## PRAYER

The following prayer was offered by Pastor Darin Canary, First Christian Church, Wauchula:

Dear Lord, we come to you this morning, and we just simply seek wisdom. Lord, this Capitol is full of men and women who have been entrusted to run this great state. As intelligent and hardworking as they are, God, your word says that we are nothing without you. I just pray that you would shower your wisdom upon them. Let them know in their spirits what you are for and what you are against. God, I just pray that you would give them boldness to stand for what is right.

Father, these men and women have a very difficult task of representing and leading their communities, cities, and state. Lord, as you know, in this room, decisions will be made that have the power to change people's lives, and in some cases, even save lives. Bills will be discussed and voted on. At the end of the day, Lord, it is my prayer that you will be pleased with the end result—that what breaks your heart, God, would break the hearts of these that you have allowed to represent us all in this great State of Florida.

My prayer is that every time this room is brought to order, your presence would fill this place, your thoughts would be their thoughts, and your supreme wisdom would flow from their minds to their pens to their paper. I pray that bills will be created and signed to make us a

better state; one that sets an example for other states to follow; a state that would honor our pledge of one nation, under God, not over you but submitted to your will, your good, pleasing, and perfect will.

Lord, help us all in this place to be like Jesus: to put others before ourselves, to reach out to those in need, and to love one another with unconditional love. Bless these men and women, Lord. Protect them and their families as they do all they can to make this state better. I pray all of this in the powerful name of Jesus Christ. Amen.

## PLEDGE

Senate Pages, Madelynn Duggar of Tallahassee and Steven Ferreiro of Miami, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

**HJR 369**—A joint resolution proposing an amendment to Section 4 of Article VII and the creation of a new section in Article XII of the State Constitution to increase the period of time during which the accrued benefit from specified limitations on homestead property tax assessments may be transferred from a prior homestead to a new homestead and to provide an effective date.

*Be It Resolved by the Legislature of the State of Florida:*

That the following amendment to Section 4 of Article VII and the creation of a new section in Article XII of the State Constitution are agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

#### ARTICLE VII

#### FINANCE AND TAXATION

#### SECTION 4. Taxation; assessments.—

By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead,

unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8)

a. A person who establishes a new homestead as of January 1, ~~2009, or January 1 of any subsequent year~~ and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of ~~any~~ ~~either of the three two~~ years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. ~~If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007.~~ The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

VIII of the State Constitution, except that the license shall be issued only to the person or corporation that operates the hotel or motel operation and not to the association of condominium owners;

4. A food service establishment that has 2,500 square feet of service area, is equipped to serve meals to 150 persons at one time, and derives at least 51 percent of its gross food and beverage revenue from the sale of food and nonalcoholic beverages during the first 120-day ~~60-day~~ operating period and the first ~~each~~ 12-month operating period thereafter. *Subsequent audit timeframes must be based upon the audit percentage established by the most recent audit and conducted on a staggered scale as follows: level 1, 51 percent to 60 percent, every year; level 2, 61 percent to 75 percent, every 2 years; level 3, 76 percent to 90 percent, every 3 years; and level 4, 91 percent to 100 percent, every 4 years.* A food service establishment granted a special license on or after January 1, 1958, pursuant to general or special law may not operate as a package store and may not sell intoxicating beverages under such license after the hours of serving or consumption of food have elapsed. Failure by a licensee to meet the required percentage of food and nonalcoholic beverage gross revenues during the covered operating period shall result in revocation of the license or denial of the pending license application. A licensee whose license is revoked or an applicant whose pending application is denied, or any person required to qualify on the special license application, is ineligible to have any interest in a subsequent application for such a license for a period of 120 days after the date of the final denial or revocation;

5. Any caterer, deriving at least 51 percent of its gross food and beverage revenue from the sale of food and nonalcoholic beverages at each catered event, licensed by the Division of Hotels and Restaurants under chapter 509. This subparagraph does not apply to a culinary education program, as defined in s. 381.0072(2), which is licensed as a public food service establishment by the Division of Hotels and Restaurants and provides catering services. Notwithstanding any law to the contrary, a licensee under this subparagraph shall sell or serve alcoholic beverages only for consumption on the premises of a catered event at which the licensee is also providing prepared food, and shall prominently display its license at any catered event at which the caterer is selling or serving alcoholic beverages. A licensee under this subparagraph shall purchase all alcoholic beverages it sells or serves at a catered event from a vendor licensed under s. 563.02(1), s. 564.02(1), or licensed under s. 565.02(1) subject to the limitation imposed in subsection (1), as appropriate. A licensee under this subparagraph may not store any alcoholic beverages to be sold or served at a catered event. Any alcoholic beverages purchased by a licensee under this subparagraph for a catered event that are not used at that event must remain with the customer; provided that if the vendor accepts unopened alcoholic beverages, the licensee may return such alcoholic beverages to the vendor for a credit or reimbursement. Regardless of the county or counties in which the licensee operates, a licensee under this subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this subparagraph must maintain for a period of 3 years all records and receipts for each catered event, including all contracts, customers' names, event locations, event dates, food purchases and sales, alcoholic beverage purchases and sales, nonalcoholic beverage purchases and sales, and any other records required by the department by rule to demonstrate compliance with the requirements of this subparagraph. Notwithstanding any law to the contrary, any vendor licensed under s. 565.02(1) subject to the limitation imposed in subsection (1), may, without any additional licensure under this subparagraph, serve or sell alcoholic beverages for consumption on the premises of a catered event at which prepared food is provided by a caterer licensed

under chapter 509. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph shall not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in this section shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. The Division of Alcoholic Beverages and Tobacco is hereby authorized to adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement. The first \$300,000 in fees collected by the division each fiscal year pursuant to this subparagraph shall be deposited in the Department of Children and Families' Operations and Maintenance Trust Fund to be used only for alcohol and drug abuse education, treatment, and prevention programs. The remainder of the fees collected shall be deposited into the Hotel and Restaurant Trust Fund created pursuant to s. 509.072; or

6. A culinary education program as defined in s. 381.0072(2) which is licensed as a public food service establishment by the Division of Hotels and Restaurants.

a. This special license shall allow the sale and consumption of alcoholic beverages on the licensed premises of the culinary education program. The culinary education program shall specify designated areas in the facility where the alcoholic beverages may be consumed at the time of application. Alcoholic beverages sold for consumption on the premises may be consumed only in areas designated pursuant to s. 561.01(11) and may not be removed from the designated area. Such license shall be applicable only in and for designated areas used by the culinary education program.

b. If the culinary education program provides catering services, this special license shall also allow the sale and consumption of alcoholic beverages on the premises of a catered event at which the licensee is also providing prepared food. A culinary education program that provides catering services is not required to derive at least 51 percent of its gross revenue from the sale of food and nonalcoholic beverages. Notwithstanding any law to the contrary, a licensee that provides catering services under this sub-subparagraph shall prominently display its beverage license at any catered event at which the caterer is selling or serving alcoholic beverages. Regardless of the county or counties in which the licensee operates, a licensee under this sub-subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this sub-subparagraph must maintain for a period of 3 years all records required by the department by rule to demonstrate compliance with the requirements of this sub-subparagraph.

c. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph does not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in this subparagraph shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. Any culinary education program that holds a license to sell alcoholic beverages shall comply with the age requirements set forth in ss. 562.11(4), 562.11(2), and 562.13.

d. The Division of Alcoholic Beverages and Tobacco may adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement.

e. A license issued pursuant to this subparagraph does not permit the licensee to sell alcoholic beverages by the package for off-premises consumption.

However, any license heretofore issued to any such hotel, motel, motor court, or restaurant or hereafter issued to any such hotel, motel, or motor court, including a condominium accommodation, under the general law shall not be moved to a new location, such license being valid only on the premises of such hotel, motel, motor court, or restaurant. Licenses issued to hotels, motels, motor courts, or restaurants under the general law and held by such hotels, motels, motor courts, or restaurants on May 24, 1947, shall be counted in the quota limitation contained in subsection (1). Any license issued for any hotel, motel, or motor court under this law shall be issued only to the owner of the hotel, motel, or motor court or, in the event the hotel, motel, or motor court is

leased, to the lessee of the hotel, motel, or motor court; and the license shall remain in the name of the owner or lessee so long as the license is in existence. Any special license now in existence heretofore issued under this law cannot be renewed except in the name of the owner of the hotel, motel, motor court, or restaurant or, in the event the hotel, motel, motor court, or restaurant is leased, in the name of the lessee of the hotel, motel, motor court, or restaurant in which the license is located and must remain in the name of the owner or lessee so long as the license is in existence. Any license issued under this section shall be marked "Special," and nothing herein provided shall limit, restrict, or prevent the issuance of a special license for any restaurant or motel which shall hereafter meet the requirements of the law existing immediately prior to the effective date of this act, if construction of such restaurant has commenced prior to the effective date of this act and is completed within 30 days thereafter, or if an application is on file for such special license at the time this act takes effect; and any such licenses issued under this proviso may be annually renewed as now provided by law. Nothing herein prevents an application for transfer of a license to a bona fide purchaser of any hotel, motel, motor court, or restaurant by the purchaser of such facility or the transfer of such license pursuant to law.

Section 10. Subsection (4) of section 561.42, Florida Statutes, is amended to read:

561.42 Tied house evil; financial aid and assistance to vendor by manufacturer, distributor, importer, primary American source of supply, brand owner or registrant, or any broker, sales agent, or sales person thereof, prohibited; procedure for enforcement; exception.—

(4) Before the division shall so declare and prohibit such sales to such vendor, ~~it shall, within 2 days after receipt of such notice, the division shall give written notice to such vendor by electronic mail of the receipt by the division of such notification of delinquency and such vendor shall be directed to forthwith make payment thereof or, upon failure to do so, to show cause before the division why further sales to such vendor shall not be prohibited. Good and sufficient cause to prevent such action by the division may be made by showing payment, failure of consideration, or any other defense which would be considered sufficient in a common-law action. The vendor shall have 5 days after service receipt of such notice via electronic mail within which to show such cause, and he or she may demand a hearing thereon, provided he or she does so in writing within said 5 days, such written demand to be delivered to the division either in person, by electronic mail, or by due course of mail within such 5 days. If no such demand for hearing is made, the division shall thereupon declare in writing to such vendor and to all manufacturers and distributors within the state that all further sales to such vendor are prohibited until such time as the division certifies in writing that such vendor has fully paid for all liquors previously purchased. In the event such prohibition of sales and declaration thereof to the vendor, manufacturers, and distributors is ordered by the division, the vendor may seek review of such decision by the Department of Business and Professional Regulation within 5 days. In the event application for such review is filed within such time, such prohibition of sales shall not be made, published, or declared until final disposition of such review by the department.~~

Section 11. Subsection (2) of section 561.55, Florida Statutes, is amended to read:

561.55 Manufacturers', distributors', brokers', sales agents', importers', vendors', and exporters' records and reports.—

(2) Each manufacturer, distributor, broker, sales agent, and importer shall make a full and complete report by the 10th day of each month for the previous calendar month. The report ~~must be shall be made out in triplicate; two copies shall be sent to the division, and the third copy shall be retained for the manufacturer's, distributor's, broker's, sales agent's, or importer's record. Reports shall be made on forms prepared and furnished by the division and filed with the division through the division's electronic data submission system.~~

Section 12. Paragraphs (d) and (f) of subsection (2) of section 718.112, Florida Statutes, are amended to read:

718.112 Bylaws.—

(2) REQUIRED PROVISIONS.—The bylaws shall provide for the following and, if they do not do so, shall be deemed to include the following:

(d) Unit owner meetings.—

1. An annual meeting of the unit owners must be held at the location provided in the association bylaws and, if the bylaws are silent as to the location, the meeting must be held within 45 miles of the condominium property. However, such distance requirement does not apply to an association governing a timeshare condominium.

2. Unless the bylaws provide otherwise, a vacancy on the board caused by the expiration of a director's term must be filled by electing a new board member, and the election must be by secret ballot. An election is not required if the number of vacancies equals or exceeds the number of candidates. For purposes of this paragraph, the term "candidate" means an eligible person who has timely submitted the written notice, as described in sub-subparagraph 4.a., of his or her intention to become a candidate. Except in a timeshare or nonresidential condominium, or if the staggered term of a board member does not expire until a later annual meeting, or if all members' terms would otherwise expire but there are no candidates, the terms of all board members expire at the annual meeting, and such members may stand for reelection unless prohibited by the bylaws. Board members may serve terms longer than 1 year if permitted by the bylaws or articles of incorporation. A board member may not serve more than 8 consecutive years unless approved by an affirmative vote of unit owners representing two-thirds of all votes cast in the election or unless there are not enough eligible candidates to fill the vacancies on the board at the time of the vacancy. If the number of board members whose terms expire at the annual meeting equals or exceeds the number of candidates, the candidates become members of the board effective upon the adjournment of the annual meeting. Unless the bylaws provide otherwise, any remaining vacancies shall be filled by the affirmative vote of the majority of the directors making up the newly constituted board even if the directors constitute less than a quorum or there is only one director. In a residential condominium association of more than 10 units or in a residential condominium association that does not include timeshare units or timeshare interests, co-owners of a unit may not serve as members of the board of directors at the same time unless they own more than one unit or unless there are not enough eligible candidates to fill the vacancies on the board at the time of the vacancy. A unit owner in a residential condominium desiring to be a candidate for board membership must comply with sub-subparagraph 4.a. and must be eligible to be a candidate to serve on the board of directors at the time of the deadline for submitting a notice of intent to run in order to have his or her name listed as a proper candidate on the ballot or to serve on the board. A person who has been suspended or removed by the division under this chapter, or who is delinquent in the payment of any ~~assessment monetary obligation~~ due to the association, is not eligible to be a candidate for board membership and may not be listed on the ballot. *A person is delinquent if a payment is not made by the due date as specifically identified in the declaration of condominium, bylaws, or articles of incorporation. If a due date is not specifically identified in the declaration of condominium, bylaws, or articles of incorporation, the due date is the first day of the monthly or quarterly assessment period.* A person who has been convicted of any felony in this state or in a United States District or Territorial Court, or who has been convicted of any offense in another jurisdiction which would be considered a felony if committed in this state, is not eligible for board membership unless such felon's civil rights have been restored for at least 5 years as of the date such person seeks election to the board. The validity of an action by the board is not affected if it is later determined that a board member is ineligible for board membership due to having been convicted of a felony. This subparagraph does not limit the term of a member of the board of a nonresidential or timeshare condominium.

3. The bylaws must provide the method of calling meetings of unit owners, including annual meetings. Written notice must include an agenda, must be mailed, hand delivered, or electronically transmitted to each unit owner at least 14 days before the annual meeting, and must be posted in a conspicuous place on the condominium property at least

14 continuous days before the annual meeting. Upon notice to the unit owners, the board shall, by duly adopted rule, designate a specific location on the condominium property where all notices of unit owner meetings must be posted. This requirement does not apply if there is no condominium property for posting notices. In lieu of, or in addition to, the physical posting of meeting notices, the association may, by reasonable rule, adopt a procedure for conspicuously posting and repeatedly broadcasting the notice and the agenda on a closed-circuit cable television system serving the condominium association. However, if broadcast notice is used in lieu of a notice posted physically on the condominium property, the notice and agenda must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required under this section. If broadcast notice is provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda. In addition to any of the authorized means of providing notice of a meeting of the board, the association may, by rule, adopt a procedure for conspicuously posting the meeting notice and the agenda on a website serving the condominium association for at least the minimum period of time for which a notice of a meeting is also required to be physically posted on the condominium property. Any rule adopted shall, in addition to other matters, include a requirement that the association send an electronic notice in the same manner as a notice for a meeting of the members, which must include a hyperlink to the website where the notice is posted, to unit owners whose e-mail addresses are included in the association's official records. Unless a unit owner waives in writing the right to receive notice of the annual meeting, such notice must be hand delivered, mailed, or electronically transmitted to each unit owner. Notice for meetings and notice for all other purposes must be mailed to each unit owner at the address last furnished to the association by the unit owner, or hand delivered to each unit owner. However, if a unit is owned by more than one person, the association must provide notice to the address that the developer identifies for that purpose and thereafter as one or more of the owners of the unit advise the association in writing, or if no address is given or the owners of the unit do not agree, to the address provided on the deed of record. An officer of the association, or the manager or other person providing notice of the association meeting, must provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the association affirming that the notice was mailed or hand delivered in accordance with this provision.

4. The members of the board of a residential condominium shall be elected by written ballot or voting machine. Proxies may not be used in electing the board in general elections or elections to fill vacancies caused by recall, resignation, or otherwise, unless otherwise provided in this chapter. This subparagraph does not apply to an association governing a timeshare condominium.

a. At least 60 days before a scheduled election, the association shall mail, deliver, or electronically transmit, by separate association mailing or included in another association mailing, delivery, or transmission, including regularly published newsletters, to each unit owner entitled to a vote, a first notice of the date of the election. A unit owner or other eligible person desiring to be a candidate for the board must give written notice of his or her intent to be a candidate to the association at least 40 days before a scheduled election. Together with the written notice and agenda as set forth in subparagraph 3., the association shall mail, deliver, or electronically transmit a second notice of the election to all unit owners entitled to vote, together with a ballot that lists all candidates. Upon request of a candidate, an information sheet, no larger than 8 1/2 inches by 11 inches, which must be furnished by the candidate at least 35 days before the election, must be included with the mailing, delivery, or transmission of the ballot, with the costs of mailing, delivery, or electronic transmission and copying to be borne by the association. The association is not liable for the contents of the information sheets prepared by the candidates. In order to reduce costs, the association may print or duplicate the information sheets on both sides of the paper. The division shall by rule establish voting procedures consistent with this sub-subparagraph, including rules establishing procedures for giving notice by electronic transmission and rules providing for the secrecy of ballots. Elections shall be decided by a plurality of ballots cast. There is no quorum requirement; however, at least 20 percent of the eligible voters must cast a ballot in order to have a valid election. A unit owner may not authorize any other person to vote his or her ballot, and any ballots improperly cast are invalid. A unit owner

who violates this provision may be fined by the association in accordance with s. 718.303. A unit owner who needs assistance in casting the ballot for the reasons stated in s. 101.051 may obtain such assistance. The regular election must occur on the date of the annual meeting. Notwithstanding this sub-subparagraph, an election is not required unless more candidates file notices of intent to run or are nominated than board vacancies exist.

b. Within 90 days after being elected or appointed to the board of an association of a residential condominium, each newly elected or appointed director shall certify in writing to the secretary of the association that he or she has read the association's declaration of condominium, articles of incorporation, bylaws, and current written policies; that he or she will work to uphold such documents and policies to the best of his or her ability; and that he or she will faithfully discharge his or her fiduciary responsibility to the association's members. In lieu of this written certification, within 90 days after being elected or appointed to the board, the newly elected or appointed director may submit a certificate of having satisfactorily completed the educational curriculum administered by a division-approved condominium education provider within 1 year before or 90 days after the date of election or appointment. The written certification or educational certificate is valid and does not have to be resubmitted as long as the director serves on the board without interruption. A director of an association of a residential condominium who fails to timely file the written certification or educational certificate is suspended from service on the board until he or she complies with this sub-subparagraph. The board may temporarily fill the vacancy during the period of suspension. The secretary shall cause the association to retain a director's written certification or educational certificate for inspection by the members for 5 years after a director's election or the duration of the director's uninterrupted tenure, whichever is longer. Failure to have such written certification or educational certificate on file does not affect the validity of any board action.

c. Any challenge to the election process must be commenced within 60 days after the election results are announced.

5. Any approval by unit owners called for by this chapter or the applicable declaration or bylaws, including, but not limited to, the approval requirement in s. 718.111(8), must be made at a duly noticed meeting of unit owners and is subject to all requirements of this chapter or the applicable condominium documents relating to unit owner decisionmaking, except that unit owners may take action by written agreement, without meetings, on matters for which action by written agreement without meetings is expressly allowed by the applicable bylaws or declaration or any law that provides for such action.

6. Unit owners may waive notice of specific meetings if allowed by the applicable bylaws or declaration or any law. Notice of meetings of the board of administration, unit owner meetings, except unit owner meetings called to recall board members under paragraph (j), and committee meetings may be given by electronic transmission to unit owners who consent to receive notice by electronic transmission. A unit owner who consents to receiving notices by electronic transmission is solely responsible for removing or bypassing filters that block receipt of mass emails sent to members on behalf of the association in the course of giving electronic notices.

7. Unit owners have the right to participate in meetings of unit owners with reference to all designated agenda items. However, the association may adopt reasonable rules governing the frequency, duration, and manner of unit owner participation.

8. A unit owner may tape record or videotape a meeting of the unit owners subject to reasonable rules adopted by the division.

9. Unless otherwise provided in the bylaws, any vacancy occurring on the board before the expiration of a term may be filled by the affirmative vote of the majority of the remaining directors, even if the remaining directors constitute less than a quorum, or by the sole remaining director. In the alternative, a board may hold an election to fill the vacancy, in which case the election procedures must conform to sub-subparagraph 4.a. unless the association governs 10 units or fewer and has opted out of the statutory election process, in which case the bylaws of the association control. Unless otherwise provided in the bylaws, a board member appointed or elected under this section shall fill the vacancy for the unexpired term of the seat being filled. Filling vacancies

created by recall is governed by paragraph (j) and rules adopted by the division.

10. This chapter does not limit the use of general or limited proxies, require the use of general or limited proxies, or require the use of a written ballot or voting machine for any agenda item or election at any meeting of a timeshare condominium association or nonresidential condominium association.

Notwithstanding subparagraph (b)2. and sub-subparagraph 4.a., an association of 10 or fewer units may, by affirmative vote of a majority of the total voting interests, provide for different voting and election procedures in its bylaws, which may be by a proxy specifically delineating the different voting and election procedures. The different voting and election procedures may provide for elections to be conducted by limited or general proxy.

(f) Annual budget.—

1. The proposed annual budget of estimated revenues and expenses must be detailed and must show the amounts budgeted by accounts and expense classifications, including, at a minimum, any applicable expenses listed in s. 718.504(21). *The annual budget must be proposed to unit owners and adopted by the board of directors no later than 30 days before the beginning of the fiscal year.* A multicondominium association shall adopt a separate budget of common expenses for each condominium the association operates and shall adopt a separate budget of common expenses for the association. In addition, if the association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements as provided for in s. 718.113(1), the budget or a schedule attached to it must show the amount budgeted for this maintenance. If, after turnover of control of the association to the unit owners, any of the expenses listed in s. 718.504(21) are not applicable, they need not be listed.

2.a. In addition to annual operating expenses, the budget must include reserve accounts for capital expenditures and deferred maintenance. These accounts must include, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and any other item that has a deferred maintenance expense or replacement cost that exceeds \$10,000. The amount to be reserved must be computed using a formula based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The association may adjust replacement reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to an adopted budget in which the members of an association have determined, by a majority vote at a duly called meeting of the association, to provide no reserves or less reserves than required by this subsection.

b. Before turnover of control of an association by a developer to unit owners other than a developer pursuant to s. 718.301, the developer may vote the voting interests allocated to its units to waive the reserves or reduce the funding of reserves through the period expiring at the end of the second fiscal year after the fiscal year in which the certificate of a surveyor and mapper is recorded pursuant to s. 718.104(4)(e) or an instrument that transfers title to a unit in the condominium which is not accompanied by a recorded assignment of developer rights in favor of the grantee of such unit is recorded, whichever occurs first, after which time reserves may be waived or reduced only upon the vote of a majority of all nondeveloper voting interests voting in person or by limited proxy at a duly called meeting of the association. If a meeting of the unit owners has been called to determine whether to waive or reduce the funding of reserves and no such result is achieved or a quorum is not attained, the reserves included in the budget shall go into effect. After the turnover, the developer may vote its voting interest to waive or reduce the funding of reserves.

3. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and may be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority vote at a duly called meeting of the association. Before turnover of control of an association by a developer to unit owners other than the developer pursuant to s. 718.301, the developer-controlled association may not vote to use reserves for purposes other than those for which they were intended without the approval of a

majority of all nondeveloper voting interests, voting in person or by limited proxy at a duly called meeting of the association.

4. The only voting interests that are eligible to vote on questions that involve waiving or reducing the funding of reserves, or using existing reserve funds for purposes other than purposes for which the reserves were intended, are the voting interests of the units subject to assessment to fund the reserves in question. Proxy questions relating to waiving or reducing the funding of reserves or using existing reserve funds for purposes other than purposes for which the reserves were intended must contain the following statement in capitalized, bold letters in a font size larger than any other used on the face of the proxy ballot: **WAIVING OF RESERVES, IN WHOLE OR IN PART, OR ALLOWING ALTERNATIVE USES OF EXISTING RESERVES MAY RESULT IN UNIT OWNER LIABILITY FOR PAYMENT OF UNANTICIPATED SPECIAL ASSESSMENTS REGARDING THOSE ITEMS.**

Section 13. Paragraph (m) of subsection (1) of section 718.501, Florida Statutes, is amended to read:

718.501 Authority, responsibility, and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—

(1) The division may enforce and ensure compliance with the provisions of this chapter and rules relating to the development, construction, sale, lease, ownership, operation, and management of residential condominium units. In performing its duties, the division has complete jurisdiction to investigate complaints and enforce compliance with respect to associations that are still under developer control or the control of a bulk assignee or bulk buyer pursuant to part VII of this chapter and complaints against developers, bulk assignees, or bulk buyers involving improper turnover or failure to turnover, pursuant to s. 718.301. However, after turnover has occurred, the division has jurisdiction to investigate complaints related only to financial issues, elections, and unit owner access to association records pursuant to s. 718.111(12).

(m) If a complaint is made, the division must conduct its inquiry with due regard for the interests of the affected parties. Within 30 days after receipt of a complaint, the division shall acknowledge the complaint in writing and notify the complainant whether the complaint is within the jurisdiction of the division and whether additional information is needed by the division from the complainant. The division shall conduct its investigation and, within 90 days after receipt of the original complaint or of timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule has occurred. If an investigation is not completed within the time limits established in this paragraph, the division shall, on a monthly basis, notify the complainant in writing of the status of the investigation. When reporting its action to the complainant, the division shall inform the complainant of any right to a hearing pursuant to ss. 120.569 and 120.57. *The division may adopt rules regarding the submission of a complaint against an association.*

Section 14. Section 718.5014, Florida Statutes, is amended to read:

718.5014 Ombudsman location.—The ombudsman shall maintain his or her principal office *at a in Leon County on the premises of the division or, if suitable space cannot be provided there, at another place* convenient to the offices of the division which will enable the ombudsman to expeditiously carry out the duties and functions of his or her office. The ombudsman may establish branch offices elsewhere in the state upon the concurrence of the Governor.

Section 15. Subsection (1) of section 455.219, Florida Statutes, is amended to read:

455.219 Fees; receipts; disposition; periodic management reports.—

(1) Each board within the department shall determine by rule the amount of license fees for its profession, based upon department-prepared long-range estimates of the revenue required to implement all provisions of law relating to the regulation of professions by the de-

partment and any board; however, when the department has determined, based on the long-range estimates of such revenue, that a profession's trust fund moneys are in excess of the amount required to cover the necessary functions of the board, or the department when there is no board, the department may adopt rules to implement a waiver of license renewal fees for that profession for a period not to exceed 2 years, as determined by the department. Each board, or the department when there is no board, shall ensure license fees are adequate to cover all anticipated costs and to maintain a reasonable cash balance, as determined by rule of the department, with advice of the applicable board. If sufficient action is not taken by a board within 1 year of notification by the department that license fees are projected to be inadequate, the department shall set license fees on behalf of the applicable board to cover anticipated costs and to maintain the required cash balance. The department shall include recommended fee cap increases in its annual report to the Legislature. Further, it is legislative intent that no regulated profession operate with a negative cash balance. The department may provide by rule for the advancement of sufficient funds to any profession or the Florida ~~Athletic State Boxing~~ Commission operating with a negative cash balance. Such advancement may be for a period not to exceed 2 consecutive years and shall require interest to be paid by the regulated profession. Interest shall be calculated at the current rate earned on Professional Regulation Trust Fund investments. Interest earned shall be allocated to the various funds in accordance with the allocation of investment earnings during the period of the advance.

Section 16. Subsection (4) of section 548.002, Florida Statutes, is amended to read:

548.002 Definitions.—As used in this chapter, the term:

(4) "Commission" means the Florida ~~Athletic State Boxing~~ Commission.

Section 17. Subsections (3) and (4) of section 548.05, Florida Statutes, are amended to read:

548.05 Control of contracts.—

(3) The commission may require that each contract contain language authorizing the Florida ~~State Boxing~~ commission to withhold any or all of any manager's share of a purse in the event of a contractual dispute as to entitlement to any portion of a purse. (1) Except as otherwise provided in this act and subject to the limitations and procedures prescribed in this section, a person who is found to be entitled to compensation under the provisions of this act is entitled to:

(a) Monetary compensation for wrongful incarceration, which shall be calculated at a rate of \$50,000 for each year of wrongful incarceration, prorated as necessary to account for a portion of a year. For persons found to be wrongfully incarcerated after December 31, 2008, the Chief Financial Officer may adjust the annual rate of compensation for inflation using the change in the December-to-December "Consumer Price Index for All Urban Consumers" of the Bureau of Labor Statistics of the Department of Labor;

(b) A waiver of tuition and fees for up to 120 hours of instruction at any career center established under s. 1001.44, any Florida College System institution as defined in s. 1000.21(3), or any state university as defined in s. 1000.21(6), if the wrongfully incarcerated person meets and maintains the regular admission requirements of such career center, Florida College System institution, or state university; remains registered at such educational institution; and makes satisfactory academic progress as defined by the educational institution in which the claimant is enrolled;

(c) The amount of any fine, penalty, or court costs imposed and paid by the wrongfully incarcerated person;

(d) The amount of any reasonable attorney ~~attorney's~~ fees and expenses incurred and paid by the wrongfully incarcerated person in connection with all criminal proceedings and appeals regarding the

wrongful conviction, to be calculated by the department based upon the supporting documentation submitted as specified in s. 961.05; and

(e) Notwithstanding any provision to the contrary in s. 943.0583 or s. 943.0585, immediate administrative expunction of the person's criminal record resulting from his or her wrongful arrest, wrongful conviction, and wrongful incarceration. The Department of Legal Affairs and the Department of Law Enforcement shall, upon a determination that a claimant is entitled to compensation, immediately take all action necessary to administratively expunge the claimant's criminal record arising from his or her wrongful arrest, wrongful conviction, and wrongful incarceration. All fees for this process shall be waived.

The total compensation awarded under paragraphs (a), (c), and (d) may not exceed \$2 million. No further award for attorney attorneys' fees, lobbying fees, costs, or other similar expenses shall be made by the state.

(2) In calculating monetary compensation under paragraph (1)(a), a wrongfully incarcerated person who is placed on parole or community supervision while serving the sentence resulting from the wrongful conviction and who commits no more than one felony that is not a violent felony which results in revocation of the parole or community supervision is eligible for compensation for the total number of years incarcerated. A wrongfully incarcerated person who commits one violent felony or more than one felony that is not a violent felony that results in revocation of the parole or community supervision is ineligible for any compensation under subsection (1).

(3) Within 15 calendar days after issuing notice to the claimant that his or her claim satisfies all of the requirements under this act, the department shall notify the Chief Financial Officer to draw a warrant from the General Revenue Fund or another source designated by the Legislature in law for the purchase of an annuity for the claimant based on the total amount determined by the department under this act.

(4) The Chief Financial Officer shall issue payment in the amount determined by the department to an insurance company or other financial institution admitted and authorized to issue annuity contracts in this state to purchase an annuity or annuities, selected by the wrongfully incarcerated person, for a term of not less than 10 years. The Chief Financial Officer is directed to execute all necessary agreements to implement this act and to maximize the benefit to the wrongfully incarcerated person. The terms of the annuity or annuities shall:

(a) Provide that the annuity or annuities may not be sold, discounted, or used as security for a loan or mortgage by the wrongfully incarcerated person.

(b) Contain beneficiary provisions for the continued disbursement of the annuity or annuities in the event of the death of the wrongfully incarcerated person.

(5) *If, at the time monetary compensation is determined under paragraph (1)(a), a court has previously entered a monetary judgment in favor of the claimant in a civil action related to the person's wrongful incarceration, or the claimant has entered into a settlement agreement with the state or any political subdivision thereof related to the person's wrongful incarceration, the amount of the damages in the civil action or settlement agreement, less any sums paid for attorney fees or for costs incurred in litigating the civil action or obtaining the settlement agreement, must be deducted from the total monetary compensation to which the claimant is entitled under this section. Before the department approves the application for compensation, the wrongfully incarcerated person must sign a release and waiver on behalf of the wrongfully incarcerated person and his or her heirs, successors, and assigns, forever releasing the state or any agency, instrumentality, or any political subdivision thereof, or any other entity subject to s. 768.28, from all present or future claims that the wrongfully incarcerated person or his or her heirs, successors, or assigns may have against such entities arising out of the facts in connection with the wrongful conviction for which compensation is being sought under the act.*

(6) *If subsection (5) does not apply, and if after the time monetary compensation is determined under paragraph (1)(a) the court enters a monetary judgment in favor of the claimant in a civil action related to the person's wrongful incarceration, or the claimant enters into a settlement agreement with the state or any political subdivision thereof*

*related to the person's wrongful incarceration, the claimant must reimburse the state for the monetary compensation in paragraph (1)(a), less any sums paid for attorney fees or costs incurred in litigating the civil action or obtaining the settlement agreement. A reimbursement required under this subsection shall not exceed the amount of the monetary award the claimant received for damages in a civil action or settlement agreement. The court shall include in the order of judgment an award to the state of any amount required to be deducted under this subsection*

~~(6)(a) A wrongfully incarcerated person may not submit an application for compensation under this act if the person has a lawsuit pending against the state or any agency, instrumentality, or any political subdivision thereof, or any other entity subject to the provisions of s. 768.28, in state or federal court requesting compensation arising out of the facts in connection with the claimant's conviction and incarceration.~~

(7)(a) *The claimant shall notify the department upon filing a civil action against the state or any political subdivision thereof in which the claimant is seeking monetary damages related to the claimant's wrongful incarceration for which he or she previously received or is applying to receive compensation pursuant to paragraph (1)(a).*

(b) *Upon notice of the claimant's civil action, the department shall file in the case a notice of payment of monetary compensation to the claimant under paragraph (1)(a). The notice shall constitute a lien upon any judgment or settlement recovered under the civil action that is equal to the sum of monetary compensation paid to the claimant under paragraph (1)(a), less any attorney fees and litigation costs.*

~~(8)(a)(b) A wrongfully incarcerated person may not submit an application for compensation under this act if the person is the subject of a claim bill pending for claims arising out of the facts in connection with the claimant's conviction and incarceration.~~

~~(b)(c) Once an application is filed under this act, a wrongfully incarcerated person may not pursue recovery under a claim bill until the final disposition of the application.~~

~~(c)(d) Any amount awarded under this act is intended to provide the sole compensation for any and all present and future claims arising out of the facts in connection with the claimant's conviction and incarceration. Upon notification by the department that an application meets the requirements of this act, a wrongfully incarcerated person may not recover under a claim bill.~~

~~(d)(e) Any compensation awarded under a claim bill shall be the sole redress for claims arising out of the facts in connection with the claimant's conviction and incarceration and, upon any award of compensation to a wrongfully incarcerated person under a claim bill, the person may not receive compensation under this act.~~

~~(9)(f) Any payment made under this act does not constitute a waiver of any defense of sovereign immunity or an increase in the limits of liability on behalf of the state or any person subject to the provisions of s. 768.28 or other law.~~

961.02 Definitions.—As used in ss. 961.01-961.07, the term:

(4) “Eligible for compensation” means that a person meets the definition of the term “wrongfully incarcerated person” and is not disqualified from seeking compensation under the criteria prescribed in s. 961.04.

Section 8. For the purpose of incorporating the amendment made by this act to section 961.04, Florida Statutes, in references thereto, paragraph (a) of subsection (1) and subsections (2), (3), and (4) of section 961.03, Florida Statutes, are reenacted to read:

961.03 Determination of status as a wrongfully incarcerated person; determination of eligibility for compensation.—

(1)(a) In order to meet the definition of a “wrongfully incarcerated person” and “eligible for compensation,” upon entry of an order, based upon exonerating evidence, vacating a conviction and sentence, a person must set forth the claim of wrongful incarceration under oath and with particularity by filing a petition with the original sentencing court, with a copy of the petition and proper notice to the prosecuting authority in the underlying felony for which the person was incarcerated. At a minimum, the petition must:

1. State that verifiable and substantial evidence of actual innocence exists and state with particularity the nature and significance of the verifiable and substantial evidence of actual innocence; and

2. State that the person is not disqualified, under the provisions of s. 961.04, from seeking compensation under this act.

(2) The prosecuting authority must respond to the petition within 30 days. The prosecuting authority may respond:

(a) By certifying to the court that, based upon the petition and verifiable and substantial evidence of actual innocence, no further criminal proceedings in the case at bar can or will be initiated by the prosecuting authority, that no questions of fact remain as to the petitioner’s wrongful incarceration, and that the petitioner is not ineligible from seeking compensation under the provisions of s. 961.04; or

(b) By contesting the nature, significance, or effect of the evidence of actual innocence, the facts related to the petitioner’s alleged wrongful incarceration, or whether the petitioner is ineligible from seeking compensation under the provisions of s. 961.04.

(3) If the prosecuting authority responds as set forth in paragraph (2)(a), the original sentencing court, based upon the evidence of actual innocence, the prosecuting authority’s certification, and upon the court’s finding that the petitioner has presented clear and convincing evidence that the petitioner committed neither the act nor the offense that served as the basis for the conviction and incarceration, and that the petitioner did not aid, abet, or act as an accomplice to a person who committed the act or offense, shall certify to the department that the petitioner is a wrongfully incarcerated person as defined by this act. Based upon the prosecuting authority’s certification, the court shall also certify to the department that the petitioner is eligible for compensation under the provisions of s. 961.04.

(4)(a) If the prosecuting authority responds as set forth in paragraph (2)(b), the original sentencing court shall make a determination from the pleadings and supporting documentation whether, by a preponderance of the evidence, the petitioner is ineligible for compensation under the provisions of s. 961.04, regardless of his or her claim of wrongful incarceration. If the court finds the petitioner ineligible under the provisions of s. 961.04, it shall dismiss the petition.

(b) If the prosecuting authority responds as set forth in paragraph (2)(b), and the court determines that the petitioner is eligible under the provisions of s. 961.04, but the prosecuting authority contests the nature, significance or effect of the evidence of actual innocence, or the facts related to the petitioner’s alleged wrongful incarceration, the court shall set forth its findings and transfer the petition by electronic means through the division’s website to the division for findings of fact and a recommended determination of whether the petitioner has established that he or she is a wrongfully incarcerated person who is eligible for compensation under this act.

(1)

(b)1. Registration license plates bearing a graphic symbol and the alphanumeric system of identification shall be issued for a 10-year period. At the end of the 10-year period, upon renewal, the plate shall be replaced. The department shall extend the scheduled license plate replacement date from a 6-year period to a 10-year period. The fee for such replacement is \$28, \$2.80 of which shall be paid each year before the plate is replaced, to be credited toward the next \$28 replacement fee. The fees shall be deposited into the Highway Safety Operating Trust Fund. A credit or refund may not be given for any prior years' payments of the prorated replacement fee if the plate is replaced or surrendered before the end of the 10-year period, except that a credit may be given if a registrant is required by the department to replace a license plate under s. 320.08056(8)(a). With each license plate, a validation sticker shall be issued showing the owner's birth month, license plate number, and the year of expiration or the appropriate renewal period if the owner is not a natural person. The validation sticker shall be placed on the upper right corner of the license plate. The license plate and validation sticker shall be issued based on the applicant's appropriate renewal period. The registration period is 12 months, the extended registration period is 24 months, and all expirations occur based on the applicant's appropriate registration period. *Vehicles taxed pursuant to s. 320.08(6)(a) may elect a permanent registration period, provided payment of the appropriate license taxes and fees occurs annually.* A vehicle that has an apportioned registration shall be issued an annual license plate and a cab card that denote the declared gross vehicle weight for each apportioned jurisdiction in which the vehicle is authorized to operate.

2. In order to retain the efficient administration of the taxes and fees imposed by this chapter, the 80-cent fee increase in the replacement fee imposed by chapter 2009-71, Laws of Florida, is negated as provided in s. 320.0804.

(c) Registration license plates equipped with validation stickers subject to the registration period are valid for not more than 12 months and expire at midnight on the last day of the registration period. A registration license plate equipped with a validation sticker subject to the extended registration period is valid for not more than 24 months and expires at midnight on the last day of the extended registration period. *A registration license plate equipped with a validation sticker subject to a permanent registration period is permanently valid but shall become void if appropriate license taxes and fees are not paid annually.* For each registration period after the one in which the metal registration license plate is issued, and until the license plate is required to be replaced, a validation sticker showing the month and year of expiration shall be issued upon payment of the proper license tax amount and fees and is valid for not more than 12 months. For each extended registration period occurring after the one in which the metal registration license plate is issued and until the license plate is required to be replaced, a validation sticker showing the year of expiration shall be issued upon payment of the proper license tax amount and fees and is valid for not more than 24 months. *For each permanent registration period occurring after the one in which the metal registration license plate is issued and until the license plate is required to be replaced, a validation sticker showing a permanent registration period shall be issued upon payment of the proper license tax amount and fees and is permanently valid but shall become void if the proper license taxes and fees are not paid annually.* When license plates equipped with validation stickers are issued in any month other than the owner's birth month or the designated registration period for any other motor vehicle, the effective date shall reflect the birth month or month and the year of renewal. However, when a license plate or validation sticker is issued for a period of less than 12 months, the applicant shall pay the appropriate amount of license tax and the applicable fee under s. 320.14 in addition to all other fees. Validation stickers issued for vehicles taxed under s. 320.08(6)(a), for any company that owns 250 vehicles or more, or for semitrailers taxed under the provisions of s. 320.08(5)(a), for any company that owns 50 vehicles or more, may be placed on any vehicle in the fleet so long as the vehicle receiving the validation sticker has the

same owner's name and address as the vehicle to which the validation sticker was originally assigned.

## PRAYER

The following prayer was offered by the Reverend Elizabeth Yates, Alachua-Central District of the 11<sup>th</sup> Episcopal District African Methodist Episcopal Church, Jacksonville:

Our Father and our God, most holy one, who is known by many names and whose majesty is above any name and all names. We thank you this morning for the spirit of life, spirit of unity, and the spirit of justice. We trust in your power to create, sustain, and enable; but we could not trust if we did not know that you are always near.

Therefore, we invite your presence of goodwill into this Senate meeting. We ask your blessings upon these who have been elected to lead the communities in which we all live, work, serve, and have our very being. I pray, O God, that you would help them as leaders to listen for guidance, listen for change, and listen for movement in the various areas of need, aid, and reform within our state.

Prompt them, O God, in the busyness of their schedules of political debates, rhetoric, issues, and concerns to understand that they are not

only our leaders, but they are also our servants. Help them to remember that their responsibility is to serve the common good of all humankind.

Remind them that regardless of the community where our zip codes lie, we are all neighbors. Throughout the ages, universal prophets have called the leaders of the people to respect and protect those who are the least among us: the lost, the left behind, the dispossessed and disenfranchised, the children, the elderly, the homeless, the hungry, and the poor in body, mind, and spirit. Remember the strangers that are within our midst and those who are alone, forgotten, and do not have voices. Remember in your deliberations that you are their voice.

Therefore, I pray that you are granted the wisdom, knowledge, and the courage to do what is right and what is good and true. May you continue to move when it is time to move, may you speak when it is time to speak, and may you listen when it is time to listen. I pray that you men and women will always be guided by the spirit of goodwill, justice, and the passion for all in our beloved state.

I pray blessings upon you as you ready to retire for this session. Bless your families and all of the staff members who serve us, and may you return afresh.

This prayer is given in the name of all whom we hold sacred and holy—all that we hold good, right, and true. Amen.

## PLEDGE

## ADOPTION OF RESOLUTIONS

At the request of Senator Braynon—

By Senator Braynon—

**SR 1932**—A resolution to recognize August 1, 2020, and each August 1 thereafter, as “Historic Virginia Key Beach Park Day” in Florida.

