prior year and added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. Each district must allocate at least 80 percent of the funds provided to the district for advanced placement instruction, in accordance with this paragraph, to the high school that generates the funds. The school district shall distribute to each classroom teacher who provided advanced placement instruction:

1. A bonus in the amount of $50 for each student taught by the Advanced Placement teacher in each advanced placement course who receives a score of 3 or higher on the College Board Advanced Placement Examination.

2. An additional bonus of $500 to each Advanced Placement teacher in a school designated with a grade of "D" or "F" who has at least one student scoring 3 or higher on the College Board Advanced Placement Examination, regardless of the number of classes taught or of the number of students scoring a 3 or higher on the College Board Advanced Placement Examination.

Bonuses awarded to a teacher according to this paragraph shall not exceed $2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.

(o)~~(p)~~ *Calculation of additional full-time equivalent membership based on certification of successful completion of industry-certified career and professional academy programs pursuant to ss. 1003.491, 1003.492,* ~~*and*~~ *1003.493 and 1003.4935 and identified in the Industry Certified Funding List pursuant to rules adopted by the State Board of Education.*—A value of *0.1, 0.2, or* 0.3 full-time equivalent student membership shall be calculated for each student who completes an industry-certified career and professional academy program under ss. 1003.491, 1003.492, ~~and~~ 1003.493 *and 1003.4935* and who is issued the highest level of industry certification identified annually in the Industry Certification Funding List approved under rules adopted by the State Board of Education and a high school diploma. *The maximum full-time equivalent student membership value for any student is 0.3. The Department of Education shall assign the appropriate full-time equivalent value for each certification, 50 percent of which is based on rigor and the remaining 50 percent on employment value. The State Board of Education shall include the assigned values in the Industry Certification Funding List under rules adopted by the state board. Rigor shall be based on the number of instructional hours, including work experience hours, required to earn the certification, with a bonus for industry certifications that have a statewide articulation agreement for college credit approved by the State Board of Education. Employment value shall be based on the entry wage, growth rate in employment for each occupational category, and average annual openings for the primary occupation linked to the industry certification.* Such value shall be added to the total full-time equivalent student membership in secondary career education programs for grades 9 through 12 in the subsequent year for courses that were not funded through dual enrollment. The additional full-time equivalent membership authorized under this paragraph may not exceed 0.3 per student. Each district must allocate at least 80 percent of the funds provided for industry certification, in accordance with this paragraph, to the program that generated the funds. Unless a different amount is specified in the General Appropriations Act, the appropriation for this calculation is limited to $15 million annually. If the appropriation is insufficient to fully fund the total calculation, the appropriation shall be prorated.

~~(q) *Calculation of additional full-time equivalent membership for the Florida Virtual School.* The reported full-time equivalent student membership for the Florida Virtual School for students who are also enrolled in a school district shall be multiplied by 0.114, and such value shall be added to the total full-time equivalent student membership.~~

(p)~~(r)~~ *Year-round-school programs.*—The Commissioner of Education is authorized to adjust student eligibility definitions, funding criteria, and reporting requirements of statutes and rules in order that year-round-school programs may achieve equivalent application of funding requirements with non-year-round-school programs.

(q)~~(s)~~ *Extended-school-year program.*—It is the intent of the Legislature that students be provided additional instruction by extending the school year to 210 days or more. Districts may apply to the Commissioner of Education for funds to be used in planning and implementing an extended-school-year program.

(r)~~(t)~~ *Determination of the basic amount for current operation.*—The basic amount for current operation to be included in the Florida Education Finance Program for kindergarten through grade 12 for each district shall be the product of the following:

1. The full-time equivalent student membership in each program, multiplied by

2. The cost factor for each program, adjusted for the maximum as provided by paragraph (c), multiplied by

3. The base student allocation.

(s)~~(u)~~ *Computation for funding through the Florida Education Finance Program.*—The State Board of Education may adopt rules establishing programs and courses for which the student may earn credit toward high school graduation.

(4) COMPUTATION OF DISTRICT REQUIRED LOCAL EFFORT.—The Legislature shall prescribe the aggregate required local effort for all school districts collectively as an item in the General Appropriations Act for each fiscal year. The amount that each district shall provide annually toward the cost of the Florida Education Finance Program for kindergarten through grade 12 programs shall be calculated as follows:

(a) *Estimated taxable value calculations.—*

1.a. Not later than 2 working days prior to July 19, the Department of Revenue shall certify to the Commissioner of Education its most recent estimate of the taxable value for school purposes in each school district and the total for all school districts in the state for the current calendar year based on the latest available data obtained from the local property appraisers. The value certified shall be the taxable value for school purposes for that year, and no further adjustments shall be made, except those made pursuant to paragraphs (c) and (d), or an assessment roll change required by final judicial decisions as specified in paragraph *(13)(b)* ~~(12)(b)~~. Not later than July 19, the Commissioner of Education shall compute a millage rate, rounded to the next highest one one-thousandth of a mill, which, when applied to 96 percent of the estimated state total taxable value for school purposes, would generate the prescribed aggregate required local effort for that year for all districts. The Commissioner of Education shall certify to each district school board the millage rate, computed as prescribed in this subparagraph, as the minimum millage rate necessary to provide the district required local effort for that year.

b. The General Appropriations Act shall direct the computation of the statewide adjusted aggregate amount for required local effort for all school districts collectively from ad valorem taxes to ensure that no school district's revenue from required local effort millage will produce more than 90 percent of the district's total Florida Education Finance Program calculation as calculated and adopted by the Legislature, and the adjustment of the required local effort millage rate of each district that produces more than 90 percent of its total Florida Education Finance Program entitlement to a level that will produce only 90 percent of its total Florida Education Finance Program entitlement in the July calculation.

2. On the same date as the certification in sub-subparagraph 1.a., the Department of Revenue shall certify to the Commissioner of Education for each district:

a. Each year for which the property appraiser has certified the taxable value pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a.

b. For each year identified in sub-subparagraph a., the taxable value certified by the appraiser pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a. This is the certification that reflects all final administrative actions of the value adjustment board.

(6) CATEGORICAL FUNDS.—

(b) If a district school board finds and declares in a resolution adopted at a regular meeting of the school board that the funds received for any of the following categorical appropriations are urgently needed to maintain school board specified academic classroom instruction, the school board may consider and approve an amendment to the school district operating budget transferring the identified amount of the categorical funds to the appropriate account for expenditure:

1. Funds for student transportation.

2. Funds for safe schools.

3. Funds for supplemental academic instruction.

4. Funds for research-based reading instruction.

5. Funds for instructional materials if all instructional material purchases necessary to provide updated materials aligned to Next Generation Sunshine State Standards and benchmarks and that meet statutory requirements of content and learning have been completed for that fiscal year, but no sooner than March 1~~, 2011~~. Funds available after March 1 may be used to purchase hardware for student instruction.

(11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may annually provide in the Florida Education Finance Program a virtual education contribution. The amount of the virtual education contribution shall be the difference between the amount per FTE established in the General Appropriations Act for virtual education and the amount per FTE for each district and the Florida Virtual School, which may be calculated by taking the sum of the base FEFP allocation, the discretionary local effort, the state-funded discretionary contribution, the discretionary millage compression supplement, the research-based reading instruction allocation, and the instructional materials allocation, and then dividing by the total unweighted FTE. This difference shall be multiplied by the virtual education unweighted FTE for programs and options identified in s. 1002.455(3)(a),(b), and (d) and the Florida Virtual School and its franchises to equal the virtual education contribution and shall be included as a separate allocation in the funding formula.

(12)~~(11)~~ QUALITY ASSURANCE GUARANTEE.—The Legislature may annually in the General Appropriations Act determine a percentage increase in funds per K-12 unweighted FTE as a minimum guarantee to each school district. The guarantee shall be calculated from prior year base funding per unweighted FTE student which shall include the adjusted FTE dollars as provided in subsection *(13)* ~~(12)~~, quality guarantee funds, and actual nonvoted discretionary local effort from taxes. From the base funding per unweighted FTE, the increase shall be calculated for the current year. The current year funds from which the guarantee shall be determined shall include the adjusted FTE dollars as provided in subsection *(13)* ~~(12)~~ and potential nonvoted discretionary local effort from taxes. A comparison of current year funds per unweighted FTE to prior year funds per unweighted FTE shall be computed. For those school districts which have less than the legislatively assigned percentage increase, funds shall be provided to guarantee the assigned percentage increase in funds per unweighted FTE student. Should appropriated funds be less than the sum of this calculated amount for all districts, the commissioner shall prorate each district's allocation. This provision shall be implemented to the extent specifically funded.

Section 34. Section 1011.621, Florida Statutes, is created to read:

1011.621 Adjustments for interdistrict transfers of students in Department of Juvenile Justice detention facilities within a survey period.—The Department of Education, upon request by a school district and verification by the Department of Juvenile Justice, shall direct a school district that receives Florida Education Finance Program funds attributed to a membership survey for children in secure detention care pursuant to chapter 985 to transfer a pro rata share of the funds to another district that served the same students during the same survey period but were unable to report the students for funding. The amount of the funds transfer shall be based on the percentage of the survey period in which the students were served by each district.

Section 35. Subsection (2) of section 1011.685, Florida Statutes, is amended to read:

1011.685 Class size reduction; operating categorical fund.—

(2) Class size reduction operating categorical funds shall be used by school districts to reduce class size as required in s. 1003.03*. A school district that meets the maximum class size requirement may use the funds*~~, or the funds may be used~~ for any lawful operating expenditure; however, priority shall be given to increasing salaries of classroom teachers.

Section 36. Subsection (1), paragraph (b) of subsection (3), and subsection (5) of section 1011.71, Florida Statutes, are amended, and paragraphs (c) and (d) are added to subsection (3) of that section, to read:

1011.71 District school tax.—

(1) If the district school tax is not provided in the General Appropriations Act or the substantive bill implementing the General Appropriations Act, each district school board desiring to participate in the state allocation of funds for current operation as prescribed by s. *1011.62(13)* ~~1011.62(12)~~ shall levy on the taxable value for school purposes of the district, exclusive of millage voted under the provisions of s. 9(b) or s. 12, Art. VII of the State Constitution, a millage rate not to exceed the amount certified by the commissioner as the minimum millage rate necessary to provide the district required local effort for the current year, pursuant to s. 1011.62(4)(a)1. In addition to the required

local effort millage levy, each district school board may levy a nonvoted current operating discretionary millage. The Legislature shall prescribe annually in the appropriations act the maximum amount of millage a district may levy.

(3)

(b) In addition to the millage authorized in this section, each district school board may, by a super majority vote, levy an additional 0.25 mills for critical capital outlay needs or for critical operating needs. If levied for capital outlay, expenditures shall be subject to the requirements of this section. If levied for operations, expenditures shall be consistent with the requirements for operating funds received pursuant to s. 1011.62. If the district levies this additional 0.25 mills for operations, the compression adjustment pursuant to s. 1011.62(5) shall be calculated and added to the district's FEFP allocation. Millage levied pursuant to this paragraph is subject to the provisions of s. 200.065. In order to be continued after the 2010-2011 fiscal year, millage levied pursuant to this paragraph must be approved by the voters of the district at the 2010 general election or at a subsequent-election held at any time, except that not more than one such election shall be held during any 12-month period. Any millage so authorized shall be levied for a period not in excess of 2 years or until changed by another millage election, whichever is earlier. If any such election is invalidated by a court of competent jurisdiction, such invalidated election shall be considered not to have been held. *The provisions of this paragraph expire June 30, 2011.*

(c) Local funds generated by the additional 0.25 mills authorized in paragraph (b) and state funds provided pursuant to s. 1011.62(5) may not be included in the calculation of the Florida Education Finance Program in 2011-2012 or any subsequent year and may not be incorporated in the calculation of any hold-harmless or other component of the Florida Education Finance Program in any year, except as provided in paragraph (d).

(d) For the 2011-2012 and 2012-2013 fiscal years, the 0.25 mills authorized in paragraph (b) may be levied by the districts in which it was authorized by the voters in the 2010 general election. If a district levies this voter-approved 0.25 mills for operations, a compression adjustment pursuant to s. 1011.62(5) may be calculated and added to the district's Florida Education Finance Program allocation, subject to determination in the General Appropriations Act.

(5) Effective July 1, 2008, a school district may expend, subject to the provisions of s. 200.065, up to $100 per unweighted full-time equivalent student from the revenue generated by the millage levy authorized by subsection (2) to fund, in addition to expenditures authorized in paragraphs (2)(a)-(j), expenses for the following:

(a) The purchase, lease-purchase, or lease of driver's education vehicles; motor vehicles used for the maintenance or operation of plants and equipment; security vehicles; or vehicles used in storing or distributing materials and equipment.

(b) Payment of the cost of premiums*, as defined in s. 627.403,* for property and casualty insurance necessary to insure school district educational and ancillary plants. *As used in this paragraph, casualty insurance has the same meaning as in s. 624.605(1)(d), (f), (g), (h), and (m).* Operating revenues that are made available through the payment of property and casualty insurance premiums from revenues generated under this subsection may be expended only for nonrecurring operational expenditures of the school district.

Section 37. *If the Commissioner of Education determines that a school district acted in good faith, he or she may waive the equal-dollar reduction required in s. 1011.71, Florida Statutes, for audit findings for the 2009-2010 fiscal year, and for expenditures made prior to January 1, 2011, in the 2010-2011 fiscal year for payment of premiums for property insurance and casualty insurance.*

Section 38. *Notwithstanding the repeal of s. 1012.225, Florida Statutes, in section 11 of Committee Substitute for House Bill 7087, state funding for the Merit Award Program in the Conference Report on Senate Bill 2000 is provided for payment of awards for 2010-2011 fiscal year teacher performance pursuant to s. 1012.225, Florida Statutes 2010.*

Section 39. Section 1013.737, Florida Statutes, is amended to read:

1013.737 The Class Size Reduction *and Educational Facilities* Lottery Revenue Bond Program.—There is established the Class Size Reduction *and Educational Facilities* Lottery Revenue Bond Program.

(1) The issuance of revenue bonds is authorized to finance or refinance the construction, acquisition, reconstruction, or renovation of educational facilities. Such bonds shall be issued pursuant to and in compliance with the provisions of s. 11(d), Art. VII of the State Constitution, the provisions of the State Bond Act, ss. 215.57-215.83, as amended, and the provisions of this section.

(2) The bonds are payable from, and secured by a first lien on, the first lottery revenues transferred to the Educational Enhancement Trust Fund each fiscal year, as provided by s. 24.121(2), and do not constitute a general obligation of, or a pledge of the full faith and credit of, the state.

(3) The state hereby covenants with the holders of such revenue bonds that it will not take any action that will materially and adversely affect the rights of such holders so long as bonds authorized by this section are outstanding. The state does hereby additionally authorize the establishment of a covenant in connection with the bonds which provides that any additional funds received by the state from new or enhanced lottery programs; video gaming; banking card games, including baccarat, chemin de fer, or blackjack; electronic or electromechanical facsimiles of any game of chance; casino games; slot machines; or other similar activities will first be available for payments relating to bonds pledging revenues available pursuant to s. 24.121(2), prior to use for any other purpose.

(4) The bonds shall be issued by the Division of Bond Finance of the State Board of Administration on behalf of the Department of Education in such amount as shall be requested by resolution of the State Board of Education. However, the total principal amount of bonds, excluding refunding bonds, issued pursuant to this section shall not exceed amounts specifically authorized in the General Appropriations Act.

(5) Proceeds available from the sale of the bonds shall be deposited in the Lottery Capital Outlay and Debt Service Trust Fund within the Department of Education.

(6) The facilities to be financed with the proceeds of such bonds are designated as state fixed capital outlay projects for purposes of s. 11(d), Art. VII of the State Constitution, and the specific facilities to be financed shall be determined in accordance with state law and appropriations from the Educational Enhancement Trust Fund. Projects shall be funded from the Lottery Capital Outlay and Debt Service Trust Fund. Each educational facility to be financed with the proceeds of the bonds issued pursuant to this section is hereby approved as required by s. 11(f), Art. VII of the State Constitution.

(7) Any complaint for validation of such bonds is required to be filed only in the circuit court of the county where the seat of state government is situated. The notice required to be published by s. 75.06 is required to be published only in the county where the complaint is filed, and the complaint and order of the circuit court need be served only on the state attorney of the circuit in which the action is pending.

(8) The Commissioner of Education shall provide for timely encumbrances of funds for duly authorized projects. Encumbrances may include proceeds to be received under a resolution approved by the State Board of Education authorizing issuance of class size reduction lottery bonds *or educational facilities bonds* pursuant to s. 11(d), Art. VII of the State Constitution, this section, and other applicable law.

Section 40. *Notwithstanding the repeal of s. 1003.62, Florida Statutes 2009, educational facility exemptions for the demolition and replacement of school buildings identified in accordance with Charter School District Addendum Number 2 and approved by the district school board prior to June 30, 2010, are extended to June 30, 2012.*

Section 41. *Notwithstanding the required review by the Legislative Budget Commission pursuant to s. 1003.03(4)(c), Florida Statutes, the Legislature hereby adopts by reference the alternate compliance calculation amounts to the class size operating categorical as set forth in Budget Amendment EOG #O2011-0074, as submitted by the Governor on March 2, 2011, on behalf of the Department of Education for approval by the Legislative Budget Commission. The Commissioner of Education shall modify payments to school districts for the 2010-2011 fiscal year con-*

sistent with the amendment and s. 1003.03, Florida Statutes. This section shall take effect upon this act becoming a law.

Section 42. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to K-12 education funding; amending s. 213.053, F.S.; authorizing the Department of Revenue to provide certain information regarding the gross receipts tax to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research; The Conference Committee Amendment for SB 2150, relating to Higher Education Appropriations Issues, provides for the following:

- Authorizes the Department of Revenue to provide information regarding gross receipts taxes to the State Board of Education, the Division of Bond Finance and the Office of Economic and Demographic Research. In making the determination of the amount of bonds that can be serviced by gross receipts tax the State Board of Education is to disregard the effects of a 2010 nonrecurring refund.

- Expands the class size reduction lottery bond program to include other educational facilities.

- Repeals certain responsibilities of the Department of Education for monitoring rehabilitation providers and services; repeals rehabilitation provider qualifications.

- Authorizes the implementation of a transient student admission application process through the Florida Academic Counseling Tracking for Students system to include admissions, readmissions, financial aid, and transfer of credit functions. Authorizes a fee of $5 to support the system.

- Designates the Northwest Regional Data Center as a primary data center.

- Requires an annual report on cost savings from collaborative licensing of electronic library resources.

• Authorizes the Florida Fund for Minority Teachers, Inc. to use other available funds for administration.

• Authorizes a spring and summer term student enrollment pilot program at the University of Florida for the purpose of aligning student enrollment and the availability of instructional facilities. Authorizes Bright Futures scholarships in the summer for these students.

• Updates the provisions related to tuition and out-of-state fees for postsecondary students in workforce, college, and university programs to include 2011-2012 tuition.

• Requires a block tuition and corresponding out-of-state fee for students enrolled in adult general education courses. Removes fee exemptions for certain students and requires residency of students to be documented.

• Authorizes college and school district workforce programs to use capital improvement fee revenue for the acquisition of improved real property.

