permit before cultivating or processing marijuana at the facility; authorizing MMTCs licensed to cultivate or process marijuana to use contractors to assist with the cultivation and processing of marijuana but providing that the licensee is ultimately responsible for all operations relating to the cultivation and processing and for maintaining physical possession of the marijuana at all times; requiring work done by contractors to be performed at permitted facilities; requiring licensees using a contractor to register the contractor's principals and employees; providing that such principals and employees may not begin participating in the operations until they have received an identification card from the department; providing for the destruction of certain marijuana byproducts within a specified timeframe after their production; authorizing MMTCs licensed to cultivate and process marijuana to sell marijuana at wholesale to other registered MMTCs only if certain conditions are met; prohibiting an MMTC from transporting or delivering marijuana outside of its property without a transportation license; providing requirements for the cultivation and processing of marijuana; deleting a requirement that each MMTC produce and make available for purchase at least one low-THC cannabis product; deleting certain tetrahydrocannabinol limits for edibles; requiring an MMTC that holds a license for processing to test marijuana before it is sold in addition to when it is dispensed; deleting obsolete language; revising packaging requirements for marijuana and edibles; providing application requirements for an MMTC to obtain a retail license; providing for the expiration and renewal of such license; requiring an MMTC to obtain a facility permit before selling, dispensing, or storing marijuana in a facility; requiring an MMTC to cease certain operations in a facility under certain circumstances; prohibiting a dispensing facility from repackaging or modifying marijuana that has already been packaged for sale; providing exceptions; authorizing a retail licensee to contract with an MMTC that has a transportation license to transport marijuana for the retail licensee under certain circumstances; prohibiting onsite consumption or administration of marijuana at a dispensing facility; revising requirements for the dispensing of marijuana by an MMTC licensed for retail; requiring an MMTC licensed for retail to include specified information on the label for marijuana or a marijuana delivery device dispensed to a qualified patient or caregiver; authorizing an MMTC to sell marijuana to an adult 21 years of age or older under certain circumstances; requiring MMTC employees to verify the age of such buyers using specified methods; prohibiting an MMTC from requesting or storing any personal information of a buyer other than that needed to verify the buyer's age; revising a provision prohibiting an MMTC from dispensing or selling specified products; revising safety and security requirements for MMTCs; providing application requirements for an MMTC to obtain a transportation license; prohibiting the transportation of marijuana on certain properties; requiring the transportation of marijuana only in vehicles owned or leased by a licensee or the licensee's contractor and appropriately permitted by the department; providing a process and requirements for obtaining a vehicle permit; requiring MMTCs to designate a registered employee or contract employee as the driver for each permitted vehicle; requiring the designation to be displayed in the vehicle at all times; requiring that each permitted vehicle be GPS-monitored; providing for the expiration and cancellation of vehicle permits; specifying that a permitted vehicle transporting marijuana is subject to inspection and search without a search warrant by specified persons; authorizing an MMTC licensed to transport marijuana and marijuana delivery devices to deliver or contract for the delivery of marijuana and marijuana delivery devices to other MMTCs within this state, to qualified patients and caregivers within this state, and to adults 21 years of age or older within this state; specifying that a county or municipality may not prohibit deliveries of marijuana or marijuana delivery devices to qualified patients and caregivers within the county or municipality; requiring an MMTC delivering marijuana or a marijuana delivery device to a qualified patient or his or her caregiver to verify the identity of the qualified patient; requiring an MMTC or its contractor delivering marijuana to an adult 21 years of age or older to verify his or her age; providing requirements for such verification; requiring the department to adopt certain rules for the delivery of marijuana; authorizing MMTCs to use contractors to assist with the transportation of marijuana; specifying that an MMTC is responsible for a contractor's actions and operations related to the transportation of marijuana; requiring an MMTC to know the location of all of its marijuana products at all times; requiring principals and employees of a contractor to register with the department and receive an MMTC employee identification card before participating in the operations of an MMTC; providing for the permitting of cultivation, processing, dispensing, and storage facilities; requiring the department to

adopt by rule a facility permit application form; requiring the department to inspect a facility before issuing a permit; requiring the department to issue or deny a facility permit within a specified timeframe; providing for the expiration of facility permits; requiring the department to inspect a facility for compliance before the renewal of a facility permit; requiring an MMTC to cease applicable operations if a facility's permit expires or is suspended or revoked until the department takes certain actions; requiring cultivation facilities and processing facilities to be insured with specified hazard and liability insurance; providing requirements for the location of cultivation facilities and processing facilities; preempting to the state all matters regarding the permitting and regulation of cultivation facilities and processing facilities; requiring dispensing facilities and storage facilities to be insured with specified hazard and liability insurance; providing requirements for the location of dispensing facilities and storage facilities; clarifying that the governing body of a county or a municipality may prohibit or limit the number of dispensing facilities located within its jurisdiction but may not prohibit a licensed retail MMTC or its permitted storage facility from being located in such county's or municipality's jurisdiction if the MMTC is delivering marijuana to qualified patients in that jurisdiction; prohibiting counties and municipalities from requiring, requesting, or accepting financial contributions or similar benefits from MMTCs, except for levying local business taxes; prohibiting the department from issuing a facility permit for a dispensing facility in a county or municipality that adopts a specified ordinance; authorizing a county or municipality to levy a local tax on a dispensing facility; providing that local ordinances may not result in or provide for certain outcomes; authorizing the department to adopt specified requirements by rule; requiring the department to adopt rules to administer the registration of certain MMTC principals, employees, and contractors; requiring an MMTC to apply to the department for the registration of certain persons before hiring or contracting with such persons; requiring the department to adopt by rule a registration form that includes specified information; requiring the department to register persons who satisfy specified conditions and issue them MMTC employee identification cards; providing requirements for the identification cards; requiring a registered person and the MMTC to update the department within a specified timeframe if certain information or the person's employment status changes; authorizing the department to contract with vendors to issue MMTC employee identification cards; requiring the department to inspect an MMTC and its facilities upon receipt of a complaint and to inspect each permitted facility at least biennially; authorizing the department to conduct additional inspections of a facility under certain circumstances; revising administrative penalties; authorizing the department to suspend, revoke, or refuse to renew an MMTC's registration, operating licenses, vehicle permits, or facility permits for violating certain provisions; requiring the department to refuse to renew an MMTC's cultivation, processing, retail, or transportation license under certain circumstances; revising provisions related to criminal and civil penalties and fees to conform to changes made by the act; providing applicability; deleting obsolete language; creating s. 381.990, F.S.; authorizing a person 21 years of age or older to purchase marijuana products, marijuana in a form for smoking, and marijuana delivery devices under certain circumstances; provided by a private provider be the subject of an agreement, rather than a written contract, between the provider or provider's firm and the fee owner or fee owner's contractor; requiring that the reduced permit fee not exceed the cost incurred by the local jurisdiction, including labor and personnel costs; prohibiting a local jurisdiction from charging additional fees for building inspections if the fee owner or contractor hires a private provider to perform such services; deleting a provision authorizing a local jurisdiction to charge specified administrative fees; requiring a local jurisdiction to immediately provide a private provider, owner, and contractor equal access to all permitting and inspection documents and reports if such access is provided by software that protects exempt records from disclosure; revising the information a fee owner or a fee owner's contractor must provide to a local building official; revising conditions under which a fee owner or fee owner's contractor is authorized to use a private provider to provide inspection services; revising the timeframe within which a fee owner or a fee owner's contractor must notify the local building official of the owner's or contractor's intention to use a private provider; prohibiting a local building official from performing specified reviews of plans, drawings, or other related documents determined by a private provider to be in compliance with applicable codes; deleting a provision requiring a local building official to issue a requested permit or provide a specified notice within a certain timeframe; authorizing a local building official to review certain forms and documents only for completeness; requiring a local building official to send written notice of incomplete forms or documents within a specified timeframe; providing that a permit is deemed approved as a matter of law, and requiring the local building official to issue the permit by the next business day, if the local building official fails to provide a specified notice within a specified timeframe; requiring that a duly authorized representative be managed, rather than employed, by a private provider to receive specified benefits; deleting a requirement that a private provider performing required inspections provide notice to the local building official of the approximate date and time of specified inspections; deleting a provision prohibiting a local building official from preventing a private provider from performing any inspection outside a certain timeframe; deleting a provision authorizing a local building official to visit a building site as often as necessary to verify that a private provider is performing required inspections; deleting a provision authorizing a building department to satisfy a requirement that a certain deficiency notice be posted; revising the reinspection fees that a local jurisdiction is prohibited from charging; prohibiting a local building official from visiting a job site without written approval from the private provider doing the work on the site; providing that a local building official is not responsible for the regulatory administration or supervision of building code inspection services performed by a private provider; requiring that a private provider who is, or private provider firm that employs a person licensed as, a licensed building code administrator serve as the local building official for such building code inspection services; providing that such private providers or private provider firms are vested with the authority of the local building official with respect to certain inspection services; prohibiting a local building official from interfering with the actions or activities of such private providers or private provider firms; providing that verification of certain licensure and insurance requirements for a private provider firm's duly authorized representative is the responsibility of the private provider firm's management; providing that a local building official is not required to verify compliance or store information of such verification; deleting a requirement that the local building official, under certain circumstances, issue a permit within a specified timeframe; revising a provision authorizing a private provider to perform emergency inspection services; requiring a private provider to record specified inspections on forms provided by the Florida Building Commission, rather than on forms acceptable to the local building official; revising the timeframe within which a private provider must provide an inspection record to the local building official; providing that a private provider is not required to upload notices or inspection results to a website or portal; revising the timeframe within which a local building official may waive the requirement to provide a record of each inspection record; requiring a private provider to prepare a certificate of compliance on a form provided by the commission, rather than on a form acceptable to the local building official; prohibiting a local building official from performing building inspections of construction that a private provider has determined to be compliant with applicable codes; authorizing a local building official to review specified forms and documents only for completeness; revising the timeframe within which a local building official must provide an applicant with a written certificate of occupancy or certificate of completion; authorizing a local

building official to deny a permit or a request for a certificate of occupancy or a certificate of completion if required forms or documents are incomplete; deleting a provision authorizing a local enforcement agency, a local building official, or a local government to establish a system of registration to verify compliance with specified licensure and insurance requirements for duly authorized representatives; revising the authority of a local building official to issue a stop-work order for a building project or any portion thereof; revising a prohibition against the auditing by a local building code enforcement agency of the performance of building code inspection services by certain private providers; deleting an exception to the limit on the number of times in a year that a private provider or private provider firm may be audited; requiring that a private provider or private provider firm be given notice within a specified timeframe before being audited; prohibiting local governments, officials, and personnel from prohibiting or discouraging the use of a private provider or a private provider firm; providing that local governments, officials, and personnel are not immune from liability for such prohibition or discouragement or for violations of law or applicable codes; providing that a person or a party may bring an action for damages, declaratory and injunctive relief, and the issuance of extraordinary writs remedies for such violations; authorizing a private provider licensed as a building code administrator to serve as the local building official; authorizing such private providers to issue building permits; requiring that all information from a private provider be provided to the property appraiser for the county or the jurisdiction; requiring that drawings be delivered in their original electronic format; requiring that permits be publicly available and that their status be available on the Private Provider Association of Florida website for specified purposes; authorizing the Private Provider Association of Florida, or a similar nonprofit association, to require a fee or subscription to upload such information to its website or to use an applications programming interface; requiring a private provider to update such information within a specified timeframe under certain circumstances; requiring that the format of private provider permits meet a specified standard and include specified information; providing legislative intent; requiring that the permitting process be universally adopted as a standard for this state; prohibiting local building officials and governments from adopting, creating, or using certain forms; prohibiting the use of custom procedures or standards; authorizing the commission to implement such permitting processes and review them for consistency and relevance within a specified timeframe; making a technical change; reenacting s. 633.216(6), F.S., relating to inspection of buildings and equipment, orders, firesafety inspection training requirements, certification, and disciplinary action, to incorporate the amendment made to s. 468.605, F.S., in a reference thereto; reenacting ss. 177.073(1)(c), 468.603(9), 468.621(1)(i) and (j), 471.033(1)(l), 481.225(1)(l), 553.79(11), and 553.80(7)(a), F.S., relating to expedited approval of residential building permits before a final plat is recorded; definitions; disciplinary proceedings against building code administrators and inspectors; disciplinary proceedings against licensed engineers; disciplinary proceedings against registered architects; permits, applications, issuance, and inspections; and enforcement, respectively, to incorporate the amendment made to s. 553.791, F.S., in references thereto; providing an effective date.

SB 1492—A bill to be entitled An act relating to mental health and substance abuse; amending s. 27.51, F.S.; providing exceptions to a provision prohibiting the court from appointing the public defender to represent certain persons who are not indigent; amending s. 27.511, F.S.; revising a cross-reference; amending s. 394.455, F.S.; providing and revising definitions; amending s. 394.4598, F.S.; providing that the opinion of a qualified professional, rather than that of a psychiatrist or psychiatric nurse practicing within the framework of an established protocol with a psychiatrist, may be the basis for the court to grant a petition for the appointment of a guardian advocate; deleting a requirement that the court appoint the office of the public defender to represent an indigent person for a hearing on such petition; revising a cross-reference; requiring a guardian advocate to meet and talk with the patient and the patient's qualified professional, rather than the patient's physician or psychiatric nurse practicing within the framework or an established protocol with a psychiatrist, in person, if at all possible, and by telephone, if not possible, before giving consent to treatment; authorizing an administrative law judge, rather than requiring a hearing officer, to consider an involuntarily placed respondent's competence to consent to treatment at any hearing; authorizing an administrative law judge, rather than requiring a hearing officer, to recommend restoring a respondent's competence upon sufficient evidence; conforming a provision to changes made by the act; making technical changes; amending s. 394.4599, F.S.; providing that notice for matters involving involuntary admissions may be sent by e-mail instead of regular mail if the recipient's e-mail address is known; making technical changes; amending s. 394.4615, F.S.; authorizing a qualified professional, rather than a physician or the patient's psychiatric nurse, to restrict a patient's access to his or her clinical records if the qualified professional believes such access to the records is harmful to the patient; revising the timeframe in which the restriction of a patient's access to his or her clinical records expires; revising the timeframe for which the restriction of a patient's access to clinical records may be renewed; amending s. 394.4625, F.S.; requiring the qualified professional who assessed the patient, rather than the treating physician or psychiatric nurse practicing within the framework of an established protocol with a psychiatrist, to document in the patient's clinical record that the patient is able to give express and informed consent for admission; requiring that when a voluntary patient, or an authorized person on the patient's behalf, makes a request for discharge, the request be communicated as quickly as possible to a qualified professional, rather than a physician, a clinical psychologist with at least 3 years of postdoctoral experience in the practice of clinical psychology, or a psychiatrist; revising who may order a patient held and emergency treatment rendered in the least restrictive manner pending the filing of a petition for involuntary placement; amending s. 394.463, F.S.; revising the criteria by which a person may be taken to a receiving facility for an involuntary examination; revising the means by which an involuntary examination may be initiated; requiring a facility admitting certain persons for involuntary examination to notify the Agency for Health Care Administration of such admission; deleting a requirement that certain reports be provided to the department and the Legislature; revising the evidence by which certain criteria are met; revising who may order emergency treatment under specified circumstances; revis-

ing the actions a hospital must complete within a specified timeframe after the attending physician documents that a patient's condition has been stabilized or that an emergency medical condition does not exist; providing the timeframe in which the 72-hour examination period ceases or is extended; providing that the treating facility is responsible for transporting a patient back to the receiving facility upon discharge from the hospital; making technical changes; conforming provisions to changes made by the act; amending s. 394.4655, F.S.; authorizing the court to order a respondent to receive involuntary outpatient services for a specified period of time if certain criteria are met; authorizing the court to order a respondent in a receiving or treatment facility to receive outpatient services upon the facility administrator's petition, provided the court and parties receive certain notice of such petition and certain conditions are met; providing requirements for a service provider's petition to be heard for involuntary services for a respondent not in a receiving or treatment facility; providing exceptions; requiring that a services plan be entered into a respondent's clinical and court files and be considered part of the court order; defining the term "services plan"; requiring that a services plan identify the service provider that has agreed to provide court-ordered outpatient services under certain circumstances; requiring the service provider to develop the services plan in consultation with the respondent and certain other individuals; requiring certain criteria to be included in the services plan; requiring that a social worker, case manager, or other specified individual support a respondent during his or her treatment and inform the court, state attorney, and respondent's counsel of any failure by the respondent to comply with the treatment program; requiring the court to retain jurisdiction over the case and its parties for further orders as the circumstances may require; specifying the jurisdiction the court possesses during the pendency of the case; specifying the procedures by which the court may extend, modify, or end outpatient services; specifying that existing involuntary services orders must remain in effect until a motion for continued treatment is adjudicated; requiring that any extension or modification for services be supported by an explanation from the service provider and an individualized continued services plan that must be developed in consultation with the respondent and his or her attorney, guardian, guardian advocate, or legal custodian, as deemed applicable and appropriate; requiring the court to evaluate the respondent's need for a guardian advocate; authorizing the respondent to agree to additional outpatient services without a court hearing if a certain condition is met; requiring the service provider to inform the court and parties of any such agreement; requiring the clerk of the court to provide copies of any petition, motion, and services plan to specified parties; specifying requirements for the service provider to discharge a respondent who has not been transferred to voluntary status and no longer meets the criteria for involuntary services and to send certain documentation to specified parties upon discharge; authorizing a criminal county court to order a respondent into involuntary outpatient services under certain circumstances; prohibiting the court from using incarceration as a sanction for a respondent's noncompliance with the services plan; authorizing the court to order that a respondent be evaluated for inpatient placement if certain conditions are met; specifying requirements for a treatment facility administrator to petition to have a respondent placed in involuntary outpatient services as part of a discharge plan; requiring that such petition be filed with the clerk of the court for the county in which the respondent will reside, with notice provided to specified parties; prohibiting a fee for filing such petition; requiring the department to adopt specified rules; deleting a definition; amending s. 394.467, F.S.; providing the criteria by which a court may order a person into involuntary inpatient placement for treatment; authorizing a person to be recommended for involuntary inpatient placement, involuntary outpatient services, or a combination of both, provided such recommendation is supported by the opinion of a psychiatrist and seconded by a qualified professional, both of whom have examined the person being recommended within specified timeframes; providing that a second recommendation may be made by a physician with specified postgraduate training and experience, a clinical social worker, or a mental health counselor if a psychiatrist or a qualified professional is not available; providing that such examinations may be completed by in-person or electronic means if done in a face-to-face manner; requiring that such recommendations be included in a petition for involuntary outpatient services and entered into the person's clinical record; authorizing the examining facility to hold the person until the court's final order; requiring a facility administrator or service provider to file a petition for involuntary services in the county in which the respondent is located; requiring the court to accept petitions and related documentation with electronic signatures; providing criteria for such

petitions; requiring the clerk of the court to provide copies of the petition and recommended services plan, if applicable, to specified parties; prohibiting a fee for filing such petition; providing that a respondent has a right to counsel at every stage of a judicial proceeding relating to involuntary treatment; requiring the court to appoint the public defender to represent the respondent within a specified timeframe after the filing of such petition if the respondent is not already represented by counsel; requiring the clerk of the court to immediately notify the public defender of such appointment; providing the length of such appointment; requiring that counsel for the respondent be provided access to the respondent, witnesses, and records relevant to the proceeding; requiring the attorney to represent the interests of the respondent, regardless of the source of payment to the attorney; authorizing the respondent to waive his or her right to counsel if certain criteria are met; providing that the respondent and the state are each entitled to at least one continuance if certain criteria are met; providing timeframes for such continuance; providing that the state's failure to timely review readily available documents or attempt to contact known witnesses does not warrant a continuance; requiring that a hearing for a petition for involuntary services be held within a specified timeframe; requiring that the hearing be held in the county or the facility where the respondent is located, as deemed appropriate by the court; requiring that the hearing be as convenient to the respondent as is consistent with orderly procedure; requiring that the hearing be conducted in a physical setting not likely to be injurious to the respondent's condition; authorizing the court to waive the respondent's attendance from all or any portion of the hearing if certain conditions are met; requiring all testimony be given under oath; requiring that the proceedings be recorded; authorizing the respondent to refuse to testify at the hearing; requiring that the hearing be held in person unless all parties agree otherwise; authorizing the court to permit witnesses to testify under oath remotely; requiring a witness testifying remotely to provide the parties with all relevant documents on which he or she is relying for such testimony within a specified timeframe; requiring the court to inform the respondent and the respondent's guardian or representative of the right to an independent expert examination by their own qualified expert; requiring the court to ensure that such an independent expert is provided to a respondent who cannot afford one; requiring that the independent expert's report is confidential and not discoverable for the hearing, unless the expert is called as a witness for the respondent; requiring the state attorney to represent the state, rather than the petitioning facility administrator or service provider, as the real party in interest in the proceeding; requiring the facility or service provider to make the respondent's clinical records available to the state attorney before the hearing; prohibiting the state attorney from using such records for matters outside the scope of the petition and hearing; authorizing the court to appoint a magistrate to preside at the hearing on the petition and any ancillary proceedings; requiring that at least one of the professionals who executed the petition for involuntary services testify at the hearing; requiring the court to consider testimony and evidence from specified individuals regarding the respondent's competence to consent to treatment; requiring the court to appoint a guardian advocate if it finds the respondent is incompetent to consent to treatment; requiring the court to make written findings to support such appointment; requiring the court, upon a finding that the respondent meets the criteria for involuntary services, to order in writing that the respondent receive involuntary inpatient placement or outpatient services or some combination of both for up to a specified timeframe; requiring the court to make certain findings in its written order; authorizing the court to order that the respondent be retained at a receiving facility while awaiting transfer to a treatment facility, or, if the respondent is at a treatment facility, that the respondent be retained there or be treated at another appropriate facility involuntarily for a specified timeframe; prohibiting the court from ordering that respondents who suffer from certain developmental disabilities, traumatic brain injuries, or dementia be involuntarily placed in a state treatment facility; authorizing the court to order involuntary assessments if the respondent meets the criteria for substance abuse services; authorizing the court to have the respondent evaluated by the Agency for Persons with Disabilities if the respondent has an intellectual disability or autism and reasonably appears to meet commitment criteria for developmental disabilities; requiring an administrator of a petitioning facility or the designated representative of the department to provide a copy of the written order and adequate documentation of the respondent's mental illness to the involuntary outpatient services provider or inpatient services provider under certain circumstances; requiring that specified information be included in such documentation;