WHEREAS, on August 1, 1945, Virginia Beach, as it was then known, was designated “a Dade County Park for the exclusive use of Negroes,” becoming a cherished getaway and a social gathering place for African Americans, with its shaded picnic areas with barbecue pits and its cottages and amusement rides, and

WHEREAS, even after the park was closed by the City of Miami in 1982 due to the high cost of maintenance and operations, the civic, social, and environmental characteristics of the park continued to hold national, state, regional, and local significance in the history of civil rights and to highlight the achievements of local African-American communities, and

WHEREAS, in August 2002, the park was added to the National Register of Historic Places; in 2006, it was added to the State of Florida Heritage Trail; and in February 2008, it reopened to the public as the Historic Virginia Key Beach Park, and

WHEREAS, in 2010, the Historic Virginia Key Beach Park was included as a major stakeholder in the Virginia Key Master Plan, which had been approved by the City of Miami City Commission in 2006, a turning point in the life of the park, and

WHEREAS, the Virginia Key Master Plan envisioned the restoration of the park and the creation of a museum that will present the history and contributions of those who, in the 1940s, pressed for designation of the park; who sought to restore the natural environment of the park; and support for creation of a Center for Conflict Resolution and Reconciliation, and

WHEREAS, this project will enhance the cultural offerings of the City of Miami; bring international attention to this state and to the park's noteworthy civil rights history; serve as a positive example of civic engagement, as represented by the history of the park's origin and the advocacy of a citizen-based Board of Trustees; and create social engagement opportunities through the incorporation of the public shoreline, a greenspace, and various amenities, and

WHEREAS, in 2013, Historic Virginia Key Beach Park was added to the City of Miami's Historic and Environmental Preservation List, and

WHEREAS, August 1, 2020, marks the 75th anniversary of the establishment of the Historic Virginia Key Beach Park, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That August 1, 2020, and each August 1 thereafter, is recognized as "Historic Virginia Key Beach Park Day" in Florida.

—was introduced, read, and adopted by publication.

**THE PRESIDENT PRESIDING****SPECIAL RECOGNITION OF  
PRESIDENT PRO TEMPORE SIMMONS****REMARKS**

On motion by Senator Benacquisto, by two-thirds vote, the following remarks were ordered spread upon the Journal:

**President Galvano:** Senators, we are here to give, in his official capacity as President Pro Tempore, Senator Simmons one last recognition. We heard earlier from you as a retiring member of this august body. We appreciate all of your service, and it was appropriately honored. This time, you should know that in your service over the last two years as President Pro Tempore, you have done an exemplary job—absolutely outstanding. I could not have asked for, as I said last week, a better copilot on this journey. It's not as easy as we make it look—believe it or not. If you have the right people around you and the right partner in the process, then success is inevitable. You, sir, have made that success inevitable. I appreciate that. It has also helped me develop even further the friendship that we have had for many, many years and a friendship that I hope we continue to have for many, many years into the future. Thank you so much for your service to the Florida Senate as President Pro Tempore.

**Leader Gibson:** What a joy it has been serving with you, President Pro Tempore Simmons. When I first met you, I wasn't quite sure. I thought you were a little stiff. But you really have a very warm heart, and you always say very complimentary things. As we just spoke, you would tell it like it is. I like a person who tells it like it is because I tell it

like it is, too. So we are partners in that. Thank you so much for your kindness, your deliberative debate, and your willingness to always try to work it out. I very much appreciate that, and I will miss you dearly.

**Leader Passidomo:** By the way, after others have had an opportunity to thank you in your role as Pro Tempore, we have a little surprise for you. I just briefly want to say something about those Wednesday morning meetings—with your calm and steady hand and your discussion of the issues. As I mentioned yesterday, when we're all debating whether or not this bill is good or that process, you would say something and, just like that, everybody would calm down. Then you would give us your opinion and, invariably, we said, "You know what? He's right." And so, your steady hand and your calm demeanor have just been the perfect way to run a session. Mr. President, you could not have picked a better Pro Tempore, and I just thank you so much. When you go back to practicing law, you're going to win a lot more cases.

**SPECIAL GUESTS**

The President recognized Chief Financial Officer Jimmy Patronis, Commissioner of Agriculture Nikki Fried, and Secretary of State Laurel Lee who were present in the chamber.

The President recognized former Senate Presidents Andy Gardiner, John McKay, and Jeff Atwater.

The President recognized former Speaker of the Florida House of Representatives Dean Cannon and current Speaker of the Florida House of Representatives Jose Oliva.

**SPECIAL PRESENTATION**

On behalf of the Senate, Majority Leader Passidomo and Democratic Leader Gibson presented President Pro Tempore Simmons a plaque depicting him presiding over the Senate and a historical biography of United States President Abraham Lincoln published in 1868 in Spain.

**SENATOR SIMMONS PRESIDING****SPECIAL RECOGNITION OF  
PRESIDENT GALVANO****SPECIAL PRESENTATION**

At the direction of Senator Simmons, the Senate proceeded to the recognition of President Galvano, honoring his years of service to the Senate as he approaches the completion of his term for the 21<sup>st</sup> Senate District and President of the Senate. A video tribute was played honoring President Galvano. On behalf of the Senate, Senator Passidomo presented President Galvano with a framed ceremonial copy of CS for SB 7068 (2019) Transportation, ch. 2019-43, Laws of Florida.

**SPECIAL GUESTS**

Senator Simmons recognized the First Lady of the Florida Senate, Julie Galvano; children, Michael, William, and Jacqueline; Julie's parents, the Reverend Sterling and Mary Jean Forrester; Julie's brother, Paul; and the many friends who traveled from the President's district who were present in the gallery.

**REMARKS**

On motion by Senator Benacquisto, by two-thirds vote, the following remarks were ordered spread upon the Journal:

**Senator Simmons:** Senators and guests, the President of the Florida Senate and his beautiful bride. It's incredible that we have had such a wonderful, wonderful President. For me, and I know for each of you, that every promise that he made to each one of us, Mr. President, you fulfilled. And that is the opportunity, for you to be the Senator you desire to be, to fulfill the desires and the goals and the aspirations that you had here in the Senate and for which you were elected. Obviously, we don't confuse being given that opportunity with, in fact, getting the House of Representatives or the Governor to agree with what one of our

views is. One thing is for sure—the opportunity to fulfill your destiny as a Senator. In addition to that, is the civility that he has assured to each of us as Senators and as the President of the Senate, with the Speaker, as well as the Governor, as well as all those with whom he deals. He is, in fact, the President who fulfilled the destiny of a “Golden Age” in this Senate.

I met President Galvano and Julie in 2002. He had been elected to the Florida House of Representatives. We had the opportunity to work together—for me to be able to see how he is dedicated and all the traits that, when you sum them up, are the traits of a leader: honesty, integrity, and diligence.

By the way, have you ever noticed that we were always on time at every meeting that he's had? I can only imagine that's something from your upbringing. However, it's an assured response that when you walk into a meeting a little bit late, you happen to get the look from the President that you should have been there a little bit early, not only on time, but a few minutes before.

He believes that you can see starting a project with the end in mind, but at the same time, making sure that first things are first. Let me translate that into something that each of us has seen—play the hole you're on. President Galvano's father and teacher assured that that was instilled, inculcated in him, so that many of the missteps of others did not occur here during his time as President.

You believe so much in treating others with respect and dignity and as members of the team. He is not only a leader, Senators, he's your friend. Whether it's Abraham Lincoln or Ronald Reagan or any other of the leaders that we so admire, we know that when all of these greats are summarized within one person, that leader is not only a leader, he is a statesman. President Galvano, my friend, our friend, you are truly a statesman and that, Senators, is our leader and our President.

**Senator Passidomo:** A long story, to show the man and how he handles himself in the Senate and how he cares about all of us. Two years ago, right after the election, I will never forget it was a Monday morning. And it was the day, the day when the President was calling all the members to tell them their committee chairmanships. So he started at 8:00 a.m. with the As. Now I'm a P, so I didn't get my call until around 11:00 a.m. So by 11:00 a.m. in the morning, A through O were all calling me to tell me about their chairmanships. Now, I know the President had called us all ahead of time to say “What would you like to do.” And I said, you know being humble, “Mr. President, I will do whatever you think would be in the best interest of the Senate. If you want me to chair the men's room, I'll do whatever you want me to do.” I probably shouldn't have said that. So, by the time they got to the Ps, everybody had called me saying, “Yay, I'm chairing this” and, “Yay, I'm chairing that” and I'm thinking to myself, writing it down, sinking, they're all gone. All the good chairmanships are gone by the time he gets to the Ps. So I answer the phone, and he says, “Senator, I'm calling to tell you your committee assignments and where your office is going to be.” And I'm like, I don't care where my office is. Maybe it is in the men's room. But I really want to know my chairmanship. There isn't anything left. So he starts rattling off, “You're going to serve on this committee, and you're going to serve on that committee.” My heart was sinking. I was thinking, what did I do wrong? I'm just serving on all these committees. And then finally, he said, “and you're going to be in room 330.” Does anybody know where 330 is? Well maybe one person does. I didn't know. And so I said, the first thing that came to my mind, “Isn't that Senator Benacquisto's office?” And I'm saying to myself, am I that bad that she has to watch over me? That I have to be put into her office to keep an eye on me? So, I'm like, “Oh, thank you. That's really nice.” And then he said, “Senator, are you listening to me? You're going to be the Leader.” So I hung up the phone. And about an hour later, I called him back to thank him, and that's the story.

But the most important thing is, as Majority Leader, I have seen the humanity, the care, the concern that you have for the members. How many times have we sat through a meeting and he says, “Let that member have this win” or “Let that member's bill get passed, let's see what we can do to get that across the finish line.” And he has told me, at least every day, that this is a member driven process. What the members want to do is what we want to do, within reason, obviously. So, the important thing for me is the relationships that you have established with all of us to let us be who we want to be. So, when you think about it, all of us have been successful. All of us have been able to be what we

want to be and what we were elected for. And I think that was all due to what you have allowed us to be.

**Senator Bradley:** Being Senate President is a very, very tough job. We will see the toll it takes on a man when these before and after photos are unveiled. It is great to see Speaker Oliva here, rightfully sitting next to you as you are honored, because the foundation of trust that you two built has been a wonderful thing to see. President Simmons said it best—this has been a “Golden Age” for this Legislature and working with the Governor. You really have done honor to all of us here, all the members in the House, and more importantly, for all of us, the 22 million Floridians that we serve.

Every President gets a portrait. This one is about to be unveiled. So, in a sense, Mr. President, your legacy is secure by virtue of that simple fact. Your picture will literally hang in this chamber for a hundred years. But for the great ones, the best of the best, their names are not listed on a plaque in this building. No, it is something even more meaningful—their names are repeated for years to come as the standard by which other leaders are measured—President Thrasher, Governor Bush, and now, President Galvano. The session is not over, but the story has been written, and it is in permanent ink. The Florida Senate is strong and steady and firmly entrenched in its special place in our system of government, and that is because of you. We can talk about accomplishments: certainly the largest expansion of our state's multi-corridors and transportation system over the last fifty years—that is a major accomplishment, the Marjory Stoneman Douglas High School Public Safety Act, the renewed focus on balance in our K-12 education system, honoring our traditional public schools as well as the choice options that we have. These are historic accomplishments achieved by a highly skilled public policy maker, and it is right to acknowledge them. I've always observed that greatness is more intangible. There is a mystique to it. That is the level that you have achieved, my friend. Julie, Michael, William, and Jackie, know this about your dad; he did it—he's one of the great ones. I will always remember our special times together, and I have really never had so much fun doing so many difficult things. We have created so many war stories to reflect upon as we enjoy our next phase of life together. But today I want to thank you, Mr. President. I want to thank you for making me proud to be a Florida Senator.

**Senator Benacquisto:** Senator Bradley did a great job of outlining your accomplishments, the tough battles that you took on and how you empowered everyone here to be their best. Let's just face it—President Galvano has the ‘it factor.’ He's got swag; he is just the epitome of a man's man; he knows all the best quotes; he tells the best stories; he knows everybody under the sun; if there is a place you are going, he knows somebody who runs it, who has been there, who owns it, who can help you out. I do not think there is anyone who knows more famous people than you. And it is fun when I think I have a cool story or Senator Bean thinks we have some really top shelf thing that has happened in our lives, the President says, “Oh yeah, I created that; I was with a guy when he built that business fifty years ago.” It is just so much fun to be around you and your family because you travel as a unit, because you are a unit.

Your children must know that every time we want to come to your dad with something very serious and important, he says, “But let me tell you about what William is doing.” And we wait and hear and celebrate the great things that are going on in their lives because, truly, that is what is most important. You know that, but it is really wonderful to hear, and I think of you in these terms—and I hope I describe it right because I know what it feels like in my heart—you are a man without time; you are a man without place; and you are a man without season because you belong everywhere and to everyone and you are the type of leader that will transcend the definition of time in this process. For as long as we have known about your time across the hall, or when people will be talking about you in the future, there will always be this reference to you and what you brought to the process: the integrity, the elevation of everything we do, whether it is the elevators or the lunchroom, creating and designing and building upon what is so special in this process—the people, the institution. And as we leave, your greatest legacy are the things that Senator Bradley listed and your family, but it is also the elevation of this very special and brilliant place that you have gotten us to reappraise in a way that is truly special. That belongs to you. It has been an honor to serve with you; it has been an honor to be your Rules Chair, and I thank you for your friendship.

**Senator Bean:** You know, a true leader often brings out the best in others. A true leader will help cover up when we make a mistake. I have made so many—President Galvano gave me a little cover for a mistake I made a few years ago when the Beans headed down to the Phil Galvano Tournament. It is a wonderful outing—go, if you can. We had traveled all day; for me, living in the corner of the state, it was almost a five-hour drive to get there. At the hotel, I had to go to the restroom, and so my family dropped me off early. I ran into the hotel and they parked the car, so that gave me a minute inside the hotel for just a brief moment. Lo and behold, President Galvano, then Leader Galvano, was sitting at a table across the lobby with his good friend, Dan Marino. So I got an idea. I ran over to him and I said, “Hey, Leader and Dan, I’m Aaron Bean. Dan, can you do me a favor? I’ve got two teenaged sons; teenaged sons are so hard to impress. They’re going to come in the door in just two minutes, three minutes, could you do me a favor and act like you know me when they come in?” Dan looked at Galvano. Galvano said, “He’s ok. Yeah, he’s okay.” And Dan said, “Okay.” And I said, “Dan, what I really need you to do is really act like you know me, and I want you to go over the top. I want you to win an Academy Award for your performance acting like we’re old friends. Can you do that?” “Okay, I guess.” And Bill said, “Yeah, he’s okay.”

So, I went back to the lobby. I am at the counter, and I am standing there and they are kind of off in the distance in the lobby. Just then, the Bean teenaged kids and my wife come in, and we are all right there in the line to check in when Marino goes, “Hey, look there! It’s Senator Bean! I haven’t seen you in a while.” And I pointed to him, and then he goes, “Senator Bean, I can’t wait to see you on the golf course.” And I looked at him, and he goes, “Hey, Senator Bean,” and I interrupted him and I said, “Take it down, Dan! I am going to be here this weekend—maybe the three of us can have coffee. Take it down right now.” Like that. And Galvano kept the peace. I’m still waiting on my picture with Marino. It has not happened yet, but I am holding out hope. We played golf that day, and there was a quandary because my team had a hard slice—it was my drive—and it went into the next fairway. When we got there we had a debate, if we are playing the hole we are on, is that the hole we are on? Because it was a totally different hole.

I saw a side of Galvano that maybe you have not seen—that was when then Speaker Rubio allowed us chairmen to be empowered and to actually—we had these supercommittees and councils—and council chairs were able to have a draft. Who were you going to pick to lead our sub-chairs? And in the first round, I am going with Galvano. And that is a true story—picking Galvano. We were in a quandary that year—how to get us out of session, to get us out of conference. Who knew APD would have troubles even back then, but APD had troubles; but we found ourselves. Bill Galvano and Aaron Bean on a Saturday morning, without cameras, I do not think we even had staff then, but we had dozens of advocates on a Saturday morning during conference. I remember I was wearing jeans, but Galvano was wearing a black suit. We sat there and we listened, and on the yellow pad we had, we sketched out how we were going to build APD so that everybody had coverage. That was the basis of TEARS, if you’ve heard of TEARS, that was Galvano saying how we could help people that needed help. That is the Bill Galvano that I will always remember, that Saturday morning. To Bill Galvano, the Bill Galvano that I know, you are going to walk out the door, but I know you and that you are just getting started, President Galvano.

**Senator Torres:** Mine is on a personal note. Last year, my mother passed away. I was back here, waiting to go to Puerto Rico, and my family told me they received flowers from President Galvano. You do not know how much that means to me. A man takes a time out just to say, “I feel your sorrow. I feel your pain.” To me, that meant a lot—a whole lot—and to my family in Puerto Rico as well. When I came back from Puerto Rico, I asked to have an audience with the President. We sat down and we talked, and I expressed to him, “Mr. President, this year is not over yet. We don’t know what’s going to happen.” He lost a brother, and I felt his pain. I sent him a card, and I said, “Anything I can do for you.” This year he sent me a card, and he said, “Let us have a good session.” For me, his words mean a lot because he is sincere. He means what he says. He is a family man. And you kids, you should never forget that because that means a lot to us over here where we can respect the man who carries the weight of the Senate on his back. Thank you, Mr. President.

**Senator Book:** Thank you so much, Mr. President. And Mr. President, there is so much that I can say about you. We spent a lot of time together, and you are an incredible leader. I will just say this because I

do not want to ugly-cry on the floor anymore. I will hold your scarf any day. I will go to battle any time you ask.

**Senator Hutson:** Thank you, Mr. President, for everything you have asked me to do for you this year. It has been wonderful to work hard and help continue your legacy. Members, first off, I have been telling everybody we are going to be out of here on Friday. Everybody’s been saying, “What about the budget? What do you know—you’ve got inside knowledge.” I did have inside knowledge—not about the budget—but what I’ve been saying is Bill Galvano loves golf. People were like, “What does that have to do with anything?” Well, the TPC is this weekend, and Bill Galvano is going to be there, so I promise you, we’ll be out of here on Friday. Mr. President, if I could say anything about you, you’ve been cool, calm, and collected this entire process. I remember when you first called me about chairmanships. I think H is way before P so I don’t know timing, and the alphabet, and math but it was probably around 9:30 a.m., is my guess. You said TED Approps. You kind of rattled off the actual name, which is very long, and then you gave seven more committees. I was like, “Mr. President, that is way too many committees.” You said, “No you’re going to be fine. You work really hard. It’s going to be fine. Just relax and you’ll get through it, and if ever it’s overwhelming and too much, you let me know.”

After that session, I found out on Father’s Day, one of the greatest gifts my beautiful wife has ever given me, was a sonogram that I was having another son. Mr. President called me and said, “Congratulations, I’m so excited for you.” I go, “Yea, Mr. President, we need to talk about these committees!” He said, “You’re going to be fine.” I finally broke down about a week ago and said, “Mr. President, you told me to come see you when I’m overworked and overwhelmed—I’m overworked, there’s too much going on, I’m done.” Again, you calmed me down and you said, “Listen, I’ve got good news—committees aren’t meeting anymore!” I’ll never forget that you’ve always been there to just calm me down.

I think the one thing you have taught me, which my father hasn’t in 35 years, is patience. You’ve taught me to relax, be patient, and let the process work. I think all of us, especially this week, need to take that in and remember that. I will be forever grateful for your guidance, your leadership, and your wisdom. I know I’ve got one more task that you and I are working on, and we will get that done. You know I will work as hard as I can for you. When you all go home, just know that we’ll still be working.

**Senator Gruters:** I have known you for over 20 years, since our Young Republican days back in our area. I will tell you, knowing you at the local level in Sarasota, you’re up in Manatee, you always had a larger-than-life reputation. When I came to the Senate, it was all confirmed—you’re thoughtful, you’re balanced, you’re empowering. As a Senator, from day one, just from what you’ve heard from other members say, it’s immediately, “What do you want to be successful? How can we help you? How can we empower you to be the best Senator that you can be?” I tell people, serving in the Florida Senate has been unbelievable—the best experience I’ve ever had in my entire life. Obviously, it starts at the top with your type of leadership. I can’t tell you how much I appreciate everything you’ve done for me.

For those of you who don’t know, Senator Galvano has helped me in and out of these chambers. I came to him with an issue last year. I had my back against the wall and President Galvano, within 24 hours, basically fixed everything for me. I was calling, and I was at a very low point, so I will never forget that. I will never forget your help.

I like to joke around with my locals, and I say that I probably have the most successful freshman Senate take out of the budget in the history of the Senate. We had so many projects that were approved under my name. Of course, they weren’t really under my name. They were really under President Galvano’s name. I do give you credit with everybody back in the district.

I was telling some of the Representatives—Representative Robinson and others—how after this year, how we are going to be going over a cliff. I don’t know how we’re ever going to pull the nose up and help our area more than you have helped our area. The legacy that you’re leaving here and the legacy that you’re leaving in our area forever with all these organizations you’ve helped and all the infrastructure things you’ve worked on and helped—you’ll always be known by me as my first Senate President and the guy who literally pulled me out of the ditch and saved

me. For you, I can't tell you how much I appreciate you. Our entire area will be indebted to you for a very long time.

**Senator Powell:** Senate President Galvano, I just wanted to say, when I got that call from you, I was so excited about my chairmanship. And listen, when you started listing my committees and you finally got to my chairmanship, it was the Joint Committee on Public Counsel Oversight. I decided to look it up. And I noticed they hadn't had a meeting in years. So, as the new Joint Chair for that Committee, it was going to be my mission to meet every week. Unfortunately, we weren't able to do that. But last year, we did have a meeting at the call of the chair, for that year, who was me—two meetings, actually. And I was excited to be there.

Senate President, what people don't know is the personal conversations that you and I have been able to have. I've been able to walk right into your office, sometimes unexpectedly, when everybody else was gone just to see if you were still here. You were. Your car was still here. We've been able to talk about family, about your dad, your kids, and your wife. And how cool it is to have these bloodlines, to celebrate with your son while you're here in Tallahassee—to be able to see him at F.S.U. How we talked about losing family members while being a part of this process which is very, very difficult—very tough. And the job of Senate President, where you've got all these moving parts. All of us, each and every one of us, are individuals. Some of us see each other, or see ourselves, as special. But I look at all of us as similar, meaning that we all have a problem. And as Senate President, you get the unduly task of learning all those problems—trying to be the calm and cool headed person to work them out. I like to watch you pull back, put that one leg over the other, swipe that hair to the side, and say, “Well, we can figure out how to work it out.” I often say to my community, a life of service is one that counts. You've lived a life of service. You'll continue to live a life of service, and definitely you'll continue to live a life that counts. I salute you. Thank you very kindly.

**Senator Lee:** We have known each other a very long time. I'm grateful the Speaker is here to join us, and that your family is here to join you. This is the culmination of a great career for you and a momentous occasion for you to be here with your family with the unveiling of your portrait. I remember when I had that privilege. My daughter and my son's pictures are sitting on the credenza behind me because they were the most important things in my life at the time. And I know what this means to you.

When you started out on this journey as President, you issued what seemed like a challenge to us—a challenge of civility. I had a couple of long conversations with the Speaker this weekend, and he said something that I haven't heard said quite so well in all my years here. That is that the strength of the House is its order and the strength of the Senate is its independence. I'd never heard anybody express that sentiment without using the term Somali warlord before. And I'm never going to forget it. When you issued that challenge to this institution, what I knew at the time was it was really a challenge to yourself. Every noble incidence of civil disobedience in this world—the origins of this country, the civil rights movement—came because leaders could not show restraint and they oppressed others. That'll last for a while, but eventually it fails. And as I thought about what you had laid down, and you had that one brief moment when Senator Brandes had to hold your scarf, but essentially that was outside the State of Florida. It didn't count. But then you laid the gauntlet down. You walked that walk, and what you really issued was a challenge to yourself. As a leader, to govern in an equal way, an egalitarian leader. To respect that we all worked just as hard to get here. We had elected you to represent us and be the trustee of this institution and its priorities and values. But the respect you've given to us as members, the opportunities you've given us to express ourselves has been the tradition of this institution which made you the right man for the right time in the history of the Senate. There's been a lot of change in this institution over the past 15 years, and you've restored some of that tradition. I'm personally grateful, not for myself or for my priorities, or even for the members in this room, but for the institution itself. There are future leaders in this room. I hope they will take away a vision of what you've accomplished here.

My hat is off to you. You obviously knew something that took me a little longer to learn. The measure of a great leader isn't their ability to exercise the power bestowed in them, but the ability to show restraint when they might not otherwise have done so. Through your restraint,

grace, and civility, you have created civility in this chamber because it flows from the top.

**Senator Flores:** I first met then Representative Galvano, when I was running for the House. And he was very supportive in my lead up to the House. In short, I won and I'd come up for the day of my swearing-in with my family. At the time, President Galvano was in a leadership race and we'd had some great conversations. So the night before my swearing-in, I found myself between some crossfires. I found myself in the position where the next day I had to go to Representative Galvano and say the plans have changed. Any other person would have had a different reaction. They'd have been angry or bitter. But he understood the situation that I found myself in; he understood it better than I did.

From that, it actually sparked an incredible friendship for ourselves and our families. We share the Sarasota connection. My husband is from there, so we travel there often. I have so many nice memories of us traveling there and being there together. We'd spend a week on the beach, and for many years Bill and the kids came. I remember one year, Michael came and played the guitar on the beach, and that was really pretty. So we've had some of those great memories.

Since then, what we've all seen is that when there's a crisis in our state or our home or our family, the person people turn to to solve that crisis is President Galvano. So whether it's been redistricting or during Marjory Stoneman Douglas, professionally and personally, people look to you. You have been an incredible friend in times of need, making sure that you are that steady hand to let us know everything is going to be all right.

**Senator Braynon:** President Galvano, I just want to tell you, first of all, the last two to three days have been, probably, some of my favorite days of being in this legislature, and that is in no small part, because of you. I have been telling people that it's like in the movie *The Matrix*—I just see what's happening now, right? The best part has been that you've been a partner in that with me. I've been able to talk a lot, and we've been able to talk about the process and just how we see it and how we see it happening. After I made my speech about what I felt like the Senate should be, it feels like you have actually made that happen. I hope everyone remembers that and sees what these past few days have been and how we've been. I think it was to lead up to that—you set us all up—it was in your beginning speech when you said, “I don't have a priority. My priority is *your* priority,” and that really speaks to what the body is. I also appreciate how you let the Majority Leader be the Majority Leader and the Minority Leader be the Minority Leader, but you're the leader of this body, and I appreciate that, as well. We've had some battles over the years—redistricting and campaigns—but you've always been somebody that we could laugh with and have a good time with and never let it get personal—even if you see Angry Oscar come out. I just want to take a quick moment to say thank you. Thank you for your leadership, and thank you for everything you've done for this body, and personally, what you've done for me. Thank you. I just want to say thank you.

**Senator Mayfield:** Thank you, Mr. President, and you know, as I am sitting here thinking about everyone who says, “When I had a problem, I'd go see President Galvano. I had a crisis, I'd go see President Galvano.” It kind of reminds me of *The Godfather* movie, you know, when you watch *The Godfather*, when they had a problem they went to see the Godfather and lo and behold, it was taken care of. Nobody asked questions either. On a serious note, the first time President Galvano and I met was my freshman year when I was elected to the House. Those that have known me for a long time know that there were some deaths that had happened in our family. My husband had served with President Galvano and spoke very highly of you. When I came in, you were the Rules Chair, and I would write these little notes and I would give them to you that said, “Please put my bill up.” I don't know if you remember this, but you would put back a little note with a little frowny face that said, “Can't do.” I remember that. You did get some of my bills up, and you were very gracious about it—almost as gracious as Senator Benacquisto when she won't hear your bill, too. Those were fun times. When we all got the call—and I love how everybody says, “We got the call!” it's almost like Christmas morning. We're waiting, you know when Christmas morning we wake up and go, “What'd I get? What'd I get? What'd I get?” Mine was an early call—I don't know if they went through the alphabet or not but mine was an early call—and I actually had not gotten up yet, and I was half asleep. But I took it, because it was President Galvano calling and you always take his call. I don't care

what you're doing, where you're at, you take the call when the President calls. He's going through the committee assignments and I was like, "Oh wow, this is great!" When he got to my chairmanship, I was ecstatic. It was a chairmanship that I had always wanted. I will never forget that. You have allowed us in this chamber, all of us, to be able to take our chairmanships and our legislation and do it our way. Your song was so fitting in that you did it your way, and you allowed us to do it our way as well. I will never forget that. You lead with compassion, and you lead with a purpose. But mostly, you lead with your faith. I think that is something we will always remember about you—the fact that you led with your faith. Your mother should be so proud of you as a son that did that. I want to thank you for your friendship. I want to thank you for all you have given me. And as I shared with you, I think this is the best session I have ever had in the ten years I have been elected. Thank you for that.

**Senator Gainer:** I'd like to say, "Thank you," to the President because about two years ago—in October it'll be two years ago—we had the most horrific weather event ever sustained in the history of the State of Florida. And I went crazy. From the first day to the last day, he would call me. "How's it going? It's going to get better. We're going to handle that. We're going to do this." And so when it was settled I said, "Well, he's talked me off the ledge once again." I was ready to jump. We came back over here and sure enough, day by day, it got a little better. I had Rob Bradley on speed dial. It just got really rough. But I want you to know that because of you and your family supporting you, that you sure made it a lot better than it would have been on us in Northwest Florida. Everybody in Northwest Florida appreciates what you did. In case you don't know, we had a real bad hurricane in Northwest Florida. You sent a lot of money down there, and I appreciate it. It was really a mess, and I just want to present you with a pair of socks, because you've certainly earned them.

**Senator Montford:** I've only known and worked with you ten years and that seems like a short period of time compared to some. But in those ten years I have become not only appreciative of your leadership style, but I have admired it. You have a unique way of communicating, and you've never said "No" to me. Anything I've asked for, you've never said "No." I was getting a little worried because I turned in those late budget requests a couple days ago. But when you looked at me a minute ago I knew what you said—you've got Senator Hutson working on my budget requests. I feel better! You get to know somebody by the way they act and they do things when, maybe, people are not looking. You know, he is an impressive young man when he stands up there and leads the Senate and when he's in other positions. And you are, you're like a *GQ* guy, you know? But when you get to know somebody, it's when no one else is looking. I was your Vice Chair in Ed Approps and that was two good years for me. I thought I knew a lot about education—and I did—but what I didn't know was the amount of effort that people put into working through that budget. We had some tough times, but I always saw you had a clear purpose of doing what's right for the children of this state. You made some really tough decisions, and we had some tough times, budget times, over those two years. You did a tremendous job. And then, for us as Chairs, your leadership style is you just leave us alone. I made some decisions as Chair of the Environment and Natural Resources Committee that, quite frankly, I thought I'd hear from you. In fact, Taylor in my office said, "You're going to get called to the Principal's Office on this one." But you never did. You always let me make those decisions, and I think that's universal. The third thing is what Senator Gainer alluded to, and that was your sincere effort—to try to help the people who needed it most in this state at the time. You, Senator Simpson, and Senator Baxley, came over and joined Senator Broxson, myself, and Senator Gainer when we did a tour over there. I watched you talk to people. You comforted people you had never met before, and you made a commitment. You followed through with that commitment. We still have a ways to go, but North Florida is a whole lot better off because you were President of this Senate, and you took the leadership and a personal interest in it. And finally, how do you describe a man like Bill Galvano? Growing up, my parents would say, "He's a good man." I very seldom use that description. I've used it a couple times at funerals. I'm proud to say—I'm looking at you and smiling and you're smiling back at me—in Blountstown, when you say somebody is a *good man*, people know what that means. And you're a good man, Bill Galvano.

**Senator Rouson:** President Galvano, thank you for the relationship. Thank you for the friendship. Thank you for the lessons. We clashed one day. I was *mad*. I was mad at head shops that sell water pipes

and crack pipes and bongs and set up around college campuses. I tried to get the legislature to pass the bill to put a 25 percent sales tax on a crack pipe and use the money for drug treatment. I had forgotten about the rules against using props on the House floor without permission. I had gone to Big Chief's on the corner of Pensacola and Ocala and bought \$200 worth of these pipes. Then, I went to Lowe's and bought a construction hat—and I glued them on the hat. We had passed increases in fines and fees and other stuff like that, but I couldn't get a sales tax on a water pipe. So I determined I was going to wear it on the floor of the House as an in-your-face. When Representative Bogdanoff held up the pack of cigarettes to talk about the dollar tax that we put on tobacco that year, I said, "Foul! That's a prop!"

You sent the Sergeant at Arms over to me and he said, "With all due respect, Representative, the Rules Chair said it's either you or your hat." You saved me from being forced off the floor of the House. You let me save face because the next year we did file a bill that ultimately passed. It wasn't a tax, but it would have stifled new openings of those types of shops around college campuses, and I am grateful for that. I mention that because it's hard to follow everybody when they talk about your sincerity, when they talk about the way you empower people, the way you handle folks with civility, but I'm grateful for the way you've handled each member in this process. Allowing each of us to grow, encouraging us to know our "Why's." And what's most important about good leadership is helping each member to work in their "Why" and be successful in their "Why." I know why I'm here, and you've honored that by the committees you've put me on. I knew I had to act good in the Senate. In fact, my roommate from law school is sitting right up there, Caleb Grimes. Caleb, thank you for never telling him all the stories. Mr. President, thank you for helping each one of us know our mission, our purpose, and helping us to work in it through committee assignments and through the legislation that we've championed. Thank you.

**Senator Diaz:** President Galvano, I first want to thank you for your leadership. From the time I entered the campaign race through the time we walked through the streets of Hialeah, your leadership has just been amazing—a cool, calm demeanor. Regardless of what went on behind the scenes, your face never changed, and your ability to just make pieces disappear from a chessboard and then magically reappear are just incredible. Words cannot define. I would say that you are a man of incredible character, a family man, but the ultimate phrase I would say is that you are a class act and everything you do shows that. I think every member of this chamber and my good friend, the Speaker across the hall, would concur with that. I think that, as many have said before, you've laid an example for all of us going forward in this chamber, and I thank you for that. I thank you for the opportunity you've given me to really explore legislation, to lead on issues, and to tackle issues that I had never thought I would be involved with before. But most of all, I thank you for your friendship, because that's what means the most to me. The Speaker and I have decided to take a vote, and we have made you an honorary member of the Hialeah Delegation. Thank you, Mr. President, and Godspeed.

**Senator Stargel:** Everything has been said but not by everybody. And I will be very, very brief. I will have known you, I guess, for 18 years by this time. And hopefully you will still stay around. Like Debbie, we came into the Florida House at the same time—both of our husbands had served with you. It was a really unique situation, I think, for both of us because we came in knowing you really well—you're the Rules Chair. You're the powerful Rules Chair, and we're like freshmen, and we're like walking up and talking and, "How's it going?" and that's not allowed in the House. I know that y'all may have different rules now, but that's how it was back then. And again, I don't know, if I got little like frowny faces, I think I got like a solid "No," but I'm a little bit more forceful I think sometimes in my personality. But I will say, at that time, those were trying times in the House. And things could have gone a very bad way for the State of Florida. And I think the way that you handled the House, and those of us who were there and those of us who had been kind of involved in a little bit of that know how difficult that time was, and you handled yourself well. And I think that showed true leadership then, which gave me a lot of confidence when I would get to the Senate and see your leadership now and the way that you handle yourself. I gave you a shirt one time that said, "You never go against the family." But that is not how you are. You're actually a person who takes things individually. And as was said, when a card may change or something may change or you don't get it your way, you don't bring back retribution. You recognize each person. Everybody in here has a different priority, different things that they want to accomplish, what they want

to do in life, and you don't take it personal if someone disagrees with you. So you can go against the family, unfortunately for that, good or bad, however that is. But anyway, I do appreciate the opportunity that you've given me—does that mean you want me to stop talking? But I do appreciate the opportunities you've given me throughout the entire process. The opportunity you've given to teach me a lot about this process whether it be from rules to leadership to appropriations. I've had some really unique opportunities, and I really do appreciate that. And I thank you for what you've done, and I thank you for your leadership.

**Senator Simpson:** Thank you, Mr. President. As we were going around the room, I was taking some notes here and, first of all, I'd like to comment on Chairman Powell's thing. He looked his committee up and said, "Man, we haven't met in years." To my dismay, right? You were in the Ps in the alphabet and I'm thinking, "S?" I'm thinking, "Where do I come in the alphabet?" I looked my committee up, Chairman, and it has never even met before so I'm thinking, "What did I do?"

We've described this President as charming, *GQ*, cool, articulate. Yeah, all that's about to be over. I'm none of those things. So this is what I have to follow, right? None of those will be the comments. And now, Chair Gruters has exposed you, Mr. President, so I'm sorry about the vetoes. It's funny that a month or two ago, after the designation—which is a great honor—me and the President were talking, and he would say, "Don't forget that hyphen," or "Hey, there's a hyphen in there." I'm remembering there's a hyphen.

What this President has done, and we've known each other for a little over eight years now, maybe nine years, we spent a lot of time together before we were each elected to the Florida Senate. This is my first office, and we had many times that we were in a lot of bunkers together and just a couple that people have mentioned here today. The Parkland was a tragedy, the Panama City was definitely a tragedy, and those are some of the things that you do when you serve in the Florida Senate, in this position. We represent a specific area, but the state is diverse and that diversity is what makes us as strong as we are. This President recognizes that. What I have learned from this Presidency is: be humbled, be consistent, be steady, be the voice of reason when everybody else around us is not sometimes. I know all the times that we went home in the evenings the last six, seven, eight years, and we would call Julie and harass her. I've said this stuff before—can't say how we harassed her but we would harass her. And it was really awesome meeting your family. His dad had two quotes that I'd mentioned earlier in one of the times when I was recognizing the President, "The reason he's always on time is because he values other people's time." And then, "Play the hole you're on." So, thank you, Mr. President.

## RETIRING OF PORTRAIT

**Senator Simmons:** As is Senate tradition, the portrait on display on the west side of the chamber will be retired to the Historic Capitol. Senate President William A. MacWilliams served as Senate President during the 1921 Legislative Session. President MacWilliams was born in Camden, New Jersey, in 1863. He practiced law in St. Augustine, was elected to the Florida House in 1898 before being elected to the Florida Senate in 1901. He returned to the Florida House in 1907 and to the Senate in 1917 where he served until leaving in 1935. President MacWilliams retired to St. Augustine and remained active in local issues until his death in 1941 at age 78.

Senators, the portrait we are about to unveil was created by artist Steve Davis of Leon Loard Commissioned Portraits. Leon Loard crafted the portraits of Senate Presidents Jennings, King, Lee, Pruitt, Atwater, Gaetz, Gardiner, and Negron. Mr. President, will you and your family please join the Sergeant at the front of the chamber. Sergeant, please unveil the portrait.

## UNVEILING OF PORTRAIT

Senator Simmons invited President Galvano and his wife, Julie, and their children, Michael, William, and Jacqueline, to the front of the chamber where the President's portrait was unveiled by Sergeant at Arms Tim Hay. The portrait was created by artist Steve Davis of Leon Loard Commissioned Portraits.

## SPECIAL PRESENTATION

On behalf of the Senate, Majority Leader Passidomo and Democratic Leader Gibson presented the President with a family trip to Hawaii.

## THE PRESIDENT PRESIDING

## ADDRESS BY THE PRESIDENT

**President Galvano:** Wow, Hawaii! Hopefully, it is good until 2022. I may take the Surgeon General with me. I cannot thank you all enough for all those farewell remarks and, Speaker, now you know why we had to extend session. In all seriousness, it really means a great deal to me. I am not going to keep you long here in the chamber with my remarks, but I do have people to thank. I want to start with you, Speaker. We have done, as we discussed, what many believed could not be done—that we could conduct our business, one chamber to another, in a reasonable, civil, and decorum-filled manner. Obviously, there are a lot of different views in this room, and you have even more over there. Leadership matters, and having you as the leader of the Florida House has made a big difference. A lot of the accolades I was given here this morning would not have been possible without your partnership. To my brother in the process, thank you so much. I know you have a lot going on across the way so feel free to exit whenever you have to exit. We have an offer—it is on your desk. I am getting anxious here, you know?

Julie, unbelievable, but we have journeyed on together for these last, really eighteen, years because we had that hiatus in between. You have been my absolute rock. You have been in my court in some of the lowest times and here at my side in some of the best times. I could not have served the people in this chamber, the people I have served with in the past, or the people of the State of Florida without your love. I love you very much. I love you.

Michael, William, Jacqueline, you have grown up in this process. In fact, when I first got elected, Jackie wasn't even born and she came along later, which I guess was still proof that I got home once in a while. But she grew up in the Florida House and now here in the Senate. You all have just made this experience all the better, by your support, the interactions with the people we work with, and it just makes me so proud. I light up when I see you come into the Capitol or when we are out on the campaign trail or whenever we are doing anything in life, really. In relation to this process, it makes me feel more proud of my service. I thank you each for your sacrifice, and I love you all very, very much.

Sterling, Mary Jean, Paul, I could not ask for better in-laws or better support. Thank you for your journey with me in this process. It has meant a great deal to have you alongside us. Thank you. My mother is at home watching on TV. Mom, I love you. She was the one who inspired me to get into public service. Both my parents were patriotic and believed in this country very much. My mother grew up during World War II and she really instilled in me that sense of patriotism and shared with me, as a young boy, many stories. She helped me learn and appreciate the wonderful life we have here in America. I thank you, Mom. I know it has not been the easiest year, but I could not have done any of this without you and your support. I love you, Mom. To my siblings who are watching, some from farther away than others, thank you so much for all the support that you have shared with me. Thank you for being my big defenders on social media—I really appreciate it. I know you are outmatched a thousand to one—sometimes, at least. It is great to know some people back around the state have my back. That is what families are for.

My district staff—I am so pleased with the job that you do. Many of you realize that we do a lot up here, but a lot of folks, just like Senator Flores says, do not really know that we are up here and what we are doing. Policy is great, budgets are great, but it is constituent service that makes the big difference, and I really appreciate that. Amanda, I am so pleased that you are here to join us today. I enjoy your work with Carlecia. Carlecia, thank you. You make up one of the best district staffs that we could have. Thank you. I have a special thanks for Macey Moon. I think everybody in this room knows Macey. She has a spreadsheet for each and every one of you. She has a spreadsheet for the 400 frantic people in the rotunda right now waiting for this to be over. Thank you for always being there, always working hard, always being pleasant,

and being one of the best members of my team. I truly appreciate you. Thank you so much.

Kathy, you have been with me from the beginning. You truly have. I have learned a lot from you through the years. You are a rock. I have watched you grow into probably the most professional person that I have encountered. When I took over as Senate President, I said I have to share Kathy with the rest of the Senate. There is a standard for how to operate as a legislative aide and how to conduct business. So we created the position of District Staff Coordinator and you have filled that tremendously. I venture to say that I have seen the quality of work of the aides and the district staff go up, become better and more professional. That is thanks to you. Most importantly, you are my friend and I love you. God bless you, Kathy.

The President's Office—you know, there was a cartoon some of you may remember—*Hong Kong Fuey*. Does anybody remember that? The protagonist was this dog who had an affinity for martial arts. He was always out trying to solve crimes and do things. He would always flub it up and, at the end, he would look like a hero because behind him he had this friend, a cat, who was behind the scenes and who was the one who really made it happen and really made him look good. That is the President's Office, each and every one of them. Really, this process, this Senate would not run without them. Cara, I would not run without your *cafecito* every day at 1:00 p.m. I know now that many members are starting to realize that and come in around that time.