• Authorizes college and school district workforce programs to charge a convenience fee for processing automated or online credit card payments.

• Authorizes the Board of Trustees of Santa Fe College to establish a transportation access fee of up to $6 if approved by a referendum held by student government.

• Provides an exemption from the 30 percent need-based expenditure requirement from the tuition differential fee if the university has covered the entire tuition and fee costs of all need-based students.

• Authorizes alternative documentation for tuition fee waivers for Purple Heart veterans.

• Increases the Florida Medallion Scholarship test scores in 2013-2014, from 1050 to 1170 for SAT, including the applicable home school test scores. Increases or establishes required community service hours for Bright Futures applicants.

• Requires applicants for Bright Futures, FRAG, and ABLE programs to submit the Free Application for Federal Student Aid prior to disbursement of funds.

• Increases the tuition surcharge for excess hours to 100 percent in excess of 115 percent of the credit hours required for a degree.

• Provides that funding for student financial aid and tuition assistance programs shall be as provided in the General Appropriations Act.

• Streamlines library operations through consolidation and joint purchasing. Requires creation of a union catalog for higher education.

• Prioritizes state student financial aid to the neediest (Pell eligible) students.

• Prohibits funding for coenrollment in public schools and adult general education programs, except that for the 2011-2012 fiscal year students may enroll in core courses for credit recovery or dropout prevention for up to two credits. High school students are exempt from the payment of block tuition for general adult education programs.

• Prohibits the use of state workforce education and Florida College funding for prison inmate education.

• Temporarily suspends the state match for facilities and operating challenge grant programs for colleges and universities, effective July 1, 2011. Existing eligible donations will remain eligible for future match. Removes the suspension once $200 million of the grant backlog has been matched.

• Allows a university board of trustees to expend carry-forward balances from prior year operational appropriations on legislatively approved fixed capital outlay projects authorized for the establishment of a new campus.

• Requires the Florida College System Council of Presidents to develop and recommend an equitable funding formula for the distribution of PECO funds to the college system institutions.

• Provides for the use of a funding formula to ensure equitable distribution of district workforce funds.

• Provides a $200,000 limit on the amount of state funds that may be paid for salaries of college and university presidents and administrative employees.

• Allows the Division of Blind Services to lease donated property.

• Provides that funds received from community events or festivals are not eligible for state match under the Philip Benjamin Matching Grant Program.

This bill substantially amends sections 213.053, 215.61, 440.491, 413.011, 1004.091, 1006.72, 1007.28, 1009.22, 1009.23, 1009.24, 1009.25, 1009.286, 1009.531, 1009.534, 1009.535, 1009.536, 1009.55, 1009.56, 1009.57, 1009.60, 1009.605, 1009.68, 1009.69, 1009.701, 1009.73, 1009.74, 1009.77, 1009.89, 1009.891, 1011.32, 1011.61, 1011.80, 1011.81, 1011.85, 1011.94, 1012.885, 1012.975, 1013.33, 1013.737, 1013.79 and creates sections 1004.649, 1009.21, 1009.215, 1012.886, 1012.976, and repeals sections 1013.63 of the Florida Statutes.

Conference Committee Amendment (177676)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (dd) is added to subsection (8) of section 213.053, Florida Statutes, as amended by chapter 2010-280, Laws of Florida, to read:

213.053 Confidentiality and information sharing.—

(8) Notwithstanding any other provision of this section, the department may provide:

(dd) Information relative to s. 215.61(6) to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research.

Disclosure of information under this subsection shall be pursuant to a written agreement between the executive director and the agency. Such agencies, governmental or nongovernmental, shall be bound by the same requirements of confidentiality as the Department of Revenue. Breach of confidentiality is a misdemeanor of the first degree, punishable as provided by s. 775.082 or s. 775.083.

Section 2. Subsection (6) is added to section 215.61, Florida Statutes, to read:

215.61 State system of public education capital outlay bonds.—

(6) In making the determination as required by subsection (3) of the amount that can be serviced by the gross receipts tax, the State Board of Education shall disregard the effects on the reported gross receipts tax revenues collected during a tax period of any refund paid by the Department of Revenue as a direct result of a refund request made pursuant to the settlement reached in In re: AT&T Mobility Wireless Data Services Sales Litigation, 270 F.R.D. 330, (Aug. 11, 2010). The Department of Revenue shall provide to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research the amount of any such refund and the tax period in which the refund is included.

Section 3. Section 440.491, Florida Statutes, is amended to read:

440.491 Reemployment of injured workers; rehabilitation.—

(1) DEFINITIONS.—As used in this section, the term:

(a) "Carrier" means group self-insurance funds or individual self-insureds authorized under this chapter and commercial funds or insurance entities authorized to write workers' compensation insurance under chapter 624.

(b) "Department" means the Department of Education.

(c) "Medical care coordination" includes, but is not limited to, coordinating physical rehabilitation services such as medical, psychiatric, or therapeutic treatment for the injured employee, providing health training to the employee and family, and monitoring the employee's recovery. The purposes of medical care coordination are to minimize the disability and recovery period without jeopardizing medical stability, to assure that proper medical treatment and other restorative services are timely provided in a logical sequence, and to contain medical costs.

(d) "~~Qualified~~ Rehabilitation provider" means a rehabilitation nurse, rehabilitation counselor, *or* vocational evaluator *providing*~~, rehabilitation facility, or agency approved by the Department of Education as qualified to provide~~ reemployment assessments, medical care coordination, reemployment services, or vocational evaluations under this *section, possessing one or more of the following nationally recognized rehabilitation provider credentials:*

1. Certified Rehabilitation Registered Nurse, C.R.R.N., certified by the Association of Rehab Professionals.

2. Certified Rehabilitation Counselor, C.R.C., certified by the Commission of Rehabilitation Counselor Certifications.

3. Certified Case Manager, C.C.M., certified by the Commission for Case Management Certification.

4. Certified Disability Management Specialist, C.D.M.S., certified by the Certified Disability Management Specialist Commission.

5. Certified Vocational Evaluator, C.V.E., certified by the Commission of Rehabilitation Counselor Certification.

6. Certified Occupational Health Nurse, C.O.H.N., certified by the American Board of Occupational Health Nurses ~~chapter~~.

(e) "Reemployment assessment" means a written assessment performed by a ~~qualified~~ rehabilitation provider which provides a comprehensive review of the medical diagnosis, treatment, and prognosis; includes conferences with the employer, physician, and claimant; and recommends a cost-effective physical and vocational rehabilitation plan to assist the employee in returning to suitable gainful employment.

(f) "Reemployment services" means services that include, but are not limited to, vocational counseling, job-seeking skills training, ergonomic job analysis, transferable skills analysis, selective job placement, labor market surveys, and arranging other services such as education or training, vocational and on-the-job, which may be needed by the employee to secure suitable gainful employment.

(g) "Reemployment status review" means a review to determine whether an injured employee is at risk of not returning to work.

(h) "Suitable gainful employment" means employment or self-employment that is reasonably attainable in light of the employee's age, education, work history, transferable skills, previous occupation, and injury, and which offers an opportunity to restore the individual as soon as practicable and as nearly as possible to his or her average weekly earnings at the time of injury.

(i) "Vocational evaluation" means a review of the employee's physical and intellectual capabilities, his or her aptitudes and achievements, and his or her work-related behaviors to identify the most cost-effective means toward the employee's return to suitable gainful employment.

(2) INTENT.—It is the intent of this section ~~to implement a systematic review by carriers of the factors that are predictive of longer-term disability and~~ to encourage the provision of medical care coordination and reemployment services that are necessary to assist the employee in returning to work as soon as is medically feasible.

(3) REEMPLOYMENT STATUS REVIEWS AND REPORTS.—

(a) When an employee who has suffered an injury compensable under this chapter is unemployed 60 days after the date of injury and is receiving benefits for temporary total disability, temporary partial disability, or wage loss, and has not yet been provided medical care coordination and reemployment services voluntarily by the carrier, the carrier must determine whether the employee is likely to return to work and must report its determination to the department *and the employee. The report shall include the identification of both the carrier and the employee, and the carrier claim number and any case number assigned by the Office of Judges of Compensation Claims.* The carrier must thereafter determine the reemployment status of the employee at 90-day intervals as long as the employee remains unemployed, is not receiving medical care coordination or reemployment services, and is receiving the benefits specified in this subsection.

(b) If medical care coordination or reemployment services are voluntarily undertaken within 60 days of the date of injury, such services may continue to be provided as agreed by the employee and the carrier.

(4) REEMPLOYMENT ASSESSMENTS.—

(a) The carrier may require the employee to receive a reemployment assessment as it considers appropriate. However, the carrier is encouraged to obtain a reemployment assessment if:

1. The carrier determines that the employee is at risk of remaining unemployed.

2. The case involves catastrophic or serious injury.

(b) The carrier shall authorize ~~only~~ a ~~qualified~~ rehabilitation provider to provide the reemployment assessment. The rehabilitation provider shall conduct its assessment and issue a report to the carrier *and*~~,~~ the employee~~, and the department~~ within 30 days after the time such assessment is complete.

(c) If the rehabilitation provider recommends that the employee receive medical care coordination or reemployment services, the carrier shall advise the employee of the recommendation and determine whether the employee wishes to receive such services. The employee shall have 15 days after the date of receipt of the recommendation in which to agree to accept such services. If the employee elects to receive services, the carrier may refer the employee to a rehabilitation provider for such coordination or services within 15 days of receipt of the assessment report or notice of the employee's election, whichever is later.

(5) MEDICAL CARE COORDINATION AND REEMPLOYMENT SERVICES.—

(a) Once the carrier has assigned a case to a ~~qualified~~ rehabilitation provider for medical care coordination or reemployment services, the provider shall develop a reemployment plan and submit the plan to the carrier and the employee for approval.

(b) If the rehabilitation provider concludes that training and education are necessary to return the employee to suitable gainful employment, or if the employee has not returned to suitable gainful employment within 180 days after referral for reemployment services or receives $2,500 in reemployment services, whichever comes first, the carrier must discontinue reemployment services and refer the employee to the department for a vocational evaluation. Notwithstanding any provision of chapter 289 or chapter 627, the cost of a reemployment assessment and the first $2,500 in reemployment services to an injured employee must not be treated as loss adjustment expense for workers' compensation ratemaking purposes.

(c) A carrier may voluntarily provide medical care coordination or reemployment services to the employee at intervals more frequent than those required in this section. ~~For the purpose of monitoring reemployment, the carrier or the rehabilitation provider shall report to the department, in the manner prescribed by the department, the date of reemployment and wages of the employee. The carrier shall report its voluntary service activity to the department as required by rule.~~ Voluntary services offered by the carrier for any of the following injuries must be considered benefits for purposes of ratemaking: traumatic brain injury; spinal cord injury; amputation, including loss of an eye or eyes; burns of 5 percent or greater of the total body surface.

(d) If medical care coordination or reemployment services have not been undertaken as prescribed in paragraph (3)(b), a ~~qualified~~ rehabilitation service provider, facility, or agency that performs a reemployment assessment shall not provide medical care coordination or reemployment services for the employees it assesses.

(6) TRAINING AND EDUCATION.—

(a) Upon referral of an injured employee by the carrier, or upon the request of an injured employee, the department shall conduct a training and education screening to determine whether it should refer the employee for a vocational evaluation and, if appropriate, approve training and education or other vocational services for the employee. *At the time of such referral, the carrier shall provide the department a copy of any reemployment assessment or reemployment plan provided to the carrier by a rehabilitation provider.* The department may not approve formal training and education programs unless it determines, after consideration of the reemployment assessment, ~~pertinent reemployment status reviews or reports, and such other relevant factors as it prescribes by rule,~~ that the reemployment plan is likely to result in return to suitable gainful employment. The department is authorized to expend moneys from the Workers' Compensation Administration Trust Fund, established by s. 440.50, to secure appropriate training and education at a Florida public college or at a career center established under s. 1001.44, or to secure other vocational services when necessary to satisfy the recommendation of a vocational evaluator. As used in this paragraph, "appropriate training and education" includes securing a general education diploma (GED), if necessary. The department shall *by rule* establish training and education standards pertaining to employee eligibility, course curricula and duration, and associated costs. For purposes of this subsection, training and education services may be secured from additional providers if:

1. The injured employee currently holds an associate degree and requests to earn a bachelor's degree not offered by a Florida public college located within 50 miles from his or her customary residence;

2. The injured employee's enrollment in an education or training program in a Florida public college or career center would be significantly delayed; or

3. The most appropriate training and education program is available only through a provider other than a Florida public college or career center or at a Florida public college or career center located more than 50 miles from the injured employee's customary residence.

(b) When an employee who has attained maximum medical improvement is unable to earn at least 80 percent of the compensation rate and requires training and education to obtain suitable gainful employment, the employer or carrier shall pay the employee additional training and education temporary total compensation benefits while the employee receives such training and education for a period not to exceed 26 weeks, which period may be extended for an additional 26 weeks or less, if such extended period is determined to be necessary and proper by a judge of compensation claims. The benefits provided under this paragraph shall not be in addition to the 104 weeks as specified in s. 440.15(2). However, a carrier or employer is not precluded from voluntarily paying additional temporary total disability compensation beyond that period. If an employee requires temporary residence at or near a facility or an institution providing training and education which is located more than 50 miles away from the employee's customary residence, the reasonable cost of board, lodging, or travel must be borne by the department from the Workers' Compensation Administration Trust Fund established by s. 440.50. An employee who refuses to accept training and education that is recommended by the vocational evaluator and considered necessary by the department will forfeit any additional training and education benefits and any additional payment for lost wages under this chapter. The ~~department shall adopt rules to implement this section, which shall include requirements placed upon the~~ carrier *shall* ~~to~~ notify the injured employee of the availability of training and education benefits as specified in this chapter. The Department *of Financial Services* shall ~~also~~ include information regarding the eligibility for training and education benefits in informational materials specified in ss. 440.207 and 440.40.

~~(7) PROVIDER QUALIFICATIONS.—~~

~~(a) The department shall investigate and maintain a directory of each qualified public and private rehabilitation provider, facility, and agency, and shall establish by rule the minimum qualifications, credentials, and requirements that each rehabilitation service provider, facility, and agency must satisfy to be eligible for listing in the directory. These minimum qualifications and credentials must be based on those generally accepted within the service specialty for which the provider, facility, or agency is approved.~~

~~(b) The department shall impose a biennial application fee of $25 for each listing in the directory, and all such fees must be deposited in the Workers' Compensation Administration Trust Fund.~~

~~(c) The department shall monitor and evaluate each rehabilitation service provider, facility, and agency qualified under this subsection to ensure its compliance with the minimum qualifications and credentials established by the department. The failure of a qualified rehabilitation service provider, facility, or agency to provide the department with information requested or access necessary for the department to satisfy its responsibilities under this subsection is grounds for disqualifying the provider, facility, or agency from further referrals.~~

~~(d) A qualified rehabilitation service provider, facility, or agency may not be authorized by an employer, a carrier, or the department to provide any services, including expert testimony, under this section in this state unless the provider, facility, or agency is listed or has been approved for listing in the directory. This restriction does not apply to services provided outside this state under this section.~~

~~(e) The department, after consultation with representatives of employees, employers, carriers, rehabilitation providers, and qualified training and education providers, shall adopt rules governing professional practices and standards.~~

~~(8) CARRIER PRACTICES. The department shall monitor the selection of providers and the provision of services by carriers under this section for consistency with legislative intent set forth in subsection (2).~~

(7)~~(9)~~ PERMANENT DISABILITY.—The judge of compensation claims may not adjudicate an injured employee as permanently and totally disabled until or unless the carrier is given the opportunity to provide a reemployment assessment.

Section 4. Paragraph (v) of subsection (3) of section 413.011, Florida Statutes, is amended to read:

413.011 Division of Blind Services, legislative policy, intent; internal organizational structure and powers; Rehabilitation Council for the Blind.—

(3) DIVISION STRUCTURE AND DUTIES.—The internal organizational structure of the Division of Blind Services shall be designed for the purpose of ensuring the greatest possible efficiency and effectiveness of services to the blind and to be consistent with chapter 20. The Division of Blind Services shall plan, supervise, and carry out the following activities:

(v) Receive moneys or properties by gift or bequest from any person, firm, corporation, or organization for any of the purposes herein set out, but without authority to bind the state to any expenditure or policy except such as may be specifically authorized by law. All such moneys or properties so received by gift or bequest as herein authorized may be disbursed and expended by the division upon its own warrant for any of the purposes herein set forth, and such moneys or properties shall not constitute or be considered a part of any legislative appropriation made by the state for the purpose of carrying out the provisions of this law. *When determined to be in the best interest of the division, the division may lease property received pursuant to this paragraph, and the Department of Education may enter into leases of property and sublease property on behalf of the division. Division and department leases and subleases may be to governmental, public, or nonprofit entities for the provision of blind, education, health, and other social service programs.*

Section 5. Subsection (2) of section 1004.091, Florida Statutes, is amended to read:

1004.091 Florida Distance Learning Consortium.—

(2) The Florida Distance Learning Consortium shall:

(a) Manage and promote the Florida Higher Education Distance Learning Catalog, established pursuant to s. 1004.09, to help increase student access to undergraduate distance learning courses and degree programs and to assist students seeking accelerated access in order to complete their degrees.

(b) *Beginning with the 2011-2012 academic year, implement* ~~Develop, in consultation with the Florida College System and the State University System, a plan to be submitted to the Board of Governors, the State Board of Education, the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than December 1, 2010, for implementing~~ a streamlined, automated, online registration process for *transient students who are* undergraduate students *currently enrolled and pursuing a degree at* ~~who have been admitted to~~ a public postsecondary educational institution and who *choose* ~~wish~~ to enroll in a course listed in the Florida Higher Education Distance Learning Catalog *which*~~, including courses offered by an institution that~~ is *offered by a public postsecondary educational institution that is* not the student's degree-granting ~~or home~~ institution. *The consortium shall work with the Florida College System and the State University System to implement this admissions application process requiring all state universities and state colleges to:* ~~The plan must describe how such a registration process can be implemented by the 2011-2012 academic year as an alternative to the standard registration process of each institution. The plan must also address:~~

1. Use the transient student admissions application available through the Florida Academic Counseling and Tracking for Students system established pursuant to s. 1007.28. This admissions application shall be the only one required for the enrollment of the transient student defined in this paragraph.

2. Implement the financial aid procedures required by the transient student admissions application process, which must include the involvement of the financial aid officers.

3. Transfer credit awarded by the institutions offering the distance learning course to the transient student's degree-granting institution.

4. By July 1, 2012, provide for an interface between the institutional system and the Florida Academic Counseling and Tracking for Students system in order to electronically send, receive, and process the transient admissions application.

~~1. Fiscal and substantive policy changes needed to address administrative, academic, and programmatic policies and procedures. Policy areas that the plan must address include, but need not be limited to, student financial aid issues, variations in fees, admission and readmission, registration prioritization issues, transfer of credit, and graduation requirements, with specific attention given to creating recommended guidelines that address students who attend more than one institution in pursuit of a degree.~~

~~2. A method for the expedited transfer of distance learning course credit awarded by an institution offering a distance learning course to a student's degree-granting or home institution upon the student's successful completion of the distance learning course.~~

~~3. Compliance with applicable technology security standards and guidelines to ensure the secure transmission of student information.~~

(c) Coordinate the negotiation of statewide licensing and preferred pricing agreements for distance learning resources and enter into agreements that result in cost savings with distance learning resource providers so that postsecondary educational institutions have the opportunity to benefit from the cost savings.