authorizing a treatment facility administrator to refuse admission to the respondent ordered to a facility on an involuntary basis if the court order for admission is not accompanied by certain documentation; requiring the facility administrator to file a petition for continued involuntary services under certain circumstances; requiring the court to appoint counsel for the respondent for such petition; providing that hearings on petitions for continued involuntary inpatient placement at a treatment facility are administrative hearings and must be conducted in a specified manner; providing that any order entered by the administrative law judge is final and subject to judicial review; providing applicability; requiring a treatment facility administrator treating a respondent under involuntary inpatient placement to file a petition for continued involuntary inpatient placement before the treatment period's expiration if certain conditions are met; requiring the administrative law judge to hold a hearing as soon as practicable; specifying that the existing commitment remains in effect until the disposition of the petition; requiring that such petition include certain documentation; providing procedures for the hearing on continued involuntary inpatient treatment; requiring the administrative law judge to issue an order for continued involuntary inpatient placement for up to 6 months if it is shown that the respondent continues to meet the criteria for involuntary inpatient placement; authorizing the administrative law judge to consider certain testimony and evidence regarding the respondent's competence or incompetence to consent to treatment under certain circumstances; authorizing the administrative law judge to issue an order to the court that previously found the respondent incompetent to consent to treatment which recommends that the respondent's competence be restored and the appointed guardian advocate be discharged; requiring the treatment facility administrator to petition the administrative law judge for continued involuntary inpatient placement for specified respondents; providing construction; authorizing the treatment facility administrator to search for, and seek the assistance of a law enforcement agency in finding, a person receiving involuntary inpatient services who leaves the facility without authorization; SB 1600—A bill to be entitled An act relating to community associations; reenacting and amending s. 718.112, F.S.; prohibiting the suspension of a voting interest of a condominium when voting to recall a member of the board of administration; prohibiting any prior suspension of voting rights from having any effect; deleting the provision that a special meeting of the unit owners to recall members of the board of administration may be called by 10 percent of the voting interests when proper notice is given; deleting the prohibition against electronic transmission being used as a method of giving notice of a meeting called in whole or in part for the purpose of recalling board members; deleting the provision that a recall takes effect if approved by a majority of all voting interests voting at a meeting; deleting the requirement that the board duly notice and hold a board meeting within a specified timeframe after the adjournment of the unit owner meeting to recall one or more board members; deleting the requirement that a board member is recalled effective immediately upon the conclusion of the board meeting, provided certain requirements are met; deleting the provision that a proposed recall may be by written agreement; requiring that the recall agreement be served on the association by registered mail, rather than by certified mail or by personal service; providing that no other method of service is proper and that any method of service not in compliance is void; providing that a rejection of a unit owner's recall agreement applies under certain circumstances; providing that there is a rebuttable presumption that a unit owner executing a recall agreement is the designated voter for the unit; prohibiting an association from enforcing a voting certificate requirement under certain circumstances; requiring that a rescission or revocation of a unit owner's recall agreement be in writing and delivered to the association before an association is served with the written recall agreement; providing construction; revising the timeframe in which a certain petition or action must be filed; requiring that an association be named as the respondent in such petition or action; revising the timeframe in which the Division of Florida Condominiums, Timeshares, and Mobile Homes or a court may not accept a recall petition or a court action; requiring that a director or an officer be deemed to have abandoned his or her office if he or she is more than 90 days delinquent in the payment of any assessment due, rather than monetary obligation due; providing that a director or an officer is delinquent if payment is not made by a specified due date identified in the declarations, bylaws, or articles of incorporation; providing that a payment is delinquent on the first day of the assessment period if no specified due date is in the declarations, bylaws, or articles of incorporation; making technical changes; reenacting and amending s. 718.1255, F.S.; providing that all election and recall arbitration conducted by the division is binding on the parties unless such arbitration is removed; providing that arbitration petitions received by the division which challenge the legality of the recall of any director of a board of administration be handled on an expedited basis in the manner pro-

vided by the division's rules for recall arbitration disputes; requiring that any challenge to an election or a recall filed in circuit court be brought in equity as a summary proceeding; providing that the prevailing party is entitled to reasonable attorney fees and costs; requiring that any proceeding be tried without a jury; providing that the parties are entitled to an immediate hearing; authorizing the court to limit the time in which to take testimony; authorizing the challenging party to request the issuance of a temporary injunction for a specified purpose while the challenge is pending; providing that a unit owner, a recall representative, or an association may remove a petition for election or recall arbitration within a specified timeframe after service of such petition by filing a notice of removal and complaint in the circuit court where an association is located; prohibiting any party from seeking a trial de novo or otherwise proceeding in the circuit court if any party fails to timely file such notice; declaring that the ruling of the division is final and binding on the parties; requiring that the notice of removal and complaint be signed pursuant to the Florida Rules of Civil Procedure and include copies of certain documents served in the action; requiring a party that files such notice to pay for all applicable filing fees within a specified timeframe; providing that the consent of a party not seeking removal is not required; requiring a party filing such notice to simultaneously serve written notice to all parties and file a copy of such notice with the division; requiring the division to cease all further action once served with such notice; requiring any action and counterclaim filed after removal to be brought in equity as a summary proceeding; providing that any action filed is to be tried without a jury; providing that a party is entitled to an immediate hearing; authorizing a court to limit the time in which to take testimony, considering the circumstances of the matter and the proximity of any succeeding election that may occur while such action is pending; providing that a party filing an action may request a temporary injunction to stay any upcoming elections that may occur while such action is pending; requiring that an association be ordered, by judgment or decree, to pay all of a prevailing unit owner's costs, including reasonable attorney fees and costs; providing that compensation or fees of an attorney may be included in the judgment or decree rendered in such action or in a separate judgment or decree; providing construction; amending s. 719.106, F.S.; conforming a provision to changes made by the act; prohibiting the suspension of a voting interest of a unit when voting on the recall of a board member; providing that any prior suspension of voting rights has no effect for a recall vote; deleting a provision that a special meeting of the voting interests to recall a board member may be called by 10 percent of the unit owners giving certain notice; deleting a prohibition against electronic transmission being used as a method of giving notice of such special meeting; deleting a requirement that a recall be effective if it is approved by a majority of all voting interests in a vote at a meeting; deleting a provision that a board must notice and hold a board meeting within a specified timeframe after the adjournment of the voting meeting; deleting a requirement that a board take certain action at the meeting; deleting a provision that a recall may be made by agreement in writing by a majority of all voting interests; revising the requirement that a copy of the recall agreement be served on an association by registered mail, rather than by certified mail or by personal service; providing that no other method of service is proper and that any method of service not in compliance is void; providing that such board members being recalled are recalled effective immediately upon the conclusion of a board meeting under certain circumstances; revising the timeframe in which a recalled board member must turn over to a board specified items belonging to an association which are in his or her possession; providing circumstances when a unit owner's recall agreement is facially invalid; providing a rebuttable presumption that a unit owner executing the recall agreement is the designated voter for the unit; prohibiting an association from enforcing a voting certificate requirement under certain circumstances; requiring that a rescission or revocation of a unit owner's recall agreement be in writing and delivered to an association before the association is served with a written recall agreement; providing construction; deleting a requirement that a board must take certain actions within a specified timeframe; deleting a requirement that a board file a petition for binding arbitration or file an action in a court of competent jurisdiction within a specified timeframe if the board does not certify the recall of a board member; deleting a provision that a unit owner who voted at a meeting or executed an agreement in writing constitutes a party in such arbitration or action; deleting a provision that a board member's recall is effective upon the mailing of the final order of arbitration to an association or the final order of the court; deleting a provision that the division may take specified action if an association fails to comply with the order of the

court or the arbitrator; revising the timeframe in which a board member must turn over all property in his or her possession which belongs to an association; revising a provision that if a board determines that a recall agreement is not facially valid, rather than fails to file the required petition or action, a unit owner representative may file a petition or action challenging the validity of such agreement, rather than the board's failure to act; revising the timeframe in which a petition or an action must be filed; requiring that an association be named as the respondent in such petition or action; revising the timeframe in which a recalled board member may file a petition or an action; providing that such petition or action may challenge the facial validity of a written agreement or ballots filed, or the substantial compliance with the recall procedures; requiring that a recalled board member be immediately reinstated and the recall be deemed null and void upon a determination of an arbitrator or the court; providing that a board member who is successful in challenging a recall is entitled to reasonable attorney fees and costs; providing that a prevailing association may be awarded reasonable attorney fees and costs, provided the arbitrator or the court make certain findings; revising the timeframe in which the division or the court may not accept for filing a recall petition or action; conforming a provision to changes made by the act; providing construction; amending s. 720.302, F.S.; providing legislative findings; requiring the Office of the Condominium Ombudsman, upon petition, to appoint a specified employee or attorney to monitor the homeowners' association election of directors; requiring that all costs for such monitoring be borne by the association; requiring the division to adopt rules and procedures; providing applicability; reenacting and amending s. 720.303, F.S.; prohibiting the suspension of a parcel owner or member's voting rights when voting on the recall of a board member; providing that any specified prior suspensions have no effect for any recall; revising the requirement that a recall agreement in writing or by written ballot or a copy thereof be served on an association by registered mail, rather than by certified mail or by personal service; providing that no other method of service is proper and that any method of service not in compliance is void; requiring that such member or members be recalled effective immediately upon the conclusion of the properly noticed and facially valid board meeting; requiring a recalled member to turn over to the board all records and property of the association in his or her possession within a specified timeframe; deleting the requirement that a board perform certain actions to either certify or not certify the written ballots or written agreements to recall a director of a board; requiring a board to duly notice and hold a meeting of the board within a specified timeframe after receipt of an agreement in writing or by written ballot; providing that board members are recalled effective immediately upon the conclusion of a board meeting, provided the recall is facially valid; revising the timeframe in which a recalled board member must return to the board specified property belonging to the association; deleting the provision that board members may be recalled and removed by a vote taken at a meeting, if permissible under the declarations, the articles of incorporation, or the bylaws of the association; deleting the provision that a special meeting may be convened to recall a director or directors of the board if called by a specified percentage of the voting interests; deleting the prohibition against electronic transmission being used as a method of giving notice of such a meeting; providing the grounds on which a unit owner's recall agreement may be rejected; providing a rebuttable presumption that a unit owner executing the recall agreement is the designated voter for the unit; prohibiting an association from enforcing a voting certificate requirement under certain circumstances; requiring that a rescission or revocation of a unit owner's recall agreement be in writing and delivered to an association before it is served with a written recall agreement; providing construction; deleting the requirement that a board file an action with a court or file with the Department of Business and Professional Regulation a petition for binding arbitration within a specified timeframe if the board does not certify the written agreement or written ballots to recall a director; deleting the provision that board members who voted at a meeting or who executed an agreement in writing constitute one party under the petition for arbitration or court action; deleting the provision that a recall is effective upon the final order of the court or the mailing of the final order of arbitration to the association; requiring that recalled board members turn over specified property of the association to the board within a specified timeframe; providing that if, at the conclusion of a meeting, a board determines that a recall is facially invalid, then the unit owner representative, rather than the parcel owner representative, may file a petition or a court action challenging the board's failure to act; revising the timeframe in which such petition or action must be filed; requiring that the association be named as the re-

spondent in such petition or action; revising the requirement that a separate vote take place for each board director sought to be recalled; providing that a petition or action filed by a board member who has been recalled may challenge the facial validity of the written agreement, the ballots filed, or the substantial compliance with the procedural requirements for a recall; requiring that a board member be reinstated and a recall be deemed null and void if an arbitrator or a court determines that a recall was invalid; providing that a prevailing party is entitled to recover reasonable attorney fees and costs if certain findings are made; revising the timeframe in which the division or a court may not accept for filing a recall petition or action; reenacting and amending s. 720.306, F.S.; deleting the requirement that secret ballots cast by members who are not in attendance at a meeting be mailed or delivered to the association in a specified manner; deleting the requirement that a valid ballot be cast once confirmed valid; deleting the requirement that a ballot for a lot that has more than one ballot submitted be disqualified; deleting the provision that any ballot received after the closing of the balloting may not be considered; deleting the provision that a member may nominate himself or herself as a candidate for the board at a meeting where the election is held, provided certain conditions are met; deleting the prohibition against write-in nominations being permitted under certain circumstances; deleting the provision that qualified candidates seeking nomination must commence their service on the board of directors, regardless of whether a quorum is attained at the annual meeting; deleting the requirement that boards of directors be elected by a plurality of votes unless otherwise provided by the governing documents; deleting the provision that any challenge to the election process be commenced within a specified timeframe after the election results are announced; requiring that board members be elected by written ballot or voting machine; prohibiting the use of proxies in electing the board in general elections or in elections to fill vacancies; requiring the association to mail, deliver, or electronically transmit, by separate association mailing or included in another association mailing, delivery, or electronic transmission, to each member entitled to vote a first notice of the date of the election a specified timeframe before the election; requiring a member intending to be a candidate for the board to give written notice of his or her intent a specified timeframe before the election; requiring the association to send a second notice of the election, with the written notice of the annual meeting and agenda, to all members entitled to vote, together with a ballot that lists all candidates; requiring that an information sheet be sent in the second notice at the request of a candidate; providing requirements for such information sheet; requiring that the candidate furnish the information sheet to the association within a specified timeframe; requiring the association to bear the costs of mailing, delivering, or electronically transmitting the information sheet; providing that the association is not liable for the content of the information sheet; authorizing the association to print the information sheet on both sides of the paper; requiring that elections be decided by a plurality of ballots cast; providing that there are no quorum requirements; providing an exception; prohibiting a member from authorizing any other person to cast his or her ballot; providing that any improperly cast ballots are invalid; providing penalties; authorizing a member who requires assistance to cast a ballot to seek such assistance; requiring the election to occur on the date of the annual meeting; providing that an election is not required unless more candidates file notices of intent to run or are nominated than there are vacancies on the board; providing that such candidates become board members upon the adjournment of the annual meeting under certain circumstances; prohibiting a developer from opting out of the statutory election process; authorizing the association to opt out of the statutory election process if a specified percentage of voting interests after turnover approve, in which case the bylaws of the association shall control; providing applicability; requiring the division to adopt rules; providing applicability; requiring that a candidate for board membership be eligible at the time of the mailing, delivery, or electronic transmission of the candidate's notice of intent to be a candidate; prohibiting co-owners of a parcel from serving together; providing exceptions; revising the requirement that a person who is delinquent on a certain payment due the association is not eligible to be a candidate; revising the requirement that a person serving as a board member who becomes more than 90 days delinquent on a certain payment due the association is deemed to have abandoned his or her seat on the board; providing construction; deleting the definition of the term "any fee, fine, or other monetary obligation"; requiring that the terms of all board members expire at the annual meeting, and that such board members may stand reelection unless prohibited by the association's bylaws, if certain conditions are met; reenacting and amending s. 720.311, F.S.; deleting a requirement

that the Department of Business and Professional Regulation adopt rules; providing construction; requiring the department to conduct binding arbitration of election disputes between members and an association as provided in the act; prohibiting such disputes from being eligible for presuit mediation; requiring such disputes be arbitrated by the department or filed in court; requiring such arbitration petitions be handled on an expedited basis by the division; requiring that any challenge to an election or a recall filed in circuit court be brought as a summary proceeding; providing that the prevailing party is entitled to reasonable attorney fees and costs; requiring that any such proceeding be tried without a jury; providing that the parties are entitled to an immediate hearing; authorizing the court to limit the time in which to take testimony; authorizing the challenging party to request the issuance of a temporary injunction for a specified purpose while the challenge is pending; reenacting ss. 194.011(3)(e) and 194.181(2)(c), F.S., relating to objections to assessment notices and parties to a tax suit, respectively, to incorporate the amendments made to ss. 718.112 and 719.106, F.S., in references thereto; reenacting ss. 718.117(8)(b) and (16) and 718.501(1)(a) and (m), F.S., relating to termination of condominium and authority, responsibility, and duties of the Division of Florida Condominiums, Timeshares, and Mobile Homes, respectively, to incorporate the amendments made to ss. 718.112 and 718.1255, F.S., in references thereto; reenacting s. 719.1255, F.S., relating to alternative dispute resolution, to incorporate the amendment made to s. 718.1255, F.S., in a reference thereto; reenacting ss. 720.3033(4)(b) and 720.405(6), F.S., relating to officers and directors and organizing committee and parcel owner approval, respectively, to incorporate the amendment made to s. 720.306, F.S., in references thereto; providing an effective date.

Excused: Senator Fine

PRAYER

The following prayer was offered by Mother Leslie Roraback, St. John's Episcopal Church, Tallahassee, Florida:

I literally stand before you on this day with a grateful heart, as a cancer patient, working towards becoming a survivor. I received care at Florida's Moffitt Cancer Center, and I give thanks for the brave, bold, and compassionate Dr. Monica Avila and her team. Moffitt Cancer Center is home to researchers, physicians, patients, volunteers, and advocates who all work together, just like you, to make a real difference in the lives of people like me, for the citizens of Florida and beyond.

Let us pray. Most gracious God, we give thanks for these people gathered here elected to advocate, discern, and work together for the betterment of the people of Florida. Holy Lord, be present with these lawmakers always, in all ways, so they may remember to listen for your voice as it rises above others. Unite their gifts of mind and heart, and their spirits, with the grace you give in mercy, love, and compassion, that their actions may lead to healing and joy. Amen.

PLEDGE

Senate Pages, Josiah Burch of Bowling Green; Antonio Matos of Monticello; and Knox Powell of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. David Winchester of Gainesville, sponsored by Senator McClain, as the doctor of the day. Dr. Winchester specializes in cardiology.

ADOPTION OF RESOLUTIONS

At the request of Senator Wright—

By Senator Wright—

SR 1844—A resolution designating March 11, 2025, as “Space Day” in Florida.

WHEREAS, as the birthplace of American space exploration since the first space launch from its shores more than 75 years ago, Florida is home to the nation's space program and has served as the international portal to remarkable scientific innovation and imagination and continues to play a critical role in pioneering new frontiers, as well as leading in the discovery of viable pathways further into space, and

WHEREAS, with its three spaceports, Florida is the world's gateway to space and is the epicenter of aerospace innovation, logistics, opportunity, and economic growth, and

WHEREAS, more than 141,000 residents work in Florida's aviation and aerospace industries, including rocket scientists, machinists, pilots, specialists, and engineers, and

WHEREAS, the number of space launches in Florida has tripled from 31 in 2020 to 93 in 2024, representing a record 36 percent of global launch activity, and, in 2025, more than 140 space launches are expected, and

WHEREAS, as the nation witnesses the rapid growth and expansion of its commercial space transportation industry, over the next decade, Florida has the opportunity to broaden its leadership position in civil and military launch activity, while also emerging as the nation's leader in commercial space opportunities and the integration of space, aeronautics, and aviation technologies, including hypersonic technologies, a vision that, if realized, will position Florida for sustained economic growth and prosperity for decades to come, and

WHEREAS, Florida's top-tier universities prepare future leaders and engineers for the aerospace and defense ecosystem, cultivating a world-class workforce for these highly technical fields, sending more than 4,800 engineering graduates into the workforce annually, and

WHEREAS, with robust military installations that include Army, Navy, Air Force, Marine Corps, Space Force, and Coast Guard bases, Florida's aviation and aerospace industries play a key role in national defense, flight training, and research, and it is the only state with three distinct combatant commands supporting national security missions across the globe, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That March 11, 2025, is designated as “Space Day” in Florida.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Wright recognized Space Chair Robert Salonen from Florida Institute of Technology and Giovanni Castro from Amazon's Kuiper team, who were in the gallery in support of SR 1844.