India, thank you so much for the way you manage that office. Sometimes I wonder if I can ever escape her. She keeps me on time. We have a nickname—Rob Bradley gave it to her—the Blonde Angel of Death because you could be full throttle in a meeting that has disintegrated into a jokefest and she knocks, “Mr. President, they are waiting for a photo in the chamber.” It is one of the toughest jobs, and you do it in a tremendous way, and I truly appreciate you. TK, we have been together a long time. We worked together in Education for almost all of my years here in the Senate, and it is one of those issues that permeates the Senate. I have truly learned a lot from you, and you never cease to amaze me. Just yesterday we came off the floor with an issue and, by the time I was finished with the press gaggle, you had already found the solution. I cannot thank you enough for your insights, your tremendous work ethic, and your friendship. Thank you, TK. Andrew, always fresh, always ready to go, always looking good, and full of great ideas. I appreciate all the efforts you put forth on myriad subject matters and some that we are still working on. I could not ask for a better policy advisor. Thank you, Andrew. Jacqui Peters—I met Jacqui when she was Jacqui Sosa in the House. That is how I got addicted to Cuban coffee. I had a suite in the House and everybody—the entire Miami-Dade delegation—was there. And me. So all day long, we had Cuban coffee. I have watched you grow in your career, which is quite impressive, it truly is. When you accepted the opportunity to work in the President's Office, I was very excited, very excited. I cannot tell you how much it means that you accomplish what you do, but your attitude—you are upbeat, uplifting. It could be a rough day but you are still excited to be there and see us, and it makes a big difference. Thank you, Jacqui. Allie, we have been together a long time. I show people a picture of our wedding—Julie's and my wedding—and there is a little flower girl in there, and it is Allie. I have watched you grow up. I am very proud of you. I know my friend, your father, is very proud of you. She interned for me in the House, then went to work for me in my law firm, then came over to the Senate, then the Majority Office, and now is in the President's Office; she has one of the toughest jobs, and that is healthcare. I love you, Allie. Reynold—there he is in the back—probably thinking, “He needs to shut up. We have got to get back, we have bills to pass.” But remember, we did 83 bills in three hours. That is a local bill in the Florida House. You know, I get in bed, I have my pajamas on, checking my watch, and I flip on the TV and “Jose” is still up there! So Reynold, thank you, for always being the guy who brings it right down to the brass tacks of what we need to do and how it has got to work. I appreciate you very much. You are also a great interpreter, because we will have meetings and, at the end of them, he says, “What I am hearing you say is...” You just say it better. Thank you, Reynold. Katie Betta, best Communications Director, Deputy Chief, in the world, frankly. I truly appreciate the attention that you pay. It seems like there is nothing going on in the world or in anything obscure anywhere that you are not aware of and that you are not prepared for and that you are not getting me prepared for. So, to all of you up there in the press box, you are better off just talking to her because she gets me all set and ready to go when we are doing our stuff.

I truly appreciate you. I have known you a long time. Thank you for your service to the Senate and the state.

Christie Letarte, you have joined us in the Majority Office and I have watched you grow into really a force in the Florida Senate. I know it was a big decision to create the Special Counsel and little did we know how much you would deal with. This session saw some of the biggest issues in terms of claims bills and others and legal matters that none of us could foresee—including the issues that took place in Broward County. I have never had anything but tremendous confidence in you, and I truly appreciate you. Thank you so much, Christie. Jeremiah Hawkes, the General Counsel of the Florida Senate, what I did not realize when I took the gavel is that overnight, I would be named in 12 different lawsuits. I am serious! We literally had a trial set to begin a few months later. We have gone through, suit by suit, issue by issue, and have really put the Senate in a very good place from a legal perspective. Your counsel and advice and energy is really appreciated. Thank you, Jeremiah. Cindy Kynoch, I know Chairman Bradley had mentioned how tremendous you are and what you do for the Senate and with the budget, but I have to thank you myself. You are amazing. It could be 2:00 a.m. and you look like you just woke up. You are ready to go. It is good to see you for once without twelve folders in your arm. I think that is an Approps thing—they all walk around with folders, just in case. You ask them a simple question like, “What's the effect of that bill?” They start rolling them. You are tremendous. Great choice that I made. I am glad that you are here. Ronnie Whitaker, running the Majority Office, thank you, Ronnie. I know it is not easy. Things switch around on the floor and go back and forth. The way you keep up with it is tremendous. I was so pleased when I chose you to run the Majority Office, as Majority Leader, and it was a no-brainer for me to ask you to stay. Thank you for your great work, Ronnie.

Madam Secretary, thank you for your help, your support, your insights, for helping us get the car out of the ditch from time to time. I often ask, “Now, what do we do? Did you expect that?” You are an institution here in the Florida Senate. Thank you so much. I appreciate you. Sergeant Tim Hay, you are my partner, my *paisan*. The way you keep this place together, you and your entire team, it is often unseen but lived. You know what I mean by that. I cannot tell you how much I appreciate you and I will miss you tremendously. Thank you, Sergeant.

Lisa Vickers, this is a tough one. I met Lisa when I was in the Florida House. We had a big package from the Department of Revenue and she was running the Department of Revenue at the time. Governor Bush had made a priority of revamping an entire section of law, so it was not just an easy bill and a simple issue. I was so impressed by our work together and the way you helped me understand what we were doing and my preparedness because of your efforts. I remember going into a conference before we did a press conference with Governor Bush, and he brought up an issue and he said, “What does that mean?” And I said, “Well, if you look on page 90,” and he said, “Wow, good. Someone who reads bills. I like it.” It was really because we had worked together and gone through it so much. And then in the Senate, I have seen what you were able to do on major, major issues.

After the Parkland tragedy, I went back home and I literally wrote on a yellow pad an outline of some ideas we had discussed. I took a picture of that yellow pad, maybe three pictures, and I texted those pictures to Lisa Vickers, who was Policy Advisor. Within 24 hours, the foundation of that bill was put together from those simple ideas. The rest is history, as we all worked together, and you and I worked tremendously on that legislation. What a special person. What a unique person. Someone who has an impeccable reputation, impeccable work ethic, and someone you can count on when the chips are down. It was not even a difficult decision to choose a Chief of Staff. I had in mind who I thought could fill that job and made that request, and the fact that you accepted it just really set in motion any success that I have had as Senate President. I am still amazed that you are indefatigable. You really are. Never frazzled, always working on twelve things at once, but somehow you balance it and make it look easy. And you are fun. It is a lot of fun hanging out and doing these things. Like Senator Bradley said, some difficult meetings become enjoyable because of the people and the personalities. You are a dear friend. You are an asset to the State of Florida. You are the best thing that has happened to the Senate staff that I can recall in my whole career.

I also have a private professional life and the people that I share it with make sacrifices so that I can serve the people of this state. You

have all been there every step of the way. Some are watching on TV and some up there, but my law partners could have said, “No, this is going to impact our bottom line.” Just wait now! No, I am kidding. But they understood. I came from a firm and one of my mentors in life was Bill Grimes, who served in the Legislature in the 50s, and he had a servant’s heart. He shared a lot of stories with me. His son, Caleb, is now the Senior Partner in our law firm and is like a brother to me and has been for most of my professional life—all of my professional life. It is amazing to have that relationship and have partners who appreciate what we do. Jack Hawkins, who is not here, Leslie Gladfelder, Derin Parks, Sacha Ross, who is here. I appreciate you, Sacha, you have been at a lot of these—I think all of them. You have been so supportive of my career, and I truly appreciate it. Kyle, you have some big shoes to fill with your father and your grandfather and your great-grandfather. Thank you all in my law firm. Katie Morrissey, thank you for the support that you give me back home at mission control.

Leader Gibson, I could not have had a better experience with a Minority Leader. Certainly we have issues that we are not on the same side of all the time, but you have handled it always with class, and I appreciate that. We confront one another, we talk it through, and then we understand what the play is. More importantly, you are a dear friend. You have been for a long time, and I look forward to our friendship continuing for many, many years. Thank you, Leader.

And again, Senator Simmons, as I said earlier, thank you for being such a great Pro Tempore. And to all the constituents in District 21, I miss you. It will be good to get back to see you. One of the challenges of political life in the United States and in the State of Florida is the more you rise in leadership, the less time you spend back home with the people who elected you in the first place. That is a tough balance, and I know we all work at that but it will not be long.

To each of you, the Senators, thank you so much. You say nice things about me empowering you, but if I did not believe in you, there would be nothing to empower. It is truly an honor to serve in this process—a tremendous honor to serve as your president. It is an amazing process, and I have learned a lot of things along the way, some more important than others. Some worth noting, like—and Senator Montford, you can share this—it is pretty difficult to be named “Bill” and be in the legislative process. It is like being named “Chip” and working at a casino. Not much I can do about that, and it is irony that we had a “Bill” retiring from the wall. Other things I have learned—when it comes to amendments, Jeff Brandes is like a box of chocolates—you never know what you are going to get. I love to see that whole flow. Yesterday we had some big debate, and I was watching the floor. Those are memories that will stay with me for a long time.

Just a couple of points—geography matters in this business. Where you are, where you sit, where you spend your time makes a big difference. Some of the great relationships of my life were fortuitous in that I was assigned to a seat next to someone I did not know, or in a parking space, or an office. Being in the building makes a big difference in your career. Relationships matter.

If I tell you anything that you should take away, at least from my experience, it is that relationships matter. The more you build on them, the more you bank. It is like making deposits of good will. There will be times when you have to withdraw the good will, but if there is nothing to withdraw, then it becomes difficult and it shuts down. Communication is key to that. You have to communicate. Sometimes it sounds easy—yeah, communicate. No, a lot of times it is really tough because you have to say something you do not want to say. Knowing the reaction on the other side is a reaction that you do not want to have. It is easier to say, instead of confronting Senator B, I will just vent to Senator C, D, and E and then it breaks down. Communicate. That means communicating not just with members, but the people in this process. The lobby corps matters. The press corps matters. You all are part of a global process. We come up here and work together for the good of the people of Florida. An institution like the Senate is only as good as the people in it. And if you believe that, then you have to believe these people are good and that they have talents and that you should do everything you can to recognize and inspire those talents. I often am in awe of what I hear on the floor and how I see you operate. I think to myself, it is probably a good deal that the least talented guy is just up here as a traffic cop because your work is going on there. When you say I have empowered you, it is easy. It is easy to empower tremendous people who are already empowered, not by me, but by the five-hundred-plus thousand con-

stituents that sent you here to help their lives, their dreams, their goals, and their desires come to fruition.

We all heard ‘focus’ and ‘play the hole you are on.’ My dad had some great sayings, like, “If you are ahead of your time, it is still bad timing.” It’s true. Through my life, I think of these things and if you do focus on the shot at hand or the hole at hand—and technically, Senator Bean, you were still on the hole that you were not on, you were just in peril at the time—that does make a difference.

I will tell you, I have enjoyed learning so much from you and your histories. We all bring a history to this chamber. Behind me in my office—you have all seen it—I have a picture of Ellis Island, the Grand Hall at Ellis Island in the early 1900s, about the time my grandparents were coming through. I like to believe that they are in that picture. On the third floor, you go around and there is a picture of soldiers training on Miami Beach where my dad was stationed. He used to say, “How lucky could I be? I get called up and sent to Miami Beach and stayed at the Victor Hotel,” which is now \$1,100 or \$1,200 a night. These are histories. And catty-corner from it, Senator Pizzo gave me a map of Italy from the 1500s. It is really an amazing piece. I keep that balance, and I think of each and every one of your histories that you shared. It helps us to become this mosaic of service for the people of Florida, and it really makes a difference in a state as diverse as ours. In the institution that we serve—I value it and I know you do, too—but it is worth saying that we have to value it every day. This chamber is majestic. The things that have happened here, the lives that have been changed in this chamber, the tears that have been wept in this chamber, the laughter that has been in this chamber, are things that most Floridians will never know. This is a heart that is pumping out blood for the rest of the state making a difference in their lives. For me, whether it was making something a little more tidy, a little more regal, cleaning things up, making sure that we, as a Senate, take pride in what we have but, more importantly, that the people we represent have pride in what we have and do.

I will end with where I started as Senate President—that all comes down to how we treat one another and the civility and the decorum with which we conduct our business. I mentioned the Speaker and I have shared that view and operated in that way, and I think each and every one of you has done that in this chamber. I could not be more proud of the fact that you have. I hope, when you look back, you feel like the last two years have been a successful run. I know they will be in my heart forever. As I said at my designation, I have tried very hard to listen to you, not just with my ears, but with my mind and with my heart. God bless you all. I love you.

~~(4)(5) If, at the time monetary compensation is determined under paragraph (1)(a), a court has previously entered a monetary judgment in favor of the claimant in a civil action related to the claimant's wrongful incarceration, or the claimant has entered into a settlement agreement with the state or any political subdivision thereof related to the claimant's wrongful incarceration, the amount of the damages in the civil action or settlement agreement, less any sums paid for attorney fees or for costs incurred in litigating the civil action or obtaining the settlement agreement, shall be deducted from the total monetary compensation to which the claimant is entitled under this section. Before the department approves the application for compensation, the wrongfully incarcerated person must sign a release and waiver on behalf of the wrongfully incarcerated person and his or her heirs, successors, and assigns, forever releasing the state or any agency, instrumentality, or any political subdivision thereof, or any other entity subject to s. 768.28, from all present or future claims that the wrongfully incarcerated person or his or her heirs, successors, or assigns may have against such entities arising out of the facts in connection with the wrongful conviction for which compensation is being sought under the act.~~

(5) If subsection (4) does not apply, and if after the time monetary compensation is determined under paragraph (1)(a) the court enters a monetary judgment in favor of the claimant in a civil action related to the claimant's wrongful incarceration, or the claimant enters into a settlement agreement with the state or any political subdivision thereof related to the claimant's wrongful incarceration, the claimant shall reimburse the state for the monetary compensation in paragraph (1)(a), less any sums paid for attorney fees or for costs incurred in litigating the civil action or obtaining the settlement agreement. A reimbursement required under this subsection shall not exceed the amount of the monetary award the claimant received for damages in a civil action or settlement agreement. In the order of judgment, the court shall award to the state any amount required to be deducted under this subsection.

(6)(a) The claimant shall notify the department upon filing a civil action against the state or any political subdivision thereof in which the claimant is seeking monetary damages related to the claimant's wrongful incarceration for which he or she previously received or is applying to receive compensation under paragraph (1)(a).

(b) Upon notice of the claimant's civil action, the department shall file in the case a notice of payment of monetary compensation to the claimant under paragraph (1)(a). The notice shall constitute a lien upon any monetary judgment or settlement recovered under the civil action that is equal to the sum of monetary compensation paid to the claimant under paragraph (1)(a), less any attorney fees and costs incurred in litigating the civil action or obtaining the settlement agreement. ~~A wrongfully incarcerated person may not submit an application for compensation under this act if the person has a lawsuit pending against the state or any agency, instrumentality, or any political subdivision thereof, or any other entity subject to the provisions of s. 768.28, in state or federal court requesting compensation arising out of the facts in connection with the claimant's conviction and incarceration.~~

(7)(a)(b) A wrongfully incarcerated person may not submit an application for compensation under this act if the person is the subject of a claim bill pending for claims arising out of the facts in connection with the claimant's conviction and incarceration.

(b)(e) Once an application is filed under this act, a wrongfully incarcerated person may not pursue recovery under a claim bill until the final disposition of the application.

(c)(d) ~~Any amount awarded under this act is intended to provide the sole compensation for any and all present and future claims arising out of the facts in connection with the claimant's conviction and incarceration.~~ Upon notification by the department that an application meets the requirements of this act, a wrongfully incarcerated person may not recover under a claim bill.

(d)(e) Any compensation awarded under a claim bill shall be the sole redress for claims arising out of the facts in connection with the claimant's conviction and incarceration and, upon any award of compensation to a wrongfully incarcerated person under a claim bill, the person may not receive compensation under this act.

(8)(7) Any payment made under this act does not constitute a waiver of any defense of sovereign immunity or an increase in the limits of liability on behalf of the state or any person subject to the provisions of s. 768.28 or other law.

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR OPERATION.—The following procedure shall be followed in determining the annual allocation to each district for operation:

(n) *Calculation of additional full-time equivalent membership based on college board advanced placement scores of students and earning college board advanced placement capstone diplomas.*—A value of 0.16 full-time equivalent student membership shall be calculated for each student in each advanced placement course who receives a score of 3 or higher on the College Board Advanced Placement Examination for the prior year and added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives a College Board Advanced Placement Capstone Diploma and meets the requirements for a standard high school diploma under s. 1003.4282. (11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may annually provide in the Florida Education Finance Program a virtual education contribution. The amount of the virtual education contribution shall be the difference between the amount per FTE established in the General Appropriations Act for virtual education and the amount per FTE for each district and the Florida Virtual School, which may be calculated by taking the sum of the base FEFP allocation, the discretionary local effort, the state-funded discretionary contribution, the discretionary millage compression supplement, the research-based reading instruction allocation, the ~~teacher salary increase allocation~~ ~~best and brightest teacher and principal allocation~~, and the instructional materials allocation, and then dividing by the total unweighted FTE. The term “minimum base salary” means the annual base salary reported on the salary schedule for a full-time classroom teacher with zero years of classroom teaching experience. This subparagraph does not apply to substitute teachers.*

2. *In addition, each school district shall use its share of the allocation to provide salary increases, as funding permits, for the following personnel:*

a. *Full-time classroom teachers, as defined in s. 1012.01(2)(a), plus certified prekindergarten teachers funded in the Florida Education Finance Program, who did not receive an increase or who received an increase of less than two percent under subparagraph 1. or as specified in the General Appropriations Act. Each charter school governing board shall submit the information required under this subparagraph to the district school board for inclusion in the school district's preliminary report to the department.*

2. *By February 1, the department shall submit to the Governor, President of the Senate, and the Speaker of the House, a statewide report on the planned expenditure of the teacher salary increase allocation, which includes the detailed summary provided by each school district and charter school.*

3. By August 1, each school district shall provide a final report to the department with the information required in subparagraph 1. for the prior fiscal year. Each charter school governing board shall submit the information required under this subparagraph to the district school board for inclusion in the school district's final report to the department.

A district school board or charter school governing board that is unable to meet the reporting requirements specified in paragraphs (c) or (d) due to a collective bargaining impasse must provide written notification to department or district school board, as applicable, detailing the reasons for the impasse with a proposed timeline and details for a resolution.

Section 2. Paragraph (n) of subsection (1), and subsections (11) and (18) of section 1011.62, Florida Statutes, are amended to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR OPERATION.—The following procedure shall be followed in determining the annual allocation to each district for operation:

(n) *Calculation of additional full-time equivalent membership based on college board advanced placement scores of students and earning college board advanced placement capstone diplomas.*—A value of 0.16 full-time equivalent student membership shall be calculated for each student in each advanced placement course who receives a score of 3 or higher on the College Board Advanced Placement Examination for the prior year and added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives a College Board Advanced Placement Capstone Diploma and meets the requirements for a standard high school diploma under s. 1003.4282. Such value shall be added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. Each district must allocate at least 80 percent of the funds provided to the district for advanced placement instruction, in accordance with this paragraph, to the high school that generates the funds. The school district shall distribute to each classroom teacher who provided advanced placement instruction:

1. A bonus in the amount of \$50 for each student taught by the Advanced Placement teacher in each advanced placement course who receives a score of 3 or higher on the College Board Advanced Placement Examination.

2. An additional bonus of \$500 to each Advanced Placement teacher in a school designated with a grade of “D” or “F” who has at least one student scoring 3 or higher on the College Board Advanced Placement Examination, regardless of the number of classes taught or of the number of students scoring a 3 or higher on the College Board Advanced Placement Examination.

Bonuses awarded under this paragraph shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive. For such courses, the teacher shall earn an additional bonus of \$50 for each student who has a qualifying score.

(11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may annually provide in the Florida Education Finance Program a virtual education contribution. The amount of the virtual education contribution shall be the difference between the amount per FTE established in the General Appropriations Act for virtual education and the amount per FTE for each district and the Florida Virtual School, which may be calculated by taking the sum of the base FEFP allocation, the discretionary local effort, the state-funded discretionary contribution, the discretionary millage compression supplement, the research-based reading instruction allocation, the *teacher salary increase allocation* ~~best and brightest teacher and principal allocation~~, and the instructional materials allocation, and then dividing by the total unweighted FTE. This difference shall be multiplied by the virtual education unweighted FTE for programs and options identified in s. 1002.455 and the Florida Virtual School and its franchises to equal the virtual education contribution and shall be included as a separate allocation in the funding formula.

(18) TEACHER SALARY INCREASE ALLOCATION.—The Legislature may annually provide in the Florida Education Finance Program

a teacher salary increase allocation to assist school districts in their recruitment and retention of classroom teachers and other instructional personnel. The amount of the allocation shall be specified in the General Appropriations Act.

(a) Each school district shall receive an allocation based on the school district's proportionate share of the base FEFP allocation. Each school district shall provide each charter school within its district its proportionate share calculated pursuant to s. 1002.33(17)(b).

(b) Allocation funds are restricted in use as follows:

1. Each school district and charter school shall use its share of the allocation to increase the minimum base salary for full-time classroom teachers, as defined in s. 1012.01(2)(a), plus certified prekindergarten teachers funded in the Florida Education Finance Program, to at least \$47,500, or to the maximum amount achievable based on the allocation and as specified in the General Appropriations Act. The term “minimum base salary” means the lowest annual base salary reported on the salary schedule for a full-time classroom teacher. No full-time classroom teacher shall receive a salary less than the minimum base salary as adjusted by this subparagraph. This subparagraph does not apply to substitute teachers.

2. In addition, each school district shall use its share of the allocation to provide salary increases, as funding permits, for the following personnel:

a. Full-time classroom teachers, as defined in s. 1012.01(2)(a), plus certified prekindergarten teachers funded in the Florida Education Finance Program, who did not receive an increase or who received an increase of less than two percent under subparagraph 1. or as specified in the General Appropriations Act. This subparagraph does not apply to substitute teachers.

b. Other full-time instructional personnel as defined in s. 1012.01(2)(b)-(d).

3. A school district or charter school may use funds available after the requirements of subparagraph 1. are met to provide salary increases pursuant to subparagraph 2.

4. A school district or charter school shall maintain the minimum base salary achieved for classroom teachers provided under subparagraph 1. and may not reduce the salary increases provided under subparagraph 2. in any subsequent fiscal year, unless specifically authorized in the General Appropriations Act.

(c) Before distributing allocation funds received pursuant to paragraph (a), each school district and each charter school shall develop a salary distribution plan that clearly delineates the planned distribution of funds pursuant to paragraph (b) in accordance with modified salary schedules, as necessary, for the implementation of this subsection.

1. Each school district superintendent and each charter school administrator must submit its proposed salary distribution plan to the district school board or the charter school governing body, as appropriate, for approval.

2. Each school district shall submit the approved district salary distribution plan, along with the approved salary distribution plan for each charter school in the district, to the department by October 1 of each fiscal year.

(d) In a format specified by the department, provide as follows:

1. By December 1, each school district shall provide a preliminary report to the department that includes a detailed summary explaining the school district's planned expenditure of the entire allocation for the district received pursuant to paragraph (a), the amount of the increase to the minimum base salary for classroom teachers pursuant to paragraph (b), and the school district's salary schedule for the prior fiscal year and the fiscal year in which the base salary is increased. Each charter school governing board shall submit the information required under this subparagraph to the district school board for inclusion in the school district's preliminary report to the department.

2. By February 1, the department shall submit to the Governor, President of the Senate, and the Speaker of the House, a statewide report

on the planned expenditure of the teacher salary increase allocation, which includes the detailed summary provided by each school district and charter school.

3. By August 1, each school district shall provide a final report to the department with the information required in subparagraph 1. for the prior fiscal year. Each charter school governing board shall submit the information required under this subparagraph to the district school board for inclusion in the school district's final report to the department.

(e) Although district school boards and charter school governing boards are not precluded from bargaining over wages, the teacher salary increase allocation must be used solely to comply with the requirements of this section. A district school board or charter school governing board that is unable to meet the reporting requirements specified in paragraphs (c) or (d) due to a collective bargaining impasse must provide written notification to department or district school board, as applicable, detailing the reasons for the impasse with a proposed timeline and details for a resolution.

(f) Notwithstanding any other provision of law, funds allocated under this subsection shall not be included in the calculated amount for any scholarship awarded under chapter 1002.

(a) ~~The Florida Best and Brightest Teacher and Principal Allocation is created to recruit, retain, and recognize classroom teachers and instructional personnel who meet the criteria established in s. 1012.731 and reward principals who meet the criteria established in s. 1012.732. Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Montford moved the following amendment to **Substitute Amendment 2 (183008)** which was adopted:

**Amendment 2A (679870) (with directory and title amendments)**—Between lines 109 and 110 insert:

(o) *Calculation of additional full-time equivalent membership based on successful completion of a career-themed course pursuant to ss. 1003.491, 1003.492, and 1003.493, or courses with embedded CAPE industry certifications or CAPE Digital Tool certificates, and issuance of industry certification identified on the CAPE Industry Certification Funding List pursuant to rules adopted by the State Board of Education or CAPE Digital Tool certificates pursuant to s. 1003.4203.—*

1.a. A value of 0.025 full-time equivalent student membership shall be calculated for CAPE Digital Tool certificates earned by students in elementary and middle school grades.

b. A value of 0.1 or 0.2 full-time equivalent student membership shall be calculated for each student who completes a course as defined in s. 1003.493(1)(b) or courses with embedded CAPE industry certifications and who is issued an industry certification identified annually on the CAPE Industry Certification Funding List approved under rules adopted by the State Board of Education. A value of 0.2 full-time equivalent membership shall be calculated for each student who is issued a CAPE industry certification that has a statewide articulation agreement for college credit approved by the State Board of Education. For CAPE industry certifications that do not articulate for college credit, the Department of Education shall assign a full-time equivalent value of 0.1 for each certification. Middle grades students who earn additional FTE membership for a CAPE Digital Tool certificate pursuant to sub-subparagraph a. may not use the previously funded examination to satisfy the requirements for earning an industry certification under this sub-subparagraph. Additional FTE membership for an elementary or middle grades student may not exceed 0.1 for certificates or certifications earned within the same fiscal year. The State Board of Education shall include the assigned values on the CAPE Industry Certification Funding List under rules adopted by the state board. Such value shall be added to the total full-time equivalent student membership for grades 6 through 12 in the subsequent year. CAPE industry certifications earned through dual enrollment must be reported and funded pursuant to s. 1011.80. However, if a student earns a certification through a dual enrollment course and the certification is not a fundable certification on the postsecondary certification funding

list, or the dual enrollment certification is earned as a result of an agreement between a school district and a nonpublic postsecondary institution, the bonus value shall be funded in the same manner as other nondual enrollment course industry certifications. In such cases, the school district may provide for an agreement between the high school and the technical center, or the school district and the postsecondary institution may enter into an agreement for equitable distribution of the bonus funds.

c. A value of 0.3 full-time equivalent student membership shall be calculated for student completion of the courses and the embedded certifications identified on the CAPE Industry Certification Funding List and approved by the commissioner pursuant to ss. 1003.4203(5)(a) and 1008.44.

d. A value of 0.5 full-time equivalent student membership shall be calculated for CAPE Acceleration Industry Certifications that articulate for 15 to 29 college credit hours, and 1.0 full-time equivalent student membership shall be calculated for CAPE Acceleration Industry Certifications that articulate for 30 or more college credit hours pursuant to CAPE Acceleration Industry Certifications approved by the commissioner pursuant to ss. 1003.4203(5)(b) and 1008.44.

2. Each district must allocate at least 80 percent of the funds provided for CAPE industry certification, in accordance with this paragraph, to the program that generated the funds. This allocation may not be used to supplant funds provided for basic operation of the program.

3. For CAPE industry certifications earned in the 2013-2014 school year and in subsequent years, the school district shall distribute to each classroom teacher who provided direct instruction toward the attainment of a CAPE industry certification that qualified for additional full-time equivalent membership under subparagraph 1.:

a. A bonus of \$25 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.1.

b. A bonus of \$50 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.2.

c. A bonus of \$75 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.3.

d. A bonus of \$100 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.5 or 1.0.

Bonuses awarded pursuant to this paragraph shall be provided to teachers who are employed by the district in the year in which the additional FTE membership calculation is included in the calculation. Bonuses shall be calculated based upon the associated weight of a CAPE industry certification on the CAPE Industry Certification Funding List for the year in which the certification is earned by the student. Any bonus awarded to a teacher pursuant to this paragraph is in addition to any regular wage or other bonus the teacher received or is scheduled to receive. A bonus may not be awarded to a teacher who fails to maintain the security of any CAPE industry certification examination or who otherwise violates the security or administration protocol of any assessment instrument that may result in a bonus being awarded to the teacher under this paragraph. *Notwithstanding ss. 1008.34 and 1008.44(1)(a), the 2020-2021 CAPE Industry Certification Funding List shall not be used to calculate school district bonus funding pursuant to s. 1011.62(1)(o) or school grades pursuant to s. 1008.34, and the 2019-2020 CAPE Industry Certification List shall remain in effect until July 1, 2021.*

*1004.098 Applicants for president of a state university; public records exemption; public meetings exemption.*

(1)(a) *Any personal identifying information of an applicant for president of a state university is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.*

(b) *The personal identifying information of applicants who comprise a final group of applicants for president of a state university is no longer confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution at least 21 days before the date of a meeting at which an interview will be conducted or at which final action or a vote is to be taken on the employment of the applicants.*

(2)(a) *Any portion of a meeting held for the purpose of identifying or vetting applicants for president of a state university, including any portion of a meeting that would disclose personal identifying information of such applicants, is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution.*

(b) *A complete recording must be made of any portion of a meeting that is closed pursuant to paragraph (a), and any closed portion of such meeting may not be held off the record. The recording of the closed portion of a meeting is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.*

(c) *The public meeting exemption provided in paragraph (a) does not apply to:*

1. *Any portion of a meeting held for the purpose of establishing qualifications of potential applicants or establishing any compensation framework to be offered to potential applicants for president of a state university.*

2. *Any meeting held after a final group of applicants for president of a state university has been established at which an interview is conducted or at which final action or a vote is to be taken on the employment of such applicants.*

(3) *This section is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2025, unless reviewed and saved from repeal through reenactment by the Legislature.*

Section 2. *The Legislature finds that it is a public necessity that any personal identifying information of an applicant for president of a state university be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Art. I of the State Constitution. The Legislature also finds that it is a public necessity that any portion of a meeting held for the purpose of identifying or vetting applicants for president of a state university, including any portion of a meeting that would disclose personal identifying information of such applicants, be made exempt from s. 286.011, Florida Statutes, and s. 24(b), Art. I of the State Constitution, and that the recording of such meeting be made exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Art. I of the State Constitution. The task of filling the position of president of a state university is often conducted by an executive search committee. Many, if not most, applicants for such a position are currently employed at another job at the time they apply and could jeopardize their current positions if it were to become known that they were seeking employment elsewhere. These exemptions from public records and public meeting requirements are needed to ensure that such a search committee can avail itself of the most experienced and desirable*

The Committee on Appropriations recommended the following amendment which was moved by Senator Stargel:

**Amendment 1 (882296) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Section 189.033, Florida Statutes, is amended to read:

189.033 Independent special district services in disproportionately affected county; rate reduction for providers providing economic benefits.—If the governing body of an independent special district that provides water, wastewater, and sanitation services in a disproportionately affected county, ~~as defined in s. 288.106(8)~~, determines that a new user or the expansion of an existing user of one or more of its utility systems will provide a significant benefit to the community in terms of increased job opportunities, economies of scale, or economic development in the area, the governing body may authorize a reduction of its rates, fees, or charges for that user for a specified period of time. A governing body that exercises this power must do so by resolution that states the anticipated economic benefit justifying the reduction as well as the period of time that the reduction will remain in place. *As used in this section, the term "disproportionally affected county" means Bay County, Escambia County, Franklin County, Gulf County, Okaloosa County, Santa Rosa County, Walton County, or Wakulla County.*

Section 2. Paragraphs (c) and (d) of subsection (11) of section 192.001, Florida Statutes, are amended to read:

192.001 Definitions.—All definitions set out in chapters 1 and 200 that are applicable to this chapter are included herein. In addition, the following definitions shall apply in the imposition of ad valorem taxes:

(11) "Personal property," for the purposes of ad valorem taxation, shall be divided into four categories as follows:

(c)1. "Inventory" means only those chattels consisting of items commonly referred to as goods, wares, and merchandise (as well as inventory) which are held for sale or lease to customers in the ordinary course of business. Supplies and raw materials shall be considered to be inventory only to the extent that they are acquired for sale or lease to customers in the ordinary course of business or will physically become a part of merchandise intended for sale or lease to customers in the ordinary course of business. Partially finished products which when completed will be held for sale or lease to customers in the ordinary

course of business shall be deemed items of inventory. All livestock shall be considered inventory. Items of inventory held for lease to customers in the ordinary course of business, rather than for sale, shall be deemed inventory only prior to the initial lease of such items. For the purposes of this section, fuels used in the production of electricity shall be considered inventory.

2. "Inventory" also means construction and agricultural equipment weighing 1,000 pounds or more that is returned to a dealership under a rent-to-purchase option and held for sale to customers in the ordinary course of business. This subparagraph may not be considered in determining whether property that is not construction and agricultural equipment weighing 1,000 pounds or more that is returned under a rent-to-purchase option is inventory under subparagraph 1.

3. *Notwithstanding any provision in this section to the contrary, the term "inventory," for all levies other than school district levies, also means construction equipment owned by a heavy equipment rental dealer that is for sale or short-term rental in the normal course of business on the annual assessment date. For the purposes of this chapter and chapter 196, the term "heavy equipment rental dealer" means a person or an entity principally engaged in the business of short-term rental and sale of equipment described under 532412 of the North American Industry Classification System, including attachments for the equipment or other ancillary equipment. As used in this subparagraph, the term "short-term rental" means the rental of a dealer's heavy equipment rental property for less than 365 days under an open-ended contract or under a contract with unlimited terms. The prior short-term rental of any construction or industrial equipment does not disqualify such property from qualifying as inventory under this paragraph following the term of such rental. The term "inventory" does not include heavy equipment rented with an operator.*

(d) "Tangible personal property" means all goods, chattels, and other articles of value (but does not include the vehicular items enumerated in s. 1(b), Art. VII of the State Constitution and elsewhere defined) capable of manual possession and whose chief value is intrinsic to the article itself. "Construction work in progress" consists of those items of tangible personal property commonly known as fixtures, machinery, and equipment when in the process of being installed in new or expanded improvements to real property and whose value is materially enhanced upon connection or use with a preexisting, taxable, operational system or facility. Construction work in progress shall be deemed substantially completed when connected with the preexisting, taxable, operational system or facility. *For the purposes of tangible personal property constructed or installed by an electric utility, construction work in progress is not deemed substantially completed unless all permits or approvals required to generate electricity for sale, excluding test generation, have been received or approved.* Inventory and household goods are expressly excluded from this definition.

Section 3. Section 193.019, Florida Statutes, is created to read:

193.019 Hospitals; community benefit reporting.—

(1) As used in this section, the term:

(a) "Department" means the Department of Revenue.

(b) "Hospital" has the same meaning as in s. 196.012(8).

(2) By April 1 of each year, a county property appraiser shall calculate and submit to the department the valuation of the property tax exemption for the prior tax year granted pursuant to s. 196.196 or s. 196.197 for each property owned by a hospital.

(3) A hospital shall submit to the department its Internal Revenue Service Form 990, Schedule H, within 30 business days after the filing of the form with the Internal Revenue Service. The hospital shall also submit a document showing the attribution of the net community benefit expense shown in Form 990 to each county where its property is located. A county may attribute net community benefit expense to its property located in a county based on services and activities provided in the county to residents of the county.

(4) The department must determine whether the net community benefit expense attributed to property located in a county equals or ex-

ceeds the tax reduction resulting from the exemptions described in subsection (2).

(5) If the department determines that the net community benefit expense does not equal or exceed the value of the exemption, it shall notify the respective property appraiser to reduce the exemption proportionately so that it equals the ratio of the tax reduction to the net community benefit expense.

(6) The department shall publish the data collected pursuant to this section for each hospital from a county property appraiser, including the net community benefit expense reported in the Internal Revenue Service Form 990, Schedule H.

(7) The department shall adopt a form by rule to administer this section.

Section 4. Section 193.1557, Florida Statutes, is created to read:

*193.1557 Assessment of certain property damaged or destroyed by Hurricane Michael.—For property damaged or destroyed by Hurricane Michael in 2018, s. 193.155(4)(b), s. 193.1554(6)(b), or s. 193.1555(6)(b) applies to changes, additions, or improvements commenced within 5 years after January 1, 2019. This section applies to the 2019-2023 tax rolls and shall stand repealed on December 31, 2023.*

Section 5. Paragraph (e) of subsection (3) of section 194.011, Florida Statutes, is amended to read:

194.011 Assessment notice; objections to assessments.—

(3) A petition to the value adjustment board must be in substantially the form prescribed by the department. Notwithstanding s. 195.022, a county officer may not refuse to accept a form provided by the department for this purpose if the taxpayer chooses to use it. A petition to the value adjustment board must be signed by the taxpayer or be accompanied at the time of filing by the taxpayer's written authorization or power of attorney, unless the person filing the petition is listed in s. 194.034(1)(a). A person listed in s. 194.034(1)(a) may file a petition with a value adjustment board without the taxpayer's signature or written authorization by certifying under penalty of perjury that he or she has authorization to file the petition on behalf of the taxpayer. If a taxpayer notifies the value adjustment board that a petition has been filed for the taxpayer's property without his or her consent, the value adjustment board may require the person filing the petition to provide written authorization from the taxpayer authorizing the person to proceed with the appeal before a hearing is held. If the value adjustment board finds that a person listed in s. 194.034(1)(a) willfully and knowingly filed a petition that was not authorized by the taxpayer, the value adjustment board shall require such person to provide the taxpayer's written authorization for representation to the value adjustment board clerk before any petition filed by that person is heard, for 1 year after imposition of such requirement by the value adjustment board. A power of attorney or written authorization is valid for 1 assessment year, and a new power of attorney or written authorization by the taxpayer is required for each subsequent assessment year. A petition shall also describe the property by parcel number and shall be filed as follows:

(e)1. A condominium association, a cooperative association, or any homeowners' association as defined in s. 723.075, with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. The condominium association, cooperative association, or homeowners' association as defined in s. 723.075 shall provide the unit owners with notice of its intent to petition the value adjustment board by hand delivery or certified mail, return receipt requested, except that such notice may be electronically transmitted to a unit owner who has expressly consented in writing to receiving notices by electronic transmission. If the association is a condominium association or cooperative association, the notice must also be posted conspicuously on the condominium or cooperative property in the same manner as a notice of board meeting under ss. 718.112(2) and 719.106(1). Such notice must ~~and shall~~ provide at least 14 ~~20~~ days for a unit owner to elect, in writing, that his or her unit not be included in the petition.

2. A condominium association, a cooperative association, or a homeowners' association as defined in s. 723.075 which has filed a single joint petition under this subsection may continue to represent, prosecute on behalf of, and defend the unit owners through any related subsequent proceeding in any tribunal, including judicial review under part II of this chapter and any appeals. This subparagraph is intended to clarify existing law and applies to cases pending on July 1, 2020, and to cases beginning thereafter.

Section 6. Subsection (1) of section 194.035, Florida Statutes, is amended to read:

194.035 Special magistrates; property evaluators.—

(1) In counties having a population of more than 75,000, the board shall appoint special magistrates for the purpose of taking testimony and making recommendations to the board, which recommendations the board may act upon without further hearing. These special magistrates may not be elected or appointed officials or employees of the county but shall be selected from a list of those qualified individuals who are willing to serve as special magistrates. Employees and elected or appointed officials of a taxing jurisdiction or of the state may not serve as special magistrates. The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special magistrates exist. The Department of Revenue shall provide a list of qualified special magistrates to any county with a population of 75,000 or less. Subject to appropriation, the department shall reimburse counties with a population of 75,000 or less for payments made to special magistrates appointed for the purpose of taking testimony and making recommendations to the value adjustment board pursuant to this section. The department shall establish a reasonable range for payments per case to special magistrates based on such payments in other counties. Requests for reimbursement of payments outside this range shall be justified by the county. If the total of all requests for reimbursement in any year exceeds the amount available pursuant to this section, payments to all counties shall be prorated accordingly. If a county having a population less than 75,000 does not appoint a special magistrate to hear each petition, the person or persons designated to hear petitions before the value adjustment board or the attorney appointed to advise the value adjustment board shall attend the training provided pursuant to subsection (3), regardless of whether the person would otherwise be required to attend, but shall not be required to pay the tuition fee specified in subsection (3). A special magistrate appointed to hear issues of exemptions, classifications, and determinations that a change of ownership, a change of ownership or control, or a qualifying improvement has occurred shall be a member of The Florida Bar with no less than 5 years' experience in the area of ad valorem taxation. A special magistrate appointed to hear issues regarding the valuation of real estate shall be a state certified real estate appraiser with not less than 5 years' experience in real property valuation. A special magistrate appointed to hear issues regarding the valuation of tangible personal property shall be a designated member of a nationally recognized appraiser's organization with not less than 5 years' experience in tangible personal property valuation. A special magistrate need not be a resident of the county in which he or she serves. A special magistrate may not represent a person before the board in any tax year during which he or she has served that board as a special magistrate. *An appraisal may not be submitted as evidence to a value adjustment board in any year that the person who performed the appraisal serves as a special magistrate to that value adjustment board.* Before appointing a special magistrate, a value adjustment board shall verify the special magistrate's qualifications. The value adjustment board shall ensure that the selection of special magistrates is based solely upon the experience and qualifications of the special magistrate and is not influenced by the property appraiser. The special magistrate shall accurately and completely preserve all testimony and, in making recommendations to the value adjustment board, shall include proposed findings of fact, conclusions of law, and reasons for upholding or overturning the determination of the property appraiser. The expense of hearings before magistrates and any compensation of special magistrates shall be borne three-fifths by the board of county commissioners and two-fifths by the school board. When appointing special magistrates or when scheduling special magistrates for specific hearings, the board, the board attorney, and the board clerk may not consider the dollar amount or percentage of any assessment reductions recommended by any special magistrate in the current year or in any previous year.

Section 7. Subsection (2) of section 194.181, Florida Statutes, is amended to read:

194.181 Parties to a tax suit.—

(2)(a) In any case brought by a ~~the~~ taxpayer or a condominium association or cooperative association on behalf of some or all unit owners, contesting the assessment of any property, the county property appraiser is the ~~shall be~~ party defendant.

(b) In any case brought by the property appraiser under ~~pursuant to~~ s. 194.036(1)(a) or (b), the taxpayer is the ~~shall be~~ party defendant.

(c)1. In any case brought by the property appraiser under s. 194.036(1)(a) or (b) concerning a value adjustment board decision on a single joint petition filed by a condominium association or cooperative association under s. 194.011(3), the association and all unit owners included in the single joint petition are the party defendants.

2. The condominium association or cooperative association must provide unit owners with notice of its intent to respond to or answer the property appraiser's complaint and advise the unit owners that they may elect to:

- a. Retain their own counsel to defend the appeal;
- b. Choose not to defend the appeal; or
- c. Be represented together with unit owners by the association.

3. The notice required in subparagraph 2. must be hand-delivered or sent by certified mail, return receipt requested, to the unit owners, except that such notice may be electronically transmitted to a unit owner who has expressly consented in writing to receiving notices through electronic transmission. Additionally, the notice must be posted conspicuously on the condominium or cooperative property in the same manner as for notice of board meetings under ss. 718.112(2) and 719.106(1). The association must provide at least 14 days for unit owners to respond to the notice. Any unit owner who does not respond to the association's notice will be represented by the association.

(d) In any case brought by the property appraiser under ~~pursuant to~~ s. 194.036(1)(c), the value adjustment board is the ~~shall be~~ party defendant.

Section 8. Paragraphs (a) and (b) of subsection (1) of section 195.073, Florida Statutes, are amended to read:

195.073 Classification of property.—All items required by law to be on the assessment rolls must receive a classification based upon the use of the property. The department shall promulgate uniform definitions for all classifications. The department may designate other subclassifications of property. No assessment roll may be approved by the department which does not show proper classifications.

(1) Real property must be classified according to the assessment basis of the land into the following classes:

(a) Residential, subclassified into categories, one category for homestead property and one for nonhomestead property:

1. Single family.
2. Mobile homes.
3. Multifamily, up to nine units.
4. Condominiums.
5. Cooperatives.
6. Retirement homes.