(d)1. Develop and operate a central instructional content repository that allows *public school and postsecondary educational institution users* ~~faculty~~ to search, locate, ~~and~~ use*, and contribute digital and electronic* instructional resources *and content*, including open access textbooks. In the development of *the* ~~a~~ repository, the consortium shall identify and seek partnerships ~~with similar national, state, and regional repositories~~ for the purpose of sharing instructional content. The consortium shall collaborate with the public ~~postsecondary~~ educational institutions to ensure that the repository:

a. *Is accessible by the* ~~Integrates with multiple~~ learning management systems used by the *public postsecondary educational* institutions *and the local instructional improvement systems established pursuant to s. 1006.281.*

b. Allows institutions to set appropriate copyright and access restrictions and track content usage.

c. Allows for appropriate customization.

d. Supports established protocols to access instructional content within other repositories.

2. *Provide to* ~~Develop, in consultation with~~ the *chancellors of the* Florida College System and the State University System, *recommendations* ~~a plan~~ for promoting and increasing the use of open access textbooks as a method for reducing textbook costs. The *recommendations* ~~plan shall be submitted to the Board of Governors, the State Board of Education, the Office of Policy and Budget in the Executive Office of the Governor, the chair of the Senate Policy and Steering Committee on Ways and Means, and the chair of the House Full Appropriations Council on Education & Economic Development no later than March 1, 2010, and~~ shall include:

~~a. An inventory of existing open access textbooks.~~

a.~~b.~~ *The* ~~A listing of~~ undergraduate courses, in particular the general education courses, that would be recommended for the use of open access textbooks.

b.~~c.~~ A standardized process for the review and approval of open access textbooks.

~~d. Recommendations for encouraging and promoting faculty development and use of open access textbooks.~~

~~e. Identification of barriers to the implementation of open access textbooks.~~

c.~~f.~~ Strategies for the production and distribution of open access textbooks to ensure such textbooks may be easily accessed, downloaded, printed, or obtained as a bound version by students at either reduced or no cost.

~~g. Identification of the necessary technology security standards and guidelines to safeguard the use of open access textbooks.~~

(e) Identify and evaluate new technologies and instructional methods that can be used for improving distance learning instruction, student learning, and the overall quality of undergraduate distance learning courses and degree programs.

(f) Identify methods that will improve student access to and completion of undergraduate distance learning courses and degree programs.

Section 6. Section 1004.649, Florida Statutes, is created to read:

1004.649 Northwest Regional Data Center.—

(1) For the purpose of serving its state agency customers, the Northwest Regional Data Center at Florida State University is designated as a primary data center and shall comply with the following:

(a) Operates under a governance structure that represents its customers proportionally.

(b) Maintains an appropriate cost-allocation methodology that accurately bills state agency customers based solely on the actual direct and indirect costs of the services provided to state agency customers, and prohibits the subsidization of nonstate agency customers' costs by state agency customers.

(c) Enters into a service-level agreement with each state agency customer to provide services as defined and approved by the governing board of the center. At a minimum, such service-level agreements must:

1. Identify the parties and their roles, duties, and responsibilities under the agreement;

2. State the duration of the agreement term and specify the conditions for renewal;

3. Identify the scope of work;

4. Establish the services to be provided, the business standards that must be met for each service, the cost of each service, and the process by

which the business standards for each service are to be objectively measured and reported;

5. Provide a timely billing methodology for recovering the cost of services provided; and

6. Provide a procedure for modifying the service-level agreement to address any changes in projected costs of service.

(d) Provides to the Board of Governors the total annual budget by major expenditure category, including, but not limited to, salaries, expenses, operating capital outlay, contracted services, or other personnel services by July 30 each fiscal year.

(e) Provides to each state agency customer its projected annual cost for providing the agreed-upon data center services by August 1 each fiscal year.

(2) The Northwest Regional Data Center's designation as a primary data center for purposes of serving its state agency customers may be terminated if:

(a) The center requests such termination to the Board of Governors, the Senate President, and the Speaker of the House of Representatives; or

(b) The center fails to comply with the provisions of this section.

(3) If such designation is terminated, the center shall have 1 year to provide for the transition of its state agency customers to the Southwood Shared Resource Center or the Northwood Shared Resource Center.

Section 7. Subsection (7) is added to section 1006.72, Florida Statutes, to read:

1006.72 Licensing electronic library resources.—

(7) REPORT.—The chancellors and vice chancellors of the Florida College System and the State University System shall annually report to the Executive Office of the Governor and the chairs of the legislative appropriations committees the cost savings realized as a result of the collaborative licensing process identified in this section.

Section 8. Subsection (5) is added to section 1007.28, Florida Statutes, to read:

1007.28 Computer-assisted student advising system.—The Department of Education, in conjunction with the Board of Governors, shall establish and maintain a single, statewide computer-assisted student advising system, which must be an integral part of the process of advising, registering, and certifying students for graduation and must be accessible to all Florida students. The state universities and community colleges shall interface institutional systems with the computer-assisted advising system required by this section. The State Board of Education and the Board of Governors shall specify in the statewide articulation agreement required by s. 1007.23(1) the roles and responsibilities of the department, the state universities, and the community colleges in the design, implementation, promotion, development, and analysis of the system. The system shall consist of a degree audit and an articulation component that includes the following characteristics:

(5) The system must provide the admissions application for transient students who are undergraduate students currently enrolled and pursuing a degree at a public postsecondary educational institution and who want to enroll in a course listed in the Florida Higher Education Distance Leaning Catalog which is offered by a public postsecondary educational institution that is not the student's degree-granting institution. This system must include the electronic transfer and receipt of information and records for the following functions:

(a) Admissions and readmissions;

(b) Financial aid; and

(c) Transfer of credit awarded by the institution offering the distance learning course to the transient student's degree-granting institution.

Section 9. Paragraph (g) of subsection (3) of section 1009.605, Florida Statutes, is amended to read:

1009.605 Florida Fund for Minority Teachers, Inc.—

(3) A board of directors shall administer the corporation. The Governor shall appoint to the board at least 15 but not more than 25 members, who shall serve terms of 3 years, except that 4 of the initial members shall serve 1-year terms and 4 shall serve 2-year terms. At least 4 members must be employed by public community colleges and at least 11 members must be employed by public or private postsecondary institutions that operate colleges of education. At least one member must be a financial aid officer employed by a postsecondary education institution operating in Florida. Administrative costs for support of the Board of Directors and the Florida Fund for Minority Teachers may not exceed 5 percent of funds allocated for the program. The board shall:

(g) Carry out the training program as required for the minority teacher education scholars program. No more than 5 percent of the funds appropriated *and up to $100,000 from other available funds* for the minority teacher education scholars program may be expended *annually* for administration, including administration of the required training program.

Section 10. Section 1009.215, Florida Statutes, is created to read:

1009.215 Student enrollment pilot program for the spring and summer terms.—

(1) Subject to approval by the Board of Governors, the University of Florida may plan and implement a student enrollment pilot program for the spring and summer terms for the purpose of aligning on-campus student enrollment and the availability of instructional facilities.

(2) The pilot program shall provide for a student cohort that is limited to on-campus enrollment during the spring and summer terms. Students in this cohort are not eligible for on-campus enrollment during the fall term.

(3) Students who are enrolled in the pilot program and who are eligible to receive Bright Futures Scholarships under ss. 1009.53-1009.536 shall be eligible to receive the scholarship award for attendance in the spring and summer terms, but are not eligible to receive the scholarship for attendance during the fall term.

(4) By January 31, 2013, the University of Florida shall report to the Board of Governors, the President of the Senate, and the Speaker of the House of Representatives regarding the result of the pilot program.

Section 11. Paragraphs (a) and (c) of subsection (3) and subsections (6) and (10) of section 1009.22, Florida Statutes, are amended, present subsection (12) of that section is redesignated as subsection (13), and a new subsection (12) is added to that section, to read:

1009.22 Workforce education postsecondary student fees.—

(3)(a) Except as otherwise provided by law, fees for students who are nonresidents for tuition purposes must offset the full cost of instruction. *Residency of students shall be determined as required in s. 1009.21.* Fee-nonexempt students enrolled in vocational-preparatory instruction shall be charged fees equal to the fees charged for *adult general education programs* ~~certificate career education instruction~~. Each community college that conducts college-preparatory and vocational-preparatory instruction in the same class section may charge a single fee for both types of instruction.

(c) *Effective July 1, 2011, for programs leading to a career certificate or an applied technology diploma, the standard tuition shall be $2.22 per contact hour for residents and nonresidents and the out-of-state fee shall be $6.66 per contact hour. For adult general education programs, a block tuition of $45 per half year or $30 per term shall be assessed for residents and nonresidents, and the out-of-state fee shall be $135 per half year or $90 per term. Each district school board and Florida College System institution board of trustees shall adopt policies and procedures for the collection of and accounting for the expenditure of the block tuition. All funds received from the block tuition shall be used only for adult general education programs. Students enrolled in adult general education programs may not be assessed the fees authorized in subsection (5), subsection (6), or subsection (7).* ~~Effective January 1, 2008, standard tuition shall be $1.67 per contact hour for programs leading to a career certificate or an applied technology diploma and 83 cents for adult general~~

~~education programs. The out-of-state fee per contact hour shall be three times the standard tuition per contact hour.~~

(6)(a) Each district school board and community college board of trustees may establish a separate fee for capital improvements, technology enhancements, ~~or~~ equipping buildings*, or the acquisition of improved real property* which may not exceed 5 percent of tuition for resident students or 5 percent of tuition and out-of-state fees for nonresident students. Funds collected by community colleges through the fee may be bonded only for the purpose of financing or refinancing new construction and equipment, renovation, ~~or~~ remodeling of educational facilities*, or the acquisition of improved real property for use as educational facilities*. The fee shall be collected as a component part of the tuition and fees, paid into a separate account, and expended only to *acquire improved real property or* construct and equip, maintain, improve, or enhance the certificate career education or adult education facilities of the school district or *the educational facilities of the* community college. Projects *and acquisitions of improved real property* funded through the use of the capital improvement fee must meet the survey and construction requirements of chapter 1013. Pursuant to s. 216.0158, each district school board and community college board of trustees shall identify each project, including maintenance projects, proposed to be funded in whole or in part by such fee. Capital improvement fee revenues may be pledged by a board of trustees as a dedicated revenue source to the repayment of debt, including lease-purchase agreements, with an overall term of not more than 7 years, including renewals, extensions, and refundings, and revenue bonds with a term not exceeding 20 years and not exceeding the useful life of the asset being financed, only for the new construction and equipment, renovation, or remodeling of educational facilities. Bonds authorized pursuant to this paragraph shall be requested by the community college board of trustees and shall be issued by the Division of Bond Finance in compliance with s. 11(d), Art. VII of the State Constitution and the State Bond Act. The Division of Bond Finance may pledge fees collected by one or more community colleges to secure such bonds. Any project included in the approved educational plant survey pursuant to chapter 1013 is approved pursuant to s. 11(f), Art. VII of the State Constitution. Bonds issued pursuant to the State Bond Act may be validated in the manner provided by chapter 75. The complaint for such validation shall be filed in the circuit court of the county where the seat of state government is situated, the notice required to be published by s. 75.06 shall be published only in the county where the complaint is filed, and the complaint and order of the circuit court shall be served only on the state attorney of the circuit in which the action is pending. A maximum of 15 cents per credit hour may be allocated from the capital improvement fee for child care centers conducted by the district school board or community college board of trustees. The use of capital improvement fees for such purpose shall be subordinate to the payment of any bonds secured by the fees.

(b) The state does hereby covenant with the holders of the bonds issued under paragraph (a) that it will not take any action that will materially and adversely affect the rights of such holders so long as the bonds authorized by paragraph (a) are outstanding.

(10) Each school district and community college may assess a service charge for the payment of tuition and fees in installments *and a convenience fee for the processing of automated or online credit card payments. However, the amount of the convenience fee for automated or online credit card payments may not exceed the total cost charged by the credit card company to the school district or Florida College System institution.* Such service charge *or convenience fee* must be approved by the district school board or community college board of trustees.

(12)(a) The Board of Trustees of Santa Fe College may establish a transportation access fee. Revenue from the fee may be used only to provide or improve access to transportation services for students enrolled at Santa Fe College. The fee may not exceed $6 per credit hour. An increase in the transportation access fee may occur only once each fiscal year and must be implemented beginning with the fall term. A referendum must be held by the student government to approve the application of the fee.

(b) Notwithstanding ss. 1009.534, 1009.535, and 1009.536, the transportation access fee authorized under paragraph (a) may not be included in calculating the amount a student receives for a Florida Academic Scholars award, a Florida Medallion Scholars award, or a Florida Gold Seal Vocational Scholars award.

Section 12. Paragraphs (a) and (b) of subsection (3), paragraph (c) of subsection (8), and paragraph (a) of subsection (11) of section 1009.23, Florida Statutes, are amended, present subsection (17) of that section is redesignated as subsection (19), and new subsections (17) and (18) are added to that section, to read:

1009.23 Community college student fees.—

(3)(a) Effective *July 1, 2011* ~~January 1, 2008~~, for advanced and professional, postsecondary vocational, college preparatory, and educator preparation institute programs, ~~the following tuition and fee rates shall apply:~~

~~1.~~ the standard tuition shall be *$68.56 per credit hour for residents and nonresidents, and the out-of-state fee shall be $205.82 per credit hour* ~~$51.35 per credit hour for students who are residents for tuition purposes~~.

~~2. The standard tuition shall be $51.35 per credit hour and the out-of-state fee shall be $154.14 per credit hour for students who are nonresidents for tuition purposes.~~

(b) Effective *July 1, 2011* ~~January 1, 2008~~, for baccalaureate degree programs, the following tuition and fee rates shall apply:

1. The tuition shall be *$87.42* ~~$65.47~~ per credit hour for students who are residents for tuition purposes.

2. The sum of the tuition and the out-of-state fee per credit hour for students who are nonresidents for tuition purposes shall be no more than 85 percent of the sum of the tuition and the out-of-state fee at the state university nearest the community college.

(8)

(c) Up to 25 percent or $600,000, whichever is greater, of the financial aid fees collected may be used to assist students who demonstrate academic merit; who participate in athletics, public service, cultural arts, and other extracurricular programs as determined by the institution; or who are identified as members of a targeted gender or ethnic minority population. The financial aid fee revenues allocated for athletic scholarships and *any* fee exemptions provided *to athletes* pursuant to s. 1009.25*(2)*~~(3)~~ *must* ~~for athletes shall~~ be distributed equitably as required by s. 1000.05(3)(d). A minimum of 75 percent of the balance of these funds for new awards shall be used to provide financial aid based on absolute need, and the remainder of the funds shall be used for academic merit purposes and other purposes approved by the boards of trustees. Such other purposes shall include the payment of child care fees for students with financial need. The State Board of Education shall develop criteria for making financial aid awards. Each college shall report annually to the Department of Education on the revenue collected pursuant to this paragraph, the amount carried forward, the criteria used to make awards, the amount and number of awards for each criterion, and a delineation of the distribution of such awards. The report shall include an assessment by category of the financial need of every student who receives an award, regardless of the purpose for which the award is received. Awards *that* ~~which~~ are based on financial need shall be distributed in accordance with a nationally recognized system of need analysis approved by the State Board of Education. An award for academic merit *requires* ~~shall require~~ a minimum overall grade point average of 3.0 on a 4.0 scale or the equivalent for both initial receipt of the award and renewal of the award.

(11)(a) Each community college board of trustees may establish a separate fee for capital improvements, technology enhancements, ~~or~~ equipping student buildings*, or the acquisition of improved real property* which may not exceed 10 percent of tuition for resident students or 10 percent of the sum of tuition and out-of-state fees for nonresident students. The fee for resident students shall be limited to an increase of $2 per credit hour over the prior year. Funds collected by community colleges through the fee may be bonded only as provided in this subsection for the purpose of financing or refinancing new construction and equipment, renovation, ~~or~~ remodeling of educational facilities*, or the acquisition and renovation or remodeling of improved real property for use as educational facilities*. The fee shall be collected as a component part of the tuition and fees, paid into a separate account, and expended only to *acquire improved real property or* construct and equip, maintain, improve, or enhance the educational facilities of the community college.

Projects *and acquisitions of improved real property* funded through the use of the capital improvement fee shall meet the survey and construction requirements of chapter 1013. Pursuant to s. 216.0158, each community college shall identify each project, including maintenance projects, proposed to be funded in whole or in part by such fee.

(17) Each Florida College System institution that accepts transient students, pursuant to s. 1004.091, may establish a transient student fee not to exceed $5 per distance learning course for processing the transient student admissions application.

(18)(a) The Board of Trustees of Santa Fe College may establish a transportation access fee. Revenue from the fee may be used only to provide or improve access to transportation services for students enrolled at Santa Fe College. The fee may not exceed $6 per credit hour. An increase in the transportation access fee may occur only once each fiscal year and must be implemented beginning with the fall term. A referendum must be held by the student government to approve the application of the fee.

(b) Notwithstanding ss. 1009.534, 1009.535, and 1009.536, the transportation access fee authorized under paragraph (a) may not be included in calculating the amount a student receives for a Florida Academic Scholars award, a Florida Medallion Scholars award, or a Florida Gold Seal Vocational Scholars award.

Section 13. Paragraph (a) of subsection (4) and paragraph (a) of subsection (16) of section 1009.24, Florida Statutes, are amended, and paragraph (t) is added to subsection (14) of that section, to read:

1009.24 State university student fees.—

(4)(a) Effective *July 1, 2011,* ~~January 1, 2008,~~ the resident undergraduate tuition for lower-level and upper-level coursework shall be *$103.32* ~~$77.39~~ per credit hour.

(14) Except as otherwise provided in subsection (15), each university board of trustees is authorized to establish the following fees:

(t) A transient student fee that may not exceed $5 per distance learning course for accepting a transient student and processing the transient student admissions application pursuant to s. 1004.091.

With the exception of housing rental rates and except as otherwise provided, fees assessed pursuant to paragraphs (h)-(s) shall be based on reasonable costs of services. The Board of Governors shall adopt regulations and timetables necessary to implement the fees and fines authorized under this subsection. The fees assessed under this subsection may be used for debt only as authorized under s. 1010.62.

(16) Each university board of trustees may establish a tuition differential for undergraduate courses upon receipt of approval from the Board of Governors. The tuition differential shall promote improvements in the quality of undergraduate education and shall provide financial aid to undergraduate students who exhibit financial need.