At the request of Senator Rodriguez—

By Senator Rodriguez—

SR 1848—A resolution recognizing July 24, 2025, as “Private Investigators Day” in Florida.

WHEREAS, July 24 is the birth date of Eugène-François Vidocq, a one-time soldier and petty criminal who, after helping to revolutionize policing practices in France under Napoleon, established a private police agency in 1832 which served as a prototype for modern detective agencies, and

WHEREAS, July 24 is widely known in the private investigator community as “PI Day,” and

WHEREAS, there are 8,233 private detectives and investigators in Florida, giving it one of the country's highest levels of employment for the profession, and

WHEREAS, Florida also ranks among the highest in the nation for the concentration of private investigators, with particularly high concentrations in such key metropolitan areas as Miami, the Tampa-St. Petersburg-Clearwater region, and the Fort Lauderdale-West Palm Beach region, and

WHEREAS, the North Florida region stands out for its significant concentration of private investigators compared to other non-metropolitan areas in the United States, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That July 24, 2025, is recognized as “Private Investigators Day” in Florida.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Rodriguez recognized the Florida Association of Licensed Investigators who were present in the gallery in support of SR 1848.

At the request of Senator Pizzo—

By Senator Pizzo—

SR 1856—A resolution recognizing and celebrating the life and legacy of Senator Geraldine F. “Geri” Thompson.

WHEREAS, Senator Geraldine F. Thompson was born in New Orleans, Louisiana, on November 18, 1948, and

WHEREAS, Senator Geraldine F. Thompson was raised in Miami-Dade County, in the town of Perrine, where she witnessed the hard work and dedication of her family, who held careers in the construction and agriculture industries and whose example shaped her commitment to living a life of service, justice, and empowerment of others, and

WHEREAS, Senator Geraldine F. Thompson earned an undergraduate degree from the University of Miami in 1970 and a Master of Science degree from the Florida State University in 1973, and

WHEREAS, Senator Geraldine F. Thompson held multiple instructional and administrative leadership roles over the course of her impressive career, including serving as a teacher in Orange County Public Schools for 6 years and as an administrator at Valencia Community College for 24 years, where she established the College Reach-Out Program, enabling thousands of low-income and disadvantaged students to fulfill their dream of attending college, and

WHEREAS, Senator Geraldine F. Thompson served with distinction in the Florida House of Representatives from 2006 to 2012 for District 39 and from 2018 to 2022 for District 44, and

WHEREAS, Senator Geraldine F. Thompson was elected to the Florida Senate in 2012 and served until 2016 for District 12 and was reelected in 2022 and served District 15 until her death February 13, 2025, and

WHEREAS, Senator Geraldine F. Thompson made significant contributions toward African-American history, including authoring the book *Black America: Orlando, Florida* and founding the Wells' Built Museum of African American History and Culture, a museum preserving African Art and memorabilia of the Civil Rights Movement, located in Parramore, and

WHEREAS, Senator Geraldine F. Thompson was a politician as well as a devoted wife to the Honorable Emerson R. Thompson, Jr.; a mother of three children, Laurise, Emerson III, and Elizabeth; a grandmother of six, Jasmyne, Imani, Kiara, Symone, Jacqueline, and Julia; and a great-grandmother, and

WHEREAS, her love, wisdom, and compassion touched countless individuals throughout the State of Florida, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That on this day, March 13, 2025, the Florida Senate fondly remembers and commemorates the life and legacy of its esteemed colleague, Senator Geraldine F. “Geri” Thompson, who diligently and lovingly served the people of Florida.

—was introduced, read, and adopted by publication.

REPORT OF JOINT SELECT COMMITTEE

The Honorable Ben Albritton
President of the Senate
409 The Capitol
404 South Monroe Street
Tallahassee, FL 32399-1100

March 10, 2025

The Honorable Ed Hooper
Chair, Senate Appropriations Committee
202 Senate Building
Tallahassee, FL 32399-1100

Dear President Albritton and Chair Hooper:

The Joint Select Committee on Collective Bargaining convened on March 10, 2025, in the *Reed Hall Committee Room*, 102 House Office Building, at 4:00 p.m. The purpose of the meeting was to provide all parties involved in collective bargaining disputes with the State of Florida the opportunity to present their positions to the Florida Legislature, consistent with the provisions of section 447.403, Florida Statutes, and the open meeting provisions of Article III, section 4, of the State Constitution.

The parties presented their positions and indicated they are continuing to negotiate the issues at impasse. We recommend that negotiations continue and that the appropriate legislative committees be kept abreast of the issues agreed upon by the parties as well as the issues that remain at impasse or require legislative action to resolve.

Copies of presentations and other pertinent materials have been retained by staff and, for purposes of future public inquiry, are available through the Senate Governmental Oversight and Accountability Com-

mittee or the Joint Select Committee on Collective Bargaining webpage located on the *Online Sunshine* website.

Respectfully submitted,
Senator Randy Fine
 Alternating Chair

INTRODUCTION AND REFERENCE OF BILLS

FIRST READING

Senate Bills 7000-7014—Previously introduced.

By the Committee on Ethics and Elections—

SB 7016—A bill to be entitled An act relating to initiative petitions proposing an amendment to the State Constitution; providing legislative findings and intent; amending s. 15.21, F.S.; requiring the Secretary of State to have received the ballot summary and the full text of the proposed revision or amendment to the State Constitution from the sponsor and to have received the financial impact statement from the Financial Impact Estimating Conference before submitting an initiative petition to the Attorney General; conforming a cross-reference; amending s. 16.061, F.S.; revising the criteria that the Attorney General uses when petitioning the Supreme Court for an advisory opinion related to a proposed revision or amendment to the State Constitution; requiring that a copy of the petition form be provided to the sponsor of the initiative petition; conforming a cross-reference; making a technical change; amending s. 97.021, F.S.; revising the definition of the term “petition circulator”; reenacting and amending s. 99.097, F.S.; conforming a cross-reference; conforming a provision to changes made by the act; amending s. 100.371, F.S.; requiring the sponsor of an initiative petition to obtain a certain letter periodically; providing that a failure to obtain such letter results in the expiration of the initiative’s signatures and disbanding of the sponsor’s political committee; providing that certain initiative petition signatures expire and the sponsor’s political committee is disbanded under specified conditions; providing that such sponsor is not precluded from refiling the proposed amendment as a new petition; prohibiting a sponsor from sponsoring more than one initiative amendment; requiring a sponsor to register as a political committee and submit the ballot title, ballot summary, article and section of the State Constitution being amended, and full text of the proposed amendment to the Secretary of State; requiring that all information be available in alternative formats upon request; requiring the secretary to assign a petition number and submit a copy of the proposed amendment to the Financial Impact Estimating Conference for review, analysis, and a certain estimate; requiring the Division of Elections to publish the form on which petition signatures must be fixed; deleting a requirement that the secretary adopt certain rules; requiring a sponsor to post a certain bond before circulating petition forms; authorizing the waiver of such requirement if the sponsor provides a certain written certification under oath to the division; prohibiting sponsors from paying petition circulators if granted a waiver; providing that the waiver is rescinded

and signatures may not be verified under a specified circumstance; requiring that monetary contributions received by the sponsor be used for specified purposes, in a specified order; authorizing the division to accept a cashier’s check, official bank check, or money order in lieu of a bond; providing the requirements for the petition form; prohibiting persons, regardless of whether they are compensated for collection, from collecting signatures or initiative petitions if they have not been issued a petition circulator number; authorizing specified persons to collect signed initiative petitions from their immediate family; prohibiting such persons from physically possessing more than a certain number of petition forms; defining the term “immediate family”; authorizing the court to enjoin a petition circulator, regardless of whether compensated, from collecting signatures or initiative petitions until such petition circulator is registered under a specified condition; authorizing the division to revoke a petition circulator’s registration if the petition circulator commits certain violations; prohibiting certain persons from collecting signatures or initiative petitions; requiring that applications for registration include specified information; prohibiting persons from registering to collect signatures or initiative petitions until they complete a required training; providing the requirements for such training; providing civil penalties for the sponsors of initiative amendments that knowingly allow persons to collect petition forms on their behalf and violate specified provisions; prohibiting a sponsor from compensating a petition circulator based on the number of petition forms gathered or the time within which such forms are gathered; providing construction; requiring the division to make forms available to registered petition circulators in a certain format; deleting a requirement that supervisors of elections provide the division information on petition forms assigned to them; requiring sponsors to promptly deliver forms to the supervisor of elections in the county in which a voter resides within a specified timeframe after the form is signed; revising the civil penalties for failing to deliver forms within the prescribed timeframes; providing civil penalties for the sponsors of petitions if the person collecting petition forms on behalf of the sponsor signs the name of another, signs a fictitious name, or fills in missing information on the petition form; providing criminal penalties for persons who, while collecting petition forms, copy or retain a voter’s personal identifying information for a reason other than to provide such information to the sponsor of an initiative petition; providing civil penalties for sponsors who mail or provide prefilled initiative petitions; requiring the supervisor to record the date a submitted petition is received; requiring the supervisor to notify the division of any misfiled petition; PRAYER

The following prayer was offered by Rabbi Schneur Z. Oirechman, Chabad Lubavitch of the Panhandle, Tallahassee:

Almighty G-d, as we gather here in the State Senate to bring light to the people, we pray that you bestow your light upon the honorable President of the Senate, Ben Albritton, and our distinguished Senators.

The Senators dedicate their time and make great sacrifices to serve the people of our Sunshine State. Bless them and their families with wisdom, peace of mind, good health, and prosperity. May they be blessed in their collective effort of light overcoming darkness, and may your blessings shine in their lives as we all stand together to defy antisemitism, evil, and darkness with light.

G-d, today let us remember the Noahide Code, your Seven Universal Laws for all Mankind, which guides us to believe and trust in one G-d and respect the sanctity of innocent life.

We just celebrated the Jewish holiday of Purim last Friday, celebrating the survival of the Jews in the face of ancient genocide. Let us see your face behind the mask of life, always directing events and always protecting the good from the lawless Hamans and immoral Amaleks of every day and age.

We pray that today, good will emerge victorious once again, and that we all come away from Purim knowing that you are here now as you were there then.

May we take inspiration from the life and legacy of Rabbi Menachem M. Schneersohn, the Lubavitcher Rebbe, of righteous memory. The Rebbe taught us that our world is ours to change for the better, one good deed at a time in preparation for the redemption. Let our efforts here, today and every day, be blessed with the power and victory needed to finally usher in that era of eternal world peace and goodness, with the coming of Moshiach, speedily in our days. Amen.

PLEDGE

Senate Pages, Harper Branaman of High Springs; David Fine of Melbourne Beach, son of Senator Fine; and Victoria Mitrovic of Largo, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Bruce Rankin of DeLand, sponsored by Senator Wright, as the doctor of the day. Dr. Rankin specializes in family medicine.

ADOPTION OF RESOLUTIONS

At the request of Senator Berman—

By Senator Berman—

SR 228—A resolution recognizing August 2025 as “Amblyopia Awareness Month” in Florida.

WHEREAS, amblyopia is the most common cause of vision loss in children, and

WHEREAS, amblyopia can cause permanent vision loss if not detected and treated early in life, and

WHEREAS, the detection of amblyopia and other vision-threatening disorders, including retinoblastoma tumors, cataracts, and strabismus, in early childhood increases the chances of successful treatment, especially when the disorder is detected before a child reaches 5 years of age, and

WHEREAS, many forms of amblyopia are difficult to detect and can be identified only through proper screening techniques, and

WHEREAS, the sooner children are identified as having amblyopia or any other vision-threatening disorder, the sooner treatment can commence, and

WHEREAS, millions of children in the United States are left with permanent vision loss due to undetected amblyopia and other childhood vision disorders that, if detected with proper screening, could have been successfully treated, and

WHEREAS, less than 20 percent of preschool children are currently screened for vision problems, despite the fact that such screening is a service covered by many health insurance plans and health maintenance organizations, and

WHEREAS, parents should be encouraged to have their children screened for vision problems before admission to preschool, and

WHEREAS, the Florida Society of Ophthalmology and the For Eye Care Foundation, Inc., believe that it is of paramount importance to promote statewide preschool vision screening, with the goal of testing all children between 3 and 5 years of age, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That August 2025 is recognized as “Amblyopia Awareness Month” in Florida.

—was introduced, read, and adopted by publication.

SR 1684—A resolution condemning Students for Justice in Palestine for its support of foreign terrorist organizations and antisemitic actions.

WHEREAS, on October 7, 2023, the Jihadist terrorist organizations Hamas and Palestinian Islamic Jihad carried out a secretive, barbaric attack on unarmed, innocent civilians in Israel, and

WHEREAS, in that attack, over 1,000 Israelis, Americans, and other nationals were murdered, more than 3,000 were wounded, and over 250 Israelis and Americans were taken hostage, and

WHEREAS, following the attacks in Israel, Students for Justice in Palestine planned and organized a series of demonstrations on college campuses around America, and

WHEREAS, Students for Justice in Palestine released a toolkit for these demonstrations, stating that “Palestinian students in exile are PART of this movement, not in solidarity with this movement...This is a moment of mobilization,” and

WHEREAS, some of the demonstrations turned violent and were declared riots and unlawful occupations, and

WHEREAS, Jewish students on American college campuses became the targets of violence and antisemitic persecution during and after the riots and demonstrations, and

WHEREAS, the demonstrations, in effect, provide material support to Hamas and Palestinian Islamic Jihad, two organizations officially designated as Foreign Terrorist Organizations by the United States Department of State, and

WHEREAS, in response to Students for Justice in Palestine identifying themselves as part of the terrorist attack, the State University System of Florida issued a memorandum on October 24, 2023, deactivating student chapters within state universities and citing s. 775.33(3), Florida Statutes, which provides that it is a felony in this state to provide material support to a designated foreign terrorist organization, and

WHEREAS, Students for Justice in Palestine has denied that Hamas is a terrorist organization, characterizing it instead as a “social organization” focused on resistance and stating that “liberating colonized land is a real process and requires confrontation by any means necessary,” and

WHEREAS, Senan Shaqdeh, identified as a “former member of the Popular Front for the Liberation of Palestine (PFLP) Mountain Brigade,” is one of the self-identified founders of Students for Justice in Palestine, and

WHEREAS, on April 23, 2024, the PFLP posted a public statement of support for students involved in pro-terrorist protests on college campuses in which they expressed support for Students for Justice in Palestine by name, and

WHEREAS, the Canada-based charity Samidoun has been designated by the United States Treasury Department as a “sham charity that serves as an international fundraiser for the Popular Front for the Liberation of Palestine terrorist organization,” and

WHEREAS, the designated PFLP charity Samidoun publicly described Students for Justice in Palestine as their “comrades and colleagues,” and

WHEREAS, according to a May 3, 2024, *Wall Street Journal* article, pro-terrorist and antisemitic campus protestors were trained for months by members of Samidoun and Students for Justice in Palestine, and

WHEREAS, the Students for Justice in Palestine organization has been described as being “founded and controlled by American Muslims for Palestine (AMP),” and

WHEREAS, Students for Justice in Palestine co-founder Hatem Bazian is also the co-founder of American Muslims for Palestine (AMP), and

WHEREAS, AMP is currently under investigation by the Virginia Attorney General for violations of state charity laws, and

WHEREAS, AMP has been credibly accused in civil court of serving as the alter ego of the Islamic Association for Palestine, a designated Hamas charity, and

WHEREAS, both AMP and Students for Justice in Palestine are currently being sued by victims of the October 7, 2023, terrorist attack over allegations of serving as a public relations firm for Hamas, and

WHEREAS, during a search of the home of two Students for Justice in Palestine leaders in Virginia, police allegedly uncovered Hamas and Hezbollah flags, firearms and ammunition, foreign passports, and documents calling for “Death to America,” and

WHEREAS, Students for Justice in Palestine has promoted and supported the discriminatory movement looking to boycott, divest, and sanction Israel, actions that this Legislature has prohibited and condemned through laws and resolutions, and

WHEREAS, despite an order from the State University System of Florida, the University of Florida and the University of South Florida have failed to remove the organization from their campuses following the dismissal of *Students for Justice in Palestine at the University of Florida v. Raymond Rodrigues*, and

WHEREAS, a number of universities nationwide have suspended the Students for Justice in Palestine chapters on their campuses, including, but not limited to, Brandeis University, Brown University, Columbia University, George Mason University, George Washington University, Rowan University, Rutgers-New Brunswick University, Tufts University, the University of California-Los Angeles, the University of Georgia, the University of Michigan, and the University of Vermont, and

WHEREAS, Students for Justice in Palestine promotes an antisemitic ideology and supports terrorist organizations that advocate for violence and hatred against others, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate of the State of Florida condemns the organization Students for Justice in Palestine as an anti-American, antisemitic, and racist organization that has no place in American life and urges all Florida colleges and universities to remove Students for Justice in Palestine from their campuses.

SR 1854—A resolution honoring Zeta Phi Beta Sorority, Incorporated, on the occasion of its Florida State Leadership Conference and recognizing the organization's advocacy for the Extraordinary Power of S.H.E. — the Social, Health, and Economic Justice Initiative.

WHEREAS, Zeta Phi Beta Sorority, Incorporated, founded January 16, 1920, at Howard University, has upheld the principles of scholar-

ship, service, sisterhood, and finer womanhood for more than a century, advancing civic engagement and advocacy that strengthen families and communities, and

WHEREAS, Zeta Phi Beta Sorority, Incorporated, is an organization of college women organized as a sister group to Phi Beta Sigma Fraternity, Incorporated, that bind themselves together to promote “the cause of education by encouraging the highest standards of scholarship through scientific, literary, cultural, and educational programs; promoting charitable projects on college campuses and within the community; fostering the spirit of sisterly love; and promoting the ideal of finer womanhood,” and

WHEREAS, Zeta Phi Beta Sorority and Phi Beta Sigma Fraternity comprise the only constitutionally bound, brother-and-sister black Greek-letter organization, and

WHEREAS, Zeta Phi Beta Sorority’s Florida State Leadership Conference serves as a vital platform for leadership development, community engagement, and legislative advocacy, empowering members to enact meaningful changes through policy and service that promotes overall community advancement, and

WHEREAS, Zeta Phi Beta Sorority members have been relentless in demonstrating a strong commitment to community service, and through their Zetas Helping Other People Excel (Z-HOPE) initiative, they have organized and executed more than 150,000 programs, reaching and positively impacting more than 5 million individuals, and

WHEREAS, the sorority’s financial commitment of more than \$8 million to the Extraordinary Power of S.H.E., the Social, Health, and Economic Justice initiative, is a testament to the members’ dedication to advancing social justice by advocating for voting rights, criminal justice reform, sensible and responsible firearms legislation, and equitable education policies; promoting health equity through affordable health care, improved maternal health, Medicaid expansion, mental health access, and preventive care in marginalized communities; and ensuring economic justice by supporting fair wages, workforce development, financial literacy, and entrepreneurship, and

WHEREAS, Zeta Phi Beta Sorority has a long-standing national partnership with the March of Dimes, a collaboration that has contributed significantly to the fight against maternal and infant health disparities through improved access to prenatal care, policies that better protect mothers and babies, and increased awareness about black maternal health, and

WHEREAS, Zeta Phi Beta Sorority proudly honors the remarkable contributions of one of its members, Jennifer “Jennie” Joseph, whose visionary work as a midwife, her recognition as the 2022 Time Magazine Woman of the Year, and her advocacy for maternal health have been instrumental in reducing maternal and infant mortality rates, particularly among black and marginalized communities in Florida and beyond, and

WHEREAS, Zeta Phi Beta Sorority collaborates to actively support local, state, and national legislation that aligns with its S.H.E. initiative, with Zetas working alongside state legislators, advocacy groups, and national partners to champion policies that promote equity and justice for marginalized communities, ensuring impactful advocacy and community empowerment, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate honors the Zeta Phi Beta Sorority Florida State Leadership Conference, Incorporated, and recognizes the organization’s advocacy for the Extraordinary Power of S.H.E. — the Social, Health, and Economic Justice Initiative.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Zeta Phi Beta Sorority, Incorporated, Leadership, Dr. Stacie N.C. Grant, International President and CEO; the Florida State Director, Bridgette Howard; and the Social Action Coordinators, Dr. Trina Sanders and Paulette Bartlett, as a tangible token of the sentiments of the Florida Senate.

SR 1858—A resolution commending Florida State University for its achievements as a national leader in academic and research excellence and designating March 19, 2025, as FSU Day at the Capitol.