(b) Commercial and industrial, including apartments with more than nine units.

Section 9. Subsection (2) and paragraph (a) of subsection (3) of section 195.096, Florida Statutes, are amended to read:

195.096 Review of assessment rolls.—

(2) The department shall conduct, no less frequently than once every 2 years, an in-depth review of the *real property* assessment roll ~~rolls~~ of each county. The department need not individually study every use-class of property set forth in s. 195.073, but shall at a minimum study the level of assessment in relation to just value of each classification specified in subsection (3). Such in-depth review may include proceedings of the value adjustment board and the audit or review of procedures used by the counties to appraise property.

(a) The department shall, at least 30 days prior to the beginning of an in-depth review in any county, notify the property appraiser in the county of the pending review. At the request of the property appraiser, the department shall consult with the property appraiser regarding the classifications and strata to be studied, in order that the review will be useful to the property appraiser in evaluating his or her procedures.

(b) Every property appraiser whose upcoming roll is subject to an in-depth review shall, if requested by the department on or before January 1, deliver upon completion of the assessment roll a list of the parcel numbers of all parcels that did not appear on the assessment roll of the previous year, indicating the parcel number of the parent parcel from which each new parcel was created or "cut out."

(c) In conducting assessment ratio studies, the department must use all practicable steps, including stratified statistical and analytical reviews and sale-qualification studies, to maximize the representativeness or statistical reliability of samples of properties in tests of each classification, stratum, or roll made the subject of a ratio study published by it. The department shall document and retain records of the measures of representativeness of the properties studied in compliance with this section. Such documentation must include a record of findings used as the basis for the approval or disapproval of the tax roll in each county pursuant to s. 193.1142. In addition, to the greatest extent practicable, the department shall study assessment roll strata by subclassifications such as value groups and market areas for each classification or stratum to be studied, to maximize the representativeness of ratio study samples. For purposes of this section, the department shall rely primarily on an assessment-to-sales-ratio study in conducting assessment ratio studies in those classifications of property specified in subsection (3) for which there are adequate market sales. The department shall compute the median and the value-weighted mean for each classification or subclassification studied and for the roll as a whole.

(d) In the conduct of these reviews, the department shall adhere to all standards to which the property appraisers are required to adhere.

(e) The department and each property appraiser shall cooperate in the conduct of these reviews, and each shall make available to the other all matters and records bearing on the preparation and computation of the reviews. The property appraisers shall provide any and all data requested by the department in the conduct of the studies, including electronic data processing tapes. Any and all data and samples developed or obtained by the department in the conduct of the studies shall be confidential and exempt from the provisions of s. 119.07(1) until a presentation of the findings of the study is made to the property appraiser. After the presentation of the findings, the department shall provide any and all data requested by a property appraiser developed or obtained in the conduct of the studies, including tapes. Direct reimbursable costs of providing the data shall be borne by the party who requested it. Copies of existing data or records, whether maintained or required pursuant to law or rule, or data or records otherwise maintained, shall be submitted within 30 days from the date requested, in the case of written or printed information, and within 14 days from the date requested, in the case of computerized information.

(f) Within 120 days after receipt of a county assessment roll by the executive director of the department pursuant to s. 193.1142(1), or within 10 days after approval of the assessment roll, whichever is later, the department shall complete the review for that county and publish the department's findings. The findings must include ~~a statement of the confidence interval for the median and such other measures as may be appropriate for each classification or subclassification studied and for the roll as a whole,~~ and related statistical and analytical details. The measures in the findings must be based on:

1. A 95-percent level of confidence; or
2. Ratio study standards that are generally accepted by professional appraisal organizations in developing a statistically valid sampling plan if a 95-percent level of confidence is not attainable.

(g) Notwithstanding any other provision of this chapter, in one or more assessment years following a natural disaster in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if the department determines that the natural disaster creates difficulties in its statistical and analytical reviews of the assessment rolls in affected counties, the department shall take all practicable steps to maximize the representativeness and reliability of its statistical and analytical reviews and may use the best information available to estimate the levels of assessment. This paragraph first applies to the 2019 assessment roll and operates retroactively to January 1, 2019.

(3)(a) Upon completion of review pursuant to paragraph (2)(f), the department shall publish the results of reviews conducted under this section. The results must include all statistical and analytical measures computed under this section for the real property assessment roll ~~as a whole, the personal property assessment roll as a whole,~~ and independently for the following real property classes if the classes constituted 5 percent or more of the total assessed value of real property in a county on the previous tax roll:

1. Residential property that consists of one primary living unit, including, but not limited to, single-family residences, condominiums, cooperatives, and mobile homes.
2. Residential property that consists of two *to nine* ~~or more~~ primary living units.
3. Agricultural, high-water recharge, historic property used for commercial or certain nonprofit purposes, and other use-valued property.
4. Vacant lots.
5. Nonagricultural acreage and other undeveloped parcels.
6. Improved commercial and industrial property, *including apartments with more than nine units.*
7. Taxable institutional or governmental, utility, locally assessed railroad, oil, gas and mineral land, subsurface rights, and other real property.

If one of the above classes constituted less than 5 percent of the total assessed value of all real property in a county on the previous assessment roll, the department may combine it with one or more other classes of real property for purposes of assessment ratio studies or use the weighted average of the other classes for purposes of calculating the level of assessment for all real property in a county. The department shall also publish such results for any subclassifications of the classes or assessment rolls it may have chosen to study.

Section 14. Effective January 1, 2021, section 196.1978, Florida Statutes, as amended by this act, is amended to read:

196.1978 Affordable housing property exemption.—

(1) Property used to provide affordable housing to eligible persons as defined by s. 159.603 and natural persons or families meeting the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, which is owned entirely by a nonprofit entity that is a corporation not for profit, qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and in compliance with Rev. All property identified in this subsection must comply with the criteria provided under s. 196.195 for determining exempt status and applied by property appraisers on an annual basis. The Legislature intends that any property owned by a limited liability company which is disregarded as an entity for federal income tax purposes pursuant to Treasury Regulation 301.7701-3(b)(1)(ii) be treated as owned by its sole member. *If the sole member of the limited liability company that owns the property is also a limited liability company that is disregarded as an entity for federal income tax purposes pursuant to Treasury Regulation 301.7701-3(b)(1)(ii), the Legislature intends that the property be treated as owned by the sole member of the limited liability company that owns the limited liability company that owns the property.* Units that are vacant and units that are occupied by natural persons or families whose income no longer meets the income limits of this subsection, but whose income met those income limits at the time they became tenants, shall be treated as portions of the affordable housing property exempt under this subsection if a recorded land use restriction agreement in favor of the Florida Housing Finance Corporation or any other governmental or quasi-governmental jurisdiction requires that all residential units within the property be used in a manner that qualifies for the exemption under this subsection and if the units are being offered for rent.

(2)(a) Notwithstanding ss. 196.195 and 196.196, property in a multifamily project that meets the requirements of this paragraph is considered property used for a charitable purpose and ~~is exempt shall receive a 50 percent discount from the amount of~~ ad valorem tax otherwise owed beginning with the January 1 assessment after the 15th completed year of the term of the recorded agreement on those portions of the affordable housing property that provide housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in s. 420.0004. The multifamily project must:

This ~~exemption discount~~ terminates if the property no longer serves extremely-low-income, very-low-income, or low-income persons pursuant to the recorded agreement.

(b) To receive the discount under paragraph (a), a qualified applicant must submit an application to the county property appraiser by March 1.

~~(c) The property appraiser shall apply the discount by reducing the taxable value on those portions of the affordable housing property that provide housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in s. 420.0004 before certifying the tax roll to the tax collector.~~

~~1. The property appraiser shall first ascertain all other applicable exemptions, including exemptions provided pursuant to local option, and deduct all other exemptions from the assessed value.~~

~~2. Fifty percent of the remaining value shall be subtracted to yield the discounted taxable value.~~

~~3. The resulting taxable value shall be included in the certification for use by taxing authorities in setting millage.~~

~~4. The property appraiser shall place the discounted amount on the tax roll when it is extended.~~

Section 15. Effective upon becoming a law, section 196.198, Florida Statutes, is amended to read:

196.198 Educational property exemption.—Educational institutions within this state and their property used by them or by any other exempt entity or educational institution exclusively for educational purposes are exempt from taxation. Sheltered workshops providing rehabilitation and retraining of individuals who have disabilities and exempted by a certificate under s. (d) of the federal Fair Labor Standards Act of 1938, as amended, are declared wholly educational in purpose and are exempt from certification, accreditation, and membership requirements set forth in s. 196.012. Those portions of property of college fraternities and sororities certified by the president of the college or university to the appropriate property appraiser as being essential to the educational process are exempt from ad valorem taxation. The use of property by public fairs and expositions chartered by chapter 616 is presumed to be an educational use of such property and is exempt from ad valorem taxation to the extent of such use. Property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the educational institution is owned by the identical persons who own the property, or if the entity owning 100 percent of the educational institution and the entity owning the property are owned by the identical natural persons. Land, buildings, and other improvements to real property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the land is a nonprofit entity and the land is used, under a ground lease or other contractual arrangement, by an educational institution that owns the buildings and other improvements to the real property, is a nonprofit entity under s. 501(c)(3) of the Internal Revenue Code, and provides education limited to students in prekindergarten through grade 8. *Notwithstanding ss. 196.195 and 196.196, property owned by a house of public worship and used by an educational institution for educational purposes limited to students in preschool through grade 8 shall be exempt from ad valorem taxes.* If legal title to property is held by a governmental agency that leases the property to a lessee, the property shall be deemed to be owned by the governmental agency and used exclusively for educational purposes if the governmental agency continues to use such property exclusively for educational purposes pursuant to a sublease or other contractual agreement with that lessee. If the title to land is held by the trustee of an irrevocable inter vivos trust and if the trust grantor owns 100 percent of the entity that owns an educational institution that is using the land exclusively for educational purposes, the land is deemed to be property owned by the educational institution for purposes of this exemption. Property owned by an educational in-

stitution shall be deemed to be used for an educational purpose if the institution has taken affirmative steps to prepare the property for educational use. The term “affirmative steps” means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate commitment of the property to an educational use.

Section 16. *The amendment made by this act to s. 196.198, Florida Statutes, relating to certain property owned by a house of public worship, is intended to clarify existing law and shall apply to actions pending on the effective date of this act.*

Section 17. Section 196.198, Florida Statutes, as amended by this act, is amended to read:

Land, buildings, and other improvements to real property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the land is a nonprofit entity and the land is used, under a ground lease or other contractual arrangement, by an educational institution that owns the buildings and other improvements to the real property, is a nonprofit entity under s. 501(c)(3) of the Internal Revenue Code, and provides education limited to students in prekindergarten through grade 8. *Land, buildings, and other improvements to real property used exclusively for educational purposes shall be deemed owned by an educational institution if the educational institution that currently uses the land, buildings, and other improvements for educational purposes received the exemption under this section on the same property in any 10 consecutive prior years or is an educational institution described in s. 212.0602, and, under a lease, the educational institution is responsible for any taxes owed and for ongoing maintenance and operational expenses for the land, buildings, and other improvements. For such leasehold properties, the educational institution shall receive the full benefit of the exemption. The term “affirmative steps” means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar ac-

tivities that demonstrate commitment of the property to an educational use.

Section 18. Effective upon this act becoming a law, paragraphs (b), (d), (e), and (f) of subsection (2) of section 200.065, Florida Statutes, are amended to read:

200.065 Method of fixing millage.—

(2) No millage shall be levied until a resolution or ordinance has been approved by the governing board of the taxing authority which resolution or ordinance must be approved by the taxing authority according to the following procedure:

(b) Within 35 days of certification of value pursuant to subsection (1), each taxing authority shall advise the property appraiser of its proposed millage rate, of its rolled-back rate computed pursuant to subsection (1), and of the date, time, and place at which a public hearing will be held to consider the proposed millage rate and the tentative budget. The property appraiser shall utilize this information in preparing the notice of proposed property taxes pursuant to s. 200.069. The deadline for mailing the notice shall be the later of 55 days after certification of value pursuant to subsection (1) or 10 days after either the date the tax roll is approved or the interim roll procedures under s. 193.1145 are instituted. *However, for counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if mailing is not possible during the state of emergency, the property appraiser may post the notice on the county's website.* If the deadline for mailing the notice of proposed property taxes is 10 days after the date the tax roll is approved or the interim roll procedures are instituted, all subsequent deadlines provided in this section shall be extended. *In addition, the deadline for mailing the notice may be extended for 30 days in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, and property appraisers may use alternate methods of distribution only when mailing the notice is not possible. In such event, however, property appraisers must work with county tax collectors to ensure the timely assessment and collection of taxes.* The number of days by which the deadlines shall be extended shall equal the number of days by which the deadline for mailing the notice of proposed taxes is extended beyond 55 days after certification. If any taxing authority fails to provide the information required in this paragraph to the property appraiser in a timely fashion, the taxing authority shall be prohibited from levying a millage rate greater than the rolled-back rate computed pursuant to subsection (1) for the upcoming fiscal year, which rate shall be computed by the property appraiser and used in preparing the notice of proposed property taxes. *Each multicounty taxing authority that levies taxes in any county that has extended the deadline for mailing the notice due to a declared state of emergency and that has noticed hearings in other counties must advertise the hearing at which it intends to adopt a tentative budget and millage rate in a newspaper of general paid circulation within each county not less than 2 days or more than 5 days before the hearing.*

(d) Within 15 days after the meeting adopting the tentative budget, the taxing authority shall advertise in a newspaper of general circulation in the county as provided in subsection (3), its intent to finally adopt a millage rate and budget. A public hearing to finalize the budget and adopt a millage rate shall be held not less than 2 days nor more than 5 days after the day that the advertisement is first published. *In the event of a need to postpone or recess the final meeting due to a declared state of emergency, the taxing authority may postpone or recess the hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The taxing authority shall make every reasonable effort to provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the taxing authority's website.* During the hearing, the governing body of the taxing authority shall amend the adopted tentative budget as it sees fit, adopt a final budget, and adopt a resolution or ordinance stating the millage rate to be levied. The resolution or ordinance shall state the percent, if any, by which the millage rate to be levied exceeds the rolled-back rate computed pursuant to subsection (1), which shall be characterized as the percentage increase in property taxes adopted by the governing body. The adoption of the budget and the millage-levy resolution or ordinance shall be by separate votes. For each taxing authority levying millage, the name of the taxing authority, the rolled-back rate, the percentage increase, and

the millage rate to be levied shall be publicly announced ~~before~~ *prior to* the adoption of the millage-levy resolution or ordinance. In no event may the millage rate adopted pursuant to this paragraph exceed the millage rate tentatively adopted pursuant to paragraph (c). If the rate tentatively adopted pursuant to paragraph (c) exceeds the proposed rate provided to the property appraiser pursuant to paragraph (b), or as subsequently adjusted pursuant to subsection (11), each taxpayer within the jurisdiction of the taxing authority shall be sent notice by first-class mail of his or her taxes under the tentatively adopted millage rate and his or her taxes under the previously proposed rate. The notice must be prepared by the property appraiser, at the expense of the taxing authority, and must generally conform to the requirements of s. 200.069. If such additional notice is necessary, its mailing must precede the hearing held pursuant to this paragraph by not less than 10 days and not more than 15 days.

(e)1. In the hearings required pursuant to paragraphs (c) and (d), the first substantive issue discussed shall be the percentage increase in millage over the rolled-back rate necessary to fund the budget, if any, and the specific purposes for which ad valorem tax revenues are being increased. During such discussion, the governing body shall hear comments regarding the proposed increase and explain the reasons for the proposed increase over the rolled-back rate. The general public shall be allowed to speak and to ask questions ~~before~~ *prior to* adoption of any measures by the governing body. The governing body shall adopt its tentative or final millage rate ~~before~~ *prior to* adopting its tentative or final budget.

2. These hearings shall be held after 5 p.m. if scheduled on a day other than Saturday. No hearing shall be held on a Sunday. The county commission shall not schedule its hearings on days scheduled for hearings by the school board. The hearing dates scheduled by the county commission and school board shall not be utilized by any other taxing authority within the county for its public hearings. *However, in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252 and the re-scheduling of hearings on the same day is unavoidable, the county commission and school board must conduct their hearings at different times, and other taxing authorities must schedule their hearings so as not to conflict with the times of the county commission and school board hearings.* A multicounty taxing authority shall make every reasonable effort to avoid scheduling hearings on days utilized by the counties or school districts within its jurisdiction. Tax levies and budgets for dependent special taxing districts shall be adopted at the hearings for the taxing authority to which such districts are dependent, following such discussion and adoption of levies and budgets for the superior taxing authority. A taxing authority may adopt the tax levies for all of its dependent special taxing districts, and may adopt the budgets for all of its dependent special taxing districts, by a single unanimous vote. However, if a member of the general public requests that the tax levy or budget of a dependent special taxing district be separately discussed and separately adopted, the taxing authority shall discuss and adopt that tax levy or budget separately. If, due to circumstances beyond the control of the taxing authority, *including a state of emergency declared by executive order or proclamation of the Governor pursuant to chapter 252, the hearing provided for in paragraph (c) or paragraph (d) is recessed or postponed, the taxing authority shall publish a notice in a newspaper of general paid circulation in the county. The notice shall state the time and place for the continuation of the hearing and shall be published at least 2 days but not more than 5 days before* ~~prior to~~ the date the hearing will be continued. *In the event of postponement or recess due to a declared state of emergency, all subsequent dates in this section shall be extended by the number of days of the postponement or recess. Notice of the postponement or recess must be in writing by the affected taxing authority to the tax collector, the property appraiser, and the Department of Revenue within 3 calendar days after the postponement or recess. In the event of such extension, the affected taxing authority must work with the county tax collector and property appraiser to ensure timely assessment and collection of taxes.*

(f)1. Notwithstanding any provisions of paragraph (c) to the contrary, each school district shall advertise its intent to adopt a tentative budget in a newspaper of general circulation pursuant to subsection (3) within 29 days of certification of value pursuant to subsection (1). Not less than 2 days or more than 5 days thereafter, the district shall hold a public hearing on the tentative budget pursuant to the applicable provisions of paragraph (c). *In the event of postponement or recess due to a declared state of emergency, the school district may postpone or recess the*

*hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The school district shall make every reasonable effort to provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the school district's website.*

2. Notwithstanding any provisions of paragraph (b) to the contrary, each school district shall advise the property appraiser of its recomputed proposed millage rate within 35 days of certification of value pursuant to subsection (1). The recomputed proposed millage rate of the school district shall be considered its proposed millage rate for the purposes of paragraph (b).

3. Notwithstanding any provisions of paragraph (d) to the contrary, each school district shall hold a public hearing to finalize the budget and adopt a millage rate within 80 days of certification of value pursuant to subsection (1), but not earlier than 65 days after certification. The hearing shall be held in accordance with the applicable provisions of paragraph (d), except that a newspaper advertisement need not precede the hearing.

Section 19. Section 200.069, Florida Statutes, is amended to read:

200.069 Notice of proposed property taxes and non-ad valorem assessments.—Pursuant to s. 200.065(2)(b), the property appraiser, in the name of the taxing authorities and local governing boards levying non-ad valorem assessments within his or her jurisdiction and at the expense of the county, shall prepare and deliver by first-class mail to each taxpayer to be listed on the current year's assessment roll a notice of proposed property taxes, which notice shall contain the elements and use the format provided in the following form. Notwithstanding the provisions of s. 195.022, no county officer shall use a form other than that provided herein. The Department of Revenue may adjust the spacing and placement on the form of the elements listed in this section as it considers necessary based on changes in conditions necessitated by various taxing authorities. If the elements are in the order listed, the placement of the listed columns may be varied at the discretion and expense of the property appraiser, and the property appraiser may use printing technology and devices to complete the form, the spacing, and the placement of the information in the columns. *In addition, the property appraiser may not include in the mailing of the notice of ad valorem taxes and non-ad valorem assessments additional information or items unless such information or items explain a component of the notice or provide information directly related to the assessment and taxation of the property.* A county officer may use a form other than that provided by the department for purposes of this part, but only if his or her office pays the related expenses and he or she obtains prior written permission from the executive director of the department; however, a county officer may not use a form the substantive content of which is at variance with the form prescribed by the department. The county officer may continue to use such an approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director.

(1) The first page of the notice shall read:

(b) The reverse side of the second page shall contain definitions and explanations for the values included on the front side.

(7) The following statement shall appear after the values listed on the front of the second page:

classification that is not reflected above, contact your county property appraiser at \_\_\_\_\_ (phone number) \_\_\_\_\_ or \_\_\_\_\_ (location) \_\_\_\_\_.

If the property appraiser’s office is unable to resolve the matter as to market value, classification, or an exemption, you may file a petition for adjustment with the Value Adjustment Board. Petition forms are available from the county property appraiser and must be filed ON OR BEFORE \_\_\_\_\_ (date) \_\_\_\_\_.

(8) The reverse side of the first page of the form shall read:

#### EXPLANATION

##### \*COLUMN 1—“YOUR PROPERTY TAXES LAST YEAR”

This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property’s previous taxable value.

##### \*COLUMN 2—“YOUR TAXES IF NO BUDGET CHANGE IS ADOPTED”

This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year’s budgets and your current assessment.

##### \*COLUMN 3—“YOUR TAXES IF PROPOSED BUDGET CHANGE IS ADOPTED”

This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown on the front side of this notice. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments.

\*Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive. (Discounts are a maximum of 4 percent of the amounts shown on this form.)

(9) The bottom portion of the notice shall further read in bold, conspicuous print:

“Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be levied by your county, city, or any special district.”

(10)(a) If requested by the local governing board levying non-ad valorem assessments and agreed to by the property appraiser, the notice specified in this section may contain a notice of proposed or adopted non-ad valorem assessments. If so agreed, the notice shall be titled:

#### NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS DO NOT PAY—THIS IS NOT A BILL

There must be a clear partition between the notice of proposed property taxes and the notice of proposed or adopted non-ad valorem assessments. The partition must be a bold, horizontal line approximately 1/8-inch thick. By rule, the department shall provide a format for the form of the notice of proposed or adopted non-ad valorem assessments which meets the following minimum requirements:

1. There must be subheading for columns listing the levying local governing board, with corresponding assessment rates expressed in dollars and cents per unit of assessment, and the associated assessment amount.

2. The purpose of each assessment must also be listed in the column listing the levying local governing board if the purpose is not clearly indicated by the name of the board.

3. Each non-ad valorem assessment for each levying local governing board must be listed separately.

4. If a county has too many municipal service benefit units or assessments to be listed separately, it shall combine them by function.

5. A brief statement outlining the responsibility of the tax collector and each levying local governing board as to any non-ad valorem assessment must be provided on the form, accompanied by directions as to which office to contact for particular questions or problems.

(b) If the notice includes all adopted non-ad valorem assessments, the provisions contained in subsection (9) shall not be placed on the notice.

(1) Each terminal supplier, importer, exporter, or wholesaler, except a municipality, county, school board, state agency, federal agency, or special district which is licensed under this part, shall file with the department a bond in a penal sum of not more than ~~\$300,000~~ ~~\$100,000~~, such sum to be approximately 3 times the combined average monthly tax levied under this part and local option tax on motor fuel paid or due during the preceding 12 calendar months under the laws of this state. An exporter shall file a bond in an amount equal to 3 times the average monthly tax due on gallons acquired for export. The bond shall be in such form as may be approved by the department, executed by a surety company duly licensed to do business under the laws of the state as surety thereon, and conditioned upon the prompt filing of true reports and the payment to the department of any and all fuel taxes levied under this chapter including local option taxes which are now or which hereafter may be levied or imposed, together with any and all penalties and interest thereon, and generally upon faithful compliance with the provisions of the fuel tax and local option tax laws of the state. Section 26. Effective January 1, 2021, paragraphs (c) and (d) of subsection (1) of section 212.031, Florida Statutes, are amended to read:

212.031 Tax on rental or license fee for use of real property.—

(1)

(c) For the exercise of such privilege, a tax is levied at the rate of ~~5.4~~ ~~5.5~~ percent of and on the total rent or license fee charged for such real property by the person charging or collecting the rental or license fee. The total rent or license fee charged for such real property shall include payments for the granting of a privilege to use or occupy real property for any purpose and shall include base rent, percentage rents, or similar charges. Such charges shall be included in the total rent or license fee subject to tax under this section whether or not they can be attributed to the ability of the lessor's or licensor's property as used or operated to attract customers. Payments for intrinsically valuable personal property such as franchises, trademarks, service marks, logos, or patents are not subject to tax under this section. In the case of a contractual arrangement that provides for both payments taxable as total rent or license fee and payments not subject to tax, the tax shall be based on a reasonable allocation of such payments and shall not apply to that portion which is for the nontaxable payments.

(d) If the rental or license fee of any such real property is paid by way of property, goods, wares, merchandise, services, or other thing of value, the tax shall be at the rate of ~~5.4~~ ~~5.5~~ percent of the value of the property, goods, wares, merchandise, services, or other thing of value.

Section 27. Paragraph (a) of subsection (2) of section 212.04, Florida Statutes, is amended to read:

212.04 Admissions tax; rate, procedure, enforcement.—

(2)(a) A tax may not be levied on:

1. Admissions to athletic or other events sponsored by elementary schools, junior high schools, middle schools, high schools, community colleges, public or private colleges and universities, deaf and blind schools, facilities of the youth services programs of the Department of Children and Families, and state correctional institutions if only student, faculty, or inmate talent is used. However, this exemption does not apply to admission to athletic events sponsored by a state university, and the proceeds of the tax collected on such admissions shall be retained and used by each institution to support women's athletics as provided in s. 1006.71(2)(c).

2. Dues, membership fees, and admission charges imposed by not-for-profit sponsoring organizations. To receive this exemption, the sponsoring organization must qualify as a not-for-profit entity under s. 501(c)(3) of the Internal Revenue Code of 1954, as amended.

3. Admission charges to an event sponsored by a governmental entity, sports authority, or sports commission if held in a convention hall, exhibition hall, auditorium, stadium, theater, arena, civic center, performing arts center, or publicly owned recreational facility and if 100 percent of the risk of success or failure lies with the sponsor of the event and 100 percent of the funds at risk for the event belong to the sponsor, and student or faculty talent is not exclusively used. As used in this subparagraph, the terms "sports authority" and "sports commission" mean a nonprofit organization that is exempt from federal income tax under s. 501(c)(3) of the Internal Revenue Code and that contracts with a county or municipal government for the purpose of promoting and attracting sports-tourism events to the community with which it contracts.

4. An admission paid by a student, or on the student's behalf, to any required place of sport or recreation if the student's participation in the sport or recreational activity is required as a part of a program or activity sponsored by, and under the jurisdiction of, the student's educational institution if his or her attendance is as a participant and not as a spectator.

5. Admissions to the National Football League championship game or Pro Bowl; admissions to any semifinal game or championship game of a national collegiate tournament; admissions to a Major League Baseball, Major League Soccer, National Basketball Association, or National Hockey League all-star game; admissions to the Major League Baseball Home Run Derby held before the Major League Baseball All-Star Game; admissions to a *Formula 1 Grand Prix, including qualifying and support races held at the circuit 72 hours before such Grand Prix*; or admissions to National Basketball Association all-star events produced by the National Basketball Association and held at a facility such as an arena, convention center, or municipal facility.

6. A participation fee or sponsorship fee imposed by a governmental entity as described in s. 212.08(6) for an athletic or recreational program if the governmental entity by itself, or in conjunction with an organization exempt under s. 501(c)(3) of the Internal Revenue Code of 1954, as amended, sponsors, administers, plans, supervises, directs, and controls the athletic or recreational program.

7. Admissions to live theater, live opera, or live ballet productions in this state which are sponsored by an organization that has received a determination from the Internal Revenue Service that the organization is exempt from federal income tax under s. 501(c)(3) of the Internal Revenue Code of 1954, as amended, if the organization actively participates in planning and conducting the event, is responsible for the safety and success of the event, is organized for the purpose of sponsoring live theater, live opera, or live ballet productions in this state, has more than 10,000 subscribing members and has among the stated purposes in its charter the promotion of arts education in the communities it serves, and will receive at least 20 percent of the net profits, if any, of the events the organization sponsors and will bear the risk of at least 20 percent of the losses, if any, from the events it sponsors if the organization employs other persons as agents to provide services in connection with a sponsored event. Before March 1 of each year, such

organization may apply to the department for a certificate of exemption for admissions to such events sponsored in this state by the organization during the immediately following state fiscal year. The application must state the total dollar amount of admissions receipts collected by the organization or its agents from such events in this state sponsored by the organization or its agents in the year immediately preceding the year in which the organization applies for the exemption. Such organization shall receive the exemption only to the extent of \$1.5 million multiplied by the ratio that such receipts bear to the total of such receipts of all organizations applying for the exemption in such year; however, such exemption granted to any organization may not exceed 6 percent of such admissions receipts collected by the organization or its agents in the year immediately preceding the year in which the organization applies for the exemption. Each organization receiving the exemption shall report each month to the department the total admissions receipts collected from such events sponsored by the organization during the preceding month and shall remit to the department an amount equal to 6 percent of such receipts reduced by any amount remaining under the exemption. Tickets for such events sold by such organizations may not reflect the tax otherwise imposed under this section.

8. Entry fees for participation in freshwater fishing tournaments.

9. Participation or entry fees charged to participants in a game, race, or other sport or recreational event if spectators are charged a taxable admission to such event.

10. Admissions to any postseason collegiate football game sanctioned by the National Collegiate Athletic Association.

11. Admissions to and membership fees for gun clubs. For purposes of this subparagraph, the term "gun club" means an organization whose primary purpose is to offer its members access to one or more shooting ranges for target or skeet shooting.

Section 28. Paragraph (a) of subsection (1) of section 212.05, Florida Statutes, is amended, and paragraph (n) is added to that subsection, to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(a)1.a. At the rate of 6 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall by rule adopt any nationally recognized publication for valuation of used motor vehicles as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed plus a penalty equal to twice the amount of the additional tax owed.

Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed pursuant to this subparagraph.

2. This paragraph does not apply to the sale of a boat or aircraft by or through a registered dealer under this chapter to a purchaser who, at the time of taking delivery, is a nonresident of this state, does not make his or her permanent place of abode in this state, and is not engaged in carrying on in this state any employment, trade, business, or profession in which the boat or aircraft will be used in this state, or is a corporation none of the officers or directors of which is a resident of, or makes his or her permanent place of abode in, this state, or is a noncorporate entity that has no individual vested with authority to participate in the management, direction, or control of the entity's affairs who is a resident of, or makes his or her permanent abode in, this state. For purposes of this exemption, either a registered dealer acting on his or her own behalf as seller, a registered dealer acting as broker on behalf of a seller, or a registered dealer acting as broker on behalf of the purchaser may be deemed to be the selling dealer. This exemption shall not be allowed unless:

a. The purchaser removes a qualifying boat, as described in subparagraph f., from the state within 90 days after the date of purchase or extension, or the purchaser removes a nonqualifying boat or an aircraft from this state within 10 days after the date of purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of the repairs or alterations; or if the aircraft will be registered in a foreign jurisdiction and:

(I) Application for the aircraft's registration is properly filed with a civil airworthiness authority of a foreign jurisdiction within 10 days after the date of purchase;

(II) The purchaser removes the aircraft from the state to a foreign jurisdiction within 10 days after the date the aircraft is registered by the applicable foreign airworthiness authority; and

(III) The aircraft is operated in the state solely to remove it from the state to a foreign jurisdiction.

For purposes of this sub-subparagraph, the term "foreign jurisdiction" means any jurisdiction outside of the United States or any of its territories;

b. The purchaser, within ~~90~~ ~~30~~ days from the date of departure, provides the department with written proof that the purchaser licensed, registered, titled, or documented the boat or aircraft outside the state. If such written proof is unavailable, within ~~90~~ ~~30~~ days the purchaser shall provide proof that the purchaser applied for such license, title, registration, or documentation. The purchaser shall forward to the department proof of title, license, registration, or documentation upon receipt;

c. The purchaser, within ~~30~~ ~~10~~ days ~~after~~ ~~of~~ removing the boat or aircraft from Florida, furnishes the department with proof of removal in the form of receipts for fuel, dockage, slippage, tie-down, or hanging from outside of Florida. The information so provided must clearly and specifically identify the boat or aircraft;

d. The selling dealer, within ~~30~~ ~~5~~ days ~~after~~ ~~of~~ the date of sale, provides to the department a copy of the sales invoice, closing statement, bills of sale, and the original affidavit signed by the purchaser attesting that he or she has read the provisions of this section;

e. The seller makes a copy of the affidavit a part of his or her record for as long as required by s. 213.35; and

f. Unless the nonresident purchaser of a boat of 5 net tons of admeasurement or larger intends to remove the boat from this state within 10 days after the date of purchase or when the boat is repaired or altered, within 20 days after completion of the repairs or alterations, the nonresident purchaser applies to the selling dealer for a decal which authorizes 90 days after the date of purchase for removal of the boat. The nonresident purchaser of a qualifying boat may apply to the selling dealer within 60 days after the date of purchase for an extension decal that authorizes the boat to remain in this state for an additional 90 days, but not more than a total of 180 days, before the nonresident purchaser is required to pay the tax imposed by this chapter. The department is authorized to issue decals in advance to dealers. The

number of decals issued in advance to a dealer shall be consistent with the volume of the dealer's past sales of boats which qualify under this sub-subparagraph. The selling dealer or his or her agent shall mark and affix the decals to qualifying boats in the manner prescribed by the department, before delivery of the boat.

(I) The department is hereby authorized to charge dealers a fee sufficient to recover the costs of decals issued, except the extension decal shall cost \$425.

(II) The proceeds from the sale of decals will be deposited into the administrative trust fund.

(III) Decals shall display information to identify the boat as a qualifying boat under this sub-subparagraph, including, but not limited to, the decal's date of expiration.

(IV) The department is authorized to require dealers who purchase decals to file reports with the department and may prescribe all necessary records by rule. All such records are subject to inspection by the department.

(V) Any dealer or his or her agent who issues a decal falsely, fails to affix a decal, mismarks the expiration date of a decal, or fails to properly account for decals will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VI) Any nonresident purchaser of a boat who removes a decal before permanently removing the boat from the state, or defaces, changes, modifies, or alters a decal in a manner affecting its expiration date before its expiration, or who causes or allows the same to be done by another, will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VII) The department is authorized to adopt rules necessary to administer and enforce this subparagraph and to publish the necessary forms and instructions.

(VIII) The department is hereby authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this subparagraph.

If the purchaser fails to remove the qualifying boat from this state within the maximum 180 days after purchase or a nonqualifying boat or an aircraft from this state within 10 days after purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of such repairs or alterations, or permits the boat or aircraft to return to this state within 6 months from the date of departure, except as provided in s. 212.08(7)(ff), or if the purchaser fails to furnish the department with any of the documentation required by this subparagraph within the prescribed time period, the purchaser shall be liable for use tax on the cost price of the boat or aircraft and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2). The maximum 180-day period following the sale of a qualifying boat tax-exempt to a nonresident may not be tolled for any reason.

(n) *At the rate of 5.5 percent of the sales price on the sale of a new mobile home. As used in this paragraph, the term "new mobile home" has the same meaning as in s. 319.001.*

1. Industrial machinery and equipment purchased by eligible manufacturing businesses which is used at a fixed location in this state for the manufacture, processing, compounding, or production of items of tangible personal property for sale is exempt from the tax imposed by this chapter. If, at the time of purchase, the purchaser furnishes the seller with a signed certificate certifying the purchaser's entitlement to exemption pursuant to this paragraph, the seller is not required to collect the tax on the sale of such items, and the department shall look solely to the purchaser for recovery of the tax if it determines that the purchaser was not entitled to the exemption.

2. For purposes of this paragraph, the term:

The total amount of penalty imposed on a reporting entity may not exceed \$10,000 annually.

(4) The executive director or his or her designee may waive the penalty if he or she determines that the failure to timely file an information return was due to reasonable cause and not due to willful negligence, willful neglect, or fraud.

Section 34. Section 212.181, Florida Statutes, is created to read:

*212.181 Determination of business address situs, distributions, and adjustments.—*

(1) For each certificate of registration issued pursuant to s. 212.18(3)(b), the department shall assign the place of business to a county based on the location address provided at the time of registration or at the time the dealer notifies the department of a change in a business location address.

(2)(a) Each county that furnishes to the department information needed to update the electronic database created and maintained pursuant to s. 202.22(2)(a), including addresses of new developments, changes in addresses, annexations, incorporations, reorganizations, and any other changes in jurisdictional boundaries within the county, must specify an effective date, which must be the next ensuing January 1 or July 1, and must be furnished to the department at least 120 days before the effective date. A county that provides notification to the department at least 120 days before the effective date that it has reviewed the database and has no changes for the ensuing January 1 or July 1 satisfies the requirement of this paragraph.

(b) A county that imposes a tourist development tax in a subcounty special district pursuant to s. 125.0104(3)(b) must identify the subcounty special district addresses to which the tourist development tax applies as part of the address information submission required under paragraph (a). This paragraph does not apply to counties that self-administer the tax pursuant to s. 125.0104(10).

(c) The department shall update the electronic database created and maintained under s. 202.22(2)(a) using the information furnished by local taxing jurisdictions under paragraph (a) and shall ensure each business location is correctly assigned to the applicable county pursuant to subsection (1). Each update must specify the effective date as the next

ensuing January 1 or July 1 and must be posted by the department on a website not less than 90 days before the effective date.

(3)(a) For distributions made pursuant to ss. 125.0104, 212.20(6)(a), (b), and (d)2., misallocations occurring solely due to the assignment of an address to an incorrect county will be corrected prospectively only from the date the department is made aware of the misallocation, subject to the following:

1. If the county that should have received the misallocated distributions followed the notification and timing provisions in subsection (2) for the affected periods, such misallocations may be adjusted by prorating current and future distributions for the period the misallocation occurred, not to exceed 36 months from the date the department is made aware of the misallocation.

2. If the county that received the misallocated distribution followed the notification and timing provisions in subsection (2) for the affected periods and the county that should have received the misallocation did not, the correction shall apply only prospectively from the date the department is made aware of the misallocation.

(b) Nothing in this subsection prevents affected counties from determining an alternative method of adjustment pursuant to an interlocal agreement. Affected counties with an interlocal agreement must provide a copy of the interlocal agreement specifying an alternative method of adjustment to the department within 90 days after the date of the department's notice of the misallocation.

(4) The department may adopt rules to administer this section, including rules establishing procedures and forms.

2. After the distribution under subparagraph 1., 8.9744 percent of the amount remitted by a sales tax dealer located within a participating county pursuant to s. 218.61 shall be transferred into the Local Government Half-cent Sales Tax Clearing Trust Fund. Beginning July 1, 2003, the amount to be transferred shall be reduced by 0.1 percent, and the department shall distribute this amount to the Public Employees Relations Commission Trust Fund less \$5,000 each month, which shall be added to the amount calculated in subparagraph 3. and distributed accordingly.

3. After the distribution under subparagraphs 1. and 2., 0.0966 percent shall be transferred to the Local Government Half-cent Sales Tax Clearing Trust Fund and distributed pursuant to s. 218.65.

6. Of the remaining proceeds:

a. In each fiscal year, the sum of \$29,915,500 shall be divided into as many equal parts as there are counties in the state, and one part shall be distributed to each county. The distribution among the several counties must begin each fiscal year on or before January 5th and continue monthly for a total of 4 months. If a local or special law required that any moneys accruing to a county in fiscal year 1999-2000 under the then-existing provisions of s. 550.135 be paid directly to the district school board, special district, or a municipal government, such payment must continue until the local or special law is amended or repealed. The state covenants with holders of bonds or other instruments of indebtedness issued by local governments, special districts, or district school boards before July 1, 2000, that it is not the intent of this subparagraph to adversely affect the rights of those holders or relieve local governments, special districts, or district school boards of the duty to meet their obligations as a result of previous pledges or assignments or trusts entered into which obligated funds received from the distribution to county governments under then-existing s. 550.135. This distribution specifically is in lieu of funds distributed under s. 550.135 before July 1, 2000.

A certified applicant identified in this sub-subparagraph may not receive more in distributions than expended by the applicant for the public purposes provided in s. 288.11631(3).

f. Beginning 45 days after notice by the Department of Economic Opportunity to the Department of Revenue that an applicant has been approved by the Legislature and certified by the Department of Economic Opportunity under s. 288.11625 or upon a date specified by the Department of Economic Opportunity as provided under s. 288.11625(6)(d), the department shall distribute each month an amount equal to one-twelfth of the annual distribution amount certified by the

Department of Economic Opportunity for the applicant. The department may not distribute more than \$7 million in the 2014-2015 fiscal year or more than \$13 million annually thereafter under this sub-sub-paragraph.

(5) TAX REFUND AGREEMENT.—

(b) Compliance with the terms and conditions of the agreement is a condition precedent for the receipt of a tax refund each year. The failure to comply with the terms and conditions of the tax refund agreement results in the loss of eligibility for receipt of all tax refunds previously authorized under this section and the revocation by the department of the certification of the business entity as a qualified target industry business, unless the business is eligible to receive and elects to accept a prorated refund under paragraph (6)(e) or the department grants the business an economic recovery extension.

any tax refund claim scheduled to be submitted after January 1, 2021 ~~2020~~, but before July 1, 2023 ~~2012~~.

5. A qualified target industry business that receives an economic recovery extension may not receive a tax refund for the period covered by the extension.

11. ~~Any~~ The amount taken as a credit for the taxable year under s. 220.1875 or s. 220.1876. The addition in this subparagraph is intended to ensure that the same amount is not allowed for the tax purposes of this state as both a deduction from income and a credit against the tax. This addition is not intended to result in adding the same expense back to income more than once.

12. The amount taken as a credit for the taxable year under s. 220.192.

13. The amount taken as a credit for the taxable year under s. 220.193.

The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special magistrates exist. The department shall establish a reasonable range for payments per case to special magistrates based on such payments in other counties. Requests for reimbursement of payments outside this range shall be justified by the county. If the total of all requests for reimbursement in any year exceeds the amount available pursuant to this section, payments to all counties shall be prorated accordingly. The value adjustment board shall ensure that the selection of special magistrates is based solely upon the experience and qualifications of the special magistrate and is not influenced by the property appraiser. The special magistrate shall accurately and completely preserve all testimony and, in making recommendations to the value adjustment board, shall include proposed findings of fact, conclusions of law, and reasons for upholding or overturning the determination of the property appraiser. The expense of hearings before magistrates and any compensation of special magistrates shall be borne three-fifths by the board of county commissioners and two-fifths by the school board. Section 7. Subsection (2) and paragraph (a) of subsection (3) of section 195.096, Florida Statutes, are amended to read:

195.096 Review of assessment rolls.—

(2) The department shall conduct, no less frequently than once every 2 years, an in-depth review of the *real property* assessment roll ~~rolls~~ of each county. The department need not individually study every use-class of property set forth in s. 195.073, but shall at a minimum study the level of assessment in relation to just value of each classification specified in subsection (3). Such in-depth review may include proceedings of the value adjustment board and the audit or review of procedures used by the counties to appraise property.

(a) The department shall, at least 30 days prior to the beginning of an in-depth review in any county, notify the property appraiser in the county of the pending review. At the request of the property appraiser, the department shall consult with the property appraiser regarding the classifications and strata to be studied, in order that the review will be useful to the property appraiser in evaluating his or her procedures.

(b) Every property appraiser whose upcoming roll is subject to an in-depth review shall, if requested by the department on or before January 1, deliver upon completion of the assessment roll a list of the parcel numbers of all parcels that did not appear on the assessment roll of the previous year, indicating the parcel number of the parent parcel from which each new parcel was created or "cut out."

(c) In conducting assessment ratio studies, the department must use all practicable steps, including stratified statistical and analytical reviews and sale-qualification studies, to maximize the representativeness or statistical reliability of samples of properties in tests of each classification, stratum, or roll made the subject of a ratio study published by it. The department shall document and retain records of the measures of representativeness of the properties studied in compliance with this section. Such documentation must include a record of findings used as the basis for the approval or disapproval of the tax roll in each county pursuant to s. 193.1142. In addition, to the greatest extent practicable, the department shall study assessment roll strata by subclassifications such as value groups and market areas for each classification or stratum to be studied, to maximize the representativeness of ratio study samples. For purposes of this section, the department shall rely primarily on an assessment-to-sales-ratio study in conducting assessment ratio studies in those classifications of property specified in subsection (3) for which there are adequate market sales. The department shall compute the median and the value-weighted mean for each classification or subclassification studied and for the roll as a whole.