(a) Seventy percent of the revenues from the tuition differential shall be expended for purposes of undergraduate education. Such expenditures may include, but are not limited to, increasing course offerings, improving graduation rates, increasing the percentage of undergraduate students who are taught by faculty, decreasing student-faculty ratios, providing salary increases for faculty who have a history of excellent teaching in undergraduate courses, improving the efficiency of the delivery of undergraduate education through academic advisement and counseling, and reducing the percentage of students who graduate with excess hours. This expenditure for undergraduate education may not be used to pay the salaries of graduate teaching assistants. Except as otherwise provided in this subsection, the remaining 30 percent of the revenues from the tuition differential, or the equivalent amount of revenue from private sources, shall be expended to provide financial aid to undergraduate students who exhibit financial need, including students who are scholarship recipients under s. 1009.984, to meet the cost of university attendance. This expenditure for need-based financial aid shall not supplant the amount of need-based aid provided to undergraduate students in the preceding fiscal year from financial aid fee revenues, the direct appropriation for financial assistance provided to state universities in the General Appropriations Act, or from private sources. The total amount of tuition differential waived under subparagraph (b)8. may be included in calculating the expenditures for need-based financial aid to undergraduate students required by this subsection. *If the entire tuition and fee costs of resident students who have applied for and received Pell Grant funds have been met and the university has excess funds remaining from the 30 percent of the revenues from the tuition differential required to be used to assist students who exhibit financial need, the university may expend the excess portion in the same manner as required for the other 70 percent of the tuition differential revenues.*

Section 14. Section 1009.25, Florida Statutes, is amended to read:

1009.25 Fee exemptions.—

~~(1) The following Students are exempt from any requirement for the payment of tuition and fees, including lab fees, for adult basic, adult secondary, or career preparatory instruction:~~

~~(a) A student who does not have a high school diploma or its equivalent.~~

~~(b) A student who has a high school diploma or its equivalent and who has academic skills at or below the eighth grade level pursuant to state board rule. A student is eligible for this exemption from fees if the student's skills are at or below the eighth grade level as measured by a test administered in the English language and approved by the Department of Education, even if the student has skills above that level when tested in the student's native language.~~

(1)~~(2)~~ The following students are exempt from the payment of tuition and fees, including lab fees, at a school district that provides postsecondary career programs, community college, or state university:

(a) A student enrolled in a dual enrollment or early admission program pursuant to s. 1007.27 or s. 1007.271.

(b) A student enrolled in an approved apprenticeship program, as defined in s. 446.021.

(c) A student who is or was at the time he or she reached 18 years of age in the custody of the Department of Children and Family Services or who, after spending at least 6 months in the custody of the department after reaching 16 years of age, was placed in a guardianship by the court. Such exemption includes fees associated with enrollment in career-preparatory instruction. The exemption remains valid until the student reaches 28 years of age.

(d) A student who is or was at the time he or she reached 18 years of age in the custody of a relative under s. 39.5085 or who was adopted from the Department of Children and Family Services after May 5, 1997. Such exemption includes fees associated with enrollment in career-preparatory instruction. The exemption remains valid until the student reaches 28 years of age.

(e) A student enrolled in an employment and training program under the welfare transition program. The regional workforce board shall pay the state university, community college, or school district for costs incurred for welfare transition program participants.

(f) A student who lacks a fixed, regular, and adequate nighttime residence or whose primary nighttime residence is a public or private shelter designed to provide temporary residence for individuals intended to be institutionalized, or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(g) A student who is a proprietor, owner, or worker of a company whose business has been at least 50 percent negatively financially impacted by the buyout of property around Lake Apopka by the State of Florida. Such student may receive a fee exemption only if the student has not received compensation because of the buyout, the student is designated a Florida resident for tuition purposes, pursuant to s. 1009.21, and the student has applied for and been denied financial aid, pursuant to s. 1009.40, which would have provided, at a minimum, payment of all student fees. The student is responsible for providing evidence to the postsecondary education institution verifying that the conditions of this paragraph have been met, including supporting documentation provided by the Department of Revenue. The student must be currently enrolled in, or begin coursework within, a program area by fall semester 2000. The exemption is valid for a period of 4 years after

the date that the postsecondary education institution confirms that the conditions of this paragraph have been met.

(2)~~(3)~~ Each community college is authorized to grant student fee exemptions from all fees adopted by the State Board of Education and the community college board of trustees for up to 40 full-time equivalent students at each institution.

Section 15. Subsection (8) of section 1009.26, Florida Statutes, is amended to read:

1009.26 Fee waivers.—

(8) A state university or community college shall waive undergraduate tuition for each recipient of a Purple Heart or another combat decoration superior in precedence who:

(a) Is enrolled as a full-time, part-time, or summer-school student in an undergraduate program that terminates in a degree or certificate;

(b) Is currently, and was at the time of the military action that resulted in the awarding of the Purple Heart or other combat decoration superior in precedence, a resident of this state; and

(c) Submits to the state university or the community college the DD-214 form issued at the time of separation from service as documentation that the student has received a Purple Heart or another combat decoration superior in precedence. *If the DD-214 is not available, other documentation may be acceptable if recognized by the United States Department of Defense or the United States Department of Veterans Affairs as documenting the award.*

Such a waiver for a Purple Heart recipient or recipient of another combat decoration superior in precedence shall be applicable for 110 percent of the number of required credit hours of the degree or certificate program for which the student is enrolled.

Section 16. Subsections (2) and (7) of section 1009.286, Florida Statutes, are amended to read:

1009.286 Additional student payment for hours exceeding baccalaureate degree program completion requirements at state universities.—

(2) State universities shall require a student to pay an excess hour surcharge equal to *100* ~~50~~ percent of the tuition rate for each credit hour in excess of *115* ~~120~~ percent of the number of credit hours required to complete the baccalaureate degree program in which the student is enrolled.

(7) The provisions of this section become effective for students who enter a community college or a state university for the first time in the *2011-2012* ~~2009-2010~~ academic year and thereafter.

Section 17. Paragraphs (b) and (c) of subsection (6) of section 1009.531, Florida Statutes, are amended, and subsection (7) is added to that section, to read:

1009.531 Florida Bright Futures Scholarship Program; student eligibility requirements for initial awards.—

(6)

(b) The State Board of Education shall publicize the examination score required for a student to be eligible for a Florida Medallion Scholars award, pursuant to s. 1009.535(1)(a) or (b), as follows:

1. For high school students graduating in the 2010-2011 academic year, the student must earn an SAT score of 970 or a concordant ACT score of 20 or the student in a home education program whose parent cannot document a college-preparatory curriculum must earn an SAT score of 1070 or a concordant ACT score of 23.

2. For high school students graduating in the 2011-2012 academic year, the student must earn an SAT score of 980 which corresponds to the 44th SAT percentile rank or a concordant ACT score of 21 or the student in a home education program whose parent cannot document a college-preparatory curriculum must earn an SAT score of 1070 or a concordant ACT score of 23.

3. For high school students graduating in the 2012-2013 academic year, the student must earn an SAT score of 1020 which corresponds to the *51st* ~~50th~~ SAT percentile rank or a concordant ACT score of 22 or the student in a home education program whose parent cannot document a college-preparatory curriculum must earn an SAT score of 1070 or a concordant ACT score of 23.

4. For high school students graduating in the 2013-2014 academic year and thereafter, the student must earn an SAT score of *1170* ~~1050~~ which corresponds to the *75th* ~~56th~~ SAT percentile rank or a concordant ACT score of *26* ~~23~~ or the student in a home education program whose parent cannot document a college-preparatory curriculum must earn an SAT score of *1220* ~~1100~~ or a concordant ACT score of *27* ~~24~~.

(c) The SAT percentile ranks and corresponding SAT scores specified in paragraphs (a) and (b) are based on the SAT percentile ranks for *2010* ~~2009~~ college-bound seniors in critical reading and mathematics as reported by the College Board. The next highest SAT score is used when the percentile ranks do not directly correspond.

(7) To be eligible for an award under the Florida Bright Futures Scholarship Program, a student must submit a Free Application for Federal Student Aid which is complete and error free prior to disbursement.

Section 18. Subsection (1) of section 1009.534, Florida Statutes, is amended to read:

1009.534 Florida Academic Scholars award.—

(1) A student is eligible for a Florida Academic Scholars award if the student meets the general eligibility requirements for the Florida Bright Futures Scholarship Program and the student:

(a) Has achieved a 3.5 weighted grade point average as calculated pursuant to s. 1009.531, or its equivalent, in high school courses that are designated by the State Board of Education as college-preparatory academic courses; and has attained at least the score pursuant to s. 1009.531(6)(a) on the combined verbal and quantitative parts of the Scholastic Aptitude Test, the Scholastic Assessment Test, or the recentered Scholastic Assessment Test of the College Entrance Examination, or an equivalent score on the ACT Assessment Program;

Section 33. Subsection (13) is added to section 1011.32, Florida Statutes, to read:

1011.32 Community College Facility Enhancement Challenge Grant Program.—

(13) Effective July 1, 2011, state matching funds are temporarily suspended for donations received for the program on or after June 30, 2011. Existing eligible donations remain eligible for future matching funds. The program may be restarted after $200 million of the backlog for programs under ss. 1011.32, 1011.85, 1011.94, and 1013.79 have been matched.

Section 34. Paragraph (c) of subsection (1) of section 1011.61, Florida Statutes, is amended to read:

1011.61 Definitions.—Notwithstanding the provisions of s. 1000.21, the following terms are defined as follows for the purposes of the Florida Education Finance Program:

(1) A "full-time equivalent student" in each program of the district is defined in terms of full-time students and part-time students as follows:

(c)1. A "full-time equivalent student" is:

a. A full-time student in any one of the programs listed in s. 1011.62(1)(c); or

b. A combination of full-time or part-time students in any one of the programs listed in s. 1011.62(1)(c) which is the equivalent of one full-time student based on the following calculations:

(I) A full-time student~~, except a postsecondary or adult student or a senior high school student enrolled in adult education when such courses are required for high school graduation,~~ in a combination of programs listed in s. 1011.62(1)(c) shall be a fraction of a full-time equivalent membership in each special program equal to the number of net hours per school year for which he or she is a member, divided by the appropriate number of hours set forth in subparagraph (a)1. or subparagraph (a)2. The difference between that fraction or sum of fractions and the maximum value as set forth in subsection (4) for each full-time student is presumed to be the balance of the student's time not spent in such

special education programs and shall be recorded as time in the appropriate basic program.

(II) A prekindergarten handicapped student shall meet the requirements specified for kindergarten students.

(III) A full-time equivalent student for students in kindergarten through grade 5 in a school district virtual instruction program under s. 1002.45 shall consist of a student who has successfully completed a basic program listed in s. 1011.62(1)(c)1.a. or b., and who is promoted to a higher grade level.

(IV) A full-time equivalent student for students in grades 6 through 12 in a school district virtual instruction program under s. 1002.45(1)(b) 1. and 2. shall consist of six full credit completions in programs listed in s. 1011.62(1)(c)1.b. or c. and 3. Credit completions can be a combination of either full credits or half credits.

(V) A Florida Virtual School full-time equivalent student shall consist of six full credit completions in the programs listed in s. 1011.62(1)(c) 1.b. for grades 6 through 8 and the programs listed in s. 1011.62(1)(c)1.c. for grades 9 through 12. Credit completions can be a combination of either full credits or half credits.

(VI) Each successfully completed credit earned under the alternative high school course credit requirements authorized in s. 1002.375, which is not reported as a portion of the 900 net hours of instruction pursuant to subparagraph (1)(a)1., shall be calculated as $^1/_6$ FTE.

2. A student in membership in a program scheduled for more or less than 180 school days or the equivalent on an hourly basis as specified by rules of the State Board of Education is a fraction of a full-time equivalent membership equal to the number of instructional hours in membership divided by the appropriate number of hours set forth in subparagraph (a)1.; however, for the purposes of this subparagraph, membership in programs scheduled for more than 180 days is limited to students enrolled in juvenile justice education programs and the Florida Virtual School.

The department shall determine and implement an equitable method of equivalent funding for experimental schools and for schools operating under emergency conditions, which schools have been approved by the department to operate for less than the minimum school day.

Section 35. Subsections (6), (7), and (10) of section 1011.80, Florida Statutes, are amended to read:

1011.80 Funds for operation of workforce education programs.—

(6)(a) A school district or a community college that provides workforce education programs shall receive funds in accordance with distributions for base and performance funding established by the Legislature in the General Appropriations Act. *To ensure equitable funding for all school district workforce education programs and to recognize enrollment growth, the Department of Education shall use the funding model developed by the District Workforce Education Funding Steering Committee to determine each district's workforce education funding needs. To assist the Legislature in allocating workforce education funds in the General Appropriations Act, the funding model shall annually be provided to the legislative appropriations committees no later than March 1.* ~~If the General Appropriations Act does not provide for the distribution of funds, the following methodology shall apply:~~

~~1. Base funding shall be allocated based on weighted enrollment and shall not exceed 90 percent of the allocation. The Department of Education shall develop a funding process for school district workforce education programs that is comparable with community college workforce programs.~~

~~2. Performance funding shall be at least 10 percent of the allocation, based on the previous fiscal year's achievement of output and outcomes in accordance with formulas adopted pursuant to subsection (10). Performance funding must incorporate payments for at least three levels of placements that reflect wages and workforce demand. Payments for completions must not exceed 60 percent of the payments for placement. School districts and community colleges shall be awarded funds pursuant to this paragraph based on performance output data and performance outcome data available in that year.~~

(b) A program is established to assist school districts and community colleges in responding to the needs of new and expanding businesses and thereby strengthening the state's workforce and economy. The program may be funded in the General Appropriations Act. ~~A school district or community college may expend funds under the program without regard to performance criteria set forth in subparagraph (a)2.~~ The district or community college shall use the program to provide customized training for businesses which satisfies the requirements of s. 288.047. Business firms whose employees receive the customized training must provide 50 percent of the cost of the training. Balances remaining in the program at the end of the fiscal year shall not revert to the general fund, but shall be carried over for 1 additional year and used for the purpose of serving incumbent worker training needs of area businesses with fewer than 100 employees. Priority shall be given to businesses that must increase or upgrade their use of technology to remain competitive.

(7)*(a)* A school district or community college that receives workforce education funds must use the money to benefit the workforce education programs it provides. The money may be used for equipment upgrades, program expansions, or any other use that would result in workforce education program improvement. The district school board or community college board of trustees may not withhold any portion of the performance funding for indirect costs.

(b) State funds provided for the operation of postsecondary workforce programs may not be expended for the education of state or federal inmates.

(10) A high school student dually enrolled under s. 1007.271 in a workforce education program operated by a community college or school district career center generates the amount calculated for workforce education funding, including any payment of performance funding, and the proportional share of full-time equivalent enrollment generated through the Florida Education Finance Program for the student's enrollment in a high school. If a high school student is dually enrolled in a community college program, including a program conducted at a high school, the community college earns the funds generated for workforce education funding, and the school district earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a career center operated by the same district as the district in which the student attends high school, that district earns the funds generated for workforce education funding and also earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a workforce education program provided by a career center operated by a different school district, the funds must be divided between the two school districts proportionally from the two funding sources. A student may not be reported for funding in a dual enrollment workforce education program unless the student has completed the basic skills assessment pursuant to s. 1004.91. *A student who is coenrolled in a K-12 education program and an adult education program may not be reported for purposes of funding in an adult education program, except that for the 2011-2012 fiscal year only, students who are coenrolled in core curricula courses for credit recovery or dropout prevention purposes may be reported for funding for up to two courses per student. Such students are exempt from the payment of the block tuition for adult general education programs provided in s. 1009.22(3)(c).*

Section 36. Subsection (3) is added to section 1011.81, Florida Statutes, to read:

1011.81 Community College Program Fund.—

(3) State funds provided for the Community College Program Fund may not be expended for the education of state or federal inmates.

Section 37. Subsection (2) of section 1011.85, Florida Statutes, is amended, and subsection (13) is added to that section, to read:

1011.85 Dr. Philip Benjamin Matching Grant Program for Community Colleges.—

(2) Each community college board of trustees receiving state appropriations under this program shall approve each gift to ensure alignment with the unique mission of the community college. The board of trustees must link all requests for a state match to the goals and mission statement. The Florida Community College Foundation Board receiving state appropriations under this program shall approve each gift to ensure

alignment with its goals and mission statement. *Funds received from community events and festivals are not eligible for state matching funds under this program.*

(13) Effective July 1, 2011, state matching funds are temporarily suspended for donations received for this program on or after June 30, 2011. Existing eligible donations remain eligible for future matching funds. The program may be restarted after $200 million of the backlog for programs under ss. 1011.32, 1011.85, 1011.94, and 1013.79 have been matched.

Section 38. Subsection (8) is added to section 1011.94, Florida Statutes, to read:

1011.94 University Major Gifts Program.—

(8) Effective July 1, 2011, state matching funds are temporarily suspended for donations received for this program on or after June 30, 2011. Existing eligible donations remain eligible for future matching funds. The program may be restarted after $200 million of the backlog for programs under ss. 1011.32, 1011.85, 1011.94, and 1013.79 have been matched.

Section 39. Subsection (4) is added to section 1012.885, Florida Statutes, to read:

1012.885 Remuneration of community college presidents; limitations.—

(4) LIMITATION ON REMUNERATION.—Notwithstanding the provisions of this section, for the 2011-2012 fiscal year, a Florida College System institution president may not receive more than $200,000 in remuneration from appropriated state funds. Only compensation, as defined in s. 121.021(22), provided to a Florida College System institution president may be used in calculating benefits under chapter 121.

Section 40. Section 1012.886, Florida Statutes, is created to read:

1012.886 Remuneration of Florida College System institution administrative employees; limitations.—

(1) DEFINITIONS.—As used in this section, the term:

(a) "Appropriated state funds" means funds appropriated from the General Revenue Fund or funds appropriated from state trust funds.

(b) "Cash-equivalent compensation" means any benefit that may be assigned an equivalent cash value.

(c) "Remuneration" means salary, bonuses, and cash-equivalent compensation paid to a Florida College System institution administrative employee by his or her employer for work performed, excluding health insurance benefits and retirement benefits.

(2) LIMITATION ON COMPENSATION.—Notwithstanding any other law, resolution, or rule to the contrary, a Florida College System institution administrative employee may not receive more than $200,000 in remuneration annually from appropriated state funds. Only compensation, as such term is defined in s. 121.021(22), provided to a Florida College System institution administrative employee may be used in calculating benefits under chapter 121.

(3) EXCEPTIONS.—This section does not prohibit any party from providing cash or cash-equivalent compensation from funds that are not appropriated state funds to a Florida College System institution administrative employee in excess of the limit in subsection (2). If a party is unable or unwilling to fulfill an obligation to provide cash or cash-equivalent compensation to a Florida College System institution administrative employee as permitted under this subsection, appropriated state funds may not be used to fulfill such obligation. This section does not apply to Florida College System institution teaching faculty.

(4) EXPIRATION.—This section expires June 30, 2012.

Section 41. Subsection (4) is added to section 1012.975, Florida Statutes, to read:

1012.975 Remuneration of state university presidents; limitations.—

(4) LIMITATION ON REMUNERATION.—Notwithstanding the provisions of this section, for the 2011-2012 fiscal year, a state university president may not receive more than $200,000 in remuneration from public funds. Only compensation, as defined in s. 121.021(22), provided to a state university president may be used in calculating benefits under chapter 121.

Section 42. Section 1012.976, Florida Statutes, is created to read:

1012.976 Remuneration of state university administrative employees; limitations.—

(1) DEFINITIONS.—As used in this section, the term:

(a) "Appropriated state funds" means funds appropriated from the General Revenue Fund or funds appropriated from state trust funds.