WHEREAS, the Tallahassee campus of Florida State University (FSU) was founded in 1851 as the West Florida Seminary and is the oldest continuous site of higher education in Florida, and

WHEREAS, FSU has been recognized as a preeminent university by the State of Florida, and

WHEREAS, FSU has reached a historic milestone, earning its highest academic ranking ever at No. 10 in Niche’s report of Top Public Universities in America, and has been recognized by Princeton Review as the No. 1 public university for student satisfaction, and

WHEREAS, FSU is recognized as a national leader in student success, with a first-year student retention rate of 96 percent and a 4-year graduation rate of 76 percent, placing FSU in the top 10 among all public universities in the nation in both categories, and

WHEREAS, FSU’s research expenditures have reached an all-time high of \$460.7 million as the university paves the way for world-changing discoveries and launches bold new initiatives, such as FSU Health and the Institute for Pediatric Rare Diseases, which make a difference in people’s lives and contribute to the economies of our state and nation, and

WHEREAS, FSU is the headquarters of the National High Magnetic Field Laboratory, the only national laboratory in Florida and home to the most powerful magnets in the world, which generates \$709 million in economic output and supports 4,550 jobs, and

WHEREAS, FSU offers undergraduate, graduate, doctoral, and professional degrees in 272 programs within 17 colleges, taught by a faculty of 2,760, which has included members of the National Academies of Sciences, Engineering, and Medicine and the American Academy of Arts and Sciences and six Nobel Laureates, and has a student-faculty ratio of 17-to-1, meaning that more than 65 percent of FSU’s classes have fewer than 20 students, and

WHEREAS, FSU’s 2024-2025 freshman class is one of the brightest in the university’s history, with students coming from all 67 Florida counties, all 50 states, and 48 countries and entering FSU with an average GPA of 4.3, SAT score of 1350, and ACT score of 30, and 76 percent of whom were among the top 10 percent of their high school class, and

WHEREAS, FSU is ranked 10th in the nation for study abroad enrollment and has a rich history of supporting learning and scholarship programs around the world, with exceptional study centers in London, Florence, and Valencia and a branch campus in the Republic of Panama, which provide transformative educational experiences to thousands of students across nearly every academic discipline offered at FSU, and

WHEREAS, FSU shares a special relationship with the Seminole Tribe of Florida which is built on respect, trust, and collaboration and which celebrates the tribe’s rich history and culture while supporting educational opportunities and initiatives that strengthen this enduring partnership, and

WHEREAS, FSU boasts a network of more than 400,000 alumni who are making a difference in their communities across Florida and around the world and demonstrating the university’s commitment to producing graduates who lead and serve, and

WHEREAS, in 2024, the FSU baseball team reached the College World Series for the 24th time, the women’s soccer team won its 11th Atlantic Coast Conference championship, and, in the annual Director’s Cup standings, which measure the overall strength of athletic programs, the Seminoles ranked 12th in the nation — FSU’s highest ranking in 5 years, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate hereby designates March 19, 2025, as FSU Day in Florida in recognition of Florida State University’s contribution as an outstanding institution of higher education.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Richard McCullough, Ph.D., the 16th President of Florida State University, as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Simon recognized Peter Collins, Chair of Florida State University’s Board of Trustees; Vivian de las Cuevas-Diaz, Vice Chair of Florida State University’s Board of Trustees; Richard McCullough, President of Florida State Univerity; Clay Ingram, Chief Legislative Affairs Officer and former Representative; and Lina Rojas, Legislative Manager for Governmental Relations, who were present in the gallery in support of SR 1858 recognizing March 19, 2025, as FSU Day at the Capitol. Senator Simon also thanked the late football coach, Bobby Bowden, for his many contributions both on and off the field over his years of service.

INTRODUCTION OF FORMER SENATORS

The President recognized former Senator Denise Grimsley who was present in the chamber.

CS for SB 50—A bill to be entitled An act relating to nature-based methods for improving coastal resilience; amending s. 380.0933, F.S.; requiring the Florida Flood Hub for Applied Research and Innovation at the University of South Florida College of Marine Science to develop design guidelines and standards for green and gray infrastructure and models for conceptual designs of green infrastructure and green-gray infrastructure; creating s. 380.0938, F.S.; requiring the Department of Environmental Protection to adopt rules for nature-based methods for coastal resilience; providing requirements for such rules; requiring the department, in consultation with the Division of Insurance Agent and Agency Services of the Department of Financial Services, to conduct a statewide feasibility study regarding the value of nature-based methods being used for a specified purpose; requiring the department to submit a report to the Governor and the Legislature by a specified date; providing an appropriation; providing an effective date.

—was read the second time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Garcia moved the following amendment which was adopted:

Amendment 1 (384900) (with title amendment)—Delete lines 46-60 and insert:

Section 1. Present paragraphs (c) through (i) of subsection (2) of section 380.0933, Florida Statutes, are redesignated as paragraphs (e) through (k), respectively, new paragraphs (c) and (d) are added to that subsection, and subsections (1) and (4) of that section are amended, to read:

380.0933 Florida Flood Hub for Applied Research and Innovation.—

(1) The Florida Flood Hub for Applied Research and Innovation is established within the University of South Florida ~~College of Marine~~

~~Science~~ to coordinate efforts between the academic and research institutions of the state. The University of South Florida ~~College of Marine Science or its successor entity~~ will serve as the lead institution and engage other academic and research institutions, private partners, and financial sponsors to coordinate efforts to support applied research and innovation to address the flooding and sea level rise challenges of the state.

(2) The hub shall, at a minimum:

(c) *Develop design guidelines and standards for optimal combinations of green and gray infrastructure to address sea level rise and the impact of storm surges.*

(d) *Model the effects, including flood risk reduction and socioeconomic benefits, of conceptual designs of green infrastructure and hybrid green-gray infrastructure, and the integration of green natural systems into gray infrastructure systems, on this state's coastal resilience.*

(4) The hub shall be led by ~~employ~~ an executive director who is appointed by and reports to the President of the University of South Florida, or the president's designee.

And the title is amended as follows:

Delete lines 4-9 and insert: specifying that the Florida Flood Hub for Applied Research and Innovation is established within the University of South Florida, rather than within the University of South Florida College of Marine Science; requiring the hub to develop design guidelines and standards for optimal combinations of green and gray infrastructure and to model the effects of conceptual designs of certain green and gray infrastructure; providing for the appointment of an executive director to lead the hub; creating s. 380.0938,

CS for SB 150—A bill to be entitled An act relating to abandoning restrained animals during natural disasters; providing a short title; amending s. 828.13, F.S.; defining terms; prohibiting the abandonment of an animal that is restrained outside during a natural disaster; providing criminal penalties; providing an effective date.

—was read the second time by title.

Senator Gaetz moved the following amendment which was adopted:

Amendment 1 (376058) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. *This act may be cited as “Trooper’s Law.”*

Section 2. Section 828.13, Florida Statutes, is amended to read:

828.13 Confinement of animals without sufficient food, water, or exercise; abandonment of animals.—

(1) As used in this section:

(a) “Abandon” means to forsake an animal entirely or to neglect or refuse to provide or perform the legal obligations for care and support of an animal by its owner.

(b) “Natural disaster” means a situation in which a hurricane, tropical storm, or tornado warning has been issued for a municipality or a

county by the National Weather Service, or the municipality or county is under a mandatory or voluntary evacuation order.

(c)(b) “Owner” includes any owner, custodian, or other person in charge of an animal.

(d) “Restrain” means to attach a dog to a stationary object or trolley system by way of a chain, rope, tether, leash, cable, or other device.

(2) Whoever:

(a) Impounds or confines any animal in any place and fails to supply the animal during such confinement with a sufficient quantity of good and wholesome food and water,

(b) Keeps any animals in any enclosure without wholesome exercise and change of air, or

(c) Abandons to die any animal that is maimed, sick, infirm, or diseased,

~~commits is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or by a fine of not more than \$5,000, or by both imprisonment and a fine.~~

(3) Any person who is the owner or possessor, or has charge or custody, of any animal who abandons such animal to suffer injury or malnutrition or abandons any animal in a street, road, or public place without providing for the care, sustenance, protection, and shelter of such animal ~~commits is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or by a fine of not more than \$5,000, or by both imprisonment and a fine.~~

(4) Any person who restrains a dog outside during a natural disaster and thereafter abandons the dog ~~commits a felony of the third degree, punishable as provided in s. 775.082 or by a fine of not more than \$10,000, or both.~~

Section 3. This act shall take effect October 1, 2025.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to abandoning restrained dogs during natural disasters; providing a short title; amending s. 828.13, F.S.; defining the terms “natural disaster” and “restrain”; providing criminal penalties for restraining a dog outside during a natural disaster and thereafter abandoning the dog; providing an effective date.

Senator Simon moved the following amendment:

Amendment 1 (934848) (with title amendment)—Delete lines 2208-2351 and insert:

(6) *Beginning in the 2025-2026 fiscal year, the department shall give priority to a county located either wholly or partially within the Everglades Agricultural Area as defined in s. 373.4592(15) which, notwithstanding subsection (4), requests 100 percent of the project costs for an eligible project that meets the criteria established in paragraph (3)(e). Requests under this subsection are limited to \$15 million annually. This subsection expires July 1, 2031.*

Section 31. Subsections (1), (2), (3), (6), (7), and (8) of section 339.2818, Florida Statutes, are amended to read:

339.2818 Small County Outreach Program.—

(1) There is created within the department of Transportation the Small County Outreach Program. The purpose of this program is to assist small county governments in repairing or rehabilitating county bridges, paving unpaved roads, addressing road-related drainage improvements, resurfacing or reconstructing county roads, or constructing capacity or safety improvements to county roads.

(2) For the purposes of this section, the term “small county” means any county that has a population of 200,000 or less as determined by the most recent official population census determination estimate pursuant to s. 186.901.

~~(3) Funds allocated under this program, pursuant to s. 4, ch. 2000-257, Laws of Florida, are in addition to any funds provided pursuant to s. 339.2816, for the Small County Road Assistance Program.~~

(5)(6) Funds paid into the State Transportation Trust Fund pursuant to ss. 201.15, 320.072, and 339.0801 ~~s. 201.15~~ for the purposes of the Small County Outreach Program are hereby annually appropriated for expenditure to support the Small County Outreach Program.

(6)(7) Subject to a specific appropriation in addition to funds annually appropriated for projects under this section, a municipality within a rural area of opportunity or a rural area of opportunity community designated under s. 288.0656(7)(a) may compete for the addi-

tional project funding using the criteria listed in subsection (3) (4) at up to 100 percent of project costs, excluding capacity improvement projects.

~~(8) Subject to a specific appropriation in addition to funds appropriated for projects under this section, a local government either wholly or partially within the Everglades Agricultural Area as defined in s. 373.4592(15), the Peace River Basin, or the Suwannee River Basin may compete for additional funding using the criteria listed in paragraph (4)(c) at up to 100 percent of project costs on state or county roads used primarily as farm to market connections between rural agricultural areas and market distribution centers, excluding capacity improvement projects.~~

Section 32. Section 339.68, Florida Statutes, is amended to read:

(Substantial rewording of section.)

See s. 339.68, F.S., for present text.)

339.68 Florida Arterial Road Modernization Program.—

(1) The Legislature finds that increasing demands continue to be placed on rural arterial roads in this state by a fast-growing economy, continued population growth, and increased tourism. Investment in the rural arterial roads of this state is needed to maintain the safety, mobility, reliability, and resiliency of the transportation system in order to support the movement of people, goods, and commodities; to enhance economic prosperity and competitiveness; and to enrich the quality of life of the rural communities and the environment of this state.

(2) The Florida Arterial Road Modernization Program is created within the department to make capacity and safety improvements to two-lane arterial roads located in rural communities. For purposes of this section, the term “rural community” has the same meaning as provided in s. 288.0656.

(3) Beginning in the 2025-2026 fiscal year, the department shall allocate from the State Transportation Trust Fund a minimum of \$50 million in each fiscal year for purposes of funding the program. This funding is in addition to any other funding provided to the program by any other law.

(4) The department shall use the following criteria to prioritize projects for funding under the program:

(a) Whether the road has documented safety concerns or requires additional safety and design improvements. This may be evidenced by the number of fatalities or crashes per vehicle mile traveled.

(b) Whether the road has or is projected to have a significant amount of truck tractor traffic as determined by the department. For purposes of this paragraph, the term “truck tractor” has the same meaning as in s. 320.01(11).

(c) Whether the road is used to transport agricultural products and commodities from the farm to the market or other sale or distribution point.

(d) Whether the road is used to transport goods to or from warehouses, distribution centers, or intermodal logistics centers as defined in s. 311.101(2).

(e) Whether the road is used as an evacuation route.

(f) Whether the physical condition of the road meets department standards.

(g) Whether the road currently has, or is projected to have within the next 5 years, a level of service of D, E, or F.

(h) Any other criteria related to the impact of a project on the public road system or on the state or local economy as determined by the department.

(5) By January 1, 2027, and every 2 years thereafter, the department shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report regarding the use and condition of arterial roads located in rural communities, which report must include the following:

(a) A map of roads located in rural communities which are designated as arterial roads.

(b) A needs assessment that must include, but is not limited to, consideration of infrastructure improvements to improve capacity on arterial roads in rural communities.

(c) A synopsis of the department’s project prioritization process.

(d) An estimate of the local and state economic impact of improving capacity on arterial roads in rural communities.

(e) A listing of the arterial roads and the associated improvements to be included in the program and a schedule or timeline for the inclusion of such projects in the work program.

Section 33. (1) The Department of Transportation shall allocate the additional funds provided by this act to implement the Small County Road Assistance Program as created by s. 339.2816, Florida Statutes, and amend the current tentative work program for the 2025-2026 through 2031-2032 fiscal years to include additional projects. In addition, before adoption of the work program, the department shall submit a budget amendment pursuant to s. 339.135(7), Florida Statutes, requesting budget authority necessary to implement the additional projects.

(2) The department shall allocate sufficient funds to implement the Florida Arterial Road Modernization Program, develop a plan to expend the revenues as specified in s. 339.68, Florida Statutes, and, before its adoption, amend the current tentative work program for the 2025-2026 through 2031-2032 fiscal years to include the program’s projects. In addition, before adoption of the work program, the department shall submit a budget amendment pursuant to s. 339.135(7), Florida Statutes, requesting budget authority necessary to implement the program as specified in s. 339.68, Florida Statutes.

(3) Notwithstanding any other law, the increase in revenue to the State Transportation Trust Fund derived from the amendments to ss. 201.15 and 319.32, Florida Statutes, made by this act and deposited into the trust fund pursuant to ss. 201.15 and 339.0801, Florida Statutes, shall be used by the department to fund the programs as specified in this section.

Section 34. Paragraph (h) is added to subsection (2) of section 381.402, Florida Statutes, and paragraph (b) of subsection (3) of that section is amended, to read:

381.402 Florida Reimbursement Assistance for Medical Education Program.—

Excused: Senator Fine

PRAYER

The following prayer was offered by Pastor David Throckmorton, Senator McClain's father-in-law, Crystal River:

Father, what an honor to come before you and acknowledge you as our God. Our God who created the heavens and the earth, and our God who separated the lands from the seas. You are an incredibly powerful God. If we allow you, we know that you will intervene in our lives.

Father, we admit we are a needy people, and to be honest, we need help. As we look around, we see people from all walks of life who are hopeless and helpless. We know we do not have all the answers. Lord, we need your guidance and direction during these days of trials and confusion. In the midst of life, we need a whole bunch of love and grace. Lord, teach us to love unconditionally without any dark motives. Lord, teach us to love our enemies and bless those who persecute us. Lord, teach us to be kind, tenderhearted, and just downright nice. Lord, give us a huge dose of your kind of love—a love that is not rude. Somehow, we all know that if we just loved you, and we loved each other, life would be so much better. I'm glad that you are big enough to make this happen if we allow you.

Lord, instruct us in the things that really matter in life. Forgive us for getting sidetracked on issues that are secondary. How thankful we are

today that you can lift the burdens of life because we sure do have a lot of them.

Lord, give us peace, a peace that passes all understanding, peace that calms our spirit and soul. Lord, I'm sure these lawmakers would all agree that their work is challenging. Lord, we ask that you'll give these, your servants, profound wisdom—wisdom from above.

Lord, thank you for each man and each woman who serve our country in whatever capacity. Thank you for each Senator today. Bless them, and bless their families with good and precious gifts from you. We pray in the wonderful and the mighty name of our Lord. Amen and Amen.

PLEDGE

Senate Pages, Misha Hildrew of Sunny Isles Beach; Antonio Jefferson of Tallahassee; and Ocean Johnson of Jensen Beach, grandson of Senator Harrell; led the Senate in the Pledge of Allegiance to the flag of the United States of America.

ADOPTION OF RESOLUTIONS

At the request of Senator Yarborough—

By Senator Yarborough—

SR 858—A resolution recognizing the month of March as “Blood Clot Awareness Month” each year in Florida.

WHEREAS, a blood clot is a mass of blood that forms when platelets, proteins, and cells in the blood stick together, and the body naturally forms blood clots after an injury to stop bleeding and to help the wound heal, and

WHEREAS, blood clots are potentially dangerous and can materialize throughout the body in places they should not, such as when the body makes too many blood clots or makes abnormal blood clots, or when the blood clots formed to stop bleeding do not break down following an injury, all of which can lead to illness, disability, and even death if not treated early, and

WHEREAS, as indicated by the public education campaign “Stop the Clot, Spread the Word,” made possible through the partnership of the National Blood Clot Alliance and the Centers for Disease Control and Prevention, up to 900,000 people are negatively affected by blood clots every year, and

WHEREAS, an estimated 100,000 Americans die annually due to blood clots, and many others have long-term complications as a result of blood clots, and

WHEREAS, blood clots can be further categorized as a deep vein thrombosis or a pulmonary embolism, and

WHEREAS, a deep vein thrombosis occurs if a blood clot forms in one of the large veins, typically in a person's lower leg, thigh, pelvis, or arm, and is a type of blood clot that can partly or completely block the flow of blood in the body and, if left untreated, can travel to the lungs, causing a

blockage known as a pulmonary embolism, which requires immediate medical attention, and

WHEREAS, it is important to recognize the signs and symptoms of a blood clot, with a deep vein thrombosis often presenting as swelling, pain, tenderness, and redness or discoloration of the skin at the affected area, and

WHEREAS, by comparison, a pulmonary embolism often is associated with difficulty breathing, a faster than normal or irregular heartbeat, coughing up blood, and very low blood pressure, lightheadedness, or fainting, and

WHEREAS, the negative consequences of blood clots are preventable, and the best ways to avoid them include knowing the risk factors, recognizing the signs and symptoms, informing a medical professional of any risk factors, speaking with a medical professional about blood clots before any surgical procedure, and seeing a medical professional as soon as possible when symptoms emerge, and

WHEREAS, to better inform the public of the risks, signs, and symptoms of blood clots, the National Blood Clot Alliance annually promotes March as “Blood Clot Awareness Month,” NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the month of March is recognized as “Blood Clot Awareness Month” in the State of Florida in order to join the National Blood Clot Alliance in raising public awareness of preventive measures and of the signs and symptoms of blood clots, thereby helping the residents of this state avoid the negative health consequences associated with blood clots.

BE IT FURTHER RESOLVED that the Governor is respectfully requested to issue a proclamation each year calling upon public officials and the residents of this state to observe the month of March as “Blood Clot Awareness Month” with appropriate activities and programs.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Yarborough recognized Leslie Lake, Volunteer President of the National Blood Clot Alliance, who was present in the gallery in support of Blood Clot Awareness Month.

At the request of Senator Rodriguez—

By Senator Rodriguez—

SR 1302—A resolution recognizing the week of May 4, 2025, as “Tardive Dyskinesia Awareness Week” in Florida, and encouraging individuals who are experiencing uncontrollable, abnormal, and repetitive movements to consult their health care provider regarding their symptoms.

WHEREAS, people living with a serious mental illness, such as bipolar disorder, major depressive disorder, schizophrenia, or schizoaffective disorder, often require treatment with antipsychotics for effective symptom management, and

WHEREAS, while prolonged use of antipsychotics may be essential, they are associated with tardive dyskinesia (TD), a condition marked by uncontrollable, abnormal, and repetitive movements of the face, torso, limbs, or fingers and toes, and

WHEREAS, even mild TD symptoms can be stigmatizing and impair physical, social, and emotional well-being, underscoring the urgency of early screening, detection, and intervention, and

WHEREAS, it is estimated that TD affects over 800,000 adults in the United States and that approximately 60 percent of people with TD remain undiagnosed, making it important to raise awareness about the symptoms, and

WHEREAS, the American Psychiatric Association, in its clinical guidelines for antipsychotic treatment, recommends routine TD

screening for individuals who are being treated with antipsychotics or experiencing abnormal movements and that such individuals should consult their health care providers to assess TD risk, receive TD screenings, and determine appropriate treatment, and

WHEREAS, treatments for TD approved by the United States Food and Drug Administration can help manage symptoms and improve quality of life for many individuals living with TD, and

WHEREAS, it is important to raise awareness of TD among the public and the medical community to ensure that patients who are prescribed antipsychotics receive care and support that align with clinical best practices, including regular screenings, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the week of May 4, 2025, is recognized as “Tardive Dyskinesia Awareness Week” in Florida, and that individuals experiencing uncontrollable, abnormal, and repetitive movements are encouraged to consult their health care provider regarding their symptoms.