(d) In the conduct of these reviews, the department shall adhere to all standards to which the property appraisers are required to adhere.

(e) The department and each property appraiser shall cooperate in the conduct of these reviews, and each shall make available to the other all matters and records bearing on the preparation and computation of

the reviews. The property appraisers shall provide any and all data requested by the department in the conduct of the studies, including electronic data processing tapes. Any and all data and samples developed or obtained by the department in the conduct of the studies shall be confidential and exempt from the provisions of s. 119.07(1) until a presentation of the findings of the study is made to the property appraiser. After the presentation of the findings, the department shall provide any and all data requested by a property appraiser developed or obtained in the conduct of the studies, including tapes. Direct reimbursable costs of providing the data shall be borne by the party who requested it. Copies of existing data or records, whether maintained or required pursuant to law or rule, or data or records otherwise maintained, shall be submitted within 30 days from the date requested, in the case of written or printed information, and within 14 days from the date requested, in the case of computerized information.

(f) Within 120 days after receipt of a county assessment roll by the executive director of the department pursuant to s. 193.1142(1), or within 10 days after approval of the assessment roll, whichever is later, the department shall complete the review for that county and publish the department's findings. The findings must include ~~a statement of the confidence interval for the median and such other measures as may be appropriate for each classification or subclassification studied and for the roll as a whole~~, and related statistical and analytical details. The measures in the findings must be based on:

1. A 95-percent level of confidence; or
2. Ratio study standards that are generally accepted by professional appraisal organizations in developing a statistically valid sampling plan if a 95-percent level of confidence is not attainable.

(g) Notwithstanding any other provision of this chapter, in one or more assessment years following a natural disaster in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if the department determines that the natural disaster creates difficulties in its statistical and analytical reviews of the assessment rolls in affected counties, the department shall take all practicable steps to maximize the representativeness and reliability of its statistical and analytical reviews and may use the best information available to estimate the levels of assessment. This paragraph first applies to the 2019 assessment roll and operates retroactively to January 1, 2019.

(3)(a) Upon completion of review pursuant to paragraph (2)(f), the department shall publish the results of reviews conducted under this section. The results must include all statistical and analytical measures computed under this section for the real property assessment roll ~~as a whole, the personal property assessment roll as a whole~~, and independently for the following real property classes if the classes constituted 5 percent or more of the total assessed value of real property in a county on the previous tax roll:

1. Residential property that consists of one primary living unit, including, but not limited to, single-family residences, condominiums, cooperatives, and mobile homes.
2. Residential property that consists of two *to nine* ~~or more~~ primary living units.
3. Agricultural, high-water recharge, historic property used for commercial or certain nonprofit purposes, and other use-valued property.
4. Vacant lots.
5. Nonagricultural acreage and other undeveloped parcels.
6. Improved commercial and industrial property, *including apartments with more than nine units*.
7. Taxable institutional or governmental, utility, locally assessed railroad, oil, gas and mineral land, subsurface rights, and other real property.

If one of the above classes constituted less than 5 percent of the total assessed value of all real property in a county on the previous assessment roll, the department may combine it with one or more other classes of real property for purposes of assessment ratio studies or use

the weighted average of the other classes for purposes of calculating the level of assessment for all real property in a county. The department shall also publish such results for any subclassifications of the classes or assessment rolls it may have chosen to study.

Section 11. Effective upon becoming a law and operating retroactively to January 1, 2020, subsection (1) of section 196.1978, Florida Statutes, is amended to read:

Section 12. Effective January 1, 2021, subsection (1) of section 196.1978, Florida Statutes, as amended by this act, is amended to read:

**196.1978 Affordable housing property exemption.—**

Units that are vacant and units that are occupied by natural persons or families whose income no longer meets the income limits of this subsection, but whose income met those income limits at the time they became tenants, shall be treated as portions of the affordable housing property exempt under this subsection if a recorded land use restriction agreement in favor of the Florida Housing Finance Corporation or any other governmental or quasi-governmental jurisdiction requires that all residential units within the property be used in a manner that qualifies for the exemption under this subsection and if the units are being offered for rent.*

Section 13. Effective upon this act becoming a law, paragraphs (b), (d), (e), and (f) of subsection (2) of section 200.065, Florida Statutes, are amended to read:

**200.065 Method of fixing millage.—**

(2) No millage shall be levied until a resolution or ordinance has been approved by the governing board of the taxing authority which resolution or ordinance must be approved by the taxing authority according to the following procedure:

(b) Within 35 days of certification of value pursuant to subsection (1), each taxing authority shall advise the property appraiser of its proposed millage rate, of its rolled-back rate computed pursuant to subsection (1), and of the date, time, and place at which a public hearing will be held to consider the proposed millage rate and the tentative budget. The property appraiser shall utilize this information in preparing the notice of proposed property taxes pursuant to s. 200.069. The deadline for mailing the notice shall be the later of 55 days after certification of value pursuant to subsection (1) or 10 days after either the date the tax roll is approved or the interim roll procedures under s. 193.1145 are instituted. *However, for counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if mailing is not possible during the state of emergency, the property appraiser may post the notice on the county's website. If the deadline for mailing the notice of proposed property taxes is 10 days after the date the tax roll is approved or the interim roll procedures are instituted, all subsequent deadlines provided in this section shall be extended. In addition, the deadline for mailing the notice may be extended for 30 days in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, and property appraisers may use alternate methods of distribution only when mailing the notice is not possible. In such event, however, property appraisers must work with county tax collectors to ensure the timely assessment and collection of taxes. The number of days by which the deadlines shall be extended shall equal the number of days by which the deadline for mailing the notice of proposed taxes is extended beyond 55 days after certification. If any taxing authority fails to provide the information required in this paragraph to the property appraiser in a timely fashion, the taxing authority shall be prohibited from levying a millage rate greater than the rolled-back rate computed pursuant to subsection (1) for the upcoming fiscal year, which rate shall be computed by the property appraiser and used in preparing the notice of proposed property taxes. Each multicounty taxing authority that levies taxes in any county that has extended the deadline for mailing the notice due to a declared state of emergency and that has noticed hearings in other counties must advertise the hearing at which it intends to adopt a tentative budget and millage rate in a newspaper of general paid circulation within each county not less than 2 days or more than 5 days before the hearing.*

(d) Within 15 days after the meeting adopting the tentative budget, the taxing authority shall advertise in a newspaper of general circulation in the county as provided in subsection (3), its intent to finally adopt a millage rate and budget. A public hearing to finalize the budget and adopt a millage rate shall be held not less than 2 days nor more than 5 days after the day that the advertisement is first published. *In the event of a need to postpone or recess the final meeting due to a declared state of emergency, the taxing authority may postpone or recess the hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The taxing authority shall make every reasonable effort to provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the taxing authority's website. During the hearing, the governing body of the taxing authority shall amend the adopted tentative budget as it sees fit, adopt a final budget,*

and adopt a resolution or ordinance stating the millage rate to be levied. The resolution or ordinance shall state the percent, if any, by which the millage rate to be levied exceeds the rolled-back rate computed pursuant to subsection (1), which shall be characterized as the percentage increase in property taxes adopted by the governing body. The adoption of the budget and the millage-levy resolution or ordinance shall be by separate votes. For each taxing authority levying millage, the name of the taxing authority, the rolled-back rate, the percentage increase, and the millage rate to be levied shall be publicly announced ~~before~~ *prior to* the adoption of the millage-levy resolution or ordinance. In no event may the millage rate adopted pursuant to this paragraph exceed the millage rate tentatively adopted pursuant to paragraph (c). If the rate tentatively adopted pursuant to paragraph (c) exceeds the proposed rate provided to the property appraiser pursuant to paragraph (b), or as subsequently adjusted pursuant to subsection (11), each taxpayer within the jurisdiction of the taxing authority shall be sent notice by first-class mail of his or her taxes under the tentatively adopted millage rate and his or her taxes under the previously proposed rate. The notice must be prepared by the property appraiser, at the expense of the taxing authority, and must generally conform to the requirements of s. 200.069. If such additional notice is necessary, its mailing must precede the hearing held pursuant to this paragraph by not less than 10 days and not more than 15 days.

(e)1. In the hearings required pursuant to paragraphs (c) and (d), the first substantive issue discussed shall be the percentage increase in millage over the rolled-back rate necessary to fund the budget, if any, and the specific purposes for which ad valorem tax revenues are being increased. During such discussion, the governing body shall hear comments regarding the proposed increase and explain the reasons for the proposed increase over the rolled-back rate. The general public shall be allowed to speak and to ask questions ~~before~~ *prior to* adoption of any measures by the governing body. The governing body shall adopt its tentative or final millage rate ~~before~~ *prior to* adopting its tentative or final budget.

2. These hearings shall be held after 5 p.m. if scheduled on a day other than Saturday. No hearing shall be held on a Sunday. The county commission shall not schedule its hearings on days scheduled for hearings by the school board. The hearing dates scheduled by the county commission and school board shall not be utilized by any other taxing authority within the county for its public hearings. *However, in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252 and the re-scheduling of hearings on the same day is unavoidable, the county commission and school board must conduct their hearings at different times, and other taxing authorities must schedule their hearings so as not to conflict with the times of the county commission and school board hearings.* A multicounty taxing authority shall make every reasonable effort to avoid scheduling hearings on days utilized by the counties or school districts within its jurisdiction. Tax levies and budgets for dependent special taxing districts shall be adopted at the hearings for the taxing authority to which such districts are dependent, following such discussion and adoption of levies and budgets for the superior taxing authority. A taxing authority may adopt the tax levies for all of its dependent special taxing districts, and may adopt the budgets for all of its dependent special taxing districts, by a single unanimous vote. However, if a member of the general public requests that the tax levy or budget of a dependent special taxing district be separately discussed and separately adopted, the taxing authority shall discuss and adopt that tax levy or budget separately. If, due to circumstances beyond the control of the taxing authority, *including a state of emergency declared by executive order or proclamation of the Governor pursuant to chapter 252, the hearing provided for in paragraph (c) or paragraph (d) is recessed or postponed, the taxing authority shall publish a notice in a newspaper of general paid circulation in the county. The notice shall state the time and place for the continuation of the hearing and shall be published at least 2 days but not more than 5 days before* ~~prior to~~ the date the hearing will be continued. *In the event of postponement or recess due to a declared state of emergency, all subsequent dates in this section shall be extended by the number of days of the postponement or recess. Notice of the postponement or recess must be in writing by the affected taxing authority to the tax collector, the property appraiser, and the Department of Revenue within 3 calendar days after the postponement or recess. In the event of such extension, the affected taxing authority must work with the county tax collector and property appraiser to ensure timely assessment and collection of taxes.*

(f)1. Notwithstanding any provisions of paragraph (c) to the contrary, each school district shall advertise its intent to adopt a tentative budget in a newspaper of general circulation pursuant to subsection (3) within 29 days of certification of value pursuant to subsection (1). Not less than 2 days or more than 5 days thereafter, the district shall hold a public hearing on the tentative budget pursuant to the applicable provisions of paragraph (c). *In the event of postponement or recess due to a declared state of emergency, the school district may postpone or recess the hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The school district shall make every reasonable effort to provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the school district's website.*

2. Notwithstanding any provisions of paragraph (b) to the contrary, each school district shall advise the property appraiser of its recomputed proposed millage rate within 35 days of certification of value pursuant to subsection (1). The recomputed proposed millage rate of the school district shall be considered its proposed millage rate for the purposes of paragraph (b).

3. Notwithstanding any provisions of paragraph (d) to the contrary, each school district shall hold a public hearing to finalize the budget and adopt a millage rate within 80 days of certification of value pursuant to subsection (1), but not earlier than 65 days after certification. The hearing shall be held in accordance with the applicable provisions of paragraph (d), except that a newspaper advertisement need not precede the hearing.

Section 14. Section 200.069, Florida Statutes, is amended to read:

200.069 Notice of proposed property taxes and non-ad valorem assessments.—Pursuant to s. 200.065(2)(b), the property appraiser, in the name of the taxing authorities and local governing boards levying non-ad valorem assessments within his or her jurisdiction and at the expense of the county, shall prepare and deliver by first-class mail to each taxpayer to be listed on the current year's assessment roll a notice of proposed property taxes, which notice shall contain the elements and use the format provided in the following form. Notwithstanding the provisions of s. 195.022, no county officer shall use a form other than that provided herein. The Department of Revenue may adjust the spacing and placement on the form of the elements listed in this section as it considers necessary based on changes in conditions necessitated by various taxing authorities. If the elements are in the order listed, the placement of the listed columns may be varied at the discretion and expense of the property appraiser, and the property appraiser may use printing technology and devices to complete the form, the spacing, and the placement of the information in the columns. *In addition, the property appraiser may not include in the mailing of the notice of ad valorem taxes and non-ad valorem assessments additional information or items unless such information or items explain a component of the notice or provide information directly related to the assessment and taxation of the property.* A county officer may use a form other than that provided by the department for purposes of this part, but only if his or her office pays the related expenses and he or she obtains prior written permission from the executive director of the department; however, a county officer may not use a form the substantive content of which is at variance with the form prescribed by the department. The county officer may continue to use such an approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director.

(8) The reverse side of the first page of the form shall read:

#### EXPLANATION

##### \*COLUMN 1—"YOUR PROPERTY TAXES LAST YEAR"

This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's previous taxable value.

##### \*COLUMN 2—"YOUR TAXES IF NO BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year's budgets and your current assessment.

##### \*COLUMN 3—"YOUR TAXES IF PROPOSED BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown on the front side of this notice. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments.

\*Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive. (Discounts are a maximum of 4 percent of the amounts shown on this form.)

(9) The bottom portion of the notice shall further read in bold, conspicuous print:

"Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be levied by your county, city, or any special district."

(10)(a) If requested by the local governing board levying non-ad valorem assessments and agreed to by the property appraiser, the notice specified in this section may contain a notice of proposed or adopted non-ad valorem assessments. If so agreed, the notice shall be titled:

#### NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS DO NOT PAY—THIS IS NOT A BILL

There must be a clear partition between the notice of proposed property taxes and the notice of proposed or adopted non-ad valorem assessments. The partition must be a bold, horizontal line approximately 1/8-inch thick. By rule, the department shall provide a format for the form of the notice of proposed or adopted non-ad valorem assessments which meets the following minimum requirements:

1. There must be subheading for columns listing the levying local governing board, with corresponding assessment rates expressed in dollars and cents per unit of assessment, and the associated assessment amount.

2. The purpose of each assessment must also be listed in the column listing the levying local governing board if the purpose is not clearly indicated by the name of the board.

3. Each non-ad valorem assessment for each levying local governing board must be listed separately.

4. If a county has too many municipal service benefit units or assessments to be listed separately, it shall combine them by function.

5. A brief statement outlining the responsibility of the tax collector and each levying local governing board as to any non-ad valorem assessment must be provided on the form, accompanied by directions as to which office to contact for particular questions or problems.

(b) If the notice includes all adopted non-ad valorem assessments, the provisions contained in subsection (9) shall not be placed on the notice.

(6) Any person who fails to provide or post the required notice with respect to any dyed diesel fuel is subject to a *penalty of \$2,500 for each month such failure occurs* ~~the penalty imposed by s. 206.872(11)~~.

Section 20. Subsection (1) section 206.90, Florida Statutes, is amended to read:

206.90 Bond required of terminal suppliers, importers, and wholesalers.—

(1) Every terminal supplier, importer, or wholesaler, except a municipality, county, state agency, federal agency, school board, or special district, shall file with the department a bond or bonds in the penal sum of not more than ~~\$300,000~~ ~~\$100,000~~. The sum of such bond shall be approximately 3 times the average monthly diesel fuels tax and local option tax on diesel fuels paid or due during the preceding 12 calendar months, with a surety approved by the department. The licensee shall be the principal obligor and the state shall be the obligee, conditioned upon the faithful compliance with the provisions of this chapter, including the local option tax laws. If the sum of 3 times a licensee's average monthly tax is less than \$50, no bond shall be required.

Section 21. Paragraph (a) of subsection (1) of section 212.05, Florida Statutes, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(a)1.a. At the rate of 6 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall by rule adopt any nationally recognized

publication for valuation of used motor vehicles as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed pursuant to this subparagraph.

2. This paragraph does not apply to the sale of a boat or aircraft by or through a registered dealer under this chapter to a purchaser who, at the time of taking delivery, is a nonresident of this state, does not make his or her permanent place of abode in this state, and is not engaged in carrying on in this state any employment, trade, business, or profession in which the boat or aircraft will be used in this state, or is a corporation none of the officers or directors of which is a resident of, or makes his or her permanent place of abode in, this state, or is a noncorporate entity that has no individual vested with authority to participate in the management, direction, or control of the entity's affairs who is a resident of, or makes his or her permanent abode in, this state. For purposes of this exemption, either a registered dealer acting on his or her own behalf as seller, a registered dealer acting as broker on behalf of a seller, or a registered dealer acting as broker on behalf of the purchaser may be deemed to be the selling dealer. This exemption shall not be allowed unless:

a. The purchaser removes a qualifying boat, as described in subparagraph f., from the state within 90 days after the date of purchase or extension, or the purchaser removes a nonqualifying boat or an aircraft from this state within 10 days after the date of purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of the repairs or alterations; or if the aircraft will be registered in a foreign jurisdiction and:

(I) Application for the aircraft's registration is properly filed with a civil airworthiness authority of a foreign jurisdiction within 10 days after the date of purchase;

(II) The purchaser removes the aircraft from the state to a foreign jurisdiction within 10 days after the date the aircraft is registered by the applicable foreign airworthiness authority; and

(III) The aircraft is operated in the state solely to remove it from the state to a foreign jurisdiction.

For purposes of this sub-subparagraph, the term "foreign jurisdiction" means any jurisdiction outside of the United States or any of its territories;

b. The purchaser, within ~~90~~ ~~30~~ days from the date of departure, provides the department with written proof that the purchaser licensed, registered, titled, or documented the boat or aircraft outside the state. If such written proof is unavailable, within ~~90~~ ~~30~~ days the purchaser shall provide proof that the purchaser applied for such license, title, registration, or documentation. The purchaser shall forward to the department proof of title, license, registration, or documentation upon receipt;

c. The purchaser, within ~~30~~ ~~10~~ days ~~after~~ ~~of~~ removing the boat or aircraft from Florida, furnishes the department with proof of removal in the form of receipts for fuel, dockage, slippage, tie-down, or hanging from outside of Florida. The information so provided must clearly and specifically identify the boat or aircraft;

d. The selling dealer, within ~~30~~ ~~5~~ days ~~after~~ ~~of~~ the date of sale, provides to the department a copy of the sales invoice, closing statement, bills of sale, and the original affidavit signed by the purchaser attesting that he or she has read the provisions of this section;

e. The seller makes a copy of the affidavit a part of his or her record for as long as required by s. 213.35; and

f. Unless the nonresident purchaser of a boat of 5 net tons of admeasurement or larger intends to remove the boat from this state within 10 days after the date of purchase or when the boat is repaired or altered, within 20 days after completion of the repairs or alterations, the nonresident purchaser applies to the selling dealer for a decal which authorizes 90 days after the date of purchase for removal of the boat. The nonresident purchaser of a qualifying boat may apply to the selling dealer within 60 days after the date of purchase for an extension decal that authorizes the boat to remain in this state for an additional 90 days, but not more than a total of 180 days, before the nonresident purchaser is required to pay the tax imposed by this chapter. The department is authorized to issue decals in advance to dealers. The number of decals issued in advance to a dealer shall be consistent with the volume of the dealer's past sales of boats which qualify under this sub-subparagraph. The selling dealer or his or her agent shall mark and affix the decals to qualifying boats in the manner prescribed by the department, before delivery of the boat.

(I) The department is hereby authorized to charge dealers a fee sufficient to recover the costs of decals issued, except the extension decal shall cost \$425.

(II) The proceeds from the sale of decals will be deposited into the administrative trust fund.

(III) Decals shall display information to identify the boat as a qualifying boat under this sub-subparagraph, including, but not limited to, the decal's date of expiration.

(IV) The department is authorized to require dealers who purchase decals to file reports with the department and may prescribe all necessary records by rule. All such records are subject to inspection by the department.

(V) Any dealer or his or her agent who issues a decal falsely, fails to affix a decal, mismarks the expiration date of a decal, or fails to properly account for decals will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VI) Any nonresident purchaser of a boat who removes a decal before permanently removing the boat from the state, or defaces, changes, modifies, or alters a decal in a manner affecting its expiration date before its expiration, or who causes or allows the same to be done by another, will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VII) The department is authorized to adopt rules necessary to administer and enforce this subparagraph and to publish the necessary forms and instructions.

(VIII) The department is hereby authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this subparagraph.

If the purchaser fails to remove the qualifying boat from this state within the maximum 180 days after purchase or a nonqualifying boat or an aircraft from this state within 10 days after purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of such repairs or alterations, or permits the boat or aircraft to return to this state within 6 months from the date of departure, except as provided in s. 212.08(7)(ff), or if the purchaser fails to furnish the department with any of the documentation required by this subparagraph within the prescribed time period, the purchaser shall be liable for use tax on the cost price of the boat or aircraft and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2). The maximum 180-day period following the sale of a qualifying boat tax-exempt to a nonresident may not be tolled for any reason.

Section 22. Subsection (6) of section 212.055, Florida Statutes, is amended, and paragraph (f) is added to subsection (1) of that section, to read:

212.055 Discretionary sales surtaxes; legislative intent; authorization and use of proceeds.—It is the legislative intent that any authorization for imposition of a discretionary sales surtax shall be published in the Florida Statutes as a subsection of this section, irrespective of the duration of the levy. Each enactment shall specify the types of counties authorized to levy; the rate or rates which may be imposed; the maximum length of time the surtax may be imposed, if any; the procedure which must be followed to secure voter approval, if required; the purpose for which the proceeds may be expended; and such other requirements as the Legislature may provide. Taxable transactions and administrative procedures shall be as provided in s. 212.054.

(b) The resolution ~~must~~ *shall* include a statement that provides a brief and general description of the school capital outlay projects to be funded by the surtax. *The resolution must include a statement that the revenues collected must be shared with eligible charter schools based on their proportionate share of the total school district enrollment.* The statement ~~must~~ *shall* conform to the requirements of s. 101.161 and shall be placed on the ballot by the governing body of the county. The following question shall be placed on the ballot:

(c) The resolution providing for the imposition of the surtax ~~must~~ *shall* set forth a plan for use of the surtax proceeds for fixed capital expenditures or fixed capital costs associated with the construction, reconstruction, or improvement of school facilities and campuses which have a useful life expectancy of 5 or more years, and any land acquisition, land improvement, design, and engineering costs related thereto. Additionally, the plan shall include the costs of retrofitting and providing for technology implementation, including hardware and software, for the various sites within the school district. Surtax revenues may be used to ~~service for the purpose of servicing~~ bond indebtedness to finance projects authorized by this subsection, and any interest accrued thereto may be held in trust to finance such projects. Neither the proceeds of the surtax nor any interest accrued thereto shall be used for operational expenses. *Surtax revenues shared with charter schools shall be expended by the charter school in a manner consistent with the allowable uses set forth in s. 1013.62(4). All revenues and expenditures shall be accounted for in a charter school's monthly or quarterly financial statement pursuant to s. 1002.33(9). The eligibility of a charter school to receive funds under this subsection shall be determined in accordance with s. 1013.62(1). If a school's charter is not renewed or is terminated and the school is dissolved under the provisions of law under which the school was organized, any unencumbered funds received under this subsection shall revert to the sponsor.*

(d) Surtax revenues collected by the Department of Revenue pursuant to this subsection shall be distributed to the school board imposing the surtax in accordance with law.

Section 23. *The amendment made by this act to s. 212.055(6), Florida Statutes, which amends the allowable uses of the school capital outlay surtax, applies to levies authorized by vote of the electors on or after July 1, 2020.*

Section 24. Effective January 1, 2021, section 212.134, Florida Statutes, is created to read:

212.134 *Information returns relating to payment-card and third-party network transactions.—*

(1) *For each year in which a payment settlement entity, an electronic payment facilitator, or other third party contracted with the payment settlement entity to make payments to settle reportable payment transactions on behalf of the payment settlement entity must file a return pursuant to s. 6050W of the Internal Revenue Code, the entity, the facilitator, or the third party must submit the information in the return to the department by the 30th day after filing the federal return. The format of the information returns required must be either a copy of such information returns or a copy of such information returns related to participating payees with an address in the state. For purposes of this subsection, the term "payment settlement entity" has the same meaning as provided in s. 6050W of the Internal Revenue Code.*

(2) *All reports submitted to the department under this section must be in an electronic format.*

(3) *Any payment settlement entity, facilitator, or third party failing to file the information return required, filing an incomplete information return, or not filing an information return within the time prescribed is subject to a penalty of \$1,000 for each failure, if the failure is for not more than 30 days, with an additional \$1,000 for each month or fraction of a month during which each failure continues. The total amount of penalty imposed on a reporting entity may not exceed \$10,000 annually.*

(4) *The executive director or his or her designee may waive the penalty if he or she determines that the failure to timely file an information return was due to reasonable cause and not due to willful negligence, willful neglect, or fraud.*

Section 25. Section 212.181, Florida Statutes, is created to read:

212.181 *Determination of business address situs, distributions, and adjustments.—*

(1) *For each certificate of registration issued pursuant to s. 212.18(3)(b), the department shall assign the place of business to a county based on the location address provided at the time of registration or at the time the dealer notifies the department of a change in a business location address.*

(2)(a) *Each county that furnishes to the department information needed to update the electronic database created and maintained pursuant to s. 202.22(2)(a), including addresses of new developments, changes in addresses, annexations, incorporations, reorganizations, and any other changes in jurisdictional boundaries within the county, must specify an effective date, which must be the next ensuing January 1 or July 1, and must be furnished to the department at least 120 days before the effective date. A county that provides notification to the department at least 120 days before the effective date that it has reviewed the database and has no changes for the ensuing January 1 or July 1 satisfies the requirement of this paragraph.*

(b) *A county that imposes a tourist development tax in a subcounty special district pursuant to s. 125.0104(3)(b) must identify the subcounty special district addresses to which the tourist development tax applies as part of the address information submission required under paragraph (a). This paragraph does not apply to counties that self-administer the tax pursuant to s. 125.0104(10).*

(c) *The department shall update the electronic database created and maintained under s. 202.22(2)(a) using the information furnished by local taxing jurisdictions under paragraph (a) and shall ensure each business location is correctly assigned to the applicable county pursuant to subsection (1). Each update must specify the effective date as the next ensuing January 1 or July 1 and must be posted by the department on a website not less than 90 days before the effective date.*

(3)(a) *For distributions made pursuant to ss. 125.0104, 212.20(6)(a), (b), and (d)2., misallocations occurring solely due to the assignment of an address to an incorrect county will be corrected prospectively only from the date the department is made aware of the misallocation, subject to the following:*

1. *If the county that should have received the misallocated distributions followed the notification and timing provisions in subsection (2) for the affected periods, such misallocations may be adjusted by*

prorating current and future distributions for the period the misallocation occurred, not to exceed 36 months from the date the department is made aware of the misallocation.

2. If the county that received the misallocated distribution followed the notification and timing provisions in subsection (2) for the affected periods and the county that should have received the misallocation did not, the correction shall apply only prospectively from the date the department is made aware of the misallocation.

(b) Nothing in this subsection prevents affected counties from determining an alternative method of adjustment pursuant to an interlocal agreement. Affected counties with an interlocal agreement must provide a copy of the interlocal agreement specifying an alternative method of adjustment to the department within 90 days after the date of the department's notice of the misallocation.

(4) The department may adopt rules to administer this section, including rules establishing procedures and forms.

Section 26. Section 215.179, Florida Statutes, is created to read:

**215.179 Solicitation of payment.**—An owner of a public building or the owner's employee may not seek, accept, or solicit any payment or other form of consideration for providing the written allocation letter described in s. 179D(d)(4) of the Internal Revenue Code and Internal Revenue Service (IRS) Notice 2008-40. An allocation letter must be signed and returned to the architect, engineer, or contractor within 15 days after written request. The architect, engineer, or contractor shall file the allocation request with the Department of Financial Services. This section is effective until the Internal Revenue Service supersedes s. 3 of IRS Notice 2008-40 and materially modifies the allocation process therein.

Section 27. Section 213.0537, Florida Statutes, is created to read:

**213.0537 Electronic notification with affirmative consent.**—

(1) Notwithstanding any other provision of law, the Department of Revenue may send notices electronically, by postal mail, or both. Electronic transmission may be used only with the affirmative consent of the taxpayer or its representative. Documents sent pursuant to this section comply with the same timing and form requirements as documents sent by postal mail. If a document sent electronically is returned as undeliverable, the department must resend the document by postal mail. However, the original electronic transmission used with the affirmative consent of the taxpayer or its representative is the official mailing for purposes of this chapter.

(2) A notice sent electronically will be considered to have been received by the recipient if the transmission is addressed to the address provided by the taxpayer or its representative. A notice sent electronically will be considered received even if no individual is aware of its receipt. In addition, a notice sent electronically shall be considered received if the department does not receive notification that the document was undeliverable.

(3) For the purposes of this section, the term:

(a) "Affirmative consent" means that the taxpayer or its representative expressly consented to receive notices electronically either in response to a clear and conspicuous request for the taxpayer's or its representative's consent, or at the taxpayer's or its representative's own initiative.

(b) "Notice" means all communications from the department to the taxpayer or its representative, including, but not limited to, billings, notices issued during the course of an audit, proposed assessments, and final assessments authorized by this chapter and any other actions constituting final agency action within the meaning of chapter 120.

Section 28. Paragraph (b) of subsection (1) of section 213.21, Florida Statutes, is amended to read:

(1)

(b) The statute of limitations upon the issuance of final assessments and the period for filing a claim for refund as required by s. 215.26(2) for

any transactions occurring during the audit period shall be tolled during the period in which the taxpayer is engaged in a procedure under this section.

Section 29. Effective upon this act becoming a law, paragraph (a) of subsection (4) of section 220.1105, Florida Statutes, is amended to read:

**220.1105 Tax imposed; automatic refunds and downward adjustments to tax rates.**—

(4) For fiscal years 2018-2019 through 2020-2021, any amount by which net collections for a fiscal year exceed adjusted forecasted collections for that fiscal year shall only be used to provide refunds to corporate income tax payers as follows:

(a) For purposes of this subsection, the term:

1. "Eligible taxpayer" means:

a. For fiscal year 2018-2019, a taxpayer whose taxable year begins between April 1, 2017, and March 31, 2018, and whose final tax liability for such taxable year is greater than zero;

b. For fiscal year 2019-2020, a taxpayer whose taxable year begins between April 1, 2018, and March 31, 2019, and whose final tax liability for such taxable year is greater than zero; or

c. For fiscal year 2020-2021 a taxpayer whose taxable year begins between April 1, 2019, and March 31, 2020, and whose final tax liability for such taxable year is greater than zero.

2. "Excess collections" for a fiscal year means the amount by which net collections for a fiscal year exceeds adjusted forecasted collections for that fiscal year.

3. "Final tax liability" means the taxpayer's amount of tax due under this chapter for a taxable year, reported on a return filed with the department, plus the amount of any credit taken on such return under s. 220.1875.

4. "Total eligible tax liability" for a fiscal year means the sum of final tax liabilities of all eligible taxpayers for a fiscal year as such liabilities are shown on the latest return filed with the department as of February 1 immediately following that fiscal year.

5. "Taxpayer refund share" for a fiscal year means an eligible taxpayer's final tax liability as a percentage of the total eligible tax liability for that fiscal year.

6. "Taxpayer refund" for a fiscal year means the taxpayer refund share for a fiscal year multiplied by the excess collections for a fiscal year.

Section 30. The amendment made by this act to s. 220.1105(4)(a)3., Florida Statutes, is remedial in nature and applies retroactively.

Section 31. Paragraph (b) of subsection (5) and subsections (8) and (9) of section 288.106, Florida Statutes, are amended to read:

**288.106 Tax refund program for qualified target industry businesses.**—

(5) TAX REFUND AGREEMENT.—

(b) Compliance with the terms and conditions of the agreement is a condition precedent for the receipt of a tax refund each year. The failure to comply with the terms and conditions of the tax refund agreement results in the loss of eligibility for receipt of all tax refunds previously authorized under this section and the revocation by the department of the certification of the business entity as a qualified target industry business, unless the business is eligible to receive and elects to accept a prorated refund under paragraph (6)(e) or the department grants the business an economic recovery extension.

1. A qualified target industry business may submit a request to the department for an economic recovery extension. The request must provide quantitative evidence demonstrating how negative economic conditions in the business's industry, the effects of a named hurricane or tropical storm, or specific acts of terrorism affecting the qualified

target industry business have prevented the business from complying with the terms and conditions of its tax refund agreement.

2. Upon receipt of a request under subparagraph 1., the department has 45 days to notify the requesting business, in writing, whether its extension has been granted or denied. In determining whether an extension should be granted, the department shall consider the extent to which negative economic conditions in the requesting business's industry have occurred in the state or the effects of a named hurricane or tropical storm or specific acts of terrorism affecting the qualified target industry business have prevented the business from complying with the terms and conditions of its tax refund agreement. The department shall consider current employment statistics for this state by industry, including whether the business's industry had substantial job loss during the prior year, when determining whether an extension shall be granted.

3. As a condition for receiving a prorated refund under paragraph (6)(e) or an economic recovery extension under this paragraph, a qualified target industry business must agree to renegotiate its tax refund agreement with the department to, at a minimum, ensure that the terms of the agreement comply with current law and the department's procedures governing application for and award of tax refunds. Upon approving the award of a prorated refund or granting an economic recovery extension, the department shall renegotiate the tax refund agreement with the business as required by this subparagraph. When amending the agreement of a business receiving an economic recovery extension, the department may extend the duration of the agreement for a period not to exceed 2 years.

4. A qualified target industry business located in a county affected by Hurricane Michael, as defined in subsection (8), may submit a request for an economic recovery extension to the department in lieu of any tax refund claim scheduled to be submitted after January 1, 2021 2009, but before July 1, 2023 2012.

5. A qualified target industry business that receives an economic recovery extension may not receive a tax refund for the period covered by the extension.

(8) SPECIAL INCENTIVES.—If the department determines it is in the best interest of the public for reasons of facilitating economic development, growth, or new employment opportunities within a ~~Disproportionally Affected~~ county affected by Hurricane Michael, the department may, between July 1, 2020 2011, and June 30, 2023 2014, may waive any or all wage or local financial support eligibility requirements. If the department elects to waive wage or financial support eligibility requirements, the waiver must be stated in writing, and allow A qualified target industry business that relocates from another state to, or establishes which relocates all or a portion of its business or expands its existing business in, a ~~to a Disproportionally Affected~~ county affected by Hurricane Michael is eligible to receive a tax refund payment of up to \$10,000 \$6,000 multiplied by the number of jobs specified in the tax refund agreement under subparagraph (5)(a)1. over the term of the agreement. Prior to granting such waiver, the executive director of the department shall file with the Governor a written statement of the conditions and circumstances constituting the reason for the waiver. Such business shall be eligible for the additional tax refund payments specified in subparagraph (3)(b)4. if it meets the criteria. As used in this section, the term “Disproportionally Affected county affected by Hurricane Michael” means Bay County, Calhoun County, Escambia County, Franklin County, Gadsden County, Gulf County, Holmes County, Jackson County, Jefferson County, Leon County, Liberty County, Okaloosa County, Santa Rosa County, Walton County, or Wakulla County, Walton County, or Washington County.

(9) EXPIRATION.—An applicant may not be certified as qualified under this section after June 30, 2020. A tax refund agreement existing on that date shall continue in effect in accordance with its terms.

Section 32. Subsections (1), (2), and (5) of section 443.163, Florida Statutes, are amended to read:

443.163 Electronic reporting and remitting of contributions and reimbursements.—

(1) An employer may file any report and remit any contributions or reimbursements required under this chapter by electronic means. The

Department of Economic Opportunity or the state agency providing reemployment assistance tax collection services shall adopt rules prescribing the format and instructions necessary for electronically filing reports and remitting contributions and reimbursements to ensure a full collection of contributions and reimbursements due. The acceptable method of transfer, the method, form, and content of the electronic means, and the method, if any, by which the employer will be provided with an acknowledgment shall be prescribed by the department or its tax collection service provider. However, any employer who employed 10 or more employees in any quarter during the preceding state fiscal year must file the Employers Quarterly Reports, including any corrections, for the current calendar year and remit the contributions and reimbursements due by electronic means approved by the tax collection service provider. A person who prepared and reported for 100 or more employers in any quarter during the preceding state fiscal year must file the Employers Quarterly Reports for each calendar quarter in the current calendar year, beginning with reports due for the second calendar quarter of 2003, by electronic means approved by the tax collection service provider.

(2)(a) An employer who is required by law to file an Employers Quarterly Report, including any corrections, by approved electronic means, but who files the report either directly or through an agent by a means other than approved electronic means, is liable for a penalty of \$25 \$50 for that report and \$1 for each employee, not to exceed \$300. This penalty is in addition to any other penalty provided by this chapter. However, the penalty does not apply if the tax collection service provider waives the electronic filing requirement in advance. An employer who fails to remit contributions or reimbursements either directly or through an agent by approved electronic means as required by law is liable for a penalty of \$25 \$50 for each remittance submitted by a means other than approved electronic means. This penalty is in addition to any other penalty provided by this chapter.

(b) A person who prepared and reported for 100 or more employers in any quarter during the preceding state fiscal year, but who fails to file an Employers Quarterly Report for each calendar quarter in the current calendar year by approved electronic means, is liable for a penalty of \$50 for that report and \$1 for each employee. This penalty is in addition to any other penalty provided by this chapter. However, the penalty does not apply if the tax collection service provider waives the electronic filing requirement in advance.

(5) The tax collection service provider may waive the penalty imposed by this section if a written request for a waiver is filed which establishes that imposition would be inequitable. Examples of inequity include, but are not limited to, situations where the failure to electronically file was caused by one of the following factors:

(a) Death or serious illness of the person responsible for the preparation and filing of the report.

(b) Destruction of the business records by fire or other casualty.

(c) Unscheduled and unavoidable computer downtime.

Section 33. Subsections (1) and (3) of section 626.932, Florida Statutes, are amended to read:

626.932 Surplus lines tax.—

(1) The premiums charged for surplus lines coverages are subject to a premium receipts tax of 4.94 5 percent of all gross premiums charged for such insurance. The surplus lines agent shall collect from the insured the amount of the tax at the time of the delivery of the cover note, certificate of insurance, policy, or other initial confirmation of insurance, in addition to the full amount of the gross premium charged by the insurer for the insurance. The surplus lines agent is prohibited from absorbing such tax or, as an inducement for insurance or for any other reason, rebating all or any part of such tax or of his or her commission.

(3) If a surplus lines policy covers risks or exposures only partially in this state and the state is the home state as defined in the federal Nonadmitted and Reinsurance Reform Act of 2010 (NRRA), the tax payable shall be computed on the gross premium. The surplus lines policy must be taxed in accordance with subsection (1) and the agent shall report the total premium for the risk that is located in this state and the total premium for the risk that is located outside of this state to

The exception in this sub-subparagraph is intended to ensure that the credit under s. 220.1875 is added in the applicable taxable year and does not result in a duplicate addition in a subsequent year.

2. the same amount is not allowed for the tax purposes of this state as both a deduction from income and a credit against the tax. This addition is not intended to result in adding the same expense back to income more than once.

12. The amount taken as a credit for the taxable year under s. 220.192.

13. The amount taken as a credit for the taxable year under s. 220.193.

The addition in this subparagraph is intended to ensure that the same amount is not allowed for the tax purposes of this state as both a deduction from income and a credit against the tax. The addition is not intended to result in adding the same expense back to income more than once.

(b) *Subtractions*.—

1. There shall be subtracted from such taxable income:

As to any amount subtracted under this subparagraph, there shall be added to such taxable income all expenses deducted on the taxpayer’s return for the taxable year which are attributable, directly or indirectly, to such subtracted amount. Further, no amount

shall be subtracted with respect to dividends paid or deemed paid by a Domestic International Sales Corporation.

3. *Amounts received by a member of a water's edge group as dividends paid by another member of the water's edge group must be subtracted from the taxable income to the extent that the dividends are included in the taxable income.*

In computing "adjusted federal income" for taxable years beginning after December 31, 1976, there shall be allowed as a deduction the amount of wages and salaries paid or incurred within this state for the taxable year for which no deduction is allowed pursuant to s. 280C(a) of the Internal Revenue Code (relating to credit for employment of certain new employees).

5. There shall be subtracted from such taxable income any amount of nonbusiness income included therein.

There shall be subtracted any amount of taxes of foreign countries allowable as credits for taxable years beginning on or after September 1, 1985, under s. 901 of the Internal Revenue Code to any corporation which derived less than 20 percent of its gross income or loss for its taxable year ended in 1984 from sources within the United States, as described in s. 861(a)(2)(A) of the Internal Revenue Code, not including credits allowed under ss. 902 and 960 of the Internal Revenue Code, withholding taxes on dividends within the meaning of sub-subparagraph 2.a., and withholding taxes on royalties, interest, technical service fees, and capital gains.

7. Notwithstanding any other provision of this code, except with respect to amounts subtracted pursuant to subparagraphs 1. and 4., any increment of any apportionment factor which is directly related to an increment of gross receipts or income which is deducted, subtracted, or otherwise excluded in determining adjusted federal income shall be excluded from both the numerator and denominator of such apportionment factor. Further, all valuations made for apportionment factor purposes shall be made on a basis consistent with the taxpayer's method of accounting for federal income tax purposes.

(c) *Installment sales occurring after October 19, 1980.—*

1. In the case of any disposition made after October 19, 1980, the income from an installment sale shall be taken into account for the purposes of this code in the same manner that such income is taken into account for federal income tax purposes.

2. Any taxpayer who regularly sells or otherwise disposes of personal property on the installment plan and reports the income therefrom on the installment method for federal income tax purposes under s. 453(a) of the Internal Revenue Code shall report such income in the same manner under this code.

(d) *Nonallowable deductions.*—A deduction for net operating losses, net capital losses, or excess contributions deductions under ss. 170(d)(2), 172, 1212, and 404 of the Internal Revenue Code which has been allowed in a prior taxable year for Florida tax purposes shall not be allowed for Florida tax purposes, notwithstanding the fact that such deduction has not been fully utilized for federal tax purposes.

(e) *Adjustments related to federal acts.*—Taxpayers shall be required to make the adjustments prescribed in this paragraph for Florida tax purposes with respect to certain tax benefits received pursuant to the Economic Stimulus Act of 2008, the American Recovery and Reinvestment Act of 2009, the Small Business Jobs Act of 2010, the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010, the American Taxpayer Relief Act of 2012, the Tax Increase Prevention Act of 2014, the Consolidated Appropriations Act, 2016, and the Tax Cuts and Jobs Act of 2017.

1. There shall be added to such taxable income an amount equal to 100 percent of any amount deducted for federal income tax purposes as bonus depreciation for the taxable year pursuant to ss. 167 and 168(k) of the Internal Revenue Code of 1986, as amended by s. 103 of Pub. L. No. 110-185, s. 1201 of Pub. L. No. 111-5, s. 2022 of Pub. L. No. 111-240, s. 401 of Pub. L. No. 111-312, s. 331 of Pub. L. No. 112-240, s. 125 of Pub. L. No. 113-295, s. 143 of Division Q of Pub. L. No. 114-113, and s. 13201 of Pub. L. No. 115-97, for property placed in service after December 31, 2007, and before January 1, 2027. For the taxable year and for each of

the 6 subsequent taxable years, there shall be subtracted from such taxable income an amount equal to one-seventh of the amount by which taxable income was increased pursuant to this subparagraph, notwithstanding any sale or other disposition of the property that is the subject of the adjustments and regardless of whether such property remains in service in the hands of the taxpayer.