(b) "Cash-equivalent compensation" means any benefit that may be assigned an equivalent cash value.

(c) "Remuneration" means salary, bonuses, and cash-equivalent compensation paid to a state university administrative employee by his or her employer for work performed, excluding health insurance benefits and retirement benefits.

(2) LIMITATION ON COMPENSATION.—Notwithstanding any other law, resolution, or rule to the contrary, a state university administrative employee may not receive more than $200,000 in remuneration annually from appropriated state funds. Only compensation, as such term is defined in s. 121.021(22), provided to a state university administrative employee may be used in calculating benefits under chapter 121.

(3) EXCEPTIONS.—This section does not prohibit any party from providing cash or cash-equivalent compensation from funds that are not appropriated state funds to a state university administrative employee in excess of the limit in subsection (2). If a party is unable or unwilling to fulfill an obligation to provide cash or cash-equivalent compensation to a state university administrative employee as permitted under this subsection, appropriated state funds may not be used to fulfill such obligation. This section does not apply to university teaching faculty or medical school faculty or staff.

(4) EXPIRATION.—This section expires June 30, 2012.

Section 43. Subsection (12) of section 1013.33, Florida Statutes, is amended to read:

1013.33 Coordination of planning with local governing bodies.—

(12) As early in the design phase as feasible and consistent with an interlocal agreement entered pursuant to subsections (2)-(8), but no later than 90 days before commencing construction, the district school board shall in writing request a determination of consistency with the local government's comprehensive plan. The local governing body that regulates the use of land shall determine, in writing within 45 days after receiving the necessary information and a school board's request for a determination, whether a proposed educational facility is consistent with the local comprehensive plan and consistent with local land development regulations. If the determination is affirmative, school construction may commence and further local government approvals are not required, except as provided in this section. Failure of the local governing body to make a determination in writing within 90 days after a district school board's request for a determination of consistency shall be considered an approval of the district school board's application. Campus master plans and development agreements must comply with the provisions of *s.* ~~ss.~~ 1013.30 ~~and 1013.63~~.

Section 44. *Section 1013.63, Florida Statutes, is repealed.*

Section 45. Subsection (12) is added to section 1013.79, Florida Statutes, to read:

1013.79 University Facility Enhancement Challenge Grant Program.—

(12) Effective July 1, 2011, state matching funds are temporarily suspended for donations received for this program on or after June 30, 2011. Existing eligible donations remain eligible for future matching funds. The program may be restarted after $200 million of the backlog for

programs under ss. 1011.32, 1011.85, 1011.94, and 1013.79 have been matched.

Section 46. Section 1013.737, Florida Statutes, is amended to read:

1013.737 The Class Size Reduction *and Educational Facilities* Lottery Revenue Bond Program.—There is established the Class Size Reduction *and Educational Facilities* Lottery Revenue Bond Program.

(1) The issuance of revenue bonds is authorized to finance or refinance the construction, acquisition, reconstruction, or renovation of educational facilities. Such bonds shall be issued pursuant to and in compliance with the provisions of s. 11(d), Art. VII of the State Constitution, the provisions of the State Bond Act, ss. 215.57-215.83, as amended, and the provisions of this section.

(2) The bonds are payable from, and secured by a first lien on, the first lottery revenues transferred to the Educational Enhancement Trust Fund each fiscal year, as provided by s. 24.121(2), and do not constitute a general obligation of, or a pledge of the full faith and credit of, the state.

(3) The state hereby covenants with the holders of such revenue bonds that it will not take any action that will materially and adversely affect the rights of such holders so long as bonds authorized by this section are outstanding. The state does hereby additionally authorize the establishment of a covenant in connection with the bonds which provides that any additional funds received by the state from new or enhanced lottery programs; video gaming; banking card games, including baccarat, chemin de fer, or blackjack; electronic or electromechanical facsimiles of any game of chance; casino games; slot machines; or other similar activities will first be available for payments relating to bonds pledging revenues available pursuant to s. 24.121(2), prior to use for any other purpose.

(4) The bonds shall be issued by the Division of Bond Finance of the State Board of Administration on behalf of the Department of Education in such amount as shall be requested by resolution of the State Board of Education. However, the total principal amount of bonds, excluding refunding bonds, issued pursuant to this section shall not exceed amounts specifically authorized in the General Appropriations Act.

(5) Proceeds available from the sale of the bonds shall be deposited in the Lottery Capital Outlay and Debt Service Trust Fund within the Department of Education.

(6) The facilities to be financed with the proceeds of such bonds are designated as state fixed capital outlay projects for purposes of s. 11(d), Art. VII of the State Constitution, and the specific facilities to be financed shall be determined in accordance with state law and appropriations from the Educational Enhancement Trust Fund. Projects shall be funded from the Lottery Capital Outlay and Debt Service Trust Fund. Each educational facility to be financed with the proceeds of the bonds issued pursuant to this section is hereby approved as required by s. 11(f), Art. VII of the State Constitution.

(7) Any complaint for validation of such bonds is required to be filed only in the circuit court of the county where the seat of state government is situated. The notice required to be published by s. 75.06 is required to be published only in the county where the complaint is filed, and the complaint and order of the circuit court need be served only on the state attorney of the circuit in which the action is pending.

(8) The Commissioner of Education shall provide for timely encumbrances of funds for duly authorized projects. Encumbrances may include proceeds to be received under a resolution approved by the State Board of Education authorizing issuance of class size reduction lottery bonds *or educational facilities bonds* pursuant to s. 11(d), Art. VII of the State Constitution, this section, and other applicable law.

Section 47. *The Department of Education shall work with the College Center for Library Automation (CCLA) to transfer the K-12 public school bibliographic database in standard library data format to the CCLA for inclusion in its online discovery tool product and make it publicly searchable by school district students, staff, and parents no later than September 1, 2011. The department shall also develop an ongoing process to provide for the electronic updating of school district library holdings data to the CCLA in a manner that will ensure that the public school bibliographic database and searchable catalog is current.*

Section 48. *By January 1, 2012, the Chancellors of the State University System and the Florida College System shall submit a plan to the Executive Office of the Governor and to the legislative appropriations committees for establishing a joint library organization to address the needs of academic libraries in the State University System and the Florida College System that replaces the Florida Center for Library Automation and the College Center for Library Automation. The plan must include, but need not be limited to, the following components:*

(1) A proposed governance and reporting structure for the joint library organization.

(2) Recommended staffing for the joint library organization, which includes roles and responsibilities.

(3) A recommended process and schedule for the acquisition of a next generation library management system and its associated services which includes a discovery tool provided by the joint library organization. The library management system will replace the current systems and services provided by the Florida Center for Library Automation and the College Center for Library Automation. The process for acquiring the next generation library management system must involve the identification of the functional requirements necessary to meet the needs of the postsecondary education library users and be scalable in order to meet any additional library user needs that are identified as being necessary and in the best interest of the state.

(4) A proposed schedule for consolidating the computing and data center resources and equipment provided by the Florida Center for Library Automation and the College Center for Library Automation to a statutorily established or designated primary data center no later than December 1, 2012, or for decommissioning the computing and data center resources and equipment that are no longer required by the joint library organization and are currently located at and managed by the Florida Center for Library Automation and the College Center for Library Automation.

(5) A proposed operational budget for the joint library organization which is more cost-effective than separately funding both the Florida Center for Library Automation and the College Center for Library Automation.

(6) Proposed substantive and fiscal policy changes needed to implement the joint library organization.

(7) A timeline and implementation strategies for establishing the joint library organization.

Section 49. *Notwithstanding any section of law to the contrary, for the fiscal 2011-2012 year only, a university board of trustees is authorized to expend reserve or carry-forward balances from prior year operational and programmatic appropriations on legislatively approved fixed capital outlay projects authorized for the establishment of a new campus.*

Section 50. *The Florida College System Council of Presidents shall develop and recommend an equitable funding formula for the distribution of Public Educational Capital Outlay funds to the Florida College System institutions. The Florida College System Council of Presidents shall submit a report, with recommendations, to the State Board of Education, the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2011, which specifically includes a proposed funding formula that provides for the equitable distribution of Public Educational Capital Outlay funds to Florida College System institutions for consideration by the Legislature for implementation in the 2012-2013 fiscal year.*

Section 51. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to postsecondary education funding; amending s. 213.053, F.S.; authorizing the Department of Revenue to provide certain information regarding the gross receipts tax to the State Board of Education, the Division of Bond Finance, and the Office of Economic and Demographic Research; amending s. 215.61, F.S.; requiring that, for purposes of servicing public education capital outlay bonds, the State Board of Education disregard the effects on the gross receipts tax revenues collected during a tax period of a refund resulting from a specified

The Conference Committee Amendment for SB 2152, relating to transportation, provides for the following:

- Clarifies that the Florida Department of Transportation is authorized to adjust toll rates by rule and is not subject to the provisions of ss. 120.54(3)(b) and 120.541., F.S.;

- Authorizes the use of excess toll revenues from the Alligator Alley Toll Road to develop and operate a fire station at mile marker 63 on Alligator Alley to provide, fire, rescue, and emergency management services to the adjacent counties along Alligator Alley;

- Repeals the Brevard County Expressway Authority, Broward County Expressway Authority, Pasco County Expressway Authority, St. Lucie County Expressway Authority, Seminole County Expressway Authority, and Southwest Florida Expressway Authority;

- Repeals various sections of law relating to and authorizing lease purchase agreements between certain transportation authorities and FDOT;

- Clarifies that an airport providing communications services within its own confines is exempt from the definition of telecommunications company;

- Corrects cross references in various sections of law to conform to changes made in this amendment;

- Directs state agencies to develop and adopt assessment protocols for evaluating damaged equipment before a request for purchase is approved; and

- Provides an effective date.

Conference Committee Amendment (835008)(with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (17) is added to section 120.80, Florida Statutes, to read:

120.80 Exceptions and special requirements; agencies.—

(17) DEPARTMENT OF TRANSPORTATION.—Sections 120.54(3)(b) and 120.541 do not apply to the adjustment of tolls pursuant to s. 338.165(3).

Section 2. Subsection (3) of section 338.26, Florida Statutes, is amended to read:

338.26 Alligator Alley toll road.—

(3) Fees generated from tolls shall be deposited in the State Transportation Trust Fund, and any amount of funds generated annually in excess of that required to reimburse outstanding contractual obligations, to operate and maintain the highway and toll facilities, including reconstruction and restoration, ~~and~~ to pay for those projects that are funded with Alligator Alley toll revenues and that are contained in the 1993-1994 adopted work program or the 1994-1995 tentative work program submitted to the Legislature on February 22, 1994, *and to develop and operate a fire station at mile marker 63 on Alligator Alley to provide fire, rescue, and emergency management services to the adjacent counties along Alligator Alley,* may be transferred to the Everglades Fund of the South Florida Water Management District. The South Florida Water Management District shall deposit funds for projects undertaken pursuant to s. 373.4592 in the Everglades Trust Fund pursuant to s. 373.45926(4)(a). Any funds remaining in the Everglades Fund may be used for environmental projects to restore the natural values of the Everglades, subject to compliance with any applicable federal laws and regulations. Projects shall be limited to:

(a) Highway redesign to allow for improved sheet flow of water across the southern Everglades.

(b) Water conveyance projects to enable more water resources to reach Florida Bay to replenish marine estuary functions.

(c) Engineering design plans for wastewater treatment facilities as recommended in the Water Quality Protection Program Document for the Florida Keys National Marine Sanctuary.

(d) Acquisition of lands to move STA 3/4 out of the Toe of the Boot, provided such lands are located within 1 mile of the northern border of STA 3/4.

(e) Other Everglades Construction Projects as described in the February 15, 1994, conceptual design document.

Section 3. *Subsection (6) of section 343.805, Florida Statutes, is repealed.*

Section 4. Paragraph (b) of subsection (2) and paragraph (a) of subsection (3) of section 343.835, Florida Statutes, are amended to read:

343.835 Bonds of the authority.—

(2) Any such resolution or resolutions authorizing any bonds hereunder may contain provisions that are part of the contract with the holders of such bonds, as to:

(b) The completion, improvement, operation, extension, maintenance, repair, *or* lease~~, or lease purchase agreement~~ of the system, and the duties of the authority and others~~, including the department,~~ with reference thereto.

(3) The authority may employ fiscal agents as provided by this part or the State Board of Administration may, upon request of the authority, act as fiscal agent for the authority in the issuance of any bonds that are issued pursuant to this part, and the State Board of Administration may, upon request of the authority, take over the management, control, administration, custody, and payment of any or all debt services or funds or assets now or hereafter available for any bonds issued pursuant to this part. The authority may enter into any deeds of trust, indentures, or other agreements with its fiscal agent, or with any bank or trust company within or without the state, as security for such bonds and may, under such agreements, sign and pledge all or any of the revenues, rates, fees, rentals, or other charges or receipts of the authority. Such deed of trust, indenture, or other agreement may contain such provisions as are customary in such instruments or, as the authority authorizes, including, but without limitation, provisions as to:

(a) The completion, improvement, operation, extension, maintenance, repair, and lease of ~~or lease purchase agreement relating to~~ U.S. 98 corridor improvements and the duties of the authority and others~~, including the department,~~ with reference thereto.

Section 5. Section 343.836, Florida Statutes, is amended to read:

343.836 Remedies of the bondholders.—

(1) The rights and the remedies in this section conferred upon or granted to the bondholders are in addition to and not in limitation of any rights and remedies lawfully granted to such bondholders by the resolution or resolutions providing for the issuance of bonds or by a ~~lease-purchase agreement,~~ deed of trust, indenture, or other agreement under which the bonds may be issued or secured. If the authority defaults in the payment of the principal of or interest on any of the bonds issued pursuant to the provisions of this part after such principal of or interest on the bonds becomes due, whether at maturity or upon call for redemption, ~~or the department defaults in any payments under, or covenants made in, any lease purchase agreement between the authority and the department,~~ and such default continues for a period of 30 days, or if the authority ~~or the department~~ fails or refuses to comply with the provisions of this part or any agreement made with, or for the benefit of, the holders of the bonds, the holders of 25 percent in aggregate principal amount of the bonds then outstanding may appoint a trustee to represent such bondholders for the purposes hereof, if such holders of 25 percent in aggregate principal amount of the bonds then outstanding shall first give notice of their intention to appoint a trustee to the authority ~~and to the department~~. Such notice shall be deemed to have been given if given in writing, deposited in a securely sealed postpaid wrapper, mailed at a regularly maintained United States post office box or station, and addressed~~, respectively,~~ to the chair of the authority ~~and to the secretary of the department at the principal office of the department~~.

(2) Such trustee and any trustee under any deed of trust, indenture, or other agreement may, and upon written request of the holders of 25 percent or such other percentages as are specified in any deed of trust, indenture, or other agreement aforesaid in principal amount of the bonds then outstanding shall, in any court of competent jurisdiction, in his, her, or its own name:

(a) By mandamus or other suit, action, or proceeding at law or in equity, enforce all rights of the bondholders, including the right to require the authority to fix, establish, maintain, collect, and charge rates, fees, rentals, and other charges adequate to carry out any agreement as to or pledge of the revenues or receipts of the authority to carry out any other covenants and agreements with or for the benefit of the bondholders, and to perform its and their duties under this part.

~~(b) By mandamus or other suit, action, or proceeding at law or in equity, enforce all rights of the bondholders under or pursuant to any lease-purchase agreement between the authority and the department, including the right to require the department to make all rental payments required to be made by it under the provisions of any such lease-purchase agreement, to require the department to carry out any other covenants and agreements with or for the benefit of the bondholders, and to perform its and their duties under this part.~~

(b)~~(c)~~ Bring suit upon the bonds.

(c)~~(d)~~ By action or suit in equity, require the authority ~~or the department~~ to account as if it were the trustee of an express trust for the bondholders.

(d)~~(c)~~ By action or suit in equity, enjoin any acts or things that may be unlawful or in violation of the rights of the bondholders.

(3) Any trustee, when appointed as aforesaid or acting under a deed of trust, indenture, or other agreement, and whether or not all bonds have been declared due and payable, may appoint a receiver who may enter upon and take possession of the system or the facilities or any part or parts thereof, the rates, fees, rentals, or other revenues, charges, or receipts from which are or may be applicable to the payment of the bonds so in default, and~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ operate and maintain the same for and on behalf of and in the name of the authority~~, the department,~~ and the bondholders, and collect and receive all rates, fees, rentals, and other charges or receipts or revenues arising therefrom in the same manner as the authority ~~or the department~~ might do, and shall deposit all such moneys in a separate account and apply such moneys in such manner as the court shall direct. In any suit, action, or proceeding by the trustee, the fees, counsel fees, and expenses of the trustee and the receiver, if any, and all costs and disbursements allowed by the court shall be a first charge on any rates, fees, rentals, or other charges, revenues, or receipts derived from the system or the facilities or services or any part or parts thereof, ~~including payments under any such lease-purchase agreement as aforesaid,~~ which rates, fees, rentals, or other charges, revenues, or receipts may be applicable to the payment of the bonds so in default. Such trustee, in addition to the foregoing, possesses all of the powers necessary for the exercise of any functions specifically set forth herein or incident to the representation of the bondholders in the enforcement and protection of their rights.

(4) This section or any other section of this part does not authorize any receiver appointed pursuant hereto for the purpose~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ of operating and maintaining the system or any facilities or part or parts thereof, to sell, assign, mortgage, or otherwise dispose of any of the assets of whatever kind and character belonging to the authority. It is the intention of this part to limit the powers of such receiver~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ to the operation and maintenance of the system or any facility or part or parts thereof, as the court may direct, in the name and for and on behalf of the authority~~, the department,~~ and the bondholders. In any suit, action, or proceeding at law or in equity, a holder of bonds on the authority, a trustee, or any court may not compel or direct a receiver to sell, assign, mortgage, or otherwise dispose of any assets of whatever kind or character belonging to the authority. A receiver also may not be authorized to sell, assign, mortgage, or otherwise dispose of any assets of whatever kind or character belonging to the authority in any suit, action, or proceeding at law or in equity.

Section 6. *Section 343.837, Florida Statutes, is repealed.*

Section 7. *Section 343.885, Florida Statutes, is repealed.*

Section 8. *Section 343.91(1)(h), Florida Statutes, is repealed.*

Section 9. Paragraph (b) of subsection (3) and paragraph (a) of subsection (4) of section 343.94, Florida Statutes, are amended to read:

343.94 Bond financing authority.—

(3) Any such resolution or resolutions authorizing any bonds hereunder may contain provisions that are part of the contract with the holders of such bonds, as to:

(b) The completion, improvement, operation, extension, maintenance, repair, or lease of~~, or lease-purchase agreement relating to,~~ the system and the duties of the authority and others, including the department, with reference thereto.