—was introduced, read, and adopted by publication.

By Senator Wright—

SR 1850—A resolution designating March 26, 2025, as “Bethune-Cookman University Day” in Florida and recognizing the university’s profound educational and cultural contributions to this state and beyond.

WHEREAS, Bethune-Cookman University, founded as the Daytona Literary and Industrial Training School for Negro Girls, was opened in 1904 by Dr. Mary McLeod Bethune in Daytona Beach and stands as a beacon of academic excellence and social advancement, steadfastly upholding its mission to provide transformative education to generations of students, and

WHEREAS, Bethune-Cookman University has made significant contributions to the intellectual and professional development of Florida’s workforce, cultivating leaders who excel across various fields, including education, business, public service, and health care, and

WHEREAS, Bethune-Cookman University embodies the resilient, creative, and entrepreneurial legacy of its founder and is committed to fostering critical thinking, innovation, and servant leadership by inspiring students to “enter to learn” and “depart to serve” this state, the nation, and the world, and

WHEREAS, Dr. Mary McLeod Bethune is one of two Floridians whose likenesses are displayed in the National Statuary Hall, in recognition of her extraordinary contributions to American history and reflecting Florida’s commitment to recognizing transformative leaders, and

WHEREAS, Bethune-Cookman University and its alumni, faculty, and students have made significant contributions to the economy and social fabric of this state, embodying the ideals of civic responsibility and lifelong learning, and

WHEREAS, Bethune-Cookman University’s Founder’s Day, March 26, provides an opportunity to honor the legacy of Dr. Mary McLeod Bethune and the university, to celebrate the university’s ongoing achievements, and to affirm Florida’s commitment to supporting institutions of higher learning that enrich our communities and our future, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That in recognition of Bethune-Cookman University’s contributions as an institution of excellence, March 26, 2025, is designated as “Bethune-Cookman University Day” in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Dr. William Berry, President of Bethune-Cookman University, as a tangible token of the sentiments of the Florida Senate.

SR 1860—A resolution recognizing March 27, 2025, as “Keiser University Day” in Florida and celebrating the university’s nearly 50 years of providing quality education, serving a diverse student population, and positively impacting both this state and the global economy.

WHEREAS, Keiser University, as a vital institution of higher learning, offers more than 100 doctoral, master’s, bachelor’s, and associate degree programs in many of Florida’s critical workforce sectors, including nursing, health care, defense and homeland security, information technology, and transportation and logistics, as well as highly specialized fields, such as cybersecurity, digital forensics and incident response, and artificial intelligence, and

WHEREAS, Keiser University, with more than 100,000 alumni and 3,800 employees, has become one of Florida’s largest private, not-for-profit universities, annually serving approximately 20,000 students, and

WHEREAS, Keiser University ranks among the top institutions in the nation in providing upward social mobility, earning the No. 1 ranking in that category from *U.S. News & World Report* in 2023, and

WHEREAS, Keiser University is one of the largest producers of nursing professionals in this state, with more than 7,000 nursing graduates in the past 8 years, and

WHEREAS, 20 percent of Keiser University’s students are active-duty service members, veterans of the United States Armed Forces, or family members of service members or veterans, and

WHEREAS, Keiser University, with a 28 percent Hispanic student population, is recognized as a Hispanic-serving institution and is a member of the Hispanic Association of Colleges and Universities, and

WHEREAS, 67 percent of Keiser University’s graduates annually complete degrees in the science, technology, engineering, mathematics, and health care fields, and

WHEREAS, 70 percent of Keiser University’s student body is female, and approximately 85 percent of Keiser students stay in Florida after graduation, and

WHEREAS, Keiser University programs support nontraditional students, including parents, caregivers, veterans, first-generation students, and students who work full time or part time, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That March 27, 2025, is recognized as “Keiser University Day” and that the university’s nearly 50 years of providing quality education as a vital institution of higher education and serving a diverse student population is celebrated in Florida.

BE IT FURTHER RESOLVED that Keiser University’s impressive growth since its humble beginnings in 1977 and its positive economic impact on both this state and the global economy are recognized.

BE IT FURTHER RESOLVED that Keiser University Chancellor and CEO Arthur Keiser, Ph.D., Vice Chancellor Belinda Keiser, and the membership of the Keiser University Board of Trustees are recognized for their enduring commitment to providing students with access to a superior education.

BE IT FURTHER RESOLVED that the members of the Keiser University faculty are recognized for their leadership in the classroom and online learning and their charitable service in this state.

—was introduced, read, and adopted by publication.

SR 1862—A resolution designating March 25, 2025, as “Florida Gulf Coast University Day” in Florida.

WHEREAS, in May 1991, then-Governor Lawton Chiles signed into law a bill authorizing the creation of Florida’s tenth public university, Florida Gulf Coast University (FGCU), to provide higher education opportunities and workforce development in the previously underserved region of Southwest Florida, and

WHEREAS, FGCU opened its doors to 2,584 students on August 25, 1997, and held its first commencement in May 1998 with 81 graduates, and

WHEREAS, FGCU has been led by five outstanding and dynamic presidents: Dr. Roy McTarnaghan, Dr. William C. Merwin, Dr. Wilson G. Bradshaw, Dr. Michael V. Martin, and Dr. Aysegul Timur, and

WHEREAS, under the leadership and vision of Dr. Aysegul Timur and the FGCU Board of Trustees, FGCU strives for students to possess an entrepreneurial spirit and for graduates to be well prepared to lead productive lives as civically engaged and environmentally conscious citizens with successful careers, and

WHEREAS, FGCU has strategically grown into a regional university with an enrollment of more than 16,000 students and today offers 65 undergraduate, 27 graduate, and 7 doctoral programs and 19 academic certificates, and

WHEREAS, the pathways to student success at FGCU have led to national prominence in student service learning as one of the only public institutions to make service learning a graduation requirement for all undergraduate students, with more than 4.9 million hours contributed to Southwest Florida communities since 1997, and

WHEREAS, FGCU emphasizes innovative and interdisciplinary learning, with restored or preserved nature making up half of its 800-acre campus to serve as a living laboratory for learning, while offering students diverse opportunities to participate in meaningful research led by their professors, and

WHEREAS, FGCU established The Water School, which opened its doors in 2022, to create a university of distinction located in the midst of Florida’s complex freshwater and saltwater systems, and is uniquely positioned to explore water-based issues, including the health of waterways that impact surrounding ecosystems, regional and state economies, and the people who rely on water for life and leisure, making FGCU a catalyst for change in the community and throughout the world, and

WHEREAS, FGCU continues to work collaboratively with the State University System to meet regional and statewide workforce needs by graduating career-ready students from the Marieb College of Health and Human Services’ School of Nursing, with six programs, and having a 100 percent first-time pass rate on the NCLEX RN nursing licensure examination in 2018, 2019, 2023, and 2024, and

WHEREAS, the FGCU Alumni Association has 22 chapters with more than 48,000 members, with 2,000 businesses in Southwest Florida started by alumni and approximately 70 percent of alumni working in their field of study, and

WHEREAS, FGCU strives to bring diversification of the economy to the region it serves through innovation in agribusiness, construction management, and environmental engineering, and

WHEREAS, FGCU serves and engages its surrounding community with outreach through employers to determine the needs of the region and the workforce skills necessary to achieve a thriving region, and

WHEREAS, the athletic programs at FGCU are a growing source of pride for loyal fans, with nine programs having earned a top-25 national ranking and student athletes continuing to demonstrate their academic strengths, and

WHEREAS, the collegiate experience continues to enrich the lives of FGCU students as they transition from high school to college to career and serve their communities through “Turning Ideas Into Impact” and the university’s longstanding commitment to service, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That March 25, 2025, is designated as “Florida Gulf Coast University Day” in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Dr. Aysegul Timur, president of Florida Gulf Coast University, as a tangible token of the sentiments of the Florida Senate.

SR 1864—A resolution recognizing the women of the 6888th Central Postal Directory Battalion for their unwavering service to the United States Army and its personnel during World War II.

WHEREAS, organized in late 1944, the 6888th Central Postal Directory Battalion was an all-black unit of the Women’s Army Corps (WAC) and the only such WAC unit to be stationed overseas during World War II, and

WHEREAS, the “Six Triple Eight,” as the 6888th Central Postal Directory Battalion was known, consisted of five companies, totaling 855 women, and was led by Major Charity Adams, and

WHEREAS, more than 3.3 billion pieces of mail went through military postal services to the front lines in 1945 alone, yet a lack of qualified postal officers led to a backlog of more than 17 million pieces of mail and packages, many often mislabeled or incorrectly addressed, and

WHEREAS, the lack of communication from families, friends, and loved ones in the United States was having a measurable impact on troop morale on the front lines, with some personnel not having received mail in years, and

WHEREAS, while assigned to Birmingham, England, the Six Triple Eight had 6 months to complete the task of sorting, cataloguing, and delivering the backlog of mail, and

WHEREAS, despite working in derelict buildings in dangerous territory, without adequate lighting or heat, the women of the Six Triple Eight worked around the clock, sorting roughly 195,000 pieces of mail a day, and completed their assignment in 90 days, and

WHEREAS, the women of the Six Triple Eight accomplished this extraordinary feat while overcoming segregation, meager rations, and harsh conditions, outperforming other Army units that took weeks to address the same accumulation of mail, and

WHEREAS, in June 1945, the Six Triple Eight was relocated to Rouen, France, to continue its mission, beginning its work a few weeks after victory was declared in Europe, and the women cleared a similarly sized mail backlog as quickly as they did in England, and

WHEREAS, the Six Triple Eight was awarded the Congressional Gold Medal by President Joe Biden on March 14, 2022, a recognition of the battalion’s training and meritorious service which also acknowledged the racism and sexism of the times, and

WHEREAS, the 6888th Central Postal Directory Battalion’s efficiency, dedication, and hard work was a valuable and essential wartime service to the United States, especially to the many thousands of soldiers and their families, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate recognizes the women of the 6888th Central Postal Directory Battalion for their unwavering service to the United States Army and its personnel during World War II.

—was introduced, read, and adopted by publication.

PRAYER

The following prayer was offered by Pastor Alfred Johnson, Faith Action Ministry Alliance, Tampa:

Father, right now we are very grateful to you. There's no one like you. There's no one who compares. We need you. We require you. Father, right now I stand before you with this Senate, this deliberative body that is contemplating laws and ideas that will impact our state and perhaps model good things for the nation. I just pray grace—grace upon the minds of every one of these, grace upon the hearts of every one of these. Father, the importance of what they're doing has ramifications that are big, Sir. We know that because of this there's all kinds of pressure—political pressure, family pressure.

I pronounce blessings on their families as they serve the entire state's families and children. I pray a blessing on their families—protection, cooperation, this deep mutual humility, kindness, patience, and tolerance towards one another as they bear the burden of legislation favor. On the Senate, I also pray courage, courage—courage to cooperate when necessary, courage to stand alone when necessary—courage, courage. Father, but in all things, blessings to this Senate, this great body. I pronounce your favor now in Jesus' name. Amen.

PLEDGE

Senate Pages, Dayan Jimenez of Miami Gardens; Zoey Mendez of Miami; and Nicholas Steibly of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Jeff Parks of Ormond Beach, sponsored by Senator Leek, as the doctor of the day. Dr. Parks specializes in dermatology.

ADOPTION OF RESOLUTIONS

At the request of Senator Rodriguez—

By Senator Rodriguez—

SR 1868—A resolution designating April 2, 2025, as “Independent Online Sellers Day” in Florida.

WHEREAS, digital commerce has transformed Florida's economy by enabling thousands of small and medium-sized businesses to reach customers worldwide, and

WHEREAS, 60 percent of everything sold in Amazon's store comes from independent sellers, the majority of which are small and medium-sized businesses, and

WHEREAS, more than 56,000 independent businesses in Florida sell in Amazon's store, and

WHEREAS, these independent businesses sold more than 358 million items in 2023, and

WHEREAS, independent sellers from around this state are visiting Tallahassee today, April 2, 2025, to meet with legislators and talk about their businesses, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 2, 2025, is designated as “Independent Online Sellers Day” in Florida to recognize the contributions of independent online sellers to our state's economic growth and prosperity.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to the Florida Chamber of Commerce, Associated Industries of Florida, and the Florida Retail Federation as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

BILLS ON THIRD READING

The Senate resumed consideration of—

SB 234—A bill to be entitled An act relating to criminal offenses against law enforcement officers and other personnel; providing a short title; amending s. 776.051, F.S.; revising a prohibition on the use or threatened use of force to resist arrest or detention; amending s. 782.065, F.S.; providing for enhanced punishment for manslaughter when committed against specified officers; revising applicability; amending s. 784.07, F.S.; revising the definition of the term “law enforcement officer”; revising provisions concerning assault or battery

upon specified officers and other personnel; amending s. 843.01, F.S.; revising a provision concerning resisting, obstructing, or opposing specified officers or legally authorized persons; providing an effective date.

—which was previously considered March 27.

SENATOR BRODEUR PRESIDING

Senator Leek moved the following amendment which was adopted by two-thirds vote:

Amendment 2 (777304) (with title amendment)—Delete lines 31-145 and insert:

official duties as described in s. 943.10(1) who is engaged in the execution of a legal duty, if the law enforcement officer was acting in good faith and he or she is known, or reasonably appears, to be a law enforcement officer. As used in this section, the term “acting in good faith” means to make sincere and reasonable efforts to comply with legal requirements, even if the arrest, detention, or other act is later found to have been unlawful.

~~(2) A law enforcement officer, or any person whom the officer has summoned or directed to assist him or her, is not justified in the use of force if the arrest or execution of a legal duty is unlawful and known by him or her to be unlawful.~~

Section 3. Section 782.065, Florida Statutes, is amended to read:

782.065 Murder; law enforcement officer, correctional officer, correctional probation officer.—Notwithstanding ss. 775.082, 775.0823, 782.04, 782.051, and chapter 921, a defendant ~~shall~~ be sentenced to life imprisonment without eligibility for release upon findings by the trier of fact that, beyond a reasonable doubt:

(1) The defendant committed murder in the first degree in violation of s. 782.04(1) and a death sentence was not imposed; murder in the second or third degree in violation of s. 782.04(2), (3), or (4); attempted murder in the first or second degree in violation of s. 782.04(1)(a)1. or (2); ~~or attempted felony murder in violation of s. 782.051; or manslaughter in violation of s. 782.07(1); and~~

(2) The victim of any offense described in subsection (1) was a law enforcement officer, part-time law enforcement officer, auxiliary law enforcement officer, correctional officer, part-time correctional officer, auxiliary correctional officer, correctional probation officer, part-time correctional probation officer, or auxiliary correctional probation officer, as those terms are defined in s. 943.10, *who was acting in the performance of his or her official duties as described in s. 943.10 engaged in the lawful performance of a legal duty.*

Section 4. Paragraph (e) of subsection (1) and subsection (2) of section 784.07, Florida Statutes, are amended to read:

784.07 Assault or battery of law enforcement officers and other specified personnel; reclassification of offenses; minimum sentences.—

(1) As used in this section, the term:

(e) “Law enforcement officer” includes a law enforcement officer, a correctional officer, a correctional probation officer, a part-time law enforcement officer, a part-time correctional officer, an auxiliary law enforcement officer, and an auxiliary correctional officer, as those terms are respectively defined in s. 943.10, and any county probation officer; an employee or agent of the Department of Corrections who supervises or provides services to inmates; an officer of the Florida Commission on Offender Review; a federal law enforcement officer as defined in s. 901.1505; and law enforcement personnel of the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, or the Department of Law Enforcement. *The duties and responsibilities of these respective positions are described in s. 943.10.*

(2) Whenever any person is charged with knowingly committing an assault or battery upon a law enforcement officer, a firefighter, an emergency medical care provider, hospital personnel, a railroad special officer, a traffic accident investigation officer as described in s. 316.640, a nonsworn law enforcement agency employee who is certified as an agency inspector, a blood alcohol analyst, or a breath test operator while

such employee is in uniform and engaged in processing, testing, evaluating, analyzing, or transporting a person who is detained or under arrest for DUI, a law enforcement explorer, a traffic infraction enforcement officer as described in s. 316.640, a parking enforcement specialist as defined in s. 316.640, a person licensed as a security officer as defined in s. 493.6101 and wearing a uniform that bears at least one patch or emblem that is visible at all times that clearly identifies the employing agency and that clearly identifies the person as a licensed security officer, or a security officer employed by the board of trustees of a community college, while the officer, firefighter, emergency medical care provider, hospital personnel, railroad special officer, traffic accident investigation officer, traffic infraction enforcement officer, inspector, analyst, operator, law enforcement explorer, parking enforcement specialist, public transit employee or agent, or security officer *who is acting in the performance of his or her official duties is engaged in the lawful performance of his or her duties*, the offense for which the person is charged shall be reclassified as follows:

(a) In the case of assault, from a misdemeanor of the second degree to a misdemeanor of the first degree.

(b) In the case of battery, from a misdemeanor of the first degree to a felony of the third degree. Notwithstanding any other provision of law, a person convicted of battery upon a law enforcement officer committed in furtherance of a riot or an aggravated riot prohibited under s. 870.01 shall be sentenced to a minimum term of imprisonment of 6 months.

(c) In the case of aggravated assault, from a felony of the third degree to a felony of the second degree. Notwithstanding any other provision of law, any person convicted of aggravated assault upon a law enforcement officer shall be sentenced to a minimum term of imprisonment of 3 years.

(d) In the case of aggravated battery, from a felony of the second degree to a felony of the first degree. Notwithstanding any other provision of law, any person convicted of aggravated battery of a law enforcement officer shall be sentenced to a minimum term of imprisonment of 5 years.

Section 5. Subsection (1) of section 843.01, Florida Statutes, is amended to read:

843.01 Resisting, obstructing, or opposing by offering or doing violence to legally authorized person, police canine, or police horse.—

(1) Whoever knowingly and willfully resists, obstructs, or opposes any officer as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9); member of the Florida Commission on Offender Review or any administrative aide or supervisor employed by the commission; parole and probation supervisor; county probation officer; personnel or representative of the Department of Law Enforcement; or other person legally authorized to execute process in the execution of legal process or *acting in the performance of his or her official duties as described in s. 943.10 in the lawful execution of any legal duty*, by offering or doing violence to the person of such officer or legally authorized person, commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 6. Paragraphs (d) and (e) of subsection (3) of section 921.0022, Florida Statutes, are amended to read:

—was read the second time by title.

Senator Rodriguez moved the following amendment which was adopted:

Amendment 1 (849776)—Delete lines 537-851 and insert:
purposes of this section, the term “owner” includes a vessel owner as defined in s. 327.02.

(2)(a)1. Whenever a law enforcement officer ascertains that:

a. An article of lost or abandoned property other than a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa) is present on public property and is of such nature that it cannot be easily removed, the officer shall cause a notice to be placed upon such article in substantially the following form:

NOTICE TO THE OWNER AND ALL PERSONS INTERESTED IN THE ATTACHED PROPERTY. This property, to wit: (setting forth brief description) is unlawfully upon public property known as (setting forth brief description of location) and must be removed within 5 days; otherwise, it will be removed and disposed of pursuant to chapter 705, Florida Statutes. The owner will be liable for the costs of removal, storage, and publication of notice. Dated this: (setting forth the date of posting of notice), signed: (setting forth name, title, address, and telephone number of law enforcement officer).

b. A derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa) is present on the waters of this state, the officer shall

cause a notice to be placed upon such vessel in substantially the following form:

NOTICE TO THE OWNER AND ALL PERSONS INTERESTED IN THE ATTACHED VESSEL. This vessel, to wit: (setting forth brief description of location) has been determined to be (derelict or a public nuisance) and is unlawfully upon the waters of this state (setting forth brief description of location) and must be removed within 21 days; otherwise, it will be removed and disposed of pursuant to chapter 705, Florida Statutes. The owner and other interested parties have the right to a hearing to challenge the determination that this vessel is derelict or otherwise in violation of the law. Please contact (contact information for person who can arrange for a hearing in accordance with this section). The owner of ~~or the party determined to be legally responsible for the vessel on being upon~~ the waters of this state in a derelict condition or as a public nuisance will be liable for the costs of removal, destruction, and disposal if this vessel is not removed by the owner. Dated this: (setting forth the date of posting of notice), signed: (setting forth name, title, address, and telephone number of law enforcement officer).