2. There shall be added to such taxable income an amount equal to 100 percent of any amount in excess of \$128,000 deducted for federal income tax purposes for the taxable year pursuant to s. 179 of the Internal Revenue Code of 1986, as amended by s. 102 of Pub. L. No. 110-185, s. 1202 of Pub. L. No. 111-5, s. 2021 of Pub. L. No. 111-240, s. 402 of Pub. L. No. 111-312, s. 315 of Pub. L. No. 112-240, and s. 127 of Pub. L. No. 113-295, for taxable years beginning after December 31, 2007, and before January 1, 2015. For the taxable year and for each of the 6 subsequent taxable years, there shall be subtracted from such taxable income one-seventh of the amount by which taxable income was increased pursuant to this subparagraph, notwithstanding any sale or other disposition of the property that is the subject of the adjustments and regardless of whether such property remains in service in the hands of the taxpayer.

3. There shall be added to such taxable income an amount equal to the amount of deferred income not included in such taxable income pursuant to s. 108(i)(1) of the Internal Revenue Code of 1986, as amended by s. 1231 of Pub. L. No. 111-5. There shall be subtracted from such taxable income an amount equal to the amount of deferred income included in such taxable income pursuant to s. 108(i)(1) of the Internal Revenue Code of 1986, as amended by s. 1231 of Pub. L. No. 111-5.

4. Subtractions available under this paragraph may be transferred to the surviving or acquiring entity following a merger or acquisition and used in the same manner and with the same limitations as specified by this paragraph.

5. The additions and subtractions specified in this paragraph are intended to adjust taxable income for Florida tax purposes, and, notwithstanding any other provision of this code, such additions and subtractions shall be permitted to change a taxpayer's net operating loss for Florida tax purposes.

(2) For purposes of this section, a taxpayer's taxable income for the taxable year means taxable income as defined in s. 63 of the Internal Revenue Code and properly reportable for federal income tax purposes for the taxable year, but subject to the limitations set forth in paragraph (1)(b) with respect to the deductions provided by ss. 172 (relating to net operating losses), 170(d)(2) (relating to excess charitable contributions), 404(a)(1)(D) (relating to excess pension trust contributions), 404(a)(3)(A) and (B) (to the extent relating to excess stock bonus and profit-sharing trust contributions), and 1212 (relating to capital losses) of the Internal Revenue Code, except that, subject to the same limitations, the term:

(a) "Taxable income," in the case of a life insurance company subject to the tax imposed by s. 801 of the Internal Revenue Code, means life insurance company taxable income; however, for purposes of this code, the total of any amounts subject to tax under s. 815(a)(2) of the Internal Revenue Code pursuant to s. 801(c) of the Internal Revenue Code shall not exceed, cumulatively, the total of any amounts determined under s. 815(c)(2) of the Internal Revenue Code of 1954, as amended, from January 1, 1972, to December 31, 1983;

(b) "Taxable income," in the case of an insurance company subject to the tax imposed by s. 831(b) of the Internal Revenue Code, means taxable investment income;

(c) "Taxable income," in the case of an insurance company subject to the tax imposed by s. 831(a) of the Internal Revenue Code, means insurance company taxable income;

(d) "Taxable income," in the case of a regulated investment company subject to the tax imposed by s. 852 of the Internal Revenue Code, means investment company taxable income;

(e) "Taxable income," in the case of a real estate investment trust subject to the tax imposed by s. 857 of the Internal Revenue Code, means the income subject to tax, computed as provided in s. 857 of the Internal Revenue Code;

(f) “Taxable income,” in the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, means taxable income of such corporation for federal income tax purposes as if such corporation had filed a separate federal income tax return for the taxable year and each preceding taxable year for which it was a member of an affiliated group, ~~unless a consolidated return for the taxpayer and others is required or elected under s. 220.131;~~

(g) “Taxable income,” in the case of a cooperative corporation or association, means the taxable income of such organization determined in accordance with the provisions of ss. 1381-1388 of the Internal Revenue Code;

(h) “Taxable income,” in the case of an organization which is exempt from the federal income tax by reason of s. 501(a) of the Internal Revenue Code, means its unrelated business taxable income as determined under s. 512 of the Internal Revenue Code;

(i) “Taxable income,” in the case of a corporation for which there is in effect for the taxable year an election under s. 1362(a) of the Internal Revenue Code, means the amounts subject to tax under s. 1374 or s. 1375 of the Internal Revenue Code for each taxable year;

(j) “Taxable income,” in the case of a limited liability company, other than a limited liability company classified as a partnership for federal income tax purposes, as defined in and organized pursuant to chapter 605 or qualified to do business in this state as a foreign limited liability company or other than a similar limited liability company classified as a partnership for federal income tax purposes and created as an artificial entity pursuant to the statutes of the United States or any other state, territory, possession, or jurisdiction, if such limited liability company or similar entity is taxable as a corporation for federal income tax purposes, means taxable income determined as if such limited liability company were required to file or had filed a federal corporate income tax return under the Internal Revenue Code;

(k) “Taxable income,” in the case of a taxpayer liable for the alternative minimum tax as defined in s. 55 of the Internal Revenue Code, means the alternative minimum taxable income as defined in s. 55(b)(2) of the Internal Revenue Code, less the exemption amount computed under s. 55(d) of the Internal Revenue Code. A taxpayer is not liable for the alternative minimum tax unless the taxpayer’s federal tax return, or related federal consolidated tax return, if included in a consolidated return for federal tax purposes, reflect a liability on the return filed for the alternative minimum tax as defined in s. 55(b)(2) of the Internal Revenue Code;

(l) “Taxable income,” in the case of a taxpayer whose taxable income is not otherwise defined in this subsection, means the sum of amounts to which a tax rate specified in s. 11 of the Internal Revenue Code plus the amount to which a tax rate specified in s. 1201(a)(2) of the Internal Revenue Code are applied for federal income tax purposes.

Section 39. *Effective January 1, 2021, section 220.131, Florida Statutes, is repealed.*

Section 40. *Effective January 1, 2021, section 220.136, Florida Statutes, is created to read:*

**220.136 Determination of the members of a water’s edge group.—**

(1) *A corporation having 50 percent or more of its outstanding voting stock directly or indirectly owned or controlled by a water’s edge group is presumed to be a member of the water’s edge group. A corporation having less than 50 percent of its outstanding voting stock directly or indirectly owned or controlled by a water’s edge group is a member of the water’s edge group if the business activities of the corporation show that the corporation is a member of the water’s edge group. All of the income of a corporation that is a member of a water’s edge group is presumed to be unitary. For purposes of this subsection, the attribution rules of 26 U.S.C. s. 318 must be used to determine whether voting stock is indirectly owned.*

(2)(a) *A corporation that conducts business outside the United States is not a member of a water’s edge group if 80 percent or more of the corporation’s property and payroll, as determined by the apportionment factors described in ss. 220.15 and 220.1363, may be assigned to loca-*

*tions outside of the United States. However, such a corporation that is incorporated in a tax haven may be a member of a water’s edge group pursuant to subsection (1). This subsection does not exempt a corporation that is not a member of a water’s edge group from this chapter.*

(b) *As used in this subsection, the term “United States” means the 50 states, the District of Columbia, and Puerto Rico.*

(c) *The apportionment factors described in ss. 220.1363 and 220.15 must be used to determine whether a special industry corporation has engaged in a sufficient amount of activities outside of the United States to exclude it from treatment as a member of a water’s edge group.*

Section 41. *Effective January 1, 2021, section 220.1363, Florida Statutes, is created to read:*

**220.1363 Water’s edge groups; special requirements.—**

(1) *For purposes of this section, the term “water’s edge reporting method” is a method to determine the taxable business profits of a group of entities conducting a unitary business. Under this method, the net income of the entities must be added together, along with the additions and subtractions under s. 220.13, and apportioned to this state as a single taxpayer under ss. 220.15 and 220.151. However, each special industry member included in a water’s edge group return which would otherwise be permitted to use a special method of apportionment under s. 220.151 shall convert its single-factor apportionment to a three-factor apportionment of property, payroll, and sales. The special industry member shall calculate the denominator of its property, payroll, and sales factors in the same manner as those denominators are calculated by members that are not special industry members. The numerator of its sales, property, and payroll factors is the product of the denominator of each factor multiplied by the premiums or revenue-miles-factor ratio otherwise applicable under s. 220.151.*

(2) *All members of a water’s edge group must use the water’s edge reporting method, under which:*

(a) *Adjusted federal income, for purposes of s. 220.12, means the sum of adjusted federal income of all members of the water’s edge group as determined for a concurrent taxable year.*

(b) *The numerators and denominators of the apportionment factors must be calculated for all members of the water’s edge group combined.*

(c) *Intercompany sales transactions between members of the water’s edge group are not included in the numerator or denominator of the sales factor under ss. 220.15 and 220.151, regardless of whether indicia of a sale exist.*

(d) *For sales of intangibles, including, but not limited to, accounts receivable, notes, bonds, and stock, which are made to entities outside the group, only the net proceeds are included in the numerator and denominator of the sales factor.*

(e) *Sales that are not allocated or apportioned to any taxing jurisdiction, otherwise known as “nowhere sales,” may not be included in the numerator or denominator of the sales factor.*

(f) *The income attributable to the Florida activities of a corporation that is exempt from taxation under the Interstate Income Act of 1959, Pub. L. No. 86-272, is excluded from the apportionment factor numerators in the calculation of corporate income tax, even if another member of the water’s edge group has nexus with this state and is subject to tax.*

*As used in this subsection, the term “sale” includes, but is not limited to, loans, payments for the use of intangibles, dividends, and management fees.*

(3)(a) *If a parent corporation is a member of the water’s edge group and has nexus with this state, a single water’s edge group return must be filed in the name and under the federal employer identification number of the parent corporation. If the water’s edge group does not have a parent corporation, if the parent corporation is not a member of the water’s edge group, or if the parent corporation does not have nexus with this state, then the members of the water’s edge group must choose a member subject to the tax imposed by this chapter to file the return. The members of the water’s edge group may not choose another member to file a corporate income tax return in subsequent years unless the filing*

member does not maintain nexus with this state or does not remain a member of the water's edge group. The return must be signed by an authorized officer of the filing member as the agent for the water's edge group.

(b) If members of a water's edge group have different taxable years, the taxable year of a majority of the members of the water's edge group is the taxable year of the water's edge group. If the taxable years of a majority of the members of a water's edge group do not correspond, the taxable year of the member that must file the return for the water's edge group is the taxable year of the water's edge group.

(c)1. A member of a water's edge group having a taxable year that does not correspond to the taxable year of the water's edge group shall determine its income for inclusion on the tax return for the water's edge group. The member shall use:

a. The precise amount of taxable income received during the months corresponding to the taxable year of the water's edge group if the precise amount can be readily determined from the member's books and records.

b. The taxable income of the member converted to conform to the taxable year of the water's edge group on the basis of the number of months falling within the taxable year of the water's edge group. For example, if the taxable year of the water's edge group is a calendar year and a member operates on a fiscal year ending on April 30, the income of the member must include  $\frac{8}{12}$  of the income from the current taxable year and  $\frac{4}{12}$  of the income from the preceding taxable year. This method to determine the income of a member may be used only if the return can be timely filed after the end of the taxable year of the water's edge group.

c. The taxable income of the member during its taxable year that ends within the taxable year of the water's edge group.

2. The method of determining the income of a member of a water's edge group whose taxable year does not correspond to the taxable year of the water's edge group may not change as long as the member remains a member of the water's edge group. The apportionment factors for the member must be applied to the income of the member for the taxable year of the water's edge group.

(4)(a) A water's edge group return must include a computational schedule that:

1. Combines the federal income of all members of the water's edge group;
2. Shows all intercompany eliminations;
3. Shows Florida additions and subtractions under s. 220.13; and
4. Shows the calculation of the combined apportionment factors.

(b) In addition to its return, a water's edge group shall also file a domestic disclosure spreadsheet. The spreadsheet must fully disclose:

1. The income reported to each state;
2. The state tax liability;
3. The method used for apportioning or allocating income to the various states; and
4. Other information required by department rule in order to determine the proper amount of tax due to each state and to identify the water's edge group.

(5) The department may adopt rules and forms to administer this section. The Legislature intends to grant the department extensive authority to adopt rules and forms describing and defining principles for determining the existence of a water's edge business, definitions of common control, methods of reporting, and related forms, principles, and other definitions.

Section 42. Effective January 1, 2021, section 220.14, Florida Statutes, is amended to read:

220.14 Exemption.—

(1) In computing a taxpayer's liability for tax under this code, there shall be exempt from the tax \$50,000 of net income as defined in s. 220.12 or such lesser amount as will, without increasing the taxpayer's federal income tax liability, provide the state with an amount under this code which is equal to the maximum federal income tax credit which may be available from time to time under federal law.

(2) In the case of a taxable year for a period of less than 12 months, the exemption allowed by this section ~~shall~~ be prorated on the basis of the number of days in such year to 365 days or, in a leap year, 366 days.

(3) Only one exemption shall be allowed to taxpayers filing a water's edge group ~~consolidated~~ return under this code.

(4) Notwithstanding any other provision of this code, not more than one exemption under this section may be allowed to the Florida members of a controlled group of corporations, as defined in s. 1563 of the Internal Revenue Code with respect to taxable years ending on or after December 31, 1970, filing separate returns under this code. The exemption described in this section shall be divided equally among such Florida members of the group, unless all of such members consent, at such time and in such manner as the department shall by regulation prescribe, to an apportionment plan providing for an unequal allocation of such exemption.

Section 43. Effective January 1, 2021, paragraph (c) of subsection (5) of section 220.15, Florida Statutes, is amended to read:

220.15 Apportionment of adjusted federal income.—

(5) The sales factor is a fraction the numerator of which is the total sales of the taxpayer in this state during the taxable year or period and the denominator of which is the total sales of the taxpayer everywhere during the taxable year or period.

(c) Sales of a financial organization, including, but not limited to, banking and savings institutions, investment companies, real estate investment trusts, and brokerage companies, occur in this state if derived from:

1. Fees, commissions, or other compensation for financial services rendered within this state;
2. Gross profits from trading in stocks, bonds, or other securities managed within this state;
3. Interest received within this state, other than interest from loans secured by mortgages, deeds of trust, or other liens upon real or tangible personal property located without this state, and dividends received within this state;
4. Interest charged to customers at places of business maintained within this state for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts;
5. Interest, fees, commissions, or other charges or gains from loans secured by mortgages, deeds of trust, or other liens upon real or tangible personal property located in this state or from installment sale agreements originally executed by a taxpayer or the taxpayer's agent to sell real or tangible personal property located in this state;
6. Rents from real or tangible personal property located in this state; or
7. Any other gross income, including other interest, resulting from the operation as a financial organization within this state.

~~In computing the amounts under this paragraph, any amount received by a member of an affiliated group (determined under s. 1504(a) of the Internal Revenue Code, but without reference to whether any such corporation is an "includable corporation" under s. 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.~~

Section 44. Effective January 1, 2021, paragraph (f) of subsection (1) of section 220.183, Florida Statutes, is amended to read:

## 220.183 Community contribution tax credit.—

## (1) AUTHORIZATION TO GRANT COMMUNITY CONTRIBUTION TAX CREDITS; LIMITATIONS ON INDIVIDUAL CREDITS AND PROGRAM SPENDING.—

~~(f) A taxpayer who files a Florida consolidated return as a member of an affiliated group pursuant to s. 220.131(1) may be allowed the credit on a consolidated return basis.~~

Section 45. Effective January 1, 2021, paragraphs (b), (c), and (d) of subsection (2) of section 220.1845, Florida Statutes, are amended to read:

## 220.1845 Contaminated site rehabilitation tax credit.—

## (2) AUTHORIZATION FOR TAX CREDIT; LIMITATIONS.—

(b) A tax credit applicant, or multiple tax credit applicants working jointly to clean up a single site, may not be granted more than \$500,000 per year in tax credits for each site voluntarily rehabilitated. Multiple tax credit applicants shall be granted tax credits in the same proportion as their contribution to payment of cleanup costs. Subject to the same conditions and limitations as provided in this section, a municipality, county, or other tax credit applicant which voluntarily rehabilitates a site may receive not more than \$500,000 per year in tax credits which it can subsequently transfer subject to the provisions in paragraph (f) ~~(g)~~.

(c) If the credit granted under this section is not fully used in any one year because of insufficient tax liability on the part of the corporation, the unused amount may be carried forward for up to 5 years. The carryover credit may be used in a subsequent year if the tax imposed by this chapter for that year exceeds the credit for which the corporation is eligible in that year after applying the other credits and unused carryovers in the order provided by s. 220.02(8). If during the 5-year period the credit is transferred, in whole or in part, pursuant to paragraph (f) ~~(g)~~, each transferee has 5 years after the date of transfer to use its credit.

~~(d) A taxpayer that files a consolidated return in this state as a member of an affiliated group under s. 220.131(1) may be allowed the credit on a consolidated return basis up to the amount of tax imposed upon the consolidated group.~~

Section 46. Effective January 1, 2021, subsection (2) of section 220.1875, Florida Statutes, is amended to read:

220.1875 Credit for contributions to eligible nonprofit scholarship-funding organizations.—

~~(2) A taxpayer who files a Florida consolidated return as a member of an affiliated group pursuant to s. 220.131(1) may be allowed the credit on a consolidated return basis; however, the total credit taken by the affiliated group is subject to the limitation established under subsection (1).~~

Section 47. Effective January 1, 2021, paragraphs (a) and (c) of subsection (3) of section 220.191, Florida Statutes, are amended to read:

## 220.191 Capital investment tax credit.—

(3)(a) Notwithstanding subsection (2), an annual credit against the tax imposed by this chapter shall be granted to a qualifying business which establishes a qualifying project pursuant to subparagraph (1)(g) 3., in an amount equal to the lesser of \$15 million or 5 percent of the eligible capital costs made in connection with a qualifying project, for a period not to exceed 20 years beginning with the commencement of operations of the project. The tax credit shall be granted against the corporate income tax liability of the qualifying business ~~and as further provided in paragraph (c)~~. The total tax credit provided pursuant to this subsection shall be equal to no more than 100 percent of the eligible capital costs of the qualifying project.

(c) The credit granted under this subsection may be used in whole or in part by the qualifying business ~~or any corporation that is either a member of that qualifying business's affiliated group of corporations, is a related entity taxable as a cooperative under subchapter T of the Internal Revenue Code, or, if the qualifying business is an entity taxable as a cooperative under subchapter T of the Internal Revenue Code,~~

~~is related to the qualifying business. Any entity related to the qualifying business may continue to file as a member of a Florida nexus consolidated group pursuant to a prior election made under s. 220.131(1), Florida Statutes (1985), even if the parent of the group changes due to a direct or indirect acquisition of the former common parent of the group. Any credit can be used by any of the affiliated companies or related entities referenced in this paragraph to the same extent as it could have been used by the qualifying business. However, any such use shall not operate to increase the amount of the credit or extend the period within which the credit must be used.~~

Section 48. Effective January 1, 2021, paragraphs (c) and (e) of subsection (3) of section 220.193, Florida Statutes, are amended to read:

## 220.193 Florida renewable energy production credit.—

(3) An annual credit against the tax imposed by this section shall be allowed to a taxpayer, based on the taxpayer's production and sale of electricity from a new or expanded Florida renewable energy facility. For a new facility, the credit shall be based on the taxpayer's sale of the facility's entire electrical production. For an expanded facility, the credit shall be based on the increases in the facility's electrical production that are achieved after May 1, 2012.

(c) If the amount of credits applied for each year exceeds the amount authorized in paragraph (f) ~~(g)~~, the Department of Agriculture and Consumer Services shall allocate credits to qualified applicants based on the following priority:

1. An applicant who places a new facility in operation after May 1, 2012, shall be allocated credits first, up to a maximum of \$250,000 each, with any remaining credits to be granted pursuant to subparagraph 3., but if the claims for credits under this subparagraph exceed the state fiscal year cap in paragraph (f) ~~(g)~~, credits shall be allocated pursuant to this subparagraph on a prorated basis based upon each applicant's qualified production and sales as a percentage of total production and sales for all applicants in this category for the fiscal year.

2. An applicant who does not qualify under subparagraph 1. but who claims a credit of \$50,000 or less shall be allocated credits next, but if the claims for credits under this subparagraph, combined with credits allocated in subparagraph 1., exceed the state fiscal year cap in paragraph (f) ~~(g)~~, credits shall be allocated pursuant to this subparagraph on a prorated basis based upon each applicant's qualified production and sales as a percentage of total qualified production and sales for all applicants in this category for the fiscal year.

3. An applicant who does not qualify under subparagraph 1. or subparagraph 2. and an applicant whose credits have not been fully allocated under subparagraph 1. shall be allocated credits next. If there is insufficient capacity within the amount authorized for the state fiscal year in paragraph (f) ~~(g)~~, and after allocations pursuant to subparagraphs 1. and 2., the credits allocated under this subparagraph shall be prorated based upon each applicant's unallocated claims for qualified production and sales as a percentage of total unallocated claims for qualified production and sales of all applicants in this category, up to a maximum of \$1 million per taxpayer per state fiscal year. If, after application of this \$1 million cap, there is excess capacity under the state fiscal year cap in paragraph (f) ~~(g)~~ in any state fiscal year, that remaining capacity shall be used to allocate additional credits with priority given in the order set forth in this subparagraph and without regard to the \$1 million per taxpayer cap.

~~(e) A taxpayer that files a consolidated return in this state as a member of an affiliated group under s. 220.131(1) may be allowed the credit on a consolidated return basis up to the amount of tax imposed upon the consolidated group.~~

Section 49. Effective January 1, 2021, paragraph (a) of subsection (1) of section 220.27, Florida Statutes, is amended to read:

## 220.27 Additional required information.—

(1)(a) Every taxpayer that is required to file a return under s. 220.22(1) for a taxable year beginning during the 2018 or 2019 calendar years; must submit to the department the following information for those taxable years using the application form on the department's website:

1. The taxpayer's name, federal taxpayer identification number, taxable year beginning date, taxable year ending date, and, *for taxable years beginning before January 1, 2021, only*, whether a consolidated return for the taxpayer is required or elected under s. 220.131.

2. The taxpayer's NAICS code for business activity that generates the greatest proportion of gross receipts of the taxpayer. As used in this paragraph, the term "NAICS" means those classifications contained in the North American Industry Classification System, as published in 2007 by the Office of Management and Budget, Executive Office of the President.

3. The taxpayer's taxable income as that term is defined in s. 220.13(2) and the taxpayer's state apportionment fraction pursuant to s. 220.15 for the taxable year.

Millage elections conducted under the authority granted pursuant to this section are subject to s. 1011.73. Funds generated by such additional millage do not become a part of the calculation of the Florida Education Finance Program total potential funds in 2001-2002 or any subsequent year and must not be incorporated in the calculation of any hold-harmless or other component of the Florida Education Finance Program formula in any year. If an increase in required local effort, when added to existing millage levied under the 10-mill limit, would result in a combined millage in excess of the 10-mill limit, any millage levied pursuant to this *paragraph subsection* shall be considered to be required local effort to the extent that the district millage would otherwise exceed the 10-mill limit. Funds *generated by the additional millage* levied under this *paragraph subsection* shall be shared with charter schools *pursuant to paragraph (b)* based on a ~~each~~ charter school's proportionate share of the district's total unweighted full-time equivalent student enrollment and used in a manner consistent with the purposes of the levy. The referendum must contain an explanation of the distribution methodology consistent with the requirements of this *paragraph subsection*.

(b) *Beginning with the 2020-2021 school year, funds generated under paragraph (a) must be shared with a charter school if the charter school has been in operation within the applicable school district for at least 2 years.*

And the title is amended as follows:

Between lines 1964 and 1965 insert: 1011.71, F.S.; requiring that funds generated from additional millage for school operational purposes be shared with a charter school if the charter school has been in operation within the applicable school district for at least a certain period of time; amending s.

2. After the distribution under subparagraph 1., 8.9744 percent of the amount remitted by a sales tax dealer located within a participating county pursuant to s. 218.61 shall be transferred into the Local Government Half-cent Sales Tax Clearing Trust Fund. Beginning July 1, 2003, the amount to be transferred shall be reduced by 0.1 percent, and the department shall distribute this amount to the Public Employees Relations Commission Trust Fund less \$5,000 each month, which shall be added to the amount calculated in subparagraph 3. and distributed accordingly.

Section 2. Section 1006.74, Florida Statutes, is created to read:

1006.74 *Intercollegiate athlete compensation and rights.*—

The Legislature finds that intercollegiate athletics provide intercollegiate athletes with significant educational opportunities. However, participation in intercollegiate athletics should not infringe upon an intercollegiate athlete's ability to earn compensation for her or his name, image, likeness, or persona. An intercollegiate athlete must have an equal opportunity to control and profit from the commercial use of her or his name, image, likeness, and persona and be protected from unauthorized appropriation and commercial exploitation of her or his right to publicity, including her or his name, image, likeness, and persona. Moreover, an intercollegiate athlete's inability to participate in intercollegiate athletics due to an injury should not impair her or his future health or academic success.

(b) A postsecondary educational institution may not adopt or maintain a contract, rule, regulation, standard, or other requirement that prevents or unduly restricts an intercollegiate athlete from earning compensation for the use of her or his name, image, likeness, or persona. Earning such compensation may not affect the intercollegiate athlete's grant-in-aid or athletic eligibility.

(c) A postsecondary educational institution, an entity whose purpose includes supporting or benefitting the institution or its athletic programs, or an officer, director, or employee of such institution or entity may not compensate or cause compensation to be directed to a current or

(f) An intercollegiate athlete under the age of 18 years must have any contract for compensation for her or his name, image, likeness, or persona approved under ss. 743.08 and 743.09.

(g) An intercollegiate athlete's contract for compensation for her or his name, image, likeness, or persona may not violate this subsection.

(h) An intercollegiate athlete may not enter into a contract for compensation for her or his name, image, likeness, or persona if a term of the contract materially conflicts with a term of the intercollegiate athlete's team contract. If coverage is secured under sub-subparagraph 1.a., any deductible, copay, or coinsurance amounts must be paid by the postsecondary educational institution or an intercollegiate athletics association, conference, or organization of which the postsecondary educational institution is a member. If coverage is secured under sub-subparagraph 1.b. or sub-subparagraph 1.c., or a combination thereof, the entire premium and any deductible, copay, or coinsurance amounts must be paid by the postsecondary educational institution or an intercollegiate athletics association, conference, or

(c) Conduct a financial literacy and life skills workshop for a minimum of 5 hours at the beginning of the intercollegiate athlete's first and third academic years. The workshop shall, at a minimum, include information concerning financial aid, debt management, and a recommended budget for full and partial grant-in-aid intercollegiate athletes based on the current academic year's cost of attendance. The workshop shall also include information on time management skills necessary for success as an intercollegiate athlete and available academic resources. The workshop may not include any marketing, advertising, referral, or solicitation by providers of financial products or services.

(i) “Public employer” means an entity within state, regional, county, local, or municipal government, whether executive, judicial, or legislative, or any public school, community college, or state university that employs persons who perform labor or services for that employer in exchange for salary, wages, or other remuneration or that enters or attempts to enter into a contract with a contractor.

(a) Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.

(b)1. If a contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

2. The contractor shall maintain a copy of such affidavit for the duration of the contract.

(c)1. A public employer, contractor, or subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09(1) shall terminate the contract with the person or entity.

(e) If a public employer terminates a contract with a contractor under paragraph (c), the contractor may not be awarded a public contract for at least 1 year after the date on which the contract was terminated.

(f) A contractor is liable for any additional costs incurred by a public employer as a result of the termination of a contract.

**(3) PRIVATE EMPLOYERS.—**

(a) Beginning January 1, 2021, a private employer shall, after making an offer of employment which has been accepted by a person, verify such person's employment eligibility. A private employer is not required to verify the employment eligibility of a continuing employee hired before January 1, 2021. However, if a person is a contract employee retained by a private employer, the private employer must verify the employee's employment eligibility upon the renewal or extension of his or her contract.

(b) A private employer shall verify a person's employment eligibility by:

1. Using the E-Verify system; or
2. Requiring the person to provide the same documentation that is required by the United States Citizenship and Immigration Services on its Employment Eligibility Verification form (Form I-9).

The private employer must retain a copy of the documentation provided under this subparagraph for at least 3 years after the person's initial date of employment.

(c) A private employer that complies with this subsection may not be held civilly or criminally liable under state law for hiring, continuing to employ, or refusing to hire an unauthorized alien if the information obtained under paragraph (b) indicates that the person's work authorization status was not that of an unauthorized alien.

(d) For purposes of this subsection, compliance with paragraph (b) creates a rebuttable presumption that a private employer did not knowingly employ an unauthorized alien in violation of s. 448.09(1).

(e) For the purpose of enforcement of this section, the following persons or entities may request, and a private employer must provide, copies of any documentation relied upon by the private employer for the verification of a person's employment eligibility, including, but not limited to, any documentation required under paragraph (b):

2. The Attorney General.
3. The state attorney.
4. The statewide prosecutor.

A person or entity that makes a request under this paragraph must rely upon the federal government to verify a person's employment eligibility and may not independently make a final determination as to whether a person is an unauthorized alien.

(f) If a private employer does not comply with paragraph (b), the department shall require the private employer to provide an affidavit to the department stating that the private employer will comply with paragraph (b), the private employer has terminated the employment of all unauthorized aliens in this state, and the employer will not intentionally or knowingly employ an unauthorized alien in this state. If the private employer does not provide the required affidavit within 30 days after the department's request, the appropriate licensing agency shall suspend all applicable licenses held by the private employer until the private employer provides the department with the required affidavit. For purposes of this paragraph, the licenses that are subject to suspension under this paragraph are all licenses that are held by the private employer specific to the business location where the unauthorized alien performed work. If the private employer does not hold a license specific to the business location where the unauthorized alien performed work, but a license is necessary to operate the private employer's business in general, the licenses that are subject to suspension under this paragraph are all licenses that are held by the private employer at the private employer's primary place of business.

(g) For any private employer found to have violated paragraph (f) three times within any 36 month period, the appropriate licensing agency shall permanently revoke all licenses that are held by the private employer specific to the business location where the unauthorized alien performed work. If the private employer does not hold a license specific to the business location where the unauthorized alien performed work, but a license is necessary to operate the private employer's business in general, the appropriate licensing agency shall permanently revoke all licenses that are held by the private employer at the private employer's primary place of business.

(4) **CONSTRUCTION.**—This section shall be enforced without regard to race, color, or national origin and shall be construed in a manner so as to be fully consistent with any applicable federal laws or regulations.

Section 3. This act shall take effect July 1, 2020.

## PRAYER

The following prayer was offered by Pastor Richelle Williams, Jesus People Ministries Church International, Miami Gardens:

To the creator of heaven and earth, hallowed be thy name. With humble hearts, we thank you for today and all the insight, Lord, that you will bring. Thank you for the body of legislators that assemble together to make laws for the betterment of our state and, ultimately, our nation—men and women that devote their time away from their families for the greater good of our society—men, like Senator Oscar Braynon, who served for over a decade, through his time as a young man to these last days of session. Bless him and those who have gone before him and those who will come after him.

God, we thank you for granting us wisdom today within our state as we close out a term, yet deal with unanswered questions on our fiscal responsibilities as well as school safety and gun violence. God, we thank you for bringing resolve even though today we face treacherous things—women's rights and their choices.

O Father, while we're convicted with our own commissions, thank you for giving us wisdom. Father, you are the God of a second chance, of a third chance, of a tenth chance. Your love remains the same yesterday, today, and forever. As amendments are amended and policies rewritten, let us remember your compassion. Let us remember the choices we make today will determine the lives we embrace tomorrow.

We honor you today for the ability to protect our state and the laws that govern our borders; that as people come and go through our county lines, that safety and protection be with us. Thank you, Father, for this legislative body. As we close our prayer today and begin this day, Father, we continue to pray that you dispatch your angels to encamp around about us and cover us from sickness, hurt, harm, any virus, or disease. We pray your banner of healing will aid and abide the weary hearts and bodies that may be consumed with fear. We speak faith into every terrain in our atmosphere, knowing that within the State of Florida, fear is not a resident here, for in God we trust. It's in the name of your son we do pray, and we say, "Amen." To God be the glory.

## PLEDGE

**CS for CS for HB 977**—A bill to be entitled An act relating to motor vehicle dealers; providing legislative findings; amending s. 324.021, F.S.; revising the definition of the term “rental company” to exclude certain motor vehicle dealers, for the purpose of determining minimum insurance coverage requirements; providing that specified motor vehicle dealers and their affiliates are immune to causes of action and not vicariously or directly liable for harm to persons or property under certain circumstances; providing that specified motor vehicle dealers and their affiliates are not adjudged liable in civil proceedings or guilty in criminal proceedings under certain circumstances; providing exceptions; providing an effective date.

—was read the third time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senators Lee and Brandes offered the following amendment which was moved by Senator Brandes and adopted by two-thirds vote:

**Amendment 1 (717452) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. *The Legislature finds that, absent negligence or criminal conduct by a motor vehicle dealer, or its leasing or rental affiliates, subjecting motor vehicle dealers and their leasing and rental affiliates to vicarious liability under the dangerous instrumentality doctrine when a temporary replacement vehicle is provided to a consumer is both unfair and economically disadvantageous in that it causes dealers and their affiliates to suffer higher insurance costs, which are then passed on to consumers. Additionally, application of the vicarious liability doctrine in such cases often serves to relieve the actual tortfeasor from liability.*

Section 2. Paragraph (c) of subsection (9) of section 324.021, Florida Statutes, is amended to read:

324.021 Definitions; minimum insurance required.—The following words and phrases when used in this chapter shall, for the purpose of this chapter, have the meanings respectively ascribed to them in this section, except in those instances where the context clearly indicates a different meaning:

(9) OWNER; OWNER/LESSOR.—

(c) *Application.*—

1. The limits on liability in subparagraphs (b)2. and 3. do not apply to an owner of motor vehicles that are used for commercial activity in the owner's ordinary course of business, other than a rental company that rents or leases motor vehicles. For purposes of this paragraph, the term “rental company” includes only an entity that is engaged in the business of renting or leasing motor vehicles to the general public and that rents or leases a majority of its motor vehicles to persons with no direct or indirect affiliation with the rental company. ~~The term also includes a motor vehicle dealer that provides temporary replacement vehicles to its customers for up to 10 days.~~ The term “rental company” also includes:

a. A related rental or leasing company that is a subsidiary of the same parent company as that of the renting or leasing company that rented or leased the vehicle.

b. The holder of a motor vehicle title or an equity interest in a motor vehicle title if the title or equity interest is held pursuant to or to facilitate an asset-backed securitization of a fleet of motor vehicles used solely in the business of renting or leasing motor vehicles to the general public and under the dominion and control of a rental company, as described in this subparagraph, in the operation of such rental company's business.

2. Furthermore, with respect to commercial motor vehicles as defined in s. 627.732, the limits on liability in subparagraphs (b)2. and 3. do not apply if, at the time of the incident, the commercial motor vehicle

is being used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Authorization Act of 1994, as amended, 49 U.S.C. ss. 5101 et seq., and that is required pursuant to such act to carry placards warning others of the hazardous cargo, unless at the time of lease or rental either:

a. The lessee indicates in writing that the vehicle will not be used to transport materials found to be hazardous for the purposes of the Hazardous Materials Transportation Authorization Act of 1994, as amended, 49 U.S.C. ss. 5101 et seq.; or

b. The lessee or other operator of the commercial motor vehicle has in effect insurance with limits of at least \$5,000,000 combined property damage and bodily injury liability.

3.a. *A motor vehicle dealer, or a motor vehicle dealer's leasing or rental affiliate, that provides a temporary replacement vehicle at no charge or at a reasonable daily charge to a service customer whose vehicle is being held for repair, service, or adjustment by the motor vehicle dealer is immune from any cause of action and is not liable, vicariously or directly, under general law solely by reason of being the owner of the temporary replacement vehicle for harm to persons or property that arises out of the use, or operation, of the temporary replacement vehicle by any person during the period the temporary replacement vehicle has been entrusted to the motor vehicle dealer's service customer if there is no negligence or criminal wrongdoing on the part of the motor vehicle owner, or its leasing or rental affiliate.*

b. *For purposes of this section, and notwithstanding any other provision of general law, a motor vehicle dealer, or a motor vehicle dealer's leasing or rental affiliate, that gives possession, control, or use of a temporary replacement vehicle to a motor vehicle dealer's service customer may not be adjudged liable in a civil proceeding absent negligence or criminal wrongdoing on the part of the motor vehicle dealer, or the motor vehicle dealer's leasing or rental affiliate, if the motor vehicle dealer or the motor vehicle dealer's leasing or rental affiliate executes a written rental or use agreement and obtains from the person receiving the temporary replacement vehicle a copy of the person's driver license and insurance information reflecting at least the minimum motor vehicle insurance coverage required in the state. Any subsequent determination that the driver license or insurance information provided to the motor vehicle dealer, or the motor vehicle dealer's leasing or rental affiliate, was in any way false, fraudulent, misleading, nonexistent, canceled, not in effect, or invalid does not alter or diminish the protections provided by this section, unless the motor vehicle dealer, or the motor vehicle dealer's leasing or rental affiliate, had actual knowledge thereof at the time possession of the temporary replacement vehicle was provided.*

c. *For purposes of this subparagraph, the term “service customer” does not include an agent or a principal of a motor vehicle dealer or a motor vehicle dealer's leasing or rental affiliate, and does not include an employee of a motor vehicle dealer or a motor vehicle dealer's leasing or rental affiliate unless the employee was provided a temporary replacement vehicle:*

(I) *While the employee's personal vehicle was being held for repair, service, or adjustment by the motor vehicle dealer;*

(II) *In the same manner as other customers who are provided a temporary replacement vehicle while the customer's vehicle is being held for repair, service, or adjustment; and*

(III) *The employee was not acting within the course and scope of their employment.*

Section 3. This act shall take effect July 1, 2020.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to motor vehicle dealers; providing legislative findings; amending s. 324.021, F.S.; revising the definition of the term “rental company” to exclude certain motor vehicle dealers, for the purpose of determining minimum insurance coverage requirements; providing that specified motor vehicle dealers and their affiliates are immune to causes of action and not vicariously or directly liable for harm to persons or property under certain circumstances; providing that specified motor vehicle dealers and their affiliates are not adjudged

Section 3. Subsection (3) of section 381.4018, Florida Statutes, is amended to read:

381.4018 Physician workforce assessment and development.—

(3) GENERAL FUNCTIONS.—The department shall maximize the use of existing programs under the jurisdiction of the department and other state agencies and coordinate governmental and nongovernmental stakeholders and resources in order to develop a state strategic plan and assess the implementation of such strategic plan. In developing the state strategic plan, the department shall:

(a) Monitor, evaluate, and report on the supply and distribution of physicians licensed under chapter 458 or chapter 459. The department shall maintain a database to serve as a statewide source of data concerning the physician workforce.

(b) Develop a model and quantify, on an ongoing basis, the adequacy of the state's current and future physician workforce as reliable data becomes available. Such model must take into account demographics, physician practice status, place of education and training, generational changes, population growth, economic indicators, and issues concerning the “pipeline” into medical education.

(c) Develop and recommend strategies to determine whether the number of qualified medical school applicants who might become competent, practicing physicians in this state will be sufficient to meet the capacity of the state's medical schools. If appropriate, the department shall, working with representatives of appropriate governmental and nongovernmental entities, develop strategies and recommendations and identify best practice programs that introduce health care as a profession and strengthen skills needed for medical school admission for elementary, middle, and high school students, and improve premedical education at the precollege and college level in order to increase this state's potential pool of medical students.

(d) Develop strategies to ensure that the number of graduates from the state's public and private allopathic and osteopathic medical schools is adequate to meet physician workforce needs, based on the analysis of the physician workforce data, so as to provide a high-quality medical education to students in a manner that recognizes the uniqueness of each new and existing medical school in this state.

(e) Pursue strategies and policies to create, expand, and maintain graduate medical education positions in the state based on the analysis of the physician workforce data. Such strategies and policies must take into account the effect of federal funding limitations on the expansion and creation of positions in graduate medical education. The department shall develop options to address such federal funding limitations. The department shall consider options to provide direct state funding for graduate medical education positions in a manner that addresses requirements and needs relative to accreditation of graduate medical education programs. The department shall consider funding residency positions as a means of addressing needed physician specialty areas, rural areas having a shortage of physicians, and areas of ongoing critical need, and as a means of addressing the state's physician workforce needs based on an ongoing analysis of physician workforce data.

(f) Develop strategies to maximize federal and state programs that provide for the use of incentives to attract physicians to this state or retain physicians within the state. Such strategies should explore and maximize federal-state partnerships that provide incentives for physicians to practice in federally designated shortage areas, *in otherwise medically underserved areas, or in rural areas*. Strategies shall also consider the use of state programs, such as the Medical Education Re-

imbursement and Loan Repayment Program pursuant to s. 1009.65, which provide for education loan repayment or loan forgiveness and provide monetary incentives for physicians to relocate to underserved areas of the state.

(g) Coordinate and enhance activities relative to physician workforce needs, undergraduate medical education, graduate medical education, and reentry of retired military and other physicians into the physician workforce provided by the Division of Medical Quality Assurance, area health education center networks established pursuant to s. 381.0402, and other offices and programs within the department as designated by the State Surgeon General.

(h) Work in conjunction with and act as a coordinating body for governmental and nongovernmental stakeholders to address matters relating to the state's physician workforce assessment and development for the purpose of ensuring an adequate supply of well-trained physicians to meet the state's future needs. Such governmental stakeholders shall include, but need not be limited to, the State Surgeon General or his or her designee, the Commissioner of Education or his or her designee, the Secretary of Health Care Administration or his or her designee, and the Chancellor of the State University System or his or her designee, and, at the discretion of the department, other representatives of state and local agencies that are involved in assessing, educating, or training the state's current or future physicians. Other stakeholders shall include, but need not be limited to, organizations representing the state's public and private allopathic and osteopathic medical schools; organizations representing hospitals and other institutions providing health care, particularly those that currently provide or have an interest in providing accredited medical education and graduate medical education to medical students and medical residents; organizations representing allopathic and osteopathic practicing physicians; and, at the discretion of the department, representatives of other organizations or entities involved in assessing, educating, or training the state's current or future physicians.

(i) Serve as a liaison with other states and federal agencies and programs in order to enhance resources available to the state's physician workforce and medical education continuum.

(j) Act as a clearinghouse for collecting and disseminating information concerning the physician workforce and medical education continuum in this state.

*The department may adopt rules to implement this subsection, including rules that establish guidelines to implement the federal Conrad 30 Waiver Program created under s. 214(l) of the Immigration and Nationality Act.*

(6) The department shall publish the data collected pursuant to this section for each applicant from a county property appraiser, including the net community benefit expense reported in the Internal Revenue Service Form 990, Schedule H.

(1) In counties having a population of more than 75,000, the board shall appoint special magistrates for the purpose of taking testimony and making recommendations to the board, which recommendations the board may act upon without further hearing. These special magistrates may not be elected or appointed officials or employees of the county but shall be selected from a list of those qualified individuals who are willing to serve as special magistrates. Employees and elected or appointed officials of a taxing jurisdiction or of the state may not serve as special magistrates. The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special magistrates exist. The Department of Revenue shall provide a list of qualified special magistrates to any county with a population of 75,000 or less. Subject to appropriation, the department shall reimburse counties with a population of 75,000 or less for payments made to special magistrates appointed for the purpose of taking testimony and making recommendations to the value adjustment board pursuant to this section. The department shall establish a reasonable range for payments per case to special magistrates based on such payments in other counties. Requests for reimbursement of payments outside this range shall be justified by the county. If the total of all requests for reimbursement in any year exceeds the amount available pursuant to this section, payments to all counties shall be prorated accordingly. If a county having a population less than 75,000 does not appoint a special magistrate to hear each petition, the person or persons designated to hear petitions before the value adjustment board or the attorney appointed to advise the value adjustment board shall attend the training provided pursuant to subsection (3), regardless of whether the person would otherwise be required to attend, but shall not be required to pay the tuition fee specified in subsection (3). A special magistrate appointed to hear issues regarding the valuation of tangible personal property shall be a designated member of a nationally recognized appraiser's organization with not less than 5 years' experience in tangible personal property valuation. A special magistrate need not be a resident of the county in which he or she serves. A special magistrate may not represent a person before the board in any tax year during which he or she has served that board as a special magistrate. *An appraisal may not be submitted as evidence to a value adjustment board in any year that the person who performed the appraisal serves as a special magistrate to that value adjustment board.* Before appointing a special magistrate, a value adjustment board shall verify the special magistrate's qualifications. The value adjustment board shall ensure that the selection of special magistrates is based solely upon the experience and qualifications of the special magistrate and is not influenced by the property appraiser. The special magistrate shall accurately and completely preserve all testimony and, in making recommendations to the value adjustment board, shall include proposed findings of fact, conclusions of law, and reasons for upholding or overturning the determination of the property appraiser. The expense of hearings before magistrates and any compensation of special magistrates shall be borne three-fifths by the board of county commissioners and two-fifths by the school board. When appointing special magistrates or when scheduling special magistrates for specific hearings, the board, the board attorney, and the board clerk may not consider the dollar amount or percentage of any assessment reductions recommended by any special magistrate in the current year or in any previous year.