(4) The authority may employ fiscal agents as provided by this part or the State Board of Administration may, upon request of the authority, act as fiscal agent for the authority in the issuance of any bonds that are issued pursuant to this part, and the State Board of Administration may, upon request of the authority, take over the management, control, administration, custody, and payment of any or all debt services or funds or assets now or hereafter available for any bonds issued pursuant to this part. The authority may enter into any deeds of trust, indentures, or other agreements with its fiscal agent, or with any bank or trust company within or without the state, as security for such bonds and may, under such agreements, sign and pledge all or any of the revenues, rates, fees, rentals, or other charges or receipts of the authority. Such deed of trust, indenture, or other agreement may contain such provisions as are customary in such instruments or as the authority authorizes, including, but without limitation, provisions as to:

(a) The completion, improvement, operation, extension, maintenance, repair, and lease of~~, or lease-purchase agreement relating to,~~ highway, bridge, and related transportation facilities and appurtenances and the duties of the authority and others~~, including the department,~~ with reference thereto.

Section 10. Section 343.944, Florida Statutes, is amended to read:

343.944 Remedies of the bondholders.—

(1) The rights and the remedies in this section conferred upon or granted to the bondholders are in addition to and not in limitation of any rights and remedies lawfully granted to such bondholders by the resolution or resolutions providing for the issuance of bonds or by a ~~lease-purchase agreement,~~ deed of trust, indenture, or other agreement under which the bonds may be issued or secured. If the authority defaults in the payment of the principal of or interest on any of the bonds issued pursuant to the provisions of this part after such principal of or interest on the bonds becomes due, whether at maturity or upon call for redemption~~, or the department defaults in any payments under, or covenants made in, any lease-purchase agreement between the authority and the department,~~ and such default continues for a period of 30 days, or if the authority or the department fails or refuses to comply with the provisions of this part or any agreement made with, or for the benefit of, the holders of the bonds, the holders of 25 percent in aggregate principal amount of the bonds then outstanding may appoint a trustee to represent such bondholders for the purposes hereof, if such holders of 25 percent in aggregate principal amount of the bonds then outstanding shall first give notice of their intention to appoint a trustee to the authority ~~and to the department~~. Such notice shall be deemed to have been given if given in writing, deposited in a securely sealed postpaid wrapper, mailed at a regularly maintained United States post office box or station, and addressed, respectively, to the chair of the authority ~~and to the secretary of the department at the principal office of the department~~.

(2) Such trustee and any trustee under any deed of trust, indenture, or other agreement may and, upon written request of the holders of 25 percent or such other percentages as are specified in any deed of trust, indenture, or other agreement aforesaid in principal amount of the bonds then outstanding, shall, in any court of competent jurisdiction, in his, her, or its own name:

(a) By mandamus or other suit, action, or proceeding at law or in equity, enforce all rights of the bondholders, including the right to require the authority to fix, establish, maintain, collect, and charge rates, fees, rentals, and other charges adequate to carry out any agreement as to or pledge of the revenues or receipts of the authority, to carry out any other covenants and agreements with or for the benefit of the bondholders, and to perform its and their duties under this part.

~~(b) By mandamus or other suit, action, or proceeding at law or in equity, enforce all rights of the bondholders under or pursuant to any lease-purchase agreement between the authority and the department, including the right to require the department to make all rental payments required to be made by it under the provisions of any such lease-purchase agreement and to require the department to carry out any other covenants and agreements with or for the benefit of the bondholders and to perform its and their duties under this part.~~

(b)~~(c)~~ Bring suit upon the bonds.

(c)~~(d)~~ By action or suit in equity, require the authority or the department to account as if it were the trustee of an express trust for the bondholders.

(d)~~(e)~~ By action or suit in equity, enjoin any acts or things that may be unlawful or in violation of the rights of the bondholders.

(3) Any trustee, when appointed as aforesaid or acting under a deed of trust, indenture, or other agreement, and regardless of whether all

bonds have been declared due and payable, may appoint a receiver who may enter upon and take possession of the system or the facilities or any part or parts thereof, the rates, fees, rentals, or other revenues, charges, or receipts from which are or may be applicable to the payment of the bonds so in default~~,~~ and~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ operate and maintain the same for and on behalf of and in the name of the authority~~, the department,~~ and the bondholders, and collect and receive all rates, fees, rentals, and other charges or receipts or revenues arising therefrom in the same manner as the authority ~~or the department~~ might do, and shall deposit all such moneys in a separate account and apply such moneys in such manner as the court shall direct. In any suit, action, or proceeding by the trustee, the fees, counsel fees, and expenses of the trustee and the receiver, if any, and all costs and disbursements allowed by the court shall be a first charge on any rates, fees, rentals, or other charges, revenues, or receipts derived from the system or the facilities or services or any part or parts thereof, ~~including payments under any such lease-purchase agreement as aforesaid,~~ which rates, fees, rentals, or other charges, revenues, or receipts may be applicable to the payment of the bonds so in default. Such trustee, in addition to the foregoing, possesses all of the powers necessary for the exercise of any functions specifically set forth herein or incident to the representation of the bondholders in the enforcement and protection of their rights.

(4) This section or any other section of this part does not authorize any receiver appointed pursuant hereto for the purpose~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ of operating and maintaining the system or any facilities or part or parts thereof to sell, assign, mortgage, or otherwise dispose of any of the assets of whatever kind and character belonging to the authority. It is the intention of this part to limit the powers of such receiver~~, subject to and in compliance with the provisions of any lease-purchase agreement between the authority and the department,~~ to the operation and maintenance of the system or any facility or part or parts thereof, as the court may direct, in the name of and for and on behalf of the authority~~, the department,~~ and the bondholders. In any suit, action, or proceeding at law or in equity, a holder of bonds on the authority, a trustee, or any court may not compel or direct a receiver to sell, assign, mortgage, or otherwise dispose of any assets of whatever kind or character belonging to the authority. A receiver also may not be authorized to sell, assign, mortgage, or otherwise dispose of any assets of whatever kind or character belonging to the authority in any suit, action, or proceeding at law or in equity.

349.04 Purposes and powers.—

(2) The authority is hereby granted, and shall have and may exercise all powers necessary, appurtenant, convenient, or incidental to the car-

rying out of the aforesaid purposes, including, but without being limited to, the right and power:

~~(e) To enter into and make lease purchase agreements with the department for terms not exceeding 40 years, or until any bonds secured by a pledge of rentals thereunder, and any refundings thereof, are fully paid as to both principal and interest, whichever is longer.~~

(g)1. To borrow money and make and issue negotiable notes, bonds, refunding bonds, and other evidences of indebtedness or obligations, either in temporary or definitive form (hereinafter in this chapter sometimes called "bonds"), of the authority, for the purpose of funding or refunding, at or prior to maturity, any bonds theretofore issued by the authority, or by the Florida State Improvement Commission to finance part of the cost of the Jacksonville Expressway System, and purposes related thereto, and for the purpose of financing or refinancing all or part of the costs of completion, improvement, or extension of the Jacksonville Expressway System, and appurtenant facilities, including all approaches, streets, roads, bridges, and avenues of access for the Jacksonville Expressway System and for any other purpose authorized by this chapter, such bonds to mature in not exceeding 40 years from the date of the issuance thereof; ~~and~~ to secure the payment of such bonds or any part thereof by a pledge of any or all of its revenues, rates, fees, rentals, or other charges, including all or any portion of the Duval County gasoline tax funds received by the authority ~~pursuant to the terms of any lease purchase agreement between the authority and the department~~; and in general to provide for the security of such bonds and the rights and remedies of the holders thereof.

2. In the event that the authority determines to fund or refund any bonds theretofore issued by the authority, or by the commission as aforesaid, prior to the maturity thereof, the proceeds of such funding or refunding bonds shall, pending the prior redemption of the bonds to be funded or refunded, be invested in direct obligations of the United States; and it is the express intention of this chapter that such outstanding bonds may be funded or refunded by the issuance of bonds pursuant to this chapter notwithstanding that part of such outstanding bonds will not mature or become redeemable until 6 years after the date of issuance of bonds pursuant to this chapter to fund or refund such outstanding bonds.

Section 26. Subsections (2) and (3) of section 349.05, Florida Statutes, are amended to read:

349.05 Bonds of the authority; bonds not debt or pledges of credit of state.—

(2) Any such resolution or resolutions authorizing any bonds hereunder may contain provisions, and valid and legally binding covenants of the authority, which shall be part of the contract with the holders of such bonds, as to:

(a) The pledging of all or any part of the revenues, rates, fees, rentals, including the sales surtax adopted pursuant to s. 212.055(1) (including all or any portion of the county gasoline tax funds received by the authority), or other charges or receipts of any nature of the authority, whether or not derived by the authority from the Jacksonville Expressway System or its other transportation facilities;

(b) The completion, improvement, operation, extension, maintenance, repair, *or* lease~~, or lease purchase agreement~~ of said system or transportation facilities, and the duties of the authority and others, including the department, with reference thereto;

(c) Limitations on the purposes to which the proceeds of the bonds, then or thereafter to be issued, or of any loan or grant, may be applied;

(d) The fixing, charging, establishing, and collecting of rates, fees, rentals, or other charges for use of the services and facilities of the Jacksonville Expressway System or any part thereof or its other transportation facilities;

(e) The setting aside of reserves or sinking funds or repair and replacement funds and the regulation and disposition thereof;

(f) Limitations on the issuance of additional bonds;

(g) The terms and provisions of any lease-purchase agreement, deed of trust, or indenture securing the bonds or under which the same may be issued; and

(h) Any other or additional provisions, covenants, and agreements with the holders of the bonds which the authority may deem desirable and proper.

(3) The State Board of Administration may, upon request by the authority, act as fiscal agent for the authority in the issuance of any bonds that may be issued pursuant to this chapter, and the State Board of Administration may, upon request by the authority, take over the management, control, administration, custody, and payment of any or all debt services or funds or assets now or hereafter available for any bonds issued pursuant to this chapter. The authority may enter into deeds of trust, indentures, or other agreements with a corporate trustee or trustees, which shall act as fiscal agent for the authority and may be any bank or trust company within or without the state, as security for such bonds and may, under such agreements, assign and pledge all or any of the revenues, rates, fees, rentals, or other charges or receipts of the authority, including all or any portion of local option taxes or county gasoline tax funds received by the authority, thereunder. Such deed of trust, indenture, or other agreement may contain such provisions as are customary in such instruments or as the authority may authorize, including, without limitation, provisions as to:

(a) The completion, improvement, operation, extension, maintenance, repair, and lease of~~, or lease purchase agreement relating to,~~ all or any part of transportation facilities authorized in this chapter to be constructed, acquired, developed, or operated by the authority and the duties of the authority and others~~, including the department,~~ with reference thereto;

(b) The application of funds and the safeguarding of funds on hand or on deposit;

(c) The rights and remedies of the trustee and the holders of the bonds; and

(d) The terms and provisions of the bonds or the resolutions authorizing the issuance of the same.

Section 27. *Section 349.07, Florida Statutes, is repealed.*

Section 28. Section 349.15, Florida Statutes, is amended to read:

349.15 Remedies; pledges enforceable by bondholders.—Any holder of bonds issued under this chapter, except to the extent such rights may be restricted by the resolution, deed of trust, indenture, or other proceeding relating to the issuance of such bonds, may by civil action, mandamus, or other appropriate action, suit, or proceeding in law or in equity, in any court of competent jurisdiction, protect and enforce any and all rights of such bondholder granted under the proceedings authorizing the issuance of such bonds and enforce any pledge made for payment of the principal and interest on bonds, or any covenant or agreement relative thereto, against the authority ~~or directly against the department, as may be appropriate~~. ~~It is the express intention of this chapter that any pledge by the department of rates, fees, revenues, county gasoline tax funds, or other funds, as rentals, to the authority or any covenants or agreements relative thereto may be enforceable in any court of competent jurisdiction against the authority or directly against the department by any holder of bonds issued by the authority.~~

Section 29. Section 364.02, Florida Statutes, is amended to read:

364.02 Definitions.—As used in this chapter, the term:

(1) "Basic local telecommunications service" means voice-grade, single-line, flat-rate residential local exchange service that provides dial tone, local usage necessary to place unlimited calls within a local exchange area, dual tone multifrequency dialing, and access to the following: emergency services such as "911," all locally available interexchange companies, directory assistance, operator services, *and* relay services~~, and an alphabetical directory listing~~. For a local exchange telecommunications company, the term includes any extended area service routes, and extended calling service in existence or ordered by the commission on or before July 1, 1995.

(2) "Broadband service" means any service that consists of or includes the offering of the capability to transmit or receive information at a rate that is not less than 200 kilobits per second and either:

(a) Is used to provide access to the Internet; or

(b) Provides computer processing, information storage, information content, or protocol conversion in combination with the service.

The definition of broadband service does not include any intrastate telecommunications services that have been tariffed with the commission on or before January 1, 2005.

(3) "Commercial mobile radio service provider" means a commercial mobile radio service provider as defined by and pursuant to 47 U.S.C. ss. 153(27) and 332(d).

(4) "Commission" means the Florida Public Service Commission.

(5) "Competitive local exchange telecommunications company" means any company certificated by the commission to provide local exchange telecommunications services in this state on or after July 1, 1995.

(6) "Corporation" includes a corporation, company, association, or joint stock association.

(7) "Intrastate interexchange telecommunications company" means any entity that provides intrastate interexchange telecommunications services.

(8) "Local exchange telecommunications company" means any company certificated by the commission to provide local exchange telecommunications service in this state on or before June 30, 1995.

~~(9) "Monopoly service" means a telecommunications service for which there is no effective competition, either in fact or by operation of law.~~

(9)~~(10)~~ "Nonbasic service" means any telecommunications service provided by a local exchange telecommunications company other than a basic local telecommunications service, ~~a~~ local interconnection*, resale, or unbundling pursuant to* ~~arrangement described in~~ s. 364.16, or a network access service described in s. 364.163. Any combination of basic service along with a nonbasic service or an unregulated service is nonbasic service.

(10)~~(11)~~ "Operator service" includes, but is not limited to, billing or completion of third-party, person-to-person, collect, or calling card or credit card calls through the use of a live operator or automated equipment.

(11)~~(12)~~ "Operator service provider" means a person who furnishes operator service through a call aggregator.

(12)~~(13)~~ "Service" is to be construed in its broadest and most inclusive sense. The term "service" does not include broadband service or voice-over-Internet protocol service for purposes of regulation by the commission. Nothing herein shall affect the rights and obligations of any entity related to the payment of switched network access rates or other intercarrier compensation, if any, related to voice-over-Internet protocol service. Notwithstanding s. 364.013, and the exemption of services pursuant to this subsection, the commission may arbitrate, enforce, or approve interconnection agreements, and resolve disputes as provided by 47 U.S.C. ss. 251 and 252, or any other applicable federal law or regulation. With respect to the services exempted in this subsection, regardless of the technology, the duties of a local exchange telecommunications company are only those that the company is obligated to extend or provide under applicable federal law and regulations.

(13)~~(14)~~ "Telecommunications company" includes every corporation, partnership, and person and their lessees, trustees, or receivers appointed by any court whatsoever, and every political subdivision in the state, offering two-way telecommunications service to the public for hire within this state by the use of a telecommunications facility. The term "telecommunications company" does not include:

(a) An entity that provides a telecommunications facility exclusively to a certificated telecommunications company;

(b) An entity that provides a telecommunications facility exclusively to a company which is excluded from the definition of a telecommunications company under this subsection;

(c) A commercial mobile radio service provider;

(d) A facsimile transmission service;

(e) A private computer data network company not offering service to the public for hire;

(f) A cable television company providing cable service as defined in 47 U.S.C. s. 522; ~~or~~

(g) An intrastate interexchange telecommunications company*;*

(h) An operator services provider; or

(i) An airport that provides communications services within the confines of its airport layout plan.

However, each commercial mobile radio service provider and each intrastate interexchange telecommunications company shall continue to be liable for any taxes imposed under chapters 202, 203, and 212 ~~and any fees assessed under s. 364.025~~. Each intrastate interexchange telecommunications company shall continue to be subject to *s.* ~~ss. 364.04, 364.10(3)(a) and (d),~~ 364.163~~, 364.285, 364.336, 364.501, 364.603, and 364.604, shall provide the commission with the current information as the commission deems necessary to contact and communicate with the company,~~ and shall continue to pay intrastate switched network access rates or other intercarrier compensation to the local exchange telecommunications company or the competitive local exchange telecommunications company for the origination and termination of interexchange telecommunications service.

(14)~~(15)~~ "Telecommunications facility" includes real estate, easements, apparatus, property, and routes used and operated to provide two-way telecommunications service to the public for hire within this state.

(15)~~(16)~~ "VoIP" means *any service that:*

(a) Enables real-time, two-way voice communications that originate from or terminate to the user's location in Internet Protocol or any successor protocol;

(b) Uses a broadband connection from the user's location; and

(c) Permits users generally to receive calls that originate on the public switched telephone network and to terminate calls to the public switched telephone network ~~the voice over Internet protocol as that term is defined in federal law~~.

Section 30. *(1) It is the intent of the Legislature that purchases of new equipment, machinery, or inventory by any state agency as a result of damage from fire, smoke, water, or any other similar incident be limited to purchases that are absolutely necessary because the damaged equipment, machinery, or inventory is in irreparable condition.*

(2) By January 1, 2012, each state agency shall develop and adopt assessment protocols for evaluating and determining whether equipment, machinery, or any other inventory must be repaired or restored before any request to purchase replacement equipment, machinery, or any other inventory is approved.

Section 31. Subsection (6) of section 196.012, Florida Statutes, is amended to read:

196.012 Definitions.—For the purpose of this chapter, the following terms are defined as follows, except where the context clearly indicates otherwise:

(6) Governmental, municipal, or public purpose or function shall be deemed to be served or performed when the lessee under any leasehold interest created in property of the United States, the state or any of its political subdivisions, or any municipality, agency, special district, authority, or other public body corporate of the state is demonstrated to perform a function or serve a governmental purpose which could properly be performed or served by an appropriate governmental unit or

which is demonstrated to perform a function or serve a purpose which would otherwise be a valid subject for the allocation of public funds. For purposes of the preceding sentence, an activity undertaken by a lessee which is permitted under the terms of its lease of real property designated as an aviation area on an airport layout plan which has been approved by the Federal Aviation Administration and which real property is used for the administration, operation, business offices and activities related specifically thereto in connection with the conduct of an aircraft full service fixed base operation which provides goods and services to the general aviation public in the promotion of air commerce shall be deemed an activity which serves a governmental, municipal, or public purpose or function. Any activity undertaken by a lessee which is permitted under the terms of its lease of real property designated as a public airport as defined in s. 332.004(14) by municipalities, agencies, special districts, authorities, or other public bodies corporate and public bodies politic of the state, a spaceport as defined in s. 331.303, or which is located in a deepwater port identified in s. 403.021(9)(b) and owned by one of the foregoing governmental units, subject to a leasehold or other possessory interest of a nongovernmental lessee that is deemed to perform an aviation, airport, aerospace, maritime, or port purpose or operation shall be deemed an activity that serves a governmental, municipal, or public purpose. The use by a lessee, licensee, or management company of real property or a portion thereof as a convention center, visitor center, sports facility with permanent seating, concert hall, arena, stadium, park, or beach is deemed a use that serves a governmental, municipal, or public purpose or function when access to the property is open to the general public with or without a charge for admission. If property deeded to a municipality by the United States is subject to a requirement that the Federal Government, through a schedule established by the Secretary of the Interior, determine that the property is being maintained for public historic preservation, park, or recreational purposes and if those conditions are not met the property will revert back to the Federal Government, then such property shall be deemed to serve a municipal or public purpose. The term "governmental purpose" also includes a direct use of property on federal lands in connection with the Federal Government's Space Exploration Program or spaceport activities as defined in s. 212.02(22). Real property and tangible personal property owned by the Federal Government or Space Florida and used for defense and space exploration purposes or which is put to a use in support thereof shall be deemed to perform an essential national governmental purpose and shall be exempt. "Owned by the lessee" as used in this chapter does not include personal property, buildings, or other real property improvements used for the administration, operation, business offices and activities related specifically thereto in connection with the conduct of an aircraft full service fixed based operation which provides goods and services to the general aviation public in the promotion of air commerce provided that the real property is designated as an aviation area on an airport layout plan approved by the Federal Aviation Administration. For purposes of determination of "ownership," buildings and other real property improvements which will revert to the airport authority or other governmental unit upon expiration of the term of the lease shall be deemed "owned" by the governmental unit and not the lessee. Providing two-way telecommunications services to the public for hire by the use of a telecommunications facility, as defined in *s. 364.02(14)* ~~s. 364.02(15)~~, and for which a certificate is required under chapter 364 does not constitute an exempt use for purposes of s. 196.199, unless the telecommunications services are provided by the operator of a public-use airport, as defined in s. 332.004, for the operator's provision of telecommunications services for the airport or its tenants, concessionaires, or licensees, or unless the telecommunications services are provided by a public hospital.