2. The notices required under subparagraph 1. may not be less than 8 inches by 10 inches and must be sufficiently weatherproof to withstand normal exposure to the elements. In addition to posting, the law enforcement officer shall make a reasonable effort to ascertain the name and address of the owner. If such is reasonably available to the officer, ~~he or she must or he shall~~ mail a copy of such notice to the owner on the date of posting or as soon thereafter as is practical. If the property is a motor vehicle as defined in s. 320.01(1) or a vessel as defined in s. 327.02, the law enforcement agency ~~must shall~~ contact the Department of Highway Safety and Motor Vehicles in order to determine the name and address of the owner and any person who has filed a lien on the vehicle or vessel as provided in s. 319.27(2) or (3) or s. 328.15. On receipt of this information, the law enforcement agency shall mail a copy of the notice by certified mail, return receipt requested, to the owner and to the lienholder, if any, except that a law enforcement officer who has issued a citation for a violation of s. 823.11 to the owner of a derelict vessel is not required to mail a copy of the notice by certified mail, return receipt requested, to the owner. For a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa), the mailed notice must inform the owner ~~or responsible party~~ that he or she has a right to a hearing to dispute the determination that the vessel is derelict or otherwise in violation of the law. If a request for a hearing is made, a state agency ~~must shall~~ follow the processes as set forth in s. 120.569. Local governmental entities shall follow the processes set forth in s. 120.569, except that a local judge, magistrate, or code enforcement officer may be designated to conduct such a hearing. If, at the end of 5 days after posting the notice in sub-subparagraph 1.a., or at the end of 21 days after posting the notice in sub-subparagraph 1.b., and mailing such notice, if required, the owner or any person interested in the lost or abandoned article or articles described has not removed the article or articles from public property or shown reasonable cause for failure to do so, and, in the case of a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa), has not requested a hearing in accordance with this section, the following ~~applies shall apply~~:

a. For abandoned property other than a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa), the law enforcement agency may retain any ~~or all~~ of the property for its own use or for use by the state or unit of local government, trade such property to another unit of local government or state agency, donate the property to a charitable organization, sell the property, or notify the appropriate refuse removal service.

b. For a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa), the law enforcement agency or its designee may:

(I) Remove the vessel from the waters of this state and destroy and dispose of the vessel or authorize another governmental entity or its designee to do so; or

(II) Authorize the vessel's use as an artificial reef in accordance with s. 379.249 if all necessary federal, state, and local authorizations are received.

A law enforcement agency or its designee may also take action as described in this sub-subparagraph if, following a hearing pursuant to this section, the judge, magistrate, administrative law judge, or hearing

officer has determined the vessel to be derelict as provided in s. 823.11 or otherwise in violation of the law in accordance with s. 327.73(1)(aa) and a final order has been entered or the case is otherwise closed.

(4) The owner of any abandoned or lost property, or in the case of a derelict vessel or a vessel declared a public nuisance pursuant to s. 327.73(1)(aa), the owner of ~~or other party determined to be legally responsible for the vessel on being upon~~ the waters of this state in a derelict condition or as a public nuisance, who, after notice as provided in this section, does not remove such property within the specified period is liable to the law enforcement agency, other governmental entity, or the agency's or entity's designee for all costs of removal, storage, destruction, and disposal of such property, less any salvage value obtained by disposal of the property. Upon final disposition of the property, the law enforcement officer or representative of the law enforcement agency or other governmental entity shall notify the owner, or in the case of a derelict vessel or vessel declared a public nuisance pursuant to s. 327.73(1)(aa), the owner ~~or other party determined to be legally responsible~~, if known, of the amount owed. In the case of an abandoned vessel or motor vehicle, ~~a any~~ person who neglects or refuses to pay such amount is not entitled to be issued a certificate of registration for such vessel or motor vehicle, or any other vessel or motor vehicle, until such costs have been paid. A person who has neglected or refused to pay all costs of removal, storage, disposal, and destruction of a vessel or motor vehicle as provided in this section, after having been provided written notice via certified mail that such costs are owed, and who applies for and is issued a registration for a vessel or motor vehicle before such costs have been paid in full commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The law enforcement officer or representative of the law enforcement agency or other governmental entity shall supply the Department of Highway Safety and Motor Vehicles with a list of persons whose vessel registration privileges and motor vehicle privileges have been revoked under this subsection. The department or a person acting as an agent of the department may not issue a certificate of registration to a person whose vessel and motor vehicle registration privileges have been revoked, as provided by this subsection, until such costs have been paid.

Section 7. Paragraphs (a), (c), and (d) of subsection (2), paragraph (a) of subsection (3), paragraph (c) of subsection (4), and subsections (6) and (7) of section 823.11, Florida Statutes, are amended, paragraph (e) is added to subsection (2) of that section, and paragraph (b) of subsection (1) of that section is reenacted, to read:

823.11 Derelict vessels; relocation or removal; penalty.—

(1) As used in this section, the term:

(b) "Derelict vessel" means a vessel, as defined in s. 327.02, that is:

1. In a wrecked, junked, or substantially dismantled condition upon any waters of this state.

a. A vessel is wrecked if it is sunken or sinking; aground without the ability to extricate itself absent mechanical assistance; or remaining after a marine casualty, including, but not limited to, a boating accident, extreme weather, or a fire.

b. A vessel is junked if it has been substantially stripped of vessel components, if vessel components have substantially degraded or been destroyed, or if the vessel has been discarded by the owner or operator. Attaching an outboard motor to a vessel that is otherwise junked will not cause the vessel to no longer be junked if such motor is not an effective means of propulsion as required by s. 327.4107(2)(e) and associated rules.

c. A vessel is substantially dismantled if at least two of the three following vessel systems or components are missing, compromised, incomplete, inoperable, or broken:

(I) The steering system;

(II) The propulsion system; or

(III) The exterior hull integrity.

Attaching an outboard motor to a vessel that is otherwise substantially dismantled will not cause the vessel to no longer be substantially dis-

mantled if such motor is not an effective means of propulsion as required by s. 327.4107(2)(e) and associated rules.

2. At a port in this state without the consent of the agency having jurisdiction thereof.

3. Docked, grounded, or beached upon the property of another without the consent of the owner of the property.

(2)(a) ~~A vessel owner as defined in s. 327.02 person, firm, or corporation~~ may not leave any derelict vessel upon waters of this state. For purposes of this paragraph, the term “leave” means to allow a vessel to remain occupied or unoccupied on the waters of this state for more than 24 hours.

(c) The additional time provided in subparagraph (b)2. for an owner ~~or responsible party~~ to remove a derelict vessel from the waters of this state or to repair and remedy the vessel's derelict condition does not apply to a vessel that was derelict upon the waters of this state before the stated accident or event.

(d) Notwithstanding the additional 45 days provided in subparagraph (b)2.b. during which an owner ~~or a responsible party~~ may not be charged for a violation of this section, the commission, an officer of the commission, a law enforcement agency or officer specified in s. 327.70, or, during a state of emergency declared by the Governor, the Division of Emergency Management or its designee, may immediately begin the process set forth in s. 705.103(2)(a) and, once that process has been completed and the 45 days provided herein have passed, any vessel that has not been removed or repaired such that it is no longer derelict upon the waters of this state may be removed and destroyed as provided therein.

(e) *The title of a derelict vessel is prima facie evidence of ownership for any derelict vessel left upon the waters of this state. An owner who attempts to transfer ownership of a vessel or derelict vessel through means other than the process outlined in s. 328.22 or s. 328.64 will not be exonerated from the responsibility of having a derelict vessel upon the waters of this state without a written agreement of ownership by the transferee or evidence of agreement to transfer ownership to the transferee and the exchange of consideration between the parties.*

(3) The commission, an officer of the commission, or a law enforcement agency or officer specified in s. 327.70 may relocate, remove, and store or cause to be relocated, removed, and stored a derelict vessel from waters of this state as defined in s. 327.02 if the derelict vessel obstructs or threatens to obstruct navigation or in any way constitutes a danger to the environment, property, or persons. The commission, an officer of the commission, or any other law enforcement agency or officer acting pursuant to this subsection to relocate, remove, and store or cause to be relocated, removed, and stored a derelict vessel from waters of this state shall be held harmless for all damages to the derelict vessel resulting from such action unless the damage results from gross negligence or willful misconduct.

(a) All costs, including costs owed to a third party, incurred by the commission, another law enforcement agency, or a governmental subdivision, when the governmental subdivision has received authorization from a law enforcement officer or agency, in the relocation, removal, storage, destruction, or disposal of a derelict vessel are recoverable against the vessel owner ~~of or the party determined to be legally responsible for the vessel on being upon~~ the waters of this state in a derelict condition. The Department of Legal Affairs shall represent the commission in actions to recover such costs. As provided in s. 705.103(4), a person who neglects or refuses to pay such costs may not be issued a certificate of registration for such vessel or for any other vessel or motor vehicle until such costs have been paid. A person who has neglected or refused to pay all costs of removal, storage, destruction, or disposal of a derelict vessel as provided in this section, after having been provided written notice via certified mail that such costs are owed, and who applies for and is issued a registration for a vessel or motor vehicle before such costs have been paid in full commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(4)

(c) The commission may establish a program to provide grants to local governments for the removal, storage, destruction, and disposal of

derelict vessels from the waters of this state. This grant funding may also be used for the removal, storage, destruction, and disposal of vessels declared a public nuisance pursuant to s. 327.73(1)(aa) *or the derelict vessel prevention program established pursuant to s. 327.4107(7).* The program must be funded from the Marine Resources Conservation Trust Fund or the Florida Coastal Protection Trust Fund. Notwithstanding s. 216.181(11), funds available for these grants may only be authorized by appropriations acts of the Legislature. In a given fiscal year, if all funds appropriated pursuant to this paragraph are not requested by and granted to local governments for the removal, storage, destruction, and disposal of derelict vessels or vessels declared a public nuisance pursuant to s. 327.73(1)(aa) by the end of the third quarter, the Fish and Wildlife Conservation Commission may use the remainder of the funds to remove, store, destroy, and dispose of, or to pay private contractors to remove, store, destroy, and dispose of, derelict vessels or vessels declared a public nuisance pursuant to s. 327.73(1)(aa). The commission shall adopt by rule procedures for local governments to submit a grant application and criteria for allocating available funds. Such criteria must include, at a minimum, *all of the following:*

1. The number of derelict vessels within the jurisdiction of the applicant.

2. The threat posed by such vessels to public health or safety, the environment, navigation, or the aesthetic condition of the general vicinity.

3. The degree of commitment of the local government to maintain waters free of abandoned and derelict vessels and to seek legal action against those who abandon vessels in the waters of this state as defined in s. 327.02.

(6) ~~A person, firm, or corporation violating this section commits a misdemeanor of the first degree and shall be punished as provided by law.~~ A conviction under this section does not bar the assessment and collection of a civil penalty. The court having jurisdiction over the criminal offense, notwithstanding any jurisdictional limitations on the amount in controversy, may order the imposition of such civil penalty in addition to any sentence imposed for the ~~first~~ criminal offense.

(a) *For a first offense, a vessel owner who violates this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.*

(b) *For a second offense, a vessel owner who violates this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.*

(c) *For a third or subsequent offense, a vessel owner who violates this section commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.*

(7) *A person may not reside or dwell on a vessel determined to be derelict by disposition of a court or administrative order, or where the vessel owner does not challenge the derelict determination pursuant to chapter 120. A person who violates this subsection commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Law enforcement has the*

Amendment 1 (332758) (with title amendment)—Delete lines 705-843 and insert:

of the adoption cycle, *subject to state board requirement for an earlier purchase date for a specific subject area*, unless a district school board or a consortium of school districts has implemented an instructional materials program pursuant to s. 1006.283.

Section 19. Subsections (2) and (3) of section 1008.212, Florida Statutes, are amended to read:

1008.212 Students with disabilities; extraordinary exemption.—

(2) A student with a disability for whom the individual education plan (IEP) team determines is prevented by a circumstance or condition from physically demonstrating the mastery of skills that have been acquired and are measured by the statewide standardized assessment, a statewide standardized end-of-course assessment, or an alternate assessment pursuant to s. 1008.22(3)(d) shall be granted an extraordinary exemption from the administration of the assessment. A learning, emotional, behavioral, or significant cognitive disability, or the receipt of services through the homebound or hospitalized program in accordance with rule 6A-6.03020, Florida Administrative Code, is not, in and of itself, an adequate criterion for the granting of an extraordinary exemption. *The first two administrations of the coordinated screening and progress monitoring system under s. 1008.25(9) or any alternate assessments used in lieu of such administrations are not subject to the requirements of this section.*

(3) The IEP team, which must include the parent, may submit to the district school superintendent a written request for an extraordinary exemption *from the end-of-year or end-of-course statewide, standardized assessment* at any time during the school year, but not later than 60 days before the current year's assessment administration for which the request is made. A request must include all of the following:

(a) A written description of the student's disabilities, including a specific description of the student's impaired sensory, manual, or speaking skills.

(b) Written documentation of the most recent evaluation data.

(c) Written documentation, if available, of the most recent administration of the statewide standardized assessment, an end-of-course assessment, or an alternate assessment.

(d) A written description of the condition's effect on the student's participation in the statewide standardized assessment, an end-of-course assessment, or an alternate assessment.

(e) Written evidence that the student has had the opportunity to learn the skills being tested.

(f) Written evidence that the student has been provided appropriate instructional accommodations.

(g) Written evidence as to whether the student has had the opportunity to be assessed using the instructional accommodations on the student's IEP which are allowable in the administration of the statewide standardized assessment, an end-of-course assessment, or an alternate assessment in prior assessments.

(h) Written evidence of the circumstance or condition as defined in subsection (1).

Section 20. Paragraphs (a), (b), and (d) of subsection (7) of section 1008.22, Florida Statutes, are amended to read:

1008.22 Student assessment program for public schools.—

(7) ASSESSMENT SCHEDULES AND REPORTING OF RESULTS.—

(a) The Commissioner of Education shall establish schedules for the administration of statewide, standardized assessments and the re-

porting of student assessment results. The commissioner shall consider the observance of religious and school holidays when developing the schedules. *By January 1 of each year, the commissioner shall notify each school district in writing and publish on the department's website the assessment schedule for, at a minimum, the next 2 school years.* The assessment and reporting schedules must provide the earliest possible reporting of student assessment results to the school districts. Assessment results for the statewide, standardized ELA and Mathematics assessments and all statewide, standardized EOC assessments must be made available no later than June 30, except for results for the grade 3 statewide, standardized ELA assessment, which must be made available no later than May 31. Beginning with the 2023-2024 school year, assessment results for the statewide, standardized ELA and Mathematics assessments must be available no later than May 31. School districts shall administer statewide, standardized assessments in accordance with the schedule established by the commissioner.

~~(b) By January of each year, the commissioner shall publish on the department's website a uniform calendar that includes the assessment and reporting schedules for, at a minimum, the next 2 school years. The uniform calendar must be provided to school districts in an electronic format that allows each school district and public school to populate the calendar with, at minimum, the following information for reporting the district assessment schedules under paragraph (d):~~

~~1. Whether the assessment is a district required assessment or a state required assessment.~~

~~2. The specific date or dates that each assessment will be administered, including administrations of the coordinated screening and progress monitoring system under s. 1008.25(9)(b).~~

~~3. The time allotted to administer each assessment.~~

~~4. Whether the assessment is a computer-based assessment or a paper-based assessment.~~

~~5. The grade level or subject area associated with the assessment.~~

~~6. The date that the assessment results are expected to be available to teachers and parents.~~

~~7. The type of assessment, the purpose of the assessment, and the use of the assessment results.~~

~~8. A glossary of assessment terminology.~~

~~9. Estimates of average time for administering state required and district required assessments, by grade level.~~

~~(c)(4)~~ Each school district shall, *by November 1 of each year*, establish schedules for the administration of any statewide, standardized assessments and district-required assessments and approve the schedules as an agenda item at a district school board meeting. Each school district shall publish the testing schedules on its website *which specify whether an assessment is a state-required or district-required assessment and the grade bands or subject areas associated with the assessments using the uniform calendar, including all information required under paragraph (b), and submit the schedules to the Department of Education by October 1 of each year.* Each public school shall publish schedules for statewide, standardized assessments and district-required assessments on its website *using the uniform calendar, including all information required under paragraph (b).* The school board-approved assessment ~~uniform~~ calendar must be included in the parent guide required by s. 1002.23(5).

Section 21. Paragraph (b) of subsection (7) and paragraphs (b), (c), and (d) of subsection (9) of section 1008.25, Florida Statutes, are amended to read:

1008.25 Public school student progression; student support; coordinated screening and progress monitoring; reporting requirements.—

(7) ELIMINATION OF SOCIAL PROMOTION.—

(b) The district school board may only exempt students from mandatory retention, as provided in paragraph (5)(c), for good cause. A student promoted to grade 4 with a good cause exemption shall be

provided intensive reading instruction and intervention that include specialized diagnostic information and specific reading strategies to meet the needs of each student so promoted. The school district shall assist schools and teachers with the implementation of explicit, systematic, and multisensory reading instruction and intervention strategies for students promoted with a good cause exemption which research has shown to be successful in improving reading among students who have reading difficulties. Upon the request of the parent, the teacher or school administrator shall meet to discuss the student's progress. The parent may request more frequent notification of the student's progress, more frequent interventions or supports, and earlier implementation of the additional interventions or supports described in the initial notification. Good cause exemptions are limited to the following:

1. Limited English proficient students who have had less than 2 years of instruction in an English for Speakers of Other Languages program based on the initial date of entry into a school in the United States.
2. Students with disabilities whose individual education plan indicates that participation in the statewide assessment program is not appropriate, consistent with the requirements of s. 1008.212.
3. Students who demonstrate an acceptable level of performance on an alternative standardized reading or English Language Arts assessment approved by the State Board of Education.
4. Students who demonstrate through a student portfolio that they are performing at least at Level 2 on the statewide, standardized English Language Arts assessment.
5. Students with disabilities who take the statewide, standardized English Language Arts assessment and who have an individual education plan or a Section 504 plan that reflects that the student has received intensive instruction in reading or English Language Arts for more than 2 years but still demonstrates a deficiency and was previously retained in prekindergarten, kindergarten, grade 1, grade 2, or grade 3.
6. Students who have received intensive reading intervention for 2 or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, grade 1, grade 2, or grade 3 for a total of 2 years. A student may not be retained more than once in grade 3.
7. *Students who have scored a level 2 or higher on both the initial and midyear administrations of the coordinated screening and progress monitoring system.*

2. A temporary apprenticeship certificate issued under paragraph (d) is valid for 5 school years, may be issued only once, and is nonrenewable.

(g) A certificateholder may request that her or his certificate be placed in an inactive status. A certificate that has been inactive may be reactivated upon application to the department. The department shall prescribe, by rule, professional learning requirements as a condition of reactivating a certificate that has been inactive for more than 1 year.

(h) A school district or a regional education consortium may issue temporary certificates, based on the requirements in paragraph (b). School districts and regional education consortia must report the number of such certificates issued, and any additional information to the department, based on reporting requirements adopted by the State Board of Education. Such certificates are subject to the authority of the Education Practices Commission under s. 1012.795.

At least 1 year before an individual's *department-issued* temporary certificate is set to expire, the department shall electronically notify the individual of the date on which his or her certificate will expire and provide a list of each method by which the qualifications for a professional certificate can be completed.

(8) PROFESSIONAL LEARNING CERTIFICATION PROGRAM.—

(a) The Department of Education shall develop and each school district, charter school, and charter management organization may provide a cohesive competency-based professional learning certification program by which instructional staff may satisfy the mastery of professional preparation and education competence requirements specified in subsection (6) and rules of the State Board of Education. Participants must hold a state-issued temporary certificate. A school district, charter school, or charter management organization that implements the program shall provide a competency-based certification program developed by the Department of Education or developed by the district, charter school, or charter management organization and approved by the Department of Education. These entities may collaborate with other supporting agencies or educational entities for implementation. The program shall include the following:

1. A teacher mentorship and induction component.

a. Each individual selected by the district, charter school, or charter management organization as a mentor:

(I) Must hold a valid professional certificate issued pursuant to this section;

(II) Must have earned at least 3 years of teaching experience in prekindergarten through grade 12;

(III) Must have completed training in clinical supervision and participate in ongoing mentor training provided through the coordinated system of professional learning under s. 1012.98(4);

(IV) Must have earned an effective or highly effective rating on the prior year's performance evaluation; and

(V) May be a peer evaluator under the district's evaluation system approved under s. 1012.34.

b. The teacher mentorship and induction component must, at a minimum, provide routine opportunities for mentoring and induction activities, including ongoing professional learning as described in s. 1012.98 targeted to a teacher's needs, opportunities for a teacher to observe other teachers, co-teaching experiences, and reflection and follow-up ~~follow-up~~ discussions. Professional learning must meet the criteria established in s. 1012.98(3). Mentorship and induction activities must be provided for an applicant's first year in the program and may be provided until the applicant attains his or her professional certificate in accordance with this section.