Section 5. Paragraphs (a) and (b) of subsection (1) of section 195.073, Florida Statutes, are amended to read:

195.073 Classification of property.—All items required by law to be on the assessment rolls must receive a classification based upon the use of the property. The department shall promulgate uniform definitions for all classifications. The department may designate other sub-classifications of property. No assessment roll may be approved by the department which does not show proper classifications.

(1) Real property must be classified according to the assessment basis of the land into the following classes:

(a) Residential, subclassified into categories, one category for homestead property and one for nonhomestead property:

1. Single family.
2. Mobile homes.
3. Multifamily, *up to nine units*.
4. Condominiums.
5. Cooperatives.
6. Retirement homes.

(b) Commercial and industrial, *including apartments with more than nine units*.

Section 6. Subsection (2) and paragraph (a) of subsection (3) of section 195.096, Florida Statutes, are amended to read:

195.096 Review of assessment rolls.—

(2) The department shall conduct, no less frequently than once every 2 years, an in-depth review of the *real property assessment roll* ~~rolls~~ of each county. The department need not individually study every use-class of property set forth in s. 195.073, but shall at a minimum study the level of assessment in relation to just value of each classification specified in subsection (3). Such in-depth review may include proceedings of the value adjustment board and the audit or review of procedures used by the counties to appraise property.

(a) The department shall, at least 30 days prior to the beginning of an in-depth review in any county, notify the property appraiser in the county of the pending review. At the request of the property appraiser, the department shall consult with the property appraiser regarding the classifications and strata to be studied, in order that the review will be useful to the property appraiser in evaluating his or her procedures.

(b) Every property appraiser whose upcoming roll is subject to an in-depth review shall, if requested by the department on or before January 1, deliver upon completion of the assessment roll a list of the parcel numbers of all parcels that did not appear on the assessment roll of the previous year, indicating the parcel number of the parent parcel from which each new parcel was created or "cut out."

(c) In conducting assessment ratio studies, the department must use all practicable steps, including stratified statistical and analytical reviews and sale-qualification studies, to maximize the representativeness or statistical reliability of samples of properties in tests of each classification, stratum, or roll made the subject of a ratio study published by it. The department shall document and retain records of the measures of representativeness of the properties studied in compliance with this section. Such documentation must include a record of findings used as the basis for the approval or disapproval of the tax roll in each county pursuant to s. 193.1142. In addition, to the greatest extent practicable, the department shall study assessment roll strata by sub-classifications such as value groups and market areas for each classification or stratum to be studied, to maximize the representativeness of ratio study samples. For purposes of this section, the department shall rely primarily on an assessment-to-sales-ratio study in conducting assessment ratio studies in those classifications of property specified in subsection (3) for which there are adequate market sales. The department shall compute the median and the value-weighted mean for each classification or subclassification studied and for the roll as a whole.

(d) In the conduct of these reviews, the department shall adhere to all standards to which the property appraisers are required to adhere.

(e) The department and each property appraiser shall cooperate in the conduct of these reviews, and each shall make available to the other all matters and records bearing on the preparation and computation of the reviews. The property appraisers shall provide any and all data requested by the department in the conduct of the studies, including electronic data processing tapes. Any and all data and samples developed or obtained by the department in the conduct of the studies shall be confidential and exempt from the provisions of s. 119.07(1) until a presentation of the findings of the study is made to the property appraiser. After the presentation of the findings, the department shall provide any and all data requested by a property appraiser developed or obtained in the conduct of the studies, including tapes. Direct reimbursable costs of providing the data shall be borne by the party who requested it. Copies of existing data or records, whether maintained or required pursuant to law or rule, or data or records otherwise maintained, shall be submitted within 30 days from the date requested, in the case of written or printed information, and within 14 days from the date requested, in the case of computerized information.

(f) Within 120 days after receipt of a county assessment roll by the executive director of the department pursuant to s. 193.1142(1), or within 10 days after approval of the assessment roll, whichever is later, the department shall complete the review for that county and publish the department's findings. The findings must include ~~a statement of the confidence interval for the median and such other measures as may be appropriate for each classification or subclassification studied and for the roll as a whole~~, and related statistical and analytical details. The measures in the findings must be based on:

1. A 95-percent level of confidence; or
2. Ratio study standards that are generally accepted by professional appraisal organizations in developing a statistically valid sampling plan if a 95-percent level of confidence is not attainable.

(g) Notwithstanding any other provision of this chapter, in one or more assessment years following a natural disaster in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if the department determines that the natural disaster creates difficulties in its statistical and analytical reviews of the assessment rolls in affected counties, the department shall take all practicable steps to maximize the representativeness and reliability of its statistical and analytical reviews and may use the best information available to estimate the levels of assessment. This paragraph first applies to the 2019 assessment roll and operates retroactively to January 1, 2019.

(3)(a) Upon completion of review pursuant to paragraph (2)(f), the department shall publish the results of reviews conducted under this section. The results must include all statistical and analytical measures computed under this section for the real property assessment roll ~~as a whole, the personal property assessment roll as a whole~~, and independently for the following real property classes if the classes constituted 5 percent or more of the total assessed value of real property in a county on the previous tax roll:

1. Residential property that consists of one primary living unit, including, but not limited to, single-family residences, condominiums, cooperatives, and mobile homes.
2. Residential property that consists of two ~~to nine or more~~ primary living units.
3. Agricultural, high-water recharge, historic property used for commercial or certain nonprofit purposes, and other use-valued property.
4. Vacant lots.
5. Nonagricultural acreage and other undeveloped parcels.
6. Improved commercial and industrial property, *including apartments with more than nine units*.
7. Taxable institutional or governmental, utility, locally assessed railroad, oil, gas and mineral land, subsurface rights, and other real property.

If one of the above classes constituted less than 5 percent of the total assessed value of all real property in a county on the previous assessment roll, the department may combine it with one or more other classes of real property for purposes of assessment ratio studies or use the weighted average of the other classes for purposes of calculating the level of assessment for all real property in a county. The department shall also publish such results for any subclassifications of the classes or assessment rolls it may have chosen to study.

Section 7. Effective upon this act becoming a law, subsection (2) of section 196.173, Florida Statutes, is amended to read:

Section 9. *Application deadline for additional ad valorem tax exemption for specified deployments.—*

(1) *Notwithstanding the filing deadlines contained in s. 196.173(6), Florida Statutes, the deadline for an applicant to file an application with the property appraiser for an additional ad valorem tax exemption under s. 196.173, Florida Statutes, for the 2020 tax roll is June 1, 2020.*

Such petition must be filed on or before the 25th day after the property appraiser mails the notice required under s. 194.011(1), Florida Statutes. Section 10. Effective upon becoming a law and operating retroactively to January 1, 2020, subsection (1) of section 196.1978, Florida Statutes, is amended to read:

**196.1978 Affordable housing property exemption.—**

(1) Property used to provide affordable housing to eligible persons as defined by s. 159.603 and natural persons or families meeting the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, which is owned entirely by a nonprofit entity that is a corporation not for profit, qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and in compliance with Rev. Units that are vacant and units that are occupied by natural persons or families whose income no longer meets the income limits of this subsection, but whose income met those income limits at the time they became tenants, shall be treated as portions of the affordable housing property exempt under this subsection if a recorded land use restriction agreement in favor of the Florida Housing Finance Corporation or any other governmental or quasi-governmental jurisdiction requires that all residential units within the property be used in a manner that qualifies for the exemption under this subsection and if the units are being offered for rent.*

Section 12. Effective upon this act becoming a law, paragraphs (b), (d), (e), and (f) of subsection (2) of section 200.065, Florida Statutes, are amended to read:

**200.065 Method of fixing millage.—**

(2) No millage shall be levied until a resolution or ordinance has been approved by the governing board of the taxing authority which resolution or ordinance must be approved by the taxing authority according to the following procedure:

(b) Within 35 days of certification of value pursuant to subsection (1), each taxing authority shall advise the property appraiser of its proposed millage rate, of its rolled-back rate computed pursuant to subsection (1), and of the date, time, and place at which a public hearing will be held to consider the proposed millage rate and the tentative budget. The property appraiser shall utilize this information in preparing the notice of proposed property taxes pursuant to s. 200.069. The deadline for mailing the notice shall be the later of 55 days after certification of value pursuant to subsection (1) or 10 days after either the date the tax roll is approved or the interim roll procedures under s. 193.1145 are instituted. *However, for counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, if mailing is not possible during the state of emergency, the property appraiser may post the notice on the county's website. If the deadline for mailing the notice of proposed property taxes is 10 days after the date the tax roll is approved or the interim roll procedures are instituted, all subsequent deadlines provided in this section shall be extended. In addition, the deadline for mailing the notice may be extended for 30 days in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252, and property appraisers may use alternate methods of distribution only when mailing the notice is not possible. In such event, however, property appraisers must work with county tax collectors to ensure the timely assessment and collection of taxes. The number of days by which the deadlines shall be extended shall equal the number of days by which the deadline for mailing the notice of proposed taxes is extended beyond 55 days after certification. If any taxing authority fails to provide the information required in this paragraph to the property appraiser in a timely fashion, the taxing authority shall be prohibited from levying a millage rate greater than the rolled-back rate computed pursuant to subsection (1) for the upcoming fiscal year, which rate shall be computed by the property appraiser and used in preparing the notice of proposed property taxes. Each multicounty taxing authority that levies taxes in any county that has extended the deadline for mailing the notice due to a declared state of emergency and that has noticed hearings in other counties must advertise the hearing at which it intends to adopt a tentative budget and millage rate in a newspaper of general paid circulation within each county not less than 2 days or more than 5 days before the hearing.*

(d) Within 15 days after the meeting adopting the tentative budget, the taxing authority shall advertise in a newspaper of general circulation in the county as provided in subsection (3), its intent to finally adopt a millage rate and budget. A public hearing to finalize the budget and adopt a millage rate shall be held not less than 2 days nor more than 5 days after the day that the advertisement is first published. *In the event of a need to postpone or recess the final meeting due to a declared state of emergency, the taxing authority may postpone or recess the hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The taxing authority shall make every reasonable effort to*

provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the taxing authority's website. During the hearing, the governing body of the taxing authority shall amend the adopted tentative budget as it sees fit, adopt a final budget, and adopt a resolution or ordinance stating the millage rate to be levied. The resolution or ordinance shall state the percent, if any, by which the millage rate to be levied exceeds the rolled-back rate computed pursuant to subsection (1), which shall be characterized as the percentage increase in property taxes adopted by the governing body. The adoption of the budget and the millage-levy resolution or ordinance shall be by separate votes. For each taxing authority levying millage, the name of the taxing authority, the rolled-back rate, the percentage increase, and the millage rate to be levied shall be publicly announced ~~before~~ *prior to* the adoption of the millage-levy resolution or ordinance. In no event may the millage rate adopted pursuant to this paragraph exceed the millage rate tentatively adopted pursuant to paragraph (c). If the rate tentatively adopted pursuant to paragraph (c) exceeds the proposed rate provided to the property appraiser pursuant to paragraph (b), or as subsequently adjusted pursuant to subsection (11), each taxpayer within the jurisdiction of the taxing authority shall be sent notice by first-class mail of his or her taxes under the tentatively adopted millage rate and his or her taxes under the previously proposed rate. The notice must be prepared by the property appraiser, at the expense of the taxing authority, and must generally conform to the requirements of s. 200.069. If such additional notice is necessary, its mailing must precede the hearing held pursuant to this paragraph by not less than 10 days and not more than 15 days.

(e)1. In the hearings required pursuant to paragraphs (c) and (d), the first substantive issue discussed shall be the percentage increase in millage over the rolled-back rate necessary to fund the budget, if any, and the specific purposes for which ad valorem tax revenues are being increased. During such discussion, the governing body shall hear comments regarding the proposed increase and explain the reasons for the proposed increase over the rolled-back rate. The general public shall be allowed to speak and to ask questions ~~before~~ *prior to* adoption of any measures by the governing body. The governing body shall adopt its tentative or final millage rate ~~before~~ *prior to* adopting its tentative or final budget.

2. These hearings shall be held after 5 p.m. if scheduled on a day other than Saturday. No hearing shall be held on a Sunday. The county commission shall not schedule its hearings on days scheduled for hearings by the school board. The hearing dates scheduled by the county commission and school board shall not be utilized by any other taxing authority within the county for its public hearings. *However, in counties for which a state of emergency was declared by executive order or proclamation of the Governor pursuant to chapter 252 and the re-scheduling of hearings on the same day is unavoidable, the county commission and school board must conduct their hearings at different times, and other taxing authorities must schedule their hearings so as not to conflict with the times of the county commission and school board hearings.* A multicounty taxing authority shall make every reasonable effort to avoid scheduling hearings on days utilized by the counties or school districts within its jurisdiction. Tax levies and budgets for dependent special taxing districts shall be adopted at the hearings for the taxing authority to which such districts are dependent, following such discussion and adoption of levies and budgets for the superior taxing authority. A taxing authority may adopt the tax levies for all of its dependent special taxing districts, and may adopt the budgets for all of its dependent special taxing districts, by a single unanimous vote. However, if a member of the general public requests that the tax levy or budget of a dependent special taxing district be separately discussed and separately adopted, the taxing authority shall discuss and adopt that tax levy or budget separately. If, due to circumstances beyond the control of the taxing authority, *including a state of emergency declared by executive order or proclamation of the Governor pursuant to chapter 252*, the hearing provided for in paragraph (c) or paragraph (d) is recessed or postponed, the taxing authority shall publish a notice in a newspaper of general paid circulation in the county. The notice shall state the time and place for the continuation of the hearing and shall be published at least 2 days but not more than 5 days ~~before~~ *prior to* the date the hearing will be continued. *In the event of postponement or recess due to a declared state of emergency, all subsequent dates in this section shall be extended by the number of days of the postponement or recess. Notice of the postponement or recess must be in writing by the affected taxing authority to the tax collector, the property appraiser, and the*

*Department of Revenue within 3 calendar days after the postponement or recess. In the event of such extension, the affected taxing authority must work with the county tax collector and property appraiser to ensure timely assessment and collection of taxes.*

(f)1. Notwithstanding any provisions of paragraph (c) to the contrary, each school district shall advertise its intent to adopt a tentative budget in a newspaper of general circulation pursuant to subsection (3) within 29 days of certification of value pursuant to subsection (1). Not less than 2 days or more than 5 days thereafter, the district shall hold a public hearing on the tentative budget pursuant to the applicable provisions of paragraph (c). *In the event of postponement or recess due to a declared state of emergency, the school district may postpone or recess the hearing for up to 7 days and shall post a prominent notice at the place of the original hearing showing the date, time, and place where the hearing will be reconvened. The posted notice shall measure not less than 8.5 by 11 inches. The school district shall make every reasonable effort to provide reasonable notification of the continued hearing to the taxpayers. The information must also be posted on the school district's website.*

2. Notwithstanding any provisions of paragraph (b) to the contrary, each school district shall advise the property appraiser of its recomputed proposed millage rate within 35 days of certification of value pursuant to subsection (1). The recomputed proposed millage rate of the school district shall be considered its proposed millage rate for the purposes of paragraph (b).

3. Notwithstanding any provisions of paragraph (d) to the contrary, each school district shall hold a public hearing to finalize the budget and adopt a millage rate within 80 days of certification of value pursuant to subsection (1), but not earlier than 65 days after certification. The hearing shall be held in accordance with the applicable provisions of paragraph (d), except that a newspaper advertisement need not precede the hearing.

Section 13. Section 200.069, Florida Statutes, is amended to read:

200.069 Notice of proposed property taxes and non-ad valorem assessments.—Pursuant to s. 200.065(2)(b), the property appraiser, in the name of the taxing authorities and local governing boards levying non-ad valorem assessments within his or her jurisdiction and at the expense of the county, shall prepare and deliver by first-class mail to each taxpayer to be listed on the current year's assessment roll a notice of proposed property taxes, which notice shall contain the elements and use the format provided in the following form. Notwithstanding the provisions of s. 195.022, no county officer shall use a form other than that provided herein. The Department of Revenue may adjust the spacing and placement on the form of the elements listed in this section as it considers necessary based on changes in conditions necessitated by various taxing authorities. If the elements are in the order listed, the placement of the listed columns may be varied at the discretion and expense of the property appraiser, and the property appraiser may use printing technology and devices to complete the form, the spacing, and the placement of the information in the columns. *In addition, the property appraiser may not include in the mailing of the notice of ad valorem taxes and non-ad valorem assessments additional information or items unless such information or items explain a component of the notice or provide information directly related to the assessment and taxation of the property.* A county officer may use a form other than that provided by the department for purposes of this part, but only if his or her office pays the related expenses and he or she obtains prior written permission from the executive director of the department; however, a county officer may not use a form the substantive content of which is at variance with the form prescribed by the department. The county officer may continue to use such an approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director.

(1) The first page of the notice shall read:

If the property appraiser's office is unable to resolve the matter as to market value, classification, or an exemption, you may file a petition for adjustment with the Value Adjustment Board. Petition forms are available from the county property appraiser and must be filed ON OR BEFORE \_\_\_\_\_ (date) \_\_\_\_\_.

(8) The reverse side of the first page of the form shall read:

#### EXPLANATION

##### \*COLUMN 1—"YOUR PROPERTY TAXES LAST YEAR"

This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's previous taxable value.

##### \*COLUMN 2—"YOUR TAXES IF NO BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year's budgets and your current assessment.

##### \*COLUMN 3—"YOUR TAXES IF PROPOSED BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown on the front side of this notice. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments.

\*Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive. (Discounts are a maximum of 4 percent of the amounts shown on this form.)

(9) The bottom portion of the notice shall further read in bold, conspicuous print:

"Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be levied by your county, city, or any special district."

(10)(a) If requested by the local governing board levying non-ad valorem assessments and agreed to by the property appraiser, the notice specified in this section may contain a notice of proposed or adopted non-ad valorem assessments. If so agreed, the notice shall be titled:

#### NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS DO NOT PAY—THIS IS NOT A BILL

There must be a clear partition between the notice of proposed property taxes and the notice of proposed or adopted non-ad valorem assessments. The partition must be a bold, horizontal line approximately 1/8-inch thick. By rule, the department shall provide a format for the form of the notice of proposed or adopted non-ad valorem assessments which meets the following minimum requirements:

1. There must be subheading for columns listing the levying local governing board, with corresponding assessment rates expressed in dollars and cents per unit of assessment, and the associated assessment amount.

2. The purpose of each assessment must also be listed in the column listing the levying local governing board if the purpose is not clearly indicated by the name of the board.

3. Each non-ad valorem assessment for each levying local governing board must be listed separately.

4. If a county has too many municipal service benefit units or assessments to be listed separately, it shall combine them by function.

5. A brief statement outlining the responsibility of the tax collector and each levying local governing board as to any non-ad valorem assessment must be provided on the form, accompanied by directions as to which office to contact for particular questions or problems.

(b) If the notice includes all adopted non-ad valorem assessments, the provisions contained in subsection (9) shall not be placed on the notice.

Section 14. Subsection (1) of section 206.05, Florida Statutes, is amended to read:

206.05 Bond required of licensed terminal supplier, importer, exporter, or wholesaler.—

(1) Each terminal supplier, importer, exporter, or wholesaler, except a municipality, county, school board, state agency, federal agency, or special district which is licensed under this part, shall file with the department a bond in a penal sum of not more than ~~\$300,000~~ **\$100,000**, such sum to be approximately 3 times the combined average monthly tax levied under this part and local option tax on motor fuel paid or due during the preceding 12 calendar months under the laws of this state. An exporter shall file a bond in an amount equal to 3 times the average monthly tax due on gallons acquired for export. The bond shall be in such form as may be approved by the department, executed by a surety company duly licensed to do business under the laws of the state as surety thereon, and conditioned upon the prompt filing of true reports and the payment to the department of any and all fuel taxes levied under this chapter including local option taxes which are now or which hereafter may be levied or imposed, together with any and all penalties and interest thereon, and generally upon faithful compliance with the provisions of the fuel tax and local option tax laws of the state. The licensee shall be the principal obligor, and the state shall be the obligee. An assigned time deposit or irrevocable letter of credit may be accepted in lieu of a surety bond.

Section 15. Subsection (6) of section 206.8741, Florida Statutes, is amended to read:

206.8741 Dyeing and marking; notice requirements.—

(6) Any person who fails to provide or post the required notice with respect to any dyed diesel fuel is subject to *a penalty of \$2,500 for each month such failure occurs* ~~the penalty imposed by s. 206.872(11)~~.

Section 16. Subsection (1) section 206.90, Florida Statutes, is amended to read:

206.90 Bond required of terminal suppliers, importers, and wholesalers.—

The sum of such bond shall be approximately 3 times the average monthly diesel fuels tax and local option tax on diesel fuels paid or due during the preceding 12 calendar months, with a surety approved by the department. The licensee shall be the principal obligor and the state shall be the obligee, conditioned upon the faithful compliance with the provisions of this chapter, including the local option tax laws. If the sum of 3 times a licensee's average monthly tax is less than \$50, no bond shall be required.

Section 17. Paragraph (a) of subsection (1) of section 212.05, Florida Statutes, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making mail order sales, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(a)1.a. At the rate of 6 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall by rule adopt any nationally recognized publication for valuation of used motor vehicles as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed pursuant to this subparagraph.

2. This paragraph does not apply to the sale of a boat or aircraft by or through a registered dealer under this chapter to a purchaser who, at the time of taking delivery, is a nonresident of this state, does not make his or her permanent place of abode in this state, and is not engaged in carrying on in this state any employment, trade, business, or profession in which the boat or aircraft will be used in this state, or is a corporation none of the officers or directors of which is a resident of, or makes his or her permanent place of abode in, this state, or is a noncorporate entity that has no individual vested with authority to participate in the management, direction, or control of the entity's affairs who is a resident of, or makes his or her permanent abode in, this state. For purposes of this exemption, either a registered dealer acting on his or her own behalf as seller, a registered dealer acting as broker on behalf of a seller, or a registered dealer acting as broker on behalf of the purchaser may be deemed to be the selling dealer. This exemption shall not be allowed unless:

a. The purchaser removes a qualifying boat, as described in subparagraph f., from the state within 90 days after the date of purchase or extension, or the purchaser removes a nonqualifying boat or an aircraft from this state within 10 days after the date of purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of the repairs or alterations; or if the aircraft will be registered in a foreign jurisdiction and:

(I) Application for the aircraft's registration is properly filed with a civil airworthiness authority of a foreign jurisdiction within 10 days after the date of purchase;

(II) The purchaser removes the aircraft from the state to a foreign jurisdiction within 10 days after the date the aircraft is registered by the applicable foreign airworthiness authority; and

(III) The aircraft is operated in the state solely to remove it from the state to a foreign jurisdiction.

For purposes of this sub-subparagraph, the term “foreign jurisdiction” means any jurisdiction outside of the United States or any of its territories;

b. The purchaser, within ~~90~~ ~~30~~ days from the date of departure, provides the department with written proof that the purchaser licensed, registered, titled, or documented the boat or aircraft outside the state. If such written proof is unavailable, within ~~90~~ ~~30~~ days the purchaser shall provide proof that the purchaser applied for such license, title, registration, or documentation. The purchaser shall forward to the department proof of title, license, registration, or documentation upon receipt;

c. The purchaser, within ~~30~~ ~~10~~ days ~~after~~ ~~of~~ removing the boat or aircraft from Florida, furnishes the department with proof of removal in the form of receipts for fuel, dockage, slippage, tie-down, or hanging from outside of Florida. The information so provided must clearly and specifically identify the boat or aircraft;

d. The selling dealer, within ~~30~~ ~~5~~ days ~~after~~ ~~of~~ the date of sale, provides to the department a copy of the sales invoice, closing statement, bills of sale, and the original affidavit signed by the purchaser attesting that he or she has read the provisions of this section;

e. The seller makes a copy of the affidavit a part of his or her record for as long as required by s. 213.35; and

f. Unless the nonresident purchaser of a boat of 5 net tons of admeasurement or larger intends to remove the boat from this state within 10 days after the date of purchase or when the boat is repaired or altered, within 20 days after completion of the repairs or alterations, the nonresident purchaser applies to the selling dealer for a decal which authorizes 90 days after the date of purchase for removal of the boat. The nonresident purchaser of a qualifying boat may apply to the selling dealer within 60 days after the date of purchase for an extension decal that authorizes the boat to remain in this state for an additional 90 days, but not more than a total of 180 days, before the nonresident purchaser is required to pay the tax imposed by this chapter. The department is authorized to issue decals in advance to dealers. The number of decals issued in advance to a dealer shall be consistent with the volume of the dealer's past sales of boats which qualify under this sub-subparagraph. The selling dealer or his or her agent shall mark and affix the decals to qualifying boats in the manner prescribed by the department, before delivery of the boat.

(I) The department is hereby authorized to charge dealers a fee sufficient to recover the costs of decals issued, except the extension decal shall cost \$425.

(II) The proceeds from the sale of decals will be deposited into the administrative trust fund.

(III) Decals shall display information to identify the boat as a qualifying boat under this sub-subparagraph, including, but not limited to, the decal's date of expiration.

(IV) The department is authorized to require dealers who purchase decals to file reports with the department and may prescribe all necessary records by rule. All such records are subject to inspection by the department.

(V) Any dealer or his or her agent who issues a decal falsely, fails to affix a decal, mismarks the expiration date of a decal, or fails to properly account for decals will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VI) Any nonresident purchaser of a boat who removes a decal before permanently removing the boat from the state, or defaces, changes, modifies, or alters a decal in a manner affecting its expiration date before its expiration, or who causes or allows the same to be done by another, will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine

and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VII) The department is authorized to adopt rules necessary to administer and enforce this subparagraph and to publish the necessary forms and instructions.

(VIII) The department is hereby authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this subparagraph.

If the purchaser fails to remove the qualifying boat from this state within the maximum 180 days after purchase or a nonqualifying boat or an aircraft from this state within 10 days after purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of such repairs or alterations, or permits the boat or aircraft to return to this state within 6 months from the date of departure, except as provided in s. 212.08(7)(fff), or if the purchaser fails to furnish the department with any of the documentation required by this subparagraph within the prescribed time period, the purchaser shall be liable for use tax on the cost price of the boat or aircraft and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2). The maximum 180-day period following the sale of a qualifying boat tax-exempt to a nonresident may not be tolled for any reason.

Section 18. Subsection (6) of section 212.055, Florida Statutes, is amended, and paragraph (f) is added to subsection (1) of that section, to read:

Additionally, the plan shall include the costs of retrofitting and providing for technology implementation, including hardware and software, for the various sites within the school district. Surtax revenues may be used ~~to service for the purpose of servicing~~ bond indebtedness to finance projects authorized by this subsection, and any interest accrued

The total amount of penalty imposed on a reporting entity may not exceed \$10,000 annually.*

(4) *The executive director or his or her designee may waive the penalty if he or she determines that the failure to timely file an information return was due to reasonable cause and not due to willful negligence, willful neglect, or fraud.*

Section 21. Section 212.181, Florida Statutes, is created to read:

**212.181 Determination of business address situs, distributions, and adjustments.—**

(b) *A county that imposes a tourist development tax in a subcounty special district pursuant to s. 125.0104(3)(b) must identify the subcounty special district addresses to which the tourist development tax applies as part of the address information submission required under paragraph (a). 2. *If the county that received the misallocated distribution followed the notification and timing provisions in subsection (2) for the affected periods and the county that should have received the misallocation did not, the correction shall apply only prospectively from the date the department is made aware of the misallocation.*

(b) *Nothing in this subsection prevents affected counties from determining an alternative method of adjustment pursuant to an interlocal agreement. Affected counties with an interlocal agreement must provide a copy of the interlocal agreement specifying an alternative method of adjustment to the department within 90 days after the date of the department's notice of the misallocation.*

(4) *The department may adopt rules to administer this section, including rules establishing procedures and forms.*

If a document sent electronically is returned as undeliverable, the department must resend the document by postal mail. However, the original electronic transmission used with the affirmative consent of the taxpayer or its representative is the official mailing for purposes of this chapter.*

A notice sent electronically will be considered received even if no individual is aware of its receipt. In addition, a notice sent electronically shall be considered received if the*

department does not receive notification that the document was undeliverable.

(3) For the purposes of this section, the term:

Section 27. Subsections (1), (2), and (5) of section 443.163, Florida Statutes, are amended to read:

443.163 Electronic reporting and remitting of contributions and reimbursements.—

(1) An employer may file any report and remit any contributions or reimbursements required under this chapter by electronic means. The Department of Economic Opportunity or the state agency providing reemployment assistance tax collection services shall adopt rules prescribing the format and instructions necessary for electronically filing reports and remitting contributions and reimbursements to ensure a full collection of contributions and reimbursements due. The acceptable method of transfer, the method, form, and content of the electronic means, and the method, if any, by which the employer will be provided with an acknowledgment shall be prescribed by the department or its tax collection service provider. However, any employer who employed 10 or more employees in any quarter during the preceding state fiscal year must file the Employers Quarterly Reports, *including any corrections*, for the current calendar year and remit the contributions and reimbursements due by electronic means approved by the tax collection service provider. ~~A person who prepared and reported for 100 or more employers in any quarter during the preceding state fiscal year must file the Employers Quarterly Reports for each calendar quarter in the current calendar year, beginning with reports due for the second calendar quarter of 2002, by electronic means approved by the tax collection service provider.~~

(2)(a) An employer who is required by law to file an Employers Quarterly Report, *including any corrections*, by approved electronic means, but who files the report *either directly or through an agent* by a means other than approved electronic means, is liable for a penalty of \$25 ~~\$50~~ for that report and \$1 for each employee, *not to exceed \$300*. This penalty is in addition to any other penalty provided by this chapter. However, the penalty does not apply if the tax collection service provider waives the electronic filing requirement in advance. An employer who fails to remit contributions or reimbursements *either directly or through an agent* by approved electronic means as required by law is liable for a penalty of \$25 ~~\$50~~ for each remittance submitted by a means other than approved electronic means. This penalty is in addition to any other penalty provided by this chapter.

~~(b) A person who prepared and reported for 100 or more employers in any quarter during the preceding state fiscal year, but who fails to file an Employers Quarterly Report for each calendar quarter in the current calendar year by approved electronic means, is liable for a penalty of \$50 for that report and \$1 for each employee. This penalty is in addition to any other penalty provided by this chapter. However, the penalty does not apply if the tax collection service provider waives the electronic filing requirement in advance.~~

(5) The tax collection service provider may waive the penalty imposed by this section if a ~~written~~ request for a waiver ~~is filed which~~ establishes that imposition would be inequitable. Examples of inequity include, but are not limited to, situations where the failure to electronically file was caused by one of the following factors:

(a) Death or serious illness of the person responsible for the preparation and filing of the report.

(b) Destruction of the business records by fire or other casualty.

(c) Unscheduled and unavoidable computer downtime.

Section 28. Subsections (1) and (3) of section 626.932, Florida Statutes, are amended to read:

The surplus lines agent is prohibited from absorbing such tax or, as an inducement for insurance or for any other reason, rebating all or any part of such tax or of his or her commission.

(3) If a surplus lines policy covers risks or exposures only partially in this state and the state is the home state as defined in the federal Nonadmitted and Reinsurance Reform Act of 2010 (NRRA), the tax payable shall be computed on the gross premium. *The surplus lines policy must be taxed in accordance with subsection (1) and the agent shall report the total premium for the risk that is located in this state and the total premium for the risk that is located outside of this state to the Florida Surplus Lines Service Office in the manner and form directed by the Florida Surplus Lines Service Office. The tax must not exceed the tax rate where the risk or exposure is located.*

The department, in conjunction with the Office of Economic and Demographic Research, shall review and adjust the cost per student station limits to reflect actual construction costs by January 1, 2020, and annually thereafter. The adjusted cost per student station shall be used by the department for computation of the statewide average costs per student station for each instructional level pursuant to paragraph (d). The department shall also collaborate with the Office of Economic and Demographic Research to select an industry-recognized construction index to replace the Consumer Price Index by January 1, 2020, adjusted annually to reflect changes in the construction index.

2. School districts shall maintain accurate documentation related to the costs of all new construction of educational plant space reported to the Department of Education pursuant to paragraph (d). 4. A district school board must not use funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any new construction of an ancillary plant that exceeds

70 percent of the average cost per square foot of new construction for all schools.

(e) *“Invasive body search” means a search involving a manual inspection of the breasts or a manual inspection using touch, insertion, or probing of the cavities of the human body, including the genitals, buttocks, or anus. An invasive body search may only be conducted according to a correctional institution’s written rules, policies, or procedures as required by subsection (6).*

(f)(e) *“Labor” means the period of time before a birth during which contractions are of sufficient frequency, intensity, and duration to bring about effacement and progressive dilation of the cervix.*

(g)(f) *“Postpartum recovery” means, as determined by her physician, the period immediately following delivery, including the recovery period when a woman is in the hospital or infirmary following birth, up to 24 hours after delivery unless the physician after consultation with the department or correctional institution recommends a longer period of time.*

(h) *“Pregnant prisoner” means any prisoner whose pregnancy is confirmed by or otherwise known to a qualified healthcare professional at the correctional institution.*

(i)(g) *“Prisoner” means any person incarcerated or detained in any correctional institution who is accused of, convicted of, sentenced for, or adjudicated delinquent for a violation of criminal law or the terms and conditions of parole, probation, community control, pretrial release, or a diversionary program. For purposes of this section, the term includes any woman detained under the immigration laws of the United States at any correctional institution.*

(j)(h) *“Restraints” means any physical restraint or mechanical device used to control the movement of a prisoner’s body or limbs, including, but not limited to, flex cuffs, soft restraints, hard metal handcuffs, a black box, chubb cuffs, leg irons, belly chains, a security or tether chain, or a convex shield.*

(k) *“Restrictive housing” means housing a prisoner separately from the general population of a correctional institution and imposing restrictions on her movement, behavior, and privileges. The term includes placing a prisoner in medical isolation, in a medical housing unit, or in the infirmary.*

### (3) RESTRAINT OF PRISONERS.—

(a) Restraints may not be used on a pregnant prisoner ~~who is known to be pregnant~~ during labor, delivery, and postpartum recovery, unless the corrections official makes an individualized determination that the pregnant prisoner presents an extraordinary circumstance, except that:

1. The physician may request that restraints not be used for documentable medical purposes. The correctional officer, correctional institution employee, or other officer accompanying the pregnant prisoner may consult with the medical staff; however, if the officer determines there is an extraordinary public safety risk, the officer is authorized to apply restraints as limited by subparagraph 2.

2. ~~Under no circumstances shall~~ Leg, ankle, or waist restraints may not be used on any pregnant prisoner who is in labor or delivery.

(b) If restraints are used on a pregnant prisoner pursuant to paragraph (a):

1. The type of restraint applied and the application of the restraint must be done in the least restrictive manner necessary; and

2. The corrections official shall make written findings within 10 days after the use of restraints as to the extraordinary circumstance that dictated the use of the restraints. These findings shall be kept on file by the department or correctional institution for at least 5 years.

(c) During the third trimester of pregnancy or when requested by the physician treating a pregnant prisoner, unless there are significant documentable security reasons noted by the department or correctional institution to the contrary that would threaten the safety of the prisoner, the unborn child, or the public in general:

1. Leg, ankle, and waist restraints may not be used; and

2. If wrist restraints are used, they must be applied in the front so the pregnant prisoner is able to protect herself in the event of a forward fall.

(d) In addition to the specific requirements of paragraphs (a)-(c), any restraint of a pregnant prisoner ~~who is known to be pregnant~~ must be done in the least restrictive manner necessary in order to mitigate the possibility of adverse clinical consequences.

### (4) RESTRICTIVE HOUSING.—

(a) *Except as provided in paragraph (b) or paragraph (d), a pregnant prisoner may not be involuntarily placed in restrictive housing.*

(b) *A pregnant prisoner may be involuntarily placed in restrictive housing if the corrections official of the correctional institution makes an individualized determination that restrictive housing is necessary to protect the health and safety of the pregnant prisoner or others or to preserve the security and order of the correctional institution and that there are no less restrictive means available. After placing a pregnant prisoner in restrictive housing under this paragraph, the corrections official must write a report stating:*

1. *The individualized reason restrictive housing is necessary.*

(d)1. *If a pregnant prisoner needs medical care, a primary care nurse practitioner or obstetrician must provide an order for the pregnant prisoner to be placed in a designated medical housing unit or admitted to the infirmary.*

2. *If a pregnant prisoner has passed her due date, she must be placed in a designated medical housing unit or admitted to the infirmary until labor begins. A pregnant prisoner who has been placed in a designated medical housing unit or admitted to the infirmary must be provided the same access to outdoor recreation, visitation, mail, telephone calls, and other privileges and classes available to the general population unless:*

a. *The corrections official, after consulting with a qualified healthcare professional at the correctional institution, determines that such access poses a danger to the safety and security of the correctional institution; or*

b. *A qualified healthcare professional at the correctional institution determines that such access poses a danger of adverse clinical consequences for the pregnant prisoner or others and documents such determination in the pregnant prisoner's medical file.*

#### (5)(4) ENFORCEMENT.—

(a) Notwithstanding any relief or claims afforded by federal or state law, any prisoner who is restrained or placed in restrictive housing in violation of this section may file a grievance with the correctional institution, and be granted a 45-day extension if requested in writing pursuant to rules promulgated by the correctional institution.

(b) This section does not prevent a woman harmed through the use of restraints or by placement in restrictive housing under this section from filing a complaint under any other relevant provision of federal or state law.

#### (6)(5) NOTICE TO PRISONERS.—

(a) ~~By September 1, 2012,~~ The department and the Department of Juvenile Justice shall adopt rules pursuant to ss. 120.536(1) and 120.54 to administer this section.

(b) Each correctional institution shall inform female prisoners of the rules developed pursuant to paragraph (a) upon admission to the correctional institution, including the policies and practices in the prisoner handbook, and post the policies and practices in locations in the correctional institution where such notices are commonly posted and will be seen by female prisoners, including common housing areas and medical care facilities.

(c) *Each county or municipal detention facility and each detention facility operated by a private entity shall adopt written policies and procedures relating to the use of restraints and the performance of invasive body searches on pregnant prisoners.*

Remove lines 214-239 of the amendment and insert: providing definitions; prohibiting the involuntary placement of pregnant prisoners in restrictive housing; providing exceptions; requiring corrections officials to write a specified report if circumstances necessitate placing a pregnant prisoner in restrictive housing; providing requirements for the report; requiring a copy of such reports to be provided to pregnant prisoners in restrictive housing; providing requirements for the treatment of pregnant prisoners placed in restrictive housing; requiring pregnant prisoners to be placed in a designated medical housing unit or admitted to the infirmary under certain circumstances; providing certain rights for pregnant prisoners placed in a designated medical housing unit or admitted to the infirmary; expanding enforcement provisions to provide for grievances for violations relating to restrictive housing of pregnant prisoners; requiring the Department of Corrections and the Department of Juvenile Justice to adopt rules; requiring detention facilities to develop specified written policies and procedures; providing an effective date.

## PRAYER

The following prayer was offered by Senator Hooper:

Almighty God, thank you, first, for getting each one of us to the Capitol safely, and may we all have a safe return back to our homes and our districts. Lord, we have reached out to you many times these past few weeks, and we're so thankful that you do indeed hear our prayers, every one—you always will, and you will always take care of your children.

God, in this time, we ask a special blessing and protection for not only our nation and our world, but for our federal leaders, our Governor and the Cabinet, the Senate, the House of Representatives, the police officers on duty every day, the firefighters, the medical personnel, the doctors and nurses, and everybody in the emergency operations division working twenty-four hours a day, seven days a week, to protect our citizens. We can't ask anything but to keep them safe and your protective arms around them at all times.

Make sure that every night each of us gets to go home to our family. We would be so grateful if they were safe also. Lord, we are here to do the citizens' work, and we will get that done. You have given us many blessings—sometimes we forget to say, "Thank you" for the daily blessings we get—but today, I thank you for every day and the blessings I know that I receive. We reach out to you in the name of the Lord, and everybody said, "Amen."

JUVENILE JUSTICE, DEPARTMENT OF			
From the funds in Specific Appropriations 1120 through 1203B, the Department of Juvenile Justice may work within its existing budget, including applicable grants, to implement any corrective action plan that is developed as the result of a Prison Rape Elimination Act audit conducted in accordance with Title 28, Part 115 of the Code of Federal Regulations. The department may request additional resources required through the Legislative Budget Request process as defined in chapter 216, Florida Statutes.			
From the funds in Specific Appropriation 1120 through 1203B, the Department of Juvenile Justice shall conduct a comprehensive statewide review of county-level data, including a gap analysis of services and programs available across all counties in the state, to evaluate the implementation of juvenile justice policies at the county level. As a result of such review, the department shall prepare a report that includes benchmarking of counties' performance on factors that demonstrate how a county is supporting the department's strategic goals of preventing and diverting more youth from entering the juvenile justice system; providing appropriate, less restrictive, community-based sanctions and services; reserving serious sanctions for youth who pose the greatest risk to public safety; and focusing on rehabilitation. The report shall also include recommendations and strategies that can be implemented by the department or counties to address any identified deficiencies and to assist in developing a statewide, coordinated response across all of Florida's communities to support the department's strategic goals. A copy of the report shall be submitted to the Governor, President of the Senate, and Speaker of the House of Representatives by January 1, 2021.

PROGRAM: RESIDENTIAL CORRECTIONS PROGRAM

From the funds in Specific Appropriations 1176 through 1189, the Department of Juvenile Justice shall provide a monthly residential resource utilization report that identifies operating capacity, current placements, vacant placements, number of youth awaiting placement, and the percent of use for all residential commitment beds. The department may increase or decrease beds or overlay services provided that the change will better serve taxpayers and the youth under its care. Notification and justification of changes will be provided to the Governor's Office of Policy and Budget, chair of the Senate Appropriations Committee, and chair of the House Appropriations Committee prior to implementing any change.

From the funds in Specific Appropriations 1176 through 1189, in selecting a private provider for operation of secure and non-secure residential programs, the Department of Juvenile Justice must consider the provider's history of performance of services in other jurisdictions as well as its performance of services in Florida. The department must also provide a report of serious incidents to the Governor, President of the Senate, and Speaker of the House of Representatives on no less than a quarterly basis. The report must include, at a minimum: the number of incidents and allegations of staff abuse or abuse by another child, including whether or not an allegation was substantiated; descriptions of incidents or allegations of such abuse that resulted in physical injury or significant psychological trauma, or that involved deprivation of food, water, or medical care; and the failure of a provider to report incidents or allegations within required timeframes established by the department. In addition, the department must conduct an independent

SPECIFIC  
APPROPRIATION

review of each out-of-state provider before issuing a new contract. The report must be organized so that the incidents and allegations relating to a particular facility and to a particular provider can be readily ascertained. The department must also immediately report the death or serious bodily injury of a youth in a secure or non-secure residential program to the Governor, President of the Senate, and Speaker of the House of Representatives, and may make any additional reports that it determines to be appropriate based upon the seriousness of an incident or allegation.