Section 32. Subsection (1) of section 199.183, Florida Statutes, is amended to read:

199.183 Taxpayers exempt from nonrecurring taxes.—

(1) Intangible personal property owned by this state or any of its political subdivisions or municipalities shall be exempt from taxation under this chapter. This exemption does not apply to:

(a) Any leasehold or other interest that is described in s. 199.023(1)(d), Florida Statutes 2005; or

(b) Property related to the provision of two-way telecommunications services to the public for hire by the use of a telecommunications facility, as defined in *s. 364.02(14)* ~~s. 364.02(15)~~, and for which a certificate is required under chapter 364, when the service is provided by any county, municipality, or other political subdivision of the state. Any immunity of any political subdivision of the state or other entity of local government from taxation of the property used to provide telecommunication services that is taxed as a result of this paragraph is hereby waived. However, intangible personal property related to the provision of telecommunications services provided by the operator of a public-use airport, as defined in s. 332.004, for the operator's provision of telecommunications services for the airport or its tenants, concessionaires, or licensees, and intangible personal property related to the provision of telecommunications services provided by a public hospital, are exempt from taxation under this chapter.

Section 33. Subsection (6) of section 212.08, Florida Statutes, is amended to read:

212.08 Sales, rental, use, consumption, distribution, and storage tax; specified exemptions.—The sale at retail, the rental, the use, the consumption, the distribution, and the storage to be used or consumed in this state of the following are hereby specifically exempt from the tax imposed by this chapter.

(6) EXEMPTIONS; POLITICAL SUBDIVISIONS.—There are also exempt from the tax imposed by this chapter sales made to the United States Government, a state, or any county, municipality, or political subdivision of a state when payment is made directly to the dealer by the governmental entity. This exemption shall not inure to any transaction otherwise taxable under this chapter when payment is made by a government employee by any means, including, but not limited to, cash, check, or credit card when that employee is subsequently reimbursed by the governmental entity. This exemption does not include sales of tangible personal property made to contractors employed either directly or as agents of any such government or political subdivision thereof when such tangible personal property goes into or becomes a part of public works owned by such government or political subdivision. A determination whether a particular transaction is properly characterized as an exempt sale to a government entity or a taxable sale to a contractor shall be based on the substance of the transaction rather than the form in which the transaction is cast. The department shall adopt rules that give special consideration to factors that govern the status of the tangible personal property before its affixation to real property. In developing these rules, assumption of the risk of damage or loss is of paramount consideration in the determination. This exemption does not include sales, rental, use, consumption, or storage for use in any political subdivision or municipality in this state of machines and equipment and parts and accessories therefor used in the generation, transmission, or distribution of electrical energy by systems owned and operated by a political subdivision in this state for transmission or distribution expansion. Likewise exempt are charges for services rendered by radio and television stations, including line charges, talent fees, or license fees and charges for films, videotapes, and transcriptions used in producing radio or television broadcasts. The exemption provided in this subsection does not include sales, rental, use, consumption, or storage for use in any political subdivision or municipality in this state of machines and equipment and parts and accessories therefor used in providing two-way telecommunications services to the public for hire by the use of a telecommunications facility, as defined in *s. 364.02(14)* ~~s. 364.02(15)~~, and for which a certificate is required under chapter 364, which facility is owned and operated by any county, municipality, or other political subdivision of the state. Any immunity of any political subdivision of the state or other entity of local government from taxation of the property used to provide telecommunication services that is taxed as a result of this section is hereby waived. However, the exemption provided in this subsection includes transactions taxable under this chapter which are for use by the operator of a public-use airport, as defined in s. 332.004, in providing such telecommunications services for the airport or its tenants, concessionaires, or licensees, or which are for use by a public hospital for the provision of such telecommunications services.

Section 34. Subsection (8) of section 290.007, Florida Statutes, is amended to read:

290.007 State incentives available in enterprise zones.—The following incentives are provided by the state to encourage the revitalization of enterprise zones:

(8) Notwithstanding any law to the contrary, the Public Service Commission may allow public utilities and telecommunications companies to grant discounts of up to 50 percent on tariffed rates for services to

small businesses located in an enterprise zone designated pursuant to s. 290.0065. Such discounts may be granted for a period not to exceed 5 years. For purposes of this subsection, the term "public utility" has the same meaning as in s. 366.02(1) and the term "telecommunications company" has the same meaning as in *s. 364.02(13)* ~~s. 364.02(14)~~.

Section 35. Subsection (3) of section 350.0605, Florida Statutes, is amended to read:

350.0605 Former commissioners and employees; representation of clients before commission.—

(3) For a period of 2 years following termination of service on the commission, a former member may not accept employment by or compensation from a business entity which, directly or indirectly, owns or controls a public utility regulated by the commission, from a public utility regulated by the commission, from a business entity which, directly or indirectly, is an affiliate or subsidiary of a public utility regulated by the commission or is an actual business competitor of a local exchange company or public utility regulated by the commission and is otherwise exempt from regulation by the commission under ss. *364.02(13)* ~~364.02(14)~~ and 366.02(1), or from a business entity or trade association that has been a party to a commission proceeding within the 2 years preceding the member's termination of service on the commission. This subsection applies only to members of the Florida Public Service Commission who are appointed or reappointed after May 10, 1993.

Section 36. Subsection (4) of section 364.602, Florida Statutes, is amended to read:

364.602 Definitions.—For purposes of this part:

(4) "Originating party" means any person, firm, corporation, or other entity, including a telecommunications company or a billing clearinghouse, that provides any telecommunications service or information service to a customer or bills a customer through a billing party, except the term "originating party" does not include any entity specifically exempted from the definition of "telecommunications company" as provided in *s. 364.02(13)* ~~s. 364.02(14)~~.

Section 37. Subsection (5) of section 489.103, Florida Statutes, is amended to read:

489.103 Exemptions.—This part does not apply to:

(5) Public utilities, including special gas districts as defined in chapter 189, telecommunications companies as defined in *s. 364.02(13)* ~~s. 364.02(14)~~, and natural gas transmission companies as defined in s. 368.103(4), on construction, maintenance, and development work performed by their employees, which work, including, but not limited to, work on bridges, roads, streets, highways, or railroads, is incidental to their business. The board shall define, by rule, the term "incidental to their business" for purposes of this subsection.

Section 38. This act shall take effect July 1, 2011.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to transportation; amending s. 120.80, F.S.; providing that requirements relating to rulemaking and statements of estimated regulatory costs do not apply to the adjustment of tolls; amending s. 338.26, F.S.; requiring that excess funds generated from Alligator Alley tolls be used to develop and operate a fire station to provide fire, rescue, and emergency management services in adjacent counties along Alligator Alley; repealing s. 343.805(6), F.S., relating to the definition of the term "lease-purchase agreement" as it relates to the Northwest Florida Transportation Corridor Authority and the Department of Transportation; amending s. 343.835, F.S.; deleting references to lease-purchase agreements; amending s. 343.836, F.S.; deleting references to lease-purchase agreements in remedies to bondholders as they relate to the U.S. 98 Corridor System; repealing s. 343.837, F.S., relating to lease-purchase agreements that provide for the leasing of the U.S. 98 Corridor System to the Department of Transportation; repealing s. 343.885, F.S., relating to the enforceability of pledges by bondholders; repealing s. 343.91(1)(h), F.S., relating to the definition of the term "lease-purchase agreement" as it relates to the Tampa Bay Area Regional Transportation Authority and the Department of Transportation; amending s. 343.94, F.S.; deleting references to lease-purchase agreements; amending s. 343.944, F.S.; deleting references to lease-purchase agreements in remedies to bondholders as they relate to the Tampa Bay Area Regional Transportation Authority; repealing s. 343.945, F.S., relating to the enforceability of pledges to the Tampa Bay Area Regional Transportation Authority; repealing s. 343.946, F.S., relating to lease-purchase agreements that provide for the leasing of projects of the Tampa Bay Area Regional Transportation Authority to the Department of Transportation; repealing s. 348.0002(11), F.S., relating to the definition of the term "lease-purchase agreement" as it relates to expressway authorities and the Department of Transportation; amending s. 348.0004, F.S.; authorizing authorities created pursuant to the Florida Expressway Authority Act to own expressway systems; deleting the power of such authorities to lease such systems; deleting obsolete provisions; amending s. 348.0005, F.S.; deleting a reference to the Department of Transportation to conform to changes made by the act; repealing s. 348.0006, F.S., which provides for lease-purchase agreements in the Florida Expressway Authority Act; repealing part II of ch. 348, F.S., which provides for the creation and operation of the Brevard County Expressway Authority; repealing part III of ch. 348, F.S., which provides for the creation and operation of the Broward County Expressway Authority; repealing part VI of ch. 348, F.S., which provides for the creation and operation of the Pasco County Expressway Authority; repealing part VII of ch. 348, F.S., which provides for the creation and operation of the St. Lucie County Expressway and Bridge Authority; repealing part VIII of ch. 348, F.S., which provides for the creation and operation of the Seminole County Expressway Authority; repealing part X of ch. 348, F.S., which provides for the creation and operation of the Southwest Florida Expressway Authority; repealing s. 348.9955, F.S., relating to the power of the Osceola Expressway Authority to enter into lease-purchase agreements with the Department of Transportation; repealing s. 349.02(1)(d), F.S., relating to the definition of the term "lease-purchase agreement" as it relates to the Jacksonville Transportation Authority and the Department of Transportation; amending s. 349.04, F.S.; deleting the authority of the Jacksonville Transportation Authority to enter lease-purchase agreements; amending s. 349.05, F.S.; deleting authorization for lease-purchase agreements in bond agreements of the Jacksonville Transportation Authority; repealing s. 349.07, F.S., relating to lease-purchase agreements that provide for the leasing of the Jacksonville Expressway System to the Department of Transportation; amending s. 349.15, F.S.; deleting certain bond authority of the department; amending s. 364.02, F.S.; revising definitions; providing legislative intent; providing that any purchase of new equipment, machinery, or other inventory by state agencies as a result damage caused by fire, smoke, water, or any incident be limited to purchases that are absolutely necessary and are irreparable; requiring that all state agencies develop and adopt assessment protocols for evaluating and determining whether equipment, machinery, or other inventory needs repair or restored; amending ss. 196.012, 199.183, 212.08, 290.007, 350.0605, 364.602, and 489.103, F.S.; conforming cross-references; providing an effective date.

The Conference Committee Amendment for SB 2156, 2nd Eng., relating to governmental reorganization, provides for the following:

1. REORGANIZATION

a. Creates the Department of Economic Opportunity (DEO):

- Agency head, known as the "executive director," appointed by the Governor and confirmed by the Senate.
- Transfers the Office of Tourism, Trade and Economic Development (OTTED), portions of the Department of Community Affairs (DCA), and portions of the Agency for Workforce Innovation (AWI) workforce functions to the new agency, effective October 1, 2011.
- The Ready to Work program is transferred from the Department of Education (DOE) to the Department of Economic Opportunity.

b. Transfers the AWI Office of Early Learning to the Department of Education as a separate entity:

- Director of the office appointed by the Governor, and confirmed by the Senate.
- DOE may not impose requirements or standards on early learning programs beyond those authorized in law for voluntary prekindergarten (VPK).
- Auditor General to review programs and delivery systems (including early learning coalitions) by December 31, 2011.

c. Consolidates public-private economic development partnerships:

- Enterprise Florida, Inc., (EFI) President, known as the "Secretary of Commerce," is appointed by and serves at the pleasure of the Governor.
- EFI board remains largely as it is under current law, however new language requires certain private-sector representation (e.g., space, tourism, etc).
- Space Florida retains special district status under the direction of appointed EFI board members.
- VISIT Florida direct support organization is retained under contract with the EFI Board.
- Black Business Investment Board (BBIB) and Florida Sports Foundation are merged into EFI, and related divisions are created in EFI.
- Matching requirements for EFI and VISIT Florida (1-to-1 match) remain as required under current law.
- Workforce Florida, Inc., maintains independent status as currently provided in law.

d. Other transfers:

- Florida Communities Trust and Stan Mayfield Working Waterfronts are transferred from DCA to the Department of Environmental Protection.
- Florida Building Commission is transferred from DCA to the Department of Business and Professional Regulation.
- Division of Emergency Management is transferred from DCA to the Executive Office of the Governor.
- Florida Energy and Climate Commission within the Executive Office of the Governor is transferred to the Department of Agriculture and Consumer Services.

e. Repeals DCA, AWI, and OTTED.

2. PURPOSE AND FUNCTIONS OF THE DEPARTMENT OF ECONOMIC OPPORTUNITY

a. Responsibilities of the department:

- Oversight and coordination of economic development, housing, growth management, community development programs, and unemployment compensation.
- Develop a single, statewide 5-year strategic plan to address the promotion of business formation, expansion, recruitment, and retention in order to create jobs for all regions of the state. The

plan must address economic development, marketing and infrastructure development for rural communities.

- Submit an annual report on the condition of the business climate and economic development in the state, with assistance from EFI and WFI.
- Manage the activities of the public-private partnerships.
- Establish annual performance standards for Enterprise Florida, Inc., Workforce Florida, Inc., VISIT Florida, and Space Florida and report annually on how these performance measures are being met.

b. Streamlined incentive process:

- Incentives for economic development projects must be approved or denied within 10 days of submitting an application to the department.
- The release of funds for the incentive or incentives awarded to the applicant depends upon the statutory requirements of the particular incentive program.
- Quick Action Closing Fund projects require recommendation to the Governor in 7 days. In addition, the Governor can approve projects under $2 million. Projects ranging from $2 million - $5 million require notification to the chairs and vice chairs of the Legislative Budget Commission (LBC). Projects totaling more than $5 million must be approved by the LBC.

c. Business plan required by September 1, 2011, in conjunction with EFI, must outline:

- Strategies to be used by department and EFI for business recruitment and expansion.
- Benchmarks related to: business recruitment, business expansion, number of jobs created or retained.
- Tools, financial and otherwise, needed to achieve benchmarks, and timeframes necessary to achieve standards.
- By Jan. 1, 2012, the department must make recommendations for any further reorganization and streamlining of economic development and workforce functions.

3. PURPOSE AND FUNCTIONS OF ENTERPRISE FLORIDA, INC.

a. Responsibilities of EFI:

- Must enter a performance-based contract with the Department of Economic Opportunity.
- Acts as primary economic agency for the state; chief negotiator for business recruitment and business expansion.
- Increase private investment in Florida.
- Advance international and domestic trade opportunities.
- Market the state as a pro-business location for new investment and as a tourist destination.
- Revitalize Florida's space and aerospace industries.
- Promote opportunities for minority-owned businesses.
- Assist and market professional and amateur sports teams and sporting events.
- Assist and promote economic opportunities in rural and urban communities.

b. Annual incentive report must include:

- Description of incentive programs.
- Amount of awards granted, by year, since inception.
- Economic benefits including actual amount of private capital invested, actual number of jobs created, actual wages paid for incentive agreements, annual average wage.
- The number of applications submitted, and the number of projects approved and denied by the department.
- Federal and local incentives provided.
- The number of projects that did not fulfill the terms of their agreements and consequently did not receive incentives.
- Trends related to usage of the various incentives, including the number of minority-owned businesses receiving incentives.

4. DEEPWATER HORIZON OIL SPILL

a. To address the negative economic impacts of the Deepwater Horizon oil spill:

- Defines the following counties as "disproportionally affected counties" and waives job, wage, and other requirements for businesses seeking economic development incentives in these counties: Bay, Escambia, Franklin, Gulf, Okaloosa, Santa Rosa, Walton, and Wakulla.
- Provides that during a state of emergency permits are tolled and an additional 6 months is added to existing permits.
- Creates the Commission on Oil Spill Response Coordination (expires Sept. 2012).
- Appropriates $10 million per year for three fiscal years to develop and implement an economic strategic plan in counties designated as disproportionally affected.
- Directs how funds received by the state for damages caused by the Deepwater Horizon oil spill may be directed.

5. STATE ECONOMIC ENHANCEMENT AND DEVELOPMENT (SEED) TRUST FUND (HB 7205 creates the SEED Trust Fund within the Department of Economic Opportunity)

a. This bill provides:

- Effective July 1, 2012, redirects a total of $75 million from documentary stamp tax revenues, currently dedicated to affordable housing trust funds, into the SEED Trust Fund.
- Effective July 1, 2012, begins redirecting from documentary stamp tax revenues currently dedicated to the State Transportation Trust Fund (STTF) into the SEED Trust Fund. In order to lessen the impacts to the Florida Department of Transportation (FDOT) Work Program, the bill phases-in the amounts to be redirected as follows: $50 million for Fiscal Year 2012-13; $65 million for Fiscal Year 2013-14; and $75 million for Fiscal Year 2014-15 and subsequent years.
- The above-mentioned funds are to be appropriated annually in the General Appropriations Act.
- The affordable housing trust funds are maintained as in current law.

6. FLORIDA ENERGY AND CLIMATE COMMISSION PROVISIONS

Section 6. *(1) It is the intent of the Legislature that the changes made by this act be accomplished with minimal disruption of services provided to the public and with minimal disruption to employees of any organization. To that end, the Legislature directs all applicable units of state government to contribute to the successful implementation of this act, and the Legislature believes that a transition period between the effective date of this act and October 1, 2011, is appropriate and warranted.*

(2) The Agency for Workforce Innovation, the Department of Community Affairs, the Department of Education, and the Office of Tourism, Trade, and Economic Development in the Executive Office of the Governor shall each coordinate the development and implementation of a transition plan that supports the implementation of this act. Any state agency identified by the Agency for Workforce Innovation, the Department of Community Affairs, the Department of Education or the Office of Tourism, Trade, and Economic Development in the Executive Office of the Governor shall cooperate fully in developing and implementing the plan and shall dedicate the financial and staff resources that are necessary to implement the plan.