2. An assessment of teaching performance aligned to the district's, charter school's, or charter management organization's system for personnel evaluation under s. 1012.34 which provides for:

a. An initial evaluation of each educator's competencies to determine an appropriate individualized professional learning plan.

b. A summative evaluation to assure successful completion of the program.

3. Professional education preparation content knowledge, which must be included in the mentoring and induction activities under subparagraph 1., that includes, but is not limited to, the following:

a. The state academic standards provided under s. 1003.41, including scientifically researched and evidence-based reading instructional strategies grounded in the science of reading, content literacy, and mathematical practices, for each subject identified on the temporary certificate. Reading instructional strategies for foundational skills shall include phonics instruction for decoding and encoding as the primary instructional strategy for word reading. Instructional strategies may not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading. Instructional strategies may include visual information and strategies which improve background and experiential knowledge, add context, and increase oral language and vocabulary to support comprehension, but may not be used to teach word reading.

b. The educator-accomplished practices approved by the state board.

4. Required achievement of passing scores on the subject area and professional education competency examination required by State Board of Education rule. Mastery of general knowledge must be demonstrated as described in subsection (3).

5. Beginning with candidates entering a program in the 2022-2023 school year, a candidate for certification in a coverage area identified pursuant to s. 1012.585(3)(g) ~~s. 1012.585(3)(f)~~ must successfully complete all competencies for a reading endorsement, including completion of the endorsement practicum.

Section 37. Paragraph (a) of subsection (2), subsection (3), and paragraph (b) of subsection (5) of section 1012.585, Florida Statutes, are amended to read:

1012.585 Process for renewal of professional certificates.—

(2)(a) All professional certificates, except a nonrenewable professional certificate, ~~are shall be~~ renewable for successive periods not to exceed 10 ~~5~~ years after the date of submission of documentation of completion of the requirements for renewal provided in subsection (3).

Only one renewal may be granted during each 5-year or 10-year validity period of a professional certificate.

1. *An applicant who is rated highly effective, pursuant to s. 1012.34, in the first 4 years of the 5-year validity period of his or her professional certificate is eligible for a professional certificate valid for 10 years. An applicant must be issued at least one 5-year professional certificate to be eligible for a 10-year professional certificate. An applicant who does not meet the requirement of this subparagraph is eligible only to renew his or her 5-year professional certificate.*

2. *An applicant who is rated effective or highly effective, pursuant to s. 1012.34, for the first 9 years of the 10-year validity period of his or her professional certificate is eligible to renew a professional certificate valid for 10 years. An applicant issued a 10-year professional certificate who does not meet the requirement of this subparagraph is eligible only for renewal of a professional certificate valid for 5 years.*

(3) For the renewal of a professional certificate, the following requirements must be met:

(a) The applicant must:

1. Earn a minimum of 6 college credits or 120 inservice points or a combination thereof for a certificate valid for 5 years.

2. *Earn a minimum of 12 college credits or 240 inservice points or a combination thereof for a professional certificate valid for 10 years. A minimum of 5 college credits or 100 inservice points or a combination thereof must be earned within the first 5 years of a professional certificate valid for 10 years.*

(b) For each area of specialization to be retained on a certificate, the applicant must earn at least 3 of the required credit hours or equivalent inservice points in the specialization area. Education in "clinical educator" training pursuant to s. 1004.04(5)(b); participation in mentorship and induction activities, including as a mentor, pursuant to s. 1012.56(8)(a); and credits or points that provide training in the area of scientifically researched, knowledge-based reading literacy grounded in the science of reading, including explicit, systematic, and sequential approaches to reading instruction, developing phonemic awareness, and implementing multisensory intervention strategies, and computational skills acquisition, exceptional student education, normal child development, and the disorders of development may be applied toward any specialization area. Credits or points that provide training in the areas of drug abuse, child abuse and neglect, strategies in teaching students having limited proficiency in English, or dropout prevention, or training in areas identified in the educational goals and performance standards adopted pursuant to ss. 1000.03(5) and 1008.345 may be applied toward any specialization area, except specialization areas identified by State Board of Education rule that include reading instruction or intervention for any students in kindergarten through grade 6. Each district school board shall include in its inservice master plan the ability for teachers to receive inservice points for supporting students in extracurricular career and technical education activities, such as career and technical student organization activities outside of regular school hours and training related to supervising students participating in a career and technical student organization. Credits or points earned through approved summer institutes may be applied toward the fulfillment of these requirements. Inservice points may also be earned by participation in professional growth components approved by the State Board of Education and specified pursuant to s. 1012.98 in the district's approved master plan for inservice educational training; however, such points may not be used to satisfy the specialization requirements of this paragraph.

~~(c)(b)~~ In lieu of college course credit or inservice points, the applicant may renew a subject area specialization by passage of a state board approved Florida-developed subject area examination or, if a Florida subject area examination has not been developed, a standardized examination specified in state board rule.

~~(d)(e)~~ If an applicant wishes to retain more than two specialization areas on the certificate, the applicant ~~must shall~~ be permitted two successive validity periods for renewal of all specialization areas, but must earn no fewer than 6 college course credit hours or the equivalent inservice points in any one validity period.

(e)(d) The State Board of Education shall adopt rules for the expanded use of training for renewal of the professional certificate for educators who are required to complete training in teaching students of limited English proficiency or students with disabilities and training in the teaching of reading as follows:

1. A teacher who holds a professional certificate may use college credits or inservice points earned through training in teaching students of limited English proficiency or students with disabilities and training in the teaching of reading in excess of 6 semester hours during one certificate-validity period toward renewal of the professional certificate during the subsequent validity periods.

2. A teacher who holds a temporary certificate may use college credits or inservice points earned through training in teaching students of limited English proficiency or students with disabilities and training in the teaching of reading toward renewal of the teacher's first professional certificate. Such training must not have been included within the degree program, and the teacher's temporary and professional certificates must be issued for consecutive school years.

(f)(e) Beginning July 1, 2014, an applicant for renewal of a professional certificate must earn a minimum of one college credit or the equivalent inservice points in the area of instruction for teaching students with disabilities. The requirement in this paragraph may not add to the total hours required by the department for continuing education or inservice training.

(g)(f) An applicant for renewal of a professional certificate in any area of certification identified by State Board of Education rule that includes reading instruction or intervention for any students in kindergarten through grade 6, with a beginning validity date of July 1, 2020, or thereafter, must earn a minimum of 2 college credits or the equivalent inservice points in evidence-based instruction and interventions grounded in the science of reading specifically designed for students with characteristics of dyslexia, including the use of explicit, systematic, and sequential approaches to reading instruction, developing phonological and phonemic awareness, decoding, and implementing multisensory intervention strategies. Such training must be provided by teacher preparation programs under s. 1004.04 or s. 1004.85 or approved school district professional learning systems under s. 1012.98. The requirements in this paragraph may not add to the total hours required by the department for continuing education or inservice training.

(h)(g) An applicant for renewal of a professional certificate in educational leadership from a Level I program under s. 1012.562(2) or Level II program under s. 1012.562(3), with a beginning validity date of July 1, 2025, or thereafter, must earn a minimum of 1 college credit or 20 inservice points in Florida's educational leadership standards, as established in rule by the State Board of Education. The requirement in this paragraph may not add to the total hours required by the department for continuing education or inservice training.

(i)(h) A teacher may earn inservice points only once during each 5-year validity period for any mandatory training topic that is not linked to student learning or professional growth.

(5) The State Board of Education shall adopt rules to allow the reinstatement of expired professional certificates. The department may reinstate an expired professional certificate if the certificateholder:

(b) Documents completion of 6 college credits during the 5 years immediately preceding reinstatement of the expired certificate, completion of 120 inservice points, or a combination thereof, in an area specified in paragraph (3)(b) (3)(a) to include the credit required under paragraph (3)(f) (3)(e).

The requirements of this subsection may not be satisfied by subject area examinations or college credits completed for issuance of the certificate that has expired.

Section 38. Section 1013.19, Florida Statutes, is amended to read:

1013.19 Purchase, conveyance, or encumbrance of property interests above surface of land; joint-occupancy structures.—For the purpose of implementing jointly financed construction project agreements, or for the construction of combined occupancy structures, any board may

purchase, own, convey, sell, lease, or encumber airspace or any other interests in property above the surface of the land, provided the lease of airspace for nonpublic use is for such reasonable rent, length of term, and conditions as the board in its discretion may determine. All proceeds from such sale or lease shall be used by ~~a the board of trustees for a Florida College System institution or state university or boards~~ receiving the proceeds solely for fixed capital outlay purposes. These purposes may include the renovation or remodeling of existing facilities owned by the board or the construction of new facilities; however, for a Florida College System institution board or university board, such new facility must be authorized by the Legislature. It is declared that the use of such rental by the board for public purposes in accordance with its statutory authority is a public use. Airspace or any other interest in property held by the Board of Trustees of the Internal Improvement Trust Fund or the State Board of Education may not be divested or conveyed without approval of the respective board. Any building, including any building or facility component that is common to both nonpublic and educational portions thereof, constructed in airspace that is sold or leased for nonpublic use pursuant to this section is subject to all applicable state, county, and municipal regulations pertaining to land use, zoning, construction of buildings, fire protection, health, and safety to the same extent and in the same manner as such regulations would be applicable to the construction of a building for nonpublic use on the appurtenant land beneath the subject airspace. Any educational facility constructed or leased as a part of a joint-occupancy facility is subject to all rules and requirements of the respective boards or departments having jurisdiction over educational facilities. Any contract executed by a university board of trustees pursuant to this section is subject to the provisions of s. 1010.62.

Section 39. Section 1013.35, Florida Statutes, is amended to read:

1013.35 School district educational facilities plan; definitions; preparation, adoption, and amendment; long-term work programs.—

(1) ~~DEFINITIONS.—As used in this section, the term:~~

(a) ~~“Adopted educational facilities plan” means the comprehensive planning document that is adopted annually by the district school board as provided in subsection (2) and that contains the educational plant survey.~~

(b) ~~“District facilities work program” means the 5-year listing of capital outlay projects adopted by the district school board as provided in subparagraph (2)(a)2. and paragraph (2)(b) as part of the district educational facilities plan, which is required in order to:~~

1. ~~Properly maintain the educational plant and ancillary facilities of the district.~~

2. ~~Provide an adequate number of satisfactory student stations for the projected student enrollment of the district in K-12 programs.~~

(c) ~~“Tentative educational facilities plan” means the comprehensive planning document prepared annually by the district school board and submitted to the Office of Educational Facilities and the affected general purpose local governments.~~

(2) ~~PREPARATION OF TENTATIVE DISTRICT EDUCATIONAL FACILITIES PLAN.—~~

(a) ~~Annually, before prior to the adoption of the district school budget, each district school board shall prepare a tentative district educational facilities plan that includes long-range planning for facilities needs over 5-year, 10-year, and 20-year periods. The district school board shall submit the tentative facilities plan to the department. The plan must be developed in coordination with the general purpose local governments and be consistent with the local government comprehensive plans. The school board's plan for provision of new schools must meet the needs of all growing communities in the district, ranging from small rural communities to large urban cities. The plan must include:~~

1. ~~Projected student populations apportioned geographically at the local level. The projections must be based on information produced by the demographic, revenue, and education estimating conferences pursuant to s. 216.136, where available, as modified by the district based on development data and agreement with the local governments and the Office of Educational Facilities. The projections must be apportioned~~

geographically with assistance from the local governments using local development trend data and the school district student enrollment data.

2. ~~An inventory of existing school facilities. Any anticipated expansions or closures of existing school sites over the 5 year, 10 year, and 20 year periods must be identified. The inventory must include an assessment of areas proximate to existing schools and identification of the need for improvements to infrastructure, safety, including safe access routes, and conditions in the community. The plan must also provide a listing of major repairs and renovation projects anticipated over the period of the plan.~~

3. ~~Projections of facilities space needs, which may not exceed the norm space and occupant design criteria established in the State Requirements for Educational Facilities.~~

4. ~~Information on leased, loaned, and donated space and relocatables used for conducting the district's instructional programs.~~

5. ~~The general location of public schools proposed to be constructed over the 5 year, 10 year, and 20 year time periods, including a listing of the proposed schools' site acreage needs and anticipated capacity and maps showing the general locations. The school board's identification of general locations of future school sites must be based on the school siting requirements of s. 163.3177(6)(a) and policies in the comprehensive plan which provide guidance for appropriate locations for school sites.~~

6. ~~The identification of options deemed reasonable and approved by the school board which reduce the need for additional permanent student stations. Such options may include, but need not be limited to:~~

- a. ~~Acceptable capacity;~~
- b. ~~Redistricting;~~
- c. ~~Busing;~~
- d. ~~Year round schools;~~
- e. ~~Charter schools;~~
- f. ~~Magnet schools; and~~
- g. ~~Public private partnerships.~~

7. ~~The criteria and method, jointly determined by the local government and the school board, for determining the impact of proposed development to public school capacity.~~

(b) ~~The plan must also include a financially feasible district facilities work program for a 5 year period. The work program must include:~~

1. ~~A schedule of major repair and renovation projects necessary to maintain the educational facilities and ancillary facilities of the district.~~

2. ~~A schedule of capital outlay projects necessary to ensure the availability of satisfactory student stations for the projected student enrollment in K-12 programs. This schedule shall consider:~~

a. ~~The locations, capacities, and planned utilization rates of current educational facilities of the district. The capacity of existing satisfactory facilities, as reported in the Florida Inventory of School Houses must be compared to the capital outlay full-time equivalent student enrollment as determined by the department, including all enrollment used in the calculation of the distribution formula in s. 1013.64.~~

b. ~~The proposed locations of planned facilities, whether those locations are consistent with the comprehensive plans of all affected local governments, and recommendations for infrastructure and other improvements to land adjacent to existing facilities. The provisions of ss. 1013.33(6), (7), and (8) and 1013.36 must be addressed for new facilities planned within the first 3 years of the work plan, as appropriate.~~

c. ~~Plans for the use and location of relocatable facilities, leased facilities, and charter school facilities.~~

d. ~~Plans for multitrack scheduling, grade level organization, block scheduling, or other alternatives that reduce the need for additional permanent student stations.~~

e. ~~Information concerning average class size and utilization rate by grade level within the district which will result if the tentative district facilities work program is fully implemented.~~

f. ~~The number and percentage of district students planned to be educated in relocatable facilities during each year of the tentative district facilities work program. For determining future needs, student capacity may not be assigned to any relocatable classroom that is scheduled for elimination or replacement with a permanent educational facility in the current year of the adopted district educational facilities plan and in the district facilities work program adopted under this section. Those relocatable classrooms clearly identified and scheduled for replacement in a school board-adopted, financially feasible, 5-year district facilities work program shall be counted at zero capacity at the time the work program is adopted and approved by the school board. However, if the district facilities work program is changed and the relocatable classrooms are not replaced as scheduled in the work program, the classrooms must be reentered into the system and be counted at actual capacity. Relocatable classrooms may not be perpetually added to the work program or continually extended for purposes of circumventing this section. All relocatable classrooms not identified and scheduled for replacement, including those owned, lease purchased, or leased by the school district, must be counted at actual student capacity. The district educational facilities plan must identify the number of relocatable student stations scheduled for replacement during the 5-year survey period and the total dollar amount needed for that replacement.~~

g. ~~Plans for the closure of any school, including plans for disposition of the facility or usage of facility space, and anticipated revenues.~~

h. ~~Projects for which capital outlay and debt service funds accruing under s. 9(d), Art. XII of the State Constitution are to be used shall be identified separately in priority order on a project priority list within the district facilities work program.~~

3. ~~The projected cost for each project identified in the district facilities work program. For proposed projects for new student stations, a schedule shall be prepared comparing the planned cost and square footage for each new student station, by elementary, middle, and high school levels, to the low, average, and high cost of facilities constructed throughout the state during the most recent fiscal year for which data is available from the Department of Education.~~

4. ~~A schedule of estimated capital outlay revenues from each currently approved source which is estimated to be available for expenditure on the projects included in the district facilities work program.~~

5. ~~A schedule indicating which projects included in the district facilities work program will be funded from current revenues projected in subparagraph 4.~~

6. ~~A schedule of options for the generation of additional revenues by the district for expenditure on projects identified in the district facilities work program which are not funded under subparagraph 5. Additional anticipated revenues may include Classrooms First funds.~~

(c) ~~To the extent available, the tentative district educational facilities plan shall be based on information produced by the demographic, revenue, and education estimating conferences pursuant to s. 216.136.~~

(2)(d) ~~Provision must shall be made for public comment concerning the tentative district educational facilities plan.~~

(c) ~~The district school board shall coordinate with each affected local government to ensure consistency between the tentative district educational facilities plan and the local government comprehensive plans of the affected local governments during the development of the tentative district educational facilities plan.~~

(3)(f) ~~Not less than once every 5 years, the district school board shall have an audit conducted of the district's educational planning and construction activities. An operational audit conducted by the Auditor General pursuant to s. 11.45 satisfies this requirement.~~

~~(4)(8) SUBMITTAL OF TENTATIVE DISTRICT EDUCATIONAL FACILITIES PLAN TO LOCAL GOVERNMENT.~~—The district school board shall submit a copy of its tentative district educational facilities plan to all affected local governments ~~before~~ ~~prior to~~ adoption by the board. The affected local governments ~~may~~ ~~shall~~ review the tentative district educational facilities plan and comment to the district school board on the consistency of the plan with the local comprehensive plan, whether a comprehensive plan amendment will be necessary for any proposed educational facility, and whether the local government supports a necessary comprehensive plan amendment. If the local government does not support a comprehensive plan amendment for a proposed educational facility, the matter ~~must~~ ~~shall~~ be resolved pursuant to the interlocal agreement when required by ss. 163.3177(6)(h), 163.31777, and 1013.33(2). The process for the submittal and review ~~must~~ ~~shall~~ be detailed in the interlocal agreement when required pursuant to ss. 163.3177(6)(h), 163.31777, and 1013.33(2).

~~(5)(4) ADOPTED DISTRICT EDUCATIONAL FACILITIES PLAN.~~—Annually, the district school board shall consider and adopt the tentative district educational facilities plan ~~completed pursuant to subsection (2).~~ Upon giving proper notice to the public and local governments and opportunity for public comment, the district school board may amend the plan to revise the priority of projects, to add or delete projects, to reflect the impact of change orders, or to reflect the approval of new revenue sources which may become available. ~~The district school board shall submit the revised plan to the department.~~ The adopted district

PRAYER

The following prayer was offered by President Benjamin J. Smith, The Church of Jesus Christ of Latter-day Saints, Tallahassee:

Our eternal Father, as we unite on this day to do good work, we join in expressing sincere gratitude for the many choice blessings of this life. We are grateful for the opportunity of comfortably gathering in this place—a place of history, a place where men and women have come to defend the freedoms, rights, and privileges of the people. We express gratitude for this hallowed place where its purposes have been and will continue to be fulfilled so that lives of many will be blessed.

We are grateful for the many good men and women who are here and who have been here in this place in times past. We are grateful for the collective experiences, talents, and abilities that have prepared those chosen for this noble service. We petition that thy watchful eye be over each of the elected officials, their families, their loved ones, and the staff who serve with them. We ask for a blessing of physical capacity, mental endurance, and social influence, openness to learn from thee, and recognition to positively affect the lives of many. We ask a blessing for all who enter this chamber to see the altruistic desires of those who serve. We pray that thy divine inspiration will be constant and easily recognized and felt in clear and distinct ways. May persuasion, long-suffering, gentleness, meekness, love unfeigned, kindness, and pure knowledge reign in all that is done.

On this day, we pray for the citizens, families, and individuals of this great state. We are grateful for the charitable service that is rendered daily—helping and lifting those in need, mourning with those who mourn, comforting those in need of comfort, and standing as a witness of the much good that is being done in ways within our capacity. Strengthen and magnify each of us in these things. We unitedly pray that Florida will be known for inspiring initiatives in the southeast, in this nation, and in the world. We pray that discoveries and advances in all sectors that are being sought throughout the state will progress with thy divine guidance.

We express gratitude for the beauty of this land. We pray for protection of our homes and of these lands from natural disasters and degenerative processes. May we go forth inspired and uplifting one another, ever mindful of thee and thy power. In the name of thy son, Jesus Christ. Amen.

PLEDGE

Senate Pages, Melody Myers of Tampa; Thomas Thompson of Pensacola; and Jaxson Turner of Avon Park, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

ADOPTION OF RESOLUTIONS

At the request of Senator Truenow—

By Senator Truenow—

SR 1846—A resolution expressing support for a One Water approach to water resource management and the use of collaborative, integrated, and resilience systems approaches to planning for and funding water resource projects.