The department shall develop a methodology to allocate these funds in an equitable fashion among all applicable contracted service providers effective July 1, 2020. The department shall report on the use and effectiveness of these initiatives by February 1, 2021. From the funds in Specific Appropriations 2205 through 2300, any expenditure from the Temporary Assistance for Needy Families (TANF) Block Grant must be expended in accordance with the requirements and limitations of Part A of Title IV of the Social Security Act, as amended, or any other applicable federal requirement or limitation. Before any funds are released by the Department of Children and Families, each provider shall identify the number of clients to be served and certify their eligibility under Part A of Title IV of the Social Security Act. Funds may not be released for services to any clients except those so identified and certified.

The department head or a designee must certify that controls are in place to ensure that such funds are expended in accordance with the requirements and limitations of federal law and that reporting requirements of federal law are met. It is the responsibility of any entity to which such funds are appropriated to obtain the required certification prior to any expenditure of funds.

From the funds in Specific Appropriations 2205 through 2300, no federal or state funds shall be used to pay for space being leased by a Local Workforce Board, CareerSource Florida, or the Department of Economic Opportunity if it has been determined by whichever entity is the lessee that there is no longer a need for the leased space. All leases, and performance and obligations under the leases, are subject to and contingent upon an annual appropriation by the Florida Legislature. In the event that such annual appropriation does not occur, or in the alternative, there is either a reduction in funding from the prior annual appropriation or the entity which is the lessee determines that the annual appropriation is insufficient to meet the requirements of the leases, then the lessee has the right to terminate the lease upon written notice by the lessee and the lessee shall have no further obligations under the contracts.

No funds are appropriated in Specific Appropriations 2205 through 2300 and sections 8 and 90 through 93 for the payment of rent, lease, or possession of space for offices or any other purpose or use at Northwood Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Lease Nos. 720:0139, 750:0068, 790:0098, 400:0068, or 590:M139 or any other lease, except for State of Florida Lease No. 400:0070, by the Department of Economic Opportunity, including any one or more predecessor agencies, notwithstanding any lease or contract to the contrary. The Department of Economic Opportunity is prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund, or from any other source for the rent, lease, or possession of any space for offices or other purpose or use at Northwood Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Lease Nos. 720:0139, 750:0068, 790:0098, 400:0068, or 590:M139 or any other lease, except State of Florida Lease No. 400:0070.

PROGRAM: WORKFORCE SERVICES

WORKFORCE DEVELOPMENT

From the funds in Specific Appropriations 2231 through 2258, the Department of Economic Opportunity must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the department must notify the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee.

When allocating full-time equivalent (FTE) positions to individual local workforce development boards, the Department of Economic Opportunity must ensure that workforce services are effectively and efficiently provided throughout the state. The department is authorized to reallocate any FTE position allocated to a local workforce development board that has been or becomes vacant for more than 180 days. When reallocating a vacant FTE position, the department must give priority to a local workforce development board that would use the FTE position to provide additional services to veterans.

Funds provided in Specific Appropriation 2238 from the Welfare Transition Trust Fund are allocated for workforce services based on a plan approved by CareerSource Florida. The plan must maximize funds distributed directly to the local workforce development boards, and must identify any funds allocated for state-level and discretionary initiatives. The plan must equitably distribute funds to the boards based on anticipated client caseload to maximize the ability of the state to meet performance standards, including federal work participation rate requirements, and prioritize services provided to one-parent families.

From the funds provided in Specific Appropriation 2238, any expenditures by a local workforce development board for "outreach," "advertising," or "public relations" must have a direct program benefit and must be spent in strict accordance with all applicable federal regulations and guidance. For any expenditures exceeding \$5,000 for outreach purposes, a local workforce development board must obtain prior approval from the Department of Economic Opportunity before purchasing: promotional items, including but not limited to capes, blankets, and clothing; and memorabilia, models, gifts, and souvenirs.

Funds in Specific Appropriation 2238 may not be used directly or indirectly to pay for meals, food, or beverages for board members, staff, or employees of local workforce development boards, CareerSource Florida, or the Department of Economic Opportunity except as expressly authorized by state law. Preapproved, reasonable, and necessary per diem allowances and travel established in section 112.061, Florida Statutes, shall be in compliance with all applicable federal and state requirements. Funds in Specific Appropriation 2238 may not be used for entertainment costs and recreational activities for board members, staff, or employees.

Funds in Specific Appropriation 2238 may not be used for any contract exceeding \$25,000 between a local workforce development board and a member of that board that has any relationship with the contracting vendor unless the contract has been reviewed by the Department of Economic Opportunity and CareerSource Florida.

Funds in Specific Appropriation 2238 may not be used to fund the salary, bonus, or incentive of any employee in excess of Federal Executive Level II, regardless of fund source.

The moneys contained herein are appropriated from the named funds to the State Courts System as the amounts to be used to pay salaries, other operational expenditures and fixed capital outlay.

## STATE COURT SYSTEM

From the funds in Specific Appropriations 3198 through 3246, the Office of the State Courts Administrator shall coordinate with the circuit courts to develop or procure one or more electronic criminal justice risk assessment solutions. The solution(s) shall be a validated pretrial risk assessment instrument for all counties which will objectively analyze the risk that a criminal defendant will re-offend or fail to appear before trial and provide risk levels that will inform the court's decision as to whether the defendant should be detained pretrial or released with or without conditions. Criminal justice agencies shall cooperate with the implementation of the tool. In determining the appropriate pretrial risk assessment instruments, the office, in collaboration with the participating criminal justice agencies, shall review existing, validated pretrial risk assessment instruments. The office shall submit to the President of the Senate and the Speaker of the House of Representatives an interim report by February 1, 2021, which addresses the implementation status, outcomes, and whether risk assessment instruments used in problem solving courts could be included in the solution. A final report shall be issued by January 3, 2022, and shall include the preliminary outcome results from the use of the tool.

This section provides instructions for implementing the Fiscal Year 2020-2021 salary and benefit adjustments provided in this act. All allocations, distributions, and uses of these funds are to be made in strict accordance with the provisions of this act and chapter 216, Florida Statutes.

## MOTIONS

On motion by Senator Bradley, by two-thirds vote, the following remarks were ordered spread upon the Journal:

**Senator Stewart:** I would like to express my gratitude to Chair Bradley, the subcommittee chairs, and the incredible Appropriations staff for all of their hard work on this budget. Putting together a \$93 billion budget is always complicated, trying to balance fiscal responsibility with meeting the needs of all Floridians.

That was especially true this year, as the spread of Coronavirus threatens our citizens' health and our state's economic well-being. I am pleased that the budget takes those threats seriously, and I am hopeful that the public health funding and reserves set aside will help us weather the storm.

While the future is uncertain, I am proud of the priorities reflected in this budget. We focused on increasing education funding and raising teacher pay, taking a first step toward ensuring that our teachers and support staff are fairly compensated. We built on last year's record funding for water quality and the environment by increasing our commitment in this area. This includes \$100 million for Florida Forever, which helps conserve our state's unique lands to ensure they will be protected for generations of Floridians to enjoy. Facing a critical affordable housing shortage, we fully funded Sadowski housing trust funds, which will help provide this basic need in Central Florida and all around the state. We also maintained funding for cultural programs and facilities, ensuring that the arts will continue to flourish. The Legislature responded to growing caseloads by approving additional judgeships. The new judgeships include two circuit court judges in the Ninth Circuit, which will help re-open the county's shuttered business court.

This budget reflects the priorities and needs of all Floridians, and I am proud to support it.

**Senator Torres:** Thank you Mr. President, I rise today in support of this proposed budget. First, I would like to thank you and Chair Bradley for the hard work and leadership you showed throughout the development process of this budget that appears before us today. You worked to preserve many of the issues and positions that were important to this body as a whole and to me personally as an individual member.

I would like to specifically address three key elements included in this proposed budget that were crucial to gain my support. First and foremost, for the first time in more than a decade we have not taken from the Sadowski Act Trust fund ensuring that all that money is used as it is intended which is for the purpose of building much needed affordable housing across our state. I hope this year will begin a new trend to stop using this housing trust fund as a piggy bank we can raid to supplement general revenue funds.

Secondly, for only the second time in a decade, we are providing all state employees with a 3% raise to their base salaries and including state funded raises for all the school teachers across our state. Salaries for all public employees and teachers have not kept pace with rising cost of living increases over the past few years. It is important for us to attract and retain good public employees and high quality school teachers by offering competitive salaries and benefits packages.

Finally, this budget limits tax breaks to the Hurricane and Back-to-School tax holidays which directly benefit working families and consumers in Florida. These tax incentives boost commercial retail business and provide financial relief to families, helping them to harden their homes against natural disasters and prepare their children for school with essential clothing and supplies.

As we prepare to cast this vote today and move forward on approval of this state budget, it is not lost on me that we have gathered here under extraordinary circumstances. The impact of the corona virus is in the early stages of showing its effects on the public health and economic security of this state and of our entire nation. There is no way we can predict today what the increased cost will be to our public health services in the coming year as we treat and protect our citizens from the spread of this dangerous viral infection.

In light of this new public health threat, we should consider approving the expansion of Medicaid to provide medical coverage to the nearly one million Floridians that currently have no health insurance and may require treatment if infected with this virus. Moreover, the lost business activity to our state's tourism, hospitality, travel and service industries will surely lead to an economic downturn that could reduce our sales tax revenues by billions of dollars.

For these reasons, I urge my colleagues to join with me today in voting in favor of this budget proposal. This budget represents sound fiscal policies and reflects support of critical state priorities based upon the economic forecasted data available to us today. However, I think we are also aware that the impending public health and economic threat posed by the current Covid-19 virus may require us to return later this year and revise this budget to more accurately reflect our future economic circumstances and readdress the public health and safety needs of our state.

Thank you Mr. President.

**Senator Powell:** First I would like to thank all of the staff, the Budget Chair Rob Bradley, the Appropriation Subcommittee on Agriculture, Environment and General Government Chair Debbie Mayfield, and all of the other seven chairs. This once again has been a productive and bipartisan budget that has taken into account many of the requests of our Governor and our own personal districts. I am extremely pleased that we were able to fully fund the affordable housing trust fund by using Sadowski funds for their intended purpose and tacking many statewide issues including placing the needs of historically black colleges and universities at the forefront.

I remain cautiously optimistic as none of us could have predicted that we be facing the Coronavirus pandemic, however, I trust that as the legislature we will once again come together to work on behalf of the citizens of the great state of Florida. Thank you Mr. President for your oversight of this esteemed body and to my colleagues in the House, and with that I will be fully supporting this budget.

On motion by Senator Bradley, the Conference Committee Report on **HB 5001** was adopted. **HB 5001** passed, as amended by the Conference Committee Report, and was certified to the House together with the Conference Committee Report. The vote on passage was:

March 17, 2020

Dear Secretary Brown:

Please allow this letter to show my “yes” vote on HB 5001, the General Appropriations Act. While I understand my vote is not official in letter form, I kindly request my vote preference and reasons be included in the Senate Journal.

There are several reasons why I am pleased to vote “yes” on HB 5001. I support the budget because it includes full funding for the Sadowski Affordable Housing Trust Fund, a three percent state employee raise, \$500 million for teacher salary increases, \$100 million for Florida Forever land conservation and the much needed \$300 million for the COVID-19 outbreak.

I acknowledge the coronavirus situation is constantly evolving and it is quite possible we may need to return for a special session at a later date, especially after reviewing the economic impacts to our state. I feel this budget reflects are current needs at this point in time, not knowing what the future holds just yet.

Thank you for allowing me to record my vote in this method. Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Lori Berman

**Section 52** amends s. 216.262, F.S., to allow the Executive Office of the Governor to request additional positions and appropriations from unallocated general revenue funds during the 2020-2021 fiscal year for the Department of Corrections (DOC), if the actual inmate population of the DOC exceeds the Criminal Justice Estimating Conference forecasts of December 17, 2019. The additional positions and appropriations may be used for essential staff, fixed capital improvements, and other resources to provide classification, security, food services, health services, and other variable expenses within the institutions to accommodate the estimated increase in the inmate population, and are subject to Legislative Budget Commission review and approval.

**Section 53** amends s. 1011.80(8)(b), F.S., to permit the expenditure of appropriations for the education of state or federal inmates to the extent funds are specifically appropriated for this purpose.

**Section 54** provides that the amendments to s. 1011.80(8)(b), F.S., expire on July 1, 2021, and the text of that section reverts back to that in existence on June 30, 2019.

If the Department of Juvenile Justice determines that a county has not met its obligations, it must direct the Department of Revenue to deduct the amount owed to the Department of Juvenile Justice from shared revenue funds provided to the county under s. 218.23, F.S. to be deposited into the Shared County/State Juvenile Detention Trust Fund in Department of Juvenile Justice. The section also includes procedures to provide assurance to holders of bonds for which shared revenue fund distributions are pledged.

If the office of criminal conflict and civil regional counsel cannot accept a case from the public defender due to conflict, the office of civil regional counsel is required to specifically identify and describe the conflict of interest and certify the conflict to the court before a court-appointed counsel may be assigned. Each public defender and regional counsel must report, in the aggregate, the basis of all conflicts of interest certified to the court on a quarterly basis.

In addition, contracts with appointed counsel and forms used in billing by court-appointed counsel are required to be consistent with ss. 27.5304 and 216.311, F.S. A contract with court-appointed counsel must specify that payment is contingent upon an appropriation by the Legislature. The JAC is required to review all billings and must contemporaneously document its review before authorizing payment to an attorney. Objections by the JAC to billings by an attorney are required to be presumed correct by a court unless the court determines, in writing, that competent and substantial evidence supports overcoming the presumption. Motions to exceed the flat fee are required to be served on the JAC at least 20 business days before the hearing date, and the JAC may appear at the hearing in person or telephonically.

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(8) DECLINE IN FULL-TIME EQUIVALENT STUDENTS.—

(a) In those districts where there is a decline between prior year and current year unweighted FTE students, a percentage of the decline in the unweighted FTE students as determined by the Legislature shall be multiplied by the prior year calculated FEFP per unweighted FTE student and shall be added to the allocation for that district. For this purpose, the calculated FEFP shall be computed by multiplying the weighted FTE students by the base student allocation and then by the district cost differential. If a district transfers a program to another institution not under the authority of the district's school board, in-

cluding a charter technical career center, the decline is to be multiplied by a factor of 0.15. However, if the funds provided for the Florida Education Finance Program in the General Appropriations Act for any fiscal year are reduced by a subsequent appropriation for that fiscal year, the percent of the decline in the unweighted FTE students to be funded shall be determined by the Legislature and designated in the subsequent appropriation.

(b) *The allocation authorized in this paragraph (a) is suspended for the 2020-2021 fiscal year and does not apply during such fiscal year. This paragraph expires July 1, 2021.*

(17)(a) **FUNDING COMPRESSION AND HOLD HARMLESS ALLOCATION.**—The Legislature may provide an annual funding compression and hold harmless allocation in the General Appropriations Act. The allocation is created to provide additional funding to school districts if the school district's ~~and developmental research schools whose~~ total funds per FTE in the prior year were less than the statewide average or if the school district's district cost differential in the current year is less than the prior year. The total allocation shall be distributed to eligible school districts as follows:

(b) Using the most recent prior year FEFP calculation for each eligible school district, ~~subtract the total school district funds per FTE shall be subtracted~~ from the state average funds per FTE, not including any adjustments made pursuant to paragraph (19)(b). The resulting funds per FTE difference, or a portion thereof, as designated in the General Appropriations Act, shall then be multiplied by the school district's total unweighted FTE ~~to provide the allocation.~~

(c) *Multiply the absolute value of the difference between the eligible school district's current year district cost differential and the prior year district cost differential by a hold harmless factor as designated in the General Appropriations Act. The result is the district cost differential hold harmless index. Multiply the index by the eligible school district's weighted FTE and by the base student allocation as designated in the General Appropriations Act.*

(d) *Add the amounts calculated in paragraphs (b) and (c) and if the amount is ~~calculated funds are~~ greater than the amount included in the General Appropriations Act, the allocation shall ~~they must~~ be prorated to the appropriation amount based on each participating school district's share. This subsection expires July 1, 2021 ~~2020~~.*

(1) *The agency shall automatically enroll into a long-term care managed care plan those Medicaid recipients who do not voluntarily choose a plan pursuant to s. 409.969. The agency shall automatically enroll recipients in plans that meet or exceed the performance or quality standards established pursuant to s. 409.967 and may not automatically enroll recipients in a plan that is deficient in those performance or quality standards. If a recipient is deemed dually eligible for Medicaid and Medicare services and is currently receiving Medicare services from an entity qualified under 42 C.F.R. part 422 as a Medicare Advantage Preferred Provider Organization, Medicare Advantage Provider-sponsored Organization, or Medicare Advantage Special Needs Plan, the agency shall automatically enroll the recipient in such plan for Medicaid services if the plan is currently participating in the long-term care managed care program. For a dually eligible recipient receiving Medicare services from an entity qualified under 42 C.F.R. part 422 who is not participating in the long-term care managed care program, the agency shall automatically enroll the dually eligible recipient in a long-term care plan that has established a collaboration and coordination agreement with that nonparticipating entity, if the agency determines the agreement is sufficient to ensure provision of all required services in a manner consistent with state and federal requirements.*

Except as otherwise provided in this part, the agency may not engage in practices that are designed to favor one managed care plan over another.

Section 46. *The amendments to s. 409.984(1), Florida Statutes, by this act expire July 1, 2021, and the text of that subsection shall revert to that in existence on June 30, 2020, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portion of text which expires pursuant to this section.*

Section 47. In order to implement Specific Appropriations 225 and 226 of the 2020-2021 General Appropriations Act, paragraph (b) of subsection (2) of section 409.908, Florida Statutes, is amended to read:

409.908 Reimbursement of Medicaid providers.—Subject to specific appropriations, the agency shall reimburse Medicaid providers, in accordance with state and federal law, according to methodologies set forth in the rules of the agency and in policy manuals and handbooks incorporated by reference therein. These methodologies may include fee schedules, reimbursement methods based on cost reporting, negotiated fees, competitive bidding pursuant to s. 287.057, and other mechanisms the agency considers efficient and effective for purchasing services or goods on behalf of recipients. If a provider is reimbursed based on cost reporting and submits a cost report late and that cost report would have been used to set a lower reimbursement rate for a rate semester, then the provider's rate for that semester shall be retroactively calculated using the new cost report, and full payment at the recalculated rate shall be effected retroactively. Medicare-granted extensions for filing cost reports, if applicable, shall also apply to Medicaid cost reports. Payment for Medicaid compensable services made on behalf of Medicaid eligible persons is subject to the availability of moneys and any limitations or directions provided for in the General Appropriations Act or chapter 216. Further, nothing in this section shall be construed to prevent or limit the agency from adjusting fees, reimbursement rates, lengths of stay, number of visits, or number of services, or making any other adjustments necessary to comply with the availability of moneys and any limitations or directions provided for in the General Appropriations Act, provided the adjustment is consistent with legislative intent.

(2)

(b) Subject to any limitations or directions in the General Appropriations Act, the agency shall establish and implement a state Title XIX Long-Term Care Reimbursement Plan for nursing home care in order to provide care and services in conformance with the applicable state and federal laws, rules, regulations, and quality and safety standards and to ensure that individuals eligible for medical assistance have reasonable geographic access to such care.

1. The agency shall amend the long-term care reimbursement plan and cost reporting system to create direct care and indirect care subcomponents of the patient care component of the per diem rate. These two subcomponents together shall equal the patient care component of the per diem rate. Separate prices shall be calculated for each patient care subcomponent, initially based on the September 2016 rate setting cost reports and subsequently based on the most recently audited cost report used during a rebasing year. The direct care subcomponent of the per diem rate for any providers still being reimbursed on a cost basis shall be limited by the cost-based class ceiling, and the indirect care subcomponent may be limited by the lower of the cost-based class ceiling, the target rate class ceiling, or the individual provider target. The ceilings and targets apply only to providers being reimbursed on a cost-based system. Effective October 1, 2018, a prospective payment methodology shall be implemented for rate setting purposes with the following parameters:

a. Peer Groups, including:

(I) North-SMMC Regions 1-9, less Palm Beach and Okeechobee Counties; and

(II) South-SMMC Regions 10-11, plus Palm Beach and Okeechobee Counties.

b. Percentage of Median Costs based on the cost reports used for September 2016 rate setting:

(I) Direct Care Costs 100 percent.

(II) Indirect Care Costs 92 percent.

(III) Operating Costs 86 percent.

c. Floors:

(I) Direct Care Component 95 percent.

(II) Indirect Care Component 92.5 percent.

(III) Operating Component None.

d. Pass-through Payments Real Estate and Personal Property Taxes and Property Insurance.

e. Quality Incentive Program Payment Pool 6.5 percent of September 2016 non-property related payments of included facilities.

f. Quality Score Threshold to Quality for Quality Incentive Payment 20th percentile of included facilities.

g. Fair Rental Value System Payment Parameters:

(I) Building Value per Square Foot based on 2018 RS Means.

(II) Land Valuation 10 percent of Gross Building value.

(III) Facility Square Footage Actual Square Footage.

(IV) Moveable Equipment Allowance \$8,000 per bed.

(V) Obsolescence Factor 1.5 percent.

(VI) Fair Rental Rate of Return 8 percent.

(VII) Minimum Occupancy 90 percent.

(VIII) Maximum Facility Age 40 years.

(IX) Minimum Square Footage per Bed 350.

(X) Maximum Square Footage for Bed 500.

(XI) Minimum Cost of a renovation/replacements \$500 per bed.

h. Ventilator Supplemental payment of \$200 per Medicaid day of 40,000 ventilator Medicaid days per fiscal year.

2. The direct care subcomponent shall include salaries and benefits of direct care staff providing nursing services including registered nurses, licensed practical nurses, and certified nursing assistants who deliver care directly to residents in the nursing home facility, allowable therapy costs, and dietary costs. This excludes nursing administration, staff development, the staffing coordinator, and the administrative portion of the minimum data set and care plan coordinators. The direct care subcomponent also includes medically necessary dental care, vision care, hearing care, and podiatric care.

3. All other patient care costs shall be included in the indirect care cost subcomponent of the patient care per diem rate, including complex medical equipment, medical supplies, and other allowable ancillary costs. Costs may not be allocated directly or indirectly to the direct care subcomponent from a home office or management company.

4. On July 1 of each year, the agency shall report to the Legislature direct and indirect care costs, including average direct and indirect care costs per resident per facility and direct care and indirect care salaries and benefits per category of staff member per facility.

5. Every fourth year, the agency shall rebase nursing home prospective payment rates to reflect changes in cost based on the most recently audited cost report for each participating provider.

6. A direct care supplemental payment may be made to providers whose direct care hours per patient day are above the 80th percentile and who provide Medicaid services to a larger percentage of Medicaid patients than the state average.

7. For the period beginning July 1, 2020, the agency shall establish a unit cost increase as an equal percentage for each nursing home.

8.7- For the period beginning on October 1, 2018, and ending on September 30, 2021, the agency shall reimburse providers the greater of their September 2016 cost-based rate *plus the July 1, 2020, unit cost increase* or their prospective payment rate *plus the July 1, 2020, unit cost increase*. Effective October 1, 2021, the agency shall reimburse providers the greater of 95 percent of their cost-based rate *plus the July 1, 2020, unit cost increase* or their rebased prospective payment rate *plus the July 1, 2020, unit cost increase*, using the most recently audited cost report for each facility. This subparagraph shall expire September 30, 2023.

9.8- Pediatric, Florida Department of Veterans Affairs, and government-owned facilities are exempt from the pricing model established in this subsection and shall remain on a cost-based prospective payment system. Effective October 1, 2018, the agency shall set rates for all facilities remaining on a cost-based prospective payment system using each facility's most recently audited cost report, eliminating retroactive settlements.

It is the intent of the Legislature that the reimbursement plan achieve the goal of providing access to health care for nursing home residents who require large amounts of care while encouraging diversion services as an alternative to nursing home care for residents who can be served within the community. The agency shall base the establishment of any maximum rate of payment, whether overall or component, on the available moneys as provided for in the General Appropriations Act. The agency may base the maximum rate of payment on the results of scientifically valid analysis and conclusions derived from objective statistical data pertinent to the particular maximum rate of payment.

Section 48. *The amendments to s. 409.908(2)(b), Florida Statutes, by this act expire July 1, 2021, and the text of that paragraph shall revert to that in existence on July 1, 2019, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.*

Section 49. *Effective upon becoming law, in order to implement Specific Appropriations 426 through 545 of the 2019-2020 General Appropriations Act and Specific Appropriations 426 through 545 of the 2020-2021 General Appropriations Act, and notwithstanding ss. 216.181 and 216.292, Florida Statutes, the Department of Health may submit a budget amendment, subject to the notice, review, and objection procedures of s. 216.177, Florida Statutes, to increase budget authority for public health emergencies declared pursuant to s. 381.00315, Florida Statutes, if additional federal revenues specific to response to a declared public health emergency become available in the 2019-2020 or 2020-2021 fiscal year. This section expires July 1, 2021.*

Section 50. In order to implement Specific Appropriations 225 and 226 of the 2020-2021 General Appropriations Act, upon the expiration and reversion of the amendment made to section 400.179, Florida Statutes, pursuant to section 29 of chapter 2019-116, Laws of Florida, paragraph (d) of subsection (2) of section 400.179, Florida Statutes, is amended to read:

400.179 Liability for Medicaid underpayments and overpayments.—

(2) Because any transfer of a nursing facility may expose the fact that Medicaid may have underpaid or overpaid the transferor, and because in most instances, any such underpayment or overpayment can only be determined following a formal field audit, the liabilities for any such underpayments or overpayments shall be as follows:

(d) Where the transfer involves a facility that has been leased by the transferor:

1. The transferee shall, as a condition to being issued a license by the agency, acquire, maintain, and provide proof to the agency of a bond with a term of 30 months, renewable annually, in an amount not less than the total of 3 months' Medicaid payments to the facility computed on the basis of the preceding 12-month average Medicaid payments to the facility.

2. A leasehold licensee may meet the requirements of subparagraph 1. by payment of a nonrefundable fee, paid at initial licensure, paid at the time of any subsequent change of ownership, and paid annually thereafter, in the amount of 1 percent of the total of 3 months' Medicaid payments to the facility computed on the basis of the preceding 12-month average Medicaid payments to the facility. If a preceding 12-month average is not available, projected Medicaid payments may be used. The fee shall be deposited into the Grants and Donations Trust Fund and shall be accounted for separately as a Medicaid nursing home overpayment account. These fees shall be used at the sole discretion of the agency to repay nursing home Medicaid overpayments or for enhanced payments to nursing facilities as specified in the General Appropriations Act or other law. Payment of this fee shall not release the licensee from any liability for any Medicaid overpayments, nor shall payment bar the agency from seeking to recoup overpayments from the licensee and any other liable party. As a condition of exercising this lease bond alternative, licensees paying this fee must maintain an existing lease bond through the end of the 30-month term period of that bond. The agency is herein granted specific authority to promulgate all rules pertaining to the administration and management of this account, including withdrawals from the account, subject to federal review and approval. This provision shall take effect upon becoming law and shall apply to any leasehold license application. The financial viability of the Medicaid nursing home overpayment account shall be determined by the agency through annual review of the account balance and the amount of total outstanding, unpaid Medicaid overpayments owing from leasehold licensees to the agency as determined by final agency audits. By March 31 of each year, the agency shall assess the cumulative fees collected under this subparagraph, minus any amounts used to repay nursing home Medicaid overpayments and amounts transferred to contribute to the General Revenue Fund pursuant to s. 215.20. If the net cumulative collections, minus amounts utilized to repay nursing home Medicaid overpayments, exceed \$10 ~~\$25~~ million, the provisions of this subparagraph shall not apply for the subsequent fiscal year.

3. The leasehold licensee may meet the bond requirement through other arrangements acceptable to the agency. The agency is herein granted specific authority to promulgate rules pertaining to lease bond arrangements.

4. All existing nursing facility licensees, operating the facility as a leasehold, shall acquire, maintain, and provide proof to the agency of the 30-month bond required in subparagraph 1., above, on and after July 1, 1993, for each license renewal.

5. It shall be the responsibility of all nursing facility operators, operating the facility as a leasehold, to renew the 30-month bond and to provide proof of such renewal to the agency annually.

6. Any failure of the nursing facility operator to acquire, maintain, renew annually, or provide proof to the agency shall be grounds for the agency to deny, revoke, and suspend the facility license to operate such facility and to take any further action, including, but not limited to, enjoining the facility, asserting a moratorium pursuant to part II of chapter 408, or applying for a receiver, deemed necessary to ensure compliance with this section and to safeguard and protect the health, safety, and welfare of the facility's residents. A lease agreement required as a condition of bond financing or refinancing under s. 154.213 by a health facilities authority or required under s. 159.30 by a county or municipality is not a leasehold for purposes of this paragraph and is not subject to the bond requirement of this paragraph.

Section 51. *The amendment to s. 400.179(2)(d), Florida Statutes, by this act expires July 1, 2021, and the text of that paragraph shall revert to that in existence on June 30, 2019, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.*

Section 52. In order to implement Specific Appropriations 582 through 673 and 685 through 720 of the 2020-2021 General Appropriations Act, subsection (4) of section 216.262, Florida Statutes, is amended to read:

216.262 Authorized positions.—

(4) Notwithstanding the provisions of this chapter relating to increasing the number of authorized positions, and for the 2020-2021

~~2019-2020~~ fiscal year only, if the actual inmate population of the Department of Corrections exceeds the inmate population projections of the ~~December 17~~ ~~February 22~~, 2019, Criminal Justice Estimating Conference by 1 percent for 2 consecutive months or 2 percent for any month, the Executive Office of the Governor, with the approval of the Legislative Budget Commission, shall immediately notify the Criminal Justice Estimating Conference, which shall convene as soon as possible to revise the estimates. The Department of Corrections may then submit a budget amendment requesting the establishment of positions in excess of the number authorized by the Legislature and additional appropriations from unallocated general revenue sufficient to provide for essential staff, fixed capital improvements, and other resources to provide classification, security, food services, health services, and other variable expenses within the institutions to accommodate the estimated increase in the inmate population. All actions taken pursuant to this subsection are subject to review and approval by the Legislative Budget Commission. This subsection expires July 1, 2021 ~~2020~~.

Section 53. In order to implement Specific Appropriation 707 of the 2020-2021 General Appropriations Act, and upon the expiration and reversion of the amendments made by section 52 of chapter 2019-116, Laws of Florida, paragraph (b) of subsection (8) of section 1011.80, Florida Statutes, is amended to read:

1011.80 Funds for operation of workforce education programs.—

(8)

(b) State funds provided for the operation of postsecondary workforce programs may not be expended for the education of state or federal inmates, *except to the extent that such funds are specifically appropriated for such purpose in the 2020-2021 General Appropriations Act with more than 24 months of time remaining to serve on their sentences or federal inmates.*

Section 54. *The amendment made to s. 1011.80(8)(b), Florida Statutes, by this act expires July 1, 2021, and the text of that paragraph shall revert to that in existence on July 1, 2019, but not including any amendments made by this act or chapters 2019-116 and 2018-10, Laws of Florida, and any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.*

Section 55. In order to implement Specific Appropriations 3187 through 3253 of the 2020-2021 General Appropriations Act, subsection (2) of section 215.18, Florida Statutes, is amended to read:

215.18 Transfers between funds; limitation.—

(2) The Chief Justice of the Supreme Court may receive one or more trust fund loans to ensure that the state court system has funds sufficient to meet its appropriations in the 2020-2021 ~~2019-2020~~ General Appropriations Act. If the Chief Justice accesses the loan, he or she must notify the Governor and the chairs of the legislative appropriations committees in writing. The loan must come from other funds in the State Treasury which are for the time being or otherwise in excess of the amounts necessary to meet the just requirements of such last-mentioned funds. The Governor shall order the transfer of funds within 5 days after the written notification from the Chief Justice. If the Governor does not order the transfer, the Chief Financial Officer shall transfer the requested funds. The loan of funds from which any money is temporarily transferred must be repaid by the end of the ~~2020-2021~~ ~~2019-2020~~ fiscal year. This subsection expires July 1, 2021 ~~2020~~.

Section 56. (1) *In order to implement Specific Appropriations 1120 through 1131 of the 2020-2021 General Appropriations Act, the Department of Juvenile Justice is required to review county juvenile detention payments to ensure that counties fulfill their financial responsibilities required in s. 985.6865, Florida Statutes. If the Department of Juvenile Justice determines that a county has not met its obligations, the department shall direct the Department of Revenue to deduct the amount owed to the Department of Juvenile Justice from the funds provided to the county under s. 218.23, Florida Statutes. The Department of Revenue shall transfer the funds withheld to the Shared County/State Juvenile Detention Trust Fund.*

(2) *As an assurance to holders of bonds issued by counties before July 1, 2020, for which distributions made pursuant to s. 218.23, Florida Statutes, are pledged, or bonds issued to refund such bonds which mature no later than the bonds they refunded and which result in a reduction of debt service payable in each fiscal year, the amount available for distribution to a county shall remain as provided by law and continue to be subject to any lien or claim on behalf of the bondholders. The Department of Revenue must ensure, based on information provided by an affected county, that any reduction in amounts distributed pursuant to subsection (1) does not reduce the amount of distribution to a county below the amount necessary for the timely payment of principal and interest when due on the bonds and the amount necessary to comply with any covenant under the bond resolution or other documents relating to the issuance of the bonds. If a reduction to a county's monthly distribution must be decreased in order to comply with this section, the Department of Revenue must notify the Department of Juvenile Justice of the amount of the decrease, and the Department of Juvenile Justice must send a bill for payment of such amount to the affected county.*

(3) *This section expires July 1, 2021.*

Section 57. In order to implement Specific Appropriations 731 through 752, 916 through 1062, and 1083 through 1119 of the 2020-2021 General Appropriations Act, and notwithstanding the expiration date in section 57 of chapter 2019-116, Laws of Florida, subsection (1), paragraph (a) of subsection (2), paragraph (a) of subsection (3), and subsections (5), (6), and (7) of that section are reenacted, to read:

27.40 Court-appointed counsel; circuit registries; minimum requirements; appointment by court.—

(1) Counsel shall be appointed to represent any individual in a criminal or civil proceeding entitled to court-appointed counsel under the Federal or State Constitution or as authorized by general law. The court shall appoint a public defender to represent indigent persons as authorized in s. 27.51. The office of criminal conflict and civil regional counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel, but only after the public defender has certified to the court in writing that the public defender is unable to provide representation due to a conflict of interest or is not authorized to provide representation. The public defender shall report, in the aggregate, the specific basis of all conflicts of interest certified to the court. On a quarterly basis, the public defender shall submit this information to the Justice Administrative Commission.

(2)(a) Private counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel but only after the office of criminal conflict and civil regional counsel has been appointed and has certified to the court in writing that the criminal conflict and civil regional counsel is unable to provide representation due to a conflict of interest. The criminal conflict and civil regional counsel shall report, in the aggregate, the specific basis of all conflicts of interest certified to the court. On a quarterly basis, the criminal conflict and civil regional counsel shall submit this information to the Justice Administrative Commission.

(3) In using a registry:

(a) The chief judge of the circuit shall compile a list of attorneys in private practice, by county and by category of cases, and provide the list to the clerk of court in each county. The chief judge of the circuit may restrict the number of attorneys on the general registry list. To be included on a registry, an attorney must certify that he or she:

1. Meets any minimum requirements established by the chief judge and by general law for court appointment;

2. Is available to represent indigent defendants in cases requiring court appointment of private counsel; and

3. Is willing to abide by the terms of the contract for services, s. 27.5304, and this section.

To be included on a registry, an attorney must enter into a contract for services with the Justice Administrative Commission. Failure to comply with the terms of the contract for services may result in termination of the contract and removal from the registry. Each attorney on the registry is responsible for notifying the clerk of the court and the Justice

Administrative Commission of any change in his or her status. Failure to comply with this requirement is cause for termination of the contract for services and removal from the registry until the requirement is fulfilled.

(5) The Justice Administrative Commission shall approve uniform contract forms for use in procuring the services of private court-appointed counsel and uniform procedures and forms for use by a court-appointed attorney in support of billing for attorney's fees, costs, and related expenses to demonstrate the attorney's completion of specified duties. Such uniform contracts and forms for use in billing must be consistent with s. 27.5304, s. 216.311, and the General Appropriations Act and must contain the following statement: "The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature."

(6) After court appointment, the attorney must immediately file a notice of appearance with the court indicating acceptance of the appointment to represent the defendant and of the terms of the uniform contract as specified in subsection (5).

(7)(a) A private attorney appointed by the court from the registry to represent a client is entitled to payment as provided in s. 27.5304 so long as the requirements of subsection (1) and paragraph (2)(a) are met. An attorney appointed by the court who is not on the registry list may be compensated under s. 27.5304 only if the court finds in the order of appointment that there were no registry attorneys available for representation for that case and only if the requirements of subsection (1) and paragraph (2)(a) are met.

(b)1. The flat fee established in s. 27.5304 and the General Appropriations Act shall be presumed by the court to be sufficient compensation. The attorney shall maintain appropriate documentation, including contemporaneous and detailed hourly accounting of time spent representing the client. If the attorney fails to maintain such contemporaneous and detailed hourly records, the attorney waives the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act. These records and documents are subject to review by the Justice Administrative Commission and audit by the Auditor General, subject to the attorney-client privilege and work-product privilege. The attorney shall maintain the records and documents in a manner that enables the attorney to redact any information subject to a privilege in order to facilitate the commission's review of the records and documents and not to impede such review. The attorney may redact information from the records and documents only to the extent necessary to comply with the privilege. The Justice Administrative Commission shall review such records and shall contemporaneously document such review before authorizing payment to an attorney. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

2. If an attorney fails, refuses, or declines to permit the commission or the Auditor General to review documentation for a case as provided in this paragraph, the attorney waives the right to seek, and the commission may not pay, compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act for that case.

3. A finding by the commission that an attorney has waived the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act, as provided in this paragraph, shall be presumed to be correct, unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

Section 58. In order to implement Specific Appropriations 731 through 752, 916 through 1062, and 1083 through 1119 of the 2020-2021 General Appropriations Act, and notwithstanding the expiration date in section 59 of chapter 2019-116, Laws of Florida, subsection (13) of section 27.5304, Florida Statutes, is amended, and subsections (1), (3), (7), and (11), and paragraphs (a) through (e) of subsection (12), are reenacted, to read:

27.5304 Private court-appointed counsel; compensation; notice.—

(1) Private court-appointed counsel appointed in the manner prescribed in s. 27.40(1) and (2)(a) shall be compensated by the Justice Administrative Commission only as provided in this section and the General Appropriations Act. The flat fees prescribed in this section are limitations on compensation. The specific flat fee amounts for compensation shall be established annually in the General Appropriations Act. The attorney also shall be reimbursed for reasonable and necessary expenses in accordance with s. 29.007. If the attorney is representing a defendant charged with more than one offense in the same case, the attorney shall be compensated at the rate provided for the most serious offense for which he or she represented the defendant. This section does not allow stacking of the fee limits established by this section.

(3) The court retains primary authority and responsibility for determining the reasonableness of all billings for attorney fees, costs, and related expenses, subject to statutory limitations and the requirements of s. 27.40(7). Private court-appointed counsel is entitled to compensation upon final disposition of a case.

(7) Counsel eligible to receive compensation from the state for representation pursuant to court appointment made in accordance with the requirements of s. 27.40(1) and (2)(a) in a proceeding under chapter 384, chapter 390, chapter 392, chapter 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter 744, or chapter 984 shall receive compensation not to exceed the limits prescribed in the General Appropriations Act. Any such compensation must be determined as provided in s. 27.40(7).

(11) It is the intent of the Legislature that the flat fees prescribed under this section and the General Appropriations Act comprise the full and complete compensation for private court-appointed counsel. It is further the intent of the Legislature that the fees in this section are prescribed for the purpose of providing counsel with notice of the limit on the amount of compensation for representation in particular proceedings and the sole procedure and requirements for obtaining payment for the same.

(a) If court-appointed counsel moves to withdraw prior to the full performance of his or her duties through the completion of the case, the court shall presume that the attorney is not entitled to the payment of the full flat fee established under this section and the General Appropriations Act.

(b) If court-appointed counsel is allowed to withdraw from representation prior to the full performance of his or her duties through the completion of the case and the court appoints a subsequent attorney, the total compensation for the initial and any and all subsequent attorneys may not exceed the flat fee established under this section and the General Appropriations Act, except as provided in subsection (12).

This subsection constitutes notice to any subsequently appointed attorney that he or she will not be compensated the full flat fee.

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed by law, he or she must file a motion with the chief judge for an order approving payment of attorney fees in excess of these limits.

1. Before filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting affidavits and all other necessary documentation, to the Justice Administrative Commission.

2. The Justice Administrative Commission shall review the billings, affidavit, and documentation for completeness and compliance with contractual and statutory requirements and shall contemporaneously document such review before authorizing payment to an attorney. If the Justice Administrative Commission objects to any portion of the proposed billing, the objection and supporting reasons must be communicated in writing to the private court-appointed counsel. The counsel may thereafter file his or her motion, which must specify whether the commission objects to any portion of the billing or the sufficiency of documentation, and shall attach the commission's letter stating its objection.

(b) Following receipt of the motion to exceed the fee limits, the chief judge or a single designee shall hold an evidentiary hearing. The chief

judge may select only one judge per circuit to hear and determine motions pursuant to this subsection, except multicounty circuits and the eleventh circuit may have up to two designees.

1. At the hearing, the attorney seeking compensation must prove by competent and substantial evidence that the case required extraordinary and unusual efforts. The chief judge or single designee shall consider criteria such as the number of witnesses, the complexity of the factual and legal issues, and the length of trial. The fact that a trial was conducted in a case does not, by itself, constitute competent substantial evidence of an extraordinary and unusual effort. In a criminal case, relief under this section may not be granted if the number of work hours does not exceed 75 or the number of the state's witnesses deposed does not exceed 20.

2. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption. The chief judge or single designee shall enter a written order detailing his or her findings and identifying the extraordinary nature of the time and efforts of the attorney in the case which warrant exceeding the flat fee established by this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served on the Justice Administrative Commission at least 20 business days before the date of a hearing. The Justice Administrative Commission has standing to appear before the court, and may appear in person or telephonically, including at the hearing under paragraph (b), to contest any motion for an order approving payment of attorney fees, costs, or related expenses and may participate in a hearing on the motion by use of telephonic or other communication equipment. The Justice Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or a single designee finds that counsel has proved by competent and substantial evidence that the case required extraordinary and unusual efforts, the chief judge or single designee shall order the compensation to be paid to the attorney at a percentage above the flat fee rate, depending on the extent of the unusual and extraordinary effort required. The percentage must be only the rate necessary to ensure that the fees paid are not confiscatory under common law. The percentage may not exceed 200 percent of the established flat fee, absent a specific finding that 200 percent of the flat fee in the case would be confiscatory. If the chief judge or single designee determines that 200 percent of the flat fee would be confiscatory, he or she shall order the amount of compensation using an hourly rate not to exceed \$75 per hour for a noncapital case and \$100 per hour for a capital case. However, the compensation calculated by using the hourly rate shall be only that amount necessary to ensure that the total fees paid are not confiscatory, subject to the requirements of s. 27.40(7).

(e) Any order granting relief under this subsection must be attached to the final request for a payment submitted to the Justice Administrative Commission and must satisfy the requirements of subparagraph (b)2.

(13) Notwithstanding the limitation set forth in subsection (5) and for the 2020-2021 ~~2019-2020~~ fiscal year only, the compensation for representation in a criminal proceeding may not exceed the following:

(a) For misdemeanors and juveniles represented at the trial level: \$1,000.

(b) For noncapital, nonlife felonies represented at the trial level: \$15,000.

(c) For life felonies represented at the trial level: \$15,000.

(d) For capital cases represented at the trial level: \$25,000. For purposes of this paragraph, a "capital case" is any offense for which the potential sentence is death and the state has not waived seeking the death penalty.

(e) For representation on appeal: \$9,000.

(f) This subsection expires July 1, 2021 ~~2019~~.