(3)(a) The director of the Agency for Workforce Innovation, the Secretary of the Department of Community Affairs, the commissioner of the Department of Education, and the director of the Office of Tourism, Trade, and Economic Development in the Executive Office of the Governor shall each designate a transition coordinator to serve as the primary representative on matters related to implementing this act and the transition plans required under this section.

(b) The Governor shall designate a transition coordinator to serve as the Governor's primary representative on matters related to implementing this act, implementation of the transition plans developed pursuant to this section, and coordinator of the transition activities of the Agency for Workforce Innovation, the Department of Community Affairs, the Department of Education, and the Office of Tourism, Trade, and Economic Development.

(4) The transition coordinators designated under subsection (3) shall submit a joint progress report by August 15, 2011, to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the implementation of this act and the transition plans, including, but not limited to, any adverse impact or negative consequences on programs and services, of meeting any deadline imposed by this act, and any difficulties experienced by the Agency for Workforce Innovation, the Department of Community Affairs, the Department of Education, or the Office of Tourism, Trade, and Economic Development in securing the full participation and cooperation of applicable state agencies. Each representative shall also coordinate the submission of any budget amendments, in accordance with chapter 216, Florida Statutes, which may be necessary to implement this act.

(5) Notwithstanding ss. 216.292 and 216.351, Florida Statutes, upon approval by the Legislative Budget Commission, the Executive Office of the Governor may transfer funds and positions between agencies to implement this act.

(6) Upon the recommendation and guidance of transition coordinators designated in subsection (3), the Governor shall submit in a timely manner to the applicable federal departments or agencies any necessary amendments or supplemental information concerning plans that the state is required to submit to the Federal Government in connection with any federal or state program. The Governor shall seek any waivers from the requirements of Federal law or rules which may be necessary to administer the provisions of this act.

(7) The transfer of any program, activity, duty, or function under this act includes the transfer of any records and unexpended balances of appropriations, allocations, or other funds related to such program, activity, duty, or function. Unless otherwise provided, the successor organization to any program, activity, duty, or function transferred under this act shall become the custodian of any property of the organization that was responsible for the program, activity, duty, or function immediately prior to the transfer.

Section 7. *(1) The nonprofit corporations established in ss. 288.1229 and 288.707, Florida Statutes, are merged into and transferred to Enterprise Florida, Inc.*

(2) The Florida Sports Foundation Incorporated and the Florida Black Business Investment Board, Inc., must enter into a plan to merge into Enterprise Florida, Inc. Such merger must be completed by December 31, 2011. The merger is subject to chapter 617, Florida Statutes, related to the merger of nonprofit corporations.

(3) The nonprofit corporation established in s. 288.1226, Florida Statutes, shall be the direct-support organization for Enterprise Florida, Inc. The Florida Tourism Industry Marketing Corporation and Enterprise Florida, Inc., must establish a plan to transfer the contractual relationship with the Florida Commission on Tourism to Enterprise Florida, Inc., by December 31, 2011.

(4) It is the intent of the Legislature that the changes made by this act be accomplished with minimal disruption of services provided to the public and with minimal disruption to employees of any organization. To that end, the Legislature directs that notwithstanding the changes made by this act, the Florida Sports Foundation Incorporated, and the Florida Black Business Investment Board, Inc., may continue with such powers, duties, functions, records, offices, personnel, property, pending issues, and existing contracts as provided in Florida Statutes 2010 until December 31, 2011. The Legislature believes that a transition period between the effective date of this act and December 31, 2011, is appropriate and warranted.

(5) The Governor shall designate a transition coordinator to serve as the Governor's primary representative on matters related to implementing this act for the merger of the Florida Sports Foundation Incorporated and the Florida Black Business Investment Board, Inc., into, Enterprise Florida, Inc., the transition of the direct-support activities of the Florida Tourism Industry Marketing Corporation for the benefit of Enterprise Florida, Inc., and the transition plans required under this section. The Governor's transition coordinator shall submit a progress report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the implementation of this act and the transition plans, including, but not limited to, any adverse impact or negative consequences on programs and services, of meeting any deadline imposed by this act, and any difficulties experienced by the entities. The transition coordinator shall also coordinate the submission of any budget amendments, pursuant to chapter 216, Florida Statutes, which may be necessary to implement this act.

(6) Any funds held in trust which were donated to or earned by the Florida Sports Foundation Incorporated and the Florida Black Business Investment Board, Inc., while previously organized as a corporation under chapter 617, Florida Statutes, shall be transferred to Enterprise Florida, Inc., to be used by the relevant division for the original purposes of the funds.

(7) Upon the recommendation and guidance of the Florida Sports Foundation Incorporated, the Florida Tourism Industry Marketing Corporation, the Florida Black Business Investment Board, Inc., or Space Florida, the Governor shall submit in a timely manner to the applicable Federal departments or agencies any necessary amendments or supplemental information concerning plans which the state or one of the entities is required to submit to the Federal Government in connection with any federal or state program. The Governor shall seek any waivers from the requirements of Federal law or rules which may be necessary to administer the provisions of this act.

(8) The transfer of any program, activity, duty, or function under this act includes the transfer of any records and unexpended balances of appropriations, allocations, or other funds related to such program, activity, duty, or function. Except as otherwise provided by law, Enterprise Florida, Inc., shall become the custodian of any property of the Florida Sports Foundation, Inc., and the Florida Black Business Investment Board, Inc., on the date specified in the plan of merger or December 31, 2011, whichever occurs first.

(9) The Department of Management Services may establish a lease agreement program under which Enterprise Florida, Inc., may hire any individual who was employed by the Florida Black Business Investment Board, Inc., under a previous lease agreement under s. 288.708(2), Florida Statutes 2010. Under such agreement, the employee shall retain his or her status as a state employee but shall work under the direct supervision of Enterprise Florida, Inc. Retention of state employee status shall include the right to participate in the Florida Retirement System and shall continue until the employee voluntarily or involuntarily terminates his or her status with Enterprise Florida, Inc. The Department of Management Services shall establish the terms and conditions of such lease agreements.

Section 8. *(1) By September 1, 2011, the Department of Economic Opportunity, or its predecessor agencies, in conjunction with Enterprise Florida, Inc., or any predecessor public-private partnerships, and Workforce Florida, Inc., must prepare and submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a business plan for the use of the economic development incentive funds administered by the department and Enterprise Florida, Inc., beginning October 1, 2011. Additionally, the plan should include any plans for attracting out-of-state industries to Florida, promoting the expansion of existing industries in this state, and encouraging the creation of businesses in this state by Florida residents. At a minimum, the business plan should include:*

(a) Strategies to be used by the department and Enterprise Florida, Inc., to recruit out-of-state companies, promote existing businesses to expand, and encourage the creation of new businesses;

(b) Benchmarks related to:

1. Out-of-state business recruitment and in-state business creation and expansion by the department and Enterprise Florida, Inc.;

2. The numbers of jobs created or retained through the efforts of the department and Enterprise Florida, Inc.; and

3. The number of new international trade clients and new international sales, including a projected amount of contracts for Florida-based goods or services;

(c) The minimum amount of annual financial resources the department and Enterprise Florida, Inc., project will be necessary to achieve the benchmarks;

(d) The tools, financial and otherwise, necessary to achieve the benchmarks; and

(e) Time-frames to achieve the benchmarks.

(2) By January 1, 2012, the Department of Economic Opportunity shall provide the Governor, the President of the Senate, and the Speaker of the House of Representatives with recommendations for further reorganization and streamlining of economic development and workforce functions that improve the effectiveness and operation of economic development and workforce programs.

Section 9. *Agency review; Department of Economic Opportunity.—*

(1) Not later than July 1, 2016, the Department of Economic Opportunity shall provide the Legislature with a report on the department and Enterprise Florida, Inc., which includes:

(a) The performance measures for each program and activity as defined in s. 216.011 and 3 years of data for each measure which provides actual results for the immediately preceding 2 years and projected results for the fiscal year that begins in the year that the agency report is scheduled to be submitted to the Legislature.

(b) An explanation of factors that have contributed to any failure to achieve the legislative standards.

(c) The promptness and effectiveness with which the agency disposes of complaints concerning persons affected by the agency.

(d) The extent to which the agency has encouraged participation by the public in making its rules and decisions as opposed to participation solely by those it regulates and the extent to which public participation has resulted in rules compatible with the objectives of the agency.

(e) The extent to which the agency has complied with applicable requirements of state law and applicable rules regarding purchasing goals and programs for small and minority-owned businesses.

(f) A statement of any statutory objectives intended for each program and activity, the problem or need that the program and activity were intended to address, and the extent to which these objectives have been achieved.

(g) An assessment of the extent to which the jurisdiction of the agency and its programs overlap or duplicate those of other agencies and the extent to which the programs can be consolidated with those of other agencies.

(h) An assessment of less restrictive or alternative methods of providing services for which the agency is responsible which would reduce costs or improve performance while adequately protecting the public.

(i) An assessment of the extent to which the agency has corrected deficiencies and implemented recommendations contained in reports of the Auditor General, the Office of Program Policy Analysis and Government Accountability, legislative interim studies, and federal audit entities.

(j) The process by which an agency actively measures quality and efficiency of services it provides to the public.

(k) The extent to which the agency complies with public records and public meetings requirements under chapters 119 and 286 and s. 24, Art. I of the State Constitution.

(l) The extent to which alternative program delivery options, such as privatization, outsourcing, or insourcing, have been considered to reduce costs or improve services to state residents.

(m) Recommendations to the Legislature for statutory, budgetary, or regulatory changes that would improve the quality and efficiency of services delivered to the public, reduce costs, or reduce duplication.

(n) The effect of federal intervention or loss of federal funds if the agency, program, or activity is abolished.

(o) A list of all advisory committees, including those established in statute and those established by managerial initiative; their purpose, activities, composition, and related expenses; the extent to which their purposes have been achieved; and the rationale for continuing or eliminating each advisory committee.

(p) Agency programs or functions that are performed without specific statutory authority.

(q) Other information requested by the Legislature.

(2) Information and data reported by the agency shall be validated by its agency head and inspector general before submission to the Legislature.

(3) The Office of Program Policy Analysis and Government Accountability shall review the department and Enterprise Florida, Inc. The review shall include an examination of the cost of each program, an evaluation of best practices and alternatives that would result in the administration of the department in a more efficient or effective manner, an examination of the viability of privatization or a different state agency performing the functions, and an evaluation of the cost and consequences of discontinuing the agency. The review shall be comprehensive in scope and shall consider the information provided by the department report in addition to information deemed necessary by the office and the appropriate legislative committees. The Office of Program Policy Analysis and Government Accountability shall include in the report recommendations for consideration by the Legislature and shall submit the report to the President of the Senate and the Speaker of the House of Representatives no later than December 31, 2016.

Section 10. *The Legislature recognizes that there is a need to conform the Florida Statutes to the policy decisions reflected in this act and that there is a need to resolve apparent conflicts between any other legislation that has been or may be enacted during the 2011 Regular Session of the Legislature and the transfer of duties made by this act. Therefore, in the interim between this act becoming law and the 2012 Regular Session of the Legislature or an earlier special session addressing this issue, the Division of Statutory Revision shall provide the relevant substantive committees of the Senate and the House of Representatives with assistance, upon request, to enable such committees to prepare draft legislation to conform the Florida Statutes and any legislation enacted during 2011 to the provisions of this act.*

Section 11. Section 14.2016, Florida Statutes, is created to read:

14.2016 Division of Emergency Management.—The Division of Emergency Management is established within the Executive Office of the Governor. The division shall be a separate budget entity, as provided in the General Appropriations Act and shall prepare and submit a budget request in accordance with chapter 216. The division shall be responsible for all professional, technical, and administrative support functions necessary to carry out its responsibilities under part I of chapter 252. The director of the division shall be appointed by and serve at the pleasure of the Governor, and shall be the head of the division for all purposes. The division shall administer programs to rapidly apply all available aid to communities stricken by an emergency as defined in s. 252.34 and, for this purpose, shall provide liaison with federal agencies and other public and private agencies.

Section 12. Paragraph (h) is added to subsection (3) of section 20.15, Florida Statutes, to read:

20.15 Department of Education.—There is created a Department of Education.

(3) DIVISIONS.—The following divisions of the Department of Education are established:

(h) The Office of Early Learning, which shall administer the school readiness system in accordance with s. 411.01 and the operational requirements of the Voluntary Prekindergarten Education Program in accordance with part V of chapter 1002. The office is a separate budget entity and is not subject to control, supervision, or direction by the Department of Education or the State Board of Education in any manner including, but not limited to, personnel, purchasing, transactions involving personal property, and budgetary matters. The office director shall be appointed by the Governor and confirmed by the Senate, shall serve at the pleasure of the Governor, and shall be the agency head of the office for all purposes. The office shall enter into a service agreement with the department for professional, technological, and administrative support services. The office shall be subject to review and oversight by the Chief Inspector General or his or her designee.

Section 13. Section 20.60, Florida Statutes, is created to read:

20.60 Department of Economic Opportunity; creation; powers and duties.—

(1) There is created the Department of Economic Opportunity.

(2) The head of the department is the executive director, who shall be appointed by the Governor, subject to confirmation by the Senate. The executive director shall serve at the pleasure of and report to the Governor.

(3) The following divisions of the Department of Economic Opportunity are established:

(a) The Division of Strategic Business Development.

(b) The Division of Community Development.

(c) The Division of Workforce Services.

(d) The Division of Finance and Administration.

(4) The purpose of the department is to assist the Governor in working with the Legislature, state agencies, business leaders, and economic development professionals to formulate and implement coherent and consistent policies and strategies designed to promote economic opportunities for all Floridians. To accomplish such purposes, the department shall:

(a) Facilitate the direct involvement of the Governor and the Lieutenant Governor in economic development and workforce development projects designed to create, expand, and retain businesses in this state, to recruit business from around the world, and to facilitate other job-creating efforts.

(b) Recruit new businesses to this state and promote the expansion of existing businesses by expediting permitting and location decisions, worker placement and training, and incentive awards.

(c) Promote viable, sustainable communities by providing technical assistance and guidance on growth and development issues, grants, and other assistance to local communities.

(d) Ensure that the state's goals and policies relating to economic development, workforce development, community planning and development, and affordable housing are fully integrated with appropriate implementation strategies.

(e) Manage the activities of public-private partnerships and state agencies in order to avoid duplication and promote coordinated and consistent implementation of programs in areas including, but not limited to, tourism; international trade and investment; business recruitment, creation, retention, and expansion; minority and small business development; rural community development; commercialization of products, services, or ideas developed in public universities or other public institutions; and the development and promotion of professional and amateur sporting events.

(5) The divisions within the department have specific responsibilities to achieve the duties, responsibilities, and goals of the department. Specifically:

(a) The Division of Strategic Business Development shall:

1. Analyze and evaluate business prospects identified by the Governor, the executive director of the department, and Enterprise Florida, Inc.

2. Administer certain tax refund, tax credit, and grant programs created in law. Notwithstanding any other provision of law, the department may expend interest earned from the investment of program funds deposited in the Grants and Donations Trust Fund to contract for the administration of those programs, or portions of the programs, assigned to the department by law, by the appropriations process, or by the Governor. Such expenditures shall be subject to review under chapter 216.

3. Develop measurement protocols for the state incentive programs and for the contracted entities which will be used to determine their performance and competitive value to the state. Performance measures, benchmarks, and sanctions must be developed in consultation with the legislative appropriations committees and the appropriate substantive committees, and are subject to the review and approval process provided in s. 216.177. The approved performance measures, standards, and sanctions shall be included and made a part of the strategic plan for contracts entered into for delivery of programs authorized by this section.

4. Develop a 5-year statewide strategic plan. The strategic plan must include, but need not be limited to:

a. Strategies for the promotion of business formation, expansion, recruitment, and retention through aggressive marketing, international development, and export assistance, which lead to more and better jobs and higher wages for all geographic regions, disadvantaged communities, and populations of the state, including rural areas, minority businesses, and urban core areas.

b. The development of realistic policies and programs to further the economic diversity of the state, its regions, and their associated industrial clusters.

c. Specific provisions for the stimulation of economic development and job creation in rural areas and midsize cities and counties of the state, including strategies for rural marketing and the development of infrastructure in rural areas.

d. Provisions for the promotion of the successful long-term economic development of the state with increased emphasis in market research and information.

e. Plans for the generation of foreign investment in the state which create jobs paying above-average wages and which result in reverse investment in the state, including programs that establish viable overseas markets, assist in meeting the financing requirements of export-ready firms, broaden opportunities for international joint venture relationships, use the resources of academic and other institutions, coordinate trade assistance and facilitation services, and facilitate availability of and access to education and training programs that assure requisite skills and competencies necessary to compete successfully in the global marketplace.

f. The identification of business sectors that are of current or future importance to the state's economy and to the state's global business image, and development of specific strategies to promote the development of such sectors.

g. Strategies for talent development necessary in the state to encourage economic development growth, taking into account factors such as the state's talent supply chain, education and training opportunities, and available workforce.

5. Update the strategic plan every 5 years.

6. Involve Enterprise Florida, Inc.; Workforce Florida, Inc.; local governments; the general public; local and regional economic development organizations; other local, state, and federal economic, international, and workforce development entities; the business community; and educational institutions to assist with the strategic plan.

(b) The Division of Community Development shall:

1. Assist local governments and their communities in finding creative planning solutions to help them foster vibrant, healthy communities, while protecting the functions of important state resources and facilities.

2. Administer state and federal grant programs as provided by law to provide community development and project planning activities to maintain viable communities, revitalize existing communities, and expand economic development and employment opportunities, including:

a. The Community Services Block Grant Program.

b. The Community Development Block Grant Program in chapter 290.

c. The Low-Income Home Energy Assistance Program in chapter 409.

d. The Weatherization Assistance Program in chapter 409.

e. The Neighborhood Stabilization Program.

f. The local comprehensive planning process and the development of regional impact process.

g. The Front Porch Florida Initiative through the Office of Urban Opportunity, which is created within the division. The purpose of the office is to administer the Front Porch Florida initiative, a comprehensive, community-based urban core redevelopment program that enables urban core residents to craft solutions to the unique challenges of each designated community.

3. Assist in developing the 5-year statewide strategic plan required by this section.

(c) The Division of Workforce Services shall:

1. Prepare and submit a unified budget request for workforce in accordance with chapter 216 for, and in conjunction with, Workforce Florida, Inc., and its board.

2. Ensure that the state appropriately administers federal and state workforce funding by administering plans and policies of Workforce Florida, Inc., under contract with Workforce Florida, Inc. The operating budget and midyear amendments thereto must be part of such contract.

a. All program and fiscal instructions to regional workforce boards shall emanate from the Department of Economic Opportunity pursuant to plans and policies of Workforce Florida, Inc., which shall be responsible for all policy directions to the regional workforce boards.

b. Unless otherwise provided by agreement with Workforce Florida, Inc., administrative and personnel policies of the Department of Economic Opportunity shall apply.

3. Implement the state's unemployment compensation program. The Department of Economic Opportunity shall ensure that the state appropriately administers the unemployment compensation program pursuant to state and federal law.

4. Assist in developing the 5-year statewide strategic plan required by this section.