WHEREAS, water is a vital resource essential for human health, well-being, and economic prosperity, and

WHEREAS, Florida's strong economy and unprecedented growth have resulted in increasing demand for water supply and significant stress to water resources, which necessitate additional efforts to address future projected water shortages and prevent harm to the environment, and

WHEREAS, Florida's residents value clean water, springs, lakes, coastal estuaries, and other environmental resources, and

WHEREAS, Florida's spring, lake, estuary, and wetland systems include some of the most productive and diverse ecosystems in the world, and

WHEREAS, Florida's waterways provide the nation's best recreational destinations and support significant commercial, recreational, and sustenance fisheries which contribute to residents' quality of life, and

WHEREAS, Florida's rank as top national producer of agricultural products depends on adequate water supply, and

WHEREAS, despite Florida's strong water resource protection framework, approximately 67 percent of Florida is categorized as a water resource caution area, and more than 2,000 waterbodies in this state are designated as impaired for water quality, and

WHEREAS, historically, water management practices have addressed water supply, wastewater, and stormwater separately, leading to inefficiencies and missed opportunities for resource optimization, and

WHEREAS, projected water shortages, water quality problems, and environmental impacts can be addressed through integrated planning, infrastructure investments, conservation, and integrated water resource management, and

WHEREAS, Florida's water utilities and other water users are beginning to regionally manage all water resources in ways that balance demand, supply, and environmental protection, and

WHEREAS, water utilities and other users are increasingly turning to the Florida One Water Commission's One Water strategy, which means valuing all water through a collaborative and integrated systems approach to managing fresh and brackish surface and groundwater, stormwater, wastewater, and recycled water in a holistic and sustainable manner that maintains ecosystems while providing reliable and resilient water resources that support the economy, the environment, and the public, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate encourages a One Water approach to water resource management and the use of collaborative, integrated, and resilience systems approaches to planning for and funding water resource projects.

—was introduced, read, and adopted by publication.

At the request of Senator Simon—

By Senator Simon—

SR 1870—A resolution commending Tallahassee State College for its consistent excellence and ongoing commitment to student success and recognizing April 10, 2025, as “Tallahassee State College Day” at the Capitol.

WHEREAS, Tallahassee State College (TSC) was established in 1966 to serve Leon, Gadsden, and Wakulla Counties by providing access to high-quality education for area residents, and

WHEREAS, now in its 59th year, TSC remains steadfast in its founding principles of ensuring academic excellence, offering seamless transfer pathways, delivering in-demand workforce training, and providing robust support for its students and community, and

WHEREAS, TSC is a proud member of the esteemed Florida College System, also known as the “Great 28,” which has helped Florida earn the distinction of being recognized as the No. 1 state for higher education in the years since *U.S. News & World Report* began ranking colleges in 2017, and

WHEREAS, TSC welcomes more than 16,000 credit, noncredit, and continuing education students each year, with nearly 60 percent coming from outside its service area, drawn by the strength of its more than 100 academic and workforce programs, and

WHEREAS, TSC achieved a record-high 3-year graduation rate of 42 percent among its most recent student cohort, surpassing the national average for peer institutions by an impressive 15 percentage points, and

WHEREAS, TSC is one of the most affordable colleges in the country, boasting the fourth-lowest tuition rate in Florida, and, with millions in aid awarded each year, 70 percent of its students graduate without any student loan debt, and

WHEREAS, TSC was recognized by the United States Department of Education as the 2-year institution with the highest transfer rate in the state and the best partnership with a 4-year institution, Florida State

University, which led its students to achieve the highest bachelor's completion rate, and

WHEREAS, TSC is consistently ranked as one of the top public colleges in the nation, earning accolades from the American Association of Community Colleges, the National Institute for Staff and Organizational Development, the National Association for Community College Entrepreneurship, and the Aspen Institute, among others, affirming the college's commitment to excellence, innovation, and student-centered practice, and

WHEREAS, in 2024, in recognition of its growing impact on statewide education, the institution was officially renamed Tallahassee State College, marking a historic milestone in its evolution as an outstanding institution of higher education, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 10, 2025, is recognized as “Tallahassee State College Day” at the Capitol in recognition of TSC's contribution as an exemplary institution of higher education.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Jim Murdaugh, Ph.D., the sixth President of Tallahassee State College, for inclusion in the college's historic archives and as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Simon recognized Tallahassee State College President Jim Murdaugh, Vice President Heather Mitchell, and Trustee Frank Messersmith, who were present in the gallery in support of Tallahassee State College Day at the Capitol.

SR 1876—A resolution recognizing Florida Agricultural and Mechanical University's contributions as an outstanding institution of higher education and designating April 9, 2025, as “FAMU Day” in Florida.

WHEREAS, Florida Agricultural and Mechanical University (FAMU), Florida's only public historically black college and university (HBCU), was founded on October 3, 1887, named a land-grant institution in 1891, designated a college in 1909, and designated a university in 1953, and

WHEREAS, the university is composed of 100 undergraduate, graduate, postgraduate, and professional degree programs, 7 colleges, and 7 schools, including the Colleges of Agriculture and Food Sciences; Education; Engineering; Law; Pharmacy and Pharmaceutical Sciences; Science and Technology; and Social Sciences, Arts, and Humanities; and the Schools of Allied Health Sciences; Architecture and Engineering Technology; Business and Industry; the Environment; Graduate Studies and Research; Journalism and Graphic Communication; and Nursing, and

WHEREAS, under the dedicated leadership of FAMU Interim President Timothy Beard, Ph.D., along with the FAMU Board of Trustees, faculty, staff, and students, FAMU rose in the *U.S. News & World Report* 2024-2025 “Top 100” National Public Universities rankings from No. 91 just a year ago to No. 81, is ranked 20th on the Social Mobility Index, remains the No. 1 ranked public HBCU for the sixth consecutive year, and is ranked 3rd among all public and private HBCUs in the country, and

WHEREAS, with more than 9,300 students enrolled for the 2024-2025 academic year, FAMU experienced a record number of applications, exceeding 24,300 in a single year with nearly 21,000 first-time-in-college applicants, and

WHEREAS, FAMU supports student success through increased funding and initiatives, garnering proven results in graduation rates and degree productivity, awarding more than 2,100 degrees during the 2023-2024 academic year, and

WHEREAS, the dynamic FAMU Marching “100” was named “Band of the Year” by ESPN in the 2024 HBCU National Championship, a symbol of artistic achievement and community pride, inspiring the next generation, and was honored by the Leon County Commission for the award, and

WHEREAS, this year, retired and acclaimed FAMU Marching “100” director Dr. Julian E. White was the second African-American director to be inducted into the National Band Association’s Hall of Fame, with the first being FAMU Marching “100” founder Dr. William P. Foster, and

WHEREAS, with 14 National Collegiate Athletic Association programs, FAMU Athletics had a stellar year of wins in sports, including the FAMU Women’s Volleyball Team winning the Southwestern Athletic Conference (SWAC) Championship; Sara Rakim winning the SWAC Women’s Tennis Fall Tournament and participating in the Intercollegiate Tennis Association National Fall Tournament; the assistant coach of the FAMU Women’s Volleyball Team, Gokhan Yilmaz, being named the SWAC Coach of the Year; FAMU football quarterback Daniel Richardson being named the SWAC “Newcomer of the Year”; and the FAMU Men’s Basketball Team, under the leadership of Coach Patrick Creary II, securing its first-ever SWAC Tournament win, and

WHEREAS, FAMU is dedicated to maintaining its commitment in honoring FAMU’s most treasured and esteemed alumni, including renaming city streets after legendary football coach Rudy Hubbard, esteemed educators and community pillars Dr. Carolyn Ryals and E. Lillian Spencer, and an on-campus city street after iconic and legendary tennis athlete, Althea Gibson, who, in 1980, was among the first women inducted into the International Women’s Sports Hall of Fame, solidifying her legacy in sports history, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That, in recognition of Florida Agricultural and Mechanical University’s contributions as an outstanding institution of higher education, April 9, 2025, is designated as “FAMU Day” in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Dr. Timothy Beard, Interim President of Florida Agricultural and Mechanical University, as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Jones recognized Florida A & M University alumni, students, faculty, staff, Interim President Dr. Timothy Beard, Board of Trustees Chair Kristin Harper, senior leadership, and the FAMU National Alumni Association, who were present in the gallery for FAMU Day.

—was read the second time by title.

Senator Brodeur moved the following amendments which were adopted:

Amendment 1 (712752) (with title amendment)—Delete lines 378-568 and insert:

2.a. The districts may levy separate ad valorem taxes on property within the district or basin for the purposes of the construction of capital improvement projects. Such levy must be by resolution adopted by a majority vote of the governing board and conditioned to take effect only upon approval by a majority vote of the electors in the district or basin, as applicable, voting in a referendum held at a general election as defined in s. 97.021. The resolution must be conditioned to take effect on the January 1 immediately following voter approval of the referendum. The resolution must include the millage to be levied, a detailed description of the capital improvement projects to be funded by the millage, such projects’ expected dates of completion, and the maximum duration for the levy of the millage, which may not extend beyond the date that the projects are expected to be completed. The millage levied under this subparagraph may be up to an amount that, when combined with millage levied under subparagraph 1., does not exceed the maximum total millage rate authorized under paragraph (b). The referendum question on the ballot must specify a brief and general description of the purpose of the levy and the maximum length of time the millage may be imposed.

b. For purposes of this subparagraph, the term “capital improvement projects” means projects related to water supply, including alternative water supply and water resource development projects identified in the district’s regional water supply plans, water quality, flood protection and floodplain management, and natural systems.

(b)(a) Notwithstanding any other general or special law, and subject to subsection (4), the maximum total millage rate for all district and basin purposes authorized under this section shall be:

1. Northwest Florida Water Management District: 0.05 mill.
2. Suwannee River Water Management District: 0.75 mill.
3. St. Johns River Water Management District: 0.6 mill.
4. Southwest Florida Water Management District: 1.0 mill.
5. South Florida Water Management District: 0.80 mill.

(c)(b) The apportionment of millages levied pursuant to subparagraph (a)1. in the South Florida Water Management District shall be a maximum of 40 percent for district purposes and a maximum of 60 percent for basin purposes, respectively.

(d)(c) Within the Southwest Florida Water Management District, the maximum millage assessed for district purposes may not exceed 50 percent of the total authorized millage if there are one or more basins in the district, and the maximum millage assessed for basin purposes may not exceed 50 percent of the total authorized millage.

Section 9. Subsections (1) and (3) of section 373.535, Florida Statutes, are amended, and subsection (2) of that section is reenacted, to read:

373.535 Preliminary district budgets.—

(1) BUDGET DEVELOPMENT.—

(a) By January 15 of each year, each water management district shall submit a preliminary budget for the next fiscal year for legislative review to the President of the Senate, the Speaker of the House of Representatives, and the chairs of each legislative committee and subcommittee having substantive or fiscal jurisdiction over water management districts, as determined by the President of the Senate or the Speaker of the House of Representatives, as applicable, in the form and manner prescribed in s. 373.536(5)(e).

(b) Each preliminary budget must also include:

1. A section that clearly identifies and provides justification for each proposed expenditure listed in s. 373.536(5)(e)4.e. and f. and identifies the source of funds for each proposed expenditure.

2. A section identifying the justification for proposed expenditures by core mission area of responsibility and the source of funds needed for activities related to water supply, including alternative water supply and water resource development projects identified in the district's regional water supply plans, water quality, flood protection and floodplain management, and natural systems.

3. A section that includes the district's capital improvement plan for the current fiscal year and the next fiscal year, which will be incorporated as part of the district's 5-year capital improvement plan. The following information must be included for each project contained in the capital improvement plan:

- a. Estimated beginning and ending date.
- b. Current status, such as planning, construction, or operations.
- c. Funding source, grouped by federal, state, and local pursuant to s. 373.503(3)(a)1., local pursuant to s. 373.503(3)(a)2., or other.
- d. Total cost of the project.
- e. Whether the project is funded from reserves.
- f. Total expenditures made to date, by fiscal year.
- g. Current year estimated expenditures.
- h. Annual budget, including future budget requests, until project completion, by funding source.
- i. Project description.
- j. State program code, such as operations and maintenance or ecosystems restoration.

4.3. A section reviewing the adopted and proposed budget allocations by program area and the performance metrics for the prior year.

5.4. An analysis of each preliminary budget to determine the adequacy of fiscal resources available to the district and the adequacy of proposed district expenditures related to the core mission areas of responsibility for water supply, including alternative water supply and water resource development projects identified in the district's regional water supply plans, water quality, flood protection and floodplain management, and natural systems. The analysis must be based on the particular needs within each district for core mission areas of responsibility. The water supply analysis must specifically include a determination of the adequacy of each district's fiscal resources provided in the district's preliminary budget to achieve appropriate progress toward meeting the districtwide 20-year projected water supply demands, including funding for alternative water supply development and conservation projects.

(c)(4b) If applicable, the preliminary budget for each district must specify that the district's first obligation for payment is the debt service on bonds and certificates of participation.

(d) In addition to the information that must be included for projects carried out pursuant to the capital improvement plan in subparagraph (b)3., the South Florida Water Management District must include a separate section in its preliminary budget for all projects within the Comprehensive Everglades Restoration Plan. The information for the separate section must be provided on a project-by-project basis and include the source of funds. For each project, all of the following information must be included:

1. The project title and a brief description.
2. The total estimated cost of the project, delineated by federal and nonfederal sponsor obligations. The local sponsor obligations must be further delineated by state and district obligations.
3. The timeline for the project.
4. The total expenditures to date and estimated remaining expenditures needed for project completion.
5. The estimate of expenditures for the current year.

6. The estimate of expenditures for the next fiscal year.

(e) For expenditures funded by state appropriations, the South Florida Water Management District must indicate which fiscal year the appropriation is from. In estimating expenditures for the next fiscal year, the district may incorporate state revenues only in an amount up to the amount of funds specifically provided in s. 375.041(3)(b)1., 4., and 5., unless the district commits district revenues on a dollar-for-dollar basis for any amount over such amount specifically provided.

(2) LEGISLATIVE REVIEW.—

(a) The Legislature may annually review the preliminary budget for each district, including, but not limited to, those items listed in s. 373.536(5)(e)4.d.-f., specific to regulation, outreach, management, and administration program areas.

(b) On or before March 1 of each year, the President of the Senate and the Speaker of the House of Representatives may submit comments regarding the preliminary budget to the districts, and provide a copy of the comments to the Executive Office of the Governor. Each district shall respond to the comments in writing on or before March 15 of each year to the President of the Senate, the Speaker of the House of Representatives, and the Executive Office of the Governor.

(c) If, following such review, the Legislature does not take any action pursuant to s. 373.503 on or before July 1 of each year, a water management district may proceed with budget development as provided in subsection (3) and s. 373.536.

(3) FUNDING AUTHORITY GRANTED.—Each district shall use the preliminary budget as submitted pursuant to subsection (1), and as may be amended by the district in response to review by the Legislature pursuant to this section and s. 373.503, as the basis for developing the tentative budget for the next fiscal year as provided in s. 373.536(5). However, this subsection may not be construed to impair any contractual obligations.

Section 10. Paragraphs (c) and (e) of subsection (5) of section 373.536, Florida Statutes, are amended to read:

373.536 District budget and hearing thereon.—

(5) TENTATIVE BUDGET CONTENTS AND SUBMISSION; REVIEW AND APPROVAL.—

(c) The Legislative Budget Commission may reject any of the following district budget proposals *unless specifically appropriated by the Legislature*:

1. A single purchase of land in excess of \$10 million, except for land exchanges.
2. Any cumulative purchase of land during a single fiscal year in excess of \$50 million.
3. Any issuance of debt on or after July 1, 2012.
4. Any program expenditure ~~expenditures~~ as described in sub-subparagraphs (e)4.e. and f. in excess of 15 percent of a district's total annual budget.
5. Any individual variance ~~variances~~ in a district's tentative budget which is in excess of 25 percent from a district's preliminary budget.
6. Any individual portion of a district's tentative budget funded with state appropriations.
7. Any individual project in the district's 5-year capital improvement plan except for those projects fully funded with revenues approved by voters pursuant to s. 373.503(3)(a)2.a.

And the title is amended as follows:

Delete lines 50-67 and insert: 373.503, F.S.; authorizing the districts to levy certain ad valorem taxes on specified property for certain purposes; requiring a governing board levying ad valorem taxes for certain projects to adopt a resolution approved by a majority vote of the voting electors in the district or basin; providing requirements for such

resolution; providing specifications for millage levied; requiring that the referendum question on the ballot specify the purpose of the levy and the maximum length of time the millage may be imposed; defining the term “capital improvement projects”; revising requirements for the maximum total millage rate;

Amendment 2 (205560) (with title amendment)—Delete lines 885-938 and insert:

Section 15. *The Department of Environmental Protection may submit budget amendments to request the realignment of funds appropriated for Everglades restoration in the 2025-2026 General Appropriations Act pursuant to s. 216.292(4), Florida Statutes, subject to the approval of the Legislative Budget Commission.*

And the title is amended as follows:

Delete line 140 and insert: specified uses; authorizing the department to submit budget amendments for a certain purpose, subject to the approval of the Legislative Budget Commission; reenacting

SENATOR BRODEUR PRESIDING

Senators Osgood and Gaetz offered the following amendment which was moved by Senator Osgood and adopted:

Amendment 1 (281558) (with title amendment)—Between lines 34 and 35 insert:

Section 1. Section 83.471, Florida Statutes, is created to read:

83.471 Reusable tenant screening reports.—

(1) *As used in this section, the term:*

(a)1. “Consumer report” means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer’s credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing the consumer’s eligibility for credit or insurance to be used primarily for personal, family, or household purposes; employment purposes; or any other purpose authorized under 15 U.S.C. s. 1681b.

2. *Except for the restrictions provided in 15 U.S.C. s. 1681a(d)(3), the term “consumer report” does not include:*

a. *Subject to 15 U.S.C. s. 1681s-3, any report containing information solely as to transactions or experiences between the consumer and the person making the report; communication of such information among persons related by common ownership or affiliated by corporate control; or communication of other information among persons related by common ownership or affiliated by corporate control, if it is clearly and conspicuously disclosed to the consumer that the information may be communicated among such persons and the consumer is given the opportunity, before the time that the information is initially communicated, to direct that such information not be communicated among such persons;*

b. *Any authorization or approval of a specific extension of credit directly or indirectly by the issuer of a credit card or similar device;*

c. *Any report in which a person who has been requested by a third party to make a specific extension of credit directly or indirectly to a consumer conveys his or her decision with respect to such request if the third party advises the consumer of the name and address of the person to whom the request was made, and such person makes the disclosures to the consumer required under 15 U.S.C. s. 1681m; or*

d. *A communication described in 15 U.S.C. s. 1681a(o) or 15 U.S.C. s. 1681a(x).*

(b) “Consumer reporting agency” means any person who, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties, and who uses any means or facility of interstate commerce for the purpose of preparing or furnishing consumer reports.

(c) “Reusable tenant screening report” means a report that:

1. *Includes all of the following:*

a. *The applicant’s full name.*

b. *The applicant’s contact information, including mailing address, e-mail address, and telephone number.*

c. *Verification of the applicant’s employment.*

d. *The applicant’s last known address.*

e. *The results of an eviction history check in a manner and for a period of time consistent with applicable law related to the consideration of eviction history in housing.*

f. *The date through which the information contained in the report is current.*

g. *The applicant’s consumer report.*

2.a. *Is prepared within the previous 30 days by a consumer reporting agency at the request and expense of an applicant.*

b. *Is made directly available to a landlord for use in the rental application process or is provided through a third-party website that reg-*

ularly engages in the business of providing a reusable tenant screening report and complies with all state and federal laws pertaining to use and disclosure of information contained in a consumer report by a consumer reporting agency.

c. Is available to the landlord at no cost to access or use.

(2) A landlord may accept reusable tenant screening reports and may require an applicant to state that there has not been a material change to the information in the reusable tenant screening report.

(3) If an applicant provides a reusable tenant screening report to a landlord who accepts such reports, the landlord may not charge the applicant a fee to access the report or an application screening fee.

(4) This section does not:

(a) Affect any other applicable law related to the consideration of criminal history information in housing, including, but not limited to, local ordinances governing the information that landlords may review and consider when determining to whom they will rent; or

(b) Require a landlord to accept reusable tenant screening reports.

And the title is amended as follows:

Delete line 2 and insert: An act relating to housing; creating s. 83.471, F.S.; defining terms; authorizing a landlord to accept reusable tenant screening reports and require a specified statement; prohibiting a landlord from charging certain fees to an applicant using a reusable tenant screening report; providing construction; amending s.

Senator Gaetz moved the following amendment which was adopted:

Amendment 2 (103896)—Delete lines 47-53 and insert: prospectively to accessory dwelling units approved after the date the ordinance is adopted. Such ordinance may regulate the permitting, construction, and use of an accessory dwelling unit, but may not do any of the following:

(a) Prohibit the renting or leasing of an accessory dwelling unit, except to prohibit the renting or leasing of an accessory dwelling unit approved after the effective date of the ordinance for a term of less than 1 month, notwithstanding s. 509.032(7)(b).
